Miss Ina Mae Caswell is the authorized correspondent for Hermleigh, and as such is authorized to receive renewal and new subscriptions. Co-operate with her in building a fine weekly news column for this thriving town.

School Notes

The commencement exercise for Hermleigh High School was held Friday evening, May 27, at the high school auditorium. The regular formal graduation program was given, and it was concluded by the presentation of the diplomas by E. A. Watson. Eight young people earned diplomas, but only seven were able to receive theirs at the close of the service, for the eighth member of the class, Thelma Fargason, was kept at home by measles. Those receiving diplomas were Olive Caffey, Ina Mae Caswell, Allie Coston, Benard Gleanstine, Ileta Henry, Taft Patterson and Farris Stevenson. Graduates receiving the highest honors were: Ina Mae Caswell, valedictorian, and Ollie Coston, salutatorian.

The grammar school graduation exercise was held Thursday evening, and the address was delivered by Mr. Sontell of Snyder. Elizabeth Niemeyer was valedictorian, and Oletha Sturgeon was salutatorian. Oletha was unable to attend the exercise, so Erma Lee Bryant read the salutatory for her.

Wednesday evening the grammar grades, assisted by M. F. Merrill and the freshman and sophomore classes, gave a very enjoyable program.

After the program, Ollie Coston, Alma Bralley, Ona Vernon, Gertrude Caswell, Chloedelle McMillan and Ina Mae Caswell, accompanied Ileta Henry to her home where they enjoyed a slumber party. Ice cream was served at twelve o'clock, and afterward the girls talked, played and sang until four o'clock when they took their beauty nap (which was indispensable).

Accident and Death. As Mr. and Mrs. E. A. Watson and their grandson, "Sonnie," were going from Hermleigh to Crosbyton Saturday morning their

coupe collided with another car on the blind curve at the First and Last Chance filling station in the outskirts of Snyder. We understand that Mrs. Watson was slightly hurt, and that "Sonnie" was injured to some extent. The car was rather seriously damaged. The seniors deeply regret the accident, for it was at their invitation that Mr. Watson came to Hermleigh to deliver the commencement address and to present the diplomas.

Mrs. Lorence Higginbotham, wife of A. L. Higginbotham of Dallas, died suddenly Friday night. Her demise is believed to have been due to heart trouble. Mr. Higginbotham is the son of Mrs. A. F. Higginbotham of Hermleigh, and the brother of A. D. Higginbotham and Mrs. T. E. Vaughan, also of Hermleigh. Mr. and Mrs. A. D. Higginbotham and Mrs. Vaughan, with her son, Jay, left Saturday afternoon to attend the funeral.

Comings and Goings. Mr. and Mrs. Herbert Brock of the Pyron community left Saturday for Bowie where they went to see Mr. Brock's father, Dr. Brock, who is seriously ill. Dr. Brock will be remembered by the pioneers of this place.

Miss Minnie Lee Williams has gone to the Lubbock Sanitarium. Mrs. Conn of Cleburne is visiting her sister, Mrs. C. M. Breeden.

Miss Johnnie Watson, who has been attending school in Abertown, returned home last week-end. Mr. and Mrs. E. E. Kerr left Friday afternoon for a short visit with relatives near Lubbock after which they will go to Abilene. Mr. Kerr, who has been teaching here, will attend Abilene Christian College this summer.

Mr. and Mrs. J. J. Henry, Elmer and Mrs. Henry's mother, Mrs. McMullen, went to Lamesa the early part of last week.

Mrs. Borbour and her sister of Maryneal were the guests of Dr. and Mrs. Ward last Thursday.

Mr. and Mrs. H. W. Harbin of Lamesa, who lived here until two years ago, returned the latter part of last week to visit relatives and friends and to attend the commencement exercises.

Bill Davis, who has been going to school at Rotan, spent the week end with homefolk and friends.

"Red" Hassell, Arlie McMillan and "Sheep" Lauder returned Saturday afternoon from a fishing trip. They spent their time on the Concho near San Angelo, but we couldn't learn how many fish they caught. "Sheep" said they got as many as he and "Red" could eat, but they might have "got" them at the crossroads meat market instead of in the river.

