

TO COMPETE IN FINALS - Gilbert Garcia, left, and Alfred Fuentez, right, will compete in the Region IX AAU Tournament in Shreveport, La. Assistant Coach Don Hatley congratulates the two boxers.

All Sports Banquet Slated Here April 26

Student athletes will be recognized at the annual All Sports Banquet Tuesday, April 26 in the school cafeteria. Slated to begin at 7:30 p.m., tickets for the affair will go on sale Monday and may be purchased for $4 from any student athlete.

All athletes will be recognized and plaques presented to outstanding athletes in each field.

"We'd like to have good turnout from the public," said Athletic Director Ed Miller this week.

Track Meet Slated Here

Olton will host the District 3-AA boys track meet Friday and Saturday, April 21-22.

Field events will get underway at 4 p.m. Friday. Running events will begin at 9 a.m. Saturday.

The public is invited.

Local Boxers

To Finals

Seven members of Olton Boxing team participated in West Texas AAU Championships in Amarillo Friday and Saturday, Apr. 1-2. Amarillo Lions Clubs and Sears, Inc. were sponsors of the Amarillo event.

Chad Phares and Joey Duran were eliminated in the preliminaries. Eddie Pedroza, Rene Moya, Gilbert Garcia, Alfred Fuentez and Danny Garcia reached finals.

Pedroza lost a decision to Joe Doss, eventual winner. He was awarded the bronze medal in the 95 pound intermediate division.

Rene Moya defeated Rick Keller, Amarillo, in the 100 pound junior division, gold medal.

Gilbert Garcia defeated Fred Evers of Stinnett in the 110 pound intermediate division, gold medal.

Alfred Fuentez defeated Ronald Smythe of Midland, 95 pound senior division, winning a gold medal.

Danny Garcia was defeated by Roddy Blake, Levelland, in 132 pound senior division, awarded silver medal.

Alfred Fuentez and Gilbert Garcia will now advance to Region IX AAU Tournament to be held in Shreveport, La. The tournament had originally been scheduled in Bay St. Louis, Miss.

Winners in the senior division will advance to National AAU finals from Region IX, final to be held in Green Bay, Wis. Fuentez is a senior and should he win, will make the advancement.

Last season saw two Olton boys compete, both bringing home medals, Phares a bronze and Danny Garcia, a gold. Garcia's gold medal was one of only two the West Texas team won, Wendell Holland of Stinnett boys club won the other.

Alfred Fuentez has won many impressive victories this year, according to Wayne Phares one of the sponsors. "He has defeated last year's West Texas AAU Champions, Joss Doss of Amarillo and Gilbert Castillo of Lubbock." Gilbert Garcia is not a newcomer, however he has not had as many bouts."

"Both boys", he continued, "will represent the City of Olton, the Olton Boxing Team, and Kids, Inc. of Olton, as well as West Texas AAU, extremely well . . . as they have have in the past."

Sponsors of the Olton Boxing team wish to express appreciation to all who have in any way assisted with the effort being carried out here with the boys.

They offer special thanks to Olton Grain Coop and T.J. Smith for financial aid for the Amarillo trip, and to Mr. and Mrs. Owen Norfleet for an advance donation for the Louisiana trip.

May Is Clean-Up Month

May has been designated as Clean Up Month for Olton by members of the city council.

"EVERYTHING will be picked up," Orian Hackler said, "BUT . . . everything you want picked up MUST BE IN THE ALLEYS BY MAY 1 regardless of what part of the city you live in."

The trash pick up will be made only once in each part of the town because of the extra amount of work that is necessary during clean up month.

Therefore, although trash may not be picked up at the beginning of the month, residents are cautioned to have their refuse that would not ordinarily be picked up (such as tree prunings, etc.) in the alley by the first of May. The trucks will not return to any part of the city once they make the run.

"There are fifteen days left to get your trash to the alleys. After that, if the trucks run and you don't have your stuff out -- it'll be too late," Hackler stated.

Homemakers To Sponsor Style Show

A showing of fashions - past, present and future - will be incorporated in a Spring Style Show being planned by Young Homemakers of America, Olton Chapter, according to Mrs. David Britton, publicity chairman.

To be staged in high school auditorium Thursday, May 5, at 7:30 p.m., the sponsoring Young Homemakers will be joined by members of Future Homemakers of America, high school chapter.

Styles past will be furnished by Ciba-Geigy. Clothing, stylish in days gone by, will be modeled by members of FHA.

Styles of the present year will be furnished by the Mini Mall. Modeling will be Young Homemakers and FHA, and possibly others.

Styles of the future will be "impressionist offerings" to be revealed by FHA models.

Mrs. Britton states that this is the one project of Olton's Young Homemakers this year. Proceeds will be used to help further the preservation of Olton's history.

Mrs. Jim Ferguson is president of the YHA.

OHS Girl Golfers Win District In First Year

Olton High School's girls golf team won the first District 3-AA girls golf tournament by 96 strokes. The three teams entered in the 1977 tournament were Olton, 1518; Friona, 1612; and Dimmitt, 1645.

The tournament was a 54 hole affair with 18 holes played at each of the three sites, Olton, Dimmitt and Friona. Both Olton and Friona will compete in the regional meet to be held in Lubbock, April 20-21.

Olton was led by District medalist Phyllis Payne with a 350 total and third place finisher in the Medalist race; Dusty Kinnison, with a 370 total.

