The Rockport Pilot

THE ONLY NEWSPAPER PUBLISHED IN ARANSAS COUNTY

Vol. No. 92

ROCKPORT, ARANSAS COUNTY, TEXAS, THURSDAY, SEPT. 7, 1961

No. 23

Summer Business Is Good Although Year May Be Off

Summer business in Rockport has been good, according to the tourist courts and grocery stores, although, because of the poor year for shrimp the tally for 1961 may be less than for the preceding year.

Real estate continues to be active, but the overall picture is spotty. In some areas lots and buildings are going fast; in other they have been hard to sell, according to local real estate dealers.

Tourist courts have been crowded during most of the summer, and a number of operators have reported bookings that ranged as high as 100 percent at times, although now that the summer is ended and school has started, the courts are looking for business.

Grocery business during the summer has been excellent, and some of the stores say that they have outstripped last year in their sales, although they think that because of the shrimp situation their yearly sales may be less than last year.

Building continues rapidly throughout the peninsula, and the building trades are faced with about all they can do, one contractor said. Biggest single item for the year is the new Sacred Heart School, which is expected to cost some \$86,000.

The shrimp situation has been bad, however, with the result that buying has been curtailed for this segment of Aransas County's population. In general, shrimp catches have declined around 50 percent for the year.

And while the fishing has been about average, charter boat business has been dropping steadily for the last two or three years, because of the great number of people that now have their own boats and use these instead of chartering others.

C. of C. Directors Discuss Safety At Monthly Meeting

Directors of the Chamber of Commerce, at their regular meeting Tuesday night, discussed school safety and listened to the report of George Dickey who has inspected arrangements in other towns.

Dickey told the board that he had visited surrounding cities and had talked with school and city authorities about the most feasible methods of attaining safety for school children as they cross the highways to and from school.

He and Supt. J. D. Gray, of the Aransas County schools, reported on various plans for handling the local situation. Members of the Board commended Dickey on the care and time he had devoted to the project, on which he will have some recommendations to make at a later date.

Mrs. Charles A. Roe, Sr., reported that the Tourist Promotion Committee had not been able to stage a second group of motorboat races because of lack of help during the busy summer season.

Dickey reported upon some signs planned for the approaches into Rockport, and Chamber of Commerce President Seth H. Steele appointed a committee to work with him on the matter.

Discussion of the use of advertising envelopes by merchants and others in town was referred to the merchant's committee, headed by Vernon Kleypas.

Kleypas reported on efforts of the committee to straighten out confusion on initiation of the state sales tax, and gave a report on the welcome letters sent to newcomers to Aransas County. He also gave a brief run-down on the salesmanship course which the Chamber of Commerce is sponsoring, and which starts next Monday.

Plans were discussed for a firemen's barbecue later in the year.

\$79,000 SOUGHT IN BUS COLLISION

James R. Thorn of Rockport, acting as next friend for his 5-year-old stepdaughter, yesterday filed a \$79,000 damage suit against Continental Bus System, Inc., in federal court.

Thorn's petition alleges that his wife, June, and her daughter, Kay Allison Lilling, were injured May 11, 1961, when the car his wife was driving was in collision with a Continental bus on Highway 35 south of Rockport.

He asks recovery of \$50,000 damages for his wife and \$25,000 for the child, and \$1,500 medical expenses for his wife and \$2,500 medical expenses for the child.

Grand Jury Returns 11 Indictments

The Aransas County Grand Jury, after an extended session, ended at 6:45 p.m. Wednesday, returned 11 true bills.

They are as follows:

John D. Brown, forgery; Joe Martinez, assault with intent to murder, in connection with his alleged attack on Joe Sanchez on March 25;

Raul Ramirez, assault with intent to murder, in connection with his alleged attack on Ramiro Munoz on Aug. 18; Ralph Odell Kelly, theft over \$5 but less than \$50, in connection with an alleged theft of 30 pounds of shrimp on Aug. 26;

Herbert Ray Cox and Richard C. Welch, indicted jointly for burglary in connection with the alleged burglary of the Tom Davis house on July 16;

Guillermo L. Dominguez, burglary, in connection with the alleged burglary of Bushart's on June 6; and Alonzo Williams, burglary and enhancement, in connection with a burglary alleged to have been committed in the William Rumpf home on March 7.

All of the above are in custody. Other indictments returned included one for cattle theft; two for theft of personal property of a value of more than \$50; and one for forgery and passing.

