THE SNYDER DAILY NEWS

VOL. 3, No. 90 — SNYDER, TEXAS, WEDNESDAY, AUGUST 13, 1952 — EIGHT PAGES—PRICE 5c

FIRE IN EAST SNYDER

A week-old car was destroyed and the new house, above, in East Snyder was badly damaged by fire which apparently started in the garage yesterday afternoon. Melvin Newton, volunteer fireman, is shown peering into the smoke-filled garage. Damage was confined to the garage, kitchen and dining room. Richard Hardin, an oil field worker, is owner of the house and new car. (Lee Watson photograph.)

More Pay Is Found After Well Deepened

Humble Oil & Refining Co. No. 1 James Davidson, discovery well of the Buffalo Creek - Ellenburger field in Southeast Scurry County, is coring ahead below 7,660 feet in an Ellenburger zone.

Humble recently filed an application to deepen the No. 1 Davidson after production had declined from the original potential rate. The well was originally dug to a total depth of 7,608 feet. In coring deeper, an additional three feet of pay has been reported from 7,608-611 feet. No other shows have been reported below that depth.

Operator is expected to continue coring ahead until he encounters a porous zone which will be drillstem tested.

The No. 1 Davidson is 1,980 feet from west and 660 feet from north lines of section 99-3-H&TC, about two miles northeast of Hermleigh.

FISHER WELL

Texas & Pacific Coal & Oil Co. No. 1 Eva Lena Johnson, Northeast Fisher wildcat, has flowed oil on a drillstem test in the Strawn from 5,100-200 feet.

The test covered a 10-hour period with the well flowing 65 barrels of oil through a 20-64th-inch tubing choke. No water was present. Tubing pressure was 120 pounds. Testing is continuing.

The No. 1 Johnson had previously shown for a heavy gas flow from one part of this section. It was originally drilled to 6,375 feet in a dry Ellenburger section and then plugged back to about 5,200 feet to try for completion from the Strawn.

In Fisher County, C. L. Norsworthy No. 1 Davis recovered 270 feet of gas cut mud with no shows of oil or water on a drillstem test in an unidentified lime. The zone tested was at 6,154-188 feet. Tool was open one hour. All pressures were zero. Operator is now drilling ahead below 6,200 feet in lime.

V. A. Brill No. 1 Good, north stepout to the Vealmoor field in South Borden County, is drilling below 7,800 feet in shale.

El Capitan No. 1 Daugherty, West Kent wildcat, is running a drillstem test in the Pennsylvanian reef lime from 6,550-810 feet.

Ohio No. 1 Gakill, 16 miles northwest of Claremont, is moving in a rig. This wildcat is 660 feet from north and west lines of section 4-D-psl survey and seven miles northwest of the Salt Creek field.

Nurse Accused Of Poisoning Nieces Slashes Own Wrist

WETUMPKA, Ala., Aug. 13 (AP)—A middle-aged nurse accused of poisoning her two small nieces injured herself by slashing her wrist with a razor blade last night only a few hours before she was to go on trial on murder charges.

Sheriff Lester Holley said Mrs. Earle Dennison managed to slip a piece of razor blade under the covers of her bed at nearby Tutwiler Prison for women.

Holley said that although her cell was closely guarded, she cut into the flesh and lost about a pint or more of blood before the incident was discovered.

Mrs. Denison was to face trial today for the arsenic poisoning of two-year-old Shirley Dianne Weldon, who died last May 1.

She also is charged with poisoning Shirley's two-year old sister, Polly Anne, more than two years ago.

The sheriff said the trial probably will be postponed, at least for a day. He said Dr. Winston A. Edwards, the prison physician, planned to give Mrs. Dennison a blood transfusion today.

Shirley Dianne Weldon was only a few days old when Polly Anne died after a sudden, violent illness. Only the death of Shirley Dianne was on the docket for today.

The widowed, 54-year-old nurse who worked at the hospital where the child died was arrested a week later after the parents, Mr. and Mrs. O. G. Weldon of the nearby Claud community, swore out a murder warrant.

Sheriff Lester Holley said Mrs. Dennison admitted, without a show of emotion, that she gave Shirley Diann arsenic in a soft drink and took her to the hospital when she went into convulsions. The child died five hours later.

State Toxicologist C. J. Rehling said the autopsy, performed with Mrs. Dennison present, showed arsenic.

Still suspicious about the death of Polly Ann nearly three years before the Weldons arranged to have her remains analyzed: Dr. Rehling said she, too, had traces of the deadly metallic poison, and another warrant was signed against the aunt.

Sheriff Holley said Mrs. Dennison denied intentionally poisoning Polly Ann, but admitted leaving a salt shaker containing arsenic at the Weldon home after a visit. She said she used it to make an insect killer.

The sheriff said the woman told him, however, that she collected $5,000 on an insurance policy after the first child's death. She gave no motive for the admitted slaying of Shirley Diann, but Holley said she reportedly had two policies on her totaling $6,000.

After the two murder charges were filed, authorities decided to look into the death of Mrs. Dennison's husband Lem last Oct 17. His body also was dug up, but no poison was found.

Britons Tell Of Adventure With Soviets

ABERDEEN, Scotland, Aug. 13 (AP)—Eleven Britons arrived by yacht today to tell of a strange adventure with Russians who nabbed them near a group of top-secret islands in the Gulf of Finland.

The islands are off Porkkala, the Russian-held bastion at the head of the gulf which Finland ceded after her recent wars with Russia.

Manufacturerer Peter Saunders, one of the four men and seven women aboard the Helsinki-bound yacht, told this story:

"We were sailing along quite happily off the islands, well outside the usual three-mile limit.

"Suddenly we heard shots and rushed on deck to find a Russian gunboat firing on us.

"The captain stopped the yacht and three Russian sailors jumped aboard. At first we thought they were pirates—one hadn't had a shave or haircut for three months.

"We were taken to a harbor. Obviously there are important installations on the islands, as within an hour a colonel and other senior officers arrived.

"For four hours they questioned us—entirely through signs and drawings. They didn't speak a word of English. We didn't speak a word of Russian.

"We had great fun jumping around the floor to make them understand we were going to watch the horse jumping at the Helsinki Olympics."

It all ended happily. The Russians gave the yachtsmen coffee and cigarettes and let them get on with their voyage.

CIO Expected To Endorse Demo Ticket

WASHINGTON (AP)—The CIO high command opened a three-day political session here today with all signs pointing to endorsement of Adlai Stevenson, the Democratic candidate for President.

Headed by Philip Murray, president of the Congress of Industrial Organizatons (CIO) and Jack Kroll, director of the organizations Political Action Committee (PAC), some 500 CIO leaders streamed into town to talk candidates, money and strategy.

Nixon Says Adlai Will Push Truman's Policies

EgyptianParty Chief Opposes Defense Talks

CAIRO, Egypt (AP)—The chief of Egypt's Moslem Brotherhood warned today that his powerful political organization would oppose any defense talks with the West while Britain retains her hold on the neighboring Sudan and the Suez Canal zone.

The brotherhood's "supreme guide," Hassan el Hodeiby, announced this stand in an interview shortly after the Egyptian Cabinet set up seven committees armed with sweeping powers to clean up public corruption dating as far back as 1939.

The latest government action was viewed by informed sources as the results of pressure for a swift crackdown from Egypt's military power, Maj. Gen. Mohammed Naguib, and the Army.

Premier Aly Maher had suggested the nation's political parties be given time to purge their own ranks, but so far the powerful Wafd party—expected to be a chief target of the graft cleanup—has kicked out only six minor party members.

The government also issued a decree setting progressive income tax rates that reach as high as 80 per cent on incomes of 50,000 Egyptian pounds ($144,000). The new rates become effective next January on incomes earned during 1952.

Hodeiby indicated that the brotherhood, which claims millions of supporters and reportedly has a strong following among leaders of the army coup d'etat that ousted King Farouk, gives social reforms and the political cleanup top priority among the nation's problems.

The Moslem leader insisted his brotherhood is ready to co-operate with foreigners and non-Moslems, particularly in the economic and financial fields.

But he declared that even if Britain does withdraw from the canal zone and the Sudan. "Egypt must be given a free choice on whether she wants to join the West or prefers to take a stand of complete neutrality."

FIGHT FOR LIFE

An anxious mother, Mrs. Harriet Horwitz, hovers over her husband, Howard Horwitz, as he applies artificial respiration to their year old son, Steven, who was found floating face down in a plastic wading pool in the backyard of their home in Van Nuys, Calif. The infant later was rushed to a hospital where it was pronounced dead.

Hand-Picked By Big Bosses Of Opposition

SPRINGFIELD, Ill., Aug. 13 (AP)—Sen. Richard Nixon asserted today that Gov. Adlai E. Stevenson, the Democratic presidential nominee, met with President Truman "to get a briefing on how he can carry forth the Truman policies."

