Chamber Merchants Organize Fiesta Day

The Merchants Committee of the Colorado City Chamber of Commerce met Thursday evening to consider plans for the Rodeo Fiesta.

Fiesta plans will be presented to the Colorado City Council Monday at 7 p.m. in City Hall.

"The Chamber would like to have the 22nd through the 26th of July proclaimed Colorado City Frontier Days Celebration, designating July 22nd as Fiesta Day," Chamber Manager Starr Greenblatt said.

Several events are being considered for this celebration including a beard growing contest, prize drawings from participating merchants, a fiddlers' contest and a square dance.

Groups and organizations will be invited to set up food booths with the registration fee for the booth set at $7.50. Anyone interested in this may contact the Chamber Office at 728-3403.

Several task forces are working in conjunction with the city on the project and hope to establish a site for the festival.

Rodeo performances are scheduled for July 23 through 26. A rodeo dance is scheduled for Saturday, July 26, at the Colorado City Country Club following the closing day of the rodeo.

Tuesday, July 22, is planned as Fiesta Day and merchants and employees will be encouraged to wear Frontier Days' costumes.

A rodeo parade is planned for Saturday, July 26 at 3 p.m. through the downtown business district.

Letters are currently **being mailed-out to clubs, groups and organizations giving specific details and registration forms. Any group not contacted by the Chamber, but wishing to participate, is encouraged to contact the Chamber Office.**

Other contests and events will be included in the Frontier Day Celebrations and any person having an idea or suggestion which will coincide with the celebration may contact the Chamber Office.

Other projects discussed during the Merchants Committee meeting was the sale of gift certificates called C.C. Dollars through the Chamber Office.

These certificates will be sold at full dollar value and may be exchanged for merchandise at participating

Lions Begin Search For Mitchell County Talent

A talent hunt is underway in Mitchell County sponsored by the Noon Lions Club.

Monday and Tuesday are scheduled as audition days.

Interested persons should meet at the C.C. Thompson Room of the City National Bank Annex. Auditions will be held from 6 p.m. to 10 p.m. each of the two nights.

This is planned as an annual affair and is open to any resident of Mitchell County.

The First Annual Mitchell County Talent Show is to be held at 8 p.m. Saturday, May 10 at the Colorado High School Auditorium.

Lion Carl Moore will direct the talent show assisted by Cecile Hubbard, wife of Lion Chris Hubbard. Lion Hubbard will be the technical director.

There will be four divisions in the contest: Division I is for six to eight year olds (children under six may enter in this category), Division II is for nine to twelve year olds, Division III is for thirteen to sixteen year olds, Division IV is for persons seventeen and older (there is no age maximum in this division).

Individuals must be within their age group on May 10.

Five entries will be chosen in each division to perform in the Annual Talent Show.

One alternate in each division will also be selected.

Divisions I and II will audition from 6 p.m. to 8 p.m. each of the two nights and Division III and IV will audition from 8 p.m. to 10 p.m.

There is no limit to the number of performers in an act, however the performers must perform in the specific talent in which they audition.

The audition piece does not have to be the same piece used in the performance, only the type of talent must remain the same.

Accompaniment for both the audition and show must be supplied by the individual act.

A piano, record player, cassette player, eight-track tape player and reel-to-reel tape player will be furnished for contestants to use by the producers of the show.

The contestant must supply the pianist or recording.

The contest is for amateurs only and anyone having performed professionally is not eligible to enter.

Entrants must be residents of Mitchell County.

The Lions Club urges all talented amateurs to come to the auditions and join the fun and take a chance at winning one of the four twenty-five dollar cash prizes to be awarded to Division winners.

Persons having questions should contact Moore at 728-2622 or 728-5890.

City To Approve 1980 - 81 Budget

The budget for the 1980-1981 fiscal year, as well as **newly elected** council members being sworn in, will be the top items on the agenda during the regular monthly meeting of the City Council of Colorado City at 7 p.m. Monday.

During the meeting, the mayor and mayor pro-tem will be elected by the council after persons who were elected to the council Saturday are sworn in.

Before the new council members take their seat on the council, the existing council will conduct a public hearing on the proposed budget for the coming fiscal year starting May 1 and then will take final action on the budget they have been working on for several months.

The budget also includes figures for revenue sharing funds for the coming year.

The 1980-81 budget being considered for approval by the Colorado City Council includes a general fund revenue of $832,625.