Aransas Wildcat Drills At 8,170

Amerada Petroleum Corp. and Jake L. Hamon No. 1 State Tract 191, Aransas County wildcat, east of Rockport in Aransas Bay, was drilling below 8,170 feet on a 9,700 foot permit.

Jake L. Hamon No. 1 State Tract 120, wildcat five miles west of Rockport was drilling at 5,851 feet on a 9,200 foot permit. Location is in Copano Bay Tract 129.

Coastal States Gas Producing Co. of Corpus Christi No. 1 Helen Steel Clark, triple Fulton Beach Field producer, has been gauged on the lower tubing for 49.54 barrels of 44.8 gravity pipeline oil daily.

Production is from B-3-8 sand perforations at 7,108-28 feet, with 5½ inch casing on bottom at 7,521 feet. Flow is through 14-64 inch choke with 460 pounds tubing pressure and gas-oil ratio is 1,282-1.

Completed in July, 1959, the well also produces from the A-2 gas sand at 6,900-07 feet and the B-2 oil sand at 7,063-74 feet. It is in Block 69, Lot 15, William Lewis Survey, A196.

Try Slated To 10,500 In Aransas

Whiffen Estate Inc. of Dallas has scheduled a 10,500 foot Aransas County wildcat six miles west-northwest of Rockport in Copano Bay.

The No. 1 State Tract 112 is 1,980 feet from the south line and 467 feet from the west line of a 320-acre lease and State Tract 112.

Located approximately four miles southwest of oil production and four miles northeast of gas production, this project is about 1½ miles northwest of operator's No. 1 State Tract 124, a 9,005-foot dry hole and more than a mile southwest of Sun No. A-1 State Tract 102, which failed at 10,114 feet.

Storm Drilling Co. of Corpus Christi has the contract.

Carri Oil and Robert Mosbacher No. 1 Mrs. Florence E. Brown, wildcat four miles south-southeast of Bayside, was drilling below 9,229 feet on a 10,000-foot permit. The explorer is in Block 5, Section 52, Sixth Addition to Taft Farm Lands.

SHERIFF SHIVERS IN BAYVIEW HOSPITAL

Sheriff A. C. Shivers is still confined to Bayview Hospital, where he is recuperating slowly.

He will probably be out of circulation for the next five or six weeks and so far, has been allowed no visitors.

MISSION SOLICITS FUNDS

The Good Samaritan Rescue Mission of Corpus Christi has their representative, James Palmer, soliciting clothes, furniture and appliances for needy persons.

If you have something to give them, call TU 3-2535, 1019 Kinney Avenue, Corpus Christi.

CAUGHT IN THE ACT—This burglar triggered a hidden camera as he broke into a cigarette vending machine in Anderson, Ind. The thief, James Rogers, 18, was apprehended shortly after the photo was developed.

Commissioners Court Transacts Routine Business In Meeting

The Commissioners Court, at their regular meeting heard County Judge John Wendell present the request of Chester Johnson for the purchase or trade of West portion of Block 172, Manning addition, bordering Highway No. 35. After due consideration and discussion it was unanimously decided that said property should be kept for highway purposes.

They then considered the purchase of a "Unicom" system for the Aransas County Airport. After due discussion it was moved by Commissioner Sparks that the County Judge be authorized to purchase a Unicom and have same installed at the Airport. The motion was seconded by Commissioner Davis and carried unanimously.

It was moved by Commissioner Wofford that the County Judge's juvenile court salary be raised from \$150.00 per year to \$1200.00 per year. The raise was approved.

Frederick Johnson presented a plan of Indian Cove, a subdivision of the west portion of outlot 12, Lamar Townsite. It was approved as presented.

J. R. Millikin, County Auditor, presented the budget for the year 1962 to the Commissioners Court. It was moved by Commissioner Allen to approve the budget as read.

The Annual Budget for Agricultural Extension Work in Aransas County for the period Jan. 1, 1962 and ending Dec. 31, 1962 was approved as follows: Agricultural agent, salary \$400.00, travel expense, \$150.00; Home Demonstration agent, salary \$400.00, travel expense \$150.00.

School Roll Up Ten Percent

When Aransas County schools opened this fall they had approximately 400 more students than they had fifteen years ago.

Supt. J. D. Gray gave the total count this week as 1166, an advance of 118 over the same time a year ago, or approximately 10 percent over the 1960-61 enrollment.

There are 229 students in the Aransas County Senior High School this year, he said, and 224 in junior high.

