Petition In: Election Out?

Petitions which have been circulating in Precinct Three the past thirty days were turned in to the county clerk's office Wednesday just at closing time bearing 177 names, a margin of only eight over the required 169 to call an election.

However, according to an opinion written by County Attorney Perry O. Barber at the request of County Judge Bill Carter, an election cannot legally be held in that precinct anyway.

At issue, according to the opinion, is the fact that the petition calls for the same type election as was held in Precinct 3 in November and is stated in exactly the same words.

Petitions circulating in Precincts One and Two will be turned in today because they were applied for a day later.

Bob Tammen, backer of the previous elections in both Precinct Two and Precinct Three, both of which were defeated, said that if the election is not called, he will file suit.

County Clerk Marie Bassham talked to an attorney in Mark White's office in Austin before issuing the petitions which were turned in Wednesday. According to Leroy Beck, the attorney in Texas Secretary of State White's office, the issue could be put up to vote again and stated in exactly the same words, if backers would pay for the election and not the county.

Tammen posted the required amount of \$386.75, 25 cents per registered voter in the precinct, when he requested the petition. He cannot get that money back, whether the election is called or not, according to a legal paragraph cited by Judge Carter.

However, according to Barber's opinion, the issue cannot be put to vote again in a 12-month period.

County commissioners have their next regular meeting Jan. 13 and at that time, the petitions will be certified and the matter decided. There must be 169 names certified, that means checked as to legal signature, address and voter registration number.

Quarterly CAP Funds

Congressman Omar Burlison announced the approval of a \$60,210 Community Service Administration grant to the community Action Council of Taylor, Mitchell, Stephens, Jones, Kent, Stonewall, Knox, Throckmorton, Shackelford and Haskell Counties with headquarters at Abilene.

The grant will run for three months beginning January 1, 1976 and will provide for management and administration of the Community Action Agency, will also provide for outreach and referral services to approximately 1200 participants through the neighborhood service center program.

Lions Plan Chili Day

Saturday is Chili Day in Colorado City as the Noon Lions have set two serving times at the civic center: 11 a.m. until 2 p.m. 5 until 8 p.m.

The menu includes chili & beans, salad, cobbler and tea or coffee. There will also be entertainment.

Tickets are \$1.75 for adults and \$1.25 for children under 12.

Barber's opinion states: "Art. 666-40 Penal Code, sets out six different issues, any one of which may be submitted to the voters in a local option election in any county, justice precinct, or incorporated city or town. Art. 666-32 provides: 'In any election ordered by the commissioners court, the issue ordered to appear on the ballot shall be the same as that applied for and set out in the petition. No subsequent election upon the same issue shall be held within one year from the date of the last preceding local option election in any county, justice precinct, or incorporated city or town.'

On November 4th, 1975, there was a Local Option Election held in all of Precinct #3, Mitchell County, Texas, upon the following issue: 'For the legal sale of all alcoholic beverages for off-premise consumption only.' The vote for said issue was FOR 356, AGAINST 425.

On Thursday, November 6th, 1975, the proponents requested an application for a petition from the County Clerk office on exactly the same issue, in the same precinct.

It is my opinion that no election may be lawfully held on the same issue submitted to the voters of Precinct #3, within 12 months from and after November 4, 1975. Fox vs. Burgess (Texas Supreme Ct., 1957) 302 S.W. (2) 405."

Tentative Bond Issue Election Date March 6

Tentative date for a city wide bond issue election was announced at the city council meeting Tuesday night for possibly March 6, the first Saturday in March.

Plans were also announced for intensive work sessions by the council during the month of January as complete lists of the money involved for the extensive capital improvements program are drawn up.

Colorado City Mayor Larry Hamner proposed that during January the council meet at least once a week in order to finalize the capital improvements program.

"We may see a change in the council in April," Hamner said, pointing out that three council members' seats are up for election, "and I'd like to get this ready by March 1."

City manager James Campbell said that he has been in contact with the city's fiscal agent, Joe Smith of First Southwest of Abilene, and Smith will meet with the council at their Jan. 13 meeting to discuss time limits and type of bonds the city might issue.

"We need to establish options, maybe set up three funding levels for improvements," Campbell suggested. "Those that are of absolute necessity, option one with some additions and option two with additional items."

The council also approved Hamner's suggestion that the final proposal be printed in brochures for distribution to city residents and that newspaper and radio advertising be considered.

