Veterans Day Program Big Success Here

Veterans' Day may never be the same in Slaton!

With enthusiastic support from the entire community, a flag-waving program—complete with "one of the best parades ever"—was held in observance of the day Monday, Nov. 11, and the highly-successful event could become an annual affair.

Highlights of the day for an estimated crowd of 3,000 to 4,000 persons were the huge

parade and the special Veterans' Day address by Waggoner Carr, former attorney general of Texas.

The observance also included a special cemetery memorial service, a breakfast for participants, and a luncheon honoring Mr. and Mrs. Carr.

The special observance was initiated by the Luther Powers Legion Post here, with Slaton Chamber of Commerce and Slaton Ministerial Alliance joining to help sponsor and plan the

event. Ted Weaver, Slaton C of C manager, served as general coordinator for the program.

"We shall not forget the sacrifices of our veterans; we shall not forget how great our country is. It's time to stand up for America and from this day on pledge ourselves to helping build our country's great and glorious future!" Carr told his audience Monday morning.

Hundreds of school children, carrying and waving U.S. Flags, joined adults to hear the 10:30 a.m. talk by Carr. They were greeted by a bright sunshine which almost dispelled thoughts of the cold weather.

Dee Bowman, KCAS Radio manager, was master of ceremonies for the morning event introduced the distinguished speaker. Also on the speaker's stand were Mrs. Carr, Billy Bond, 19th District American Legion commander; and C. L. Newcomb, Church of Christ minister who voiced the invocation.

Float winners from the "God and Country" parade included a first to Slaton Ministerial Alliance for a combination of four floats; a second to the Girls Auxiliary of Wilson First Baptist; and third to the Royal Ambassadors of Slaton First Baptist. Prizes of \$75, \$50 and \$25 were awarded by the Legion post and Chamber.

Some 40 units were included in the long parade, with music provided by high school bands of Slaton, Wilson and Tahoka. Crowd pleasers in the parade included the Khiva Kart Patrol, antique cars carrying Gold Star Mothers, and the Santa Fe Train. American Legion and VFW color guards and Ladies' Auxiliary units from Slaton led the parade.

Carr was highly pleased with (See PARADE, Page 8)

Carr Praises City's Exhibit Of Patriotism

"Slaton should be proud of this Veterans Day event and the star-studded cast assembled for this luncheon," Waggoner Carr said Monday at a luncheon honoring the former Texas Attorney General and his wife, Ernestine.

Mr. and Mrs. Carr had just been presented with "honorary Slaton citizen" certificates by Chamber president Carroll McDonald, and the American Legion had presented

certificates of merit to Carr and other participants in the special observance.

The "star-studded cast" which Carr had reference to included a state senator, state representatives, county officials and other visiting dignitaries.

WHS Band First

The Wilson Mustang Band placed first in their division in a marching contest at Levelland Tuesday. The annual event sponsored by the University Interscholastic League.

Coy Cook is band director, and Valetta Peterson serves as drum major for the group.

Man Found Dead Here

Police were summoned to 1035 N. Mexico St. Wednesday morning and found Kenneth Maxey, 34, dead at his home. J.P. Mrs. Frank Lawrence ruled later Wednesday that the man died as a result "of suffocation from an epileptic seizure." Funeral arrangements were pending.

In other activity, police reported one minor accident, 24 jail arrests and 10 traffic tickets issued.

The accident was reported Sunday evening when a vehicle driven by Edward Gaydos was involved in a collision with a parked car on S. 10th St. Damage was estimated at \$300.

Southland Girl Wins Top Prize In Grid Game

You had to pick at least 20 of 24 winners in the Slatonite Football contest last week to even be in the running for a cash prize.

Janie Abshire of Southland won the \$10 prize by missing only three games out of the 24. Four entrants missed four games, with Stanley Miles capturing second place and Joe D. Gatica third by coming closer to the total score of the Tech-TCU game.

Billie Morris and Bradley Kitten hit 20 of 24 but got only "honorable mention", since their tie-breaker scores weren't close enough. Entrants missing five games included Allen Miles, Bobby Brake, Tony Privett, Dennis Rushing and Sue Kendrick.

Join in the fun this week and try for a cash prize. Turn to the football contest page, fill out the blank, and get it signed by a participating merchant. Turn it into the Slatonite office by 5 p.m. Friday.

Traffic Commission Sets First Meet

Slaton Traffic Commission, recently appointed by the City of Slaton, will hold its first regular monthly meeting next Thursday at 7 p.m. in City Hall.

O. G. Nieman had been named as chairman of the citizen committee, which also includes M. D. Geer and Luis Quintero. One other member is to be appointed.

The police chief, city attorney and one member of the city commission also serve on the traffic commission.

HARD FREEZE ON NOV. 11

Cotton harvesting in the Slaton area slowed the past week with the season's first snowfall, followed two days later by the first "killing freeze" of the winter.

The area received a light snowfall last Friday morning, but it melted almost as fast as it fell. Low temperature Friday morning was 30, and the mercury dipped to 30 again Friday night.

The area's first hard freeze came early Monday morning when a low of 24 degrees was recorded at the Pioneer Natural Gas office in Slaton. High Sunday was 54 degrees, but the mercury climbed to 58 Monday with a bright sunshine. The temperature climbed back in the 70's Tuesday and Wednesday.

No bale count was made this week due to weather conditions, but the pace is expected to resume next week. The bale total the previous week had climbed to 15,831 in 11 gins in Slaton and the area.

