

Tragedy Takes Toll Early Thursday

A regular route driver for Meads Bread Co., Abilene, met his death in Colorado City, Highway 208, shortly after midnight today. Charred body of Earnest Eugene Young, 34, was recovered from the total ruins of his truck several hours after firemen extinguished the fire which enveloped the wreck. In collision with Young's truck was an unloaded cattle truck enroute from California to Mississippi. Rider in the second truck was injured.

## Fiery Two Truck Crash Kills Route Driver Here

### Abilene Man Victim In After Midnight Wreck

Death on the highway struck a second time in six days here in the northern outskirts of Colorado City at 12:16 a. m. — just after midnight today. Earnest Eugene Young, 34-year-old Abilene driver of an early morning bread route truck died instantly in a flaming two-truck crash on State Highway 208 (to Snyder) at the Interstate 20 overpass. Impact of the collision of Young's truck with a cattle truck enroute to Mississippi from California caused Young's bread truck to burst into instant flames, fed further by explosion of his auxiliary gasoline tank.

Intense heat of the burning vehicle made recovery of Young's body impossible. Winch trucks and work by law officers, firemen and local ambulance drivers recovered the charred body about two-and-one-half hours after the crash. Site of the fatal accident is within city limits of Colorado City where service roads from Interstate 20 flank the highway, just to the south of the overpass for Interstate 20 traffic around Colorado City. Young was driving a 1961 2-ton Chevrolet truck owned by Meads' Bread Co. of Abilene on his regular route, enroute from his stops in Snyder to his daily delivery to local distributor Pete Humphries in Colorado City. He was traveling south on Highway 208.

## KICKOFF PROGRAM United Fund Workers Given Goal Challenges

Volunteer workers 131 of them strong-attended the formal kickoff day luncheon for the 1963 Mitchell County United Fund campaign. Opening signal for the drive for \$20,130 to be allocated to 11 health, welfare and character training agencies came at noon Wednesday in Civic House. Luncheon was staged in a tri-club meeting of civic clubs, Jaycees, Lions and Kiwanis with volunteer solicitors attending on the "Dutch Treat" party. Almost 90 percent of the men and women who have agreed to serve as United Fund campaign workers were present at the 12 noon program introduced by Jaycee president Fred Marberry. Marberry presented Bill F. Carter, this year's campaign chairman, who was master of ceremonies for the day. Carter issued public challenges to heads of divisions naming quotas each division. Advance division, headed by Jess Craddock Sr., will raise \$10,000. Special gift division, headed by J. Ralph Lee, Jeff Taylor and G. D. Foster will undertake a challenge of raising \$1,700. Branch House division, Charles C. Thompson chairman, has a goal of \$1,000 with \$500 of that amount already pledged, according to James Hull, campaign publicity chairman. Employees' division chairman, Bob Reilly took on a fund goal of \$3,130. Reilly's team captains are Don Benson, Hobie Gundrum, Leonard Ward and Dr. William S. Rhode. County attorney Frank Ginzler, who heads up the Public Employees' division, accepted a challenge figure of \$1,700 for that division. Mrs. C. Bruce Webb, chairman of women's General Solicitations have their sights set for \$800, as challenged by Chairman Carter. Loraine citizens, with Ray Preston as division head, are to raise \$800, Westbrook, led by Rex T. McKenney, \$300. Farm and Ranch division, headed by County Judge-Elmer Martin, agreed to try for an even \$1,000. Work kits and cards were distributed by team captains immediately following the luncheon program. Featured speaker for kickoff day was Robert J. Tiffany, general chairman of the United Fund campaign in Abilene this season. Introduced by Hull, Tiffany chose as his subject, "It is the Little Things." "It is the little things, added up, which amount to achieving or fail to achieve," Tiffany said after calling the United Fund "hands that help were I can help, feet that go where I can not go and a generous heart of a community helping where I, personally, may be unable to reach." "People have to understand what you, as workers, are talking about—open people's eyes to the important things being done by United Fund—it is little things like these that are so important," Tiffany told his Colorado City audience. Also taking part in the kickoff was FUND Pg. 6

## MITCHELL RETURNS SHOW County Thumbs Down On Poll Tax Proposal

With about one-third of the total number of qualified voters showing up at the polls Saturday, Mitchell County citizens registered a strong "no" on the proposed constitutional amendment abolishing the poll tax in Texas. Of the total 727 ballots cast in nine voting boxes, 534 citizens voted against doing away with the poll tax in the state with 197 votes for the proposal. Mitchell County also voted thumbs down on amendment number 3—a constitutional amendment granting Jefferson County the right to vote for or against establishment of retirement plans for appointive officials in that county. Amendment 2—providing for sixty million dollars in state assistance each year to the needy blind, "needy" children and totally disabled persons of this state, properly qualified by the Legislature as to length of residence—was approved by Mitchell County ballots to the tune of 727 for, 294 against. Amendment 4—to increase the Veterans' Land fund by one hundred-fifty million won in the county by a very slim margin—368 to 359—a total edge of 9 votes. Voters throughout the state with the poll tax in the state, an off-year amendment election, turned down three of the four proposed amendments to the constitution of the State of Texas. Poll tax amendment failed by 903,763 to 237,524. Other rejected amendments were the Jefferson County's local pension issue defeated by 199,865 for to 234,777 against. Amendment to extend the state program for selling land to war veterans was defeated by Texas voters by a count of 240,944 for the extension and 249,104 against the expenditure of another \$150,000,000 for the Veterans' Land program. Only amendment to come out on top was the one granting a lift in the ceiling on state funds for the needy, approved by Texas voters at the Saturday polls.

