Welton H. Bunger Victim Of Heart Attack At Ranch

Native Ozonan Found Dead In Pickup On Val Verde Ranch

Funeral services were held at 3 o'clock Saturday afternoon from the Ozona Methodist Church for Welton H. Bunger, 62, native Ozonan, who was found dead on his Val Verde county ranch near Pandale Thursday afternoon, Jan. 4, apparently the victim of a heart attack.

Services were conducted by the Rev. Morris H. Bratton, pastor, with burial following in Cedar Hill Cemetery under direction of the Cody Funeral Home. Active pallbearers were Elmo Arledge, Carl Malone, W. O. Mills, all of Pandale, W. E. Friend, Jr., Charles Wililams, Beall Barbee, Wayne West, Hillery Phillips and Sherman Taylor, all of Ozona, Named honorary pallbearers by the family were Paul Perner, Will Baggett, Tom Harris, Roy Henderson, Bascomb Cox, and Hilton North, all of Ozona, Henry Mills, Jr., C. E. Turner and Emmett Cain, all of Pandale and B. L. Chrane of Midland.

Mr. Bunger left his ranch headquarters about 8 a. m. to go to a windmill about a mile and a half from the house. The road led up a steep mountain climb. He had planned to go on to Pandale and his failure to return to the ranch did not cause alarm until a group of women from Pandale who had come to call on Mrs. Bunger reported that he had not been seen in Pandale. A search by a Mexican ranch hand and neighboring ranchmen followed and Mr. Bunger's body was found in his pickup at the foot of an incline which preceded the steep climb up the mountain. The pickup had rolled back down the small hill and into a wash and was undamaged. Time of death was fixed at about 8:30 a. m.

Mr. Bunger, "Shot" to his friends, was born in Ozona Dec. 11, 1899, son of the late Mr. and Mrs. George L. Bunger, pioneer Crockett county couple. He had ranch-

Richard Flowers Asks Election To Commission Post

Appointed to Fill Precinct 2 Post, Asks Elective Term

Richard Flowers, Crockett county ranchman, former business man and long time resident of the county, this week authorized announcement of his candidacy for the office of County Commissioner from Precinct 2, Crockett county.

Mr. Flowers is presently serving in that capacity under appointment of the court following the recent death of County Judge Houston S. Smith. The court appointed then Prec. 1 Commissioner Ralph Jones to the judge's post, shifted Commissioner C. O. (Lefty) Walker, who has moved from Precinct 2 to Precinct 1 to fill the vacancy in Precinct 1, and made Richard Flowers the new man on the court, Commissioner from Precinct 2.

Mr. Flowers operated a grocery store and bakery in Ozona for a number of years in his early manhood but for the last number of years has been ranching on the W. R. Baggett ranch lands north of O zona. He h as s erved as a member of the school board and has always b e e n available for community services.

"I believe tha my experience in public business and the short while I have served on the Commissioners Court have given me considerable insight into the operation of the county's business and I feel that I can make a contribution to the court. I will appreciate the support of all in the coming election."

Girl Injured In Car Accident Unconscious But Improvement Seen

Charlotte Christian, 18-year-old San Angelo girl, injured Monday in a one-car accident east of Ozona, remained unconscious this morning in the Crockett county hospital but hospital authorities this morning saw some improvement in her condition and they and attending physicians found her response encouraging.

Another girl, Brenda Pinckney, 18, of Midland, also injured in the accident, was continuing to improve this morning and her condition was described as fair. She had suffered shock and multiple bruises. Miss Christian suffered head injuries but the extent of her injuries have not yet been determined. Condition of both girls has been such that thorough examination has been postponed.

Both girls, freshmen students at San Angelo College, were injured when the small foreign car in which they were riding overturned on a ranch road east of Ozona. Two boys, John F. Green, 19, of San Angelo, grandson of Mr. and Mrs. Albert Bailey of San Angelo and the Bailey ranch east of Ozona, and Harry T. Austin, 20, of Fort Worth, son of Mr. and Mrs. Robet. Austin of Fort Worth, and nephew of Mrs. Bailey were also injured both less seriously in t h e accident. They are also students at SAC.

Ozona Lions Win Second Place In Big Lake Tourney

Local Cagers Rampage Thru 4 Opponents To Reach Finals

By Ernie Boyd

The Ozona Lions c r a s h e d through four opponents to reach the finals of the 21st annual Reagan County Invitational Basketball Tourney last week before losing in the final round to tree-top-tall Ft. Stockton.

In reaching the finals Coach Brooks Dozier's cagers finished in the first two places for the first time in many years and the highest the team has ever finished since the tourney became so large, this year having 28 entries.

Carl Montgomery and Van Miller, both of whom did outstanding jobs for the Lions all the way through the meet, were chosen for the all-tourney team, the first Ozona selections since Bobby Sutton was chosen in 1959. But it was team play that paved the

Ozona Girls Turn In Best Team Effort In Downing McCamey

By Ernie Boyd

The Ozona High School girls basketball team extended its season record to 10 wins and 3 losses last Friday night by downing the McCamey girls team 57 to 44 in McCamey.

Beverly Alford led the Ozona attack with 26 points followed by Janie Lara with 21 and Don Nell Carnes with 10.

The Ozona team jumped into an early lead and with the defense holding firm moved into a commanding lead in the first quarter before McCamey could score.

Guards Glenda Friend, Robin Jones and Janet Mason had one of their best games of the season and Coach Roger Gotcher stated Saturday that he felt the contest was one of the best team efforts Ozona has had this year.

The 57 pointss cored Friday left the team with an average of 49 points a game as they open district play with Eldorado h e r e Friday night.

In a B game played in McCamey the Ozona team won a narrow 27 to 25 victory over the home tea mas Shirley Wagner and Janie Gilliam led the Ozona attack

Glen Sutton Is Second Candidate For Prec. 4 Post

Ozona Business Man To Seek Place As Commissioner

Glenn Sutton, Ozona business man, this week became the second candidate to announce for the post of County Commissioner from Precinct 4 Crockett county.

Roger Dudley, Jr., last week announced he will seek the post now held by Jake Young in the southwest corner of Crockett county.

Sutton is owner of Sutton's Chevron Station on Highway 290 west of the Johnson draw bridge a business he has operated for many years. A resident of Ozona since 1937, Mr. Sutton worked for a time on ranches in the county before his marriage to Miss Alleane Couch, daughter of Mr. and Mrs. Mike Couch and soon after their marriage they opened the filling station which has grown steadily through the years.