These revenues include a base water rate increase of $1.50 and a

My Expectations

By Lulu Turner

By LULU TURNER

Today is Easter Sunday and there will be a lot of Easter egg hunting and family get-to-gethers. But with all the symbolism of Easter eggs, bunnies and baby chicks, sometimes we forget the real meaning of Easter and what it really should symbolize, "Our hope of eternal life." Let each of us take the time today to say a prayer thanking God for His wonderful gift to us, His son.

xxx

I don't know if many of you know what is going on at the Wallace Center on Saturday nights, from 7 p.m. until 10 p.m. If you don't know, you might be surprised. The Opti-Ms. Club is sponsoring skating at the Center for everyone. It doesn't matter how young or how old, they have it open to everyone. All you need is a pair of skates and $1. If you don't have any skates, they have a few to rent for $1.

This is a wonderful addition to our community. Saturday night, there were more than 50 persons skating. It is nice to see an activity that parents and children can do together and enjoy it! There has been a lot of time and effort put into this project and I think the ladies deserve a word of thanks.

xxx

Hey, all you talented people in Mitchell County, now is your chance to show your hidden ability. The Noon Day Lions Club is sponsoring a talent show. Auditions will be in the C.C. Thompson Room from 6 p.m. until 10 p.m. Monday and Tuesday.

After all the Playhouse productions and the various activities in town, I know we really have quite a few talented people. Who knows? This may be your time to say "a star is born!"
Ms. Greenblatt said.

xxx

Can you guess the population of Mitchell County? The City National Bank is sponsoring a "Guess the Mitchell County Population Contest" and will award prizes to the top three guessers. First prize is a $100 savings bond, second prize is 15 $2 bills and third prize is $25 in Susan B. Anthony dollars.

If you would like to take an intelligent guess or maybe a "who knows guess," you can bring your guess into the bank or mail it in care of the bank at Box 1031 until July 1. Entries are limited to one guess per family.

Have you noticed all the people going fishing lately? Guess what? They're biting. I was able to wet my hook Saturday when I went fishing with my family and we bagged 16 fish in about three hours. I can't tell you where my fishing spot is because I'm hoping there are a few more waiting for me.

I'm really not a fisherman, because I'm too impatient. If I don't get a bite in five minutes, I usually determine they aren't biting and go on to something else. So, with that little bit of information, you must know they are biting.

xxx

I would like to thank all of those who complimented me on my column I wrote three weeks ago. The high rates for the use of school facilities was something that needed to be made public and I thank each for his support on this matter.

I'll end with a little bit of philosophy: People who want milk should not seat themselves on a stool in the middle of a field in hope that a cow might pass by.

Bureau Hires Census Takers

After some confusion and a bit of misunderstanding, 38 persons from Mitchell County were given a census takers test in Wallace Center Thursday.

County Judge Bill Carter was instructed by the Census Bureau to advertise for assistants to help take the 1980 census and 38 persons answered his request.

All persons not receiving or returning a census questionnaire by mail are to be contacted personally by a representative of the Census Bureau, Carter said.

A representative from the Lubbock office of the bureau was to meet with persons interested in assisting with the census early Tuesday morning in Carter's office.

When the representative had not appeared by 10 a.m., Carter telephoned the district office.

He was informed the representative had left Lubbock at 7 a.m. on his way to Colorado City.

Carter waited a while longer then listed the names and addresses of the persons who had come for the interview and asked them to go home, stating they would be contacted later.

At about 3:15 p.m. Tuesday, a representative from the bureau in Abilene showed up in the judge's office and they scheduled Thursday as the date the tests could be given.

County To Consider Appraiser

Mitchell County Commissioners will meet in a special called session Wednesday in the County Courthouse to consider appointment of a tax appraiser for the newly formed Mitchell County Tax Appraisal District.

Mike Burt, tax assessor-collector for Mitchell County, has been tentatively appointed to that position by the Tax Appraisal District Board.

If appointed, Burt will continue to perform his duties as county tax assessor-collector and assume the duties of Appraisal District Tax Assessor.

