Preston Ousts Bruce Stenholm, Poerner Winners Here

Billy Preston will be the new Precinct 4 County Commissioner as of Jan. 1 as he unseated incumbent Robert Bruce 254 to 226 in the Democratic Primary run-off election Saturday.

In other races on the ballot, the one that stirred the most interest in the county showed that Stamford Farmer Charles Stenholm won by an almost three to one margin over Abilene Attorney Dusty Rhodes for the 17th Congressional District seat being vacated by the retirement of Omar Bureson.

Stenholm received 1,099 votes to 349 for Rhodes. In two other races on the ballot, John Poerner carried the county heavily by the vote of 1,145 to 277 for Jerry Sadler and Bob Dickenson edged out J. Neil Daniel for the 11th Civil Appeals Court job by the vote of 776 to 601.

The total vote was slightly heavier than expected in the county as 1,457 persons cast ballots. Part of this was due to the commissioner's race in Lorraine where 452 persons voted. In that race, Preston outpolled the incumbent Robert Bruce 242 to 213. Bruce won the absentee vote by a one vote margin 13-12, not nearly enough to offset the margin by Preston in Saturday's vote.

However, the combined totals of votes cast Saturday for Preston and Bruce did not match the vote total as turned in by Precinct 4 officials. The candidates tallied a total of 455 votes while poll lists show only 452 persons voted.

A check of poll lists and voter signature Saturday night by Democratic Chairman Tom Rees could not resolve the difference in vote totals and he said the Democratic Executive committee will canvass the election at 5 p.m. Tuesday and make a ruling at that time.

The win by Stenholm in the county was expected but that large a margin was not expected. Stenholm was the top vote getter out of seven candidates in May 6 primary but Rhodes was not far behind.

Here is the precinct by precinct totals:

Planting Is Spotted In Mitchell County

Rains continue to fall on Mitchell County and farmers are glad for it. Depending on location within the county, planting is spotted.

One farmer in the northwest corner of the county reported he could not plant because it is too dry. Farmers in Lorraine are reporting washed and broken terraces in some instances due to too much moisture.

Overall conditions look promising for those who have planted. This last rain will allow the earth to stay moist enough for the tender plants to sprout and break through. If this last rain had not come the

ground would have crusted and the plants would be trapped under the surface. It would have been necessary to scratch (loosen the top soil) to get the cotton up.

The ideal planting date for cotton was May 20. If a farmer was unable to plant cotton due to weather conditions by June 1 he can declare a prevented planting and file for government assistance if he had previously signed-up his intentions to plant. Farmers have until June 15 to file with Agriculture Stabilization Conservation Service for a prevented planting according to Don Stewart Executive Director.

Stewart noted he recently attended a meeting in regard to government program changes. He stated that it had been thought that a crop such as grain sorghum would not have to be planted in the event chemicals had been put down in preparation to plant cotton and a prevented planting was declared. However, now the program requires the planting of grain if it is not possible to plant cotton due to weather conditions.

Stewart noted that the County and Community Committees were not in favor of this change and would express this opinion to the government in an effort to change the new requirements.

Stewart also noted that mesquite spraying is underway and anyone who applied for funds under the program and would not be able to utilize the funds is

requested to notify ASCS so the funds may be relocated and utilized.

Police Arrest Man

A two week investigation and stake-out by Sgt. Kenneth Abbott of the Colorado City Police Department led to the seizure of over five pounds of what police believe to be marijuana and the arrest of a local man.

Abbott received information about two weeks ago of a possible narcotics violation. After an extensive investigation and surveillance Abbott obtained search warrants and enlisted the assistance of Deputy Sheriff Wendell Bryant and seven other local policemen in a raid on a local west side residence.

The suspect was just entering his home when officers arrived and presented the search warrants. After searching the house and grounds, officers located what they believe to be marijuana. The substance will be taken to the criminal lab in Abilene for positive identification.

Arrested on charges of possession of marijuana, more than four ounces, was a 20-year-old Colorado City man. Bond was set at \$15,000 by Justice of the Peace Henry Doss.

Investigation is continuing by police.

Vehicles Collide

Rainy weather was a contributing factor in a two car collision at the intersection of Elm and 10th St. Friday morning according to Assistant Chief of Police Jerry Cowin.

Anna Lee Dillard was driving a 1975 Ford Sedan and Leisa Blankenship was driving a 1975 Mercury Station Wagon when they collided, rebounded and slid into each other again.

Miss Blankenship was transported to Root Memorial Hospital by private car with minor facial injuries.

Coach Hughey Accepts New Position

Barry Hughey, teacher and coach at Colorado High School, has submitted his resignation to the school board.

Hughey has accepted a position in Sunray, Tex., to coach basketball.

According to Superintendent Lloyd McKee, applicants are being screened and candidates are being interviewed to fill the position to be vacated by Hughey.

Rural Electric Files Increase

Rural electric users are faced with a substantial rate increase effective July 1, 1978 according to Kenneth Rogers, Lone Wolf Electric Co-op manager.

Lone Wolf Electric Cooperative, Inc. has filed an application with the Texas Public Utilities Commission in Austin for increases in each class of service.

The average increase according to Rogers is 13.7 per cent. This varies according to the rates currently being paid by customers.

"We put it off as long as possible," Rogers stated. He noted that Lone Wolf Electric buys all its electricity from Texas Electric and "they have gone up on rates."

An estimated increase of \$125,000 in revenues will be collected from the 1,300 members who are serviced by the company in a six county area.

Summer Events Listed

This issue of the Record contains a special supplement featuring summer activities in Mitchell County.

Listed in the eight page section are schedules of Wallace Center activities, baseball and softball games, various church plans and in-formational items.

MITCHELL COUNTY AMBULANCE SERVICE was officially transferred from the City to the Hospital District Thursday morning. Assistant Police Chief Jerry Cowin (left) is pictured handing the keys to the ambulance to the new co-ordinator of the service Joe Stockton. Looking on are members of the police force who up until the transfer drove the ambulance, (left to right) Don Cheek, Kenneth Abbott, Bobby Calloway and Billy Williamson.

A BUILDING erected in 1884 was pulled to the ground Thursday. Built by W. H. "Uncle Pete" Snyder, the structure on 2nd Street originally housed a supply store for ranchers. But, in 1897, a big drought drove many merchants out of Colorado City and Uncle Pete was one who left. Uncle Pete moved back to Deep Creek where he had transplanted from and the town of Snyder became his namesake. Since its beginning in 1897 as a supply store, the building has been the home of various businesses, including a combination grocery store and meat market. The last business to own the building was a second hand furniture store. When that merchant moved out, Costin Implement bought the building to use as a tractor display yard.

All My Sons Set For August Playhouse Tryouts Begin Tomorrow

All My Sons, an original play by Arthur Miller, is to be presented by the Colorado City Playhouse Aug. 3-4-5 and again Aug. 10-11-12.

Tryouts for the cast members will be held Monday and Tuesday in the Playhouse at 6:30 p.m. Scripts are available from Carl Beery Moore who will

be directing the production. Interested persons may contact Moore by calling 728-2622 or 728-5890.

First read through is scheduled for June 8 with rehearsals beginning June 12. The cast will take a 10 day break for July 4th holiday.

Parts to be cast include four women, five men and a boy about nine years old.

Moore commented that the characters did not necessarily have to be the ages required by the

script. "What I want is people who are willing to take on this challenge with me," Moore noted.

According to the script two of the women are in their twenties, one in her forties and one in her fifties. The men include three men in their thirties, one about forty and one in his sixties. A small part is also indicated for a boy nine.

The story is spun around a couple's son who is missing in action. It takes place in the back yard of

the families home somewhere in the United States just after World War II.

Sub plots include a love affair between the missing son's girlfriend and his brother and his father's involvement in shady dealing when 21 fighter pilots are killed while flying planes equipped with engines built in his machine shop.

The original play was directed by Elia Kazan on Broadway and is considered by theatre goers to be a world classic.

County Nets 5.89" Rain For May

For the month of May, Mitchell County managed to bucket quite a bit of rainfall, at least in comparison to the past couple of years.

