SNYDER SPOTLIGHT

By WAGIL McNAIR

Our usual Friday rain failed to appear this week, breaking a chain that had existed for a month.

However, area farmers relished the sunshine, and more of it is needed to get fields in condition for planting. Most reports indicate that our soil is well moistened down to the caliche, a condition we haven't enjoyed before for nearly a decade.

Weeds are likely to be a problem on farms, but one farmer remarked the other day: "I don't mind seeing those green weed—if they grow, other things will, too."

• • •

Wet weather produces some strange things. Turtles of the type found near Dermott by J. R. Meadows the other day are not seen frequently in this area, especially the size of that one. The varmint weighed over 40 pounds and measured about two feet from it head to the tip of is tail.

• • •

The Scurry County Boys Club is now a full-fledged unit of the national organization. Thomas Craighead, regional director for Boys Clubs of America, presented the charter to the local club Wednesday. There are over 500 Boys Clubs in the country now, including 16 in Texas, and more are being organized every day.

• • •

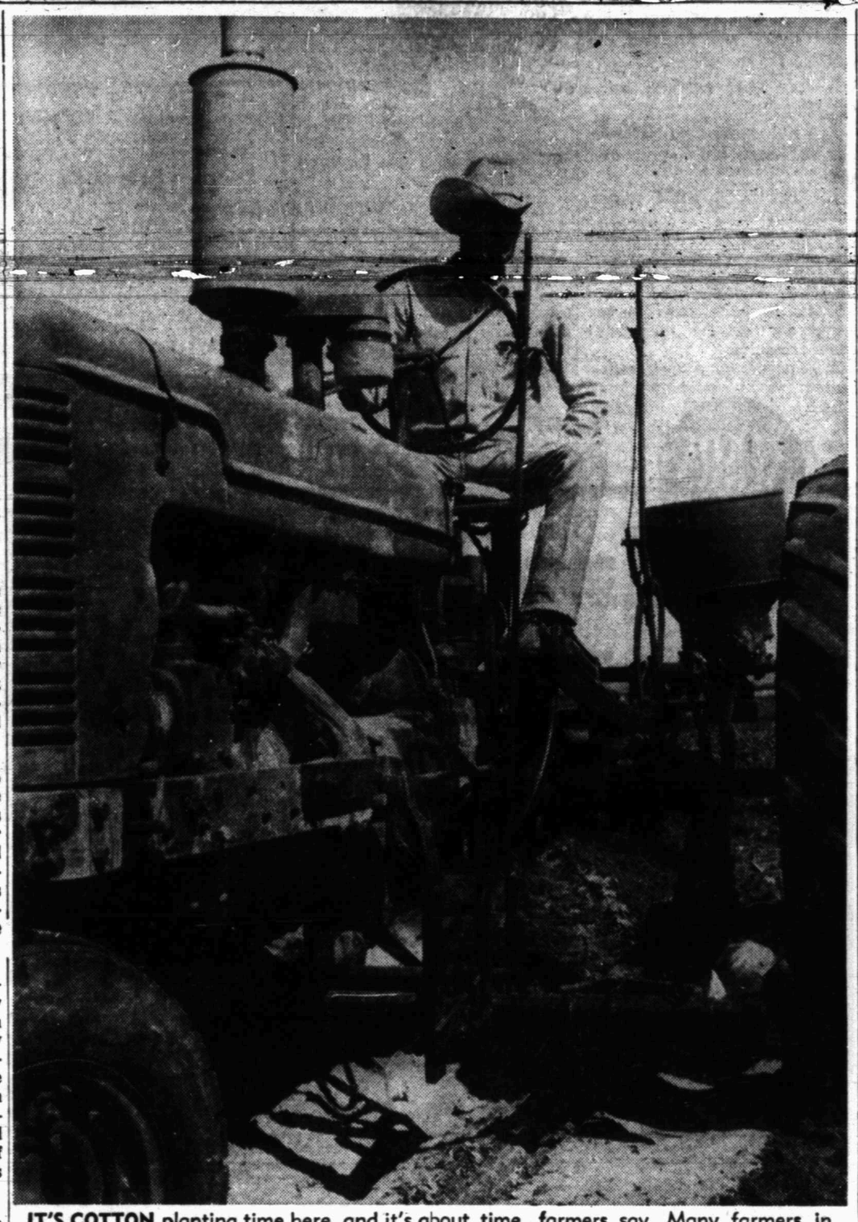

There is still talk about the possibility of establishing a county junior college here. Judging from the reports we hear about heavy loads faced by colleges throughout the country, this may become a matter of prime importance in the near future. The post-war classroom squeeze that has gripped public schools is in the process of being passed on to the institutions of higher learning.

• • •

The Scurry County Industrial Foundation is only a step away from its initial objective, thanks to widespread response in the campaign during the past two weeks. If the pace continues the organization should be in business by the time a charter can be obtained.

• • •

We would doff our hat, if we had one, to the Snyder High School baseball team. They didn't win the state chamiponship, but they did beat Garland—and they did it in the last stages of the game, just like Garland did to us in the football playoff a couple of years ago.

IT'S COTTON planting time here, and it's about time, farmers say. Many farmers in the Snyder area were in the fields this weekend getting cotton seed into the ground. Late at planting because rains held them up, farmers will have a close season and are hoping there is not a too-early frost next fall. Here, Harold Henley, who farms just east of Snyder, is the planter. (Lee Watson photograph)

Lid Is Clamped On Glaveston Gambling

AUSTIN, June 8 (AP)—Atty. Gen. Will. Wilson reported today that the lid had been slammed shut on the sprawling Galveston gambling empire and warned that gambling elsewhere in the state would be rooted out.

The "largest criminal enforcement mission ever called together in Texas" was ready to be sprung on the plush port city gambling clubs when gamblers decided to pull out, Col. Homer Garrison, head of the Department of Public Safety, added.

"Our purpose is to shut down gambling in Texas and we will keep it down," Wilson told newsmen.

The two state officials called a press conference at noon as rumors floated across the state that what Wilson termed "the multi million dollar gambling industry" in Galveston was closed.

Garrison said 60 Rangers and other top officials of his department and 23 assistant attorney generals met secretly in Houston's Junior League auditorium.

During the meeting, the officials got word that the gambling establishments had closed and the gamblers were pulling out of the city. With that information, the meeting broke up and the Rangers were ordered to return to their posts.

Both men said the raid was prepared with the knowledge and cooperation of Gov. Price Daniel.

Wilson would give no indication where any future raids were being planned but said "one good indication might be a list of federal gambling licenses." He said Jefferson County (Beaumont) had a heavier concentration of such licenses than Galveston.

He said he made a speech in Galveston six weeks ago urging the local officials to eliminate gambling.

"There were at the time about 55 establishments running professional gambling activities. We waited a decent interval of time for the local officials to do the job. There was some effort made which were commendable but the facts were that the operations continued virtually unabated. Therefore Col. Garrison and I planned a decisive action," he said.

"We will follow the same pattern all over the state, first calling upon the local people to do the job and giving them an ample opportunity to do so. In the meantime, we will be preparing evidence along this line," he continued.

Garrison said the gamblers worked up through Wednesday night and then apparently discovered that the crack down was in the offing. He said he was positive the slip did not come from any member of either department—"I have complete confidence in every man in that room."

Wilson said it did not matter so much how they found out the raid was being prepared but the important thing was that the places were closed and would stay closed.

Houston Romance Stopped

HOUSTON, June 8 (AP)—Young love is a dangerous thing and the domestic relations court has blunt and all-embracing authority to break it up, according to Judge J. W. Mills.

He issued a temporary injunction restraining a 16-year-old boy and 15-year-old girl from:

1. Eloping.
2. Seeing each other.
3. Talking on the phone or communicating in any manner.

He persuaded parents of both youngsters, and their attorneys, to accept the injunction as an agreed judgment.

The court action was initiated by parents of the girl.

They don't like the boy, they said, and he keeps coming by their home honking his car horn, and taking the girl away against their wishes.

Judge Mills issued a stinging, coldly practical lecture along with the injunction.

"Going steady," he said, "is a most unfortunate practice for teenagers and should be discouraged by parents, churches and schools in constructive counseling programs."

He said it leads to trouble almost every time.

Anticipating a reporter's question before it was asked, Judge Mills leaned back in his chair, grinned, and said:

"You bet I can make it stick."

Ira Firm Named In Charge

COLORADO CITY, June 8 (AP)—Mitchell County Atty. Frank Ginzel today filed charges of pollution of the waters of Lake Colorado City against two officials of the Southwestern Hydrocarbon Co. Inc.

The charges were filed against Woodrow Wilson of Ira, Scurry County, local superintendent, and Bert Guthrie, head of the company, on a complaint by Texas Game Warden M. T. Reinhardt.

Reinhardt said the complaint was filed after discovery of a large quantity of crude oil on Morgan Creek, two miles above the Highway 80 Bridge.

The charges allege the oil came from a tank on the old Coleman Ranch near Cuthbert and travelled down draws to Grave Creek and then to Morgan Creek.

Lake Colorado City is formed by a dam on Morgan Creek.

Howard Cynum, lake patrolman, said part of the oil was being held by a 'skimmer," made of boards and sacks and that some has drifted past the "skimmer" and is slowly floating downstream. He said he doubted that much oil would reach the lower part of the lake unless more rains come.

Lake Texoma Faces New Flood Threats

By The Associated Press

Another round of thunderstorms that could send more walls of water coursing down streams above flooding Lake Texoma was predicted Saturday.

A weather bureau alert for severe storms with damaging wind and hail was in effect until 9 p.m. (cst) over the eastern Texas Panhandle and Western Oklahoma.

The area lies within a line from 30 miles southwest of Wichita, Kan., to 40 miles northwest of Ardmore, Okla., to 50 miles southwest of Amarillo to 95 miles northeast of Dalhart and back to Wichita, Kan.

The warning came after three days of mostly sunny skies which gave the state one of the few breaks it has had since violent weather started lashing the state April 18.

An afternoon shower was sighted northeast of Galveston and a thunderstorm boomed to the south of Palacios.

The new disturbances may come from a meeting of cooler and warmer air in a huge front that was hanging stationary across the alerted regions, a weatherman said.

Engineers and highway crews worked feverishly to reinforce parts of two Red River levees that protect bottom lands around Index, Ark., downstream from Lake Texoma.

Trinity River waters that and Dallas two weeks ago surged across lowlands at Midway, between Madisonville and Riverdale. The river was at 44.87 feet, or 1.88 feet above flood stage at Midway and "is out all over creation," Lubille Anderson, Trinity newspaperwoman said.

It was the second time for the Trinity to flood there this year.

Otto Thornton lost all the topsoil off 300 acres of plowed and seeded land when the Trinity dropped a week ago.

He reported "just rock, sand and gravel" on the tract he valued at more than $100 an acre.

Thornton said he would have to plant cover crops for years in the future before he could grow anything else.

The Trinity was at 35.73 feet, nearly 5 feet below flood stage, but was crest at 3 feet above flood stage in that southeast Texas area by Tuesday.

Around Shreveport, La., about 40 families evacuated their homes as lowlands of Red River Parish braced from a second round with floods.

Volunteers repaired damage received by levees in the Creighton-East Point area during last month's flooding.

The Weather Bureau predicted a crest of 36.5 to 37 feet at Coushatta, La., June 12. Georgie Wise, Civil Defense Administrator, said if the river stayed below 36.5 there would be no danger.

A crest of 32 feet is expected to hit Shreveport by Tuesday. Last month the Red crested at 33.9 feet.

Foundation Drive Is Nearing Goal

About $20,000 was the total by this weekend raised for the new Scurry County Industrial Foundation.

The foundation is working toward a goal of $25,000 or more by the time it is chartered. Those working on the foundation are now making final arrangements for its charter.

A number of workers are still contacting businesses and employes in this area. A group of merchants who began contacting about 200 prospects several days ago still have several cards out.

The Junior Chamber of Commerce took about 100 prospect cards late last week and will make contacts within the next few days.

Latest businesses and individuals which have become members of the industrial foundation:

Snyder National Bank, Piggly Wiggly Grocery, Pat Beene, Jim Alvarez, Skipper Moore, G. R. Gregory, Doug Burney, R. J. Reynolds, E. H. Devers, A. M. Roberts;

G. L. Brown, Walter Sellars, George Lee, A. F. Barton, Merle Ramsey, Jean Robinson, K. O. Pitner, Leighton Griffin, Pat Bullard, Carl Woods;

Science To Get Emphasis

AUSTIN, June 8 (AP) — The state board of education today voted to increase requirements for high school graduation, placing more emphasis on science.

Effective during the 1958 - 59 school year, graduates must have 16 units, including two years (units) of laboratory sciences. The present requirement is 15 units with some schools giving one credit for physical education and health.

Physical education will no longer count in compiling the 16 units.

In addition, every accredited high school must make available four years of English, laboratory sciences and mathematics and 2½ units in social science.

West Dallas Is Criticized

DALLAS, June 8 (AP) — West Dallas, where some of the state's most notorious criminals got their start, was described today as a "concentration camp" area of "unspeakable filty."

The Dallas Citizens Council made a written report on the section of 60,000 which the city annexed in 1952.

The group said the city's progress deserves commendation but urged quick action to bring added relief to "these blighted portions of our city."

"Blighted slum areas still exist where the living conditions are so bad as to be a threat to public health and welfare," the report said.

It was from West Dallas that such outlaws as the late Bonnie Parker, Clyde Barrow and Raymond Hamilton blazed trail of murder and robbery across the country.

Local Youth Hurt In Airplane Crash

A Snyder youth was injured critically yesterday in a plane crash near St. Clair, Mo.

He is Glen Huffman, Jr., 20, whose parents live at 3741 Sunset.

Huffman has been in the Army two and one-half years and is stationed at Fort Leonard Wood, Mo.

He was a passenger in a plane piloted by Wesley Bates, 38, of Waynesville, Mo. Bates was killed in the crash.

Huffman suffered third degree burns on about three-fourths of his body. First hospitalized at Washington, Mo., he was later transfered to the post hospital at Fort Leonard Wood.

Huffman's parents went to Fort Leonard Wood yesterday.

The plane was coming in for a landing near St. Clair when it struck a high voltage line and crashed.

Huffman attended Snyder High School and was active in football. He was a service station employe before going into the army.

Florida Hit By Tornados

JACKSONVILLE, Fla., June 8 (AP)—A series of small tornadoes ripped through north central Florida today, uprooting and splitting hundreds of trees and damaging four houses.

No injuries were reported.

The Weather Bureau said the tornadoes seemed to occur along a line of heavy thunderstorms that moved across the state in late afternoon and evening.

One twister took away part of the roof of the Otis Fort home in the Ocala National Forest near Lake Bryant. The family was reported shaken up but no one was hurt.

Another tornado hit the farmhouse of Mr. and Mrs. A. D. Langford about 20 miles west of Gainesville.

Mrs. Langford was home with a daughter and two grand-children.

Reds Say World's Oldest Man Dies

LONDON, June 8 (AP) — Moscow radio reported today the death of Egor Koroyev whom it described as 157 years of age and "the oldest man in the world."

"During the 1812 Napoleonic Campaign in Russia, Koroyev was kitchen boy in the service of Gen. Aleksei Ermolov," Moscow declared.

The broadcast said Koroyev, who died in the village of Ermani in the Caucasian republic, was just one of many long-living Russians who thrive beyond the 100 year mark.