## C-City Interstate 20 Sign Work Starts

Work has started on construction of Interstate 20 signs around Colorado City. Total cost of the new delineation planned and now in the process of construction is \$63,000. E. M. Bailey of Abilene, contractor, said this week that the work will be probably completed by the first of January. Contract requires that the project be finished in 90 days, but contractor and workmen expect to beat that deadline they said here. Motorists are urged by local law officers to observe caution during the next two months, while the construction is underway. At 10 o'clock this morning, Texas State Highway engineers, the contractors, State Highway Patrol, Colorado City Police force and Mitchell County Sheriff's department met to discuss the signs and their relation to traffic. Cost of the new highway signs, to tie in with signs on the rest of Interstate 20 across this county, will be borne by state and federal funds. Area extends 7.48 miles from 3 miles west of Colorado City to 3 miles east of Colorado City. Signs will be bigger, more numerous, more easily read both by day and by night. Reflector posts at exits and entries are part of the construction. State of Texas has appropriated approximately \$40,000 to light up major interchanges on the bypass route, but that contract has not been let, to date. Ben W. Wilkinson, resident engineer for the Texas Highway Dept., will be in active charge of the newly started sign project while it is under construction, according to J. C. Roberts, District Highway engineer, of Abilene.

## TRAFFIC CAUTION ISSUED

Motorists are urged by local law officers to observe caution during the next two months, while the construction is underway.

## HEART VICTIM Howard M. Rogers Last Rites Monday

Last rites for Howard M. Rogers, prominent Colorado City business man and owner of a meat packing company here, were conducted Monday afternoon at two o'clock in First Methodist Church. Rogers, 69, died unexpectedly following an apparent heart attack about 11 p. m. Saturday at his home, East 21st St. He had lived in Mitchell County for 37 years, first moving here with his parents in 1908. He was born in Mississippi July 29, 1894. Rogers was a veteran of World War I. He saw 111 days of service on the front lines of fighting in France and a total of 15 months active duty on two main fronts. He trained at Camp Travis for eight months, then was sent overseas with Company F, Fifth Ammunition Train of the famous fighting Fifth Division, which helped break the Hindenburg Line after battling through the St. Mihiel campaign. Still in combat and in a front line trench on Armistice Day, Nov. 11, 1918, Rogers was among American soldiers sent to Luxembourg as part of the Army of Occupation there for eight months. He was discharged as a corporal in San Antonio, Aug. 19, 1919. Active in the Hooker-Pond American Legion Post in Colorado City, Rogers served as post as commander four times. He was also a boys' livestock show enthusiast, known for his generosity and aid to 4-H. Attending physician said at

## C-CITY WOLF SQUADS Bothered, Battered, Bruised but Game

By Ruth Coffey  
Record News Editor  
What's the C-City Wolf handicap for this week's game against Snyder Tigers? Rated favorites for the District 3-AAA championship? Wolves, with a total of 8 first string players out for the season with injuries or illness, are rated decided underdogs. And that's not all. Coach Sam Christy's Wolves could also be safely rated this season as the "luckless 'leven." The '63 season for the home team has set some sort of record for limping lads warming the bench together. A total of eight first team starting players are now out for the season with injuries and/or prolonged illnesses. On top of that six stalwarts of the B team which ordinarily might be used as replacements are among C-City hurt and hobbled. As if those sad figures were not enough trouble for any one high school football team, head coach Sam Christy missed a step, enroute to skull practice last week, and came up or down with a fractured fifth metatarsal in his right foot. Wolf fans needing any alibi for the '63 games lost might take a gander at these figures: first string casualties include David McKay, QB, out with a fractured collarbone; Bill Bor-

Limping Along Together. Pictured here are part of the 'Wounded Wolves,' who now have 8 men from first string, 6 from the B team out of play from injuries and sickness. Top row, left to right, are David McKay, Bill Boren, Paul Yeager, Joe Amesqua and Dick Shimer. Seated, front row, are Tommy Aplin, Perry Millsap, Coach Sam Christy (nursing a broken foot), Artie Butler, Bill Smith, and Wayne Snowden. Other boys out for the season, not pictured are Melvin Morgan, Leon Swaatt, Stanley Hardcastle and Wayne Parham.

## Courthouse Party Sunday

Sunday afternoon between the hours of two and five all Mitchell County is invited to be guests of the County Commissioners Court for an open house party. Reception is planned as a come and go celebration of the recent completion of remodeling and refurbishing of Mitchell County Courthouse, third floor. Third floor of the courthouse in Colorado City is to be the scene of the all-citizens' open house. No special program is planned for the day, according to County officials who will host the reception. Inspection of the new District courtroom, new dormitories for jurors, new offices—the whole of the new third floor—is the chief attraction offered to all courthouse open house party guests. Remodeling project of third floor of the building is second step in a top-to-bottom, pay-as-we-go complete modernization of this county's courthouse, commissioners have announced. First step was the paving of wide parking areas around the building on the old "square," to make access to the court building more convenient.

## Mrs. Latimer Tells Of Literary Myths

Mrs. Jim Edison hosted the Thursday meeting of the Zetaganathian Study Club in Terrace Room of the Baker Hotel. Leader of the day was Mrs. O. B. Trulock, Jr. Mrs. Curtis Latimer presented the program on "American Literary Myths—Old and New."

"Wherever there are people there will be a literature; a literature in the record of human experiences and people are always impelled to write down their impressions of life and where there is literature, there will emerge literary images or myths," Mrs. Latimer said in beginning her talk.

She said that American literature began with the first English Colonies at Plymouth and Boston populated by Englishmen who slowly grew to be Americans as a familiar and proud story, but how their writing grew to be American writing is not so well known.

Mrs. Latimer said. She added that the growth of American literature has following closely the history of the nation.

The speaker divided American literature into three distinct periods, designating them as rural, urban, and sophisticated suburb.

In the first age, the representative American was a single man fighting against nature, self-reliant, independent, individualistic and proud as pictured in the person of Davy Crockett, and fictional characters of James Fenimore Cooper, such as The Pathfinder, The Deerslayer, etc. she stated.

The second age, she remarked, brought with it the same single man fighting against society in order to change it or to raise in it, such as the portraits of business men in the teachings of new regions of tricky commerce and high

## Oriental Influence On Decor Featured

Mrs. Virgil Stone presented the program, "Oriental Influence on Our Modern," at the recent meeting of the Hesperian Daughters Study Club in the home of Mrs. Laurence Rudd.

Business meeting was conducted by Mrs. Merle Brockett, vice president. Mrs. A. L. Geer reported on the Federation Day Tea. A donation to the scholarship fund of the Mesquite District was approved. Mrs. Stone told club members that the Oriental influence so prevalent in our modern decor is partially due to the accelerated rate of traveling by Americans. She said, however, that this influence started in 1688 in England when William and Mary ascended the throne.