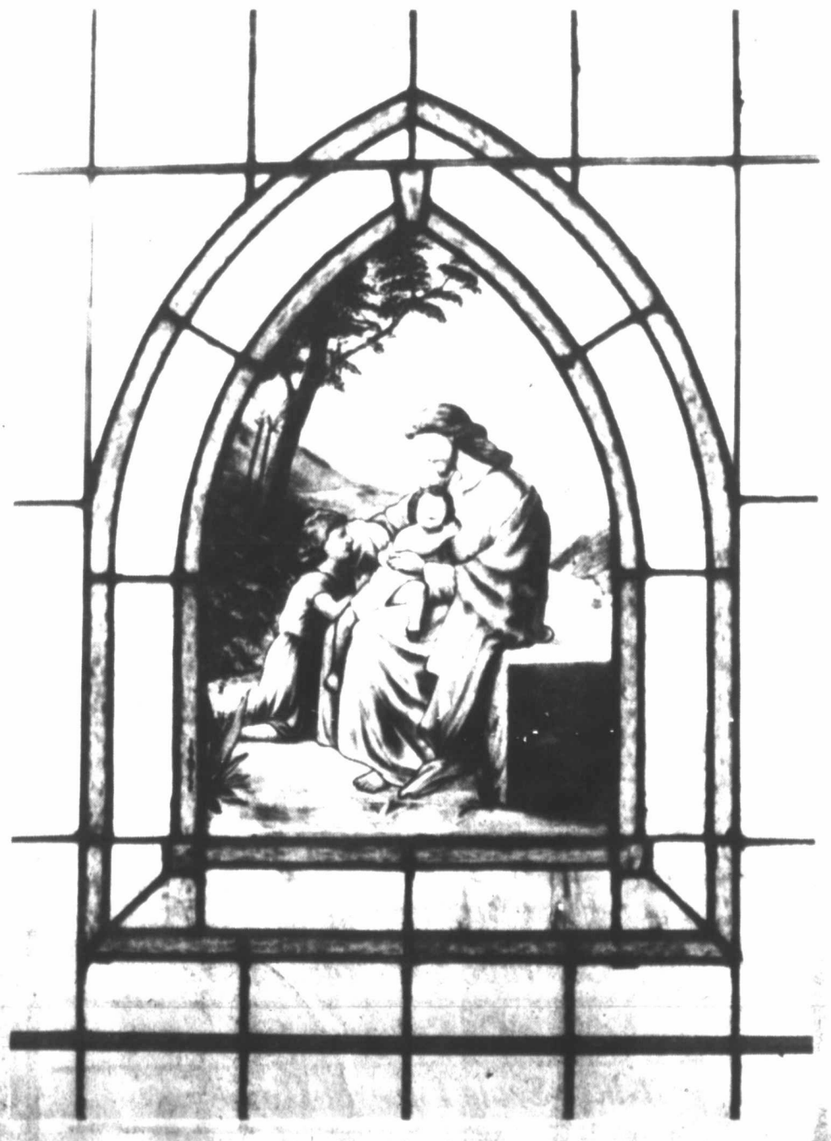
Burt will receive $14,000 a year starting Aug. 1 from the district, as well as his current salary of $16,000 a year as county tax assessor-collector.

Boosters To Host Benefit

Colorado High School Wolf Band and the Colorado High Stage Band will present a benefit concert at 7:30 p.m. Tuesday in the Colorado High School auditorium.

It is the annual benefit concert and although there is no admission charge, each person is asked to contribute toward the band's annual spring project.

Band Director Kent Holder said he is hoping to have the band present another concert in May if an open date can be found.



PEACE AND BROTHERHOOD for all mankind shines anew in the warmth of His message. The coming of Easter marks a most joyous holiday, a time of rebirth and rejoicing as we once again renew our faith in Him.

LIFE OR DEATH

Rev. Gene Russell
Pastor
First Assembly Of God

Isn't it amazing that everyone seeks for what they think yhr best things of life, yet they don't know what Life is all about& It seems the way everyone lives now is to do anything connected with pleasure or anything that feels good.

All of us parents want what we consider the best in life for our children. We want them to be well liked by everyone, popular, but we don't teach them in so many instances, the only real thing that can bring life and happiness. Jesus said in John 5:24 "Verily, Verily, I say unto you, he that hearth My word and beleiveth on Him that sent Me shall have everlasting life, & shall not come unto condemnation, but has passed from death unto life." We make sure they attend everything in school, whatever it may be, even if we have to leave things at home undone or feel bad physically. But when it's time to go to the house os God, we suddenly remember things or just don't feel well enough to go to Church.

Just think, if our whole society were taught as much about Jesus Christ, the real Giver of Life, as they are about life's pleasures and the pursuit of happiness, what a happiness, what a different world we would have and how happy we would all be. James 4:17 "Therefore to him that knoweth to do good, and doeth it not to it is sin."

base rate sewer increase of $1.