Greatest number of pupils are enrolled in Rockport Elementary, which has 571 students. There are 142 pupils in Fulton Elementary. Gray said that the enrollment would probably continue to raise.

Sacred Heart Catholic School has an enrollment of about 100. Sister Ludhema said.

STYLE SHOW PLANNED BY NCO'S WIVES

At the monthly meeting of the NCO's Wives Club of Rockport, Mrs. Joyce Ratliff of Townsend's Dress Shop in Rockport was a special guest. Plans were made to have a fashion show sponsored by Townsend's on Tuesday, Oct. 10, at 8 p.m. in the Community Building, at Rockport Air Force Base.

Strawberry shortcake and coffee were served by the hostess, Mrs. Shirley Fridenberger. The next meeting will be held on Tuesday, Sept. 19, at 7:30 p.m.

COIN CLUB TO MEET

The Coastal Bend Coin Club will meet at the Rockport Fire Station Monday, Sept. 11, at 8 o'clock. All visitors welcome.

Grocery Stores Outline Checking Procedures For Tax

The local grocery stores, to help you obtain faster service at the checking stands, has prepared a list of taxable items that they suggest be kept together. By doing this, they say, the work of the checker will be made easier, and it will be possible to expedite matters considerably.

The following list includes most taxable items or categories:

Soap (all types cleaning and laundry supplies, bluing, cleansers, disinfectants, and rinses). Paper products (all kinds including cups, napkins, plates, shelf, toilet, wax and foils, towels, sandwich bags, etc.)

Beverages, soda water, bottled or canned, Hi-C and Bestex drinks, dairy box drinks, but not orange juice, beverage concentrates (Kool Aid, Miracle Aid, Fizzies, Wylar, Tang).

Waxes, liquid or paste, cleaners, etc.; Polishes, furniture, floor and auto, etc.; Starches, sponges and window cleaners; Brooms, mops, mop heads, applicators, etc.; clothes lines, clothes pins, matches, tooth picks.

Shoe polishes and supplies; Insecticides (all kinds) and sprayers; Candy and Chewing Gum, all kinds except Marshmallows; Pet Foods, canned or packaged, and all pet supplies; Canning Supplies, jars, caps, wax, etc.; Cleaning Fluids, candles, charcoal and charcoal lighters; Bottled Water—distilled, etc.; Drug and Houseware Merchandise (all kinds taxable except a few items that are marked, "no tax").

There are many miscellaneous taxable items which space prevents listing here, but in general if you eat or drink the item (with a few exceptions such as listed above), it is tax free. Otherwise all items are taxable at 2 percent Texas law.

A complete list can be obtained from Mrs. Mary Juergens at the Chamber of Commerce building.

Tractor Runs Over Driver In Rockport

Loren Tom Park, 28, was injured when a tractor ran over him in a freak accident near here Tuesday afternoon.

His condition was not considered serious at Ewing Memorial Hospital in Sinton although he suffered a possible fractured leg, and chest and head injuries.

Park was working alone laying pipe for the B&B Pipe and Supply Co. of Taft. His truck would not start at the end of the day's work, so he towed it with a tractor.

When the truck motor started, Park jumped off the tractor. He slipped and the back wheel of the tractor ran over him.

He was able to get in the truck and drive about four miles for help. A Cage-Marshall ambulance from Aransas Pass took him to the hospital.

A former crop duster, Park quit that job after four flying accidents to look for safer work, friends said.

FULTON PTA MEETS

The Fulton PTA will hold its regular meeting on Wednesday, Sept. 13, at 8 p.m. at Fulton Elementary School. Refreshments will be served, followed by the business meeting.

Come out, parents, and represent your children.

Pirates Whip Flour Bluff Hornets Friday

The green and inexperienced Aransas County Pirates didn't look green or inexperienced Friday night, when their superior teamwork and conditioning paid off in a victory over the Flour Bluff Hornets, who were touted to have the edge.

Sparkling line play, good quarterbacking, and hard running were responsible for a 12 to 6 victory, with the Pirates knocking on the Hornet's door at the end of the game, only inches away from another touchdown.

The first quarter produced no score, although most of the game was played in Flour Bluff's back yard, but in the second quarter the Pirates shoved over their first tally, but failed to convert after the touchdown.

This came not far before the half when the Hornet's kick from their own 30 yard line went only 15 yards before the Pirates recovered. Iles made six, Galindo made one, then Jimmie Jackson threw an incomplete pass, coming back on the fourth down to toss a 32 yard pass to Manuel Lugo, who gathered it in on the Hornet 6. Iles made 5, then failed to gain on the second down. On the third Lugo barreled over the left side of the line for the touchdown.