The new monarchs were a home-loving couple, and with the burning of Whitehall Palace, they had the chance to introduce a new style of furnishings, principally of walnut she said. With the new Dutch style came lower ceilings, with furniture described as more useable, graceful, slender and in lighter style with predominantly rectangular lines.

One of the first articles imported from the East following the Cascades were fine Oriental carpets, handmade with distinctive design, weave and color of the locale from which they came, Mrs. Stone report

## Thanksgiving Dinner For Church Class

Thanksgiving dinner for the Wilson Sunday School Class of Calvary Baptist Church was held Thursday evening at the Villa Inn Restaurant.

Mrs. Wayne Claxton, president, gave class yearbooks to new members, Mrs. Jerry Webb and Mrs. Larry Marks. They were each given a red rose by Mrs. Neil Rogers, teacher of the class, who explained the significance of the flower in relation to the class. The red rose is the class flower.

Guests, Mrs. D. R. Harris and Mrs. Eldon Love, were introduced and welcome by Mrs. Joe Wallis, vice president of the class.

Members present for the dinner and program were Mrs. Claxton, Rogers, Griffith, Wallis, Webb, Mark, Doyle, Entos, Norvell, Frazier, Wayne Bates, Tommy Christon, Jimmie Bolin, and Jackie Pylant.

### Halloween Tire Slashers Get Probation

Two Halloween pranksters who turned from tricks to mischief-mischief appeared before Juvenile Judge Elmer Martin Saturday morning for a hearing.

The boys, aged 14 and 15 were arrested near the scene of a tire-cutting and new car paint-splashing incident Oct. 31. The 1964 model car of Mrs. Jean Roberts, school teacher was tire slashed and splashed during Halloween evening.

Judge Martin placed the two defendants, both of whom attend school, on temporary probation and ordered them to pay for damages done. The judge also ordered the youths to continue in school, to obey all laws and to report to their home premises, at a reasonable hour of the evening. The two agreed to share the cost of damage to the tires and to the auto paint finish.

off hour program were Paul E. Hunter, president of the local United Fund organization; Rev. Alan Conly, who spoke the invocation, Rev. H. W. Bartlett, who said the benediction; Mrs. Curtis Baker, pianist; and Homer Bankhead, campaign coordinator.

Bankhead, professional fundraiser of Sweetwater employed here for the second season, praised the spirit of cooperation and the record attendance at the kickoff program for workers.

United Fund office, with Mrs. L. D. Maines as office secretary, has been open in the Barber building since Nov. 6.

Report meeting were announced by Carter as coffee session in Civic House, both Thursday and Friday mornings.

A film "United Fund" eliminated the noon program.

#### CRASH—

Continued from page 1  
noon today that Hyde received a severe laceration on his forehead and a slight skull fracture.

"He is resting well now," the doctor said, "but will have to be hospitalized for several days."

Driver of the Meads' truck, Young, who lost his life in

the wreck, was believed by law officers here to have died instantly in the collision, before flames reached his trapped body. The bread truck was crumpled into a mass only a fraction of its size by the impact and was lodged against the front of the cattle truck.

Young, married and the father of two young children, lived at 3568 Cedar St., route 6, Abilene. His body was taken to Abilene where funeral services were pending at noon today.

Just before noon last Thursday, Mrs. Hugh White of Midland and formerly of Abilene, was killed in a car-truck crash near Loraine while driving alone on Highway 80, about 10 miles east of Colorado City.

**WOLVES—**

ed from an earl season fractured shoulder blade.

All this—and the Snyder game too—should be handicap enough for any team this side of the pro leagues. Who, how and what he'll start with tomorrow night, Coach Christy says he "just don't know." He does know where. Where is Snyder. And when is 7:03 p. m.

P.S. Even a little soph manager got in on the act, Monday. There were not enough Wolves for regular scrimmage, so Joe

Williams was holding the dummy for practice tackle. Joe now has one broken rib.

#### HOWARD ROGERS—

### Continues Book Study

"A Minority Amidst Revolution" was subject for the third session of Wesleyan Service Guild's study on the book "Christian Issues In Southern Asia," by P. D. Devanandan.

Lesson was conducted as an open discussion by Mrs. Tommie Verner, teacher for the course. Purpose was first to come to a greater understanding of the burdens and opportunities that come when a church is in a minority position. Secondly, was to learn something of the complexity and extensiveness of the religious role in Southern Asia.

Meeting was conducted in the parlor of First Methodist Church. Those present were Mmes. Myrtle Womack, Wilford Fox, Cornelia Martin, Elizabeth Elliott, Tom Coker, Frank Wilson, E. M. Fisher,

Dewey Davis, C. A. Farmer, Arnel Smith, Wilma Reynolds, Verner and Misses Effie Copeland, Neida Garrett.

### Millsap Wins First In Key Game Contest

Football contest guessing prizes went to four masculine fans last week.

## Special Notices A-2

We regret to announce that the excessive number of requests to hunt on the Rendon Ranch of late years have made it necessary to institute charges for the privilege. It should be noted that this is not an invitation to the public. Mr. O. F. Jones, Foreman, will be at liberty to limit the number of permits to be issued for personal reasons or for reasons of safety or conservation. We shall expect all hunters to treat the property and premises with respect and conduct themselves in a sober and cautious manner. The fees for hunting permits shall be \$15 per gun or man, per day for deer and no guarantee of success. Bird shooting fees shall be \$7.50 per gun or man, per day and no guarantee. We repeat our regrets that there will be no hunting without charge even for our closest friends on account of the difficulty of drawing the line. The purpose of these changes is very honestly to reduce the hunting pressure which seems to us preferable to prohibiting hunting. Persons may seek permits at the Ranch Headquarters.

### J. O. Y. Class Hosts Social

WESTBROOK—Members of the J. O. Y. Sunday School Class of the First Baptist Church met in the home of Mrs. W. C. Hutchins, teacher of the class, Monday evening for their monthly business and social meeting.

