Cooler Weather, Clouds And Drizzle Arrive With Front

Many local citizens broke out their cool weather clothing and winter coats for the first time this week as Tuesday morning temperatures dipped down into the 40's, accompanying a front which brought with it a chilly drizzle.

Gray skies and muggy air greeted us as we made our early morning rounds Tuesday, but by 10 a.m. the mugginess had given way to falling moisture and surprisingly low temperatures that gave anyone dressed in short sleeves a case of the "chill-bumps."

This capped a week of cooler weather, perhaps signifying the fact that fall has begun in our region. Saturday, September 22, was the first official day of the autumn season. Although summertime weather is expected for a few more weeks, we can hope to be rid of the extreme heat until six months or so have rolled around.

We are still in desperate need of rainfall, with a yearly total of 7.69 inches. We received .03 of an inch last Friday afternoon, according to the gauge of Goodson Sellers, local U.S. Weather Observer, and Tuesday's moisture had not been reported when the Courier went to press.

October 2 Tax Hike Bad For Already Thin Pocketbooks

You go to the store and buy an oil filter for your car. It seems like it cost a nickel more this time.

Then you pick up the dry cleaning. That seems higher, too.

You didn't forget that bag of fertilizer. But you paid 50 cents more than the last price you remember paying for it.

Oh, you almost forgot picking up the camera you left at the repair shop last week to get the shutter fixed. That much to get it fixed, huh?

As you drive, you're wondering what it was the newspaper boy said about the new weekly price for home delivery.

And so it goes. The October 2 tax hike is upon us. The \$4.8 billion tax package by the Legislature and signed by Governor Mark White takes effect Tuesday. How much of the new tax burden will fall on you depends on what you buy and where you live.

The state sales tax went up by 1/8 of a cent, but a whole slew of items will be taxed for the first time, increasing the price of some things by as much as a 6 1/8 percent.

Services such as dry cleaning, repairs, catering, massages, tailoring, mending and entertaining all have additional costs tagged on as a result of the expansion of the state sales tax categories. Repairs such as for fixing the old television set, putting new heels on the old loafers, replac-

Plans For City Hall Progressing Rapidly

The City Council of the City of Munday, Texas met in special session Monday, September 17, at the Munday City Hall.

Members present: Mayor Doris Dickerson and Aldermen Garon Tidwell, Jessie Tucker, Von Marr, Richard Albus and Gary Decker.

Mayor Dickerson called the meeting to order. Minutes of the September 11, 1984 meeting were read. Tidwell moved for approval as written. Marr seconded and all members voted in favor.

After discussion, the City Administrator was advised to delay requesting McCall, Parkhurst & Horton to proceed with funding preliminaries for certificates of obligation, probably until after bid opening on October 5, 1984. Fund amounts needed will be better known at that time.

After examination of plans and specifications and a review and explanation by Rick Herring, Albus moved the City of Munday advertise for bids for a new City Hall and Fire Station with bids to be opened at 2 p.m. Friday, October 5, 1984 at the Munday City Hall. Marr seconded the motion. Voting for were Albus, Marr, Tidwell, Decker and Tucker. Noes, none. Carried.

Tidwell moved for adjournment. Tucker seconded. All in favor.

The City Council also met Thursday, September 20, in special session.

Members present were Mayor Doris Dickerson and Aldermen Gary Decker, Von Marr, Garon Tidwell, Richard Albus and Jessie Tucker.

Mayor Dickerson called the meeting to order. State permission to burn inside of building has been secured, he said. After discussion, Gary Decker moved bids for City Hall removal be rejected (until bids after burning interior are secured). Tucker seconded. Aldermen Albus and Marr suggested re-consideration due to possible problems in downtown area especially from smoke, also fire equipment being obligated to several hours of standby and not available for other use if needed. Discussion. Decker withdrew his motion.

Bids were opened for building removal without burning. They were as follows (to ground level removal): Lain Company, Hamlin, \$23,667.50; Home Building Center, Munday, \$10,000.00; Kuehler Lumber Company, Knox City, \$14,000.00; Coltharp Construction Company, Seymour, \$17,976.00.

After discussion of bids Marr moved to accept the low bid of Daniel Ramirez of Munday Home Building Center to take down to floor level. (City to remove cement floor and foundation). Decker seconded the motion. Voting for were Marr, Decker, Albus and Tucker. Tidwell abstained. Motion carried.

Next business was examination of the 1984 tax roll as prepared by Knox County Appraisal District. Value is \$15,243,910. Tax roll total will yield \$79,268.66 based on tax rate as previously set by the Council if based on 100% collection. Decker moved the 1984 tax roll be approved as prepared by Knox County Appraisal District. Tidwell seconded. All members voted for.

Tucker next moved that all the obsolete radios stored upstairs in city hall (now owned by the city) be given to the Munday Volunteer Fire Department to be utilized to the best interest of the department as members deem best. Tidwell seconded. All for.

Tidwell next moved that Mayor Dickerson and City Administrator Hertel make arrangements as soon as possible to rent building or buildings for office space for City Hall, Police Department, etc., to continue City operations from while the new City Hall and Fire Station are being constructed; motion also gives authority to proceed with renting a building. Decker seconded. All in favor.

Tidwell moved to adjourn. Tucker seconded; all for.

