Mayor's Minutes

By Greg Lewellen

Brent Loflin
City Council Member

This month was busy around Friona. The City hosted News-Channel 10 on the 16th in the City Park as part of their Summer Celebration tour during Cheese-burger Festival Week, and we had another outstanding Coockoff on Saturday. Congratulations to TWI Insurance for their 1st place burger, and to Atmos Energy, last year's winner, with a 2nd place finish this year. Emma, Mari and everyone on the Chamber of Commerce board did an outstanding job this year with what possibly could be a record crowd of over 3,000 people attending. Also, this month we saw a fantastic neighborhood parade in the Western Addition, followed by fireworks at Reeve Lake, along with two weeks of the 55th edition of Summer Drama Workshop culminating in performances this past Friday and Saturday. Check the Amarillo Globe-News soon for an editorial regarding Summer Drama Workshop, a unique theatre camp that has gotten regional attention.

In other City news, the water tower is just about finished and should be filled back to full capacity the first part of August. Weather delays prevented the sandblasting and painting of the exterior by several weeks. The red and white paint looks very nice and is school spirited. For those of us old enough to remember Lincoln Riley as a Muleshoe Mule, I encourage you to search for the interview he did soon after taking the USC head coaching position regarding his infamous painting on the side of the water tower back in the early 2000s on YouTube.

This month, I want to introduce councilman Brent Loflin, who has been on the City Council since 2013, and recently was elected in May to another two-year term. Brent has been a great member of the council that brings commu-

nity input and local business expertise to the table every month.

Brent Loflin was born and raised in Friona, graduating from Friona High School in 1984. He earned his bachelor's degree from Texas Tech University before moving back to Friona. He was hired as the manager of Friona Motors Body Shop in 1993 and in 1998 he purchased the

business and changed the name to what it is known as today, Friona Body Shop. Brent is married to Annette and is the father of two sons, Mason and Logan.

In addition to the City Council, Brent also served on the FISD Board of Trustees for 6 years and was active with the Chieftain/Squaw Booster club while his sons were in high school. He also served many years on the board for Friona Country Club when it was in operation.

Brent chose to run for City Council in 2013 due to encouragement from another council member. He continues to serve on the City Council due to many factors. As a lifelong Friona resident and a Friona business owner, he wants to see his hometown not only survive but also thrive. Growing up, Brent witnessed the members of this community come to the aid of his family, particularly his mother, when they needed it the most. Being on the City Council is Brent's way of serving the community that has served him so well.

First Baptist Church to host Hope for Israel

On Sunday, July 28 at 6:00 p.m., First Baptist Church, Friona, will be hosting Bill Katz with Hope for Israel.

Hope for Israel seeks to bring the Hope of Jesus, our Messiah,

back to Israel. Their ministry is very involved in the Holy Land, and has been instrumental in ministering to Israelis in the midst of the war.

The worship service at 6 p.m. will be bilingual. A nursery will be provided and a love offering will be received. For more information call 806-250-3933 or visit [fbcfriona.com](#).

