NUMBER 27

Rural Phone Service Slated

Engineering of an expanded and comprehensive program to provide rural telephone service to customers residing in the exchange service area of Abernathy has been announced by Sherron T. Lee, district manager for General Telephone Company of the Southwest.

Under the new program, customers who reside in rural areas—within 500 feet of a public right of way—are provided multiparty rural service for a flat monthly rate. The rates are developed by zones and are based primarily on the distance from town and the concentration of customers in the particular area.

The district manager pointed out that in the past the much

higher costs of new telephone lines in rural areas have often made it necessary to require applicants to contribute to the cost of construction so that an undue burden would not be placed on other customers in the exchange.

Now, under the present economic circumstances and with the assistance of detailed surveys, careful engineering and effective sales effort, all applicants for rural telephone service can be provided service without contribution to the cost of construction of new lines along public right of ways.

Much of the construction required to complete the rural

service improvement program will be the placing of specially insulated cable underground which helps eliminate service interruptions caused by severe weather conditions such as high winds, hail, ice, etc.

The district manager stressed that the important feature of the entire program is the fact that all applicants residing within 500 feet of a public right of way will be served upon application for service—without additional construction charges and for only a regular monthly zoned rate.

Sherron T. Lee urges all rural customers who have any questions to contact him at his office in Ralls.

COMING EVENTS

May 13: Stated meeting of Abernathy Lodge No. 809, IOOF, 7:30 p.m. Virgil Brantley, Noble Grand.

May 18: Abernathy Lions Club luncheon meeting in Graham's Restaurant private dining room, Earl Carter, president.

May 18: Lubbock-Hale County TB Association chest X-Ray unit to be on north side of Abernathy city square 10:00 a.m. until 7:00 p.m. Everyone in this area is urged to have a chest X-Ray made here that day. No charge, but donations of 50c to help defray expenses will be appreciated.

Vineyards Are Injured In Lubbock Wreck

A car-train crash in the 2800 block of Ave. A, Lubbock, late Saturday injured seven members of an Abernathy family.

Treated at Methodist Hospital, Lubbock, was J. C. Vineyard, 36, his wife, Ann, 32, twin sons, Ray and Jay both 19 months old, sons, Jerry five and John eight, and a 4½-year-old daughter, Debra. The family resides Northwest of Abernathy.

Lubbock Policeman Howard Buning said the Vineyard auto was traveling south on Ave. A when it was in collision with a Fort Worth and Denver Railroad switcher.

Engineer Kyle Stallard said he was "shoving ahead into the Plains Co-op Oil Mill" when the auto smashed into the forward box car, one of two being pushed eastward by the engine. The mishap occurred shortly before 10 p.m.

The train received minor damage, but impact of the collision derailed the lead car, causing extensive damage to the street. The box car did not overturn.

An unidentified railroad employee was riding the side of the box car, but escaped unhurt. Both cars were empty, Stallard said, adding "We were spotting the cars on the siding."

Mixed Couples League Begins Tuesday, May 18

A Mixed Couples League in summer bowling activities at A-1 Lanes is slated to get underway Tuesday, May 18, according to Bud Vickers, manager.

A meeting is set for 8 o'clock that evening in the league room, with league bowling schedule to begin immediately following the meeting. All couples wishing to bowl in this summer league should be present at the organizational meeting.

Mrs. Harral Is Honored For Gift to Wayland

Mrs. John L. Harral of Abernathy was one of the persons given special recognition at a recent merit awards dinner at Wayland Baptist College, Plainview.

Mrs. Harral, earlier this year, made a contribution to the college to build a \$500,000.00 auditorium. The structure will be known as the Harral Memorial Auditorium, honoring the memory of her late husband, John L. Harral, and her late son, Jackie, Mrs. Harral is a former Wayland student, and her husband and son also attended Wayland.

New Deal Baccalaureate And Commencement Exercises Set

Baccalaureate and commencement exercises for members of the 1965 graduating senior class at New Deal High School are scheduled for May 23 and May 25, respectively, announced Bobby Wills, New Deal High School principal.

Baccalaureate services are scheduled for 8 p.m. Sunday, May 23, in the First Baptist Church at New Deal. Speakers for the services will be announced in the near future it was stated.

Commencement exercises will begin at 8 p.m. Tuesday, May 25, in the High School gymnasium. Warren Morton, school counselor at Springlake High School, will be guest speaker.

Class Roll

Valedictorian of the 1965 graduating class will be Miss Sandra Fortenberry, with a two-year grade average of 94.89.

City Council Has Meeting

(By Mike Skipper)

The Abernathy City Council held its regularly scheduled monthly meeting Monday, May 10, with Mayor Roy Jones presiding. Present for the first time was the newly-appointed City Manager, Robert Wayne Sokoll. Sokoll, 25, recently accepted the position and resigned from his position in the city of Slaton.

Other men meeting with the Council Monday night were Police Chief Frank Chapman and the City Attorney, Malcolm Tisdale of Plainview. Chapman was present to discuss police operations with the Council.

No action was taken on any measure at the Council meeting, but many areas of interest were discussed. One matter discussed was the condition of the runways at Abernathy airport. The City is responsible for their upkeep and since the placement of the Reese pilot training school there, the runways will soon be taking much more use.

Another matter discussed by the Council was Abernathy's waterworks system. This discussion and the discussion on police affairs were geared toward bringing Manager Sokoll up-to-date on the situation in Abernathy. One question considered by the Council was whether out-of-town residents should buy water from the city system. No action was taken on this matter.

There were four Aldermen present at the meeting which was held in the City Hall. They were W. T. Settle, Dan Z. Ward, Royce Henson and James R. Smith.

ROAD TO BE PAVED

Near three-quarters of a mile of road paving is slated to join the end of the FM 2060 paving at the southeast corner of Abernathy Municipal Airport, north to the entrance to the airport. This is one of the improvements to be made in preparation for the light plane pilot training of Reese Air Force Base men at Abernathy airport, beginning August 5.

NOTICE

Students who will be six years of age and entering the first grade in the Abernathy Public Schools for the first time September 1, 1965 MUST have a birth certificate before they can enroll.

They must also have a vaccination for smallpox.

Date of Registration—August 27, 1965 from 8 a.m. to 12 noon.

Randy Peebles, with a two-year grade average of 93.84, will be salutatorian.

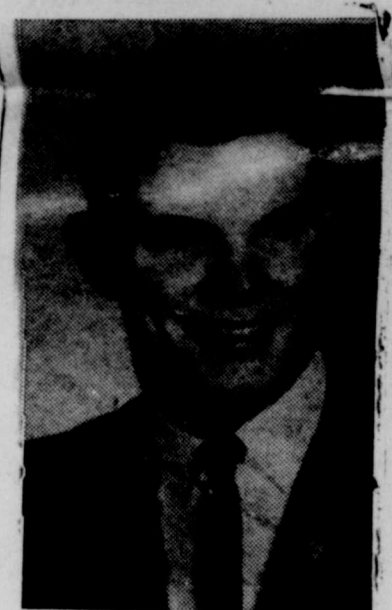

Other members of the graduating class are Mike Bohn, Betty Brown, Jerry Brown, Linda Henly, Mike Louden, Shirley McAllister, David McDougal, Lester Owen, Phyllis Reagan and Wallace Teeter.

Class sponsors are Mrs. Minnie James and Charles Wood. (Pictures of the New Deal High School Seniors of 1965 are on an inside page of this issue of The Abernathy Weekly Review. Under the picture are names of New Deal firms and individuals extending best wishes to the NDHS Graduating Class of 1965.)

Rain and Hail Fall In Area

Welcome rain, but not-so-welcome hail, fell in this area Sunday night and Monday morning. Rain reports ranged from eight-tenths of an inch to more than an inch.

Hail did considerable damage in areas north-northeast of Abernathy.