Carolina Group Views Cotton Production Here

South Carolina cotton mill officials came to Slaton last Thursday to see how local farmers operate, returning a visit made by area cotton producers in March of this year.

Most of the dozen Slaton men who toured the Carolina mills had never seen the workings of a cotton mill, and most of the visitors last week had never seen a cotton stripper or a gin.

The Slaton Cotton Improvement Association and Slaton Co-Op Gin hosted the short visit of the South Carolina group, taking them through the gin, to the fields for demonstrations of cotton mechanical pickers and strippers, and feeding them West Texas barbecue.

Purpose of visit here and the one to Carolina was to establish better communications between the producer and the mill men and, possibly, pave the way for marketing the quality cotton being grown in this area.

Gordon McCabe, vice president of J. P. Stevens & Co., one of the largest textile manufacturers in the world, headed up the visiting delegation which included a number of mill superintendents.

McCabe and his superintendents were visibly impressed with what they saw in Slaton. The cotton improvement association, headed by Walter Heinrich, had made the trip to South Carolina to sell the mills on the quality and uniformity of the cotton grown here.

Last week, the local group showed how it was done—growing quality cotton and using one-variety ginning.

A number of the Slaton and Carolina men renewed acquaintances at a luncheon here Thursday in the Knights of Columbus hall, where farmers had prepared a barbecue meal. Ten members of the local cotton association had made the trip to South Carolina, along with banker T. J. Wallace and publisher O. G. Nieman.

Local farmers who made the trip to Carolina included Heinrich, Joe Walker, Glen Akin, Donald Jones, Ed Moseley, Alex Bednarz, Ray Kitten, J. B. Lamb, Buss Wimmer and gin manager Jay Gray.

Akin served as master of ceremonies for the luncheon last week. He introduced Carroll McDonald, who presented "honorary Slaton citizen" certificates to McCabe and the

formity of the cotton grown here. Last week, the local group showed how it was done—growing quality cotton and using one-variety ginning.

Out to break a five-game losing streak, the Slaton Tigers will travel to Littlefield Friday night for a District 3-AAA game with the Wildcats.

And, for the first time in five games, the Tigers will meet a team they may be on an equal with as far as manpower and personnel are concerned. The Wildcats and Tigers are both 2-6 in the league standings and comparative scores work out fairly equal. Littlefield topped Lake View by 49-16, while Slaton beat the Chiefs by 26-7. The Tigers edged Snyder by 21-20, while the Wildcats lost to Snyder, 27-21. Littlefield's other win was over Levelland, 31-6, and the Tigers catch Levelland for the final game.

Coach Ernie Davis said Wednesday his Tigers would be in "fairly good" physical condition for the game. Tackle Randall Choate hurt a hip in the Brownfield game, but is expected to be ready for action when the 7:30 kickoff time arrives Friday.

Several juniors got into action last week and some are expected

Scout Finance Drive Continues

The sustaining membership campaign for Boy Scouts of America, South Plains Council, continued in Slaton this week, and general chairman Ansil O'Neal urged workers to make their contacts and turn in membership cards this week.

O'Neal also asked anyone interested in becoming a sustaining member, and has not been contacted, to call him at 828-3506.

The finance drive includes funds for Slaton Scout activities in the Mackenzie Trail District.

Local farmers who made the trip to Carolina included Heinrich, Joe Walker, Glen Akin, Donald Jones, Ed Moseley, Alex Bednarz, Ray Kitten, J. B. Lamb, Buss Wimmer and gin manager Jay Gray.

Chamber Plans For Christmas

Directors of Slaton Chamber of Commerce held a regular monthly meeting Tuesday night at City Hall with committee reports highlighting the session.

Plans are underway for the annual Christmas opening program and home decoration contest. Clark Self Jr. reported on these plans, including a repeat of the popular "Sleigh Full of Gifts" contest from last year.

A nominating committee report was made by T. J. Wallace. Mail ballots will go out soon for the election of five new directors for 1969. Nominees will include Jay Gray, Cecil Griffin, Dick Hartman, Ken Henderson, George Henzler, Clarence Kitten, Don Kendrick, Hack Lasater, Carroll McDonald, Ed Moseley, Bruce Parks, Frank Pfeuffer, Jack Schuette, Steve Smith, and J. P. Spears.

Directors also heard reports on the retail trade committee, the F-M Barbecue, and the Veterans Day program. Directors congratulated manager Ted Weaver for his work coordinating the Veterans Day observance.

The Slatonite

It's a woman's WHIRL
BY LAVON NIEMAN

I don't know about you but on Veterans Day, I was so glad I am an American and I was especially made aware Monday that I'm glad I'm a Slatonite.

For some of you who were not fortunate enough to attend the luncheon honoring Mr. and Mrs. Waggoner Carr, we overheard all sorts of fine comments from out of town visitors. In fact, two couples said after being in Slaton Monday they are seriously considering moving here.

And seemed to me like there were a lot of Wilson people here for the speech and parade. The Wilson Band looked real sharp and the float made by the Wilson First Baptist Church revealed a lot of work. We're glad you came, Wilsonites!

There were so many things I liked about Veterans Day that I could go on and on. I especially liked the idea of the elementary students carrying American flags to town.

It wasn't a float and it wasn't really supposed to be funny, but I wish I had seen Ted Weaver as he was trying to get 12 girls to town who were late getting on a float in the parade. That was really beyond the "call of duty" for our fine Chamber of Commerce manager, but everything had gone off like clock work and he couldn't let this upset the day.

