

WHETHER YOU cut it down yourself, purchase it from a lot, or buy it in a box, a Christmas tree is an important symbol for the celebration. Although in West Texas it isn't easy to find a Christmas tree to cut down, Pat Denson (left) of Colorado City was able to find an appropriate cedar tree. Sales for live Christmas trees were reported by local businesses to be good this year, while the use of artificial trees continue to grow in popularity each year.

Clear Weather Hurries Harvest

Area Gins Report 26,144 Bales

The cotton harvest in Mitchell County should be completed within a month if clear weather holds out, according to area cotton officials.

Don Stewart, executive director of the Agricultural Stabilization Conservation Service, noted that completion of the harvest will depend strictly upon the weather.

"We need sunny, warm weather with no wind," said Stewart, adding that he expected the ginning would be completed by Jan. 15.

Stewart said that thus far, the harvest has been excellent and the ginning is going well. Because there has been little moisture, the weather has been good for stripping the fields.

Van Mills, Soil Conservation Service director, said he expected the harvest and ginning to be finished by Jan. 10 while David Marion, Farmers Home Administration supervisor said that most farmers should be through by the end of January.

Bob Benson, Mitchell County extension agent, said that with 15 or 20 more days of good stripping weather, farmers can complete the crop for this year.

Benson added that the harvest is about 65 per cent complete now.

In the summer and early fall, the general opinion in Mitchell County seemed to be that the cotton crop would not be too promising this year.

However, the picture has begun to brighten amd despite the drought during the summer, cotton officials noted that the county should produce over 30,000 bales of high quality cotton.

Stewart said that during the Mitchell County Farm Tour, the average bale guess was about 25,000. Now he speculates that the county will produce between 35,000 and 40,000 bales.

A warm fall, no insects and a late frost are factors which Stewart said contribute to the "better than expected" cotton yield.

"Usually we lose a lot of cotton to insects, but not this year," Stewart said.

Mills said he also expected the county to make between 35,000 and 40,000 bales. He attributed the good crop to a late growing season, late summer rains and dry weather to keep the boll weevils away.

Estimating that the county would produce 40,001 bales, Marion said that the situation was much better than most people had originally thought it was. He noted that the good weather the county has experienced for the past month has been especially helpful.

Regarding the price for cotton this year, it is higher than last year but some doubt that it will hold.

Bobby Lemons, vice president at City National Bank, said that the price was about 2c higher per pound three weeks ago and that it would probably continue to drop slightly.

"The world supply situation is such that it won't get better," said Lemons concerning the price. He noted that the cotton is selling for about 57.5c per pound in comparison to about 40c per pound last year.

"The price this year has helped take care of some of the short crop," Lemons said.

Marion said that the cotton price was surprising him because he didn't think it would hold up this long.

"I've got my doubts that it will hold," Marion added.

Besides the price for cotton being relatively higher than what was expected by some, it is also of a good grade.

"From what I've seen so far, it's better than average," said Marion about the quality of this year's cotton. "We have a better quality, there's a greater demand and it's commanding a higher price in the market."

Gin officials agreed that the cotton which had been ginned was of a good grade.

As of late Tuesday, the bale count from Mitchell County gins was 26,144 with 24,375 bales from Mitchell County fields.

Gins reported that there were 20,967 bales ginned (with 1,973 from county fields) and 5,177 bales on the yard (with 4,802 from county fields).

Area gins reported the following counts:

–Buford Co-op Gin, 1,300 ginned and 1,000 on the yard.

–China Grove Co-op, 2,788 ginned with 1,394 bales from Mitchell County fields and 750 on the yard with 375 of those bales from Mitchell County.

–Colorado Gin, 1,120 ginned with 275 on the yard.

–Farmers Gin, 2,320 ginned with 80 on the yard.

–Mitchell County Gin, 2,600 ginned with 150 on the yard.

–Loraine Co-op, 4,426 ginned with 1,872 on the yard.

–Westbrook Gin, 2,196 ginned with 50 on the yard.

–Producers Co-op, 4,217 ginned with 1,000 on the yard.

Some of the gins are now operating around the clock while others are running extended hours. However, most of the gins reported that they would be closed Christmas Day.

McWhorter To Attend Academy

Colorado City Police Chief Fred McWhorter will leave for the FBI Academy at Quantico, Va., the first of the year as had been previously planned.

The above was the final decision handed down by the city council at a special called session Tuesday night.

There were questions that had to be answered however, before McWhorter again received approval to take the three months leave required for the course.

The first question was, can the city in its present financial condition afford to let McWhorter go, since the initial understanding was that his salary would be paid while he was away?

Secondly, was whether the police force could operate effectively another man short during the three month period.

At the outset of the meeting Mayor Marion Bassham made her position clear about the matter, stating that "I have always wanted to see McWhorter have the opportunity to go to this academy but I hadn't anticipated our financial problems and our shortage on the police force."

The possible manpower shortage on the force had been brought up at the Dec. 11 council meeting. At that time, McWhorter stated that the salaries of two of his officers were being paid by funds through a Title VI CETA

McDonald Child In Critical Condition

Kelley Dianne McDonald, the sole survivor of a plane crash near Texarkana, Ark., was listed in critical condition Wednesday at a Shreveport, La., hospital.

According to a hospital report, Kelley, 3, has a broken leg, is severely bruised, has pneumonia, is paralyzed from the waist down and her pelvis is broken in three places.

A spokesperson for the hospital said that she is showing signs of improvement and has gained consciousness. It was reported that if she continues to improve, she will be transferred to a Midland hospital.

A fund has been established at City National Bank for Kelley.

Farmers Lend A Hand

A group of farmers took a break from stripping cotton in their own fields last week to harvest cotton from fields of the Alvie Ennis family.

Producer's Co-op Gin was able to gin the cotton from the fourth section of land in one day.

Alvie Ennis died Dec. 16 at his home after a sudden illness.

Those who assisted in stripping and hauling the cotton to the gin were Travis Turner, Melvin Gale, Richard Gale, Grady Mitchell, Herman Mitchell, Alton Raschke and Heston Redwine.

Others joining in the work were Warren Anderson, Woody Anderson, A. M. Holman, Gary Ritchey, Mack Ritchey and Ross Seay.

Town Talk

By MAC McKINNON

There has been some discussion in recent days about panic due to the city's current financial plight.

I can see no reason for panic. There is need for concern and that is the attitude at city hall, from the city council and Acting City Manager Brenda Tarter.

Mrs. Tarter along with council members are diligently searching for ways to cut expenditures. The city has wanted the public to know this and understand so as to prevent rumors and to let everyone know what is happening.

This is the way it should be done. There have been no attempts to sensationalize the situation. The whole matter has been handled with a very business like attitude, much to Mrs. Tarter's credit.

Mrs. Tarter said that with very strict controls on spending, the city will have the situation under control by the end of this fiscal year, April 30.