Another fishing party composed of Herman and Robert Shultz, Richard Manske, Paul Wenetschneger, Frank Watzel and a few others whose names we did not learn, enjoyed an outing on the Concho near Sterling City last week.

Miscellaneous

Many people in Hermleigh have measles now.

Gertrude Caswell was sick last week-end.

John Wempkin, who has been seriously ill for the past two months, is still suffering greatly.

Work is progressing rapidly on the Fullen gin just north of the cotton yard.

The Hermleigh community received a quarter to an inch of rain Monday evening. It was greatly appreciated as the drouth was becoming very serious. However, it will not be enough to do much good in the fields unless it rains some more, because of the unusual dryness. Most of the cotton in this community is yet unplanted, and some maize is not yet in the ground.

Mr. and Mrs. F. H. Patterson and little daughter, Claire, are in Snyder and will spend a part of their vacation with their parents, Mr. and Mrs. J. G. Patterson. Mr. Patterson is superintendent of the Parks school.

NEWS FROM POLAR

We can still smile at Polar even if it hasn't rained yet. Crops that are up are growing and making the fields look green.
The Polar and Dermott boys played another ball game Friday. Again the game ended in favor of Dermott. That's all right. "If at first you don't succeed, try, try again."
The program given by the primary grades of the Polar school was well attended Friday night.

dinner on the ground and a good social hour was enjoyed. Both services were well attended. Polar people always miss Brother Harris' regular monthly appointment.

Miss Stella Smith has been visiting with her parents, Mr. and Mrs. Watt Smith, this week-end. We are always glad to see her smiling face.
Uncle Kin Elkins and wife left last week for New Mexico to visit their son. When they arrived at Post they heard of the very serious illness of a friend, Mr. Hardin, so they are waiting to see if he recovers before going farther.
Mrs. B. A. Moore left for Post Sunday afternoon where she will spend a few days visiting.

Miss Irene Anderson of Lubbock is visiting with friends and relatives of Polar.
Dillon Brewer of our community who is working in the oil field near Baird visited with his family last week.

Mrs. Simms of Polar is visiting with her mother at Post this week.
Miss D. E. Gill took her seventh grade on a picnic Monday. Two of the girls got lost and went to McKenzie mountain, but were found coming home again later. Those who enjoyed the picnic were Miss Gill, Mrs. E. G. Elkins, Ernest Lee Elkins, Edna Massingill, Gladys Vick, Dell Marie Cumbe, Zula Carlile, Zonell Reid, Aleta Mitchell and Melvin Elkins. Miss Gill has planned a graduation for her seventh grade from grammar school to high school. The valedictorian is Zonell Reid, and the salutatorian is Ernest Lee Elkins. Both these young people averaged

90 and drew straws to decide the better. The graduation will be Friday night, June 3. The address will be given by Supt. A. A. Bullock of Snyder.

Mr. and Mrs. J. A. Bean, Mrs. Rena Elkins and Tillie Poke of Slaton and Mrs. E. F. Sears and daughter, Enid Sears, of Snyder, were guests of Mrs. A. C. Cargile Monday night. They went fishing on the river for outdoor entertainment.

SCURRY COUNTY GIRL HONORED AT W. T. S. T. C.

A communication from the West Texas State Teachers College of Canyon states that Miss Henrietta Callis of Scurry County is now a Junior in that institution and has been elected to membership in Kappa Omicron Phi, which is a national professional home economics organization. Miss Callis has also met the requirements of the Loyd Green Allen scholarship society, and is an active member of the Home Economics Club. She plans to teach home economics next year.

HOUSE OF LAUGHS BUILT FOR MOVIE

A group of literary hodcarriers and serious minded funmakers have undertaken the task of literally building a house of laughs. The fortunate poker player who could point to his home as "the house that Jack built" had nothing on Edward Small, who built "Mc-

Fadden's Flats" for the screen from nothing more weighty than grins, chuckles and uproarious guffaws.

With the aid of a cast of players that is declared to be as nearly a reproduction of the original cast in the stage comedy as present day conditions will permit, "McFadden's Flats"—known to the amusement world as the funniest of plays for more than a quarter of a century—has been put in films.

The comic classic will be shown at the Palace Theatre Monday and Tuesday, June 6 and 7.

