### WHO IS THE COTTON GROWERS' FRIEND

Last winter when a large number of our citizens foresaw what was going to occur if there was not a radical reduction in cotton acreage, we undertook to interest the Federal Farm Board in a plan to relieve the situation by contracting the surplus held by it to the farmers at a low price conditioned that the farmer would rest his land from production to the extent of retiring three acres of land during 1932 for every bale of cotton contracted for fall delivery. This plan put into effect would have given us probably fifteen cents a pound instead of the four cents that it appears likely we will receive.

We submitted our proposal to all of the leading Statesmen and large news papers and in most instances either met with a refusal on their part to help or a refusal to even publish our plan.

There was one lone exception and a spirit of decent gratitude impels me to publish the below quoted letter which came voluntary from Ex-Governor James E. Ferguson.

The letter follows:

Austin, Texas,  
March 2nd, 1932.

Judge J. E. Garland,  
Lamesa, Texas.

Dear Judge Garland:—

I have read with much interest your statement on cotton acreage reduction appearing in the Dallas News this week.

Your contention is so much in line with the true situation that we are taking the liberty of reproducing your statement in the Forum next week. If you would care to make further comment for publication we will be glad to print the same.

Yours very truly,

JAS. E. FERGUSON

To any one interested, I can show correspondence files where a number of the larger news papers who are using unlimited space to discredit Mr. and Mrs. Ferguson and some of whom are making speeches against them, refused to render us any assistance whatever.

"Who is our neighbor?"

Respectfully,

Cotton Growers of  
Dawson County.

### METHODIST YOUNG PEOPLES' CHOIR HEARD OVER KFYO SUNDAY

The young peoples' choir of the First Methodist Church broadcast for 30 minutes Sunday afternoon over KFYO at Lubbock.

Forty-two voices in the choir rendered several beautiful selections during the broadcast. Misses Laura and Katherine Kirk and Miss Marguerite Flanniken played two violin numbers accompanied by Mrs. J. R. Flanniken at the piano.

A number of telegrams and telephone calls were received from over West Texas during the broadcast complimenting Lamesa on her splendid choir.

On Sunday evening the choir gave a sacred program at the First Methodist Church of Lubbock. The numbers were directed by W. H. Wallace, Jr., pastor, accompanied by Miss Letta Adkins.

About seventy-five people from Lamesa attended these programs.

Misses Opal and Ona Carroll spent Wednesday in Lubbock.

### LAMESA GOOD WILL TRIPPERS ACCORDED WARM RECEPTION

The recent trips conducted by the merchants division of the Lamesa Chamber of Commerce, C. Baldwin chairman, were indeed Good Will trips—so styled on the advertising and by those who made them. They really carried goodwill into the communities through which they passed.

An average of more than 100 people—Lamesans—went on these trips each day last week. The trips were made Tuesday, Thursday, and Friday last week. Large crowds were at all stops to meet the trippers. A good program dispensing goodwill and fellowship was given at each stop. It was made known what Lamesa had to sell and what Lamesa had. In no mean way was the impression made according to all who went along a real pleasant time was had each day and much good had been done. It seems to be the expression of all that these trips should be made often—say at least twice annually.

One merchant states that a new angle developed from the trips that he had not thought of. A lady from the rim of one of these trips for the first time came into his store and purchased about \$8.00 worth of goods. She said it looked like forty or fifty cars passing her home the day of the trip her way and it was the talk of her community that "Surely these trips will do Lamesa a lot of good as they are advertising such cheap prices in Lamesa." Another merchant reports good results from the trip that visited Andrews. Another says he would not have missed Seminole for anything for I secured new customers from that place.

But the main purpose of these trips was to spread goodwill and Mr. Baldwin says "We did that." Mr. Baldwin points out another advantage of the trips that is perhaps worth more than any other. "One of the most goods we derive from the trips was the fine fellowship and acquaintance we had with each other. We need more of this."

