## Huge Antiwar Rally Hits Capital

CONGRESSMAN BOB PRICE, left, is shown talking to Buddy Cockrell of Pampa, chairman of the Northern Agriculture Advisory Committee, at the Coronado Inn last night. The representative talked over measures to bolster farm prices and touched briefly on the Vietnam situation and fiscal policies.

### PRICE DECLARES

## Secretary Should Help Grain Price Situation

Representative Bob Price of Pampa told members of his Northern Agriculture Advisory Committee in a speech last night at the Coronado Inn that the Secretary of Agriculture should bolster the "presently depressed grain price situation" by taking the following steps:

- (1) Provide diversion pay-

ments to both wheat and feed grain producers participating in the 1968 programs.

- (2) Establish the CCC release price on unrestricted domestic sales of food grains and soybeans at 100 per cent of the parity price plus carrying charges; and wheat at 100 per cent of parity minus the value

of domestic marketing certificates plus carrying charges.

- (3) Announce immediately 1967

resale programs for feed grains and wheat.

- (4) Increase the loan level on corn by 10 cents a bushel to \$1.15 with comparable increases on other feed grains, including grain sorghum.

Price and other Republican members of the House Agriculture Subcommittee have recommended legislation to:

- (1) Permit cooperating wheat farmers to receive one-half of their program payments at sign-up time as is the case with cotton and feed grain producers.

- (2) Increase the 1968 loan level on wheat to \$1.40 per bushel while retaining the present 75-cent certificate collection on wheat used for domestic food purposes.

Congressman Price also touched on the Vietnam situation and called for more vigorous prosecution of the war, including closing of the port of Haiphong and bombing of MIG bases in North Vietnam.

"I talked to General Walt, the Marine general who recently returned from the DMZ not long ago, and he told me that if they would just 'turn them loose,' they could win the war."

"I feel that if we're going to ask our boys to go over there to fight, we ought to make the necessary commitments and take the necessary risks to win the war," the congressman said.

Price also criticized the administration for its fiscal policy, and called for defeat of the proposed ten per cent tax surcharge.

"If the present rate of inflation continues," the congressman said, "the dollar will continue to go down in value from its present worth of 43.5 cents to an estimated 10 cents in 1985. I believe we have to start cutting expenses somewhere."

## Crowd Orderly In Protest Over War

By LOUIS CASSELS

WASHINGTON (UPI) — The biggest antiwar rally in the Capital's history was staged Saturday by a massive but orderly crowd of demonstrators who marched on the Pentagon shouting demands for America to get out of Vietnam. The vast five-sided building, nerve center of U.S. defenses, took on the aspect of a fortress under siege as heavily reinforced security guards braced to turn back any attempt to storm the doors.

Leaders of the march threw out cryptic hints that such an attempt would be made. But from the time the demonstration got underway with a rally at the Lincoln Memorial shortly before noon until the vanguard of marchers reached the Pentagon's 29-acre parking lot about 3 p.m., there was no serious disorder.

Police clung to an official estimate of 25,000 marchers, but David Dellinger, chairman of the sponsoring committee, claimed there were somewhere between 150,000 and 200,000. Newsmen on the scene thought that the truth lay somewhere between those extremes, but emphasized the difficulty of making any accurate guess about the size of a large, rather disorganized, continually moving body of people.

Only five arrests were made during the opening phase of the rally at the Lincoln Memorial, and three of them involved members of the American Nazi Party who tried to disrupt the proceedings.

One potential flashpoint passed safely when the marchers, after milling around for some time, decided to take the road to the Pentagon, which authorities had told them to use, rather than another, broader route which they preferred. The decision avoided a clash with a

strong cordon of police blocking the prohibited route.

The demonstrators had a permit to conduct a rally in the Pentagon parking lot until 4 p.m. Their leaders said that "civil disobedience" activities, including a possible rush toward the Pentagon doors, would begin after that hour.

All entrances except one were closed, all access roads were guarded, and more than 1,000 military and civilian police

(See RALLY, Page 3)

## Chamber's Annual Banquet Tuesday Night Is Sellout

The annual Membership Banquet of the Pampa Chamber of Commerce scheduled for Tuesday night is a complete sellout, according to chamber officials. Persons who might like to attend the banquet are advised to call the chamber office and their names will be placed on the waiting list for any possible ticket cancellations.

The banquet will be in Robert E. Lee Junior High School Cafeteria, with the dinner being catered by the Coronado Inn and Robert E. Lee Junior High cafeteria staff.

Delegations from all neighboring towns in the Top O' Texas area have been invited and will be in attendance.

Speaker for the occasion will be Dr. Charles Allen, pastor of the First Methodist Church of Houston. Dr. Allen is ranked one of the top ten speakers in the nation. He is also the author of several books and syndicated columns appearing in many of the big daily newspapers. Dr. Allen will be introduced by Dr. Harry Vanderpool, former pastor of the First Methodist Church here, and now of Amarillo.

Huff's defense attorney, John Warner of Pampa, sought to convince the jury that the defendant was mentally incompetent and introduced testimony by his wife, mother and family.

Huff of Miami and Pampa physician of Huff's erratic and often violent behavior.

Dr. M. C. Overton, Huff's family physician, testified, he thought the defendant was "a very dangerous, irresponsible man."

E. E. Shelhamer, president of the Pampa chamber, will preside at the meeting, which will include special entertainment presented by Bill Davis, director of the High School A Cappella Choir accompanied by Jerry Whitten at the organ.

Introduction of the head table professional will be handled by Cameron Marsh, with the invocation by the Rev. Dan Cameron, pastor of the First Baptist Church. A color guard of Eagle Scouts from Patrol 109 and Troop 14 will present the colors, and the national anthem will be sung by Mrs. Louise Richardson.

New officers, consisting of Harold Barrett, president; G. B. Cree Jr., vice president; and Roy Sparkman, finance director, will assume their official duties on the chamber board, along with holdover directors.

The Tuesday night banquet marks the 42nd annual meeting of the Pampa chamber, and which will be held on the occasion of the 65th anniversary of Pampa and Gray County — 1902-1967.

## State AFL-CIO Plans Push for Vote Registration

AUSTIN (UPI) — Texas labor leaders, convinced that only permanent registration of voters can prevent arguments like the one that erupted this week, said Saturday they will take their part of the fight to the U. S. Supreme Court.

Roy Evans, secretary of the Texas AFL-CIO, said attorney Sam Houston Clinton has been instructed to appeal "as far as we can go" to keep the state constitution from requiring voters to reregister every year.

Evans and other labor leaders are fighting the 1966 constitutional amendment in which Texans voted the outlawed poll tax out of the constitution and knowingly or otherwise wrote annual registration in.

Labor contends the annual registration provision was smuggled into the amendment without adequate warning to voters. Dist. Judge Herman Jones of Austin agreed but the State Supreme Court disagreed. The State Supreme Court decision became final this month.

Evans said Clinton has been told to appeal and seek a way to get the issue before the U. S. Supreme Court.

To Evans and other advocates of easier voting, this week's flap over registration rules merely emphasized the folly of making voters sign up every year.

"Until we get some kind of permanent voter registration we're always going to have

these difficulties," Evans said. Martin said it is illegal for solicitors to collect voter registration applications and deliver them en masse to the tax assessor, either in person or by mail.

Former State Sen. Franklin Spears of San Antonio, likely a liberal candidate for statewide office next year, claimed this ruling was part of a "plot" to keep minority groups out of the (See HUGE, Page 3)

## Huff Gets 20 Years For Robbery of Miami Bank

LIPSCOMB — A 101st District Court jury of eight men and four women found Ernest (Rusty) Huff of Miami and Pampa guilty of robbery by assault late Friday afternoon and he was assessed a 20 year prison sentence.

Jury deliberations went on most of Friday afternoon before a verdict was finally reached, climaxing five days of often dramatic testimony which portrayed Huff as a victim of mental disorders.

Huff was charged with the \$20,000 robbery of the First State Bank of Miami last March 3. His wife, Wanda, is also charged but no date has yet been set for the trial.

Huff's defense attorney, John Warner of Pampa, sought to convince the jury that the defendant was mentally incompetent and introduced testimony by his wife, mother and family.

Huff of Miami and Pampa physician of Huff's erratic and often violent behavior.

Dr. M. C. Overton, Huff's family physician, testified, he thought the defendant was "a very dangerous, irresponsible man."

He told the court that he felt that the defendant was criminally insane and suffered from both schizophrenia and psychomotor epilepsy.

District Attorney Bill Waters' key witness was Dr. Hugh Pennel, an Amarillo psychiatrist, who examined Huff when he was being held in the Potter County jail. Dr. Pennel testified that he thought the defendant met the requirements of legal sanity. These included being able to distinguish between right and wrong and knowing the nature and consequences of the act he committed.

Huff was captured shortly after the robbery in a nearby pasture after a 30-minute gun battle with law enforcement officers. Seriously wounded, he later underwent emergency surgery at the Veterans Administration Hospital in Amarillo.

Huff showed no emotion during the trial and was returned to the Gray County jail after the trial.

Judge Grainger W. McIlhenny presided at the trial.

If it comes from a Hardware Store we have it. Lewis Hdw. (Adv.)

## Battle Erupts Between Israeli, Egyptian Forces

CAIRO (UPI) — Egyptian gunboats fought a naval battle with an Israeli warship and sank it off the northern entrance to the Suez Canal, an Egyptian military spokesman reported Saturday night.

The fight was reported just a few hours after Prime Minister Mrs. Indira Gandhi of India and UAR President Gamal Abdel Nasser issued a joint communique demanding that Israel withdraw from Arab territories captured during the Middle East war.

The communique was issued shortly after Mrs. Gandhi flew home ending a three-day visit. She said she and Nasser were "particularly concerned at the serious situation still prevailing in the Middle East."

The naval battle was reported just a few hours after she departed.

The military spokesman said that the Israeli ship had entered Egyptian waters north of Port Said during the afternoon.

Radio Cairo interrupted its regular programming to announce the naval fight.

The communique did not identify the type of Israeli ship other than to say it was an Israeli "naval unit."

## Last Details Near In Auto Strike Talks

DETROIT (UPI) — Bone tired negotiators for Ford Motor Co. and the United Auto Workers Saturday attacked the last details of a record contract estimated to be worth three-quarters of a billion dollars.

How soon the loose ends in the complex, three-year contract would be tied down and how soon 160,000 striking UAW Ford workers would return to their jobs was still in doubt.

If a formal settlement comes during the weekend, there still would have to be a ratification vote by 61 union locals in 25 states—a process that would take another day, it appeared.

The 45-day production halt first contract year.

The cost of living (COL) factor, still under negotiation, could raise the total increase to more than 60 cents—more than 90 cents for the skilled workers. The union has agreed to an eight-cent ceiling, per year, on cost of living raises, but when the COL raises would start had not yet been settled.

Added to that is the additional cost of the increases as reflected in overtime, weekend work and holiday pay—another 18 cents per man per hour. Finally, there is the fringe benefit cost—pensions, guaranteed income inc.—estimated to cost another 10 to 15 cents.

This brings the total package, wages and benefits included, to more than \$1 an hour over three of 20 cents an hour. Skilled

trades workers, who have demanded a \$1 raise, would get an additional 30 cents.

The basic pay for everyone would go up 11 cents an hour in the second year and 12 cents an hour the third year. The skilled tradesmen would receive nothing extra in the final two contract years, receiving the same raises as their assembly line colleagues.

The average UAW worker now makes \$3.41 an hour. His pay at the end of the new contract period could be up at least 43 cents. The skilled workers would have the 43 cents plus the 30 cents extra from the 45-day production halt first contract year.

The cost of living (COL) factor, still under negotiation, could raise the total increase to more than 60 cents—more than 90 cents for the skilled workers. The union has agreed to an eight-cent ceiling, per year, on cost of living raises, but when the COL raises would start had not yet been settled.

Added to that is the additional cost of the increases as reflected in overtime, weekend work and holiday pay—another 18 cents per man per hour. Finally, there is the fringe benefit cost—pensions, guaranteed income inc.—estimated to cost another 10 to 15 cents.

This brings the total package, wages and benefits included, to more than \$1 an hour over three of 20 cents an hour. Skilled

FOUR OLD-TIMERS AND FRIEND — Left to right in this photo are W. C. Bass, Richard Melton, Barbara Beard, Jack Russell and J. C. Roberts. The four men are wearing the mustaches and derbies and carrying the signal Gray County's 65th anniversary which will be observed next Thursday, Friday and Saturday. Mrs. Beard is wearing a replica of a 1902 bonnet. Sales people can add to the celebration by buying for a pittance the old-fashioned wearing equipment at the Chamber of Commerce office.

## Pampans Named Co-Chairmen for GON Ticket Sale

Jim Campbell, Republican county committeeman, and Frances Pattee, district committeewoman, both of whom have been named district co-chairmen for the GON ticket sale.

The GON ticket sale will be held at the Pampa Hotel, 100 W. 1st, on Oct. 27.

Rep. Gerald R. Ford of Michigan, House minority leader, will be the principal speaker at the dinner which will honor Pampa's congressman, Bob Price for his first year of service in the 89th Congress.

## Marsh to Attend Canyon Meeting

Cameron Marsh, principal of Pampa High School, will be attending an accreditation committee meeting of the Southern Association of Colleges and Schools tomorrow in Canyon.

The seven-member committee is responsible for checking accreditation for West Texas schools.

Marsh, serving his second term, will represent District 4 A at the meeting.

## Cabot Fills Two Employment Jobs

W. R. Cates has replaced William H. Kelley as employment supervisor for Cabot Corp. according to a Cabot announcement Saturday.

Ray V. Rodgers, Jr., has joined Cabot's Machinery Division staff, as personnel manager working under the direction of H. A. Lilla, administrative manager for the division. Rodgers will handle employment and conduct employment interviews for openings in the Machinery Division at the Cabot offices west of Pampa. Other Western Region employment functions will be handled by Cates at Cabot's offices in the Hughes Bldg.

Both Cates and Rodgers are former Pampans. Cates has worked for Cabot since 1964, most recently at the Canal Plant, Franklin, La. Rodgers was personnel manager in the U.S. Jaycees national headquarters at Tulsa, Okla., before coming to Cabot Oct. 1.

**BUYING BONDS** — Bonds are being purchased for the Fire Prevention Contest winner and will be awarded at the annual Chamber of Commerce banquet Tuesday. Dianne Studebaker, right, is handing over \$100, \$50 and \$25 bonds for the three contest winners to Bill Fraser Jr., chairman of the Fire Prevention Committee, while Pampa Fire Chief Ernest Winborn looks on.

## PHS Yearbook Gets High Rating

The Harvester, yearbook of year that the year book has received the highest rating, according to the Columbia Scholastic Press Association. The 1967 edition of the year book was edited by Marsha Griffin, associate editor, Jim Davis, chief photographer, Barbara Vance, business manager, and Doug Morgan, advertising manager.

