

NOW OBSERVING 45 years in business at O'Brien are Edrie and Dwight Gothard, familiar faces to all their friends in the area. Dwight was Mobil Oil Company consignee for about 43 years, changing to Texaco two years ago when Mobil decided to phase out some of the dealers in the southwest.

At O'Brien

Gothards Noting 45 Years In Business

Mr. and Mrs. Dwight Gothard are observing their forty-fifth year in their service station at O'Brien and as will be noted by their ad in this week's News, are expressing their sincere appreciation to their fine friends and customers who have made these many years in business a real pleasure.

The Gothards purchased their gasoline business from his late father, Glenn Gothard, who owned the station for about seven or eight years. The station then was located across the highway from its present location and at that time was the Magnolia Petroleum Company. Wholesale distributor

at that time was the late W.H. "Uncle Bill" Jones who later sold to his son, the late J.V. "Tubby" Jones, who was "one of the best", according to Mr. Gothard.

Edrie and Dwight began their station business April 1, 1935, and have enjoyed the association with friends and neighbors through the years.

Dwight was Mobil dealer for most of the 45 years; however, he said about two or three years ago, Mobil informed many of their dealers that it was phasing out in the southwest and that they should make other arrangements. At that time, Dwight switched to Texaco and said although he had always been happy with

Mobil, he has been just as happy with Texaco.

Mrs. Gothard, the former Edrie Wharton, and Dwight are the parents of a son, Paul, who is superintendent of Highland School near Roscoe. Paul and his wife, Kay, are the parents of two sons, Courtney, 13, and Brandy, 10.

The Gothards are members of the O'Brien Baptist Church.

Although no formal celebration is planned, the Gothards are cordially inviting all their friends and customers to come by the station for special favors in observance of their longtime anniversary -- among "the greatest people in the world."

Cancer Crusade Underway

The American Cancer Crusade drive in Knox City gets underway Thursday, April 10, (today) and runs through Wednesday, April 30, according to local chairman, Cornie King.

Mrs. King attended a salad supper in Monday on March 18 for the kickoff drive for 1980.

A list of volunteer workers will be published at a later date. Persons who wish to volunteer their services are asked to contact Cornie at 658-3494.

District 7-A Track Meet Is Friday

Friday is the day set for the District 7-A boys' track meet to be held at Aspermont with prelims beginning at 9:30 a.m.

According to Coach Jimmy Rogers, field events will begin at 11:00 and finals are to start at 3:30 p.m.

Participating in the district meet will be varsity, junior varsity, and eighth and seventh grades.

Gilliland To Honor Tommy Shaw April 12

Tommy Shaw, a former resident of the Gilliland-Truscott communities will be honored at Tommy Shaw Day Saturday, April 12, at the Gilliland Community Center. Shaw is now a popular country-western band leader in Fort Worth.

A covered dish luncheon will begin at 12:30 followed by a musical concert from 2:30 until 4:30 p.m.

According to a spokesman, no admission will be charged and everyone is invited to attend.

Public Hearing For Senior Citizens Set

A Public Hearing to gather facts for planning Senior Citizens services will be held at 11:00 a.m. on April 29, 1980 at the Community Center building in Knox City.

The Hearing, conducted by West Central Texas Council of Governments Area Agency on Aging, will be one of 19 held throughout the West Central Texas Council of Governments region. It will be open to all residents of Knox County, but will be directed primarily at persons age 60 or over.

Included in the Hearing will be discussion about operation of Senior Citizens services under the Older Americans Act. National, State and local priorities will be reviewed with opportunity for input from the audience.

The bulk of the Hearing will be spent getting information from those present about the needs of older persons. This information will be used by the Area Agency on Aging in preparing its Regional Aging Services Plan for the period beginning October 1, 1980.

Results of this Public Hearing will directly influence the future of Senior Citizens Programs in this County as well as in the West Central Texas Council of Governments region.

Auburg Appointed Mayor

Holcomb Resigns Monday As Mayor

A.T. (Drew) Holcomb, mayor of Knox City for the past year Monday morning issued the following statement to *The Knox County News*:

"I, A.T. Holcomb, as of this date will no longer be a part of, a party to any act or actions taken by the City Council or the management of the City of Knox City.

This is my letter of resignation as mayor of the City of Knox City, Texas, effective as of this date, April 7, 1980."

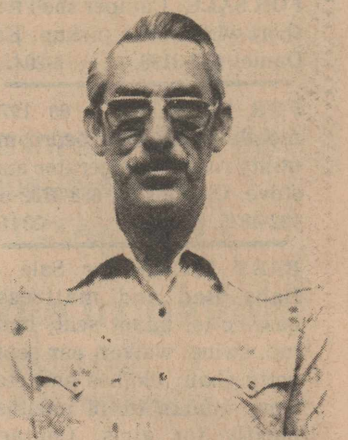

When asked if he had any comments to make, Mr. Holcomb declined.

The city council, in its regular meeting Monday night, regrettably accepted Holcomb's resignation and expressed appreciation for the year he has served as mayor.