Mr. Sutton is now serving as a member of the school board, a position he has held for three terms.

"I feel that I am thoroughly qualified to hold the office and will do my best to make you a good county commissioner if I am elected. I will devote whatever time is needed to the duties of the post and will appreciate an opportunity to prove my ability." Sutton said in announcing his candidacy. "If I am elected, I will be grateful — if not I will feel no ill will toward anybody."

Tech Coach King Speaker At Lions All-Dist. Banquet

Event Sat. Night In Cafeteria To Honor 8-A Top Players

By Ernie Boyd

The annual Ozona Lions Club All-District football banquet will be held at the Ozon High School Cafeteria Saturday night at 7:30.

Texas Tech football coach J. T. King will be the principal speaker at the banquet which each year honors members of the honorary team from all over the district as well as the Ozona football squad.

The presentation of the Glasscock Sportsmanship award will also be made along with the presentation of certificates recognizing the selection to the honorary team, to each of the all-district selections.

Coach King has just finished his first season at Tech where his Raiders, even though finishing seventh in the eigth team race, did better than was at first expected and won some games that they were not supposed to along with not dropping any in which they were given a better than even chance of winning.

Coach King has extensive ex-

Winter Delivers Double Whammy at 4 Degrees Above

Record Low For Many Years Reached In Newest Assault

Winter aimed its double-double whammy at Texas this week and landed solidly with a numbing blow which left shivering Texans with a sample of everything that's bad in the weatherman's bag of tricks, including, sleet, snow, ice and numbing cold.

Riding in on a howling wind of the typical Texas blue norther type Monday night, the weather went from bad to worse and by early Wednesday moring the temperature in Ozona had sagged to a new record low of several years standing, a paralyzing 4 above zero, with a lively wind still blowing out of the north to make the bone-chilling cold even more uncomfortable.

Throughout most of the morning Tuesday, intermittent s n o w flurries fell here but the fall was light and extremely dry, the fine powdery snow swirling about in the high wind like so much dry dust, to finally disappear without a trace of moisture to show for it.

Temperature remained low all day Wednesday, with occasional snow flurries. The snow, falling in a fine, dry mist, continued through most of the night to lay a thin blanket of white on the ground by this morning. The thermometer again sagged to the 4 above mark and the sun came out bright and clear but was slow in making any headway t o w a r d warming things up.

Crockett county livestock men were viewing the new assault with growing concern at the extremely dry winter in the area so far New northers come and go but all to date have been dry and each has been just a little more severe than the one before.

Spring and summer moisture had been fine and ranchmen went into the winter with hopes high for an even break from the weather man to hold on to their feed advantage as a result of favorable conditions in the growing season.

But the grass they had to start the winter has gotten shorter and shorter and drier and drier. So far there has been no general feeding of livestock, other than cows with calves and special sheep flocks. But unless old man winter chooses to let up a bit, there may be some expensive after effects for the ilvestock industry.

Earl Berry, Jr., won the pair of binoculars offered by Collett's Trading Post, Ozona sporting goods dealer, for the deer with the most points killed by a Crockett county hunter in the recent deer hunting season.

Berry's deer sported 13 points with two smaller ones which failed to qualify because of the half-inch length minimum.

Hubert Collett, owner of the store, reported that three deer with 13 points were brought to his store during the season to compete for the prize, but that Berry's was the first to be brought in and so qualified for the prize.

16 TEAMS ARE SET FOR 31ST CAGE TOURNEY

Big Lake, Brady, Ozona, Favored in West Texas' Senior Meet

By Ernie Boyd

The thirty-first annual Ozona invitational Basketball tourney will open next Thursday at Davidson gym with a full slate of sixteen teams expected to be on hand.

Brady, Big Lake, Ozona and perhaps others will be among the favored teams with Brady returning as defending champions. The Brady Bulldogs have from last year two all-tourney selections, Charles Reynolds and George Kidd but the team does not have either the balance or the depth of last year's squad on the basis of its play thus far this season.

Both Big Lake and O zona are improved over last year and any clash between the three would have to be rated as a tossup.

In addition to the favored teams there will be a well balance field that should give fans a real show in both the championship and consolation brackets.

Among the teams that could prove to be dark horses are the Sanderson Eagles, the Eldorado Eagles, Wall and A. C. C. H. S.

The first game Thursday will pit the Wall Hawks and the A. C. C. H. S. Wildcats followed by Rankin and Eldorado at 1 p. m. and by Sonora and Rockspring at 2:30 with Brady and Menard at 4 p. m.

Thursday night beginning at 6 p.m. Junction will play Mason followed by Big Lake and Mertzon and the final game of the day will pit Ozona against Bronte.

As in every year si nce the tournament began, Ozonans are opening their homes to the visiting players and coaches who will want to stay overnight during the three-day tourney. Miss Mildred North and members of the girls pep squad are in charge of arranging housing for the visiting athletes.

Tournament tickets, good for all eight sessions of the meet, are now on sale and will be available at the door at the opening. Admission charges are for each morning, afternoon and evening sessions. Price of the tournament season tickets, good for all sesions, is $3.50 for adults, a saving of 75c over the single admission price and $1.75 for students, a saving of 50c over the single admission total.

The "Mess" Becomes A Menace

Impressed, perhaps, by Fidel's own insistence that he is, too, a Marxists, the US State Department has at long last made official by the issuance of a "white paper" the long-recognized fact that Castro's Cuba is the Communist staging area of the Western Hemisphere.

Next to our own, the Department reveals, the Fidelista armed forces are the largest on our side of the world. Estimated at from 260,000 to 400,000 men equipped by the Soviet with Mig fighter planes, heavy artillery, heavy machine guns and automatic rifles, and trained by hundreds of Communist military advisors and technicians, Castro's army, navy, air force and militia now threaten the security of all American republics.

Furthermore, the report states, Castro's bully boys have publicly announced their intention of conducting Fidel-type revolutions in all these countries. They are now, says the Department document, importing hundreds of dissident students, intellectuals, politicians and labor leaders for Communist indoctrination and training in sabotage and subversion, and who will be sent home to soften up their respective countries for the kill. Military aid from Russia and Red China is estimated at from $60 to $100 million.

The white paper was prepared in answer to the request of the Inter-American Peace Committee to all hemisphere governments for information on Cuban violation of human rights and the Cuban threat to peace.

It is encouraging to have this indication that the State Department knows what goes on. But we hope Washington is giving some high-level thought to what-do-we-do-about-it.