SON DIES

A son of Mrs. Cora Lee Carter Floyd, County Line, Air Force Major (Ret.) E. J. (Nick) Carter, 47, San Angelo, died May 5, at Lackland AFB Hospital, San Antonio, where earlier he underwent brain surgery. Funeral rites and burial were at San Angelo.

Mrs. Floyd's husband, Frank Floyd, 89, longtime County Line resident, died last month.

Band Concert Is Set Here Monday Night

Three hundred thirty-five school musicians will display their talents in the annual spring concert at 7:30 p.m. Monday, May 17, in Abernathy school auditorium, according to Everett Maxwell, band director. The public is invited; there will be no charge.

The 67-member Tonette band will begin the program with Texas Songs, The Long Ships, Downtown, Supercalifragilistic-expialidocious, and The Stars and Stripes Forever.

Then the 58-piece Sixth Grade Beginners Band will play: The Jolly General, Folk Suite, Waltz Festival, Rip Van Winkle, and Little League March.

The next group to take the stage will be the 105-piece Junior High School Band. Their selections will include: Proudly We Play, The Far Country, Fantasy For Band, Patricia, and Can't Get Used to Losing You.

The final section of the concert will be the high school band of 105 members which will play: Amparito Roca, Prelude and Fugue in B-Flat Major, The Blue and Gray, In A Persian Market, and a new march called Ojo de Agulla.

High School Band Sweetheart Cheryl Hall and Junior High Band Sweetheart Patsy Lambert will be honored at the concert.

Dress Shop Reduction Sale Slated

Ann's Dress Shop in Abernathy will begin a stock reduction sale Wednesday, May 12, at 8:30 a.m. and everything in the store will be reduced in price 20% and some even 50%, and some even greater.

Now is your opportunity to pick up a number of gift items at a real saving. The purpose of the sale is to reduce stock, so bring your check books along as all sales will be final and for cash only.

Mr. and Mrs. Edgar Struve, longtime Abernathy residents, later this month will move to the Lazy Hills Guest Ranch, where they will be employed. The guest ranch is north of the highway between Junction and Ingram, in Hill County.

The O. L. Gillilands visited in Sweetwater Sunday with her mother, Mrs. E. B. Toler.

CHERYL HALL
... AHS Band Sweetheart

NEWS BRIEFS AROUND ABERNATHY

Mr. and Mrs. Dale Moody have returned to their Abernathy home after spending the winter at Chandler, Ariz.

Lubbock County clerk issued a marriage license to Richard Gonzales, Lubbock, and Miss Anna Marie Gonzales, New Deal.

Mrs. E. A. Houston has returned home from a Lubbock hospital.

Hobby Club News

Those who attended the Hobby Club meeting May 6 in the Clubroom enjoyed a very interesting program given by Mrs. Reta Betz of Lubbock on Trichem liquid embroidery. Sandra Clayton was program chairman.

Mrs. Blanche Brown, hostess, served refreshments to Mmes. Beulah Garrett, Callie Landers, Anna Lee Johnson, Millie Mitchell, Maude Cain, Viola Henson, Lavell Lacy, Bertha Hunt, Sue McAllister, Thelma McGaugh, Nell Adkisson, Annie Bell Hagerman, Bertelle Anderson, Tura Clapp, Mrs. W. M. Gist a new member and Mrs. M. B. Stanton, a visitor.

The club will not meet again until the first Thursday in September.

Jerry Adams, AHS vocational agriculture teacher, and FFA members attended the Area One FFA meet in Amarillo Saturday. Kerby Spruiell competed in the public speaking contest, and Steve Johnson, Star Chapter Farmer.

New Cheerleaders...

Miss Lovelace Named Head Cheerleader

The 1965-66 cheerleaders for Abernathy High School were chosen Tuesday, May 11, in a secret election by the AHS students. There will be six cheerleaders for the Antelopes next year, with two Seniors, two Juniors, one Sophomore and one Freshman.

Head cheerleader for the 65-66 school year will be Miss Jo Ann Lovelace, a Senior. She became Head Cheerleader because she was the Senior with most experience as a high school cheerleader. The other Senior cheerleader will be Miss Jan Wilson, Jo Ann has been cheerleader three years in high school and Jan was a cheerleader

er this year.

Junior Cheerleaders next year will be Misses Karen Jones and Diana Moore. This is the first year for both girls to be cheerleaders in high school. They were chosen in the election over two other candidates, Suzanne Evans and Peggy Klafka. Peggy has served as cheerleader the past two years.

Representing the Sophomore class will be Miss Cindy Garvin, who was the Freshman cheerleader this year. The only other candidate for this place was Miss Judy Martin.

Miss Rhett Houston was chosen as the Freshman cheerleader over two other candidates, Misses Patsy Lambert and Lucy Villegas.

Each of the candidates for cheerleader demonstrated their cheerleader ability before the student body in an assembly Tuesday morning. Students voting in the election were asked to consider the candidate's form, use of voice, attitude, and enthusiasm when voting for the cheerleaders.

Sponsor for the Abernathy High School Cheerleaders is Mrs. Florine Forbes, an AHS Short-hand and Typing teacher.

Cheerleaders for the past school year have been Misses Linda Miller, Head Cheerleader; Denise Barker, Senior; Joanne Klafka, Senior; Jo Ann Lovelace, Junior; Jan Wilson, Junior; Peggy Klafka, Sophomore; and Cindy Garvin, Freshman.

X-Ray Unit To Arrive May 18

Lubbock - Hale County TB Association chest X-Ray Unit will be on north side of Abernathy city square from 10 a.m. to 7 p.m. Tuesday, May 18. Everyone invited to have chest X-Ray here that day. Service is free, but donations of 50c to help cover expenses will be appreciated.

Co-op Holds Annual Meeting

CO-OP GRAIN'S 25TH ANNUAL MEETING

The 25th annual meeting, May 7th of the Co-op Grain Company, began with the invocation by Clayton Enger after which everyone filed past the food rack and picked up their loaded

plates and drinks. 185 plates were served and the meal was excellent indeed, thanks to the ladies of the Abernathy school cafeteria under the direction of Dorothy Dorrell. There was music during the meal, by Marvin Stephens at the piano.

The meeting was now called to order by president Lewis Lutrick and a drawing for two prizes, one for the girls and one for boys was held. The reading of the minutes of the last meeting by W. T. Settle was called for, these were approved as read. Another drawing, this time for a gift certificate for men which called for a \$25.00 hat, was held and the winners were Chester Pearce and Frank Dunn.

Lewis Lutrick, who M. C'd the meeting now called for the annual audit report which was given by Edwin E. Merriman. Attention was called especially to the excellent financial condition of the Co-op Grain Co. In spite of a rather expensive fire last year all bills were paid except the current bills which are paid regularly. All of Co-op Grain Co. facilities are paid for and the company has no liabilities except these current bills, \$4,321.00. With total assets of over \$474,000.00, this leaves the company in tip top shape financially. Net margins for the year were given at \$70,642.00 after absorbing nearly \$25,000.00 loss from the fire last year. This worked out at 19c per hundred pounds of grain received and \$2.26 per ton of fertilizer before the loss carried over from 1960.

Two more prizes were now drawn for and handed out.

The next order of business was the election of one director to replace one retiring this year who asked that he not be re-elected. On a call for nominations Willie V. Dunn was nominated and no other names were offered. Chairman Lutrick asked if this would be legal to elect by acclamation according to the by-laws. It developed that this could be done but it was preferable to have at least two nominations and after some delay two more names were finally offered, Frank Dunn and A. L. Stone, Jr., Willie V. Dunn was elected.

Again two prizes were drawn for and handed out.

