# Indictments cap drug probe

Ten persons were arrested Saturday night by Mitchell County sheriff's deputies after being named in 20 sealed indictments returned by a Mitchell grand jury Friday.

Several of the indictments were drug-related and capped a year-long drug investigation by the Nolan, Scurry and Mitchell county sheriff's departments, said Sheriff Wendell Bryant.

He said officials have been investigating drug rings in the area since November 1988.

A total of 18 persons on 50 sealed indictments were arrested by the three sheriff's departments late Saturday night and early Sunday morning.

Arrests resulting from the Mitchell County indictments were:

- Rodney Blankenship, 24, of Colorado City, six indictments for delivery of amphetamine and two indictments for delivery of methamphetamine. He was jailed on bonds totaling $65,000;
- Kimberly Blankenship, 29, of Colorado City, two indictments for delivery of amphetamine. She was jailed on bonds totaling $15,000;
- Felipe Martinez, 28, of Colorado City, one indictment for delivery of cocaine. He was jailed on a $10,000 bond;
- Joel Ray Selvera, 19, of Colorado City, two indictments for forgery. He was jailed and released after posting bonds totaling $5,000;
- Steven John Renfro, 22, of Big Spring, one indictment for delivery of amphetamine. He was already in custody at Mitchell County Jail. Bond was set at $7,500;
- Ronnie Payne, 43, of Lake Colorado City, one indictment for criminal mischief. He was jailed and released after posting bond of $2,500;
- Christopher Rodriquez, 17, of Colorado City, one indictment for burglary of a motor vehicle and one for aggravated assault on a police officer. He was jailed on bonds totaling $2,500;
- Bruce Wortham of Snyder, one indictment for forgery. He was in custody of the Scurry County Sheriff's Department. Bond was set at $2,500;
- Eric Pace, 20, of Snyder, one indictment for forgery. He was jailed and bond set at $2,500;
- Stephen Almond of Snyder, one indictment for forgery. He was in custody of the Scurry County Sheriff's Department. Bond was set at $2,500.

# Concerned citizens form group

A group of about 30 Mitchell County citizens banded together Monday night to try improve the image of the county.

Spearheaded by Molly Bruce and Ricky Thompson, the group agreed that its purpose will be to "rebuild the image of Mitchell County through community awareness" and decided to call itself CPR (Concerned People Rebuilding) - Mitchell County.

"We all have concerns and interests in our community and our county," said Bruce who has been a Colorado City teacher for 20 years.

"At this point, I'm rather frustrated that we're (the city and county) are not making as much progress as we should," she said.

She said it's difficult for one individual to make a difference, "but as a group, you can make a lot of changes."

"We can make a positive change," she said. "We're not after anybody. We just want to work together to see what we can do as a group."

She said aims of the group will be to:

- encourage attendance at all meetings of governmental entities such as county commissioners,

# Businessman airs complaint to city

Colorado City Council members got wind of a smelly situation Tuesday night when a local department store manager complained that for the second time in almost a year, a skunk had been killed and left at the rear of his building causing an Yodor problem.

David Weaver, manager of C.R. Anthony Co., said last Thursday night that someone killed a skunk and left it eight inches from the back door and near an air vent to the downtown business, causing him to have to close the store for half a day Friday to have it fumigated.

A year and 11 days ago, almost the same thing happened when a skunk was killed by a police officer in an air vent and left over the weekend. The store had to be closed for three weeks, new carpet installed, interior of the 9,600-square-foot building painted and completely restocked. That cost his company $250,000, said Weaver.

Weaver said Tuesday night that "I demand something be done to prevent this from happening again. I don't have proof to decide if the city is responsible, but I have proof enough that Anthony's will pull out of Colorado City if it happens again."

"There are ways of taking care of the problem other than shooting skunks and leaving them," said Weaver.

Police Officer Randy Wilkinson, in attendance at the meeting, said he was the one who killed the skunk. He said he shot it once when it was in the street and shot it a second time when he ran behind the store. Wilkinson said he thought the animal control warden would be on duty the next morning (Friday) and would dispose of the carcass.

"I was not aware of the air vent, and I expected the skunk to be picked up Friday morning," said Wilkinson.

Wilkinson apologized for the mishap and said he was to blame, not the police department.

Police Chief Bobby Sparks said because of the rabies threat, that it has been the department's policy to shoot skunks on sight, but not to pick them up. The skunks are picked up the next day by the animal control warden.

Baum suggested that a policy be written that skunks not be killed behind the stores unless there is a nuisance that arises such as a den of skunks under a building. At that point, the store

# Civic, business leader Joy Piland dies Monday

Colorado City civic and business leader Martha Joy Piland, 49, died Monday, Sept. 18, 1989 at St. Mary of the Plains Hospital in Lubbock.

Mrs. Piland, a cancer patient, had been hospitalized in Mitchell County Hospital and died shortly after being transferred to the Lubbock hospital Monday.

Mrs. Piland and her husband, Eddie, owned and operated Eddie's Pharmacy in Colorado City since 1965 when they purchased Doss Drug.