INFLATION IS A DIRTY WORD

If a dollar had an average worth of 100 cents during the base period of 1935-39, it is now worth 46.6 cents. In 1953, however, the Government decided this span of reference on which the Consumer Price Index is based should be moved forward to 1947-1949. Calculated thus, the dollar is now worth 84.2 cents. But the Budget Bureau has done it again. By nudging the base period ahead another decade, with 1957-1959 period as par, the Government cost-of-living experts can demonstrate that as of last November we only paid $1.046 for a dollar's worth of hamburger or haberdashery.

This will no doubt prove a spendid tranquilizer — and one that ,as heretofore, was administered just as we were about to wake up.

It won't bring back the nickel cup of coffee.

"EFFECTIVENESS of the American foreign aid program," says HUMAN EVENT, "was demonstrated in the recent UN vote to seat the delegation from Communist China." The publication notes that of 37 nations voting for admission, all but two have been booned with US aid. Among them, Ghana had just been told we would loop through with $133 million for the Volta River dam, and Poland that it would receive trade credits of $45 million on top of the $514.5 million already donated by US taxpayers.

No indeedy! There are no strings attached to our benevolence.

Latin America Is WSCS Study Topic

The WSCS met Wednesday morning at the Methodist Church in a general meeting with the president, Mrs. L. B. Cox III, presiding. The study "Latin American Lands In Focus" was under the leadership of Mrs. Joe Pierce, Jr. She gave the devotional on prayer, the scripture taken from the book of James.

The bulletin board held pictures of church in the Latin American countries. An Autonomous Church in Mexico was the theme of Mrs. Pierce's talk. Mrs. Buster Deaton told of the work in Brazil by the Methodist church, and Mrs. J. S. Pierce, III, had as her topic Uruguay, and what the church is doing in that country.

Other countries discussed and their religious ways were Chile, Peru, Costa Rica, Argentina and Bolivia. Methodists have churches and workers in ten of the Latin American Countries.

Mrs. Cecil F. Brown was hostess for coffee. Others attending were Mrs. Morris Bratton, Mrs. R. A. Harrell, Mrs. S. M. Harvick, Mrs. Jack Baggett, Mrs. W. O. Reeves, Mrs. Ruben Whitehead, Mrs. Joe Tom Davidson, Mrs. Keith Mitchell and Mrs. Ken Cody.

Ranchers Warned Of Income Tax Deadline

Farmers and ranchers were reminded today that Monday, January 15, is the last day for filing their estimated federal income tax return for 1961, unless they plan filing their final return on or before February 15.

S. Baker Wallett, Administrative Officer, Internal Revenue Service, San Angelo, Texas, explained that those farmers and ranchers who file an estimated return on January 15 and pay the tax due thereon have until April 16 to file their final return and pay any balance of tax due. Otherwise, the law requires that they file their final return and pay the full amount of the tax due by February 15.

The IRS representative cautioned that this option is available to farmers and ranchers only. Tax law defines a farmer or rancher as one who earns two-thirds or more of his gross income from farming or ranching.

Best Wishes To People Of Crockett County Is Legacy Of Late Judge

"My best wishes go to the people of Crockett County among whom I have lived for 42 years." wrote the late Judge Houston S. Smith in 1955 in a letter to members of his family informing them of details of his business and property he owned on the eve of his undergoing an operation.

"Many of them are my old pupils. I feel kindly toward them. They have been good to me," the paragraph in the long typewritten letter, revealed here this week by a nephew, Ike Campbell of Farmington, N.M., continued. "But a new age and a new generation has arrived. Many of my old clients and friends have gone on. I have nothing to be ashamed of and I am proud of the record I leave. I feel I have many good warm friends here. I think you will find them the same."

Garden Reminders

From Garden Club Reporter

"Good, better, best,
"Never let it rest
"Until the good is better
"And the better best."

January is a good month to read nad study catalogs of plants. One of the best is "Wayside Gardens," 70 Mentor Ave., Mentor, Ohio Specify what you are most interested in, roses irises, peonies, azaleas, or what. "Cooley's Gardens" Silverton, Oregon, has a lovely iris catalog and the peonies the Garden Club ordered were from "Gilbert H. Wild & Son, Inc., Sarcoxie, Missouri."

Have you been noticing the new roses for 1962? The colors are gorgeous and the names fascinating — Ben Hur, Christian Dior, Champagne and the new Peaceport. They are really exciting. Also — South Seas.

This is the month to enjoy your pot plants. Don't forget to give them a little food along with gentle watering. One of the most enjoyable house plants are the many varieties of African violets. They come in all shades and varieties of leaves. When once started, they are hardy plants and such rewarding bloomers.

Some vegetables can be planted (indoors) this month. So start planning your food garden now

Prune all trees that have been winter damaged and shape them up before Spring growth. Give iris, peonies, lilacs and crepe myrtle an application of superphosphate.

The cold may keep you inside most of the month but take advantage of mild spells to repair garden tools, walls and other construction.

wide market for the baked, barbecued and smoked turkeys processed here.

Mr. Walker, who has been a resident of Ozona since 1941, taught school for four years before coming here, worked in the oil fields four summers and was raised on a farm in Oklahoma.

"I don't mind working," he commented in tracing this hurried panorama of his background. He served two terms on the school board here and for a number of years was a member of the hospital board administering affairs of the Crockett County Hospital.

"I have enjoyed serving on the Commissioners Court and I hope the experience I have gained as a member of the court these past three years will serve me in good stead in making it possible for me to do you an even better job in the future. I will appreciate your support."

Walker will be running for a two -year term to fill the unexpired portion of Judge Jones' term. Under appointment of the court, he can serve only until the next election and since Commissioner terms are staggered, two elected every two years, it falls his lot to run in what might be termed a special election in Precinct 1. Terms expire regularly this year in Precinct 2 and 4, the Commissioner from Precinct 3, Rusty Smith, being the only member of the court not running for re-election this year.

In Precinct 2, from which Commissioner Walker shifted, the vacancy was filled by appointment of Richard Flowers to fill out the term. Flowers is seeking election to the post in the coming election.

ed all of his life. He was married to Lela Johnigan, daughter of another pioneer couple, Mr. and Mrs. W. M Johnigan, in Ozona January 31, 1920.

At last summer's homecoming celebration here, he received his letter in basketball as a player on the champion team of Ozona High School in 1915. The late Judge Houston S. Smith, who coached the team, presented the letter to surviving members of the team who were able to be present.