According to S. R. Wilkinson at Texas Electric Service Company, 5.89" of rain was collected last month.

In May 1977, a report from the County Extension Agency revealed that 2.43" of rain fell and in May 1976, a light .69" was collected.

Lake Colorado City now stands at 2057.20 and Lake Champion is at 2055.10.

Chamber To Review Rodeo, Fly-In Plans

Colorado City Chamber of Commerce will hold a meeting of the Board of Directors Monday at 7 p.m. in the chamber building.

Softball Meeting Tomorrow

Tomorrow (Monday) there will be meeting for persons involved in the United Girls Softball Association League.

Set to begin at 7:30 p.m., the meeting will be held at the Lone Wolf Medallion Room to discuss a money-making project.

Team pictures will be taken for the girls involved in softball at the baseball diamond at Ruddick Park Monday.

Division I pictures will be taken at 4 p.m., Division II pictures will be taken at 4:45 p.m. and Division III pictures will be taken at 5 p.m.

Items listed on the agenda include discussions of nomination for a new director and a new member.

Also discussed will be the necessity of obtaining a bulk mailing permit.

The Comprehensive Trainee Act which is a federally funded employment program will be reviewed with regard to how it could be used by the chamber.

Plans for the upcoming Junior Rodeo sponsored by the chamber will be reviewed. Ken Sanderson, photographer, will be the topic of discussion in reference to rodeo pictures.

The necessity of a first aid station for the rodeo and Fly-In planned by the chamber during the July 4th holidays will be noted by Chamber Manager Larry Winders.

Another item listed is the possibility of planning community transportation to the Fly-In.

The Railroad Arts and

Crafts Committee will maintain the policy that no party, person or organization should have access to their mailing list except by written consent of the committee chair person. This must be reaffirmed by the Chamber Directors at Monday's meeting.

Monday Wash Day Cancelled

Monday night fire hydrants will be flushed west of Hickory Street (including Hickory) beginning at 7:30 p.m.

The hydrant at Hemphill and 17th will be flushed and the hydrants on the southside and the Sands will be flushed.

People living in these areas are cautioned not to use washing machines after 7:30 p.m. Monday because the water will be muddy. Commercial washing machines should not be used during this time.

Basket Lunch Highlights Westbrook Cemetery Association Meeting

The Rev. Homer Salley presented the memorial address Monday at the Westbrook Cemetery Association meeting and worded the prayer before a

business meeting attended by 58 persons.

Mrs. Rex McKenney reported a balance of \$852.54 in the treasury. Alvin Byrd, president, conducted the election of officers. All current officers were re-elected. Byrd will serve another year as president with the following: Roy Messimer, vice president; Mrs. Rex McKenney, secretary-treasurer; Mrs. D. A. Oglesby, associate secretary; Mr. and Mrs. A. G. Anderson, caretakers. The Andersons were given special recognition for their work in keeping the cemetery in good condition.

The Association extended thanks to the Colorado City Chamber of Commerce for duplicating the cards for memorials.

Memorials given this year were given in honor of the late Mrs. T. L. McKenney, Altis Clemmer, Mrs. Cona Taylor, Mrs. D. J. Barber, S. M. (Todd) Bowman, Mrs. Jewell Smith and Charles Skelton.

The group recited the pledge of allegiance after which the Rev. Leslie McCara of Big Spring worded the invocation. A basket lunch was enjoyed by everyone.

Present were Mr. and Mrs. Phil Gingerich and daughter, Phyllis of Leveland, Mrs. P. E. Clawson, Mrs. George Bacon, Mrs. Alvie Lewis, Mrs. Frank Oglesby, Mr. and Mrs. A. G. Board, Mrs. Bessie Shaw, Mrs. Altis Clemmer, Mrs. C. L. Clemmer, Mr. and Mrs. George McKenney of Andrews and Mr. and Mrs. N. W. Stokes.

Also, Mr. and Mrs. Alvin Byrd, Mr. and Mrs. Paul Van Zandt, Otto Van Zandt, Tinnie B. Woods, Ruth Van Zandt, Mr. and Mrs. Taft Morris of Midland, Mr. and Mrs. J. D. Iglehart, Mrs. Anson Henderson, Mr. and Mrs. Oren Moore, Mr. and Mrs. R. L. Westbrook of Houston, D. J. Barber, W. A. Murphy, Jr. and E. F. Murphy of Graham.

Others included Mr. and Mrs. Leslie McCara of Big Spring, Mrs. Price Hendrix, Mrs. Rex McKenney, Mrs. Floyd Hale, Pansy Hale, Mr. and Mrs. Curtis Rich of Sterling City, Mrs. L. R. Messimer, Mrs. L. B. Gressett, Hollis Gainey of Lubbock, Mrs. Ruth Johnson of Midland, Mr. and Mrs. Kay Morris, Bill Riggsfield, Mrs. Witt Hines, Gladys Meskimen of Colorado City, Cecil C. Meskimen of Lubbock, Mrs. C. H. Franklin of Abertnathy, Dick Gregory, Mrs. D. A. Oglesby and Mr. and Mrs. A. G. Anderson.

Letter To The Editor

Dear Editor:

Enclosed is a poem which I cut from a magazine. I would appreciate your publishing it in the Record in dedication to Grace Howell and Vivian Harris, our two ladies who retired from the Colorado Independent School Food Service Dept. this year.

The "old rocking chairs" gain is certainly our loss.

Do enjoy your retirement Grace and Vivian.

HALF-PAST PRIME
Let winter rage at windoupane.

I'm 65, and never again Will I get up to shovel snow

From the driveway when it's 10 below,

Or wait for buses running late,

Because my car won't navigate.

While others warm their motors up

In the cold predawn, I'll pour a cup

And listen to the radio. The weatherman predicts more snow-

That's fine by me. I'll prop my feet

And watch it cover walk and street.

Then while it still is fresh and white,

I'll sally forth to view the sight.

Nothing prettier, believe you me.

I'll use my pent-up energy To shovel out my neighbor's drive-

Poor old fellow is 85! Exercise in the clean crisp air

Flavors the soup and softens the chair.

Now that folks claim I'm past my prime,

I really enjoy the winter-time.

Let others off to Florida go;

I'll settle down and watch it snow.

Thank you.

Sincerely,
Ann Hoover

Westbrook Personals & News

By Mrs. Altis Clemmer Record Correspondent
Mr. and Mrs. Eddie Ranne and daughter, Amy spent the weekend holiday with his parents, Mr. and Mrs. C. E. Ranne.

Mr. and Mrs. Don Taylor and sons of Dallas were weekend guests of her parents, Mr. and Mrs. W. A. Bell.

Guests of Mr. and Mrs. Rex McKenney were Mr. and Mrs. Alford Taylor of California.

Mr. and Mrs. Paul Byrd visited their daughter and son-in-law, Mr. and Mrs. L. F. Forbes in Panhandle. Also their grandsons and families, Mr. and Mrs. Ronnie Forbes, Robby and Stacey; and Mr. and Mrs. Darrell Forbes and son, Nathan.

Holiday guests of Mrs. P. E. Clawson and Mr. and Mrs. A. G. Board were Mr. and Mrs. John A. Miller and their grandchildren, Lisa and Stan Miller of Oklahoma City.

Visiting several days with Mrs. A. C. Moody and Mrs. Myrtle Birdsall were Mr. and Mrs. Charles Rankin and their grandson, Richard Blaylock; her mother, Mrs. Mae Clemmons of Lakeside, Calif.; Mr. and Mrs. Fred Carstenson of Knott; Mr. and Mrs. J. A. Moody and Mrs. Charles Jeffries of Colorado City.

Mr. and Mrs. Jerry Shaw of Fort Worth spent the weekend with his mother, Mrs. Lee Shaw.

Guests of Mrs. Ruby Sweatt were Mr. and Mrs. Reeves Plummer and daughter of Sundown, who also visited his sister, Mrs. Grace Johnson.

Other guests were Mrs. Lindsey Petty and son, Brandon of Snyder. Mrs. Lindsey, the former Doris Nell Sweatt will join her husband soon in Venezuela. Mrs. Sweatt is attending a J.P. meeting in Odessa Wednesday through Friday.