Nixon, Republican nominee for vice president, also charged that Stevenson sought "to marshal for his campaign the great resources of the federal government which, incidentally, belong to the American people and not to any political party."

He said this is the only possible interpretation of what he termed "the unprecedented action" of Gov. Stevenson's meeting with Truman in Washington yesterday.

SPEAKS AT FAIR

In a speech prepared for a Republican rally at the Illinois State Fair—the very backyard of the Illinois governor—Nixon hammered at his theme that Stevenson is the "captive candidate" of "the bosses."

The youthful California senator compared Stevenson with Dwight D. Eisenhower, the Republican presidential candidate, saying;

"The evidence continues to pile up that Adlai Stevenson is a man who, regardless of his expressed intentions, is now a helpless captive of those who made his nomination possible.

"Millions of Americans saw with their own eyes on television how the pattern developed. They saw how Estes Kefauver, who was the choice of the people in the primaries, was cast aside on the third ballot when the political bosses began to pull the strings."

POINTS TO WYATT

Nixon said "Stevenson is truly a hand-picked candidate and the hand that picked him was that of Harry Truman.

"Eisenhower on the other hand owes his nomination solely to the fact that he was the choice of millions of Americans in free primary elections."

Nixon contended Stevenson "has tried desperately to disassociate himself from those who made him but his deeds speak louder than words.

"Since the convention the pattern of boss control has become crystal clear. He appointed as his campaign manager Wilson Wyatt, the darling of the left wing of the CIO and ADA (Americans for Democratic Action, a pro-New Deal political organization formerly headed by Wyatt). He appointed as his national chairman Stephen Mitchell, a product of Jake Arvey's machine."

TRUMAN PAL LOSES

Unknown Judge Rides Radio Talkatho nTo Arkansas Win

LITTLE ROCK, Ark. (AP)—Gov. Sid McMath, a political pal of President Truman, was defeated for a third term nomination yesterday by a one-time college classmate, Judge Francis Cherry.

It was apparent early as returns from the runoff Democratic primary poured in that McMath had suffered the first setback in his rapid six-year political rise. McMath conceded his defeat and promised to support Cherry's administration.

Unofficial reports from 2,040 of the state's 2,286 boxes today gave Cherry 190,542 votes to 110,675 for McMath.

Cherry a 43-year-old Chancery Court judge from Jonesboro, is a newcomer to state politics with a new political weapon—the radio talkathon on which he answered questions from all comers and discussed isues for as long as 24 hours at a time.

He frankly credits his use to the talkathon with being the "difference" that lifted him from comparative obscurity to a close second place in the July 29 preferential primary and victory in yesterday's runoff.

Democratic nomination—such as Cherry obtained yesterday — always has meant election in this Southern state.

In the bitter runoff campaign which preceded yesterday's election, the soft-spoken, prematurely gray Cherry had the open support of Sen. John L. McClellan, who obviously shared the common belief that McMath hoped to run against him two years from now. Cherry was also supported by three former gubernatorial contenders, including Rep. Boyd Tackett, who were eliminated in the preferential primary.

Besides Truman's approval—expressed on a visit to Arkansas early in July—McMath was endorsed by both the AFL and CIO political affiliates.

Cherry, a native of Ft. Worth, Tex., and a former resident of Oklahoma, is serving a second term as judge of a Northeast Arkansas chancery District. He left the bench temporarily to serve two years in the Navy in World War II.

The state's only congressional race yesterday saw renomination of Rep. Brooks Hays of Little Rock, a member of the House since 1943, over Amis Guthridge, Little Rock lawyer.

A CORRECTION

A typographical error in Tuesday's Daily News stated that a special election to fill a vacancy on the city council in ward No. 1 will be held on Sept. 6.

The correct date of the election will be Sept. 16.

Mayor Against Special Vote

Mayor Forest G. Sears went on record this morning as opposing the calling of the special election on Sept. 16 to fill the vacancy on the city council from Ward No. 1.

Sears said that so much pressure had been brought to bear on the council from residents in that area that the council felt compelled to call the election to show that they were not discriminating against residents there by denying them equal representation.

The closeness of the date of the special election to the date of the proposed city charter election was cited as reason for opposing the election by Sears.

"I think it would be a waste to have two elections so near the same date," he said.

School To Open September 4, Registration Starts Monday

Attendance areas and a calendar for the beginning of the school year were accepted by the school board at a meeting last night.

School will open at 8:45 a.m., Thursday, Sept. 4. All students will register Monday and Tuesday of next week, at the schools which they will attend.

Registration schedule for high school will be conducted according to the following schedule: seniors, Monday, 8:30 a.m.; juniors, Monday, 1 p.m.; sophomores, Tuesday, 8:30 a.m.; freshmen, Tuesday, 1 p.m.

Eighth grade students will register at the Junior High school Monday from 8:30 to 12 and from 1 to 4 p.m. Seventh graders will register at the same building Tuesday at the same hours.

Elementary students may register from 8:30 to 12 and from 1 to 4 p.m. at the schools in their attendance areas. In all except the Central area, grades 1 through 6 attend one school. Central Elementray has grades 1 through 3 in the Central Primary Building and 4 through 6 in Central Intermediate at the high school campus.

Teachers will report for orientation Sept. 2 and 3.

Most other business completed at the meeting also pertained to the opening of school. The board accepted the two elementary schools which have been completed this summer, approved the purchase of three new pianos for elementary schools and agreed to move the four temporary classrooms on the Junior High campus to the Central campus.

A new physical education pro-

gram for the schools, presented by Cecil Yarbrough, superintendent, Frank Wilson, director of curriculum, and half the school principals, was accepted.

The board voted to accept membership in the Texas Association of School Boards.

Marines Meet Third Attack On Bunker Hill

SEOUL, Korea, Aug. 13 (AP)—U. S. Marines tonight threw back a strong third Chinese counterattack against Bunker Hill on the Korean Western Front.

A Marine spokesman said for an hour and 10 minutes, 750 Red troops battled fiercely but failed to penetrate positions of the Marines fighting from pre-fabricated bunkers.

Chinese sniper and artillery fire began building up at dusk. It reached its peak at 9 p.m. Five minutes later the Red troops charged. Marines met it with a hail of rifle and machinegun blasts.

Marines captured the ridge early yesterday morning. Last night the Chinese threw 400 men against the Leathernecks.

Early this morning a Red battalion—about 750 men—hit the hill again. The assault was broken at dawn. The Marines said Chinese losses were "very heavy."

A Chinese Red broadcast from Peiping said the U. S. 45th Division had been pulled out of the Chorcon sector on the Central Front "after losing over 8,000 men." There was no immediate confirmation.

Decrease In Polio Reported

AUSTIN, Aug. 13 (AP)—Slackening of polio's incidence ipn Texas the past week was reported by the State Health Department today. The disease struck 200 persons, 76 less than the week before.

Despite the decline, the year's total of 2,573 was only 205 cases short of the all-time high of 2,778 cases recorded in 1950.

Dr. George W. Cox, state health officer, predicted a continued downward trend the remainder of the year.

"We'll have sporadic peaks and [illegible] from now on, but none of the peaks will approach the high set five weeks ago. I think it's definitely on the downgrade," he said.

Harris County (Houston) continued to report the most cases, with 41 new polio patients the week ending Aug. 9.

Snyder Broadcasting Co.

WASHINGTON, Aug. 13 (AP)—John Blake today asked the Communications Commission to approve an assignment of license of station KSNY, Snyder, Tex., to Snyder Broadcasting Co.

29 Absentee Ballots

Absentee ballots had been cast by 29 persons by noon to day, Pat Johnston, county clerk said.

Johnston said 44 additional ballots are now out and are to be cast before the midnight deadline next Tuesday.

Crop Prospects Still Fading Despite Scattered Showers

By The Associated Press

Texas' blistering sun remained brilliant and crop prospects faded still more Wednesday.

The long drouth dragged on after putting down a brief intrusion of cool air from the North. The cool front kicked up gully-washer rains high in the Panhandle and a "baby tornado" in Young County late Tuesday. Then it quickly gave up.

The U. S. Agriculture Department said prospects for crops, already poor, had grown even poorer. Dryland crops were wilting and shedding excessively in the heat. Only in the irrigated High Plains was cotton doing well.

Supplemental feeding of cattle had increased as pasture burned under the sun and the Agriculture Department said movement of livestock out of dry areas was heavy.

THE heavy, graf 2 (90)

The heavy rains hit Parmer and Bailey Counties late Tuesday night after the junior-size tornado ripped the airport at Graham in Young County. Eight inches of rain was reported southwest of Farwell and five inches was reported at Portales, N. M., across the border.

The dissipating cool front, which lost a bout with a mass of hot stationary air in the interior of the state, kicked up a line of thunderheads in North Texas, where the little twister was spawned. About $12,000 damage was done at the airport, Manager C. E. Cusanbary said.

There was a report that heavy rains fell along Gulf Coast points, but the Weather Bureau could not verify them.