All charter members were now asked to stand. R. A. Lutrick, G. C. Pearce, H. E. Richter, S. M. Harrison and Ed Lutrick stood up and received a hand of applause. Now any charter Board Members were asked to stand and only Robert Lutrick arose. Mrs. Chris Bann was asked to stand for Chris Bann and received a big round of applause. Manager Glenn Hammond gave the managers report. Several interesting items were called to our attention. The gain storage capacity is and has been for 2 years at approximately 82% of maximum. Due to this high storage only 75 cars were added last year. With the coming of the hopper bottom top loading grain cars a new loading spout was added for loading this type car. This eliminates

all car cooping when loading the new cars. The concrete grain bins were given a new coat of paint and a large sign put on the west face of the bins as well as on both sides of the head house. These are visible for some distance.

It was pointed out that there had been no shrinkage loss as they were some 7 to 10 cars long on grain according to government measurement.

Mr. Hammond noted that they sold 791 tons of fertilizer last year and 300 tons in February and March of this year, and only \$120.00 yet uncollected for. Some \$12,000.00 depreciation on fertilizer equipment was allowed in this years report. Dividends will be paid in August.

Among the visitors were: Mr. and Mrs. Orville Jones, Director on the Board of Producers Grain Corp., Frank Ferris, General Manager, PGC. Tom Jones Gen. Mgr., So. Farm Supply, Oscar Applequist, Publisher, Grain Producers News, Mark Taylor, Coordinator, So. Farm Sup., Jim Hardesty, Dist. Mgr. Dry Fert. Div., Jack Cain, Manager, Ag. Chem., Wesley Masters, Asst. Mgr. Ag. Chem., Edwin E. Merriman and Steve Warren of Merriman & Co., CPA.

Local visitors were Delton Stone and wife, Louis Sinclair and wife, Ted Dotts and wife, New Deal and Rev. and Mrs. Weldon Stephenson also of New Deal. The wives of five directors and Mrs. Hammond were present and asked to stand.

With the business of the meeting finished it was now time for the entertainment which was furnished by Rev. and Mrs. Weldon Stephenson with Mrs. Dotts at the piano. This proved to be an interesting presentation of several negro songs by both the Rev. Stephenson and Mrs. Stephenson with the audience participating at times.

Two other prizes were drawn for and handed out and the meeting adjourned at 10:33 p.m.

AHS Band Wins Second Division In 6 Flags Event

The Abernathy High School Band returned from a successful and enjoyable trip to the Six Flags Festival at Arlington Saturday night, completing a trip that had been planned three years.

The band received a Second Division rating in concert-playing in a difficult contest with high standards, judged by Dr. William Revelli of the University of Michigan, Frederick Ebbs of Iowa University, and Clyde Roller of the Eastman School of Music in New York City. Only top-ranking bands in regional competition were permitted to enter, and the band had to play much better to get as high rating as it did in its own region.

In Class AA, only one band was rated First Division, Richardson Junior High School. Second Division ratings went to Abernathy, Bowie, Gladewater, Farmersville, Louisiana; Linden-Kildare, and Warren, Arkansas. Third Divisions went to Atlanta and McGee, Arkansas.

High ratings were hard to obtain in any class. In Class A, a First Division rating went to Memphis, a Second Division to Springlake, and Third Divisions to Grandfalls, and Hamburg and Smackover, Arkansas.

In Class AAA, the only First Division went to Seguin. Second Divisions were given to Belt Line Junior High of Richardson and Lake Charles, Louisiana. The following were rated Third Division: Hirsch High of Wichita Falls, Cuero, Dulles High of Houston, Calhoun High of Port Lavaca, and Crossett, Arkansas.

In Class AAAA, First Divisions went to Victoria, Temple, and Richardson. Second Divisions went to Rider High of Wichita Falls and to Sandia High of Albuquerque, New Mexico. Third Divisions were: Lufkin, and Baton Rouge and Fortier High School of New Orleans.

The Abernathy Band and sponsors stayed in the Statler Hilton Hotel in Dallas and spent most of their spare time at Six Flags Over Texas. The trip was financed by magazine sales during the past three years.

Abernathy Firemen were called to the Lewis Lutrick place northeast of Abernathy May 5, to put out a fire in a hand house. The fire started at the kitchen range and a hole about the size of the stove was burned in the wall, Ed Crow, Fire Chief, stated.

Girls Injured, Cars And House Are Damaged

Two AHS girls were injured, painfully but not seriously, two automobiles were badly damaged, and a residence was clobbered in a collision at the intersection of Avenue H and Third Street in Abernathy shortly after 12 o'clock, noon, Thursday.

Linda Martino, AHS Senior, and the daughter of Mr. and Mrs. Stanley Martino, 605 North Drive, was driving east on Third Street, and Carolyn Barton, AHS Sophomore, and daughter of Mr. and Mrs. Carl Barton, 1009 Ave. F, was driving south on Avenue H when their cars collided at the intersection.

Both girls sustained cuts on their heads, and bruises, and Linda had a cut on her knee. They were treated at Abernathy Medical Clinic.

The Barton car, after colliding with the other vehicle, hit the west end of the R. T. Rhodes residence at 711 Third Street, on the southeast corner of the intersection. A portion of the west wall was caved in. A divan was knocked across the livingroom, hitting a rocking chair on the east side of the room. Mrs. Rhodes, only moments before the crash, had been sitting in the rocking chair. She had joined Mr. Rhodes in the kitchen shortly before the car hit the house.

Having wrecked vehicles land in their yard is not new for Mr. and Mrs. Rhodes. A pickup, involved in a wreck at that intersection about 8 months ago, landed in their yard and hit a tree, stopping it before it hit the house.

Two cars which were involved in a collision at that intersection earlier this year landed in the yard of Mrs. Louise Burnett's home on the southwest corner of 3rd and H. The vehicles did not hit her house, but one came dangerously close to the house.

Aside from their injuries, Linda and Carolyn suffered disappointment in missing the AHS Band trip to Six Flags Over Texas last weekend.

Mrs. Wayne Burns suffered a broken finger on her left hand last week when a car door shut on her hand.

The Pete Robisons and the Verbal Peeples attended the track meet at Austin last week. Randy Peeples was participating in the meet.

Abernathy (Texas) Weekly Review, May 13, 1965

CARD OF THANKS

Mrs. June Speer wishes to express her sincere thanks and appreciation to all her friends for the many cards, blood donations, flowers, contributions to Childrens Home, Lubbock, Church Library, Floydada, Cancer Societies in both Lubbock and Cottonwood, Kansas, for the many visits and the good food and the concern shown for her during the extended illness and loss of her husband, Carl Speer.

SLOW-PAY WATER USERS TAKE NOTICE

Beginning May 1, all water bills not paid by the 10th of the month will be re-billed with a second notice. If this notice is not heeded and the bill not paid by the 17th, the water will be cut off and a charge of \$2.50 will be made for turning the water on again, rather than the \$1.00 charged here-to-fore.

This notice was authorized by the City Council.

CAPITAL CONDITIONS

Spray Propazine to control weeds and grasses in sorghum.

One spray of Propazine® 80W herbicide controls most annual broadleaf weeds and grasses in sorghum for the entire season.

This can reduce or even eliminate the need for cultivating because Propazine takes care of problem weeds for you. Propazine is particularly effective on carelesslywee (pigweed) and annual morning glory.

Sprayed before weeds and sorghum are up and activated by moisture, Propazine gives your crop an entire season without weed competition for moisture and soil nutrients. The result? Higher yields and more profit for you.

Contact your local supplier now for Propazine.

August 6-8: Abernathy Country Club Partnership Golf Tournament.

August 7: Abernathy Ex-Students Association to hold reunion at the school auditorium and cafeteria. All former students of Abernathy school are urged to attend.

(For additions or corrections in the Coming Events Column, Phone 298-2033. Thanks.)

Consumers Fuel Has Meeting

(By O. F. Rea)

The 35th annual meeting of Abernathy Consumers Fuel Association stockholders was held May 4.

