(Q) What is the coldest month ever recorded in Mitchell County?

(A) All indications are that December 1893 has been the coldest month ever. However, we are still searching through records from Mitchell County and surrounding counties in the Big Country and can't be sure at this time, but it looks like we've just experienced our coldest month, at least since the late 1890's.

State park construction underway

The minor repair, construction and facelift at the Colorado City State Park will hopefully be completed by mid-March, said state superintendent Bill Griffin.

The construction at the park includes a picnic pavillion located by

the bathrooms near the main beach area. The pavillion was constructed to provide shade for several tables for picnics.

The main road leading from the entrance to the boat ramp has been resurfaced and even

torn up and rebuilt in some areas, Griffin said. The main road was also widened a foot on each side, he added.

The construction on the roads was begun in mid-August.

However, the principal improvement is the

addition of a dining hall near the first swimming area.

The building will be a 40-foot by 60-foot structure and will house an oven range, refrigerator, freezer, banquet tables and other kitchen facilities, Griffin said.

The dining hall will also include a 15-foot by 25-foot patio area, which will house a large barbecue pit, Griffin said. "We don't know what it will rent for," Griffin said. "However, it will be reservable. The dining hall should be completed by the summer."

The state park is also planning to rebuild the old fishing barge on the lake. Griffin said the barge (Fish-A-Rama) will be completely redone.

Griffin also had the attendance figures for the fiscal year.

The Colorado City State Park showed an attendance of 300,179 persons for last year (September 1982-August 31, 1983). The park also grossed \$105,136 but spent

\$154,812 in operating expenses and improvements, Griffin said.

The biggest and busiest weekend the state park witnessed was the Memorial Day weekend when over 15,000 persons visited the park, Griffin said.

Griffin also added that he thought that about 80 percent of the persons visiting the park were not from Mitchell County. The park is visited frequently from people in Big Spring, Midland, Odessa, Lamesa and Lubbock. Some come as far as Hobbs, New Mexico just to go fishing for one day, Griffin said.

The park had visitors from 43 states and 20 countries for the 1982 year, Griffin said.

Burnett seeking third term

Dick Burnett, State Representative from the 66th District, which includes Coke, Mitchell, Sterling and Tom Green Counties, has announced that he has filed for re-election on the Democratic Party ticket to again represent the 66th District in the 69th Session of the Texas Legislature which convenes in January, 1985.

Representative Burnett has served in the past two sessions of the Texas Legislature as the elected representative from this section of West Texas. During the current Session, he is serving as a member of the House Criminal Jurisprudence Committee, the House Law Enforcement Committee, and the House Rules and Resolutions Committee. In the previous Session, he also served on the Criminal Jurisprudence Committee as well as the Security and Sanctions Committees. During both Sessions, he has been appointed by the Speakers of the House to the Special Committee dealing with Child

Dick Burnett

Abuse and Child Pornography.

Burnett, who was formerly Chief of Police of San Angelo, is a retired Agent of the Federal Bureau of Investigation—of which he was a member for over thirty years. During World War II, he was an Army fighter pilot in the Southwest Pacific.

Burnett is married and his wife Midge, who is formerly the Director of the Licensed Vocational Nursing School in San Angelo, is still engaged in the nursing profession as a Registered Nurse. They have three grown sons and two grandchildren.

Mitchell County Livestock Show slated for next weekend

The annual Mitchell County 4-H and FFA Livestock Show will be a one-day showing on January 28, instead of the usual two-day affair, said stockshow president George Walker.

"We are expecting a good showing," Walker said. "We will increase our prize money because of the advertising sales and the donations

by the \$100 Club."

The \$100 Club was initiated by Mayor Elmer Martin years back to help fund the Mitchell County Livestock Show.

Walker said he was expecting somewhere between 28 and 30 head of steer to be shown this year. He said he was also expecting about the same number of hogs and lambs to be shown

this year as last year.

The stockshow was changed from a two-day event to a one-day to let some of the parents come out and attend the show, Walker said. The one-day show will also allow the students not to miss any class time.

The show will include quality animals, Walker said. Most of the entries will probably go onto the livestock show in Fort Worth.

The 1984 judges include swine: Jay Winters, swine producer from Idaho; Sheep: Ken Cook, DED from San Angelo and beef: Jim Mazurkiewicz, Vo-Ag from Ira.

Show committees and officers for the 1984 show include President, George Walker, C-City; Vice-President, David Stubblefield, C-City; Secretary, Jim Dockrey,

C-City; Treasurer, David Marion, C-City; Finance Chairmen, B. B. Bridgford and Joe Weaver, C-City; Cattle Superintendent, C. N. Stubblefield, C-City; Asst. Cattle Supt., Vic Jeter, C-City; Asst. Barber files for 3rd term

Pat Barber

Patrick Barber has filed for re-election as Mitchell County Attorney. Mr. Barber has been County Attorney since 1976 and is seeking re-election for a third term.