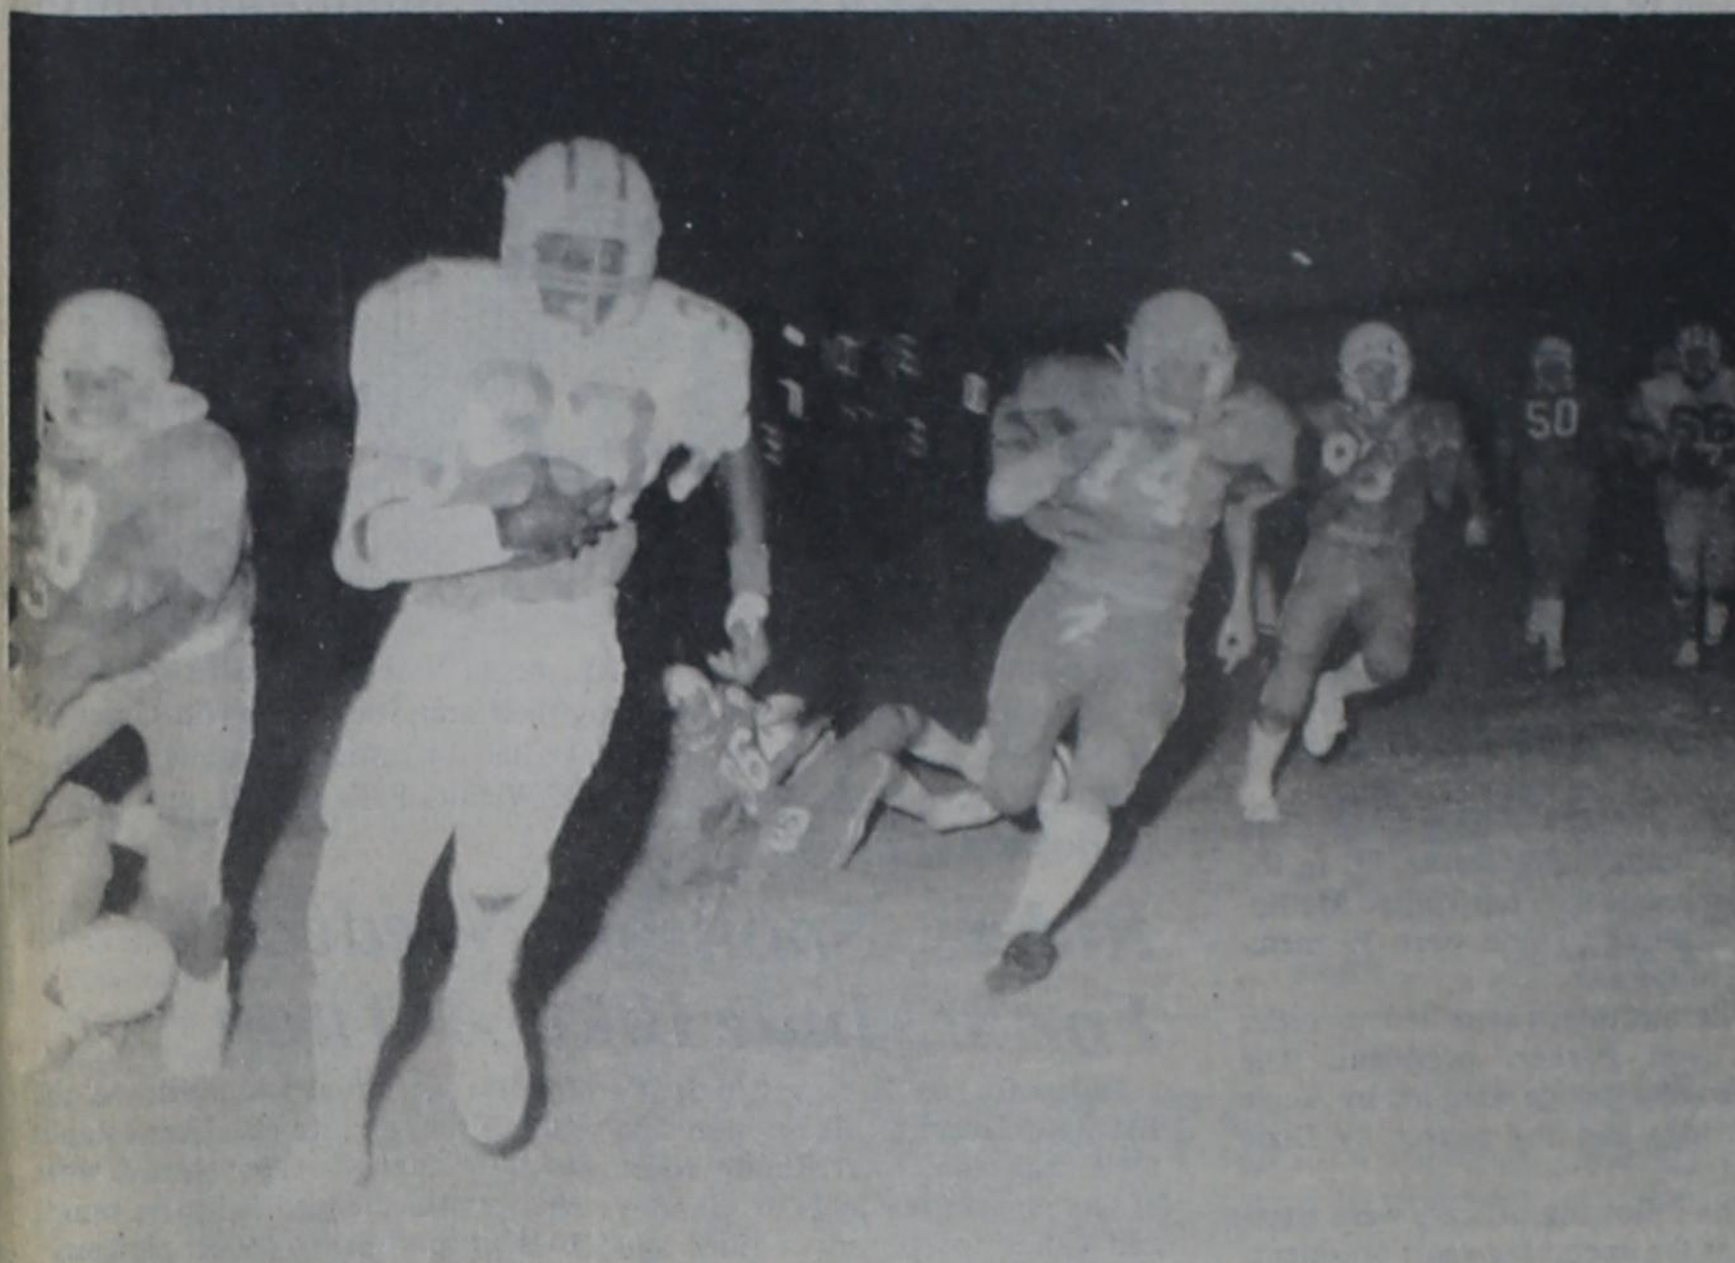

Tutorial Classes To Be Offered

One of the provisions of H. B. 72 was that each school district must offer tutorial classes to all students making below 70 in math, science, social studies or language arts. These classes will begin on October 8, 1984, in the Munday schools.

The tutorial classes are not to be viewed as punishment but as a means of getting additional help from teachers in an attempt to be successful in all areas of class assignments. The board of trustees, the administration and teachers highly recommend that any student who is failing take full advantage of this opportunity.

Complete details of the program concerning meeting time and place will be sent home with the students before October 8. Students taking advantage of this program benefit if sincere effort is given.

News items, locals and advertising must be turned in to the Munday Courier by Tuesday noon for publication in that week's paper.

TIM COLLIER, Number 33 for the Moguls, broke away for a long run in the second quarter of the Munday-Rotan game to set up a touchdown by Dent Offutt. Collier had a touchdown later in the game and played a

big part in the team's first half success. Other Moguls shown at the far right of this shot are Number 66 Greg Urbanczyk and Number 73 Terry Shields.

OVER ROTAN YELLOWHAMMERS

Late Rally Gives Moguls 28-21 Win

The Munday Moguls had to come from behind Friday night to take a 28-21 win over Rotan in their first road game of the 1984 season. The Moguls played hard but seemed a bit flat after big wins over Haskell and Hawley, needing a last-minute effort to capture their third straight victory.