WT Leaders Meet

MINERAL WELLS, June 8 (AP)—More than 30 West Texas leaders met today to discuss regional development of business, industry, government and agriculture. The meeting is sponsored by Texas Technological College and under the direction of Dr. Per Stensland, Tech educational program head.

Four Escapees From Gatesville Captured

CLEBURNE, June 8 (AP) — Four boys who escaped from the state training school at Gatesville, Tex., were captured here today.

Cleburne sheriff Earl King caught the youths after pursuing them at a speed of 110 miles per hour. Police said the boys were in a car they took at Gatesville.

The training school identified them as David Thompson, 17, Dallas; Jimmy Pettigrew, 15, Fort Worth; Lloyd Lambert, 16, Fort Worth; and George Flowers, 16, Houston.

Girls State Opens

AUSTIN, June 8 (AP)—The 13th annual Bluebonnet Girls State opens here Monday with more than 360 junior students from Texas high schools attending.

The program of practical training in state government and politics is sponsored by the American Legion auxiliary.

Educational TV Is Planned In Dallas

DALLAS, June 8 (AP)—Officials of the area Educational Television Foundation (AEFF) said today they hope to put Channel 13 on the sets of viewers within a 40-mile radius of Dallas by the middle of the next school year.

E. O. Cartwright, foundation president, said the foundation's directors hope to have the station operating by Feb. 1, 1958.

WEATHER

SNYDER TEMPERATURES: High Friday, 91 degrees; low, 63 degrees; reading at 7:30 a.m. today, 66 degrees.

West Texas: A few local thunderstorms and widely scattered thundershowers in afternoon and evening Sunday and Monday. No important temperature changes.

Johnson Seeks Idea Exchange

NEW YORK, June 8 (AP)—Senate Majority Leader Lyndon B. Johnson proposed tonight that the United States and Soviet Russia present their ideas on each others television and radio once a week.

"I am calling for an open curtain for full discussion of the immediate urgent problems facing our people," he told a conference of the United Jewish Appeal in a prepared speech.

"We should insist on the right to state our case on disarmament in detail to the Soviet people.

"We should have weekly appearances during this year on Soviet radio and television, and we should offer similar facilities here."

The Texas Democrat noted that Soviet leader Nikita Khrushchev, in his filmed interview telecast in the United States by CBS last Sunday, called for competitoin between Socialist and capitalist states.

"There is one form of competition — the clash of ideas—that Americans would welcome with delight," Johnson said.

Suggesting that industrialists, labor leaders, farmers, scholars and professional men take part in the broadcasts, the senator stressed: "I am not talking of merely one reply to Khrushchev by the President or some other official."

President Eisenhower told his news conference Wednesday that, "somebody in the government"—but not himself—would be glad to answer Khrushchev if the Russians would air the reply without jamming or otherwise interfering with it.

Expressing doubt Khrushchev could advance any logical reason for not allowing Russians to hear American proposals, as the Americans heard his, Johnson said:

"We should not let a single day pass without raising this issue. We should call it up in the United Nations; we should make it a basic proposal in all disarmament talks; we should insist upon it every time a Russian representative is within earshot."

Johnson said he had no fear that Americans would be swayed by Communist propaganda.

But he saw the proposed broadcasts as a chance to present free world ideas which would be new to the Russian people.

"The Russian people have never had an opportunity to weigh the free world's proposal for the control of atomic energy," Johnson said. "They were never informed about it openly and frankly. They never knew that Stalin provoked an arms race that, if continued, must end in the total elimination of mankind."

Heated Dispute Over Girard Case Heads For White House

WASHINGTON, June 8 (AP)—An international uproar over the impending trial of an American GI in Japan headed toward the White House today.

James C. Hagerty, White House press secretary, said a delegation from Army Specialist 3.C. William S. Girard's home town will be received Monday to discuss the case.

The group, including Girard's older brother, Louis, 28, will see Edward A. McCabe, associate counsel to President Eisenhower, shortly after arriving by train from Ottawa, Ill.

Petitions being brought to Washington by the home town committee call on the United States to reverse its decision to permit a Japanese court to try Girard for the killing of a Japanese woman scrap scavenger.

Secretary of State Dulles shied away from comment on the case.

"I do not want to get involved in that," he told reporters at a New York airport. "It is before the courts, you know."

Returning to Washington from an overnight trip to New York, Dulles repeated that he would not personally appear in court here Tuesday in connection with proceedings to block the Japanese trial of Girard.

"My counsel will appear for me," Dulles said.

Subpoenaes were served at the State and Defense Departments yesterday for records in the case. Tuesday's court hearing is on an application by attorneys for Girard for an order directing that he be produced in U. S. District Court.

Girard was not lacking for volunteer legal help. Latest to offer his services was Municipal Judge John F. Aiso of Los Angeles, who said he was of Japanese ancestry and an expert on Japanese law. Aiso, a lieutenant colonel in the Army Reserves, suggested that he be assigned to temporary active duty for the trial.

Trade With Communist China Expected To Start Booming

PARIS, June 8 (AP) — Despite American pressure, current negotiations on China trade seem certain to develop into a scramble to follow Britain in quest of Shanghai dllars.

With barriers to Communist China trade lowered, the atmosphere is developing for easing of present restrictions on trade with the Soviet bloc in Europe.

No formal announcement has come from the China Trade Committee, which deals with controls on trade with China, North Korea and North Viet Nam, nor from the Coordinating Committee which deals with the controls on the trade with Russia and the Soviet bloc. Both committees meet almost daily in Paris. Their findings are so carefully classified for security reasons that news about them comes mainly from other places.

The first big break in two years came last week when Britain, after months of negotiating, announced it was no longer going to apply a type of trade blockade against Red China which wasn't applied against Russia and its satellites.

American sources in Washington and elsewhere seemed convinced that Japan, France, West Germany and others of the 15 nations represented on the Trade Committee, except the United States, would follow Britain.

Out of the skirmishing has come a new indication that even the list of goods whose shipment to Russia and the European satellites is embargoed or controlled may be revised—downward.

The last time that happened was in 1954. It created such a stir in the U. S. Congress that a Senate investigation was launched.

Long before the Korean War began June 25, 1950, the Western allies with Britain among the foremost, began cutting off shipments to Russia of goods which would make her a more powerful enemy.

On 270 items there was a flat embargo.

That included arms, atomic materials, and a vast array of metals, lathes, drills, chemicals and oils.

On 90 items of lesser strategic importance, Limits were placed on the quantity which might be exported. This was called the quota list.

Next came a list of 100 items of still less strategic importance on which a watch would be kept to see whether any shipments began to look excessive.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

ADMISSIONS — Robert Lomax, 1705 Avenue Q; Bobby Ray Treat, route 2; O. W. Lee, 3709 Sunset; Bobby Wilson, Route 3; Larry Davis, Box 26, Ira; Mrs. Paul Foster, route 3; Jesse Clements, 810 Seventeenth; Debra Smith, Gen. Del.; Ricky Akin, Box 83.

DISMISSALS — Malcom Hanson, 3765 Highland Drive; Mrs. Cleon Provins, route 3; C. Y. Trusdale, route 2; Mrs. C. H. Jones, route 3; Billy Ray Grimmett, 3111 Avenue R.

COGDELL MEMORIAL

ADMISSIONS — Velma L. Rinehart, 2006 Avenue S; Katherine Henderson, Box 1572; Lee Sturdivant, 3104 Avenue B; Horace Blake, Walker, route 3; Linda Robinson, 123 Twentieth Street; Pamela Watson, 1312 Avenue T; Abner M. Boyd, 1306 Twenty-fourth Street; Mrs. Richard Stoker, Clairemont Road; Velma June Bowles, 1500 Avenue T; Theresa Lee Baker, 2611 Forty-second Street; Max Jones, 2305 Avenue K; Eva Nimmo, F. Lane, 3011 Thirty-ninth Street; Jesse Lawhon, Box 1412; Bennie May Hail, 2800 Avenue U; Evagene Wilson, 2505 Twenty-seventh Street; Cloyce Darlene Clements, route 1.

DISMISSALS — Irene McFarland, 2234 Sunset; Peggy DuVall, 2308½ Thirty-second Street; Gilbert Palmer, 1206 Twentieth Street; Hairl Stacy, Ira; Maurine Pilcher, 2318 Sunset; Robert B. Ross, Snyder; Robert Lomax, 1706 Avenue Q; Mrs. Opal Rhodes, Box 1104; Jane Cotton and baby, 2312 Thirtieth Street; Abner Boyd, 1306 Twenty-fourth Street; Jean Ann Edmiaston, Box 754; Patsy Bowers, 406 Thirty-first Street; O. S. Clark, 2609 Thirty-second Street; Helen Bunn and baby, 2700 Avenue F; Katherine Henderson, Box 1572; Patsy Ann Cornett and baby, Snyder; Benjamin West, 300 Twenty-third Street; Theresa Navickas and baby, Colorado City; H. B. Walker, route 3.

Three Teen-Agers Drowned In Creek

HOUSTON, June 8 (AP) — Three teen agers — two brothers and a cousin — drowned in a creek near Lake Houston while fishing late yesterday and rescuing agencies were all night long recovering the bodies.

Drowned was David Wiggins, 13, son of Mr. and Mrs. William Wiggins of Houston, and his two cousins, B. J. Weid, 16, and Larry Weid, 14, of Lake Charles, La.

Endowment Fund

DALLAS, June 8 (AP) — A $15,000 endowment fund to bring outstanding religious lecturers to Southern Methodist University has been established by a Floydada Methodist churchman and philanthropist, Dr. J. M. Willson. SMU President Willis M. Tate made the announcement today.

HOME ON LEAVE—A-3c Billy G. Wilkinson, son of Mr. and Mrs. O. H. Wilkinson, is home on leave after completing his basic training at Lackland Air Force Base in San Antonio. He will report Tuesday to Bolling AFB in Washington, D. C. (Wolfe Studio photograph)

Crackdown On Liquor Is Started

OKLAHOMA CITY, June 8 (AP)—Oklahoma City's illegal liquor business reeled today from an all-out attack by a young county attorney.

County Atty. James W. Berry, 35, who took office last January, sent sheriff's officers on a series of raids, resulting in a number of arrests.

Evidence is being collected by Berry for padlock actions against more than a dozen whisky stores, which have flourished in the capital of this dry state depite periodic raids.

"I intend to find out what what makes the whisky business tick in Oklahoma County," Berry said. "People tell me you can't enforce the liquor laws in Oklahoma. If you can't I want to find out why. If you can enforce them I intend to see they are enforced."

Bootleggers voiced displeasure. "This is a heck of a time to start liquor enforcement campaign," said one. "How can the state celebrate its 50th birthday (June 14-July 7) without a drink? It's bad for business."

Water Board Is Planning Special Study

AUSTIN, June 8 (AP) — The State Board of Water Engineers today said it was going out - with hat-in-hand" seeking $17,000 for an emergency study of the unprecedented 1957 Texas floods.

"The long duration of rainfall and a real extent of river flooding appear to have exceeded all previous storm periods of recorded history in the state," board chairman R. M. Dixon said.

"Our very meager appropriations are being rapidly depleted for this routine work," he said in an interview. "The amount of flooding which has occurred was not anticipated. We're going out with hat - in - hand for the money from five water districts and river authorities."

The 55th Legislature ignored an emergency request from the water engineers and Gov. Price Daniel, who asked $25,000 be appropriated to study the floods which are hitting the state.

Gov. Daniel Signs Four Amendments

AUSTIN, June 8 (AP)—Gov. Daniel today signed four proposed constitutional amendments, which will need voter approval before becoming law.

Two will be voted in November and the other two a year from then.

The resolutions would propose an amendment:

1. Providing for the issuance and sale of 200 million dollars in bonds to provide financial assistance to cities and water districts to build dams to conserve and develop the state's water resources.

2. Providing for annual sessions and $7,500 annual salaries for the legislature.

3. Increasing the maximum monthly payments to the needy aged, blind and dependent children.

4. Providing medical care for persons eligible for old age assistance by matching state money with federal aid.

The governor also signed a bill which set up the enabling legislation for the water amendment by creating the Texas Water Development Board and listing its duties. The medical care and water amendments will be voted on in November.

Annual Convention

BROWNSVILLE, June 8 (AP) — Law enforcement officers and state officials were expected here tomorrow to register for the 58th annual convention of the Texas Police Assn. which begins here Monday.

Killed In Crash

DENISON, June 8 (AP)—Mrs. Helen Gray, 43, Hot Springs, Ark., was killed today in a head-on collision on highway 82 six miles west of Sherman. Injured were her son, Clyde, 16, who was driving the gray car; the other driver, Mrs. Patricia Reed, Whitesboro, Tex.; and her son, Billy Gene Reed, 3.

Head-On Collision

BAY SPRINGS, Miss., June 8 (AP)—The head-on collision of a car and truck near Bay Springs yesterday killed a Dallas woman and her -month-old son. The victims were identified as Mrs. Shirley Combest of Dallas and her son, Gregory.

Manufacturer's Suggested Price—for this 2-Door SPECIAL 6-Passenger Sedan
$2595.83
(including Delivery and Handling Charges and Federal Excise Taxes)
Transportation charges, state and local taxes, if any, accessories and optional equipment, including Dynaflow transmission, radio, heater and white sidewall tires, additional.

Exclusive with Buick
SAFETY-BUZZER*
—the "built-in conscience" that buzzes when you reach the miles-per-hour you want to stay under, beeps silent when you drop below that pace.

YOU COULD add up the figures on size, weight, room, power.

From that alone you'd discover an important fact: how much more automobile you get in this Buick that's priced so close to the smaller cars.

But in your heart you know you want even more:

You want action. You want fun. You want lift and life and response. You want to feel absolute master over your going and stopping.

So try this Buick—*just try it.*

It drives and rides and brakes and steers and handles like no other car you've ever known before.

It has a brilliant new V8 engine—like silk with the flow of Niagara.

It has a spectacular new Dynaflow*—*instant* and smooth to the infinite.

It has powerful new brakes, new roadability, **a new precision in its handling.**

But the total feeling you get from all this is far, far more than words can bring you.

Come in, sit behind the wheel, and see for yourself why this great buy is the dream car—the hit of the year—*to drive.*

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special. Safety-Buzzer is standard on Roadmaster, optional at extra cost on other Series.*

Big Thrill's Buick — The most completely changed Buick in History!
SPECIAL • CENTURY • SUPER • ROADMASTER — and ROADMASTER 75

FIRE STATION OPENING TODAY—An epen house will be held from 2 to 7 o'clock this afternoon to display to the public the new city fire station above at Thirty-fourth Street and El Paso Avenue. The sub station is Snyder's third fire station, and was constructed to provide greater protection to the rapidly growing southwest part of Snyder. (Lee Watson photograph)

Open House Will Be Held At Fire Department Sub Station

An open house of the city's third fire station will be held to display the new facility to the public, D. A. Porter, fire chief, said.

The formal open house will be held at the new fire department sub station at Thirty-fourth Street and El Paso Avenue from 2 to 7 o'clock this afternoon.

The new building and its equipment, which cost a total of $49,297.58, was paid for from a portion of the city improvements bonds totaling $300,000 voted last year here.

Although the station will have two fire trucks, and has facilities to house eight firemen per shift, at the present it will be manned by only one paid fireman on each shift.

Ed Shuler and Murry Boyd, both experienced paid firemen, will alternate shifts at the new station, and when the fire siren is blown and one truck taken from the station to a fire scene, the off-duty firemen will report to the station to man the other truck if it is also needed at a fire.

