"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire

Volume 59

Tahoka, Lynn County, Texas, Friday, November 23, 1962

Number 8

Crowded Schools Start Talk of New Buildings

Tahoka School Board is studying ways and means of gaining more classroom space for the local schools to relieve the crowded condition, Clint Walker, president and Otis Spears, school superintendent, state.

This year the local plant is taxed to capacity and all indications point to a worsening condition in the future. All available space in North and South Elementary buildings have been taken over by classes, and some class rooms are crowded beyond regulations.

Tahoka schools now have 1240 students in attendance, the largest in the history of the school, plus eight Negro students being transported to Slaton's Negro high school.

High school enrollment is 210 this year and prospects are that this will increase next year. Incidentally, Tahoka dropped to Class A in Interscholastic League competition this year due to having less than 200 in high school the two previous years. But, if the enrollment continues over 200 next year, Tahoka will be back in Class AA two years from now.

Some school patrons advocate a new high school building, others an addition to North Elementary. But, the latter would not relieve the situation in the high school building for any appreciable time if enrollment continues to increase.

A proposal has also been made, probably the most economical to the district, to add to the old high school building by flanking the old building with a new one around the front, north and south sides, retaining the auditorium and using this present old high school building for junior high classes, or the seventh, eighth and ninth grades.

Methodists Map Building Plans

Sunday morning members of the First Methodist Church voted to begin preliminary plans for reconstructing the church plant and to build a unit onto the back for Sunday School class rooms.

Final approval from the members will be necessary after construction costs are submitted to the building committee.

Plans call for the sanctuary to be completely overhauled, lowering the ceiling, providing a middle aisle, and a completely new vestibule, altar, pulpit and choir. The basement would be reconstructed to include two class rooms, a kitchen, parlor, large Fellowship Hall and a nursery and rest rooms.

The new educational unit would contain two floors, with eight class rooms, choir room, study, etc.

The exterior would be reconstructed in Early American architecture with a steeple, and the steps broadened and extended with a middle landing. Also included is an elevator at the front that is accessible from ground floor on the outside.

The stained glass windows and pews in the present building will be utilized in the new plans.

The reconstruction plan was submitted to members along with a plan for a new sanctuary on the ground floor attached to the present church building, which would be remodeled into class rooms. The reconstruction plan was approved almost two to one, with a few votes cast for a completely new sanctuary and educational unit.

The building committee points out that the church may, or may not, approve the final plans for the reconstruction project after the construction costs are submitted. The vote, however, gave the committee the direction in which it should take in making plan for either rebuilding or remodeling.

New Home Faces Building Program

Because of a big increase in enrollment and prospects for future growth, New Home schools are in dire need of more classroom space, states Supt. H. L. Miller.

New Home board has been discussing a proposed building program, and DeWitt & Spencer, Lubbock architects, have been employed to work out preliminary plans for a building program. The board met on Nov. 6, again on Nov. 13, and was meeting again this Tuesday night on the situation.

The enrollment on Monday was 684, about 100 more than at the same time a year ago, and a steady increase has been shown the last four years. The census report for 1959-60 showed 370 students (Cont'd. on Back Page)

Rotary Speaker From Norway

Thor Jan Thomassen, 22, from Norway, member of the Experiment Ambassador Scholarship Program of the Experiment in International Living, will speak at Tahoka Rotary Club Thursday of next week.

Tahoka has been selected as one of three clubs in Texas, the other two being Amarillo and Houston, for such a talk as this, due largely to the fact the Tahoka Club is the pioneer in Texas in this program, having brought similar foreign students here the past eight years.

Thomassen will arrive here next Wednesday and leave on Friday, according to Harold Green, committee chairman in charge of the foreign student program.

David Bray, it was announced last week, will receive a fellowship under a similar program of Rotary Foundation, for a year's study in Australia.

Thomassen lives in Lodengen, Nordland, Norway, is a substitute teacher in his home town and has worked as an interpreter and civil education assistant during his term of military service.

He has traveled throughout Europe. He has been active in (Cont'd. on Back Page)

"Don't Stick Finger In Bacon Slicer," Says Mrs. Adams

"Don't stick your finger in the bacon slicer," Mrs. P. D. Adams has warned her helpers for nine years that she has been in the grocery business.

Then, one day a couple of weeks ago, she started up the slicer and exclaimed, "Look what I did," as she calmly reached down and picked up a piece of her index finger.

Just as calmly, she took the inch-long slice of flesh to Dr. Emil Prohl at Tahoka Hospital, who sewed it back in place, and Tuesday the Doctor told her the operation was a success and the finger would be as good as new.

"So," Mrs. Adams says, "I'm having to eat my words. I have been saying for years there was no use in getting all those cut places on one's hands while working at the meat counter."

Clothing Needed For School Pupils

Some warm clothing, including coats, is needed for some Tahoka school children whose parents are either not able to buy them or have failed to do so, according to Mrs. Lillian McCord.

Anyone having suitable clothing they wish to contribute for young school children may contact Mrs. McCord, school nurse.

We Give Thanks

For freedom, for plenty, for all the blessings of home and family, we say a prayer of gratitude on this Thanksgiving Day. As we celebrate with the traditional feast, we are grateful, too, for many other American traditions . . . and for the privilege of all to work, plan and save for a bountiful future.

4-H Club Members Honored At Annual Banquet Here Thursday

Harold Bessire of route 1, O'Donnell and Jeanie Hewlett of route 2, Wilson were named the Gold Star winners in Lynn county 4-H Club work here Thursday night at the annual 4-H Awards banquet sponsored by Lyntegar Electric Cooperative, Inc.

They were named the outstanding 4-H Club boy and girl in the county for their excellent achievements during the past year.

Bessire, the 14 year old son of Mr. and Mrs. D. J. Bessire, is a freshman in O'Donnell High School. He has participated in Field Crops, Swine, Beef Cattle, Sheep and Electric programs; received 1958 and 1961 Field Crop Award, 1959 Swine Award, and 1960 Beef Cattle Award. Harold is an outstanding leader in 4-H work, having served as president of his local club in 1960-61; club reporter, 1959; secretary of county-wide club in 1960; and president of the county 4-H Council in 1961.

In livestock shows he has won three showmanship awards and has exhibited grand Champion animals in local and county shows. In addition he has participated in the county electric demonstration contest, beef calf tours, beef calf previews and other activities of local and county programs.

Miss Hewlett, also a 14-year old freshman in Wilson High School, is the daughter of Mr. and Mrs. H. H. Hewlett. A member of 4-H Club for five years, she has participated in many projects, the major ones being clothing, dairy foods, swine and gardening. She is noted for being especially adept in the clothing program, having won a blue ribbon in the county dress revue. Jeanie makes all her own school clothes, and in addition to 4-H work is active in GA's, the Wilson band, F. H. A. (Cont'd. on Back Page)

Frank Cabe Is Death Victim

Funeral services for Frank Cabe, 82, former Lynn county citizen who farmed in the Dixie community, were held Saturday at 4:00 p. m. in Brownfield with Rev. H. A. Franks, pastor of Northside Baptist Church officiating. Burial was in Brownfield Cemetery.

Mr. Cabe died Friday at 2:15 p. m. in a Lubbock rest home following a long illness. He is survived by six sons, C. E., J. G., L. B., Carl and Joe, all of Brownfield, and Johnny of Carlsbad, N. M.; one daughter, Mrs. N. F. McCullough of Seminole; and adopted daughter, Mrs. Frank Ledbetter of Deming, N. M.; 17 grandchildren and a number of great grandchildren. Grandsons were pallbearers.

New Oil Test East Of Wilson

W. Ridney Wheeler Estate of Fort Worth last week announced location for a new Permian oil test six miles southeast of Wilson to be known as the No. 1 H. B. Rinne.

Contract depth is 4,800 feet, and exact location is 2,173 feet from the south and west lines of Section 262, Block L, BS&F survey, one and one-fourth miles northwest of the YWO oil field and one mile southeast of the Gunn field.

Mrs. Pearl Calloway and nephew, Q. T. Brian, both of Abilene, were here Monday looking after her farming interests.

Jaquess Winner Of John Deere Award For Sales

Gilmore and Jaquess, local John Deere dealer, has recently received an award for meeting its quota on tractor sales and was awarded a trophy and a trip to Dallas. In addition, the local firm has been named for an award in the form of a trip to Iowa and Illinois.

The company sets a quota for tractor sales and Gilmore and Jaquess met its quota. As a result a pen set of marble and the inscription "125th Anniversary Tractor Sales Award, Gilmore and Jaquess, Tahoka, Texas" was awarded the local firm. Mr. and Mrs. Jack Jaquess and Terry Parr, block man for John Deere of Lubbock, attended a banquet and professional football game in Dallas as a result of the sales here.

In conjunction with the 125 years in business, Gilmore and Jaquess is among the 125 top dealers in the nation, and 17 in the state, that will be given an all expense paid trip to Waterloo and Dubuque, Iowa and Moline, Ill., where Mr. and Mrs. Jaquess will be guests of Deere and Company for three nights. They will leave Dec. 2 by chartered airplane from Lubbock.