Also present were Mrs. Sweatt's son and daughter-

in-law, Mr. and Mrs. George Sweatt of Colorado City.

Visiting Mrs. A. L. Young over the weekend

was her granddaughter, Margie Koranek of Austin, Mr. and Mrs. Ben Oglesby of Bronte and Mr. and Mrs. Wilford McCullough of Midland.

The Touch Of The Master's Hand

Gary Fulfer

Associate Pastor
In Charge Of Youth & Music

Calvary Baptist Church

Tradition holds that a foreign virtuoso violinist visited the United States some years ago to tour giving concerts across the country. In the promotions and advertisements it was stressed quite strongly that his instrument was built two hundred years earlier by the renowned Italian violin craftsman, Antonio Stradivarius. Stradivarius violins are known for their beauty of tone and design. Such acclaim was given to the instrument and its irreplaceable worth that the artist began to feel his talent was being overshadowed by the worth and fame of the instrument.

One afternoon he stopped by a pawn shop and found an old "fiddle" for sale. He purchased it for five dollars, went to his hotel and began to work it over, putting new strings on it and masterfully tuning it. In the concert hall that night they say the old master had never played so well. Many who had come to see and hear the famous instrument thought they had truly been swooned by the famous "Strad" of Stradivarius. As the concert came to an end, the audience rose to their feet as the applause filled the great hall. Most applauded for the instrument, not for the old man's talent and the years of dedication it took to perfect his skill. Suddenly he held the old instrument over his head and brought it smashing down over his knee. The crowd gasped, then there was silence. The old man began to speak in his broken English and foreign accent.

I have spent many years perfecting my skill to master this instrument. What you have heard tonight was not the famous Stradivarius you expected; I bought this violin today for five dollars. Do you not know it is not the instrument, but the Master's touch which makes the difference?"

And so are we-He does not require that we be a beautiful instrument. For when we are in His hands, It's the Master's touch that makes the difference.

What is missing?

Answer: TRAVELER'S CHECKS

If your answer was AMERICAN-EXPRESS or BANK-AMERICA Traveler's Cheques you are right. It's as simple as 1-2-3.

1. Lose your cash, and it's gone.
2. Lose your credit cards, and you've had it.
3. Lose your Traveler's Cheques, and they'll be returned.

Simple? Sure, a Traveler's Cheque means that if the worse happens you can get back home without having to call your Mother-In-Law.

Local Church News & Upcoming Events

CALVARY BAPTIST CHURCH

The youth of the Second Baptist Church of Amarillo will present the musical "Celebrate Life" at Calvary Baptist during the evening worship services tonight. There will be a fellowship afterward in the fellowship hall for everyone and a small ensemble will sing "The Land of Oohs! and Ahs!", a take-off of the "Land of Oz."

There will be a Vacation Bible School meeting Monday at 9 a.m. to iron out last minute details.

Everyone is invited to eat homemade ice cream with the Youth on Sunday, June 11, after the evening worship service in the fellowship hall. There will not be any charge but the youth will be accepting donations to help with their trip to Six Flags and

the Evangelism Conference.

Vacation Bible School will begin next week, Monday through Friday, June 12-16, from 9 a.m.-11:30 a.m. There will be classes for children 3 years old through 5th grade.

FIRST BAPTIST CHURCH

Vacation Bible School begins Monday, meeting every day through Friday

from 8 a.m.-Noon for children 3 years of age through 6th grade.

Youth Congress at Brownwood is scheduled for July 24-28. Any young person who wishes to attend must sign the list in Chris Hubbard's office by July 20 and pay a \$5 pre-registration fee. Barry Schain will be the camp pastor.

FIRST UNITED METHODIST CHURCH

Instead of using the traditional Vacation Church School material this summer for the older children, First Methodist will be using "100% Chance of Rain," which was written especially for children, as the central portion of the week of June 12-16. All other activities will be directly related to the cantata. Registration forms available in the church office.

There will be a quarterly teacher's meeting at 6:30 p.m. Tuesday, June 6.

A teacher's workshop will be held at 10 a.m. Thursday.

A Junior High Youth Skating party has been planned for this Friday night.

22ND AND AUSTIN ST. CHURCH OF CHRIST Ray McGlothlin, Jr., president of the board of trustees at Abilene Christian University, will be the guest speaker during the evening worship service tonight (Sunday). After the service he will show a film. Afterward refreshments will be served in the fellowship room.

OAK ST. BAPTIST CHURCH

Last Sunday evening during the worship service, the Baptist Women and Baptist Young Women of Oak St. Baptist Church sponsored a Bible presentation service for Ginger Noel and Tim Chandler. The couple was presented with two Bibles by Lynn Oglesby. The first Bible was for the couple to use and share throughout their marriage. The second Bible was given to the couple to keep temporarily and later to give to a non-Christian couple who visits in their home.

Cheryl Hoyle sang "I'll Tell the World that I'm a Christian." Then, during a candlelight service, the women told the couple about the different parts of marriage. The parts presented were: Love, by Sharlyn Bammel; Faith, by Vera Webb; Understanding, by Cheryl Hoyle; Kindness, by Cherrie Hoyle; Trust, by Vicki Ramage; Self-control, by Rose Ella Ball; Discipline, by Sharlyn Bammel; Improvement, by Bessie House; Possessions, by Jenie Bell; Respect, by

Christine Bell; Confidence, by Rhonda Free, Truth, by Mary Lou Maines; and Forgiveness, by Susan Buckalew. A reception was held following the service.

The Brotherhood, Baptist Women and Baptist Young Women of Oak Street Baptist Church will meet at 7 p.m. Monday, June 5 for their respective monthly organizational meetings.

FIRST BAPTIST CHURCH OF LORAIN

The First Baptist Church of Loraine will be having Vacation Bible School June 5-9, from 8:30-11:30 a.m. Children through age 12 are invited to attend.

Loraine Senior Center

MONDAY

10 a.m. - Center opens. Come early and choose the activity you like: table games, shuffle board, billiards, crafts and visiting. 10:15 a.m. - Exercise. 10:30 a.m. - Special program. 11:45 a.m. - Nutritional meal. 1 p.m.-3 p.m. - Center activities continue.

WEDNESDAY

10 a.m. - Center opens. 10:15 a.m. - Blood Pressure Check. Exercise. 10:30 a.m. - Special program time. 11:45 a.m. - Nutritional Meal. 1-3 p.m. - Center activities continue.

FRIDAY

10 a.m. - Center opens. 10:15 a.m. - Exercise. 10:30 a.m. - Special program. 11:15 a.m. - Surprise Day. 11:45 a.m. - Nutritional meal. 1-3 p.m. - Activity continues.

If you need a ride to the Center, you are asked to call 737-2711 or 737-2727. Adeline Witta is on-site manager.

Home delivery of the Record is available in Colorado City, Loraine and Westbrook. The cost...only a low \$10 a year.

Degrees Conferred On Three Local Students

Three Colorado City students at Angelo State University were among 376 students to receive degrees during spring commencement at the university.

Vicki Gwen Beach received a bachelor of science degree with a major in nursing degree with a major in nursing.

Graduates heard Dr. William Johnson, president of Stephen F. Austin State University since 1976, during ceremonies in the physical education building at ASU.

for in elementary education, and Donald Ray Webb, Jr. received an associate of science in nursing degree with a major in nursing.

Graduates heard Dr. William Johnson, president of Stephen F. Austin State University since 1976, during ceremonies in the physical education building at ASU.

We'll Be Happy To Explain Value and Economy For Your Tire Dollars.

Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires; smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

Westbrook Church To Host Area Associational Meeting

Westbrook Baptist Church will host the Mitchell-Scurry Baptist Associational meeting Tuesday, June 6 beginning at 6:30

p.m. with supper served by the host church at the Community Center in Westbrook.

The program will be preceded by an executive board and WMU meeting at 7:15. Congregational singing will start the evening's program, followed by scripture reading, prayer, announcements and promotion. Two topics will be included before the message: Summer Mission Opportunities and A New Sunday School Curriculum.

After a congregational

hymn and special music, the Rev. I. L. Whetsell, chaplain, Baptist Geriatric Center in San Angelo will present the message.

