SSG Gonzales presented Quilt of Valor

By **AMANDA DUFORAT**
Contributing Writer

To be wrapped in a blanket of gratitude is only the beginning, only a small token compared to the amount of gratitude those who sacrificed for their country deserve. A Quilt of Valor was presented to SSG Sipriano Gonzales during a recent D.A.V. (Disabled American Veterans) meeting.

"We appreciate everyone who made the choice to serve their country. No matter what level of combat they saw, their sacrifice was appreciated and served a vital part in our freedom," Mike Tarpley, Quilt of Valor presenter and Chapter 47 Senior Vice Commander, said. "Every moment served for our country is a moment to receive gratitude for. Ceremonies like this are special not only to the veterans, but for the families and community. These quilts represent the love, appreciation and thankfulness that so many are wanting to extend, to our veterans."

SSG Gonzales served as a Staff Sergeant while in the United States Army. He currently resides in Odessa. During his service, he was stationed at Fort Huachuca in Arizona, Panama Canal Zone and served in Vietnam. His primary specialties were radio electrician, radio mechanic, and equipment repairman. Of his time, eight years were served as a volunteer. SSG Gonzales spent one year – Feb. 1967 to 1968 – in Vietnam. During that time, he was awarded the National Defense Service Medal, Vietnam Service Medal, Republic of Vietnam Cross of

QUILT

Gallantry, and two Bronze Stars. As a result of his service, not only did he pay with the sacrifices he made with his life, family time, and experiences, but he also was exposed to Agent Orange and has had to deal with the impact of those effects. While serving his country, he was supported by his wife of 59 years, Margaret Granado, whom he married on Oct. 13, 1962.

"Many who served in Vietnam never received, and may never receive, the proper welcome home, and when we are able to present one of these Quilts to them, it is a special moment," Tarpley said. "While every Quilt of Valor is special and contains an extensive amount of love and gratitude in every patch, it is a special occasion when we are able to present these to our Vietnam veterans and extend our gratitude that they should have received so many years ago."

The Quilts of Valor organization is the result of a dream brought to fruition. A Gold-Star Mother, Catherine Roberts, had a dream while she was waiting on her son to return from service. During the recent presentation Tarpley described the dream.

"Katherine described the dream as vivid as real life. She saw a young man sitting on the side of his bed in the middle of the night, hunched over. There was a permeating feeling of despair. I could see his war demons clustered down into an emotional gutter," Tarpley read. "Katherine continued, it was as if in a movie. She saw him wrapped in a quilt and his whole demeanor changed. There was now a sense of hope and well being... quilts equal healing."

Quilts of Valor Foundation is a national organization founded in 2003 by a "Blue Star" mom, Catherine Roberts. The idea of finding a way to provide comfort for veterans came to her while her son was deployed in Iraq. While he was deployed, she constantly felt 10 seconds away from panic and those feelings turned into quilt making.

"I received my quilt one day in the mail and I was lucky to have my wife and my mother around me when I opened it," Quilts of Valor local presenter Mike Tarpley, said. "Since then I guess you could say I have been honored with many quilts that I have been able to present to our veterans."

Since the founding of the organization, more than 300,000 quilts have been awarded in the United States, Germany, Iraq and Afghanistan. With each quilt the mission to honor service members and veterans is fulfilled - one human-being reaching out and touching another without judgement, reaching out with acceptance and with acknowledgement of service to our nation in very trying circumstances. According to Tarpley, this presentation draws him almost to 100 Quilts of Valor presented in Howard County.

"The Quilts of Valor Foundation recognizes war demons that plague soldiers from all wars. There are thousands of quilters across the United States working to make these quilts to cover our warriors, from all conflicts," Tarpley said. "Each of these quilts is composed of love, tears, and heartfelt appreciation and gratitude from many ladies."

The quilts are made up of three layers: the top with its many colors, shapes and fabrics represent the community and the many individuals we are; the batting - filler - is the center of the quilt, its warmth.

"This second layer represents the hope that this

quilt will bring warmth, comfort, peace and healing to the individual who receives it," Tarpley said during the presentation.

The backing is the final layer and it represents strength that supports the other layers. It represents the strength of the recipient, the support of his or her family, communities and nation. Each of the stitches holding the layers together represent love, gratitude and sometimes the tears of the maker. Each quilt represents the three-part message from the givers to the recipient.