R. E. LEES ARE ILL

Mr. and Mrs. R. E. Lee, ill for two weeks, are reported to be improving. Mr. Lee, 84, recently had a spell with his heart, aggravated by a severe cold, and Mrs. Lee, 69, has also been ill.

Weather Delays Cotton Harvest

Salvation Army Drive Underway

The 1962 Salvation Army drive got underway here Tuesday morning with a workers' kick-off breakfast in Tahoka Cafeteria.

Ross Smith is campaign chairman this year and he is aided by about 25 volunteers, who will visit individuals of Tahoka, Wilson, New Home, and Grassland.

This year's goal is near \$1500 and everyone is asked to contribute generously since the Salvation Army conducts a solicitation only once each year.

Heading the campaigns in surrounding communities are Joe D. Unfred, New Home; A. L. Holder, Wilson; and Mrs. Roy LeMond, Grassland.

Lon Light Is Buried Tuesday

Lon A. Light, 73, long a citizen of southwest Lynn county, died Sunday at 11:00 a. m. at Lamesa, where he has lived since retiring from farming several years ago.

He came to Lynn county in 1924, and moved to an irrigated farm northwest of Seagraves a few years ago. He and his wife observed their 50th wedding anniversary about a year ago.

Funeral services were held Tuesday at 10:30 a. m. in the First Baptist Church of Lamesa with Rev. D. W. Copeland of Knapp, former pastor at Wells, officiating, assisted by Rev. Milo Arbuckle, pastor at Lamesa. Burial followed in Lamesa Memorial Park.

Survivors include his wife; 5 daughters, Mrs. Lois Crutcher of Plains, Mrs. Nannie L. Crutcher of Lamesa, Mrs. Flora May Rogers, Mrs. Myrtle Webber of Brownfield, and Mrs. Eva Doyle of O'Donnell; three sisters, Mrs. Ida Soules and Mrs. Ada Hallman of Idalou and Mrs. Eula Jewell of Conroe; three brothers, Jim of Inadale, Alvin of Fort Worth, and Floyd of Midland, 16 grandchildren and 24 great grandchildren.

Three Injured In Tuesday Accident

Three persons were injured, none believed seriously, when cars driven by Mrs. D. M. Woods and Mrs. Leroy Beauchamp collided at the intersection of North First and Ave. O at about 9:50 a. m. Tuesday.

Mrs. Beauchamp received a fractured left hand and her daughter, Marilyn, aged 12, received multiple bruises. They were undergoing treatment and observation at Tahoka Hospital. Tommy Woods, 12, received scratches and bruises.

Mrs. Beauchamp had driven to the school for the Civil Defense drill to pick up her daughter and was returning on the one-way North First Street travelling east. The all-clear had sounded, and Mrs. Woods was returning her son, Tommy, to the school, travelling north on Ave. O, when the accident occurred.

Both cars were badly damaged, but the extent was not known when the News went to press.

Redman Loses Fingers At Gin

Eugene Redman lost his fourth and fifth fingers of his left hand Thursday night of last week in an accident at Farmers Co-op in Tahoka, where he is employed.

The stands had choked down and Redman had gone to assist in unchoking them.

Redman reported that suddenly his fingers were just "gone." He is a patient in Tahoka Hospital.

Cool, damp weather since last Thursday has virtually put a stop to cotton harvest, but frosts and light freezes have almost killed vegetation and will permit more rapid opening of late cotton. A hard freeze is yet to come, although the thermometer hit 29 degrees Sunday morning and again Tuesday morning.

First light frost was received this year on November 8, and light frost also followed on Nov. 9, 12, and 13. The thermometer barely hit freezing on the 17th, low was 29 on the 18th, 30 on the 19th, and 29 on the 20th.

The 11 inch of rain Friday brought the year's precipitation to 16.44 inches in Tahoka.

Lynn county has gained an estimated 28,000 to 30,000 bales, far behind last year's ginnings, but the crop is expected to run to 120,000 to 130,000 bales or more.

Official U. S. Census report on ginnings was received by The News Tuesday for November 1, when 12,780 bales had been ginned in the county, compared to 52,981 at the same time last year. In its issue of November 2, The News had estimated the ginnings at "a little more than 12,000 bales."

Alert Practice Needs Improving

A Civil Defense city-wide drill Tuesday morning was held in Tahoka at 9:30 a. m. and its activities give the local organization even more reason to continue its alert practices.

Several weak points emerged as a result of the drill, both on the part of the organization and the population of Tahoka as a whole.

If the practice had been the real thing, Civil Defense officials estimate that down town Tahoka would have been a 100 percent loss. There are several reasons for this deduction.

First, the cooperation of all people of the town is needed to carry out a successful program and all persons should study the lay-out of emergency directions, both for down town tactics and the school evacuation plan. Secondly, during the school evacuation, students had instructions to remain away from school 15 minutes and then return to their classes. Students largely came to town and drove the streets while the alert was on, which created a dangerous situation down town.

Organization wise, more men are needed to direct traffic on one-way streets and to stop all unnecessary traffic during the 10 or 15 minute drill period. An automobile accident at the end of the practice Tuesday morning occurred at the intersection of North First and Ave. O involving two mothers, one who was travelling east leaving the school, and another travelling north returning her child to school after the all-clear had sounded.

Caution is urged by all those travelling the streets during an alert practice because such a time brings more than the average vehicles into use in a concentrated area.

Alert drills are being planned about once each month, hoping that citizens will become so used to the plans that in case of a real alert, they can be carried out with a minimum of panic and hazards.

These drills are planned by police, City officials, school officials, ministers, businessmen and parents at Civil Defense meetings. The date and time are set by all Civil Defense heads.

Ed McMannus is improving at Tahoka Hospital, where he is being treated for a heart condition.

Rotary Grants To 134 Students

Evanston, Ill.—More than \$350,000 worth of fellowship grants have been awarded 134 students in 27 countries by Rotary International, world-wide association of Rotary clubs. The awards went to graduate students for study at more than 100 universities outside their own countries during the 1963-64 academic year.

Called Rotary Foundation Fellowships for International Understanding, these study grants are a part of a global program to help further understanding and friendly relations among people of different nations. Since 1947, when the Rotary Fellowships were inaugurated, 1,723 awards have been granted at a cost of nearly \$4.5 million.

Though past Rotary Fellows

have been granted at a cost of nearly \$4.5 million.

Though past Rotary Fellows have studied in 53 countries, the new awards include five grants for study in nations where Rotary Fellows have never attended schools—Ethiopia, Sudan, Morocco, Taiwan, and Malagasy.

David Bray of Tahoka, Texas, outstanding senior student in Southern Methodist University, Dallas, received a grant to study philosophy, economics and political science at University of Sydney in Australia.

Sixty-two awards were received by U. S. students, this number being proportionate to the number of Rotary districts in the U. S. A. as compared with other countries. Other large groups include nine Brazilian students, seven Australians and seven Britons, and six Canadians.

Rotary Fellowships average approximately \$2,600. They provide round-trip transportation, full tuition and fees, books, room and board, and educational travel expense. There are two types of Rotary Fellowships: regular and additional.

Beginning with the awards for the 1964-65 school year, regular Fellowships will be available only to men between the ages of 20 and 28, inclusive, for graduate study in any of the 128 countries in which there are Rotary clubs. Additional Fellowships will still be available to both men and women, with no maximum age limit. The additional awards are for study only in certain countries. Applications for both types should be made through local Rotary clubs.

The Rotary Foundation Fellowship program is made possible by the contributions of Rotary clubs, individual Rotarians, and others to The Rotary Foundation. To date nearly \$9 million has been contributed to it.

SPORTS

Tournament Here Next Week Kicks Off 1962-'63 Basketball Schedule

Basketball season will get into full swing on Tuesday night when "A" and "B" boys and "A" girls go to Crosbyton followed next week end, Nov. 29, 30, and Dec. 1 by the Tahoka tournament.

All Lynn county boys and girls teams, O'Donnell, New Home, Wilson and Tahoka, are entered in the tournament and a county championship will be decided, with the Tahoka boys and girls defending champions both of the county and the tournament. Other teams entered include girls and boys from Slaton, Crosbyton and Frenship, Sundown boys and Floydada girls.

Play will get underway Thursday at 2:15 p. m. with Slaton and Frenship girls playing, followed by a game between Slaton and Frenship boys. At 5:30 p. m. O'Donnell will meet Wilson girls and at 6:50 p. m. O'Donnell and Wilson boys will play. At 8:10 p. m. Tahoka and New Home girls will get squared away, followed by Tahoka and New Home boys at 9:30 p. m.

On Friday at 2:15 p. m. Floydada and Crosbyton girls are scheduled followed by the Sundown-Crosbyton boys. The county teams will resume play at 5:30 p. m.

Schedules For Junior Teams

Schedules for the seventh, eighth, and ninth grade basketball teams have been announced with the first game set for Monday night at Frenship.

Seventh and eighth grade teams will play on Monday nights beginning at 5:30 p. m. and will include girls and boys teams from both grades.