On the first day—Tuesday, the party with eight cars visited Gail and O'Donnell. The second day on Thursday, 22 cars with more than 100 people spent the day with Lou Loop, Seagraves, Seminole, Andrews, and Patricia. The third day—Friday the party with 26 cars visited Spangenburg, Ackerly, Midway, Key, and had McCarty scheduled, but through a misunderstanding and due to the fact the motorcade was running about 45 minutes ahead of time passed on to Lamesa and did not stop. It is planned to make a special program at McCarty soon and take the band out for the program.

The first day M. E. Boren was chairman. The second, Owen C. Taylor, chairman. And the third day, C. A. Hollingsworth.

Speakers making talks at the various stops—Gail, Louis B. Reed, O'Donnell, Carl Rountree; Lou, William A. Wilson; Loop, A. W. Gibson; Seagraves, Carl Rountree; Seminole, W. B. Collins; Andrews, J. R. Lowrie; Patricia, William A. Wilson; Spangenburg, Carl Rountree; Ackerly, J. R. Lowrie; Midway, Carl Rountree; Key, A. W. Gibson.

Committees were organized in stops, large crowds on hand and nice speeches of welcome were heard from all committees.

The Lamesa Municipal Band under the leadership of Conway E. King, director, accompanied the trippers on all trips and furnished some of the best music ever heard, which livened up the party and all those who heard it at all stops. Lamesa could not have made the impression it did without the band.

### LAMESA GOLFERS WIN FROM ODESSA SUNDAY

The Lamesa A Flight Golf Team was victorious over the Odessa team at that place Sunday.

The match was anything but a walk-away and the Lamesa boys won by only a slight margin. The score was 24 to 20 in favor of Lamesa.

Mr. and Mrs. Ray Lewis will leave Saturday for San Antonio where Mr. Lewis will attend training camp. Mrs. Lewis will visit friends in Corpus Christi.

A large crowd attended the regular monthly First Monday Trades Day here August the First. People from all parts of the territory were here and merchants report quite an added business to the regular run of trade.

High interest was shown in the frog races and the boxing matches that were staged as a feature of entertainment. 222 women entered frogs in the races and one woman entered from Wauketa, Oklahoma, which was the farthest distance any one brought a horned frog to try for grand prize in the horned frog races. Mrs. E. T. Taylor actually brought a frog from Wauketa, Okla. and entered the races.

Here are those who won places in the finals and who won prizes:

Grand prize of ten dollars in gold, Mrs. Joe Vineyard, Lamesa; second prize, Mrs. Bill Chilton, Lamesa; third prize, Mrs. Bogan Caldwell, Lamesa; fourth prize, Mrs. E. M. Lee, Lamesa; fifth prize, Doris Billingsley, Lamesa.

Those entering the races and placing in the semi-finals in the frog races: Mrs. A. C. Key, Sybil Buchanan, Mrs. Lella Kennison, Maggie Hatton, Mrs. J. W. Farmer, Mrs. C. E. Wilson, Doris Billingsley, Adielee Phillips, Mrs. E. M. Lee, Mrs. Joe Vineyard, Mrs. Bogan Caldwell, Mrs. Dyrrel Kirk, Mrs. Bill Chilton, Mrs. Francis Robertson, Mrs. H. M. Etheridge, Mrs. T. L. Whitmire, Mrs. H. L. Sprull, and Mrs. E. M. Taylor.

Think it over 222 horned frogs brought to Lamesa on trades day and what did we do with them? Well, John Cason who operates the Lamesa Candy Shop begged so hard that we loaned them to him for a season to carry to his home on the Seminole Highway for the purpose of eating the large crop of red ants he has grown out there near his new home recently built. It is said no one should ever kill a horned frog as they are good insect eaters and certainly is this true with reference to red ants.

The trades day is going over big—watch for announcement for next month's trades day. It will be the first Monday in September, and Big money and prizes will be given away in Lamesa—it will be September the Fifth.

### MRS. R. H. MCCAULEY TURNS CAR OVER

The new Chevrolet coach belonging to Mr. and Mrs. R. H. McCauley was turned over Monday morning about 10:00 o'clock a few miles this side of Gail. Mrs. McCauley was driving the car at the time and had with her her sister, Mrs. R. K. Renfro, Ela Ray Renfro, and her nephew, Audrey Gunnels.