In September, 1983, Barber was elected to the Board of Directors of the Texas District and County Attorneys' Association as a Regional Director of twenty-eight counties in West Central Texas, and he has also served on the Legislative Committee for the TDCAA.

"One of my primary responsibilities as County Attorney concerns enforcement of the misdemeanor driving while intoxicated law, and I am pleased with the revised DWI statute passed by the Texas Legislature," Barber said. "The increased penalties and stiffer driver's

license suspension provisions of the new law will help prosecutors to deter DWI in this state."

Barber was recently elected to the County Attorney seat on the Texas Prosecutor Council by elected prosecutors statewide. The Council is a judicial agency established by the Legislature to provide technical assistance, educational services, and professional development training to prosecutors and also accepts and investigates complaints of prosecuting attorney incompetency and misconduct, with the authority to reprimand prosecutors or institute proceedings to remove prosecutors from office. Barber's responsibilities on the Council are defined by law to be in addition to his responsibilities as County Attorney.

Barber graduated from the University of Texas at Austin, and received his law degree from Baylor University at Waco in 1976.

Barber is a Mitchell County native, residing in Colorado City, and is married to Sharon Stuver Barber. They have two children: Rhonda age 15 and Austin age nine.

March of Dimes Campaign Day is slated for January 30

Mitchell County March of Dimes spokesperson Hank Hardwick announced Thursday that January 30 has been designated as the campaign day for 1984.

March of Dimes volunteers will be out from 5:30 p.m. until 7 p.m. soliciting donations. Hardwick is encouraging any person interested in helping out with the local drive to please contact area chairperson Deborah Chaney at 728-2039 or him at 728-8959.

The drive will be a well organized affair with each volunteer covering approximately two city blocks, Hardwick said.

"The campaigning is not only for raising money, but also for disse-

minating information," Hardwick said. "We will be handing out information that is pertinent to pregnant women, too."

The volunteers will be wearing tags to identify them, Hardwick said.

In a release from the March of Dimes Head-

quarters for the Caprock chapter, chairpersons Pam Walker and Donna Spence are urging

everyone to become active in helping to support research, medical services, and education programs for this area.

The March of Dimes is committed to informing the public about personal attention to good health that will help prevent birth defects: the need for early and regular prenatal care; the importance of good nutrition during pregnancy; the dangers of smoking, alcohol, and unapproved drugs during pregnancy and the hazards of adolescent pregnancy.

Through literature, audiovisuals, and the educational programs implemented by volunteers in schools and workplaces, the March of Dimes continues to raise the consciousness of millions about individual responsibility for the health of babies today and tomorrow.

"The Miracle Worker" is Westbrook pick for UIL

"The Miracle Worker," a stirring dramatization of the real-life story of Helen Keller, will be Westbrook High School's entry for University Interscholastic League Spring One Act Play Contest.

Helen Keller, is, of course, blind and mute. Nobody knows what her ultimate fate might have been had she not providentially come under the care and tutelage of Annie Sullivan, the Irish girl who had been for herself, and who was reluctantly hired by the agonized parents of the unfortunate little girl.

The play is principally concerned with the emotional relationship between the lonely teacher and her blind charge.

Helen, trapped in her secret world, is bitter, violent, spoiled, and at first, almost animal-like. Only Annie realized that there is a mind waiting to be rescued from that dark, tortured silence. Annie's eventual success with Helen comes only after some of the most rubulent, violent, and emotional scenes ever presented.

Cast in the role of Helen Keller is Shanna Inman. Even though Shanna is a newcomer to the stage, she has a great deal of vitality and stamina that is needed to play such a role. Veteran Teresa Browne will portray Annie Sullivan, Helen's teacher and guide. Teresa will long be remembered in 1983's award winning performance of

Anne Boleyn in "The Six Wives of Henry VIII."

Joe Bass, a freshman at Westbrook High and a southerner at heart, is cast as James Keller, Helen's brother. Captain Keller, a straightforward and somewhat belligerent father, is played by Donald Burnett.

His counterpart and his confidant, Kate, is portrayed by Evon Bradshaw. Finally, Gayla Cook is cast as Viney, the maid-servant of the Keller Household.

"The Miracle Worker" will be presented in March as part of the Spring UIL meet. The contest will be hosted by Westbrook Schools.

Director of the production is Mr. Les Anderson, Speech and Drama teacher for Westbrook Schools.

Lemons stresses balanced meals

Joan Lemons was raised on a farm, so naturally she spent a lot of time in the kitchen.

She helped her mother and two sisters get meals ready for her father and two brothers.

"When my mother cooked, I would watch her. I cut up a lot of apples to put in pies. Mother would prepare the rest of the pie, so I learned after awhile there was more to making pies than just cutting up apples—like making a pie crust."

The hardest thing now that faces Mrs. Lemons about cooking is thinking about what to cook.

"I try to fix a balanced meal for my family. My boys are at the age when they need a nourishing meal. I've been real lucky, because my husband and boys will eat nearly anything—including almost all vegetables."