"We honor you for your service. We honor you for leaving all you hold dear and to stand in harm's way in a time of crisis, protecting us from the effects of war," Tarpley said. "Next, we know that freedom is not free. The cost of freedom is the dedication of the lives of men and women like you, and this quilt is meant to say thank you for your sacrifice."

He continued, "Finally, this quilt is meant to offer comfort to you and to remind you that although your family and friends cannot be with you at all times, you are forever in our thoughts and hearts."

Coahoma Bulldogettes advance to State

Coahoma to face Franklin in state semifinals

Left, the Coahoma Bulldogettes are all smiles as they celebrate their Region 1-3A championship trophy after beating Holliday 7-4 on Saturday in game 2. Right, Coahoma’s infield celebrates after getting the final out in the seventh inning, advancing them to the state tournament. The Coahoma Bulldogettes will be looking to capture it seconds state title after winning back in 1998. Coahoma will face the Franklin Lady Lions on Wednesday June 1 at 1 p.m. in the state semifinals in Austin.

By PATRICK GONZALES
Herald Sports Writer

On Saturday, Coahoma and Holliday battled it out in Abilene with a state tournament bid on the line. Holliday was looking to repeat as the Region I-3A final champions and a return trip to the state tournament. On the other side Coahoma was looking to advance to state for their eleventh state tournament appearance. In the end, The Bulldogettes claimed the victory against Holliday in Game 2 with a 7-4 final score. With the win, Coahoma ends a 14-year drought and punches their ticket to the UIL State Tournament in Austin.

For the majority of Game 2 on Saturday, Coahoma and Holliday kept the score close, as each team battled inning after inning, unwilling to let the other team gain the upper hand. The Bulldogettes and Lady Eagles were tied 4-4 headed into the sixth inning. In the top of the sixth inning, Coahoma gained the momentum it needed to break the tie. Coahoma freshman Neveah Kerby would come up big in the sixth inning to help the Bulldogettes rally and gain the lead. After taking the lead, the Bulldogettes kept the momentum going, thanks to Brynn Rodgers scoring two more runs in the top of the seventh to make the score 7-4. This was enough to help the Bulldogettes get the win and end the Lady Eagles season.

The win crowns the Coahoma Bulldogettes as the Region 1-3A Finals champion and sends them to its first state tournament appearance since 2008.

The game started with Holliday striking first, as the Lady Eagles scored one run in the bottom of the first inning to give them a 1-0 lead. The Lady Eagles and Bulldogettes would both go scoreless in the second inning. Headed into the top of the third inning and down 1-0, Madison Rodgers would get Coahoma’s offense going. Rodgers would hit a solo home run to tie the game 1-1 in the top of the third inning.

The Holliday Lady Eagles looked determined to force a third game in the first three innings as they took advantage of numerous Coahoma errors. In the bottom of the third inning, Holliday answered back with two runs regaining the lead 3-1. The Bulldogettes responded back! Coahoma went on to score three runs themselves on four hits in the top of the fourth to take back the lead making the score 4-3. Again, Holliday responded back by scoring another run in the bottom of the fourth, to tie the game back up 4-4.

Headed into the top of the sixth inning, the Bulldogettes would take the lead again making it 5-4 lead. Coahoma freshman Neveah Kerby hit an RBI double down the left field line to bring in the runner. In the bottom of the sixth inning Coahoma made a huge defensive play that seemed to stifle Holliday’s momentum they had late in the game. Holliday’s Perkins was at third base with one out and an opportunity to help Holliday tie the game back up. Perkins tried to score off of a hard-hit ball down the third baseline however, the ball was fielded by Coahoma’s Kaedyn Lee. Lee made the throw to home to Coahoma catcher Karleigh Burt and layed the tag on Perkins for the inning’s second out. Holliday still threatened to score with runners on the corners, but Coahoma pitcher Hannah Wells got Holliday’s Addison Lindemann to groundout to second, ending the inning.

In the seventh inning Coahoma got two more runs in the top of the seventh thanks to Brynn Rodgers two-RBI double. However, Coahoma errors would still keep the Lady Eagles in the game. Coahoma recorded three more errors in the final two innings and ended up finishing the game with seven. With seven errors total on the game it was still not enough for the Lady Eagles to overcome thanks to the depth of Coahoma’s young lineup. In the seventh inning, Coahoma’ Hannah Wells would once again close out the game to help send her team to the state tournament. Wells allowed only one hit in the bottom of the seventh.