On the third down, when Brown, Hornet quarterback tried a pass, Jimmie Jackson intercepted it and ran it back to the Flour Bluff 15. Iles made a yard and then Jackson heaved one to Galindo for the second score.

The rest of third quarter was without incident, but about halfway through the fourth, after a wild melee in which practically every man on both teams had his hands on the ball, Brown scored for the Hornets on a quarterback sneak.

With the quarter almost over, Ramsey intercepted another Hornet pass, and the Pirates were on the three yard line when the game ended.

Jackson called a nice game for the Pirates; Galindo and Lugo turned in good performances; Iles at fullback, played an outstanding game; Dennis McCabe turned in his usual sparkling game at guard; and Bob Johnson did a fine job at tackle.

And, for that matter, all the Pirates did well. Their superior conditioning told, and they played well together as a team.

Rockport Skiers Take Part In Ski Show Sunday

Several Rockport people took part in the ski show staged at the Cove Sunday afternoon by the Mathis Ski Club and sponsored by the Aransas County Junior Chamber of Commerce.

The program was as follows: Darlyne Finches, Shirley Clark (Rockport), Billy Rawls and Diane Mahon (Corpus Christi) and Pauline Baxter (Agua Dulce) presented a water ballet as the first number.

Walter Baxter and Billy Rawls, backward crisscross.

Shirley Clark, Brenda Clark and Darlene Fincher made up a three-girl pyramid, with D. M. Fincher as the boat driver.

Walter Baxter, Texas toothpick; also a clown act with Kip Burnett as driver.

Fincher was also driver for Billy Mohan who put on a clown act on an innertube; Susan Clark and Tiny Wishert road saucers; Baxter did tricks on skis.

Brenda Clark skied on shoes with D. T. Clark as boat driver.

The slalom crisscross on Texas toothpicks was presented by Ronnie Avery and Brenda Clark, with D. M. Fincher, who also drove the boat when Pauline Baxter performed on a Texas toothpick.

In the mixed doubles, Brenda Clark and Walter Baxter performed. She rode on his shoulders as he rode on one ski.

Diane Mahon and Brenda Clark did a crisscross; then Walter Baxter went off the jump while Pauline crossed beneath him in front of the jump. Ronnie Avery of Corpus Christi handled the boat.

A crisscross on slaloms was performed by Darlene Fincher and Brenda Clark, with D. M. Fincher handling the boat; barefoot skiers were Ronnie Avery and Walter Baxter.

A parade of all boats ended the show.

Susan Clark is ten; Brenda Clark is 11; Walter Baxter is 7; Tiny Wishert is 11; and Darlene Fincher and Billy Rawls are 15.

Amended Petition Filed In Boundary Lawsuit

An amended petition of 98 pages and three maps has been filed in 135th District Court at Refugio by Aransas County in its boundary lawsuit against Nueces County.

The original petition, filed Oct. 26, 1857, sought recovery of approximately 33 square miles of

territory now within Nueces County, including Harbor Island, a large section of Aransas Bay and a portion of Mustang Island, including all of Port Aransas. Nueces County collects more than \$100,000 in taxes annually from this area, principally from Harbor Island.

The amended petition alternatively seeks recovery of all of Mustang Island, asserting the Island was within the boundary of San Patricio County prior to an act of the Legislature passed in 1858 that Aransas County contends is unconstitutional.

This act, approved Feb. 3, 1858, stripped San Patricio County of all its water. Aransas County is contending the act is unconstitutional since the caption did not describe the true contents of the act, purporting to "define the jurisdiction over certain tidewater and Islands therein named" while it actually adjusted county boundaries and that it reduced San Patricio County to less than 900 square miles with a four-fifth majority in both Houses of the Legislature as required by the state constitution then in effect.

Aransas County was created in 1871 from Refugio County and the boundary in dispute was cited as the boundary between San Patricio and Refugio Counties.

The amended petition is unique in that it includes fact statements, arguments of proof, legal citations and conclusions of law, usually advanced during the trial of a suit.

The amended petition does not seek recovery of any taxes that have been collected by Nueces County in the past years.

Hobart Huson of Refugio, attorney representing Aransas County, predicted the case will go to trial during the first part of 1962.

"I'm ready for trial now, with the exception of a little detail work," Huson said. "But, attorneys representing Nueces County will need time to study this amended petition and to prepare their answer to and defense of it."