Texas gas prices hover around \$3

By Gas Buddy

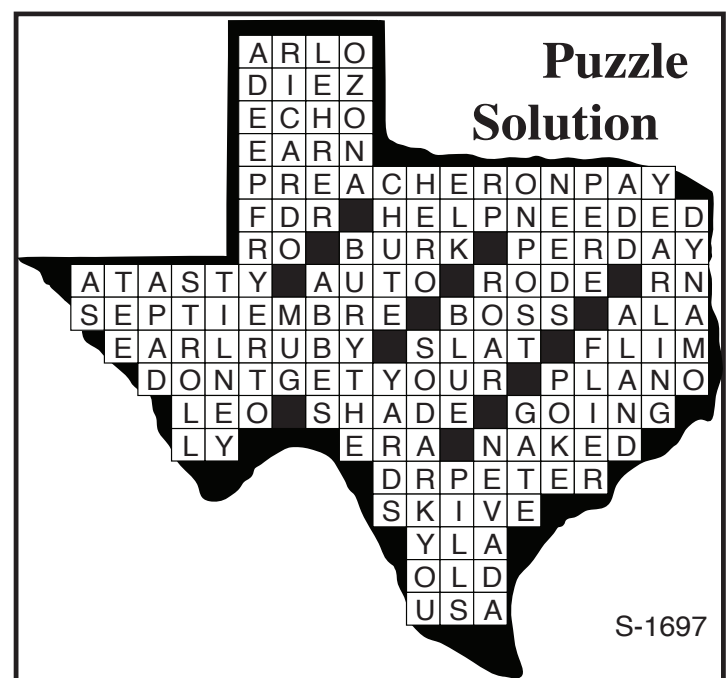

Average gasoline prices in Texas fell 8.6 cents last week, averaging \$3.03 per gallon, according to GasBuddy's survey of 13,114 stations in Texas. The lowest price in the state was \$2.15 while the highest was \$3.89 per gallon.

The national average price of gasoline fell 1.9 cents last week, averaging \$3.47 per gallon. The national average price of diesel fell 4.0 cents last week and stands at \$3.79 per gallon.

"Most of the country has seen a reprieve from rising gasoline prices, thanks to weaker-than-expected gasoline demand, building supplies and a quiet period in the tropics," said Patrick De Haan, head of petroleum analysis at GasBuddy.

"For now, as we approach the end of summer vacations, I'm hopeful gas prices will continue to edge slightly lower in the weeks ahead," De Haan added.

GasBuddy data is compiled from more than 11 million weekly price reports covering over 150,000 gas stations across the country.

Cheeseburgers

For our last cheeseburger recipe in July, I found a recipe for cheeseburger sliders. A fun way to make cheeseburger appetizers or eat several for a full meal. I like to add crunchy jalapeno slices and dip my sliders in ranch dressing. Hope you enjoy!

Cheeseburger Sliders
www.delish.com

Ingredients
2 Tbsp. Cooking spray
2 Tbsp. extra-virgin olive oil
1 medium onion, chopped
2 cloves garlic, minced
1 lb. ground beef
1 tsp. yellow mustard
1 Tbsp. Worcestershire sauce
Kosher salt
1 tsp. Freshly ground black pepper
12 slider buns (or dinner rolls)
12 slices cheddar cheese
1 medium tomatoes, sliced
1/2 c. pickle slices
3 Tbsp. butter, melted
1/4 tsp. garlic powder
1 Tbsp. sesame seeds

Directions
Preheat oven to 350° and grease a 9”-x-13” baking dish with cooking spray. In a large skillet over medium heat, heat oil. Add onion and cook until soft, 5 minutes, then add garlic and cook until fragrant, 1 minute more. Add ground beef and cook, breaking up meat with a wooden spoon, until no longer pink, about 6 minutes. Drain fat. Return beef mixture to skillet and stir in mustard and Worcestershire. Season with salt and pepper. Place bottom halves of slider buns in prepared baking dish and top with cooked beef mixture, cheese,

tomatoes, pickles, and slider bun tops. Brush melted butter on top of buns and sprinkle with garlic powder and sesame seeds. Bake until cheese is melty and buns are golden, 10 to 12 minutes.

Commissioners Create New Job Position

Parmer County Commissioners met in regular session on Monday, July 22, 2024 at 10:00 a.m. in the County Courtroom of the Parmer County Courthouse in Farwell, Texas. The meeting began with prayer and the Pledge of Allegiance to the American Flag and Texas Flag. There were no comments from the public during the open forum. Minutes from the July 8th regular meeting were read and approved. Commissioners approved the payment of the accounts payables as presented by County Treasurer Sharon May. The Treasurer’s Payroll Report was also ap-

proved. The Treasurer’s Quarterly Report was also reviewed and approved. It can be viewed on page 11. A motion was made and approved to create a new position entitled Courthouse Janitor/Maintenance. The duties of the new employee; which will include janitorial, building maintenance, and lawn care, are currently being contracted to various businesses. The new position will become effective January 1st at which time the job hiring process will begin. Commissioners approved the renewal of the county employee’s medical insurance contract with the Texas As-

sociation of Counties (TAC). Premiums went up 2%, which is a \$21.10 per month per employee increase. The state-wide average increase was 4.6% for the upcoming year. Sheriff Geske reported that the Parmer County Law Enforcement Center is currently housing 29 inmates, 25 from Parmer County and 4 from Lamb County. Commissioners approved a motion to purchase a Ford Pickup in the amount of \$49,631.75 for the Sheriff’s Office. A county vehicle valued at \$15,000 will be used as a trade-in and the balance will be paid using Senate Bill 22 grant money. The Sha-

piro Foundation’s Hug Patrol Grant Program was discussed. This non-governmental grant provides teddy bear toy animals for law enforcement officers to give to children who are directly or indirectly involved in situations involving the Sheriff’s Office. In other business, approval was given for the use of the Courthouse lawn for Border Town Days on July 27th. Also, Dr. Bret Whitten was appointed as the local rabies authority. The next regular meeting is scheduled for August 12th. All meetings are open to the public. Information in this article is only a summary.