Wells would again pitch a complete game, allowing one earned run on five hits. Wells would end the game with record of 14 strikeouts. Coahoema’s offense was led by Kerby, Wells, Brynn Rodgers and Christian Everett all of which had two hits a piece. Coahoma’s Maddison Rodgers got a solo homerun in third inning, making it a total of two homeruns in the series. Holliday pitcher Addison Lindemann got the loss as she gave up seven earned runs on 12 hits.

Coahoma is currently on a 22-game win streak heading into the state tournament. The Bulldogettes will play in the state semifinals on Wednesday June 1 against the third ranked Franklin Lady Lions. The game will take place at the University of Texas’ Charline and Red McCombs Field with a game time set for 1 p.m. If the Bulldogettes win they will play for the state title against the winner of the Hallettsville and Mount Vernon game, on Thursday June 2 at 1 p.m. Congratulations to Coahoma Bulldogettes and good luck at state!!

Underclassmen shine in game 2 helping Coahoma advance to the state tournament

By Steve Belvin
Contributing Sports Writer

The Coahoma Bulldogettes have called on their underclassmen all season to get the job done. Coach Alex Orosco's crew played a very difficult non-district schedule and prevailed. They had virtually no competition in district play, enabling Orosco to give plenty of playing time to his younger players. It all came to a head when the playoffs started.

The Bulldogettes went through a brutally tough Region I, capping it off by defeating last year's state bronze medalist Holliday, 5-1, 7-4. Never was the strength of Coahoma's youth more powerful.SDF Freshman pitcher Hannah Wells went the distance in both wins. She pitched a one-hitter in game one, striking out 12. In game two Holliday did piece together some hits but when push came to shove Wells shut Holliday down, striking out 14 in the game.

The catalyst in the series win however, was senior shortstop Madison Rodgers, who is an all-state player, a four-year starter, and excellent leadoff hitter. Rodger's home run in the first inning of game 1 set the tone for Coahoma. “Not only is she the vocal leader of the Lady Dawgs but a leader with her play on the diamond.” said Orosco.

In game two against Holliday she just barley missed a homer to left field but later in the contest

she went opposite field and homered to right field. Down the stretch however it was underclassmen that pulled Coahoma through.

Freshman Neveah Kerby hit a two-run double in the sixth inning and sophomore Bryann Rodgers, (Madison's sister) put the icing on the cake with a two-run double in the seventh. The only glaring blemish in the series was a combined seven errors.

The Franklin team will be making their first ever state tournament appearance. Sophomore Reece Cotrell is its ace in the circle, she pitched a seven-hitter and struck out 11 in the regional final win. She ended the game by striking out a batter with the bases loaded in the seventh inning. Freshman catcher Traci Lowry led Franklin by hitting a three-run homer in the fourth inning when the scored was tied 1-1.

NOTICE OF RATE CHANGE REQUEST

Oncor Electric Delivery Company LLC ("Oncor") publishes this notice that on May 13, 2022, Oncor filed with the Public Utility Commission of Texas ("Commission") its Petition and Statement of Intent to Change Rates, a copy of which is kept at Oncor's office at 1616 Woodall Rodgers Freeway, Dallas, Texas 75202. This notice is being published pursuant to 16 Tex. Admin. Code § 22.51(a)(1).

Oncor's rate filing, based on the system-wide financial results for a 12-month test year ending on December 31, 2021, adjusted for known and measureable changes, supports a net increase in transmission and distribution rates of approximately \$251 million over adjusted test-year revenues, or approximately a 4.5% increase over adjusted test-year revenues of \$5,560 million. Test-year revenues have been adjusted to normalize billing units, to remove the revenues associated with Oncor's Energy Efficiency Cost Recovery Factor, and to increase test-year revenues to reflect Transmission Cost of Service ("TCOS") and Transmission Cost Recovery Factor ("TCRF") adjustments. TCOS revenue was adjusted to include the March 31, 2022 interim update rate at 2021 ERCOT 4CP. TCRF revenue was adjusted to equal the March 1, 2022 TCRF revenue requirement reflected on Line 2, Attachment A of Oncor's petition approved in Docket No. 52898 and further adjusted to include the effects of the 2021 ERCOT 4CP load approved in Docket No. 52989. If approved, the increased rates will be charged to Oncor's direct customers, all retail electric providers ("REPs"), in those portions of Oncor's service area under the original jurisdiction of the Commission. Each such REP is potentially affected by the proposed change. Depending on the REPs' actions, the end-use customer classes of such REPs are potentially affected by the proposed change. In addition, the result could be a change in Oncor's transmission cost of service rates, which would impact all load serving entities in the Electric Reliability Council of Texas. Oncor has requested a June 17, 2022 effective date for its proposed rate change.