All interested persons are encouraged to attend.

CHS Grad Named Winningest Coach

The former Diann James-Taylor, the daughter of Mrs. Luedell Sanders, of 129 Brown St. is

Diann Taylor

rated as the winningest Female Jr. High Coach in the Wichita Falls Independent School District.

She has been officially coaching basketball and track at the former Northwest and now Kirby Junior High school for the past two years and has won the Junior High Championship in both sports each year.

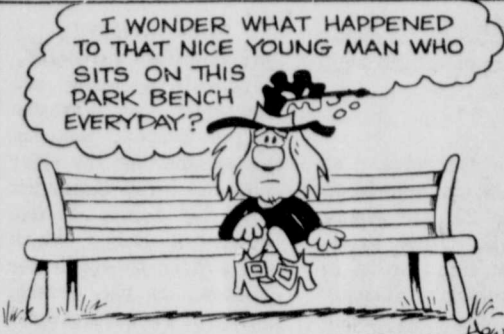

In 1976-77 her girls basketball team won 8 games and lost 0. The girls track team won the city and the Wichita Falls Invitational Track meets.

School year 1977-78 found her girls again winning the basketball championship with the record of 11 wins and 1 loss. In track, the girls repeated as track champions by winning the city and Wichita Falls track meets. Nine new records were set by her girls during the city meet.

Her present teaching fields are Physical Education and Health. She has taught at Kirby for the past three years. She taught in the Sweetwater Independent School District prior to coming to Wichita Falls. She is a former graduate of Colorado High School and a 1974 graduate of Midwestern State University of Wichita Falls.

Chamber Of Commerce

By Larry Winders, Chamber Manager

Having made an open ended statement that we are a town with serious problems, I now feel compelled to elaborate at least a little bit.

Any town has problems when there is a continued loss of people. People are towns and towns are people. Without people there can be no business, no churches, no medical care facilities, no utilities—nothing. And without people they aren't needed. Why are we shrinking population wise?

We have the problem of a great amount of people shopping in places other than Colorado City. Why? What do we need to do to reverse this trend? It is the local merchants who pay taxes to make our town work and they deserve our support. Yet I am sure that the ones who shop out of town have what they consider valid reasons for doing so. It is an unhealthy situation and we must recognize it exists and try to find out why it happens and how we can regain the trade and confidence of our people.

We have the problem of unemployment. Yet many businessmen tell me that they find it almost impossible to find good help. Have we, like the rest of the nation, suffered a loss of values? Do the employees expect too much of their employees? I doubt it. Do the employees expect too much from the employers? As much as I disagree with unions the way they are today it is impossible to disagree with Samuel Gompers philosophy when he began the Organized Labor movement. It was, "A fair day's pay for a fair day's work and a fair day's pay." It still makes sense to me. At any rate this problem exists—here.

I have made the statement that we can do what we need and want to do—and I'll stand by that. Yet there is a lack of confidence in Colorado City that feeds on itself and encourages stagnation of thought and effort. This area was settled and established by people who knew what real hardships were. They stayed, they worked, they built and they WON. Many of the current residents are descendants of the "tough one." However, it appears that something has been lost along the way. How do we go about establishing confidence again?

We have the problem of losing our young people to the metropolitan areas. And we shall keep on doing so because of the labor market. Young persons today do not think like we did or do and I'm not going into whether that is good or bad. It is a fact and we must live with it. What is our answer to that problem?

blem? I doubt that it is just jobs.

I am not much of a believer in will power! If a person does not quit smoking it is not due to lack of WANT POWER. If he wants to quit he will. Call it desire or whatever you will but I call it want power. If we want to find answers to our problems we will, it's just that simple. We must want to do it—and as yet I have not been convinced of that want.

I have never seen anything accomplished by "they." Who are "they?"

As Pogo said, "We have met the enemy and they are us." We are they. So they or we must begin to make waves. Don't stand outside and criticize, get involved and help change. An orderly, planned, and governable change for the benefit of our town. If you don't know who to call, try the Chamber of Commerce.

Dowell Employees Honored

At a dinner in their honor several employees of Dowell Division of Dow Chemical USA, including seven from the Colorado City office, received service pins.

The 25 year pins were presented by Wilson Smith, Regional Manager to: Beryl Gaines, District sales supervisor, Abilene; L. E. (Red) Davidson, Service Supervisor, Abilene; Bill Bridges, Dispatcher, Hobbs, New Mexico; Wally Johnson, Senior Equipment Operator, Hobbs, New Mexico; Kelly Johnson, Mechanic, Hobbs, New Mexico and Jim Turn-

er, District Sales Engineer, Dallas.

In addition to the service pins the 25 year employees received their choice of a watch or clock, and the wives were presented a brooch.

Special guests were the managers from each district represented.

Receiving 30 year pins were Cline Hickman, Midland and Floyd Bushwar, Andrews Tool Department.

Receiving 20 year pins were Haskell Whiteside, Midland Regional Maintenance Shop and Jack Griffin, Hobbs.

Receiving 15 year pins were Joe L. Williams, Mid-

land, Bill Mobley and Jan Brown, Sonora.

Receiving 10 year pins were Tommy Cole, Levelland, Sonny Bigham, Tom Campbell and James Taylor, Monahans. LeRoy Culbertson and Glen Wilson, Colorado City.

Receiving 5 year pins were: Karen Wehba, Lewis Green, Paula Rolls and Rasmie Flunder, Midland. Dale Morris, Odessa; Gabriel Gonzales, Joe Lopez and Don Hicks, Levelland; Charlie Daniels and Eddie Morgan, Hobbs; Gary McGowan and Manny Valerio, Monahans; Charlie Draper, Juan Du-

ran, Nato Hinojosa, Larry Henderson, Pasco Molina, Luckie and Jack Pfister, Nolan Russell and Nell Sonora. Lee Roy Jones, Shackelford, Colorado Abilene; Hall Dickard, Bob City.

Methodist Ministers Assigned To Churches At Annual Conference

Local Methodist ministers have been away this week attending the Northwest Texas United Methodist Conference where conference history was made by the ordination of two women elders to full-time pastorships.

Appointments were made in this area, also, including

several re-appointments. The Rev. Bob Ford, pastor of the First United Methodist Church of Colorado City, will be returning for his 4th year along with the Rev. Homer Salley for his 5th year to the First United Methodist Church of Westbrook and the Rev. Fred Witta, pastor of the

First United Methodist Church of Loraine for his second year.

The Rev. David Hestand will be filling the pulpit during the granted leave of absence extended to the Rev. Witta for the summer. He is a student at Iliff School of Theology, Denver, Col.

The Rev. Loren Gardner, former pastor of St. Luke United Methodist Church-Dorn charge, will be assuming pastorship of the First United Methodist Church of Roby. The new pastor of that charge will be the Rev. Ihsan Ardhuem, 45 year old pastor of the Lueders - Avoca charge.

Other local reappointments included Dr. Darria Eggers, a former pastor of First United Methodist Church of Colorado City, to return as district supervisor of the Abilene district and Dr. Lloyd Hughes, returning as the district supervisor of the Big Spring district of which this area is a part.

The Rev. William Wilkerson, also a former pastor of First United Methodist Church here, will be returning as district supervisor of the Lubbock district.

Keeping track of former ministers: the Rev. Jess Hodge, former pastor of St. Luke & Dorn charge will return for his 2nd year as pastor of Wesley Methodist Church in Hereford.

Bishop Alsie Carleton presided over the conference which was held at First United Methodist Church of Midland May 30-June 1.

Speaker for the conference was Dr. Emerson Colaw.

Next year's conference will be held at Oak St. United Methodist Church in Amarillo May 29-31.

SUE ANN BEACH was honored at a bridal shower Friday. Pictured (left to right) are Mrs. Roy Beach, mother of the bride-to-be, Miss Beach, and Mrs. Wulfjen, hostess.

Bridal Shower Held For Beach In Wulfjen Home

Miss Sue Ann Beach, bride-elect of Randy Glasscock, was honored with a miscellaneous bridal shower in the home of Urda Wulfjen Friday.

