

Briefly

Turnrow meeting

A cotton insect turnrow meeting has been set for Tuesday, July 2 at 3 p.m., according to Mitchell County Extension Agent Mike Mauldin.

Tom Fauchs, extension entomologist from San Angelo, will be on hand to discuss cotton insect problems.

The meeting will take place in Alton Raschke's field on the north service road of Interstate 20, directly across from Trucktown.

All producers are urged to attend.

Joint meeting

V.F.W. Post 9178 and its Ladies Auxiliary will have a joint meeting to discuss plans for the October convention.

The meeting will take place Tuesday, July 2 at 7 p.m. at the post home, 1266 College Ave.

All members are urged to attend.

Donations sought

The Mitchell County Day-Care Center is seeking donations for its garage sale which will be held Aug. 2-3.

Anyone with items to be donated should call 728-5897 for pick-up.

'Giant Step'

"Project Giant Step," sponsored by the RECORD, is open to adults who wish to obtain a GED (high school equivalency) certificate.

The mini-lessons with instructional notes are carried in each Sunday's RECORD.

To enroll and obtain the answers to the questions in each lesson, participants should contact the Wallace Center at 728-2392 between 8 a.m. and 4 p.m. weekdays. Staff will be available from 2-4 p.m. at the Wallace Center on Wednesdays for counseling.

Social Security

A representative of the Big Spring Social Security office will be in Colorado City every Wednesday from 10 a.m. to noon and from 1-2 p.m. at the Wallace Center to help residents apply for benefits, obtain Social Security numbers and answer questions.

Those with Medicare questions can obtain faster service by calling a toll free number, 1-800-442-2620. To apply to receive benefits, call 915-267-5226 between 9 a.m. and 4 p.m. weekdays. The Big Spring Social Security office is located in Room 229, Federal Building, 501 Main Street.

Commodore users

The Commodore User Group meets the last Friday of every month at 7:30 p.m. at 1340 Eastover Street.

Fifth Sunday

The Hickory Street Missionary Baptist Church, 2145 Hickory, will have its regular fifth Sunday singing on Sunday, June 30 from 2-4 p.m. The public is invited.

Gospel singing

There will be a gospel singing at the St. Luke Methodist Church, 1635 Walnut, on Sunday, June 30 at 7 p.m.

There will be fellowship following the singing. Homemade ice cream will be served. The public is invited.

Around Town

RONALD BRUCE has a strange encounter...MIKE MAULDIN spread the news long distance...MARY PETTY selling fireworks...CALLIE FRONEBERGER takes a big fall...LINDA HARDWICK misses a little girl...SUE GUELLER gives a lesson on horsemanship...MARY MAUDY sells a lot of hot dogs.

Councilman resigns

Loraine names mayor, councilman

The city of Loraine has a new mayor and a new councilman following a called meeting of the city council Thursday night, but will be minus another councilman following a resignation Friday.

Council members Thursday officially accepted the resignation of Mayor Tommy Green, then appointed councilman Roy Price to the mayor's position. Former councilman Joel Ray Atkins, who was defeated in the last election, was named to replace Price on the council.

However, Friday morning, Bobby Graham, who was recently elected to the council, confirmed to the RECORD that he submitted a letter of resignation to city hall Friday and that the resignation will become official

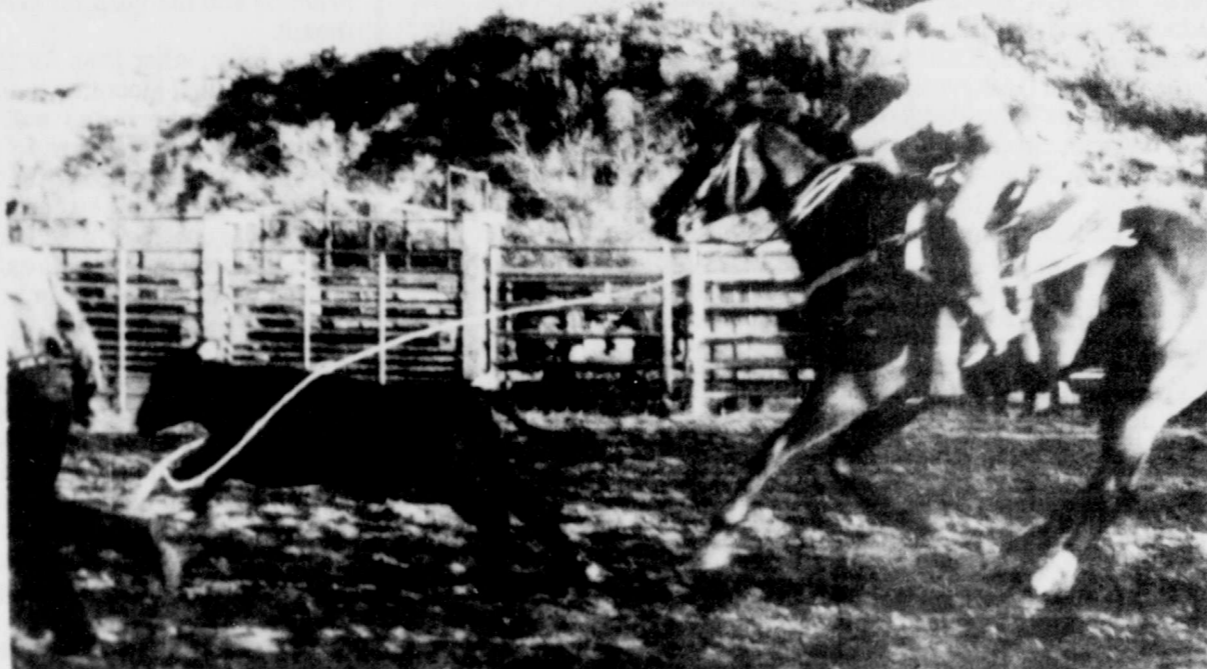

when the council next meets again.

Graham, who has had previous problems with ulcers, said he was afraid the strain of the office would cause a recurrence of the problems and decided to submit his resignation for health reasons.

Green resigned the mayor's position during a heated meeting on June 13 at which time pay cuts for city employees were proposed which Green had opposed.

On Thursday night, the council continued its study of the proposed budget. A public hearing on the budget has been scheduled for July 15.

In other business, the council agreed to send Adam Merket to a sewer school in Waco July 9-11.

COLORADO CITY'S Sheila Cawthon misses her calf in the ribbon roping during Thursday night's performance of the Annual AJRA Rodeo. The calf appears to be roped, but she missed her slack. Complete rodeo results will be in next Thursday's RECORD.

Appraisal district adopts \$171,468 budget for 1986

By Ray Mayo
Editor

The Mitchell County Appraisal District board of directors has adopted a \$171,468.12 budget for 1986, some \$56,000 less than the current-year budget.

The board adopted the budget during its regular meeting Thursday night after chief appraiser Mike Burt presented the budget for consideration.

Burt explained that the reduction in the budget is due to the fact that the current-year budget of \$227,032.59 is larger than normal because of the reappraisal conducted by Southwestern Appraisal. The district is reappraised every four years.

The appraisal district obtains its funds from each of the taxing entities in the county based on the percentage each receives from the total county-wide tax

roll.

Mitchell County, with estimated 1986 tax payments to be collected of \$1,787,189, will pay \$44,273.08 to the district. Mitchell County Hospital District, with estimated tax revenues of \$983,764, will pay \$24,365.64.

The other taxing entities, their estimated tax revenues and the amount to be paid to the district, include:

Colorado Independent School District, \$2,476,230 (\$61,334.16); Westbrook Independent School District, \$979,340, (\$24,262.72); Loraine Independent School District, \$272,130 (\$6,738.68); City of Colorado City, \$355,690 (\$8,813.44); City of Westbrook, \$4,459 (\$102.88); and City of Loraine, \$63,500 (\$1,577.52).