The station was built primarily to serve the fire fighting needs of the growing southwest section of Snyder, but it will benefit all parts of town through permitting lowering of fire insurance rates throughout the city.

Equipment at the station includes a new heavy-duty Ford truck with complete fire fighting equipment which was purchased recently at a total cost of $11,532.10, and a light-duty Chevrolet truck with high pressure pump purchased complete as Air Force surplus fire fighting equipment. Host for the Ford truck cost $4,754.69, and hose for the Chevrolet truck was purchased by Scurry County in its program of cooperation with the city for fire protection outside the city limits.

Another expenditure for the new station included $1,200 for purchase of the lot, which was considerably discounted by Winston Brothers because of the civic nature of the use to which the lot is to be put. Other expenses were $213 for street paving, $1,300 for furniture, $450 for draperies, $108 for venetian blinds, and $287 for sanitary sewer to the building.

The building was constructed by T. E. Shellburn & Sons, general contractors.

The open house today will be sponsored by the city and the fire department, with the members of the Women's Auxiliary of the Snyder Fire Department acting as hostesses for the open house, and serving light refreshments.

Members of the city council plan to be on hand to greet guests and explain the fire fighting facility.

ON POSTAL REQUEST

Speedy Action Is Predicted

WASHINGTON, June 8 (AP)—Sen. Robertson (D-Va) said today he believes the Senate will try to expedite Postmaster General Summerfield's request for more funds to prevent postal service cuts July 1.

Even with unusually speedy action in both branches, however, it appeared that it would be a close race whether Congress could act in time to prevent the cuts from taking effect.

Robertson, who heads the subcommittee handling postal appropriations in the Senate, told a reporter Summerfield had asked that Senate hearings on his request be held before the House acts.

The Virginian said he believed this could be done. He declined to state his own position on granting the extra money.

"Either we vote to give the department some more money," he said, "or they will have to cut their services. They can't do all the things they're doing now unless they get more money."

The postmaster general, backed by President Eisenhower, is asking for 149½ million dollars additional for fiscal 1958 which begins July 1. Congress voted the department $3,192,000,000 for the year—58 million less than the President's budget.

Summerfield said he would require restoration of the full cut plus almost 92 million more. He said mail volume was running far ahead of what was anticipated when the budget was made.

Two months ago he cut out Saturday home mail deliveries and made other cuts when Congress failed to give him a supplemental appropriation for fiscal 1957 by his April 1 deadline. These cuts were quickly restored once the money qas voted.

A House Appropriations subcommittee scheduled a hearing yesterday on the 1958 supplmental request. It was called off when the postmaster general said he was not prepared to list what what services he would cut if he got no additional funds. He was told to return Tuesday with this information.

Sen. Ellender (D-La) told a reporter he believed Congress should stand pat on what it has already voted the Post Office Department.

Sen. Dirksen (R-Ill) said he expected that the department would be given a supplemental appropriation.

Both men are on the Senate Appropriations Committee.

4 County Students Enrolled At H-SU

Four Scurry County students have enrolled for the first session of summer school at Hardin-Simmons University.

They are Suzanne Houston, daughter of Mr. and Mss. L. P. Houston, Patsy Lee Huffman, daughter of Mr. and Mrs. Glenn Huffman, Kenneth Lane Simmons, son of Mr. and Mrs. F. L. Simmons, all of Snyder, and Joanna Beth Wall, daughter of Mr. and Mrs. W. M. Wall of Hermleigh.

The first six- weeks session of summer school started at H-SU Wednesday with registration. Courses of instruction are being offered this summer in 2 major departments of the unive3rsity.

Red-Ruled State Out Of The Red

MADRAS, June 8 (AP)—Kerala, India's only Communist - ruled is out of the red.

Finance Minister C. Achutha Menon put a budget before the Legislature at Trivandrum showing a surplus of 733,000 rupees—$152,000—instead of the customary deficit.

It was easy: Kerala has several new taxes.

Manager Resigns

IRVING, Tex., June 8 (AP)—John Stiff, 36, former Abilene, Tex., city manager, resigned today as Irving city manager, effective June 20. He said he has several job offers but didn't give his future plans.

Bible School Slated By Baptist Church

Vacation Bible school will begin tomorrow morning at the Avenue D Baptist Church.

Classes will be from 8 to 11:30 a.m. daily through Friday.

Principal is the Rev. A. J. Martin, pastor. Beth Wiman is pianist, Mrs. Richard Hardin secretary, Mrs. Ed Fenton chairman of refreshments, and faculty superintendents include Mrs. R. L. Hock, nursery; Mrs. Bill White, beginners; Mrs. E. J. Hardin, primary I; Mrs. Jerry Drinkard, Jr., primary II; Mrs. A. E. Vice, juniors; Mrs. A. J. Martin, intermediates.

Hunt For Tigers

NEW YORK, June 8 (AP)—They took off after flying tigers hidden in the swamps of Staten Island today. A helicopter armed with the industrial equivalent of an economy-sized DDT spraygun had orders to shoot to kill. The target: the vicious, striped-body aedes sollicitans, nicknamed "flying tiger" by health officers, and called a salt marsh mosquito only by those unanguished by his fang.

Hurricane Season May Be About Due

AUSTIN, June 8 (AP) — A state disaster expert said today a severe hurricane season following widespread tornadoes and floods could turn 1957 into "the most desolate year in the history of Texas."

James H. Garner, deputy state coordinator of defense and disaster relief, said that tropical disturbances for Texas may be about due. He said it was in 194 when the last3 hurricane ripped along the Texas Coast.

Since then, the area has built up considerably and the governor has directed the state disaster office to strengthen civil defense measures as protection against the possibility of heavy loss from a hurricane.

Born Under Condemnation?

IS MAN CONDEMNED AT BIRTH? This is claimed by some and it is based on this text, "Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned." (Rom.5:12). It is a fact that physical death came into the world as a result of Adam's sin (Gen. 3:1-6), but so also did spiritual death—separation from God (Gen. 3:17-24; 1Jno.3:4; Isa.59:1,2). It is also a fact that "spiritual life" [illegible] Christ (Eph.2:1). Now, which "death" is the apostle speaking about in Rom.5:12? The context shows that is is "spiritual death"—separation from God. Verse 14 shows this to be so, "Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam's transgression, . . . " Note, "death reigned . . . over them that had not sinned after the similitude of Adam's transgression." Adam transpressed a positive law—"thou shalt not eat . . . " (Gen.2:15-17); other men transgressed moral law—"thou shalt not kill, steal, etc." Either transgression is sin (Jno. 3:4). But this verse 14 shows that sin was not inherited from Adam! For instance, if Adam had introduced measles into the world, that would not prove that all his descendants are born with measles! Even so, verse 12 says, "so death passed upon all men, for that all have sinned." Every person who is old enough to be responsible to God for his conduct has sinned, "As it is written, There is none righteous, no, not one; . . . For all have sinned, and come short of the glory of God." (Rom.3:10-23). Man is not condemned at birth!

IS MAN BORN BY NATURE A SINNER? This is claimed by some and it is based on this text, " . . . and were by nature the children of wrath, even as others." (Eph.2:3). Such claimants believe that "by nature" means that a person is born a "child of wrath." However, consider the context, "And you (Christians) hath he quickened ("did make alive" ASV), who were dead in trespasses and sins." (Eph.2:1). Remember that "sin is the transgression of the law." (1Jno.3:4). The apostle goes on to say, "Wherein in time past ye walked (notice, "ye walked") according to the course of this world . . . fulfilling the desires of the flesh and of the mind (Does this sound as if they were born in this condition? They did these things in their conduct!); and were by nature the children of wrath . . . " (Eph.2:2,3). "By nature" refers to their conduct in living a sinful life. They were not born that way! To say that people are born subject to sin is far from saying that people are born sinners!

CHILDREN ARE BORN SAFE—NOT SINNERS! Jesus said, "Suffer little children, and borbid them not, to come unto me; for of such is the kingdom of heaven." (Matt.19:14). Note, "of such is the kingdom of heaven"! They were born that way—safe! They have not sinned nor is sin inherited: remember sin is committed (1Jno.3:4). The Holy Spirit says, "The soul that sinneth, it shall die. The son shall not bear the iniquity of the father, . . . " (Ezekiel 18:20). Neither does Psalm 51:5 say that David inherited sin. Read it and see! A person must be old enough to realize his responsibility to God for his conduct before he can transgress God's law—sin (1Jno.3:4). It is then he becomes a sinner by conduct, "dead in trespasses and sins." (Eph.2:1).

New Power Plants

BERLIN, June 8 (AP)—Red-ruled East Germany announced this week it will build 20 atomic power plants by 1970. The crying need now, said the Department for Nuclear Research and Technique, is for young people to train as experts.

Student From Here Enters Band School

Robert R. Patterson, son of Mr. and Mrs. R. E. Patterson, 3798 Avondale Ave., has registered for the ninth annual summer band and twirling school at McMurry College in Abilene. The school is scheduled for July 14-27.

Patterson will receive special instruction on the baritone saxophone, and will play in one of the concert bands at the school.

Agent Tops Company In Insurance Sales

Ernest Taylor, Snyder representative of the company, has been cited by the United Fidelity Life Insurance Co. for leading the entire company in life insurance sales last week.

During the one-week period, Taylor produced $242,708 in business, and $175,000 of that amount was on the new United Fidelity "PEP" (preferred estate plan).

This contract, issued for $25,000 or more, reflects a volume discount for the larger amount of insurance. The new plan, which was introduced by the company at a meeting of district managers and leading producers two weeks ago, has received tremendous acclaim of both the agency force and insurance buyers, and is being used extensively for estate plan purposes.

BIRTHS

A daughter weighing six pounds, one ounce was born at 5:45 p.m. Thursday in Cogdell Memorial Hospital to Mr. and Mrs. Bobby Robinson, 123 Twentieth Street.

Mr. and Mrs. Richard Stoker, Clairmont Road, are parents of a son weighing seven pounds, four and one-fourth ounces, born at 9:38 a.m. Friday in Cogdell Memorial Hospital.

OPERATION EXPLAINED—Jack Denson, engineer for the Texas Co. in Snyder, left, and Ken Burke, engineer for Kewanee Oil Co. in Ballinger, listen while Bill Murphy, Halliburton field engineer in Snyder explains operation of a Haliburton Full-Flow Packer Shoe. Murphy uses a cutaway model to demonstrate the operation. The demonstration took place during a visit of several oilmen to headquarters facilities of Halliburton Oil Well Cementing Co. in Duncan, Okla., last Wednesday.

Municipal Officials Gather At The Hague

THE HAGUE, June 8 (AP)—Municipal officials from 35 countries are gathering here for their 13th congress. Opening next Wednesday with the personal blessing of Queen Juliana, it will bring together more than 1,000 people, including 187 mayors, 82 aldermen, 33 town clerks and 55 councillors.

American mayors attending represent Jacksonville, Fla., Hartford, Conn., San Jose, Calif., Dover, N. H., Charleston, S. C., Anaheim, Calif., Cambridge, Md., and Nashville, Tenn.

Students Expelled

PARIS, June 8 (AP)—Police wanted a dozen fine arts students expelled from city-owned dormitories for being boisterous at night and having girls in their rooms. A French court ruled noise-making goes naturally with juvenile exuberance and having girls around is no offense.

Jury Panel Is Summoned For Monday

A petit jury panel has been summoned for 9 a.m. Monday in 132nd District Court here.

Cases scheduled for court this week are, for the most part, civil, though there may be one or two criminal cases.

Those on the panel:

Mrs. Charlene Erwin, Newt Morton, Lynn Fenton, George McCune, Jurden Brunken, Jack Longbotham, H. P. Wellborn, Wilson McMennamy, Ralph Wesson, Mrs. Ralph Neal;

TO APPEAR HERE—The Light Crust Doughboys, one of the best-known groups of entertainers in the Southwest for a quarter of a century, will make a personal appearance here Tuesday at the Rainbow Market. They will be in the local store beginning at 2 p.m. The Light Crust Doughboys came into being in 1930 when a group of musical millworkers from Burrus Mills organized the band. They soon became a radio tradition in the Southwest, and in 1936, Texas Centennial year, Gov. James V. Allred designated them as ambassadors of good will. They went to Hollywood and made two pictures with Gene Autry, inaugurating the series of "western-musicals" now so familiar.

June 30 May Be Important Date For You

June 30 is an important date for those who are disabled, according to C. M. Vaden Jr., field representative of the Abilene Social Security District Office.

Vaden said that under the present law June 30 is the date by which any disability of long duration must be established for Social Security purposes. After that date, a disability can be established no more than a year before the principal is filed.

If a person is disabled and fails to establish that disability with the Social Security Administration, he may forfeit forever his rights to disability payments at age 50, payments to his survivors or his own old age benefits.

Beginning July 1, those who are 50 to 65 who have established their disability with the Social Security Administration become eligible for monthly payments.

However, a person of any age who feels he can meet the following requirements should get in touch with the Abilene Social Security office before July 1, if he has not already done so:

1. Be disabled to the extent he cannot engage in any substantial work.
2. Have been disabled for a period of at least six months.
3. Have worked in work covered by Social Security for five of the 10 years before he was disabled and one and one-half years of the three years before he was disabled.
4. Have a physical or mental disability that is medically determinable.
5. Have a disability that began at least six months before the age of 65.

If a person who meets the above requirements fails to contact the Social Security Administration before July 1, he may forfeit many valuable Social Security rights permanently, Vaden said.

Persons interested may contact Vaden at the court house in Snyder on June 20, or they may contact the Abilene Social Security District Office at 766 Cedar Street in Abilene.

Ceylon Agreement

COLOMBO, June 8 (AP)—Ceylon has agreed to pay 22 million rupees—about $4,200,000—to Britain for fixed assets of air and naval bases and claims arising from the British withdrawal. The Trincomalee naval base will be handed to Ceylon formally Oct. 15 and the air base at Katunayake Nov. 1.

Credit Demands Here Are For Operating Expenses

More than $371,160.00 has been loaned to farmers in Scurry and Garza Counties during the ten months ended April 30, by Farmers Home Administration, the agency's county supervisor, Joseph E. Box, announced this week.

The heaviest demand has been for credit to finance farm operating expenses for carrying on cotton, grain and beef enterprises.

During this same ten months' period FRA extended credit in estate loans to some 18,500 Texas farmers and ranchers for a total of $54,773,000 the agency's state director, Walter T. McKay, reported.

This is an increase over the same period last year of about $6,500,000. "This increase is due primarily to the demand from family-type farmers for credit needed to place their farming operations on an efficient basis," McKay explained. "In fact," he added, "Agency records reveal that there has been a slight decline in the demand for emergency credit so far this year. Long-term credit, to develop balanced systems and make full use of resources available, has been extended to a number of operators of family-type farms who previously obtained emergency loan assistance."

McKay and members of his staff are meeting this week with National Administrator Kermit Hansen to go over agency operations for next year. This meeting is preparatory to training meetings to be held for county office staffs throughout the state. The objective of these meetings will be to insure that maximum service is rendered to Texas farmers and ranchers promptly and efficiently.

RICHMOND TO MAKE FLOOD CONTROL TALK

Cy Richmond of San Angelo, area conservationist there for the Soil Conservation Service, will be speaker again Tuesday morning for the Agriculture Workers Council of Scurry Mitchell, Nolan, and Fisher Counties.