Other Olton team members and their scores are Kim Kinnison, 382; Laurie Brown, 408; Tori Thompson, 413; Lori Barnett, 419; Sharissa Hamby, 432; Marilyn Durham, 450; and Elaine Rodriguez.

The Olton girls are coached by Ed Miller.

For Pesticide Applicators

Training Sessions Slated

A series of training meetings have been scheduled by the Lamb County Program Building Committee for farmers and other private applicators of pesticides who wish to be certified under a new federal law which goes into effect Oct. 21, 1977.

County Extension Agent John Farris says the training sessions, though not mandatory for private applicators, will be of considerable help in learning the requirements and uses of pesticides.

"Between 50,000 and 75,000 Texas farmers are expected to be certified this year," says Farris, "under one of these training options. Completion of this training program we are conducting is the first option."

Meetings are scheduled as follows:

-April 25, at 6:45 p.m. at the Lamb County Ag & Community Center, Littlefield.

-April 28, at 6:45 p.m. at the Agriculture Building, Olton.

-April 29, at 6:45 p.m. at the Earth Show Barns, Earth.

Farris said that it is possible for applicators to be certified by reviewing self-study materials and completing a questionnaire for the Texas Department of Agriculture (TDA).

A third option, he adds, is for emergency situations in which a single-product, single-purchase, single-use certification is available through TDA.

The law which requires certification of private applicators is the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), which will be enforced by the Environmental Protection Agency. Under this act, all uses of pesticides will be classified as either registered use or general use, and all applicators -- both private and commercial -- will be certified as a requisite to legal use or supervision of the use of registered pesticides.

To implement the law in the state, the Texas Pesticide Control Act was passed in 1974 authorizing the Commissioner of Agriculture to establish a program whereby private applicators could be certified.

"A private applicator," says Farris, "is a person who uses or supervises the use of any registered use pesticide for the purpose of producing any agricultural commodity."

Farris says that all states are required to have enabling legislation and devise their own plan for fulfilling this statute.

In Texas, the task of providing farmers with the needed information belongs to the Texas Agricultural Extension Service. TDA monitors these training sessions and certifies the farmer as a full-fledged private applicator of restricted pesticides.

The training program prepared by the Extension Service includes a slide-tape presentation, a review of

Councilmen & Mayor Sworn In Monday

New councilman, Kenneth Williams and incumbent councilman Tom Sluder and incumbent Mayor C.J. Givens were administered the oath of office by City Attorney Andrew Stroebel Tuesday night as the governing body gathered for a regular meeting.

In old business, prior to the swearing-in ceremony, council released five more units for paving. Bids were opened for seal coating the existing paving. Low bid was accepted from High Plains Pavers, at a total cost of $47,095 plus engineering fees.

Stroebel reported on a hearing that he and Water Superintendent Orian Hackler attended in Plainview, concerning Olton's landfill. He stated that he felt that all requirements for a landfill were being met by Olton and that a permit was forth coming.

A crime prevention course, sponsored by South Plains Association of Governments, was brought up for discussion. The 80 hour course would be taught to police officers in June and September in San Marcos. No decision was reached by council as to one of the officers from Olton attending because of a conflict in dates of another school. Application for attendance will be made, however.

Williams was named as the city's representative to the Olton Recreation Club board, replacing Billie Norfleet. Sluder was appointed mayor pro tem.

Trustees Elect Officers, Approve Senior 'Day Off'

Following the reading of the minutes and approval of accounts payable, school board members canvassed the election returns and reorganized the board.

Burley Faver received 80 votes, Joe Harrell 77 and Garland DePrang's name appeared as a write-in nine times.

Newly elected members took oath of office. Royce Collins was elected as new president; Burley Faver, vice-president; and Jim Brown, secretary.

Steve Johnson and Brian Muller, OHS students, asked permission from board members to have a Friday off prior to graduation in order for the seniors to have time to make a trip together. The day was okayed, with the stipulation that the activities engaged in during that time would NOT be school sponsored.

Enrollment figure showed an increase of 10 students over last month.

Sitting in for Supt. Joe Turner, who recently suffered a heart attack, were his secretary, Mrs. Edna Price and principal of the high school, Robert Sivley.

Discussion of the purchase of a boiler was held, but no decision was made, pending a recommendation from Supt. Turner as to what type boiler would be best for the school.

Contract services with Education Service Center for film, finance, payroll, scheduling and other services were approved.

Board agreed to hire Mary Cary to replace Uleta Jenkins and Teresa Akin to replace Jane Spain for the remainder of the year.

Board approved Supt. Turner as joint committeeman for Education Service Center.

In final business, the board gave the authority to conduct necessary business for the school to Sivley until Supt. Turner returns.

Parks Work-Days Set

It is going to be "Play Ball" in Olton again this summer.

Persons willing to help carry the load of responsibility and work of the summer baseball program came through Wednesday night. Coaches, concession stand workers and other job capacities have been accepted for the voluntary cause.

Olton Baseball Association president Dale Haynes expresses his appreciation for the cooperation of those who have pledged support of the program.

Haynes announced that boys who plan to play Pee Wee, Little League, Babe Ruth and Senior Babe Ruth are asked to register immediately. A number of places in town will accept registrations; the school, Olton State Bank, Pro-Sox, Leon's Grocery and Ratliff Upholstery.