The first quarter was a see-saw, with punts and fumbles by both teams. A fumble recovery by the Yellowhammers late in the quarter gave Rotan good field position, and they sustained the drive until Rudy Garza scored on a one-yard burst over right tackle with 11:16 left in the second quarter. Tim Carrillo kicked the extra point, and the Yellowhammers led 7-0.

Less than two minutes later, the Moguls got revenge when Tim Collier ran for 70 yards before being pulled down at the Rotan 2. Two plays later, quarterback Dent Offutt used his successful keeper play to go over for the score. Ronny Lowrance's kick evened the game at 7-7.

The Moguls were back in business quickly, as Rotan fumbled after the kickoff. But Munday wasn't able to do anything with the gift, and were forced to punt from the Rotan 45. The Yellowhammers made another mistake, however, as a roughing the kicker call gave the Moguls another chance from the Rotan 30. This time it took only three plays to put Tim Collier into the end zone on an 18-yard scamper around left end, and the extra point kick gave the Moguls the lead.

But the Yellowhammers weren't giving up easily. In a minute and a half, two rushes and two passes had netted the hosts another six points, the score coming on a 37-yard pitch from Tim Carrillo to Charles Williams. Carrillo kicked the PAT, and the game was tied again. Munday was almost as speedy to regain the lead, however, as a Rotan penalty aided the Moguls in gaining a first down on their next possession, and Offutt sprinted for 65 yards around left end with 4:04 left in the half. A pass for two extra points failed, and the Moguls took a shaky 20-14 lead into the dressing rooms.

Rotan took the game back into their hands in the third quarter when Munday fumbled their second play from scrimmage. The Yellowhammers drove down to the Mogul 3 before a penalty and two incomplete passes forced them to give the ball up on downs. A tough defensive effort kept the Moguls deep in their own territory, and the ensuing punt

only reached to the 39 yard line. Four plays later, Rotan's do-everything man, Charles Williams, outran Munday defenders for 24 yards, and the extra point kick by Carrillo gave Rotan the lead for the second time with 4:17 left in the third quarter.

The Yellowhammers drove deep into Mogul territory again, but the Munday defense rose up to stop runners behind the line of scrimmage for back-to-back losses to end the threat. However, with the two teams trading punts during the fourth quarter, it looked as if Rotan's one-point lead might result in an upset over the state-ranked Moguls.

But when the Yellowhammers were forced to punt from their own 6, the Moguls had good field position at their opponents' 33, and Todd Thompson put on a burst of speed to race over the goal line with just a minute and 49 seconds left in the game. The extra point pass from Offutt to Gregg Sanders was good, and the Moguls were able to snatch a 28-21 victory from the fired-up Yellowhammers.

The Moguls will be on the road again this week against the Anson Tigers, who took a narrow 20-19 victory over Knox City last Friday. Coach Jim Edwards said Anson is a better team than Rotan, and will be a tough foe for the Moguls. All Mogul fans are encouraged to be in the stands for the 8 p.m. kickoff at Tiger field. Your support is needed.

Meeting Set For School Bond Rating

Munday school superintendent Doyle Lowrance and all members of the board of trustees, with the exception of Maynard Moore, will travel to New York City during the weekend to present our school bond package for rating. They will be accompanied by the school's financial advisor, Bob Davis of Kidder, Peabody and Company in San Antonio.

The group will meet with representatives of Moody and Poores, the only bond rating company in the United States, on Monday morning. They will include brochures and various data concerning the economic and financial situations in the community as part of their presentation.

Lowrance said they will learn what bond rating they receive after eight to ten days. A good bond rating will mean the school can sell its bonds at a low interest rate. October 16 has been set as the date the sale of bonds will begin.

Hightower Fun Day Set

Jack Hightower Fun Day will be held Saturday, September 29, at 6:30 p.m. in Vernon's Wilbarger Auditorium. The campaign fund raising event will feature food, entertainment, and the opportunity for area residents to visit with Congressman Hightower.

A buffet will be served and musical entertainment will be provided by Jake Miller's Red River Ramblers. Congressman Hightower will speak after the dinner.

Tickets may be purchased at the event. Cost of the tickets will be \$10 each and will be a campaign contribution. Gene Tyra of Vernon is the chairman of Fun Day.

All area residents are invited to attend.

Envious Golfers Watch Lucky Shot

The Lake Creek Golf course provided a very interesting backdrop Monday, September 24, as golfers Ed Jetton, Don Coffman, Bully Ratliff, Goodson Sellers and Louis Wise watched in amazement while the Mayor of Goree, Felton Jackson, teed off, drove 140 yards to the green and made a hole in one. Some people have all the luck.

It's almost a sure bet that Felton will be using his lucky no. 6 iron on every tee-off as he tries to accomplish this incredible feat once more.

Child Welfare Board To Address Area Abuse Problem

As the number of reported cases of child abuse continues to climb across the state, increased attention is being given to the problem in Knox County.

At the Knox City office of the Department of Public Resources, caseworker Sammy B. White called attention to Abilene's grim statistic of between 15 and 20 cases each month of child sexual abuse in 1984. White pointed out that in numbers, Knox County in no way compares to Abilene, but that our area has escaped none of the problems of child abuse felt throughout the state.

A firm believer in education being the key to preventing such abuse, he was quick to praise the Knox County Commissioners Court for establishing a Child Welfare Board here. According to White, one of the responsibilities of the board will be to spread the word that abuse of children must be stopped.

Governor Mark White, in a state-

ment made September 5, said, "Child abuse is no longer a family problem, but a community problem," recognizing that child abuse, unheeded, can result in an extremely abusive adult, compounding the original problem.

The Child Welfare Board created earlier this year will address these problems in Knox County, and, if given the support needed, will take the necessary steps to prevent the growth of the problem here.

Chairman of the board is Jerry Atkinson of Goree. Other members are Cindy Thompson and Dr. Dale Selzer of Munday, Ann White and Patsy Gonzales of Knox City, county school nurse LuRose Schumacher of Rhineland, Bertha Driver, Sarah Meinzer and Linda Griffith of Benjamin. County Judge Homer T. Melton and caseworker Sammy B. White are ex-officio members of the board.

Junior 4-H Picks New Club Officers

The Munday Junior 4-H Club
met Tuesday, September 11, in the
basement of the First United Metho-
dist Church. There were 39 mem-
bers present.

The meeting was called to order
by Lynn Parker, president. The
motto and pledge were led by Angie
Partridge and the prayer by Dixie
Reid.

The following officers were elect-
ed for the upcoming year: president,
Angie Offutt; vice-president, Tyler
Thompson; secretary, April Offutt;
reporter, Missy Reneau; and treas-
urer, Tessa Kiser.