Having ranched for many years on his place in north Val Verde County, near Pandale, Mr. Bunger was active in affairs in that small community of ranch people. He was an active member of the Methodist Church and was interested in FFA work, his grandson, Douglas Moore of Ozona showing sheep of his raising in local FFA shows. Mr. and Mrs. Bunger spent many arduous hours in caring for and searching for persons lost in the vicinty of their ranch during the 1954 flood. Mr. Bunger joined in the long search for a group of Odessa and Midland people who were fishing and who were lost in the flood.

Mr. Bunger is survived by his widow; one son, Welton Bunger, Jr., of Houston; one daughter, Mrs Kirby Moore of Ozona; one brother, George Bunger of Ozona; one sister, Mrs. Jake Young of Ozona, and four grandchildren, Douglas and Marsha Moore of Ozona, and Janis Ann and Lela Marie Bunger of Houston.

perience in the Southwest Conference where he has served as line coach for both Texas University and Texas A&M and has been in the running for top jobs before finally getting his chance at Tech last winter.

A large turnout of Ozona men is expected to be on hand for the event particularly in view of the large number of Tech exes and current Ozona youngsters enrolled at the Lubbock school.

In addition to its football activity, Tech has developed into a basketball power since entering the Conference and is expected to be in position to compete in track and other sports before too long.

TOURNAMENT IS A TIME FOR HOSPITALITY

This basketball season we have been the guest of surrounding towns and enjoyed their hospitality. Now is our opportunity to prove we know how to be gracious hosts as well as guests.

Let us show the visiting teams our welcome mat is out by extending them an invitation to stay in our homes. Also these boys and their coaches can be made to feel welcome if we are ready to giv them information concerning our town and tournament.

We should keep in mind many of these boys have not been in Ozona before, so let's greet them with a friendly hello and a helping hand. Think of each one of them as our personal guest.

Lastly, let us not forget sportsmanship. Tournaments are a test of character and strength. It is just as difficult to be a good winner as a good loser.

Throughout the tournament let us be the best of hosts to these who are our guest from surrounding towns.

JACKETS ARRIVE AHEAD OF NORTHER

The football jackets of OHS have really gone this past week! The boys got their new jackets and the girls got theirs. Girls got their football jackets? Confusing?

Are you ready for an explanation? It is no problem, it is really very simple. When the boys get their new jackets, they give their old ones to thir girlfriends, who consider them new jackets.

The new jackets were given to the boys last Wednsday at noon.

One girl was seen wearing her new jacket to her fifth period class. How's that for fast work?

So, girls, if the weather seems too chilly, your coat can't keep you warm, latch onto one of those fellers that alwyas manage to have an extra jacket.

SENIORS WILL APPRECIATE ANY CONTRIBUTIONS FOR CONCESSION STAND

The Seniors are in charge of the concession stand during the basketball tournament. Their mothers are responsible for obtaining the food; however, all food that friends or relatives wish to donate will be greatly appreciated.

The food will fill two purposes to serve the public and to help the seniors collect money for their trip.

ITED RESULTS AVAILABLE IN OFFICE

The results of the Iowa Test of Educational Development have been returned to Mr. Pelto. Students should see him to get these results on your test.

These tests were taken around at the first of school. There are eight tests in all. The ninth test does not count in the composite score since it is a test on the use of library sources which is not taught as a course in OHS.

An explanation of the tests and how to read the profil is on the back of each sheet.

The black line across the profile is the national average for each class. The blue ink line is the average for the local class the student is in. The red pencil line is the score that the student made.

These tests are given so that each parent can see the progress his child is making in his courses.

FFA SHOW TO BE SATURDAY

Saturday, January 13 is the day which has been set for the annual FFA Livestock Show. The show will be held in the Junior Livestock Barn and the first event will begin at 8 a m. The first event will be a Commercial Grading Demonstration and Show in which all the Ozona FFA students will show their projects. This event will end at noon, when a benefit barbecue sponsored by the Ozona FFA Chapter will be served. Tickets for the barbecue can be bought now from any FFA student.

Following the barbecue is a Livestock Judging Contest in which teams from Eldorado, Sterling City, Lake View, Garden City, Odessa, Midland and Ozona will participate. This event will end at 4 p m.

No admission will be charged for the show; tickets for the benefit barbecue are $1.00 and are available from any FFA student.

OZONA TOURNEY BEGINS THURSDAY

The Ozona Basketball Tournament is once again just around the corner. The tournament starts Thursday, January 18 at 11:30 with two sessions that day. It extends through January 19 - 20 with three sessions for both days. There will be around 100 players entered.

The teams competing will be Ozona, Abilene Christian Hi School Mertzon, Mason, Brady, Menard, Bronte, Sterling City, Rocksprings, Wall, Eldorado, Sonora, Junction, Big Lake, Sanderson and Rankin. The favored teams are Ozona, Big Lake Brady, and Sanderson.

The places will be first, second, third and consolation with 10 players for the all - tournament team and 1 outstanding player.

Tickets will be on sale at the door. Those who care to house players during the tournament please notify Miss North, Mr. Pelto or one of the cheerleaders.

THE LINES MAKE THE COLUMN

Members of the Ozona football team that will be honored at the Lions Club All District Football Banquet are Penn, Phillip, Darrell, and Hal.

If you see a girl in the hall this week holding her left hand out it is Kathy Scrivner. She received her engagement ring last Wednesday. Congratulations, Kathy.

Several Ozona High School students received honors at the Odessa Rodeo and Livestock Show last week. Among those receiving honors were Paul and Pam and Penn.

Congratulations to Van and Carl for making the All-tournament team in Big Lake last week-end.

Many high school students attended the tournament in Big Lake last week-end.

The twirlers and cheer-leaders met with Miss North Monday to organize housing for the visting team's during our tournament.

TWO MAKE ALL-REGIONAL BAND

Matias Gutierrez and Vicki Carroll were selected for the All-Regional Band last Saturday in Abilene. Three hundred, eighty people tried out, and only 110 made the band.

Ozona representatives were Marty Burt, oboe; Vicki Carroll, Alto-saxophone and Matis Gutierrez, tuba.

Marty did not place, but the out of seven entrants, only two were selected for the All-Regional oboe section.

Vicki placd third in All-Regional but does not go to All-Area because only the top two go. There were twenty-one alto-saxophones who tried out, with only four being chosen for the band.