Burt said this year's budget should have a carryover balance

of about \$16,000. He said that \$10,000 will be used to replace a certificate of deposit which was cashed last October. The board gave Burt authorization to seek bids on a copier to replace an aging one currently in use. Burt said he expected a new one to cost about \$3,500. Bids will be opened at the next meeting.

In other business, approved a sick leave policy as recommended by a committee of Ronnie Feaster, Ronald Bruce and William Conaway. Feaster explained that most employers provide for a 10-day sick leave policy, but have no set rule on long-term illnesses. The board agreed to handle each long-term illness on an individual basis taking into consideration the length of employment and the number of sick days used in previous years.

Stenholm to speak

U.S. Cong. Charles Stenholm will be in Colorado City on Tuesday, July 2 to speak to a joint meeting of the Lions and Kiwanis clubs.

The Stamford Democrat will give an update on congressional happenings so far this session and will answer questions from the floor as well, according to his administrative aide Bill Longley.

The luncheon will be from noon to 1 p.m. at the Civic Center. The general public is invited and those wishing to eat lunch may do so at \$4.50 each.

Colorado City is just one of many stops the congressman will be making in this area on Tuesday while he is home for the holiday break.

Tuesday morning, he will be
See STENHOLM, Page 2

Fireworks, fly-in to highlight holiday

A patriotic fireworks display, a fly-in and holiday closings are on tap as Colorado City prepares for the Thursday, July 4th celebration.

The holiday will be ushered in with style Wednesday night when the Colorado City Volunteer Fire Department sponsors a fireworks show at Wolf Stadium.

Officials say the fireworks display, some \$4,000 worth, will begin about dark. There is no admission to the third annual event, but donations will be accepted.

There will be special seating for the handicapped and elderly and transportation into the stadium for the handicapped will be provided as well.

The annual Colorado City Fly-In will begin at 7 a.m. Thursday at the Northwest Jet Strip Airport with a free break-

fast for those flying in for the event. Others can eat for \$3 each.

The fly-in, which will last until 4 p.m., will feature ultralights, aerobatics, parachute jumps and airplane rides. A C-130 Hercules will also be on display.

Trophies will be awarded for the longest distance, oldest pilot, youngest pilot, oldest aircraft and most unusual aircraft.

Officials at Colorado City State Park expect a large crowd on hand for the holiday with local residents and visitors taking advantage of the many facilities the park has to offer.

Banks as well as most businesses will be closed on Thursday. The city hall and the Mitchell County courthouse will close for the day, also.

Charles Stenholm

Grain sorghum referendum

Texas grain sorghum producers will vote in August to decide if they want to expand the check-off territory from the existing 29 High Plains counties under the jurisdiction of the Texas Grain Sorghum Producers board.

To learn more about the upcoming grain sorghum referendum, producers in Mitchell County and surrounding counties are invited to attend an informational meeting conducted by the Texas Agricultural Extension Service on July 8 at San Angelo, says Mike Mauldin, Mitchell County Extension Agent. The

meeting will be at the Texas A&M Research and Extension Center and will start at 10 a.m.

Producers will hear from an extension economist regarding the current feed grain situation and outlook and the changing sorghum production trends in the state, says Mauldin. Also, the mechanics and timing of the referendum voting process will be discussed, including recent changes in the commodity referendum law.

Following these discussions, Texas Grain Sorghum Produc-

See REFERENDUM, Page 2

Holiday causes early deadline

Because of the Thursday, July 4 holiday, the RECORD will be observing early deadlines for that issue.

Editorial and advertising deadlines for the Thursday issue will be 10 a.m. Tuesday. The papers will be thrown as usual Wednesday, but mail subscribers should receive their papers Wednesday as well.

The RECORD's business office will be closed Thursday in observance of the holiday.

RODEOING is a thirsty business, and if there's no water available, then a Coke will do nicely. Or at least that's what Jay Pool's 20-year-old horse, Babo, thought during the AJRA rodeo competition Thursday night. Pool, from Big Lake, said he often treats his horse to a Coke after a good performance.

Burrus descendants hold reunion

Descendants of five of the 10 children of Miley and Mary Jane (Hodges) Burrus met June 15-16 at the pavillion at Pedernales River Ranch in Johnson City.

It was the first reunion in nearly 12 years for the family.

The five children who had representatives were Nancy Elizabeth (Burrus) Snow, Matila Jane (Burrus) Combs, Thomas Burrus, John Riley Burrus and Weldon Robert Burrus. There were 51 people in attendance on Saturday and 36 on Sunday. People came from Abilene, Arlington, Bay City, Belton, Big Spring, Dallas, Farmersville,

Fort Worth, Houston, Irving, Keller, Kerrville, Levelland, Littlefield, Seagoville, San Antonio, Kearny, Ariz., Phoenix, Ariz., Queen Valley, Ariz., Hollis, Okla., Bolivar, Mo., Silver Springs, Md., and Mechanicsville, Va.

Walter L. Irvin Sr. was the oldest (87); Hershell Burrus came the farthest (Maryland); Kim Hamilton was the youngest adult (18); and Joshua Benner was the very youngest (1½) of the direct descendants.

A reunion is being planned for June, 1986 in Colorado City. Anyone wishing to get their

name on the Burrus mailing list may do so by sending their name, address and relationship

to Miley and Mary Jane (Hodges) Burrus to Nancy Rawlins, 1412-7th, Bay City, Tex. 77414.

Belated party honors pair

On June 22-23, Mrs. Myrtle Womack and her sister-in-law, Mrs. Estha Womack Gaskins, were both honored with belated birthday parties.

On Saturday night, June 22, an ice cream party was held at the home of Mrs. Wilma Womack of Colorado City. Those attending were: Myrtle Womack of Colorado City and her son Horace Womack of Farfield, Calif., Mrs. Estha Womack Gaskins of Kingsland and her two daughters, Mrs. Marie McCullouch and Mrs. Helen Jenkins, also of Kingsland, Mrs. Ada Womack and her daughter Mary Marga-

ret Abbott of Colorado City, and the hostess, Mrs. Wilma Womack of Colorado City.

Other attending were: Myrtle's niece, Mrs. Bea Newman of Clovis, N.M.; another niece, Mrs. Veta Gilliam of Lipan; and a nephew, Seth Millington and his wife, Mabel of Granbury; Mrs. Lucille Rogers and Mrs. Mary Womack of Colorado City; Mrs. Letisha Crabtree Bolivison of Arlington.

On Sunday, June 23, a family reunion was held for lunch at Rowe's Villa Restaurant. All of the above attended with the addition of another niece of Myrtle's, Claude Starr and her husband Claud of Abilene, and another nephew, Lance Clapp and his wife, Rosemary of Fort Worth.

Stenholm

From Page 1
at ground-breaking ceremonies for a new Salvation Army facility in Big Spring and later will tour the federal prison in Big Spring. Tuesday afternoon, he will be honored at a reception at the Coahoma State Bank from 2-3 p.m. and at the Stanton Electric Cooperative from 4-5 p.m.

Referendum

From Page 1
ers Board representatives will present information on the existing grain sorghum check-off program and the potential outcome of a total statewide effort, says Mauldin. Producers will have ample time to ask questions about the program.

For the Record

By Ray Mayo
Editor

"Why don't you ever print some good news?"

That's a question every newspaper editor or publisher hears at least once a month.

The simple truth is, we do print good news. It's just that the average reader tends to remember only the "bad" news.

A case in point is Root Memorial Hospital and the controversy that has been surrounding it for almost a year.

And controversy is a term I use loosely. I've been reporting the news for almost 20 years from towns as small as Colorado City to cities as large as Dallas. I've covered murders, executions, firings, student riots and embezzlements, but I've never covered anything that has split a town apart such as the hospital issue.