High temperatures continued. Dallas faced a record Wednesday and looked for its 12th consecutive day of 100-plus temperatures. An all-time record was equalled Tuesday when the city had 102-degree heat, the 11th straight day of century level mercury readings.

But the day's top was 106 degrees at Presidio, and dozens of points had readings of 100 and above.

Dwindling college enrollments, crop disaster in some areas, falling water levels and decreased runoffs were some of the results of depleted rainfall totals across the state.

R. L. Thomas, member of the State Teachers College Board of Regents, said dry weather was keeping farm students at home because of declining farm income.

Water stored in nine major reservoirs dropped 202,000 acre feet during July, a 12 per cent loss.

The Weather Bureau could give no hint of any relief before fall.

Forecasts continued to call for clear to partly cloudy skies, scattered afternoon thundershowers and "not much change in temperatures.

Cotton, corn, sorghums and rice crops suffered untold losses as the hot dry weather continued.

Big Medical Bill In U.S.

WASHINGTON, Aug. 13 (AP)—It cost Americans 12½ billion dollars for medical care in 1951 and about one fourth of the bill was paid by the government.

This estimate was reported today to the President's Commission on the Health Needs of the Nation.

Members of a panel reported today the government payments include care for members of the military services and federal contributions to state and local health programs. Local and state payments also are included.

A summary of the panel discussion was given to members of the president's commission, meeting here, by panel members.

Youth Wanted In Sex Killing Of Babysitter Is Discovered

SANTA ANA, Calif. (AP)—William F. Rupp Jr., 18-year-old ranchhand captured after a five-day hunt, was booked on suspicion of murder today in the sex killing of a 15-year-old babysitter.

Orange County Sheriff's Deputy Jess Buckle said the youth admitted shooting Ruby Ann Payne last Friday after she resisted him.

He surrendered without a struggle shortly before midnight after being recognized ordering food in a cafe at Brea, about 15 miles north of here near the Los Angles County line.

Young Rupp was employed as a beekeeper at the ranch of Harry Dyer of Yorba Linda, whose children Miss Payne was watching when fatally shot with a .22-caliber rifle.

The ranchhand was the object of an intensive search throughout Southern California, since the girl's body was found with her clothes partially ripped off, apparently the victim of a sex attack.

Two Brea policemen took Rupp into custody approximately 10 miles from the ranch. Earlier last night his abandoned car was found. A 22 caliber rifle, its chamber jammed was inside.

Lawrence Echines, a cafe employe, recognized the bearded and unkempt youth when he walked in and ordered two hamburgers. Echines told a waitress to delay filling the order. Then he left through a backdoor to telephone police.

Buckles said Rupp denied raping the girl but admitted hitting her with a hammer and shooting when she ran from his advances. He said he'd never seen her before that night.

"I'm really sorry, I didn't mean to do it," deputies quoted him.

Rupp gave a detailed statement to Undersheriff Steve DuHart at the sheriff's office in Santa Ana. He was booked on suspicion of murder and jailed early today.

He said that since Friday he had hidden out with only a box of pretzels to eat.

Chamber Will Send Rosser To Hearing; Demands Directory

The Chamber of Commerce board of directors, at a meeting last night, selected James Rosser to go to Washington and assist in the representation of Snyder's case before the Civil Aeronautics Board.

The Washington hearing, which will probably take place the latter part of this month, will be the final one, Ed Bolger, Chamber of Commerce president, explained. If the case is approved by the CAB, Snyder will be eligible for commercial airline service.

The case will be presented by Walter Jenkins, secretary to Sen Lyndon Johnson, with Rosser's assistance.

Snyder's original application was presented before Hubert Bryan, Civil Aeronautics examiner, in Dallas last May. Rosser, Ralph Geisenhoner, Dr. John Blum, Edgar Taylor, Sam Joyce and Leon Huff, Chamber of Commerce manager, were witnesses at the preliminary hearing.

The board also selected Huff and Herbert Feather to go to Artesia N.M., to meet with R. L. Lloyd, president of the Salisbury Publishing Co. concerning Snyder's city directory. They agreed to demand delivery of the director, during the first week in September, and to cancel the contract and ask a refund of subscriptions if delivery is not made.

It was decided to have Dr. Vernon T. Clover and Dr. Robert L. Rouse of the industrial research department at Texas Tech to meet with the board and the industrial committee to explain a possible industrial survey for Snyder. The survey, which would be conducted over the period of a year, would include the labor situation, future industrial development, raw materials available, the type of plants suited to this area, wholesale and retail trade of Snyder and Scurry County, construction trends in the city and county for the next 20 years, a complete report on municipal administration and tax structure, and water, electric and gas power for industrial development.

The board decided to send two or three committee chairmen to Abilene next month to attend a chamber of commerce administration course.

WEATHER

EAST TEXAS: SOUTH CENTRAL TEXAS: Clear to partly cloudy Wednesday, Wednesday night and Thursday. Widely scattered afternoon thundershowers mostly near the coast. Not much change i temperature. Moderate to locally fresh southerlywinds on the coast.

NORTH CENTRAL TEXAS: Clear to partly cloudy Wednesday, Wednesday night and Thursday with widely scattered thundershowers afternoons and evennigs. No Impoportant temperature changes.

WEST TEXAS: Clear to partly cloudy Wednesday, Wednesday night and Thursday with widely scattered mostly afternoon and evening thundershowers. A little warmer in the Panhandle and El Paso area Wednesday afternoon.

Lions Told Accident Causes By Abilene Highway Patrolman

"Speed is the greatest killer on our highways today," Ross Kemp, officer of the state highway patrol's district office in Abilene, said in an address to the Lion's Club yesterday.

Although speed is the greatest factor contributing to most all fatal accidents on the highways, at least one of the drivers involved in five of the fatal accidents is under the influence of intoxicants at the time of the wreck he added.

"The state highway department has a three point safety program which is being carried out in an attempt to make Texas highways safer," he said.

On two of the points, engineering of highways and enforcement of driving laws, the department is doing a good job, but on the third point the department is falling down, he said.

That third point is driver education.

Kemp said that although the department is attempting to operate a driver education program, too few qualified driving instructors ar eavailable to do the job right.

Schools are starting driver education programs, but there are not enough teachers to go around

"It will be at least five years before a good compulsory driver education program can be put into operation in the public schools of the state," he said.

The highway department has only 95 driver's license issuers, and they have only enough time to give each new applicant a brief test and driving trial, he said.

Leon Huff, manager of the Chamber of Commerce, spoke briefly on the status Snyder's application for commercial air service to Winston Field.

"Possibly before the end of this year we will have air service here," he said.

Snyder's application was heard along with 28 other applications last May, in a preliminary hearing at Dallas, and the final hearing will be held in Washington in about two weeks," Huff said.

Cogdell Field Well Has Been Completed

Stanolind Oil & Gas Co. has reported completion of the No. 2-A F. S. Carden in the Cogdell field of North - Central Scurry County.

The well pumped 24 hours for a potential of 145.75 barrels of 40.9 gravity oil. Gas - oil ratio was 906-1. Top of the pay was at 7,006 feet with five and one-half inch casing cemented at 7,161 feet. Total depth is 7,181 feet and plugged back total depth 7,116 feet. Perforations are from 7,008 - 090 feet, and these were treated with 3,000 gallons of acid.

The No. 2-A Carden is 467 feet from north and 994 feet from west lines of section 503-97-H&TC.

Snyder Man Succumbs Here

Funeral services will be held at 4 o'clock Sunday afternoon in Alice for Richard L. Banks, 64, who died at his residence at 3104½ Avenue W at 4:30 o'clock this morning.

A resident of Snyder for several years, Mr. Banks was born Aug. 7, 1888, in Parksburg, W. Va.

Burial will be in the Alice Cemetery under direction of Bolger Funeral Home.

Surviving are his wife, two daughters, Mrs. H. W. Sanders of Snyder and Mrs. W. C. Williams of Corpus Christi; three sons, Robert L. Banks, Jr.; of Robstown, Kenneth C. Banks of Harlingen, and Nelson P. Banks of Wichita Falls; two sisters, Mrs. A. B. Rowan of Clarksburg, W. Va., and Mrs. G. B. Parker of Parkersburg, W. Va.; and one brother Henry Banks of Sioux City, S. D.

Rainmakers Will Move Offices To Lamesa

Lamesa will become headquarters soon for work in four states of the Krick Water Resources Development Corp., the office of Dr Irving P. Krick announced this week.

Sam Allen district manager for the "rainmaking" firm in the Lamesa area, said the move of the regional office from Austin to Lamesa will probably take place this week.

The office will direct weather improvement work in Texas, New Mexico, Oklahoma, and Southern Kansas.

Guests in the home of Mr. and Mrs. E. E. Smith, Avenue H, over the week end were Staff Sgt. and Mrs. Raymond Gnewikow of Carswell Air Base, Fort Worth.