## Obituaries

**Burton Frank Hess**  
Burton Frank Hess, 706 E. Frederic, died Friday afternoon at Highland General Hospital. He was born Jan. 30, 1889, in Arkansas City, Kans. Mr. Hess moved here from Little Rock, Ark., where he had been an employee of the Portland Cement Co. 15 years.

He was a bookkeeper for Davis Electric Co. here 1948 to 1954, when he retired. He was a member of St. Matthews Episcopal Church.

Funeral services will be held at the St. Matthews Episcopal Church at 10 a.m. Monday. Rev. Edward Fry of the Episcopal Church in Borger will officiate. Burial in Memory Gardens Cemetery will be directed by Duenkel Funeral Home.

Survivors include his wife, Era Hess of Pampa. Pallbearers will be M. A. Jones, Lance Kenner, Denny Roan, Buck Sandford, Ted Nolte and Charlie Russell.

In 1873, P.T. Barnum opened the Hippodrome in New York City to house his "Greatest Show on Earth."

In 1964, Herbert Hoover died at the age of 90.

This is one of 41 units in the Pampa area of the Adobe Walls Council—a Pampa United Fund agency.

## Huge

(Continued From Page 1)

primaries next spring. Martin and Secretary of State John L. Hill, who drew Spears' wrath for requesting the opinion, angrily denied the charge. The ruling literally makes only a nickel's worth of difference. It means door-to-door canvassers will have to hand out postage stamps as well as voter applications to make sure the applications get mailed. But liberals say those nickels will add up very quickly to an unreasonable bother and expense.

The basic difficulty with annual voter registration drives, however, became apparent long before Martin ruled. It is the fact that voters who have to be coaxed into registering also have to be dragged to the polls. After federal courts outlawed the poll-tax and forced-state officials to reopen registration on a no-fee basis last year, 600,000 new voters were signed up, largely through the efforts of organized labor and largely through the kind of campaigns that Martin outlawed.

But much to the chagrin of labor leaders and other liberals, most of those voters never showed up on election day.

In Dallas only 8 per cent of the free registrants voted. The AFL-CIO made its own spot check and found only about a 10 per cent turnout.

Evans thinks permanent registration would help overcome this difficulty, though even then "it will be a slow process." It takes years to cultivate the voting habit, he said.

## Badger Pipe Co. Approves 25-Mile Addition to Line

TULSA, Okla. — The board of directors of Badger Pipe Line Company has approved the construction of a 25-mile addition to the system, according to Aubrey O. Weatherholt, president.

The addition will run north from the Canal Junction area near Lemont, Ill., to Des Plaines. It will be a 16-inch line and parallel an existing 12-inch line. Construction is expected to begin in either late fall, 1967, or early spring of 1968 and will take approximately two months to complete.

Weatherholt explained that the new line will enable the company to better serve its customers by more effectively transporting petroleum products from the East Chicago, Ind., and Le-moon-Lockport, Ill., refining areas. Construction of additional pump stations or terminals will not be required.

The Badger Pipe Line Company includes a total of 306 miles of pipeline in Indiana, Illinois and Wisconsin. Among major areas served are O'Hare Field, Des Plaines and Rockford, Ill., and Madison, Wisconsin. The Badger system is jointly owned by Cities Service Oil Company, Texaco Inc., Sinclair Oil Company and Union Oil Co.

## Art Appreciation Lecture Set for Tomorrow Evening

The Pampa Fine Arts Association will present the first in a series of art appreciation lectures at 8 p.m. Monday in the Lovett Memorial Library. The lectures will be open to members and guests. Coffee will be served at the conclusion of the lecture to afford members an opportunity to meet the artist.

Dord Fitz, of Amarillo, well known area artist and teacher, will give the first lecture concerning fundamentals of art and centering on the creative act which results in our great art.

The second lecture in the Association's art appreciation series will be at 2 p.m. Sunday at the library. Dirk van Driest will speak on art media and techniques. A third lecture remains to be scheduled.

Homar D. Johnson, president of the association, stated the lectures are not for local artists but for members and guests who visit an art gallery and it is intended the lectures better equip them to understand, appreciate and evaluate what they see.

In 1944, American troops landed on the eastern coast of Leyte Gulf in the Philippines. Gen. Douglas MacArthur, who had been forced to leave the island 2½ years earlier, issued a statement that began, "I have returned."

## Mainly -- About People --

The News invites readers to phone in or mail items about the comings and goings of themselves or friends for inclusion in this column.

**Army Captain Bobby J. Becker**, 38, son of Mrs. Manie Becker, 329 Tignor St., will participate in the post-wide field training exercise being held at Ft. Carson, Colo., tomorrow through Nov. 30. His unit, the 5th Medical Battalion, will receive training in combat first aid and emergency evacuation techniques.

**Rummage sale**, 923½ S. Hobart.

There will be no meeting of the City Culture Study Club Tuesday, Oct. 24, according to Mrs. Emmett Osborne, president. A date will be announced later for the next meeting.

## Cotton Classing Set For Tomorrow At Memphis, Tex.

The Memphis, Texas, cotton classing office of the U. S. Department of Agriculture will be open to receive Smith-Dorsey samples on Monday, Oct. 23. The announcement came from John L. McCollum, manager of the Southwest area cotton office, USDA's Consumer and Marketing Service, Dallas.

The Memphis office handles classing for Armstrong, Briscoe, Carson, Childress, Collingsworth, Catile, Donley, Gray, Hall, Hansford, Hemphill, Hutchinson, King, Lipscomb, Motley, Ochiltree, Roberts and Wheeler Counties.

Kermit E. Voelkel, who has been with the Memphis office for the past six years, again will be in charge. A 35-year employee of USDA, he is a graduate of Texas A&M University. Voelkel has held assignments with classing offices in Galveston and Harlingen.

More than 113,000 bales were classed at Memphis last year. The office determines grade, staple and micronaire reading on cotton.

## Wall Street Chatter

NEW YORK (UPI)—Bache & Co. says the market is at an important crossroad as it notes that the monetary conditions that "initiated" the current decline are far from being alleviated. It suggests the market's behavior in the days ahead probably will determine its direction on the near term.

Weiss, Volstin, Cannon, Inc. says the fundamental economic problems of rising interest rates, inflation and the lack of fiscal restraints from Washington continue to weigh heavily on investor attitudes. The analyst

says that while these conditions remain unresolved, "we must continue to recommend a policy of caution and selectivity."

Goodbody & Co. notes that fiscal and monetary uncertainties are dominating investment sentiment. Until some solution of the fiscal monetary impasse begins to emerge, the company says, further weakness in the stock market is likely.

## Red Cross News

By LIBBY SHOTWELL  
Executive Secretary ARC

The American Red Cross have 320 workers in Vietnam who are serving the servicemen at more than 60 locations in South Vietnam. Additional workers are being assigned as needed. In addition 20 Red Cross workers are serving the U.S. troops at 8 locations in Thailand. These people volunteer for these stations around the world. They do not carry guns or ammunition and they are as vulnerable to bullets, bombs and grenades as those in the military uniform. But under the Geneva Conventions Red Cross workers wearing the RC uniform and emblems are classified as neutral non-combatants and are there only to serve mankind. Such a man was Vernon M. Lyons, 48 years old, died in line of duty near Da Nang, Aug. 29, when the jeep in which he was riding struck a land mine. Mr. Lyons was a Red Cross assistant field director attached to the 1st Marine Div. Like all the 320 Red Cross workers in Vietnam, the Red Cross insignia was all that he wore to protect him against the enemy. We of the Red Cross are proud of these men and women who serve without weapons overseas and to Vernon Lyons, who gave his life in line of duty, we pay silent tribute.

We have a new Red Cross Nurse, Mrs. Aileen Winegart, RN, who works at Highland General Hospital. Aileen has worked closely with the young people who give their time as volunteers at the hospital. She has taken the First Aid Course and is assisting with the teaching of the LVN group who are

studying to complete the course at Highland General.

Mrs. Majhaunta Hills will begin a Mother and Baby Care Class beginning Oct. 24 at the Highland General Hospital from 7-9 p.m. on OB Floor. We hope that you will plan to take this course if you are expecting your first child. This course is geared to make the delivery of the child easier; also the first 6 months of the child's life is discussed in the teaching of this course.

Mrs. Ray Hudson, RN, and Mrs. Forrest Hills, RN, are teaching a new course to the Girl Scouts of Mrs. Raymond Laycock and Mrs. Richard W. Stowers troops. This course is called "Mother's Aide" and is taught to help older children in the home to help and care for younger children. Also it is very helpful to girls who do baby sitting outside the home.

There will only be one make up meeting of the Standard First Aid Class being sponsored by the P-TA and the Red Cross. Thanks to all of the FA instructors and to all of the P-TA groups who have worked so hard to make this a success. This week will be lessons on burns, shock, abrasions and heat strokes and cramps. Common emergencies will be discussed. Pages 69 to 84 in the textbook will be the class session and next week the groups will discuss transportation of the injured. Red Cross cards will be given to those who have taken the 5 sessions.

## Foreign News Commentary

By ALLAN PRIAULX  
PARIS (UPI)—

When the chief of staff of the Soviet armed forces took a cruise last week aboard France's top secret aircraft carrier Clemenceau, France greeted the news almost with yawns.

The nonchalance was a symbol of the extent to which France has become relaxed about the threat from the Communist East since President Charles de Gaulle began his rapprochement with Moscow, even though French guns still point eastward.

The public and official attitude toward Moscow, moreover, seems to run directly counter to the attitude toward Communists at home: Premier Georges Pompidou's cabinet escaped defeat from a leftist motion of censure recently largely because he used a "red scare" to drum up support from moderates.

Views Military Installations  
Marshal Matvei V. Zakharov, the Soviet military boss, arrived in France a week ago Sunday night. Hardly anyone knows about it. He is returning a visit made to Russia last spring by Gen. Charles Ailleret, the French chief of staff. Hardly anyone heard about that visit either.

Zakharov's itinerary included stops that two or three years ago would have been unheard of for any Russian, let alone the top military man in the Soviet Union.

His overnight cruise aboard the Clemenceau, the largest carrier in the French navy, took him from the southern port of Biarritz up the Atlantic Coast to Brest, France's main naval base.

Zakharov also visited the national naval academy at Brest, then headed back toward Paris and visited the famed St. Cyr Military Academy, the West Point of France, whose graduates include De Gaulle. Ailleret was taken on tours of similar high-level military installations when he visited Russia.

Baffling Moves  
If Frenchmen were confused over the government's sharp

criticism of Communism at these days," said one high forget," he said, "that no home and the warm welcome to NATO diplomat this week. matter what France's position those from Moscow, France's "This allied diplomat suggested is in NATO, its missiles are still files were even more baffled that Zakharov would gather aimed toward Russia for "The whole pattern of Soviet important information about French relations is strange French defenses. "We must not whatever that is worth."

## Center Wrap-Up

George Smith, Director  
Pampa Youth and Community Center

**TEEN DANCES** — Featured every Friday night at the Center is our teen dance for the young people. These dances are on a regular basis and feature the best bands in the Panhandle area. All dances are from 8-11 p.m. except after football and basketball games when the dances will start immediately following.

All the teen dances are well sponsored with chaperones and an off-duty policeman present. Young people are not permitted to come and go but must either stay in the dance or stay out. The Center tries to maintain a place where parents are happy to send their children for recreation.

Dance bands scheduled are: Oct. 27 Motifs; Nov. 3 Soulseekers; Nov. 10 Casuals; 17 Jekyl and the Hydres; 24 Tiaras; Dec. 1 Soulseekers; 8 Casuals; 15 Motifs; 19 Cords; 22 Tiaras; and 29 Jekyl and the Hydres.

**SWIM LESSONS** — The Center teaches swim lessons for young people and adults all the year round. The pool is indoors and is heated. The swim program follows the American Red Cross Plan which includes beginners, advanced, beginners, intermediates, swimmers, Jr. Life Saving and Sr. Life Saving. Classes are taught by a qualified Water Safety Instructor, Jackie Marlar. Swim sessions meet on Monday, Wednesday, Thursday and Fridays for 10 meeting dates. Lessons are free to Center members and \$3 to non-members per person. Memberships are available at all times. You need only come by the Center to sign up. A list of the classes are:

- Oct. 23-Nov. 10  
4-5 p.m. — Beginners  
5-6 p.m. — Intermediates
- Nov. 13-Dec. 1  
4-5 p.m. — Beginners  
5-6 p.m. — Swimmers
- Jan. 8-24  
4-5 p.m. — Beginners  
5-6 p.m. — Adv. Beg.
- Jan. 28-Feb. 14  
4-5 p.m. — Beginners  
4-6 p.m. — Inter.
- Feb. 19-March 6  
4-5 p.m. — Beginners  
5-6 p.m. — Swimmer

**MEMBERSHIPS** — The Center is run on a participating membership basis with memberships available the year around. Memberships may be purchased by anyone living in the United States, there is no boundary to speak of as far as who may be a member.

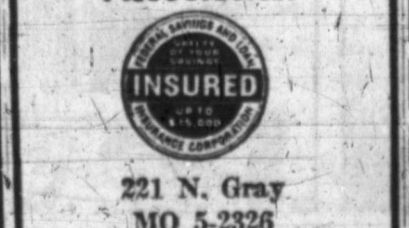

By purchasing a membership you are entitled to use the full facilities of the Center. This includes free swim lessons given by the Center, use of the recreation hall where ping pong, chess, checkers, pool are played, use of the gym where trampolining, mats for tumbling and wrestling, shuffleboard, basketball and volleyball are held, and the use of the indoor heated swimming pool.

There are two types of memberships, family and individual. A family membership is for those of a family that total more than two. This membership costs only \$20 per year and

## The Lighter Side

By DICK WEST  
WASHINGTON (UPI)—Perhaps you heard the news that an agricultural scientist in California has developed an oliveless olive tree.

If so, your first reaction may have been similar to that registered by Terence McHale, a horticulture-minded toiler for the Flint (Mich.) Journal.

McHale informs me that his original inclination was to mark down the scientist as merely one of those nuts who prefer a twist of lemon in their martinis. "But then," he wrote, "after a couple of swallows of the liquid in which olives frequently are immersed, the magnitude of this development began to dawn on me."

**New Era**  
For if live trees can be made to forego the production of olives, then it stands to reason that vegetableless vegetables also are within the realm of possibility.

Which opens up whole new worlds for the betterment of mankind.

Consider, for instance, the late summer season when amateur gardeners begin foisting off their bumper crops of tomatoes on unsuspecting friends and innocent bystanders.

As McHale points out, an occasional slice of tomato may enhance a sandwich or a salad. But when your neighbors start bringing them to you by the bagful, disenchantment soon sets in.

"What could be more beneficial than tomato plants that don't bear tomatoes?" McHale asks.

Being an amateur gardener myself, I am in ap apasion to appreciate such benefits even more keenly than McHale. I still bear the emotional scars from my recent experience with squash.

For if olive trees can be made my squash plants got out of hand and began proliferating all over the place. It was sheer hell.

**Phantom Squash-Grower**  
After a few weeks, my neighbors began locking their doors when they saw me coming up the walk with a bag under my arm.