Registration fee for Pee Wee and Little Leaguers is $6 per boy. Babe Ruth and Senior Babe Ruth players will be charged $8 because insurance is more costly in those leagues.

Player draft will be held Monday night so boys should be registered by Monday if possible.

Workdays will be held at the parks each weekend until play begins and the cooperation of all willing workers is needed. Considerable work must be done to get the parks ready for play.

Play will be limited to weekends until mid-May with a full schedule beginning after that time.

Dear Editor

Dear Sue:

I would like to express to one individual my personal thanks and gratitude, for the excellent job he did while serving as councilman for the City of Olton. The dedication and effort Raymond put into this job is something that all of us should take as a lesson and use to the advantage of ourselves and our city. Even Raymond will never know how many countless hours he spent working with the South Plains Assn. of government and criminal justice Bureau and every phase of law enforcement preservation. The equipment received by the police dept. as a result of his efforts will be invaluable for years to come.

I could go on and on listing the projects and accomplishments we were able to achieve because of his efforts. He gave of himself completely in trying to serve the people that elected him, and the only way that I know to express my feelings is to say thank you Raymond for a job well done.

Joe Hall

Dear Editor:

I wish to compliment our Law Enforcement Officers on the very good job they are doing for our community. We have some of the best officers now than we have had in a long time. I feel that we need to stand behind them and support them in any way we can.

Again I say "Hats off" to our officers and to keep up the good work.

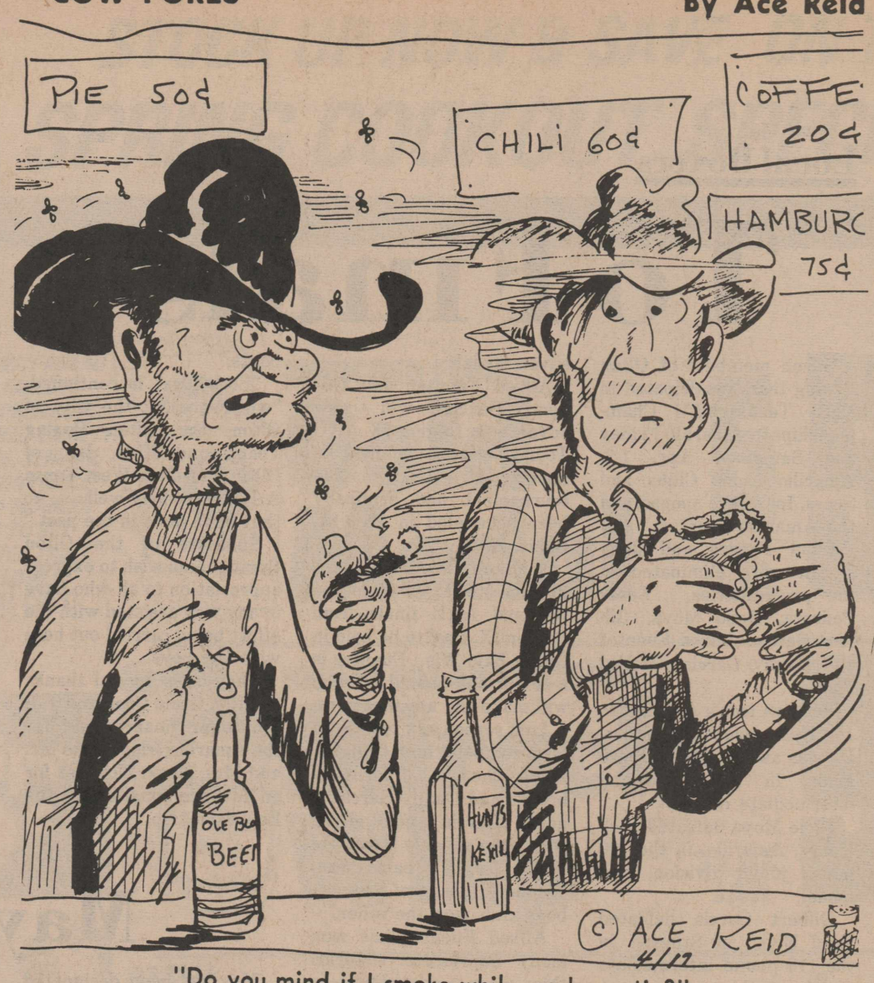

God Bless

A Concerned Citizen

We wish to express our appreciation to everyone for the cards, calls and prayers since Joe has entered the hospital. He is resting well and may get to come home the end of next week. He is in Harris Hospital, Room 419, Main Building, Ft. Worth, Tex. Thanks again to everyone. Please continue to pray for us.

Blood Services Film Shown At Lions Club Luncheon

Janice Hassell with Blood Services of Lubbock presented a color film, "A Pinch of Life," at the Tuesday luncheon meeting of Olton Lions Club.

Citing the need for blood donations, the film points out that six of every 10 persons will, at some time in their lives, need blood. Only five percent of the people ever donate blood.

An approved donor can safely contribute blood every eight weeks yet many never contribute. It takes six hours to process and test blood before it can arrive at the hospital for use thus it is very important that blood be available before it is needed.

Modern technology, the film explains, now makes it possible to break blood down into separate components and thus several persons can be helped by a single donation.

United Blood Services, producers of the film, urge "Give a gift of life, give blood."