The serving table was covered in a white linen table cloth. The honoree's chosen colors of yellow and white were reflected in the floral arrangement of daisies which centered the serving table.

Refreshments of cake, punch, nuts and mints

were served to each guest. Hostesses were Mrs. James Wulfjen, Mrs. Urda Wulfjen, Mrs. Lodena Blasingame, Mrs. Jimmy Williams, Mrs. Raymond Watlington, Mrs. Bill Everett Jr., Mrs. Vista Harrell

and Mrs. Mildred Boyd. Miss Beach and Glasscock will be married Friday at the Plainview Baptist Church.

Home delivery of the Record is available in Colorado City, Loraine and Westbrook. The cost...only a low \$10 a year.

CEMETERY NOTICE

Memorial contributions or donations may be made at the office of the City Secretary, at City Hall. Funds will be utilized toward the maintenance and enhancement of the Colorado City Cemetery.

Associate Degree Training To Be Included In TSTI Curriculum

For the first time in its eight-year existence, TSTI Sweetwater will offer training programs leading to the associate degree. D. A. (Bill) Pevehouse, campus general manager, said the Texas Education Agency has approved associate degree programs in technical office training and air conditioning and refrigeration. They will be taught for the first time in September 1978.

Until now, TSTI Sweetwater, a state-supported technical vocational school, has taught only skill development programs. A year or less in length, they offer certificates of completion to graduating students. The two new technical programs will offer associate of applied science degrees to graduates.

Future plans call for the implementation of additional degree-granting programs at TSTI Sweetwater, Pevehouse said.

The new air conditioning and refrigeration technology program will be six quarters (18 months) in

length, said Ronnie Freeman, program chairman. TSTI will continue to offer a four-quarter (one year) air conditioning and refrigeration mechanics curriculum.

"The four-quarter program trains the mechanic; the six-quarter training is at the technician's level," Freeman explained. "With the increased technology in air conditioning, the students need two more quarters."

In addition, the Texas Education Agency approved a three-quarter (nine-month) solar energy mechanic training program for TSTI Sweetwater.

Freeman said this course is "designed to further the knowledge of the air conditioning technician in his field."

This program also may be taken as an option by itself by students wishing to be certified as solar installers.

The expanded office training curriculum at TSTI Sweetwater will permit associate degree candidates to concentrate in

either of two areas: general (accounting or general office work) and secretarial.

Students not wishing the associate degree may take only enough hours to qualify for a certificate of completion as a receptionist, general office clerk, accounting assistant or secretary. Any of these options may be pursued through the associate degree level.

The receptionist certificate option will be new this year, said Mrs. Fran Neal, technical office training chairman. Two quarters (six months) in length, it is designed "for the student who desires minimal skills and has an immediate need for employment," Mrs. Neal said.

As an example she cited the addition of accounting and data processing courses which, she said, "should produce a more well-rounded accounting assistant."

Approximately seven quarters, or 21 months, will be required to complete the associate degree requirements in technical office training.

Mrs. Neal stressed that cooperation between the office training department, TSTI administration and the local business community has served to make available expanded training opportunities for all in the area served by TSTI Sweetwater.

"It's a step we've been needing to take for a long while," said Homer K. Taylor, TSTI manager of Instructional Services, about the curriculum expansion.

"We have been having to hold up because of lack of physical space. But the addition of new buildings has allowed us to go into these two technologies."

Taylor said plans are in the making for the addition

MEMORIAL SERVICES were held Tuesday evening to honor men and women who lost their lives in war at the Colorado City VFW Club. Pictured at the ceremony are (front row, left to right) Lanetta McKinney, Shiela Hill, Teresa McKinney and Leann Hill. Officers of the VFW are (back row, left to right) Charlie Clark, senior vice commander; Jesse Bunch, past district 8 commander; Lanny McKinney, district 8 commander; Arthur Millsap, junior vice commander; Fritz Mogford, chaplain; Truman Harper, officer of the day, and Audrey Wilson, madam president of the ladies auxiliary. As a result of World War I, World War II, the Korean War and the Viet Nam War, 88 Mitchell County residents were killed.

Geiger Dies In Aspermont

Martha Turner Geiger, 94, of Colorado City died at 8 a.m. Thursday at Gibson Nursing Home in Aspermont.

Services were held at 4:30 p.m. Friday in the Kiker-Seale Chapel with Rev. Wayne Oglesby, pastor of the Oak St. Baptist Church officiating, assisted by Rev. Bob Grayson, pastor of Calvary Baptist Church. Burial followed in the Colorado City Cemetery.

Born Martha Moore on May 1, 1884 in Stewart, Miss., she married George M. Geiger on Dec. 25, 1904. She had been a resident of Mitchell County for 66 years prior to moving to Aspermont two years ago. She was a member of the Oak St. Baptist Church.

Her husband preceded her in death on Aug. 6, 1942.

Survivors include one daughter, Jewell Roddy of Aspermont; five sons, Albert of Ruidoso, N.M., Willie and T. J. both of Colorado City, Frank of Odessa and Alvin of Westbrook; one brother, Will Moore of Abilene; 15 grandchildren and 10 great grandchildren.

Grandsons served as pallbearers.

NOTICE OF INTENT TO CHANGE RATES

The LONE WOLF ELECTRIC COOPERATIVE, INC. has filed an application with the Texas Public Utilities Commission, Austin, Travis County, Texas, for a rate increase applicable to each class of service available to its consumers. This rate increase is proposed to become effective on the first day of July, 1978 or the date of approval by the Texas Public Utilities Commission, whichever is later.

The proposed increase in gross revenue that the Cooperative expects the rate to produce is 13.7%.

Noel, Chandler Exchange Double Ring Wedding Vows In Saturday Ceremony

Miss Ginger Noel became the bride of Tim Chandler of San Angelo Saturday afternoon at Oak St. Baptist Church. Officiating at the 4 p.m. ceremony was the Rev. Wayne Oglesby, pastor of the church.

Double ring vows were exchanged before a white arch decorated with yellow bows, daisies, and baby's breath which stood in front of the altar. The arch was flanked by two 7 branch candelabrum covered with greenery and matching bows and two white baskets of gladiolas, white and yellow daisies and baby's breath.

Parents of the couple are Mr. and Mrs. R. C. Noel of Colorado City and Mr. and Mrs. T. A. Chandler of Junction. The father of the bride presented her in marriage.

The bride was attired in a formal length gown of organza trimmed with white lace featuring a Queen Anne neckline and bishop sleeves. The cathedral length train was trimmed with matching lace which was also repeated on the fingertip length veil.

Following tradition, the bride wore a necklace belonging to her mother for something old; a garter given to her by the groom was something blue; a handkerchief belonging to her grandmother for something borrowed and she carried a white Bible given her by the Baptist Women of the church for something new.

Upon the white Bible, she carried a nosegay of yellow roses, daisies and baby's breath.

Wedding music was provided by Mrs. Betty Sayger who played wedding selections and the traditional wedding march. Mrs. Sayger accompanied Mrs. Cheryl Hoyle who sang "You Light Up My Life." Soloist Dean McInturff accompanied himself on the guitar as he sang "Love Song" and "For Baby."

Leslie Greenlee served as maid of honor. She was attired in a yellow and peach floral, formal-length dress which featured a tucked bodice and self-ties fitting the dress to an empire look.

Her outfit was completed with a hat with ribbon matching her dress. She carried a nosegay of daisies and baby's breath tied with streamers.