I believe Mrs. Tarter knows what she is doing and we should support her in her efforts. I believe most people can sympathize with the city in this day of inflation as it is difficult to keep the family budget under control much less a budget of some $634,000.

A lot of people have asked me what happened. There isn't any one thing you can point your finger at and say that was the cause. The biggest contributing factor is inflation. Just to keep the city going in routine matters is a very expensive proposition.

The city council has for years struggled to help improve Colorado City as much as possible by making improvements and offering more services.

In order to do this, the budget has been squeezed until inflation finally pushed the city's finances into the red. Placing blame won't solve anything.

The most important thing is that the situation has been diagnosed and is being solved. Colorado City is far from unique in this situation as many cities operate in the red for most of their year. An important point to remember is that our city can and will solve this problem while other cities let their situation get completely out of hand.

I've heard joking about the city cutting out little

MIDDLE SCHOOL CHATTER

The newspaper staff of CMS wishes you a Merry Christmas and a Happy New Year! We are all looking forward to the holidays and hope that yours will be exceptionally joyful, too.

We would also like to clarify a statement printed in last week's Chatter. There is an attendance contest going on between classes at CMS. The class that has the most people attending school for a six week period will be regognized in some way. However, their recognition will not be in the form of a free day or coke party. There will be an award of some kind, though.

We apologize for this mistake.

Last Thursday and Friday were what you could call "non-school" days for some of the eighth grade Middle School students.

Many of the eighth grade boy's and girl's basketball athletes went to tournaments. So, there were lots of students absent from class. Mainly, the students left at school worked on door decorations for their second period classes. The doors of Middle School make quite an impression on the Christmas spirit.

The Stanton tournament turned out great for the eighth grade Wolves. In the first game, the Wolves played Coahoma. The Wolves won by nine points. Stacey Tarter was high point with 10 points and Tom Rees had 9 points.

Then, in the second game, the Wolves took on Stanton to decide who went to the championship. We weren't about to get beat. The Wolves won again by nine points. Rodney Blankenship was high pointer with 14 points and Tom Rees and Stacey Tarter put 10 points each on the score board.

The champions were to be decided on Saturday night and the Wolves were not going to take second place. We were going to be first place champions and that is what the scoreboard said at the end of the championship game. Rodney Blankenship was high point again with 14 points. Tom Rees was next with 12 points and Stacey Tarter chalked up 10.

The Wolves were the champions of the tournament by beating Crane. In fact, all three games were won by 9 points! The Wolves came back to Colorado City with the championship trophy and a 7-0 record.

The last time the eighth grade won a championship was in 1975, but the 1978 team ended the streak by winning this Stanton tournament.

In the past few weeks in girl's P.E., Mrs. Mathis has been teaching us about basketball. We have learned about different techniques like lay-ups and chest throws. We have had relays with teams and contests like whichever team gets the most points in 5 minutes wins. Now, we are dividing into teams and playing real basketball games.

Winning third was Mrs. Denson's room. The door said, "Merry Christmas" and the picture had people praying and dove carrying some holly.

Winning the secular decoration was Coach Robinson with a door showing people skating around and horses carrying people The sign read, "Merry Christmas and Happy New Year."

Second place went to Mrs. Patillo's room. The sign read "Merry Christmas" and the door was decorated with a tree with different shapes and colors on it.

The thrid place winner was Mrs. Brown room having a snowman, doves and presents on the door. "Winter Wonderland" was written on the door.

The doors were judged by Mr. Walla, high school art teacher. he judged them on Monday.

On Wednesday afternoon, December 20th, Mrs. Vest's sixth and seventh period Speech classes did a Christmas program. The title of the program was "What is Christmass–Love."

Scene one involved a reporter asking shoppers on a busy street what Christmas meant to them. We got still another idea of Christmas as scene two showed what Christmas meant in the home of the Gibens family. The speech classes brought the program to a close with a candlelight ceremony.

A Child Is Born

Rev. Fred Witta
Pastor
First Methodist Church
Loraine

The Three Wise Men asked of King Herod, "Where is the newborn King of the Jews? For we have seen his star in the far off eastern lands, and have come to worship him." (Matt. 2:2)

Quite naturally, the three Wise Men, men of noble birth, would go to the royal palace to give homeage to a new-born king. But to their amazement the king himself seemed ignorant of what had happened in his very kingdom, and questioned them.

What the minds of men cannot fathom, Gods Acts. Who would then, and who would now, expect a great king to be born in a small insignificant town and of all places a stable. But it happened and the world has not been the same since.

God could have had Jesus born any place and could have had the whole world knowledgeable of it. But God choose to do it differently. Only a few people knew something out of the ordinary had happened and it appears that God apparently wanted the life of Jesus to be the herald of his son's Kingship, and his subjects to worship him out of belief and faith, not out of imposed loyalty.

Kings born in palaces amid the pomp and ceremony of wealth and power have come and gone and have been forgotten. But not so with Jesus the Christ who was born of a lowly virgin in a stable in Bethlehem, whose birthday we celebrate Monday–Praise God and from the members of the Mitchell County Ministerial Alliance–God bless and Merry Christmas.

Letter To The Editor

Dear Editor,

In the past there have been questions about our operations and funding sources. Since the article in the paper, December 14, 1978 about "Council Is Split," we have had questions and criticism. The Kindercare Center, Childcare of Mitchell County, would like to take this opportunity, to clarify a statement that was made in the Colorado City Record at that time.

During a City Council meeting the article stated that the Kindercare Center was an expense to the city, $2,100 quarterly out of the revenue sharing account. This was not explained or clarified.

The childcare facility is in a Title XX Contract with the Texas Department of Human Resources to provide childcare for 60 children. Forty of these children coming from families of low income. The other 10 children from families of middle class and upper incomes. Childcare fees are based on a set percentage of monthly gross income for the family.

In order to obtain a contract for these social services, matching monies of 30 per cent must be met. This money comes from Fund Raising events and Mitchell County. The State reimburses us 66 per cent of monthly expenses on the low income children. The thirty per cent (match money) is sent to the Department on a monthly basis thru out the contract year, based on the amount of children served monthly.

We (Kindercare) pay the city $700.00 monthly, for rent of the building. We pay all of our utilities, with the exception of water, and we pay for all maintenance, insurance premiums, and repairs on the building. The $700.00 that we pay the city goes into the city's general fund, they in turn give us a $700.00 check out of the Revenue Sharing Account. (Provisions of Public Law 94-488 that made monies available for non federal share, of Title XX contracts for Social and Rehabilitation Services. The State and local Fiscal amendment of 1976.)

We do not deposit this check in our account at any time. It is taken directly to the county auditor's office and signed over to the county. The county auditor then writes a check to The Texas State Department of Human Resources in Austin, Texas.

I would also like to state that our facilities have paid out $70,000.00 in salaries alone, during the past year. The personel are all from Colorado City, so most of these monies go back into the cash flow of our town. At the same time it helps 40 families to become self supporting, by providing childcare, an enabling them to work and seek a higher living standard.