Ninth grade boys and "B" girls will play on Thursday nights with all home games set at 6:00 p. m.

Seventh and Eighth Grades
Nov. 26: Tahoka at Frenship.
Dec. 3: Abernathy here.
Dec. 10: Tahoka at Post.
Jan. 7: Tahoka at Idalou.
Jan. 14: Frenship here.
Jan. 21: Tahoka at Abernathy.
Jan. 28: Post here.
Feb. 4: Tahoka at Slaton.
Feb. 11: Idalou here.
Feb. 14, 15, 16: District tournament.
9th Grade Boys and "B" Girls
Dec. 6: Tahoka at Abernathy.
Dec. 13: Post here.
Dec. 20: Tahoka at Slaton.
Jan. 10: Idalou here.
Jan. 17: Tahoka at Frenship.
Jan. 24: Abernathy here.
Jan. 31: Tahoka at Post.
Feb. 7: Slaton here.
Feb. 14: Tahoka at Idalou.

Mailing Rules For Christmas

The Postoffice has launched the 1962 "Mail Early for Christmas" Campaign today by offering the following helpful suggestions to guide you in planning your Christmas mailings this year.

BRING YOUR CHRISTMAS CARD LISTS UP-TO-DATE IMMEDIATELY. Be sure each address is complete, with full name, street and number, city, zone and state. Avoid abbreviations of city and state names.

SEND YOUR CHRISTMAS CARDS BY FIRST CLASS MAIL, using the new 4c Christmas stamps, to secure priority of dispatch and delivery, forwarding without additional charge, and return to you without cost, providing you put your return name and address on the envelopes. Also, Christmas cards sent First Class may be sealed and carry written messages.

Of course, unsealed Christmas Cards containing no writing other than sender's name will still go for 3c postage to any city in the United States.

SEPARATE YOUR CHRISTMAS CARDS INTO "LOCAL" and "OUT OF TOWN" bundles, using the handy labels you can secure from the Post Office or your letter carrier.

STOCK UP ON THE NEW 4c CHRISTMAS POSTAGE STAMPS. They will "dress up" your Christmas cards and gift packages.

SCHEDULE YOUR CHRISTMAS MAILINGS so that your cards and gift packages going to most distant points are mailed by December 10th. Mail Christmas packages for local destinations by December 15th, and by all means, be sure to mail your Christmas cards for friends and relatives in this area at least a week before Christmas.

USE AIR MAIL for Christmas cards and gift parcels for distant points, especially for your last minute mailings.

Mrs. W. E. (Happy) Smith returned home Friday after a month's visit with her daughter and family, Mr. and Mrs. Carey (Susie) Frisby and Robin in Richardson. Coming home with her were Mrs. Newt Smith and Mrs. Eunice Livingston of Grand Prairie. Mrs. Livingston's sister-in-law and Mrs. Smith his sister-in-law.

Jan. 3, 4, 5: "A" girls and boys at Slaton tournament.
Jan. 8: "A" and "B" boys and "A" girls at Frenship.
Jan. 11: Slaton "A" and "B" girls and "A" boys here.
Jan. 18: Sundown "A" and "B" boys and "A" girls here.
Jan. 22: "A" and "B" boys and "A" girls at O'Donnell.
Jan. 25: "A" and "B" boys at Seagraves.
Jan. 29: Plains "A" and "B" boys here.
Jan. 29: Post "A" girls here.
Feb. 1: "A" girls and boys at Wink.
Feb. 5: "A" and "B" girls and "A" boys at Sundown.
Feb. 8: O'Donnell "A" and "B" boys and "A" girls here.
Feb. 12: Seagraves "A" and "B" boys here.
Feb. 15: "A" and "B" boys at Plains.
Feb. 15: "A" girls at Post.
Feb. 19: Wink "A" and "B" boys here.
*Conference games.

Abernathy Wins Over Local Girls

Tahoka "A" and "B" girls dropped games to Abernathy here Thursday night of last week, the varsity squad losing 49-25 and the "B" team losing 28-24.

The local varsity girls made a good start and dominated the first quarter, leading 8-3, but forwards could not find their range and stayed cold on their shooting throughout the remainder of the game. Abernathy led 22-16 at halftime and 40-23 at the end of the third.

Tahoka lost guards Andra Carroll and Sharon Drager on the five foul rule.

Linda Thomas hit the basket for 11 points for Tahoka, Carolyn Howard made five and Carla McNeely four. Abernathy's Martha Struve took honors with 19, Donna Webb made 16, and Linda Miller hit for 14.

The "B" game was a close one all the way with Tahoka girls giving evidence of developing into good varsity material. Abernathy took a 9-4 first quarter lead; 20-14 halftime margin; and 26-20 third quarter lead. The Tahoka team, unable to overcome them, narrowed the margin to four points.

Ann Wright led Tahoka's scoring with 13 points, Mary Ellen Wyatt made 5 and Janie Florence scored four. Marilyn Teaff hit the hoop for 18 and Jeraldine Evans seven.

The next game will be at Crosbyton Nov. 27.

In the meantime, many of the girls were making plans to attend the Russian-American games in the Lubbock Coliseum Wednesday night.

Will Dillard was dismissed as a medical patient from Tahoka Hospital Thursday.

James Efrid Is Commercial Pilot

James Efrid, 18, freshman student from Tahoka in Wayland College, received his commercial pilot's license Wednesday of last week, and will now be able to make charter flights with his plane.

He hopes to pay most of his expenses through college in this manner.

The son of Rev. and Mrs. James Efrid of Tahoka First Baptist Church, James is a 1962 graduate of Tahoka High School.

Last spring he bought a new Piper super cruiser airplane, passed his private pilot's examination in short order, and began flying for the experience and studying for the knowledge necessary to pass the difficult commercial pilot's examination.

Kind words never die—they just become victims of ingratitude.

Grassland News

(By Mrs. O. H. Hoover)

Oh, it's cold outside; had ice last night. Guess we shouldn't complain, it has been such a beautiful fall!

Cotton gathering has been rather slow in the Grassland community. The Grassland Co-op Gin had ginned 290 bales up to Friday and the Producers' Gin had 342 bales, but watch out, in another two weeks both gins will be covered up in cotton. So say Odie Tew, manager of the Co-op gin, and Walter Dubree, manager of Producers' Gin, and I say more power to them!

Kieth and Kane Turner, sons of Mr. and Mrs. Kenneth Turner of Tahoka, spent several days with their grandparents, the L. S. Turners.

Mr. and Mrs. Ray Norman of Post spent Sunday visiting Mr. and Mrs. E. B. Gregg.

Mr. C. M. Greer, J. B. Greer, Alton Greer, Dick King, Jerry Pebsworth, and Jack Smith of Morton went deer hunting down close to Rock Springs. Mrs. J. B. Greer has been staying with Mrs. C. M. Greer while they were gone.

Mr. and Mrs. C. B. Gregg visited Mrs. Herman Huffaker Sunday afternoon. Mrs. Huffaker was in a car wreck the first of last week and was badly hurt but is improving steadily. If nothing comes up, she will get to come

home soon. She may have to use crutches for a while.

Mr. and Mrs. Leonard Gribble are staying in Lubbock and helping care for her father, J. W. Warrick. He had a bad heart attack with complications, and is still very ill, not much improvement.

Leonard McCleskey, son of the W. G. McCleskeys, has had a turn for the worse and is back in the hospital. You remember, he was operated on some time ago for appendicitis. He lives in Chula Vista, Calif.

Mrs. C. M. Greer was a house guest of her daughter, Mrs. Claude Brown, Wednesday. They went to Lubbock shopping and also visited a friend, Mrs. Faubion.

Miss Linda Davis will be at home for the Thanksgiving holidays.

W. G. McCleskey has been sick most of the week and is still not feeling well.

Mr. and Mrs. C. O. McCleskey spent the day with him, and Mrs. McCleskey Sunday. Their pastor, Rev. Fitzgerald visited in the afternoon.

Mrs. James Murray is also on the sick list. We wish for them a speedy recovery.

Mrs. Dot Fortenberry of Welch spent several days last week with her daughter, Mrs. O. C. Harrison.

Mr. and Mrs. T. J. Murray sat with the Warricks in West Texas Hospital Saturday night.

Mr. and Mrs. M. O. McCleskey of Floyd, N. M. visited in the W. G. McCleskey home a short time Wednesday. He is a cousin of theirs.

Mr. and Mrs. Hap Keece and family of Colorado Springs, Colo. are here visiting her mother, Mrs. Herman E. Huffaker, who is in the Garza Hospital at Post.

Delbert McCleskey was hurt one day last week while on the playground at school. At this time the writer does not know how he was injured. Although he is on crutches, the injury doesn't seem to be serious.

Mrs. J. F. Moore and son, Arlie, visited Mr. McCleskey Wednesday. Other visitors were W. L. Gribble.

Mr. and Mrs. Bill Moore of Seagraves brought their daughter by and left her with her grandparents, the C. A. Walkers, on Friday. She stayed until Sunday when the Walkers took her home.