Ms. Hassell spoke briefly of the services provided by the Lubbock unit. "We need approximately 70 pints of blood a day to have enough," she said. "We would like to make each community aware of the need. Donors must be 17 to 66 years of age although 17-year-olds must have parental permission. A donor must be in general good health and have no history of hepatitis or tuberculosis."

"You don't know when YOU may need it," she said. "I hope you never will."

Lions sponsored a blood drive Wednesday to replace almost 40 pints used by Freddie Burgess. Thirteen persons donated blood although others checked in and were unacceptable.

Lion Boss Dale Cary announced the District 2T2 Lions Convention will be held April 22-23 in Littlefield.

Guest at Tuesday's meeting was Deputy William Hammond.

Assembly Of God Church To Show Israel Film

First Assembly of God Church is sponsoring a film, "The Coming Invasion of Israel," at their 7 p.m. worship hour, Sunday, April 17.

The Rev. Raymond Mayfield, pastor, invites the public to attend.

The hard-hitting film deals with today's headlines from the Middle East. Using the Bible as its authority, Daniel 11 and Ezekiel 36 through 39, the film reviews and reveals God's plan for Israel as that nation faces grave crises in the months to come.

One of the phenomena which characterizes the modern world is the rapid rise of Russia to the place of one of the great nations of the world. Only 20 years ago, Russia was a broken nation - its manpower destroyed, its cities in ruins and its industries disorganized.

Today, unquestionably, Russia is one of the great military and political powers of all history. What does the Bible say about this great power? How does this nation fit in God's plan?

These and other questions are dealt with in this unusual film.

Lubbock Pastor To Speak Here

Morris Sheats, pastor of Trinity Church, Lubbock, will be guest speaker Monday, Apr. 25, in Hillcrest Temple according to announcement made today.

The teaching which will begin at 7:30 p.m. will be in the area of Family Relations. "This should be of help and interest to many people," Ron Winckler pastor of Hillcrest Temple states, "since over half the marriage of today end in divorce, and since many homes are plagued with a drug problem."

Pastor Sheets is making his first teaching visit in Olton. Well known throughout the area, he began a small inter-denominational church in Lubbock which now has a membership of over 4000.

Everyone is cordially invited to attend this important teaching session.

LAKE VISIT

Olton High In Texas In United Way Drive

Surpassing their goal in the first United Way campaign ever conducted for the Olton area, residents should be proud to learn that Olton is reported number three in Texas for cities raising under $10,000.

According to Texas United Campaigns Services, Oltonites gave an average of $5.21 per capita. The Texas average, for cities our size, is $1.68. Giving for the percentage of effective buying income, Olton was rated .1254, a better record than many cities whose per capita giving exceeded Olton.

The 1976 goal of $8,500 was surpassed when persons within the area of Olton Independent School District contributed $9,327 for seven health and service organizations budgeted in the fall campaign.

A second campaign is planned for this fall.

Reunion Of '52 Grads Planned, Help Is Needed

A reunion is being planned by members of the OHS 1952 graduating class. Tentative plans call for a get-together in August 1977 in Olton. However, plans may be altered in order to accommodate a larger number of persons who could attend at another time.

Help is needed in locating members of the class, according to one of the organizers of the meeting. "We'd like everyone that knows the whereabouts of those who graduated that year to please let us know, so that we may contact them. Also, there were a number of kids that went to school with us, but didn't graduate with us and we'd like to contact them and invite them to be with us."

Anyone knowing the addresses of class members is asked to contact Raymond Durham, Olton (806-986-2531); Doris (Cannon) Carter, Mansfield, Box 406 (817-477-2386) or Carolyn (Jones) Rowland, Hart, (806-938-2451).

Fair Places Focus On Scout Program

Two special events are being planned to bring into focus sixty-five years of Girl Scouting, according to adult scout leaders of the city.

First event will be a Girl Scout Fair, the first to be held in several years.

The one-day event will be held in the Agriculture Center south of Plainview on Highway 87. Girl Scouts and their families throughout the South Plains are invited to participate. Thus far entries from Friona, Hale Center and Olton have indicated a desire to post entries.

The Fair will be open to the public and free of charge. Visitors to the Fair will get a glimpse into what Girl Scouts do throughout the year in their troop meetings. Scouts will be showing items they have made or activities they have enjoyed, included will be folk dancing, butter churning, basket weaving, sand-painting, Indian dancing and puppet shows, and many others.

The Fair will emphasize a family reunion theme allowing scouts and leaders of years past to re-assemble. They also hope to attract non-scouts and encourage other girls and adult leaders to take part in the Girl Scout program.

Visitors are invited to attend the come-and-go Fair from 1 to 4 p.m. Saturday, May 7.

Local Girl Scouts and leaders are asked to contact Miss Carol Scribner, liaison agent, for information about the Fair.

Baptist Church In Springlake Slates Revival

"Good News Texas" Revival at First Baptist Church of Springlake will be held Sunday, April 17, through Friday, April 22.

Services will be Sunday at 11 a.m. and 7 p.m. Week day services will be at 10:30 a.m. and 7:30 p.m. Everyone is invited to attend any or all these gospel messages.

The Rev. Charles Higgs will be speaker. He is graduate of a Wichita Falls High School and attended Independent Baptist College, Mt. View Junior College and Dallas Baptist College. Receiving his B.A. degree in 1972 Rev. Higgs has done graduate work in North American and Southwestern Seminaries.