Thank you for giving me this opportunity to explain our operations and fund sources. I hope that the people of Colorado City will see that the Childcare Center is an asset to our community, and that we are in no way a burden of debt to our city.

Thank you,
Ann Gregory, Director

Sorority Discusses Renovating Park

The Christmas spirit permeated the atmosphere during the regular meeting of the Texas Alpha Sigma Iota Chapter of Beta Sigma Phi. President Carolynn Godsey called the meeting to roder and members stood and recited the Opening Ritual.

Recording Secretary Rosanne Jameson called roll and read the minutes from the previous meeting which were approved as read. Toni Raesener, Corresponding Secretary, reported official communications and Treasurer Anna Lee Dillard gave the sorority's balance and expenditures.

Vice president Patrice McKinney reported on the pledge meetings in November and stated that she would not meet with the pledges during December. Mrs. McKinney also gave a publicity report and passed out Phi Notes printed by the City Council of the Beta Sigma Phi Chapters in Sweetwater and Colorado City.

Mrs. Godsey then requested committee reports from chairpersons. Anna Lee Dillard, chairperson of the service committee, is to begin preparations and planning for a work day on which community members will be encouraged to assist sorority members in renovating Ruddick Park.

Social chairperson Judy Bennett once again reminded members of the Christmas Social to be at the Country Club on December 15. The meeting was adjourned; members stood and recited the Closing Ritual.

Donna Clark, hostess for the evening, also presented the program entitled "careers." Each member was requested to comment about her present career, her present career as compared with her previous career goals and what her future career goals are and what is necessary in order to attain those goals. The answers proved enlightening; for example, Karen Rose aspires to be a writer like her grandmother who actually published poetry.

Rita Latimer's response was thought-provoking; she desires her behavior to assume more Christ-like qualities. The group was very well entertained when Sean Wright explained why she desired to win the Academy Award for Best Actress. In fact, Sean's explanation was quite an award-winning performance! After the discussion, members opened gifts from their Secret Sisters.

Hostess Donna Clark and co-hostess Becky Helms served refreshments appropriate to the Christmas season to the following members: Carolynn Godsey, Sandy Schaffer, Rita Latimer, Toni Raesener, Karen Rose, Nancy Baumann, Patrice McKinney, Rosanne Jameson, Anna Lee Dillard, Judy Bennett and Sean Wright.

it's Christmas!

May that very Merry Christmas feeling fill your home from floor to ceiling! Warm wishes and thanks.

Coach Mel Gierhart's junior varsity Wolves basketball squad eased past two opponents in the Coahoma tournament last weekend and possibly would have made it past a third and brought home a first place win if they hadn't run into foul troubles in the championship contest. As it turned out, they had to settle for the second place trophy.

The Wolves breezed past Snyder, 44-34 in their first round encounter as Charles Jackson poured through 16 points.

In addition to Jackson's high point figures, Colorado City had an evenly balanced scoring attack in the game. Russell Noel, Charles Edwards and Jay Green had eight points each.

Colorado City trailed 9-8 after the first quarter, but pulled into a 20-20 tie at halftime. The Wolves eased ahead to a six point, 34-28 bulge after the third period buzzer before taking the final 10 point margin.

Colorado City's second round contest was a cliff hanger all the way. Clay Hammond scored one of his three baskets at the very end of the fourth quarter to tie the contest up at 47-47 and that was the way it ended at the end of regulation time. Hammond also came through with another basket in the overtime period to help give the Wolves a 51-50 win.

Jackson again led Coach Gierhart's squad with 21 points and Noel had 8.

The contest was tied 11-11 after the first quarter and the Wolves led 29-23 at halftime. The third period score was 41-34.

Crane finally dropped the Wolves by a score of 60-49 in the championship game which was much closer than the score indicated. At the end of the third period Colorado City led 35-33 but had three men foul out in the fatal final quarter.

Doug Johnson led Colorado City with 18 points, Jay Green had eight and Ken Baker and Mark Carter had six each.

Colorado City trailed 16-12 after the first period and was also behind 26-25 at the halftime buzzer.

Doug Johnson made the all-tournament team for the Wolves.

Coach Linda Mathis eighth grade girls basketball squad raced past Coahoma Monday night for their initial victory of the season.

Della Ausbie led the eighth graders with 12 points in their 28-11 win.

Tamika Randle also had six points.

Colorado City led 20-2 at halftime.

Colorado City's seventhe grade girls fell to Coahoma by a score of 26-10 Monday night. Patricia Martinez had six points for the seventh graders.

* * *

Colorado City Coach Raymond Zamarippa's eighth grade boys basketball squad had a good weekend in Stanton as they easily outclassed the opposition in the junior high tournament there and came home with the first place trophy.

Actually the eighth graders had been divided into "A" and "B" teams and it was the "A" team that brought home the trophy.

In the Wolves first round contest they took to the court against bitter rival, Coahoma and, led by Stacey Tarter's 10 points, swept past the Bulldogs, 32-23. Tom Rees chipped in with nine points in the contest.

Colorado City trailed 6-2 after the first period and was also behind, 13-10 at halftime. They came storming back however to take a 20-17 third quarter lead and held a nine point bulge at the final buzzer.

Rod Blankenship pushed through 14 points in the Wolves second round game against host, Stanton Friday and Colorado City eased past the Buffaloes 38-29.

Blankenship was closely followed in the scoring column by Rees with 12 points and Stacey Tarter with 10.

Colorado City led 8-4 after the first quarter and fell behind 16-12 at halftime. Coach Zamarippa's squad had a good third quarter however and assumed a commanding 30-16 lead at the end of the that period.

The win over Stanton pushed the Wolves into the the championship match against Crane.

Blankenship once more led Colorado City with 14 points against the Golden Cranes and the Wolves took another nine point contest, 37-28.

Rees and Stacey Tarter contributed eight points apiece.

Colorado City led after every quarter, taking a 6-4 lead after the first, 14-13 at halftime and 26-18 after the third period buzzer.

The first place win at Stanton was a satisfying victory for the Wolves because they had finished second as seventh graders in last year's tourney.

The Colorado City "B" eighth graders lost their two contests in the tournament.

McCamey defeated the Wolves, 28-14 in the first round, Tim Beights had six points.

The loss put Colorado City into the consolation bracket where they lost to Midland Christian, 40-29. Gerry Hamilton had 14 points for the Wolves in that game.

* * *

Loraine's high school boys and girls teams also played in the Robert Lee tourney over the weekend and both squads were defeated twice.

Coach Ken Lightfoot's girls lost their first round game to Wall, 77-36 and their second contest to Sterling City, 34-33. Linda Moreno had 15 points in the first game and 14 in the second.

* * *

Colorado City's eighth grade girls basketball squad divided into two teams and played in the Stanton Tournament last Thursday and Friday.

Coach Linda Mathis' "B" squad also dropped both their contests in the tourney. In the first round they were defeated 50-9 by McCamey with Melissa Wright scoring five points for Colorado City. The second game ended in a 46-7 loss to Crane. Miss Wright had seven points in that game.