The party was on its way to Center, Texas, for a visit when the accident happened.

Mrs. McCauley was carrying with her a kitten about half grown, who suddenly started to have running fits, running in circles inside the car. Mrs. McCauley took her hands from the steering wheel in an attempt to catch the cat when the car plunged into a ditch turning over twice.

The occupants were only slightly injured, although the car was badly damaged.

He was brought immediately to a local hospital where the burns were treated and is now resting fairly well at his home.

### SOUR MILK MYTH

There is a popular belief that thunder causes milk to sour. Contrary to this belief says the Department of Agriculture, thunder does not have anything to do with it. Heat and bacteria sour milk. And just before thunderstorms the atmosphere is unusually warm. This condition is ideal for the bacteria to work. Milk kept at the proper temperature will not sour even in thunder storms.

Mr. and Mrs. Swanson Hurt and daughters left Wednesday for a vacation in Tennessee.

**DETROIT, Mich. July 26**—First of a fleet of 550 post office trucks complete with bodies, recently contracted for by the Federal Government with the Chevrolet Motor Company, were delivered July 15, Chevrolet officials announced today.

**CANNING HINTS**

Following are a list of tried recipes for relishes, contributed by the home demonstration agent, Miss Rozelle McKinney.

**Dixie Relish**

- 1 qt. chopped cabbage
- 1 qt. chopped white onion.
- 1 qt. chopped sweet red pepper
- 1 qt. chopped sweet green pepper
- 3 T salt
- 4 T mustard seed
- 2 T celery seed (crushed)
- 3-4 C sugar
- 1 qt cider vinegar

Soak the pepper in brine (one cup of salt to one gallon of water) for 24 hours. Freshen in clear, cold water for one or two hours. Drain well, remove seeds and coarse white sections. Chop separately, and measure the chopped cabbage, peppers and onions before mixing. Add spices, sugar and vinegar. Let stand overnight in a crock or enamel vessel. Pack into small jars that have been sterilized.

When ready to pack, drain the vinegar off the relish in order that the jar may be well packed. Pack the relish in the jars, pressing it carefully; then pour over it the vinegar which was drained off. Puddle the jar thoroughly to get every bubble out, and allow the vinegar to displace all air spaces. Garnish each jar with two slender strips of red pepper. These strips vertically on the seams in the jar on opposite sides. Cap, clamp, and process in a water bath for 15 minutes at simmering.

**Chow-Chow**

- 2 cups cauliflower, small sections
- 4 cups string beans, cut
- 12 green peppers, (medium size)
- 1 red pepper
- 5 T celery seed
- 4 T mustard seed
- 6 T horseradish
- 1 cup sugar
- 2 cups cider vinegar

The vegetables for chow-chow are better if first cured in brine and freshened by standing in cold water to cover from 12 to 24 hours, depending upon the amount of salt extracted. Some salt must be allowed to remain in the vegetables. After they are freshened, they should be drain, well mixed, and chopped together. Heat the spices, vinegar, and sugar to simmering. Cover and allow to infuse for about one hour, then mix with the vegetables. Stir until well blended and let stand overnight. In the morning stir well and pack in sterilized jars. Seal and store in a cool place. If processing is done to seal the filled jars be careful not to raise the temperature of the water bath above simmering and hold at this temperature for about 10 to 15 minutes. This processing will help to keep the pickles and seal the jars, but will soften the texture somewhat.

**BEEF RELISH**

- 1 qt. chopped cabbage
- 1 qt. cooked, chopped beets
- 1 cup grated horseradish
- 2 cups sugar
- 1 T black pepper

4 T salt  
 Mix ingredients, and cover with vinegar, heat mixture to the boiling point. Pack in jars and seal.

**Pepper Relish**

Take one dozen sweet green peppers and one dozen sweet red peppers and add three large onions, chopped fine. Cover with boiling water and let stand ten minutes, drain, cover again with hot water, and let come to a boil. Then let stand again. Drain dry and add three table-spoonsful of salt, two pints of vinegar, and two cups of granulated sugar. Cook fifteen minutes and pack hot in jars, and process as for Dixie Relish. Seal.