Matias placed third in the All-Regional tuba section. Twenty-five tried out, and eight were chosen. Matias is not eligible for the All-State Band because only the first chair tuba player gets to go to the All-State Band.

HOMEMAKING GIRLS MODEL FOR FORUM

The homemaking girls of OHS and OJHS will model their wool garments for the Ozona Woman's Forum next Tuesday, January 16, at 3:00 p m.

Miss Hull accompanied Jan Pridemore and Peggy Harvick to Lubbock this past week-end where they were entered in the State Make - It - With - Wool Contest. These girls received no rating on their garments

CONCESSION STAND EXPANDS FOR BETTER SERVICE

Work began this week on the expanding of the north concession stand in the gymnasium. This is being done to facilitate the forthcoming Ozona basketball tournament.

The added space will make room for the popcorn machine and various other things to be inside the concession stand. There will also be more room for concessions.

The seniors will operate the concession stands throughout the tournament and receive all the proceeds.

SCHOOL BELLS FINALLY RING . . . AND RING & RING

The bells of OHS have improved since last week, don't you think? At least they are louder and longer.

Ken Gordon of the Simplex Company put the clocks and bells in working condition. The Simplex Company took over the contract from IBM. IBM is the company that furnished the clocks and has been servicing us since.

GROWTH

In this new year, West Texas Utilities will continue our three-step area development program.

1. We will continue our own current expansion program to permit us to serve even more people.
2. We will continue to promote the business and industrial advantages of this area in national publications.
3. We will continue to work with all area communities in their local development programs.

This is our 1962 schedule, because more than ever our service area faces GROWTH UNLIMITED.

1910 – THE OZONA WOMAN'S CLUB – 1960

FIFTY YEARS OF COMMUNITY SERVICE

Past President

Mrs. L. B. Cox, Jr., the twenty-eight president of the Ozona Woman's Club, had as assisting officers Mrs. Frank McMullan, first vice president; Mrs. Ben Lemmons, second vice - president; Mrs. Charles Williams, Sr., recording secretary; Mrs. S. M. Harvick, corresponding secretary; Mrs. Taylor Word, treasurer; Mrs. Hillery Phillips, historian and Mrs. Max Schneemann, parliamentarian.

New members were Mrs. Floyd Henderson, Mrs. Roy Killingsworth and Mrs. Bailey Post.

The topic of study was "Light the Way", which was built around the General Federation and its work, by the program chairman Mrs. Frank McMullan and the committee.

The year's work opened with a Past President's luncheon in the home of Mrs. S. M. Harvick. Twenty of the twenty-three living past presidents were guests. Mrs. Frank Friend of San Angelo, the organizing chairman of the club, read her own prayer poem for the invocation.

Federation Day was observed with a history of the General Federation, with pictures of past presidents, a recorded message on "Know Your Federation," and colored slides of the Headquarters building in Washington, D. C.

Mrs. J. E. Conner, an instructor at the College of Arts and Industries at Kingsville, and a former teacher in the local school system, was guest speaker with an illustrated lecture on "The Romantic Flags of Texas."

Another outstanding guest speaker was Mrs. J. Howard Hodge of Midland. The General Federation chairman of traffic safety and driver education, spoke on the General Federation of Club Women's crusade for conservation of human life through the traffic safety pogram.

Miss Ethel Foster of Sterling City, the GFWC chairman of the council of International Clubs, who had just returned from a European tour of Clubs, spoke on her trip and The Geneva Conference.

Guest Day was observed with a book review by Mrs. Dobbs Herman of Big Lake, who gave "She Glitters When She Walks" by Vina Belman. Miss Jacquelyn Williams sang several love songs.

At a meeting in the Evart White home, the club honored their husbands and guests with a lecture and colored slides by Dr. and Mrs. Clyde Childers of San Antonio former local Baptist minister, who spoke on a recent trip to Europe. Egypt and The Holy Land.

Art Week was observed with a community Art Festival with a program and exhibit under the direction of Mrs. Stephen Perner, Art Chairman.

The Ozona Federated Clubs were hostesses to the community to hear Miss Dephane Tabor, of Midland who spoke on her experiences as a Community Ambassador to Turkey.

Bob Scott, local work unit conservationist showed a colored movie on the bob white through the year.

On the program on Religion, Mrs. Cox, reviewed The World's Great Religious — Life Magazine series, illustrated with pictures and folk music.

Mrs. L. B. Cox, Jr.
1955-1958

At the Christmas program, Mrs. Sherman Taylor told the story "The Sad Shepherd" by Henry Van Duke, organ music by Mrs. L. B. Cox III, and carols directed by Mrs. H. B. Tandy. A box was packed for the State Orphanage at Corsicana, also a box of gifts for the Christmas shop at McKnight State Hospital at Carlsbad. The club voted $10 to TB Christmas seals.

The club met in the home of Mrs. Joe Davidson with Mrs. Frank McMullan and Mrs. Cox as hostesses, to hear an interesting talk by Mrs. Davidson and to see her very fine colection of glass. Mrs. Lee Childress played several accordian solos on this hobby program.

Other interesting programs by Club members were a playlet on Mental Health, a Christmas Pilgrimage, Texas Heritage the spring luncheon and a supper at the Cox ranch for husbands when Mrs. Ira Carson showed her colored slides on historical places in Crockett County.

Mrs. Carson and Mrs. Cox were delegates to the Sixth District convention in San Angelo. The press book prrepared by Mrs. Hillery Phillips placed first in district.

Club projects were donations to all local drives, to Crockett County Welfare Council, Latin-American and Indian Scholarship Funds, Gonzales Foundation, U. S. O.. Scrapbooks, linen shower to General Federation's Headquarters in Washington, 100% subscription to Texas Clubwomen, awards to seniors for best essays on "Consider the Bleesings of Freredom" Carol Blackstone first place. Box of sewing materials to youth of Germany, a request to the State Department of Public Safety for a local patrol station. The Woman's Club and the Woman's Forum circulated a petition to request an election on bond issue for addition to schools including teacher housing, flood repairs to both elementary buildings, etc., which was an out growth of several months of planning by the board of trustees.

Mrs. Cox had as a corps of officers for the second term Mrs. Frank McMullan, first vice-president; Mrs. Ben Lemmons, second vice-president; Mrs. Stephen Perner, recording secretary; Mrs. S. M. Harvick, corresponding secretary; Mrs. Taylor Word, treasurer; Mrs. Joe Pierce Jr., publicity; Mrs. A. C. Hoover, parliamentarian.