Besides being actively involved in the day-to-day operation of the store, Mrs. Piland devoted much of her time to her family and church and took a special interest in the young people of the community.

A member of the First Baptist Church, she taught Sunday School for over 20 years including classes in the childrens' department, the young people's department and the young

# Morris: county in error

Mitchell County Judge Mac Morris said Tuesday the Commissioners' Court was in error last week when decided to place a proposition on the Nov. 7 ballot concerning an ad valorem tax for economic development.

Morris said, instead, the voters will be asked whether or not to allow the commissioners' court to appropriate money from the county's general fund to advertise and promote the growth and economic development of the county.

If approved by the voters, the county can appropriate up to, but not exceed, five cents per $100 valuation from money already in the general fund to promote economic development.

There will not be a tax increase, rather an appropriation from the county's surplus funds.

Economic development commission member Elmer Martin said that because of the "excellent financial condition" of the county, there will not be a need for a tax increase because the county has reserve funds.

"The commissioners can set the amount anywhere from zero cents to five cents per $100 valuation"

## George Lee wins football contest

George Lee of Loraine was the first place winner in the *Record's* Jackpot Football Contest last week, missing only three games.

Second place went to Gloria Lucas of Loraine who missed five of the games, and third place went to Lee Snead of Colorado City who also missed five, the tiebreaker being the difference between second and third place.

This week's Jackpot Football Contest is included in today's *Record*.

## *Playhouse plans fall production*

The Colorado City Playhouse has announced plans for its fall production which will be performed in early December.

Auditions for the production, which will be directed by veteran playhouse director Carl Beery Moore, will be Monday and Tuesday evenings at 6:30 at the Opera House. Moore, who is the theater arts director at Colorado High School, will be combining the high school theater department with the community theater. Last January's very successful production, *Class Dismissed*, was such a combined venture.

In describing the production, Moore said "Trying to find a play that is well suited for both community and high school is very difficult. I have been feverishly reading play after play and I have come up with several possibilities. So in order to select the best play, I'm going to use an approach that I have used quite successfully in selecting the high school's one-act play. I will be auditioning several scripts. After the auditions are completed, I will then match the people with the plays and select the best combination."

At this point, Moore has 10 plays in contention. By the time the auditions being, he plans to be working with five of these. The 10 plays, in al-

married couples' department. She also was a member of the choir and the handbell choir and was an active participant each year in Vacation Bible School activities. She also was active in the Baptist Women's Organization and took special interest in foreign and state missions, particularly foreign missions.

She was a member of the Mitchell County Library Board, the American Cancer Society Board and the Colorado City Area Chamber of Commerce. She was a former crusade chairperson for the Cancer Society and was on the greeting committee for teachers for the chamber of commerce.

She and her husband were named the 1987 Small Business Persons of the Year by the Colorado City Area Chamber of Commerce.

An avid tennis player, she also enjoyed traveling.

She attended Texas Tech University and later received her degree in education from Angelo State University.

She was born July 16, 1940 in Memphis, Texas to the late Clyde and Vera Davis Reed. She married Eddie Piland Sept. 6, 1959 in Memphis.

Services will be Thursday at 4 p.m. at the First Baptist Church with Dr. Ted Spear, pastor, officiating, assisted by Rev. Glenn Roenfeldt of San Angelo, former pastor. Burial will be in Colorado City Cemetery, directed by Kiker-Seale Funeral Home.

Survivors include her husband, Eddie Piland, of Colorado City; two sons, Mark Piland of Sweetwater and Jay Piland of Austin; and a sister, Patsy Ann Springer of Memphis.

She was preceded in death by a brother.

Deacons of First Baptist Church will be pallbearers.

Memorials may be made to the Joy Piland Memorial Scholarship Fund at First Baptist Church.

city council and school board. "We have to get involved and we have to know the issues and how the elected officials are voting," she said. "They will be willing to listen to you if you attend the meetings."

- set priorities and "work on them one at a time to achieve what the group wants", and;
- help in any way possible to improve Mitchell County and Colorado City.

"We can research some of the issues and supply information to these boards," she said. "If we can help in way by conducting polls, surveys, anything like that, we can get them the information. They can act on it anyway they want."

The organization will meet again Monday at 7 p.m. at the Medallion Room of Lone Wolf Electric. Thompson and Bruce said that all concerned citizens are invited and encouraged to attend.

manger would be notified that a problem exists and to work out a solution.

Mayor Jim Baum instructed City Attorney Tom Rees and Sparks to formulate a policy concerning the killing of skunks in the downtown area where the smell could create a problem to retail stores.

In other business, Councilman Bob Reily said he would like the city find a solution to allow National Foam to store raw products in the old Truss King building. The carpet padding company had sought to lease the building from the Industrial Team, but the council took no action on a request to a fire code variance which would permit storage of the materials.

Reily asked that the item be placed on the next agenda, and in the meantime try to find a way to allow the variance or to find another building suitable for storage.