Mrs. Lemons is married to Bobby Lemons, who is the principal at Kelley Elementary School. They have two sons, Jerry and Jim, ages eight and 10.

She likes to fix sweets and is always trying out new recipes.

"I don't need to eat them and the boys don't eat sweets that much, so I send a lot of things to school with my husband."

Mrs. Lemons is sharing three of her recipes with RECORD readers. Jerry and Jim requested "Magic Marshmallow Crescent Puffs" because it is one of their favorites.

BIEROX

Prepare hot roll mix according to directions or use any bread dough recipe. While dough is rising, prepare the filling.

2½ pounds ground beef

1 large head of cabbage, shredded or chopped fine

1 large onion, chopped fine

Salt

Pepper to taste

Garlic powder to taste

Cheese, grated

In skillet, cook beef until it loses red color.

Drain well. Add part of the cabbage to browned meat and cook on low

until cabbage wilts. Continue adding cabbage a little at a time until all cabbage has been cooked. Add onion and seasonings. Simmer slowly until done.

Roll dough thin, and cut into 5-inch squares. Place one square of dough in open palm of left hand, stretching slightly as needed. Place about ¼ cup of meat and cabbage mixture in center of dough. Sprinkle cheese on top of meat and cabbage mixture. Fold ends over or pinch edges together, as for apple dumplings. Seal by pinching. Place on slightly greased cookie sheet or shallow pan, folded side down. Bake in 400-degree preheated oven until brown. Serve with mustard.

HOT PINEAPPLE SALAD

1 large can pineapple chunks (drained)

½ lb. grated cheddar cheese

½ cup sugar

¼ cup flour

½ cup pecans

1 small jar maraschino cherries

Heat flour, sugar and

pineapple juice until sugar is dissolved. Mix with other ingredients. Bake in casserole dish 45 minutes at 300 degrees. Serves six to eight.

MAGIC

MARSHMALLOW CRESCENT PUFFS

¼ cup sugar

1 teaspoon cinnamon

2 cans (8 oz. each) Pillsbury Refrigerated Crescent Dinner Rolls

16 large marshmallows

¼ cup butter or margarine, melted

¼ cup chopped nuts, if desired

Combine sugar with cinnamon. Separate crescent dough into 16 triangles. Dip a marshmallow in melted butter; roll in sugar-cinnamon mixture. Wrap a dough triangle around

each marshmallow, completely covering marshmallow and squeezing edges of dough tightly to seal. Dip in melted butter and place buttered-side down in deep muffin cups. Repeat with remaining marshmallows. (Place pan on foil or cookie sheet during baking to guard against spill over in oven.) Bake at 375 degrees for 10 to 15 minutes until golden brown. Immediately remove from pans and drizzle with glaze. Sprinkle with nuts.

GLAZE

½ cup powdered sugar

½ teaspoon vanilla

2 to 3 teaspoons milk

Combine powdered sugar and vanilla with enough milk until thin enough to drizzle.

Britton, Neff united in candlelight ceremony

Jana Jean Britton of Loraine and James Douglas Neff of Colorado City were united in marriage on Saturday, January 14 at 4 p.m. in the First Baptist Church of Loraine.

Officiating the candlelight ceremony was David McNary, pastor of the church.

Parents of the bride are Mr. and Mrs. Gene Britton of Loraine. The groom's parents are Ms. Hortense Neff of Colorado City and Mr. Keith Neff of Abilene.

Grandparents of the bride are Mrs. Edna Fowler of Colorado City and Mrs. Verna Britton of Dublin. The groom's grandparents are Mr. and Mrs. Lewis Claxton and Mr. Pat Neff of Colorado City.

The double ring vows were performed before a brass archway of candles. The arch was decorated with pink and

white roses, white statice, burgundy and pink carnations, spring rye, fern, burgundy and mauve bows and votive candles. On either side of the arch stood a brass plant stand containing Boston ferns.

Behind the arch were two seven-branch candelabra adorned with burgundy and pink carnations, white statice, spring rye, fern, burgundy and mauve bows and mauve candles. The choir banister, piano and organ ledge were decorated with spring rye and votive candles.

In front of the piano and organ stood a brass heart decorated with pink and burgundy carnations, statice, spring rye, fern, burgundy and mauve bows and mauve candles. Beside each of the hearts stood an arrangement of pink and white gladiolas, burgundy and pink carnations,

burgundy heather, fern and spring rye in a brass container.

The memory candy stood behind the arch and was decorated with pink and white roses, pink and burgundy carnations, statice, fern and spring rye.

Every other pew was decorated with hurricane candles, spring rye and burgundy and pink bows.

Before the ceremony began, organist Alta Miles played a selection of songs featuring "If," "Theme from Love Story" and "The Twelfth of Never." As the candles were lit she played "The Rose," "Endless Love" was played as the grandparents and parents entered. Soloist, Mark Cook sang "There is Love" and "The Lord's Prayer." As the memory candle was lit, Shelia Crenshaw played "Through the Eyes of Love."