After the election of officers, the
4-H's filled out enrollment forms
for this year. Amy Parker, a senior
4-H'er, assisted the junior members
in the election of officers and in
filling out forms.

Refreshments were served by
Robin, Jae-Jae and Missy Reneau.

Riders, Sponsors Needed For St. Jude Bike-A-Thon

Riders for the St. Jude Children's
Research Hospital bike-a-thon and
their chairman, Mrs. Randy Jones
of Goree, asks residents of Munday
and Goree to sponsor a rider and
pledge a contribution for each mile
he or she rides.

The Wheels for Life Bike-a-thon
is scheduled for 8 a.m. Saturday,
September 29. Beginning at the
Goree school, the route is marked
south of town for a distance of eight
miles.

"Every mile our bikers go earns
money bringing us closer to a cure
for cancer," Mrs. Jones said. "The
life-saving study of childhood can-
cer at St. Jude has become critical to
children all over the world."

Both riders and sponsors are
needed for the event. Riders enlist
sponsors to donate a sum for each
mile completed. Those who raise
\$25 will receive a St. Jude t-shirt,
and if \$75 is raised, the rider re-
ceives a barrel tote bag and a t-shirt.
Sponsor forms can be obtained at
the Goree school or by contacting
Mrs. Jones.

"If you haven't been asked to
sponsor a rider, but are interested,
please call 422-5184 or 422-5213 and
a rider will contact you," Mrs.
Jones said.

"Each rider gets a lap card at
registration," she explained.
"Every time riders pass the check-

points, we initial the card. At the
end of the ride, we check and sign it
to show that the rider earned what
the sponsor pledged." Riders return
to their sponsors to collect pledges.

"The general plan is to have a
good time while helping a wonderful
group of children counting on our
support," Mrs. Jones continued.
"Let's show we care. Help this
cause, and after the event help the
riders get the money to us quickly."

Coach Edwards Comments

We were a bit flat in our Rotan
game, playing hard but with very lit-
tle intensity. It was a tough, physical
game, and our kids got banged up
pretty well. Rotan really came to
play ball - they have a good team,
much better than their record indi-
cates. They have a wide-open of-
fense, and they can do many things
real well.

We were not very consistent
against their ball movement. It's
hard to be up for every game. But
we did do some things right on of-
fense and made some big plays. The
main thing I am pleased about is
that we scored when we had to. That
is a positive sign, to be able to come
back when you're down and make
the game-winning plays.

The defensive tackles, Greg Ur-
banczyk and Hollis Adams, had
good games, and our running backs
showed more examples of their ex-
cellent speed. Tim Collier kept us in
the game the first half, and Todd
Thompson had a good fourth quar-
ter.

From now on we can expect teams
to change their defenses and do
things we haven't seen before, try-
ing to adjust to our option offense.
We will have to improve our passing
game and play with more consis-
tency to remain successful.

Anson will be an extremely tough
contest. They are quicker than in the
past, and it will be another very
physical game. We will have to be
very fired up and determined in or-
der to win.

Man's three-pound brain is the
most complex and orderly arrange-
ment of matter known in the uni-
verse.

Wagon Train To Mark State Sesquicentennial

The Texas Sesquicentennial
wagon train will be making a six
month, 2800 mile tour around the
state of Texas in 1986. This travel-
ing exhibit of our western heritage
will be open to the public for view-
ing as well as participation by cov-
ered or horse-drawn wagons or
horseback riders.

The journey will begin at Sulphur
Springs on January 2, 1986, and will
end at the Fort Worth Stockyards
on July 3. It is anticipated that at
least 1,000 wagons will join the train
at some point, and approximately
20,000 people are expected to par-
ticipate.

The wagon train's route will
travel from Sulphur Springs to Mar-
shall and Longview, Nacogdoches,
Lufkin and Humble in east Texas,
then west to Austin and south to
Kingsville, north to San Antonio
and far west to El Paso, back east to
Odessa and Midland, north to
Amarillo, down to Abilene and up
to Wichita Falls, then east to Den-
ton, Dallas County and back into
Fort Worth.

A fee of \$15 per person or \$25 per
family will be charged to those who
wish to participate in the wagon
train. Participants must furnish and
pay for their own supplies and those
for the teams and wagons, and must
be equipped and ready to furnish
and cook their own meals.

Anyone interested in joining the
train can contact the Texas Wagon
Train Association at P.O. Box 323,
Sulphur Springs, Texas 75482, or
call 214-945-2504 for more informa-
tion.

The train will stay overnight at
Benjamin on June 1-2, 1986. Per-
sons in this area who wish to join
the train may do so there. To sign
up as a participant, call or write Er-
nie Eaton, City Manager, Benja-
min, Texas 79505, or call 454-3131
(city office) or 454-3921 (home).
You may also contact Janice Tol-
son, co-chairman of the Knox
County Sesquicentennial Commit-
tee, at Box 303, Benjamin, or call
454-2961 or 454-3231 for further de-
tails.

Agreement Reached In WTU Rate Hike Case

A settlement agreement providing
an increase in base rates and de-
crease in fuel cost charges has been
reached in the West Texas Utilities
Company rate case now pending be-
fore the Public Utility Commission
of Texas.

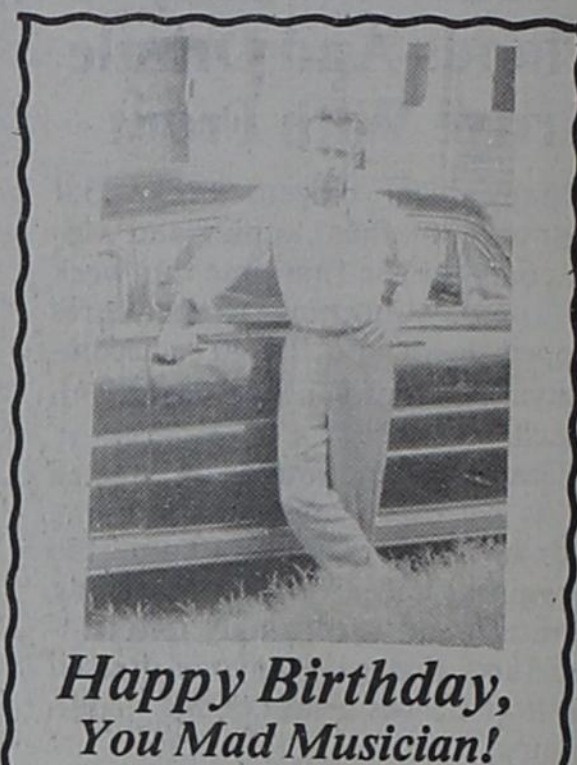

A formal hearing scheduled for
this week in Austin was cancelled af-
ter WTU, the PUC staff and inter-
venors on behalf of several cities en-
tered into a negotiated settlement on
all issues involved in the rate case. A
hearing was set for 3 p.m. Wednes-
day, September 26 for submission of
the written agreement, which
must be approved and signed by the
cities. The hearing examiner then
will make a recommendation to the
three-member commission.