This is the first time I've ever been in a town where the hospital lost its accreditation, a majority of the doctors moved their practice and the hospital keeps losing thousands of dollars each month.

Now folks, other than for the hospital shutting its doors, news can't get much gloomier than that.

It was, has been and will continue to be our duty and our obligation to our readers to print the news as it happens. We certainly wanted none of that to happen.

But you just can't sweep the "bad" news under the rug and pretend it's not there. Just because you ignore something doesn't mean the problem doesn't exist. We found that out when we lost Medicare accreditation for several months.

But, on the other hand, we've been just as eager to print the "good" news.

It was banner headlines when the hospital was recertified for Medicare last October. It was banner headlines again when this past March the hospital received another favorable report following a Medicare inspection.

We were also glad to announce on the front page on two separate occasions when a new physician started his practice in Colorado City. We also were glad to report on the front page the many contributions the hospital auxiliary has made to our hospital.

And we'll be glad to print the news whenever more doctors are recruited and when the hospital gets on a better financial footing.

In addition, we have provided a forum for hospital administrator Ray Mason through his own column, "News from Root Memorial Hospital," which he writes periodically on subjects he chooses.

Certainly, the present administration and staff should be commended for their dedication during the most trying of times. It is apparent that they continue to provide the best medical care possible.

But on the other hand, the taxpayers of Mitchell County have a right to know how their money is being spent—and that's what we're here for.

Births

Eddie and Rhonda Morris of Westbrook announce the birth of a son, Jody Lynn, born June 24 at Malone and Hogan Hospital in Big Spring, weighing 7 pounds, 13½ ounces and measuring 20¼ inches.

Paternal grandparents are Kay Morris of Sweetwater and Mr. and Mrs. Joe Alexander of Odessa. Maternal grandparent is Narl Long of Loraine. Great-

grandmother is Fannie Morris of Colorado City.

Mr. and Mrs. Bill Dockrey of Granbury announce the birth of a son, Russell Reese, born June 25, weighing 9 pounds, 4 ounces.

Grandparents are the Harry Dockreys of Colorado City and Mr. and Mrs. Bill Haggerton of Sherman.

Ferguson, Beights united June 29

Mrs. Mike Beights

Leanne Ferguson and Brandt Michaelson (Mike) Beights were united in marriage in the First Baptist Church Chapel, Floydada, with the Rev. Howell E. Farnsworth Jr. officiating, Saturday, June 29 at 2 p.m.

Parents of the bride are Mr. and Mrs. Ray Gene Ferguson of Floydada. The groom is the son of Mr. and Mrs. Virgil Rex Beights of Colorado City.

Escorted to the altar and given in marriage by her father, the bride wore a formal gown of English embroidered net. The Victorian neckline had a yoke of schiffli lace and pearls with ruffle around the yoke of chantilly lace. The full sleeve of English net had a wide cuff of silk venise lace with ribbon bows, the empire waistline finished in silk venise lace held a gathered skirt with venise lace paneling with ribbon bows and the hemline of chantilly wide lace ruffle, held a chapel length train. For her headpiece, the bride chose a cap covered with chantilly lace and pearls and a single veil edged in silk venise lace and ribbon bows.

The bride carried a cascading bouquet of white roses and babies breath which were accented with lemon leaves. Following tradition, for something "old" the bride wore her maternal great-grandmother's, the late Mrs. W. L. Finley, wedding ring. The bride's wedding attire was "new." A string of cultured pearls that were a wedding gift to the bride's mother were something "borrowed." The bride wore a "blue" garter which was made by the groom's mother.

A pair of seven branch brass candelabras adorned with pink carnations, white daisies, babies breath on a bed of trailing plumosa fern decorated the altar area. A unity candelabra and the family pews were also decorated with plumosa fern and white satin bows.

Mrs. Bill Hardin was the organist. Mrs. George Finley, aunt of the bride, was the pianist. The "Wedding Song" was presented by George Fin-

ley, uncle of the bride.

Serving as maid of honor was Kelli Ferguson of Lubbock, sister of the bride. She wore a formal gown of pink organza featuring a large cape-collared effect. A satin band encircled the fitted waist and was finished with a flat bow and streamers at the waist back. She carried a bouquet of pink roses and babies breath attached to a white lace fan.

David Albin of Stephenville served as best man. Ushers were Kevin Reker of Midland, Yancey Spivey of San Angelo and Joe Hinkle of Floydada.

A reception followed the wedding in the Wall Street Parlor. Guests were registered by Kelli Beights of Colorado City, sister of the groom.

The bride's table was covered with a white linen cloth and was highlighted with a three-tiered wedding cake decorated with tiny pink rose buds, babies breath and fresh greenery. Pink satin ribbons cascaded down the sides of the cake. The bride's and attendant's bouquets centered the table. Punch, mixed nuts and mints were also served. Silver appointments were used throughout.

Presiding at the bride's table were Hilda Henriques of Lubbock, Ellen Buzbee of Lubbock, and Kim Harrison of Wellman.

The groom's table was covered with a pleated white antique satin cloth. Margie Oliver of Loraine and Virginia Tammen of Colorado City served German chocolate cake, a variety of cheeses, and coffee.

Satin roses and rice were presented to each guest by Kelli Beights, sister of the groom and Shanna Ferguson, cousin of the bride.

Members of the houseparty

included Mmes. Bill Pigg, Shorty Turner, Ray Morton, Bill Fulton, Billy Fulton, Max Yearry, Billy Gene Hinkle, Billy Hinkle, Teta Kirkley and Norman Ferguson.

After a wedding trip, the couple will be at home in Colorado City. The groom attended Colorado High School and Ranger College, and is employed by Colorado City Plumbing. The bride is a graduate of Floydada High School and Texas Tech University and is teaching at Colorado High School.

SPEAKING TERMS

Roy Byrd, - Pastor First Presbyterian Church

"You don't expect me to speak to my worst enemy, do you?" he asked.

"Of course not," I replied. "But I'd be very surprised if you were not speaking in terms with your best friend."

"What are you getting at?" he wanted to know.

That's what I'd been waiting for, So I said something like this: God is an enemy of a friend, and which He is, is indicated by the time one spends speaking with Him.

How do you speak to Him? That was in the mind of the disciple who asked, "Teach us to pray."

We can all be grateful for the question, for from it came our Lord's Prayer in Luke, speaking terms, if you will, with our Best Friend. You'll find this in Luke Chapter 11. And you can't pray better than this.

Cook's Corner

Petty says she cooks 'old-fashioned'

Freda Petty learned to cook on her own.

"I used a lot of recipes and my mother-in-law helped me a lot. Also I watched people and asked a lot of questions."

Her mom worked in a restaurant when she was growing up, so Mrs. Petty usually ate where her mother worked.

She prepares casseroles sometimes, but not very often.

"My husband really likes meat and potatoes, but I will prepare a casserole every once in a while."

According to Mrs. Petty, "I'm just an old-fashioned cook—I don't prepare fancy dishes."

She prepares balanced meals and usually has fresh vegetables every day.

Every once in a while her family were picky eaters, but most of the time they ate what she prepared.

Mrs. Petty prepares three meals a day with lunch being the main meal.

"I usually prepare a big lunch and then we have something light for supper."

She cooks from scratch and she says that whatever she is doing—baking, making bread or cooking—are her favorite things to prepare.

Mrs. Petty also says, "I'm not too old—I like to try new things with cooking."

She likes to try new recipes and changes them up occasionally, not very often.

She likes to keep sweets around her house, but she does remember making a lemon pie once that she'd just soon forget about.

"I made a lemon pie and I still don't know what I did wrong."

"The pie was so thick you could barely cut it with a knife. When we did taste of it, it tasted like rubber. I had to throw the pie out."

Mrs. Petty and her husband, Roy, live in Westbrook.

Today she is sharing four of her recipes with RECORD readers.