Misses Clarabel Clark and Ellen Buice Johnson have returned to their homes in Snyder from Simmons University. Miss Johnson was accompanied by Miss Bonnie Duke of Abilene, who is paying her a short visit.

WEAK, RUN-DOWN

WOMEN

To Take Cardui

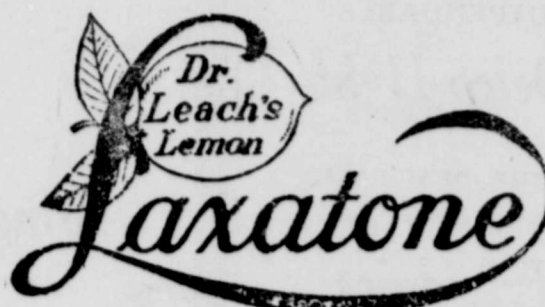

"I have known of Cardui for nearly twenty-five years," says Mrs. Selma Moisaner, 1072 Harrison Ave., Beaumont, Texas. "During that time, I have taken it several times and have frequently recommended it to others, for it is a splendid medicine and I am glad to give people the benefit of my experience."

"I have been a nurse for several years and have often come in contact with patients who were run-down and weak. Often I have told sufferers of Cardui, and the way I, myself, had been helped after taking it, and advised them to give it a trial."

"I first took Cardui because I was awfully run-down. I had no appetite, and was weak and listless. It was hard to keep going under such conditions, and I looked for something which would help me."

"I had read of Cardui and decided to try it. After taking it, I improved so much that I have taken it since whenever I needed a tonic."

In thousands of average American homes there are now two automobiles—"a car for her, too," so there may be transportation for the family while "he" drives away to work.

And the family car has such an infinite degree of usefulness! Downtown shopping, taking the children to school, afternoon calls, meeting trains and the many additional trips that must be made to and from the house as a part of every day's routine.

No other car is so admirably suited to a woman's requirements as the Most Beautiful Chevrolet.

With striking new bodies by Fisher, and finished in pleasing colors of lustrous, lasting Duco, it provides in abundant measure the comfort, charm and elegance that

women admire in a motor car. It is easy to start because of its Delco-Remy electric starting system—famous the world over for its excellence. It is easy to stop because of powerful, over-size brakes. And it is easy to drive and park because of a modern three-speed transmission, smooth-acting disc clutch, and a semi-reversible steering gear that gives finger-tip steering.

Visit our showroom and see the Most Beautiful Chevrolet. Note the wide variety of body types. Mark their sweeping lines and carefully executed details. And then ask us to explain the easy terms on which a Chevrolet may be purchased—terms that include the lowest combination of handling and financing charges available anywhere.

"Arcos house plot suspected in Chili," declares headline in the dailies. We are not surprised; they put nearly everything in it.

The Quanah Tribune-Chief declares that a woman carries 112 miles of silk thread in a pair of hose. That's not all she carries in them. She carries 10 nails, a pair of "calves," and in some instances enough "corn(s)" to feed them both.

Jack Banta was made head of the Painters' Union at a meeting held in Wichita Falls recently. This "Banta" ought to have a right to crow, now that he is the official "cock-of-the-walk."

NOW OF TEXAS

The Ohio Newspaper, official publication of the daily and weekly press in the state of Ohio, and published by the Department of Journalism, Ohio State University, said in their May issue:

"IT'S JIMMY" SMITH OF TEXAS

"George F. Smith, Ohio newspaperman, advertising service merchant, and general booster, has shaken the dust of Cleveland from his feet and gone to Texas, where he has formed a partnership with J. L. Martin for the publication of the Scurry County Times at Snyder. The Times, now in its fortieth year, is a weekly of eight pages, eight columns to the page, with all the classes of news usually found in a weekly paper. It is clean-cut typographically, all home-set, and has a gratifying advertising patronage. Announcement of the change of ownership was made in the issue of April 14, and it was then expected that Mrs. Smith and the children would arrive in Snyder within 30 days. 'Jimmy's' going is a loss to Ohio and a distinct gain for Texas. His many friends in the state will wish him all manner of success in his new venture, which is really an old one, for he was reared in the country newspaper business."