Given in marriage by her father, the bride wore a Mori Lee designer gown of white satin that featured a scalloped neckline. The fitted bodice and dropped waistline of imported re-embroidered lace and seed pearls formed a "V" in the front of the gown.

The dress featured full leg-of-mutton sleeves which were adorned with re-embroidered lace and seed pearls and gently tapered to the wrist.

The full cathedral length train was also trimmed with re-embroidered lace appliques and seed pearls.

She also wore a fingertip length veil of imported silk illusion which was attached to a Juliet cap of white satin and was adorned with lace appliques and seed pearls identical to the gown.

The bride carried a bouquet of white and pink roses, heather, stephanotis, statice, baby's breath and English ivy. It was attached to a wedding Bible that belonged to her sister.

Something old was her sister's Bible and something new was her wedding attire. For something borrowed, she carried a lace handkerchief which belonged to her sister-in-law and something blue was her garter.

Serving as matron of honor was Carla Aston, sister of the bride from Abilene. She wore a mauve taffeta gown that featured a square neckline and bishop sleeves. She carried a bouquet of pink and burgundy carnations and stephanotis.

Maid of honor was Debbie Browne of Loraine. She wore a gown identical to the matron of honor in pink taffeta and carried a bouquet of pink and burgundy carnations.

Bridesmaids were Missy Neff, sister of the groom of Colorado City, Stephanie McAdams of San Angelo, Margie Oli-

ver and Margie Alvarez, both of Loraine.

They all wore dresses fashioned like the honor attendants and carried bouquets of pink carnations.

Flower girls were Wendy Thompson of Big Lake and Alicia Brantly of Midkiff, both cousins of the groom. They wore mauve taffeta dresses that featured puffed sleeves. Their hair was adorned with a ring of baby's breath.

The bride's mother wore a mauve floor length dress of chiffon and a corsage of white and pink roses. The groom's mother also wore a mauve floor length dress which featured a sheer jacket and a corsage of white and pink roses.

The groom wore a white tuxedo which featured an ascot tie and tails. He wore a boutonniere of white roses and stephanotis.

Serving as best man was Todd Neff, brother of the groom from San Angelo.

Groomsmen were Steve Shauwecker of Henderson, Russell Noel of Lubbock, Todd Shaw of Colorado City, Ty Roach of Lubbock and Tom Kelly of Colorado City.

They all wore plum tuxedos that featured ascot ties and wore boutonnières of pink roses.

Ring bearer was Mark Aston, nephew of the bride of Abilene.

Candlelighters were Todd and Scott Aston, nephews of the bride also from Abilene.

Serving as ushers were Quint Gilbert of Snyder and Rocky Thompson of Big Lake.

They all wore tuxedos identical to the grooms-men.

Following the ceremony, a reception was held in the church Fellowship Hall. A three-tiered cake decorated with pink roses and a fountain between the first and second layer was served from the bride's table. Roses, carnations and greenery adorned the top of the cake. A crystal candelabra and bride's bouquet served as the centerpiece. Frosted punch was served from a crystal punch bowl which was placed on a white lace tablecloth trimmed with flowers and greenery.

The groom's table was covered with a burgundy silk tablecloth. An arrangement of silk flowers in a wishing well served as the centerpiece. Banana-nut cake,

nuts and mints were served from silver platters. Coffee was served from a silver coffee urn.

Members of the houseparty attending the bride's table were Connie Shoemaker of Pecos, Sherri Uselton and Paige Hodges both of Lubbock.

Melissa Clifton and Susan Sanchez both of Loraine attended the groom's table.

Registering guests was Linda Neff, sister-in-law of the groom of Sonora.

The bride wore a mauve cordoroy pant suit, a gray silk blouse and gray accessories as her going-away outfit.

After a honeymoon trip to Ruidoso, NM, the couple reside in Colorado City.

Little Is Much When God Is In It

Have you ever wondered if your little acts of kindness meant anything? Well, rest assured, the scriptures tell us they do not go unnoticed!

Jesus tells us in Matthew 10:42; "And whoever in the name of a disciple gives to one of these little ones even a cup of cold water to drink, truly I say to you he shall not lose his reward."

God Almighty in heaven Himself sees our deeds of kindness, and He Himself records our every act of kindness! How comforting that is to all of us! Not that this should be our motivation to give, but rather out of the abundance of our blessings we should give to others!

Just think, we can literally become a well of God's love if we will accept the Philosophy of life, "it is more blessed to give than to receive."

Jesus had the habit of being a giver. This is a habit that you and I can develop as well. Make a good habit of giving, and your habit will make you feel good!

Wolves go 2-0 in district after win over Coahoma

By TONY FRANCO
Junior post Don Randle, who scored 10 points in the third period, ignited a 21 point second quarter for Colorado City as the Wolves held on for a 54-49 District 6AAA win over Coahoma.

The contest, played last Tuesday on the Bulldogs home court, was a "funny game," to put it in the words of head basketball coach Mike Hart.

"I thought we played poorly, but we got closer than we ever have to reaching the goals we set for every game," said Hart.