In what the council called a "no frills budget," city employees will receive a seven percent overall raise plus an additional 15 cents per hour increase.

Expenditures in the general fund include a total streets budget figure of $130,700; a volunteer fire department budget figure of $57,850; a police department budget figure of $166,210 and a sanitation budget figure of $84,130.

Capital improvements are allocated $25,000.

Due to inflated gasoline prices an estimated cost increase was included in this budget increasing the $37,000 estimate by $12,000 bringing the total figure budgeted to $49,000.

Total estimated expenditures in the general fund are $823,355.

In the water and sewer fund, total revenues are anticipated to be $519,300. About $155,000 of those funds are transferred to the general fund budget.

Total expenditures listed in the water and sewer fund are $514,825.

After consideration of the budget, the council will canvas results from Saturday's election.

Then those who were elected will take their place on the council and a mayor and mayor protem will be elected.

Then the new council will get down to business that includes opening bids for seal coating of streets, opening bids for paving at Fisher Park at Lake Champion and open bids from persons interested in purchasing Block 10 from the City. The block is at the end of Third Street by the Colorado River.

The council also will hear a request from the Colorado City Area Chamber of Commerce regarding a Rodeo Fiesta and blocking part of Walnut off for a street dance and other activities on the night of Tuesday, July 22.

A request to close a designated but not open city street, which is part of Erie Street, across from Myers Auto Parts on Highway 80, will also be heard.

The request was made by Hubert May who sold the lot next to the designated street. The buyer wants to erect a building on the site.

merchants.

Another project considered during the meeting was the distribution of "merchants packets." These packets will include discount certificates, advertisements and a merchants' map.

They are to be distributed at special events such as the rodeo, arts and crafts show and fly-in.

The merchants' maps are a special project of the Chamber. They will designate the location of all participating merchants.

"We need someone to volunteer to draw this merchants' map for us. Anyone who would like to volunteer to draw this map may contact the Chamber Office at 728-3403," Ms. Greenblatt said.

Chamber To Meet

The Executive Board of Directors for the Chamber of Commerce will meet Tuesday at 3 p.m. in the Chamber office.

The purpose of the meeting is to establish an agenda for the Chamber of Commerce board meeting to be held at 7 p.m. on April 14 in the Chamber office.

CENSUS, From Page 1

The representative from Lubbock, who was scheduled to make the first interview, was reportedly found shopping in Lubbock. He had not anticipated anyone would be interested in assisting with the census in Mitchell County because participation had been so poor in other counties this size, and so had failed to keep the appointment, Carter said.

After taking the required census test, individuals began work immediately. They are working from a list compiled by the bureau, Post Office and Carter, of persons not receiving the census form through the mail.

Carter said he has had calls from persons living around the two Mitchell County lakes, who have not received the forms.

It will also be the responsibility of the census takers to report any houses not listed on the original census.

Carter said the census workers will be working on a part time basis but will be asked not to work after 9 p.m. or on Sunday.

After all census figures are compiled, Judge Carter and the mayors of the three towns in Mitchell County will meet to consider the results of the census. If they do not find any discrepancies, these figures will be sent back to Lubbock and, after review there, will be sent to President Jimmy Carter by January 1, 1981.

Letter To The Editor

Dear Editor:

When I read letters to the Editor, they are usually complaints, or questioning why, or why not, something is done. I wish to compliment your city and the Root Memorial Hospital.

I was a stranger and they took me in as a member of their family. You see, I was a patient in the Hospital, as result of an automobile accident. It was the kindness, thoughtfulness and also humor that made me feel more at ease. All the people at the Hospital were very friendly, and they treated me as a human being, thus speeding me on the road to recovery. There are two particular, that deserve a special thanks, and they are Alice Rivera and Dr. Aguillon.

My thanks and hopes for good fortune for your city and its great hospital.

Why insurance on your home?
There are four main reasons for insuring your home:
1. Your equity: You need protection for your cash investment in the property.
2. The mortgage: To protect its loan to you, a leading institution requires insurance to cover the amount of the mortgage it has on your property.
3. Your possessions: You should protect from loss all your furniture, appliances, clothing, tools, and equipment for entertainment, sports and hobbies.
4. Your liability: You need adequate protection against possible lawsuits growing out of accidents or property damage caused by either your own negligence or that of a member of your family.
Your home may be the largest single investment you will make in your lifetime. When the value of your possessions is added, the amount becomes even more sizable. Insurance can protect you from losing all or any part of your investment.