Dr. Elton Berkman, councilman who was recently appointed to chair the Cemetery Committee, reported to the council that all sub-committees were appointed in a recent organizational meeting of the group and that

Explosion Causes \$2 Million Damage

An explosion about 7:30 a.m. Wednesday destroyed the boiler in unit one of the Texas Electric Service Co.'s Morgan Creek Power Plant southwest of Colorado City. There were no injuries to plant personnel. There was no immediate assessment of damage although it is expected to cost at least some \$2 million to repair the boiler if it is decided to make the repairs. Unit one was the first built at the power plant and was put into service in 1949. It is now the smallest of six units at the plant, with a

Last Drawing Saturday

Last drawing for Santa's Dollars is set for 3 p.m. Saturday on the corner of 2nd and Walnut Streets in downtown Colorado City.

All of last week's \$175 cash, for Christmas was claimed and the final \$175 will be given in three separate drawings for \$100, \$50 and \$25. The drawings will continue on Saturday's final day until all the cash is claimed.

When all the cash has been claimed Saturday, the total giveaway by Colorado City merchants will amount to \$700.

generating capacity of 22,000 kilowatts as compared to 500,000 generating capacity of Unit six, the newest addition to the plant.

In addition to damage to the boiler, structural steel around the boiler was twisted out of shape by the force

Christmas Plans Set

Since Christmas Day falls on a Thursday this year, the Record will not be published that day in order that employees may spend some time with their families.

The Record office will be closed Dec. 22 through Dec. 25 and re-open Dec. 26. Only one issue of the Record will not be published.

In order to assure advertising and new articles appear in Sunday's Dec. 21 edition of the Record, deadline is 5 p.m. Friday, Dec. 19. Either phone 728-3413 or come by the Record office, 156 E. 2nd with your news stories and advertising.

The Sunday, Dec. 21 and Sunday, Dec. 28 issues of the Record will be published on the regular schedule.

of the explosion which would substantially increase the damage figures.

Plant Manager Larry Ivy said the explosion was caused by a small pocket of gas that accumulated in the boiler after a burner malfunctioned and then reignited, touching off the explosion. The burner was in operation to prevent any freeze-up.

Jim Harris was only a short distance from the boiler when the explosion occurred but was not in the path of material blown out of the boiler and was not injured. There was no fire involved during or after the explosion.

Fire brick in the boiler was blown a distance of about 165 feet by the force of the explosion. However, there was not a lot of noise

created by the explosion apparently due to the large surface area of the boiler with the pressure being widely distributed.

Unit No. 1 was not in service at the time of the explosion as this is not a peak period for generating electricity.

No disruption of electricity being generated by other units of the plant at the time was experienced due to the explosion.

gation with assistance from personnel from the Union Texas Petroleum headquarters office in Houston.

Resulting fires were extinguished by members of volunteer fire departments called in from Colorado City, Robert Lee and Sterling City. The Colorado City volunteer fire unit called in that the fire was out at 2:28 a.m. Monday.

There were no reports of other injuries.

In off season boys who don't play basketball keep in shape for football. We work out from 2:40 to 3:30 Monday through Friday. During this time until basketball ends, we will be lifting weights on Mondays, Wednesdays and Fridays. On Tuesday we will pull tires or run hills and bleachers at Wolf Stadium. Thursdays we play rugby or football.

On Monday, the 8th and 7th grade basketball team lost by one point to Stanton. The final score was Stanton 36, Colorado City 35. Those playing well were: Barry Blackmon, 4 points; Doug Johnson, 4 points; Jay Green, 16 points; Mark Car-

ter and Jerry Jackson with 6 points each.

The 8th grade played Stanton on Monday, also. The Wolves were the winners with a score of 35 to 26. Russell Noel made 7 rebounds and 11 points, J. D. Lewis 5 rebounds and 2 points; Lupe Luera, 5 rebounds; Chuck Claxton, 8 points; Charles Jackson, 6 points; Clay Sawyer and Charles Edwards each made 2 points; Mike Johnson, 3 points and Steve Schauwecker, 1 point.

Last Thursday the 7th grade basketball team went to Coahoma to play an A and B game. We won both games. The B game was sorta of a run-away. Frog

Johnson scored 16 points; Terry Creswell, Tommy Romero and Henry Reyna scored 2 points each. Also doing a good job on the B game were: Joey Bisnette, Jerry Pharris, Weldon Walker, Chad Gardner and Mike Smith. This was the first B team win.

The A team won with a score of 30 to 23. Scoring for the Wolves were: Barry Blackmon with 25 rebounds and 8 points; Doug Johnson, 10 points; Jay Green, Kirk Evans, and Mark Carter with 4 points each and Jerry Jackson 2 points. The seventh grade didn't get going until the last of the second quarter when they scored 12 points. From that point on, they dominated the game.