He is former minister of Youth and Outreach at Grace Temple Baptist Church in Dallas. He was assistant to the pastor at Dimmitt in the area of youth and education and is now pastor of Forrest Park Baptist Church in Corpus Christi.

Jerry Hooper of Springlake will direct the music.

Everything But The Kitchen Sink

BY MOZELLE TROTTER

"Love is blind," the old adage says and memories have a way of keeping things unchanged.

It didn't seem right, this week, to learn that "the old Paramount Theater" in Amarillo was to undergo renovation. Why, 'twas only a short time past that it was one of the handsomest of theaters!

That's how it is in my memory.

Our first date - The Better Half and I - was spent in that grand movie house. I was a student at West Texas State and He was home on leave from the Navy.

The film menu just happened to be the one which won an Academy Award for the actor - Ray Milland's "Lost Weekend." Aha, telling my age, aren't I? But then how am I to deny much with all this natural frosting that shines on my head?

It wasn't just young love or a young maid's fancy over a young man in "bell-bottomed trousers and coat of navy blue". The Paramount was magnificent in those days. Like the film makers used to claim, movies were real entertainment. Back then you didn't just walk over to The Tube and punch a button.

As handsome as I remember it, it seems hard to believe that the Paramount is 45 years old and has been closed for more than a year but that's how it is.

The announcement was made this week that the building is going to be converted into a "custom-designed office complex and parking garage." But, I'm glad "its basic concept will not be changed." New plans for the old theater are to "preserve and restore an Amarillo landmark."

Wasn't just our first date that brings back happy memories of the Paramount. It was a big event, in Those Days, to catch the T,NM & O bus into Amarillo, spend an afternoon "window shopping," dine out on a cheeseburger and tall Coke and see the Saturday night movie at the Paramount and still get back (on our 35 cent round-trip ticket) to the dorm before the 11 o'clock check in time.

That's what is called the Good Old Days.

Praise Service Set Sunday

"A Time to Praise," a musical written by Eddie Fargarson and Gary Lanier, will be given Sunday, April 24 at 6 p.m. in First United Methodist Church.

Directed by Dean Carson youth from Paramount Community Church in Amarillo will sing the praise service. During the unique presentation, the audience will be encouraged to join with the singers in giving praise.

The Rev. Elton Wyatt, pastor, extends an invitation to the general public to attend this special program.

Garden Club To Hold Sale

Olton Garden Club members will hold their annual plant sale Wednesday, April 20 in front of Leon's Grocery.

Loves Outdoors

CAROLYN SMITH

An OHS freshman who loves the outdoors also finds pleasure in an indoor activity -- cooking. Carolyn Smith, daughter of Mr. and Mrs. Lonnie Smith, smilingly says that she not only likes to cook but she also enjoys eating. She shares luscious recipes for desserts including a banana layer cake recipe designed for microwave ovens.

A native Oltonite whose parents finished school at Olton High, Carolyn has an older sister, Dyana, who is a freshman at Lubbock Christian College, and a little sister, Angela, a fourth grader.

Carolyn loves to ride horses and is an avid swimmer as well as water and snow skiier. She particularly enjoys basketball. She is in Speech Club and the Mustang Band.

Our young cook has a most unusual pet, a black bear named "Babe" which she got as a two or three months old cub a year ago.

Carolyn thinks she would like to study oceanography or forestry when she finishes high school.

She is a member of Main Street Church of Christ.

BANANA LAYER CAKE
½ c butter or marg
1½ c sugar
2 eggs
1 t vanilla
½ t soda
¼ c sour cream
2 c flour
2 t baking powder
½ t salt
1½ c mashed ripe bananas

Cream butter or margarine with sugar. Add eggs, one at a time, beating after each; add vanilla. Combine soda and sour cream, add to egg mixture. Toss together flour, baking powder and salt to mix, add alternately with bananas, blend well.

Cover bottom of two 8" glass cake dishes with brown paper or wax paper. Fill dishes, bake 1 layer at a time, about 6 mins. Rotate dish ½ turn every 2 mins. Cool in dish. You may also bake in greased, floured cake pans in range oven set at 350° for 30-35 mins. Cool in pan 10 mins. before removing.

CREAM CHEESE ICING
1 lb box powdered sugar
1 stick oleo
1 - 8 oz pkg cream cheese
1 t vanilla
½ c chopped nuts
1 c angel flake coconut

Cream cheese, oleo and sugar together until well blended. Stir in vanilla, nuts and coconut and spread over cake layers.

APPLE PANDOWDY
2 sticks or 1 pkg pie crust mix
1 - 20 oz can apple slices, drained
½ c brown sugar, packed
3 T margarine, melted
6 T maple flavored syrup

Heat oven to 425°. Prepare pastry for 8" two crust pie as directed on package. Stir together apple slices and brown sugar; turn into pastry-lined pie pan. Top with butter and 3 T of the syrup. Cover with top crust; which has slits cut in it; seal and flute edges. Bake 15 mins; remove from oven. Make crisscross cuts about 1" apart through top crust and filling. Drizzle remaining syrup on top. Cover edge with 2 to 3" strip of aluminum foil to prevent excessive browning; bake 25 mins. longer. Serve warm and, if you wish, pour on additional syrup.