Misleading might be another word to describe the game.

Coahoma actually outscored the Pack in every quarter except the 21-7 second quarter for Colorado City.

That too deserves a closer look.

Colorado City played good defense, especially in the first half. While the defense was holding Coahoma to only ten points during the first quarter, turnovers were keeping the Wolves to only nine.

That was one goal of seven the Wolves didn't reach.

Behind Randle, who finished with a team high 16 points, and defense, the second quarter was all Colorado City.

Randle, who also collected a team high 12 rebounds said of his play, "It was determination. I wasn't starting and really wanted my position back."

"Overall, we played good, but in the second half we gave them too many points," said Randle.

"They're good shooters," said coach Hart of Coahoma's Phernetton and Swinney, who had been averaging some 23 points a ballgame for the Bulldogs.

The Colorado City defense held the two to 14 and 12 points respectively. Swinney, who scored all of his points in the second half, was one reason the Bulldogs outscored the Pack 12-10 in the third quarter and 20-14 in the last.

Another reason was Colorado City's shooting, the other goal the Wolves failed to reach.

For the second half, Colorado City made only eight of 22 field goal attempts. From the free throw line though, the Wolves shot an impressive 70 percent.

"I think we choked," said senior ball handler Dennis Rivera. "It wasn't pretty but we got the job done."

"We're going to have to play better and handle the pressure better against the better teams," added Rivera.

What held the threatening Bulldogs down was the combined play of the starters and players coming off the bench.

The defensive play was a team effort. Doug Chitsey, who scored six points in the last period when Coahoma was threatening, finished with 10 points.

D. Rivera and brothers Yardy and Jardy Powell scored eight points each.

Larry Hamilton and Ruben Rivera, who played limited hustling ball, scored two points each.

With the win the Pack stands at 2-0 in district play.

JUNIOR POST DON RANDLE powers his way for two points during the Wolves 54-49 District 6AAA win over the Coahoma Bulldogs last Tuesday night. Supporting Randle, who finished with a team high 16 points, are teammates Yardy Powell (10) and Dennis Rivera.

C-City JV teams split games with Coahoma

By TONY FRANCO
While the Colorado City varsities were making a sweep of their games at Coahoma last Tuesday, the junior varsity squads were splitting their two games.

The JV girls broke into the win column for the first time this year by beating Coahoma 41-33.

Priscilla Dawkins and Yolanda Lee led the Wolves with 13 and 12 points respectively.

Jody Huff scored a basket and a free throw and with a goal from both Cheryl Bentley and Sandra Williams, Colorado City took a 7-2 first quarter lead.

In the second quarter, Dawkins hit for five points, Huff four and Lee two as the Pack took an

18-12 halftime lead.

"It was close all the way," said coach Linda Mathis. "They all played good. I was real proud of them."

According to Mathis, Coahoma came out with a lot of pressure in the second half and caught Colorado City with two

minutes left in the third quarter. From there the lead went back and forth.

Dawkins and Lee scored four points each for Colorado City in the third quarter to stay close at 28-26.

In the final quarter the Wolves press was able to steal the ball and make baskets.

"They weren't intimidated," said coach Mathis, adding "That's when they held their composure."

Dawkins, the high point for Colorado City, said "I thought we played good. We worked for our shots. We played like a team and the whole team really wanted it. Coach Mathis gave us a lot of encourage-

ment." Jody Huff, a season long hustler for the lady Wolves, said "We got into it more the first half. Usually we don't until the third quarter. We scored and hustled more. We really wanted to win."

Scoring totals for the Pack were Huff nine points, Bentley four, Williams two and Diane Gregory one. Freshman Audelia Rivera got to play with the junior varsity.

The boys team outscored Coahoma in every quarter except the first but lost 62-52.

In the first quarter the Bulldogs jumped on the Wolves 24-4. Though the Pack fought back to cut the twenty point margin down to ten, they never fully recovered.

Leading scorer for the Wolves was Albert Rivera with 14 points.

Also scoring were Heath Blassingame and Wylie Dakan 10 points, Jimmy Thompson six, Chris Aguilon and Terry Jackson four and Kevin McLean and Paul Arellano two points.

Wolf girls win close one in Coahoma

By TONY FRANCO

Behind Laura Baum's 28 points and great team play, the Colorado City girls played three solid quarters of basketball to open up a big lead, but then had to rely on two missed free throws by Coahoma's Shanna Fowler to escape with a 56-54 District 6AAA victory.

At the Bulldogs court last Tuesday night Baum almost stole the show on a night that saw the Wolves come together as a team.

"It was a total team effort," said coach George Martin. "I feel that Sherri Morris and Traci Blackwell were the players of the game for their defensive pressure."

Yes, Morris, Blackwell and Baum did their thing, but so did the rest of the team.

Sherry Fite, the Wolves leading rebounder in district games, was once again the leading rebounder with 12.

"It was an exciting game and really nice to win," said Fite, a sophomore. "We concentrated a lot more and that helped."