Under the agreement, WTU
would receive an increase in basic
rates of approximately \$12.5 mil-
lion. It will receive about \$7.1 mil-
lion less for fuel costs because fuel
prices apparently have softened.
WTU also will refund to consumers
about \$6.1 million in fuel costs over-
collections during the past year,
bringing the total fuel revenue re-
duction to roughly \$13.3 million.
The refunds will be reflected in cus-
tomer bills throughout the coming
year.

The effects on various classes of

customers depends on details of the
new rate design which were being
worked out by company representa-
tives and other interested parties. A
new feature for WTU rates will be a
summer-winter differential for resi-
dential and commercial customers.
This will establish lower rates dur-
ing the winter period, November
through April, and higher rates
during the rest of the year, which is
the peak usage season.

The new rates will not go into ef-
fect until a final order is issued by
the three-member commission.

Entertainment Team Celebrates First Anniversary

The Munday Entertainment Team celebrated its first year of existence with a hamburger supper in the First Baptist Church fellowship hall on Tuesday, September 18.

Organized to plan more activities for area children and adults, the team has been successful in forming a well-attended gymnastics program, finding a piano teacher in Munday and staging holiday performances. Several plans are in the making for future entertainment.

Those in attendance enjoyed a meal of grilled hamburgers and the trimmings along with homemade desserts. After hearing a brief account of the year's activities and plans for 1984-85, the group was treated to a delightful selection of Statler Brothers hits performed by the Imitation Stats of Seymour, a singing group that is becoming well known in this area for their talented musical renditions. Their concert was greeted with rousing applause and a standing ovation at the finish.

Everyone at the supper agreed that those who failed to attend missed a very enjoyable evening.

Miss Hutchens Is Shower Honoree

A bridal shower honoring Pam Hutchens, bride-elect of Mitch Townsley, was held at the Goree Memorial Building Sunday afternoon, September 23.

Mrs. Donnie Estes received guests and introduced them to the honoree, her mother, Mrs. Billy Don Hutchens of Goree, and the groom's mother, Mrs. Sherry Canon of Levelland. Other special guests included the bride's grandmothers, Mrs. Carlos Martinez of Munday and Mrs. Louis Hutchens of Goree. Guests were registered by Karen Urbanczyk.

The serving table was covered with a burgundy tablecloth and lace overlay. A pink and burgundy silk flower arrangement centered the table. Refreshments were served by Linda Lambeth and Debra Birkenfeld.

Hostesses for the shower were Mmes. Sandy Lambeth, Kent Trainham, Lyndel Lambeth, Gerald Myers, T. J. Trainham, Tommy Decker, Donnie Estes, Michael Kinibrough, Willie Carrington, Randy Jones, Martin Bowman, Joe Hunt, Jerry Underwood, Joe Birkenfeld, Mark Haskin and Louis Urbanczyk.

The wedding will be held Saturday, October 6, in the First Baptist Church of Goree.

Support the Moguls with your attendance at Friday night's game.

Calendar Of Texas Events Is Available

Visitors from northern climates who escape to Texas during the cool months ahead will find there's plenty to do while here.

Throughout the state, Texans are planning a slate of fairs, festivals and fiestas for the coming six months.

The happenings are named in the brand new Calendar of Texas Events, just issued by the State Department of Highways and Public Transportation. A glance at the list shows that Texans consider food a vital ingredient of festivities. Scheduled from October through March are dozens of competitive cookoffs featuring such dishes as pinto beans, rice, squirrel, turkey, armadillo, rabbit, yams and corn. Other cooks will apply culinary skills to cabrito, kolaches, barbecue, and the ubiquitous state dish, chili.

Among dozens of Texas outdoor events are several volksmarches, those popular, noncompetitive strolls for folks who simply enjoy a walk in the great outdoors.

With all the variety in more than 750 events, the new calendar can help plan close-to-home minivacations, where maximum entertainment can be found with minimum travel. Free copies are available at any Texas Tourist Bureau, or by mail from Calendar of Texas Events, P.O. Box 5064, Austin 78763.

Garden Club Luncheon Slated

Members of the Munday Garden Club will begin their new club year with a salad luncheon in the home of Mrs. Dan Offutt. The meeting is set for 11:30 a.m. Tuesday, October 2.

All club members and guests are welcome to attend.

THIS CAST OF PLAYERS will present "Goldilocks and the Three Bears" on Saturday night, October 13, in the high school auditorium. The production is sponsored by the Munday Entertainment Team. Tickets are available at Charles Baker's insurance office or by contacting Karen Longan at 422-4438 or Sherry Baker at 422-4395.

Children's Fairy Tale Production Scheduled Here

The Munday Entertainment Team has announced that a performance of "Goldilocks and the Three Bears" will be staged at the Munday High School auditorium on Saturday, October 13. Adult tickets for the 6:30 p.m. show will be priced at \$3, and young people school age and under will be charged \$1.50 for a seat.

The performance will be brought by Penguin Productions of Dallas. A professional touring company founded in 1979, Penguin Productions chooses actors through extensive auditions and interview sessions not only for performing abilities but also as technicians who will share the duties of setting up sound, lights and scenery at each new location.

Linda Coleman of Fort Worth will play Goldilocks. The parts of the three bears will be played by Alex Walker, Debbie Sapp and Beverly Jacob. Goldilocks' father will be portrayed by Jerry Bruzek, and Bryan Lake, the founder of Penguin Productions, will perform the role of an over-zealous hunter.

Ben Emerson Is Buried At Seymour

Ben William Emerson, 53, of Spring, died there Saturday, September 8.

A funeral service was held at 10 a.m. Tuesday, September 11, in Metcalf Guardian Funeral Home in Conroe with Rev. Bill Holt of the First Methodist Church in Angleton officiating. Graveside rites were at 4 p.m. Wednesday, September 12, at Riverview Cemetery in Seymour. Rev. Joe Ainsworth, pastor of the First Baptist Church of Seymour, officiated. Burial was under the direction of Seymour Memorial Funeral Home.

Pallbearers were Charles M. Massey of San Antonio, David Capp of Dallas, Bradley Emerson, Mickey Emerson and Bert Winbush, all of Big Spring, and Clyde Wallace of Lubbock.

Born April 8, 1931 in Rochester, Emerson had been a custom home builder and contractor in Spring and the Houston area for over 20 years. He and Peggy Massey of Munday were married July 8, 1952, in Seymour.

Survivors include his wife; his mother, Etta Huhs of Lamesa; two brothers, M. F. and John S., both of Houston; two sisters, Irene Williams of Lamesa and Maxine Scott of Orlando, Florida; and 25 nieces and nephews who were regarded as children.