SPADE RANCH SHIPS NINE CARS CATTLE

O. F. Jones, manager of the Spade ranch, reports shipment of nine cars of fat cattle to the Fort Worth market Wednesday. The

shipment contained four cars of calves and five cars of cows. Last week the Spade ranch shipped 38 cars of calves and five cars of cows. Last week the Spade ranch shipped 38 cars of calves to range near Lubbock, and has shipped other yearlings in the last few weeks, making the movement from this ranch pretty heavy.—Colorado Record.

LET THE CHILDREN FIGHT

We were in hopes we would be able to smear mud on the paper this week, but we can't do it without using artificial mud.—Roscoe Times.

We have never wanted to engage in mud-slinging before, but boy, we would sure like to engage in a mud-slinging duel. Of course, we don't care to use artificial mud, but if we could use the pure old home-made loblolly mud like we used to have, we'd be tickled to

death to smear it on deep. Of course, Colorado does not have the nasty mud like Roscoe when it rains. Roscoe Mud is the mudiest mud in West Texas when it does get muddy. We know, because we got stuck in Roscoe flat once. However, we would like to see just half as much water oozing out of the ground now as there was at that time.—Colorado Record.

And the Times-Signal would like to add its "gob of mud" thought, too.

School Affairs

Our public school closes its work this week. As announced last week, the baccalaureate service was delivered last Sunday evening in the auditorium of the Fluvanna Baptist Church by Rev. W. F. Ferguson of Snyder before he class and an appreciative audience of about 300 people. The church was attractively decorated, and the whole program worked smoothly. Superintendent H. L. Massey had charge of the program. The Village Preacher and Rev. E. W. Massey, brother of H. L., offered prayers. In front of the preacher was seated the graduating class of eight—three boys and five girls—from left to right as follows: Leo Beaver, Horace Sims, Francis Beaver, Virgil Willis, Angie Haynes, Geta Landrum, Arny Boynton and Dick Wenzel—all accompanied by Miss Eva Massey. The preacher's text was the first clause of Acts 13:36, and he theme was "Making the Best of Life." High points in the sermon were as follows: "The greatest thing in life is service." "The greatest business is the building of character." "There will be some hard places in life." "The most golden chapters ever written have been written by men and women—sacrificial service." "Let him that would be great among you be servant of all." "You will be remembered longer for Christian identity than otherwise." "He lives best who serves best."

The program for this week is as follows: Following examination, etc., during the first part of the week; the commencement service for the grammar grade will be held in the Presbyterian church on Thursday night. Superintendent Bullock will be the speaker for this occasion. The Senior Class play, "Her Honor, The Mayor," will be given on Friday night in the school auditorium. The senior commencement will be held on Saturday night in the Methodist church. At this time Dean B. M. McKeown of McMurry College, Abilene, will be the speaker.

The Taylor Funeral
Lee Taylor, age 29, son of J. B. and Mrs. Taylor of this community, lost his life as the result of a fatal burn caused by a gas explosion last Saturday while working at the Cochill-Mellroy well six miles east of Borger. Mr. Taylor died in a Borger sanitarium Sunday night.

The body was brought here for burial Tuesday. The service was conducted by Rev. E. W. Massey, assisted by the Village Preacher, at the local cemetery in the presence of a large crowd of sympathizing friends. The deceased leaves both parents, five brothers and one sister, his wife and a small girl to mourn their loss.

Church Services
In addition to the school service last Sunday, Rev. E. W. Massey preached Sunday morning at

the Fluvanna Baptist Church. Next Sunday Dean B. M. McKeown of McMurry College will speak in the Methodist Church. Dinner will be served at the church, and the presiding elder will preach at night.

Visits and Trips
Arthur Taylor and wife of the plains country were here this week for the Lee Taylor funeral. Ar-

thur is a brother of J. B. Taylor. T. B. Favor, wife and son, L. B., of Snyder were also here.

D. A. Jones and wife returned last week from Oklahoma where they have been on a trip for several weeks, Tulsa being the main objective.

Our friend Sealy is visiting a half brother at Santa Anna. The two have not met for 38 years. They need an introduction.

Miss Nora Sealy went to San Marcos Thursday where she will attend summer school.

Fred Williams of Snyder was visiting Tolle Favor last week.

Miss Nealy Souyres has finished her school work at Claremont and is now with the home folks again.