Mrs. Ivy Young spent Sunday night with her sister, Mrs. C. C. Jones. Other visitors were Rev. and Mrs. Walker of Central Baptist Church.

The Grassland and Draw W. S. C.S. have been invited to a Harvest Tea and book review Monday given by Mrs. Faye Matthews of Lubbock.

Mrs. C. A. Walker and Mrs. Bud Inklebarger and daughter, Jeanie, visited the Doyle Terrys and Jim McGrews of Lamesa last Thursday.

Mr. and Mrs. Gus Porterfield spent the week end in Abilene with their son, Dr. and Mrs. Porterfield and family.

Mrs. Al Smith was a medical patient in Tahoka Hospital Friday through Sunday.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

As of the start of the fall season, the U.S. government, or in other words, the taxpayers, had tied up in surplus dairy products, i.e., butter, cheese, and dried milk, a little over a third of a billion dollars. In butter alone, there is now piled up some 400,000,000 pounds, and there is only storage space available for 100 million pounds more.

This surplus in storage, and does not take into account the free dairy products the government gives away. With these costs added, the dairy industry is costing the taxpayers about two-thirds of a billion dollars per year. In the meantime, income to nation's 400,000 dairy farmers has dropped.

It would appear the big problem is that few of the country's dairy cows have ever attended Harvard, thus, have little conception of the principles of a government rigged economy.

In March of 1961, the supplies of surplus dairy products had dropped substantially. So for reasons quite unknown the government raised the support prices from \$3.22 per hundredweight to \$3.40. This encouraged greater production of milk, and at the same time raised the cost to the consumer so that milk sales declined.

A year later, or early in 1962, the government dropped the support price down to \$3.11 per cwt., but much to the surprise of the bureaucrats, production did not diminish. This was perhaps due to the fact that milk is sold to the consumer through the National Federation of Independent Business.

Thus, competition in the marketing of dairy products has been practically eliminated. But if the consumer refuses, as is being done at present, to pay the monopoly set prices, the consumer still pays in the form of taxes. In any place other than Washington, this would be termed ridiculous.

Walter Kahl is showing improvement in Tahoka Hospital, where he is a medical patient.

Congratulations

Mr. and Mrs. Haynes Howle on the birth of a daughter Monday, Nov. 12, at 10:30 a. m. in a Lamesa hospital. Named Cindy Kay, she weighed six pounds, two ounces, and has a big sister, Belinda Gail. Mr. and Mrs. L. A. Forsythe and Mr. and Mrs. E. A. Howle are the grandparents.

Belated congratulations to Mr. and Mrs. Carey Frisby of Richardson, Texas on the birth of a daughter about three weeks ago. She has been named Robin and is the couple's first child. The mother is the former Miss Susie Smith, daughter of Mr. and Mrs. W. E. (Happy) Smith.

Mr. and Mrs. Lucas Viarreal Peralaz of Catulla, Texas on the birth of a son Friday at 2:55 a. m. in Tahoka Hospital. Named Roel Benavides, he weighed six pounds, two ounces.

Mr. and Mrs. Valentine Seuches of route 2, Tahoka, on the birth of a daughter in Tahoka Hospital Saturday at 6:50 p. m. Donna Lou weighed six pounds, one ounce.

Mr. and Mrs. Sesilia Vega of Harlingen on the birth of a son at 2:48 a. m. Sunday in Tahoka Hospital. Weighing seven pounds, he has been named Jose.

Mrs. E. J. Cooper has been in Dallas visiting her daughter, Myrtle and family and grandson, Mr. and Mrs. Jerry Cain. She left for Fort Monroe, Va. on Monday to visit her son and family, Lt. Col. and Mrs. Truett Cooper.

Turkeys hatched from large eggs resulting from matings where selection was made only for egg size over a three-year period averaged heavier at maturity than those hatched from small eggs.

Mrs. Walker Loses Brother At Omaha

Mr. and Mrs. J. E. (Eb) Walker of Tahoka and their son, Buddy Walker of Tatum, N. M., returned home Sunday night from Omaha, Morris county, where they were called by the death of Mrs. Walker's brother, Robert Carson, 61.

Mr. Carson died suddenly on Thursday afternoon of a heart attack. Funeral services were held on Saturday afternoon. He is survived by his wife and three children.

Mr. Walker says that Mr. Carson lived all his life, except for two months, within eight miles of Omaha.

Mrs. Jerry Cain has been promoted to the position of Assistant Juvenile Probation Officer of the Intake Division in Dallas.

WHARTON
MOTOR, Inc.

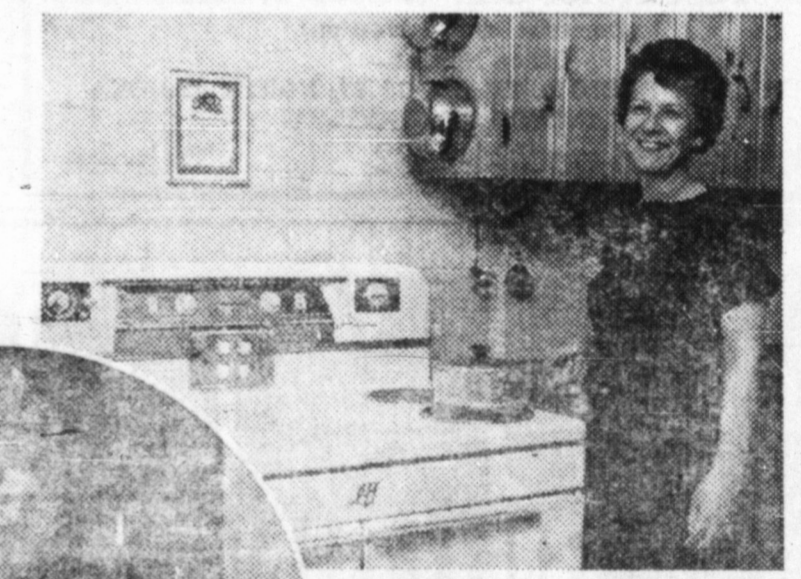

Walter Kahl is showing improvement in Tahoka Hospital, where he is a medical patient.

Mrs. Bertha Frances Allen, 110 North Kansas, Roswell, N. M., has baked as many as 7 or 8 cakes in a single day in her electric oven. Mrs. Allen bakes occasionally for intimate friends. She likes the cleanliness of her electric oven, the even baking of gentle electric heat and electric's automatic features.

Robert Binns, 1108 Meadow Lane, Roswell (Mrs. Allen's grandson), like all men, has a favorite dish he likes to cook. Here, Ynaith, his wife, checks his Swiss Steak recipe, making sure he's seasoned it to her liking. Ynaith is delighted with clean electric cooking—wouldn't cook any other way.

Like her mother, Mrs. W. B. Binns, Jr., McGarvey Road, Roswell, is also proud of her cookery. In the picture, she smilingly shows off the cleanliness of her range. Notice, in particular, the clean sides and bottom of the pan she's using. Electric elements clean themselves and drip pans wash easy as saucers.

The fourth generation is coming along fine, thank you, as here we see Mrs. Robert Binns teaching 4 1/2-year-old Kelly how to properly set a table. With the tradition of good cooking in this Reddy family, you can be sure that Kelly will be a great cook when she grows up—and she'll be cooking electrically—like all progressive homemakers.

Cook better electrically, like this Reddy family!

Now you, too, can take advantage of modern electric cooking and with a written guarantee that either you are completely satisfied with the new electric range you buy (you'll have a full 60 days to use it) or your Reddy Kilowatt Electric Appliance Dealer will refund your money. Not only do you get the written guarantee but you will also receive free wiring—there will be no charge to wire in your new electric range. This offer is available to customers of Southwestern Public Service Company who live in single family residences or two family dwellings. See your Reddy Kilowatt Electric Appliance Dealer this week. Tell him you want to buy the range that gives you complete satisfaction—of course, it's electric!

SOUTHWESTERN PUBLIC SERVICE COMPANY

Original Colonists Tried Communism, Speaker At Rotary Club Declares

Thanksgiving and the free enterprise system was the subject of a talk by Dr. F. W. Mattox, president of Lubbock Christian College, at the Rotary Club last Thursday.

Our original colonists, he declared, were Christian idealists, who came to America to set up a new form of government. First, they established a commune, in which all land and other property was to be owned by the government, produce therefrom going to the state, which was to distribute this produce from the land to families according to their needs. Today, we know this as the Communist theory, or the Socialist form of government.

But, human nature being what it is, some of these colonists turned out to be lazy and slothful, and very soon the people were starving.

The leaders got together and came up with a new plan. Every family was given a plot of ground, and there was a new way of life. The incentive which resulted also brought forth individual initiative, the new system worked, and soon production was bountiful.

Thus, our American founding fathers, in 1621, in appreciation for the bountiful harvest established Thanksgiving Day.

Some call this the profit system, some call it the capitalist

system, but it immediately began to move, and it has worked with wonderful results for 340 years.

Dr. Mattox pointed out that previously all people had lived by permission of some one over him, a king or a lord, or some other form of feudal system, and subjects could do only what they were permitted to do by the ruler or the government.

