City Commission Sanctions Safety Program Sponsored By Olton P-TA

Olton City Commission Tuesday night pledged full cooperation with the Parent-Teacher Association safety program.

Meeting with the commission was Rev. Charles A. Littleton, P-TA safety committee chairman.

The P-TA has set up a school patrol made up of boys who volunteered for the job.

The boys assist youngsters to cross busy street intersections safely. The P-TA has asked motorists and pedestrians to obey these schoolboy patrolmen. Prosecution could result from failure to do so.

Signs will be posted around the bus parking-area forbidding entry between 8 o'clock in the morning and 4 o'clock in the afternoon. "These signs must be obeyed," the P-TA representative declared.

The P-TA will secure and show two films on safety this year. The showings will be for the public.

The P-TA asked and received a three-point safety program from the city commission.

1. Fifteen-mile-per-hour zones will surround the school. This speed limit will become effective as soon as signs are available.

2. Stop signs will be erected at the Avenue G intersection adjacent the school.

3. Cross walks will be painted on streets around the school.

Rev. Littleton called upon the public to make the area around the Olton School the safest such area in the state.

"This is a big job," the safety chairman declared, "and we're going to need the help of every one to make it effective."

TELECAST MAKES COURT ROOM HISTORY

Judge Drummond Bartlett, son of L. D. Bartlett of Olton, is the presiding judge at the murder trial of Harry L. Washburn in Waco.

The proceedings were telecast Tuesday in what was probably the first television broadcast of any court trial.

Judge Bartlett voiced approval of the telecast.

HART GIRLS WIN FIRST IN TOURNNEY

HART—Texline placed first, Adrian second and Quail third in the boys division of the Hart Invitational Basketball tournament last week.

Nazareth won the consolation bracket. Hart's Featherston made the tournament second team.

But it was in the girls' bracket that the Longhorns won the laurels.

The Hart sextet took first place in the tournament and placed two girls on first all-tournament team and two on the second team.

On the first team was Rue Smithman at forward and Virginia Davis at guard. On the second team were Ione Van Vliet and Joyce Bowden.

Charles Barnard is Hart basketball coach.

Football Games Net Over \$6,000

The Olton athletic fund netted a total of \$6,178.57 from the 11 football games in which the Mustangs participated this year, according to figures in the office of R. E. Porter, school business manager.

Regardless of whether games are played at home or away, gate receipts (after expenses for officials, etc.) are split equally between the two participating schools, it has been explained by Supt. Carl Macon.

Olton's share of the gate receipts for 11 games this year are as follows:

Abernathy (away)	\$ 521.18
Morton (here)	343.10
Slaton (here)	349.50
Dumas (away)	974.15
Spur (away)	426.50
Muleshoe (here)	298.38
Tulia (away)	187.25
Lockney (away)	268.25
Littlefield (here)	743.18
Dimmitt (here)	468.05
Phillips (at Plainview)	1599.03
Total	\$6178.57

REAPPOINTED—School trustees Tuesday voted renewal of Carl Macon's contract as superintendent of schools here for the 1956-57 school year. Mr. Macon currently is serving his fourth year as superintendent of the local school system. He also is Lion Ross of the Olton Lions Club.

Lions Club Ladies' Nite Next Week

Ross Buckner, superintendent of schools at Seagraves, will be principal speaker at the annual Lions Club Christmas party and Ladies' night next Tuesday.

The party will get under way at 7:30 o'clock in Legion Hall. Members of the group will exchange gifts.

Girls Elect Cage Captains

Brookie Johnson and Anita Sorley have been elected as co-captains of the OHS girls' basketball team, it was announced this week by Miss Louise Boyles, coach.

Both girls are juniors. Team managers are Shirley Nichols and Beverly Roberson.

ENFORCE FIREWORKS ORDINANCE

City officials this week promised strict enforcement of the Olton anti-fireworks law.

The law, passed by the commission of 1947, makes it unlawful to sell or set off fireworks inside the city limits of Olton. Violation of this law calls for a fine of not less than \$5 or more than \$100.