A great big thanks to the American Legion, Ministrial Alliance, Chamber of Commerce for making this a memorable Veterans Day.

As my No. 1 son says, The Slatonite "goobered". For those of you that don't know Mrs. Billie Clements and Mrs. Travis Mann probably didn't know about our "goober", but on page three of last week's edition there it is. Both are faithful workers of the VFW Auxiliary but in the picture was Mrs. Mann. . . NOT Mrs. Clements. Our apologies, ladies.

Copy of the Four States Press and Temarkam Courier published Nov. 11, 1918 was brought by the Slatonite Monday. Mr. and Mrs. Harold Culver had found it in a basement Sunday. It had belonged to T. T. Masters.

Mrs. Masters had written at the top of the paper "Bought this paper off the cotton belt and paid 10 cents Nov. 11, 1918".

As I looked through the paper, it seems the only thing that hasn't increased price wise since 1918 is a copy of a newspaper.

Headlines of the paper is "Armistice Has Been Signed". As I looked, I wished and prayed that that could also be the headlines for this week's Slatonite.

A few quotes from this paper of 1918 are "Classified advertising in getting results is just as effective as the Allied Armies in making a charge"; "Men Wanted. . . Team drivers, flat heads, truck men, saw mill labor, lumber stackers and tie makers. Living conditions good, white and colored board houses"; "54 French war orphans found here"; "The dining room of New Ark is now open. All home cooking. Meals 35¢."

And a Classified Advertising notice that we'd like to publish but wonder how effective it would be in this day of "instant credit". . . "NOTICE--Classified ads are DUE the day they expire. Please be prepared to pay these small bills and save us an additional trip!"

Measure all ingredients & sift together twice. Store in tightly covered jar. Will keep two months at room temperature. Makes 6 pies.

VANILLA
1 1/2 cups mix
1 3/4 cups water
3 egg yolks
2 tablespoons oleo
1 teaspoon vanilla

Put 1 1/2 cups water in heavy sauce pan & bring to a boil. Beat egg yolks & add remaining water, stir into pie mix. Add to boiling water & cook until thick. Beat until smooth. Add butter & vanilla.

CHOCOLATE
To vanilla mix add 2 tablespoons sugar & 1/3 cup cocoa before adding the water.

CARMEL
Make vanilla cream filling omitted the vanilla flavoring. Brown 5 tablespoons sugar in heavy skillet and add to hot cream filling.

LEMON
Make vanilla cream filling using 1/2 cup lemon juice instead of 1/4 cup water in dry ingredients. Add grated rind of one lemon. Omit vanilla.

ORANGE
Make vanilla cream filling using 3/4 cup of fresh orange juice in place of that amount of water. Add 3 teaspoons grated rind. Omit vanilla.

It was reported that the group will send two delegates to the State Convention in Houston. They are Mrs. Opal Townsend and Mrs. Harley Castleberry.

Mrs. Castleberry introduced the speaker, Mrs. Pat Thomas from the Lubbock Mental Health Association. She showed a film, "How Are You?", and then discussed mental health.

Refreshments were served following the meeting by Mrs. Tony Royce and Mrs. Ed Eakin. An official of the group stated there will be NO December meeting.

PASTRY MIX

8 cups flour
2 teaspoons salt
2 1/2 cups shortening

Sift flour and salt together, blend in shortening, store in covered container in a cool place. Use one cup mix for each crust. Add just enough water to hold dough together, about 2 tablespoons to each cup of mix.

Cook in a 450 degree oven for about 12 minutes. Makes seven pies.

RULES FOR PIE CRUST

1. All ingredients should be as cold as possible
2. The water should be iced
3. Pie dough should be handled as little as possible
4. Use heavy cloth over board and a cloth covered rolling pin to prevent dough from sticking, or roll between two pieces of waxed paper
5. Prick crust lightly before baking
6. Coat unbaked crust with slightly beaten egg white to prevent soggy crust in custard type pies.
7. If pastry is hard to handle, chill before rolling.
8. Cool pie shell on rack before filling.

TULIP TARTS

Cut pastry in small rounds. Line sides of muffin rings with pastry rounds overlapping about 1/4 inch. Moisten slightly last circle and cover bottom. Press firmly in place. Prick & bake. Cool. Fill with cream filling, or 1/2 cup peaches, cherries, strawberries, etc. Cover fruit with fruit glaze. These are most attractive for luncheons or parties. Serve on a large plate allowing guests to select their favorite.

MERINGUE

3 egg whites
6 tale
3 egg whites
6 tablespoons sugar
1/4 teaspoon salt
1/2 teaspoon vanilla

Add salt to egg whites, beat to fine foam that will form peaks. Add sugar gradually; continue beating until stiff but not dry. Pile lightly on pie. Bake 4 1/2 minutes in 425 degree oven.

POINTS FOR MERINGUE

Egg whites should be at room temperature. If egg whites are over four days old, add 1 teaspoon water for each egg white. Be careful not to overbeat egg whites before adding sugar. Never put meringue on ice cold filling as it will weep. Too long baking causes beads to form on top. Cool pie out of draft to prevent shrinking.

BASIC CREAM PIE MIX

7 cups sugar
2 cups cornstarch
1 teaspoon salt
1 1/2 cups dried milk

Citizens State Bank points with pride to Slaton's Veterans Day program and pays special tribute to the three sponsoring organizations--American Legion Post 438, Slaton Chamber of Commerce, and Slaton Ministerial Alliance.