Lynn Scott really took up the slack when they started keying on Laura," said Martin. Scott finished with 11 points, but more importantly dished out assists throughout the game.

Sophomore Denise "Sputnik" Jackson continued to do her share. Jackson, playing a strong game under the goal, finished with seven points and seven rebounds, besides blocking several Coahoma shots.

Junior post Julie Waid, the type of player that usually goes quietly unnoticed, had only one point, but finished second in rebounding with 11.

Senior Baum, who had 19 points in the first half alone and shot 67 percent from the floor, said "Everyone of us got after it. We may have beaten them, but we

have to look towards Ozona and the second half."

After playing superbly for three quarters, the Wolves almost had victory stolen right from under them.

"I knew we couldn't keep a lead because of foul trouble," said coach Martin. "We've only had one game where we didn't have foul trouble."

Coahoma's Shanna and Rhonda Fowler almost pulled it off. After

being held to no points in the first half the two exploded four 23 second half points.

Shanna, a freshman, had 10 in the fourth quarter alone, and had a chance to send the game into overtime. After being fouled by Colorado City's Sonja Mercer with one second left, Shanna missed two free throws with no time on the clock.

Other scoring totals for Colorado City, which shot an impressive 52 percent from the floor, were Fite five and Morris and Blackwell two each.

The girls would like to thank Ronnie Feaster, Bruce Evans, Mr. and Mrs. Mac Morris and Vicki Weaver for the signs placed in their yards.

Colorado City is now 1-3 in the first half of district play.

Loraine puts bite on Ira Bulldogs, 89-50

By TONY FRANCO

The Loraine Bulldogs, behind an offensive outpouring headed by Ruben Garcia's 25 points, whalloped Ira 89-50 and moved within one victory of the District 12-A first half title.

At the end of the third quarter the score stood at 70-36 and from there the reserves put the game away.

Garcia scored 17 points in the third quarter along before coach Jack Petty called his "Dogs off."

"I told him to start driving and he did," said Petty of Garcia.

With the win the Bulldogs upped their district record to 3-0. Loraine

was to have played Hermligh Friday night and then take on Westbrook Tuesday night. A win in either of those games and the first half title belongs to Loraine.

As for the game against Ira, coach Petty said "It got real rough, but we held our own."

The Bulldogs held an 18-14 lead after the first quarter then stretched it to 38-24 at halftime before their 32 point third quarter.

Senior James Griffin, Loraine's leading scorer, added 22 points of his own against the Bulldogs from Ira.

Loraine dominated every aspect of the game. The Bulldogs collected a total of 55 rebounds. Aundra Rose, Loraine's leading rebounder, finished with a team high 18.

Griffin had five of the team's 24 total steals. Not only did Loraine shoot a lot, but they also shot well. The Bulldogs shot 46 percent from the floor and 50 percent from the free throw line.

Also in double figures for Loraine was Tracy Rose with 12 points. For the Ira Bulldogs, Clark and Forbes had 18

and 10 points respectively.

Scoring totals for Loraine were A. Rose nine points, Landy Smith six, Tony Morris, Ricky Banks and Freddie Benitez four, Tommy Munoz two and Charles McPeters one.

In the girls game, Leslie Rose made 25 points and collected 16 rebounds to lead the lady Bulldogs to a 54-28 victory.

With the win, Loraine raised its District 12-A first half record to 1-2.

The Bulldogs collected a total of 53 rebounds. Sheila Darnell added 13 of her own with Julie Wells collecting seven and Adelina Vasquez four.

The score could have been much worse but Loraine didn't shoot all that well.

The Bulldogs made only two of 18 free throws and shot 34 percent from the floor.

Also scoring for Loraine were Janie Barrera, Wells and Darnell six points, Tenci DeLoera five and Beverly Griffin, A. D. Vasquez and JoAnn Barrera two points.

For Ira, A. Juarez had 10 points.

In case you haven't heard, the first Friday of each month at 7 p.m., the Mitchell County Band comes and plays for us. Everyone is welcome to come and enjoy the music and fellowship and share in the refreshments. We've even been known to move the tables out and do a little two-stepping.

The members in the band are: Clayton McCartney, guitar; Gib Harmon, guitar; Hoyt Roberts, fiddle; Cody Hayes, fiddle; Roy Neal, fiddle; "Rain-bow" Urrsery, guitar and fiddle; Cliff Cox, fiddle, horn, guitar; Jack Kitchen, singing and guitar; Jake Leach, singing and guitar; Herman Richburg, banjo; Sophie Oliver, piano; Maggie Hamrick piano and Lula Leach, piano.

We certainly do enjoy having each and every one of them.

This month we had several visitors and we certainly do want to thank you all for coming and invite you back at any opportunity. Also, a special thanks goes to Zena Gentry for all her help.

Our monthly birthday party was held Friday, January 20. Many thanks to Mrs. Alvie Faulkenberry for playing the piano on these occasions.