**Corn Relish**

- 1 dozen ears of corn
- 1 head of cabbage
- 3 sweet red peppers
- 3 sweet green peppers
- 1 quart of cider vinegar
- 1 cup sugar
- 2 T mustard
- 1 T salt
- 1 T celery seed

Cook the corn for three minutes in boiling water to set the milk. Cool and cut from the cob. Cook all together for 20 minutes. Pack into clean, hot jars, seal and process.

**Uncooked Tomato Relish**

- 1/2 peck ripe tomatoes
- 1 qt. cider vinegar
- 6 green peppers
- 6 sweet red peppers
- 4 medium-sized onions
- 1 cup finely chopped cabbage
- 2 T celery seed
- 1/2 T red pepper
- 1 T ground yellow
- 4 T mustard (clove)
- 5 T salt
- 1 cup sugar

Scald and peel tomatoes, chop all ingredients fine, add seasonings, mix well. Add the vinegar and allow to stand overnight. Next morning pack cold into small clean hot jars, seal and process.

**N'IMPORT RELISH**

- 1 pt. radish pulp
- 1 cup ground onions
- 1/2 T salt
- 1-1/2 cup vinegar
- 1 cup sugar
- 1/4 T tumeric
- 1/2 T grated nutmeg
- 1/2 T white mustard seed

Wash radishes well, cut off tips, grind peel and pulp, and to one pint of ground pulp add one-half pint of ground onion. Mix well. Over this sprinkle salt. Let stand on hour. Squeeze dry, place in preserving kettle. Add vinegar, sugar, tumeric, nutmeg, and white mustard seed. Simmer for 10 minutes. Pack in clean hot jars, seal, process, for five minutes.

**Bread And Butter Pickles**

- 25 large cucumbers
- 12 onions (white medium)
- 1/2 cup salt
- 1 pt. cider vinegar
- 2 cups sugar
- 2 T mustard seed white
- 2 T ginger

2 T tumeric powder  
 Let unpeeled cucumbers stand in water overnight. Then slice cucumbers and onions and place in pan with the salt (no water). Let stand one hour, then rinse off salt, add vinegar, sugar, mustard seed, ginger and tumeric powder. Boil all ingredients until peel turns yellow (about 40 minutes). Pack pickles solid in sterilized jars and allow to stand 10 days before using. Use small glass jars 1 pint or 1/2 pints for pickles.

**Mock Olives**

Mock Olives may be made from unripened plums. The plums when just beginning to ripen, but still green should be pickled in a brine made with 1 pound of salt and 1 gallon of water. Pour this, hot over the fruit and allow it to stand for 36 hours. It should then be poured off. Place the fruit in a new brine and boil for one minute. Drain the plums, place into jars, cover with hot brine. Seal and process pint jars for thirty minutes in a water bath.

— THANK YOU —

By this method I wish to express my sincere and heartfelt gratitude to the entire citizenship of Dawson county, for your loyalty, and strong approval of my services as your county clerk.

I trust I shall so serve you each day so as to merit your confidence in me, so emphatically expressed by your ballot, and in the many, many, kind words of commendation, since I have been your servant.

It shall be my aim, and purpose, to serve you more efficiently each day, in a still better way than I have heretofore.

Please do not look upon me, from the standpoint of a politician, nor as a public official, but just as one of you, whose duty, as your humble servant is to serve.

To render to the people of my county, in a most sincere and efficient manner, in return for the manifestations you have shown me.

Because of prevailing conditions (of which no one is altogether responsible, nor no one has control) the recompense of this office is very small, and not loosing sight of the fact, that because of such conditions, all lines of avocation have likewise been effected.