The group will meet at 6:45 a.m. Tuesday for breakfast at the Bluebonnet Hotel in Sweetwater.

At the meeting, Richmond will speak on "Upstream Flood Control."

The subject is of special interest to Scurry County since application has been made for federal participation in a flood control project on Deep Creek here.

Texas Farmers Need More Sunshine

COLLEGE STATION, Tex. (AP)—Texas farmers need sunshine and warm weather, not more rain, the Texas Extension Service said today.

Spring rains, at first a boon, are hurting some crops and have seriously delayed planting or replanting of others, Extension Service Director G. G. Gibson said.

The rains and water-soaked grounds have hurt the 1957 wheat crop, weeds are choking fields and insects are taking heavy toll.

Cotton planting has been delayed in many areas. In other sections farmers were able to plant, only to have the seed washed out by later rains. Many fields were still too wet for replanting.

Where crops were able to get a good stand before the heavy rains, they are usually reported in excellent condition.

Pastures in virtually all sections of the state were reported in excellent shape. Condition of livestock was reported good but sheep shearing has been delayed in West Texas.

From the Panhandle area, Knox Parr reported wheat was getting more moisture than needed. Weeds are becoming a problem but prospects are excellent for high yields of wheat on the North Plains. Cotton generally about all planted, but replanting may be necessary on considerable acreage due to washing and covering by heavy rains. Pastures, he said, are furnishing excellent grazing.

Rains of 2 to 10 inches hit the South Plains area. W. H. Jones, district agent at Lubbock, said. All the district except four southwestern counties caught the heavy rains. Only a small per cent of the cotton planted was expected to survive the silting and crusting. Continued light rains are preventing replanting, he said, and farmers are facing a critical situation, for June 20 is about the accepted deadline for planting cotton. Ranges are improving, he said.

To the east of the South Plains, J. G. Simmons at Vernon reported rains over the entire district. He said grain was being damaged by excessive rain, and dry weather for grain harvest is a must. Early wheat yields of 18 to 30 bushels were reported before May 20 rains. Cotton planted last week will largely have to be replanted, he said, and thus cotton and grain sorghum plantings dropped further behind.

Ted Martin reported from Denton that excessive moisture and insects continue to damage small grains. Seven of the 10 major cotton counties in the district reported only a fourth to three-fourths of the cotton planted. The other three counties have planted none because of wet fields. Condition of livestock and pastures is good, Martin said.

From Northeast Texas, John Surovik reported more than 8 inches of rain since July 1. Cotton, corn and grain sorghum plantings were reported only half complete. Tomatoes which have survived are looking good and heavy settings of sweet potato slips were reported. Surovik added that hay is abundant but farmers were having difficulty getting it harvested.

Scattered showers and rains up to 6 inches were reported by District Agent Ray Siegmund at Fort Stockton. Livestock conditions were said to be improving and grass commencing to grow with the warmer weather. Some damage by hail and insects to cotton was reported while livestock parasites were described as bad in the east part of the district. Sheep shearing has been further delayed by weather.

Excellent, said V. G. Young, district agent at San Angelo, when asked about surface moisture. But small grains are severely damaged from wet weather, he added, and farmers are still waiting to plant. Sheep shearing is four weeks behind schedule in many counties and farm labor will be short, said Young, when weather permits full scale field work.

R. G. Burwell at Stephenville reported fields were dry enough in some counties for planting and cultivating. The oat harvest was under way but yields were short of early expectations, he said. Most crops are four weeks behind, but livestock was said to be doing good.

Five days of open weather last week enabled farmers in East Texas to complete upland plantings, bale some hay and start field cultivation, W. L. Scott said at Nacogdoches. Showers last Friday, however, delayed farm work again. Watermelons and tomatoes which survived the excessive rains were said to be growing well and a good plum crop continues to move from Jacksonville and Grapeland, said Scott.

Joe Glover at Gonzales reported rains of 2 to 8 inches last week. He said 25 to 35 inches already received this year in all except the southern tier of counties in the district. Corn was reported in the silk and tassel stage, grain sorghum heading, much hay but too wet to harvest, and cotton making excellent growth but insects increasing. Poisoning can't be done, he added, because of continued rains. A short tomato crop is being harvested with prices good. Pecan prospects are promising and cattle are doing well but external parasites are causing some trouble.

Silver Whitsett reported from Richmond that soil moisture was generally adequate in his Southeast Texas district. He said the oat harvest was about complete in northern counties of the area and crops were looking good but are late. Rice planting in Liberty County was said to be 80 per cent complete. Ripe watermelons by June 15 are forecast for Waller County and livestock generally are good, he said.

BLIND STUDENT WINS AWARD—J. K. Martin of Fort Worth, a blind student at Texas A&M College, left, receives an award for winning second place in the showmanship contest at the Little Southwestern Livestock Show at College Station. Martin, who fitted and groomed his Rambouillet yearling ewe, placed second over approximately 70 other students. He is an agriculture education major at the college.

Group Here To Attend Convention

The Snyder congregation of Jehovah's Witnesses is making preliminary plans to attend a five day convention to be held at the Sam Houston Coliseum in Houston, Junly 3-7.

J. D. Cook, presiding minister of the group said, the convention is sponsored by the Watchtower Bible Society for Jehovah's Witnesses and is one of fifteen to be held this summer. Approximately 15,000 are expected to attend the Houston gathering.

The purpose of the meeting is to provide additional Bible instruction for the witnesses. There will be morning, afternoon and evening sesions devoted to Bible talks, discussions, and practical demonstrations for this purpose.

Cook said least three members of the board of directors of the Watchtower Society will speak in Houston including Nathan H. Knorr, president of the world wide organization. The higlight of the convention will be the public address of Knorr on Sunday afternoon at 3 o'clock on July 7.

Boys State Governor Is Sworn In Saturday

AUSTIN, June 8 (AP) — Allen Gilpin of Houston today was sworn in as governor of the Lone Star Boys State.

Gilpin, heading the Pioneer ticket, defeated Morris Sheats of Lubbock by four votes in a tight election that was not decided until about 1 a.m.

Supreme Court Justice W. St. John Garwood gave the oath to Gilpin.

Ronnie Downing, Floydada, of the Longhorn Party was elected lieutenant governor.

About 500 boys are attending the annual boys state here sponsored by the American Legion.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

SO CLOSE AND YET so far is just about the way you could sum up the Tigers' showing in the 9th annual state schoolboy tournament completed Friday.

The Tigers looked like champions they are in both games but that "big game hunt got away."

Even so Snyder sports fans should be justly proud of the Tigers as they represented us well at Austin. And, of course, the Bengals performed well throughout the season.

We'll say this, the Tigers are about the "unluckiest" team in baseball. They hold a team to two hits, one of which was an infield hit that was intended for a sacrifice to begin wfth, and get beat.

We're speaking, of course, of Thursday's game with Cuero. Cuero had about as much business of beating the Tigers as Poduct would in beating the New York Yankees.

Tigers Pitching Tops

We rather doubt that anyone will argue the fact that the Tigers didn't have the best pitching staff in the tournament.

We can back this up with figures reading thusly:

In two games, Tiger opposition only got a combined four hits, two of which were infield hits, one earned run, struck out 16 times, walked 10 times and hit only five balls out of the infield including the two hits that went out of the infield. All four of the Tiger opposition hits were singles.

No other team can come close to matching these figures.

The 10 free passes, to be sure, isn't a too impressive mark, but then the walks only cost the Tigers one run so actually you couldn't say wildness beat them.

The two Tiger pitchers seeing action in the tournament, Ronnie Baker and Dwayne Prince, finished off their schoolboy careers in fine fashion despite the even break in the two state tournament games.

Prince, in fact, caused a lot of "eyebrow" raising among scouts on hand for the tournament with his no-hit relief appearance against Cuero. Baker was contacted by scouts even before the tournament got underway.

Prince was offered a 4-year scholarship and room and board at Texas Lutheran College following his state tournament showing.

Texas Lutheran, located at Seguin, has been going all out on its baseball program. Lutheran quite frequently beats Southwest Conference teams.

Both Prince and Baker were interviewed by New York Yankee scouts.

There were quite a few Snyder fans on hand for the state tournament but not as many as we expected. Maybe we just expected too much.

Interest Is Here, Though

Well, the number of fans at Austin doesn't near indicate the amount of interest in the Tiger baseball team here, though. When 1,500 or so turn out for a home game, then we know that the interest is there.

There perhaps were many, many fans who would have followed the Tigers to the state tournament had they been able to get loose from their jobs.

We might add that Snyder fans outnumbered some of the other team's followings, including Wichita Falls, runnerup in Class 4A.

Cuero, the team that nipped the Tigers in the semi-finals, probably had the biggest following.

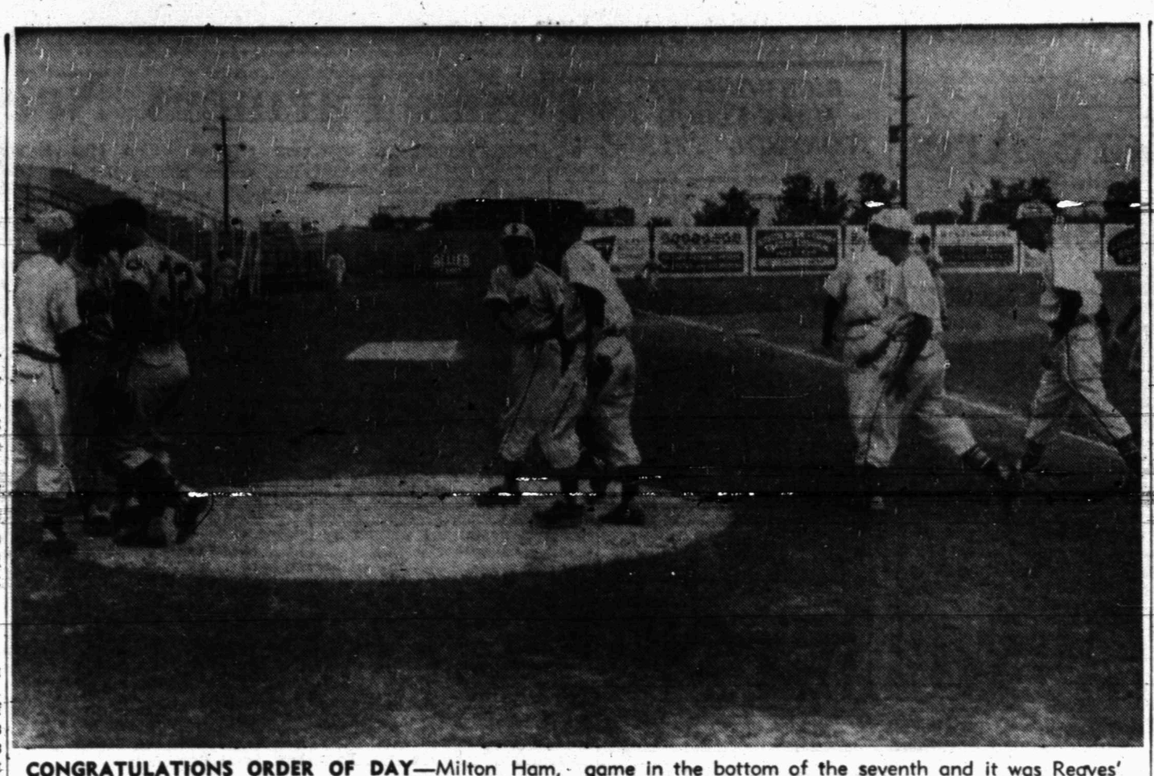

Beating Garland was a big consolation to the Tigers, especially to the graduating seniors.

The Tigers, in beating the Owls, got a little revenge over the bi-district football defeat a coupla years ago.

Ironically, it was a couple of footballers who combined their efforts to score the lone run of the game Friday, Milton Ham, who scored, and Joe Reaves, who drove him in.

For their showing this past season, we'll join with all other Tiger fans here in saying to the Tiger baseballers:

"Congratulations for a job well done."

CONGRATULATIONS ORDER OF DAY—Milton Ham, with cap off, and Joe Reaves, congratulate each other seconds after the Tigers had defeated Garland, 1-0, for third place in Conference 3A at the state tournament in Austin Friday. Ham had just scored the only run of the game in the bottom of the seventh and it was Reaves' double that drove him in. Several other Tigers are shown coming in at right to offer their congratulations while Gary Vice, far left, is congratulating two Garland players for a fine game. (Lee Watson photograph)

Tigers Capture 3rd Place With 1-0 Win Over Garland

BY BUCK FRANCIS
News Sports Editor

AUSTIN, June 8—The Tigers bounced back here Friday from their semi-final loss Thursday to defeat the Garland Owls, 1-0, to capture the 3rd place trophy in the Class 3A division in the 9th annual state schoolboy baseball tournament.

Ronnie Baker, who suffered Thursday's 3-2 defeat to Cuero in the semi-finals, came back Friday to limit the heavy-hitting Owls to only two hits to pick up his 8th win of the season. One of the two hits off Baker was of the infield variety.

First baseman Milton Ham and second baseman Joe Reaves, two of the seven seniors on the Tiger squad, collaborated to break up a scoreless duel in the bottom half of the seventh inning.

Ham slammed a single to left to lead off the Tiger seventh and he promptly scored when Reaves belted a long double to center to send Ham across with the lone run of the game.

Those two hits in the seventh represented one-half of the Tigers' total hits off Pat Sznajder, ace of the Owl staff.

Sznajder, like Baker, is a lefty. Until the seventh, it appeared the all-southpaw duel was going to carry into extra innings. But Ham and Reaves took care of this with their timely back-to-back base raps in the last go-around.

Baker struck out eight and walked five while Sznajder fanned seven and passed two.

The Tigers threatened twice to score before the seventh. In the first inning, center fielder Gary Vice led with a walk, advanced around to third on Neil Boyd's sacrifice and an error. But Vice was stranded when Ham bounced out to end the inning.

The Bengals came right back to muster another threat in the second when, with one away, Jimmy Allen drew a free pass and raced to third on a slashing single to left center by Tom Falls, Falls taking second on the throw-in.

But Allen was nailed at the plate on Coleman John's bounder to the pitcher and Baker went out third to first to end the threat.

The Tigers were then retired in order in the third, fourth, fifth and sixth innings although Tommy Prichard singled to right in the sixth. Prichard was caught attempting to pilfer second.

The Owls never got a runner as far as third. Garland put two runners on first and second twice in the game but both came after two were away and Baker got the third man without further damage each time.

The Owls' most serious threat was thwarted by a fine peg by catcher John to catch Choc Bailey stealing with one away in the first. Bailey had gotten on via a walk and after he was thrown out by John, Byron Willis drew a free pass.

Had Bailey succeeded in stealing second, the Owls would have had runners on first and second with one away but as it was they had only a runner at first with two away. Baker then got Sznajder to end the inning.

With two away in the Owl portion of the second, Tommy Barksdale drew a walk and Tommy Turner followed with a single. But Bill Stark popped out to Reaves to end this minor threat.

Only one other time did Garland get a runner as far as second. Jan Overstreet got a bunt-single with two away in the fifth and moved to second when Bailey got a free ticket. Willis then popped out to Prichard to end the inning.

Baker retired the Owls in order in the seventh to set the stage for the Ham-Reaves act that put an abrupt finish to the thriller. Garland center fielder Bailey, attempting an over-the-shoulder catch of Reaves' long drive, fell as the ball started its downward flight.