STEAK CASSEROLE

- 2 pounds round steak, cut in 1/2 cubes
- 3 tablespoons shortening
- 1 large onion, chopped
- 1 clove garlic, minced
- 2 tablespoons flour
- 1-3 oz. can browned mushrooms
- 1/2 cup chopped celery
- 1 cup sour cream
- 1-8 oz. can tomato sauce
- 1 teaspoon salt
- One-eighth teaspoon pepper
- 1 teaspoon Worcestershire sauce

Brown steak cubes in hot fat, add onion and garlic, cook until golden. Stir in flour. Add remaining ingredients, mix thoroughly. Turn into greased three quart casserole. Bake uncovered in moderate oven (325) until meat is tender, about 1 1/2 hours. Delicious served on rice or noodles.

LIME JELL-O SALAD

- 1 small package lime Jell-O
- 2 cups hot water
- 16 large marshmallows
- Cottage Cheese
- 1 small can crushed pineapple (drained)
- 1 package prepared Dream Whip
- 1/4 cup pecans

Dissolve Jell-O and marshmallows in hot water. Chill until it begins to thicken. Stir. Add 1 cup cottage cheese, pineapple, Dream Whip and pecans. Chill until firm.

MILE HIGH PIE

- 1 large package cream cheese
 - Two-thirds cup sugar
 - 1-20 oz. can crushed pineapple (juice and all)
 - 1-8 oz. Cool Whip
 - 1 cup pecans
- Cream together cream cheese and sugar. Add other ingredi-

ents and beat until smooth and pour into prepared pie crust. (Graham cracker crust is good with this).

- ### PEANUT BUTTER CREAMS
- 4 cups (1 pound box) powdered sugar
 - 1 1/2 cups peanut butter

- One-third cup milk
 - 1/4 cup honey
 - 1/2 teaspoon salt
 - 1 teaspoon vanilla
 - 1-6 oz. package semi-sweet chocolate chips
- Combine all ingredients except chocolate chips. Mix well,

remove from bowl and knead until smooth. Spread and pat into a 9-inch square pan. Melt chocolate chips over low heat. Spread over peanut mixture. Cool until chocolate is firm, about 30 minutes. Cut into squares. Makes 64 pieces.

Comprehensive Control Act used to control drug use

By Lloyd Bentsen
United States Senator

Back in the Fifties and Sixties, there were people who claimed the drug LSD would bring great benefits to our society.

Research, and experience with the harmful psychological effects of LSD, ultimately proved this claim wrong.

Today there is a relatively new drug on the scene, MDMA. Some people call it "ecstasy."

Psychiatrists have been using this drug since the 1970s, claiming it makes people relax and open up more during therapy. They say that taken under supervision, MDMA doesn't have the harmful side effects of LSD.

But there actually has been very little research into the effects of MDMA, which has never been approved by the Food and Drug Administration.

According to research just made available to the Drug Enforcement Administration, a drug similar to MDMA has been found to destroy brain terminals. There is concern that MDMA may have this same neurotoxic effect.

Now "ecstasy" is showing up on the streets and is being used without legal restraint. Police say it has become the drug of choice among some college students and young adults.

In Texas, abuse of MDMA is being reported in cities like Dallas, Austin, San Antonio and Houston.

Detoxification clinics are starting to report visits from young people who take the drug a dozen or more times a day.

The DEA wants to limit use of MDMA to research. It already has scheduled hearings this summer to begin the process of listing MDMA as a "Schedule I" substance, which means it cannot be used for therapy or any other purpose but research.

The problem is that this process could take a year or more to complete and in the meantime, local law enforcement officials would be powerless to control use of "ecstasy."

A year is too long to wait. Steps should be taken now to get MDMA off the streets.

Under the Comprehensive Crime Control Act of 1984, which I supported, the director of DEA has the authority to take emergency action to temporarily restrict the use of a drug for a year. This is done simply by publishing a regulation in the Federal Register.

Last month, I wrote to acting DEA Administrator John C. Lawn asking him to use this new power to temporarily restrict use of "ecstasy."

The Administrator has responded to my request by promulgating the necessary regulation. After a 30-day period for comment, the regulation will go into force, barring the use of MDMA for any purpose other than research for one year.

During the year, the DEA will complete the longer process, working with the Food and Drug Administration, to determine whether restriction should be made permanent.

Faster response time in controlling new drugs, like "ecstasy," will be a valuable weapon in our fight against drug abuse in this country.

Jade Campos

Campos wins 1st in pageant

Jade Campos, two-year-old daughter of Yolanda Selvera and Joe Campos, participated in the Kids of America Pageant June 15 at Colorado High School, winning first place.

She now will compete in the grand finale to be held in Dallas July 29-Aug. 2.

She is the granddaughter of Mr. and Mrs. Entero Campos. Great-grandparents include Mr. and Mrs. Enriquez Castillo and Mrs. Concepcion Campos, all of Colorado City.

Anderton to play in recital

Carillonist Arla Jo Anderton, daughter of Mrs. James E. Payne of Colorado City, will offer a recital tonight (Sunday) at 8:15 p.m. from the west bell tower of the administration building on the Texas Tech University campus in Lubbock. Admission is free.

Her program opens with four pieces written by G. F. Handel for a musical clock; three selections by W. A. Mozart, including two waltzes and an adagio; and the "Song Without Words" by E. Uten. She will also play a prelude by Matthias van den Gheyn, and three movements of the "Petite Suite" by current Dutch carillonneur Leen 't Hart.

Mrs. Anderton will be assisted by Judson Maynard in performing the "Parade of the Tin Soldiers" by Leon Jessel. She will close with a medley of American folk tunes: "Give Me Your Tried," "Old Shenandoah," "Poor Wayfaring Stranger," "The Old Settler's Song," and "Battle Hymn of the Republic."

Born and raised in Colorado City, Mrs. Anderton holds geology bachelor and master degrees respectively from the branches of the University of Texas in Arlington and Austin. She has performed as a percussionist with the San Angelo Symphony and the Houston Civic Symphony Orchestras, and is presently a graduate student at Texas Tech.

She studies carillon with Maynard, as well as percussion with Alan D. Shinn, of the Tech music faculty.

Mrs. Anderton is director of handbell choirs at Forrest Heights United Methodist Church.

Funday plans discussed

The Ladies Auxiliary to the V.F.W. Post 9178 had its regular meeting June 27 with Estella Rivera, president, presiding.

Members discussed a sweet shop booth that will be set up at the Friendly Park downtown on Saturday, June 29.

Plans also were made for a fund day July 4 at the post home with a flag raising ceremony set for 8 a.m. with games starting after that. Lunch of hamburgers and hot dogs will be served by the Ladies Auxiliary. All members and their families are invited.

The Sunshine gift was won by Audrey Wilson.

There will be a called meeting in Anson July 14 at 1 p.m.

Members present were Estelita Rivera, Mary Way, Mamie Boyd, Nellie Bunch, Pauline Woods, Emillie Hill, Audry Wilson and Alene Hill.

CHS cheerleaders attend camp

Colorado High School cheerleaders were among approximately 225 participants in the 1985 Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene June 17-21.

The cheerleaders were taught new cheers, stunts, chants and spirit ideas from a seven-member

National Cheerleaders Association staff headed up by Joni Miller, a professional cheerleading instructor from the NCA's national headquarters in Dallas.

The CHS cheerleaders won one excellent ribbon, four superior ribbons, the spirit stick and were an award of excellence

nominee. In addition, Yvonne Lujan, head cheerleader, was nominated for all-American cheerleader. Only five of the 225 participants were nominated for the honor.

Other CHS cheerleaders attending were Denise Jackson, Kellie Beights, Diane Gregory, Renae Whalen, Shana Biggs (Sluefoot) and Yvette Camp.