Councilmen Charles Auburg, Celso Gonzales, and L.V. Worley who were re-elected Saturday were installed in Monday's meeting, and Auburg, who was mayor pro-tem, was appointed to fill

the remaining year of the mayor's term. No decision was made Monday night to fill the vacancy on the council created by Auburg's appointment as mayor. Councilman Craig Williams was elected mayor pro-tem.

In other action, the city annexed approximately 13 fifty foot lots bordered on the north by South Fifth, on the south by South Seventh, and on the east by Aspen Street. The land is owned by Clifford cornett and is situated directly across Aspen Street from the lots chosen for the proposed housing units.

In All Elections

Incumbents Re-Elected

Voters favored incumbents Saturday in all three elections, including the City of Knox City, the Knox City-O'Brien Consolidated Independent School District, and the Knox County Hospital District.

In the city election, three councilmen were returned to office. Incumbent Charles Auburg received 212, incumbent Celso Gonzales 152, and incumbent L.V. Worley 149. Other totals were James Hewitt 129, O.E. (Gene) Sutton 124, and Dean Homstad 96.

Incumbent Henry J. Jones with 263 votes was one of two elected to the school board. J.B. Rutherford won the other seat with 233, while Jimmy Tankersley was close behind with 224.

Returned to the hospital board of directors were incumbents Vernal Zeissel with 484 and Richie Smith with 381.

Other totals were Mike Newton 247, Bill Kingston 238, and Cora Jean Collins 161.

O'Brien city councilmen elected without opposition were Butch Stephens with 33 votes, Dale Turner 30, and Buster Hodges 29.

Neither city or school candidates were opposed at Benjamin. Named to the three seats on the city council were incumbents Oscar Gideon and J.P. Tolson Jr. and Claude Stockton. Stockton received 59 votes, Tolson 62, and Gideon 61.

In the Water District 1 election, incumbent Billy Benson and Jack Idol were re-elected with 60 and 69 votes, respectively.

Also re-elected to school board positions were incumbents Billy Benson and Stanton Brown. Benson received 46 votes, while Brown totaled 69.

District Meet Friday

Hounds Win First At Stamford Relays

The Knox City Greyhounds, coached by Jimmy Rogers, were victorious Friday of last week at the Stamford Relays by bringing home the first place trophy in Division I. The team totaled 100 points for its winning efforts.

Second place finisher was Haskell with 96 points. The Hounds and the Indians have been "going at it" back and forth during the track season at various meets with one or the other being the first and second place team winners.

The 440 relay team of Scott Lynn, Tim Roberson, Dwayne Johnson and Ricky Gonzales, placed first with a time of 44.9. Other first place wins for KC were in the 100 yard dash where Gonzales won with a time of 10.3 and in the 220 dash with Lynn posting a time of 23.3.

Second places to Knox City's credit went to Johnson in the 120 hurdles with 15.0, to

Lynn in the 100 dash with 10.4, to Roberson in the 220 dash with 23.4, to the mile relay team of Roberson, Johnson,

Gonzales and Russel Hacker with a 3:34.4 clocking, and to Roberson in the long jump who leaped 20-8.

Other placings for KC were Shelton Rhodes, 440 dash, fourth, 330 hurdles, Rance Hacker, sixth; shot put, Andy Barnard, sixth; and long jump, Johnson, fourth and Gonzales, fifth.

Participating but not placing were Jay Rutherford, 880 run; Rance and Russel Hacker, 120 hurdles; Chuck Hutchinson, 440 dash; Russel Hacker, 330 hurdles; Kevin Leach, mile run; Andy Barnard, Autro Rocha, Paul Taylor, discus; Chuck Hutchinson, shot put; and Kelley Boone and Daniel Alsidies, pole vault.

Two Siren Blasts Warn Of Weather

Residents are reminded that in the event of severe weather, two blasts of the siren will warn that persons should watch the clouds and take cover if necessary. The siren does not necessarily mean that a storm is approaching the town but that the probability exists.

Five blasts of the siren indicate a fire.

Twelve To Regional

Local Students Third In Literary Meet

Knox City High School students put their academic skills to work Tuesday, April 1, on the campus of Vernon Regional Junior College and finished third in overall competition with a total of 95 points.

Twelve students will advance to regional in addition to those in the one-act play cast. Literary students will compete for regional honors on April 19 in Odessa.

In the journalism division, Junior Figueroa took first place honors in news writing with Barry Sutton placing fourth in the same division. In feature writing, winners were Junior, second; Angie Bateman, third; and Missy Whitley, third. Lisa Thompson was the fifth place winner in editorial writing, while Junior placed fifth in this contest. Missy Whitley was second in headline competition with Karae Beason placing fourth.

Kay Howell took second in the science contest with typing students Amber Ashcraft and Sergio Marin placing in this category third and fourth, respectively.

In persuasive speaking, Jeff Reese was third with Patty Durham placing fourth in poetry.