In the 6th grade reading we have been working in SRA. One day I read a very amusing story called, "The Wacky World of Sports." It told some very funny facts about real things that happened in sports. One was when a man went out to catch the baseball. He look-

ed everywhere for it. Then looked down at his feet, and there it was. He had been looking at a pigeon, thinking it was the ball!

dialogue titled "Mothers Pet."

Reverend Roberts Resigns

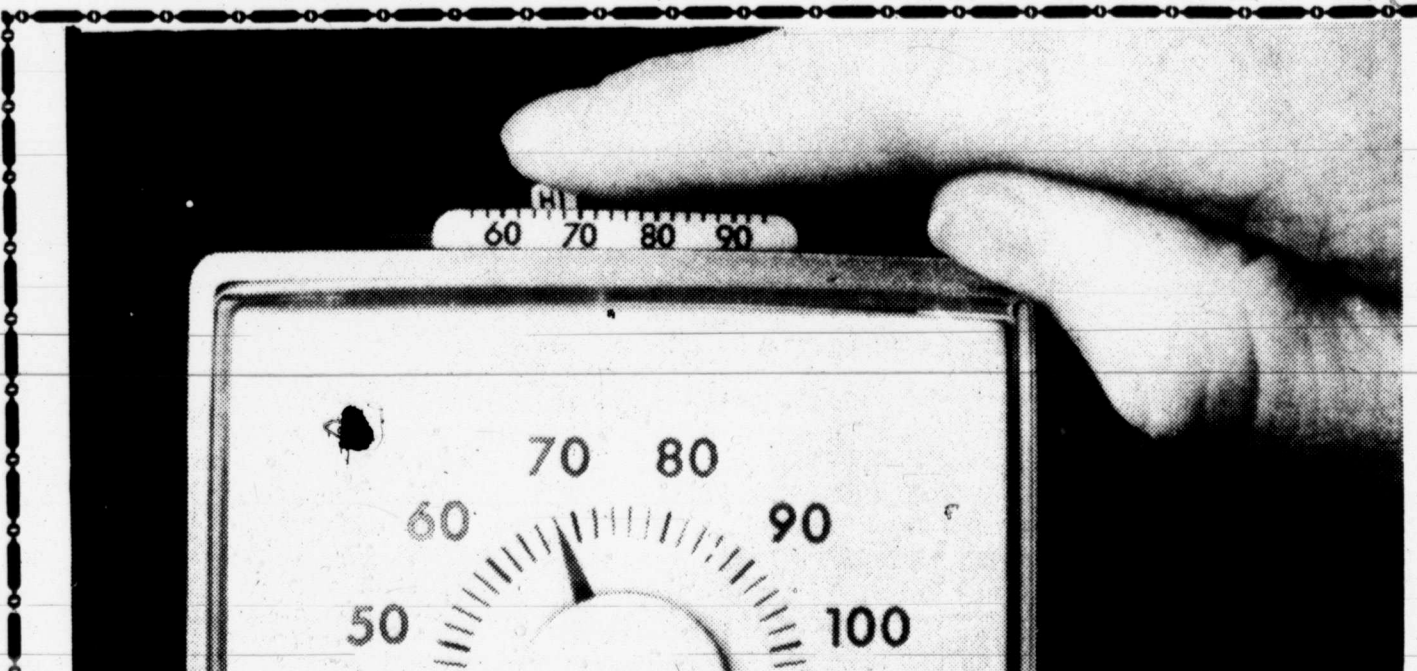

Rev. Jimmy Roberts has resigned as pastor of Loraine's First Baptist Church and is going into full time service as U.S. Army Chaplain.

Rev. Roberts offered his resignation to the church Sunday night, effective January 1, 1976.

He has served as First Lt. Chaplain in the Army Reserve since Sept. 1974. After a nine week army chaplain training school in New York, he will be stationed at Fort Hood as chaplain in the U.S. Army, with rank of Captain. He is being endorsed by the Baptist Home Mission Board.

Rev. Roberts has served as pastor here the past 3 1/2 years.

He and his wife, Sue have one daughter, Mary, who is five years old.

You can heat your home without wasting energy. Here's how:

Keep the filters clean. Check them at least once a month. Dirty filters make your furnace work harder and use more electricity.

Meet the latest FHA home insulation standards. You can save as much as 20% or more on energy consumption if your home is well insulated.