Immediately following the invocation by Clayton Enger, we filed by the food counter and picked up our filled plates. 100 plates were served by the ladies of Abernathy school cafeteria under the direction of Mrs. Dorothy Dorrell.

With president Hilburn Barwick at the mike after the meal was finished, he asked if there were any charter members present and Ed and Robert Lutrick stood. Among visitors present were Tom O'Grady, Andy Unger and R. C. Watts, all of Southern Farm Supply, of Amarillo and Lloyd Langford of the High Plains Research Center at Halfway.

R. A. DuBose, chairman of the program committee, introduced Mr. Langford, who gave an illustrated talk on an interesting water saving method of farming being developed at the Research Center. This method has in some cases produced more crop with about one half the water normally used, and at the same time maintained the fertility of the soil.

Your Help Is Needed

Since the announcement of the contract, by the Valley Aviation of Abernathy, to train flight students at Abernathy Airport in small aircraft, we will have many new families move into Abernathy. The Chamber of Commerce is endeavoring to help these families get located. You can help by letting us know of any houses that you may have for rent. Please come by the Chamber of Commerce office in city hall, or phone 298-4001, and give us this information.

STRIP CEMETERY FUND DRIVE OPENS

Mrs. U. L. (Sook) Anderson announces opening of the annual drive for money for the Strip Cemetery Improvement and maintenance fund. Those who usually contribute to this fund are urged to mail money or checks to Mrs. Moreland, or to go by her home at 1101 Ave. D in Abernathy.

Clinic Planned For B-Ball Coaches

A special baseball coaching clinic will be conducted May 16 at the Western Pony League baseball diamond, Lubbock, by the staff of the West Texas Baseball Camp.

"We would like to invite any coach of a boys baseball team and any parent interested to attend," remarked Bobby Moegle, Monterey baseball coach and director of the camp. "Our program will begin at 2 p.m. and last about three hours. We will cover pitching, hitting, base-running, catching, and infield and outfield play. The instruction will be along the same lines of our regular camp instruction—only condensed and presented from a coach's viewpoint."

Assisting Moegle in the clinic will be Earl Parker, Lubbock High baseball coach; Kal Segrist, Texas Tech assistant coach; and Bill Dean, local American Legion and Colt League coach. All are regular instructors at the summer camp.

The West Texas Baseball Camp will begin its second year of operation this summer with two-week sessions beginning on June 13, June 27, July 11, and a one-week session on July 25.

Baseball instruction will stress basic fundamentals of all phases of the game. Instruction by position will be covered in the morning workouts and in the afternoon boys will be broken down by age groups for additional instruction and scrimmages.

Aside from baseball training and golf instruction the camp will also offer recreation programs in basketball, volleyball, badminton, tennis, and table tennis.

Danny Mason, Golf Coach at Tech, will be camp counselor and recreational specialist. He will be in charge of all boys living in the dormitory and will also offer golf instruction for those interested.

Boys who live at the camp will stay, two to a room, in ultra-modern dormitories at Lubbock Christian College. A regular dietitian will be on duty to supervise the preparation of all meals. Local boys may attend daily and return home in the evening.

The minutes of the last meeting were read by secretary Jack Jackson and accepted as read. As two directors were to be elected, nominations were called for and W. R. Flinn, Owen Benn and R. A. DuBose were nominated. DuBose received 29 votes, Flinn 27 and Owen Benn 16.

The annual audit report was read by auditor Bill Simms. This was followed by the manager's report by manager Robert Lee and with no other business on the agenda the meeting was adjourned.

NOTICE

Estimados Padres: Habra clases de ingles para los ninos que no hablan ni entienden ingles, y quienes principiarian la escuela en Septiembre. Estas clases seran en la Escuela Primario de las 8:00 a las 11:00 de la mañana principiando el dia 14 de Junio y terminando el dia 6 de Agosto.

Superintendent of Public Schools.

ABERNATHY FIRST BAPTIST CHURCH SCHEDULE OF EVENTS

May 9-15: West Texas Crusade
May 31-June 4: Vacation Bible School.

MONDAY IS DEADLINE

Deadline for news and ads is 5:30 p.m. Mondays. Exception are reports on Monday meetings, and news of death and disaster. Please start turning in news over weekend, Thursday, Friday and Saturday for the following week's paper. If you have news, report it to the Review immediately. Don't wait until Monday to turn it in. Call us, 298-2033, or mail the news to Drawer D.

Photos must be turned in four days before the 5:30 p.m. Monday deadline, for news and ads, if they appear in that week's paper.

Your cooperation will be appreciated.

Abernathy (Texas) Weekly Review, May 13, 1965

MRS. F. W. STRUVE IS OLDEST PERSON AT PIONEER EVENT

Mrs. F. W. Struve, 88, pioneer Hale County and Abernathy resident, was recognized as the oldest person at the Annual Pioneer Round-Up in Plainview Saturday. A large number of residents of this area attended the event.

Mrs. Struve will be 89 on June 15. A story written by Mrs. O. S. Bristow about Mrs. Struve will appear in The Review June 10.

News Briefs

Mrs. June Speer returned from Kansas on Wednesday of last week where she had gone to take Mrs. Speer, Carl's mother and her sister, Mae Willhite, home. She visited in Cedar Point, Elmdale, Hutchinson, Kansas, and in Borger, Texas on the way back. June became ill on the way and had to stop at Cottonwood, Kansas on the way up and was delayed several hours.

The Large and The Small Of It

For many years, Mr. Average American has been the backbone of the \$29 billion mutual fund industry. More recently, however, larger, more sophisticated investors have discovered that they too can benefit from the mutual fund way of investing.

Banks, business corporations, churches, hospitals, orphanages and colleges are finding that the basic appeal of mutual fund investing which has long attracted the small investor—diversification and professional management at reasonable cost—also have an advantage to the institutional investor.

Statistics supplied by the Investment Company Institute, national organization of the mutual fund industry, show that institutional accounts have shown a 10-fold growth from \$5,821 valued at \$283.4 million in 1954 to \$61,118, valued at \$1.6 billion by 1963.

One of the reasons for this growth is that, in some cases, institutions lack the personnel qualified by training and experience to manage an investment account. Thus, careful selection of mutual fund shares can relieve such an investor of this burden of responsibility.

Another reason more and more institutions, as well as individuals, choose mutual funds is that the many services and conveniences offered by the funds give the investor a more flexible investment program, while at the same time reducing and

simplifying the amount of work he must do himself.

The institutional investor may have more money to invest than the average family, but mutual funds show no partiality. Both have chosen this way of investing for basically the same reasons—and both receive the same service.

Baseball Camp Is Set At LCC

Final arrangements have recently been completed for the second annual West Texas Baseball Camp to be conducted in four sessions this summer at Lubbock Christian College.

Sessions will begin on June 13, June 27, July 11, and July 25. The July 25 session will last only one week, while all others will be regular two-week periods.

Bobby Moegle, head baseball coach at Monterey High School, will once again direct the baseball instruction at the camp. Dr. Herman B. Segrest, Director of PE for general college students at Texas Tech, is overall camp director.

"Our initial response this year has been excellent," commented Moegle. "There seems to be a great deal of enthusiasm and we expect an increase in our attendance each session. Last year we felt as though we accomplished a great deal and many comments from parents

seem to back up our thoughts. Many parents seemed pleased with their son's baseball accomplishments and the opportunity to associate with our coaching staff and learn to work and co-operate with other boys."

Joining Moegle on the coaching staff include Danny Mason, Golf Coach at Tech; Earl Parker, head baseball coach at Lubbock High; Kal Segrist, assistant baseball coach at Tech; and Bill Dean, Publications Director at Lubbock High and an American Legion and Colt league coach in Lubbock the past 10 years.