It finally got to the point where I was going out in the street and flagging down cars, hoping some kind motorist would accept a few pounds of squash.

Then I hit on a solution to the problem. Late at night I would drive into a strange neighborhood, leave a bag of squash on a doorstep and run.

Police received numerous complaints and assigned some of their best men to the case, but they were never able to track me down.

All they could do was shake their heads and say, "the phantom" squash-grower strikes again."

## Irish Blitz By Helpless Illini

CHAMPAIGN, Ill. (UPI)—Jim Seymour caught five passes, two of them for touchdowns, Saturday to set a Notre Dame career reception record in a 47-7 rout over hapless Illinois.

The Illini were adept neither on offense. They were held to minus 4 yards on the ground as the Irish racked up 357 total yardage.

In the first half the Illini could not even pass their own 45, while Notre Dame scored four touchdowns and two field goals.

Bob Gladieux scored twice for the Irish on a one yard plunge and a 10 yard run, and sophomore fullback Jeff Zimmerman pranced over from the seven.

Seymour played only in the first half but that was time enough to catch scoring passes of 18 yards and 48 yards from Terry Hanratty.

Hanratty stayed in the game for three quarters, but he was lifted after Ron Bess made two interceptions to set an Illini pass interception record for both a game and a season.

Bess returned one interception 75 yards for Illinois' only touchdown. Then he scampered 77 yards with his next theft, but was nailed from behind on the Irish 5 and Illinois could not muster enough offense to put the ball in the end zone.

It was Bess' fourth and fifth interceptions of the year for total yardage of 196 for one Illini record. His single game return yardage of 152 set another record.

## Buckeyes Beat Northwestern 6-2

EVANSTON, Ill. (UPI)—Ohio State ground 54 yards with the second half kickoff Saturday to score the only touchdown of a 6-2 victory over an equally puny Big Ten opponent, Northwestern.

For the Buckeyes, one of the pre-season favorites for the Big Ten title, it was only their second victory in four games. Northwestern has lost four of its last five games.

Both teams worked within their own 45 yard lines most of the game and the Buckeyes' only touchdown came on a flashy kickoff return at the start of the third period.

Dave Brungard was the hero, returning the kick 44 yards to put the ball on the Ohio State 46. And Brungard starred in the following drive to the Northwestern goal line.

He took a pitchout for seven yards and skirted end with another pitchout for 14 yards. Bill Anders caught a 19-yard pass after it was deflected into his arms by Northwestern's Joe Hudson.

A slice through right guard put the Buckeyes on the 3 and Brungard ploughed through left tackle from there for the touchdown.

Gary Cairns' try for the extra point was blocked by Dennis White and the Buckeyes never threatened seriously again.

# Texas Downs 'Hogs' 21-12

LITTLE ROCK, Ark. (UPI)—

Galloping Chris Gilbert blasted for three touchdowns and became the most prolific rusher in University of Texas history Saturday in leading the Longhorns to a 21-12 triumph over the Arkansas Razorbacks.

Gilbert ripped the proud Arkansas defense to shreds, picking up 162 yards in his 38 carries.

He brought Texas from behind in the first half with a

one-yard plunge that followed a blocked Arkansas punt and romped 10 yards in the third period to move the Longhorns further in front.

Then, late in the game after Arkansas had closed the gap to only two points, Gilbert assured the victory with a 12-yard scoring run.

Gilbert, only a junior, set a new Longhorn career rushing mark with that last touchdown. In only 15 games at Texas, he

has rushed for 1,633 yards, breaking the old mark set by Gip Dawson in the 1950-52

Minutes before Gilbert scored the clinching touchdown, Arkansas reserve senior quarterback Ronnie South came off the bench to take the Razorbacks 80 yards for a touchdown. The final eight yards came on a pass from south to tailback Mike Hendren.

But South's two-point conversion attempt fell at the feet of Hendre, leaving Arkansas trailing 14-12.

The only Arkansas score

came in the first period and was set up by Terry Stewart's 31-yard punt return. Wingback David Dickey scored from a yard out, to put the Razorbacks temporarily in the lead.

The extra point was blocked by defensive end Mike Perrin, who was a standout on defense all day.

Along with the blocked extra point, Perrin intercepted a pass, recovered a fumble and grabbed off the block punt that set up the Longhorns' first

score.

Texas 21 0 7 7-21

## Fla. Seminoles Blister Tech 28-12

TALLAHASSEE, Fla. (UPI)—

Flanker Ron Sellers pulled in nine passes for 147 yards, including an 11-yard touchdown catch, to lead the Florida State Seminoles to a 28-12 homecoming victory Saturday over the Texas Tech Red Raiders.

Sellers' grabs pushed his career total to 103, highest in Seminole history, as Florida State took its third straight win.

Bill Moreman plunged for two touchdowns and Bill Gunter added the fourth.

The Tech running attack, ranked third nationally before the game, drove continually on Florida State, but managed only an eight-yard scoring run by

quarterback John Scovell, and field goals of 42 and 50 yards by Ken Vinyard.

Florida State, behind 3-0 late

in the first half, struck for two touchdowns within a minute to take a 14-3 lead at intermission.

The first score was set up by Chuck Eason's pass interception on the Tech 41. Seven plays later Gary Pajcic threw the 11-yard touchdown pass to Sellers

and the Seminoles were in front to stay. Grant Guthrie kicked his first of four extra points.

Following a Raider punt

Texas Tech got back-to-back 15

yard penalties and Florida State

had a first down on the 20.

After a Pajcic to Sellers pass

for 13 yards, fullback Moreman

skirted end for seven yards and

touchdown.

Early in the third quarter a

pass interference call against

Tech gave the Seminoles the ball

at the Raider 19. Moreman

picked up 16 yards to the three

and swept end two plays later

for his second score of the day.

Tech came back strong late in

the third period, picking up a

field goal and Scovell's touch-

down, closing the gap to 21-12.

Florida State clinched the

victory early in the fourth period

when reserve halfback Gunter

went off tackle for six yards

and the game's final touchdown.

The score was set up by

Pajcic to Sellers pass which

covered 46 yards and set the

Seminole up with a first down

at the six.

Florida State is 3-2-1, while

Tech's record stands at 2-3.

## Gophers Upset Spartan's 21-0

MINNEAPOLIS (UPI)—Curt

Wilson, a man without a

position all season, quarter-

backed Minnesota to a 21-0

upset victory over Michigan

State today, establishing the

Gophers as early favorites for

the Big Ten's Rose Bowl berth.

Coach Murray Warmath, un-

happy with the sporadic offense

generated by his other signal-

callers, installed Wilson as

starting quarterback for the

Gopher homecoming game and

the 190-pound senior delivered.

He tossed three touchdown

passes, ran for key yardage

and engineered the Gopher attack

almost without a flaw. He

received valuable assistance

from George Kemp and Jim

Carter whose running loosened

the Spartan defense for Wilson's

aerials.

Yale 21 Columbia 7.

NEW YORK (UPI)—Bull-

strong halfback Calvin Hill and

acrobatic fullback don Barrows

each ran for a touchdown and

continually alternated on explo-

sive thrusts through the middle

of Columbia's outmanned de-

fensive line Saturday as Yale

wrecked the Lions' homecom-

ing with a 21-7 Ivy League vic-

tory.

Hill, the biggest running back

in the Ivies, at 6-3 and 215

pounds, scored in the second

period and the high-stepping

Barrows clinched the triumph

by ramming over in the fourth,

enabling Yale to score its first

victory at Baker Field since

1956 and remain tied for first

place in the league with a 2-0

record.

## Clarendon 'Boot's McLean Tigers 9-8

MCLEAN — Clarendon be-

lieves in close ball games and

also believes in winning 'em.

They've now won two straight

on the toe of Philip Longan,

who's field goals have won for

two straight weeks.

Friday night Longan kicked a

32-yarder against McLean to

give the Bronchos a 9-8 District

2-A victory over the Tigers.

Last week Longan kicked once

against Canadian for a 3-0 Cla-

rendon win in a non-conference

battle.

McLean, who upset Claude

last week, now stands 3-4 for

the season and 1-1 in district

play. Clarendon went to 1-0 in

league play and 4-21 for the

season.

The Tigers, who have one of

the best defenses in the Pan-

handle, led for over three quar-

ters when quarterback Joel

McCarty scored from four

yards out in the first period.

Thacker Haynes ran the two-

point conversion for an 8-0 lead.

Clarendon's touchdown came

in the second period when Steve

Land scored from four yards

out to cap a 55-yard drive. The

run for the conversion failed

and the Tigers held an 8-6 half

time margin.

Neither team scored in the

third quarter and neither had

tallied in the fourth until Lon-

## SOONERS SHAKE TEXAS LOSS

# OU Clobbers Kansas State 46-7

MANHATTAN, Kan. (UPI)—

Powerful Oklahoma blended the

brilliance of quarterback Bob

Wormack and running talents of

tailback Steve Owens into a

shattering 46-7 victory over

Kansas State in Big Eight

football Saturday.

Wormack passed for one

touchdown, ran for another, and

Owens scored three times on

short runs in boosting the

Sooners to a third victory in

four starts.

Kansas State, now 1-4, failed

to get past the Oklahoma 40

until midway in the final period

when quarterback Bill Nossek

took the Wildcats on an 80-yard

scoring march, sending tailback

Cornelius Davis over from the

line.

The Sooners, who haven't lost

to K-State since 1934, mounted

scoring drives of 74, 80, 70, 78,

and 80 yards in easing a 32-0

lead after three quarters.

Oklahoma took the opening

kickoff for the fourth straight

time this season and drove for

a touchdown—spanning 74 yards

in 15 plays. Tailback Ron Shotts

netted 40 yards running and

Wormack hit a crucial 27-yard

third down pass, with Shotts

scoring on a one-yard burst.

Second stringer Jim Burgar

engineered the Sooners' second

score on their next possession.

Owens scored on a four-yard

jaunt off tackle. Wormack's 19-

yard touchdown pass to flanker

Eddie Hinton capped a four-

play, 70-yard drive in the

second quarter, giving the

Sooners a 20-0 halftime lead.

Oklahoma scored both times

it got the ball in the third

quarter with Wormack running

three yards for one touchdown

and Owens going one yard for

another.

Linebacker Don Davis blocked

a K-State punt deep in Wildcat

territory in the final period, and

end Wayne Nelson recovered at

the 8. On the first play, Burgar

## ANOTHER UPSET

## Miami to Stay In Eight-Man

No Top O' Texas area teams will move up or down in classification under new district alignments set forth by the University Interscholastic League.

Districts 1-A, 2-A and 5-B will have a new member or two and Silverton will move out of District 2A to District 3-A for the 1968 season.

District 3-4A will remain the same with the same teams in the same zones but will officially be known as 4-AAAA.

There was one error in the classifications. Miami will continue to play eight-man football and will not go back to 11-man as was stated in the Friday Amarillo paper.

District 5-B will have Booker, Follett, Groom, Lefors and a new member, Texline.

Miami will be in the District 5-B eight-man conference.

Miami principal Weldon Snodgrass said Friday this was definite and Miami would continue as an eight-man team for at least another year.

"We like it right where we are, besides we do not have the personnel to play 11-man football," Snodgrass said.

Canadian, Gruver, White Deer, Stratford and Sunray presently make up District 1-A.

One team, Fritch, has been added to make this now a six-team district.

In District 2-A Claude, Clarendon, McLean and Silverton make up the district this year but in 1968 Silverton goes to 3-A with Happy and Vega, both Class B schools this year moving to the district.

## ADD PITCHERS

CHICAGO (UPI)—The Chicago White Sox have completed their fall roster by adding a pair of left-handed pitchers from their Indianapolis farm club in the Pacific Coast League.

Added to the White Sox roster were Kenneth Fralling, a 19-year-old from Marion, Wis., and Gerald Nyman, 23, of Logan, Utah. Both are left-handed pitchers.

Amarillo's sixth-ranked Sandies handed Pampa their third consecutive shutout, their seventh straight loss and their second North zone loss by breezing to an easy 41-0 victory.

The 41-points given up by the Harvesters is a total of 297 for the season, breaking the old mark of 284 set in 1961. Pampa has scored only 18 points all season.

But at the 23 the Harvesters lost the first of two fumbles and

In an attempt to confuse the Sandies, or themselves, the Harvesters came out in a shotgun formation after recovering an Amarillo fumble on the kick-off on their own 46-yard line.

Steve Summers got his first call at quarterback and guided Pampa to the Amarillo 21, hitting one of three passes for 21 yards.

But at the 23 the Harvesters lost the first of two fumbles and

the ball behind the end zone for an Amarillo safety.

Summers was allowed to pass only three times. He spent the last three quarters on defense.

After Pampa free-kicked to the Sandies following the safety the North zone leaders took it in from the Pampa 34 in three plays with halfback Harmon Hollar scoring from nine yards out with 5:05 left in the

first period. The kick failed but it was still 8-0.

After forcing Pampa to punt the Sandies drove 33 yards in five plays with quarterback Dick Graham scoring from the 11 and Marcus Jones' kick made it 15-0 with 1:36 left in the period.

The first time they had the ball in the second period Amarillo drove 44 yards in four plays with Hollar scoring in from 33

yards out. The kick failed but the count went to 21-0.

Amarillo scored twice more before halftime with Wendell Cobb's five yard sprint with 6:34 left capping a 71-yard march to make it 27-0. With 58 seconds left Jimmy Pickard went in from the one to cap a 57-yard march and Jones' kick made it 34-0 at halftime.

The final Amarillo touchdown

came in the third period on a 65-yard march with Robert Love carrying in from the eight and Graham kicked the conversion with 4:58 left to make it 41-0.

Pampa threatened only once in the second half, when quarterback Dwight Rogers led them from the Pampa 33 to the Amarillo 14 in the third period but on a fourth and 11 Rogers made only four yards after hitting four of four passes in the drive for 37 yards.

Pampa could manage only 39 yards on the ground, 13 in the second half, and eight first downs. The Harvesters did pick-up 71-yards in the air on eight of 23 passes with Rogers hitting seven of 11 for 56 yards.

Jay Johnson was the principal receiver with three catches for 32 yards and halfback Wayne Williams had two grabs for 35 yards.

Chris Kenny and Rogers were the leading ground gainers for Pampa with Kenny getting 16 lengths on eight carries and Rogers had 13 yards on seven carries.

Reserve halfback Pat Shanklyn was Amarillo's leading gainer with 62 yards on 10 carries and Hollar had 61 yards on six carries.

Pampa goes to Amarillo Friday for a North zone contest with Caprock.

# Bucks Blister Canadian

**WHITE DEER**—White Deer drove 45 yards in four plays to post its first touchdown early in the first quarter, and thereafter never relinquished control of the game to beat Canadian 21-7 in a District 1-A skirmish here Friday night.

Tailback Lonnie Lane tallied the first score when he slashed off tackle and scampered 38 yards to the goal.