* * *

Coach Raymond Zamarippa's eighth grade Wolves basketball squad ran their season's mark to 8-0 Monday night with a devastating 54-20 win over Coahoma.

Gerry Hamilton led the Wolves with 14 points and was followed by Stacey Tarter with eight and Tom Rees with six.

Colorado City almost completely blanked the Bulldogs in the first half of the contest as they led 18-0 after the first period and 28-2 at halftime.

The third period score was 40-16.

Jardy Powell had eight points Monday night in leading Colorado City's seventh grade boys basketball team to a 28-12 win over Coahoma.

Coach Bill May's squad led 15-2 at the end of the first quarter, 30-6 at halftime and 41-9 after the third quarter.

Roger Cantu canned 17 points to pace Westbrook's junior high boys basketball team Monday night but it wasn't enough as they fell to Roby, 37-25.

The Wildcats trailed 12-7 after the first period, 20-10 at halftime and 26-19 at the end of the third quarter buzzer.

* * *

The Bulldog junior varsity boys had an easy time in their contest as they walked off the court with a 31 point, 69-38 decision after the final buzzer.

Clarence Darnell led Loraine with 23 points and was aided by Lesley Bruce with 13 and by Jerry Rose who had 12.

This is an open contest to boys and girls 18 years and under, and does not jeopardize Texas Interscholastic League eligibility.

Turner stressed that entries need to be in by Feb. 6. Entries can be mailed to Mitchell Soil and Water Conservation District, P.O. Box 910, Colorado City, or left at the SCS office in the G-Kell Building in Colorado City.

The first place winner will receive $20, second place $15 and $10 for third place. The first place winner will be entered in the Regional Conservation Awards Program where three trophies will be awarded to the winners.

Students needing material or information on conservation can contact the local SCS office in the G-Kell Building.

Mr. and Mrs. Harrie Hamilton hosted a pre-Christmas dinner Sunday for members of the Hamilton family.

Those present were Mr. and Mrs. Leland Hamilton and Julie, Mr. and Mrs. Jim Brown, Missy and Valerie, of Andrews; Mrs. Keith Hamilton, Ingrid and Melinie of Big Spring; Mr. and Mrs. Tom Hamilton, Abilene; Mr. and Mrs. Charlie Hamilton and Mr. and Mrs. Lynn Hamilton, Loraine.

After the dinner of baked turkey, ham and all the trimmings, gifts were exchanged from the decorated tree.

Lions Meet For Party

The Loraine Lions and their ladies, approximately 45 in number, enjoyed their annual Christmas party at the Lions Den, December 12.

The hall was decorated and the tables carried the theme of "Long Ago." Kerosene lamps, greenery, cotton and bows brought to mind the yesterdays. Adding to the nostalgia were pictures brought by those attending. Some were made of them as babies, children, youth and some on their wedding days. Many pictures were made more than 70 years ago. Among those were the late parents of Dr. and Mrs. Bruce Johnson. Identifying the pictures proved most entertaining.

The meal was served by the United Methodist Women. Exchanging of gifts followed the meal.

T.E.L. Class Meets

The T.E.L. Class of First Baptist Church Loraine had their annual holiday party in the home of Mrs. Lester Webb at 5:30 p.m. Saturday with Mrs. Lily Bennett as guest speaker. She presented the book review "Going Home."

Mrs. T. L. Holman gave the opening prayer and introduced Mrs. Bennett. "Going Home," a story by Loyd C. Douglas, was a very touching account of a family of sisters and brothers going home and celebrating Christmas as did years ago, which brought back many memories to those present. This was presented by Mrs. Bennett.

After the program gifts were exchanged from the decorated tree. The Webb home was decorated throughout with yule decor, candles and lights.

Refreshments of cake, pie, spiced tea, coffee and other goodies were served to the guest, Mrs. Bennett and members, Mmes. Holman, Clifton Henderson, Leonard Coldewey, Hazel McCollum, Cline Taylor, Cullen Payne, Harry Hallmark, Bernice Hallmark, W. A. Taylor and the hostess. Mrs. W. A. Taylor gave the closing prayer.

Ready Class Has Christmas Party

The Ready Sunday School Class of First Baptist Church Loraine had their annual Christmas party Monday evening in the home of Mrs. Billie Ruth Tartt with Mrs. Loyd Wiggins as co-hostess.

Mrs. Ed Small read a poem "Lovest Thou Me?" and a Christmas wish.

Mrs. George Lee told a story entitled "Forgive us our Christmas'."

Mrs. Wiggins brought a devotional which contained the birth of Christ and all of the happenings of that night. Mrs. Bobby Graham led the prayer and Mrs. Kenneth Butler played many Christmas carols on the piano while the class sang. She gave out the gifts from the tree.

The members brought holiday goodies which ranged from green pistachio "water gate" salad to chocolate fudge and from coffee to hot spiced tea.

Mrs. E. J. Schroeder took movies of the festivities.

The following were present: Mmes. Virgil Parnell, Estelle Merritt, Elwood Graham, Loyd Wiggins, Price Hall, Leroy Lucas, Ed Small, Nettie Crownover, E. J. Schroeder, Herbert Mearse, Loyd Brame, Jack Richey, Bobby Graham, August Armstrong, Bertha Fae Snyder, George Lee, Kenneth Butler and Tartt.

Templeton Hosts Party

Mr. and Mrs. J. M. Templeton hosted the annual Christmas party of the North Loraine Extension Homemakers Club Friday at 6:30 p.m.

Their home was decorated throughout with a large green Christmas tree, centering the attention, with the yule decor on the mantle with numerous lighted candles placed in party rooms. Soft Christmas music was playing as guests came in and placed Christmas gifts under the tree.

After a short period of visiting, everyone gathered around the dining table which was centered with a large green decorated candle, and laden with sandwiches, chips and dips, snacks, salad, cakes, candies, punch and coffee. Roy Wells gave the invocation.

After the meal they gathered back into the living room for a short reading of "Suggestions that can bring great joy and blessing to any who will practice them at this Christmas season and throughout the year," written by William S. Deal and read by Mrs. Buck Taylor.

Christmas gifts were exchanged and Christmas carols sung.

Those enjoying the party were Messrs. and Mmes. Roy Wells, Raymond Wheeler, Bud Shepherd, Clifton Henderson, T. L. Holman, Hubert Meadows, Buck Taylor and Mrs. Rosie Hamrick, Mrs. Jack Linam and guest, Mrs. S. E. Meadows and James Meadows.

In the glow of the holiday spirit we wish one and all a happy, hearty Christmas!
Bill, Ann, Ginger & John

Baptist Women Meet For Party

The young womens group of Baptist women of Loraine met in the fellowship hall at 6:30 p.m. for a holiday supper and party.

The supper of baked ham and trimmings was served from holiday decorated tables with candles centering the tables. Mrs. Luke Smith led the invocation.