Mrs. Otha Conaway brought the devotion from the Book of Jude and spoke on Communion. Prayer was led by Mrs. T. G. Anderson.

Plans were made for the Christmas social to be held Dec. 9 in the home of Mrs. Conaway. At that time members will bring jewelry for the State Hospital in Big Spring, old Christmas cards for the TB Sanatorium at Carlsbad, Texas. And canned goods for the Orphans Home in Beeville. This will be the class project for December. Mrs. Conaway, Mrs. Bill Yarbrough and Mrs. A. G. Anderson were the committee chosen to make plans for the Christmas social.

Hymns were sung by the members accompanied by Mrs. Robert Hutchins at the Organ.

Three visitors were present, Mrs. P. A. Truitt, Mrs. Tom Daughtry, and Mrs. Robert Hutchins. Members present were Misses J. W. Lewis, Keith Williams, D. J. Barber, Conaway, B. D. Taylor, Yarbrough, Altis Clemmer, and the hostess, Mrs. Hutchins.

### Thanksgiving Program for Church Class

November meeting of the Busy Believers Sunday School Class of Plainview Baptist Church was held in the home of Mrs. Marcus Vest.

Theme of the program on Thanksgiving was entitled "Giving Thanks to God", and was given by Mrs. Vest. Mrs. Roy Howell presided over the meeting.

In business session, class decided on two yearly projects, operating the nursery during worship services and visitation of shut-ins, each of which will be carried out once a month. Class plans to send gifts to McKnight Tuberculosis Hospital for Christmas.

Christmas dinner for the class will be a covered-dish meal at the regular December meeting.

Devotions for future meetings will be given by the hostess for the meeting.

Members present were Mrs. Robert Bolin, B. B. Howell, J. C. Northcutt, Roy Howell, Joe Boyd, Herman Salley, Caddo Matthews, G. M. Howell, and hostess, Mrs. Vest.

## CONVERSATION CORNER

**NATIONAL EDUCATION (ANY) WEEK**  
Parents send their young to college  
Praying they'll get full of knowledge—  
But kids, before they're educated,  
Sometimes wind up wedicated.

**PARENTS** are people who dream—not so much about what they expect to do themselves, but dreams for sons and daughters.

Parents are people who wrap dreams around . . . a basinet . . . a bicycle . . . a boy . . . a highchair . . . a pony tail . . . a girl.

Parents are people who dream . . . even as their parents before them dreamed . . . That's the way the branches bloom on the family tree.

**SAW**, somewhere, some little lines that went something like this: If a prophet—or maybe it was fortune-teller—could actually predict your future, he would be stealing away from you your dearest possession. **Your dreams.**

Of what stuff are your dreams made? What hopes hang on in your heart like a reflected rainbow?

Chances are that all personal day-dreams are as big—or as small, as old—or as young, as unselfish—or as self-centered as the person doing the day dreaming.

**DREAMS**, like a diary, change—even as the dreamer changes.

People who are little dream of Shetland pony rides. A racing bike. Personal pleasures for themselves exclusively.

People who are a little bigger dream of dancing slip-

pers, a solitaire, a wedding veil. Still a bit on the "mine the glory" side.

People a lot bigger dream of tramp steamer voyages, a stay in Hawaii. Days in London . . . nights in Venice.

**PEOPLE** who have lived yet a while longer come to the point, sooner or later, where they whittle down their dreams to size, a bit.

They dream of yearly paid vacations . . . Families home for Christmas . . . Life being what it is, and largely made up of what some circles call "adjustment," they settle for dreaming of central air-conditioning. College for the kids.

Parents are people who dream. Dream with their fingers crossed, check book in hand and the bifocals firmly anchored, dreams that begin and end with the old refrain, "Once we get these kids educated . . ."

### BRIEF SUMMARY

Parents send their kids to college—  
Life itself will make 'em smart.  
Parents pay for educations—  
Only years can teach the art  
Of livin' while they're learnin'  
And learnin' as they live—  
Education, Heaven help 'em,  
Is one thing you CAN'T GIVE.

**RIGHT** next door to being parents—this National Education Week or any other week—is the thrill that comes once in a lifetime with a rival of that first grandchild.

Saw Doris Wayne Nelms (Mrs. Hayne) with her feet dancing along the sidewalk.

"I'm officially grandma," she laughed happily. The Nelms daughter Fanchon and her husband John Lackey are parents of a boy baby born to them in a hospital at Alvin at 9:25 p. m. Monday, Nov. 11. The Nelms grandson is named Gregory, and will be called Greg.

**LOCAL SCENE LATELYS** included this time Mrs. Lily Bennett of Loraine who is already looking forward to flying to Montana, come Christmas, to visit her son, Dr. Byron J. Bennett.

Dr. Bennett, who grew up in Loraine, is now dean of the engineering school at Montana State College in Bozeman, Montana. He holds his BS degree from Texas Tech, studied at Princeton by courtesy of the US Navy during World War II, then earned his master's degree and his Phd at Stanford in California. Nice going for a Mitchell County lad.

**BRIEF ENCOUNTERS** were a pleasant part of last week. Saw Father Arthur Kaler of St. Ann's . . . Darris Egger of First Methodist and Neil Rogers of Calvary Baptist, all in a row.

Office visited with James Hull, who's doing a fine job as publicity chairman for United Funds campaign . . . and Larry Smith, Boy Scout man for the Lone Buffalo District. Also chatted briefly with a couple of football-minded feminine fans—Mrs. Virgil Stone and Mrs. Roy Key.

**OFF THE CUFF:** been meaning to say our Hattie Ramsdell (Mrs. Frank of Locust St.) is now making her annual long autumn visit with daughter Elsie Ann, her husband Fred Scaife and the grandchildren Joyce Ann and Jim. The Scaifes live in Denver, Colorado, now.

Saw Hattie at the recent Garden Club Flower Show and she looked lovely.

**FAMILIAR** Faces fun to see have been those of Mary Rice (Mrs. R. J.) Lloyd . . . Mrs. Roy Bates . . . Doris (Mrs. Leon) Dickard . . . Wynne (Mrs. Myrtle) Jameson . . . and Berta Mann . . . and Frances Kiker (Mrs. Doyle) wearing a snazzy little leopard fur pillbox.