The Bucks drove 70 yards to put their second score on the

board, highlighted by a 29-yard pass from quarterback Stan Bush to end Steve Urbanczyk. Lane drove over from the six in the first play of the second quarter to cap the drive. The extra point try was good and the score 14-0.

White Deer's potent offense struck for paydirt again midway in the second period when they moved the ball from their own 33 down to the Wildcat 20, sparked by a 40-yard pass from

Bush to Urbanczyk. Faced with fourth down-and-four-to go situation at the 19, Bush fired a pass to end Jerry Grange—but he caught it out of bounds and the Wildcats took over on downs.

So completely did the Bucks dominate the first half that the Wildcats were able to get inside the White Deer 40 yard line only once—when the Bucks fumbled—the Wildcats recovered. But the Wildcats promptly

fumbled themselves, and were never able thereafter to penetrate beyond the 45 yard line. The Wildcats came back stronger in the second half and threw up a stiff defense to set up their first score.

Forcing the Bucks to kick, the Wildcats were able to take advantage of a short punt and start their drive to the White Deer 36. Halfbacks Gary Purser and Johnny Curtis spearheaded the drive but quarterback Terry Robinett was the

man who found the mark when he hit end Jerry Thomas for a short touchdown pass.

Bush added icing to the cake for the Bucks when he climaxed a 65-yard fourth quarter drive by diving over from the one yard line. The extra point try was good and the score was—and remained—21-7.

The game was Canadian's first district outing, but the Bucks now stand 2-0 in conference play after clubbing Sunray 45-12 last week.

White Deer now boasts a 6-1 season record, their only defeat being a 10-8 upset pulled by Claude, Canadian 15-4-3.

White Deer hosts Wheeler Friday in a non-conference game while Canadian goes to Gruver.

**SCORE BY QUARTERS:**

Canadian 0-0-0-7  
White Deer 7-7-7-21

**Scoring:**  
WD—Lane, 29-run. (Martinez kick.)

W.D.—Bush, 7-yard run. (Martinez kick.)

C—Purser, 10 pass from Robinett. (Robinett kick.)

WD—Bush, 1 yard run. (Martinez kick.)

## Groom Ends Six Game Slump, 30-14

**SILVERTON**—Groom broke a six-week dry spell Friday as they finally found a Class A ball team to their liking in Silverton.

Mike Helton's passing and Bobby Goodlett's catching were the keys to success as the Tigers ran their season record to 1-6 with a mighty 30-14 victory.

Groom opens District 5B play next week by playing host to Booker in a homecoming game. Booker is the district favorite.

Helton passed for two touchdowns and ran another, plus passing for one two-point conversion and running one himself.

But the Tigers had to put up a tight defense in the second half for victory as they broke a 14-all tie in the third period.

Groom jumped to an 8-0 first period lead when Dornie Babcock capped a 57-yard scoring drive by going in from the one. Babcock then scored the important two-point conversion.

The Tigers made it 14-0 in the second period when Goodlett scored on a 15-yard pass from Helton. The pass for the conversion failed.

But Silverton came back before halftime to score on a 24 yard pass and then returned a punt 63 yards as the half ended to knot it 14-14.

But in the third quarter Helton hit Goodlett on a 40-yard scoring toss and then ran the conversion for a 22-14 third period lead.

In the final stanza Helton capped a 61-yard drive by going in from the two. Danny Blackwell scored the two-pointer on a pass from Helton.

**SCORE BY QUARTERS:**

Groom 8 6 8 8-30  
Silverton 0 14 0 0-14

**Scoring:**

Gr—Babcock, 1-yard run. (Babcock run.)

GR—Goodlett, 15-pass from Helton. (Pass failed)

GR—Goodlett, 40-pass from Helton. (Helton run)

Gr—Helton, 2-yard run. (Blackwell pass from Helton)

# Goad Paces Wheeler

**CLAUDE**—Attention District 2-A: Fred Goad is now back in full throttle for the Wheeler Mustangs.

Nobody realizes that more than the Claude Mustangs as Goad scored three-times Friday night to lead the District 2A leaders to a 28-12 victory.

Goad, who had been seeing only limited action for the past month, doing mostly nothing but the punting and extra point kicking, scored on runs of nine, six and 15 yards to pace the win. Wheeler's fifth against two losses. The Mustangs are now 2-0 in conference play. Claude is 0-2.

Actually it took a fumble re-

covery and pass interception for the Mustangs to win as they trailed twice in this contest.

Claude went in front in the second quarter when Billy Bartley scored on a 30-yard pass from quarterback Edwin Campbell. The kick failed but Claude led 6-0.

Goad recovered a Claude fumble on the 40 and six plays later went over from the nine. Quarterback Bobby Ware kicked the conversion to make it 7-6.

This lead didn't last long as shortly before halftime Campbell went over from the one to cap a 56-yard Claude drive. This time the run for the conversion failed and at halftime

Claude led 12-7.

The Mustangs came roaring back in the third period and led 14-7 when the quarter ended.

Goad again was the big gun as he went in from the six, capping a 71-yard drive by the Mustangs. Ware kicked the point.

Defensive halfback Dornie Manning put icing on the cake in the fourth period when he intercepted a Campbell pass on the home team's 40-yard stripe and raced in to score. This time Goad added the conversion to make it 21-12.

Goad, last year's scoring lead, capped the scoring with his 15-

yard touchdown and then kicked the conversion.

Goad's 20-point night gives him a total of 45 for the year. White Deer quarterback Stan Bush retained the scoring lead with two touchdowns against Canadian Friday for 54 points.

The Mustangs journey to White Deer Friday night for a non-conference game with the Bucks.

**SCORE BY QUARTERS:**

Wheeler 0 7 7 14-28  
Claude 0 12 0 0-12

**Scoring:**

Cl—Bartley, 30-pass from Campbell. (Pass failed)

W—Goad, 3-yard run. (Ware kick)

Cl—Campbell, 1-yard run. (Run failed)

W—Goad, 6-yard run. (Ware kick)

W—Manning, 40-yard pass interception. (Goad kick)

W—Goad, 15-yard run. (Goad kick)

**JACKSON BACK**

NEW YORK (UPI)—Left-hander Al Jackson, a member of the original New York Mets, is returning to the Mets from the world-champion St. Louis Cardinals.

Jackson was reacquired in a transaction marking completion of a trade last July 16 when the Mets sent righthander Jack Lamabe to the Cards for a player to be named later.

## Guthrie Sends Miami Reeling to 70-6 Loss Friday

**MIAMI**—Guthrie sent Miami reeling in District 5-B eight-man football game and retained their lead in the district race.

The visitors led 42-0 at halftime and went on to a 70-6 victory over the host team.

Curtis Holland scored Miami's lone touchdown in the third quarter on a 30-yard run. The run attempt for the conversion failed.

Miami hosts Morse, a 72-0 winner over Patton Springs, next

week in a district outing.

**SCORE BY QUARTERS:**

Guthrie 22 20 0 28-70  
Miami 0 0 0 0-6

MI—Holland, 30-yard run. (Run failed)

# Tourneys Spice Action

By IRMA GLYNN

Bowling has really been heavy in the air this past week with tournaments in full swing around the area.

Last week the "Western Open" started at the Amarillo Bowl with several of our local bowlers setting quite a pace.

The "Doug Boyd Motors" team shot a 2717 in team event and Marie Parsey shot a 515 series or a 122 pins over her average in her doubles, incidently, she was my partner, to help put us on top for the time being with an 1103 in B class. Sure hope you stay there Marie.

Also Lib Mitchell and her partner did very well shooting in D class doubles bowling a real nice 900 combined series.

Everyone is trying to get their money and entries lined up for National which will be held in San Antonio this year. Remember girls reservations have to be picked up by Nov. 1st. The younger set is also getting the tournament fever with at least four teams getting lined up for the Turkey Shoot to be held in Amarillo. Thanksgiving weekend, at the Grand Bowl.

That tournament always proves to be a lot of fun with some real fine scores being shot. And don't forget men that the Southwest Tournament will be held in Wichita, Kansas this year.

with entry blanks already out. Mixed leagues have become the most popular leagues bowling around here at the present, with there being six sanctioned this year. Seems to be quite a contest between the wives and husbands as to which can shoot the best scores. I could mention who wins out the majority of the time but I won't girls. Some of the scores resulting from these and other leagues are:

Lou Donghi-226, Howard Musgrave 220-203 for a 610 series and shooting a 224 in another league. Johnny Reynolds, 229, Josh Cox 223, Jim Finkenbinder 235-228-133 for a 596 series, David Staggs 237, Leo Erasswell while shooting for the Mitchell Humble

648, Gerald Vaughn a 225-213-202-640, Wilbur Nail a big 253 game and a 610 series.

Did I say a couple. Ted Erickson had a nice 232 game while bowling for the Dairy Queen team on Thursday night. As you can well see the men have had a very good week. Maybe the week-end will be ours girls.

We have had some awfully nice scoring from the women also with such scores as:

Marilyn Erickson 213, Vesta Parker 211, Minnie Cable 202, Wylene Patrick 201, Mary Clark 219-531, Mary Ray 534, Lodema Mitchell 207, Aline Keel 200, Dot Osborne 528 and Teresa Hogan 512, Rita Stedum 210-553, and our hats off to Peg-Kasteln for a beautiful 641

team lined up. 235-182-256 for a 673, Ronnie Chase 219-161-229—609 this on Monday night and 225-206-478—609 on Wednesday night, two in one week is pretty good. Jerry Thompson 223, Ronnie Havens 199-231-200—630, L. C. Cable 187-201-213—601, Travis Beck was having a good week too, shooting in the Hits & Mrs. League 178-253-221—652 for the Texas Furniture team and on Thursday night a 234-195-235—644. It was brought to my attention that in the Petroleum league bowling on Monday night there were four 600's and 24-200's. What makes this so outstanding is that the league probably doesn't average over a 155 per man. A couple of more outstanding series were shot by the men this week, a 219-243-198—660 by Bobby Nutt, Bryant Nail with a 221-202-225—

Ronald Wayne Thompson and Mrs. Joan Huest.

Glen Howard Bennett and Mrs. Mammie Ruth Nash.

Howard Wayne Miller and Lina Stewart.

William Henry Jones and Mrs. Anna Mae Porter.

### ELECTION DATE SET

SAN ANTONIO (UPI)—The San Antonio City Council set Dec. 5 for an election on a proposed 1-per-cent city sales tax for the city.

### JUDGE SETS HEATING

FORT WORTH, Tex. (UPI)—U.S. Dist. Judge Leo Brewster set a hearing for Oct. 26 to decide whether Bell Helicopter production workers must pay a \$20-a-month strike assessment levied by the United Auto Workers at a union convention Oct. 8 in Detroit.

Two Bell employees, Calvin Gregg and T. L. Hall filed the suit against UAW Local 218 saying the assessment was illegal.

### WORLD ALMANAC FACTS

The World Almanac says that defense expenditures in 1961 were \$44.7 billion, which represented 8.8 per cent of the gross national product. During fiscal 1966-67 defense expenditures were nearly \$74 billion, of which \$24 billion was for the Vietnam war. This represents 9.1 per cent of the current gross national product, which is running at a rate of more than \$770 billion a year.

## Television In Review

By RICK DU BROW

HOLLYWOOD (UPI)—We read the network press releases.

From CBS-TV: "The fondness of today's hippies for long hair was shared by men of the Old West," says Stuart Whitman, who stars as Marshal Jim Crow on "Cimarron Strip," 90-minute Western drama series in color Thursdays on the CBS television network. "Among other reasons," he explains, "they believed that the Indians thought a man with long hair was more dangerous and they would be less likely to attack him."

### PLANS TO PROTEST

HOUSTON (UPI)—Roberto Ornelas, national president of the Latin American Citizens (LULAC) said he will complain before a cabinet level hearing next week that the federal antipoverty campaign is generally ignoring Mexican-Americans.

Sargent Shriver, director of the antipoverty program, will preside over the hearings Oct. 26 in El Paso.

### TEETH MISSING

CLEVELAND (UPI)—Detectives were pondering the case of a toothless dentist.

Dr. Albert C. Leizman lost his teeth—56,000 of them—to a burglar who bypassed cash and other valuables. The \$1,200 dollars worth of teeth were of various shapes and sizes. Dr.

I've always felt that way too.

Bleck, one of the key characters in "Ladykiller," airing on ABC-TV's "The Big Valley," is Anthony James' second appearance as an actor. He made his debut in "Gunsmoke" episode, playing Royal Dano's brother.

In "Ladykiller," he plays Dano's son. "Actually," he says, "we're not even related."

Actually, who cares?

From NBC-TV: "President Johnson, Secretary of State Dean Rusk and Danny Kay are just three of some eight million Americans who often start the day with the NBC television network's color series 'Today.'"

Cleverly handled, and leaking the names that way, you could get 2,666,667 press releases out of that angle.

From NBC-TV: "What makes The Monkees tick? What do they think about the public's reaction to them? What do they think individually about their image?"

What, after all, is the difference?

From CBS-TV: "Art Linkletter asked a nine-year-old 'House Party' guest if he knew how to remove air from a flask."

"You fill the flask with water," the boy said, "tip the water out and put the cork in quick."

All things considered, the answer is at least as intelligent as the question.

From ABC-TV: "Everybody knows that things are not always what they seem in Hollywood—there are false fronts on everything from buildings to actresses—but when similar treatment is given an elephant, that's news."

Not necessarily.

In 1952, Gen. Dwight Eisenhower, campaigning for the presidency on the GOP ticket, said that if elected he would go Korea and seek an end to the war.

FIRST NEGRO NAMED SAN ANTONIO (UPI)—C. Thompson Harris became the first Negro ever named to the San Antonio Fire, Police and Civil Service Commission. Harris, a rent supplement specialist of the Federal Housing Administration, was named by the city council. His term runs through May 31, 1970.

## WEDDING PLANS

Miss Karen Lind

Mr. and Mrs. Oscar Lind of Laguna Hills, Calif., announce the engagement and approaching marriage of their daughter Karen Lind to Roger Frank Merrill, son of Mr. and Mrs. Ronald Merrill of Pampa. The wedding will be held in the First Baptist Church of Pampa Dec. 27.

## Cultura Club Hears Address on President

La Cultura Club met recently in the home of Mrs. John Ellis. As Mrs. William Chafin, club president, presided, Mrs. Paul Martin led the group in the club collect.

Mrs. Weldon Knight presented a biographical sketch on James Madison. "James Madison was a small man, being only 5 feet, 6 inches tall, and weighing 100 pounds," Mrs. Knight said.

"He participated in the framing of the Virginia constitution, served in the Continental Congress, and was later in the Virginia Assembly.

"He helped with writing the national constitution, was a member of the House of Representatives, and served as Secretary of State under President Thomas Jefferson. He was inaugurated as the fourth President in 1808 and served eight years," she said.

## WEDDING SOLEMNIZED

MRS. PAUL KENNETH WALLACE

Janice Cope Hankins became the bride of Mr. Paul Kenneth Wallace in an afternoon ceremony on Oct. 8th in the First Methodist Church Chapel here. Mr. Wallace is superintendent of Purchasing and Stores for Celanese chemicals. Mrs. Wallace is a secretary for Cabot Corp. After their trip to New Orleans, the couple will be at home at 1032 North Wells here.