He was the son-in-law of Charles and Lucille Massey, longtime residents of Munday who now live in Garland.

The family suggested memorials to be made to the Texas Heart Institute in Houston or the charity of the donor's choice.

GREYHOUNDS LOSE CLOSE CONTEST

Anson had to come from behind, then stop a last-minute effort by Knox City to take a narrow 20-19 victory from their hosts Friday night. The Tigers are now 2-0-1, while the Hounds drop to 0-3.

Anson took the lead on a Michael Tollerson pass to Mark Salas in the first quarter but lost it in the second period when Andy Correll passed for 11 yards to George Rocha and Shane Lewis kicked the extra point. The Greyhounds extended their lead to 13-6 in the third quarter as Adam Garcia returned a punt 45 yards for another score.

The Tigers narrowed the gap to 13-12 on Tollerson's one-yard run, then Luke Torres skipped 20 yards for six points and Tollerson plunged in for the two extra, giving Anson a 20-13 lead. But the Hounds were tasting upset, and a 67-yard pass from Correll to Rocha cut the Tiger lead to one. Deciding to go for the win instead of the tie, Knox City's try for two extra points failed, and Anson hung on to their second win.

PIPERS FREEZE OUT THE BLIZZARDS

In a game pitting the undefeated against the winless, the Hamlin Pied Pipers gave Winters no quarter, taking a 41-0 shutout over the Blizzards.

Hamlin scored on their first possession, with Mike Howerton running it in 37 yards. Coy McGee made it 14-0 on a 72-yard run, and Jeff Lawlis hit Bobby McGee with a 58-yard scoring pass for the third

TD. Tommy Chase intercepted a pass and ran it back 72 yards just before halftime to bring the Piper lead to 28-0.

Lawlis scored on the Pipers' first possession of the second half, and Howerton ended the night's scoring with a three-yard run in the fourth quarter.

HASKELL WINS FIRST GAME OF SEASON

The Haskell Indians raised their season's mark to 1-2 with a 20-7 win over the Seymour Panthers Friday night at Seymour. The Panthers also own a 1-2 record.

Seymour struck first, driving 57 yards on their first possession with Ernest Curley taking the ball in from the 30, then adding the extra point. Curley led all rushers with 107 yards on 16 carries, and the Panthers rolled up a big margin in yardage in the first half, but gave up too many fumbles to be able to take a substantial lead.

A fumble loss late in the first half gave Haskell the ball on the Seymour 20, and Robert Ivey made a big play on the touchdown run. The extra point failed, and the Panthers led 7-6 at halftime.

Haskell scored on its first possession of the second half, and that was the turning point in the game. Quarterback Todd Harris began finding his receivers, John Castillo and Kendall Larned, who both had touchdowns in the second half, and Ivey and Joel Torres took turns rushing through a tiring Seymour defense.

Reed Slaggle was outstanding on defense for the Panthers.

CHILLICOTHE WINS OVER NOTRE DAME

Chillicothe used an old "guard eligible" trick play to defeat the Notre Dame Knights of Wichita Falls by a 22-14 score.

The game was tied at 14 with four minutes left when the Eagles culminated an 87-yard drive with guard James Morris' scoop of an apparent fumble, which he carried into the end zone for the game-winning touchdown. Cleo Fobbs ran the two-point conversion. Notre Dame came right back, driving to the Chillicothe 8 before fumbling the ball.

The Eagles scored first on Randy

Boone's 77-yard run and a Bluford Jones kick. After a failed field goal attempt by Notre Dame, the Eagles forced a fumble and Jones carried the ball in and kicked the extra point to give his team a 14-0 lead at the half.

The Knights got on the board with a long, time-consuming drive which culminated in a Joey Wildhader pass for 20 yards to Robert Woodruff. The point after was wide. When the Eagles had to punt, the snap from center was high, and Notre Dame recovered. Three plays later, Noel Hernandez took the ball in, and carried for the conversion, knotting the game. However, the 2-1 Eagles capitalized on their stunt play to win the contest in the fourth quarter.

ARCHER CITY, HENRIETTA TIE

Going into Friday night's game the Henrietta Bearcats and Archer City Wildcats were 1-1. Now their records are 1-1-1 after settling for a 7-7 deadlock.

The Bearcats had a chance to put it away, but Robert Stallcup of the Wildcats intercepted a pass with 38 seconds to go to stall the effort.

Archer City took its first possession downfield for 63 yards for the first score. Steve Wright passed to Bobby James, who took the ball in from the 30, and Stallcup added the extra point. But strong defensive efforts halted the scoring from that point until late in the second quarter. Bearcat linebacker Randy Ward picked off a Wright pass and returned it 60 yards for the Henrietta touchdown. Roger Jennings kicked the extra point, and that was it for the night. Fumbles and interceptions ruined any scoring hopes of either team in the second half.

WINDTHORST SHUT OUT BY MUENSTER

It was all Muenster in this game; even though the team only scored nine points, it was plenty to defeat the Windthorst Trojans.

A safety by Tim Fleeman and a touchdown run by Leslye Wells, aided by Neal Flusche's extra point kick, gave Muenster a 9-0 lead at halftime, with Ronnie Fisher rushing for 189 yards to assist his team. Jason Berend completed 12 of 17 passes for the Trojans, who remained winless against Muenster's 1-2 record.

THROCKMORTON EDGES HAWLEY

A failed two-point conversion spelled defeat for the Hawley Bearcats, as the Throckmorton Greyhounds were able to hang on to a narrow lead and win the game.

Trampis Cox scored first for Hawley on a 49-yard fumble return, but the Hounds roared back on runs by Jesse Jimenez and Matt Glenn, with Ronnie Rankin kicking both extra points. Down 14-7 in the fourth quarter, Johnny New gave the Bearcats hope with a two-yard touchdown, but the two-point conversion attempt was stopped.

BRYSON LOSES TO PERRIN

It was a bad night for the home team as Perrin skunked Bryson 14-0.

The Pirates scored in the second quarter on a one-yard run by Jeff Welch, followed by a extra-point kick by Coby Bowsher. Bowsher kicked again in the fourth quarter after a Wayne Stevens run for six.

Bryson only had 61 yards total offense to Perrin's 164.

Goree Homecoming Set For October 20

Goree homecoming president Mona Pribyla would like to remind everyone that October 20 is the date set for homecoming festivities. Registration will be at 9:00 a.m., lunch from 12:00 to 1:30 p.m. and a program is scheduled at two o'clock featuring Ward Cooksey of Seymour as guest speaker.

All Goree graduates, teachers and friends should be making plans to attend this once every three-year reunion. For lunch tickets contact Mike Hord, Route one, Goree.