Rev. Hardy took his sister, who has been visiting him for some time, back to her home in Brown County last week.

J. A. Jones and wife departed last week for an extended trip to Arizona.

Mr. and Mrs. O. J. Casstevens of Stamford spent the week-end here visiting Tolle Favor and family. His mother is spending a few weeks here visiting with A. J. Dyess and family.

One Mr. Shipley of California, brother of Mrs. L. M. Melton, is here visiting for a few days. He says the country is dry all the way to California, except in portions of Colorado where heavy snows have fallen.

Professor Matherson and wife of Panhandle were here this week applying for positions in our school.

Haley Haynes of Big Spring visited home folks this week.

Miscellaneous Notes

J. B. Ramsour and wife and Ed Jones opened their hearts (and the dining room) and served a delightful dinner last Sunday to Prof. H. L. E. T. and Rev. E. W. Massey and their sister, Miss Eva Massey. Bruce Ramsour, Mrs. H. Lanham and V. P. and his wife. People will talk, more or less, about hard times, but I declare to you, Mr. Editor, that occasions of this kind never support the contention—at least not insofar as we have observed.

We understand that Robert Light of this community temporarily lost his car in Snyder one night last week. Later, when it was found out on a certain road, the battery and light bulbs were missing. Evidently we still need jails, penitentiaries and old fashioned revival meetings.

J. B. Estes, while driving a cultivator on the Lightfoot farm last Friday, was thrown from the plow and suffered the breaking of his right leg below the knee. We understand that the tongue of the cultivator broke and this frightened the team causing it to run away. Mr. Estes was thrown in front of the plow with results indicated. The patient is getting along very well.

FACTS about used car allowances

Most new car sales now involve the trading-in of a buyer's used car. More and more people are asking: "Why should my used car seem to have several values? Why should dealers in different makes of cars offer me allowances differing materially? Does the largest allowance offered mean the best deal for me?"

Here are basic facts:

- 1 Your used car has seemingly different values because competitive dealers are bidding to sell you a new car.
- 2 Your used car has only one fundamental basis of value: what the dealer who accepts it in trade can get for it in the used car market.
- 3 The largest trade-in allowance which is offered on your used car is not necessarily the best deal for you. Sometimes it is; but sometimes it is not.
- 4 An excessive allowance may mean that you are paying an excessive price for the new car in comparison with its real value.
- 5 Judge the merits of the new car in comparison with its price, including all delivery and finance charges. Then weigh any difference in allowance offered on your used car.

WHEN YOU are ready to trade-in your present car, remember that after all you are making a *purchase* and not a *sale*. You are buying a new car and simply applying your present car as a credit toward the purchase price of a new car.

Advice to Weary Wives

Dear Aunt Kate: My husband does not drink, nor does he beat me, but he is killing me with work. We have four children and my mother-in-law lives with me, and I have to do all the work, as she never helps me. My greatest burden is the washing. It takes practically three days each week for me to do it and then it hurts me so that I could scream. I have tried several times to get my husband to send the clothes to the laundry, but each time I convince him it is the thing to do, his mother steps in and says, "Nonsense, in my day women did their own washings and you can too." Then my husband says his mother is right, and will not listen to me.

I am sick and discouraged and dread each new week to appear, as I have all the work to do in a big house. Don't you think my mother-in-law is wrong and that my husband should allow me to send the washing to the laundry?

WEARY WIFE.

I emphatically agree with you. The day is over for women to be beasts of all work. When modern inventions have proved that life can be made more worth while and can save time for other interests, why revert back to the "dark ages?" Your mother-in-law has no right to interfere with your affairs whether she means it kindly or not, especially when she is obligated to you as she is.

I haven't words enough to express my opinion of the man who would burden a woman with laundry work when it is unnecessary. If you cannot afford to have your clothes finished at the laundry, then you can at least afford to have them rough dried, and you can iron them at home. If you can afford to send them out, then by all means take things in your own hands and send them out.