A quick relay almost got Ham sliding home. Sznajder, himself, took the relay behind the mound and fired wildly to his catcher, Turner, and Ham made it home easy. Had Sznajder's throw been true the play would have been close but it was generally agreed that Ham would have made it anyway.

The game wound up the season for the Tigers with an 18-13 showing and the highest finish in history for a Tiger baseball team. The defeat was Garland's sixth in 24 games.

Baker Named On All-State Tourney

AUSTIN, June 8 (AP) — Glenn Gregory and Jimmy Carpenter, the amazing athletes who led Abilene first to the football championship and then to the baseball crown, again were unanimous selections to the class AAAA all-tournament baseball team.

Carpenter was picked for the third straight year at centerfield and Gregory was named for the second consecutive year as the catcher.

Shortstop Robert Carothers of Abilene also was selected unanimously for the second year and Kenny Schmidt was a solid choice as one of the two pitchers.

Both Abilene and runner up Wichita Falls placed four men each on the team. Waco and Pasadena landed one man each.

The Eagles trounced Wichita Falls 9-2 for their second straight baseball crown last night.

Bryan trimmed Cuero 6-2 for the first class AAA championship awarded.

The Bronchos, paced by third baseman John Rocha as unanimous choice, landed five players on the Class AAA all-meet team. Cuero placed three and Garland and Snyder one each.

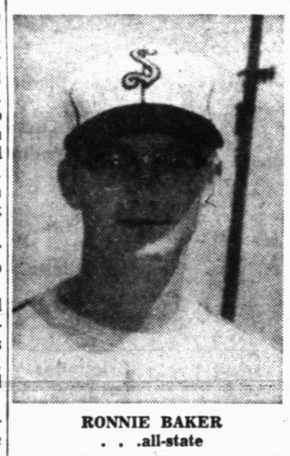

The end of the baseball tournament probably set off one of the wildest scrambles ever among the colleges bidding for the services of Gregory and Carpenter, the touchdown twins who scored about 50 touchdowns between them last fall. Both also probably will have to decide whether to accept professional baseball contracts.

Peter Morse, scout for the Philadelphia Phillies, said "Abilene's Glynn Gregory is easily the best looking prospect in this tournament. There are several other good ones, of course, but you wanted the best—so Gregory is it."

Before the tournament began, Gergory said, "I'd sign a professional baseball contract if I could get the money I want. If I don't get it, I'll go to college . . . It's narrowed down to four, all within the state. Either Baylor, Rice, SMU or Texas."

The Class AAAA All-Tournament Team in addition to the Eagles included: first base, Ronnie Lucas, Wichita Falls; second base, Jimmy Riess, Waco; third base, Oliver Bright, Pasadena; outfielders Fritz Land and David West, both of Wichita Falls; and pitcher Harold Morgan, Wichita Falls.

The Class AAA All - Tournament Team: first base, Dickie Hickerson, Bryan; second base, Lunn Skelton, Garland; third base, John Rocha, Bryan; shortstop, Joe Burt, Bryan; outfielders, Lloyd Sheffield, Bryan, Henry Batten, Bryan, Tommy Mangum, Cuero; catcher, Bill Lee, Cuero; and pitchers, Ronnie Baker, Snyder and John Schmidt, Cuero.

NCAA MEET

Track Carnival On Tap At Austin

AUSTIN, Tex., June 8 (AP)—The National Collegiate Athletic Association track and field meet goes on here next weekend boasting six Olympic champions, the first American miler to crack the 4-minute barrier and four potential world record smashers.

Prospects are dime for a renewal of the sprint feud between Bobby Morrow of Abilene Christian, the Olympic king, and Dave Sime of Duke but about every other track star worth mentioning will be in the field of some 300 athletes.

Sime, who beat Morrow once but lost to him in the NCAA and failed to make the Olympic team, hasn't entered the meet and reports indicate he won't because he has been playing baseball. He did take time out to run a 9.3 100-yard dash, the best time of the year.

Don Bowden of California, who electrified the nation last week when he ran the mile in 3:58.7, hasn't said for sure he will be in the mile here although he is entered in both that the half-mile. But in the latter he has a time of 1:47.8 against the NCAA record of 1:49.5.

Villanova, powered by its two Olympic champions—miler Don Delaney and quarter-miler Charley Jenkins—is expected to win the team championship. It also has Don Bragg in the pole vault, where he has gone over 15 feet.

Bragg isn't likely to win the pole vault, however, because Bob Gutowski of Occidental, who recently bettered the world's record with a leap of 15 feet 8¼ inches, will be competing here.

Penn State Takes 20th Straight Win

OMAHA, June 8 (AP)—Penn State won its 20th straight baseball game today blanking Florida State 7-0 in the first round of the NCAA College world Series.

The victory will send the undefeated Nittany Lions into Sunday's second round against Texas. The Longhorns, NCAA champs in 1949 and 1950, stopped Connecticut 3-0 in the opening game today.

Florida State and Connecticut also will clash Sunday in the double elimination meet.

Ed Drapcho of Penn State held the Seminoles to three hits in posting his 11th straight win. The Nittany Lions were never in trouble after scoring four runs in the second inning.

Moore To Discuss Bout With Robinson

FRANKFURT, Germany, June 8 (AP)—Light heavyweight champion Archie Moore announced tonight he will fly to New York June 17 to negotiate for a title match with Sugar Ray Robinson, the middleweight champion.

The announcement was made by Moore's manager in Germany, Baron von Stumme. Stumme said they hope to stage the match in Los Angeles, where it would—as Stumme put it—"draw close to a million dollars."

A date has not been fixed. Stumme said if negotiations are successful, the bout would be promoted by singer Frank Sinatra.

Three Texans To Play In Cage Prep Game

HUTCHISON, Kans., June 8 (AP)—Three Texans will play in the All - America Prep Basketball Game here next weekend.

On the West squad, coached by Phog Allen, former coach of Kansas, will be Jerry Cobb of Dallas Sunset High School, a 6-foot-3 guard who was all - state in Texas Class AAAA.

On the east squad, coached by Gerald Tucker, United StatesOlympic coach, will be Don Stanley of Buna, who was all - state Class AA in Texas, and Warnell Jones, the star of Booker T. Washington High School in Conroe.

Tigers Pound Yankees, 7-4

DETROIT, June 8 (AP)—Blasting rookie Ralph Terry and reliever Tommy Byrne for six runs over the first four innings, the Detroit Tigers continued their mastery over the New York Yankees today with a 7-4 verdict before 27,065 spectators.

Right-hander Paul Foytack spaced eight hits and survived home run blasts by Joe Collins and Elston Howard and posted his seventh triumph against four losses. The Tigers now have won four in a row and have whipped the defending world champions four straight times while winning five of the six contests between the two teams.

Terry, who hadn't allowed a run in over 16 previous innings, was lifted after yielding four runs and seven singles in less than three innings. Byrne snipped the Tigers' third inning splurge but the aging southpaw got himself into trouble in the fourth.

He walked leadoff man Frank Bolling and gave up Charley Maxwell's seventh home run to the right field upper deck.

Al Cicotte allowed the Tigers only one run and three hits over the last five innings.

Pierce's 10th Win Boosts Chisox Lead

CHICAGO, June 8 (AP) — The American League's top pitcher, lefty Billy Pierce, won his 10th decision and seventh in a row today with a fine three-hitter which gave the first-place Chicago White Sox a 2-0 triumph over the Baltimore Orioles.

The Sox collected only two hits off two Orioles pitchers.

Pierce, now 10-2, struck out six to raise his league-leading total to 70 and had to be a good pitcher to whip a former Pale Hose mate, lefty Bill Wight.

Wight had a no-hitter in hand until the sixth, although the Sox took a 1-0 lead without a hit in the second. Two walks, a sacrifice bunt and Bubba Phillips' sacrifice fly produced that run.

The first Sox hit was Nellie Fox' two-bagger to deep right center with one out in the sixth. The blow extended Fox's club-leading consecutive game hitting streak to 13. With two out, Sherm Lollar drilled a single to center, scoring Fox for a 2-0 Chicago lead.

Houston Site Of Big Fight

HOUSTON, June 8 (AP)—Flashy Willie Pastrano of New Orleans and Roy Harris, one of Texas' best fighters, clash here Tuesday night in a 10 round heavyweight bout that has local interest at an all-time high.

About 7,000 fans are expected to crowd into the Hiuston coliseum to provide the biggest gate in the city's history. The previous high was $23,200 paid for the Bob Baker-Harris fight last month.

Harris, the hero of local fans and ranked ninth nationally, hopes for a possible crack at Floyd Patterson's title by whipping Pastrano.

The New Orleans belter is listed third among the nation's heavyweights and is the most experienced opponent faced by Harris to date.

The fight will match the ring savvy and speed of Pastrano with the eagerness and power of Harris. Pastrano's professional record of 41-4-5 lists eight kayoes, while Harris has as many knockouts in 20 pro fights, all of which he has won.

Their physical statistics are almost identical. Now 22, Pastrano weighs 190 pounds and stands 6 feet tall. Harris is also 6 feet, weighs 190 and is 23.

IN PONY LEAGUE TILT

Red Sox Outlast Phillies, 16-15

The Von Roeder Red Sox came up with five runs in top of the seventh inning to edge past the Lions Club Phillies in a wild Pony League game Friday night, 16-15.

In the other game, the Scurry Butane Dodgers clipped the Court House Tigers, 8-5, although held to two hits.

The Red Sox jumped ahead 5-1 in top of the third but the Phillies came back in bottom of the inning to tie it up at 5-5 and then after dropping behind 8-5 through the top of the fifth, the Phillies surged back again.

The Phils scored seven runs in bottom of the fifth to take the lead they held until the last inning spree by the Dodgers.

Frank Moore, Jesse Crawford and Ronnie Wylie each collected three hits to lead an 18-hit attack by the Red Sox.

Top hitter of the game, however, was Roland Key of the losing Phillies who collected four hits in five trips. Weldon Ware and Bob Pena each got three hits for the Phils who collected 14 safeties.

Larry Patterson and John Weaver got the only hits for the Dodgers but walks and loose play afield paid off in the Dodger win over the Tigers.

The Tigers got only three hits, two of them by catcher Jimmy Don Robinson.

A six-run explosion in top of the fourth broke up a 2-2 game and sent the Dodgers reeling to victory.

NOT QUITE—Jimmy Allen, Tiger right fielder, starts a slide into home plate in the second inning of Friday's Tiger-Garland state tournament game in Austin but is tagged out by catcher Timmy Turner. Allen attempted to scoot home on Coleman John's ground ball to the pitcher. The umpire calling the play is Martin Juel. The Tigers won the battle for third place with a 1-0 victory. (Lee Watson photograph)

Yankees Pound Six Homers In LL Tilt

The American Legion Yankees went on a homerun hitting spree Friday night to edge past the Trinity Methodist White Sox in an American Little League game, 13-10.

The Yankees banged out six home runs including three by Pat LaFountain to perhaps set a league record for homeruns in a single game by one club.

Jimmy Everett blasted two homers for the Yankees and Eddie Kirby one. LaFountain, Everett and Kirby hit back-to-back homers in the second inning.

LaFountain singled in his only other appearance at the plate to wind up with a perfect night, four-for-four. Each of LaFountain's homers found a mate on base.

Jimmy Wilson of the White Sox got in on the homerun hitting act with a three-run blast in the third.

In the other Little League game Friday, the Lions Club Cubs rung up a 13-3 decision over the Kiwanis Club Braves in a National League contest.

Adam Romero held the Braves to only one hit— a single by Benny Minor in the fourth inning.

William Robinson, with two triples, led the Cub attack. Stuart Long and Robert Stipe also got two hits apiece for the Cubs.

Scorekeeping Slate For LL, Pony Revealed

Scorekeeping schedule for the next two weeks in the Little League and Pony League has been revealed.

Anyone unable to keep score on the night assigned is asked to contact Buck Francis at the Daily News.

The schedule is as follows:

LITTLE LEAGUE

Monday, June 10—Joe Williamson.

Tuesday, June 11—Jay Rogers.

Friday, June 14—Ann Dyer.

Saturday, June 15—Mrs. Skipper Joyce.

Monday, June 17—Jeb Long.

Tuesday, June 18—Mrs. Fred Bullard.

Friday, June 21 — Mrs. Leland Herod.

Saturday, June 22—Dub Everett.

PONY LEAGUE

Monday, June 10—Brad Holt.

Tuesday, June 13—Roy Meador.

Friday, June 14—Dale Walton.

Monday, June 17—Bill Zimmerman.

Thursday, June 20—Frank Weaver.

Friday, June 21—Howard Jones.

Traffic Judge Wins Handicap Saturday

NEW YORK, June 8 (AP)—Traffic Judge swept up on the outside under a whipping tattoo by Eddie Arcaro today and won the $62,700 Metropolitan Handicap in a cavalry-charge finish before 38,891 excited customers at Belmont Park.

Seventeen horses started in the 64th running of the famed one-mile gallop, and Traffic Judge overhauled Mrs. Jan Burke's Dedicate about 30 yards out and drove home a three-quarter length winner.

SWIM CLASS AT LOCAL POOL SET

Private swimming lessons will be offered at the Scurry County Swimming Pool starting Monday, Hal Battle, manager of the pool, has announced.

Registration will be held between 8 and 9 a.m. Monday. For full details, call 3-9363.

Tribe Clubs Senators 6-4

CLEVELAND, June 8 (AP) — Vic Wertz batted in four runs and Chico Carrasquel homered to pace the Cleveland Indians to a 6-4 victory over the Washington Senators here today.

The win went to starter Don Mossi, his third against no defeats. Mossi left the game in the sixth when the Senators rallied for four runs. Ray Narleski stopped the rally and finished up.

The loser was Camilo Pascual, against whom the Indians scored five runs in four innings.

Schreiner Dropping Football

KERRVILLE, Tex., June 8 (AP)—Schreiner Institute announced today it has dropped junior college football after 33 years because of "increased competition for and subsidization of good high school footballers."

The president and one-time football coach, Dr. Andrew Eddington, said "it is hoped that at some future date a purely academic league may be developed in junior college circles."

He said the school hoped to take the lead in trying to organize such a league.

Schreiner asked to continue as a member of the Pioneer Conference and compete in all other sports.

Head Football Coach John Hamburger will become line coach at Grand Prairie High School. Line Coach Mal Fowler will join Van High School.

Basketball Coach Verdell Turner was named athletic director.

Schreiner's high school division will continue to play football.

Game-Fish Swamped With Stock Requests

AUSTIN, June 8 (AP)—The State Game and Fish Commission said today it was swamped with requests from land owners for fish to stock tanks and ponds that have been dry until recently.

A total of 204 applications were received in one mail this week, Marion Toole, director of inland fisheries, said.

Toole said the applications would be handled as soon as possible. One reason for any delay would be that several state hatcheries were badly damaged by flood waters.

Bums To Top For 1st Time

BROOKLYN, June 8 (AP)—Brooklyn took over the National League all by itself for the first time this season today, ousting Cincinnati with a 9-2 victory on the slugging of Rube Walker and the seven-hit pitching of Johnny Podres.

The Dodgers finished the day a half game ahead of the Redlegs who had been out in front since mid-May. The defeat dropped Cincinnati to third place behind the idle Phillies.

Walker, who hit his first 1957 homer last night to break a tie, slammed his second with two men on base off Warren Hacker in the fourth inning and Junior Gilliam came through with a three-run triple in the sixth off reliever Hersh Freeman.