New members were Miss Lola Mae Daniel, Mrs. George Bean, Mrs. Ted White, Mrs. Ivy Mayfield, Mrs. Tom Clegg, Mrs. Roy Thompson and Mrs. W. D. Womack.

The year's programs under Mrs. McMullan as chairman was centered about the theme Texana, with emphasis upon the work of The Texas Federation of Woman's Club.

The year opened with the Presidents' luncheon in the home of Mrs. Eldred Roach to honor the president's of local service clubs. Mrs. Hubert Baker, state chairdelegate to the State Convention man of Community affairs, was was delegate to the State Convention in Dallas reported the Club's press book placed 3rd in State. She also said the state project under the new state president, Mrs. A. J. House of Yoakum, would be aid to South Korea and Formosa and the Orphanage in Philippines, also a scholarship for young Orientals.

The club enjoyed the account of three members trip to Europe, as told by Mrs. V. I. Pierce, Mrs. Elbred Roach and Mrs. S. M. Harvick, with colored slides and humorous accounts of incidents. Mrs. Hubert Baker, a member of the State Board, gave a report of the meeting in San Antonio, and Mrs. Cox gave a report of District Workshop in San Angelo on World Neighbors, under the direction of the new president Mrs. Glibert Theriot of San Angelo.

As a special project, the club voted to sponsor the landscaping of the new hospital grounds, and Mrs. Max Schneemann, Mrs. Evart White, Mrs. Eldred Roach, Mrs. J. W. Henderson Jr., and Mrs. Bailey Post were appointed as the Hospital Grounds Committee. Mr. Schertiz a land-scape architect of San Angelo, was employed at $1928 provided all shrubs were purchased from his nurseries. Many people gave trees, shrubs etc. as memorials, other to the memorial fund. The Woman's Forum landscaped the north side of the front grounds and The Garden Club an area between the two buildings. The Woman's Club again wishes to express its thanks to all who helped them to make the hospital grounds so beautiful.

Water Conservation — The Life of Texas was discussed by W. D. Cooper, the manager of the Crockett County Water Control District, and Dick Ketchum, assistant work unit conservation spoke on posible solution of water problem through legislation.

Miss Betty Hanks of San Angelo, showed films and spoke on the experiences in Madrid, Spain, as the 1956 good will ambassador. The president, Mrs. Cox, announced that the Club Executive Board, acting as hostesses at the open house of the New Hospital, had served over 400 persons.

The Ozona Federated Clubs were guests of the Sonora Woman's Club to hear the state president Mrs. A. J. House of Yoakum. Fifteen local club women attended.

Federation Day was observed when the Woman's Forum and the Woman's Club were joint hostesses to hear Mrs. Gilbert Theroit, the Sixth District President, who spoke on "Echos Linger in a Living Service". Mrs. Cox spoke on "What Club Work Gives a Woman."

Mrs. L. E. Dudley of Abilene, the past president of TFWC, was the guest speaker on Guest Day. She reviewed the book "Miracle of the Mountains" by Harriet Kane. The Sonora Woman's Club members were guests. A group of violin solos was given by Mrs. M. A. Barber.

Fine Arts Week was observed with a Fine Arts Festival — Texas Style, which was a program and exhibit for the community, under the direction of Mrs. Charles Williams, Sr., art chairman.

Merry Texas Christmas — You All! was an old fashioned early day Christmas, with music, poems, stories and a cookie tree under the direction of Mrs. Stephen Perner. A box was packed for the State Orphanage at Corsicana.

ored slides and spoke of her pleasure in visiting that country.

On the study of Central European club, Miss Ethel Foster of Sterling City, General Federation Chairman of International Clubs was the speaker — having recently returned from a world tour and a visit to Clubs in Europe. Miss Foster was honored with a luncheon in the home of Mrs. S. M. Harvick. Miss Joan Ridley spoke of her experiences as a teacher in Germany, and letters were read from Mrs. Clyde Sikes to her mother Mrs. Max Schneemann. Mrs. Sikes' husband was stationed in Frankfurt with the U. S. Air Force. Miss Lola Mae Daniel discussed the Salzburg Festival and Music.

On the Clubs of the Lowlands, Mrs. S. M. Harvick spoke on The Lowlands As I Saw Them, she showed colored slides made while visiting these Countries.

Mrs. J. L. Neill of Eldorado was the guest speaker on the study of Cuba. She told her impressions of the Country while on a visit to her son who was stationed at Guantanamo Naval Base.

On Canada, Mrs. Hillery Phillips showed movies of her trip to that country. Other programs were the Art Festival, Safety Program, The Annual Meeting met at the Cox Ranch for a luncheon, to install new officers and hear reports. Mrs. Cox was presented a lovely book as a token of appreciation from the Club.

Louise Cox is the daughter of John Robert Bailey and his wife Roberta Murchison Bailey. She was born in Eldorado, Texas, and came to Crockett County with her family as a very small child. She graduated from the Ozona Public Schools, and attended CIA, now the Texas Woman's University in Denton where she was graduated in Public School Music. She was married to Lemuel Bascomb Cox the son of a pioneer family of Crockett County. They lived on the Cox ranch south west of Ozona for several years and then moved into town to educate their children. They are the parents of Ora Louise Cox now Mrs. Ed. Reynolds, Jr., of Dallas and L. B. Cox, III, a ranchman of Ozona.

Mrs Cox is a member of the Methodist Church, the Woman's Society of Christian Service, the Garden Club as well as The Woman's Club, and the Daughters of the American Revolution. Her special project as president of the Ozona Womna's Club, was to collect all year books — part presidents and Charter members pictures, old press books, scrapbooks and records, and to record a history of the past fifty years of the club to celebrate the Golden Anniversary, which has been done with these histories of each president.

———oOo———

EDITOR'S NOTE — Mrs. Cox with this account of her own administration as president of the Ozona Woman's Club, is nearing completion of a herculean task which she took on in behalf of the club and its magnificent history of service to Ozona. Through exhaustive research, Mrs. Cox has prepared a detailed account of the club's activities under each succeeding president in its fifty-year history. The Stockman is grateful to Mrs. Cox for her splendid job of writing and for the privilege of publishing the series. It has been a magnificent service to the club and to the community, performed at a terrific sacrifice of time and energy, for which, we feel sure, the entire community is grateful.

Lions Win Second—

(Continued from Page One)

way with Miller, both Carl and Pete Montgomery, Phil Carnes and Hal Long all having their minutes with subs Billy Cornelius and Rodney tSewart also figuring heavily in the wins.