Frances Williams Expected Home

Frances Williams, 5-year-old daughter of Mr. and Mrs. J. A. Williams, is expected home this week-end from Bastrop, where she has been under treatment for spinal meningitis.

An attending physician told Mr. Williams last week that the little girl is now "free of all disease."

Mrs. Williams has been staying at Bastrop with Frances, who has been under the care of an uncle, Dr. S. M. Hardt.

SPECIAL CHAMBER MEETING SLATED FOR MONDAY NIGHT

Fire Department Christmas Trees On Sale Here

Fire Department Christmas trees have arrived and are on sale at Bob's Fruit Market.

Proceeds from the sale will go to the fire department.

Meanwhile a fire department box supper brought in \$200 Tuesday night as the fire boys started a drive for a truck to serve the surrounding country side. Another \$90 has been contributed to the cause.

Firechief Tom Smith said the department will ask for donations for the \$12,000 truck in the near future.

He explained that two trucks are needed because one truck must stand by in town at all times. The department has only one truck at present.

Two OHS Girls Are Selected For All-State Choir

Two Olton High School students, Laquita Huckabee and Janice Ford were chosen on the All-State choir, which is composed of outstanding high school singers all over the state.

Bringing honor to themselves and Olton, Laquita and Janice had their try-outs at Lubbock. Laquita won first out of 20 competitors and Janice, out of 30.

The girls will sing at the Texas Music Educators Association this spring in Dallas. Peter J. Wilhaukas, who is an outstanding director in America, will direct the 300-voice choir.

Three other OHS students tried out for the All-State choir. They were Becky Herndon, Yvonne Huff, and Jerry Davis.

Schools To Close For Yule Holiday On December 21

Olton public schools will dismiss for the Christmas holidays at 2 p. m. Wednesday, Dec. 21, it was announced this week by J. A. Williams, high school principal.

Classes will resume on Monday morning, Jan. 2.

First semester examinations are scheduled for Wednesday and Thursday, Jan. 11-12.

County Quota Down 14,000 From Last Year

Today's mail brought bad news to most Lamb County farmers.

Their individual cotton quotas for 1956 will be off about seven percent. C. E. Hill, office manager for the agricultural stabilization and conservation office said the quotas were mailed to county farmers Wednesday.

He said the county allotment for 1956 is off about 14,000 acres compared to the 1955 quota.

Lamb County is allotted a base of 184,648 with some 5,300 acres out of the states reserve and another 260.1 acres for farms with less than 15 acres allotted.

The grand total comes to about 190,000 acres.

Lamb County is again the third ranking cotton county of the state.

Lubbock County got the top number of acres and Dawson County was second.

Meanwhile, in an obvious bid for the backing of agriculture in the 1956 presidential campaign, Secretary Ezra Taft Benson announced that the Eisenhower administration is "exploring the possibility of restoring 90 percent price supports on top quality products only."

Cotton Harvest, At 29,824 Bales, Nearly Complete

Harvest of Olton's cotton crop stands only 176 bales short of the 30,000 bale mark.

A Wednesday afternoon survey showed that local gins have weighed in a total of 29,824 bales, as compared with the 26,109 bales reported a week ago.

Ginners say the harvest is "at least 95% complete." They estimate that cotton being ginned now is bringing an average 25½¢ per pound.

OHS Cage Teams To Participate In Abernathy Tourney This Week

Olton boys' and girls' basketball teams will participate this week-end in the Abernathy invitational basketball tourney.

Both local teams have drawn host Abernathy as a first-round opponent. Coach Joe Turner said yesterday. The girls will meet Abernathy at 8 p. m. this Thursday, and the Mustangs collide with the Antelope varsity at about 9:30 p. m. Tourney play will conclude on Saturday.

Entries in the big invitational tournament include Abernathy, Ropesville, Meadow, Sundown, Avoca, Tahoka, Floydada and Olton.

Look Strong

Abernathy will be favored to cop top honors in the girls' division of play as result of a recent win over the Dimmitt Bobbies, last year's state champions.