Students Attend Meeting In March

The thirty-seventh annual Pan American Student Forum Convention was held March 13-14 at the San Antonio Convention Center. The Pan American Student Forum is an activity sponsored by the Good Neighbor Commission of Texas.

The Convention theme, "PASF: PUENTE PARA UNIDAD," stresses the organization's goal, to provide a bridge for unity with our Latin American neighbors. About 3,000 delegates from the nearly 10,000 member association of Spanish club students attended the statewide meeting.

Members were informed on the culture, the needs and the contributions of our Latin American neighbors through workshops on folkdancing, folksinging, state projects, careers, this year's countries of study (Jamaica and Guatemala), etc. Individual chapters have offered support to these neighbors through the 1979-80 state projects: Pesos for Braces, Operacion Ninos and Amigos de las Americas, as well as the Myrtle L. Tanner Scholarship Fund, la Buena Madre orphanage, UNICEF, and local projects. The scholarship fund honors outstanding members who are interested in advancing their knowledge of the Latin American people and the Spanish language.

Nine Colorado High School students attended the PASF convention this year: sponsor Kathy Wilson; Lydia Mendoza, local president; Elma Torrez, vice-president; Anna Arellano, secretary; Robert Godina, treasurer; Linda Mendoza, PASF Chairman and members Malcolm Upton, Adelina Gutierrez, Magdalena Rico and Yolanda Gonzales.

The CHS students took an active part in all phases of the convention. Junior Anna Arellano campaigned for the office of state first vice-president of PASF. Although she was not elected, Anna campaigned vigorously and will be on the state membership committee next year.

Lydia Mendoza, CHS senior, was awarded a full scholarship to the Universidad de las Americas in Puebla, Mexico, for the 1980 summer session. She was required to send a transcript of her grades, an autobiography, an essay in Spanish stating her reasons for wanting the scholarship and three letters of recommendation from her teachers. Lydia will travel to Puebla in June with the two other state scholarship winners.

During their free time in San Antonio, the students enjoyed sightseeing at the Alamo and Hemisfair Plaza.

Colorado City Girl's Track Team Finished In The Top Half At Meet

Colorado City track teams had a rough time last weekend as only the 7th and 8th grade girls could finish in the top half of competition.

However, all the teams reported improvement in various events and faced tough competition during their meets.

In San Angelo, the Colorado High boys could muster only 2 points, all coming in field events as Russell Noel jumped 20-feet, 2¼-inches in the long jump for sixth place and Clay Hammond leaped 6-feet in the high jump for fifth place. Mark Carter had a vault of 12-feet for sixth place in pole vaulting.

Britt Chaney threw the shot over 44-feet.

Only two tracksters made the finals. They were Jerry Don Lewis in the 800 meter run. (Friday he ran a qualifying heat of 2:03.71) and in the finals, Lewis had a 2:04.56. Jay Green qualified with a 41 second time in the 300-meter intermediate hurdles but had bad luck Saturday when he hit a hurdle and fell. He finished the race but had no time.

Coach Rick Robinson said a number of runners improved their meet performance including the 1,600 meter relay team that cut off 11 seconds on their time. That team includes Jerry Don Lewis, Squeeky Hanks, Lupe Luera and Jay Green.

Others performing included Hanks in the 800 meter run with a time of 2:10.79; Russell Noel in the 110 high hurdles with a time of 15.6 seconds; Lynn Williams had a 16.7 in the highs and Lupe Luera had a 54.12 in the 400 meter dash while Carlos Olivarez had a 56.57 in the 400.

In the 400 meter relay, the team of Doug Johnson, Russell Noel, Jeff Hammond and Jay Green had a time of 44.9 seconds.

Tracksters Faced Tough Competition

Loraine track teams faced tough competition in Robert Lee last weekend with the boys finishing eighth with 30 points while the girls could manage only to get points in one event.

For the Bulldog boys, Junior Martinez ran a 2:02.2 in the 880 to break a nine-year-old track meet record and he also placed second in the 440 yard run.

Tommy Darnell placed third in the 330 intermediate hurdles and fifth in the high jump. Curtis Haden finished 5th in the 100 meter dash.

The only points scored for the Loraine girls was by Sylvia Barrera who placed third in the long jump.