"I'm for anything to accommodate the company," said Councilman Rex Thackerson.

No action was taken following an executive session in which personnel was discussed.

Senate Bill 24 allows a county to appropriate money from the general fund for economic development if approved by voters, said Morris.

If approved by voters, the money constitutes a separate fund to be known as the board of development fund and may be used only for board purposes.

## PLAY

From Page 1

phabetical order, are:

*And Never Been Kissed*, a nostalgic comedy about the tribulations of young love in 1929. It has a cast of 12.

*The Body and the Wheel*, a very scriptural play based on the Gospels of Matthew, Mark, Luke and John. It as a variable cast from 25-50.

*Go Ask Alice*, a serious biographical play about a young girl's unsuccessful struggle to overcome the pressures of today's drug scene. It is based on an authentic diary. The cast needs 23 people.

*The Soft September Air*, a comedy about a woman who reluctantly agrees to take in college students as boarders. She is determined to avoid getting involved in their personal lives. Thirteen people comprise this cast.

*Teach Me How to Cry*, a moving drama about a girl who is unable to express her feelings and the young man who brings her in touch with her inner-self. It has a cast of 14.

*Tevya and His Daughters* is the play on which the musical *Fiddler on the Roof* was based. A Jewish peasant in Czarist Russia struggles to hold on to his traditions while the changing times are changing for his children. There are 12 in the cast.

*Tell Me That You Love Me, Junie Moon*, a play concerning three young people who must learn to face life with their individual afflictions. They meet this struggle together. A cast of 12 is required.

*Troubled Times* is a play with a very modern theme. The staff of a university newspaper uncovers information that proves that a star on the football team is involved with some illegal recruiting. The decisions then get very tough. A cast of 16 actors is required.

*Valentin and Valentina* has come to America courtesy of Glasnost. The play is a modern Soviet adaptation of the Romeo and Juliet story. Eighteen make up this cast.

*Where the Lillies Bloom* is a comedy about a young woman who must hide the death of her father in order to keep her family together. Doing so proves a real challenge. It needs a cast of 16.

All play casts involve both adults and teens. Moore asks that all interested persons come to the auditions promptly.

# Letters to the Editor

## Billboard in error

TO THE EDITOR: I have been living in Westbrook since April of 1973 and consider it my hometown. Being my home, I'm very interested in its history and its people. The ranchers, farmers, oilmen, along with many others, were the biggest contributors to our local history.

Early this year many new billboards have appeared on the interstate between Westbrook and Colorado City. These billboards tell of the history and local attractions in and around Colorado City. Which I think is just great that a town and its people are proud of who they were and are. But it's the first of these billboards that I am writing about. This billboard shows a map of Texas with a cowboy hat draped across the top and in the center there are four oil derricks and above this is the caption "Colorado City Started It All". What I want to know is what was supposed to have started in Colorado City? The first oil well in West Texas? Sorry, no, the first well in West Texas was drilled near Albany. The first well in the Permian Basin? No again, the first well to be drilled and completed in the Permian Basin was the Abrams No. 1 in August of 1919. Which is located three miles west of Westbrook.

So I ask again, what did Colorado City start? Well, it could be the first refinery in the Permian Basin, but the picture is of an oil field and not a refinery. So someone is mistaken about the facts or has a whole lot of gall, claiming something that is not theirs to claim. I and many others in Westbrook believe this billboard should be changed. Because in its present form it states a lie and not the truth.

Does Colorado City, with its own rich and colorful history, feel that it must steal from its neighbor?

Sincerely,
Warren Lee Zant

## Gratitude

TO THE EDITOR: I would like to take this time to express my gratitude to the Commissioners who worked so diligently on our behalf to put Larry Hale out of office. After all, how are we, simple minded, trusting children that we are, supposed to know what's best for us? I am so relieved to know that when we elect someone to a position, that you fellows are there to get him out when he doesn't fit in. But then, we're just plain ole voters so how are we supposed to know who you guys like to work with? I'll rest easier now though, because I know what the end result of this means. It means that you fellows will really be on your toes and that you certainly won't be doing the things you have accused him of. There won't be anymore expensive county dirt hauled out to the arena or anyone's cafe. Please forgive Larry, you see, he didn't understand that he wasn't allowed to do the same things that you have been doing for years. After all, he was just one of us simple people.

You have done an outstanding job and I would like to pledge my support to anyone with courage enough to run against any of you in the next election.

Thank you,
Valerie Redwine

# Loraine Personals

...by Lois Phillips

We are well settled in our new neighborhood and we are really enjoying it. We walked to church Sunday and that is a thing we haven't done in a long time. Saw Rex McDaniel at the Post Office the other day and he wanted to know if I really did make Earl stay in the old house. Amy McKey has been trying to find out about that also.

Yes, I brought him with me. After all someone has to pay my bills and my income is sure not enough, besides I have had him almost fifty years so why change now. Who else would wait on me? Besides that I don't think people should grow old by themselves. It might get lonesome if you didn't have someone to fuss with. Anyway we are very happy with our move but never again. In 48 years you forget what a job it is, but thanks to our kids and grandkids it's all finished.