## Pampa Women's Club Elects New Reporter

Twentieth Century Culture Club heard committee reports and elected Mrs. Doyle Osborne as club reporter in a recent meeting in Mrs. V. L. Hobbs' home. Mrs. G. L. Craddock, assisted as co-hostess.

The serving table carried out the theme of Autumn, with a centerpiece of Fall flowers. Mrs. Weldon Carter, president, presided as committee reports were given.

Mrs. Warren Hasse, L. H. Hart, and G. L. Craddock were recognized for their work with the club yearbook. Mrs. E. L. Henderson served the yearbook committee as typist.

Those serving on the Presidents' Coffee committee were Mrs. N. Dudley Steele; Mrs. E. E. Shelhamer and Mrs. L. J. Zachry. The coffee was held Sept. 26 to honor presidents of the five Twentieth Century study clubs.

Members also decided to serve as hostesses for the Senior Center, which they did Oct. 12. Mrs. Craddock was chairman of the hostess committee.

After the business session, Mrs. Hasse, program and yearbook committee chairman, introduced the program. "Meet the Missus."

Mrs. Hasse, Mrs. Craddock and Mrs. Hart presented the program. Each had secretly interviewed a member of each club member's family and presented a program on personality sketches of club members.

Sixteen members attended and decided the next meeting will be held Oct. 24 in Mrs. N. Dudley Steele's home, with Mrs. J. L. Chose as co-hostess.

## PHS Teacher Speaks To Skellytown FTA

SKELLYTOWN (Sp) — Otto Mangold, special education coordinator of Pampa High School was guest speaker at the Future Teachers of America meeting recently in the White Deer High School.

Mangold spoke on his past experiences as a teacher, and his present job at Pampa High School. His speech consisted of careers open to students who plan to enter the teaching field and work with exceptional children.

A business meeting was directed by Mrs. Mary Johnson, club president. Nominees were made and a selection made for October flower of the month.

The club also voted to sponsor an Exes Tea Dec. 20, immediately following the movie which will be shown by the student council.

Dresses for the campus pageant show plenty of pockets, pleated skirts that look like kilts, low belts decorated with hardware.

(Daily News Staff Photo)

JUNIOR SERVICE LEAGUE — Mrs. Pat Carter and Mrs. Ronnie Rice sell A. A. Schumacher a ticket to the Junior Service League's annual Charity ball, which is scheduled for Nov. 18 in the Pampa Country Club. League members will use proceeds from the dance to finance the annual speech and hearing clinic held in the Spring for pre-school and school age children. This year eye testing will be added to the clinic held in the First Presbyterian Church. The Mal Fitch Orchestra of Dallas will perform during the annual dance.

## 3 Church Circles Review Missions

Three First Baptist Church Circles met recently in Mrs. Blanche Morrison's home. Mrs. Lois Belote's home and with Mrs. E. E. Shelhamer.

Those participating in the Zolma Northcott Circle program at Mrs. Morrison's home were Mrs. Hugh Shively, prayer calendar and Mrs. F. H. Jernigan, mission study book. Twelve members attended.

Betty Tenison Circle members participating in the program in Mrs. Belote's home were Mrs. Bill Studebaker, mission book; Mrs. Lettie Smith, prayer calendar and Mrs. C. L. McKenney, benediction.

In the circle meeting in Mrs. Shelhamer's home, Mrs. John Damron, directed mission study. Mrs. Joe Boyd gave the benediction. Eight members attended.

## Pierce, Stilwell Exchange Vows

Mrs. Linda Lou Culbertson Pierce and Michael Ray Stilwell exchanged wedding vows Oct. 16 at Clarendon. The couple will live at 217 Miami. The bride is the daughter of Mr. and Mrs. E. M. Culbertson, 828 E. Malone. Mr. Stilwell is the son of Mr. and Mrs. C. T. Stilwell, 720 E. Craven.

## Baker School Plans Annual Open House, Children's Musical

Baker Elementary School parents and teachers will sponsor the school's annual open house and project night beginning at 6:15 p.m. Thursday.

The program will include room visitation for display of the children's work from 6:15 to 7:45 p.m. and the children's musical, at 7 and 8 p.m.

The school cafeteria will be open from 6 to 8:30 p.m. P.T.A. members will assist with serving.

Mrs. Flaudie Gallman will direct the children's program, a musical of "America's Singing Heritage." Children, dressed in costumes of different countries, will sing a variety of songs in two performances at 7 and 8 p.m.

Musical performers are the 42 members of the school choir. The children's mothers made their costumes, which depict different periods and countries in America's history.

(Daily News Staff Photo)

"AMERICA'S SINGING HERITAGE"—Children of Baker Elementary School will present a special musical program Thursday night for parents and guests attending annual open house and project night activities. Costumed children who will perform are left to right, Bill Baker, cowboy; Phil Monaghan, sailor; Star Winborne, square dance girl; David Nipp, bearded pioneer man; JoAnn Duree, pioneer girl; Brenda Moyer, Dutch girl; Brenda Bromlow, Miss America; Ocie Powell, Mr. America and Glenda Watson, Hawaiian girl.

## The Women's Page

Wanda Mae Huff Women's Editor

## Delta Kappa Gamma Chapter Hears Guest Speaker in Business Program

Beta Delta Chapter of Delta Kappa Gamma, met in the City Club Room recently as Miss Mellie Bird Richey, chapter president, presided.

Hostesses were Mmes. Donna Anderson, chairman, Virginia Montgomery, Carrie Irwin, Miss Inez Clubb, and Miss Eva Faye Hutton. Refreshments were served from a table decorated with a Halloween motif.

Miss Yvonne Goss, yearbook committee chairman, distributed new yearbooks to members.

Miss Richey announced the Delta Kappa Gamma regional meeting will be held in Perryton at Perryton High School, Nov. 4.

The business meeting was concluded after reports were given by Miss Pearl Spaulding, chairman of the membership committee, and Mrs. Laura Penick, representing the executive board. Miss Nova Mayo thanked chapter members for items and contributions brought for the Abilene State School.

Program chairman, Mrs. Penick, introduced the program, "The Changing Beat," with Miss Mary Reeve, leader, and Mrs. Ruby Gunn, accompanist. New Delta Kappa Gamma Songs were sung. The sing song was concluded with the singing of the official Delta Kappa Gamma Song.

Mrs. Katy Key, introduced by Mrs. Penick, gave a program, "Choices in a Changing World." She asked members to consider the destiny of the world, the crucial issues of all living, depend on "Your life and mine." God, in His infinite wisdom, gave human beings the privilege and responsibility of choice. We are living in the most changing world that history has ever known. Every civilization is faced with change. The 20th century has seen more changes than all centuries prior to this time. Our problem as women educators is to evaluate changes.

"Our choices in a changing world are made by what our values are. Values give directions and goals to our lives," she said.

Mrs. Key gave three steps for educators to follow: evaluate changes; think, study and learn; and, translate values into actions.

She reminded members "responsibility of women educators is great. As a group we must accept our duty to guide youth in shaping their destiny."

Miss Geraldine Ramey concluded the program with a selection of inspirational thoughts.

## Area Couple Say Vows in Chapel

GROOM (Sp) — Double-ring nuptial vows were exchanged by Miss Laura Jean Blackwell and Pvt. Lynn King Oct. 7, in Chapel 4 at Ft. Polk, Louisiana.

The bride is the daughter of Mr. and Mrs. Page Blackwell of Groom. The bridegroom is the son of Mrs. Bernice King of Claude.

Given in marriage by her father, the bride wore a pastel pink wool suit with hot pink accessories. Her headpiece was pink satin rose with matching illusion veil. She wore white wrist-length gloves and carried a bouquet of white carnations with white satin streamers.

Marcia Blackwell, sister of the bride, was maid of honor. She wore a hot pink wool sleeveless dress with matching shoes and head-piece and wore a corsage of white carnations with pink bows.

Serving as best man was Dan Blackwell, brother of the bride. Following the evening ceremony a reception was held in the home of Sp-4 Bob Carpenter, 103 Nelda Dr., Leesville, La.

## Families Celebrate Anniversary, Birthday

GROOM (Sp) — The Blackwell family gathered at the Guy Blackwell home Oct. 15 to celebrate Mr. and Mrs. Joe Blakeney's wedding anniversary and also Mr. Blakeney's birthday.

Those present were Mr. and Mrs. Herschel Black, Grey, Cary and Tonja of Hereford, Mr. and Mrs. O. P. Blackwell, Mr. and Mrs. Page Blackwell, Danny and Marcia, Mrs. Glona Blakeney, Gary, Sharon and Janet, Mrs. George Britten, George Jr., Tammy, Terry, and Tracy and Patti Ashford, all of Groom, and the host and hostess, Mr. and Mrs. Guy Blackwell, Guy Lynn and Larza.

## ENGAGEMENT ANNOUNCED

Miss Carolyn Nail

Mr. and Mrs. Nick L. Nail, 2610 Navajo Rd, announce the engagement and approaching marriage of their daughter Carolyn Louise to James Thomas McNamara, son of Mrs. Andrew D. McNamara, 1012 N. Somerville, and the late Andrew D. McNamara. Wedding vows will be exchanged Dec. 2 in St. Vincent DePaul Catholic Church. The bride is a 1966 graduate of Pampa High School and is employed with a Pampa department store. Her fiancé is employed with Cabot Corp.

## Women's Missionary Unions Have Three Circle Programs on Missions

The Women's Missionary Union of Hobart St. Baptist Church met in members' homes for circle programs recently.

### Club Hears Public Affairs Speech

The Civic Culture Club met in the home of Mrs. Floyd Pennington recently. Mrs. A. C. Houchin, vice-president, directed the business session. A report was given on the club's field trip to Lake Meredith in September.

Mrs. John McKnerney, program director on Public Affairs, had as her subject, "Thunder on the Campus—Opportunity or Drawback." She spoke of unrest on some college campuses, and quoted from a speech of Laurence A. Kempston, vice-president of Standard Oil Co. of Indiana, to Rockhurst College of Kansas City, Mo. "I wish some of the pupils would bathe and shave more and have a little less arrogance."

"Some students seem to think the quickest way to build a better world is to start out by tearing down every institution now in it. They attract attention by burning draft cards and lying down in front of troop trains. I find the attitude of these students terrifying and destructive. Power which has come into being in this form has been cited frequently as the cause of an apathy and fatalism which seems to be gripping the

young and rendering them uninterested in trying to do much of anything," she said.

She continued by warning of Communist influences on campuses. "Their ideas are still being peddled to the gullible. The Communist Party of the U.S.A. has been remarkably successful in placing its top officials as speakers and lecturers on major college campuses across the nation. Leading Communists have been appearing before well attended student group meetings at the rate of one or more every school year."

Mrs. McKnerney concluded her talk by stating "Communists, Nazis, Facists, and other subversives and their supporters have no right to speak at a tax-supported state university."

The club will not meet Oct. 24 when members will attend the district board meeting at Stratford.

Members present were Mmes. Frank Grantham, A. D. Huls, A. C. Houchin, John McKnerney, W. C. Scott, Katie Vincent and Floyd Pennington. Guests cited frequently as the cause of an apathy and fatalism which seems to be gripping the

meeting. After the prayer calendar was read, Mrs. Meri Smith led in opening invocation. Mrs. Charles Glascock directed the mission program "Different Ways of Worship in Baptist Churches of Hong Kong and Germany." Mrs. Glen Watson, Mrs. A. G. Purvis and Mrs. Woodward participated.

The Martha Ellis Circle met with Mrs. Frank Holman as Mrs. G. N. Hon read the prayer calendar. Mrs. Holman, mission-program director, was assisted by Mrs. W. R. Brown and Mrs. Jimmy Clark. Mrs. J. N. Lockett also attended.

Gwen Arthur Circle met in Mrs. Carl McAnally's home recently to hear Mrs. H. H. Wil-

### Mrs. Lou Nicholl Speaks to P-TA Of Mann School

Horace Mann Elementary School Parent-Teacher Association met recently in the school auditorium to hear Mrs. Lou Nicholl, City-Council P-TA president speak, and to discuss the annual Fun Night program.

Rev. Howard Nason, pastor of Advent Christian Church, Shamrock, gave the devotional. Mrs. Nicholl spoke on "The P-TA, Strengthens Leadership in the Community."

Mrs. Earl O'Neal, president, presided in the business meeting as minutes and the treasurer's report were read and approved. Mrs. Archie Maness gave the treasurer's report.

Mrs. A. E. Berry was elected to attend the state P-TA convention in Fort Worth Nov. 13-17. Miss Yvonne Goss was named alternate.

Fun night was discussed in the executive board meeting before the regular P-TA unit meeting. The annual program will be held 6 p.m. to 8:30 p.m. Oct. 26, and will feature "Harvest Festival" with refreshment sales and a fortune telling booth. The public is invited.

### Grade School Students Win Poster Prizes

SKELLYTOWN (Spl) — W.M. S. Leadership Course of Skellytown First Baptist Church was held recently in the Fellowship Hall with Mrs. Wanda Rogers teaching the course.

Mrs. J. C. Jarvis gave the invocation and read the prayer calendar.

"Worthy-Unworthy, a Dream and a Vision" was given by Mrs. Jimmy Davis and Mrs. Wanda Rogers.

After a salad luncheon at the noon hour, the business meeting was held and the meeting ended with benediction "Hail the Torch High."

Attending were Mmes. Paul Thurmond, Irvin Brown, Bill Campbell, Roy Paul Thurmond, Jimmy Davis, Bill Price, Delie Grant, Walt Shair, J. C.

kie read the prayer calendar, and attend a mission study program.

Others participating were Mrs. Tommy Richardson, Mrs. Roger Hedrick, Mrs. Wilkie, Mrs. Richardson and Mrs. McAnally, program. Others attending were Mrs. Eva Richardson and Mrs. J. N. Hahn.

### Furniture Program Scheduled Monday

Furniture Design and Decorating will be the topic discussed by Jack Foster at 2 p.m. Monday in the auditorium at the Agricultural Office Building east of Pampa on Highway 60. Foster is president of the Retail Furniture Association of Texas and a member of the National Society of Interior Decorators.

This program is sponsored by the Family Living Committee of the Gray County Program Building Committee and the Gray County Home Demonstration Clubs. It is a part of a series of meetings on buying and care of furniture.

Purposes of these meetings are to learn to develop a long-range home furnishings plan to meet individual family needs; to recognize and choose well designed and constructed furniture; to arrange and coordinate furnishings in terms of beauty, comfort, and convenience; and to use appropriate methods in caring for furnishings, according to Miss Jimmie Lou Wainwright, Gray County home demonstration agent.

The public is invited to attend.

It's the hardware that counts on fall coats for the campus set. Look for the coat with the softened military look, too, seamed, belted, and detailed with pockets, buttons and epaulettes. Pattern also is strong in the coat world—in bold stripes and plaids.