CHS cheerleaders attending the Big Country Cheerleader Camp were front row, from left, Denise Jackson and Kellie Beights. Back row, from left, are Diane Gregory, Renae Whalen, Shana Biggs (Sluefoot), Yvonne Lujan (head) and Yvette Camp.

Mattox strives for stricter consumer protection laws

By Jim Mattox
Attorney General

Previously I have discussed some of the problems Texans have faced with resort timesharing. During the recent legislative session I lobbied the legislature long and hard to enact new consumer protection laws. They saw the magnitude of these consumer scams, and did pass legislation which should help eliminate some of these problems. Now timeshare resorts will have to comply with the law beginning in September. Reports which began sales before July 1 will have until January 1, 1986 to comply with the law.

The most important provision in the new law is a three-day right of rescission for those consumers who did not purchase at the site of the resort. This is a right to cancel for anyone who purchased off-site and anyone who did not get a chance to inspect a unit substantially the same as the one they purchased. Purchasers who go to the resort and look at a unit like the one they are purchasing do NOT have the three day cancellation right.

Anyone who wants to sell timesharing in Texas will be required to register with the Texas Real Estate Commission. Check first to make sure the company soliciting your business is registered. If not, report them.

The law requires that all

Smith, Blair present program

The "C" City Lake Club met Tuesday, June 25 at the Westbrook Tax office with Belle Snider and Dorothy Sneed as co-hostesses.

The meeting was opened with Debbie Christian, county extension agent, introducing Casey Smith and Carrie Blair, 4-H members from Colorado City, who brought the program on the U.S. Flag. They told of the history of the flag and how and when it should be displayed.

The regular meeting followed with Marie Harlow leading the club prayer. Billie Woods read a poem on the flag and Billie Patterson led the group in the singing of "America."

Roll call was answered with "What Our Flag Means to Me." Refreshments of sherbet, punch, cookies, mints and nuts were served to Bea Harlow, Marie Harlow, Esther Driver, Belle Snider, Billie Patterson, Dorothy Sneed, Inez Richardson, Billie Woods, La Vada Carlile, Bobbie Norman, Helen Oglesby, Minnie Andrews, Debbie Christian, Casey Smith and Carrie Blair.

The next meeting will be July 23 at the home of Lilly Farrar.

Rees named to dean's list

Tracy F. Rees of Colorado City is among the 1,525 students whose 1985 spring semester grades earned them places on the Dean's List at Southwest Texas State University in San Marcos.

To qualify for the academic honors listing, an undergraduate student must have earned a grade point average of at least 3.5 during the semester while taking at least 12 semester hours of course work.

promoters of timesharing inform consumers they solicit that they will be subjected to a sales pitch. This is important because many unsuspecting people have been lured to timeshare presentations through promises of gifts, without being told that they would have to endure a sales pitch in order to claim their gifts.

Of course, we do not expect the law to solve all the problems that have arisen in the past. And, we will still have high pressure salesmen trying to talk you into "the deal of a lifetime."

The consumer must always remember that a deal that

seems "too good to be true," probably is. Always read what you are asked to sign, and insist on taking a day or two to think about the offer. Any salesman who tells you the deal he is offering you is good only at the time of the offer is not to be trusted.

If you have had trouble with a timeshare resort or have any other consumer problems, please contact the Consumer Protection Office nearest you (in Austin, Dallas, El Paso, Houston, Lubbock, McAllen, and San Antonio). The Attorney General's Office is the people's law firm. We're here to help you.

Obituary

Harris

E. S. "Buster" Harris, 76, of Loraine, a retired mechanic, died at 1:45 a.m. Wednesday at Cogdell Memorial Hospital in Snyder. Services were at 2 p.m. Friday at First Baptist Church. The Rev. Richard Alkire, pastor, officiated, assisted by the Rev. Rita Richards, pastor of First United Methodist Church. Burial was at Loraine Cemetery, directed by Kiker-Seale Funeral Home of Colorado City. Born July 30, 1908, in Loraine, he married Maxine Munnerlyn Dec. 20, 1933, in Stephenville. He

returned to Loraine two years ago from Stanton. He was a Baptist.

Survivors include his wife; a daughter, Beverly Glaser Snyder; a son, Kenneth Reno, Nev.; two sisters, Willie Preston of Loraine and Vanda Martin of Colorado City; six grandchildren and six great-grandchildren.

Pallbearers were Lewis Claxton, Forrest Porter, Luther Anders, Ralph Lankford, Homer Richburg and Gene Britton.

Honorary pallbearers were Harris Hamilton, Leland Hamilton, Darwin Hamilton, Robert Preston, L. J. Burdine and Robert Battle.

Robert Strain & Sherrol Ledbetter

Engagement announced

Mr. and Mrs. Loyd Ledbetter of Colorado City announce the engagement of their daughter, Sherrol Lynn, to Robert Jay Strain, son of Mr. and Mrs. Boyd Strain of Durham, N.C.

Miss Ledbetter is a graduate of Colorado High School and Stenograph Institute of Texas, and is employed by West Texas Utilities in Abilene.

Strain graduated from Northern High School and Western Carolina University with a B.S. in psychology, and is employed by Hendrick Medical Center in Abilene.

The couple will be married Aug. 3 at the First Baptist Church of Colorado City.

Gibsons hold reunion

The 24th annual reunion of the Gibson family was held on Driftwood Shores at Lake Buchanan June 17-23 with 43 relatives and seven visitors in attendance.

Among those attending were Mr. and Mrs. J. D. Gibson of the Payne Community. Mr. Gibson was the oldest relative attending, and the youngest was his great-grandson, Kyle Edwards of Abilene.

All kinds of entertainment including ball games, swimming, dominoes and fishing as well as reminiscing filled the week.

Those attending included Mr. and Mrs. Ken Deatherage and Blake, Mrs. Rhogenea Edwards and Kyle of Abilene; Rhalydn Deatherage of San Angelo; Mr. and Mrs. John Lyndall Gibson of Corpus Christi; Mrs. Beulah Wooddell, Mrs. Louise Liles and Donnell of Loraine; Mrs. R. V. Martin of Roscoe; Mr. and Mrs. Buster Dunn, Mr. and Mrs. Hank Dunn, all of Roscoe; Mr. and Mrs. Bill Chamblee of San Antonio.

Also, Mr. and Mrs. Marlin Gibson of Ackerly; Mrs. Marlene French and children, Marlin, Derral and Melanie of Corpus Christi; Mr. and Mrs. C. T. Gibson, Mr. and Mrs. Morris Lee Gibson and Mrs. Cordelia Stanley and sons of Houston; Mr. and Mrs. Frank Gibson of Big Spring; Mr. and Mrs. Gary Lynn Gibson of Midland; Smith Jones of Sweetwater; Mr. and Mrs. John Brasuel and children of Roscoe.

Visitors were Glenda and Em-moe Nell Liles of Houston and her mother; Mr. and Mrs. Leo Batson of Burnett; and Lisa Reeves of Houston.

There were four Gibson brothers and two sisters who attended the reunion which will be held again next year at Lake Buchanan.

A birthday supper for C. T. Gibson was held on Friday night in honor of his 65th birthday.

Little league action

In Little League action the past week, the fifth place Dodgers lost close games to both the first and second place Freshman League teams while the Farm League Blue Sox won game number five against no losses.

The more recent game involving the Dodgers was Thursday night's 7-6 extra inning loss to the first place Indians. The victory was the second consecutive defense of the Indians Freshman League lead and gave them a first place 8-2 record.

Tuesday night's 7-3 Pirates victory over the Dodgers gave the Pirates a 6-2 record and kept them in second place—a half game ahead of the 6-3 Astros.

The Rangers, who beat the Yankees 12-7 in another Tuesday game, own the only other winning record with their fourth place 5-3.

Winning pitcher in the Indians vs. Dodgers game was Rudy Melendez, who combined with fastballer Spencer Taylor for 15 strikeouts—including all three Dodger batters in the extra seventh inning.