* * *

Three of the Clifton sisters and one husband were at church Sunday. I am sure Shirley enjoyed the weekend with them.

* * *

David and Pat Smith of Hart came by to visit her father and wife Lester and Lela Richburg. David mowed and trimmed the yard for them and after lunch they made their way home. They had been to Dallas to attend a vegetable convention.

* * *

Hazel McCollum was back in Sunday School and Church Sunday after being ill for sometime. I was real happy to see her up and about. Hazel is a favorite of mine.

* * *

Donna Mize was at church also. I visited with her a few minutes. She says Naomi is doing rather well most of the time and is in school. Sure hope everything gets better and better for her.

* * *

Billie Ruth, two daughters and two grandchildren were here Sunday but I didn't get to visit with them because Mandy Mitchell and I were trying to get a black kitty a place to go for lunch.

* * *

I am sure a lot of people remember Jimmie Collier, grandson of Jap and Nell Doyle. He went to school at Highland and played football. Anyway Nell told me Friday night that he is in school in Stephenville and that he is 6 ft. tall and weighs 175 pounds. Can you imagine that. Not long ago he wasn't as large as his father Chester Collier. They have a way of growing up.

* * *

Herman Mitchell is going to the Plains to help with the maize and soybean harvest. Hope you do well Herman.

* * *

Saw Frank Garcia grilling hamburgers at the ball game Friday night. Said he was doing it because his kids told him to. I told you there would be days like that.

* * *

Royce Beights was walking around at the game carrying the cutest golden haired baby girl you would ever hope to see. Boy was he ever a proud grandfather. Tracy she is beautiful.

* * *

Did you know that we have two young women who are now working on the railroad. Here tell that is hard work. Maybe I'll tell you later who they are.

* * *

Walter Prescott and his wife Daisy of Lindale and his sister, Ida Chitsey visited the Senior Citizens recently. While in town they also visited Raymond and Lorene McNiel.

* * *

The Loraine Firemen met Monday night to discuss the pros and cons of the new truck they are in the process of getting. A representative from a truck company met with us and gave us price lists etc. He will be back at a later date to visit us again. He will also meet with the mayor, city secretary and the council.

* * *

Ann Browning went home with Oleta Hyden and visited several days. She said she enjoyed it.

* * *

Raymond and Lorene McNeil went to Lindale recently and visited her sisters for a week. They saw Ruby, Dorothy, Jean and Evelyn. They were the Claxton girls before they married. They really did enjoy the week they said.

* * *

The McNeils have also been to Midland to visit John and Oleta Hyden.

* * *

In Colorado City last Friday I saw Sharon Hammond, Gladys Howard, Frances Grissom, Shirley Clifton and a friend, However I didn't get a chance to speak to them.

* * *

Did you ever think how fast kids grow up once they start to school? Did you notice how Mandy Mitchell and Heather Lucas prissed back to their seats with their head held high after they had been to children's church? Look at me I go to school!

* * *

Syble Walker has as her guests Thursday her daughter Mary Love and Jack Allbright from Odessa.

* * *

Mr. and Mrs. Truitt Butler of Houston visited his mother Clara Butler last Wednesday.

Truitt, Betty, Clara and Kenneth visited Mr. and Mrs. Harry Dockrey Wednesday afternoon.

* * *

Mr. and Mrs. Willie Williams and their daughter Mary Agnes Kilgore of Wichita Falls visited in the home of his brother Chester Hart of Colorado City Tuesday and Wednesday.

Rue McCarley Reeves of Niland, California, a cousin of Syble Walker's, Homer Hart, Kennith and Juanice Butler of Loraine and Chester Hart visited in the Hart home with the above family members.

Rue Reeves and Syble Walker spent Tuesday night in the Chester Hart home. Kennith and Juanice Butler had as their guest Wednesday and Thursday a cousin, Rue Reeves.

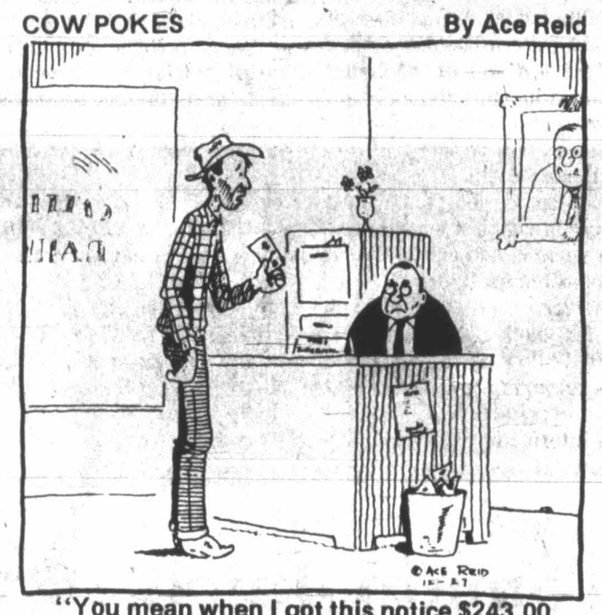

## 'DOGS' night set in Loraine

Loraine School will hold its Second Annual DOGS (Discussing Our Goals for Students) Night Tuesday, Sept. 26, beginning at 7 p.m.