Gerri Watson placed third in prose and also third in shorthand.

In the ready writing contest, Jay Rutherford placed fourth.

4-H Teams Are Third In District

Knox County had two 4-H teams, both senior and junior, bring home third place in the District III horse judging competition held in Seymour Wednesday of last week. The district has 21 counties participating.

The senior team, made up of Brand Cude of Munday, Kelley and Kristi Boone of Knox City, Mitch Presnall of Goree, and Lisa Welch of Benjamin, had an overall score of 767 points, which was actually only four points away from the first place total of 771 with 770 for second place.

No overall score was available for the junior team consisting of Shawn Cude and Todd Thompson, both of Munday, and Leah Boone of Knox City.

Senior team member Kelley Boone was seventh high point individual, while Brand Cude was eighth.

Junior team member Shawn Cude was second high point individual, while Leah Boone was fifth.

TWO KNOX COUNTY 4-HTEAMS brought home third places in the district horse-judging contests at Seymour last Wednesday. Senior team members, back row from left, are Brand Cude, Kelley Boone, Mitch Presnall, Kristi Boone, and Lisa Welch. Front row, left to right, are junior team members Shawn Cude, Todd Thompson, and Leah Boone.

ENJOY A SPRINGTIME POPCORN FROLIC

POPCORN FROLIC

1 package (5 oz.) Jiffy Pop® Popcorn
1 cup sugar
1/2 cup corn syrup
1/2 cup water
Butter or margarine
Health goodies - raisins, peanuts

Prepare popcorn according to package directions. Separate 2 cups of popcorn for eating, pour remainder into large bowl or pan. Heat sugar, corn syrup and water in saucepan to 350°F or until a drop of syrup in cold water forms a hard ball. Save a little syrup for attaching handles, pour remaining syrup over popcorn and mix thoroughly with two large spoons. Coated popcorn is now ready to be formed into baskets. Coat hands with butter, and working quickly pack coated popcorn into custard cups. Press down with spoon to make indentation, fill with goodies. Attach handles with warm syrup. Makes 12-15 baskets.

O'Brien Happenings

By CHARLENE BROTHERS

Many more days like yesterday, I am going to give up and tell someone else they can have the County Tax Assessor-Collector job. Not really! I probably did not gain a vote, I probably scared them to death the way I looked after being out in that wind for a few hours. Then again they might have thought that anyone that would stay out in weather really wanted the job, so maybe it may have helped. But, seriously it was very bad. My face felt like sandpaper last night, and I can not think of a word that would describe my hair. It is not much longer until we will be voting for the people that are on the Democratic ticket and also some Senators and Representatives, State and National, and the county offices that are up at the end of this year. We need to have a better turn out here at O'Brien than we did in the school and city elections. There were not many that voted, compared to the ones that could have. I suppose that everyone had their candidate elected that they wanted for the school and city

positions. There were only three here in the city that were running for three places, so they were all elected. They were Councilmen Butch Stephens, Dale Turner and Buster Hodges. You know these are jobs that are under paid and no one wants to fill them. So we should appreciate the ones that will take office. I know from experience how you can get "eat out" and talked about because you did this or did not do this. So for one I say a big Thank You to these three men.

This is one of those weeks when I think very seriously about resigning this little task. I probably will not, because they need someone that will try to get a little something from O'Brien and so far no one else has applied. They are taking applications at the News office or you could apply here at the gin office. I really enjoy doing this, if only I had a little more time. And sometimes I think that what I do write is not worth even reading. Someone ask me one time if I read the O'Brien column and needless to say, I do not very often.

Brothers family. Misti was to leave the Dallas-Fort Worth Airport for Florida, where she will join her mother, Linda Gutierrez Harrison. Linda is stationed there with the Air Force.

Mrs. Gary Condron, Yvonne and Cody of Houston visited last week with her parents, Mr. and Mrs. Jack Underwood and other friends and relatives.

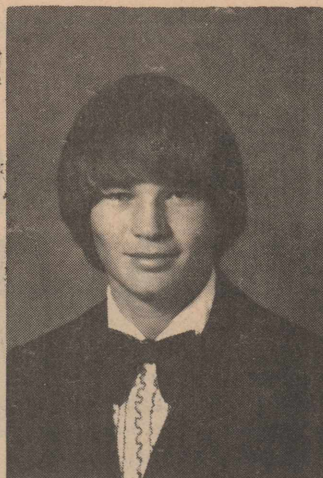

Mr. and Mrs. David Hunt and Amy of Midland visited with her parents, Mr. and Mrs. L.A. Covey, Greg, Ava and John Morgan and also with his parents, Mr. and Mrs. E.W. Hunt, during the weekend.

Visiting in the home of Mr. and Mrs. John Covey were their daughter and family, Mr. and Mrs. Ronnie Lusk, Corey and Kevin.

Mr. and Mrs. Allen Moeller of Haskell visited with her parents, Mr. and Mrs. Coy Hewitt, Vicki and Toni Sunday afternoon.