City Secretary Resigns Here

The City Council, at a called meeting Wednesday night, accepted the resignation of Mrs. Jeanne Tuer, City Secretary, who resigned to take other employment.

Expressing their regret at Mrs. Tuer's resignation, the council complimented her highly on her record over the past six years that she has been City Secretary.

They also accepted the resignation of Paul Ward from the Board of Equalization.

After some discussion, councilmen then decided to accept applications for a male city tax assessor-collector, who must reside within the city, and who will also perform the duties of city secretary.

These applications, which must be in writing and should set forth the qualifications of the applicant, will be accepted until 5 p.m., Sept. 11.

Applications will be screened during the week of Sept. 11-16, and it is desirable, the council decided, that the successful applicant be able to begin work on Sept. 18, as Mrs. Tuer's assistant, to receive on-the-job training during the rest of the month.

At the same time, the council will also accept applications for a clerical assistant to the tax assessor-collector, who will be hired later.

In accepting Ward's resignation, the council passed an ordinance reconstituting the Board of Equalization, changing it from a four-man board to a three-man board.

This Board will now consist of Chester Johnson, C. L. Thomas and Don Banning.

Clyde Townsend, Jr., and his wife, of San Marcos are visiting their parents here, Mr. and Mrs. Clyde Townsend, and Mr. and Mrs. George Benningfield. They left Wednesday to return to San Marcos.

WE INVITE —

We invite Charles H. Smith and guest to see Walt Disney's "101 Dalmatians" playing Sunday, Monday, Tuesday and Wednesday, at the Cove Drive In Theatre.

program is designed to promote maximum customer service through energetic, vigorous and forceful selling.

This course, "Dynamics of Selling," is made possible through The University of Texas Distributive Education Department, and will be presented in four 2½ hour sessions, Monday through Thursday, starting at 7:30 p.m., Monday, Sept. 11. Meetings will be in the Chamber of Commerce building.

Mr. Francis A. Flynn, the instructor, has been conducting similar programs for the University for three years and was previously manager of his own retail business.

Groups or individuals that would like additional information should call Mrs. Mary Juergens at the Chamber of Commerce, SO 4-2625.

Rockport Plays Agua Dulce Here This Week

Aransas County High School plays Agua Dulce here this week, and will face a big tough team with some of the local players under the weather from injuries and illness.

"It all depends on how our boys respond to treatment," Coach Dave Segler said today.

"Agua Dulce don't have the team they had last year, but they've got a lot of big, fast replacements, and even if they're a Class B team, don't forget they trimmed us last year. If our boys are in good shape, we ought to give them a hard game. If they're not, it's anybody's guess."

On the injured list are Manuel Lugo, with a badly sprained ankle and Bob Johnson with a banged up hand and knee. Also under the weather are Prentice Owens and Dale Williams, both of whom had virus infections early in the week.

Second Petit Jury Called For Monday

A second petit jury has been called for service in the 36th District Court, to meet on Monday, Sept. 11.

Those called are as follows: W. A. Freeze, Leroy Young, Charles Schindler, Mrs. J. T. Slocum, W. B. Neville, Hubert Johnson, H. T. Martin, Melvin Jones, O. S. Brumley, Raymond Cross, Mrs. Jack Qualline;

Dewey A. Holden, Mrs. Jasper Burkett, Harold Beasley, C. W. Brisbin, Richard D. Ballou, Mervin J. Bright, Stephen Atwood, Titus Mundine, Mrs. Robert L. Harrell, Melvin B. Hull, Roy Lee Hart, Floyd P. Barley, C. E. Nickerson, Floyd L. Brown, Gilbert Hill;

Mrs. Buster Coward, E. N. Qualline, Johnny Coates, Earl Thomas, John A. Cox, Susie Odum, Nathan Sprinkle, Udo Koehler, Mrs. H. Stewart, Ernest H. Russell, Eluterio Gonzales, W. N. Pierson, Fred Procknow, Gayle T. Reininger, Mrs. B. W. Hamblin, W. L. Mikeal, T. E. Edmondson, Frank Corpus, O. C. Ede.

LOCAL BOARD CLEARS TEXANS DRAFT STATUS

Austin, Texas, Sept. 1.—Since President's Kennedy's announcement of increased draft calls, some men who have no legal obligation for draft registration or military service have been corresponding with Texas draft boards about their "obligation."

If you were born on or before Aug. 30, 1922, you are not registered with a draft board and you have no legal obligation to register. Furthermore, you have no responsibility to keep a draft board advised of your current address.