Parents will have an opportunity to meet with their children's teacher or teachers. At this time, teachers will discuss the objectives of the class or subject area and what is expected of the students. Parents also will be given information on grading policies, curriculum offerings and graduation requirements.

All parents are encouraged to attend so they can be more informed about what is required of their children in school.

COTTON TOUR - These area cotton producers, sponsored by West Texas cooperatives, toured Cotton Incorporated's research facilities in Raleigh, N.C. recently. Cotton Incorporated's Weft Knit Engineer Jim Grow, right, discusses fabric samples with tour participants, from left, Wylie Oliver of Snyder, Michael Head of Colorado City and Peggy and Henry Don Parrott of Roscoe. During the tour, the group viewed sample home fashion cotton fabrics which were designed by fabric engineers at the center. The new 100-percent cotton designs help keep U.S. upland cotton vital in domestic and foreign marketplaces.

# PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

## CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION
NOVEMBER 7, 1989

### PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently $7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be $46,716, and the annual salary of members of the legislature would be $23,358, based on the Governor's current annual salary of $93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

### PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional $500 million of Texas water development bonds. The additional bonds are to be used as follows: $250 million of the bonds are to be used for water supply loans and facilities acquisition; $200 million of the bonds are to be used for water quality enhancement projects; and $50 million of the bonds are to be used for flood control. The legislature may provide that $100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional $500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed $25 million for the Texas agricultural fund and $5 million for the rural microenterprise development fund. The financial assistance offered by both funds could include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to $25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to $20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

### PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

### PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

### PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows:

"Authorizing the members of a hospital district governing board to serve four-year terms."

### PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

### PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to $400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the consitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

### PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

### PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

### PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of $30 would increase to $81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

### PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed $750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

### PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing a bill of rights for crime victims."

### PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

### PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

### PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

### PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

### PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conservation bonds in an amount not to exceed $200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

### PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize local governments to invest their funds as provided by law."

### PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

### PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional $75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

# CMS teams take wins

The Girls' 7th and 8th grade volleyball teams played Hamlin at "The Pit" this past Monday. After it was all over, the "Lil' Lady Wolves had taken 3 out of 4 matches from a strong Pied Piper squad.

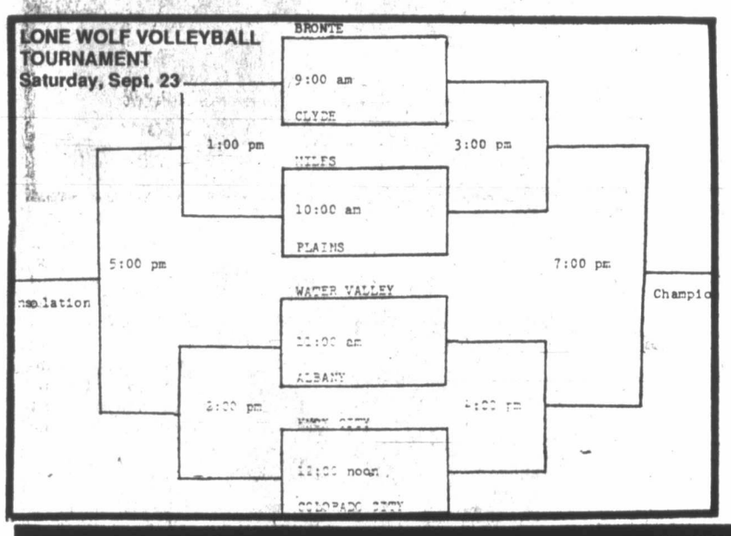

In 7th grade "B" team action, Shea Ortiz paced the Wolves to a 15-12, 4-15, 15-0 victory. Ortiz was the high point server with 7 points to her credit while Christian Mendoza had 6.