Mrs. Robert Dale Finley read the prayer calendar for the day and Mrs. Herman Mitchell gave the prayer for missionaries whose birthdays were on this day. Christmas carols were sung by the group and the group honored six guests from the Loraine Nursing Home, presenting them gifts. They were Fairy Bond, Vera Robinson, Alice Tucker, Elizabeth Thomas, Effie Stephens and Thelma Johnson.

Members present were Mmes. Herman Mitchell, Luke Smith, Danny Butler, Larry Blair, Robert Dale Finley and Donnie Phillips.

Hocks Honored With Dinner

Mrs. Amy Horton of Loraine entertained with a dinner last Saturday night complimenting Mr. and Mrs. Wright Hock of Spade Rach on their 45th wedding anniversary.

Before their marriage on November 28, 1933 in Loraine, Mrs. Hock was Suda Crownover. They have lived in Mitchell County most of their married life.

Present with the honored couple and hostess were Mr. and Mrs. Jack Richey, Mr. and Mrs. August Armstrong and Travis Hallmark.

HE Club Meets

The Fairview Extension Homemakers met in the new home of Mrs. Linden Solomon December 4 for their annual Christmas party. After a tour of the decorated home, a traditional Christmas dinner was served and enjoyed before the fireplace in the family room.

After the noon meal the members gathered to take part in a craft workshop during which silk flowers were made into a holiday corsage.

A Christmas short story "Going Home for Christmas" was presented by Billie Smith followed by the exchange of gifts.

Those present were: Mmes. Bonnie Hunter, Minnie Strain, Wilma Womack, Mae Wiggins, Mary Womack, Versie McMillan, Billie Smith and the hostess, La Juana Solomon. Mrs. Dee Boyd was a guest.

Bruce Hosts Club

The home of Dr. and Mrs. Bruce was in its festive decor when they entertained the Loraine Game Club for their annual dinner party Monday evening.

A colorful arrangement centered the dining table. From the lighted Christmas tree soft music was playing during the evening.

The buffet dinner of baked ham and trimmings was served from foursome tables. W. A. Taylor gave the blessing.

After the meal, games of "42" were played and gifts were exchanged.

Those enjoying the delightful evening with the Johnson's were Messrs. and Mmes. W. A. Taylor, Jack Linam, Floyd Coffee, J. M. Templeton, Doyle Hester, Leonard Coldewey and Mmes. Wiley Walker, Amy Horton, K. L. Taylor and Ida Baird.

Loraine BPW Has Meeting

The Loraine B&PW Club met in the home of Mrs. Harris Hamilton Monday night for the Christmas meeting. Assisting as hostesses for the dinner party were Mrs. Ed Small and Mrs. Price Hall. Mrs. Loyd Wiggins offered the blessing.

Mrs. Kenneth Butler acted as Santa for the exchange of gifts by the club members. Mrs. Roy Holland read a "Cowboys Christmas Prayer," and Mrs. Willis Taylor read a new version of "Twas the night before Christmas."

Mrs. Tharon Henderson, president conducted a short business meeting. Other members present were Mmes. Mabel Givens, Bobby Graham, Homer Hart, Loyd Wiggins, Nettie Mae Crownover, Mary Wilkins, Tharon Henderson, Ed Small, Price Hall, Roy Holland, Danny Butler, Fritz Hantsche, Willis Taylor, Loyd Brame, Juan Espinoza, Kenneth Butler, Billie Ruth Tartt and the hostess.

"For every way to use electricity in the kitchen, there's a way to use it more efficiently."

"Keeping your heating and cooling costs down are the biggest ways to save electricity, but there are lots of little ways, too.

Part of my job is finding the most economical way to use your kitchen appliances. Here are some ideas I've found useful:

Use flat-bottomed pans. The flatter the pan the better its contact with the cooking unit. A tight-fitting lid on your pan will reduce cooking time.

Use less water. By cooking vegetables with the least amount of water possible, you'll improve their appearance, nutritive value, and save electricity.

Reduce cooking time. Thaw meats before cooking them. This will save cooking time and energy.

Use your oven timer. Opening your oven door unnecessarily causes heat loss and extended cooking time.

Get our free booklet, 'Tips To Help You Use Electricity More Efficiently Throughout Your Home.' Copies are available in our office or you can request one on the comment portion of your electric service bill."

son, Billy Ray McDonald, 6, all of Colorado City. The family was flying to Memphis, Tenn., to visit relatives.

McDonald had received his private pilot's license about two months ago.

The family left Colorado City about 6 p.m. in a plane McDonald had leased from Hank's Air Service in Midland.

Richard Clemmer of Colorado City had flown McDonald to Midland earlier in the day to collect the Piper Cherokee plane he was leasing for the trip.

When Clemmer and McDonald returned to Colorado City in the two separate planes, Clemmer encouraged McDonald to refuel before heading for Memphis.

However, McDonald reportedly said he would have enough fuel to fly to Texarkana where he would fill up the gas tanks.

The crash occurred about a mile from the Texarkana Airport runway.

Witnesses at the crash site said it appeared that the plane had flipped over a power line, hit a tree and fell in the woods.

Searchers found the wreckage after receiving reports of power outages.

"The main reason they found the plane was because of the power outage," said Frank Deregibus of Colorado City. "When the power is severed, you can determine where the break is."

Rescuers reached the wreckage about 4 a.m. Saturday. A clock on board the plane was stopped at 10:21 p.m.

Kelley was the only one alive when the wreckage was found. It was estimated that she had been penned in the plane for six hours.

Ken Sinyard, civil defense director for Miller County, said fog and drizzle in the area hampered the search for the plane.

The cause of the crash is being investigated by the Federal Aviation Administration.

It was reported that the control tower at the Dallas-Fort Worth International Airport notified Miller County authorities at about 11 p.m. Friday that they had lost contact with the plane.

The McDonalds had lived in Colorado City three years. They operated a personal home care center at 504 East 4th. Although no definite plans have been made regarding operation of the home, Mitchell County Judge Bill Carter noted that the 11 residents would be cared for by Mickey Haro of Colorado City until a decision was made.

Funeral services for the three McDonalds were held Tuesday morning in the Bethel Baptist Church in Midland. Burial at the Resthaven Memorial Park in Midland followed.

Buford Ray (Pete) McDonald Jr. was born Nov. 17, 1947 in De Kalb, Tex. In 1951 he moved to Midland. He entered the U.S. Navy in 1965 and was discharged in 1968. He returned to Midland and then moved to Colorado City in 1975.

Survivors inciude his daughter, Kelley Dianne, 3, of Colorado City; parents, Mr. and Mrs. Buford Ray McDonald Sr. of Midland; his grandmother, Mrs. Gladys Harrison of Midland; seven aunts, one uncle and several cousins.

Vivian Leigh McDonald was born Jan. 11, 1952 in Memphis, Tenn.