The Mustangs will enter the tourney with less practice time under than belts than most of the participants as a result of

Probable Starters

Probable starters for the Mustangs will include Clyde Rhodes at the pivot, Jarrell Edwards and Teddy Estes at forwards, and Jackie Gray and Kirk McAdams at guards.

Wally Stewart, who suffered a broken nose in the bi-district grid game against Phillips, may see action during the Abernathy tournament, Coach Turner said. The Mustangs dropped a 42-34 decision to Hereford at Hereford on Monday night. At Floydada on Tuesday, the first-moving Whirlwinds thumped the Mustangs, 50-30. Rhodes canned 14 points for the locals.

The OHS girls tried Floydada, 36-31. Brookie Johnson looped in 17 points and Betty Sides had 13 to pace the winners.

Lamb Farmers To Vote on Cotton Quotas In Referendum Next Tuesday

Cotton growers have an important decision to make next Tuesday, December 13, 1955.

On that date, growers will vote in a referendum to decide whether marketing quotas will be in effect for their 1956 upland cotton crop.

If at least two-thirds of the growers voting approve the quotas, marketing quotas will be in effect on all farms growing upland cotton in 1956, penalties will apply on "excess" cotton, and price supports to these growers who comply with their cotton acreage allotments will be available at the full level of effective supports.

Under current legislation, this

support will be between 75 and 90 percent of parity, the level depending upon the supply situation at the time the determination is made.

If more than one-third of the growers disapprove quotas, there will be no marketing quotas or penalties, but price supports to eligible growers (who comply with their allotments) will be available at 50 percent of parity.

In either case, acreage allotments will continue in effect for the 1956 cotton crop. The Secretary of Agriculture is directed to proclaim marketing quotas for the next upland cotton crop when the cotton supply exceeds normal.

Quotas are not put into operation, however, unless they are approved by at least two-thirds of the growers voting in a national referendum on the question.

All farmers and their wives who produce cotton in 1955 are eligible to vote in the referendum. Farmers may vote at one of the following places: Earth Elevator, Earth; Sudan Elevators, Sudan; Roy L. Byers, Elevator, Littlefield; City Hall, Olton; Roy L. Byers, Elevator, Springlake; and Lamb County A.S.C. Office, Amherst.

Polling places will be open from 8:00 a. m. to 6:00 p. m.

"We Planned for MODERN ELECTRIC Living!"

says MRS. JOHN C. CORNELL

2720 WALLACE STREET CLOVIS, N. M.

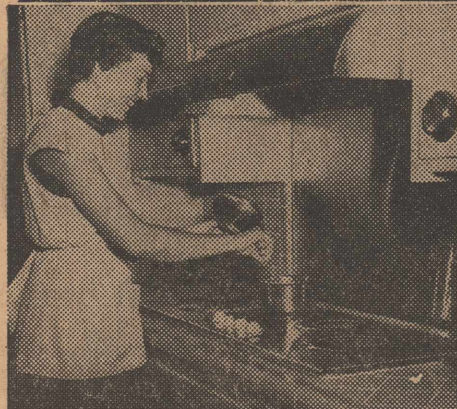

When you plan for modern electric living, as the Cornells did, you plan for pleasant, gracious, comfortable living.

"My husband's experience in the home building business helped us in planning enough outlets and wiring circuits to enjoy all of our electric appliances."

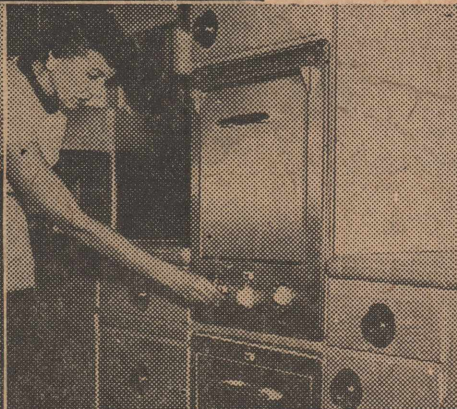

You, too, can call on the experience of your

builder and qualified electrical contractor for electric wiring that will meet your present day needs — and those of the future. Good home wiring — the lifeline of pleasant electric living — never costs less than it does when you are building a new home.