Two weeks ago some of the boys went to the Country Corner for coffee and doughnuts. Those participating with me in the outing were Thomas Guzman, Alvin McCall and Marshall Blanton.

The movie this week was "Oh God," featuring George Burns and John Denver.

Here's something that should be a big smash. We are anxious to visit with anyone who would be interested in adopting a grandparent or doing some other kind of volunteer work. To start the ball rolling, there will be a meeting at 1

p.m., Thursday, January 26 here at the Manor. Refreshments will be served. If you would like to participate but are unable to attend the meeting, please feel free to call me at 728-5247, anytime between 9 a.m. and 3:30 p.m. Monday through Friday. We're looking forward to meeting you.

Thought: Love isn't love till you give it away.

Freshman boys, girls lose big to Coahoma Bulldogs

By TONY FRANCO

Against Coahoma last Thursday the freshman boys and girls proved that two players can and cannot carry a whole team.

The can were Coahoma's Parker and King in the boys game

and the cannot were Colorado City's Kelly Beights and Holly Tarter in the girls game.

Parker and King rebounded and scored virtually everything for Coahoma to down the freshmen boys 35-26.

Turnovers and missed

free throws on the part of the Wolves allowed Coahoma to take a 9-4 first quarter lead.

At the start of the second quarter, Parker and King combined for 10 straight points before Colorado City, behind David Birmingham and

Larry Mayes, answered back with nine straight points of its own.

Birmingham played a great game for the Wolves, both rebounding and finishing with a team high eight points.

For the rest of the game, Colorado City's efforts could not overcome Parker and King.

In the girls game, Beights and Tarter almost pulled it off for Colorado City.

Kelly and Holly both scored eight points, but Colorado City fell just short 27-20.

Except for turnovers the Wolves played a solid first quarter to take a 9-6 lead.

In the quarter, Tarter scored five points and Carmen Reyes and Mary Salazar scored two.

The rest of the game was Beights and Tarter against Coahoma and Wolf turnovers.

It almost worked as Coahoma led only by 22-20 after three quarters. In the final quarter though, Colorado City failed to score at all.

Obituaries

Eula Wallace Harris, 90, a former resident of Greenville, died at 3:40 a.m., Wednesday, January 18 at Roscoe Nursing Home.

Services will be held at 1 p.m. Tuesday, January 24 in Greenville in the Carver School auditorium. Bishop Caesar D. Coleman of Dallas, who is Bishop of the 8th Episcopal District of the Christian Methodist Episcopal Church, will officiate. Burial will be Thursday, January 26 at 2:30 p.m. in the Wallace Family cemetery located three miles southeast of Lorraine.

Born March 23, 1893 in Colorado City, she was the daughter of Mr. and Mrs. D. W. (80 John) Wallace, a pioneer Negro couple who lived in Mitchell County for more than six decades. "80 John", who was born of slave parents in 1860 at Inez in Victory County, came to West Texas as a trail hand in 1876 and began working for Sam Gholson, a veteran cowman and Indian fighter in the Buffalo Gap area. Wallace accompanied the first herd of cattle driven by John Nunn's NUN outfit into Scurry County in 1877. Shortly afterwards, he began working for Clay Mann's 80 Ranch, which had headquarters southeast of Colorado City in Mitchell County.

Since Mann, at one time during the 1880s, had ranches in Texas, New Mexico, Wyoming and Chihuahua, Mexico, Wallace had the opportunity to see and experience every phase of open range cow work. He was involved in skirmishes with Indians in Texas and Old Mexico. His trail driving experiences included service on the Chisolm, Goodnight-Loving, Western, and Cut-Off trails. Later he acquired ranch holdings in Mitchell and Nolan Counties. When he died in 1939, he bore the distinction of being the oldest Mitchell County resident in the point of years spent in the county.

She married Thaddeus P. Fowler, Sr. of Neylandville (Hunt County) on July 8, 1914 in Colorado City. Before his death on November 23, 1918, they lived at Neylandville and Greenville. In September, 1925, she married M. W. Harris in Longview. He died November 23, 1967 in Greenville.

She received her early education in the public schools of Colorado City, and her high school diploma and Bachelor of Arts degree from Texas College. She finished her teacher training course at Prairie View University and received a diploma in Home Economics from the same school. She studied creative writing at Wiley College and attended the University of Colorado. After receiving a diploma in Missionary Education at Gammon Theological Seminary in Atlanta, Georgia, she earned a Master of Arts degree at Northwestern University.

Her public school teaching career included service in the Colorado City and Cuthbert school districts in Mitchell County; Long Branch in Panola County; Timpson, Shelby County and the St. Paul (Neylandville), Lone Oak and Greenville school districts in Hunt County.

After leaving the public school system of Texas, she devoted herself to church work. She taught Religious Education at Texas College and at Lane College in Jackson, Tennessee, and also taught in many religious leadership training seminars and workshops. In 1933, she was accredited as a teacher by the Methodist Episcopal Church, South.