FORMER RESIDENT DIES

Doug Mowery, 18 years of age, died Sunday night, September 23, in an Oklahoma City hospital from injuries he received two weeks ago as a result of an automobile accident. Doug's father was the late Phil Mowery, who was a coach here at Benjamin in the early 70's.

His funeral was Tuesday, September 25, at 10 a.m. at the Nazarene Church in Kingfisher, Okla.

PLANS PROGRESSING

Last Monday, several members of the Texas Sesquicentennial Committee for Knox County met at the City Hall in Benjamin. Jan France, who is chairperson of the Wagon Train Committee, met with the group and explained the route the train will take on its trek through Texas.

It is estimated that about 100 wagons, 500 people and 500 horses will stay overnight in Benjamin during that trip. It will be in early June, 1986, but plans are already going forward to make their visit to Benjamin a memorable one, according to Janice Tolson, co-chairperson of the event for Knox County.

Those attending the meeting last Monday were Mrs. Tolson, Evelyn Balis, Jessie Roberts, Ernie Eaton and Mrs. France.

P.T.O. PICNIC NEWS

According to a spokesman, the annual P.T.O. Picnic held last Monday night, September 17, was a big success. Many parents, teachers and friends joined in for an evening picnic on the football field, with a business meeting to follow. Superintendent Ben Grill explained the new rules on absenteeism and limits of extra-curricular activities plus other school news.

The annual Halloween Carnival was also discussed. It was agreed there would be a carnival and coronation but there would not be a program as there has been in the past.

Janice and Buddy Tolson are chairmen of the bingo committee. Their committee members are Davey and Sue Oxford, Raul and Reyes Barrientez, Dickie and Laura McCandies, Homer and Jan Rolston, Kerry and Martha Cash and Rick and Myra Busby. Janice said (though it's not sure yet) that instead of going to all the business places for donations this year, they would like to contact each family in the school district for donations. So be thinking and if they call on you, be ready to help out. Baked goods, cash, homemade crafts - anything will be accepted and appreciated.

The other Halloween carnival committees will be announced later. Most of you know which one you are on, but if you have a doubt, watch this column for your name.

ABOUT OUR SICK

P. H. Pierce remains in critical condition at Bethania Hospital in Wichita Falls. Lee Snailum is a patient in a Plainview Hospital. A card to either of these men, sent to their address here, would be most appreciated by them and their families.

HERE 'N THERE

Nell Alexander, who had been taking treatments at Lubbock and staying in the home of her son and family, the Alvin Alexanders, returned home Saturday. Reports are that Nell is feeling fair most of the time.

Mary Barrientez and Eddie Romo of Denton were weekend guests of their parents, Raul and Reyes Barrientez.

Corrine Parrish of Franklin was a Saturday guest of her sister and brother-in-law, Bobby and Philomae Roberson.

Don't wait till the last minute. Turn your news in as early as possible. The Munday Courier, 422-4314.

THIS YARD OF THE WEEK selection belongs to Mr. and Mrs. Ray Moore and is located at 540 W. Irving. No doubt this grass and the flowers, just like all the others in town, will benefit from the light rain received Tuesday morning. The yellow blooms in these beds are a cheerful sight in front of the Moores' neat home, and Munday Garden Club judges apparently liked what they saw.

FORMER RULE TEACHER JOINS MUNDAY STAFF

One Munday public school member has a wide geographical span in her experience record.

New to the elementary teaching staff this year is Mrs. Anna Decker, a graduate of McMurry College. She has taught one of her years on an army post in Puerto Rico.

Formerly a first grade teacher in Rule, she is now taking over the duties left vacant by Mrs. Mildred Lane, who is now teaching in Stamford.

Mrs. Decker has a daughter in the fifth grade and a son in the fourth grade.

DRUG STORE CLOSES AFTER SIXTY YEARS

All good things must come to an end. And so it will be as Eiland's Drug will be closing its doors on October 5, 1968.

The drug store was originally founded in 1908 by Walter Cousins, and was known as Cousins' Drug Store. The Eiland brothers purchased the store from him and Mr. Leland Hannah became manager in 1924. He later purchased the store but retained the name of Eiland's Drug. Jesse Smith bought the store from Mr. Hannah in 1961.

During the years Jesse has been owner-operator of Eiland's Drug, he has filled over 51,000 prescriptions and 70,000 refills.

LOOK WHO'S HERE

Mr. and Mrs. Ronnie Ward are announcing the arrival of their pretty little black headed daughter, Teresa Dianne. She was born October 29, 1968 and weighed 6 lbs., 15 1/2 ozs., and was 18 inches long.

Her three-year-old sister, Gina Sue, was real happy although she was expecting a little brother along with her mom and dad, but they changed their minds and decided it was a little girl they needed all the time.

Grandparents are Mr. and Mrs. Alton Ward of Knox City and Mrs. Johnnie Gray of Munday.

For the past five years Munday has been his home and he has engaged in both farming and teaching at MHS.

Jungman Services Are Held Thursday

Carl A. Jungman, 76, of Vernon, father of a Munday resident, died Wednesday, September 19, in Wichita General Hospital.

Rosary was at 7 p.m. that night at the Sullivan Funeral Chapel in Vernon. Funeral mass was at 2 p.m. Thursday, September 20, at Holy Family Catholic Church with Rev. Rudolph Renteria, pastor, officiating. Burial was in St. Joseph's Catholic Cemetery in Rhineland with Sullivan Funeral Home in charge of arrangements.

He was born December 19, 1907, in Hamilton and was a longtime resident of Wilbarger County. A retired ginner and mechanic, he was a veteran of World War II and a member of Holy Family Catholic Church.

Survivors include a daughter, Ida Jo Owens of Munday; a son, Henry Michael Jungman of Austin; a sister, Allene Barnett of California; a brother, Victor of Santa Monica, California; and three grandchildren.

Class Leaders, Favorites Chosen

Brief class meetings have been held at Munday High School for the purpose of electing class officers.

Leading the senior class in its final year will be Janet Myers, president; Mary Jane Kuehler, vice-president; Carol Pennartz, secretary-treasurer; Ron Redder, reporter; and Kelli Smith, student council representative. Pam Welch and Greg Urbanczyk were named class favorites.

Junior officers include Laura Myers, president; Salwa Choucair, vice-president; Kelly Wren, secretary; Ann Kuehler, treasurer; Tammy Decker, reporter; and Mark Brown, student council representative. Class favorites are Salwa Choucair and Randy Kuehler.

Howard McPherson is president of the sophomore class. Other officers are Karen Kuehler, vice-president; David Hertel, secretary; Amy Parker, treasurer; Jeff Bruce, reporter; and Jimmy Sosa, student council representative. Jeff Bruce and Karen Kuehler are class favorites.

Heading the freshman class is Sam Hunter, president. He is assisted by Alexis Bordovsky, vice-president; Debbie Brown, secretary-treasurer; Anthony Stinnett, reporter;

and Glen Reid, student council representative. Alexis Bordovsky and Anthony Stinnett were named class favorites.