Mr. and Mrs. Royce Manning and Brad of Abilene visited his parents, Mr. and Mrs. Orval Manning, during the Easter holidays.

We had a good Easter egg hunt at the Baptist Church Saturday afternoon. There were lots of children attending and I think we had bought all the Easter eggs that there were around the area. Needless to say, there really enjoyed the egg hunting. (I would try to name all the ones that attended, but I would forget someone, so will just say there was a big bunch of kids.)

DONNIE OSBORNE
...to attend NMSU

Locals' Kin Awarded Full Scholarship

A Fort Worth boy, Donnie Osborne, grandson of Mr. and Mrs. J.H. Culp of Knox City, has received a full scholarship to New Mexico State University in Las Cruces, New Mexico, where he will enroll this fall.

Donnie, who is 6'5" and weighs 220 pounds, has been active in baseball, basketball, boxing, track, and football since the age of seven. According to his mother, Annie (Culp) Osborne, he has excelled in all his academic grades and finished his first year of calculus along with three years of Spanish.

After graduation, Donnie plans to join his dad in Louisiana to work on offshore oil rigs as a welder's assistant until he enrolls in college.

Mrs. Osborne reports that she has just returned from a week's computer school for B.F. Goodrich in Akron, Ohio. She is operational manager of the store on Henderson Street in Fort Worth, and in the past few years, has attended business college and Tarrant County Junior College. She also has been doing 'Quite a bit' of traveling in Hawaii, the Caribbean, Grand Cayman Islands, Jamaica, Bahamas, and Acapulco.

Another son, Tony, who is a junior in high school, promises to be good athlete, too, Mrs. Osborne said. Her daughter, Audra, is in the fifth grade and Mrs. Osborne said, "She is faring well considering she has two brothers to contend with, but of whom she is very proud."

WHEELER VISITORS

Easter weekend visitors in the home of Mrs. E.H. Wheeler were her daughter, Mrs. Dorothea Malone of Irving, and her grandson and his family, Mr. and Mrs. Larry Malone, Cody and Chad of Carrollton.

IN ODESSA

Adam White spent the weekend in Odessa with his brother, Wade Arledge.

GOLD! BUYERS, SELLERS BEWARE

Only karat gold jewelry is real gold -- no matter how bright the glitter, so know what you are doing before buying or selling gold jewelry.

Understanding certain words and other points about gold is a must.

WHAT IS A KARAT? -- Karat refers to the percentage of gold in an item.

Always look for the karat stamp

An item marked 24K (24 karats), or 999, is 100 percent pure gold.

Each karat represents 1/24 part of pure gold.

The finest gold jewelry is usually 18K (eighteen parts pure gold and six parts of another metal), since 24K generally is considered too soft to use for jewelry.

Most domestically produced gold jewelry is 14K (14 parts gold and ten parts of another metal -- or about 58.5 percent pure gold).

No American-made gold jewelry may be stamped with percentages other than karats according to a Federal Trade Commission regulation.

WHAT IS MEANT BY '585' or '750'? -- This appears on some European jewelry.

This marking states gold karatage in percentages of 1,000.

So, 750 equals 18K (75 percent pure gold), and 585 equals 14K (58 percent pure gold).

IS COLOR IMPORTANT? -- Color of gold depends on the other metals alloyed with it.

Gold alloyed with copper has a reddish cast.

Gold alloyed with nickel or palladium produces the "white gold" used in setting diamonds.

HOW DO I KNOW WHAT'S WHAT? -- Understand certain words, so you don't pay "karat gold" prices for gold-

plated jewelry.

--Gold filled

Gold filled jewelry has a layer -- or layers -- of gold mechanically bonded to a base metal, such as copper.

The gold layer must have a fineness of at least 10K and must be at least 1/20 the total weight.

The jewelry should be marked "gold filled" or "G.F." and state the karatage of the gold layer -- 14 G.F., for example.

-- Rolled gold plate

Rolled gold plate is often used in high-quality costume jewelry.

This type is made like gold-filled, but the gold layer is less than 1/20 the total weight. Markings should indicate the ratio of gold to the metals used -- "1/40 12K Rolled Gold Plate."

-- Heavy gold electroplate

At least 100 millionths of an inch of gold is electrolytically electroplated to a metal base.

-- Gold electroplate

At least seven millionths of an inch of gold is electrolytically electroplated to a metal base.

-- Gold washed or gold flashed

Less than seven millionths of an inch of gold is electrolytically electroplated to a metal base.

STREAMS IN DESERT PLACES

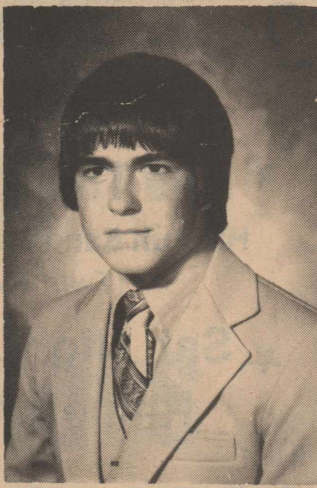

By OZELLE STEPHENS

"Then he breathed on them and told them, 'Receive the Holy Spirit.' If you forgive anyone's, they are forgiven. If you refuse to forgive them, they are unforgiven." (John 20: 22-23).