Persons who wish to intervene in or comment upon these proceedings, in Docket No. 53601, *Application of Oncor Electric Delivery Company LLC for Authority to Change Rates*, should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the Commission at (512) 936-7136, toll free at (800) 735-2989 or 711. The deadline for intervention in the proceeding is 45 days after the date the application was filed with the Commission.

Opening lead — queen of clubs.

In every deal played at a suit contract, declarer must decide how to handle the trumps. Whether to draw all, some or no trumps, and precisely when to do so, is probably the single most common problem declarer faces as the play begins.

Consider this case where South arrived at four hearts after a Stayman sequence, and West led a club. East took dummy's king with the ace and returned the queen of

hearts, hoping to reduce dummy's ability to ruff clubs.

Declarer won with the ace, ruffed a club in dummy, led a trump to the king and ruffed his last club with dummy's last trump. South then attacked diamonds, but East wisely held up his ace until the third round. As a result, declarer went down one, losing a trick in each suit.

South could have made the contract by timing his play differently. There was no need to ruff clubs immediately.

After the trump return at trick two, he should draw a second round of trump with the king and then force out the ace of diamonds. Two trumps remain in dummy when East wins the ace of diamonds, so declarer cannot be stopped from subsequently gaining entry to dummy's diamonds by ruffing a club. South's only losers in this case are a heart, a diamond and a club.

Interestingly, East can defeat the contract by taking the same tack declarer mistakenly chose in the actual deal. If East leads a second club rather than a heart at trick two, forcing dummy to ruff prematurely, South must lose four tricks no matter how he proceeds.

Tomorrow: Sylvia strikes again.

JUNE 1

Today is Wednesday, June 1, the 152nd day of 2022. There are 213 days left in the year.

Today's Highlight in History:

On June 1, 1813, the mortally wounded commander of the USS Chesapeake, Capt. James Lawrence, gave the order, "Don't give up the ship" during a losing battle with the British frigate HMS Shannon in the War of 1812.

On this date:

In 1533, Anne Boleyn, the second wife of King Henry VIII, was crowned as Queen Consort of England.

In 1792, Kentucky became the 15th state.

In 1796, Tennessee became the 16th state.

In 1812, President James Madison, in a message to Congress, recounted what he called Britain's "series of acts hostile to the United States as an independent and neutral nation"; Congress ended up declaring war.

In 1916, Louis Brandeis took his seat as an associate justice of the U.S. Supreme Court, the first Jewish American to serve on the nation's highest bench.

In 1943, a civilian flight from Portugal to England was shot down by Germany during World War II,

Bible in front of St. John's Church, which had been damaged a night earlier in a protest fire. A Minneapolis medical examiner classified George Floyd's death as a homicide, saying his heart stopped as police restrained him and compressed his neck.

Ten years ago: A judge in Sanford, Florida, revoked the bond of the neighborhood watch volunteer charged with murdering Trayvon Martin and ordered him returned to jail within 48 hours, saying George Zimmerman and his wife had misled the court about how much money they had available when his bond was set at \$150,000. (Zimmerman was ultimately acquitted of the murder charge.)

Five years ago: President Donald Trump declared he was pulling the U.S. from the landmark Paris climate agreement. (President Joe Biden signed an order returning the U.S. to that accord on his first day in office.)

One year ago: Marking the 100th anniversary of the massacre that destroyed a thriving Black community in Tulsa, Oklahoma, President Joe Biden made a plea for sweeping legislation to protect the right to vote. The Biden administration suspended oil and gas leases in Alaska's Arctic National Wildlife Refuge, reversing a drilling program approved by the Trump administration. The Biden administration formally ended a Trump-era immigration policy that forced asylum-seekers to wait in Mexico for hearings in U.S.

immigration court. Republican Gov. Ron DeSantis signed a measure making Florida the latest state to bar transgender girls and women from playing on public school teams intended for students identified as girls at birth. The Vatican released new provisions of Catholic Church law that explicitly criminalized the sexual abuse of adults by priests who abuse their authority.