Gil Hodges hammered Cincinnati pitching for three singles in four trips, taking over the league batting lead from St. Louis' Stan Musial with a .366 average.

Musial, Dark Lead Cards To Victory

NEW YORK, June 8 (AP)—Stan Musial and Al Dark hit home runs off Al Worthington for a 5-4 St. Louis Cardinal victory over the New York Giants today as Ray Katt and Hank Sauer homered for the losers.

Sauer's 11th homer of the season with a man on base in the eighth narrowed the gap to one run but the Giants were shut off at that stage by Hoyt Wilhelm, an old teammate.

Despite Musial's 11th homer with Dark on base in the fifth, the Cardinal first baseman lost the National League batting lead to Brooklyn's Gil Hodges. Musial had one hit in four official trips, dipping to .357 while Hodges went to .366 on three hits in four at bats against Cincinnati.

Houston Student In Lead At Tournament

JOHNSTOWN, Pa. June 8 (AP)—Jim Hiskey, 19, a Houston student, shot a two-over par 72 despite a driving rain today to take a one-stroke lead with a 140 at the halfway mark of the fifth annual Sunnehanna Invitation Amateur Golf Tournament.

The cold, all-day rain forced postponement of the third round scheduled in the afternoon. Tournament officials expressed hope 36 holes might be played tomorrow.

Dr. Ed Updegraf, Tucson's former Arizona State champ who shared the first round lead with Hiskey and Phil Rogers, another Houston student, with 68s, fired a 73 today to take second place with a 141.

Texas Blanks Connecticut In NCAA, 3-0

OMAHA, June 8 (AP)—Texas, after an unprecedented third championship, defeated Connecticut 3 to 0 to launch the NCAA college world series today.

Harry Taylor hurled the Longhorns to victory allowing four hits and fanning 12.

The Texans scored first in the third inning as Glenn Von Rosenberg singled and scored on Bill Moore's triple. In the sixth, Jerry Singled and came home when George Myers doubled. In the ninth Myers singled, stole second and rode home on Dick Carrington's single.

In the second game Penn State was pitted against Florida State.

California and Colorado State College were matched in a game scheduled to start at 7 p.m. (EST) and Notre Dame and Iowa State at 9 p.m.

Horse From Dallas Stables Is Winner

INGLEWOOD, Calif. June 8 (AP)—Terrang, a former stablemate of the great Swaps, captured the $53,100 Argonaut Handicap at Hollywood Park today.

Now owned by the Poltex Stable of Dallas, Tex., Terrang was a wire-to-wire winner in this mile race in 1:33 4-5. Swaps won the same race here last year in the world record time of 1:33 1-5.

Pit Boss, always a strong finisher, nipped Alfred G. Vanderbilt's Find for the place.

The victory was worth $30,200 to the winner.

East Texas Hires Pilgrim

COMMERCE, June 8 (AP)—East Texas State College today named Norman Pilgrim as head basketball coach to succeed Bobby Rogers, who was announced as the new coach of Texas A&M College yesterday.

Pilgrim was an assistant to Rogers during the 1955-56 season. He is a graduate of Oklahoma A&M and had accepted a coaching job at Monahans for next year.

He spent last season in the Dallas school system. Pilgrim will report here July 15.

Rogers succeeded Ken Loeffler at College Station, where the Aggies are rebuilding after being given a clean bill of health on recruiting charges.

"East Texas hates to lose Bobby Rogers, but in Pilgrim we feel that we have the best man to carry on," Dr. J. J. Hawthorne, director of athletics, said.

Pilgrim gained All-America honorable mention at Oklahoma A&M and entered the coaching ranks at Sheppard Air Force Base, Wichita Falls.

Golf Championship Tourney Set Monday

BEAUMONT, June 8 (AP) — The sixth golf championship tournament of the National Association of Intercollegiate Athletics (NAIA) starts Monday with 14 colleges competing in the 72-hole medal meet.

A total of 54 players will participate with 9 of the 14 colleges entering complete teams.

Host Lamar State College of Technology is defending team champion but Tech's Raymond Johnson, the 1956 medalist, is not back this year.

The best four scores from each team of six will determine the team title.

PALMER, FINSTERWALD

Youngsters Lead Rubber City Open

AKRON, Ohio, June 8 (AP) — Two of golfdom's brightest young stars, Arnold Palmer of Latrobe, Pa., and Dow Finsterwald of Athens, Ohio, and Tequesta, Fla., today banged into the lead of the Rubber City Open Golf Tournament with 54-hole totals of 204, nine under par. Each of the leaders is 27 years old.

The two hotshots had a three stroke edge over their nearest foes going into tomorrow's final round in the 72-hole medal play test over the Firestone Country Club's 6,620-yard, par 71 course.

Palmer, former National Amateur champion and this year's second leading money winner, fired a 67 today to get into the deadlock. A 130-yard approach shot which fell into the cup on the 380-yard 10th hole gave him the eagle which allowed him to tie Finsterwald, the year's eighth best money winner. Finsterwald had 69 today.

The leaders:

Dow Finsterwald	68-67-69—204
Arnold Palmer	71-66-67—204
Tommy Bolt	67-68-72—207
Bill Trombley	69-69-69—207
Doug Ford	70-69-68—207

Better Bee Wins In Washington Park Race

CHICAGO, June 8 (AP)—Better Bee closed strongly today to win Balmoral's $58,700 Chicagoan at Washington Park before a crowd of 18,459.

Better Bee finished 1¼ lengths ahead of Reverie Knoll Farm's Jet Colonel while Ralph Lowe's Aberion finished third and Larry Thompson's Ezgo was fourth in the field of 13 3-year-olds.

Ridden by Charley Burr, Better Bee ran the mile in 1:38. The victory was worth $35,600. Better Bee paid $18.60, $8.20 and $6.20. Jet Colonel returned $6.80 and Aberion paid $11.80.

Mickey King Whips Allis In Tournament

CORPUS CHRSTI, June 8 (AP)—Mickey King, 21-year-old from the San Antonio Country Club, won four of the last six holes to capture the Texas Amateur Golf Tournament here today, defeating E. K. Allis of Corpus Christi 4 and 3.

MAKEUP GAMES SET IN CITY

Two make-up games will be played in the City League today.

Snyder Furniture will be involved in both games. The Furniture nine will meet Hermleigh in the first game at 2 p.m. and the Blue Sox in the second game at about 4 p.m.

THE SNYDER DAILY NEWS

VOL. 8, NO. 34 | SNYDER, TEXAS, SUNDAY, JUNE 9, 1957 | SECTION B

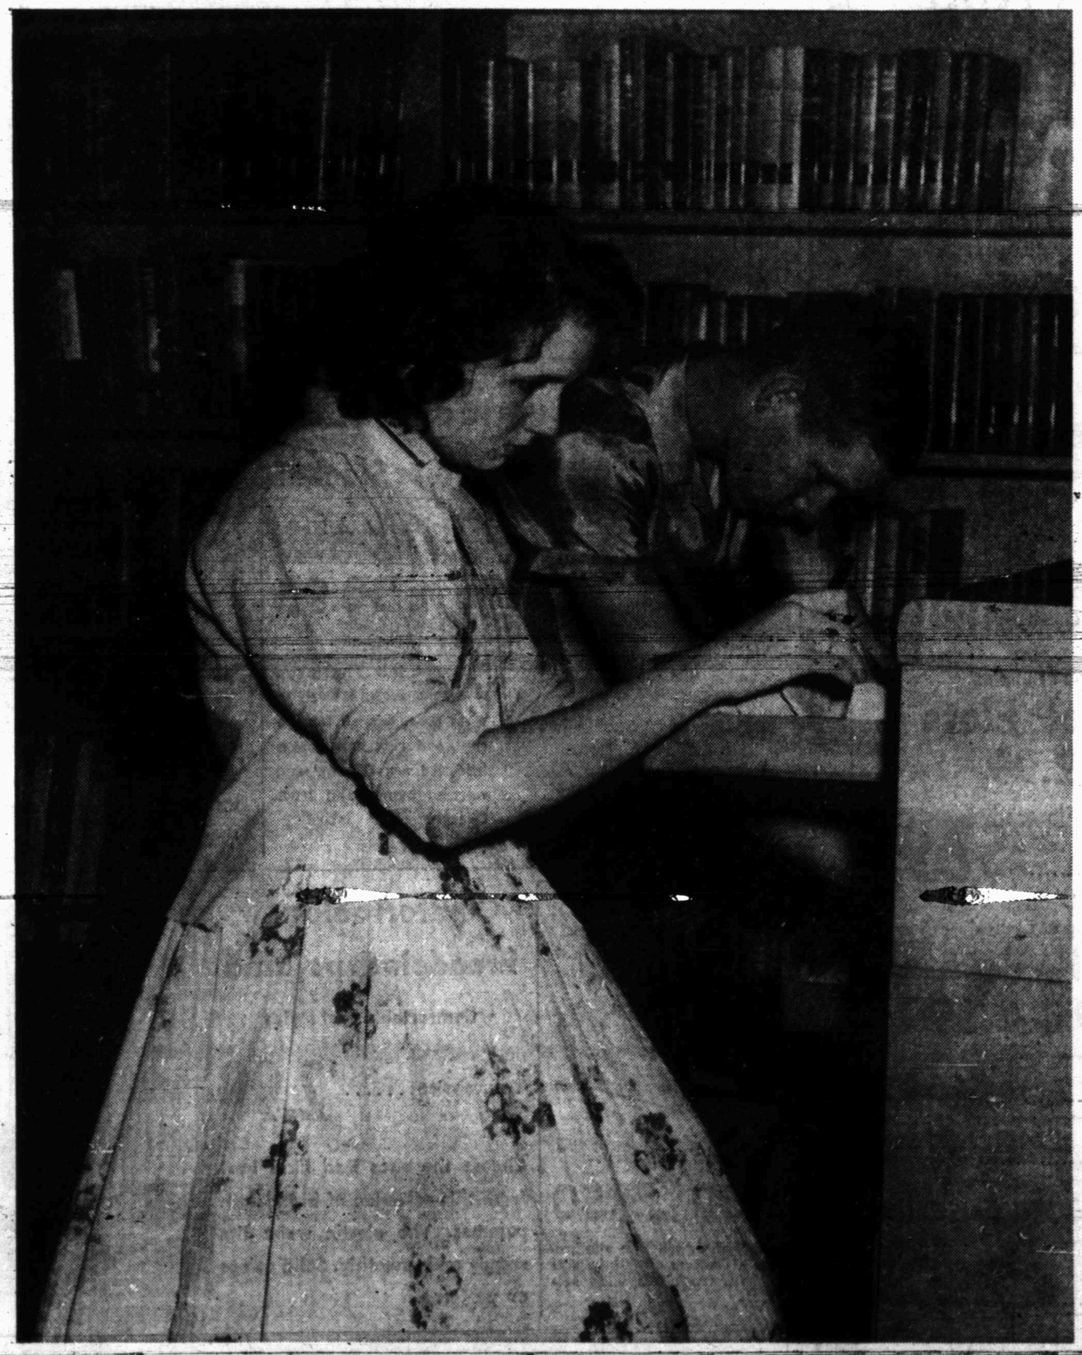

Mrs. Virgil Joines, English teacher in Snyder High School is shown above assisting two of her pupils in some library research for their summer English course. They are Shirley Payne, right, and Jo Ann Borum. Both are seniors. Of the more than 90 students in summer school, most all are taking courses this summer to enable them to take more elective courses next fall, and only a few are taking courses to make up for failure earlier.

Clois D. Henry, assistant principal of Snyder High School, is shown above explaining a mathematics problem to two newcomers to Snyder High School who are taking summer courses. The new students are Jack Magness, who has just transferred here from Stamford, and Billie Newnham, from McCamey. Both attended high school in their former home towns until the end of the regular school term a few days ago. (Lee Watson photographs)

Back To Summer School

Part of their preparation for summer school classes is the selection of library research reference books. Lucy Blacksher and Jerry Scrivner, both seniors, are shown pulling index cards from the library's card files for the books they will read for their research work. Courses in both junior and senior English are being offered during this term of summer school.

Huddled around the check desk of the Snyder High School library above are a group of summer school students eager to get their library books checked out and to work on their classes. From left are: Marilyn Lampson, J. A. Martin, Brent Newby, and Pat Denson, with the summer school student librarians Linda Selman and Betty Norman.

MRS. MORRIS WAYNE WILLIAMSON

Miss Connie Estelle Longbotham Wed In Double Ring Ceremony On Tuesday

Miss Connie Estelle Longbotham 2805 Avenue V, and Morris Wayne Williamson, 3101 Austin Avenue, were married at 8 o'clock Tuesday evening in the First Baptist Church.

The bride is the daughter of Mr. and Mrs. Bernard Longbotham, Jr. The groom is the son of Mr. and Mrs. C. L. Williamson.

At either side of the altar were wrought iron baskets of white gladiolis. An improvised arch of green foliage and red rose buds formed an arch behind the altar.

The Rev. Roy Shahan, pastor of the First Baptist Church of Post, officiated at the double-ring ceremoney.

Mrs. Roy Stokes played traditional wedding music and Mrs. W. G. Herring was soloist.

Given in marriage by her father, the bride wore a dress of white slipper satin with imported hand blocked lace on bodice and with a full skirt of silk illusion with hand blocked lace swept into a chapel length train. Her veil was of French silk imported illusion with a crown of seed pearls.

Miss Betty Joe Longbotham, sister of the bride was maid of honor. Bridesmaids were Miss Elizabeth Farley of Muleshoe, Miss Huanna Birdwell of Snyder, Miss Meredith Brooks and Miss Macy Batson both of Pampa. All attendants were dressed identically in green chromspun chrystalette dresses with waltz-length skirts. The headdresses were of green illusion scattered with seed pearls. The nose-gay bouquets were of red sweetheart roses and rosebuds.

Candle lighters were Mike Williamson and Judy Williamson brother and sister of the bridegroom. Train bearers were Candice Bowers of Midland and Keith Longbotham of Snyder. Ring bearer was Johnny Phillips of Snyder. All are cousins of the bride.

Troy Dean Williamson, cousin of the bridegroom, was best man. Paul Nelson, Waylon Glass, Kenneth Williamson, and Horace Gene Williamson all of whom are from Snyder were the groomsmen.

The reception was held at the home of the bride's parents. Dining room decorations carried out the bride's chosen colors of green and white. The table was laid with a green net cloth, trimmed in green satin and centered with a large green heart made of net. The heart was decorated with a nosegay of red sweetheart roses and rose buds. The bride's three-tiered cake was embossed in pink roses with green leaves.

Members of the house party were Mrs. R. M. Phillips, Mrs. W. J. Schiebel, Mrs. Lee Smyth, Mrs. Leland Herod, Mrs. C. W. Popnoe, Mrs. D. K. Ratliff, Mrs. J. M. Newton, Jr., Mrs. Juanita Hickman, and Mrs. Hilton Lambert.

When the couple left on their wedding trip the bride wore a blue faille sheath dress with a balero jacket.

The couple will reside at 2104 Fifteenth Street in Lubbock. They are both students of Texas Tech.

NEWS FROM UNION

By MRS. J. B. ADAMS

Mr. and Mrs. Leonard Baker of Plainview visited last week with Mr. and Mrs. J. H. Kimmel.

Mrs. Howard Hogue and Mrs. I. T. Hcukabee went to Andrews Thursday for an all day church meeting.