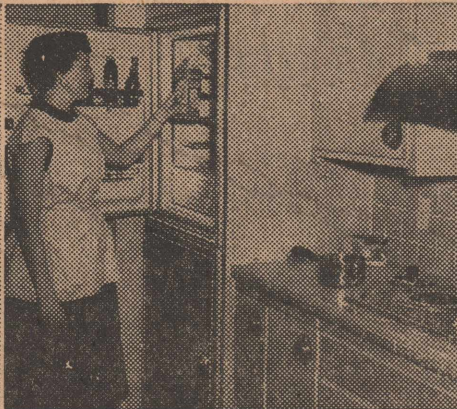

Plan for modern electric living, as the Cornells did, and you plan for living at its best.

Mrs. Cornell's all-electric kitchen features built-in electric range and refrigerator units. "We chose built-ins because of the convenience and space saving features which they offer."

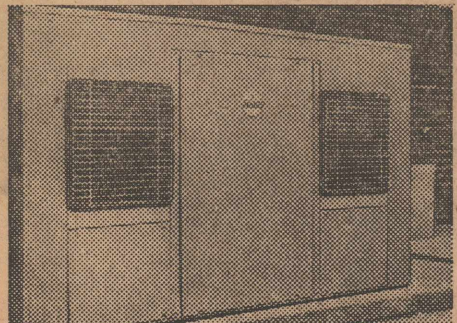

"Automatic and exact", that's the kind of heat Mrs. Cornell gets from her electric range. And that's the kind you'll get from an electric range, whether your choice is for built-in units or a conventional range.

"Plenty of freezer space was one of our goals in planning our new home. This built-in freezer-refrigerator takes very little space, and gives Mrs. Cornell plenty of right-at-hand food storage capacity."

"Our electric washer-dryer combination is wonderful because I can do my laundry at any time — day or night — with such little effort". Here's the real beauty of electric living, you can do the work when you want to, and, because it is done electrically, there's less work to do.

Heating and cooling are wonderful jobs to give electric service, too. Clean, safe, modern — and, most important of all, healthful, because accurate temperature control is always yours electrically.

Holt Asks Early Mailing Of Xmas Cards

Reporting that his "Mail Early for Christmas" campaign is really in high gear, Postmaster I. B. Holt today gave some helpful hints on how you can be sure that your Christmas cards will reach everyone on your list before December 25th.

"When you use three cent stamps on your Christmas cards, you get first-class mail service," he said, "first-class friends deserve first-class mail and the use of first-class postage makes it certain that your Christmas cards will be delivered promptly. Also, use of first-class postage insures forwarding service if the addressee has moved or the card will be returned to you if the recipient can't be located. Then, too, on Christmas cards sent by first-class mail, you can include handwritten messages making your greetings more personal."

If it perfectly correct and, in fact, advisable to include your return name and address on each Christmas card envelope. This helps your friends to keep their mailing list up-to-date and insures correction of your list if the card is returned as undeliverable.

Postmaster Holt warns that if any of your Christmas card envelopes are larger than 9" x 12" or smaller than 2 1/4" x 4" they must be sent by first-class mail because such cards require hand cancellation.

When your Christmas cards are ready to mail, you will do both yourself and the Olton Post Office a real favor by putting the cards with local addresses in one bundle and those for out-of-town destinations in another. Then mark each bundle with special identification labels you can get free at the Post Office which read "All For Out-of-Town Delivery" and "All For Local Delivery."

If you have a large card list mail your out-of-town Christmas cards several days in advance of those for local delivery and try to get all cards for distant points mailed by December 15th and those for local delivery should be started on their way at least week before Christmas.

GUEST AT BROTHER'S

Rev. W. R. Aldridge is visiting
this week in the home of his
brother in Hobbs, N. M.

ACCORDING TO THE WORD OF GOD— WHAT ARE SOME OF THE DIVINE EXAMPLES AND COMMANDS ONE IS TO FOLLOW IN OBSERVING THE LORD'S SUPPER?