### Silver Couple Honored On Anniversary

Mr. and Mrs. George Connor were honored on their silver wedding anniversary recently with a surprise party in Sun Recreational Hall in Silver.

Hostesses for the covered-dish supper were Mrs. Ollie Newell and Mrs. Blackie Keener. A gift of sterling silver was presented to the honored couple.

Decorations featured a three tiered wedding cake baked by Mrs. Harold Keller.

Among out-of-town guests were Mrs. Bob McKelvey of Abilene, daughter of the Connors, and Mrs. Billy Jo Cruse, sister of Mrs. Connor, also of Abilene. Thirty-six persons attended the dinner.

Loraine's Ray Preston . . . Jene Steakley, First Baptist parson H. W. Bartlett ('Barl') and Arlene Morris . . . Jake Merritt . . . Frank W. Wilson . . . Mrs. Woodrow Pratt . . . Earl Brock . . . Ken Looney . . . Marie and 'Acie' Benson . . . Paul Hunter . . . Brooks Teague—all part of the United Fund luncheon crowd.

**THE CHRISTIAN** Brotherhood News, an international weekly published by members of First Christian churches, brings fine news of our Jimmie Pickens—who is now Dr. James M. Pickens of Columbia, Mo.

Dr. Pickens (M. D.) is now medical director for the Woodhaven Christian Home for Children in Columbia, a National Benevolent Association home to serve exceptional children.

As just Jimmie, Dr. Pickens grew up in C-City, finished CHS, University of Texas and the University Medical School. He's son of Mrs. Pete Pickens and the late Mr. Pickens (J. M. Pete) and brother of Mary Jo (Mrs. J. D.) Hill, Nell Ruth (Mrs. Charles) Holman and Margery Pickens, social-welfare worker of St. Louis.

### Baptist Circle Meets With Mrs. Hock

Roberta Edwards Circle of First Baptist Church will meet Monday night with Mrs. Inez Hock, 1314 Pine. Mrs. Dennis Hock will present the first study book, Mandelbaum Gate, concerning the gate joining Jerusalem and Israel. Devotion will be given by Mrs. Ethel Dawson with Bible study by Mrs. R. M. Reed.

### China Grove Residents Go Visiting

Hoyt Murphy expect to leave here Monday for Corpus Christi and for Freeport where they will visit their daughters Mrs. V. S. Summerford and Mrs. Edna North and their families.

Recent guests in the home of Mrs. and Mrs. Frank Wilson were Mr. and Mrs. Floyd of Roscoe.

On a fishing trip to the South Texas Coast are Mr. and Mrs. Joe Hairston, Mr. and Mrs. Bill Hairston and son Bill Hairston, student in the University of Texas.

D. L. Cotton was a recent visitor in the Arlis Cotton home at Buford.

Kary Allen of Big Spring is guest of his grandparents Mr.

and Mrs. Leonard Allen of Big Spring.

Mr. and Mrs. T. J. Webb of China Grove visited Mr. and Mrs. Carl of Seagraves; Mr. and Mrs. Hubert Webb of O'Donnell; and Mr. and Mrs. Cecil Webb of Floydada, last week.

### GOOD THINGS . . .

Somebody told me once that good things don't just happen. They occur. In other words, somebody makes good things come about.

That's the way it is with the United Fund. Most of us consider United Fund a good thing for our community and we applaud its worthwhile goal.

But the success and goodness of United Fund comes most from the free time and effort given by those 150 citizens who volunteer calling at our homes and businesses.

So, how about a smile and a compliment, too, for those volunteers as we hand 'em our contribution.

## You Can't Beat United Fund—It's Best

Mitchell County United Fund finance campaign again has gone into action and this freewill work still is the best way to raise funds for deserving charity, welfare and service programs.

That's because United Fund wraps up 11 worthwhile finance campaigns into one overall drive and, at the same time, maintains local supervision and control over each of the 11 appropriations.

There are still a few skeptics who attempt to criticize United Fund for "this or that." But none can step forth with a more effective, more equitable, more practical manner for a community to meet its responsibility to service and welfare programs.

One of the better points of United Fund is the fact that it is community-wide—soliciting financing from all of Mitchell County and offering every citizen full opportunity for participation.

Contributions can be by lump sum or by periodic installments throughout the year—another feature of United Fund that allows an individual or firm to contribute fully without any pinch.

And, by combining all the fund raising of 11 agencies into one concentrated campaign, United Fund saves our community's business, industry and individual citizenship hours and hours of solicitation work that would be required month after month throughout the year if each of the 11 agencies conducted individual drives.

At the same time, United Fund

strikes a blow for economy—cutting the campaign costs of 11 drives into one campaign; closely studying and approving appropriations for each agency at the Mitchell County level, thus keeping the amounts at figures realistic with our own local requirements; reviewing the work and goal of participating agencies each year to be certain that our locally contributed funds are applied in worthwhile manner.

Overall goal of our United Fund this year is \$20,130—an amount that has had the "fat" cut away and which is divided among 11 worthwhile agencies and programs beneficial to the health and welfare of all Mitchell County.

Solicitations are by more than 150 volunteer citizens who give of their time and effort as an extra contribution to United Fund above and beyond their cash donations. And they deserve courteous reception from every one of us when they come calling.

So let's make it a pledge now to contribute to United Fund—contribute enough for all 11 agencies—and push this 1964 campaign over the top quickly.

And, if we want to designate our individual contribution for certain agencies, let's do it instead of knocking the entire program. That's another fine point about United Fund, you can designate exactly to what agencies your individual contribution is appropriated—and, it will be done.

## Only Big Towns On Kennedy's Texas Tour

**By VERN SANFORD**  
Texas Press Association  
Gov. John Connally has made public the itinerary of his famous guests, President and Mrs. John F. Kennedy. They are due in the Lone Star State on November 21 and 22.

The Kennedys will visit San Antonio, Houston, Fort Worth, Dallas and Austin—in that order.

In San Antonio the President will preside at dedication ceremonies at the Aerospace Medical Center. He will arrive at Kelly Air Force Base about 3 p. m. on November 21.