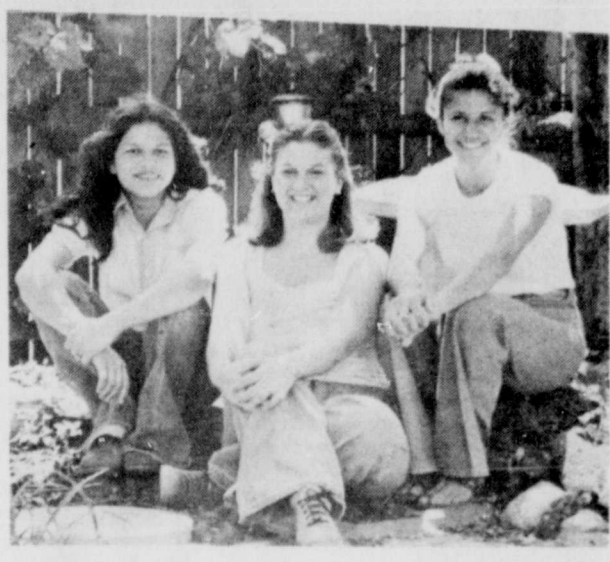

Karen Thomas of Colorado City, Julie Dulin of Waco and Molly Turner of Sweetwater served as bridesmaids. Miss Thomas wore a yellow and peach floral, floor-length gown and Miss Dulin and Miss Turner wore formal length dresses of yellow crepe. They carried nosegays identical to that of the maid of honor.

Best man was Lewis Allen of Junction. Groomsmen were Russell Noel of Colorado City, brother of the bride; Bert Chandler of Junction, brother of the groom and Mike Jacoby of Junction.

Ringbearers were Rusty Oglesby of Colorado City and Josh Whorton of Roscoe.

Scott Mims and Ricky Bittle seated the wedding guests and served as candlelighters.

A reception was held after the ceremony in the fellowship hall of the church. The attendants' nosegays decorated the bride's table which held the 3-tiered wedding cake. The groom's table held a banana nut cake and was set with silver appointments and centered with a floral arrangement of yellow and white daisies.

TUESDAY a luncheon was held at Margaret Latimer's home, marking the end of the Loraine Future Homemaker's of America workshop. Pictured are next year's FHA officers. In top photo are (left to right) Karen Tarrt, president; Lupe Vallejo, vice president; Jill Linam, second vice president; (bottom photo left to right) Emily DeLoera, third vice president; Debbie Lee, treasurer, and Margaret Munoz, fourth vice president.

MARTHA AGUILAR (sitting) was hired under the Title VI Program to assist Julian Mendoza (standing) superintendent of streets and sanitation in the office.

Nine Boys Employed For Title I Summer Maintenance Program

With the end of the school year a lot of boys will be on the streets, but nine of these will be there for a different reason.

According to Julian Mendoza, street and sanitation department superintendent, the city has hired nine school boys to work this summer under a 100 per cent federal grant, Title I, in-school program.

This program is limited to students from low income families who are currently in school.

These Title I boys will work alongside several other men who fall under the Title VI Program. These men are receiving

on the job training and must have been out of work for at least 15 weeks.

Duties under this department cover all street maintenance, painting signs and posts. Recently hired is Howard Bender. He is a welder and has built bar-b-que pits from pipe donated by Arnel Smith for the park area.

Of the 36 employees one is designated to fix flat tires. Others maintain equipment. Ramiro Lara and Dave Williams are two of these recently hired.

According to Mendoza there are an average of nine flat tires per day. These men maintain three

six wheel garbage trucks, two six wheel dump trucks, a street sweeper, two loaders, a six wheel street grader, four police vehicles, two riding mowers, two ten wheel fire trucks, two six wheel fire trucks and the rescue truck.

A happy addition to the employees is Martha Aguilar who was hired under Title VI. "She has really taken a load off my shoulders," Mendoza commented.

Miss Aguilar, a Colorado High graduate, came to work for the city on Feb. 15, 1978. Her responsibilities include helping keep

track of bills, record all gasoline used, keeping tool room records so that all equipment is accounted for and receptionist.

According to Mendoza nine men work eight hours a day in the sanitation department collecting garbage and refuse. These men gather an estimated 50 tons of garbage a day according to James Campbell, city manager.

Of the 37 full time employees in the department 17 were hired under 100 per cent federal grant programs and are temporary. The purpose of the program is to train persons in a trade so they may obtain better jobs.

Engagement Announced

...Rayanna Womack, Gerald McGaha

Womack, McGaha To Exchange Vows

Mrs. Joann Padilla announces the engagement and future marriage of her daughter, Rayanna Lyn Womack to Gerald Arlen McGaha, son of Mr. and Mrs. Robert Chambers.

Mrs. J. W. Hicklin. An early July wedding is planned with the ceremony to be held in the home of her grandparents, Mr. and Mrs. Robert Chambers.

RAMIRO LARA and Dave Williams (right) are pictured with a road grader they have been repairing. These two men were hired under the Title VI Program.

HOWARD BENDER went to work under the Title VI Program and is learning welding. He built the bar-b-ques pictured here from materials donated by Arnel Smith for the city parks.

Wrestling Match Set For Tuesday Night

Wrestling will be in Colorado City Tuesday at 8:30 p.m. at the Lone Wolf Cooperatorium.

Sponsored by the Mitchell County Kindercare Center, advance tickets may be purchased at the Lone Star Gas Company or at the door.

Blassingame Graduate Of McMurry

Rebecca Susan Blassingame of Colorado City received a Bachelor of Administration degree from McMurry College in spring commencement ceremonies on May 7.

McMurry is a four-year liberal arts college jointly owned by the Northwest Texas and New Mexico Conferences of the United Methodist Church.

Addressing the 136 graduating seniors at McMurry commencement was Dr. John D. Moseley, president of Austin College in Sherman, TX.

Honorary doctorates were conferred on Ruth Leggett Jones and the Reverend Jim T. Pickens, both of Abilene. Mrs. Jones is a philanthropist and civic leader noted for helping the underprivileged of the area. Pickens is Abilene District Superintendent of the United Methodist Church.

Some of the top men in wrestling will be featured in the matches.

Dennis Stamp will go against Randy Morris in the third match.

Opening the action will

be Rip Hawk against Ted Heath.

The main event will be for the Western States Championship. Roger Kirby will be defending his title against Ricky Romero, the former champion.

Kirby holds the world leg press record of 2,800 pounds and Romero is the most popular wrestler ever to come from Mexico.

In the semi-final match, Teddy DiBiase will go against Pogo, the rugged Japanese wrestler managed by Oliver Humperdink.

Van Meador et ux to Est. F. L. Terry, deed of trust, dated Feb. 23, 1978. All of Lot 15 of the F. L. Terry water front subd. located in Sec. 45, Blk. 27, T&P Ry Co.

D. W. Houston et ux to City National Bank dated March 31, 1978. 4.28 acres out of Sec. 40, Blk. 26 T&P Ry Co.

Ricky Romero

Officers Receive Degrees

Colorado City Police Officers George Yielding and Gregory Patterson received degrees in applied science in law enforcement from Western Texas College May 11 after two years of study.

Yielding is the son of Ralph and Ann Yielding of Snyder. Patterson is the son of Mr. and Mrs. L. A. Patterson also of Snyder.

Yielding began working with the force on Jan. 12 and Patterson began March 23. Both officers will be eligible for basic certification in law enforcement after serving the department for one year.

DONE BY ORDER OF THE BOARD OF EQUALIZATION of Colorado Independent School District, Mitchell County, Texas, at Colorado City, Texas, this 1st day of June, A.D., 1978.

Eddie Piland, Chairman, Board of Equalization Colorado Independent School District

Consumers Bilked By Mail Fraud

American consumers lost an estimated \$1 billion to mail fraud and misrepresentation by mail in Fiscal Year 1977, Postmaster A. M. Morris said.

"The public must be constantly on guard against fantastic claims and get-rich-quick schemes," Morris said.

"The nation's best defense against unscrupulous con artists using the mails is an informed public."

The Postal Service actively investigates mail fraud and false representation by mail, and assists with mail-order and service problems.

Morris stressed that the overwhelming majority of companies making up the \$60-billion mail-order industry are honest and dedicated to customer satisfaction. But, as in many other industries, a few operators are out to bilk the public.

"Schemes directed at consumers are limited only by the imagination of the con artist," Morris said.

"They know many people are willing to invest their hard-earned money on offers which sound too good to be true."

Typical examples of mail frauds and false representation by mail include work-at-home schemes, phony franchises, miraculous "cures" for a variety of illnesses, weight reducing plans with no proven medical value, and a variety of investment offers such as buying land through the mail.

Businesses also become

victims of mail frauds and false representations, Morris said. "Companies pay out millions of dollars each year of imaginary or useless business directories, phony invoices and contributions to non-existent organizations."