BLUEBERRY COBBLER
½ c sugar
1 T cornstarch
4 c fresh blueberries (frozen may be substituted)
1 t lemon juice
1 c flour
1 T sugar
1½ t baking powder
½ t salt
3 T shortening
½ c milk

Heat oven to 400°. Blend ½ c. sugar and the cornstarch in medium saucepan. Stir in blueberries and lemon juice. Cook, stirring constantly, until mixture thickens and boils. Boil and stir 1 min. Pour into ungreased 2-qt casserole; place in oven while preparing biscuit topping.

Measure flour, 1 T. sugar, baking powder and salt in bowl. Add shortening and milk. Cut through shortening 6 times; mix until dough forms a ball. Drop dough by 6 spoonfuls onto hot fruit. Bake uncovered 25-30 mins. or until biscuit topping is golden brown. Serve warm.

Brownie And Girl Scout Area Day Camp Slated

Area Day Camp for Brownies and Girl Scouts will be held in Plainview daily, May 31 through June 3.

Theme for the Camp will be "Make New Friends."

Slated to be held in Seventh Street Park, Plainview, Tuesday through Friday, from 9 a.m. to 2 p.m. girls who have completed first through sixth grade will be eligible. Non-Scouts are also invited to attend.

Registration fee is $5 per Girl Scout camper and $6 for a non-scout. Registration should be made with Miss Carol Scribner, liaison agent for the camp, by Apr. 20. Girl Scouts who are older than the prescribed campers may be used as assistants to unit leaders.

Mrs. Ken Rachels will serve as Day Camp Director. She has attended a number of Day Camp training sessions offered by Caprock Girl Scout Council, Lubbock.

Day Camp is a fun time as well as a learning experience for Scouts and Brownies. Among the various activities will be outdoor cooking, nature hikes, crafts, sing-songs, field trips, drama through skits, story-telling, and much more.

Each day will begin and end with a flag ceremony in which the girls will participate.

The Camp will be divided into units of 10 girls, with two adult leaders with each unit. Also included will be a "Papoose Unit" for pre-school children of the workers.

Highlight of the Day Camp will be the final day, which has been designated "Guest Day". This special day is set aside for girls who will be entering frst grade in September to visit camp and see "what being a Scout is all about." A special meal and entertainment are being planned.

Public Notice

EXHIBIT "A"

NOTICE TO BIDDERS of City's intention to let contract or contracts for the acquisition of materials, supplies, equipment and machinery, to wit: steel refuse containers, and of the City's intention to issue Certificates of Obligation in payment of all or a portion of contractual obligation to be incurred.

Sealed proposals addressed to the Mayor and Council of the City of Olton, Texas will be received at the office of the City Secretary, City Hall, Olton, Texas until 5:00 o'clock p.m. on the 25th day of April, 1977 for the supplying to the City of materials, supplies, equipment and machinery, to wit: steel refuse containers, at which time and place proposals will be publicly opened and read aloud and retained by the City Secretary for tabulation, checking and evaluation. Bids will be received in four separate lots:

Lot 1 - 100, 3 cubic yard containers;

Lot 2 - 130, 1½ cubic yard containers;

Lot 3 - 1, Packer Body - Emco RC-30 or Equivalent

Lot 4 - 1, 1977 Cab & Chassis, W.B. 220", C.A. 156", G.V.W. 27,500,9000# front axle, 18,500 rear axle, Power Steering, Heavy duty rear brakes, 389XD V8 Engine, Heavy duty frame, 50 gallon right hand gas tank, 4 speed transmission, 10.00 X 20 12 ply mud & snow rear tires.

The specifications show two types of side-loading containers, Type A and Type B. Only one type will be awarded as to each lot. Type A and Type B differ as to the specification of the lifting plates and arms. Each bidder shall specify which type container is covered by the proposal, or a proposal may also be submitted on one or more lots, but each shall be considered separately. Final award of the contract or contracts is proposed to be made 8:00 o'clock p.m. on the 25th day of April, 1977 by the Council, convened at its regular meeting place at the City Hall.

Bids shall be submitted in sealed envelopes upon the blank form of proposal furnished in the form of contract documents. Sealed envelopes shall be marked "Bid for Refuse Containers."

Plans and specifications and contract documents may be examined without charge at the office of the City Secretary, City Hall, Olton, Texas. Copies of such instruments may be obtained from the City Secretary.

A cashier's check, certified check or acceptable bidder's bond made payable to the City of Olton, Texas in an amount of five percent (5%) of the bid submitted must accompany each bid as a guarantee that if awarded the contract, the bidder will promptly enter into contract. Bidders are expected to carefully review the plans, specifications and other documents, and should the bidder find a discrepancy in, or omissions from the plans, specifications or other documents, or should he question their meaning, he should at once notify the City Secretary and obtain clarification prior to the submission of any bid.

No bid may be withdrawn for at least thirty (30) days after the scheduled closing time for the receipt of bids. All bid securities will be returned to all except the two lowest bidders within three days after the opening of the bids, and the remaining bid securities will be returned promptly after the City and the successful bidder have executed the contract, or if no contract is awarded within thirty (30) days after the date of the opening of the bids, so long as the bidder has not been notified of the acceptance of his bid.

The City proposes to issue Certificates of Obligation in payment of all or a portion of the contract price. Such Certificates shall be payable from Water and Sewer Sinking Fund and the principal amount issued for the purposes herein mentioned shall not exceed $61,000.00.