The Lions opened slowly against Coahoma at 9:20 p. m. Thursday and in their poorest showing of the tourney posted a steady 49 to 34 win.

The Lions dropepd one point behind before Van Miller hit to send the Lions ahead and Pete Montgomery followed with two quick goals to ease some of the tension but the Lions never did find the range and had to play defense to make their shaky marksmanship stand up.

Van Miller and Carl Montgomery hogged the rebounds on both ends of the court as well as contributing 10 and 7 points to the attack. Guards Pete Montgomery and Phil Carnes had 8 and 7 points each and both played very well on defense.

Friday afternoon at 4:40 the Lions nearly found the end of the trail against a double tough Miles crew that hung on vigorously until a late Lion stall put them out of contention.

Van Miller sent the Lions ahead 4 to 0 early on two long set shots but a sticky defense and great rebounding by the Miles crew held the Loins at bay with the first quarter ending 5 to 4 in Miles' favor.

The Lions rallied some in the second period but could not get the range outside nor get in for the close shot with the half ending 11 to 11.

The third period was also a standoff with each team hitting 15 points but the Lions jumped ahead early in the fourth quarter and closed out the contest with a three points win 38 to 35.

Hal Long and Van Miller each had 9 poits and Carl Montgomery had 8 but Billy Cornelius with 4 points was the Lion who came off the bench to send his team into the winning lead.

Returning to the floor at 10.40 Friday night the Lions raced to a sizzling 30 to 15 lead at the half and then stood off all Colorado City could do in the final two periods to win 51 to 41.

Phil Carnes was the big gun for the Lions and had his best game of the season in all departments as he accounted for 18 points followed by Carl Montgomery with 10.

The win over Colorado City sent the Lions into the semi-finals against the home standing Owls Saturday afternoon and fans who were present that afternoon saw the game of the tourney as the Lions led, trailed and then led with the widest margin either way reaching only six points before a desperate rally tied the score sent the game into a sizzling overtime that saw th Lions prevail 48 to 45.

With the Lions leading 36 to 34 the Owls fouled Hal Long to start the nerve shattering final minute of the game. Long hit both shots to send the Lions ahead by 4 but Holmes hit a long set and Adams followed with a quick bucket to tie the score before Carnes hit two free throws to apparently ice the gam away but Lewis hit a jump shot with just seconds to go to send the game into overtime.

In the overtime period Carnes drove in for a layup but Adams hit to tie the score again. Pete oMntgomery drove in for a layup and then after regaining the ball Montgomery was fouled and hit one of two free throws, Carnes, hit a free throw, Pete Montgomery hit another one and the Lions led by four. Holmes hit a long fielder to cut the margin to 2 but Long hit another free throw and the Owls were caught by the clock as the Lions recaptured a shot to gain possession and end the threat.

The finals Saturday night saw the Lions fighting a terrible disadvantage in height but nonetheless staying in the ball game until the final gun. The Lion defense, which sparkled all the way, held the tree top Ft. Stockton crew to 34 points but the offense could not muster enough points to win. Six foot eight inch Eddie Pruitt led the Stockton attack and defense scoring 17 points and blocking many of Ozona's shots with his tremendous height.

The four wins and one loss brought Ozona's season reccord to 12 wns and 3 losses at the start of district play.

A new addition to the Falcon line for 1962 is this Falcon Squire, (top) a standard, four-door, six-passenger station wagon with simulated wood exterior trim that imparts a custom-crafted look. The Falcon Squire is a "dressed-up" luxury wagon with all the basic advantages of Falcon economy and maneuverability. With the second seat converted, the Squire boasts a big, flat and level cargo space of more than 76 cubic feet. The Deluxe Club Wagon (bottom) is one of three "family fun vehicles" being offered in Ford's Falcon line in 1962. The Deluxe Club Wagon is designed to carry eight passengers, or easily convert into a camping unit, a mobile home on wheels, or an all-around utility vehicle with 204 cubic feet of cargo space. The big double doors swing back to give a side opening of more than 49 inches. This wagon features a deluxe interior with a two-tone pleated vinyl trim scheme carried through seats, doors and side panels.

Jan. 18 Deadline For Entries In Miss Wool Princess Competition

Thursday, Jan. 18th, has been set as the deadline for entries for children seeking the Princess title from Ozona in the Miss Wool of America contest.

Officials pointed out this week that no local children are ineligible because of their parents being members of sponsoring organizations since none of these organizations will be in any way involved in the judging or the selection o fthe judges who will not be local.

Parents who have been worried about making their children woolen clothes for the contest are also advised that the type of clothing worn in so far as material is concerned is not specified.

Children entered in the contest will be judged on the basis of poise, ability to get along with others, general effect and stage presence.

The Ozona contest and show is being sponsored by the Ozona Lions Club which will use all admission fees for expenses of the show and expenses to the parents of the winner who will take part both in the pageant and the parade in San Angelo in April.

Parents interested in entering their chlid, who must be not under five nor yet seven, can obtain application blanks and additional information by contacting Miss Janice Spencer at Dixon Mahon's office or at her home.

Tickets for the show are now on sale through all Lions Club members and preparations for an entertining show during the contest are rapidly developing.

Parents seeking entry blanks should have birth certificates and clothing sizes as well as weight and height measurements on applying.

Both Girls & Boys Open Cage Season Here Friday Night

Eldorado Eagles To Be Opponents In Opener of Flag Chase

By Ernie Boyd

The Ozona Lions and the Ozona High School girls basketball teams will open their bids for the 1962 district 8-A titles here Friday night as they entertain the Eldorado Eagles.

The Lions, boasting a 12 won and 3 lost record, and second place finishes in both the Rankin and Big Lake tourneys, will be meeting a big Eagles team which captrued its own tourney title and has compiled a good pre-season record.

The Eagles are paced by six foot four inch Pete Logan and by sharp shooting guard Jim Runge who is an all-district selection from last season.

The Lions have been using a strong defense and a well balanced scoring attack thus far this season to pave their way to victory.

Hal Long, with an 11 point per game average, is the leader but is closely followed by Carl Montgomery, Phil Carnes and Van Miller, all of whom are around 8 per game.

The last Ozona title came in 1956 and despite an outstanding record this season the Lions are not any more than co-favorites with Big Lake. The Lions last year opened their home season with a loss to Junction and as matters later developed that loss kept them out of a tie for the title.