Jesus was alive again; the news was out, then he appeared to his disciples. In the last few weeks, he had been teaching them some of the greatest truths of God and the Kingdom: but most of all the things he told them to do was to be able to cope with the trials and troubles of life. Then he breathed on them and told them, "Receive the Holy Spirit." He had already told them that they would receive power after they received the Holy Ghost; and that they would be able to be witnesses for him, to the ends of the earth, about his death and resurrection.

Obey the Risen Saviour and wait upon Him and He will renew your strength; you will mount up with wings as an eagle; you will be able to run, and not be weary; you shall walk and not faint." His power will sustain you.

Seniors of the Week

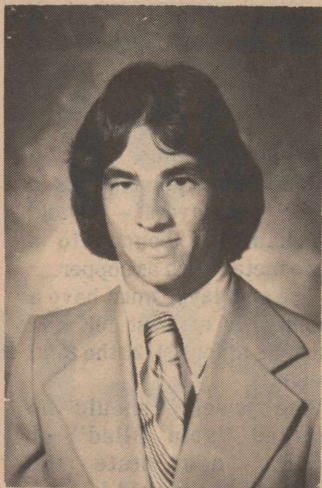

GREG OLIVER

Early one October 4 morning in 1961, Ross McGregor Oliver Jr. arrived upon the scene. Mr. and Mrs. Ross Oliver were proud to welcome him home as the first of his generation.

Soon after he started to school at Knox City and has remained there all twelve years. In those twelve years, Greg as he is called, has participated in band, three years; football, six years; track, five years; basketball, three years; golf, four years; FFA, four years; FTA, two years; PASF, one year; and Scouts for several years. While in his senior year, he is serving as class vice-president and FFA Chapter Sentinel.

He is now making plans to attend Texas Tech University after graduation. Greg has decided upon geophysics as his major.

GREG WHITTEN

On June 19, 1962, Gregory Alan Whitten was born in the Baylor County Hospital in Seymour, to Mr. and Mrs. Bits Whitten. He was welcomed home in nearby Red Springs, by an older brother Tim, and a sister Terri. Greg also has a younger sister Kelli, who is eight years old. When Greg was three years old, his family moved to a farm two and one-half miles northwest of Knox City which had belonged to his great-grandparents.

Greg attended school all twelve years at Knox City. While in junior high, he participated in band, track, and football. While in high school, he lettered in football and track. He has also been on the annual staff and was a member of the PASF Club. He attends the Baptist Church.

Greg plans to attend Texas Tech upon graduation.

Bumpersticker of the Week: "Tailgaters find ways to make ends meet!" That's no joke: rear-end collisions are one of the most frequently reported accidents in Texas, according to DPS statistics.

LIGHT AT THE END OF THE TUNNEL DEPARTMENT: Here's a pot shot. Driving requires a constant use of your peripheral vision . . . unless, of course, you don't care about what's going on beside you on the freeway. Now doctors have discovered that mild "tunnel vision," a slight narrowing of your field of view, is one of the side effects of marijuana smoking . . . so watch out!

The Herd Instinct

Ever notice this phenomenon? A pedestrian crossing by himself will usually check the light and look both ways before stepping into the street. But if it's a group, most folks will just follow the herd without even a glance at traffic. There's not that much safety in numbers.

It's buckle-up time. All the time. Use those car seatbelts. Safety experts say that in a 30 mph crash, you can strike the dashboard with the force of a fall from a three story building . . . Think about it.

Used Car Buyer's Guide

Kick the tires and see what happens. Buying a used car can be fun. Here are a few things to look and listen for:

- 1) Heavy blue exhaust — The engine may need an overhaul.
- 2) Strange sounds — Well, this one's obvious. But pay special attention to transmission and engine noise.
- 3) Check that tailpipe — Sooty looking deposits are a bad sign. A light gray color is the way it should be.
- 4) Uneven wear on tires — May indicate front end trouble.
- 5) Test the acceleration — But no higher than 55 MPH!
- 6) Brakes — Is the brake pedal "mushy?" Do the brakes "grab" evenly?
- 7) A good mechanic — This is the best advice of all; have a pro check the car out for you.

NEWS OF BEAUTY

Eating right contributes to more than just a well-rounded figure. A woman's diet affects her total metabolism, as well as her psychological and emotional well-being. Understanding the foods you eat and how they influence the functioning of your body is the first step toward determining a daily diet program and building a more beautiful you, says June Posen, president of the Cosmetique Beauty Club, a prestigious national beauty service.

Body Building Proteins

Every well-balanced diet must contain protein. Proteins are necessary for the growth, repair and maintenance of body tissues. Furthermore, they encourage muscle development and create an all-over feeling of fitness and well-being.