HAPPY MOMENT

Model Peggy Yancie plants an affectionate kiss on her French Poodle, Tassel, after she won possession of the dog in New York City Felony Court, climaxing a long series of court actions to get the dog. It appears Miss Yancie left the dog with a friend when she made a trip to Cuba last year. Upon her return she found the dog had been given to Bessie Cushenberry, an interior decorator. Last June Peggy found Tassel at a cocktail party and marched off with the dog. Miss Cuchenberry thereupon charged Miss Yancie with grand larceny, but she dropped the charges when Peggy agreed to pay her $200 for Tassel's year of board and lodging.

PERSONALS

Mr. and Mrs. Otis Gibon, 127 Milburn Street, visited over the week end in Odessa with Mr. and Mrs. Odell Little.

Miss Nancy Lee Dorman, 1106 Avenue R. and Miss Rita Ann Grimmett, Avenue R, left Friday for Dallas where they are visiting relatives. They attended the "Big D Jamboree" Saturday night and will return this week after visiting relatives in Dallas and in Oklahoma.

Arnold Ray Dorman, son of Mr. and Mrs. C. A. Dorman, 1106 Avenue R, will return Sunday from Fort Worth where he is attending the annual Boy Scout round up. He was sent by the Optimists Club and is representing Troop 34.

Mr. and Mrs. James Rosser, 3702 Austin, have as their houseguests her brother and sister-in-law, Mr. and Mrs. D. E. McDonald, of Kansas City, Mo.

Mr. and Mrs. Willis LeVier, Lamesa Highway, spent the week end at the Chemical Process Co. Lodge at Possum-Kingdom Lake. Their guests were Mr. and Mrs. Jack Ray of the Magnolia Camp, Mr. and Mrs. Joe Terry of Fort Worth and Mrs. H. G. Brewer of Midland.

Bond Set On Man After Hearing Is Waived

Bond was set at $750 this morning for Joe Basham, 34-year-old trucker who was returned here yesterday on a charge of theft by bailee.

Basham waived preliminary hearing before W. C. Davidson, justice of the peace, this morning. The charge was filed after a complaint by W. R. Sanderford of the Post Office Cafe, who said Basham took his 1949 Studebaker truck with a load of watermelons and converted it to his own use.

Sanderford was quoted by Bob Davie, district attorney, as saying Basham was to take the load of watermelons to Big Spring and sell them, splitting the money with Sanderford. The owner of the truck said Basham did not return at the time he had agreed to do so.

The truck was found in Odessa Friday, where it had been abandoned, and Basham was arrested in Palo Pinto County Monday night on a warrant.

Mr. and Mrs. W. R. Burns, route No. 3, visited in Galveston Houston and Texas City recently. Their son, Alvin Burns, and family from Odessa have been visiting here.

Youth Has Wreck While Driving With Suspended Operators License

A young Scurry County man was fined $25 plus $23.50 court cost this morning in county court for driving with his license suspended.

Robert Marshall Sterling, 18, of Ira, pleaded guilty before County Judge Edgar Taylor this morning after having an accident on a public road near the Lion Oil Camp.

E. W. Green, highway patrolman said Sterling, driving a 1949 Ford, hit a pile of gravel on the road at about 6:15 o'clock yesterday afternoon and that the accident resulted in about $400 property damage to the car.

Billy Earl Creswell, 16, of 1909 Sixteenth Street, passenger in the car, suffered a broken wrist in the accident and was taken to the Battenfield Hospital. Sede Bills, 17, of Ira, also riding in the car, suffered cuts and bruises, as did Sterling. All were in good condition this morning at the hospital.

Sterling's license was suspended for another six months.

Hermleigh Man Dies At Home

Jacob Brom, 85, retired farmer who lived east of Hermleigh, died at 4 o'clock this morning at his home after a long illness.

Mr. Brom, who was born Nov. 17, 1866 in Netolice, Bohemia, which is now Czechoslavakia, has been living in the U.S. 66 years and near Hermleigh 24 years.

Funeral services will be held at 10 o'clock tomorrow morning at the St. John's Catholic Church in Hermleigh, with the Rev. Edward Chrisman officiating. Burial will be in the Hermleigh Catholic Cemetery under direction of Bolger Funeral Home.

Survivors include the widow, three daughters, Miss Annie Brom, Miss Frances Brom, and Mrs. Charles Cizek, all of Hermleigh; two sons, Anton Brom of Roscoe and Ben Brom of Seymour; one sister, Mrs. Joseph Gajer of Czechoslavakia; five grandchildren, and six great-grandchildren.

Lions Sponsoring Circus September 3

The Hagen Brothers Circus will be presented in Snyder on Sept. 3 under the sponsorship of the Lions Club, the Rev. Woodrow W. Adcock, club president, said today.

The three-ring circus will be set up near the city limits just off the Big Spring highway.

HOSPITAL NOTES

Billy Earl Cresswell, 16, of 1909 Sixteenth Street, was hospitalized at the Battenfield Hospital with a broken wrist last night after he and two other boys had a minor auto accident. The other boys, Sedo Bills, 17, and Robert Sterling, 18, both of Ira, suffered only cuts and bruises.

Mrs. R. E. Graves of Snyder was admitted to the hospital for minor surgery.

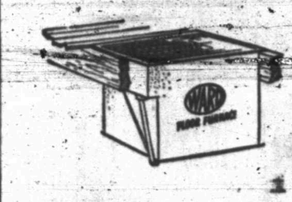

New Cisco Sand Well Makes 20 Barrels

Standard Oil Co. of Texas has completed a new Cisco sand producer at its No. 8-6-S Mrs. Jessie W. Brown.

The well pumped 24 hours on the potential test to make 20 barrels of 41.7 gravity oil. Gas - oil ratio was 765-1. No water was present. Production is natural from open hole. Pay was topped at 6,308 feet. Total depth is 6,444 feet.

The project is 1,234 feet from north and 2,670 feet from west lines of section 449-97-H&TC.

BUICK'S POWER STEERING?

It's the big NEWS of the year

THERE is a host of things that endear a ROADMASTER to anyone who loves to drive.

There's the might of its Fireball 8 Engine—most powerful ever put in a Buick.

There's the thrift of its Airpower carburetor—a four-barrel automatic that literally brings increased power right out of thin air.

There's its hushed and luxurious silence—its poised and level ride that cost a million dollars to develop—and the infinite smoothness of its Dynaflow Drive.

But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.*

Gone is the tug of turning, parking, maneuvering in small space.

Power Steering takes over the effort of turning the front wheels—makes it a one-hand operation.

Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.

But you'll notice this: When you suddenly hit loose dirt or sand—or a stretch of rough road—Power Steering smoothly goes into action—helps take up the jerk—makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder—on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

*Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.*

Mickey, the 2-year-old chihuahua at left, strikes a pose for the camera, while 6-month-old Cissy had to be held by their owner, Mrs. E. L. Dorsey. The Dorsey's trailer home is at the corner of Avenue H and twenty-seventh Street. (Staff protograph)

TALK OF THE TOWN

By SUE HOLMES

Doggoned. If this isn't the most canine-conscious town in Texas.

The other day when we ventured forth to see the albino pekingnese dogs belonging to the E. E. Smiths we stopped at the first trailer in the block and asked Mrs. E. L. DORSEY where the Smiths lived. That we found out, and we also noticed two lively chihuahuas in the neatly-fenced yard.

Yesterday we went back for a better look at the tiny dogs and to talk with Mrs. Dorsey. Like most dog fanciers, the Dorseys want the pets for companions. Before the chihuahuas, the couple lavished affection on a pekingnese. Since Mr. Dorsey is engaged in tile installing (he's in charge of the couple moves around often and tile installations in the new schools) on one trip, they left the peke with a woman whose sister spirited the dog away.

Mickey was bought to replace the peke. He is an unusually marked pooch, who is probably aristocratic enough among chichuahuas to resent being called a pooch. In his infancy, he was so small he slept in the toe of Mr. Dorsey's house slipper, Mrs. Dorsey says. Cissy is a frisky blond and is the daughter of Mickey.

When Mrs. Dorsey isn't sewing for herself, making shirts for her husband or doing any of the multitude of tasks she says she enjoys, she's probably cooking chicken, pork chops or steaks for the dogs. "They just won't eat dog food, but if we raise any more I'm sure they'll all have to learn to like it," she said, with an eye toward the grocery bill.

The Dorseys have solved the problem of keeping things ship-shape in the trailer, yet holding on to the possessions there's not room for. They bought a farm with an 11-room house in their native Tennessee and excess belongings are sent there.

Someday she says they will probably move back to Tennessee, but they like West Texas. Evidently, the dogs do too. They are such lovers of dry weather that during the rains Monday neither pup would so much as look outside.

"We tried to put Mickey down on some wet grass one time, and he tried to lift all four feet at once," she laughed.