There has been an age-old axiom, true in almost any district, that in order to win a team must win its home games. The 1962 Lions hope to get that program started again Friday night.

The Ozona girls also have a fine pre-district mark, having won 10 and lost 3 in play thus far. Two of the Ozona losses have been to Mertzon and the third to Junction, a district opponent.

Coach Roger Gotcher has good first line players but his reserves are for the most part small and ineffective as rebounders, either offensively or defensivly, so it has ben imperative that his first liners remain in the contest or ready for use in order for the girls to win against much opposition.

Eldorado lost heavily from its defending girls champs but in the clubs two meeting last season Ozona suffered rather decisive losses.

With Eldorado, Ozona and Junction being the only teams competing for the title, any loss could be decisive and a loss at home is usually, though not always, a pretty sure loss on the road.

Beverly Alford, Janie Lara, and Don Nell Carnes are the starting forwards while Glenda Friend, Janet Mason, and Robin Jones are the guards with Pauline Maness and Charlotte Johnigan the first line reserves.

The game Friday night will mark the first time the boys and girls have appeared at the same time this season and will also be the only district game played in Ozona until after the Ozona Tourney which begins Jan. 18.

Ozonans Invited To Eldorado Screwworm Meeting January 16

All Ozonans interested are invited to attend a meeting in the courthouse at Eldorado Tuesday afternoon, January 16, at 2 o'clock to hear Dr. R. C. Bushland, entomologist with the U. S. D. A. laboratory at Kerrville station, and to see films on the development of the sterile fly technique for the elimination of the screwworm fly.

Dr. Bushland did most of the basic research which led to development ofthe sterile male fly technique by which the screwworm was eliminated from Florida and the southeastern United States and which livestock men hope soon will be used in the southwest to eliminate this costly pest.

Dr. Bushland will lecture and illustrate with films taken during the operation in the southeast. The film is in color and sound and is an absorbing pictorial account of the triumph of science over one of the cruelest tricks of nature in creating an insect that must have the living flesh of the warm blooded animal to perpetuate its species.

The invitation to Crockett ranchmen and others was extended by Tiny Godwin, Schleicher county agent. The program is to further interest in the screwworm control fund solicitation in Schleicher county.

Notes From The County Agent's Office

By Pete W. Jacoby

Penn Baggett and Bill Jacoby, local 4-H members, sold their prize winning fat lambs of the Odessa Livestock Show last Saturday and hit a hot sale with their lambs. Penn received $1.15 and $1.20 per pound for his two lambs and Bill received $1.40 per pound for his lamb.

Crockett County 4-H members will be competing for a number of handsome trophies at the 15th Annual Crockett County 4-H Show on January 27. The champion showman will receive a large trophy from John Powell, Fort Stockton, local Moorman's Feeds representative. All winners of champions at the county show will receive championship trophies from local business firms. Donors are Ozona Wool & Mohair Company, Ozona National Bank, Knox Motor Company, James Motor Company, Ranch Feed & Supply, Stuart Motor Company and The Ozona Stockman. Winner of the grand-champion group of three fat lambs will receive a large trophy from Nathan's Jewelers of San Angelo. The Federal Lank Bank of Sonora will present spurclip tie-clasps to showmanship winners of Junior High and High School. Carl Conklin, former outstanding local 4-H members, annually presents a silver belt buckle to the best showman in the Elementary school age group.

4-H members have started final grooming and fitting of their livestock for the county show. 24 members are showing fat lams, 5 will show quarter horse colts, and 3 each will show breeding sheep, fat seers and breeding heifers.

The show schedule calls for weighing of all fat lambs from 8 a. m. to 11 a. m., with all livestock in place by 12 noon.

Judging of livestock starts at 1 p. m. A barbecue supper will be served to all show visitors and exhibitors at 6 p. m., followed by a fat lamb auction sale.

Show judges are Vestel Askew, Sonora ranchman, fat lambs; D. C. Langford, county agent, Sutton county, breeding sheep and cattle classes; Dee Harrison, Velverde county ranchman, quarter horses; and Bill Sims, county agent, Irion county, showmanship. Byron Williams will serve as lamb sale auctioneer.

Midland Conservative Dr. Wyvell Says She May Join Republicans

Dr. Dorothy Wyvell spoke recently to The Republican Women of Ector County on the topic of "What is Conservatism." Admitting that the word has different shades of meaning for different individuals she stated basically it is "Individual freedom and responsibility and a Government limited to the intentions of the original Constitution." "Dignified scholarly conservatism is growing all over the nation and most gratifying among the young folks."

In tnis connection she advised her audience to read "Revolt on the Campus" by M. Stanton Evans. At one place she vigorously defended the term "Extremist." "If it is good to be patriotic and to love your country then it is even better to be Extremely Patriotic. Texans have always prided themselves on being extremists."

When questioned concerning her political intentions this year Dr. Wyvell said, "The most important task the American people face this year is to elect a Conservative Congress. I intend to work toward this end to the greatest extent of my ability." She admitted she was seriously considering entering the Republican Primary this Spring. Dr. Wyvell ran for Congress two years ago as a Constitution party candidate.

Motorists Urged To Get Inspection Tags; Must Be On By Apr. 15

Austin, The Director of the Texas Department of Public Safety Col. Homer Garrison, Jr., today urged motorists to secure their 1962 vehicle inspection stickers as soon as possible prior to the April 15 deadline.

After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law and the operators of those vehicles will be subject to arrest, he said.

Garrison said approximately half of the inspection period has expired and only about one-fourth of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations as the April 15 deadline approaches.

Sheep Men Explore Problems Of Industry In Salt Lake Meeting

Salt Lake City — Harassed sheep producers of the nation have slated Congressman Harold D. Cooley, chairman of the House Agriculture Committee, to lead off a dramatic exploration of their problems for the 97th annual convention of the National Wool Growers Assn. in Salt Lake City, January 21-24

Congressman Cooley has been chairman of the important government policy committee 12 years and is recognized as a leading force on agricultural legislative matters through terms of three presidents.

Three days of graphic probing into marketing, foreign imports, finance and research should be eye-openers for wool and lamb producers fro mthe 19 states to be represented by delegates, according to President Penrose B. Metcalfe of San Angelo, Texas.

Shaping the Industry's Future, one of the convention address titles, might well be the theme of the 1962 sesions, Metcalfe said. He stressed the importance of attending the convention and presenting a united front to help bring an end to the plaguing price squeeze.