An error by Indians second baseman David Owens allowed

a score by Dodgers rightfielder Johnny Martinez, who led off with a walk.

It gave the Dodgers a 1-0 lead in the first inning.

A double by Indians leftfielder Jeff Haggerton batted in Taylor and tied the score at 1-1 in the top of the second.

The underdog and eventually losing Dodgers then went ahead 5-1 in the bottom of the inning on a single by Shane Lentz, a triple by Chad Casey and a hit on an error by Steve Williamson. The hits scored Lentz, starting pitcher Felix Vigil, Gonzales and Williamson.

The Indians pulled within one at 5-4 in the fourth with a double hit by third baseman Frank Briseno that scored Melendez and on three Dodger errors.

The first place V.F.W. Post 9178 Indians tied the game in the fifth with a single by Taylor and a ground out by Haggerton that both advanced Melendez for a score. The Indians went ahead 6-5 in the sixth with a double by Cody Ridge and a ground out by Cade Proctor that advanced a score by Jason Lawson, who had reached base on balls.

Dodger shortstop Kevin Green

was allowed on base by an Owens error and went on to tie the game at 6-6 in his team's last bat.

Also in the inning, Indian catcher Proctor tagged out Vigil on an attempt to steal home.

An error by Dodger shortstop Green gave Lawson, who also relieved, a seventh inning hit and scored a game winning run by Taylor, who reached base with a triple on a Dodger error.

In the Pirates victory over the Dodgers winning pitcher was Mark Monroe, who struck out 11 Dodger batters. Losing pitcher was Felix Vigil.

Monroe and Bobby Silva batted two for three for the Pirates with Silva including a homerun.

James Franco and Avan Ceballos pitched for the Rangers in their Tuesday night win over the Yankees. Losing pitcher was Jeremy Strain. Curtis and Kyle Shaw went four for four for the Rangers.

In the other Thursday game, the Blue Sox posted a 7-2 Farm League victory over the Lions. It gave them a 5-0 record—just ahead of the 4-0 Cubs. Juan Ybarra and Adrian Martinez pitched for the win.

The Blue Sox stole home six times.

Calvary Scrubs give up lead to St. Ann's No. 1 following losses

Mitchell County Church League softball again has a new first place team following two losses by the previously leading Calvary Baptist Scrubs.

The Scrubs, now 14-4 behind 15-4 St. Ann's No. 1, took loss number three Tuesday night when the fifth place St. Ann's Lowriders upset them 18-10.

The Lowriders scored seven first inning runs and increased their lead to 12-0 before the Scrubs managed seven third inning scores. St. Ann's doubled their five run lead with five fourth inning scores and then held on to preserve their chance at a third place finish.

Robert Gomez and Ernest Aguilar went four for four to lead St. Ann's. Andy Franco went three for four while T. J. Jefferson hit two for two with a homerun.

Yardy Powell went three for four for the Scrubs while Doug Chitsey Sr., Hootsie Claxton and Dewayne Iglehart went two for three. Chris McKinney hit a homerun in a losing cause.

The loss temporarily left the Scrubs at 14-3, a half game ahead of St. Ann's No. 1, which

defeated Christian Temple 16-10 in another Tuesday game.

St. Ann's No. 1 then pulled into first place over the Scrubs by posting a 5-4 defensive victory over the Calvary team in a Thursday night game.

The Scrubs took the first lead in the game on a second inning score by Jardy Powell. St. Ann's tied it up with a Tanis Moreno score in the bottom of the inning. Chuck Claxton scored in the third to give Calvary a 2-1 lead in the third, then the Scrubs increased their lead to 4-1 in the top of the fourth with scores by J. Powell and Don Randle.

St. Ann's got one run back in the fourth, then tied it at 4-4 with scores by To's Reyes and Tony Franco in the sixth. The game tying hit was by Ruben "Bobbie" Garcia, who hit two for three for the night.

St. Ann's held Calvary scoreless in four innings—including the seventh and final one. In the bottom of the seventh, Raul Rivera's hit scored Joe Franco for the game winning run.

Reyes, T. Franco and Israel Franco also hit two for three for St. Ann's. J. Powell and Jeff

Hammond went two for three for Calvary with Powell accounting for half of Calvary's scores.

In another close game played Thursday, First Methodist overcame a 4-0 Christian Temple lead for a 10-9 victory.

Temple scored the four runs in the first inning behind infield homeruns by Gary Matlock and Glenn Sullivan and a triple by Bobby Moody.

Temple errors gave the Methodists three second inning scores, then the winners went ahead 8-6 with five fourth inning scores. Temple errors gave the Methodists two more runs in the fifth. Temple made it 10-9 in the sixth but fell short after having two men on base with one out in the seventh.

In other games played Thursday, the Lowriders beat Calvary Baptist No. 1 15-5 and first Baptist beat the Over 40 Gang 13-2.

Tuesday games saw First Methodist defeat Calvary No. 1 24-11 and St. Ann's No. 1 beat Christian Temple 16-10.

St. Ann's No. 1 is again responsible for the field and concession stand July 1-5.

V.F.W. White Sox clinch championship

In Texas Junior Teenage League baseball Thursday night, the V.F.W. Post 9178 White Sox clinched the championship while the Colts defeated the Braves to move into a second place tie with the Lions.

The White Sox beat the Lions 11-1 and upped their record to 8-0 with only four games remaining. All other teams have at least five losses and have no chance of catching the defending district champions and state qualifiers.

Eddie Benitez pitched the entire four inning Sox victory and struck out seven Lions batters—including the first three of the first inning.

Benitez had trouble only in the second inning in which the Lions got their lone run. Benitez walked four in the inning. The first one, Mark Molina, reached third and home on two wild throws by the Sox catcher. Benitez then struck George Rivera with the bases loaded to get out of the inning.

The Sox jumped out 7-0 in the top of the inning on singles by Ricky Arispe, Greg Rodriguez, Ray Rivera, Mark Russell and David Garcia and doubles by Benitez and Sam Garcia.

Arispe and Rivera scored in the Sox third that included a

Tracy Engels hit. In the fourth inning, the Sox G. Rodriguez and Rivera scored on a double by Rivera and another hit by Engels.

The Colts' 10-8 victory in the other game came after they led the Braves 10-1.

The Braves almost pulled it out in the top of the sixth. They made it 10-3 when a Terry Rose single scored both Bo Alvarez and Gabriel Ornelas, who both reached base on balls.

After a Beau Rees single, Ken Land knocked in Rees and Rose for a 10-5 score. Winning pitcher Ismael Silva walked in two for a 10-7 score. With Rees on second and Alvarez on third, Land batted in Alvarez but Rees was thrown out trying to take home.

Losing pitcher Alvarez walked six Lions batters as the winners built a 6-0 lead after two innings.

In the third, Silva, who was relieved by Ken Norman, knocked in Rene Silva, John Phariss and Ricky Westbrook for a 9-1 Lions lead. Rees relieved for Alvarez.

Barbeque!