Seeking the Lord First

By Brett Hoyle, Pastor, First Baptist Church

Scripture is very clear regarding the importance of seeking the Lord in one's life, but what often gets tweaked is the priority with which one looks to the Lord. Seeking the Lord when convenient, or when things get bad enough, or even simply when someone reminds you to do so falls short of the intentionality and urgency with which one ought to seek the Lord. In 2 Chronicles 14-16 you read about King Asa, one of the few kings of Judah who “did what was good and right in the eyes of the Lord his God,” (14:2), but sadly he did not finish well because he became lax in seeking the Lord immediately and with urgency when trials arose.

Chapter 16 depicts his downfall in his mishandling of challenges he faced. First, was a national problem with another nation on his northern border. Instead of first seeking the Lord's help, he sought out a treaty with a pagan nation who could harass the nation that was troubling Asa. This treaty accomplished its goal, but it fell short of the victory God would have given him, had he sought the Lord first. After seeking a diplomatic solution instead of divine intervention, God send a prophet to rebuke Asa saying, “Because you relied on the King of Syria, and did not rely on the Lord your

God, the army of the King of Syria has escaped you,” v7. In Asa's mind he was seeking a solution to his problem, but if he would have checked with God, he not only would have overcome the problem but also would have greater victory over regional powers. A couple years after this episode, scripture says, “In the thirty-ninth year of his reign Asa was diseased in his feet, and his disease became severe. Yet even in his disease he did not seek the Lord, but sought help from physicians,” 16:12. How sad that he was looking to man to fix a problem that God could have healed in an instant. He looked to the doctors for deliverance, and forgot to look to the Lord, who created him. This is not a condemnation of medical remedies, but it is a condemnation of looking to medicine, before looking to Maker.

The point is this, seek the Lord first! Seek him in the problems you face in your life, seek his intervention in national and geopolitical problems, and seek him first. Seek him before you seek the doctor or dentist. Seek him before you search google or ask alexa. Seek him first, immediately, intentionally, and urgently in trials you face, temptations you battle ,and when you fail and sin.

Growing in Christ Through Small Groups

By Teena Hughs

The summer before Lauren's senior year, we kept a summer youth intern who was working for our church. Her name was Laci Bach.

One day, Laci walked in the house and asked me how my heart was. She took me by surprise; no one had ever asked me a question like that before. I have to admit that over the last 17 years, I have thought about that question many times.

A few weeks ago, Feller and I attended a leadership training for the Global Methodist Church in San Angelo. I was reminded of this story when we were told that one of the best ways to grow people in Christ is to encourage small groups to talk about what God is doing in your life; how is He transforming you; what changes is He pointing out for you to make in your life? If you have been on a Walk to Emmaus, it is similar to what you do in a reunion group.

When I was teaching Sunday School full-time, I tried to get people to talk about what God was doing in their lives. Their answers weren't the deep answers I thought they would be; in fact, I don't think they liked doing it. We did it for a few weeks, and then we got busy with something else and we stopped.

I no longer teach our class, but last Sunday, I substitute taught the class, and I explained why I was going to try it again. Out of seven people, only one other lady and I shared. Was I surprised? Not really. It did make me wonder why people don't want to share what God is doing in their lives?

Sometimes, we have to really think about it. We are all so busy, sometimes we don't know how God is working in our lives, because we haven't been looking for Him, or how He is working.

Sometimes we don't want people knowing what is going on in our lives. God is working on making a major change in us, and we simply don't want to talk about it. Maybe we don't know exactly what God is going to require of us.

Maybe we are embarrassed about something we have done or said, and we don't want to talk about the need for God to help us get through rectifying that thing we are ashamed of.