That evening he will attend a dinner in Houston for Congressman Albert Thomas. Next morning, Kennedy will be honor guest at a breakfast sponsored by the Fort Worth Chamber of Commerce.

At noon, he'll attend a Dallas Citizens Council and Graduate Research Center luncheon in Dallas. Then he'll fly to Austin, arriving at Bergstrom Air

Force Base about 4 p. m. That evening Gov. and Mrs. Connally will honor the Kennedys with a reception at the Mansion. Elected Democratic State officials and their wives will attend.

**TICKETS BY TON**—Most touted attraction of President Kennedy's Texas trip is the \$100-a-plate dinner, which the State Democratic Executive Committee will sponsor in the Austin Municipal Auditorium at 7:30 p. m. on November 22.

An SDEC aide estimates that a ton of invitations—60,000 in all—have been mailed to Democrats over the state.

**GOLDWATER**—State Rep. Dick Morgan of Dallas, chairman of Texas' Draft Goldwater Committee, named Lewis J. Moorman Jr., San Antonio rancher-olman as state finance chairman.

Moorman was state GOP finance chairman during the Nixon-for-President Campaign, and in U. S. Sen. John Tower's race in 1961.

GOP National Committee member Albert B. Fay of Houston appointed members of the party's Candidates Committee to recruit a blue-ribbon slate of candidates for Republican primaries in 1964. They will meet in Dallas on December 12, for Republican primaries in 1964.

Recruiting Committee includes Fay, Mrs. Ike Kampmann Jr. of San Antonio, State Chairman Peter O'Donnell Jr. of Dallas, Mrs. G.N. McDaniel of Borger, Mrs. Tobin Armstrong of Armstrong, Wilton Fair of Tyler, W. J. Kluttenhoff of Slaton, and J. C. Man Jr. of Wichita Falls.

**HOSPITAL POLICIES**—A special committee to review hiring policies in state hospitals was named by the State Board for Hospitals and Special Schools. Action followed disclosures that a convicted kidnapper and former mental patients have worked as doctors at some state institutions.

Dr. Raleigh R. White of Temple said he considered employment by the San Antonio State Hospital of a woman doctor who had served a prison sentence for kidnapping an "error in judgment."

Board Chairman Howard T. Tellepsen of Houston, reacting to newspaper criticism of hiring a former mental patient as a doctor at Wichita Falls State Hospital, pointed to progress made throughout the hospital system.

"Out of a total of some 220 doctors, we have a wonderful, dedicated group of men," Tellepsen commented. "You will find a few sour apples even among personnel of private companies which pay the best salaries, and we

don't have a high wage scale compared to private industry."

Tellepsen named Dr. White to the personnel study committee along with Dr. George A. Constant of Victoria and Ward R. Burke of Diboll.

Another committee was named by the board to select the site for a new school for the mentally retarded to be located west of the one-hundredth meridian. Members of this committee are C. E. Bentley of Abilene, chairman; Jesse Osborn of Muleshoe; and Walter F. Woodul of Austin.

**ADVERTISE TEXAS**—Twenty-seven advertising agencies are interested in handling Texas' \$200,000 account to promote travel and tourist spending in the State.

The 27 firms told Texas Tourist Development Agency they want to compete for the privilege of hallyhooning the State's attractions to the world. They represent 20 per cent of all agencies contacted. At a Nov. 15 meeting TDDA will determine which firms will be asked to make formal presentation of advertising plans at their next meeting, set for Jan. 16-17.

**APPOINTMENTS**—Governor Connally appointed E. W. Boedeker of Levelland as District Attorney of the 121st Judicial District. He succeeds Morgan L. Copeland who will join the legal department of Gulf Oil Corp. in Midland Dec. 1. District is composed of Hockley, Cochran, Yoakum, and Terry counties.

Connally also designated Peter Michael Curry of San Antonio as judge of the new 166th District Court of Bexar. See HIGHLIGHTS Pg. 6

## Wes-Tex Talk

A Look At West Texas Through Editorial Page Excerpts From It's Leading Weekly & Semi-Weekly Newspapers.

What would be Goldwater's rebuttal, for example, to the following skeletons from his political closet which inevitably would be dragged out by some nosy Democrat? His expressions of contempt for Eisenhower?

His defense of the John Birch Society, including the many complimentary things he has had to say about it? His platform shapers who chant "the U. N. is nothing but a gigantic Communist front"?

His admission that it was necessary to use Federal troops to sustain national law?

His refusal to concede the Supreme Court decision on school desegregation to be the law of the land?

His demand for "prompt and final termination of the farm programs"? (He has said "there can be no equivocation here.")

His crediting Senator McCarthy for making the U. S. "a safer, freer, more vigilant nation"?

His opinion concerning Pentagon policy: "I say: Fear the civilians—they're taking over."

His argument that citizens earning \$5 million and \$5 thousand should be taxed at the same rate?

His 1961 suggestion that to halt "big government"—a Federal withdrawal, at the rate of 10 per cent yearly from ALL programs of education, welfare and housing?

His scorn and distrust for the Western Alliance, the United Nations, the World Bank—and even diplomatic relations with the U. S. S. R.?

What would be the response of Goldwater when he would have to be more specific on his proposed methods of dealing with Cuba than his unspecified "economic sanctions" and undefined "psychological and political measures"?

As one national writer so eloquently put it, "An old most painful sight would be the spectacle of the Arizona senator driven—by public debate in 1964—to climb his own ladder, rung by rung."

### SHINNERY PHILOSOPHER

## News Is Helpful — If Off n' On

Editor's note: The Shinnery Philosopher on his Johnson Creek farm on Bone Hollow Creek suggests a change in the newspaper reading habits of the nation, but it won't work.

Dear editor: I have a system of reading newspapers which I'd like to recommend to Washington. It's the best system I know for maintaining peace of mind and a consistent foreign policy.

It's simple. Don't read a paper every day, it only mixes you up. Under my system, I read a newspaper when one turns up, blown onto this Johnson Creek farm by the wind, left by insurance salesmen, wrapped around vegetables and such things from my neighbors, thrown out of cars, etc.