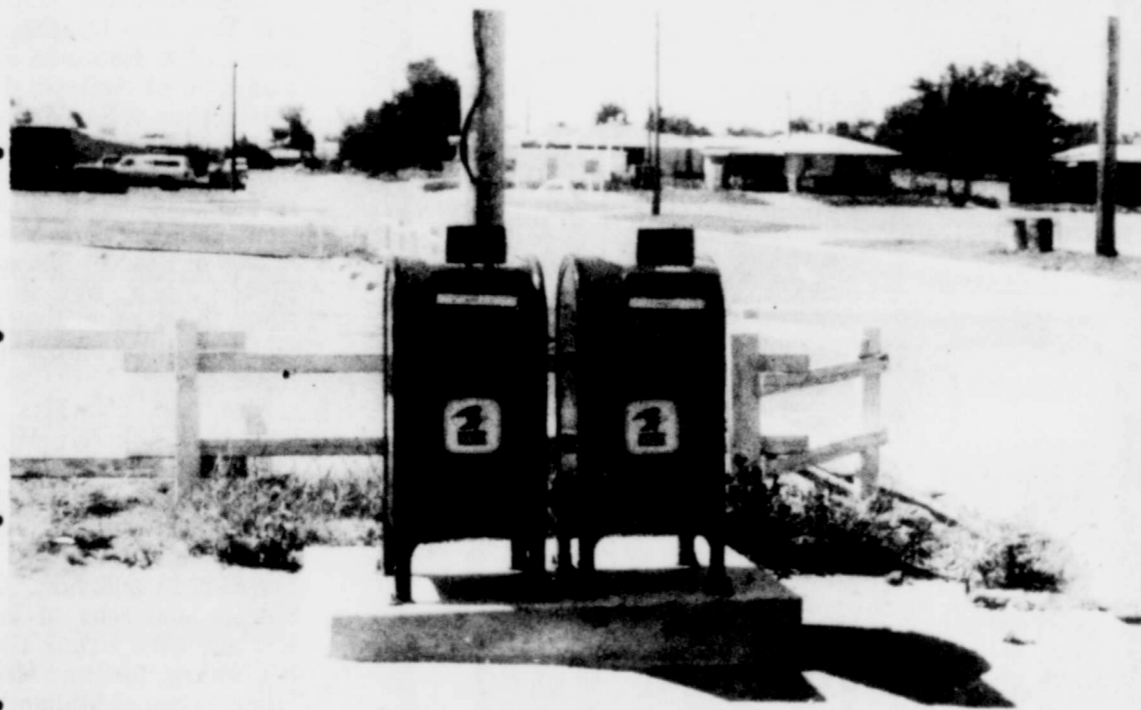

St. James Baptist Church at 5th & Austin street will be selling barbeque beginning at 11 a.m. Thursday, July 4 at the church. Beef plates are \$3.50 and chicken plates are \$2.50. Sausage plates will also be available.

UGSA Action

The division II She Cops and division III Reds, both posted wins in the second to last night of Mitchell County United Girls softball play Thursday night.

The She Cops beat the Almost Angels 11-8 behind a strong defensive showing. Winning pitchers were Krishna Lamb and Rosemary Rosas while Corrie Martinez took the loss.

Lamb led off with an infield homerun and the Cops scored seven runs in the second and three in the third.

The Reds were in action at Snyder where they won 19-2 behind error free play.

Priscilla Mayes pitched the whole game and the Reds also got a balanced scoring attack.

The Reds also posted a 12-3 Tuesday night win over the Snyder Nighthawks. Misty Strain pitched the whole game while Gina Gilstrap, Kim Wulf-

jen and Cami Redwine led at the plate.

In other games played Tuesday, the Red Wings defeated the Bumble Bees 15-13 and the Blue Jays remained undefeated with an 18-15 win over the Snyder Bluebonnets.

Holly Turner, Kahla Lamb and Jessica Creswell pitched in the Red Wings victory. Jeanette Ceballos and Krissy Crawford took the loss for the Bees.

Kahla Lamb got two home-runs for the Red Wings while Kamie Lamb and Creswell hit for one homerun.

Pitching for the undefeated Blue Jays Tuesday night was Jennifer Ornelas, who also reached base four of four times at bat, as did Sheila Hale.

Veronica Moreno, Leah Watson and Robin Walls went three for four and Hale relieved for Ornelas.

Body control session to begin July 1st

A new session of Body Control will begin Monday, July 1st, at the Administration Gym. The six week course will be instructed by Joanne Sanderson.

Classes will be held on Monday, Tuesday, and Thursday nights from 6:30-7:30 p.m. Starting July 8th, the Monday night class will meet at Ruddick Pool.

Day classes will be held on Wednesday and Friday morning from 9 to 10 a.m. at the Administration Gym.

Tuition for the three night classes will be \$30 plus \$4 for the pool fee. Two night or day classes will be \$25. Two classes per week with one class being

the Monday night class will be \$25 plus \$4 pool fee. All five classes may be taken a week at a cost of \$55 plus \$4 pool fee. For those desiring to attend on Monday nights only, the tuition will be \$12.50 plus \$4 pool fee.

Exercises are set to a variety of music and makes for a lot of fun while you work off those unwanted pounds.

To pre-register come by the Wallace Community Education Center office before the first class begins. For more information, phone the Community Education Office, 728-2392. The class at the pool will only take place if a minimum of 10 persons enroll.

State to provide job counseling

AUSTIN—The State of Texas may soon begin using available federal funds to provide career counseling, job training and placement services for unemployed farmers and ranchers, Agriculture Commissioner Jim Hightower has announced.

At the request of the Texas Department of Agriculture, the state's Job Training Coordinating Council has agreed that the services are needed, due to the widening depression of the state's agricultural economy. Seven states—Illinois, Iowa, Kansas, Nebraska, Oklahoma, North Dakota and South Dakota—now offer this type assistance to displaced farmers and ranchers.

"Texas continues to lose more than 100 family farmers and ranchers a week," said Hightower. "Many of the producers we're losing are age 35 or younger. Call them bankruptcies, foreclosures, voluntary liquidations or early retirements. The truth is, it's still costing farmers more than they receive to produce every major commodity grown in Texas—cotton, grain sorghum, wheat, corn or rice. No one but tax-loss ventures can remain in business with a balance sheet that shows only red ink every year.

"Family farmers only want the opportunity to earn a fair price in the marketplace. The Farm Policy Reform Act of 1985, now pending in Congress, was written at the grassroots level to keep those producers on their land. But when current government farm policies keep the prices paid to farmers artificial-

ly low, displaced farmers deserve the opportunity to receive training and counseling for another kind of work. That's a sad fact of life and just another indication of how counterproductive our existing farm policies are—for both farmers and taxpayers.

The job training, counseling and placement will be overseen by the Texas Department of Community Affairs.

If you are an adult who did not finish high school, here's your chance to prepare for the GED test in your own home by completing the 12 lessons which are appearing in the RECORD each Sunday for 12 weeks.

MATHEMATICS

DECIMALS: Decimals are another way to write fractions. In a number, a decimal point is used to separate the decimal fraction from the whole number. All numbers to the left of the decimal point are whole numbers. All numbers to the right of the decimal point are fractions with denominators of only 10, 100, 1,000 etc. As in money, \$3.15 shows three whole dollars. It also shows fifteen cents which is 15 of a whole dollar. Each decimal place to the right of the decimal point has a label to indicate the size of the decimal fraction. The smaller the fraction, the more places the number has.

NO. OF DECIMAL DECIMAL DECIMAL PROPER PLACES: NAMES: FRACTION FRACTION

one place = tenths .4

two places = hund. .19

three places = thous. .115

four places = ten. .0067

five places = hund. .00813

six places = mil. .000072

PROBLEM 1: Fill in the blanks in the table below.

three places = .098

five places = .393

COMPARING DECIMALS: Sometimes it is necessary to compare the value of decimals. In the number 3.56, 3 is the whole number. The 5 in the tenths place is greater in place value than the 6 in the hundredths place. There is no number to the right of the 6, so the hundredths place value is 0.

When comparing the place value of decimals:

1. Arrange the numbers vertically with the decimal points exactly in line.

For example, 6, 67, 3.045, and 1.70 should be arranged as follows:

6

67

3.045

1.70

2. Both of the remaining decimal fractions have a six in the tenths place. Go to the next smaller hundredths place. Seven is greater than the zero in the hundredths place of 6 (60). Decimal: 67 is greater than 6.

3. In order of greatest to least in value: 3.045, 1.70, 67, 6

PROBLEM 1: Arrange these decimals in order of greatest to least in value.