## ENGAGED

Miss Suzette Seale

Mr. and Mrs. Ernest E. Seale of Texarkana announce the engagement and approaching marriage of their daughter, Suzette, to Thomas Wayne Frazier, son of Mr. and Mrs. Luther J. Frazier of Texarkana. Wedding vows will be exchanged at 2 p.m. Nov. 4 in Texarkana Baptist Temple, Texarkana. Miss Seale is working at an automobile sales company in Texarkana. She is the granddaughter of Mrs. Lois Blocker, 528 Magnolia and Mrs. E. E. Seale Sr. of Pampa. Miss Seale's fiancé is attending Texarkana College.

### Baptist WMU Has Officer Election

CANADIAN (Spl) — In a realistic Hawaiian setting members of the Baptist WMU elected officers at the church recently during a program on Hawaii.

Officers elected were Mrs. Ben Jordan, president; Mrs. Paul Bryant, vice-president; Mrs. Emery Vignal, treasurer; Mrs. Darrell Wiggins, secretary; Mrs. W. P. Varnell, chairman Bertha Smith Circle; Mrs. Hugh Wilson, chairman of Beatrice Mendez Circle; Mrs. Bob Dillman, chairman mission study; Mrs. John Waters, chairman mission and action; Mrs. Kenneth Morris, prayer chairman.

Others were Mrs. L. P. Ward, YWA director; Mrs. Tom Hobdy, and Mrs. Sam Hulme assistant; Mrs. Charles Cole, GA director; Mrs. Morris Bennett and Mrs. Oliver Waters, assistants; Mrs. Charles Robbins, stewardship chairman; Mrs. Jack King, enlistment and social chairman; Mrs. Drew Cartwell, Rose Narajo Circle chairman; Mrs. Gerald Van Hook, Sunbeam director; assistants; Mrs. Betty Dickinson, Mrs. Jerry Schafer, Mrs. Vernie Farrington and Mrs. Frank Guthrie; Mrs. E. W. Crowder, publicity chairman.

Officers were installed by Mrs. J. C. Cain.

Sweaters come in all lengths for the younger set. There's the skinny, mini-sweater, packed alongside the maxi-sweater, with great bulk and length almost to the knees. Sweaters zip, sweaters button, sweaters are belted. Long cardigans go with a matching knit skirt or dress for the '67 ensemble.

## Baptist Church WMU Starts Year with Officer Installation

The Women's Missionary Union of Hobart St. Baptist Church started a new year of service this month with a salad supper and officer installation.

The Fellowship Hall was decorated to present the theme, "Women's Fashions," with fashion dolls on each table and dress patterns hung on the walls, and a woman mannequin placed at the front of the room. Mrs. A. G. Purvis gave the invocation. Others participating were Mrs. W. R. Brown, welcoming address; Mrs. Roger Hedrick and Mrs. A. Purvis, special music, and Mrs. Meri Smith, benediction.

Mrs. Arnold Hale installed officers, Mmes. Meri Smith, president; Jimmy Clark, vice president; Frank Holman, corresponding secretary and treasurer; Carl McAnally, recording secretary; Dale Butler, YWA director; Evie Eaves, G. A. counselor; Eugene Brock, Sunbeam director.

Chairmen are Mmes. V. L. Oliver, mission action; Roger Hedrick, mission study; Charles Glascock, program; Glen Watson, prayer; Carl Ammons, stewardship; Ed Foran, social and Mildred Stephens, nominating committee.

Circle chairmen are Mmes. Lawrence Rochell, Carl McAnally, I. H. Woodward and W. R. Brown.

Guests attending were Mmes. Mildred Carson and Mrs. Ray.

### WCTU Mothers Meet For Canadian Social

CANADIAN (Spl) — WCTU Mothers meeting was held recently in the WCTU building with Mrs. Bud Webb presiding. "Count Your Blessings" was the opening song.

Mrs. Jess Lindley was program chairman. Evangeline Tims sang a solo. Mrs. E. H. Morris presented a program on the Norad Complex at Colorado Springs.

During the business session, Mrs. R. B. Ranson gave the financial report and Mrs. Morris Bennett the auditing committee report.

Hostesses were Mmes. Lindley, Henry Young, Frank Hutton, Ralph Freeman and T. W. Newton.

Unmarried women over 16 years of age now can receive family planning information and service in the 606 clinics of Britain's Family Planning Association.

## Beta Sigma Phi Chapter Accepts Transfer Member

Xi Beta Chi Chapter of Beta Sigma Phi accepted a new member, Mrs. Dewey McKinney, on transfer from a chapter in Tulsa, Okla., during a recent meeting here.

Mrs. Vernon Cawthorn, valentine sweetheart, distributed balloons to use in selecting the 1967-1968 sweetheart. Mrs. Allen Self was elected to represent Xi Beta Chi in the international Beta Sigma Phi Contest and in the Pampa Sweetheart Ball. Mrs. Ernest B. Fletcher, president, presided for the meeting in Citizens Bank Hospitality Room. Others participating in the business meeting were Mrs. Robert Adams, secretary, and Mrs. Wayne Darrow, treasurer.

Executive board members announced they had met and established a budget for 1967-68 and granted leave of absence to three members who had requested them by letter.

Reports were given from members who attended the area convention in Amarillo recently.

Mrs. Dewey Cudney and Mrs. Robert Adams presented a program on "Better Lighting for Better Living."

Hostesses were Mrs. Bill Baten and Mrs. James Schaffer.

## Thimblette Needle Club Has Area Meet

GROOM (Sp) — The Thimblette Needle Club met recently in the Groom Community Club House with Mrs. Bob Newton and Mrs. George Eschle as hostesses. Names were drawn for the Christmas party.

Refreshments were served to Mmes. N. B. Helton, Billy Corbett, Lee Kirk, John L. Witt, Turner Kirby, Crim Goodlett, Allen Knorpp, C. L. Culver, Jake Lack, John Hickox and Velma Evans.

## Alpha Delta Pi Alumnae Elects New Secretary

Alpha Delta Pi alumnae held their October meeting in the home of Mrs. Bruce Pratt. The president, Mrs. Ronnie Graves, presided. Mrs. Glen Larsen was elected secretary-treasurer replacing Mrs. Paul McDonald who moved from the city.

Members voted to send contributions to the Abigail Davis Student Loan Fund and to the Memorial Garden at the sorority's Central Office in Atlanta, Ga. They also decided to present a silver punch cup to each Alpha Delta Pi chapter pledging a Pampa Girl.

Mrs. Pratt reported on the convention she attended in Vancouver, British Columbia in June. This was Alpha Delta Pi's 116th Anniversary Convention. At that date the group had 116 active chapters.

The next meeting will be the annual Christmas Coffee-Decorating in the home of Mrs. Fred Neslage and Miss Judy Neslage.

Dear Abby

by Abigail Van Buren

DEAR ABBY: Recently you had a letter in your column from a woman signed "Californian," who stated that she and her 30-year-old son had shared a twin-bedded motel room to save expenses while traveling cross country. She said when she casually mentioned this fact to some of her friends, their eyebrows shot up at the "indecent" of such a sleeping arrangement.

Well, if I had been Californian, I would have said, "Look, my son has seen my navel before — and from the INSIDE yet."

Sincerely yours, FLORIDIAN

DEAR ABBY: After reading your letter from the woman who signed herself "Californian," and your answer that she should not concern herself with what others think, believe me, MY eyebrows shot up, too.

My son is 30, and we wouldn't think of sharing a room. She claims she did it to save expenses. There must be cheaper accommodations.

I wonder if your answer would have been the same if it had been a father and his daughter? Or perhaps a brother and sister, both grown, but close in age?

And why did the mother casually mention such a matter to her friends? Would she have mentioned that she and her husband had shared a room? Probably not, because that would have been socially acceptable behavior.

I may be stupid to see anything indecent about this, but I think Mamma was looking for approval because she knew it wasn't the thing to do.

Usually, you are right on the ball. But no one can be right all the time. I think that woman should at least be told to

keep such information to herself.

SURPRISED AT YOU  
DEAR ABBY: You were too mild in your reply to Californian. You should have asked her how she felt about families who go on camping trips together. Would she consider it indecent for all of them to sleep in the same tent? Or should they have separate tents?

DISGUSTED  
DEAR ABBY: To the Californian who shared a room with her 30-year-old son: I am a grandmother of a 27-year-old boy and when we go on trips, we always share the same room. His mother and I think nothing of crawling into bed with him in the mornings for chit chat.

We've had eyebrows raised, too, but we just put it down to nasty-mindedness. There is no harm in it. To a mother he is still a small boy.

HIS GRANNY

DEAR ABBY: What amazed me most about Californian's letter was that her 30-year-old son apparently had no objections to sharing a room with his mother. I would have been revolted! He surely showed a lack of manliness. Furthermore, I am surprised that the motel proprietor would have permitted such an arrangement.

VANCOUVER ISLANDER

## Demonstration Club Attends Meeting

Worthwhile Home Demonstration Club met with Mrs. C. B. Rogers recently for a program by Miss Jimmie Lee Wainwright, Gray County Home Demonstration Agent, on "Where Does Our Money Go?"

Mrs. O. G. Smith, president, conducted the business session, for the 13 members attending. During her program, Miss Wainwright suggested the members keep financial records a month to learn exact values of money and monthly expenses.

Members will meet with Mrs. N. B. Cude, 526 S. Ballard, Friday.

Other members attending the meeting with Mrs. Rogers were Mmes. Roy Tinsley, N. L. Welton, John T. King, Lester Reynolds, John A. King, Boyd Brown, W. G. Kinzer, Ray Robertson, Pearl Ferguson, Miss Yvonne Reynolds and J. C. Payne. Three guests were Mrs.

Hattie Harmon, Mrs. Ola McAfee and Mrs. W. L. Jordan.

Bible Study Group Has Skellytown Meeting

SKELLYTOWN (Sp) — Bible Study Group of Skellytown First Baptist Church held their weekly meeting in the home of Mr. and Mrs. Leroy Allen in Skellytown recently.

Mrs. Allen opened the meeting with prayer. The class teacher, M. L. Mercer, brought the lesson entitled "Doing Good Works." Special scriptures were read by each one attending. An oral test was given at the end of the lesson.

Those attending were Mrs. Irvin Brown, Kelly Brown, Vicki Mercer and Messrs. Mmes. M. L. Mercer, Leroy Allen and Paul Mathews.

## Lefors TOPS Club Has Salad Supper

LEFORS (Sp) — Three Lefors TOPS celebrated their second year anniversary recently with a salad supper in the home of Thelma Roberts.

Members weighed and measured as they entered. The club registered 25 pounds lost and two pounds gained. Mrs. Cynthia Cates wore the crown and received the fruit basket for five pounds lost.

Norma Lantz directed the business meeting. Vada Smith led the pledge. Thelma Roberts read the minutes from last meeting and gave the treasurer's report.

After members sang songs, a new member, Maurine Allison, was welcomed into the club.

Mrs. Bettye Read and Marilyn Lewis were capped for the graduation ceremony for Kops and Audie Howe was recognized.

## Sundowners 4-H Attend Programs

Sundowners 4-H Club attended two programs recently, one to elect officers and another to hear a program on wildlife by Ben Johnson, assistant Gray County agricultural agent.

In the first meeting in the Courthouse annex, east of city, officers elected were Dusty Morrison, president; Margaret Spearman, vice president; Melinda Spearman, secretary; John R. Spearman, council representative.

In this first program, Margaret Spearman told the group she has won third place in the county bake sale show, and Miss Spearman told members she had won first place in the Junior Dress Revue.

In his program, Johnson showed a wildlife film. Don Morrison adult leader, reviewed the 4-H program and work for new members and guests. New club officers conducted the meeting.

New members attending were John Cox, Wana Moore, Suzanne Etheredge, Ladell Green and David Rodgers.

Guests and other members attending were Jay Spearman and Frank Morrison, Mr. and Mrs. John Spearman, Mr. and Mrs. J. H. Cox, Jim Morrison, Mrs. George Etheredge, W. H. Greene, Mrs. W. C. Moore and Harrison Dismuke.

The next meeting will be in the courthouse annex at 8 p.m. Nov. 3 for a project workshop.

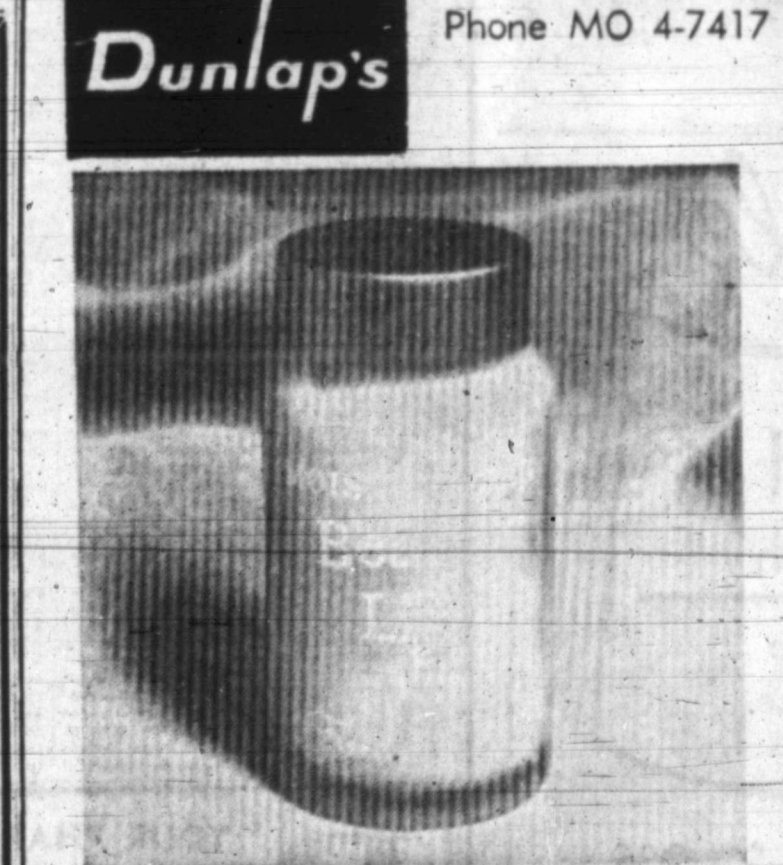

If a woman is well-dressed, chances are almost one in two that she'll be wearing a wig.

Richard Hartwich, wig maker, says 40 per cent of women in the middle and upper classes will be wearing wigs in the coming year. "Women buy two and three wigs, often more, in different shades, in order to give variety and change of pace to their appearance," he says.

The avocado dates back to the ancient Mayans and Aztecs of Mexico.

## Lift the Years Away

There are lines that age a woman unnecessarily. These are the small ones etched around the eyes, the little drawn ones around the lips, perhaps a few on the cheek that come from a dry skin condition. These are the lines Frances Denney would like to help you ease away. And for this purpose, she has designed "Moisturing Beauty Lift."

A few drops of this delightful creamy lotion smoothed over your face and —voila—

ized as the 1966 year's queen. Kops Graduates received a charm from the club and the queen was given a queen's charm.