Mason will be camp counselor and recreational specialist. He will be in charge of all boys living in the dormitory and will also offer golf instruction for those interested. Parker, Segrist, and Dean will be full-time instructors in the baseball program.

Also slated to make appearances will be Berl Huffman, head baseball coach at Tech. He will be a guest lecturer.

AHS Society

Attends Movie

The Abernathy High School National Honor Society traveled to Lubbock Monday, May 10, to attend a movie together as a club party. Evan Evans, an AHS Senior, and son of the Rev. and Mrs. Boyce Evans, is President

of the NHS. Adult sponsor for the group is Mrs. Florine Forbes, an AHS Business teacher.

Approximately thirty members of the Society went on the outing to Lubbock.

Lakeview News

Mrs. Lois Wade, Mike and Arleta of Canyon visited her parents, Mr. and Mrs. T. W. Driver Sunday.

Mr. and Mrs. Chas. Spence and Mr. and Mrs. Mike Spence of Floydada visited in the A. B. Colwell home Thursday.

Fire of undetermined origin destroyed a large machine shop on the Mrs. N. Matthews farm about 11 a.m. Wednesday. Also destroyed were 16 mounted tractor tires and barrels of Johnson grass poison.

Mr. and Mrs. Lloyd Goldston spent Sunday with her mother, Mrs. T. B. Mull in Plainview.

Mr. and Mrs. C. P. Loyd and Children were in Austin to attend the State Track Meet in which Mike Loyd participated, winning second place in the Class A 880 yard run. He was State champion for the past 2 years in the event.

Mrs. N. Matthews left Saturday for a 2 week visit with relatives in Mabank.

Mr. and Mrs. Gordon Timms visited her brother, Mr. and Mrs. Doyle Condra of Ballinger who were visiting in the home of their sister, Mrs. T. C. McLain and family in Lubbock.

Mr. and Mrs. Clayton Enger visited her uncle, Lloyd Dutton who was receiving treatment in Methodist Hospital.

Mr. and Mrs. E. E. Senter, Mrs. Ann Wingfield and sons visited Mrs. Senter's mother, Mrs. Lillian Kinzer in Grandfield, Oklahoma last weekend.

Lawrence Davis of Floydada was guest speaker at the mid-week service Wednesday night at the Lakeview church. He is a brother of Mrs. Burl Jackson of this community.

Mrs. Edd Brashear of Tulla visited Mr. and Mrs. Clayton Enger Monday.

Mr. and Mrs. L. C. Fred of Guymon, Okla. visited his parents, Mr. and Mrs. N. J. Fred last weekend.

Mr. and Mrs. Lawrence Amerson, accompanied by Mr. and Mrs. Raymond Amerson of Petersburg, attended funeral rites of a friend, B. L. Compton in Stamford Wednesday.

Mr. and Mrs. Wayne Layton and Mr. and Mrs. Hulen Freeman of Arlington were here to attend the 25th wedding anniversary of the ladies parents, Mr. and Mrs. Wayne Castleberry who were feted with a dinner party in their home Monday, May 10 at 6 p.m.

Mrs. Julia E. Kelley of Bandera visited in the Mrs. C. S. Smith home Tuesday. Mrs. Kelley will be remembered by many friends here as the Home Demonstration agent of Hale County for several years during the thirties.

Mrs. J. D. Adams and children of Guymon, Okla. spent several days with her parents, Mr. and Mrs. Lloyd Goldston.

Mr. and Mrs. W. E. Thomas of Plainview visited her mother, Mrs. Lemmie Ragland Sunday.

Mmes. Clayton Enger, N. Matthews, J. C. Belt and Herbert Watson attended installation of District officers of the WSCS in Shallowater Wednesday.

Mr. and Mrs. Lloyd Goldston rode with the Petersburg Riding Club in the Tech rodeo parade in Lubbock Thursday, May 7 at 3 p.m.

Mayor Roy Jones and wife are out-of-town for two weeks on their vacation.

Robert Wayne Sokoll, recently appointed City Manager, has completed his first week on the job here. Sokoll was chosen to fill the position vacated by Charles Norwood, who took a similar position in Broken Arrow, Oklahoma.

Mrs. J. W. Brooks visited in Amarillo Sunday with her sister-in-law, Mrs. Bert Starkey who is seriously ill.

Abernathy (Texas) Weekly Review, May 13, 1965

MRS. FORTENBERRY IS CLUB HOSTESS

Llano Estacado Antique Club met Friday morning in the home of Mrs. Joe Fortenberry of New Deal for a salad luncheon and gift exchange.

Next meeting will be Sept. 10 in the home of Mrs. Mark Halley, 3302 43rd St., Lubbock.

Officers elected to serve for the coming year are Mrs. Halley, president; Mrs. George Wimberly, vice president; and Mrs. O. J. Cuddy, secretary-treasurer.

LUBBOCK, TEXAS

A FULL MOON EVERY NIGHT

It's sometimes difficult to tell where the city ends and the country begins, because the member-owned SOUTH PLAINS Electric Cooperative has brought city conveniences to the rural scene. Take the security light for example. This mercury vapor lamp gives a full moon glow to rural homes, yards and outbuildings. Flying over Texas at night you see literally thousands of these silent sentinels standing watch over farm homes and rural yards. It's just one of the many comforts and conveniences that SOUTH PLAINS Electric Cooperative has made possible. The same abundant power that lights the rural night has attracted rural industry... stimulated the rural economy and spurred development in many ways. The member-owned SOUTH PLAINS Electric Cooperative is helping Texas grow.

PROGRESSIVE BUSINESS AND CIVIC-MINDED PEOPLE OF LUBBOCK AND VICINITY

This department has been worked up largely as a reflection of public opinion. No person has written of themselves or their business. All articles have been compiled by a representative of The Abernathy Weekly Review as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens in Lubbock who helped make this department possible is sincerely appreciated.

DRS. C. M. NEEL & J. F. VAUGHAN

There are many men in their chosen vocations who have gained recognition for the progressive manner in which they have conducted their business, and accepted their civic responsibilities, but who will not permit much to be said of their accomplishments.

But in reviewing a group of such citizens we should include Dr. C. M. Neel, and Dr. J. F. Vaughan, well known, and completely reliable optometrists, for they are men who have always done their work effectively, even though it has been accomplished in an unobtrusive manner.

Mr. Neel and Mr. Vaughan, busy as they are, always manage somehow to do their bit in any movement calculated to benefit the community as a whole. Their modesty however, will not permit them to say the things about themselves which are said by their friends, who do so because of a personal knowledge of their activities.

We do not hesitate to recommend J. F. Vaughan and C. M. Neel to our readers as two citizens who continue at all times to work to the advantage of the people of this entire district.

BILL JOHNSON

Bill Johnson of the Bob Miller Pontiac Company, is one of those dependable Tempest and Pontiac Sales & Service dealers who has consistently forged ahead in his business. He has also put his shoulder to the wheels of civic progress whenever concerted help was needed in furthering enterprises promoted for the general welfare of the community.

Mr. Johnson was never one given to wishful thinking. Because his methods are those of direct action, and whether the problem at hand is one concerning his own business or that of a civic nature, he attacks it with optimism and vigorous enthusiasm. Add to this his acknowledged business ability, and his keen sense of values, and it is easily understood why he is almost invariably successful in business or other matters.

We feel that it is our duty to call the attention of our readers to these worth-while characteristics of Bill Johnson, and to pay him a well-deserved tribute for his straight forward business methods, and for the unselfish interest he has shown toward public welfare.

Charles R. Goodin

Performing an outstanding service for the people of Lubbock and the surrounding territory, Charles R. Goodin, agent for the Globe Life & Accident Insurance Company, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. Goodin is a man of ideas, and he is as practical as he is dependable in putting those ideas to beneficial use in furthering the service his company renders to the public. His sound business judgment, and unwavering honesty are characteristics which place him in the front rank with other business leaders of the city. Yet, he is unassuming and modest in his personal contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Charles Goodin who have caused Lubbock to become recognized as the metropolitan center for this section of the state.