ACCORDING TO THE WORD OF GOD—one is to
observe the LORD'S SUPPER as follows:

WHERE? Jesus said after he had taken the bread
and fruit of the vine and blessed them, "I shall not drink
henceforth of this fruit of the vine, until that day when I
drink it new with you IN MY FATHER'S KINGDOM (THE
CHURCH)" (Mat. 26:29; Mk. 14:25).

WHAT ELEMENTS ARE TO BE USED ON THE LORD'S
TABLE? "And as they were eating, Jesus took BREAD,
and blessed, and brake; and he gave to the disciples,
and said, Take, eat; this is my body. And he took a cup
and gave thanks and gave to them, Drink ye all of it; for
this is my blood of the covenant, which is poured out for
many unto the remission of sins (Mat. 26:26, 27; Mk. 14:22-
24).

WHEN? "And UPON THE FIRST DAY OF THE WEEK,
when we were gathered together TO BREAK BREAD,
Paul discoursed with them" (Acts 20:7). One will note
that every week has a FIRST DAY. When the Jews were
asked to remember the Sabbath Day, they remembered
EVERY SABBATH DAY.

HOW? "Wherefore whosoever shall eat the bread
or drink the cup of the Lord in an unworthy manner, shall
be guilty of the body and blood of the Lord" (1 Cor. 11:27).

WHY? "For as often as ye eat the bread, and drink
the cup, ye PROCLAIM THE LORD'S DEATH till he come"
(1 Cor. 11:26).

ACCORDING TO THE WORD OF GOD—one must
be in the KINGDOM (THE CHURCH) to observe the Lord's
Supper; have only THE BREAD and THE FRUIT OF THE
VINE at the Lord's Table; observe the Lord's Supper on
THE FIRST DAY OF EVERY WEEK; in a WORTHY MAN-
NER; and observe the Lord's Supper in remembrance of
Him (Christ) who died for all.

In order that one may observe the Lord's Supper, he
must obey the gospel first, by believing the Lord's word;
repenting of his sins; confessing that Christ is Lord; and
being baptized into Christ.

OLTON TEEN-AGE NEWS
BY YVONNE HUFF

Congratulations to Laquita Huckabee who was chosen to sing in the 1956 All-State choir. Janice Ford was also chosen as alternate for the choir. They will go to Dallas about the middle of February for the clinic.

Both girls were chosen for the alto section.

Joe Miller and Sydney Hair seem to be together more and more. What about this, Joe??

Seems like twirp week may have opened the road for many girls with bashful beaus. Some of the lucky boys seen with a girl, who is to furnish the car, money, and eats, were Jack Royce Straw, James Ray Hyatt, Kent Wozencraft, Waylan Hukill, Joe Miller, and others.

Betty Wheeler is all excited

about her wedding which will be December 17. The best of everything to you, Betty and Jim. We wish you all the happiness in the world.

Jack Hysinger was really lonesome Monday. Seems he hadn't seen Janice Ford for two days.

Wonder why Dewey Hukill wanted the F.T.A. to hurry back from Midland. Could Mary Scribner be the reason? What about this, Dewey?

Nell Smith seems to like a certain senior boy at Hale Center. Guess all girls kinda like football players, right Nell?

Laquita Huckabee spent Sunday afternoon in Hale Center. Someone must be mighty interesting over there or I miss my guess.

How does John Jefferies get so many earrings in his car. Reckon the girls just store them there?

LaJuana Stovall seems as happy as a lark. We are also happy for you, LaJuana. She recently became engaged.

Well, Christmas is getting closer all the time. Excitement grows, closets fill up, pocket-books get flatter and you hope your hints have been subtle and yet not too subtle. Everyone is asking a friend what another friend would enjoy. Boys and girls are worried, and hunt for hours for just the right gift. By the way, if you want to know how to find out what a certain person wants, let me know. I'm at your service, OHS'ers!

Jerry Edmonson and Edward Feathergill seem to have a way of getting along with their girls. Our hats are off to them!