* * *

"Yul Brynner," the bob-tailed Siamese cat that lives at Mr. and Mrs. JAMES ROSSER'S house, won't be the king bee around the household much longer. Mrs. Rosser went to O'Donnell last week to find a dachshund pup, and when the papers on the dog's mother are straightened out(they have to come from Germany, no less) the Rossers will get the playmate for Yul. Mrs. Rosser allows that the process for getting the female dog's papers in order is something about as complicated as naturalization, and since they prefer not to harbor an "alien" the red-tape will be withstood.

The cat already has its domicile well established — and we hear it is an accomplished catcher of scorpions — so we'll be eager to hear about feline reactions when the dachshund arrives.

Now this concerns pets, too, but dogs specfically. Gaines Dog Research Center, 250 Park Ave., New York 17, N. Y., is sponsoring a dog photo contest, with the deadline set at midnight Sept. 5.

The contest includes two classifications: work of a member of a camera club and work of anyone not a member of a camera club. In each classification there is a first prize of $250, a second of $100 and a third of $50. Any interesting dog picture — it may be a snapshot — has an equal chance in the contest, and there is no limit on the number of entries which an individual may submit. For more information, write a postcard to the address above for a copy of official rules.

* * * *

New residents are Mr. and Mrs. MELVIN MONTGOMERY, 3710 Dalton Drive, who moved here Thursday from Port Arthur. Mr. Montgomery is new band director for the high school, and his wife will be a fourth grade teacher. They are Methodists. A tiny Mexican chihuahua moved here with them.

Helps For Homemakers

Send your questions to "Helps for Homemakers", Snyder Daily News, or call 3-5488.

In packaging foods for my freezer, I find I always have trouble preparing pint quantities. When I start to work I like to know how many containers I need, how much syrup I should have made up for fruit and how much freezer space it will take. Do you have any information on quantities? Mrs. S.R.

Yes, we have information from the Texas Extension Service regarding your question. Miss Louise Mason, foods and nutrition specialist with the service says the following table is based on research in the Bureau of Human Nutrition and Home Economic. There is bound to be some variation because yield depends partly on quality and maturity of the food, the way it is cut or trimmed and the style of pack

For 1 pint of frozen food, there is needed approximately:

Beans, corn (in husks) and peas, 2 to 2½ pounds
All greens, peaches and plums, 1 to 1½ pounds
Cantaloupes and pears, 1 to 1¼ pounds
Broccoli, 1 pound
Beans, snap, 2-3 to 1 pound
Sweet potatoes, 2-3 pound.

* * *

I am wondering if it is possible to make jams and marmalades in the pressure cooker? E. M.

Yes, it is entirely possible, according to information we have from the Pressure Cooking Institute. Use the cooker for pre-cooking the fruit under pressure. Use just a little water with the fruit. After the fruit is soft, remove the cover, measure the fruit and use an equal measure of sugar and cook without cover. Finish the process with the cover off because you must have evaporation to bring the jam or marmalade to the jell stage.

Roland Bells Hosts To Saturday Bridge

Mr. and Mrs. Roland Bell, Jr., were hosts to the Saturday night Bridge Club at their home.

Three tables were in play, with Armor McFarland winning high prize for men and Mrs. John Blum winning high for women. Mrs. John Hamblen, a guest of the club, won traveling prize.

A salad plate was served to the members and to guests who were Dr. and Mrs. Hamblen.

Mr. and Mrs. E. V. Thomas Married by Bride's Father

Mr. and Mrs. Edward Vinson Thomas will make their home here when they return from a wedding trip this week end. The couple was married Saturday night in Oklahoma City at the home of the bride's parents.

Mrs. Thomas is the former Miss Carol June Lackey, daughter of Dr. and Mrs. [illegible] and Mrs. E. L. Thomas, Big Spring Highway, are parents of the bridegroom.

Dr. Lackey, who is executive secretary of Oklahoma Baptists, read the ceremony. Miss Jean Lambert of Lexington, Okla., was maid of honor, and Aviation Cadet Everett Thomas of Webb Air Force Base, Big Spring, served his brother as best man.

Both the bride and bridegroom attended Oklahoma Baptist University and Mr. Thomas is employed by the Skelly Oil Co.

Attending the wedding from here were the bridegroom's parents and his sisters, Miss Marilyn Thomas and Miss Patty Thomas. Phillip Kemp of Webb Air Force Base accompanied them also.

Hostesses were Mrs. Miller, Miss Mary Edith Scarborough and Miss Marianne Randals, who are to be bridesmaids, and Miss Jane Hardin, who will sing in the wedding.

The couples played bridge, canasta and forty-two and danced.

Guests include Miss Dawn Lee, Joe Sentell, Mr. and Mrs. Billy Bob McMullan, Mr. and Mrs. Jack Bowden, Miss Mildred Boren of Post, Billy Jack Boren, Mrs. Excel Smith of Trinchera, Colo., Miss Peggy Floyd, George Harwell, Bill Brown, Marvin Sentell and Kenneth Goforth.

E. P. Alford Among 900 At Reunion

E. P. Alford, 1504 Twenty-sixth Street, returned Monday from Huckabay in Erath County where he attended the biennial Huckabay Reunion Saturday and Sunday.

W. M. Welch, Mr. Alford's uncle, returned with him for a visit in the Alford home.

The reunions were begun in 1937 as an annual homecoming event for graduates of Hale's academy, which was operated between 1902 and 1914 by C. H. Hale. In recent years the meetings have been held every other year on the second week end in August and have included all former residents of Huckabay.

Judge Ernest Belcher of Stephenville, program chairman for the reunion, was also speaker for the traditional religious program held Sunday. Hale, a professor emeritus of Tarleton State College in Stephenville, spoke briefly

An estimated 900 former residents attended.

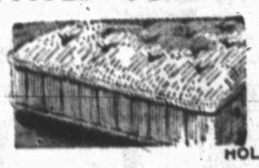

PERSONALS

Mr. and Mrs. W. W. Park and sons, Charles Barton and Barry, 2407 Twenty - seventh Street, returned Sunday from a five-day trip to Ruidoso, N.M. They were accompanied by former Snyder residents, Mr. and Mrs. Frank Ficklin and son now of Bowie.

Mr. and Mrs. T. S. Gault and son, 3706 Austin, left yesterday for San Saba and Llano where they will visit relatives and take care of business. They expect to return before the week end.

THE ADVENTURES OF PATSY

18 Lettermen Await Opening Of Practice With New Coach

Football practice will begin at Hermleigh High School Sept. 1, with at least 18 lettermen returning to the grid field.

"We have good prospects for a team," Charlie White, newly-appointed athletic coach at the school, said this week, adding that most of his players returning are seniors and have had plenty of football experience.

White, who is beginning his first year as a coach, received his bachelor's degree from Howard Payne College this year. He came out of the college as a three-year letterman in football, playing halfback on offense and safety on the defensive. He earned his fourth letter this year in track, and he was captain of the track squad His specialty was in hurdles, and he clocked his best time at meets in Abilene and Fort Worth with 14.4 seconds on the 120-yard high hurdles.

The new coach, who replaces J. N. Williams, is at native of Scurry County. Born at Hermleigh 22 years ago, he attended high school at Hobbs, a community just outside the east Scurry line. Before he finished school there in 1948, he had earned four letters in football, basketball, and track, serving as captain of the football eleven two years. He was named an all-district forward on the basketball squad one year.

In addition to coaching, White will teach history and geometry in the high school. He has hopes of repeating the football team' winnings of the district championship, which they took last year.

Included among lettermen returning to the Hermleigh field this year are Jimmie Cooper, end, and Dickie Wall, fullback, both all-district players of 1951.

White announced his schedule for the fall season, explaining that he is now attempting to fill a Sept. 19 open date.

SCHEDULE

Sept. 12	Seagraves	Hermleigh
Sept. 19	Open	
Sept. 26	Divide	Hermleigh
Oct. 3	Hobbs	there
Oct. 10	Coahoma	Hermleigh
Oct. 17	Ira	Hermleigh
Oct. 24	Robert Lee	there
Oct. 31	Loraine	Hermleigh
Nov. 4	Bronte	Hermleigh
Nov. 14	Trent	there

Three Men Taken Off Dallas Texan List

KERRVILLE, Aug. 13 (AP)—The Dallas Texan roster was trimmed to 52 players yesterday when Coach Jimmy Phelan took three men off the active squad list.

The National Football League team put Joe Abbey, former North Texas State end, and Dee Booner, end from Arkansas State, on waivers. Billy Reddell, Florida back, was placed on the reserve list.

Daily workouts, in preparation for the Texans first game Saturday night with the Brooke Army Medical Center Comets, will continue for the squad here, Phelan said.

Pro-Amateur Golfers To Play in Odessa

ODESSA, Aug. 13 (AP)—Ten teams are on the entry list for the fourth annual Pro-Amateur Golf Tournament here Sept. 4-7.

Leading the list of big name golfers will be the defending champions, Harry Todd, pro, and Don January, amateur, of Dallas.