Survivors include her daughter, Kelley Dianne, 3, of Colorado City; parents, Mr. and Mrs. James Carver of Memphis, Tenn.; her grandmother, Mrs. Allene Shireman of Memphis, Tenn.; her half brother, James O. Carver of South Haven, Miss., her half sister, Miss Celecia Carver of Crawfordsville, Ark.; five sisters, Mrs. Norma Rhodes and Mrs. Barbara Brooks, both of Memphis, Tenn., Mrs. Brenda Jorden of Somerville, Tenn., Mrs. Linda Scott of Lake Cormorant, Miss., and Mrs. Allene Benson of Memphis, Tenn.

Billy Ray McDonald was born Nov. 22, 1972 in Midland. He was a kindergarten student at Kelley Elementary School in Colorado City.

Survivors include his sister, Kelley Dianne, 3, of Colorado City; maternal grandparents, Mr. and Mrs. James E. Carver of Memphis, Tenn., and paternal grandparents, Mr. and Mrs. Buford Ray McDonald Sr. of Midland, Tex.

All Region Band Named

Several Colorado High School students were named to the 1978 Abilene region band Saturday.

Students elected included Malinda Cook, Genia Guelker, Beth Howell, Jon Horton, Craig Helm, Karla Joiner, Shaunna Rogers, Billy Gilstrap and Mike Rogers.

Others receiving the honor were Melissa Gorham, Rodney Fox, Jimmy Harris, David Wilson, Diane Kelly, Elma Torrez, Scott Haggerton, Blake Hardegree and Bruce Wike.

expenditures. One thing to remember is that when you cut spending, you have to start somewhere and with things that aren't necessary. You'd be surprised how little things add up. It's just like your family budget. The cuts in little expenditures were just an example of what the city was doing. Much more is being done as all spending, except for absolute essentials, is being stopped.

As a city resident, I personally appreciate the efforts of Mrs. Tarter.

Colorado High School's drama and speech departments last week presented the play, "You're a Good Man Charlie Brown," at the school auditorium.

It was directed by speech and drama teacher Linda Duvall and was a very entertaining production.

Characters in the play were portrayed by Kirk Williams, Doni Douglas, Scott Haggerton, Malinda Cook, Tony Clifton and Anne Conard and all did a good job.

Everyone involved should be congratulated on a fine effort. If you missed it, you cheated yourself out of an evening of good entertainment.

If you've been to the high school gymnasium this basketball year, you have noticed the new flooring in the lobby. The red tile was laid by Bob Motley. Motley also did a nice job on cutting out the letters W-O-L-V-E-S and putting them in front of the Wolf statue in the lobby.

It really looks nice.

Commissioners Okay Contract

Mitchell County Commissioners met in a special session Monday to approve the keep-up appraisal service of Pritchard & Abbott Valuation Consultants.

According to the contract, Pritchard & Abbott will appraise any real estate in the county for $16 per unit.

Units within Colorado Independent School District will cost the county $8 and the school district $8 for appraisal.

In the contract, it was specified that a unit of property would be a house and lot, a commercial building or lot, a farm tract or a ranch tract.

At the December meeting of the Commissioners, the keep-up appraisal service was discussed and the possibility of including Westbrook Independent School District was considered since Westbrook now has a tax assessor-collector.

Judge Bill Carter reported to the Commissioners that he had contacted L. M. Dawson, superintendent of Westbrook Schools, and Westbrook was not interested in participating in the appraisal service.

In other business, the Commissioners discussed the possibility of hiring Sandra Parker as a permanent county employee in the sheriff's office.

Mrs. Parker is employed under the CETA program and funds for her salary will expire in four months.

The Commissioners decided to table the matter of permanent employment for Mrs. Parker until a later meeting.

*ACADEMY, from page 1

Program and that this program would end Dec. 31. The possibility existed then that if the city couldn't pick up these two men's salaries, they would lose their jobs and Colorado City would be short two more policeman.

McWhorter ended that worry Tuesday night however, when he stated that the CETA program had been extended through April 30 and would continue to pay the men's salaries through that date.

McWhorter said that there would be seven officers on duty on the force during his absence.

After the matter of the two officers' salaries had been answered there remained the question as to whether the city should pay McWhorter his full salary during his absence.

In one opinion stated early in the meeting, Councilman Buddy Hertenberger said that if the Title VI grant for the other officers hadn't been approved, he would have been in favor of rescinding the chief's salary completely while he was gone, but since the grant had been approved, he thought the council should consider reducing his pay.

Hertenberger also made it clear however that he had nothing personal against McWhorter going, he was simply concerned about the city's financial condition. At the end of the meeting he said that, as a highway patrolman, he would do whatever he could on his own time to help the department in McWhorter's absence.

Rick Perkin agreed at first with Hertenberger's suggestion of a pay reduction but, after further discussion, he and the rest of the council agreed that the chief should receive his regular pay with one exception, his $100 per month car allowance.

Loyd Ledbetter finally summed up the council's feelings about McWhorter's salary when he said that "a deal is a deal, I'm for sending him with no reduction in pay," Ledbetter then added, "I think we will derive something from his training."

At this point the council apparently still had doubts about the adequacy of the force during McWhorter's absence and Ledbetter asked McWhorter directly, "Will the force be adequate while you're gone?"

McWhorter said that the department will "operate the same as it does while I'm here with the exception of me being gone."

The chief went on to state however that even with him present, "We still don't have all the street coverage we need." He finally said that the main thing missing during his absence would be the administrative duties that he normally takes care of and that he was doing all he could to take care of as much of this paper work as possible before he left.

Another matter concerning the operation of the department during the chief's absence about which the council had questions was if there would be an abnormal amount of overtime for which the city would have to pay.

To this question McWhorter stated that, "I don't see any extra overtime." He went on to say that the members of the force already put in many hours of work on their own time however. He stated that from the beginning of the fiscal year on May 1 through Dec. 7, members of the department had only put down 287 hours overtime out of a total of 3,304 hours worked.

At this point McWhorter appeared to have answered to the council any questions concerning his going to the academy. There remained however, one final matter concerning Assistant Chief Jerry Cowin, who will be acting chief during that three month period.

McWhorter recommended to the council that Cowin should receive some extra compensation for taking over the chief's duties, "since he will receive no $100 per month car allowance as I have up till now."

The council turned thumbs down on this however, with Hertenberger repeating his concern for Colorado City's money problems and stating, "I can't see paying anybody any more money because the city doesn't have it."

Finally the motion was passed 6-0 to pay McWhorter's salary while he was gone with the exception of the $100 car allowance.

A similar motion was passed that Cowin should receive no extra compensation.

"Santa Came To Our Town..."

By LOUISE TAYLOR

'Twas the night before Christmas when all through our town
Not a creature was stirring, not even a hound.
The lanterns were hung on the lamp posts with care
In hopes that Saint Nicholas soon would be there.
Housetops were white with the new fallen snow
Fireplaces crackled and sparkled all aglow.
So peaceful and quiet is our small town
People are friendly to be found.
All in our small town on the map
Had just settled down for a long winter's nap.
Children were nestled all snug in their beds
While visions of goodies danced in their heads.
Gifts for the grown ups wrapped at last,
The years for them seem to go so fast.