In the case of ambiguity or lack of clarity in stating the contract price, the City reserves the right to consider the most advantageous construction thereof, or to reject any bid, as well as the right to waive formalities.

Curtis Price

One-Man-Band

Retirement time is coming up in just over a month for Curtis Price and with it, opportunity to spend more hours of pleasure that comes from making his own music.

Concluding 26 years with Phillips Petroleum, Price was an engineer with the Beneidun Station southwest of Olton until the station became automated. He has been a station attendant since that time.

"Really, the station is semi-automated because there has to be someone there in case something happens, they can clear it," he says. "But they punch a button in Odessa to start it."

The veteran Phillips employee is virtually a "One Man Band," playing the guitar and French harp simultaneously. He learned to play both instruments as a boy, making music without the aid of lessons. He laid aside his music making during the years when he was providing for his wife and children and resumed the pastime in recent years to break the monotony of lonesome hours.

He says it was much the same as learning all over again, "I hadn't played in so long, it had slipped my mind. He had learned "by ear" but decided to take guitar lessons here at school.

"It was just for maybe three weeks. It was so confusing, I dropped it. If I'd done it from the first, I'd have been okay. But since I learned by ear, it was just confusing."

Price learned to play the harp when he was about eight years old. He began yearning for a guitar and, when he was about 12, he earned money to order his "Sears Roebuck Special."

"Cotton was cheap and I picked up what had been left on the ground until I got enough to buy a guitar. It cost $11 and there've been a lot who have wanted to buy it from me."

"Best I can remember," he says, "cotton was like ten or eleven cents a pound. It took quite a bit of cotton to get that guitar. And some days would be like these windy days we're having now, it'd blow out."

Greer County, Okla. was home then for Price. "We lived between Willow and Brinkman, it was a mile and a half each way. We got our groceries and ginned our cotton in Willow. We went to school and church in Brinkman."

Smiling over the recollections of his boyhood, Price says, We had friends in both communities. Sometimes I'd take friends from one of the communities over to the other. In those days, three miles was out of the community."

Price became a Texan in March of 1930. He still likes to go back to Oklahoma to visit for the musicals that are held regularly. "Sometimes they draw big crowds. Mangum has one every fourth Thursday and there are usually about 150 there -- there'd be more but there are steps to climb and the older people don't go."

More frequent trips to attend, and participate in, those musicals are on his priority list after retirement. During free time, he is busy getting a mobile home set up in Olton.

Performing whenever he's invited, Price has played for Olton Lions Club and for numerous organizations in the Springlake and Earth area. He provided dinner music this year for the annual Chamber of Commerce and Agriculture Banquet at Springlake--Earth.

His repertoire includes folk songs, ballads and sacred numbers. He says that he picks up those songs which he hears and likes and admits that sacred selections are his favorites.

When talking with this Enterprise reporter, he sang a Chuck Wagon number, "Dreamboat" and another gospel favorite, "Beautiful." He also performs "oldies" such as "Redwing" and the rousing, "Cattle Call."

Farming before getting on with Phillips, Price and his family lived in the Springlake and Amherst communities before moving to the pump station near Circle. Mrs. Price died in November, 1973.

A daughter, Sue (Mrs. Dan) Cure is the only one of the five Price children who has continued to make Olton home. Bob, the eldest, lives in New Mexico. Gwen and Alta also established homes outside of Texas and Linda Kay makes her home in Amarillo.

Pipe line was laid west of Olton in 1942 and the Olton Pump Station built then. It was operated for a short time and closed and re-opened in 1950. It was then that Price went to work for the company. When they could be built, there were five homes at the station, housing a chief and four engineers and their families.

Phillips has five large and five small stations stretching from Odessa to Borger.

provisions of the Texas-Federal law, pesticide safety, labels and chemical labeling, pest identification and equipment calibration. No formal testing or scoring of papers is involved.

The program requires about 3½ to 4 hours and upon completion and certification, each person will be mailed a certificate and wallet-sized card showing he is approved to buy registered chemicals from his dealer. Dealers must keep such records for two years.

"For producers who for some reason cannot attend a training meeting, there are two other ways to become certified under the Texas plan. One is a home study course. Under this method, a person can obtain a 'study manual' from the county Extension office with an application and review questions attached. A farmer fills out this application form, completes the review questions and mails the materials to the Department of Agriculture for review and certification."

Farris says a third way to be certified is under emergency conditions in which instructions can be given to a producer in his home by either a TDA employee, an Extension agent, or by a qualified local dealer.

No fees will be charged, Farris adds, and no advance registration is required.

The full implementation of the amended Federal Insecticide, Fungicide, and Rodenticide Act is scheduled for October 1977. On this date, barring any changes in the law, producers of agricultural commodities must be certified applicators as a requisite to the use of restricted-use pesticides.

State Bank, the April 18 meeting will feature the election of officers. Articles of incorporation have been drawn up and an attorney engaged. Status of this action is also due for discussion.

A committee has been appointed and will report on the possibility of obtaining a grant for the purpose of purchasing a portion of the "square" to be used as a memorial park with the possibility of a small museum some time in the future.

There will also be a discussion of the publication of a book on Olton's history with biographical sketches of her pioneer families as well as family histories of present day residents. Persons interested in this are especially urged to attend the meeting or to make their interest known by contacting Mrs. George Redinger, Wendell Potts or Mrs. Gene Trotter.