Today, Dr. Mattox declared, we Americans need to do some re-thinking. Do we want an all-powerful central government, headed by a king or dictator or ruler or Communist or Socialist or whatever you wish to call such an all-powerful government? Or do we want a government that respects the basic rights and dignity of man, a government where the sovereignty rests with the people, such as our forefathers envisioned and such as that established in 1776, when they overthrew the tyranny of King George III?

Basically, he declared, there have been only two basic principles of government in the history of the world: 1. A government where the people are servants. 2. A government which is a servant of the people, of the people, by the people, for the people, where people are free to own property, do the best they can through individual initiative and the profit system.

We have created the greatest civilization in the history of the world, not because we are smarter, work harder, or have more natural resources. He said the Europeans, from whence we came, are just as smart; the Chinese work harder than we, and the Chinese likewise have greater natural resources.

The United States has only 7 percent of the world's people, 8 percent of the land, and 8 percent of the natural resources.

We are the greatest civilization because of the kind of government we have, which our founding fathers conceived. We have learned the secrets of productivity, working individually and together.

An American farmer produces enough for himself and 24 others; a Soviet farmer produces enough

for himself and only four others.

When men own and control their property, they go to work to supply their needs. Under the commune or socialist system they do what they have to do.

But, today we have people who say the capitalistic system has outlived its usefulness, and we must move on to something else—planned economy. These socialists say we have reached the point in economics where we can not continue to operate on the free enterprise system.

But, he pointed out, Khrushchev has a planned economy, says there is no unemployment, but indications are his planned economy is not the ideal.

There is no man or group of men in America capable of sitting in Washington, or anywhere else, and planning an economy for the nation.

The speaker was introduced by Don Browning, program chairman. Dr. Skiles Thomas, club vice president, who presided at the meeting announced the up-coming Sabin Polio Vaccine No. II Sunday on Dec. 2.

Dr. Emil Prohl told of the announcement from Rotary International headquarters that David Bray, Tahoka senior in SMU, had been granted one of the fellowships for a year's study in Sydney, Australia.

A. M. Bray, the youth's father, expressed thanks on behalf of himself and wife for local efforts to help David get the appointment, and said David would express his thanks in person when he is home.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO Gola Mae Puckett, and her unknown husband and all of the unknown heirs of Gola Mae Puckett, and all persons claiming any title or interest in land under deed heretofore given to Gola Mae Puckett of Lubbock County, Texas, as Grantee, and all of the unknown owners or claimants of any interests in the following described property, which petition was filed in said Court on the 16th day of November, 1962, and the nature of which said suit is as follows: "A Trespass to Try Title suit in which Plaintiffs, for cause of action would respectfully show the Court the following:

That on or about the 7th day of January, 1959, Plaintiff W. Freeman was lawfully seized and possessed of the following described land and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

All of Lot No. Eight (8) and the South One-half (S/2) of Lot No. Seven (7), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas, according to the official map or plat thereof, of record in the Deed Records of Lynn County, Texas;

That on or about the 10th day of April, 1962, Plaintiff J. O. Freeman was lawfully seized and possessed of the following described land and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

Fifty (50) feet off of the North side of Lot No. Seven (7), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas, according to the official map or plat thereof, of record in the Deed Records of Lynn County, Texas;

That on or about the 10th day of April, 1962, Plaintiff H. E. Mock was the beneficiary under a Deed of Trust, said Deed of Trust constituting a lien on part of Lot No. Eight (8), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas, and was the holder of a Vendor's Lien on the North One-half (N/2) of Lot No. Seven (7), in Block No. 105, of the Original Town of Tahoka, Lynn County, Texas; being the same land described in a deed from J. W. Letsinger to

Gola Mae Puckett dated July 14, 1931, and recorded in Vol. 50 at Page 259, of the Deed Records of Lynn County, Texas, and also the same property described in a deed from Sam H. Floyd, Sheriff, to J. D. Adams dated January 31, 1947, and recorded in Vol. 91 at Page 607-608, of the Deed Records of Lynn County, Texas.

That the Defendants unlawfully entered upon said premises and ejected Plaintiffs therefrom and unlawfully withholds from them the possession thereof. Plaintiffs also say that they have specially pleaded, and intend to rely on, the five and ten year Statutes of Limitation. Plaintiffs pray for judgment of title and possession of said land in accord with their respective interest and other and further relief to which they are entitled as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

SHIPLEY MOTOR COMPANY

INVITES YOU TO TRY THE '63 FORD GALAXIE'S NEW \$10 MILLION RIDE!

'63 Ford Galaxie—with the look, the power, and now the feel of the Thunderbird!

Spend just 10 minutes to discover the new smooth ride Ford spent \$10 million to develop!

Here's a new smoothness you have to sample to believe. Until now, the wheels of most cars simply moved up and down as they hit bumps, ruts, holes.

But the new ride of the '63 Ford Galaxie lets each wheel move back too! When a wheel hits a bump, it can move back like a fighter to soften the blow! Here's what it does for the ride: the road turns to Thunderbird velvet... cornering is sure and solid... jolts disappear—only the wheels feel the bumps! Spend 10 minutes proving it yourself—drive a 1963 Galaxie today.

Little crippled children at the Scottish Rite Hospital in Dallas are eager for learning and they try hard to keep up with their school-mates back home. Left to right: Karen Wilson, 9, from Humble; John McKee, Dallas, president of the hospital; Miss Ann Sewell, class teacher; Teddy Botello, 11, from Austin; and Shirley Glass, 9, from Somerville.

Beginning Drivers Need License, Too

What must a Texas teen-ager do to learn to drive? Captain Sanford B. Lee, Driver's License Service supervisor for this region of the Texas Department of Public Safety, says if you want to learn to drive or need to practice before you take the driving test, you must make application and pass the vision, signs and rules test.

Then a license will be issued to permit the beginner to drive only when there is a licensed driver in the front seat with the driver. If the applicant is at least 16 years of age or has successfully completed the Driver Education "Behind the Wheel" training, the restriction will be removed from the license when the driver completes his test by passing the driving test.

License Required
 Every resident of the state who drives a motor vehicle must have either a valid Texas operator's, commercial or chauffers license.

Lee says if a youth is under 18 years of age, his application for a license must be signed under oath by someone who is willing to assume responsibility for any negligence or misconduct on his part while driving.

If the father is living and has custody of a minor, he is required to sign the application, otherwise the application must be signed by the mother or guardian.

If neither father, mother or guardian has custody of the minor, the application must be signed by the employer or judge in the county in which he lives.

None Under Fourteen
 A person under fourteen years of age in Texas may not be licensed and must not drive.

Lee stressed that boys and girls driving motorscooters must have a license and obey traffic laws and signals just as a driver of an automobile. "This same rule applies to motorscooter drivers, that no one under fourteen years of age be allowed to drive them," Lee said.

"Motorscooters must also be inspected and licensed annually just as an automobile," he added.

Some parents think it is permissible to let their children drive on dirt roads or county roads while they are learning. "This is not legal because these roads are the same as any other public highway that is open for use of the public and are controlled by Texas statutes," Lee said.

Everyone should know that ignorance is no excuse for disobeying the law, because a person can ask any officer what the correct procedure is on a beginner learning to drive or can obtain a digest of traffic rules or a driver's handbook from any DPS office.

When a person without a license drives the automobile of a friend, if stopped by an officer, the friend can be fined in court for allowing an unauthorized minor to drive.

If a parent or guardian permits an unlicensed person to drive, they too can be fined for permitting an unlicensed minor to drive.

Lee advised that both offenses are subject to \$1 to \$200 fines.

The Driver's License Office in Tahoka is located on the second floor of the courthouse and is open every second and fourth Tuesdays of each month. Written examinations begin at 9:00 a. m. and at 1:00 p. m. and are followed by the driving test, Captain Lee concluded.

Miss Jan Brown, Mike Orr, Set Wedding Date

Mr. and Mrs. J. E. Brown announce the engagement and approaching marriage of their daughter, Jan, to James Michael Orr, son of Mr. and Mrs. O. D. Orr of Tahoka.

The bride-elect is a graduate of Tahoka High School and has attended Draughon's Business College.

Mike Orr, also a graduate of Tahoka High School, is a student at Texas Tech in Lubbock.

Wedding vows will be exchanged by the couple in the Tahoka Church of Christ on December 28 with the local minister, Don Browning, officiating.

All friends and relatives of the couple are invited to attend the wedding ceremony.

No Party Bridge Next Two Weeks

Party bridge at T-Bar Country Club will not be held on Thanksgiving night, nor on Thursday, Nov. 29, because of the Tahoka basketball tournament that will begin on that day.

Play will be resumed on Dec. 6, when Mr. and Mrs. Calloway Huffaker will be hosts. Guest night and the Christmas party will be on Dec. 13. Mr. and Mrs. Jack Fenton will host that event.

New Sponsors For Methodist Youth

New sponsors of the Methodist Youth Fellowship have been named to succeed Mr. and Mrs. Roscoe Treadaway.