When all through our town there arose such a clatter
Everyone sprang from their beds to see what was the matter.
Away to our windows we all flew like a flash,
Tore open the blinds and threw up the sash.
When what to our wondering eyes should appear,
But a miniature sleigh and eight tiny reindeer,
With a little old driver, so lively and quick
We all knew in a moment it must be Saint Nick.

More rapid than eagles his courses they came,
And he whistled and shouted and called them by name:
"Now, Dasher! Now, Dancer, now Prancer and Vixen!
On Comet, on Cupid, on Donder and Blitzen!
To the top of our porches! To the top of our walls!
Now dash away! Dash away! Dash away all!"
So up to our housetops the courses they flew,
With a sleigh full of toys, and Saint Nicholas, too.
He was dressed all in fur from his head to his foot
And down each chimney all covered with ashes and soot.
He spoke not a word but went straight to his work
And filled all our stockings then turned with a jerk,
And laying a finger aside of his round little nose,
And giving a nod, up each chimney he rose.

He sprang in his sleigh, to his team gave a whistle,
And away they all flew like the down on a thistle,
But we all heard him exclaim ere he drove out of sight,
"HAPPY CHRISTMAS TO ALL, TO ALL A GOOD NIGHT"!

Santa came to our town
We are glad that he found
Many wee little heart's so gay
Bringing Christmas joy that will always say
Christmas Blessings are here to stay!

More Letters From Westbrook Students

Dear Santa Claus

I have this friend named Toddie-B who got hit in the head by a lawn mower. Please bring him some hair restorer. I want a John Deer motorscooter for me and I want a pupy with green hair and a blue faced cow that goes moe moe when you push her tail down and $42 bucks. And please Santa help me remember not to jerk my paper out of my notebook. And I lift you a whole big ole pile of cookies and a gallon of milk in the ice box.

Bye me
Billy Ray Cox

P.S. Also bring me some invisible bubble gum 'cause I always get in trouble and have to stick it on my nosey rosey.

***

Dear Mr. Claus,

I have a very large friend and his name is Billy. For Christmas he wants a John Deer motorscooter with heavy duty tires so he can bounce his little bod skinny over the rough roads ahead in life. And I have a friend Kenny that needs some new brains and a pair of new shoes. For Christmas, Ronald would like a new pair of undies with pink hearts all over them. My friend Roger only wore one sock the whole year long so he could have a clean one for Christmas to hang over his fireplace, could he please have another pair. For Christmas I would like a puppy dog that barks and a chalkboard with the A,B,C's on it: sometimes I forget them.

Love and Kisses,
Toddie-B. Whitesides

***

Dear Santa Claus,

I am 13 years old and have been a very tweet wittle dril. Actually if you really want to know the whole truth, the only reason I'm such a good girl is that who ever heard of a mean Granny? And besides, my Dad's a whole lot bigger than I am! I would like a Barbie Doll, a clock (one that works this year Santie dear), some high heeled tennis shoes for my little classmate, some jewelry, some kind of dentist that can take braces off sooner than two years, a sleepy bag, a boyfriend, a radio, a potty machine, a calculator, six stuffed amateur animals, a twin of Doug, Russell, Wade and Christi. I truly hope you can fly fast 'cause I'm very anxious.

Bye now,
Granny (Lynn) Dawson

***

Dear Santa,

I would like a very small favor. For my classmates. So if it is not too much, here it is. For Russell to grow big and tall so they won't pick on him. For Max to get thin so they won't call him Pumpkin. For Lynn not to cross her hands in basketball. For Roger I want a BB gun so he can shoot turkey birds. For Dee a brain and a box of pampers. Make sure they are the one's in the green box with the wetness indicators. For Pam not to get in so much trouble. For Matt to get his homework in more often. For Cindy what she always wanted--Baby This and That. And for Teresa not to get in so much trouble.

Love and kisses,
Christi Vanderpool

***

Dear Santa, Hi! I hope your arthritis isn't bothering you this year. I'm gonna tell you what I want for Christmas, first of all, I want a new motorcycle, new shirts, but more than anything, I want better grades, I want a new car. I want to lose weight, get whiter teeth, a Herford bull, a wild horse, my own ocean. I want a new Barbie doll for Dewayne, a box of super extra large pampers for Max. I want you to tell Mrs. Chitsey to stop making me be a female in every class activity. I want you to give my mother a softer belt so whippings don't hurt so bad. I want a new washing machine for my Ma; she put my pants in the old one, pushed the handle; it made a funny noise, and I haven't seen them since. What's more, she forgot to add the soap!

Goodbye,
Matt Buckley

P.S. Please don't try coming down the chimney again this year. My Dad yelled for three days about the bill for having you pulled out last year.

***

Dear Santa Claus,

I want a big old bike that has a race strap on it and purple metalic training wheels. I want some grow pills for a classmate that is about three and one half feet tall and who wants to grow very bad.

Yours truly,
Roger Rogers

P.S. Not to forget the grow pill for my friend.

***

Dear Santa

Would you send me a new, a brand spanking new motorcycle brain and be sure be absolutely sure to have a tricycle on the back seat. My present brain has trouble getting started on cold mornings. Most of all I want you under the tree when I wake up that morning.

Your friend,
Dewayne Pierce

***

Dear Santa,

I would like to have a G.I. Joe with all the stuffins. I also want a new saddle. My old one doesn't match the color of my eyes. Anoher thing I want--Russell to have a pair of stilts so it will make him tall. Then I guess you had better send him a new penny and a lot of Kleenex because I know all that altitude is going to give him a nose bleed. I would like to have a new pair of boots and don't forget to come and eat some cookies with me and my parents.

Love and Sugars,
J. Dougie Wilson

***

Dear Santa Claus

I have been a very sweet girl. I would like for Dee a new brain. It would make all the 8th grade happy, then we wouldn't have to listen to him. Max needs a new tricycle with air shocks. And you better make it XL. Please send Pam a new laugh.

Yours truly
Cindy Worley

P.S. Also I need a new watch (make it a Lucy one kind Santa) because I killed my old one by twisting its little handle off.

***

Dear Hank Claus,

For Christmas I want an electronic R2-D2 and please santa bring me a pair of stilts. After all I'm only a big 3'2" tall. I also would like one of those computer Alpha that play music and teach how to add. My teachers told me I had to stop taking off my shoes to count on my toesies; they have toe-jam. I also would like a pair of gloves with nine fingers. Please Santa send me a stretching machine. I also would like you to send me friend Max a wiggle machine so he will be skinny.

With love,
Russell Carter
The tallest short guy

P.S. I would have sent you ten dollars, but I already sealed the envelope and I can't reach the mailbox.