If you were born after Aug. 30, 1922, you are legally required to be registered, unless you are not yet 18 years old.

If you are registered and have reached the age of 35, you are no longer liable for military service under present law; but you are still obligated to keep your local board advised of your current address.

Some men are no longer liable at ages 26 and 28. At these ages, where a man is no longer liable

for service, he is classified V-A, and the little classification notice he is required to carry in his pocket is so marked.

An increasing number of people are asking draft boards for the meaning of the Selective Service classifications. These follow:

1-A: Available for military service.

1-A-O: Conscientious objector for non-combatant military service.

1-C: Member of the armed forces, Coast and Geodetic Survey, or Public Health Service.

1-D: Qualified member of the armed forces reserve, or student taking military training, including ROTC and accepted aviation cadet applicants.

1-O: Conscientious objector available for civilian work contributing to maintenance of the national health, safety, or interest.

1-S: Student deferred by law until graduation from high school or attainment of age 20, or until the end of his academic year at a college or university.

1-W: Conscientious objector performing civilian work in the na-

tional interest, or who has completed such work.

2-A: Occupational deferment, other than agricultural and student.

1-C: Agricultural deferment.

2-S: Student deferment.

3-A: Extreme hardship deferment, or a man with children.

Any man who prior to Aug. 25, 1953, had a child or children and lived with them in his home, and so advised his board, is eligible for Class 3-A. Any man who acquired a child or children on or since Aug. 25, 1953, is not eligible for Class 3-A because of them unless military service would result in extreme hardship to them, or certain other dependents.

4-A: A man with sufficient prior active service, or who is a sole surviving son of a family of which one or more sons or daughters already have died in line of duty in the armed forces.

4-B: Certain public officials deferred by law.

4-C: Deferment of certain aliens.

4-D: Minister of religion or divinity student.

4-F: Physically or mentally unfit or morally unacceptable.

5-A: Over the age of liability for military service. If a man receives certain deferments resulting in classification in classes 1-D, 1-S, 2-A, 2-C, 2-S, 3-A, 4-B, and 4-F before he is 26 years old, his liability for military service will be extended from age 26 to ages 28 or 35, depending upon the deferment received.

TENNECO WOMAN'S CLUB HAS MEETING

The Tenneco Oil Company Woman's Club held their monthly meeting Thursday night at the home of Mrs. G. P. Holland. During the business meeting they discussed a fish fry and going away party for Ed Vaughn. Refreshments of homemade ice cream, peaches and Coke were served by the hostess to:

Mrs. Alex Williams, president; Mrs. Clarence Harrison, vice president; Mrs. Bill Matchski, treasurer; Mrs. B. J. Clark, ways and means chairman; Mrs. Jimmie Jones, Mrs. Thomas Moseley, Mrs. Bill James and Mrs. Phil Godshalk.

GATHWRIGHT SPEAKS TO ROTARY CLUB

Frank Gathwright, General Manager of the Kosmos plant, United Carbon, was the principal speaker at the Rotary Club luncheon Wednesday. He discussed carbon black origin and the operation of the plants that manufacture it.

Guests were Dick Hatch and John Loftin, Aransas Pass; Bob Reddell and Judge John Miller, of Sinton.

WMU NIGHT CIRCLE MEETS

WMU Night Circle of the First Baptist Church met Tuesday, Sept. 5 at 7:30, at the home of Mrs. Sally Townsend for Bible study, "Sharing My Savior with Those Who Cannot Read."

Business meeting was held by Mrs. Casey. Mrs. Alice Ballou opened with a prayer, then turning the meeting over to Mrs. Floy Rooke, who read the Bible reference, with members reading chapters of the study.

Mrs. Tom Shults gave the closing prayer. Punch and cookies were served to those present, which were:

Mrs. Alice Ballou, Mrs. Floy Rooke, Mrs. Tom Shults, Mrs. Nora Casey, Mrs. B. T. Harde-man, Mrs. John McLester, Miss Ruth Lipscomb, Mrs. R. L. Condeley and Mrs. Sally Townsend.

Short Duck Season Disappointing, But Geese Hopes Better

Austin. — Hunters disappointed over the short duck season and low bag limit may find some consolation in the snow and blue geese possibilities. There is every indication that there will be a heavy migration of these two species into Texas again this year, according to Howard Dodgen, executive secretary of the Game and Fish Commission.