They are Mr. and Mrs. A. M. Bray. Co-sponsors are Mr. and Mrs. Eldon Gattis.

Have News? Phone 998-4888.

Rebekah Ladies Entertain Guests

At least one hundred signed the register Saturday evening at the IOOF Hall, when members of the Rebekah lodges from Brownfield, Levelland, Lamesa and Lubbock were guests of the local Rebekah lodge at a Thanksgiving dinner on Friendship and Family Night.

Mistress of ceremonies was Mary Beckham, Noble Grand of Tahoka.

Invocation was given by Mr. E. V. Riley, Past Grand Master of Brownfield; welcome was by Willie Mae Childress, Vice Grand of Tahoka; response, by Jessie Grimes of Lamesa, Past District Deputy and Clemmie Hamilton, Noble Grand of Brownfield.

Special music was presented by Gladys Pool of Lamesa.

Games followed the program. Tahoka Rebekahs will sponsor a Bake Sale at Figgly Wigly stores No. 1 and No. 2 on December 15. Many delicious pastries will be prepared. For any special cake, just phone 998-4387.

4-H Club Girls Elect Officers

The 4-H Club girls from the sixth and seventh grades met Thursday, Nov. 15, at the North Elementary School and elected officers.

They are Beverly Falls, president; Jan Roberts, vice president; Debbie Wright, secretary; Zan Ashcraft, Council delegate; and Vicki Jacobs, reporter. Songleaders are Connie Gardner and Becky Roberts.

The next meeting will be held the second Thursday of December.

EASTERN STAR TO MEET NOV. 26

Tahoka Chapter No. 743, OES, will have their regular meeting on Nov. 26 at 7:30 p. m. They will have initiation at this meeting. All officers and members are urged to attend. Visitors are welcome.—Esther Vaughan, Worthy Matron; Opal Hines, Secretary.

Girl Scout News

Girl Scout Troop 401 met Thursday, Nov. 15 at 4:00 p. m. There were 18 members and two leaders present.

Two girls were invested, which means to become a Girl Scout. They were Linda Isham and Judy Reynolds. They repeated the promise, slogan and the motto.

The patrols cleaned up the yard around the Scout Hut and then refreshments were served by Judy Gattis and Joan Connolly.—Reporter: Paula Payne.

Cemetery Group Serving Dinner

The O'Donnell Cemetery Association will be serving their annual Thanksgiving Dinner in the school cafeteria. The food will be even better than ever this year with plenty of good coffee and homemade pies.

Serving begins at 11:00 a. m. and will continue through 1:30 p. m.

Coffee will be served earlier for those who care to come and chat with old friends.

THE AMERICAN WAY

Roadblock to Prosperity

Lynn County's Federal Personal Tax Bill Is Estimated At \$2,352,000

(Special to The News) New York, Nov. 19—Can residents of Lynn County count on a tax cut in 1963? Or have the prospects for such a cut been dimmed by recent international events?

Local residents, because of their income levels, have been paying huge personal taxes. Their payments, in the past fiscal year, came to approximately \$2,352,000, according to an unofficial estimate based on Treasury Department figures.

Along with other taxpayers throughout the country, they have been looking forward to a reduction next year.

Current opinion is that some cut will be proposed by the Administration. How large it will be will depend on the state of the economy and the size of the 1964 budget.

Commerce Secretary Luther Hodges has come out for a slash in taxes right after the first of the year, without waiting for a broad tax reform bill, which might take a long time.

Many Congressmen have been surprised by the attitude of their constituents on the subject. They are finding that the homelike, much as they want and need tax relief, feel that it would be irresponsible to do this if it meant adding to the national deficit and debt.

They want any adjustment to be

accompanied by a cut in Federal spending for non-defense purposes.

Of the \$2,352,000 in individual income taxes paid by Lynn County residents in the year, over \$964,000 is being used for domestic spending and the rest for national defense. This is based on a study just released by the tax Foundation.

The domestic spending covers benefits for agriculture, commerce, veterans, education, health and welfare, labor, space, research, housing and the like. The current bill for these items is \$28 billion, 128 percent higher than it was 8 years ago.

Defense costs, by contrast, have gone up only 14 percent in the 8 years, says the Tax Foundation.

Because of our deficit spending, year after year, the national debt has grown to more than \$298 billion, it notes.

Lynn County's share of this debt, which averages \$1,616 for every man, woman and child in the country, amounts to \$17,614,000.

Miss Ina Ledbetter of Wells community was admitted to Tahoka Hospital Monday as a medical patient.

Mrs. Harvey Pyburn was released from Tahoka Hospital Thursday, where she was a medical patient.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Editor, The News:

This is to let you know my new address for I sure don't want to miss getting the old home paper.

It has been three years since I have been back to Tahoka and sure would like to see some of the old friends and school pals once more. I would like to hear from them. Would you please put my address in the paper. My name used to be Ruth McCrary. Thank you.

Mrs. Ruth Giles, Route 13, Box 396-A, Fort Worth 19, Texas.

Mrs. Hattie Yates, 94, is showing improvement at Tahoka Hospital where she is a medical patient.

Bulldogs Close Out Season With Loss To Seagraves, 5-A Champs

Tahoka scored first on Seagraves Friday night but could not stop the hard driving, versatile Eagle backs from rolling up a 52-6 score to remain undefeated in 5-A conference play and gain the right to meet Rotan in Snyder at 2:30 p. m. Thanksgiving Day for the bi-district title.

Andy Bray, Tahoka's stalwart defensive man, went out early in the game with an injured leg. Although the other boys did the best they could, many of the Seagraves big gains went through Bray's position. End Billy Clinton also missed the game because of an injury.

This was the last football game for seven Tahoka seniors, Craig Leslie, Tony Spruiell, Johnny Rogers, Birger Ollrogge, Bray, Clinton, and Larry Price, who was lost for the year early in the season.

Playing his last game, Tony Spruiell, running from quarterback, had a great game both offensively and defensively, carrying for 92 yards personally; Adolph Chapa, sophomore, carried for 47, Billy Miller, junior, ran for 33. Seniors Craig Leslie and Johnny Rogers and Junior Gary Grogan turned in fine games on defense, and Steve Greer, also a junior, did a great job punting six times for an average of 35.8 yards in the place of regular punter, Andy Bray.

Looking to the future, Tahoka fans should be pleased with Juniors Jack Wood, Macky Joe McWhirter, Billy Miller, Steve Greer, Gary Grogan; Sophomores Adolph Chapa, Jose Cervantes, Eddie Howard, Jim Wells, Dennis Clem, Frankie Farrera, Jack Edwards, Cal Womack, Randy Workman, and Hugh Jack Norwood, who may be eligible next year; and Freshmen Larry Jolly, Harlan Curry, Dickie Davis, Mike Curry, Clarence Long, and Gary Tomlinson.

Tahoka received the kick-off, Miller bringing the ball from the 9 to the 27, from which point Chapa, Grogan, Spruiell and Miller alternated in carrying the ball in 12 plays, including a 16 yard run by Spruiell and one of 22 by Miller, to the Seagraves 3. From there, Miller went three yards over left guard for the TD. Tahoka's only score. Leslie's place kick for conversion was blocked.

But, Seagraves' LH Jerry Crump brought the kick-off to mid-field, FB Clyde Keltner made two, and then broke through right tackle for 35 yards to the Tahoka 19. Five plays later, Keltner went over right guard for the score, and Crump went around right end for the conversion. Score 8-6.

Tahoka failed to move, had to punt, and after starting on their own 33, Seagraves scored again, early in the second quarter. Sammy Faulkner, playing his first game after being out two or three

Tahoka	Seagraves
11 First downs	24
198 Net yds. rushing	382
27 Yds. passing	142
2 Passes complete	3
10 Incomplete	5
6 for 36 Punts, avg.	1 for 39
3 for 15 Penalties	5 for 38
0 Fumbles lost	0

weeks with an injury, set up the score on a 34 yard run around right end to the Tahoka 19, and three plays later, Keltner went 10 yards off left tackle for the goal line. QB Charles Flemmons passed to Crump for the conversion. Score, 16-6.

Again, Tahoka couldn't move. Greer got off a good punt, but Keltner brought it back to the Tahoka 38, Crump circled right end for 19 yards, and then Flemmons passed 19 to Crump for the third TD. Conversion failed. Score 22-6.

But, Seagraves was to score again before the half. Spruiell brought the kick-off to the 41, Tahoka moved to the Seagraves 44 before Greer kicked to the 5, and Keltner was downed on the 6. Two plays made 9, then the Eagles drew a holding penalty back to the 7, Kaulkner made 9, drew two more penalties back to the 6, and here Flemmons tossed a long pass, almost miraculously caught by Keltner in spite of three Tahoka defenders, got away from the Bulldogs and raced for 94 yards, the pass play covering 94 yards. Crump ran the conversion. Score, 30-6.

Miller ran the kickoff to the 40, Spruiell made 15 and 4 and Grogan and Miller carried to the Seagraves 36, but an offside penalty and an incomplete pass caused the ball to go over, and the half ended two plays later.