The special program and parade in observance of Veterans Day did much to stimulate patriotism in our country, as well as pride in our community. These three organizations are to be congratulated for initiating and coordinating the community event, and Cof C manager Ted Weaver deserves a public "pat on the back" for serving as general chairman.

CSB takes pride in joining many citizens, as well as many out-of-town guests, is saluting all those who took an active part. We at CSB, too, want to always take an active role in community life. We stand ready to serve you at Citizens State Bank!

HELLO WORLD **Rev. D.H. Rudd Brings Program**

The Rev. D. H. Rudd, Baptist evangelist brought the devotional for members of the Senior Citizens Club when it met last Friday at the Slaton Clubhouse.

The business meeting was conducted by Mrs. Fanny Patterson and gave reports on those who were ill. All were saddened by the death of a longtime member, Mrs. Eunice Gentry. F. B. Sexton led the song service and the group had lunch together. Eighteen attended the meeting.

James Rodgers, son of Mr. and Mrs. W.W. Rodgers, will return to M. D. Anderson Hospital in Houston Monday for a check-up. James, a former cancer patient there, is reported improving satisfactorily. The family will leave Sunday.

High Prices
Salt was often worth its weight in gold during the turn-of-the-century gold rush in the Yukon. Prices fluctuated wildly. One winter, flour sold for \$75 a sack, and a cucumber brought \$5.

MDAA Annual Report Given

Another income advance has been registered by Muscular Dystrophy Associations of America during the fiscal year covered by its just published 1968 Annual Report. In his introduction, Association president Henry M. Watts, Jr. observes: "The growing strength of our financial position, the steady gain in the support we receive from the American public, can be justly interpreted, I believe, as a recognition of its mounting confidence in the value of our programs and in the efficiency with which they are administered."

The report was released locally by Mr. Sam Bowen, president of MDAA's South Plains Chapter, who said that MDAA's income for the year which ended March 31, 1968 reached a record \$7,290,016. "Of the funds disbursed during this period," he added, "82.1% went to research, patient and community services, and public and professional education. Only 17.9%

was expended for fund raising and administration."

Mr. Bowen called attention to the fact that, as the Report makes impressively clear, the fight against muscular dystrophy and related disorders is carried out on a world-wide front; currently, the Association gives financial aid to research projects in 15 foreign countries. In addition to the great number it supports in the United States.

Commenting on the Report's review of research developments -- written by Dr. Ade T. Milhorat, Chairman of the Association's Medical Advisory Board -- Mr. Bowen said: "I was struck by his opening

sentence which states that it's probable we now know more about muscle than we do about any other organ in the body. This is a tremendously encouraging statement, especially since the greater part of that knowledge has been accumulated since our Association came into existence."

That possibility, Mr. Bowen added, underlines the vital importance of the services the Association makes available to patients through its chapter affiliates. "With hope so real at last, we must do everything in our power to preserve their physical and psychical well-being," he stated.

A copy of MDAA's Annual Report may be obtained from the chapter at 1916 Avenue Q, Lubbock.

God's Children
"Ye are of God, little children" - 1 John 4:4

Jesus was never so busy upon earth that there was not time to bless the little children along the way.

God must certainly disapprove of an adult attitude or an adult action which sets a wrong example before the eager and curious eyes of little children.

God must certainly disapprove when we shun the proper responsibilities of parenthood... when we fail to show the way... to teach... to instruct.

ITEM: Brass and copper screens don't rust—but they do oxidize and discolor. Aluminum screening often becomes coated with white oxide deposits. Both corrosion and oxide deposits will cause staining on adjacent areas when it rains. To protect your screens, they should be painted with a pigmented screen enamel or a suitable clear coating.

Layer shredded cabbage, cooked rice and a favorite spaghetti sauce in a casserole. Top with grated cheese. Bake until bubbly.

It Takes Two

The Chamber of Commerce and YOU
BY TED WEAVER
Slaton C of C Mgr.

The patriotic events held in Slaton Monday were summed up by Waggoner Carr as "The best in the West". He also commented that he had not seen more flags and people in the downtown area than here on any similar occasion of his political career. This is a fine compliment from a fine gentleman.

Such a compliment can come to a community as a result of a lot of work. Many people worked together to make the day a success. Delmer Tucker and the American Legion members did a fine job as did Rev. Johnny Cartrite and the Ministerial Alliance. We'd like to express a special thanks to Mrs. Marie Kercheval, Beverly Kercheval and Mrs. Johnnie Norris who did an excellent job with the decorations for the luncheon honoring Mr. and Mrs. Carr.

The cooperation of the police department, Radio KCAS, The Slatonite and local organizations insured the success of the day. By working together next year, through a total community effort, this could well be the first of a growing annual event.

Nick Farrell. The probable offensive starters Brad Lamb and Randal Partain at ends, Choate and Ronnie Romines at tackle, Petty and Brice Hill at guards, Rushing at center; Jim Williams at quarterback, Moore and Farrell at halfbacks, and Richard Washington at fullback.

On defense: ends England and Lamb, tackles Roy King and McDonald, guards Howard and Choate, linebacks Smith and Pettigrew (also drawing praise last week), halfbacks Hobby Chapple and Morris Dixon, and safety Washington. Washington moved back out front as the top Tiger rusher with 104 yards against Brownfield last week. Moore, in the lead several weeks, fell back to second place.