In the first cooperative project between the Women's Missionary Council and the Board of Christian Education of the Christian Methodist Episcopal (CME) Church, she was the connecting link, serving as Director of Children's Work, as a member of the Board of Christian Education, and as Secretary of Missionary Education for the Council. At one time, she was the writer of the Primary Quarterly of the C.M.E. Church.

She served as the first editor of the Missionary Messenger, and as vice-president and president of the Council. She was President Emeritus of the Council at the time of her death. She also served as local, district, and annual conference president of the Central Texas Conference Missionary Society.

She was a member of the Trustee Board of Texas College, the Greenville Council of Church Women, and the Alpha Kappa Alpha Sorority. She held Life Memberships in the United Church Women of Texas, the National Association of Colored Women's Clubs, Inc., and the National Council of Negro Women, Inc.

In 1951, she was a delegate to the World Methodist Conference which convened in Oxford, England. She was a member of the 1954 General Conference Resolutions Committee which recommended that the racial designation be removed from the name of the C.M.E. Church. Since January 19, 1956, the date the name was officially changed from "Colored Methodist Episcopal Church" to "Christian Methodist Episcopal Church," no person has been excluded from membership and participation in the C.M.E. Church because of race, color or national origin. She was co-author of a book on the history of the C.M.E. Church.

The honorary degree of Doctor of Letters was conferred on her by Lane College in 1955. When President Dwight D. Eisenhower invited her to a White House Conference in 1960, a broken ankle prevented her from attending. In 1966, the Greenville Council of Church Women honored her with a gra-

teful tribute in the form of a certificate of appreciation.

In 1968, the Texas Council of Churches presented her a certificate of appreciation which stated that "Her life has been an adventure in pioneering for the Church and all ages and conditions of her fellow man."

At various times she served on the Texas Interracial Commission and the Greenville Library Board. She was also involved in Day Care projects. Before her health began to decline, she was for many years a tireless worker in the Hunt County Democratic Women's Club and the Hunt County United Way organization. A long time member of Carter Temple Christian Methodist Episcopal Church in Greenville, she attended 14 General Conferences, including ten as a delegate.

Survivors include one son, Thaddeus P. Fowler, Jr.; one sister, Mrs. Hettie Wallace Branch of Lorraine; one grandson; two great-granddaughters; three nieces and three nephews.

J. J. Mahan, 92, a retired farmer from DeLeon, formerly of Colorado City, died at 6 a.m. Wednesday at his home.

Services were at 3 p.m. Friday at the Colorado City Church of Christ.

Gary Dennis, minister officiated. Burial was at Colorado City Cemetery, directed by Nowlin Funeral Home of DeLeon.

Born September 18, 1891 in Desdemona, he married Mary Kenny in 1910. She died in 1972. A DeLeon resident for the past eight years, he moved here from Colorado City. He was a member of the De Leon Church of Christ.

Four brothers and two sisters also preceded him in death.

Survivors include three sons, Weldon of Colorado City, Odus of Hugo, Okla., and J. D. of Houston; two daughters, Onie Sullivan of Houston and Kathrine Swanson of Midland; a sister, Martha Knoles of Idalou; 17 grandchildren and several great and great-great-grandchildren.

Music Society hears talk on religious music

The VIM (Very Important Music) Society met recently in Lorraine amidst a winter setting as noted by those attending.

Joy Culwell contributed her thoughts on Religious music in the home. She said that "music has always calmed the soul."

With that thought in mind she said, "her soul needs calming regularly and she has a large collection of religious music on records and tapes in her home."

When she is blue or lonely there is no faster antidote than a big dose of music. In Bible days they played the harp.

She related she "didn't know how but thanks to the miracle of modern day tapes and records, she can play the great hymns and gospel songs she loves so much." She continued "the Devil has a hard time keeping her discouraged if she can get to her stereo. She has been known to start out singing with a record with tears in her eyes and end up the

song feeling fine, especially Ethel Waters', "His Eye is on the Sparrow!"

Marsha Rickard commented that artistic medicine can help heal the soul, restoring inner harmony when a negative mood strikes.

E. M. Burleson said that singing a song or playing an instrument can help lift our spirits and brighten dull moments.

Berta Fuller explained that edifying music affects our feelings and influences our thoughts. Because of this power

the kind of music we choose to hear makes a difference.

Hope Rowell Gregory closed the program with her piano interpretation of "The Heavens Are Telling" by Franz Joseph Haydn from the oratorio "The Creation."

Officers and associate members of the club are B. D. Miles, Ms. Kuncicky, B. N. Gross, R. Preston, Ann Gregory, Joy Culwell, Marsha Rickard, Ricki Linebaugh, Berta Fuller, E. M. Burleson and E. D. Bond.

Insurance Tips from Randy Phillips & Associates

INSURANCE TO VALUE ON YOUR HOME.

Have you ever wondered why your insurance agent wants to increase the amount on your property insurance each year? Have you ever heard the expression 80% to replacement or depreciation?

It is a fact that if you do not carry adequate insurance on your home (80% to replacement) you could be subject to depreciation in case of a loss.