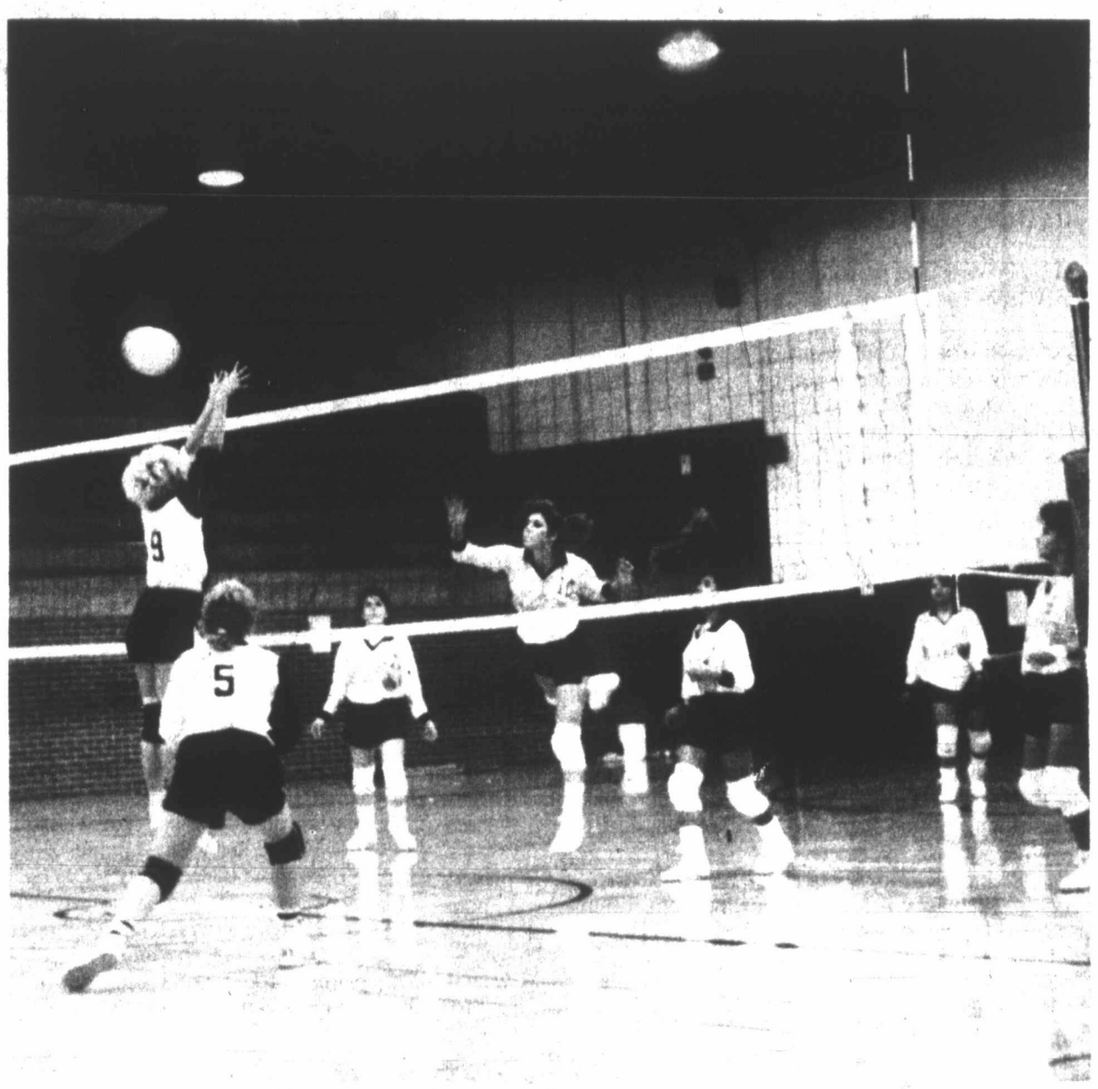

7th grade "A" team saw the Pied Pipers win their only match of off the Wolves with a 6-15,0-15 straight game upset despite strong perforamances by Bethany Bridgeford and Bonnie Jernigan.

8th grade "B" team results showed the Wolves domminate Hamlin 15-12, 15-8 behind the serving of Dana Huff and Bonnie Boone who had 5 and 7 points respectively.

The 8th grade "A" team survived a three game thriller thanks to Kristie Flanagans' 14 on serve points. The final tally was 15-8,14-16, 15-5. Laura also made a good showing with 4 service points.

The Ladies will face Sweetwater next at "The Pit" on September 25. Starting times for the 7th grade A&B teams will be 5:00 and 6:00 , then the 8th graders will take over the court at 7:00 and 8:00.

# Lady Wolves score wins at tourneys

The Lady Wolves varsity volleyball team has been fairing well as of late, capturing consolation in both the Clyde and Key City Tournaments.

This past weekend at Clyde, the Wolves began play at 10:00 against a very tough team from Miles. The ladies narrowly lost 5-15,15-12, and 9-15 in a close final game.

The Wolves returned to form in the next match as they smashed Clyde's JV team 15-2, 15-3. They continued dominant play as they beat Knox City 15-7, 15-13 in the consolation match to end the tournament.

In the Key City Tournament played two weeks ago in Abilene, the Wolves again lost the first match, but came back to defeat Coopers' JV and Breckinridge after losing the first game of the match. Senior Brittany Bridgford was named to the All-Tournament team.

This week, the Ladys' have drawn Knox City to begin the Lone Wolf Tournament which will begin at 9:00 Saturday morning.

# Slaton could prove tough match

The varsity Wolves open up their home schedule tomorrow night as the Slaton Tigers come to town hoping to improve upon a 2-0 record.

The Wolves, 1-1, will be trying to catch a "tiger by the tail" since Slaton brings with them one of the best running backs in the state in the form of Gaylon Davis.