Both teams will have about 22 players on the varsity team Friday night. Littlefield lost its No. 1 quarterback with a broken leg about mid-season, but

Kerr Installs FTA Officers

The newly formed chapter of Future Teachers of America held its first meeting Wednesday, Nov. 6, in the high school auditorium.

M. W. Kerr, principal, installed officers and told them of their duties. Eighteen members were present to hear the speaker, Bill Carnes, SHS science teacher. He talked on the advantages and disadvantages of teaching.

Following the meeting refreshments were served in the homemaking department.

Officers installed were Robin Wicker, president; Toni Melcher, vice-president; Debbie Busby, secretary; Glenn Smith, treasurer; Laura Lynn Basinger, parliamentarian; Linda Johnson, historian; and George Geer, reporter.

COTTON---

(Continued from Page 1)

McCabe, in response to the welcome, said the visitors were "really enjoying the hospitality of the Slaton farmers and learning something about the production of cotton here."

The textile official said, "We have found Slaton farmers are thoroughly knowledgeable in the cotton production business. As long as there is a market for cotton, Slaton should have its share," he added.

McCabe also had a word for three ladies at the luncheon from Slaton Cotton Promotion Club. There were Mrs. O. F. Kitten, president, Mrs. A. A. Kahlich and Mrs. A. W. Steffens. "I know the question in your mind," remarked the dynamic company official. "You would like to know why there are not more cotton fabrics on the shelves, and all I can say is that we're doing our best although we must supply the demands."

McCabe said his company was currently working to recapture the sheet and pillow case market for all-cotton fabrics. "We have problems with man-made fibers, too, but they have moved ahead with durable permanent press materials." He added the company was working on a formula for all-cotton permanent press fabrics.

The J. P. Stevens official then introduced company personnel with the group here, including plant superintendents.

the Cats have backfield speed in Travis Danford and T. J. Morgan and power with 198-point fullback Jerry Fudge.

Slaton coaches might be excused for wanting a victory even a little more this game. All four varsity coaches were formerly at Littlefield, with Coach Davis, Bob Martin and Bill Gerber there at the same time. Gene Franklin moved here from Littlefield.

PARADE---

(Continued from Page 1)

the turnout, and complimented Slaton for staging the observance for Veterans' Day. He recalled attending the dedication of the Muleshoe mule statue several years ago, where some 10,000 people turned out. He later addressed a July 4th observance in Dallas where only 200 to 300 people were present.

"It's good to have an observance such as this and to see the things that made this country great, and those who gave their lives to help make it great," emphasized Carr.

The former Speaker of the House reminded that we are living in a time of crisis with "unusual tensions and strifes internally." It is a time to test our fundamental beliefs, he said and a time to remember "that some things we shall refuse to change" in an ever-changing world.

He urged veterans to continue to speak up for their country. "Who has a better reason to help guide this country?" he asked.

Carr also stated that we shall protect our flag, even from those who desecrate it in this country. "We must have the courage to keep on the right track."

Roosevelt Upsets Spur by 26-14

The Roosevelt Eagles pulled off the "upset of the year" in area football Friday night, knocking off the highly-favored Spur Bulldogs by a 26-14 score. The triumph assured Roosevelt of its best year in organized football with 4 victories. The Eagles are 3-2 in District 4-A play and close out the season Friday night at New Deal.

The Eagles rolled up 506 yards total offense and scored a pair of 4th-quarter touchdowns in the surprising visiting Spur team.

Spur scored first on a 1-yard run by Gary Howell. The Bulldogs made the touchdown hold up for a 6-0 lead at half. Roosevelt mounted a scoring drive in the third period, moving 70 yards with Randall Hughes going over from the 1.

Junior Brown's kick made it 7-6 for the Eagles.

Roosevelt upped the margin to 14-6 when quarterback Roger Guess hit Steve Jackson on a 60-yard touchdown play. Spur tied the score at 14-14 early in the fourth period when Jerry Reynolds plunged a yard.

Guess connected again on a scoring pass, this time going to end Ricky Daniel. The Eagles put an insurance tally on the boards on a 25-yard run by tailback Brown, who picked up 185 yards rushing for the night.

6th Grade Grid Games Slated

The annual Slaton Junior High 6th grade football game has developed into a three-game series this year, with the first contest set for 4 p.m. today. It was announced this week by Coach R. G. Copeland.

It has been the custom for the potential griders in the 6th grade to stage a game each year at the end of the season. There is no organized football program in the 6th grade, except for the year-end game.

Copeland announced three games will be held this year, due to the number of boys participating. The first game is scheduled at 4 p.m. today and matches teams 1 and 3.

Teams 2 and 3 will tangle at 10:30 a.m. Saturday, and teams 1 and 2 will meet next Monday at 4:30 p.m. Each team will play two games with the schedule.

Today's game will precede a Tiger freshman game against Littlefield at 5:30, and a junior varsity game at 7.

Junior High Ends Season

Slaton's Junior High football teams finished their seasons Tuesday night at Plainview, losing games to Coronado Junior High.

The Tiger 8th graders lost a 26-6 decision to a big and strong Plainview team. Plainview led by only 6-0 at half-time, but scored twice in the third period and once in the fourth.

Slaton's score came on a 62-yard run by Steve Nieman in the fourth period. The 8th graders wound up with a 4-5 won-lost record.