Mr. and Mrs. Bill Rigfield and Mr. and Mrs. Billie VanZaudt of Colorado City visited Sunday with Mr. and Mrs. Bill Pate.

Mr. and Mrs. J. Hall and children visited Sunday with Mr. and Mrs. Raymond McClure of Hermleigh.

Miss Dixie Lee Kimmel was honored Friday with a bridal shower in the Fellowship Hall of the Baptist Church. Lanell Woodson and Mrs. Wanda Myers played piano selections. Hostesses were Mrs. Jack Wilson, Mrs. Dee Myers, Mrs. Velma Lunsford, Mrs. Bill Pate, Mrs. Jack Ramsey, Mrs. Leonard Spence, Mrs. Lois Hooker and Mrs. Shirley Pate.

Mr. and Mrs. Howard Hogue attended the Baccalaurate and Commencement exercises at Texas Tech, where their son, Royce, received a degree in Finance in the School of Business Administration.

The Rev. and Mrs. Roy Womble are home after attending the Baptist Convention in Chicago and vacationing on their way home.

The Union Home Demonstration Club met Wednesday at the Skyline Motel with Mrs. Dorothy Rosson as hostess. Seven members were present. After the roll call and secretary report, Mrs. Dorothy Shaw displayed gloves that were being made by several members. Mrs. I. T. Huckabee gave the council report. Mrs. Rose Schultz was elected as a delegate to state Home Demonstration Club meeting at Houston July 21. Mrs. Floy Smith was appointed for Civil Defense and Citizenship, an office left vacant by Mrs. Conner who moved.

Tuesday night visitors with Mrs. J. B. Adams were Mr. and Mrs. E. M. Boles, Lamesa, and Mr. and Mrs. Virgil Jones and Anita, of Bangs.

Mrs. Billie Kimmel of Lubbock visited Thursday with Mr. and Mrs. J. H. Kimmel.

Discussion Group To Meet Tuesday

Unit 1 discussion group of the provisional League of Women Voters Will meet Tuesday morning in the home of Mrs. Frank A. Wilson, north of Snyder.

Members of the group will assemble at 9:15 at the home of Mrs. Sterling Williams and go in a group to the Wilson home.

The Unit 2 meeting scheduled for Thursday night has been cancelled to enable members to attend the dinner meeting and legislative round-up in Lubbock on that date. The round-up is sponsored by the Lubbock league.

All members of the Snyder league and their husbands have been invited to attend.

Reservations may be made by calling 3-4929.

Miss Ponder Is Wed To Benjamin Frank Yandell

Marriage vows were read Wednesday for Rena Ball Ponder of Big Spring and Benjamin Frank Yandell of Snyder in the home of the bride's brother, Truett Ball, in Sweetwater.

The bride is the daughter of Mrs. J. H. Ball of Abilene. She attended Hardin-Simmons University and has been a teacher in the Airport School, in the Big Spring school system, for the last two years.

The bridegroom, a Snyder resident several years, is employed by Magnolia Petroleum Co.

The Rev. J. Lennol Hester, pastor of the First Methodist Church here, performed the single ring ceremony before an altar of greenery.

Truett Ball, Jr., of Sweetwater and Bill Cockrell of Wilson, Okla., lighted candles.

The couple will live at 104 East Seventh Street in Big Spring after June 26.

Frank Loesser Is Very Incorporated

NEW YORK (AP)—Frank Loesser, one of Broadway and Hollywood's busiest composer-lyricists, is a very incorporated man.

The head of the Frank Music Corp., Frank Distributing Corp., and Frank Publishing Corp., has now set up Frank Productions Inc., for staging a musical "When in Rome."

The company insists there has been no decision yet on whether Loesser or someone else will be assigned to do the tunes and words.

Sitter Solution

NEW YORK (AP)—An acting couple, Stanley and Javotte Greene, had no problem in finding a sitter to take care of their youngsters while they perform in the new off-Broadway hit, "Simply Heavenly."

The solution was simple. The two children, Perry and Stanley Jr., are also in the cast.

PARTY HONORS MISS BLONDELL

Mrs. M. M. O'Rear, 2805 Thirty-sixth Street, honored her niece, Barbara Jean Blondell of El Paso, with a Coke party Thursday afternoon in the Martha Ann Woman's Club.

Twenty-five teenagers attended. Miss Sally Herring introduced the guest of honor, and Miss Pat Bruton presided at the register.

Jane Patterson took pictures of the group.

NEWS FROM IRA

By AVA MORAN

The Ira seniors returned from their class trip Monday. They had gone to Colorado Springs, Colo., and other points of interest.

Mr. and Mrs. Truman Pherigo and children of Coahoma visited Mrs. F. K. Price Friday.

Visiting Mr. and Mrs. G. M. Kelly during the weekend were Mrs. Loren Cohee and children of Hobbs, N. M.

Wayne Gullett, a student at North for the summer.

Mr. and Mrs. Clyde Butler of Midland visited Mr. and Mrs. D. J. Butler during the weekend.

The J. L. Byars family attended an old settlers reunion at Springtown Saturday and Sunday.

Mr. and Mrs. Dale Grant of Arlington visited Mr. and Mrs. E. E. Grand during the weekend.

Mr. and Mrs. H. D. Moreland of Snyder and Mrs. Ava Moran of Ira attended the convention of the National League of Postmasters, held in the Baker Hotel in Dallas June 2-5.

Mr. and Mrs. Weldon Watson and children visited Mr. and Mrs. Tee Griffin and Lane Tuesday.

Mr. and Mrs. Bill Craver visited Mr. and Mrs. I. H. Suiter Sunday.

Mr. and Mrs. Hubert Clements spent Sunday night with Mr. and Mrs. I. H. Suiter.

Mr. and Mrs. Buck Layne visited Mr. and Mrs. Homer Huddleston of Post Saturday night.

Mr. and Mrs. H. M. Kruse visited Mr. and Mrs. John Moore of Hobbs, N. M.

Mr. and Mrs. Robert Kruse moved to Snyder last week.

Mrs. Oleta Westbrook of Stamford was taken to a hospital in Galveston for treatment. She is the daughter of Mrs. Addie Ashmore of Ira.

Mrs. Nancy Legg, daughter, and granddaughter of Osford Miss., are visiting Mrs. Legg's brother, J. D. Smallwood, and family.

JULY WEDDING—Mr. and Mrs. W. V. Priddy of Santa Anna have announced the engagement and approaching marriage of their daughter, Martha, to Eddie Don Floyd, son of Mr. and Mrs. Edgar L. Floyd, 2811 Thirty-second Street. The wedding date has been set for 8 p.m. Tuesday, July 9, in the home of the bride-elect's parents. Miss Priddy is a teacher at the Central Elementary School here.

Sugar On Boards

NEW YORK (AP)—Sugar Ray Robinson, middleweight boxing champ who has already tried show business as a night club entertainer, may try acting next. He would play the lead in a revised revival of "Golden Boy" that would tour and go to London prior to a Broadway stand.

RHODES-MAXEY VOWS EXCHANGED

Mr. and Mrs. Joe Rhodes, 810 Twenty-seventh Street, have announced the marriage of their daughter, Lou Ann, to George Weldon Maxey.

The bridegroom is the son of W. S. Maxey, East Highway, formerly of Antelope.

The ceremony was read by the Rev. O. B. Floyd on Thursday. The couple will be at home at 1307 Twenty-fourth Street.

Dramatists Group Gets Good Results

NEW YORK (AP)—The New Dramatists Committee, Broadway's own project to aid and abet young playwrights, reports "highly gratifying" results from its eighth season of activity just completed.

George Hamlin, executive secretary, said ND members completed 54 scripts, are working on 68 others. Six plays by active and alumni New Dramatists reached Broadway and two others had off-Broadway productions. Eighteen other dramas and comedies are on option to producers.

Eleven shows are scheduled for professional productions in the near future in Europe and South America.

On June 22, 1921, the Wright Aeronautical Corp. was the first aviation company to have its stock traded on the New York Stock

IN BROWNFIELD

Crow-Noble Double Ring Vows Read

BROWNFIELD — Miss Madolyn Crow, daughter of Mr. and Mrs. John Leroy Crow of 1215 East Lons, (formerly of Snyder,) became the bride of Robert Lee Noble, Jr., son of Mr. and Mrs. R. L. Noble, 801 Tahoka Road, in a ceremony read at 8 p.m. June 7 in First Baptist Church.

The Rev. Jones W. Weathers, pastor of the church, officiated at the double ring rites before a greenery-banked altar centered with an archway entwined with greenery and wedding bells. Baskets of white gladiolus and candelabra holding white tapers flanked the altar. Pews were marked with white satin bows.

Mrs. Pat Ramseur, organist, offered traditional wedding music and a pre-nuptial prelude and accompanied Clois Winters of Fort Worth as he sang "Because" and "Dearly Beloved".

Given in marriage by her father, the bride wore her twin sister's wedding gown, an original model of imported Chantilly lace and nylon tulle over net and ivory satin. Designed with a portrait neckline framed with appliques of lace holding a band of tulle, the fitted lace bodice had long sleeves ending in points over the hands and terminated with a point at center front waistline. From this stemmed a voluminous waltz-length skirt of tule appliqued with a shirred lace yoke, ending in elaborate points at the lower hipline.

Her veil of imported silk illusion net was joined to a lace cap outlined in front with a roll of pleated tulle enhanced with seed pearls. She carried a white glamelia showered with stephanotis and white satin streamers tied in love knots atop a white Bible.

Mrs. Robert Allan Gammill, Jr., of Silver Spring, Md., was her twin sister's matron of honor. Miss Cleta Brown of Hobbs, N. M. was maid of honor, and flower girl was Nan Smith of Brownfield, neice of the bridegroom.

The attendants' dresses were identical pastel blue crystalette over taffeta and ruffled net. Fashioned with protrait necklines coming to points at center front, the draped fabric formed wide folds over the shoulders, framing full length panels of pleated fabric at flared into full waltz length skirts. Their headdresses were bandeaux of pastel blue velvet and forget-me-nots and they carried white and blue carnations with blue satin ribbon and net streamers. The flower girl wore a dress of pale blue crystaleite over taffetta and carried a blue basket filled with white rose petals.

The mother of the bride chose a blue sheath dress of imported eyelet embroidered batiste over taffeta, and the mother of the bridegroom wore a pale blue embroidered cotton satin sheath dress.

Alfred Cornebise of Lubbock was best man. Rex Black and Eddit Taylor of Brownfield lighted candles, and ushers were William M. and Don Noble, both of Brownfield, and brothers of the bridegroom.

A reception honoring the couple was held in Fellowship Hall of the church. The table was laid with a white linen cutword cloth and was centered with blue and white carnations flanked with stephanotis-entwined candelabra holding blue tapers. The three-tiered wedding cake was decorated with blue forget-me-nots and wedding bells, topped with a minature bridal couple.

Miss Patsy Hale registered guests. Mrs. Arlie Lowrimore presided at the punch bowl and Mrs. Myron Fenton and Mrs. Ramseur served cake. Assisting with hospitalities were Mesdames Joe A. Jackson, M. G. Tarpley, Jerry Gannaway and W. M. Adams.

For traveling, the bride chose a flax colored fitted suit with matching accessories and white hat and gloves, with a white glamelia corsage. The couple will be at home at 1404 East Buckley following a short wedding trip.

The bride is a graduate of Texas Technological College in Lubbock, holding a Bachelor of Arts degree in mathematics. Prior to her marriage, she was employed with Humble Oil and Refining company in Midland.

The bridegroom is a graduate of Texas Tech, with a Bachelor of Business Administration in finance. He is a partner in the Robert L. Nobel Real Estate and Insurance Company here.

Ociene Vest Honored At Birthday Party

HERMLEIGH — Ociene Vest, daughter of Mr. and Mrs. Ocie Vest, was honored on her eleventh birthday Wednesday at 2 p.m.

Those present were Linda Leech, Larry and Sherran Barfoot, Jerry Chitsey, Jewel Beth Richter, Vickie Jones, Jay Richburg, Larry, Tommy, Bud and Windy Browning, Carole Chorn and David Schulze.

Refreshments of cake and punch were served after games were played.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. H. F. Rogers, 807 Twenty-sixth Street, have announced the engagement and approaching marriage of their daughter, Jane Ann to Bruce Max Evans, son of Mr. and Mrs. Bruce Evans, 2801 Avenue Y. Both the bride-elect and the prospective bridegroom are graduates of Snyder High School, and both attended Abilene Christian College during the past term. The wedding date has been set for July 13 in the Twenty-fifth Street Church of Christ.

MRS. ROBER LEE NOBLE JR.

Three From Snyder Attend Choir School

Three persons from Snyder have been in Lubbock during the past several days in the Texas Tech summer choir school.

They are Bob Clinton, director of choral music for the Snyder schools, and two high school students. Mary Deffebach and Beth Sims.

Roger Wagner, whose chorale has won national fame through recordings, television, and movies, has been directing the more than 100 high school students and instructors in the school.

Sessions have included lectures, demonstrations and practice.

Good Old Egg

POTTSTOWN, Pa. (AP) — Mrs. Augustus Neiffer has an Easter egg 74 years old. Her father dyed it March 23, 1883, she says.

Chair Is Gone And So Is His House

INDIANAPOLIS (AP)—Manuel Bond walked to his home after 46 days in jail to spend a few restful hours in his favorite easy chair.

But there was no chair. In fact, there was no home. All Bond could find was an empty lot.

Seems as if the Indianapolis Redevelopment Commission couldn't find Bond so they had to go ahead and tear his house down for a slum clearance project.

Bond never did find out what happened to his easy chair.

Front Door Service

QUINCY, Ill. (AP)—Firemen were routed out of their beds at Central Fire Station when Russell Mitchel delivered his flaming car for their services at 4:35 a.m. The front seat was on fire.

SEWING instruction being given adults in the high school homemaking department here this summer includes working from basic patterns and working with sleeves, collars, zippers, and other fundamentals. Shown here are Mrs. Jack Isaacs, center, and Mrs. Lawrence Billberry at the machine, with Nancy Wiman, a student assistant helping with teaching the course :

Homemaking Courses To Be Offered

Two courses in homemaking are now being taught for adults at Snyder High School.

Teaching the courses are Vera Periman and Mrs. Carter Parkes, high school homemaking teachers, for a group of several women.

The course, underway several days, will last until near the end of June.

Miss Periman is teaching a course on the principles of interior decorating.

Using film strips and other types of lesson material, she is covering introduction of color, how color is used in the room, studies on fabrics, good and poor design, selection and arrangement of furniture, selection and placing of accessories, and others.

The group has already taken one field trip to Martha Ann Woman's Club on color studies and arrangement, and there will be two or three more visits to homes on field trips.

Friday, Miss Joyce Chambers of Fort Worth, of Texas Electric Service Co., made a talk to the group and gave a demonstration on good lighting in the home.

Mrs. Parkes is teaching the principles of sewing. All women taking the course are working on garments.

The sewing course covers all fundamentals, including how to use a basic pattern, putting in sleeves, collars, zippers, etc.

The course is mainly for beginners in sewing, since that appears to be the greatest in demand here.

Two student assistants aiding Mrs. Parkes are Nancy Wiman and Donna Neal.

Being operated in conjunction with the courses is a play school for children of those taking the courses. This play school is operated by 14 homemaking girls working on credit in child development.