The duck season will begin Nov. 18 and close Dec. 17, running for 30 days only, with a bag limit of 3 per day, and 6 in possession. The season is closed on redheads, canvasbacks and blackbellied tree ducks. Under the seasonal limits offered by the U. S. Fish and Wildlife Service, Texas could have had a 40-day season, for a 2 duck kill. However, the Commission felt that it would be better in Texas to increase the bag limit and shorten the season. This, in effect, will give hunters an opportunity for a better total kill.

These dates also were set because, in surveys of recent years by the Commission waterfowl biologists, this was found to be the big success period of the season.

The goose season will be 60 days, beginning Nov. 3 and closing Jan. 1. The limit will be 5 a day, and 5 in possession. This limit may include 2 Canadas or one speckled belly and one Canada. It may include, in addition, 3 snows or blues, or it will be possible to have 5 snows and/or blues with no specks and honkers.

The duck season will open at 12 noon the first day, and the hours will be from sunrise to sunset thereafter. The goose season will open at sunrise the first day, and will close at sunset.

The short season and bag limit was not unexpected, according to Dodgen. There has been an extreme drouth in the Canadian provinces, particularly in that area which the nesting ground of the Central Flyway. The prairie pot-holes of Alberta, Manitoba and Saskatchewan were hard hit. The conditions in the Mississippi Flyway are comparable to those of the Central Flyway, but in that flyway the duck season has been set at 40 days with a limit of 2 ducks per day.

In the Pacific Flyway, conditions were a little better, and a longer season and larger bag limit was allowed.

ROCKPORT GETS A PLUG IN THE HOUSTON CHRONICLE

Rockport got another plug in a Houston Chronicle rotogravure stories recently. The wind-whipped trees were mentioned in a story called "Texas Unlimited" which said:

From mountaintop to singing sea, the endless variety of Texas provides an unlimited range of possibilities for photographers.

Everywhere there are different combinations of natural features—hills, forests, lakes, colorful skies, cloud patterns. It all makes eye-appealing vistas that tax the skill of the man with a camera.

He may find inspiration in a stream banked by rugged rocks in the Hill Country, the lofty trees in East Texas piney woods, the hills and cacti of the Big Bend, the windswept trees of Rockport, the rippling sands of Mustang Island.

The wide range of settings offer countless compositions that he can capture on film to bring back memories later of his summer trip or vacation.

A picture of the beaches in the area was also used.

Three Young Whooping Cranes Sighted In Canada

Three young whooping cranes and 11 adults have been sighted in the Sass River area in Canada by a Canadian Wildlife Service helicopter crew, the Department of the Interior said today. This is the first report received by the Department concerning the 1961 whoop crop. Sass River is in Northwest Territories just north of Alberta.

In the group were three pairs of adults each with one young; two pairs without young; and one lone bird. Inspection of the feeding tracks indicated that two of the pairs with young were recent arrivals, indicating in turn that the young were old enough to fly.

The whoopers nest in the Wood Buffalo Park area south of Great Slave Lake in Canada. They winter along the Gulf of Mexico on Aransas National Wildlife Refuge in Texas, a migration route of about 2500 miles one way.

James Reed Brown, son of Mr. and Mrs. Billy S. Brown of Rockport, has graduated from Lamar Tech at Beaumont, after majoring in biology and science, and is now teaching in Liberty High School.

FAITH CIRCLE
HAS MEETING

Faith Circle of the Woman's Society of Christian Service met Tuesday morning, Sept. 5 in Fellowship Hall with Mrs. Beverly Caldwell as hostess. On arrival, Mrs. Caldwell assisted by Mrs. McCoy served refreshments.

Mrs. Allemang opened the meeting by reading a hymn from a 56 year old Methodist Hymnal as a prayer. After a short business meeting, Mrs. Allemang gave the program on the "Holy Spirit."

The worship center was a single white candle burning with a drawing of the dove with outspread wings back of it. The dove is a symbol of the Holy Spirit. Mrs. McCoy read the Scripture taken from the 2nd chapter of Acts verses 1 to 4.

Love Beverly Caldwell, Mrs. A. C. Glass, Mrs. Wilfred McCoy and Mrs. Rae Smith. Mrs. Elmo Brundrett the WSCS president was the only visitor. Meeting closed with WSCS benediction.

NIGHT MEETING OF FHA

Tuesday night, Sept. 5, the officers of the Future Homemakers of America met in the home-making department at 7 p.m. to evaluate the club's work last year and to discuss future plans.