Weatherstrip doors and windows. Keep drafts out and seal heat in. And remember to close the fireplace damper when not in use.

Set your thermostat at 68°. When you lower your thermostat, you lower your energy use and cost.

Consider installing a humidifier. At lower thermostat settings, your home will be more comfortable with additional humidity.

Open draperies or shades on the sunny side of the house. Let the sunshine heat your home. Otherwise, keep draperies closed to help keep in the warm air.

Even though your rates are well below the national average, electricity is worth using wisely.

For more ideas, call Texas Electric. We'd like to help.

half 26-20 but could not
regain the wide lead they
gave up during the first half.

lee, 23 points; Vicki Lewis,
11; Beverly Fuller, 7 and

Sweetwater Wins Tourney

Championship trophy in
the Junior Varsity Lone
Wolf Tournament was won
by Sweetwater JV Saturday
night as they played a close
52-50 game with Coahoma
JV.

Third place in the tourney
was won by Colorado City
JV as they won a 46-43
decision over Ballinger in
overtime.

Consolation was won by
Winters 55-43 over Stanton.
Colorado City placed two
players on the All-Tourna-
ment list, Cornell Ausbie
and Blake Hammond. Walk-
er from Winters, Todd
Smith from Stanton, Dusty
Douglas and D. Witt from
Coahoma, Riggan from Mer-
kel, Layfald and Franklin
from Sweetwater and Mc-
Queen from Ballinger round-
ed out the 10-man list on the
All-Tournament team. Ro-
tan was the eighth JV team
entered in the tourney.

Colorado City head bas-
ketball coach Mike Hart said
that the fans who came out
to the three-day tournament
witnessed some close
games, especially those the
home team played.

The C-City JV won 50-48
over Winters in the first
round, fell behind Coahoma
53-55 Friday and then won
the Ballinger game Saturday
for third place.

8th Grade 18, Stanton 20

Colorado Middle School
8th grade basketball team
traveled to Stanton Monday
night and lost a game 18-20.

Coach Mel Gierhart said it
wasn't a night for the young
Wolves as everything went
wrong, from no heat in the
dressing rooms to the fact
that both teams were suited
out in the same color jerseys.

Falling behind 0-6 at the
end of the first quarter, the
Wolves trailed 6-12 at half
and 10-18 at the end of the
third period, holding Stan-
ton to only two points in the
final quarter but unable to
score any baskets them-
selves.

Scoring were Russell
Noel, 5; Raul Gomez, 4;
Michael Johnson, 3 and
Charles Jackson, Chuck
Claxton and J. D. Lewis
with two points each.

Noel rebounded 10, Kirk
Williams and Raul Gomez, 5
each and J. D. Lewis, 4.
Their next game is Jan. 5
in Wolf Gym against Ballinger.

Wildcats Win 2nd

The Westbrook Wildcats
were defeated in the bid for
the Sterling City Tourna-
ment championship by a
tenacious Sands team 65-60
Saturday night.

The defeat makes three
times the Wildcats have
been downed by Sands, first
time by only one point.
Wildcats Glenn Rich and
Bobby Matlock were named
to the All-Tournament
Team.

The Wildcats led scoring
throughout the game until
the last two minutes when
Sands pulled ahead after
Bobby Matlock and Daryl
Rich fouled out of the game.
Scoring by quarters was:
17-15 with Westbrook ahead
at the end of the first period;
33-26 at the half; 51 to 44 at
the end of the third quarter
and then Sands pulled out in
front with two minutes to go
and took the win 60-65.

Glenn Rich led scoring
with 23 points, Matlock had
16, Jim Anderson, 10; Steve
Rollins, 5; Daryl Rich, 5 and
Don Duran, 1.

The Wildcats won their
chance for the tourney
crown by taking wins over
Robert Lee B team and the
host Sterling City team.
Westbrook girls lost both
their games, first to Robert
Lee B team and second
defeat at the hands of Sands
B team.

Schedule Change Friday

A change in the first
district game for the Varsity
boys team at Colorado High
School has been announced
by Head Basketball coach
Mike Hart.

Junior Varsity boys will
lead off the action against
Stamford in Wolf Gym Fri-
day afternoon at 4 o'clock,
followed by Varsity Wolves
game at 5:15 p.m.

The Varsity girls game is
scheduled last at 7:30.

Reason for the change,
stated Hart, is a request by
the Stamford coach who
wanted to take his football
players to Abilene Friday
night for the Childress vs.
La Grange Class AA state
championship game. Some
of the football players are
also on the basketball team.