Morris urges consumers to ask companies to back up their claims if an offer sounds too good to be true. "That's the best way to protect yourself and your money," he said. "But if you feel you've been victimized by a fraud, or have not received the merchandise you ordered, contact my office or a postal inspector." Phone numbers are listed under U.S. Government-Postal Service in local telephone directories.

Morris reminded consumers that whenever they have a problem with their mail service to fill out a postal Consumer Service Card, available at post offices and from letter carriers.

"We can't help someone with a mail problem until we know about it and the easy-to-complete card assures prompt action on our part."

Team Fees Are Due

Individual and team entry fees for church league softball are due.

New Savings Plan Offers High Interest

Savers at Sweetwater Savings Association will be able to earn a compounded interest rate of 8.33 per cent on long term deposits, starting June 1, Association President Ed Aiken, Jr. announced.

To earn the full rate, savings must be left on deposit for terms of eight, nine or ten years, and interest left to accumulate. The new certificates are being sold in denominations of \$1,000 or more. The certificates are federally insured up to \$40,000.

The eight to ten year certificates will carry an eight per cent stated interest rate, but with (daily/continuous) compounding the effective annual yield is 8.33 per cent, if interest is left in the account.

"With the new authority just granted, we will be able to help our long term savers accumulate an even better return," Aiken stated. He added that the

longer term certificates will also be helpful to home buyers because they will enable the association to stretch the terms of some savings capital, matching more closely the long terms of most mortgage loans.

Aiken said certificate holders may withdraw earnings without penalty at any time. Deposits can also be withdrawn before maturity, but subject to an interest penalty required by federal regulations. The withdrawn deposits would earn interest at 5 1/4 per cent, less 90 days interest.

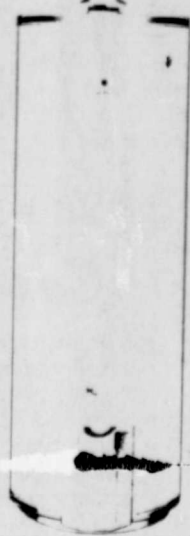

A second new type of savings certificate, also federally insured to \$40,000, is being offered in denominations of \$10,000 or more for terms of six months. This certificate will earn interest at one-quarter per cent above the average auction rate paid on six month U.S. Government Treasury Bills.

AMERICAN LEGION POST 555 held Memorial Day flag raising services in honor of those who had lost their lives. The flag pole was donated and erected by the members of Post 555. Pictured (left to right) are C. C. Hamilton, Ray Preston and Harris Hamilton, Post Adjutant.

There's an Energy Saving Censible Water Heater For You

Gas or electric

The "smart" water heater that really makes sense in these times of critical energy supplies. BOTH GAS and ELECTRIC models pass the stringent energy conservation standards for energy consuming appliances set forth by H.U.D. and ASHRAE.

By combining thicker denser insulation with a higher efficiency heat transfer capability, Censible is designed for maximum fuel economy. But best of all, the value-packed Censible is priced right! The 5 year Censible is ideal for the new energy efficient homes.

For Top Performance and Best Value—It's Only CENSIBLE by STATE!

Wallace Center Offers "So Simple To Sew" Summer Course

Monday-Friday
High School Homemaking Department:
Instructors: Marian Craddock, Martha Matthews
Suggestions for: patterns, fabrics, methods and styles.
For Adults and High School Youth
Sign up now through Wallace Center 728-2392
Adult Workshop--So Simple to Sew
1:30-3:30 CHS HOMEMAKING DEPARTMENT
Patterns to choose from:

Simplicity	Pattern number
Wrap skirt	7876
Pull-on skirt	8339
Blouse	8206
Blouse	8293
Pull-over	8088
Dress or tunic	8268
Dress or tunic	8483
McCall's	Pattern number
Jumpsuit	6070
Pants or shorts	5998

All the patterns have been selected for current fashion emphasis and for a quick, easy sewing project that may be completed in four class days. Each adult should have fabric, supplies, etc. on June 25 and be ready to start.

SMALL EQUIPMENT NEEDED:

Scissors	Tracing Wheel
Pins	Tracing Paper
Pin cushion	Tape measure

Needles--hand sewing (2 or 3)

OTHER ITEMS NEEDED:

Pattern	Thread
Fabric	Zipper
Elastic	Buttons

ETC.

Read back of pattern envelope for sewing notions called for.

FABRIC INFORMATION:

No seersucker fabric. Stay away from fabric designs that have to be matched or placed just right like plaids, stripes, one-way design or large block designs. Choose a fabric that looks similar to the one the garment is made up in on the pattern picture and stick with fabric suggestions on back of envelope.

WHAT IS "100% CHANCE OF RAIN"?

We've been talking about "100% Chance of Rain" June 12-16 and June 18 and so far we haven't really explained what we're talking about. Well...just in case you've been wondering...keep reading.

"100% Chance of Rain" is the story of Noah and his ark. A musical cantata, it highlights God's promise to us today to love and care for us. This jazz cantata is a very interesting and fun way of presenting this story.

Instead of using the traditional Vacation Church School material this summer for the older children, we will be using "100% Chance of Rain", which was written especially for children, as the central portion of our week. All other activities will be directly related to the cantata. Nursery 3-4 will be using the traditional material.

The reason we are doing something new is to involve the children in something which will be meaningful to them and which will enable them to become thoroughly acquainted with that particular portion of the Bible.

A cantata is interesting not only to the child who likes to sing, but it allows children to shine who are interested in art, drama, building, sewing, playing instruments, working with lighting and with sound effects. In addition, it is something the child will remember most of the rest of his life.

REGISTRATION FOR "100% CHANCE OF RAIN"

There is "100% Chance of Rain" June 12-16 and June 18 and all we need to make it possible is a large helping of children K-5. In order to make our preparations smoother we need everyone to pre-register as soon as possible.

Calvary Baptist Church

It's nearly time for V.B.S.!!!!!!

June 12-16

For ages 3-Grade 5

EVERY DAY--9:30 a.m.-11:30 a.m.

Be There

Youth V.B.S. will be held jointly with First Baptist Church with Gary Fulfer and Chris Hubbard teaching alternately. Date: The week of July 10.

SUMMER CHOIRS

Summer choir enrollment will be held during Vacation Bible School. Meetings will be only once a week (Tuesdays) during the summer, from 11-12. Those who complete the summer program will receive awards August 13 at the presentation of the musical "It's Cool In the Furnace."

On the first Tuesday meeting--June 20th--the choir will go to the park after rehearsal to have hot dogs for lunch.

Heart of Texas Youth Congress

Heart of Texas Baptist Encampment

Brownwood, Texas

July 24-28

Cost: \$27

A spiritual highlight of a Youth's Summer is often Youth Camp. This year we will participate in Youth Congress (camp) at Heart of Texas Baptist Encampment at Lake Brownwood. The camp grounds are beautiful and the camp poster, Barry Shain, is the best we could have. We hope to have several partial scholarships available to make it possible for many to attend.

PET SHOW

Date--June 24

Show time: 2 p.m.

(Registration 1-2 p.m.)

Bring your pet--no matter how big or how small, how lovely or how ugly. We will award prizes for all sorts of categories (Oops! the judge does not mean to discriminate) and dogegories!! Caged animals and pets may be shown indoors--All others must be properly leashed and remain outdoors.

Cat n' Dog egories:

YOUTH EVANGELISM CONFERENCE

June 30, July 1

Dallas, Texas

(Six Flags-June 29)

The Youth Evangelism Conference will be hosted in Dallas this year. Our youth will attend Six Flags on June 29 and the Evangelism Conference the following Friday and Saturday. The total cost of this excursion is \$27 per person which includes Six Flags ticket, two nights lodging

and five meals. (Eats & souvenirs while at Six Flags are not included).

There are 3 money raising projects planned to help raise money for this trip.

May 27--Car Wash

June 11--Ice Cream Fellowship (after church)

June 17--Bake Sale

Only those who work in any one of the money raising projects may hold claim to the proceeds. Proceeds will be divided evenly among those working and the remaining balance is to be paid upon leaving. Visitors are welcome.