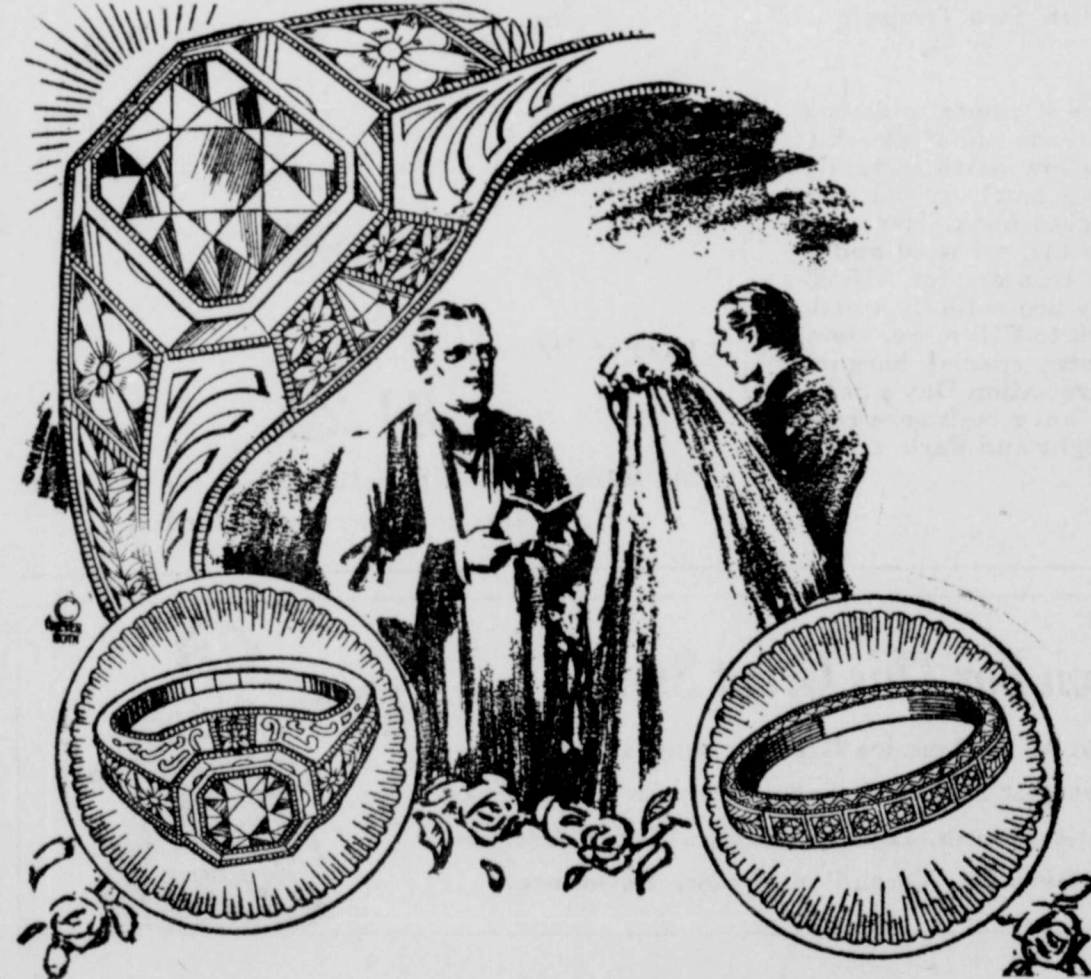

I send all my things to the Snyder Laundry, even my silk hose and dainty underwear, and they all come back washed and ironed the "right way," and their prices are so reasonable. I have found it more economical to patronize the laundry than the common wash woman, and the service is not to be compared. It is foolish for a woman to break herself down doing the family washing when her home town affords a first class laundry.

BRIDE-ELECT HONORED WITH TWO PRETTY SHOWERS

LINEN SHOWER GIVEN MISS MARTIN MONDAY

Monday morning, May 30, a shower of many dainty gifts in linen was presented to Miss Rhoda Martin, when Miss Dimple Gross and Mrs. Wade Winston entertained at the home of the former. The honoree was asked to be supervisor of the hand work to be done on a number of various articles which she would find in an adjoining work, but which proved to be many beautiful hand made linens as best with gifts from Mesdames J. G. Lockhart, J. M. Newton, Roy Strayhorn, Edgar Wilson, Melvin Blackard, Wayne Boren, C. E. Fish, Claude Holley, Addison Castevens, Bill Hutchinson, Wren Moore, G. H. Leath, A. G. Elland, W. F. Sentell and Joe Graham and Misses Lula Darnall, Jada Maxwell, Lela Isaacs, Veda Maxwell, Ethel Isaacs, Ila Martin, Connie Isaacs, Tommie Jenkins, Gertrude Herm, Neoma Strayhorn, Vela Bell, Mary Ellen Martin, Lucile Strayhorn and Myrtle Martin.