The body derives proteins from 22 amino acids. Sixteen are manufactured internally, so you must obtain the rest from outside sources. Eat small amounts of protein every three hours instead of one or two large portions daily.

Food is considered a complete protein when it contains a proper amount of the eight essential amino acids not produced by your body. Meat, fish, eggs, cheese, poultry and milk are the main sources, yet are often high in calories, cholesterol and fats.

Excellent sources of protein that contain fewer calories and little or no cholesterol are the complementary proteins. These include most vegetables, whole grains, wheat, rice, beans and nuts. Such foods contain varying amounts of amino acids, so the most nutritious diet consists of complementary proteins in conjunction with complete proteins.

Getting Your Share

Since the body cannot store amino acids, your protein reserve usually is depleted within three hours. Therefore, women should consume small amounts of protein daily with each meal. Nutritionists recommend that proteins should comprise about 15 percent of a day's calorie intake.

To determine your individual daily protein requirement, double your actual weight, then divide

June Posen's
Beauty Recipes
Food for
Thought

this number by five. The result is the number of protein grams necessary for a balanced diet. You can learn additional nutrition tips in Cosmetique Beauty Club packages, personally-designed beauty kits containing specially-priced, name brand cosmetics. These are available to members of the Club. Membership applications are available in national women's magazines or with a toll-free call to 800/621-8822; in Illinois, call 800/972-3505.

Of course, before you drastically change your eating habits, consult your personal physician for advice on meal planning. Soon, your body will reap the benefits of a properly-executed diet. Nothing is more basic to exhilarating good looks and health than sensible, balanced nutrition!

SUPPORT LARRY EVANS For District Attorney Of Baylor, Cottle, King, and Knox Counties

Larry Evans believes that the apprehension and arrest of criminals is not the final solution to good law enforcement, but only half of the battle. He believes that good, sound law enforcement can only be achieved by the vigorous prosecution of those persons charged with offenses against the criminal laws of this State.

If elected District Attorney, Larry Evans has pledged:

- * To work with all local law officers in the investigation of crimes within the jurisdiction of his office.
- * To make himself available as needed throughout the four counties of the District;
- * To adequately prepare for trial and dispose of the criminal cases on the dockets of the courts of this district;
- * To deal fairly and honestly with all persons and vigorously prosecute all persons charged with offenses within the jurisdiction of his office; and
- * To work hard and do his best to carry out the duties of the office.

Larry Evans wants to make good law enforcement his business. Elect him your next District Attorney on May 3.

Your Social Security

PENSION OFFSET APPLIES TO SOME GOVERNMENT EMPLOYEES

Are you a Federal worker or a State of local government employee whose job is not covered by social security? And have you been counting on receiving a dependent's benefit on your spouse's social security record in addition to a pension from your public agency?

If you answer "yes" to both questions, then you may be affected by a provision in the social security law called "public pension offset." Many government workers nearing retirement have been asking about this.

The public pension offset will not affect most people until December 1982 and later. However, it's

something you should know about now so you can plan your financial future.

Here's how the offset works: The amount of your social security benefit as a dependent or survivor is reduced—dollar for dollar—by the amount of your public pension. For example, if your potential social security benefit as a wife is \$250 a month and your public pension is \$220, your actual wife's benefit would be \$30. The offset will not apply if your Federal, State or local government job is covered by social security on the last day you work.

Thes offset applies only to social security spouse's and surviving spouse's benefits. You can still receive retirement or disability payments on your own social

security record without reduction if you have worked long enough under social security.

There's an exception to the offset if you now receive a public pension or will soon be eligible for one. But it will apply only if both of these conditions are met:

(1) You must either receive or be eligible to receive your government pension before December 1982; whether or not you actually apply; and

(2) You must meet all requirements for social security dependent or survivor benefits as they existed and were interpreted in January 1977. More specifically:

If you are a divorced woman, your marriage must have lasted at least 20 years, rather than 10 years under present law.

If you are a man, your

wife must have provided at least one-half of your support; you can't qualify if you were divorced from your wife.

For more information contact the Vernon Social Security Office located at 1701 Cumberland and the telephone number is 817-552-9346.

EASIER WAYS WITH MICROWAVES

A cold winter's night... warm, glowing flames in the fireplace... and dear friends visiting. This is an occasion to serve a very special Fruit Trifle accompanied by steaming, delicious Irish Coffee. Sound too complicated? Not with these easy-to-follow recipes from a Whirlpool microwave oven cookbook. The Irish Coffee, made with instant coffee crystals, takes only 8 minutes to prepare and gives that elegant touch to top off a perfect evening.