***

Dear Old Santa Nick

I would like for the Christmas holidays to hurry and get here so Christmas will be long gone. You see I am Scrougie-Junior. I suppose I will have fun with all the goodies and toys that I will have gotten. First I wish that Russell Carter would grow about four inches straight up in the air quick as a wink, then I wish I had a put-put tractor so I could race up and down the rows of growing things and my Mother wouldn't yell real loud because I could not be plowdering up her yard. I wish I had some new go-go boots so I would look like a new Super Fashion Barbie, some new tiny runners. I wish that it would ice over the whole world so we would get out of school for a whole year.

Dear Santa Claus,

I am writing a little note to tell you what I want for Christmas. I want most of all for you to send me some help for basketball because last year we didn't do too good. Perhaps you could leave a giant elf to help us.

Your friend,
Teresa Wimberly

***

Dear Santa Claus,

I have been a very good girl for almost as long as I can stand it and if you don't believe me I may cry big tears. If you have any stuffed agators, grondies, or corakadills just put them in my house this Christmas. Another think, I love to cook and cookbooks are a big help to my family because they have to eat whatever I fix. And sometimes it's hard to tell what is it on their plates, but if I had a cookbook with colored pictures then they would know what was on their plates.

Yours sincrely
Pamie Olson

Dear Santa,

I would like a Puslar Man. I think I'm ready to go to the bathroom by myself in the dark time, but I want a Pulsar Man just in case I get scart. Last year when G. I. Joe took me to the bathroom, a big and hairy spider chased us all around the house and my mother got mad because of all the crash banging noise. Pulsar Man is big and strong. I would also like a new Spelling and Reading teacher because she won't let us write to you next year. I would like for you to come and eat some cookies and drink some milk with me on Christmas Eve. I don't even care which glass you use.

Your friend,
Maxine Zant

P.S. Don't forget Pulsar Man. I don't think G. I. Joe can take me to the bathroom with his head off. The spider chewed it up all gone.

We are offering a suitable greeting for the Christmas season to all of our fine patrons. We enjoy doing business with you.

Letters To Santa

Dear Santa Claus,

My name is Bobby Alvarez. Mommy is writing this letter for me, because I don't know how to write.

I can't remember you from last year, but I'm real excited this year. My brother Pat and I wanted to leave you a cake but Mommy said that we were supposed to leave you some cookies under the tree. Santa we don't have a chimney so you will have to come in through the garage door.

On top of my list is a tractor. One like my grandpa's. There is one at Key Brothers where my Uncle Fu works.

I also want a fishing rod and some fishing lures so I can go fishing with my other grandpa. A couple of months back we went fishing at Buchanan Dam for one whole week. That was a lot of fun.

I need some boots for Christmas Eve. My old ones have holes in them. Patty needs some too.

Santa you can bring me some more toys if you want but tops on my list is my tractor, fishing rod and some boots.

I have to say bye because Mommy still has to write Patty's letter to you.

Bobby Alvarez
Age 3

***

Dear Santa,

My name is Patrick Alvarez, but everybody calls me Pat or Patty. (I'm Bobby's little brother).

Santa, sometimes I fight with my brother and don't behave in church, but lately I have been a nice little boy because Mommy says that Santa won't bring toys to bad little boys.

I saw you on television last week. When you came to town I didn't go see you because it was too cold. Mommy and Daddy didn't want me to get sick.

For Christmas I would like a tricycle like my brother's because we always fight over his bicycle.

I also want a little car and dump truck so I can play with them outside. Any type of car will do.

Santa, Daddy didn't want to write to you, but I can tell what he wants for Christmas. He wants a new truck. I'm not to picky this year, any big toy will do.

I love you Santa.

Pat Alvarez
Almost 2

P.S. I want mommy to stop working so she can stay home with Bobby and me.

Dear Santa,

I want a Evil Knevil, a gun, calculator and a cowboy hat.

Value and Economy

For Your Tire Dollar

Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires; smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

The True Meaning Of Christmas

By LOUISE TAYLOR

Everywhere in the world Christmas is a traditional and Holy holiday. The Bible says that a child named Jesus was born at Bethlehem, Town of David, in a stable. He was the son of a Nazarene carpenter named Joseph and his wife Mary.

The nearest any of the scholars have come to the date of his birth is December 25–and that is a guess. So it was agreed that Christmas would celebrate the coming of the Messiah on that date every year.

Christmas is celebrated very differently in different countries. In England, the most beloved custom is the burning of the yule log. At Christmas it is dragged through the snow and amidst great celebration lighted with a piece of the yule log of the Christmas before.

In Sweden, they have a strange custom in which gifts are tossed into the front door by a mysterious visitors who tries to run away without being recognized.

Mexican children have an exciting custom of breaking the pinata. The pinata is a gaily decorated large clay bowl filled with gifts, candy and toys. It is hung above the children's heads and each child is given a stick and is blindfolded. They strike the pinata until it breaks.

Here in the United States Christmas is a tradition and Holy holiday–or is it?

Christmas lights are up by Nov. 15 in many cities. Toys are sold that require a master genius to assemble. Here, Christmas is a profit, a business. It is time to stuff ourselves with rich food; to look for those extra bonuses; attend riotous office parties; to kiss someone else's spouse under the mistletoe; and to brainwash helpless little minds with tales of a non existent Santa Claus.

Somewhere along the road of time, we lost something–we lost Jesus! Jolly ole Santa Claus has out ranked the Chist Child.

Santa is reputably–but inaccurately–described as a replica of Saint Nicholas, who made toys all year long with the help of his little elves at the North Pole and flew on Christmas Eve with his eight tiny reindeer to deposit gifts around a lavishly decorated pine tree for boys and girls.

There may not be a Santa Claus, but there is a Jesus, as real as the bright stars twinkling in the black velvet of the heavens. Santa only gives when boys and girls are good, Jesus gives all the time whether good or bad.

The Prince of Peace brought no peace because man was not ready for him. Man has his own toys, some of which will destroy entire cities in a flash. Once was the time when one man killed with one bullet. Today man can kill millions of people with only one missle.

With the hustle and bustle of Christmas, it's no wonder people tire of the season so quickly. Everyone is expected to buy presents for others even when the joy of giving is not there. You hear lots of expressions during this time, especially the closer Christmas Day nears. Some of these are, "I'll be so glad when its all over," "It gets more expensive each year," and others like "Christmas is just for the kids."

The reality of Christmas will never be over. Each year church bells are ringing, choirs are singing, people are rejoicing, cities light up–for what? "A child is born! A child is born! A CHILD IS BORN! ! THAT IS THE REALITY OF CHRISTMAS–JESUS! !

Visitors at the meeting were Mrs. Webb and Mrs. Almarene Claxton.

THE FOURTH GRADE CLASS at Westbrook sends season's greetings to everyone. The door was decorated by their teacher, Mrs. Royce Moore. Pictured from the class are left to right Dewayne Murdock, Rebecca Dally and kneeling, Angie Juarez.