Harold E. Pernod

It is because of the unfailing optimism and faith which he so consistently displays toward the future of Lubbock and vicinity, that we are prompted to call the attention of our readers to the excellent service which Harold E. Pernod, manager of the American-Mayflower Moving & Storage Service, performs in the successful conduct of his business.

Mr. Pernod is an aggressive and resourceful personality, whose progressive policies have earned for him a widespread reputation as a business man of more than average ability; and his apparent willingness to devote some of that ability to the promotion of civic activities, further enhances his value to the city.

The safety and efficiency of the operations of the American-Mayflower Moving & Storage

Service, reflecting as it does the executive ability of this man, has earned for the firm a well deserved popularity among the people they serve. We are glad to give Harold Pernod the credit he so well deserves for his achievements, and to wish for him a continued successful career as one of Lubbock's more dependable business men.

FRED WAYNE GUERBER

Fred Wayne Guerber has proved his dependability by constantly adding to, and increasing the service which the Eighth & Avenue Q Mobil Service Station has extended to the people. The large volume of business handled by his Mobil station proves that "service" to him, is not "just a word", but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Guerber was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets all business and civic obligations. He is a credit to his community, and is thoroughly established in the forefront of the business life of the city.

Fred Wayne Guerber has many friends and customers in this district, and it is a pleasure to bring him before our readers in this review of progressive Lubbock business men.

WARNER PHILLIPS

It is fitting in this review of conscientious Lubbock business men that we acquaint our readers with the man to be credited with having maintained Ben Matto & Associates in the enviable position it holds in the business and industrial life of this area. That personality is Warner Phillips, whose genius for organization, and for converting new ideas into actual deeds, has played a vital part in the distinctive reputation which the firm now enjoys throughout this entire district.

Mr. Phillips has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that this district owes much to the many benefits which Warner Phillips and Ben Matto & Associates have rendered to this section of West Texas.

JOHN E. WARREN

John E. Warren, manager of the Acme Brick Company, has won the universal respect and good will of the people of Lubbock, and the surrounding country for the progressive manner in which he has kept this reliable company in the forefront of the business and industrial life of this region. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Warren is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve, and air of confidence mark him as a man of sound judgment, whose opinions and advice are sought after and listened to with respect.

We compliment John Warren for the successful management of the Acme Brick Company, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a Lubbock citizen whom many are proud to call friend.

L. R. BOWIE

We desire in this Lubbock review to call the attention of our readers to the business life of readers to the well-earned position which L. R. Bowie has reached in the business life of this section. During the comparatively short time he has been operating the Midwest Garage, he has made many personal friends as well as having earned the good will of his associates for the straight-forward manner in which he has conducted his business affairs.

Mr. Bowie has worked hard to deserve the confidence which the people of the community have in him, and he continues

to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the operation and management of the Midwest Garage as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of Lubbock, and is always ready to lend his support to civic projects. L. R. Bowie deserves our heartiest congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

J. W. Wilhite & George F. Marshall

Due to the efforts of a group of wide awake business men, the city of Lubbock has attained a dominant position in the business and commercial life of this section of West Texas. And two of those who have justly earned credit for being conscientious members of that group are J. W. Wilhite and George F. Marshall of General Irrigation Engine Incorporated.

It is because of the successful operations of such a business as theirs that the Hub City has earned the reputation of being one of the more progressive communities in the area.

Mr. Wilhite and Mr. Marshall have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include J. W. Wilhite and George Marshall in this Lubbock review, and to publicly give them credit for their success in business, and for their many contributions to the general welfare of the community.

R. R. "BOB" NUNN

Because this is a period of growth and expansion for Lubbock, those conscientious business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to R. R. "Bob" Nunn of the R. R. Nunn Construction Company, for he has become a well-known figure in the business and industrial life of this section of West Texas.

Mr. Nunn's persistent optimism, and steadfast belief in the continued future prosperity of the people of Lubbock, and the area, are characteristics which are deserving of our highest praise.

"Bob" Nunn has also always shown a willingness to do his part in civic advancement, and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his business and private affairs, and because he is willing to contribute to the public good.

GARNET HILLBURN

It is appropriate that we include in this review of progressive Lubbock business men, Garnet Hillburn of Garnet's Trailer Sales & Rentals, who has a great many friends and satisfied customers throughout this entire region. Moreover, he is a man who not only has the reputation of being dependable, but also the added one of being a willing supporter of many community affairs.

Aside from his business activities, Mr. Hillburn has always shown an interest in the civic betterment and progress of the city, and has backed up his interest by his contributions to many projects which have benefited Lubbock and the surrounding trade area. He is a good and loyal citizen, and the full measure of his loyalty is most apparent because of his eagerness to aid community activities.

His help along these lines has made of Garnet Hillburn an excellent example of the type of individual we all appreciate. We congratulate, and extend to him on behalf of all citizens interested in better business and civic progress, sincere appreciation for his contributions to the general welfare of Lubbock and vicinity.

DAN AND JEANE LAW

Dan and Jeane Law of the Gamut Music Company, are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other

matters. They are also civic-minded and have, in the past, and no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. and Mrs. Law have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Jeane and Dan Law to our readers as good examples of the more progressive type of business people who have aided in the growth and development of Lubbock and the surrounding country.

W. B. "BILL" DEAL

W. B. "Bill" Deal of Deal's Machine Shop, and Deal's Valve Service, is one of those individuals who have helped Lubbock grow, and who has at all times assisted in every manner possible to promote that growth. One of his principle objects has been to see the city take its proper place as a leader, and one of the most progressive communities in West Texas. He has helped, whenever assistance was needed to obtain that objective. The Hub City has gone forward on the impetus of the activities of such men, and it continues to progress through their efforts.

This is but a small expression of gratitude to a citizen who has toiled for an ideal, and has gradually seen that ideal take shape. The many services performed for Lubbock by "Bill" Deal are too well known to require repetition here. It is sufficient to say that we recognize him as a leader in both business and civic enterprise; and that we respect his honest opinions, and depend a great deal on him, as well as others like him for future guidance.

Claudine And Josh Shirley

To serve the public honestly, efficiently, and cheerfully, is the basic foundation many progressive business men and women of Lubbock have found to be the shortest route to success. In making this statement, the two we have in mind are Claudine and Josh Shirley of the Lubbock Bowling Club Coffee Shop. The popularity and patronage enjoyed by their many services accentuates the ideals of courtesy and efficiency which they have consistently applied in the management of the business, and in the serving of its customers.

The conduct of such businesses, and the people who operate them have done much to make Lubbock the business center for many miles around, and it is fitting that we give credit where credit is due to such individuals as Mr. and Mrs. Shirley for their part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know them.

Josh and Claudine Shirley have earned their success by the method in which they have served the public, and accepted both business and civic responsibilities, and we wish them every success in the future.

Charles W. Estes

In bestowing credit upon some of those progressive business men of this region who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to publish a few lines about Charles W. Estes of the Estes Fina Service Station at Carlisle.

Mr. Estes has set a standard for himself, and the operation of his business, that under present existing conditions, has been extremely difficult to maintain. However that he has done so is proved by the large volume of business which his Fina station continues to handle, much of which is due to his unceasing attention to detail, and his ability to cope with new and unexpected problems.

Charles Estes is also civic-minded, and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned and his many friends

are confident that he will continue to maintain his usual integrity and high standards.

C. C. NELSON

It isn't the size or volume of a man's business which determines its value to the community in which he lives. But rather by the manner in which it is conducted, which, to a greater or lesser degree, reflects the personality and character of the individual. The value of C. C. Nelson's business to the city is a reflection of his progressive nature, and a determination to render the utmost in service, a policy which has caused the One Hour Sunatizing to be so well thought of, and so widely patronized by the people of Lubbock and the surrounding area.