There is a total of 31 high school girls taking summer work for credit. Some are working in vacation Bible schools.

Miss Periman and Mrs. Parkes have both been asked by Mrs. Elizabeth Smith, area homemaking supervisor, to be on the program at the meeting of area homemaking teachers in Odessa Thursday and Friday.

Both will talk on their techniques in teaching homemaking. Mrs. Parkes on clothing, Miss Periman on meal planning.

INTERIOR DESIGN is being studied by some Snyder women in adult homemaking courses being taught at Snyder High School this summer. Here, Mrs. Lawrence Billberry, left, and Mrs. George Crabb check through wallpaper samples, selecting good and poor designs. (Dale Walton photographs)

NEWS FROM HERMLEIGH

By MRS. OCIE VEST

David Harmond of San Antonio is spending this week with his grandparents, Mr. and Mrs. T. D. Craft.

Mr. and Mrs. Bobby Stroud and son and Mrs. Earl Chitsey of Snyder visited Mr. and Mrs. Ocie Vest Sunday afternoon.

Blind Persons Get Weekly News Records

PARAMUS, N. J. (AP)—Blind persons in this area are receiving weekly news records of local happenings thanks to a resident photographer.

Jacques Saphier, the photographer, cuts the records with the help of bedridden patients at Bergen Pines Hospital. Then they are distributed to the blind.

The records are regulation size and play on any phonograph. Because of its success the program is being expanded by northern New Jersey Rotary clubs.

Tree Expedited

RICHMOND, Va. (AP) — A Cedar of Lebanon given to Richmond Memorial Hospital by a grateful Lebanese patient almost didn't get here for dedication ceremonies. The U.S. Department of Agriculture held it up for inspection. Rep. J. Vaughan Gary (D-Va.) answered Joseph L. Koury's appeal and got the inspectors to do a fast job.

here from DuBarry...

a beauty specialist

to chart new beauty

for you . . . week of June 10th.

Are you making the most of your features?

If not, here's your chance to learn the "do's and don'ts" in make-up and hair styling. An Expert from DuBarry is here to chart an analysis just for you. She'll study your face type, your skin tone, your hair line . . . and send you home with a personalized "prescription" for a new, and lovelier you. Don't miss your chance for a "salon" lesson in beauty. Come in today . . . it's complimentary, of course.

P. S. And be sure to ask about new Vibrance Creme Masque. It's a new continental formula that's entirely different from anything you've ever used.

AMONG principals in "Tammy and the Bachelor," Universal-International's new comedy, are, left to right, Leslie Nielsen, the bachelor, Debbie Reynolds, who plays Tammy, and Nan, a plain goat, shown in a typical upstaging act.

Hingle's Done Everything, Now Doing Okay As Actor

By BOB THOMAS

HOLLYWOOD (AP)—Pat Hingle's grandfather used to say, "In this country, you can always find the opportunity to work at whatevver you want to do."

Pat is living proof of the philosophy. Only 33, he has been a soda jerk, gas station attendant, newspaper boy, farm hand, chauffeur, pants presser, fruit canner, catch-up factory worker, truck driver, shoe salesman, theater usher and actor.

As an actor, he's doing okay these days. He had a long run as the brother in "Cat on a Hot Tin Roof" on Broadway, made a hit in the movie "The Strange One" and is now one of the stars in "No Down Payment" at 20th Century-Fox.

Pat's a good looking fellow with curly blond hair and a friendly manner. I asked him how he managed to cover so many lines of work.

"It's easy to do when you go on your own at an early age," he explained. "Because of family problems, I lived by myself from the time I was 14."

His mother was a schoolteacher and had to move where the work was. Thus he was born near Denver and went to schools in Chicago, Detroit and Atlanta. He started supporting himself in Weslaco, Tex.

Pat earned his way through school and started at the University of Texas. He enliuted in the Navy in 1942 and served through several major battles in the Pacific as a steam engineer aboard a destroyer.

Returning to the university, he enrolled as an advertising major —"since that seemed like a good way for a poor boy to get rich in a hurry." But he took up acting in some campus plays — "that's where the pretty girls were."

The experience spoiled him for advertising. Plus when he met one of the pretty girls in his first play and married her in 1947.

They now have a 4-year-old daughter.

The Hingles decided to try their luck in New York after graduation.

After jobs as a file clerk and waiter, he was recalled to the Navy during the Korean War. He started getting roles in TV and little theaters. Then he auditioned for the Actors' Studio. He made the team, and that was the turning point in his career.

Peggy King Is Finally In Movies

By BOB THOMAS

HOLLYWOOD (AP)—It took a long time a-coming, but Peggy King is now facing the movie cameras.

Pretty, perky Peggy is playing a plucky airline stewardess in Bartlett-Champion's Zero Hour. It's a hefty role for the little gal and she's pleased as punch about it.

And why not? For five years she has been queen of the test stages. It started when she landed at MGM in 1952.

"It couldn't have happened at a worse time," she sighed. "The bottom was falling out of everything in Hollywood. I went to the studio every day for a year, but all I did was take lessons. Dance lessons. Vocal lessons. Drama lessons. French lessons.

"I did eight bars of a song in a party scene of 'The Bad and the Beautiful.' Otherwise, all I did was tests. And tests. And tests."

She was one of the legion of the lost at MGM that year.

"Finally they let me go," she recalled. "At MGM, they think it's the end of your life if you're dropped. It wasn't. They were giving Debbie Reynolds and Leslie Caron the big buildup, so there was no chance for me."

Peggy got married and quit her career for a year. But when the marriage didn't work out, she returned to singing. Then came that tomato sauce jingle.

"They wanted Ethel Merman to do it, but she asked for $50,000," Peggy said. "A fellow at MGM heard about it and said he knew a girl who would do it for $50."

Peggy got the job, and $85 including overtime. Out of it came a record contract and her job as George Gobel's forehead-leaning friend. The TV fame prompted interest from Paramount — and another test!

She didn't want to sign a contract and the studio had no picture for her. But — just to prove that nothing is wasted — it led to her role in "Zero Hour."

About 12 per cent of the total working population in the U. S. are engaged in agriculture.

25 Years Ago

(Taken from the files of the Scurry County Times, June 9, 1932)

Pat M. Neff, outstanding Texan and newly elected president of Baylor University, Waco, may appear on the program of the Mitchell-Scurry Baptist Association when the group meets in monthly session at Westbrook Tuesday of next week according to Rev. Philip C. McGahey of Snyder, moderator of the Association.

• • •

Harrie Winston and J. W. Scott of Snyder, as well as every other chamber of commerce president and secretary in West Texas, have been invited to attend the budget-making insitute, beginning June 27 in Lubbock. It is possible that D. P. Yoder, district WTCC director, and O. P. Thrane, who, with Yoder and Winston, compose the local tax committee, may also attend.

• • •

Candidates for county or district offices covering only one county must file their names with the county democratic chairman not After that date, say the political knowers, the current champaign will really "get hot" and you may expect plenty of fireworks.

• • •

The old Boles building at Fluvanna has been torn down and in its place a modern new business structure is going up. Boss Stavely, owner and overseer of the building, will use it for a combination restaurant and ice house.

• • •

Loren Cotton was named as manager, and Fla "Skipper" Joyce as captain of the Snyder baseball club when prospective members of the Tiger team met on the court house lawn Thursday evening of last week. The new squad has won two practice tilts this week.

TV Statement Gets Designer Results

By CHARLES MERCER

NEW YORK (AP)—Make a comment during a television program and you never can tell where the results will end.

On Person to Person interior decorator Dorothy Draper confessed to Edward R. Murrow that she'd always wanted to "do" a butcher shop.

"There are no attractive ones," she stated flatly when interviewed in her home May 17.

Robert Boyer, the owner of a chain of meat markets on Long Island, took Mrs. Draper's words to heart. Now she is planning a new style market for Boyer: a merry-go-round in the center of the store for bored youngsters, bright blue sawdust on the floor, portraits of famous steers. . .

The Jackie Gleason Show has three weeks to run before the season ends, but Gleason will not appear personally on the CBS-TV program. Tomorrow evening singer Johnnie Ray will take his place as host. Songstress Peggy Lee will appear on all three programs. So, too, will the June Taylor dancers . . .

Jerry Lewis presents his second one-hour show since splitting from Dean Martin Saturday night on NBC-TV. Among his guests will be members of his own family who will do a comedy sketch. . .

Although it's June, the word is out that NBC-TV is having a desperate time scrounging up potential brides and grooms for Bride and Groom, which returns to the network July 1. Apparently all you have to do is supply the bride — or the groom — and NBC takes care of everything else . . .

Songstress Patti Page makes her dramatic debut on Steel Hour (CBS-TV) Wednesday, June 19. It's called "Upbeat." About a singer — rather naturally . . .

Experimental Theater Productions To Open

NEW YORK (AP)—A new center for experimental theater productions opens here in July with a new kind of added attraction—a swimming pool.

Organized as the Murray Hill Academy of Theater and Arts, the sponsoring group has converted a former private clubhouse on midtown Madison Avenue. The building is to have two small proscenium auditoriums and a hall for theater-in-the-round productions.

TO WED IN JULY—Mr. and Mrs. Elmer A. Hall of Littlefield have announced the engagement and approaching marriage of their daughter, Frances Lou, to Don Ramsey of Snyder. The prospective bridegroom is the son of Mr. and Mrs. C. A. Ramsey. The double-ring ceremony will be read by Edwin Lynn Hall, cousin of the bride, on July 6 in the First Baptist Church in Littlefield. The bride-elect is a graduate of Littlefield High School and attended Hardin-Simmons University. Mr. Ramsey is a graduate of Snyder High School and attended McMurry College and Hardin-Simmons.

ANNOUNCE ENGAGEMENT—Mr. and Mrs. Roy Reeder of Fluvanna have announced the engagement and approaching marriage of their daughter, Barbara, to Max E. Preston of Snyder. The prospective bridegroom is the son of Mr. and Mrs. S. R. Preston of Sadler. The wedding has been set for June 27. (W. D. Everett Jr. Photograph)

Versatile Doorman Becomes Playwright

NEW YORK (AP) — Richard Reich, stage doorman at a Broadway theater, is finding spare time playwriting profitable.

Reich has wirtten previously for television, now has had his mystery drama "The Tin Cup" optioned for stage production next season by Fred F. Finklehoffe. The Play previously tried out at the Margo Jones theater in Dallas.

The doorman, however, isn't tapering off, reports he has completed another script in which actress Eva Bartok has expressed a desire to play the lead.

About 47 percent of active aviation pilots in the U. S. live in seven states—California, Texas, New York, Illinois, Ohio, Pennsylvania and Michigan.

LEGAL NOTICE

LEGAL ADVERTISEMENT & INVITATION FOR BIDS

SEALED BIDS, subject to the conditions contained herein, will be received until 2:00 P. M. o'clock, June 19, 1957, at the Scurry County Courthouse and then publicly opened and read, for furnishing all labor and materials and performing all work for the construction of clearing, grubbing, fencing, grading, drainage, paving and lighting for a new East-West Runway and all necessary Taxiways to the Scurry County Airport - Winston Field, Project No. 9-41-127-602.

Minimum wage and labor rates for the construction of the proposed work have been established by the Secretary of Labor, and a schedule of labor classifications and wage rates to be paid are included in the specifications and will be made a part of the contract. The bid form shall contain a statement that the prices bid are based on such wage rates.

Copies of the plans, specifications, schedule of minimum wage rates, and other contract documents are on file at the Office of the County Judge, in the Scurry County Courthouse, at Snyder, Texas, and are open for public inspection. Plans, specifications and contract documents may be examined without charge in the office of W. W. Greif & Associates at 1713 25th Street (Mailing Address: P. O. Box 784, Snyder, Texas), or will be forwarded to the prospective contractors upon deposit of $35.00 per set, as a guarantee of the safe return of the plans, specifications, and contract documents. The full amount of this deposit, less the Engineer's actual reproduction cost per set, will be returned to each bidder submitting a bonafide bid immediately upon plans and specifications which are not returned within ten (10) days after the award of contract.

Each bid must be accompanied by a certified check or cashier's check for an amount equal to five per cent (5 per cent) of the total base bid.

A Performance Bond will be required of the successful bidder for an amount of not less than 100 per cent of the contract price.

Bids must be submitted on standard form of bid and the successful bidder will be required to execute the standard form of contract for construction within ten days after formal award of contract.

Right is reserved as the interest of the County of Scurry may require, to reject any and all bids, to waive any informality in bids received, and to accept or reject any items of any bid unless subject bid is qualified by specific limitation.

Envelopes containing bids must be sealed, marked and addressed as follows: "Bid for clearing, grubbing, fencing, grading, drainage, paving and lighting for East-West Runway and all necessary Taxiways for the Scurry County Airport - Winston Field, to be opened the 19th day of June, 1957".

By order of the
Scurry County Commissioner's Court.
Signed: Edgar Taylor
Judge Edgar Taylor
June 3, 1957

LEGAL NOTICES

Sealed proposals addressed to The Honorable Edgar Taylor, Scurry County Judge, Snyder, Texas, for furnishing and installing equipment for Scurry County Library Building, Snyder, Texas, will be received in the office of the County Judge in the County courthouse until 2 p.m., June 24, 1957, at which time proposals will be publicly opened and read aloud. Any bids received after the closing time will be returned unopened.

A Cashier's Check, Certified Check, or acceptable Bid Bond, payable to Scurry County, in an amount of not less than 5 per cent of the largest possible total bid, must accompany each bid as a guarantee that, if awarded the contract, the bidder will enter into a contract and execute a bond acceptable to the Owner within ten (10) days from the date of award.

Attention is called to the fact that the rates of pay for labor and mechanics engaged in the furnishing and installation of this project will be not less than the local prevailing wage rates established in this county.

The Owner reserves the right to reject any or all bids and to waive any or all formalities.

Plans and specifications may be examined without charge in the Office of The Butler-Kimmel Company, Architects, 412 Avenue M Lubbock, Texas; and may be procured upon a deposit of $10.00 as a guarantee for safe return of the plans and specifications, the full amount of which will be repaid upon the return of the plans and specifications within ten (10) days after rcipt of bids.

Your Home Business Firms are

THE HIGHEST BIDDERS
for Your Shopping Dollar

Here are the facts to prove it...

Actually . . . no matter where you live . . . nobody . . . and that means NOBODY . . . can give you more for your dollar than your own home business firms. Let's look at the reason for this advantageous . . . to you . . . situation:

ANY MERCHANT . . . anywhere . . . is ordinarily going to sell goods for some more than he pays for them.

ON AN AVERAGE . . . when you spend a dollar in any retail store . . . here or anywhere else . . . about 70 cents of it pays for GOODS, and about 30 cents goes for rent, taxes, donations, hired help, etc., and a few cents (the national average is about 5 cents) pays the proprietor for his work, and for his investment in goods and equipment, credit losses, etc.

NOW . . . when you spend your dollar at home, you get the same 70 cents worth of merchandise that you would get for it anywhere else.

AND THE OTHER 30 CENTS stays here too, to help you pay for schools, churches, roads and streets; to vitalize the community so your property . . . or your job . . . is worth more; to keep more people here to share civic work and expense, and to serve YOU when you sometimes direly need their knowledge and their skills.

ONLY when you buy in YOUR OWN HOME community do you get back most of this 30-cent retail handling charge . . . and often a great deal more, as your job or your business prospers and your social life broadens with the growth of the entire community.

It Pays to Buy where You Live