25.25, 1.25, 1.025, 1.20, 1.1, 1.01, 25

ADDING AND SUBTRACTING DECIMALS: When adding and subtracting decimals, arrange them vertically with the decimal points exactly in line. Remember that a whole number

has a decimal point after it (96 IS 96.) Then add, keeping the decimal point in place. Example: 312 + 297 + 253 + 467 =

312

297

253

467

3612

Example: 2.6 - 63.87 = 61.27

PROBLEM 1: Mrs. Barnes paid her bills yesterday. She wrote these checks: \$250.00 for rent, \$165 for her car loan, \$68.75 for utilities and \$9.15 for telephone. What was the total amount that she paid in bills?

PROBLEM 2: Your checkbook shows a balance of \$183.65 before you write checks for \$24.62 and \$65.00. What would your checkbook show after the checks have been written and deducted?

MULTIPLYING DECIMALS: Each number to the right of a decimal point is called a decimal place. When multiplying decimals, it is important to count the number of places in all numbers being multiplied and mark off that many places from the right in your answer. When multiplying, it is not necessary to keep decimal points in line.

1. Multiply as you would with whole numbers.

412

x 35

2060

1236

14420

2. The numbers being multiplied have a total of 5 places in the answer. From right to left, count off the 5 places in the answer and write the decimal point.

PROBLEM 1: 36 x 42 =

PROBLEM 2: 42,006 x .05 =

Sometimes there are more decimal places to be counted off than there are places in the answer. When this happens write as many zeros as necessary to the left of the answer, and then write the decimal point.

PROBLEM 3: Clyde makes \$4.30 per hour at the papermill. How much does he make in an 8 hour day?

DIVIDING DECIMALS: answer (quotient) divisor dividend

When dividing a decimal by a whole number, move the point in the dividend straight up into the answer and work the problem.

5/23 = 5/23 = 5/23

To the right of the decimal point in the answer there must be a number above each place in the dividend. In the following example, the 15 does not divide into 10, therefore a zero is written to the right of the decimal point.

15 | 105 = 15 | 105 = 15 | 105

PROBLEM 1: 16 | 144

PROBLEM 2: 22 | 242

When the dividend is smaller than the divisor, it is necessary to put zeros after the decimal point in the dividend. To solve this type of division, follow these steps:

EXAMPLE: 25 | 5

1. Put a decimal point to the right of the last digit in the dividend.

25 | 5.0

2. Move the decimal point straight up to where the answer will be.

25 | 5.0

3. Work the problem by adding zeros to the right of the decimal point in the dividend as needed.

25 | 5.0

25 | 5.0

25 | 5.0

25 | 5.0

PROBLEM 3: 4TT PROBLEM 4: 14/28

When dividing a decimal by a decimal, remember that the divisor must be a whole number before you begin dividing. Follow these steps:

1. Make the divisor a whole number by moving the decimal point as many places as necessary to the right, and put a caret there (A.)

2. Move the decimal in the dividend the same number of places to the right and place a caret there.

3. Move the decimal straight up to where the answer will be.

4. Work the problem.

PROBLEM 5: 1 28 / 1536

If there is a decimal point in the divisor and the dividend is a whole number, add zeros to the dividend and place the caret.

187

PROBLEM 6: Mr. Swift bought a 13.5 lb turkey for \$8.91. What was the price per pound of the turkey?

CONVERTING FRACTIONS AND MIXED NUMBERS TO DECIMALS: Any fraction or mixed number can be converted to a decimal by dividing the denominator into the numerator.

1/2 = 5/2 = 2.5

PROBLEM 1: A painter mixed 4.33 gallons of paint and used 1 and 3/4 gallons in the hall. How much does he have left?

ROUNDED OFF: Some division problems will never have a remainder of zero. If the directions call for an answer in a specific number of places, continue dividing to one place more than asked. If the direction asks for an answer "rounded off" in hundredths (2 places), then continue dividing until the answer has 3 places (thousandths).

Look at the last number in your answer. If it is 5 or greater, then increase the previous number by one and drop the last number from the final answer. Ex. 345 = 35

PROBLEM 1: 4388 to the nearest hundredth =

PROBLEM 2: Give the answer to the nearest hundredth: 25.1493

If you would like a decimal review sheet, send a self-addressed, stamped business-sized envelope to the address below.

Study the lessons and complete the problems. Participants should either call 728-2392 between 8:30 a.m. and 4 p.m. Monday through Friday for the answers.

Letter to the Editor

Dear Editor:

Over the course of the past ten months, there have been a number of things said about our hospital and a lot of them have not been good.

Borrowing money to finish out a year is nothing new for our hospital. Our census of patients used to run as it is now; but we seem to have forgotten. Also, the news media didn't sensationalize on that type of news.

We need to think for a moment or two about what would happen if we were to lose our hospital. Who would come to Mitchell County if there was not a hospi-

tal facility to care for the sick and injured? How many businesses would close and move to another town? How could we ever entice any type of new business to locate here? Think about it!

Enough has been said about how bad things are for our hospital. What are we doing other than griping about it? How many of the people that are griping and complaining about the hospital have a hospital bill they haven't paid? How many owe a multitude of thanks to the hospital because some member of their family was treated for a

serious illness and was given that extra attention, love and care that is expected?

When are we going to say "What can I do to help keep our hospital going?"

Some have suggested a further reduction in staff but do not want a reduction in the quality of care. The hospital has cut staff to a level that can take care of a census of fifteen patients. If we have less patients than that we may have too many on staff; if we have more than that, we may not have enough staff. Staff cannot be cut just to take care of the minimum number of patients. If it were, the hospital would get caught in a terrible bind somewhere down the road. It is also hard to send employees home telling them that they will be called when needed. When needed, they will have found another job somewhere else.

The staff and administration at our hospital are doing everything they can to keep costs down and still maintain the level of care we have all come to expect from our hospital. Employees have been cut, hours have been cut, supplies are being bought at the most competitive prices available.

Our hospital, as are all other hospitals, is going through tough times. Check around and listen to what is going on in other towns. Because of new federal regulations, we are all having to suffer through the changes and we will have to live with the fact that our hospitals will not be as prosperous as they have been in the past few years.

We can moan and groan, gripe and cuss, and watch our hospital fall by the wayside, or we can pull, pray, and work together to keep and maintain our hospital. I am only one, but as for me and my family, I can say that we will continue our sincere efforts to help keep our hospital operating, alive and well.

Jane McCarley
Board Member
Mitchell County
Hospital District

False information being given to vets

According to Bertie Kidd, Veterans Service Officer for Mitchell County, false information of unknown origin is again spurring thousands of World War II veterans across the nation to contact the Veterans Administration for payment of a special life insurance dividend to which they are no longer entitled.

In 1950, the Veterans Administration paid almost \$3 billion in special dividends to some 16 million former servicemen who carried GI insurance during

World War II. Federal law states that all claims for this or any other dividend declared prior to January 1, 1952, must have been filed within six years after date of declaration.

The Veterans Administration continues to pay annual dividends to those veterans of World War II who have kept their old policies of National Service Life Insurance in force. This annual dividend is due and paid each year shortly after the anniversary date of the policy. The policyholders do not have to apply for the dividend each year, as it is paid or applied to the appropriate insurance account automatically following the anniversary date.

This insurance dividend hoax surfaces periodically, and causes great strain on the VA offices and personnel who must contend with the thousands of letters that are sent by veterans hoping to cash in on a government bonanza which does not exist. If the rumor comes to you, please remember that there is no special dividend amounts that are available to World War II veterans.

Doss, Wolf united in marriage

Sonny Doss of Colorado City and Shari Lynn Wolf of Snyder were married Friday, June 28 at the home of the bride.

Rev. Steve Coutouis performed the ceremony.

The couple honeymooned in Ruidoso, N.M.