Four standing committees were organized to carry out the goals for the coming year. There was a discussion of new money-making projects.

Sept. 27, 28 and 29 was decided to be the FHA invitation date. The tentative date for the formal initiation and installation of officers is Oct. 3.

Officers adopted a new constitution, which will be voted on by the other club members at the next meeting.

RAN WILDE LEAVES ON VACATION-BUSINESS TRIP TO CHICAGO

Ran Wilde, owner of Idylwild Motel, left Tuesday with his son, Timothy, for a ten day trip to Chicago and Milwaukee. He will see his band agent (Music Corporation of America) about engagements for his orchestra to follow his stay at the Town Club, Corpus Christi, where his orchestra will appear from Sept. 30 thru Nov. 30.

Ran expects to stay a few days in Milwaukee to visit friends and to see a game or two, if the Braves are at home while he is there. He will be back about the 15th. While he is away, Mrs. Hansen will operate the motel for him.

Timmy has been with his father all summer and has to return to Louisville, where he lives with his mother and will start school Friday.

They left together on the Missouri Pacific Texas Eagle and at Little Rock, Timmy went on to Memphis and Louisville, and Ran continued on to St. Louis and Chicago. It was their first train trip together and a good time was expected by them enroute to their separate destinations.

Cook with ELECTRICITY for Pennies

Better cooking, a cleaner kitchen, more automatic control — all the marvelous advantages of electric cooking are yours for an operating cost of less than \$2.00 per month.

You'll notice the difference in many of your favorite foods. Cakes are moist and stay fresh when baked electrically. Steaks broiled electrically have the flavor good cooks strive for with charcoal. Vegetables require less added water and are more tasty.

Let CPL's home economists demonstrate the wonderful advantages of electric cooking. See your appliance dealer now about a new electric range and take advantage of CPL's cash coupon offer.

U. S. Engineers Permits Requested

The Coastal States Gas Production Company has asked for a permit from the U. S. Army Engineers to operate on State Tracts 78 and 79, at a point about 7½ miles northeast of Rockport.

The company asks authorization for erection and maintenance of structures to be used in connection with the drilling of wells at the above locations. The work at a well site would consist of placing a shell fill, sinking a 38 by 175-foot drilling barge, erecting a derrick thereon having a top elevation of 165 feet at mean low water and constructing a keyway and protective structure.

Other structures would include header platforms, separator and storage platforms with maximum dimensions of 36 by 78 feet and maximum elevations of approximately 34 feet at mean low water. Channels and basins would be dredged within the area. Pipe lines would be placed 1½ feet below the bed of the bay except through shell reefs or beds where they would be placed one foot below the bed. The pipe lines would be jetted, plowed, disced or placed by other similar methods where there would be a minimum displacement of the bed and no spoil deposit would remain.

The Wiffen Estate of Dallas has asked for a Department of the Army blanket permit to authorize the erection and maintenance of structures to be used in connection with the drilling of wells at the above locations. The work at a well site would consist of placing a shell fill, sinking a 38 by 175-foot drilling barge, erecting a derrick thereon, having a top elevation of 165 feet at mean low water and constructing a keyway and protective structure.

Other structures would include header platforms, separator and storage platforms with maximum dimensions of 39 by 78 feet and maximum elevations of approximately 34 feet at mean low water. Pipe lines would be placed 1½ feet below the bed of the bay except through shell reefs or beds where they would be placed one foot below the bed. The pipe lines would be jetted, plowed, disced or placed by other similar methods where there would be a minimum displacement of the bed and no spoil deposit would remain.

Location: Copano Bay, in State Tracts No. 97, 112, 121 and 122, central to a point approximately 4 miles northwest from Rockport.

Tenneco Employees Have Fish Fry

The Tenneco oil company employees and families had a fish fry and going away party for Mr. Ed Vaughn, a summer employee and college student of Baylor University at the Live Oak Country Club.

thinking
of your
family at
home?

WHY NOT PHONE THEM? SO ECONOMICAL WHEN YOU CALL STATION-TO-STATION AND SAVE ONE THIRD . . .

When you're away, call your family more often by taking advantage of the bargain rates of station-to-station (a call to a distant number instead of to a particular person). Why not call them right now? They'll enjoy it and so will you.

HERE'S HOW TO CALL: Give the operator the name of the city you want to call and the area code for that city . . . next, the number you are calling . . . and, when the operator asks, give the number you are calling from.

Call by number . . . it's twice as fast

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer.

THAT'S WHY THEY TASTE SO GREAT.