Davis, a 5-10 165 pounder with 4.3 speed, has scored six touchdowns in two games alone as the Tigers have rolled over their opponents thus far.

"He's the one we will have to stop," says Coach Tom Ramsey. "Sometimes, they will line him up at wide receiver in order to get the ball in his hands as much as possible. He is extemely fast, so we must keep away from the outside or else we could be in for a long night."

The Wolves will be lining up a defense that allowed only 97 rushing yards in last weeks 14-0 loss at the hands of Seminole.Tracy Edwards, Bobby Silva , and Ray Sutton are the meat of the tough Wolf defensive line that will be making life tough for any Tiger running back that lines up in the backfield.

Linebackers Adon DeLoera and Wendell Iglehart along with defensive backs Gabriel Ornelas and Mark Alvidrez will be responsible for keeping the All-West Texas Davis on the ground instead of in the endzone.

The Wolf offense will, in the words of Ramsey, try to "rebound and get back to where we were before Seminole." The Wolves gained 35 yards on 39 carries against a tough Indian defense.

To top it all off, C-City will be trying to extract revenge for the 21-2 loss to Slaton in last year's playoff season.

Emotions will definitely be running high as kickoff begins at 8 tomorrow night in Wolf Stadium.

# Wolves lose to Seminole, 14-0

SEMINOLE - The Colorado Wolves traveled to Seminole last Friday with the hopes of bringing back a few scalps , but it was the Indians who won the battle, 14-0.

This was a tightly fought defensive struggle which saw seven punts in the first quarter alone.

1-2-3-punt seemed to be the pattern followed until midway through the second quarter when the Wolves gambled on 4th and one at the Indian 40 yard line. A penalty flag for illegal procedure gave the ball back to Seminole.

A series of quick runs set the Indians up in Wolf territory at the 44 yard-line. On third down , Quarterback Jay Ray scampered through the right side of the Wolf defense for a 37 yard touchdown. The PAT made it 7-0 Seminole.

The first half ended when Bobby Silva took a snap from center in punt formation and bulled his way for a 4 yard gain.

The second half showed much of the same thing as both defenses dug in and kept the 3rd quarter scoreless.

Seminole tries to shock the Wolves when Ray dropped back to pass deep in his own territory, but defensive end Ray Sutton collected his second sack and forced the punt.

A Wolf fumble left the Seminole in good field position, but Senior defensive back Mark Alvidrez intercepted a Ray pass just one play after he let an errant ball slip through his fingers.

With 10:00 left in the 4th quarter , the Indians capped off a 7 play scoring drive when running back Darren Hill went over left tackle for a one yard TD. The PAT ended the scoring at 14-0.

The Wolves tried several passes in the waining moments of the game, but QB George Ramsey was intercepted twice by his Indian counterpart Jay Ray.

" Defensively, we played well, but our offense was poor. It seemed someone made a mistake on every play," said Coach Tom Ramsey. " We will have to make some mental adjustments before next week."

The Wolves rushed for 35 yards on 39 carries, completed 1 of 13 passes for 7 yards and 2 interceptions, were penalized 5 times for 50 yards, had 2 first downs and lost 1 of 3 fumbles .

Seminole collected 97 yards on 38 carries, completed no passes on 9 attempts and 1 interception, was penalized 7 times for 60 yards, picked up 8 first downs, and lost 1 of 2 fumbles.

# Bulldogs ax Dawson, 52-6

The mighty Loraine Bulldogs continued to roll as they notched their second win of the year last Friday night with a 52-6 pounding of Dawson.

In two games this season the Bulldogs have run up an astounding 103 points while holding their opponents to only 12 points.

The game was called with 8:43 left in the third quarter.

When the Bulldogs started scoring in the first quarter, it was difficult to stop them.

The first quarter was the Shawn Finley-Rudy Sanchez show as the two running backs scored two touchdowns a piece.

Sanchez scored on runs of 55 and one yard while Finley scored on runs of 20 and 23 yards.

Loraine's fifth touchdown came on a 27 yard run by Heath Maghee as time ran out in the first quarter. Finley was good on all five PATs.

Dawson got their only score in the first quarter as they ran back a kick-off. The PAT failed.

The only second quarter score came on a 61 yard run by Rudy Sanchez with 3:55 left in the second quarter. Finley's PAT failed.

The Bulldogs lead at half-time 46-6.

The third quarter, Lee Garcia got in on the action as he scored from 16 yards out with 8:43 left in the third quarter with the score 52-6 and the game being called by the 45 point rule.

Loraine is at home Friday night playing Grady. Kick-off is at 7:30 p.m.

## JV, frosh split games

The Colorado Wolves freshman and junior varsity split in their games with the Seminole Indians in Wolf Stadium last Thursday.The fish destroyed their opponents 27-8, while the JV lost 8-6 in a tough contest.

The Indians drew first blood as they took advantage of a Wolf interception and took the lead 8-0. They would never cross the goalline again.