Pitcher Has .395 Average

NEW YORK (AP)—Bene Bearden of the St. Louis Browns a .202 lifetime batter up to this season, has blossomed out as the major leagues' best hitting pitcher.

Bearden, a lefthanded batter, has collected 17 hits in 43 times at bat for a remarkable .395 average. The 30-year-old hurler used frequently by St. Louis as a pinch-hitter this year, had made only 41 safeties in 202 tries through 1951. Gene is in his fifth major league season and first with the Browns.

Johnny Sain, New York Yankees' veteran moundsman, is the only other pitcher close to the .300 mark. Batting from the right side of the plate, Sain shows a .283 average with 15 base hits in 53 trips to the plate. Among his hits are four doubles, one triple and one homer.

Bob Rush of the Chicago Cubs is the top National League hitting pitcher at .273. The South Bend (Ind.) fastballer, also a righthanded swinger, has 18 bingles in 66 times at bat. Fires include Tuesday's games.

Behind Bearden and Sain in the American League, comes Washington's Frank Shea with a .250 mark. the rotund ex-Yankee has 12 hits in 48 at bats.

Herman Wehmeier of the Cincinnati Reds and Pittsburgh's Murry Dickson are giving Rush a battle for National League honors.

Wehmeier, at .273, has made 13 hits in 48 appearances and Dickson who has compiled more hits, 21, than any other major league flinger, is at the .269 mark.

Schoolboy Stars Play In Greenbelt Bowl

CHILDRESS, Aug. 13 (AP)—The third annual Greenbelt Bowl Game, matching 48 Texas schoolboy football stars, will be held here Friday.

The squads have been here since Sunday holding two-a-day workouts. Dixie White and Prince Scott of Midwestern University are coaching the East team. Jack Mitchell and Bobby Goad of Texas Tech are tutoring the West.

Among the outstanding players appearing in the game are Donald Robbins of Breckenridge, Van Pennington of Shamrock, Gary Rice of Breckenridge, Rusty Gunn of Arlington, Kenneth Scott of Anson, R. D. Bradshaw of Childress, Jerry Jefferies of Childress, John Loper of Abernathy, Don Jones of Lubbock, Freddy Vinson of Memphis, Johnny Tatum of Lubbock, Bill Davis of Pampa and Charles Brewer of Lubbock.

Football Field Here In Good Shape For Fall

Football fields will be in better shape this fall than they have been in the last few years, despite the drouth, Speedy Moffett, head high school athletic coach said today.

Moffett, who said he and his four assistant coaches will begin football workouts with about 45 A squad hopefuls Sept. 1, said grass on the playing field is in very good condition, much thicker than in the past. This season will be the third year the new field has been used.

The head coach said lighting at the playing field is being doubled for this season to give a total of 96,000 watts of lighting. Each of the eight poles will hold eight 1,500-watt bulbs.

School maintenance workers have been watering both playing and practice fields continuously all summer. The fields are watered from private wells.

High school games are scheduled for Friday nights at the stadium, while freshman and junior high school games will be played on Thursday nights.

SPORTS MIRROR

By The Associated Press

TODAY A YEAR AGO—Cleveland's Bob Feller defeated Detroit, 2-1, for his 19th victory of the season.

FIVE YEARS AGO — Brooklyn whipped Boston, 10-5, to increase its lead over the idle Cardinals to 3½ games.

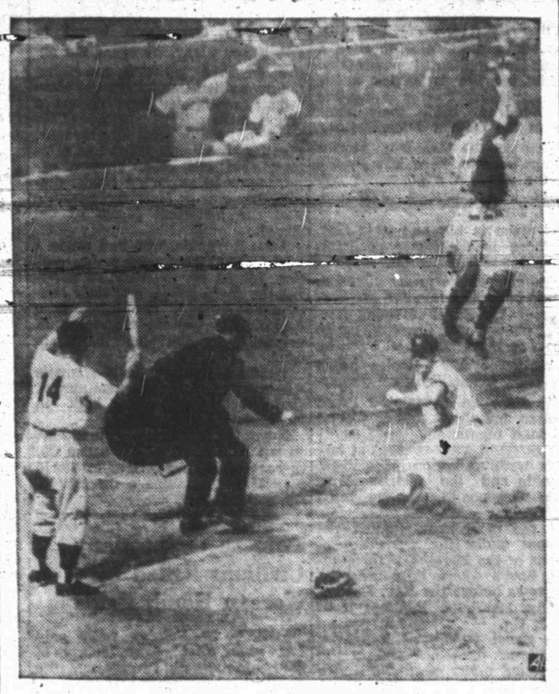

TEN YEARS AGO — St. Louis bowed to Chicago, 13-5, and fell 8½ games behind the idle Dodgers.

TWENTY YEARS AGO — In Olympic rowing, the University of California crew beat Italy by one foot for the eight-oared championship.

Professional Football Game Slated in Odessa

ODESSA, Aug. 13 (AP)—Almost 10,000 tickets have been sold for the Dallas Texan-Philadelphia Eagles professional football game to be played here Aug. 29.

It will be an exhibition game for both of the National Football League members.

BOSOX GO DOWN

Yank centerfielder Mickey Mantle hits the dirt for a score as the Boston Red Sox catcher, Sam White, eaps for throw from center field in the fourth inning of a game at Yankee Stadium, New York. Mickey scored from second on single by Yogi Berra, who went to second on play to plate. Umpire is Bill Grieve. No. 14 is Yankee left fielder Gene Woodling. Yanks won 7-0.

Aged Fighter In Hospital Without Penny

By RUSS NEWLAND

SAN FRANCISCO (AP)—Sailor Tom Sharkey, once a gloved terror of the ring, now is fighting a serious—and possibly his final—battle.

His opponents are old age, feebleness and loneliness.

Sharkey is confined to a bed in San Francisco hospital. He entered the institution penniless.

Friends have come to his aid. Parker Maddux, banker, and Louis Lurie, financier, are members of a committee which has undertaken to collect a fund for the old-time pugilist's needs. Contributions have been small. Less than $1,000 is on hand for medical and other aid.

Never a champion himself, Sharkey boxed the best in his day. He is the only man alive today who exchanged punches with the first four heavyweight champions under the Marquis of Queensbury rules. They are John L. Sullivan, James J. Corbett, Bob Fitzsimmons and James J. Jeffries.

Sharkey was born in Dundalk, Ireland, Nov. 26, 1873. He is approaching his 79th birthday.

In the ring, he never asked for nor gave quarter. He was a barrel-chested strongman, standing 5 feet 8½ inches. His fighting weight ranged from 180 to 185 pounds. He spotted rivals 30 pounds and more.

In 1896, Sharkey boxed a four-round draw with Corbett in San Francisco a three-round no decision contest with Sullivan in New York City and won on a eighth round foul from Fitzsimmons in San Francisco.

Bobby Thomson of the Giants who was born in Glasgow, Scotland, was the only member of the 1952 National League All-Star team born in a foreign land.

Miller Could Help Cardinals Be Real Threat To Brooklyn

By The

Stu Miller's sensational debut with the St. Louis Cardinals recalls the "good old days" when pitchers like Bill Hallahan, Dizzy and Paul Dean Howie Pollet and Harry Brecheen used to pop out of the Card farm system each fall.

Houston, Columbus and Rochester usually were loaded with lean, hungry young men who could throw a ball through a brick wall and lasso a calf with with their curve ball.

Since the war, talent has come in dribs and drabs. More and more the Card managers have had to lean on the old standbys of other years. Fellows like Al Brazle and Brecheen.

Vinegar Bend Mizell, who arrived this spring, was going to revive the old Cardinal habit. He may yet prove to be the "big" pitcher they need but he has been inconsistent.

Now comes Miller, a 24-year-old righthander with an 11-5 record at Columbus, to stand the Chicago Cubs on their ears with a six-hit shutout, 1-0.

Just to prove he had it in the clutch, Miller breezed a 3-2 pitch past Bill Serena for a called strike in the ninth with men on first and third and two out.

Hal Rice's first-inning single scored Red Schoendienst with the game's only run, handing Bob Rush his 11th loss and second straight 1-0 defeat.

Tucked away in a corner of most papers last night was another story that may have an important bearing on the Cards' drive to narrow Brooklyn's lead.

Harvey Haddix, a highly touted lefthanded pitcher, was discharged from the Army yesterday to rejoin the Cards immediately. Haddix just helped pitch his Ft. Dix team into the national semi-pro tournament. In 1950 he had an 18-6 record for Columbus, Miller's alma mater.

It's not likely, but it could be that Miller and Haddix may make the Cards a real threat to the Dodgers in the six weeks to come.

The New York Giants won't start any little miracle this Aug. 12. That became definite last night when their scheduled night game at Brooklyn was rained out. Having passed their anniversary (of the start of the 1951 push) in idleness, the Giants hope to launch their '52 spurt in a day-night doubleheader at Brooklyn today.