That same determination and ability which has made him so successful in his own business, has also fitted Mr. Nelson to be of assistance on community projects and public drives. Moreover, he does so cheerfully, and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include C. C. Nelson in this Lubbock review, and to wish him further success in the dry cleaning and one day shirt service business.

MAX STOCKTON

In compiling this review of progressive Lubbock business men, it is fitting that we should include some of those who, by their dependability, have definitely established themselves in the business and commercial life of the city.

Such a man is Max Stockton, manager of Western Motor Parts Incorporated, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. Stockton has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter, who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Max Stockton, and to point out to our readers that his sincere desire to be of service, coupled with his honest methods, are largely responsible for the standing of Western Motor Parts Incorporated throughout this area.

D. C. DAY

There are a number of executives in Lubbock who have gained recognition for their dependability, and a well-known insurance counselor who belongs in this category is D. C. Day of the United General Agency, whose agents, with fair and honest dealings with many of our readers has earned for the agency a great many friends and policy holders throughout this area.

He is well established in the forefront of the business life of the city. And the ethical manner in which he has conducted his business affairs, is but one of the reasons for his outstanding success.

In addition to his insurance activities, Mr. Day has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, Lubbock is firmly established in the minds of the people as the logical business center for this section of the state.

We congratulate D. C. Day for his success in business, and trust he will continue for many years to enjoy that success which he has so justly earned.

J. C. "Jimmie" Edwards, And Everett L. Abernathie

Two of the better informed real estate and insurance executives of the city are J. C. "Jimmie" Edwards and Everett L. Abernathie of Edwards & Abernathie.

They have been operating a complete service for their large clientele over a period of time, and during that time they have made a great many friends both for themselves, and for the companies their agency represents. Mr. Edwards and Mr. Abernathie have also contributed considerable of their time and energy to the growth and progress of Lubbock and this district, and have been content to take their rewards in the quiet knowledge of a work well done, and the respect and admiration of their many friends. The value of two such men to their city, and the surrounding territory, cannot be overestimated when considering the many personal sacrifices they have made in order to contribute to the general welfare of the community as a whole.

We congratulate Everett Abernathie and "Jimmie" Ed-

Mr. Buford Davenport, Editor
Abernathy Review
Abernathy, Texas
Dear Buford:

Please let this be a grateful acknowledgment for the many calls, cards, flowers and other manifestations of concern since I suffered a heart attack on April 4.

Our Abernathy friends are very dear to us and we are appreciative for your prayers and concern.

My condition is much improved and I should be able to resume part of my work in a couple of weeks.

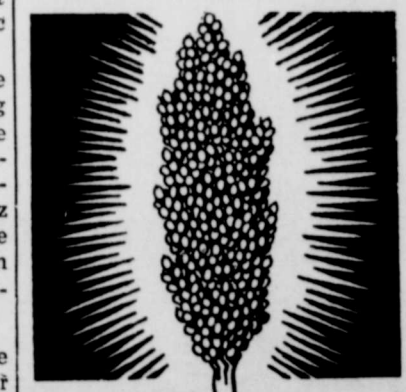

Abernathy is a wonderful compassionate community and has always responded kindly to those in distress.

May you all enjoy good health and God's richest blessings.

Sincerely,
Pete Wilson

P. S. My good friend Isaac Holmes has been sending me the "Review" since I have been bedfast and I have enjoyed it very much.

Mr. and Mrs. Layton Dorrell and daughters, Darlene and Nita, and their son Glenn and family of Lubbock spent Sunday in Floydada with Mrs. Dorrell's parents, Mr. and Mrs. Oliver Allen.

PLANT LINDSEY 788
HIGHEST YIELDING HYBRID IN 5 YEAR AVERAGE AT HIGH PLAINS RESEARCH FOUNDATION, PLAINVIEW, TEXAS

Lindsey 788 frequently yields in the 7,000 to 10,000 pounds per acre range in this area. Used by many sorghum growers who want absolute top yield potential in the hybrid they plant. Use where you plant early and can go all out for yield. 788 can also wait out dry conditions and still produce surprisingly high yields. Near full season maturity.

ALSO PLANT
LINDSEY 744—Earliest Grain Hybrid. Widely used on dryland and under limited irrigation.
LINDSEY 755—Medium Maturing Grain.

News From The Library

The Abernathy Public Library, open each Monday, Wednesday and Saturday afternoon from 1 to 5, has some interesting mystery and detective books on the shelves.

Among the authors of these books are A. E. Martin, Ellery Queen, Helen McCloy, Agatha Christie, Earl Stanley Gardner, Anthony Gilbert, Mayzie Greig, Austin R. Freeman, Bixon Carter and Lord Garland.

Go by the Library in the City Hall and Miss Ritchey, librarian, will assist you in finding the books of your choice.

The Abernathy Public Library is continually adding new books for Abernathy area residents to read. The library is open each Monday, Wednesday and Saturday from 1 to 5 p. m. and you are invited to take advantage of the opportunity to read the books of your choice.

Junior biographies recently added to the library are Booker T. Washington, Stan Musial, Robert Fulton, Roger Williams, Eli Whitney, Champlain, LaSalle and Jane Addams.

Other books of interest to the Junior high students are Texas Rangers—The Journey, Hurlbut's Bible Stories, Joel Potter's Son, The Keys and the Candle, The First Woman Doctor, Apprentice to Liberty, Story of Submarines and Tales of Ancient Egypt.

Among Childrens books on the library shelves are: I Can Talk With God, Who Has Seen the Wind?, Why Cowboys Sing In Texas, Once Upon A Holiday, Mr. Trotters' Big Gold Watch, A Birthday Present, Winds A'Blowing, Once Upon A Season, and Smart Mr. Tim.

Library books of interest to both the senior and junior high student are: Border Patrol, The Cuban Republic, Story of Secret Service, America and Its Presidents, America is Born, America Moves Forward, Astronomy, The Story of Atomic Energy, All About Undersea

from The Abernathy Public Library. Exploration, and Rocket Pioneers.

Read a good book this week

★ ★ ★ ABERNATHY PUBLIC LIBRARY HAS NEW BOOKS

Jawbo means "Hell" in many African dialects. It is also the name of a new book added to the Abernathy Public Library.

It is a thrilling saga of a free-flowing baloon Jawbo and the three men who risked their lives in a photographic safari over East Africa, told with humor and at a head-long narrative pace. "Jawbo" is an accurate nature and an exciting adventure story.

Another new book, "My Shadow Ran Fast", by Bill Sands, is the true story of a violent, law breaking, convention-defying young thing. As a result he spent his early young manhood in San Quentin. What caused him to become a thing, and what convinced him to lead a worthwhile purposeful life makes for fascinating reading.

The library is in the city hall and is open Monday, Wednesday and Saturday afternoons.

SCHOOL LUNCH MENU

Abernathy

Society News

Miss Decker, Don Jones Are Married

Miss Katherine Decker became the bride of J. Don Jones in a double ring ceremony recently in the home of Mr. and Mrs. Tommy Kamas of Temple, with the Rev. Charles McAfee of Bartlett officiating.

The bride is the daughter of Mr. and Mrs. W. C. Decker of Bartlett, and the bridegroom is the son of Mr. and Mrs. Ward Jones of Abernathy.

The bride was given in marriage by her father, Mr. and Mrs. Kamas were the couple's attendants.

A reception was held immediately following the ceremony. The bride's table held the three - tiered cake and punch bowl and was centered with the bride's bouquet.

Miss Helen Decker, sister of the bride, registered guests. Assisting in serving were Mrs. Douglas Black, sister of the bride, and Mrs. Kamas.