You take a man who reads a newspaper every day though and what happens? On Monday he's bent on beating Russia to the moon. On Tuesday he reads Russia has abandoned the moon and by Tuesday afternoon he's decided maybe we ought to call it off too.

Then a week later Mr. Khrushchev announces Russia is back in the race, this time in a knot, and the whole space program has to be re-evaluated once more. You can see what it leads to when you read everything Mr. Khrushchev says. My policy is to read only half of what he says and believe none.

Speaking of putting strain on the moon, a friend says he read my letter last week in The Colorado City Record proposing that we put a man on each of the billion planets out in space, and that he has figured it up since there are only about three billion people on earth. It'd take a third of the population to do it.

"Your idea is impractical," he said. "The idea, sending a third of the people out into space!" That's what I'm talking about. It's a splendid idea. I've got several in mind. I'd like to nominate for the trip now. For example, right around here there are—well, you fill in the names, and if mine turns up, scratch it off. I'll be busy farming.

Your Faithfully,  
J. A.

## Drouth Costs Climb Up In Hurry

The first question usually asked in connection with a drouth is: "How much is it going to cost Texas?"

This question is rising again as Texas, and much of the South and East, enter the fifth month of a prolonged dry spell. We've had spotted rains here in Mitchell County, but moisture conditions have affected ranchers and farmers for some time.

It is impossible to accurately forecast dollar losses in areas but a look at our production figures under normal conditions in Texas is significant. Our past experience with production losses during the drouth of the 1930's and 1950's can give us an idea as to what we might expect if dry weather continues another 42 months.

Farm and ranch livestock are about the first to suffer at the very beginning. Grass becomes scarce and expensive feeding operations have to be started. Many stockmen then are forced to sell cattle which tends to depress prices.

The loss potential by the fall of 1964 is approximately 200 million dollars in animals and animal products, according to State Agriculture Commissioner John C. White, if the history of the middle 50's is repeated. This represents a dollar loss of about one-fourth of our annual

livestock income at the end of an 18-month dry cycle.

In a normal year, our livestock industry is valued at about 930 million dollars. During the last drouth, losses ranged from 30% to 70% in areas of the state.

Drouth makes a dramatic impact on Texas cash crops which have an average annual value of 1 1/2 billion dollars. It doesn't take much dry weather at the wrong time to slice this figure by one-fourth during the first harvest year.

The initial loss potential, then, is something like 375 million dollars during one complete crop year, White reports. This income declines as the drouth continues.

The impact of a drouth on range land is less dramatic, at first, but its effects are longer lasting and just as damaging. Grass and range cover almost completely disappear by the end of the second year of a severe drouth, exposing the soil to irreplaceable loss through wind erosion.

It is impossible to estimate dollar losses on range land but we are just now achieving complete recovery in some areas of the state from the drouth that ended six years ago. The "road back" for range land is a slow process.

**PICTURE OF HEALTH**

**'FECALITH' SIGN OF POSSIBLE APPENDICITIS**

A reader writes: "My young son had been complaining of pains in his abdomen. An examination revealed what the doctor called a 'fecalith.' He says it may precede acute appendicitis. Is this possible in a child?"

Your son is fortunate that the fecalith or "stone" was discovered early. A fecalith is a hardened mass passing from the bowel into the appendix. When accompanied by vague abdominal symptoms, the presence of a fecalith in a child's appendix is surgically important and an immediate operation is frequently recommended.

I have known cases where the finding of a fecalith was followed by acute appendicitis after a duration of any, where from several weeks to two years.

Considering that 17,000 Americans of all ages die every year from appendicitis

complication, an "elective" appendectomy is often recommended, even though there are no other symptoms of appendicitis than the ones just mentioned. There is little doubt that an operation to remove the inflamed appendix before the situation turns acute is preferable to the risk which may very well occur later if nothing is done.

A fecalith can be reliably detected without difficulty by a trained radiologist. The presence of such a stone is dangerous because it can perforate the appendix and cause formation of an abscess.

In addition, when appendicitis is only suspected, a routine abdominal x-ray examination may reveal the presence of the fecalith, thereby aiding in confirming a correct diagnosis of acute appendicitis.

## Wesley Bible Class Selects Committees

Committees for Christmas and projects of the Wesley Bible Class of First Methodist Church were appointed at the November meeting in Fellowship Hall of the church.

Hostesses for the meeting and covered-dish supper were Mrs. Merle Womack, L. B. Elliott, A. B. Edwin, W. W. Rhoads, Emma Thraillkill, D. E. Bessham and Marvin Martin. Invitation was given by Mrs. Ed Richardson. Tables were decorated with arrangements of Autumn flowers.

Mrs. Dorey Davis, president, conducted the business meeting. Reports were given by officers, and plans were

made for the Christmas dinner. Committee of Mrs. L. A. Keith, Mrs. Elliott, and Mrs. E. H. Winn was appointed to select a Christmas gift for Elizabeth Ann Fleming, child sponsored by the class at the Waco Methodist Home. Mrs. E. M. Fisher, Mrs. L. H. Brown, and Mrs. J. D. Norman were the committee chosen to select a needy family to be remembered with a food basket at Christmas.

Social hour included devotion and program with a Thanksgiving theme. Mrs. Elliott gave the devotion, entitled "Show Thanks Through Our Actions." Mrs. Arnel Smith told a story about Thanksgiving.

Members attending the supper were Meses. Vada Wells, Winn, Tom Glover, Smith, T. S. Camp, R. J. Wallace, Brown, L. K. Shaw, Fisher, A. A. Herrington, R. B. Long, Rhode, H. H. Gainey, Wilma Reynolds, Joe Armstrong, Frank Andrews, Keith, C. A. Knieff, Tom Grant, Elliott, Davis, Richardson, Martin, Womack, Thraillkill, Rube Hart.

## FOR CHRISTMAS GIVING

### Reformation Is Program Topic

"Unity in the Light of the Reformation" was the program given by Mrs. R. F. Fees, Jr., to the Women of the First Presbyterian Church.

Mrs. Fees read scripture from the fourth chapter of Ephesians and a prayer which was written by John Calvin.