Eleven members attended.

## Mrs. Swart Feted At Baby Shower

Members and guests of Upsilon chapter of Beta Sigma Phi met recently for a tour of Las Pampas Galleries. Coffee was served by Mrs. R. A. Johnson.

Following a program by Mrs. Bonnie Sharp, the chapter adjourned to the Hospitality Room of the Citizens' Bank and Trust Co. for a business meeting and a baby shower honoring Mrs. Charles Swart, Jr.

Mrs. Charles Potter, president, presided at the business meeting as Mrs. Jack Byrd announced Upsilon's Preferential Tea will be held today at 3 p.m. in the Hospitality Room of the Citizens' Bank and Trust Co.

Hostesses were Mmes. B. L. Stephens, Jack Stafford and Kenneth Freeman. Refreshments were served from a table featuring a blue cradle filled with pink flowers, flanked by blue candles. Tiny blue candles served as individual mint cups.

The cake was decorated with a white baby buggy and pink roses.

Guests were Mmes. Kenneth Hefflin, Melvin Housden, Jack Eubanks and Horace Ware, Jr., mother of Mrs. Swart.

Members present were Mmes. Robert Brogdon, Jack Byrd, Weldon Carter, Kenneth Freeman, Glen Gold, Ellie Griffith, D. L. Hinkle, Bill Kindle, Carol Lyman, James Ownsby, Charles Potter, Bonnie Sharp, Price Smith, Jack Stafford, B. L. Stephens, Charles Swart, Jr., and Fred Epperly.

## Sunday School Class Has Ice Cream Social

SKELLYTOWN (Sp) — The Naomi Sunday School Class ice cream social was held recently in the Skellytown First Baptist Church Fellowship Hall.

Mrs. Paul Thurmond introduced guests. Mrs. Wilbur Spain gave the devotional taken from Ephesians 3:7.

Rev. Merle Rogers led in prayer and a series of prayers by members. Mrs. Wilbur Spain conducted two Bible games.

The serving table was covered with a white linen cloth and centered with a bouquet of cream color roses in a green bowl.

The meeting ended with benediction by Rev. Rogers.

Attending were Messrs. and Mmes. Rev. and Mrs. Merle Rogers, Wilbur Spain, Paul Thurmond, A. R. Baker, Ira B. Colley, Ralph Gilpin, Harry Carter, Adolph Novotny, Mrs. Clara Brown and daughter Sue, Mrs. Bill Houghton, and two sons Jeffery and Greg, Mrs. Clifford Coleman, and four visitors, Mr. and Mrs. John Fairbetter of Snyder, Okla., Mrs. Mable Arnett, Hennessey, Okla., and Mrs. Eva Field, El Reno, Okla.

## Texas Tech Professor Shows Antarctica Film

Dr. Vernell Yates, Texas Technological professor, showed a film on Antarctica during the meeting of Canadian River Gem and Mineral Society recently in Borger.

In his narration, he said Antarctica has rugged terrain with some 14,000 foot-deep glaciers. The ice pack around Mt. McKinley is 2,000 feet deep. Climbers can see 150 feet of the mountain top.

He also said coal is the only mineral of economic value. In his display he showed rock and petrified wood specimens.

Dr. Yates has been on three expeditions to Antarctica. The first in 1937 and 1938 to the Shackleton Glacier Area when they could use only dog team and sled for transportation.

On the second expedition in 1962, the transportation had changed from a slow ship to

airplane and from dog sled to motorized sled. The last trip in 1964 was to the Byrd Marine Area, which has strong winds, some more than 100 miles an hour, with temperatures 20 degrees below zero to 20 degrees above.

For recreation, the men played volleyball and found the quickest way down a mountain was to sit down and slide," he said.

The Army has named an irrefield after Dr. Yates and uses jet helicopters to transport men to different areas for mapping and research.

Milo Carlson of Pampa conducted the business meeting. Ollie Winegar discussed the rock show, which was held Saturday and today.

Guests were Dr. and Mrs. Vernell Yates, Mrs. Woodson Ward and Mrs. J. C. Berry.

## Phi Epsilon Beta of Beta Sigma Phi Sorority Attends Business Meeting

Members and visitors of Phi Epsilon Beta Chapter of Beta Sigma Phi Sorority met recently in the Reddi Room of Southwestern Public Service Building.

During the business meeting, conducted by Mrs. Ted Givens, president, committee reports were given and discussed. The members attending the area convention, "Hawaiian Heavens in '67," explained the convention program. They were Mmes. Givens, Don Hufstader, Jim Brashears, Charles Hoskins and Gary Clark.

Mrs. Jim Simpson read a letter from Girlstown U.S.A. Branch representative, who named the girl who was selected for the chapter to sponsor.

Mrs. Clark and Mrs. Hufstader presented the program, "Can I Be Beautiful?"

Others attending were Mmes. Max Patton and Miss Vicki Taylor served buffet style refreshments to members and guests.

Hostesses Mrs. Max Patton and Miss Vicki Taylor served buffet style refreshments to members and guests.

Increasing medical evidence shows a definite connection between the emotions and physical health according to scientists who have been delving into the causes of deafness.

Nearly everyone at some time or other has had an experience with the problem of hearing. For instance... there is the mother who sleeps through the alarm but wakens instantly at the sound

of her baby's slightest whimper... or these is the child who can hear the word "candy" but seems deaf to words expressing something unpleasant to him.

Three psychological factors can contribute to deafness, according to experts: association with a deaf person, the desire to shut out the outside world, and the desire to be someone "special"....

With the rapid advance of today's medicine, you need a MODERN, RELIABLE PRESCRIPTION to prepare your prescriptions... visit Our Modern Store

## Baptist Church Circles Study Worship Ways

Central Baptist Church circles met in the homes of members Wednesday for the study "Different Ways of Worship in Churches of Hong Kong and Germany". Each circle has chosen a missionary for whom their circle will be named for the year.

The Della O'Brien Circle met in the Hal Brown home with eight members and one guest, Lu Trimble, present. Mrs. Merle Terrell, chairman, conducted business. Mrs. Dan Johnson led in opening prayer. Members were seated around a table as the program was presented by Mmes. Tony Maples, Johnson, Terrell, and Brown. The meeting was closed with a circle of prayer.

The Frazier Circle met in the Wayne Cobb home. The meeting was opened with the watchword, "In as much as we have done it unto one of the least of these—

ye have done it unto me." Matthew 25:40. Mrs. R. E. Warren gave the prayer calendar and Mrs. Cobb led in prayer.

The program was presented by Mmes. Corkey Godfrey, Warren, T. O. Upshaw, and Ed Wells. The meeting ended with prayer led by WMU president, Mrs. R. C. Brown.

Those attending besides members were guests, Mrs. Don Litchfield and new member Mrs. Carl Sexton.

The Betty Corne Circle met in the home of L.A. Baxter with Mrs. Virgil Holloway as chairman. Mrs. C.G. Miller led in the prayer for missionaries. Mrs. C.H. Williams presented the program with Mrs. Holloway, Mrs. Miller, and Mrs. W.G. Gooding participating. Mrs. Williams led the closing prayer.

The Flores Circle met in the home of Dean Davis with Mrs. Don Rosenbach presiding and Mrs. Ralph Prock leading in prayer. The program was presented by Mmes. Charles Dykes, Rosenbach, N. R. Lowe, and Joe Chance. Mrs. Dykes dismissed the meeting with prayer.

## Astrological Forecast

By CARROL R. RIGTER

FOR SUNDAY, OCT. 22  
GENERAL TENDENCIES: A Sunday to make you feel good, what ever to life or annoy anyone else for tempers are short and most everyone is in a good mood. If you truly live the Golden Rule now, you not only stay out of trouble but your own life is a joy. Be a good person.

ARIES (Mar. 21 to Apr. 19) — Don't jump out on some sudden trip and leave some important tasks undone or you get into a peck of trouble. Show everyone around that you are thoughtful, kind, and fish chores with a happy and be happy.

TAURUS (Apr. 20 to May 20) — Stop thinking that you should have a good time at a very expensive price. It isn't worth it, and you jeopardize present security. Remember, you have a far greater abundance in the days ahead.

GEMINI (May 21 to June 21) — Don't get into some kind of tangent and be unkind with those at home or spoil an otherwise happy setup. Be thoughtful. Show that you are willing to be of real service and you reap benefits and blessings for yourself as well.

MOON CHILDREN (June 22 to July 21) — Doing anything that could be restrictive would be very foolish on this day. Pay attention to your conscience. Take time to consider others who deserve it. It is a good thing to do during spare time.

LEO (July 22 to Aug. 21) — It's all right to be sociable, but make sure others don't cause you to spend more than it is necessary. Have a smiling face, however. Take time to assist one who is in real trouble. Show that you are a true friend.

VIRGO (Aug. 22 to Sept. 21) — Your reputation could come under a cloud if you are not careful now. Show gentleness with others. Be sure to follow every instruction that concerns you. Do not take any unnecessary chances with anyone.

LIBRA (Sept. 22 to Oct. 21) — Bear clear of whatever is risky in nature and with experts on their day off, etc. Don't let one you met too long ago. This person could bring some fine opportunity your way.

SCORPIO (Oct. 22 to Nov. 21) — Go over your bills and see how best you can take care of them instead of procrastinating any longer. Show that you are an honest person. Make could be rather dishonest—but be kind instead of reticent.

SAGITTARIUS (Nov. 22 to Dec. 21) — Immerse yourself with the fact that you can be relied upon to do at least your share of any work in the days ahead. Some situation crop up that you do not care for. Don't let it disturb you too much.

CAPRICORN (Dec. 22 to Jan. 31) — Showing others you are devoted to them requires doing some favor they will appreciate. Get into some civic work that is very helpful to the community. What ever improves your health should also be done now.

AQUARIUS (Jan. 31 to Feb. 28) — Although you want to get into some form of recreation that you know would let your mate, it is best to forego same. Get into hobby that needs completing, even though you thought you had no time to do so. Be happy.

PISCES (Feb. 29 to Mar. 31) — There are many situations facing you at home. The handling of whom should not be related to another. If there is some servant, or other who is making trouble, quietly let him or her be sensible.

IF YOUR CHILD IS BORN TODAY: he, or she, will be one of those very clever young men who want to solve problems that others find difficult. While the mind is a very logical one, there is too much love of detail here. So be sure to teach to first handle the big issues before digging into all the details. A wonderful

George Anson

## TOPS Club Selects 5 Winners

The Lota Pounds Off TOPS Club met recently here to crown Mrs. Gene Leigh the monthly queen for September.

The club voted to start a new contest which will start with a penny per inch for the waist measurements then the one losing the most inches for the next three months will receive all the pennies. For each inch gained it will be a penny.

Miss Fran Darnell was the winner of the angel of the month for September. The weekly fruit bowl was won by Mrs. Leon Brown; and the red pig had a home with a member of the club.

Mrs. Ray Ramey and Mrs. W.A. Wall gave a lesson in rug making recently. Members displayed rugs they made.

Women interested in T.O.P.S. Club can come to the meetings on Monday evening at 7 p.m. at the Central Baptist Church basement or call 44181 or 44339 for information.

Miss Grace NeCase won the hair set for winning the last contest of making the most points for losing weight.

## Anson to Direct Music Workshop

George Anson of Fort Worth is being sponsored in a piano teachers' workshop Monday by the Pampa Music Teachers Association and by Tarpley Music Co. for Panhandle area piano teachers.

Dr. Anson, a teacher and writer, has been department editor for "Clavier", a music magazine, and also writes the column, "Anson Especially Recommends" for Piano Guild Notes.

In 1961 and 1967, he was named as one of the "Texas Composers of the Year" and was also chosen "Teacher of the Year" for 1967.

His compositions have been published by many different companies. He has conducted workshops for state teachers' associations, universities, colleges and individual groups all over the United States.

He is presently chairman of the Piano Department of Texas Wesleyan College, Fort Worth. He received his Bachelor of Music degree at Illinois Wesleyan University, his Master of Music in composition at the University of Arizona and was recently honored by Illinois Wesleyan University with the Doctor of Humanities degree for his contribution to the field of music.

The workshop will be held here in Tarpley's Recital Hall and will continue from 9 a.m. until 2:30 p.m. with a luncheon served at noon by the Music Teachers Association.

## WMU Circles Have Bible Study

SKELLYTOWN (Sp) — WMU Circles of the Skellytown First Baptist Church met in members' homes for Bible Study recently. Kezzia Mae Searight Circle met in the home of Mrs. Paul Thurmond. Mrs. Irvin Brown gave the opening prayer and read the prayer calendar.

The program "Different Ways of Worship in Hong Kong and Germany" was presented by Mrs. Roy Paul Thurmond. Others on the program were Mrs. J.C. Jarvis, Mrs. Walt Shair, and Mrs. Irvin Brown.

The members drew secret prayer names.

After a short business meeting was conducted by the Circle Chairman, Mrs. Paul Thurmond, a discussion was held on an enlistment program. Mrs. Wanda Rogers, circle president ended the meeting with invocation.

Those attending were Mmes. Irving Brown, Emma Gores, Clyde Horner, J. C. Jarvis, Walt Shair, Roy Paul Thurmond, Jim Ruth, one new member, Mrs. Wilbur Spain and one guest, Mrs. Wanda Rogers.

As Elizabeth Cash Circle met in the home of Mrs. Bill Thompson, Mrs. Thompson gave the invocation.

Mrs. Bill Houghton read the prayer calendar. Mrs. Bill Price had charge of the program. Members participating in the program were Mmes. Don Carter, John Kenny and Jimmy Davis. Scripture verses were read by Mmes. Ralph Gilpin, O. Grant, Don Carter, Bill Thompson and Jimmy Davis.

Secret prayer names were drawn. The next meeting was Oct. 18 in the home of Mrs. Garrett Bewley.

Attending were Mmes. Bill Price, Bill Houghton, Jimmy Davis, John Kenny, Bill Thompson, O. Grant and one visitor, Mrs. Ralph Gilpin.

## Women's Bible Class Reviews Bible Study

SKELLYTOWN (Sp) — The Ladies Bible Class of Skellytown Church of Christ met at the church recently for Bible Study. After the prayer by Mrs. Sadie Lane, members studied the lesson "Christian Women and Christian Homes." The meeting ended with benediction by Mrs. F. C. Horner.

Attending were Mmes. Edna Hales, Evelyn Brobst, Bessie Woodward, F. C. Horner, Grace Smith, Sadie Lane, Jo Beighle and Flora Harbin.

# Panhandle Water Conservation News

By FELIX W. RYALS

The Cooper Reservoir, in Northeast Texas, as a source of water for West Texas and the High Plains, now seems out of the question.

To begin with there is now ample evidence to show that the quantity of water we need is beyond the capacity of Cooper Reservoir. Another dark cloud has now entered the picture in regard to Cooper Reservoir. The Texas Board of Water Development and the U. S. Corps of Engineers have reached an impasse over what the Development Board says is an unreasonable request by the Corps of Engineers to be granted now: the amount of water that they were to get in the year 2020. This water would be used for diffusion of pollution below the reservoir.