The girl favorites in each class will also serve as candidates for the 1984 Homecoming Queen. The queen will be crowned at the Munday-Knox City football game Saturday, October 6.

Locals Place In Fair Lamb Show

Several local youths placed at the West Texas Fair lamb show held over the weekend in Abilene. Approximately 340 contestants participated in the show.

Missy Reneau was fifth in lightweight finewool crosses, and Robin Reneau was tenth in that class. In mediumweight finewool crosses, Todd Thompson placed 14th.

In the lightweight mediumwool class, Bryan Latham was seventh and Todd Thompson was eighth. Tyler Thompson placed fourth in mediumweight mediumwools, and also finished ninth in the heavy-weight Southdown division.

These young people are the children of the John Reneaus, Larry Thompsons and Ruddy Lathams. Several other Knox County youngsters entered the show but failed to place.

Police Report

During the period of July 23 to September 23, the Munday Police Department issued 27 traffic citations and 33 warnings. Officers conducted twelve motorist assists, helped the fire department twice and escorted four funeral processions. One warning of traffic hazards was given, and two accidents were investigated.

Several assaults were reported and investigated during the period. One victim assaulted by threat of bodily harm would not press charges. Another suspect was arrested for aggravated assault with use of a deadly weapon, but the victim then dropped charges. Three additional assault charges were investigated, and in each instance the victim dropped charges.

A two-year-old child reported lost was found and returned to the parents, and two emergency messages were delivered. Three disturbance calls were investigated, as was a report of vandalism at the golf course. One fire inspection was conducted, and one warning was issued for a fire hazard.

Six dog warnings were given and three stray dogs were shot. One dog was picked up by request, and three skunks were shot.

Burglaries and thefts reported included one theft of battery, value \$75; one burglary of vehicle battery, value \$100; one burglary of a store-room, value unknown; one theft of a \$50 battery which was recovered; one theft of a motor bike, value \$300, recovered; one theft of a lawn mower, value \$50, recovered; one burglary of residence, value \$900, items recovered. Two suspects were jailed within 12 hours of the burglary.

The department assisted the Sheriff's Department, the Ambulance Service, the Department of Human Resources, the Department of Public Safety and the Knox City Police Department, and were assisted by these agencies many times.

Six-Man Football Game Results

Rochester won its first game of the season Friday night, defeating the Benjamin Mustangs 22-20 and dropping Benjamin to 1-2 for the season.

Benjamin led 14-0 at the half on touchdown runs by Jeff Pierce and extra point passes from Pierce to Toy Reed. But the Steers came back in the third quarter for three scores, two by Joe Mark Wyatt and one by Richard Shaver, who caught a pass from Paul Ortiz. Ortiz kicked two extra point efforts as well. The Mustangs rallied for one final touchdown, with Toy Reed carrying an 11-yard pitch from Pierce, but the two-point conversion failed and Rochester kept the win.

At Goree, Louis Perez went on a rampage, scoring five touchdowns to lead the Weinert Bulldogs to a crushing 47-6 defeat of the Wildcats. Weinert is 3-0 for the season, while Goree falls to 1-2.

Kevin White and Shannon Forehand also scored touchdowns for the strong Bulldogs, and White, Forehand and Ricky Perez made good on extra-point conversions.

OFFICERS FOR THE Benjamin Future Farmers of America chapter were elected at a recent meeting. They are, from left, Amy Griffith, president; Becky Griffith, treasurer; Sue Gideon, reporter; Stacia Ryder, sentinel; and Lorrie Rolston, vice-president. Glen Heard, secretary, is not pictured. Dick Dickson is the group's advisor.

Benjamin FFA Officers Chosen

The first meeting of the Benjamin FFA chapter was held Thursday night, September 6, in the vocational agriculture building.

New officers for the year are president, Amy Griffith; vice president,

Lorrie Rolston; secretary, Glen Ray Heard; treasurer, Becky Griffith; reporter, Sue Gideon; and sentinel, Stacia Ryder. Advisor is Dick Dickson. Chapter sweetheart is Sue Gideon, who will represent the chapter at the district FFA sweetheart contest in November.

Dues were set and refreshments served after the closing ceremonies.

Poultry Workshop

If you have priced chicken lately you know it is more economical to purchase a whole fryer as opposed to the pre-cut fryers. But many of us do not know how to go about cutting up a chicken. We can remedy that!

On Thursday, October 18, we will be conducting a poultry workshop. It will cover cutting up and deboning as well as new ideas in cooking, and will begin at 10:00 a.m. in the Munday Community Center. Everyone will actually cut up a chicken and then we will prepare a meal with some of them.

Each participant will need to bring a whole fryer, cutting board, sharp knife, bowl and paper towels, to help defray costs of the workshop, a \$2.00 registration fee will be charged.

To participate, you must send your name, address and phone number along with your registration fee to me at Box 22, Benjamin, TX 79505 by October 12. If you have any questions, give me a call at 454-2651. We feel this will be a very informative workshop you won't want to miss. It is sponsored by the Knox County Family Living Committee.

Carpet Selections

Bright and light carpet colors are a poor choice for high traffic areas because soil will show up quickly. Tweed or shags tend to hide soil and dirt. Low, level-loop construction shows wear much less than plush carpets. Nylon is the most popular fiber for carpets, but good service is not guaranteed by any one fiber. Carpet performance depends more on the nature of the yarn, pile density and carpet construction. You generally get what you pay for.

Rolling Plains Economic Program

The annual Rolling Plains Economic Program will hold its annual meeting and program Friday, October 5, in Vernon. This year's program will focus on "The Secrets To Survival Of Agricultural Families". One session will deal specifically

with "Stress and the Family". If you are interested in attending, contact the extension office as soon as possible to pre-register. A registration fee of \$7.50 will be charged and will include the noon meal.

Oil and Fat Consumption

USDA researchers say that each person consumes an average of 135 pounds of fats and oils each year. The "visible" fats and oils, such as lard, butter and corn oil, used in cooking and flavoring foods account for 54 of the 135 pounds.

Junior High And JV Game Results

The Munday junior varsity and junior high teams completed a sweep against Rotan, winning both games Thursday night at home. This was the third straight victory for the Mogul JV.

Quarterback Anthony Stinnett led the junior varsity to a 55-0 blitzing of Rotan. J. B. Jones and Jeff Bruce also had good games, contributing scores to the Mogul effort. Coach Edwards said everyone on the team played well.

The Braves combined seventh and eighth grade squads to take a 20-14 win over Rotan in the final 10 seconds of the game. A long pass from Terry Collier to Marc Andrade was the game-winning play.

These teams will host Anson on Saturday morning, September 29, for this week's games. The seventh grade game begins at 10 a.m.