To the best interest of all concerned, may I offer this suggestion, that we each and every one work and pull together to the best interests of our county and its entire citizenship, each and everyone doing his part, to serve, and be served, with an unselfish attitude, so that in so doing, we will each and every one assist in the return of better times to this county of ours. And may I ad these few lines,

Let me be a little kinder,  
Let me be a little blinder  
To the faults of those about me,  
Let me praise a little more.

Let me be when I am weary,  
Just a little bit more cheery,  
Let me serve a little better  
Those that I am striving for.

Let me be a little braver  
When temptations bid me waver,  
Let me try a little harder  
To be all that I should be.

Let me be a little weaker  
With the brother that is weaker,  
Let me think a little more of my neighbor  
And a little less of me.

May my services to one and all  
this year of nineteen thirty-two  
In every way much better done,  
Than during nineteen thirty-one.

Let me still your humble servant be  
The year of nineteen thirty-three,  
With the experience of thirty-one  
and two,  
Be more able than heretofore  
To serve you in nineteen thirty-three  
and four.

In the office of county clerk,  
I shall strive to never sirk  
Any duty, large or small,  
But equal service to one and all.

My purpose, my motto, and my aim  
Shall always, and ever be,  
"What er'e I do to do it well,  
Each day, and all the while  
To serve you with a smile."

The depression has hit us all  
Alike, both great and small,  
Some time will be better  
So, with this I close my letter,  
Sincerely yours,  
S. M. MITCHELL,  
County Clerk.

CARD OF APPRECIATION

I wish to thank each and everyone of you for the support given my candidacy for county judge in the July primary.

Being of the opinion that my platform embraced the welfare of my county, I launched a campaign for its advancement. Evidently the people either misunderstood or discredited it. Time itself will probably resurrect it if my friends and I were correct or time will probably still further submerge it if we were mistaken.

As completely as I was defeated even so as generously and cheerfully, I accept defeat. I congratulate Mr. Yonge and his friends upon their victory and hope for him a successful administration.

Again assuring those who supported me of my special thanks and both sides concerned of my continued friendship, I am,  
Sincerely yours,  
P. W. DuBose.

CARD OF THANKS

I take this method of expressing my sincere thanks for the vote I received in the recent primary election, for Justice of Peace. To those who saw fit to vote against me I hold no ill will or feeling.

To those who voted for me I do most heartily appreciate the support you gave me, and say that I am taking my defeat as a good citizen should.

TO THE VOTERS OF DAWSON COUNTY

I desire to sincerely thank you for the wonderful vote given me in Saturday's primary race for weigher. To say I appreciate it is putting it mildly. Words fail me in expressing my thanks. I shall endeavor to do my best to live up to the trust you have placed in me by rendering you the very best service possible. If I can serve you, command me. Again thanking you, I am, sincerely yours.

### While the Brontosaurus browsed in OKLAHOMA

Millions of years ago—even before the ancient Brontosaurus lived—Nature formed the Cambro-Ordovician oil pool in Oklahoma. Today this oldest of Mid-continent crudes is piped to the great Sinclair refineries where it is refined, blended, de-waxed, freed from petroleum jelly and made into Sinclair Opaline—a product resulting from 80 million years of filtering and mellowing. Try a crankcaseful of Sinclair Opaline—note how it stands up in the heat of fast driving. Note especially at draining time how little oil has been used up—positive, visible proof of protection for the last mile as well as the first!

## SPECIALIZES in SHORT ROW-CROPS

THE Case-Osborne Short Corn Binder is built especially for cutting and binding short, row-crops—corn, milo, sudan, kafir, broom corn, etc. A handy lever adjustment provides wide binding range; ties tight bundles from 12 1/2 inches up to 23 inches from the butt. Third packer works close to butts; extra long stroke promptly draws stalks back from butt chain, producing square bundles. Main wheel and grain

wheel are both of same large diameter which causes the binder to pull straight, lessens side draft and reduces whipping on rough ground. Weight is evenly balanced on the wheels. The result is a light draft, clean-cutting binder.

The Case-Osborne is extra strongly built with adjustments for taking up wear after long use. Angle and bar steel frame; oversize working parts well lubricated. Come in and see it.