FRUIT TRIFLE
Total cooking time: 8 minutes
1/4 cup sugar
3 tablespoons all-purpose flour
2 cups milk
2 teaspoons finely shredded lemon peel
3 beaten egg yolks
1 teaspoon vanilla
1 3-ounce package (12) ladyfingers, halved lengthwise
1/2 cup dark rum
2 medium peaches, peeled, pitted, and chopped (1 cup)
3 cups fresh strawberries
1 cup whipping cream
2 tablespoons sugar
1 teaspoon vanilla
1/4 cup currant jelly

In 4-cup glass measure, combine 1/4 cup sugar and flour. Stir in milk and peel. Cook at **HIGH** for 5 to 6 minutes or till thickened and bubbly, stirring after each minute. Stir 1 cup hot milk mixture into egg yolks. Return to hot mixture. Cook at **MEDIUM** for 1 to 2 minutes or till thickened. Stir in 1 teaspoon vanilla. Cover surface with waxed paper. Cool till just warm, about 30 minutes.

In 1 1/2-quart serving bowl, arrange half of split ladyfingers. Sprinkle with half the rum. Top with peaches. Spoon half of the warm custard over. Arrange remaining ladyfingers atop custard; sprinkle with remaining rum.

Slice 1 cup of the strawberries; leave remainder whole and reserve for garnish. Arrange sliced berries over ladyfingers. Top with remaining custard. Whip cream with the 2 tablespoons sugar and 1 teaspoon vanilla just till soft peaks form. Spread about half of the whipped cream atop sliced berries. Pipe remainder with pastry tube and tip around edge. Chill at least 4 hours.

Just before serving, place jelly in 2-cup glass measure. Cook at **HIGH** for 2 to 3 minutes or till melted, stirring twice. Dip reserved whole strawberries in jelly; place atop cream for garnish. Makes 10 servings.

IRISH COFFEE (Shown)

Total cooking time: 6 minutes
2 1/2 cups water
1/4 cup instant coffee crystals
4 jiggers (1 1/2 ounces each) Irish whiskey
4 teaspoons sugar
Whipped cream

Measure water in 4-cup glass measure. Cook at **HIGH** for 6 minutes or till boiling. Stir in coffee crystals till dissolved. Measure whiskey into 4 stemmed glasses. Add 1 teaspoon sugar to each glass. Place metal spoon in glass; pour hot coffee onto metal spoon. Repeat with remaining glasses. Stir. Top with whipped cream. Makes 4 servings.

PCA Officials To Attend Dallas Meet

Rolling Plains Production Credit Association (PCA) officials will be among 500 leaders of Texas agriculture meeting in Dallas April 10-12. The occasion is the annual stockholders' meeting of the Federal Intermediate Credit Bank of Texas. Directors from Texas' 30 Production Credit Associations and officials of various other financing institutions will convene in the Loews Anatole Hotel, Dallas' newest showplace.

Representing Rolling Plains PCA will be John Paul Perrin, Haskell; W.J. Boykin, Northfield; B.H. DeBusk, Anson; Dan Henard Jr., Wellington; and W.H. Williams, Spur. Boykin services as the PCA's official voting delegate.

According to R.C. Cobb, the association's president who will accompany the group, registration is scheduled on Thursday, April 10, with most business sessions on Friday, April 11. Participants' wives will be treated to a two-hour

fashion show, "Fashions Through the Ages," tracing clothing through history and concluding with a showing of current styles. Friday night, there will be a dinner and entertainment by performers from the Grapevine Opry, a country-western variety show.

Business sessions will deal with the condition of the FICB of Texas which provides money for lenders to agriculture. FICB of Texas President Jack H. Barton will deliver the report to stockholders.

The meeting ends Saturday morning, April 12.

Rolling Plains PCA provides agricultural loan funds to farmers, ranchers and producers in 17 counties.

Happy Birthday,

NOW'S THE TIME TO CALL YOUR AIR CONDITIONING SERVICEMAN

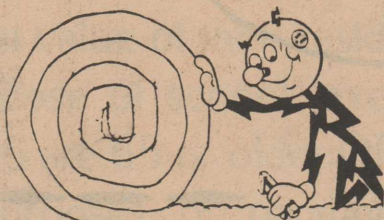

(Get a checkup before the heat's on.)

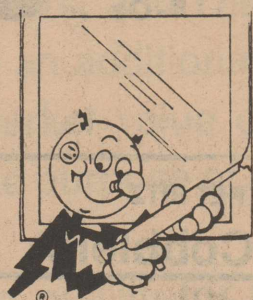

Right now your air conditioning serviceman can easily work your call into his schedule and get your unit ready to deliver dependable cooling through the summer ahead. We know that many people wait until the heat's on to install electric air conditioning or have their units serviced. Later on, your dealer or serviceman may have a waiting list.

PROPER INSULATION... Keeps in the Cool Air You've Paid For

Insulation comes in rolls, loose-fill or batts. Insulation is labeled with a R value showing its ability to resist heat. The better its insulating value, the higher the number. R values up to R 30 in the ceiling and R 18 in the walls are recommended for this area.

Check Caulking and Weatherstripping!

Check all windows and doors. Install weatherstripping and caulking where needed. It will save on both heating and cooling costs. An almost invisible 1/4" gap at the base of a standard 36" outside door is equal to a nine-square-inch hole in the side of your house. There are a number of easy-to-install felt and foam rubber products on the market to draft-proof doorways.