Opening the second half, Faulkner, Keltner, and Crump moved the ball in six plays for another score, RH Ronnie Fields going the last seven yards through right tackle. A pass to End Billy Bean, Colored boy, was good for the conversion. Score 38-6.

Still Tahoka couldn't move, and Keltner and Faulkner, plus a 29 yard pass to End Monty Sansom carried to the Tahoka 5, from

SPORTS

Wilson Loses To Cooper 12-6

Cooper Pirates, before a homecoming crowd in near-freezing drizzly weather, rose up Saturday afternoon to knock down the favored Wilson Mustangs 12-6, and will represent the district against Dell City of District 4-B at Plains Thursday night.

Wilson tied Cooper for the 3-B title, but Cooper gains the right to represent the district by reason of the win over Wilson, each ending the season with a 4-1 conference record.

Cooper scored first in the opening stanza when QB Buzz White went over from 13 yards out. Wilson bounced back to score in the second period when Don Webb hit pay dirt. Then, in the final period, Charles Hendricks intercepted a Wilson pass and ran 11 yards for the winning margin.

This was a heart-breaker for the Lynn county boys, who had come up off the floor from a slow start to win four conference games in a row and appeared headed for another title. But, Saturday was just their unlucky day when the breaks went against them.

which point Crump went through right tackle to score and hit the same hole for the conversion. Score 46-6.

Miller ran the kickoff from the 15 to the 40, and Tahoka, seemed to have a scoring drive going as during the series Miller took a pitch-out for 12 yards, Chapa bulled his way for 21 yards, but the drive ended on the Seagraves 13.

As the quarter ended, Crump got away on a 61 yard run to Tahoka's 16, and four plays later Keltner went over from the 3. Conversion failed. Score 52-6.

Neither team could move consistently until late in the quarter Tahoka had one more chance as the Bulldogs moved to the Seagraves 22, largely on a 15 yard pass Spruiell to Leslie and a 10 yard run by Spruiell as time ran out.

Wink Is Winner Over O'Donnell

Wink Wildcats clawed their way to a 45-6 victory over the Eagles at O'Donnell Friday night to wind up the 5-A season for both teams.

Wink scored early in the game, followed by an O'Donnell score to tie it up 6-6 on a pass from QB Fen Taylor to End Wendell White. Wink's second touchdown came in the second quarter on an intercepted pass and 63-yard run, followed by a third TD in the period for an 18-6 halftime lead. Then, in the second half, the roof caved in on the O'Donnell boys as Wink scored 27 points to win going away.

The Eagles' lone conference victory was over Tahoka.

New Home Drops Final Encounter

New Home Leopards closed out a long, disappointing season Friday night at Ropesville with the Eagles taking a 24-0 victory, scoring twice in each of the third and fourth periods.

Short on reserves and experienced boys to start with, New Home's ranks were riddled with injuries early in the season, three top boys being lost by this route. The Leopards managed to win one game, against the O'Donnell B team.

Foster Dudgeon Is Air Force Cadet

Lubbock, Nov. 22 — Foster E. Dudgeon of Tahoka is one of 28 Air Force ROTC cadets at Texas Tech who have received their wings. This is the groups first major step in becoming qualified Air Force pilots.

The recipients are third year air science students who will en-

ter flight training and instruction program along with the basic AF ROTC program.

Dudgeon, a graduate of Tahoka High School, is the son of Mr. and Mrs. Rush Dudgeon of Tahoka.

Calloway Huffaker, E. L. Short and Bert Short and Jim Porterfield of Grassland left Thursday for a hunting trip to Camp Wood. The group returned Sunday.

AYER-WAY CLEANERS

Using the Finest Equipment and Modern Techniques.

Printer's Ink-lings . . .

By F. P. H.

We are thankful for the privilege of living in the great South Plains country among the finest people in the world, in the great state of Texas, and in the finest nation of the world; for the opportunity to live in a community where there is a minimum of lawlessness, a citizenship of high ideals, a wholesome environment for the youth; for the opportunity to serve this excellent county of Lynn as a news medium, to work with the best group of businessmen we ever knew, and to be associated with such a congenial, cooperative force of employees; for these . . . and a gracious Good Lord . . . who have permitted us happiness, a moderate living, and good health.

At this Thanksgiving time, stop and take inventory! We think you'll find there are many things for which we people of Old Lynn can be thankful.

We've got the best bunch of friends in the world among our readers of The News. When we ran short on copies of The News

for November 9, we ran a little paragraph last week asking a few readers to bring in copies of that issue. To date, the following have brought us copies of this paper: Mrs. E. W. Roe, Mrs. T. B. Inman, Jim Adams, Mrs. Emil Prohl, Mrs. R. B. McCord, Mrs. Georgia Mae (Buster) Fenton, Mrs. Vernon Davis, Miss Virgia Cobb, Mrs. A. L. Solsbery, Mrs. Lee Owens, Woodrow Brazil, C. J. Beach of O'Donnell, Mrs. J. O. King of Wilson, Walter Vaughan, John Slover, Mrs. R. A. Taylor of O'Donnell, route 3, Ed Denton of Post, route 2, Mrs. C. J. Carpenter, Mrs. Harley Henderson, and several others whose names we failed to get. Thanks a lot, folks.

A. L. Shepherd brought us a clipping about the Masonic Lodge from Charley Guy's Plainsman column in the Avalanche he thought should be of interest to many of our readers.

The Plainsman says there are 15,000 to 17,000 members of the Masonic Order on the South Plains. The first U. S. lodge was in Philadelphia, organized in 1773, and the next year the Grand Lodge of Pennsylvania named as its Grand Master a 28-year-old printer by the name of Benjamin Franklin.

There are many misconceptions about the Masonic Order. The Lodge does not bar Roman Catholics from membership, but conversely Roman Catholics had a big hand in early organization, and five popes have been Masons. The Order takes no hand in politics, nor does it vote as a unit. Members do not "ride goats" in initiation, Masonry is not "a religion all its own," and members being tried in court are not given special privilege by other Masons.

The Masonic order traces its history from the days of the building of King Solomon's Temple, when stone masons made up the membership. In about 1600, or earlier, the order began attracting members from all walks of life. In Europe, kings and other heads of government almost tradition-

ally head the organization, but in this country members come from all walks of life. The order is one of the oldest, if not the oldest, in the world.

Mr. Shepherd says he was in five gatherings Sunday before last, and no single person in any of the groups said one word about that being Armistice Day. He says he certainly remembers the day, as do most veterans of World War I. Naturally, he wondered if we are forgetting about this important day in the history of our country.

Whether you like it or not, our government is going through a revolutionary change. In this change, we are losing more and more freedoms that were supposed to be guaranteed by our Constitution.

Mrs. J. E. Mayberry brought us a copy of the Lubbock Sunday Sun, dated Nov. 11, in which the editor, M. I. Hall, calls attention to a bill in Congress, H. R. 289, which, if passed, will authorize the Postmaster General to bar from the mail any literature circulated that might produce ill will by reason of religion.

Furthermore, the Department of Defense has created another agency, called the Religious Affairs Office of the Office of Civil Defense, designed for taking over the administration of the churches of America. Fred W. Kern, director, offers these three primary points: "1. The Church must have the right attitude. 2. All ministers are to register with the Office of Civil Defense. 3. Church property may be seized inasmuch as churches are established throughout the nation and possess more physical property than any other category of society." If you don't believe this, you may write directly to the Office of Civil Defense in Washington and get a copy of the law concerning the power of this Agency. It may be later than you think!

A few months ago, some of our readers said Secretary of Agriculture Freeman didn't really seriously contemplate conversion of farm land into recreational areas. Well, last week, he formally announced plans for retiring farm land into "picnic grounds, swimming pools, golf courses, parks, nature trails and lakes." This plan, Freeman says, is incorporated in the new farm bill passed by Congress recently and is designed to reduce crop surpluses.

Mr. Freeman says anyone living "the year round in the open country" or in a town with less than 2,500 people, who can't get credit elsewhere, is eligible for a loan up to \$35,000 through Farmers Home Administration for "in come-producing" recreation facilities. Now, ain't that just hunky-dory?

Perry Walker, you've got a new customer. The Printer has a farm over in Terry, and he wants to make a public park out of part of it. We've got 30 acres of surplus land on which we can't count in allotment for either cotton or maize. The ASC told us we would not be penalized for taking the "B" cotton plan, but then along came the feed-grain program and we couldn't count this 30 acres as maize land or couldn't plant it in cotton. The ASC, it turned out, didn't know what it was talking about—and The Printer got slyed. Now we've got it made. The government will build us a swimming pool, picnic area, and croquet court. We want that \$35,000 government loan, because Charles Verner won't let us have it, to build a park—but, we've got a string attached, too. It's this, Uncle Sam: We want the loan on the same pay-back basis you make loans to Communist Poland and

New Equipment Is Installed By News

Readers of The News may have noticed some new type faces in last week's paper, particularly among the larger headlines and in display advertising.