Slaton's 7th graders lost a close 12-8 game in the opener. Quarterback Al Lewis hit Steve Bourn on a pass play that covered about 40 yards, and J. Ray Basinger ran for the two points.

The 7th grade team finished with a 1-8 won-lost mark.

Slaton Girls Lose to Friona, Here Saturday

The Slaton Tigerettes basketball team travels to Meadow tonight for A and B games starting at 7 p.m.

The Slaton girls lost a 55-44 decision to Friona's Squaws last week in the Flying Queen Basketball Clinic at Plainview. Marilyn Davis and Linda Johnson scored 16 points each in the losing cause, and Jackie Clark hit 12.

The Tigerettes' first home game will be here Saturday against Sudan. The B game starts at 6:30 p.m. The Slaton girls travel to Post Nov. 21. The Tigers will not begin play until Nov. 29.

The annual Slaton Basketball Tournament is scheduled Dec. 5-7 with both boys' and girls' teams participating. The Tigers and Tigerettes will be in the Tulia Tourney Dec. 12-14.

Slaton Jr. Hi Teams in Meet At Southland

With football gear still moist, Slaton Junior High athletes turned their attention to basketball Wednesday and action was just around the corner.

The 8th grade Tigers will participate in the Southland Junior High Tournament next week, with first games of the meet set Monday evening.

Slaton boys and girls will both play next Thursday, Nov. 21, and they will meet either Cooper or St. Joseph teams. The girls play at 5 p.m. and the boys at 6:10.

The Southland tourney opens at 5 p.m. Monday with Cooper and St. Joseph girls in action. Boys' teams for the same schools meet at 6:10 p.m. Southland and Wilson girls and boys meet at 7:20 and 8:30 Monday.

Next Thursday's slate has Post teams going against the winners of the Southland-Wilson contests. The games are set at 2:40 and 3:50 p.m., preceding the Slaton games.

Two consolation games are set Thursday night at 7:20 and 8:30, matching the losers of the opening-night games. Finals are Saturday, Nov. 23 with third-place games at 5 and 6:10, and the championship girls' and boys' games at 7:20 and 8:30.

CUB DEFENSE STYMIES SLATON ATTACK

Brownfield Bombs Tiger

You might say the Slaton Tiger offense was limited to one play by Brownfield Friday night as the visiting Cubs rolled to a 34-6 victory in the District 3-AAA encounter.

Fullback Richard Washington broke on a 75-yard touchdown run in the second quarter, and it was the only first down the Tigers made except for a pass interference call in the second half.

Washington's burst kept Slaton in the ball game in the first half, with the Cubs taking only a 14-6 lead into intermission. Brownfield blanketed the Tiger offense in the second half, leaving them a minus 4 yards rushing and 12 yards in the air while adding 20 points themselves.

Brownfield got off 77 rushing or passing plays while allowing Slaton only 33 in the entire game. The Cubs had 27 first downs to only 2 for the Tigers.

The game took on a familiar pattern of the previous three. Brownfield stacked its defense for the Tiger running game, ignoring the weak and little-used Slaton passing attack.

Although Washington totaled 104 yards in 11 carries, Slaton wound up with a net of 91 yards rushing. Larry Moore carried 6 times for a minus 14. Nick Farrell lost 4 in two trips, and Jimmy Williams netted only 5 in 6 carries.

Williams hit Washington on

two sideline passes for 5 and 7 yards, while five other throws were incomplete and one was intercepted.

And, while the Tigers were having troubles getting untracked, so were the officials. They gave the Cubs five downs on one series and gave them two pass completions which were highly doubtful.

The Slaton defensive unit was weakened in the second half after Randall Choate was injured and Roy King was ejected from the game for fighting. Brownfield scored in every quarter, getting across two touchdowns in the third period.

Slaton had one scoring threat in the first quarter when Moore returned a punt 66 yards before being pulled down on the Brownfield 24. The Tigers moved only to the 20 in four plays, however.

Hobby Chapple turned in another fine defensive game for the Tigers at halfback. Buddy Pettigrew and Don Smith also stood out on occasions.

Brownfield took the opening kickoff and, with the aid of a controversial pass, moved 62 yards in 7 plays for a score. On the first play from scrimmage, Bob Craig lofted a pass intended for end Keith Neill. The end made a dive for the ball, and apparently all the officials but one ruled it was trapped and incomplete. The play was allowed to stand, however at the Tiger 31. Shad Brooks, who scored three times, climaxed the drive from 9 yards out. Richard Lepard kicked the point and it was 0-7 with 9:05 still to go in the first period.

Washington got 8 yards in 3 tries following the kickoff, and the Tigers had to kick. The Cubs got three first downs, then had to punt to Moore at the Tiger 10. The big halfback picked up some key blocks and almost went all the way, but a Cub tripped him up with one hand at the Brownfield 24.

Farrell was trapped for a 5-yard loss on the first play, then Washington got 9. Washington fumbled and recovered for no gain on third down, then Williams missed a pass on 4th down.

Just as the second quarter got underway, Washington returned a punt 10 yards to the Slaton 25. On the first play, Wash-

ington hit off the right side, cut back to his left and broke in the clear about the 50. It was a footrace to the goal and the Tiger fullback won on the 75-yard scoring play. Pettigrew's kick was off to one side and it was 6-7 with 9:46 left in the second quarter.