The junior class is having a bake sale Saturday from 9 a.m. to 3 p.m. The goods will be at Sherman, Cashway and Botkin grocery stores. They are raising funds for the banquet which they are to give the seniors. Cakes, cookies, pies, candy and popcorn balls will be sold. All patronage will sincerely be appreciated.

Seems like Alvin Wallace and Donna Burrow are getting up quite a case. Right?

What's this about those pictures Kay Sherman and Doniece Silcott had of Edward Feathergill.

Barbara Jones and Janice Ford ran for parliamentarian and financial secretary at Midland for the F.T.A. district officers.

Barbara Jones and Donald Powell, along with Janice Ford and Jack Hysinger, went to Plainview Saturday night.

The West Texas State Choir will be here Tuesday, December 13, for a night concert. It will be at 8:00 p.m. in the high school

auditorium and is sponsored by the Olton High School and Junior High Choirs. The admission will be 25c for children under

10 years of age and 50c for students and adults.

Notes To You

BY NELDA ROACH

The basketball boys that were entered in the tournament at McAdoo didn't do so good. That is understandable for they only had three days of practice before going. Thursday, SHS boys lost to Gurrard and Friday to Jayton.

Lazbuddie had the privilege of being the first team to play basketball in our new gymnasium. The game was last Tuesday night with the "A" and "B" girl teams playing. The "B" team won but the "A" team lost.

"A" girls team is entered in the Happy tournament scheduled for Thursday, Friday and Saturday of this week. Springlake will play Tulia for their first game, Thursday at 2:15. Everyone be sure and support our basketball clubs and give these players a little spirit!

Max Neal was dating Charlene Hamilton and an owl Sunday afternoon. He had a great big owl perched in the back seat of his car and Charlene was

perched in the front seat. The owl was captured on the Methodist front lawn Saturday night. What a cute trio!

Carol Hamilton is one little girl that really gets the dates! Saturday night she was with Davey Taylor and was with Bob Angeley Sunday night after MYF, at the drive-inn.

Charlene Hamilton, Nita Meser, Janis Jones, Nelda Roach and Barbara Brock left school Friday and went to the tournament at McAdoo. Did you girls get into any trouble?

Kay Haberer and Shirley Green were in McAdoo Thursday and Friday. Ronald Sandel, Rex Loftis and Jimmy Herring came back with them.

Richard McCaskill and Barbara Brock went Christmas shopping in Lubbock, Monday. They were together every night last week and sometimes in the afternoons.

Levelland would be the place to find Kay Haberer and Jimmy Herring Saturday night. Now why go to some secluded place like Levelland for a date? Kay was with Ronald Sandel Sunday night in church.

Rex Loftis took Pat Armstrong home from the movie Sunday night. Rex, what happened to you and Carol?

Janis Jones had her eighteenth birthday Wednesday and it was so nice of the lunch room ladies to sing "Happy Birthday" to her during the noon hour! A. J. Phillips gave Janis a beautiful watch band. These two were together Wednesday, Friday, Saturday and Sunday.

Shirley Chaney and Judy Templeman were in Littlefield Saturday night riding around with a certain Clarence Monroe. Did you three enjoy yourselves?

trick and write "Just Married" Barbara Lott and A. C. Lewis were together one night last week. Who would pull a mean all over A. C.'s car? Barbara, has anyone asked you about it?

Peggy Ussery, Robert Riley, Bud Watson, Beverly Stine, Phillip Jennings and Shirley Green were supposed to triple date Monday night but it turned out to be a double-date. Phillip was left out because Shirley stood

him up. Wonder what will happen next?

Joe Edd Wheat is the proud owner of a new 1956 Crown Victoria Ford, black and white. It certainly is pretty and he must be extra proud of it!

Noticed some of the boys who have their own cars are decorat-

ing them for Christmas. This is something new and it sure does look nice!

Rita Crawford, Butch Foreman, Beverly Provence and Clifford Cook were present for the Wednesday night church services.

Couples in church Sunday night were Sharon Hay, Sey-

mour Evans, Jimmy Herring, Elaine Riley, Sherry Stine and Eddie Haydon.

A great deal of talent is lost in this world for the lack of a little courage.