Brooklyn leads New York by nine games and St. Louis by 11.

The Boston at Philadelphia game in the National was washed out and Pittsburgh and Cincinnati were not scheduled.

Rain kept both the New York Yankees and runnerup Cleveland idle yesterday. The Yanks' home night game with Washington was put over to make a doubleheader today. Cleveland's home date with Detroit also was rained out.

Boston lost a chance to gain on the leaders by dropping a 13-inning game to the Philadelphia A's, who now trail the Yanks by only 7½ lengths. Billy Hitchcock's single scored Gus ernial in the 13th to top the Red Sox, 4-3, after Clyde Vollmer's two-run homer tied the score in the eighth.

Carl Scheib allowed 10 hits in his route-going chore limiting the Red Sox to one hit after Vollmer's homer. Al Benton, who relieved Dizzy Trout at the start of the 12th, was charged with the loss as ernial singled, took second on a sacrifice and scored on Hitchcock's hit.

Jimmy Dyck took matters into his own hands to power the St. Louis Browns to a 3-2 win over the Chicago White Sox in 12 innings. Dyck's first homer ties the score in the eighth and his second won the game for Gene Bearden in the 12th. Bearden, Cleveland's pennant-winning hero in 1946, allowed only five hits in posting his sixth comeback victory.

Oklahoma Players Named to Meet Texas Boys in Oil Bowl

WICHITA FALLS, Aug. 13 (AP)—Fifteen top Oklahoma players have been named to meet Texas footballers in the annual Oil Bowl game at Wichita Falls, Aug. 22.

The Oklahoma Coaches Association, meeting in Oklahoma City yesterday, made the selections shortly after Texas' Gov. Allan Shivers said he would attend the game to make pre-kickoff letterjacket presentations.

Midwestern University and the Maskat Shrine Temple sponsor the Oil Bowl, splitting proceeds between Wichita Falls charity groups and the Oklahoma City Crippled Childrens Hospital.

Oklahoma players roster includes:

Bill Curtis, Waurika; Monte Hendricks, Duncan; Gary Don Hunt, Duncan; Tommy Greer, Duncan, Martsell Haws, Altus; Bob Vance, El Reno; Jim Krider, Ponca City, Bill Pierce, Chickasha; Kenneth Arm, Sulphur; James Ray Howe, Sulphur; Virgil Bollinger, Muskogee; Bill Hydman, Cherokee; Frank Shive, El Reno; Preston Carpenter, Muskogee and Bob Burrus, Muskogee.

Now — GET UP TO 30% MORE TIRE MILEAGE!
with Accurately Balanced Wheels

Yes, it's TRUE! Already millions of motorists are saving money on tire replacements, getting smoother car riding, easier, safer steering from carefully balanced wheels.
For now, thanks to Stewart-Warner's new *electronic* equipment, wheel balancing is no longer a hit-or-miss proposition. Your wheels are balanced quickly, accurately ... in true running position ... at *all* speeds ... right on your own car! The result: A perfectly balanced wheel—all in a matter of minutes.
Don't put it off. Don't delay. Get smoother riding, safer riding, longer tire mileage for your car. Have your car's wheels *electronically* balanced, today.

MONDAY'S MEETING

The city council did what we believe are two unwise things in its meeting Monday night.

First, it called an election to fill a vacancy on the council and set the date a little more than a month before another proposed election has been set.

Second, members of the council met secretly, though unofficially, in the city hall to discuss "private matters."

The special election was called suddenly. The reason given for calling it was that the election for approval or disapproval of the proposed new city charter had been postponed.

The charter election has been postponed, but only two weeks. If it passes an entirely new council will have to be elected, and still another election will have to be held. The vacancy has existed since May 30, and surely the council can limp along one man short for an additional regular meeting to see if the proposed charter passes.

The meeting at which members of the council met with the doors bolted and the blinds pulled was certainly not carried off in such a way as to keep Snyder citizens from wondering what the "private matters" were.

The council meeting immediately preceding the closed session broke up like any other meeting. Most of the members wandered outside and chatted as usual. The reporter covering the meeting went into the police station next door. When he came out he noticed lights in the city office. He tried the door, but found it locked. He tried the back door with the same success, but was able to see members of the council inside.

Snyder has not been governed by secret session in the past and certainly ought not slip into the "quiet" way of doing things now. These things add nothing to the stature of those who participate in them.

UN Opponent Is Nominated

BOISE, Idaho (AP) — Rep. John T. Wood one of the most outspoken foes of the United Nations in Congress, won the Republican nomination from Idaho's 1st Congressional District in yeterday's primary.

The big, bald physician, who served a term as Socialist mayor of Coeur d'Alene in 1912, charged in his campaign that the U. N. Charter was written primarily by the Russians, and blasted UNESCO as "the greatest subversive plot in history".

Complete returns from 320 of 399 precincts gave Wood 14,379 to 12,266 for his opponent, State Sen. Erwin Schwiebert. Schwiebert conceded Wood' nomination early today.

Wood will be opposed in the November general electon by Mrs. Gracie Pfost of Nampa, a redheaded real estate dealer whom he defeated in the 1950 general election by but 783 votes.

Returns from 308 of 399 precincts gave Mrs. Pfost 9,676; State Sen. L. Cotty Lowry 4,392; former Congressman Compton I. White 4,662, and Dr. Paul Eke, former University of Idaho professor, 1,879. Lowry conceded his defeat.

Rep. Hamer Budge (R-Idaho) was unopposed in the 2nd Congressional District GOP nominating race. Democrat W. H. (Pete) Jensen, a farmer from Downey, will oppose him in the general election. Jensen also had no opposition.

Mules Killed In Fire

JOPLIN, Mo. (AP)—Four buildings were destroyed and about 100 mules died in a fire which blazed through the stockyards here last night.

No immediate estimate of damage to the yards was available, but loss of the animals was placed at about $10,000.

Mr. and Mrs. Robert W. Foster, Twenty - sixth Street, are parents of a son born Friday at Root Memorial Hospital in Colorado City. The baby weighed 7 lbs., 2 oz., and has been named Dennis Robert.

Wonders Now Who She Is Married To

DENVER (AP) — Bert Acosta, pioneer transatlantic flier, says he's amused by reports of a Tulsa, Okla., man with the same name who has been trying to get financial help for an endurance flight attempt.

Acosta said from his hospital bed yesterday that "I haven't been out West in the last five years."

A woman who has called herelf Mrs. Acosta told a Tulsa Tribune reporter yesterday he was "all confused" after she had seen a news story reporting that Bert Acosta, ocean - flying partner of Adm. Richard Byrd, was ill in a hospital near Denver.

"I thought I had been married to Bert Acosta for 10 years," she said. "But this makes me wonder."

The Bert Acosta in Denver has a bed next to one occupied by Tom Flanagan, a former photographer for the New York Daily Mirror.

Flanagan told newsmen there wasn't any doubt but that the man in the next bed is Bert Acosta. "I've known Bert for years," he aid. "We met when I was assigned to cover his flight to Europe."

The Tulsa woman said she hadn't seen her husband for 10 days. She and an oil company who reportedly advanced funds to him for developing a new aircraft engine said they don't know where he is.

Acosta has been a patient at the Jewish Consumptive Relief Society's sanitorium at Spivak, a Denver suburb, for several months.

Seamen Won't Move From Marine Hospital

CAPITAN, N. M., (AP)—Sixty-five patients at Ft. Stanton Marine Hospital refuse to move to the Detroit Marine Hospital until they can pass physical examination showing them fit for duty.

They decided on the "sit down" strike last night after they were informed they were to be moved because lack of federal funds makes it necessary to close the hospital's ambulatory section.

They plan to draw money for food and other necessities from a general welfare fund established by various maritime unions.

The hospital is a tuberculosis treatment center for merchant seamen.

Tobacco Man Shows Off New Bride And Island Plantation

SAPELO ISLAND, Ga. (AP)—R. J. Reynolds, a man who inherited a tobacco fortune but kept it from spoiling his life is haying a big time displaying to his attractive auburn-haired bride their home here in the Golden Isles.

If you got the idea from stories of their wedding here last Friday that the place is a gossamer palace of gold splashed with diamonds, forget it.

The place is big and it is fine. But there is nothing superficial. It's solid and substantial.

Reynolds, whose many pursuits include building boats and skippering them, running a shipping line, flying, photograph, forestry, cattle raising, farming and road building to mention a few —took hours away from his honeymoon yesterday to show an Associated Press newsman and photographer around the island plantation.

No newsmen were present at last week's wedding of the 46-year-old Reynolds and the former Mrs. Murial Greenough, 33—the third marriage for each.

But the newlyweds pointed out the spot under the age-old oaks in front of the 23-room main plantation house where they repeated their vows before the Rev. Gordon C. King, Methodist minister from Darien, Ga.

The green waters of a nearby garden pool glistened and in the background many of the 72 Negro families who live on the island sang softly.