A 38-yard pass play moved Brownfield into scoring position at the Slaton 20 minutes later. On a 3rd and 11 situation, Washington intercepted a pass in the end zone, but one official was "faked out" by the quarterback and blew the whistle before the pass was thrown.

The official ruled the ball dead back at the line of scrimmage, but left the down at No. 3. Washington made a great defensive play to bat away a pass in the end zone, and a 4th-down pass was complete for a loss of 2 yards.

After Slaton punted out of danger, the Cubs mounted another drive and moved 58 yards in 6 plays to go ahead by 14-6. Brooks scored from 14 yards out with 2:56 left in the half.

The Tigers got off only 13 offensive plays in the first half, compared to 40 for the Cubs. A roughing-the-kicker penalty helped Brownfield move for a score the first time it had possession in the third period. The Cubs punted from the Slaton 48, but the penalty gave them a first down on the Tiger 33.

Six plays later, Brooks went in again from the 4. The kick made it 6-21 with 5:54 left in the third quarter. On the next series, Slaton got its only first down of the second half on a 3-yard penalty for pass interference. Moore fumbled a pitchout on an 8-yard loss, and the Tigers had to punt.

The Cubs then scored again in just three plays. A run was good for 11, then Craig hit Mickey Joplin for 11 yards, and found Neill open down the middle on a 37-yard scoring pass. That made the score go to 26-6 for the Cubs with 3:26 left in the third stanza.

The teams exchanged fumble recoveries in the third, before the Cubs started their final touchdown march in the fourth period. It went 69 yards in 12 plays with Craig connecting with Neill again from 8 yards out for the score.

Wilson Defeats Roby, 38-20

Wilson's Mustangs traveled to Roby Friday night and came home with their first District 6-B triumph of the season with a 38-20 win.

Halfback Steve Brieger got Wilson on the scoreboard first with a one-yard plunge in the first period. David Wied passed to Ronnie Baker for 2 points. Brieger and Wied scored on 10-yard runs in the second quarter as Wilson took a 20-6 advantage at halftime.

Roby had closed the gap to 8-6 on a 2-yard run by Fenton Brown in the first period.

Halfback Delton Moore broke loose on a 26-yard scoring play in the third period as the Mustangs moved to a 26-6 lead. Roby's Gary Stewart returned a kickoff 80 yards as the score went to 26-12.

Wilson fullback Woody Follis put the insurance points on the board for the Mustangs with a score that upped the lead to 32-12. Moore scored another one for Wilson in the final period, and Stewart tallied the last Roby touchdown.

The victory was Wilson's first in district play after a loss and a tie. The Mustangs are 2-4-1 for the season. Wilson will host Sands in a district game Friday night.

ITEM: For the home located beyond municipal water mains, the best fire protection is plenty of water delivered by an adequately-sized electric water system. An effective fire-fighting water delivery required from eight to 10 gallons per minute.

ITEM: If you shop several stores for their "good buys," you can save money. But you will also be exposed to a variety of merchandise you perhaps didn't intend to buy. So, shop wisely.

TIGER TAMERS--The Brownfield Cubs proved to be Tiger tamers last Friday night in Slaton's last home game. Tiger fullback Richard Washington (22) is nabbed behind as Larry Moore Leads interference. Brownfield won the district game by 34-6. (SLATONITE PHOTO)

LETTERS to EDITOR

Dear Mr. Nieman:

I have just seen a copy of the
Slatonite for October 31 and
hasten to thank you for the
wonderful salute to Santa Fe.
I also compliment you on the
contents which are not only
historical but most interesting.

Thanks again and with kind-
est regards, I am
Yours sincerely,

General Manager
Santa Fe Western Lines

Dear Mr. Neiman:

I have just had the pleasure
of seeing your October 31st
issue, and wanted to write you
immediately to tell you how
much we appreciated it. It
made particularly interesting
reading for me in view of the
fact that I served as Trainmas-
ter at Slaton for two years
back in 1949-1950.

As your special edition makes
so abundantly clear, Santa Fe
and Slaton have grown up to-
gether. We are proud of this
long-time relationship, which
has existed ever since 1911.

when Slaton--according to the
old reproduction in your
paper--was first bling pro-
claimed as "The Magic City"
and "An Ideal Place for a
Home."

Certainly all of us at Santa
Fe were gratified at this warm
recognition by the Slatonite. Re-
calling the much-quoted saying
that "What is Past is Pro-
logue," I will say that we look
forward to working with the
fine people of Slaton during our
Second Century of Progress.

Thank you again for this fine
salute.

Dear Lady:

I want to thank you ever so
much for wonderful centennial
salute you've accorded the Santa
Fe in the SLATONITE for Oct.
31st. The timing was perfect,
nearly 100 years to the day
the first spade of earth was
turned.

From a production stand-
point, it is beautifully done, but
its historical contents-editorial
material as well as photographs
-are completely engrossing. I
had never seen many of the
photos before and I am deli-
ghted the citizens of Slaton
responded to your recent call
for help for old photographs.

You may be sure at least
one copy of this special edition
is a must for our permanent
historical files here, marked

pleasure to forward another

County Records
33 Accidents

The Texas Highway Patrol
investigated 33 accidents on ru-
ral highways in Lubbock County
during the month of October,
according to Sgt. O. C. Guthrie,
Highway Patrol Supervisor of
this area.

These crashes resulted in one
death, 15 persons injured and an
estimated property damage of
\$29,040.