Remember REDDY Supplies the energy—but only YOU can use it wisely!

To The Voters of Knox County

We, Richie Smith and Vernal Zeissel, want to express our appreciation for your votes and support in re-electing us to the hospital board.

We pledge our continued support for the best interest of the taxpayers of Knox County in hospital operation and management.

MRS. FRANKIE PAUL RODRIQUEZ
...the former Reva Jeannine Greenwood

Miss Greenwood, Rodriguez Lay Saturday Vows In Rochester

Reva Jeannine Greenwood of Rochester and Frankie Paul Rodriguez of Knox City were united in marriage on Saturday evening, April 5, at half after six o'clock in the First Baptist Church of Rochester. The Rev. Derrell Marion, pastor of the First Christian Church of Knox City, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. William Greenwood and Mr. and Mrs. David Rodriguez.

Given in marriage by her father, the bride wore a white formal gown of sheerganza. Venise lace fashioned the high neck and the sheer yoke of illusion scalloped with lace held the fitted bodice, belted

with a wide inset of lace. The full skirt banded with rows of tiered lace flowed to a chapel train circled with a deep border of lace. Deep cuffs of lace held the full bishop sleeves. Her camelot cap of lace held her finger-tip veil of silk illusion which was finished with a wide band of matching lace.

The bride carried a bouquet of white carnations with greenery and gypsophilia. For "something old", she wore her grandmother's wedding ring, "something new" was an opal necklace, a gift to her from the bridegroom, "something blue" was the traditional silk garter. She also wore a six-pence in her shoe.

The bride's sister, Mrs. Carolyn Mathis of Rule, served as matron of honor. Bridesmaids were Debbie Curd of Knox City, Jamie Stoddard of Sonora, and Valorie Peters of Plainview. The matron of honor and bridesmaids wore dusty rose gowns of Qiana knit. The criss-cross bodice featured butterfly sleeves and the full skirt swept to floor length from a natural waistline. Each carried bouquets of varied shades of pink car-

nations and gypsophilia. Pink carnations accented their hair.

Christy Mathis, niece of the bride, served as flower girl. She carried a white basket filled with miniature pink carnations. Anissa Greenwood, also a niece of the bride, served as candlelighter. Both wore pink print gowns accented with a sash. Miniature carnations accented their hair.

The bridegroom was dressed in a white tuxedo with a ruffled shirt and wore a boutonniere of a pink carnation and gypsophilia. Randy Sharp of Abilene served as best man with Jerry Curd of Knox City, Devy Holmes of Rochester and Dick Greenwood of Stephenville, brother of the bride, serving as groomsmen. Ushers were Johnny Espinosa of Knox City and Randy Speck of Rochester. Groomsmen and ushers wore black tuxedos with pink ruffled shirts and boutonniere of pink carnations.

Music for the ceremony was provided by Ellen Neely of Rochester who sang, "The Wedding Song" and "Hand in Hand". Organist was Alana Greenwood of Burkburnett, sister-in-law of the bride.

Rachel Rodriguez, sister of the bridegroom, registered wedding guests, as they entered the church.

The bride's mother wore a floor length gown of blue Qiana Knit while the mother of the bridegroom wore a pastel green floor length gown. Corsages of white carnations complemented their attire.

A reception was held for the couple at the school cafeteria following the ceremony. The bride's table was covered with a pink cloth overlaid with white lace. Silver and crystal appointments adorned the table with the bride's and bridesmaids' bouquets serving as the centerpiece. The three-tiered cake was accented with pastel pink roses and topped with wedding bells. Serving at the bride's table were Terri Taylor of Abilene, Rhonda Holmes and Venetia Strickland, both of Rochester. The bridegroom's table was covered with a brown cloth and overlaid with ivory lace. A centerpiece of silk flowers accented the table along with a large chocolate cake and silver serving pieces. Serving at the bridegroom's table were his sisters, Janie and Valia Rodriguez.

A rehearsal dinner was hosted by the bridegroom's

parents at the City Cafe in Knox City.

Following a wedding trip to San Antonio, the couple will reside in Knox City.

The bride is a graduate of Rochester High School and attended Tarleton State University. She is currently employed by the Texas Department of Health. Rodriguez is a graduate of Knox City High School and is employed by Norman Pautski Oil Company.

IN CYPERT HOME

Visiting in the home of Mr. and Mrs. J.T. Cypert during the Easter holidays were Marlene and Mike Hamer and her daughter, Michelle Hewitt, of Grapevine and Curtis Smith of Arlington.

We now insure each
of your accounts
up to
\$100,000
No one has ever lost a penny from an account insured by the Federal Savings and Loan Insurance Corporation. And, now we can make it even better. Instead of insuring your account up to \$40,000, we can insure your account up to \$100,000. Which means, a husband and wife can now have \$500,000 insurance. It's another way we can serve you better.