Contrary to popular belief, Reynolds doesn't own all of this Southeast Georgia coastal island.

Several Negro families, whose ancestors were slaves here, still hold 10-acre tracts deeded them after the War Between the States by Thomas Spalding, then owner of the island, which is 12 miles long and three miles wide.

While the island can be reached only by plane or boat, Reynolds has several cars, trucks and jeeps. He drove one of the jeeps on the tour he conducted over the five miles of asphalted and many more miles of sand roads on the island.

With an enthusiasm bound to sweep you along, he spent the entire day showing and describing the diversified interests of the plantation: a summer boys camp; a large cattle-raising project (1,500 head of Angus and Brahmans); planting, seeding, cutting and shipping pine and other timber, experiments in surfacing roads, diking the marsh land for farming and the historical facets of the island.

Mrs. Reynolds, who had made a trip around the island a day earlier, joined her husband in showing the main house, and their honeymoon cottage. The latter is a comfortable two-story house built originally for the plantation manager.

Within a few months the couple will start on a world cruise aboard their yacht Aries being built in England.

Reynolds ended active opreations in the R. J. Reynolds Tobacco Co. to become a navy officer in World War II. He remains a director of Delta Air Lines.

Chinese Claim Many Civilians Killed In Korean Bomb Raids

TOKYO (AP)—Peiping radio said last night that early reports of the bombing of Pyongyang, the North Korean capital, by U. S. bombers last Sunday indicated that more than 1,000 civilians were killed or wounded and 676 houses and cave shelters destroyed.

The Red propaganda broadcast, heard in Tokyo, said more than 500 bombs were dropped.

In Tokyo Far East Air Forces headquarters announced Sunday that B29 Superforts had bombed military vehciles and supply concentrations in Pyongyang Saturday night.

FEAF headquarters said warnings to evacuate North Korean civilians from military installations were repeated by radio and by leaflets ahead of the raid.

New Hay Fever Drug Lagging Behind Others

Phenergan hydrochloride, new drug recently announced as giving 90 per cent relief to most hay fever patients, is still lagging behind other antihistamines in sales here, local pharmacists report.

Although the new drug seems to be effective and is so potent that it requires a smaller dosage than related drugs, doctors are still prescribing more benadryl and pyrabenzamine for allergy patients.

Benadryl, first of the drugs on the market, still outsells all the other antihistamines, pharmacists report. One believes this is due to the fact that once a patient gets results from one drug, he asks his doctor to repeat the prescription and is not likely to try anything new.

While the antihistamine drugs are being sold on prescription, pharmacists get many calls for patent medicines for hay fever patients. As the hay fever season nears its early fall peak, all the favorite remedies and various kinds of nose drops become popular items at the druggists'.

President Rhee Will Be Inaugurated Again

PUSAN, Korea (AP) — President Syngman Rhee will be inaugurated for a second term tomorrow in the old capital of Seoul.

At the same time, South Koreans will observe the fourth anniversary of the republic and the seventh year of independence from Japanese rule.

Rhee, who forced popular election of the President and creation of a two-house legislature upon an antagonistic Assembly, received 5,238,769 votes. His nearest opponent, former Communist Cho Bong Am, got 797,504.

The final count was reported today by Assembly Chairman P. H Shinicky.

Red Lights Found To Increase Egg Laying

STORRS, Conn. (AP) — Put a red light over your hen nests, and watch the eggs roll in.

That's the advice of C. S. Platt, Rutgers University egg expert.

Platt, in a paper for the 41st annual meeting of the National Poultry Association at the University of Connecticut, told how New Jersey poultry raisers did it during the war.

Air raid regulations blacked out the brilliantly lighted poultry houses along the Jersey Coast, he said, so farmers turned on the dim red lights to let them see.

The red light had a tendency to keep the hens longer on the nests. Egg production rose, and since then experiments have confirmed the red light's effect on hens.

Mayor Of Orange Is Sworn In Aboard Ship

ORANGE, Tex. (AP)—Mayor Sid J. Caillavet was sworn into office last night by a radio-telephone hookup that allowed him to take the oath aboard the USS Dixie somewhere between Pearl Harbor and San Diego.

Caillavet, 59, is a guest of the Navy aboard the vessel. The Navy arranged the hookup so his inauguration wouldn't be delayed by his trip.

A public address system at both ends of the connection was rigged to allow the ship's crew and the mayor's new constituents to hear the ceremony.

Bomb Scare In London Romans Being Killed

LONDON (AP) — Police cordoned off a wide area and a bomb disposal squad was called when a steam shovel scooped up a large oblong metal object at a gravel pit here yesterday.

Residents of the area breathed easier when the bomb experts announced it was only an old boiler.

What I want is a Coke

Your thirst calls for some kind of refreshment . . . your *taste* tells you to be sure it's ice-cold Coca-Cola.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
TEXAS COCA-COLA BOTTLING COMPANY
"Coke" is a registered trade-mark. © 1952, THE COCA-COLA COMPANY

Look at the smiles on these pretty WACs! It's mail call. And once again the folks at home have come through with the letters that mean so much to a girl in the Army Corps.

These young women have become an essential part of America's military strength. They have volunteered to take over "must" jobs in the clerical department to release men for field duty—an important job in your defense. Wouldn't you like to do something for them?

Mail Call!

You can. You can show *all* our service women and men that you're with them—by buying U. S. Defense Bonds!

For when you buy bonds, you're doing *more* than simply saving your money and making your own family secure. You're doing a fine job for defense yourself! Because your economic stability is what gives your country economic strength to stand behind its military strength. And America must be strong *in every way* in these troubled times when *peace is only for the strong.*

So start today to buy Bonds. Buy them now and buy them regularly.

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now *every Series E bond you own or buy automatically* goes earning interest every year for 20 *years* from date of purchase instead of 10 as before! This means that the bond you bought for $18.75 can return you not just $25—but as much as $33.33! A $37.50 bond pays $66.66. And so on. For your security, and your country's, buy United States Defense Bonds now! Bankers recommend them as one of the safest forms of investment. And you know, you can't afford not to save for yourself!

Peace is for the strong...
Buy U.S. Defense Bonds regularly!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

No Progress In Holding Off Looming Rail Strike

NEW YORK (AP)—Union and company men resume talks today with no sign of an immediate settlement of the dispute that threatens to halt New York Central system trains east of Buffalo.

A strike, originally scheduled for last Monday, was postponed to give federal mediators time to try to bring the parties together.

Mother Stabs Her Own Son

NEW YORK (AP)—John Papkowich returned from work last night to find his son Johnny, 3, torn and bleeding on the couch.

"Mummy gave me some orange juice, grabbed a big knife and killed me twice, here," the youngster told police pointing to his chest.

In the kitchen Papkowich found his wife Mary, 33, her wrist cut.

"I wanted to end everything and be my little boy with me," she was quoted by an assistant district attorney later.

Mrs. Papkowich's wounds were minor, but Queen's General Hospital this morning said Johnny's condition was poor.

Papkowich said his wife has been under treatment for a nervous condition. She was booked on a felonious assault charge.

Ohio Town Has To Look For Housing For New Atomic Energy Plant

WAVERLY, O. (AP)—Pike County, O., still numb from the news a billion-dollar atom plant will be built among its hills, looked around today for housing and other needs for some 35,000 workers.

Part of the problem also confronted Scioto County, whose county seat, Portsmouth, is 22 miles south of the site of the plant that will extract Uranium 235 from uranium ore.

King Visiting U.S. For Month-Long Tour

NEW YORK (AP)—King Feisal II of Iraq begins a month-long tour of United States today with a reception at City Hall and a royal cheer for the bums at Ebbets Field.

The 17-year-old monarch, who landed yesterday on the Queen Mary, is to be received by Mayor Vincent Impellitteri soon after a parade up lower Broadway.

Then his aides are to take him out to the New York Giants-Brooklyn Dodgers ball game.

While Feisal is in this country he will study irrigation projects and other American techniques.

Red Guerrilla Attacks Made On British Routes

SINGAPORE (AP)—Terrorist outbreaks in the North Borneo British colony of Sarawak have caused the government to reinforce its police guard along trade routes into neighboring Indonesian Borneo, Sarawak Chief Secretary Hugh Ellis said today.

Following the guerrilla raids, which the British said were Communist-inspired, a state of emergency was declared in a 3,400-square-mile area around Kuching, the Sarawak capital.

More Negroes Are Put In Jail In South Africa

CAPETOWN, South Africa (AP)—Police cracked down anew last night on the passive resistance campaign against South Africa's race segregation laws, arresting 11 leaders of the drive.

At the same time, one Negro was injured in Port Elizabeth when police fired on a native protest meeting after the crowd refused to disperse.

The 11 leaders—both Indians and Negroes—were arrested in Johannesburg under a law pased to suppress communism. They were released on bail of 100 pound ($280) each.

Spitsbergen has bene governed by Norway since 1925.