The rural traffic accident
summary for this county during
the first ten months of 1968
shows a total of 351 accidents
resulting in 13 persons killed,
170 persons injured, and an
estimated toperity damage of
\$296,676.

November and December are
noted to be dangerous months
in traffic and especially for
pedestrians. Much is heard
about the drinking driver and
his responsibility for many se-
rious accidents. Seldom is it
known that many pedestrians
have met their death on the
streets and highways because
they had been drinking to the
extent that they were unaware
of the danger they faced as
they staggered along the road.

The sergeant stated the fami-
liar saying, "If you drink, don't
drive," might be changed to
apply to the drinking pedes-
trian, "If you drink, don't
walk--in traffic!"

reading it as much as have I
and our officers here at
Amarillo.

Once again, congratulations
on an outstanding issue and our
grateful appreciation for your
thoughtfulness of Santa Fe. All
of us will be inspired to greater
effort to continue meriting this
kind of regard from the com-
munities we serve.

POSEY NEWS

MRS. P. C. KITCHENS

Hi, there! Well, at last
we've received that good hard
freeze that the farmers were
looking for as the temperature
reached 25 degrees Sunday
night.

We had a good turnout of vot-
ers here last Tuesday as 180
voted here at Posey.

Mr. and Mrs. P. C. Kitchens,
Paula and Cathy attended a
family reunion at Dimmitt. The
family of the late Bill Kitchens
gathered at the Nell Kitchens
home. Present were Mrs. Doris
Gray and children of White Deer,
Mr. and Mrs. Marvin Anderson
and children of Dimmitt, Mr.
and Mrs. Richard Burkhardt and
daughter of San Antonio, Mr.
and Mrs. Buck Fielder of Here-
ford, and Mr. and Mrs. Eddie
Morton and son of Plainview.
Also attending was Curtis Port-

wood of Lubbock.

Our sympathy goes out to all
the Gentry families on the death
of their dear one, Mrs. Eunice
Gentry. May God comfort and
keep you at this time.

Mr. and Mrs. Meridith C.
Hastings of Houston visited the
Mert Gentrys last week. They
also visited Mrs. Anna B. Gen-
try.

Guests of Mr. and Mrs. Mert
Gentry Sunday were Mr. Mc-
Dougal, Mr. and Mrs. F. B.
Sexton of Slaton, their children
and grandchildren of this area.
Guests of Mr. and Mrs. Clay
Oats Sunday were Mr. and Mrs.
Jay Oats and Mrs. Oats' mother,
Mrs. Robert Carroll, Commie
Oats and Debbie Busby, all of
Slaton.

The Bobby Townsend family
attended the singing at the Bible
Baptist Church Sunday after-
noon, featuring the Gloryland
Quartet.

We extend our heartfelt sym-
pathy to the E. J. Wimmer
family on the loss of Mr. Wim-
mer's father, H. A. Wimmer
of Hermleigh, who passed away
Saturday night.

Mrs. Joe Loke visited Mr.
and Mrs. Fred Perdue Sunday.
Guests of the P. C. Kitchens
this past week were Tommy
Turner, Billy Kitchens and fam-
ily, and Mrs. Beulah Kitchens.
"You can't get rid of a bad
temper by losing it."

Trust to see you next week.

TAX MAN SAM SEZ:

If you earn part of your in-
come from tips, you are re-
quired to report the amount
of tips to your employer, who
is required by law to withhold
Social Security and income
taxes on them. If you do not
earn enough wages to pay the
taxes that should be withheld,
you are required to pay the rest
to Internal Revenue.

A recent court decision up-
held an Internal Revenue Agent
who assessed taxes, interest
and penalties on 10% of the cost
of all meals a waitress served.
It pays to keep a record of
your tip income.

Here's the expert.

She answers questions, provides personal

As a service representative, she has to be
something of a lady executive, a bit of a
diplomat and an expert in phone service.

And she is. She was hired from a select

And she attends regular meetings

SEND CHRISTMAS GREETINGS TO BOYS IN VIETNAM

Following is a list of Slaton area service men stationed in Vietnam. This list is run as a courtesy of The Slatonite and the V.F.W. Auxiliary. The list was compiled by Mrs. G. L. Hartley, chairman of a committee to send a package to each boy listed.

Names and addresses of service men, whether in Vietnam or not, may be left at The Slatonite office during the month of November and they will be run so Slaton area residents will have the opportunity to send them greeting cards during the Christmas season.

Oil Portrait To Rep. Mahon

An oil portrait of U. S. Rep. George Mahon will be presented by artist Jean Richard to the congressman and Mrs. Mahon Sunday at 3 p.m. in West Texas Museum, during a reception open to the public.

Richard's work has embraced the painting of many portraits, capturing the likenesses of members of royalty among his subjects. He has painted such luminaries as the Prince de Bourbon - Parme, Countess Lichtenstein, Prince Maigret, and famed pianist Artur Schnabel.

The artist has won many honors, principally the title of Chevalier Cultural et Artistique of France. In 1966 he was awarded the Grand Prix for his painting, "University Avenue in Mexico City", which

is exhibited in the show.

His exhibitions have been held in many world centers, including Paris, Madrid, Barcelona and Mexico City, as well as in galleries in Argentina, Brazil, Chile, Columbia and the Honduras. In the United States his works have been exhibited in Philadelphia, Buffalo, Dallas, and New York City.

Paintings in the Museum's exhibition illustrate the artist's versatility in capturing still life, landscapes, horses and portraits of people.