The bride is a graduate of Temple Junior College and is a senior journalism and sociology major at Mary Hardin-Baylor in Belton. The bridegroom is a graduate of Abernathy High School, and attended Texas Technological College in Lubbock.

Marry In Chapel At Lake Texoma

The wedding of Miss Pauline Knight and David Alan Smith was held Saturday at 3:00 p. m. at the Sherwood Chapel on Lake Texoma. The Rev. T. L. Tatum, pastor of the South Side Baptist Church, Gainesville, officiated for the double ring ceremony. It was the first wedding performed in the little chapel at the lake.

Baskets of white gladioli decorated the altar space, and Miss Rebecca Smith sang "Because", accompanied by her mother, Mrs. Ervin Smith on the organ.

The bride is the daughter of Mrs. William C. Ledbetter, 1612 Scott St. Gainesville and T. A. Knight of Abernathy. The bridegroom's parents are Mr. and Mrs. F. J. Smith of Abernathy.

Presented by her brother Martin Knight, the bride was lovely in a white Chantilly lace dress designed street-length over taffeta. She carried a white bible topped with white carnations, a gift of the bride's aunt, Mrs. Leon Hiser.

Miss Evelyn Smith was the honor maid and wore a pink linen suit with a pink lace blouse. Wayne Massey was the bridegroom's attendant.

The couple will reside in Lubbock, where Mr. Smith is employed by Custom Leasing, Inc.

RESEARCH STATION TO HAVE NEW BUILDING

An important addition to the physical facilities of the High Plains Research Foundation, made possible through a generous grant by the Moody Foundation, has been announced by the Board of Trustees of the Foundation. The Moody Education and Communication Building will soon be under construction on the premises at Halfway, Texas.

In a meeting of the Executive Board on Saturday morning May 1, 1965, a contract was awarded to Lampe Construction Company of Lubbock, who was the low bidder.

The proposed building will be of modern design, as outlined by Kerr & Kerr, architects of Plainview, with outside dimensions of 60' x 75'. Contained in the building will be facilities for radio, newspaper and television work, along with an eventual Agricultural Library and office space. The addition of this plant will release badly needed space for scientific agricultural research.

According to Mr. Harold Hinn, Chairman of the Board, the Moody Memorial Education and Communication Building is a great step forward for the High Plains Research Foundation. Attending the meeting were Frank Moore, President of the Board, Dr. Earl H. Collister, Director of the Foundation, Graddy Tunnell, Virgil Payne, Steve Taylor, and Ewald Quebe, members of the Board.

Engagement Is Announced

Mr. and Mrs. Ben Morrison of O'Donnell announce the engagement of their daughter Miss Sharon Morrison to Gary Lynn Reeves, son of Mr. and Mrs. James Reeves, O'Donnell.

Miss Morrison was graduated from O'Donnell High School and attended Lubbock Christian College. Her fiancé is a candidate for graduation from O'Donnell High School and plans to attend college in Oklahoma City, Okla. The couple plan to wed June 11.

The wedding is set for 6:00 p.m. June 11, in the First Methodist Church at O'Donnell. All friends of the couple are invited to attend.

The James Reeves family formerly resided in Abernathy.

Shower May 13 For Miss Hunt

Miss Doris Anna Hunt, bride-elect of Gene Stephens, is to be honored at a bridal shower from 2:30 until 4:30 p.m. Thursday, May 13, in the home of Mrs. Jack Myatt, 802 First Street, Abernathy.

Co-Hostesses with Mrs. Myatt will be Mmes. Irvan Rhodes, A. H. Kalka, Millard Hancock, Melvin Johnson, L. W. Lambert, L. G. Deering, G. D. Clapp, Rupert Allen.

Charles Tolleson, W. C. Bryant, A. R. Knight, E. W. Lambert, Doyle Oswalt, W. T. Settle and J. A. Bruce.

School Schedule

Abernathy
May 16, Baccalaureate.
May 17: Annual Spring Band Concert, Abernathy School Bands, under direction of Mr. Everett Maxwell, Abernathy School auditorium. Public invited.
May 20, (Thursday) High School Commencement.
May 21, (Friday) Junior High Commencement.

COMING EVENTS

May 22: Abernathy Club swimming pool will be open for the season, it was announced by Golden Fergusson, owner, Dent.

To Attend Convention

The 65th Annual Texas Credit Conference will be held in Corpus Christi, May 22-25, and is expected to attract a large number of merchants, credit and collection executives and members of their staffs, Tommy Dunn, Owner of the Retail Merchants Association, of Abernathy, said today.

The convention is sponsored by the Retail Merchants Association of Texas, Consumer Credit Association of Texas, The Credit Bureau and Collection Service Divisions of the Associated Credit Bureau of Texas and the Lone Star Council of Credit Women and The Retail Merchants Association of Abernathy, each of which will be represented in programs during the four days of the conference.

Focal point of all discussions during the convention, Dunn, said, will be changes that are taking place in business methods, and of the necessity of the credit industry to adopt new working structures and offer more and different types of services.

At a joint meeting of all groups, two nationally - known speakers will make talks. Clarence N. Waler, Coca-Cola executive, will speak on "Public Relations in Business and Salesmanship," Henry C. Alexander of Charlotte, N. C., credit manager of the largest department store in the Carolinas, will discuss, "With His Hand On The Trottle."

The Consumer Credit Association, whose membership is made up of credit managers and members of their staffs of retail establishments and professional offices, will hold a two-day training clinic, and also a series of group meetings for their specialized fields as automotive, finance, building materials, furniture, home services, jewelry, medical and dental, utilities and wearing apparel.

LAWRENCE AMERSON SELLS REGISTERED ANGUS CATTLE

Lawrence Amerson, Abernathy, recently sold 19 registered Angus cows and 10 Aberdeen Angus bulls to Ernest L. Davis, Dimmitt, Texas.

Co-op Gin To Have Annual Meeting Here

Abernathy Farmers Co-op Gins President Lee Roy Waters announces that the annual meeting of stockholders will be held in Abernathy School cafeteria at 7:30 p.m., May 13. As usual, there will be a good meal served, and entertainment for children and grown-ups. Regular business will be transacted and dividends distributed.

All members and their families are urged to be present and receive door prizes given to all.

No. 1

Impala Sport Sedan, just one of 15 models in the Number One line

Success hasn't gone to its price

After all, you don't get the No. 1 place (or stay there year after year after year) unless you give people a lot for their money. That, Chevrolet does. Look what's new for 1965. Everything.

Like the handsomest new styling you've ever turned around for another glance at. Like Chevrolet's Jet-smooth ride, even better now with Wide-Stroke to steady

things as you go. Like however much economy or excitement you'd want, our miserly 140-hp Six to our ferocious Turbo-Jet V8, 325 hp on order.

Besides price, one other thing hasn't changed: Chevrolet's traditional resale value . . . still so good you won't believe it until you get it. So get it (along with all that's new) at your Chevrolet dealer's.

LEGAL ★ NOTICE

The Application of Radio Station KWGN-FM for a renewal of its License to operate this Station in the Public Interest was tendered for filing with the Federal Communications Commission on May 3, 1965.
Members of the Public who desire to bring to the Commission's attention facts concerning the operation of the station should write to the Federal Communications Commission, Washington, D. C. 20554 not later than May 27, 1965.
Letters should set forth in detail the specific facts which the writer wishes the Commission to consider in passing on this application.
KWGN-FM is owned and operated by Abernathy Broadcasting Co., a partnership of Clyde R. (Bob) Stephens—55%, Raymond V. Stephens—20%, John R. Stephens—5% and Steve McGlothlin—20%.
KWGN-FM Operates on the Federally assigned frequency of 99.5 Megacycles with an E. R. P. of 57 kilowatts unlimited. Studios and transmitter facilities are located 4 miles north of Abernathy, Texas on U. S. Highway 87. (6-3-65)