She told of the historical background of Europe at the time of the Reformation. The lives of Martin Luther, John Calvin and John Knox of Edinburgh were reviewed for the group. Of Calvin, she said "he has been called the 'brain and heart' of the Reformation." She told how he fled from France to Geneva which was a haven for Protestant refugees.

"True fruit of the Reformation is unity," Mrs. Fees told her listeners.

A hymn by Luther, "A Mighty Fortress Is Our God," was played as a prelude to the program by Mrs. Bob Robinson. Mrs. Fees closed with a poem by Calvin.

During business meeting, Mrs. Lillian Maddin announced that the Joy Gift offering would be given at the Christmas program scheduled for Dec. 11. Mrs. Leo Nixon, the education committee told of plans for a Christmas tree and program for the children of the church to be held shortly before Christmas.

Mrs. Adolph Wood requested donations of good used clothing for duffel bags to be used for overseas relief. She said that she hoped to ship the bags sometime this month.

Meeting closed with the Mizpah benediction.

What can this modern gas range do that a comparable electric model can't? Plenty!

Even women who cook on electric ranges admit they don't have the controllability that Gas gives you. When you turn the gas flame "on", it's "on" instantly... turn it "off", it's "off" instantly. There's no hangover-heat to cause boil-overs and no pot-shuffling necessary with gas. Another gas exclusive is smokeless broiling — the flame eats up smoke so you can keep the broiler door closed. This means a cooler, smoke-free kitchen — only with gas! How about flame-kissed flavor for steaks and burgers? Only a gas flame does it. But the big plus is economy... another reason why 8 out of 10 homemakers prefer cooking with gas! AT NOVEMBER MEETING

### Carr Club Hears Program On Russia By Mrs. Sweat

Mrs. Emory Sweat presented the program for the November meeting of the Carr Home Demonstration Club in the home of Mrs. Ben Ellett. Her subject was "What I Learned at the State Convention About Russia." She reviewed a speech given at the convention by Mrs. Florence Low, assistant director of Home Economics.

Mrs. Low was one of a group of women who went to Russia and personally visited in Russian homes and talked with the people. She reported that only a glimpse was given of the true homelife in the country.

In telling of the educational facilities, she said that schooling is compulsory through the seventh grade. Following that, students are sent to trade schools or technical schools.

Department stores in Russia are similar to America stores in that they are adequately stocked, although the people as a whole are poorly dressed, and prices are extremely high, she said.

In comparison to the department stores, the Russian food

stores are very poorly stocked, with separate stores for bread and meat, she stated. The main diet seemed to be meat and potatoes, she said, adding that these items are carried without the aid of paper bags as paper is at a premium.

Nursery school were visited by the American women who found them to be very clean and the children well cared for. The children attend the nursery school for twelve hours each day, and some of them stay all week, the club was told. Older children attend camps in the country where they are taught the belief of Communism, she said. When asked about religion, the manager of the school visited replied that for seventeen years there had been no mention of religion in the school.

Mrs. Sweat said that after repeated requests, Mrs. Low and the others were allowed to visit a Russian home. Most families live in apartments, with sometimes three or four low income families living in the same three-room apartment, she said. Apartments owned and operated by the

government, are usually sparsely furnished, and the buildings are poorly constructed, Mrs. Sweat related.

In conclusion, she stated that of the Russian people who are not Communists, the majority don't think for themselves, only follow. This caused the tourists to consider the number of people in America who are just following with little knowledge of the constitution and country as a whole, she said. Mrs. Low said that every American should look at our beliefs, leadership and education, Mrs. Sweat reported.

Thanksgiving dinner for the club will be held Saturday in the Community building at Carr for club members and their families.

AT CLASSING OFFICE

Cotton Sample Receipts Double

Sample receipts continued to be more than double the amount at this same time a year ago, according to B. B. Manly, Jr., in charge of the U. S. D. A.'s Cotton Classing Office in Abilene, Texas. The season total reached 218,125 bales on November 1, 1963, as compared to 99,474 on the same date last season. A slight decline was noted in weekly receipts with 35,823 bales classed last week compared to 38,773 for the previous week. The greater percent of Abilene's sample receipts continued to come from District 2. The area surrounded by Dickens, Sterling, Runnels, and Jones Counties compose District 2, which accounted for about 25,100 of the total samples last week. Grades in District 2 continued about the same with 11 percent classed in the White category, 87 percent was Light Spotted, and 2 percent was Spotted. A further breakdown shows 2 percent, Strict Middling; 7 percent, Middling; 2 percent, Strict Low Middling; 12 percent, Strict Middling Light Spotted; 62 percent, Middling Light Spotted; 12 percent, Strict Low Middling Light Spotted; 1 percent, Low Middling Light Spotted; 1 percent, Middling Spotted; and 1 percent, Strict Low Middling Spotted. One percent of the cotton was reduced in grade due to preparation, bark, and grass. Staple length continued to improve. In the 7/8 and short-staple category was 8 percent of

the cotton. Fifty-nine percent was 29/32, 31 percent was 15/16, and 2 percent was 31/32 and longer.

A percentage breakdown of micronaire readings is as follows: One percent below 3.5; 7 percent was 3.5 through 3.9; 40 percent was 4.0 through 4.4; 40 percent was 4.5 through 4.9; and 6 percent was 5.0 and higher.

HIGHLIGHTS—

Continued from page 2 County, effective Feb. 1. Court was created by the 58th Legislature.

Governor reappointed Judge W. St. John Garwood of Austin, John Peace of San Antonio and Abner McCall of Waco to the Texas Civil Judicial Council. Council was authorized by the Legislature to propose a plan for statewide judicial redistricting.

Earlier, Connally picked Sam Rayburn Bell of Paris, Joseph A. Chandler of Stephenville, J. C. Looney of Edinburg, Charles Prothro of Wichita Falls and Dan C. Looney of Dallas to fill vacancies on the Texas Commission on Higher Education.

House Speaker Byron Tunnell of Tyler appointed Reps. Bill Clayton of Springlake, Henry Fletcher of Luling and Menton Murray of Harlingen to an interim House Committee on Soil and Water Study. Committee is assigned the task of recommending new methods of conserving soil and water resources.