Some people simply don't feel comfortable talking about God.

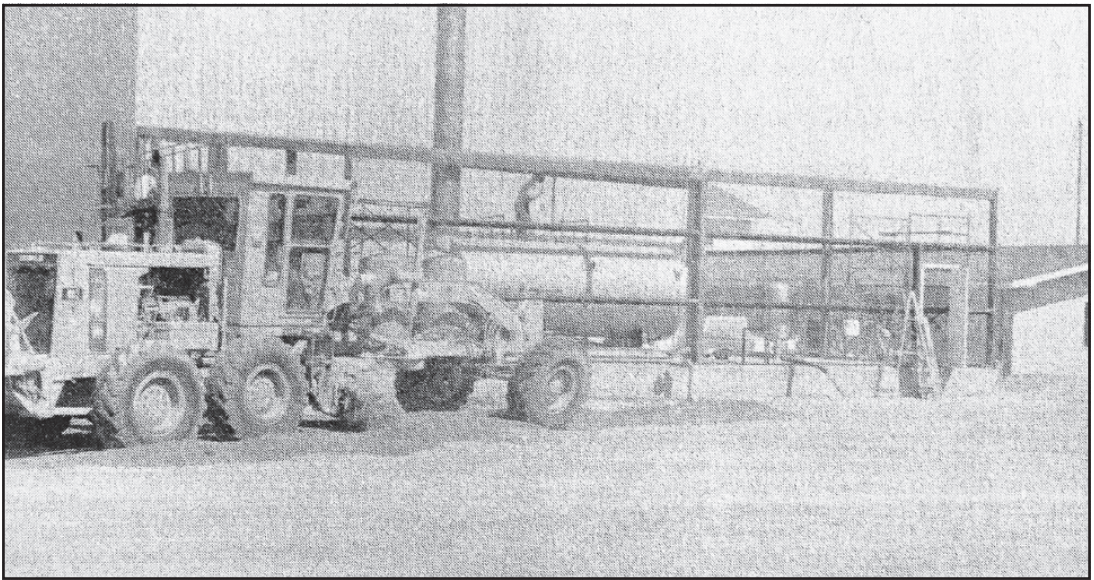

Investing in a small group takes time: time to develop relationships with the people in the group; time for all the members to develop trust in each member, knowing that what is said in the group stays in the group; time to know that each member has your back by listening to you, encouraging you through life's trials and challenges, praying for you, sharing Scripture with others. To grow in Jesus, you have to get out of your comfort zone, and you have to be willing to be vulnerable to sharing something perhaps you never dreamed you would share; you have to be honest. It is through building and sharing in your small group that you grow in Jesus.

In our situation here, I think we need to separate into a men's group and a women's group. I don't think some men necessarily want to share in front of women, but I don't think some women feel comfortable sharing in front of their husbands. I don't know if anyone is interested in doing this; I don't know when we would be able to meet to share, but I am willing to do whatever we need to draw us closer to Jesus. In the process, we learn about others, but we also learn so much about ourselves! So, how is your heart today?

FRIONA FLASHBACKS

From the Friona Star Archives

FEEDYARD PROJECT . . . Work has been underway at West Plains Feed Yard the past couple of weeks to re-surface the parking lot. Manager Bill McCoy said that as of Wednesday evening the new asphalt surface was completed, which will be extra-nice for customers. In addition, West Plains is building a new mechanic's shop, and adding a new boiler room to the mill with a 300hp motor, increasing their volume by 50 percent. “These are improvements that have been badly needed,” McCoy said. Career and Technical Education
Annual Public Notification of Nondiscrimination

Friona ISD offers career and technical education programs in Agriculture, Food, and Natural Resources, Business, Marketing, and Finance, Educa-tion and Training, Health Science, Human Services, Information Tech-nology, Manufacturing. Admission to these programs is based on student academic performance.

It is the policy of Friona ISD not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services or activities and provides equal access to the Boy Scouts and other desig-nated youth groups as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of Friona ISD not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as re-quired by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amend-ed.

Friona ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Title IX Coordinator Mario Moreno, mmoreno@frionaisd.com, 806-250-2747, and/or the Section 504 Coordinator Matt Tucker at mtucker@frionaisd.com, 806-250-3951.