A dainty refreshment plate was passed with lovely tulips and carnations as favors, while the honor guest was the donor of a lovely corsage of sweet peas as the compliments of Mrs. W. R. Bell.

MESDAMES BRICE AND FISH HOSTESSES

The pretty home of Mrs. H. J. Brice was the scene of a most delightful occasion Friday afternoon, May 27, when Miss Rhoda Martin, bride-elect, was honored with a kitchen shower by Mesdames Brice and C. E. Fish. A fitting program was rendered during the afternoon, with Master Willie Brice playing a piano solo, followed by a reading, "Mirandy On Matrimony," by Miss Elaine Rosser. A clever toast "To the Bride" was given by Mrs. J. E. Sentell, while "To the Groom" was given by Mrs. C. E. Fish. Miss Ila Martin dedicated a few lines "To the Girls Left Behind," while all took part in a unique kitchen contest.

Following delightful refreshments in which the hostesses were assisted in serving by Misses Lucile Brice, Mary Ellen Martin and Maurine Stinson, the honoree was asked to empty the tubs, which were found filled with a shower of useful kitchen articles.

Those having the pleasure of spending the afternoon with the honoree were Misses Mary Strayhorn, Dimple Gross, Neoma Stray-

Announcement

H. F. (Abe) Rogers and P. M. Chambers announce the merger of their tailor shops and cleaning plants to be located in the stand now occupied by the City Pressing Parlor.

By putting the two plants together we will have our plant so completely equipped that no better work can be had in West Texas.

We want to thank you Scurry County folks for the business you have given us separately and assure you that now we will give you our united effort to do you better work than you can get elsewhere, especially on silks and ladies' clothing.

We will continue to handle Globe and International tailor made clothes.

Mrs. Pack Wolf, who has been ill for several days past, is recovering.

While Colorado and Big Spring are scrapping over the round house, it is sweet to think that some day Snyder will have a round house of her own and no other town can take it away in quest of water.

Messrs. J. D. Sears, J. W. Shaw, H. V. Sumruld, S. M. Pruitt and Elder N. M. Leslie were welcome callers this week.

A Mr. Leach from Wise County, a brother-in-law of J. D. Oliver, came in last Friday and passed on out to Block 97 where he locates. He was hooked up well—having a good team, and will cast his fortune with the other progressive farmers of Scurry County.

Dr. Scarborough reports a fine girl baby at the residence of Mr. and Mrs. M. Mercer.

R. R. "Dick" Lively has bought an interest in the Scurry County News at Snyder. Dick is one of the most spicy quill pushers in the state, and always interests his readers.

WATER GREAT NEED

We think it a great thing to have wells of everlasting water in a city. Snyder has an abundance of pure, clear, good water, while some of the towns in West Texas are having to be very sparing with the water they use. In one or two cities where surface water is all they have, orders have been issued for the people not to use water on the lawns or for washing their cars.

FIRST CAR OATS THRESHED

The first car of this season's oats has been threshed and delivered last Thursday by E. W. Moore, four miles north of Temple, and were sold at 40½ cents per bushel. The oats were cut, threshed, sacked and the straw distributed over the land at the same time. They averaged 40 bushels per acre.

EASTERN STAR MEMBERS, ATTENTION!

The installation of officers for the Eastern Star will be held June 9. All members are urged to be present.

FIRE OR WIND

IT IS true that after a fire or windstorm or a tornado old and familiar objects will be gone. But how good it is to know that your insurance protection furnishes you enough money to start in anew.

THE COST OF INSURANCE IS CERTAINLY A SMALL PRICE TO PAY FOR PEACE OF MIND.

The Will To Help

THIS is the most important element in rendering service. That organization which is imbued with the wholehearted desire to help will perform innumerable little acts of service that are invaluable. This is the spirit of our organization. Everyone in it has that ever-present desire to help smooth out the burdens—the heartaches—which are the lot of the bereaved ones.