Such is made possible by the recent installation of a type-casting machine called Ludlow, which casts the larger sizes of type in a similar manner in which smaller sizes are cast on the Linotype. The News has 12 new type faces along with the machine, all among the latest faces being used by the dailies and larger weeklies.

The machine takes the place of several thousand pounds of handset type, which was becoming badly worn. Principal advantage is that the newspaper can now have new type, cast right here in the shop, all the time, which would give the newspaper, especially the ads., a better appearance.

The Ludlow, almost new, was purchased from the Conroe Daily Courier, down near Houston.

Yugo-Slavia and Cuba, or at least on the same basis as to Mexico, Venezuela, India, and the like. Get your bathing suits and come over to see us, boys!

Here are some jokes of a different nature, if you didn't like the one above.

Sweet young thing applying for job to prospective employer: "I suppose I CAN start Monday, if you let me have the day off."

Wife to husband, while fishing out on the lake: "Do we have an extra cork? Mine sunk."

"Dad, what's a traitor in politics?"

"A man who leaves our party and goes over to the other side."

"Then, what's a man who leaves them and comes over to us?"

"A patriot, my son."

Little Johnny was the center of an admiring crowd after he had saved another little boy from drowning. "You are a fine lad," said one woman, "Tell us how you came to be so brave." Said Johnny, "I had to save him. He was wearing my bathing suit."

Local Men At Masonic Meeting

Walter Vaughan reports he and Charley Beckham and Bobby Ramsey went to Dallas November 11 to attend the 148th Scottish Rite reunion of the Scottish Rite Temple.

They attended as visitors but worked under the Extra Parts Committee in most of the degrees. There were 1,930 candidates registered, not only from the Dallas District but from all over the state. This was the fourth Scottish Rite reunion in this year of 1962.

Mr. Vaughan says: "I talked with a young man, Jimmy Bradshaw, from Crockett, in the Waco District, and found out that his folks were great friends of the Hills. I asked him if he knew anything good about Frank Hill. He said he didn't when he was a boy but said he thought Frank is doing a little better now."

A. M. Bray attended funeral services for an uncle in Greenville Sunday. He also visited his mother, who is hospitalized in Dallas, and visited with son, David, on Saturday.

The Lynn County News, Tahoka, Texas Friday, November 23, 1962

A 390 V-8 NOW STANDARD FOR MERCURY

MONTEREY CUSTOM 4-DOOR SEDAN

You just can't buy an underpowered Mercury Monterey. The engine that comes as standard equipment this year is a big 390-cubic-inch Marauder V-8 with double-barrel carburetor. The standard engine for the bucket-seat S-55 is a Super Marauder 390 V-8 with 4-barrel carburetor. And, if your taste runs to something even hotter, other Mercury V-8 options range up to a scorching sizzler with Breezeway Design. The Breezeway rear window opens for unique Flo-Thru ventilation: side windows can stay closed to keep out dust and weather, hush wind noise. See '63's elegant performance car . . . Mercury Monterey!

Rotary ...

(Cont'd. from Page 1)

sports, music, and Boy Scout work. He will study in University of Oslo on his return to his home country.

His visit to the U. S. is sponsored by the Palmyra Rotary Club of Hershey, Penn.

The Experiment was founded in 1932 by Donald B. Watt as an independent non-profit organization in the field of international education, maintains offices in 47 countries, and 90,000 people have participated in its activities.

Home-stays in foreign countries was set up in 1950, and since then more than 1,000 young men and women have participated. The Ambassadors' responsibilities do not include a study program, but rather a period of getting to know the people of another country by living with families. Sponsors and ambassadors both benefit in achieving a deeper understanding of their two countries.

Harry Lee Short was among the hunters that were at Camp Wood from Thursday to Sunday.

He said he didn't have good luck this trip though.

4-H Awards ...

Workouts Begin For Basketball

Workouts began Monday for varsity and "B" basketball teams and there will be only a week for the boys to "shape up" before Tuesday night's games at Crosbyton.

With six lettermen returning from last year's squad and three additional boys from the travelling squad, some of these are still hampered with football injuries, and it is not known at this time when these boys can see action.

In addition to the above nine, 16 boys turned out for workout Monday, bringing the total to 25 for Coach Jake Jacobs' and Assistant Coach Milt Flitts' teams.

Returning lettermen include Craig Leslie, Billy Clinton, Tony Spruiell, Andy Bray, Jerry Forsythe and Billy Wallace and those from last year's travelling squad are Allen Cox, Billy Miller and Macky McWhirter. Also expecting to see action this year are Jose Cervantes, Adolph Chapa, Ronnie Reed, Terry Harvick, Jim Wells, Ronnie Ebird, Rett Patterson, Frankie Stanley, Freddie Pierce, Stanley Renfro, Britt Robinson, Kenneth Hart, Johnny Hillhouse, Gary Tomlinson, Larry Jolly, Jack Jaquess and Charles Carpenter. Managers of the varsity team are Larry and Stanley Price. Jimmy Billman is manager of the "B" team.

Home Economics: 1. Ruth Rucker, Wilson; 2. Tonia Beckham, route 3, Tahoka.

Leadership: 1. Jolene Bolch, route 3, O'Donnell; 2. Jo Ella Askew, route 3, O'Donnell; 3. James White, O'Donnell.

Recreation: 1. Anna L. Biggerstaff, Tahoka; 2. Zackie Oliver, Tahoka; 3. Bobby Martin, route 3, Tahoka.

Swine: 1. Eddie Joe Moore, route 1, O'Donnell; 2. Kenneth Fillingim, route 4, Tahoka; 3. Roger Pennington, route 4, Tahoka; 4. Ivan Line, O'Donnell.

Public Speaking: 1. Ivan Keith, route 4, Tahoka.

Agri-Business Dem.: 1. Jerry Hair, route 5, Tahoka.

Adult Leaders: (Five years service as Adult leader) Mrs. Jack Wood, O'Donnell; Mrs. W. C. Macker, Wilson; D. J. Bessire, route 1, O'Donnell; C. A. Moore, route 1, O'Donnell.

Vicky Weathers Is Honored At Abilene

Miss Vicky Weathers, 15, daughter of Mr. and Mrs. David G. Weathers of 2733 S. 11th, Abilene, was recently selected as the Abilene "Teenage Driver of the Month."

Her picture appeared in a recent Abilene Reporter-News receiving the award from Abilene Policeman Jimmy Trickett at a meeting of the Optimist Club. The award is made each month by the club in cooperation with Abilene Police Department.

Teen-age drivers are observed for a three or four week period, unknown to the drivers, and then the best driver is selected by police.

Vicky is a sophomore student in Cooper High School in Abilene. She is the granddaughter of Mrs. Polly Weathers and Mr. and Mrs. Earl Tunnell, all of Tahoka.

The fast pace of modern living has much to do with the high cost

Crowded School

(Continued from Page 1)
enumerated; 1960-61, 392; 1961-62, 405; and 1962-63, 542. Thus, actual attendance is about 140 above the enumeration.

New Home qualified for two new teachers this year, and will probably qualify for another two next year. The old school building has been rejuvenated to take care of the increase, but this is now taxed to capacity.

Mr. Miller says much of the growth is attributed to the fact that more and more farm hands are remaining in the community on a year-around basis, since few or braceros and other migrant workers are being used.

The board and architects are talking about a building program that would require a bond issue of about \$250,000.

Plans are being discussed for a new high school building, additional elementary school classrooms, and a new gymnasium. Under this plan, if adopted and approved, the present high school building would become a junior high, and the old gymnasium would likewise be used by junior high and elementary school.

To say the least, Mr. Miller says, the community has a problem.

Tahoka 4-H Club Elects Officers

The members of the sixth and seventh grade 4-H Club met on November 18, 1962 and elected

officers. They are as follows: President, Bobby Martin; Vice-president, Doug Taylor; and Wayne King, Reporter.

Five Injured In Car Accident

Five persons were injured Thursday at 10:00 p. m. at the intersection of U. S. Highway 87 and FM Road 211, 11 miles north of Tahoka when vehicles driven by Mrs. Doris Putman Brashear of Tahoka and Earl David Taylor of New Home collided.

Receiving head injuries, cuts and bruises were Mrs. Brashear, Mrs. Janie Putman and Mrs. Rosie Putman, both of O'Donnell, who were passengers in one car driving south on the highway.

Taylor and Barney Wrenn, also of New Home, who were in the car heading east on the farm road, received cuts and bruises.

All were reported to be in good condition in Tahoka Hospital Monday.

An average of 51.5 acres of irrigated peach trees per farm produced average net returns of \$7266 per year over a 4-year period.

Texas uses more natural gas than any other state; more than the rest of the world outside the U. S.

O'Donnell; and Bertice Askew, route 3, O'Donnell.

THANKSGIVING

FELLOWSHIP
PRAYER
FEASTING

Every day we can well give thanks for the many blessings we enjoy ... yet, we set aside one special day for united prayer, good fellowship and feasting, that we may celebrate the bounty of God, together. This Thanksgiving Day, gather with your friends ... in church ... around the table!

Rutherford's