This slight margin held up until the second half when Tracy Lentz and company ran off 28 unanswered points. Lentz and lineman Mike Dossey were the offensive standouts while Dossey and Johnny Martinez shone in an excellent overall defensive performance.

In their loss, the jv Wolves rolled up 299 yards total offense but couldn't seem to put the ball in the end zone. Running back Cade Proctor rushed for 175 yards while Jason Stone ran for 84 yards and the lone Wolf TD.

Defensively, Rene Rivera stirred up some excitement as he picked off three errant Indian passes. Stone, Proctor, Darren Emerson, and Jesse Gonzalez also showed flashes of brilliance as they held the Indians in check most of the game.

"They did a good job even though they lost," Coach Jerold Epperson said. "They played hard all through the game."

WHAT SITS OUT BACK, RUNS SUMMER AND WINTER, AND SAVES YOU MONEY?

*A heat pump. And there are three good reasons you should get one.*

*A HEAT PUMP COOLS, HEATS AND SAVES.*

*Replace your old air conditioner with a new electric heat pump. It's a high efficiency air conditioner in summer. While, in the winter, it's the most energy efficient heating system you can own. On even the coldest days, a heat pump system operates efficiently and will provide all the warmth you need.*

*A HEAT PUMP CAN SAVE $130 A YEAR.*

*Compared to a gas furnace, a heat pump is more energy efficient. And TU Electric's low rates make heating and cooling your home with a heat pump an even better value. Tests have shown you can save $130 or more a year by installing a heat pump.**

*GET MORE INFORMATION.*

*You can find out more about the amazing heat pump, including details on rebates, from your local heat pump dealer.*

# 4-H horse show slated

The 1989 Mitchell County Youth Horse Show, sponsored by the Mitchell County 4-H Horse Club, is scheduled for Saturday, Sept. 30, at the B&PW Rodeo Arena at the fair grounds.

The show is open to youth 19 years of age and under who are fulltime Mitchell County residents. Judge will be Melinda Hudson.

Registration begins at 9 a.m. for those not pre-registered. The show will begin at 10 a.m.

Entry fee is $3 per class or a maximum $20 per person.

Entries may be mailed in or done on the day of the show. Horses may be toothed for halter classes if requested by the show committee. All halter classes, registered and non-registered, will be shown together.

No youth entry will be accepted unless signed by contestant's parent or guardian. Only one horse may be entered in any one class, but contestants may enter more than one horse in the show. One horse may not be entered by two different people in the same class.

Performance classes will be divided into beginner, junior and senior. Divisions (age as of show day) are Pee Wee, 6 and under; Beginner, 7-9; Junior, 10-13; Senior, 14-19; and Adult, 20 and over - western pleasure.

Entries have to enter halter and at least three performance events to qualify for the All-Around high point award. All-Around high point will be determined by the number in each class up to six places. The Grand Champion halter horse of each sex division will receive at least one point more than any other horse in its division. The Reserve Champion of each sex division will receive as many points as any horse in its sex division except the Grand Champion. If necessary, additional points will be added to the points won by the Grand Champion and Reserve Champion in its age class to give it this total.

No stallions will be allowed to show.

All contestants must wear long sleeve shirts and western hats.

Only one horse and rider combined will be considered for High-Point award and that horse must be designated at the start of the show.

Entries will not be refunded once signed up.

A five-second penalty will be assessed for each barrel or pole knocked down in the barrel racing or pole bending. There will be no penalty for touching barrels or poles. In the flag race, there will be a five-second penalty for knocking over the flag bucket and a 10-second penalty for knocking over flag bucket and barrel.

Ties on events will be given the same number of points. Tie for High-Point will be decided by the one with the most performance points.

Showmanship is considered a performance class.

Pee and Beginners may enter junior reining but those points will not counted towards High-Point.

Lead-line exhibitors are not eligible for other performance classes.

Specialty event points will not count toward All-Around.

Classes include:

Showmanship - showmanship - pee wee; showmanship - beginner; showmanship - junior; showmanship - senior; all ponies - 13 hands and under.

Halter classes - 4 years and under mares; 5 years and over mares; champion mare; reserve champion mare; 4 years and under geldings; 5 years and older geldings; champion gelding; reserve champion gelding.

Performance - lead line; pee wee western pleasure (walk trot); beginning western pleasure (walk trot); junior western pleasure; senior western pleasure; adult western pleasure; pee wee western horsemanship (walk trot); beginner western horsemanship; junior western horsemanship; senior western horsemanship; junior reining (13 and under); senior reining; pee wee flag race; beginner flag race; junior flag race; senior flag race; pee wee barrel race; beginner barrel race; junior barrel race; senior barrel race; pee wee poles; beginner pole bending; junior pole bending; senior pole bending;

Specialty events - pee wee goat touching; beginner goat touching; junior goat tying; senior goat tying; pee wee dummy roping; beginner dummy roping; junior dummy roping; senior dummy roping; pee wee stick horse barrel race; youth breakaway roping.