Entomology team--George Hardegree, Kirk Stubblefield, Allan Dockrey, Tony Turner.

gets underway June 30 and runs through July 2.

Organized by the Colorado City Jaycees, invitations have been extended to West Texas softball leagues and will be limited to 15 teams plus one all star team from Colorado City.

Jim Schmullen and Don Bennett are assisting chairman Woody Anderson with the scheduling and arrangements.

The tournament is to be run on a double elimination bracket schedule with trophies given for the first three place winners and individual trophies for the first place team members. A total of 31 games are

scheduled and an entry fee for a team will be \$65. These monies will all go back into the cost of holding the tournament.

The City Council granted the Jaycees \$500 to help with the cost of putting on the event.

It is hoped that a great deal of good will will be created by the games according to Bobby Bird newly elected president of the Jaycees.

Final arrangements are still being made and will be announced at a later date, however, the first game is scheduled to begin at 6:30 p.m. June 30 at the Herterberger Softball Field on the south side of town.

Lakes To Host Sea Of Visitors

Texas Department of Parks & Wildlife employees in Mitchell County are currently preparing for the flood of vacationers expected to hit the State Park at Lake Colorado City this summer.

Many improvements have been made to the park proper since last summer.

Additional parking spaces for trailers, restrooms with shower facilities, boat ramps and picnic tables have been added.

Last year an estimated 285,000 persons used the facilities at the park. With the improvements, more tourist and local residents can be accommodated this year.

The lake level has risen four feet according to the Texas Electric Power Plant official gauge and with summer rains the level should rise more allowing boating, skiing, swimming and fishing enthusiasts ample opportunity to enjoy the long summer days to come.

Fisher Park at Lake Champion which is city supported and maintained has seen improvements during the past few months too. Additional picnic tables and bar-b-ques have been added. Boat ramps have been improved and fishermen are reporting great catches from the lake.

Rodeo Set For July

The first Rodeo held in Colorado City in almost five years is to be held July 5-6-7-8 sponsored by the Chamber of Commerce.

This is to be an American Junior Rodeo Association Rodeo held in the Western Riding Club Arena on West Highway 80.

The Rodeo is scheduled to begin at 7 p.m. daily and will feature competition in barrel racing, pole bending, calf roping, roping, bareback riding and bull and steer riding.

Entry fees will be returned to contestants in the form of awards to winners in each category.

Admission to the rodeo will be \$2 for adults and \$1 for children on advanced sale tickets. Admission at the gate will be 50c higher.

The Chamber anticipates over 400 contestants to enter the affair. Proceeds will go to the Chamber and be utilized in community development according to Chamber Manager Larry Winders.

Winders noted that volunteer members of the Chamber will be making necessary repairs to the arena prior to the contest date.

He also noted that concession stands will be set up in the area and a part of the profits will be used to defray the cost of arena renovations.

Civic Clubs in the community are sponsoring a Rodeo Queen contest in conjunction with the planned event. Girls will sell advance tickets to the Rodeo and the result of those sells will count 50 per cent of the total score when judging begins. The other 50 per cent will be divided into three categories: 10 per cent on appearance; 20 per cent on personality and 20 per cent for showmanship.

Each contestant will be required to ride a horse in the arena but no trick riding will be required.

According to Winders this Rodeo is to be a Show Case for the Chamber to interest persons in community involvement, "particularly the youth," he stated.

He commented that the Chamber had chosen this particular project because of the history and heritage of Colorado City and they felt it should have a rodeo.

Summer Play Is All My Sons

All My Sons is the next scheduled production of the Colorado City Playhouse and will be put on in mid summer.

This sensitive drama was written by Arthur Miller, creator of such worldly renowned scripts as *Death of A Salesman* and *The Misfits* which he wrote for his wife, the late Marilyn Monroe.

The Playhouse rendition of *All My Sons* will be directed by Carl Beery Moore. Scripts are being handed out now in preparation of try outs to be held June 5-6.

Moore stated that the play is scheduled to be presented Aug. 3-4-5 and again Aug. 10-11-12. Rehearsals will begin with a read through June 8. The cast will take a break over the July 4th holidays.

This moralistic play is both emotion packed and full of suspense.

It is set in the era following World War II, in the back yard of a family home somewhere in the United States.

Miller's list of characters include Joe Keller, 60 year old father of Chris Keller,

his 30 year old son; Kate Keller, mother of Chris; Ann Deever, girlfriend of a dead son; George Deever, Ann's father; Frank Lubey, a next door neighbor; Lydia Lubey, Frank's wife; Dr. Jim Bayliss, a neighbor; Sue Bayliss, Jim's wife and Bert, a neighborhood boy about nine years old.

The story revolves around the reported death of one son, Larry, during the war. He is officially listed as missing in action and everyone but his mother accepts his death. Her hope that her son remains alive is re-enforced each time she reads in the newspapers of another MIA who has been found alive.

A sub-plot in the story involves a touching love affair between the missing son's girlfriend and his brother. Still another aspect of the plot is the father's possible shady dealings when he falls under suspicion of criminal activities involving his machine shop which was supposed to have built faulty airplane engines that caused the death of 21 men who

were fighter pilots.

Suspense builds, emotions mount and the story ends in a surprising climax.

This play was originally directed by Elia Kazan and is considered by theatre goers to be one of America's greatest.

Chamber Plans July 4th Fly-In

July 4th is marked as the date for an old fashion celebration reminiscent of an era of barn storming and picnics on the ground.

The recently acquired Colorado City Webb Auxiliary Airfield will be the sight of this annual fete sponsored by the Colorado City Chamber of Commerce and aptly titled the "Fly-In."

The public is invited to participate in all phases of the celebration. Circulars are being distributed to airports all over West Texas inviting pilots to join the celebration.

Renovations and repairs are currently underway at the field in preparation for the anticipated influx of aircraft and spectators.

Festivities will commence with the Fly-In breakfast at 7 a.m. Bacon, eggs, toast and coffee will be served by volunteer members of the Chamber of Commerce for a minimal charge of \$2.50. Pilots who participate in the Fly-In will be served free.

According to Loyd Ledbetter, who with J. O. Dockrey is co-ordinating arrangements for the affair, twice the number of planes and spectators that joined in last year are expected this year.

He noted refreshments will be sold throughout the day with seating and tables available.

Parachutist will begin a demonstration at about 8 a.m. and continue intermittently until noon.

An aerobatics show is scheduled to begin at noon and continue for over an hour. Ledbetter stated the Chamber has contacted three stunt flyers who will perform with Van White flying a modified Clipped Wing Cub and Doug Warren of Big Spring being featured.

During the days events a contest is scheduled for the Fly-In pilots. Ledbetter listed spot landing, flour sack bombing and balloon bursting as special contests for the pilots.

As last year, the public will be offered scenic air rides over Colorado City for a fee of \$4 each.

Included in the affair will be a display of antique and home built plane. Ledbetter also noted the Chamber has contacted several Air Force Bases in Texas and requested a jet plane fly-by. A special treat for air enthusiasts will be World War II fighter planes called "War Birds" which will attend the event.

An entrance fee of \$2 for adults and children under 12 free will be charged at the airport gate. This fee will be good for all day.

Proceeds will go to the Chamber of Commerce and used to promote local business and the economy of Mitchell County.

Glimpses Of History At Colorado City Museum

An added attraction for local residents and tourists alike is the Colorado City Museum.

Located at 175 West Third, the museum is open six days a week 2-5 p.m. and closed all day Monday.

The oldest items in the museum are the skeletal remains of a prehistoric mammoth.

Remembrances from early pioneer days are displayed in scenes set up with original items including a blacksmith shop, a kitchen, a country store and a special room features period furniture.

Portraits of original settlers line the walls and a multiplex displays pictures

of Mitchell County's early days.

Display cases filled with old china, glassware, dolls, jewelry, old legal records, guns and hand-work pieces are interspaced between an antique hearse, surrey and one of the first telephone exchanges.

The early railroad days are recalled by baggage on a baggage cart and original benches from the old station.

An item of particular interest is the display representing the very first inter-city bus in the United States which traveled between Colorado City and Snyder.