One hundred and fifty acres over 93% of a quarter-section. That's how many acres you can reach with Lindsay's new Corner Pivot. The Zimmatic Corner Pivot rounds out the four corners of your field . . . adds them to your profit picture.

The Zimmatic Corner Pivot is self-contained . . . no wires are buried in the field to complicate your maintenance or trouble shooting. Ideal water break-up and the right droplet size are assured from both the mainline sprinklers and the Corner Pivot sprinklers . . . accomplished during corner watering by directing full water pressure to the Corner Pivot while the mainline sprinklers are shut down. Adequate water pressure means top sprinkler performance which provides efficient absorption and even water distribution across the entire field.

The same engineering and design concepts found on standard Zimmatics are used on the Corner Pivot. Lindsay's external collector ring transfers a sure flow of power to the Corner Pivot and standard, heavy-duty Zimmatic gearboxes provide years of reliable service. Most of the structural parts are identical to those on standard Zimmatics. Time-proven dependability, simplified maintenance and automatic operation make the Corner Pivot all Zimmatic.

Lindsay also offers a semi-automatic Corner Gun watering system. It irrigates fewer additional acres than the Corner Pivot but costs less initially. The Zimmatic Corner Gun may be the system you need.

Round out your corners and fill in your profits with a Zimmatic corner watering system. We'll be glad to give you all the details. Call or stop in today.

energy with a conservationist electric water heater

Maximum efficiency in appliances is what we're all looking for . . . to save energy, save money.
That's why the CONSERVATIONIST ELECTRIC water heater is worth looking at. It saves 15% of the energy used in a like-sized regular electric water heater and delivers all the dependability of electric water heating. The Conservationist is heavily insulated on all sides so heat is retained inside the water heater . . . used for what you're paying for . . . to heat water.
And, you save on space above the heater because an electric water heater does not need a flue or vent.
Ask us about the Conservationist . . . the electric water heater designed to use energy wisely and save.

Genealogical Workshop Set April 23

A Family History Research Workshop, will be presented by the South Plains Genealogical Society, 9 a.m.-4:30 p.m., Saturday, April 23 in the Municipal Garden and Arts Center, 4215 University Avenue, Lubbock.

The event is open to the public without charge, states Mardema Ogletree, SPGS president.

More than 300 books and magazines from the private libraries of various SPGS members will be on loan for use during the day. These materials are arranged on tables in the Center auditorium according to states or regions, in order to facilitate research.

"If someone is researching in Kentucky records, that person can go to the table labeled 'Kentucky' to find resource books on that state," Mrs. Ogletree said.

Special features of the workshop include the following: a one-hour class of instruction for beginning genealogists is scheduled 9:30 - 10:30 a.m. and again from 1:30 - 2:30 p.m. and a special session for advanced researchers, entitled "Write That Family History!", taught by Christine Wood, certified genealogist of Lubbock, will be held 9:30 - 10:30 a.m. Mrs. Wood, the author of several family histories, will give points on compiling research material into book form.

At 11 a.m., Jerold Beazley, Lubbock photographer, will discuss old photo restoration for use in family histories. He will display numerous old photos.

Lunch will be available at the workshop.

Bike-A-Thon Is Planned

Youth Association of Hillcrest Temple will participate in a Bike-a-thon Saturday, April 23 to raise funds for a summer camping program.

Sponsors are needed for the youth who plan to leave Hillcrest Temple at 7 a.m. with Plainview as their destined goal. Pledges of 50 cents per mile are the sought-for goal but youth would appreciate sponsors pledging any amount.

The young person with the most sponsors will be awarded a "surprise" for their achievement.

Anyone willing to sponsor a youth in the fund project is asked to call Mrs. Bobby Williams, 285-2710.

FROM ODESSA

Mr. and Mrs. Jose Sanchez, Augustin and Jose, of Odessa spent the Easter holidays with Mr. and Mrs. Jose Sanchez and Mr. and Mrs. Juan Sanchez and family. Mr. and Mrs. Jose Sanchez lived in Olton until their move to Odessa in December.

TO DECATUR

Mrs. T.C. Kennedy, Karin and Connie went to Decatur Thursday. There they were guests of Kennedy's brother-in-law and sister, Mr. and Mrs. Dick Moss and their son-in-law and daughter, Mr. and Mrs. Calvin Buchannan. Connie visited Lizann Stockdale, daughter of Mr. and Mrs. Fred Stockdale of Bridgeport.

SUFFERS INJURY

Mrs. Joe Roberts broke her arm Saturday and was hospitalized in Littlefield until Tuesday. Sunday she was visited by her daughters and families, Mr. and Mrs. Pete Timmons, Brad and Steven of Levelland, Mr. and Mrs. Don Sanderson, Donna, Debra and Brian of Odessa, and Mr. and Mrs. Daryl Huguley, Misty and Cody.

DINNER GUESTS

Mr. and Mrs. Weldon Motley, Kevin, Gayle and Shane had with them at the noon meal Sunday Mrs. Motley's sons, Spec. 5 Lacie Kirk of Ft. Sill and Larry Kirk, student at South Plains College, Levelland, the hostess' nephew and his daughter, W.T. Coffee and Rosa of Petersburg and Sgt. Donna Gaspender, also of Ft. Sill.