**Disagreement**  
While no final decisions have been made, the disagreement over Cooper Reservoir can well make the Texas 2020 Water Plan. Objections are now coming from Louisiana. Louisiana objections raised at the recent meeting of the Red River Compact in Shreveport will probably prevent approval of the compact as now written. Approval of the compact was basic to the preliminary plan of diverting big quantities from the Red River, Sulphur River and Cypress River to West Texas. The need for vast quantities of water for West Texas has now become a necessary part of the 2020 Plan and the necessary water for West Texas is far beyond the capability of the Red River's natural flow. Central attention is now turned to the Mississippi River with its excess of 565 million acre feet that now needlessly empties into the Gulf of Mexico. Apparently the Texas Water planners are now ready to accept the plan suggested by the Bureau of Reclamation to use the Red River as a pumpback system to get water to West Texas. This provides a ready-made right-of-way for much of the route. Studies are now moving ahead by both the Corps of Engineers and the Bureau of Reclamation to use the Mississippi River as a source for water for West Texas, Western Oklahoma and Eastern N.M.

## Left Out

By early spring of 1967 West Texans were fully aware of their left-outness in the Texas 2020 Water Plan. Water Inc. was organized in May of 1967 to press for the importation of water from outside Texas. The Mississippi River showed the greatest practical source. Bringing water from two locations on the Mississippi were suggested. One source was the point where the Arkansas River enters the Mississippi. The other location was where the Red River enters the Mississippi in Louisiana.

To bring water from Mississippi is a very large project; in fact the largest in the world. The current largest water project is the one nearing completion in California. Representatives from West Texas went to California in early September of 1967 to get a first hand look at what they were doing. The West Texans also wanted to find out how they were doing it. This column has been carrying a series of information studies on the trip. Kern County, California, has provided a big source of the answers needed by West Texas. Next week will be carrying more on the Kern County approach.

## Agriculturally Speaking

By FOSTER WHALEY

Last week we mentioned the fact that a vibration might take place in the Live Beef Cattle Future's pit at the Chicago Mercantile Exchange after a Government 32-State Cattle-on-Feed Report was released on Tuesday, October 17.

They didn't have an earth quake but they did have a pretty good tremor that shook the outlook for all cattle feeders and the general outlook for the entire cattle industry.

### December Trading Good

The report was very bullish or favorable after the statistics were examined. The December trading month seemed to get the largest benefit from the report. December was trading at a little over \$26.00 before the report was released. On Wednesday it had risen to \$26.65 at one point. Because October will come off the exchange board on October 20, this month was affected very little. A sharp cash price increase would have had a great deal more effect on the month of October.

February got a real boost also. The thing that makes the outlook good for those producers having cattle that will complete in December '67 through February '68 was the breakdown on weight groups. There are only three hundred sixty-three thousand head of cattle weighing over eleven hundred pounds on feed as of October 1. This compares to four hundred twenty-three thousand for October 1, 1966, or a fourteen percent drop.

### Lighter Weights Moving

It appears that most feed lots are keeping their cattle moving to market at the lighter weights. There is no surplus of finished cattle. The weight group 900-1,099 pounds was the same as October 1, 1966. In the 700 to 900 pound category there were three percent fewer cattle on feed. This was most encouraging to feeders having cattle that are destined to complete in January and February. This report confirmed our report to you earlier on the opinions of the Nebraska and Iowa County Agents concerning placements on latter part of August and September.

The bearish part of the report showed a twenty-nine percent increase in cattle weighing under 500 pounds. An eight percent increase was noted on cattle in the 500-700 pound weight group.

### All Months Improved

All months on the future's were much improved. If we come up with short runs two weeks in a row at the Midwestern markets, look for trading to get wild on December and February. Some observers feel the period of bearish markets on the Live Beef Cattle Futures has injected into the picture a necessary pessimistic note that would discourage too-heavy placements.

The most encouraging thing I saw in the report was the fact that two percent more finished cattle were marketed during the period July 1, 1967 through September 30, 1967 than during the same period in 1966. The cash market rose steadily through most of this period.

### Beef Still Preferred

Beef is still the preference meat. The economy is running at its highest pace in many years.

For those of you that bought your hedged cattle back and did Texas hedges on a corresponding number... you are lucky. don't do it anymore. You will spend more for sleeping pills than you gain.

We are still optimistic.

### PATROL STRENGTHENED

TAMPICO, Mexico (UPI) — Two additional minesweepers were assigned to the Northern Gulf of Mexico Thursday after three Brownsville, Tex. shrimp boats were seized in Mexican waters last week and the owners fined 50,000 pesos, (\$4,000) each and their gear and catches confiscated. The boats were released.

### White Deer Youth Named State Winner

COLLEGE STATION — Stephen K. Warminski, an eight-year member of the White Deer Community 4-H Club, has been named winner of the 1967 Conservation of Natural Resources award, according to the state 4-H Club office.

He will receive an expense paid trip to the National 4-H Club Congress to be held in Chicago, Ill., Nov. 26-30, and will compete for one of six \$500 scholarships on the national level. Donor for the awards program is John Deere.

The 17-year-old son of Mr. and Mrs. Charles Warminski was for corporations to practice law.

### CORPORATIONS RAPPED

AUSTIN (UPI) — Atty. Gen. Crawford Martin ruled Thursday corporations organized to give income tax advice were invading a field reserved exclusively for lawyers.

He said such a corporation is practicing law, and it is illegal.

# The Pampa Daily News

A Watchful Newspaper  
EVER STRIVING FOR THE TOP OF TEXAS  
TO BE AN EVEN BETTER PLACE TO LIVE

The Pampa News is dedicated to furnishing information to our readers so that they can better promote and preserve their own freedom and encourage others to see its blessing. Only when man is free to control himself and all he produces, can he develop to his utmost capabilities.

We believe that freedom is a gift from God and not a political grant from government. Freedom is neither license, nor anarchy. It is control and sovereignty of oneself. No more, no less. It is thus consistent with the Human Relations Commandments, the Golden Rule and the Declaration of Independence.

## Pampa's United Fund

Chairman of the UF drive, said Mrs. Je Pampa's United Fund campaign is not going as well as it well should. It is that goal is to members be reached.

The campaign has been under McKissackway for three weeks and only the 57 per cent, or less than \$47,000 graduation has been contributed.

Members Drive leaders are concerned Kops in about the slowness of the graduation response. Contributions from pub-Moore, Jlico employees, and professional Coleman employees are lagging, they say.

Names "We still have several of the telephone bigger contributors to hear Mrs. Pampa, David Tucker, general

## Friedman on Post Office

More and more persons, it seems, are becoming aware of the high cost of political patronage handed out by the party in power in Washington through the Post Office Department.

The cost is measured not only in growing dollar deficits, but also in rank inefficiency and backwardness. The net result is goshawful service for the customer, the postal patron.

Millon Friedman, Chicago economist and Newsweek columnist zeroes in on the Post Office Department in the Oct. 9 issue of the magazine and makes a strong case for private delivery of mail.

The Post Office, Friedman says, is both a monopoly and government bureau so it should occasion no surprise that it is such a monstrous flop.

"Even Postmaster General O'Brien has recognized this fact," the author says. "He has proposed that the Post Office be converted into a nonprofit government corporation. But that would change only the form, not the substance. As a monopoly, it would still be costly, as a government organization, it would still be inefficient and backward."

Just as some people think about tax-supported schools, a large segment of the population seems to take it for granted that postal service must be a government monopoly. It's hard to understand why when all the evidence seems to favor private mail delivery.

"There have been many private ventures," the article continued, "including the storied Pony Express, which failed when the telegraph line (also private) reached California and provided an even faster service. Many others succeeded, which was precisely what led postal officials to foster, over many decades, a succession of congressional enactments to outlaw private mail delivery."

"It will be objected that private firms would skim the cream by concentrating on first class mail and especially local urban delivery — on which the Post Office makes a substantial

## WHO MAKES OUR DECISIONS?

I was thinking about the war in Vietnam the other evening and it occurred to me that the whole problem relates to our willingness to have others make decisions for us. The whole political and military picture is sustained by that fact; and that fact alone.

Imagine a military commander who couldn't presume to be making decisions for others. Suppose he had to wait for the voluntary compliance of his troops? The idea is revolutionary. He'd never get that compliance. And if he couldn't get it, he couldn't order an advance. If he couldn't order an advance, there wouldn't be any war. So wars are fought because quite a few people are willing to shrug off their responsibilities and let others make decisions for them.

Then take the political situation. Why is American military might in the Far East? It is there because one of our presidents a long time ago made a decision to intervene in the affairs of the Vietnamese, in the event of certain occurrences relating to the ruling hierarchy of that time. But who was this president? He was just a man. He had no more rightful authority to go around committing future generations of men and future production and wealth to a foreign adventure than I have to demand that a part of your earnings shall go to my pet project, which is the exploration of the subject of freedom.

But there it is. A man we call a president makes a decision which probably a great many people in this country — perhaps most of them — didn't ask him to make and didn't want made. But because HE made it, each of these people is presumed to be bound by that decision.

Further, they are bound in no trivial way. They are bound and committed to give up everything they have and then to die in order to carry out the will of a president who had no right to commit them to this type of conduct in the first place.

When you get right down to it, the whole idea of collective agency is wrong, both philosophically and logically. Now there's nothing wrong with the concept of agency: the idea that one man can represent another in some particular matter. I'll even go along with the idea that one man can represent a number of others, so long as they all agree as to what they want their agent to perform.

But this idea that one man can become the agent, not only of those who agree, but of those who disagree, is the very base of the idea that some men are so divinely ordained that they can make ultimate decisions for others who disapprove of them to begin with.

This is the root of the evil with which we are contending. But how could you have a political machine or a military mechanism without it? Frankly, I don't think you could. But what would be wrong with not having those things?

We live in an age where it is deemed sinful to go without. We all want everything. And we've been led to believe that whatever we want, we have a right to have. The only people who want government these days are those who are getting something out of it. Those who have to pay into it don't approve. But the difficulty is that most of us occupy both positions. We are not without governmental services and we are not without taxation to make those services possible.

I can tell a man's political sentiments with precision. If he's paying more into the government than he's getting back, he's against the government, or at least the administration. If he's getting more back than he's paying in, he's for the present system.

But whether he's for or against it, we wouldn't have it if we hadn't accepted the idea of collective agency: the concept that some people have a right to represent not only those who agree, but those who disagree, as well.

If we ever turn the corner and decide to make our own decisions and mind our own business, we may have to do without a lot of things. We'll have to do without war and without taxation. We'll have to do with-

NATO Internal Security Review in Portugal Shows Morale High In Army, No Danger of Coup from Defense Plan Misuse

LISBON — The North Atlantic Treaty Organization has concluded an intensive study of defense preparations in Portugal to insure that no Allied defense plans, if misused, can facilitate an internal coup d'etat.

The secret review, also being undertaken in other NATO nations, has concluded that no such danger exists in Portugal despite rumors of unrest in the military.

Prepared by the NATO staff, the inquiry was prompted by the military coup d'etat in Greece, a member of NATO, earlier this year.

In that military take-over, a handful of Greek Army officers, with access to NATO internal security plans, seized control of the government after a captured Soviet spy revealed Communists in Greece were planning their own coup d'etat.

As part of the contingency planning for possible conflict between NATO and Soviet Bloc nations, members of the Western alliance have prepared internal security plans which would go into effect immediately on the outbreak of war.

An integral part of these contingency plans in each NATO nation provides for a round up of all local Communists and other possible fifth column organizers. Also, these plans call for taking over all communication and transportation facilities to prevent Communist sabotage.

USING THE PLAN — According to NATO authorities here, the Greek military officers who seized power in Athens used information gathered for NATO to take swift control over all military and communication facilities in the country.

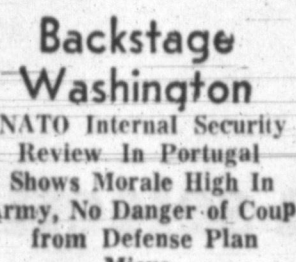

The Greek military junta also used the internal security plan to seize all Communist leaders who might be involved in the aborted Red coup.

Interestingly, the NATO survey of Portugal completely discounted stories of unrest among the country's military officers.

Although involved in a six-year-old guerrilla war in Angola and Mozambique, Portugal's armed forces, the NATO study reported, have the highest morale among Western European nations. The combat readiness of the Portuguese army is rated equal to or above that of other European members.

out a federal crying towel, lined with someone's money. War, taxation, and regimentation really come under the heading of luxuries, as does the practice of letting others decide for us.

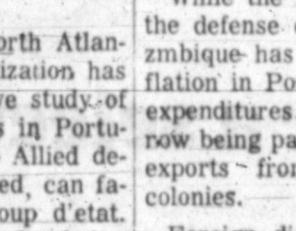

If we ever view private decision-making as a necessity, it will be far easier for us to do without political and military luxuries.

## Pull Up A Chair

By FRANK JAY MARKEY

Comedians always get a big laugh by mentioning Brooklyn. Maybe the reason for it is the big borough across the river from Manhattan is the birthplace, or hometown, of one out of every 65 persons in the United States. Of course many of them moved elsewhere, which makes Brooklyn known everywhere. Today Brooklyn is the fourth most populous community in the U.S., boasting more citizens than half of the rest of the country. One of the reasons laughter and applause greets mention of Brooklyn is the quaint dialect spoken by just about everyone who lives anywhere close to Flatbush Avenue, or Greenpoint, Sheepshead Bay and Borough Hall. It immediately identifies a Brooklynite anywhere. The borough was named after Breuckelen, a village in Holland, and was founded in 1636 by a couple of Dutch farmers who sought to escape the urban confinement of New York and headed for the great open spaces on the other side of the river. Today, any resident of Brooklyn will tell you that things were going along just fine until some Manhattanites decided to build a bridge connecting the two places.

Today's smiles: One golfer complained to another: "Hey, do you realize you almost hit my wife?" The other replied: "Well, I'm sorry, but you can take a shot at mine. She's over there."

Thoughts while shaving: The late Hugo Gernsback, author, editor and modern Jules Verne, predicted many of today's wonders in radio, TV and electronics. In the field of psychiatry he also predicted the development of a machine called the somnoscopes for recording dreams. Gernsback said that combining the electroencephaloscope and a cathode-ray tube with TV technique it is possible to project a person's dreams on a TV screen where a psychiatrist could study and analyze them. If Freud were only living now, two bachelors have ever been elected President of the United States: James Buchanan and Grover Cleveland. Cleveland remedied that by marrying his ward, Frances Folsom, while in the White House, but Buchanan remained single throughout his lifetime. We learned on a recent visit to Mount Vernon that George Washington didn't go for coffee breaks. He was a tea drinker — and at breakfast,

Q—What is the cause of piles? What methods other than surgery will get rid of them? Do they turn to cancer?

A—Piles are inflamed or varicose veins at the outlet of the bowel. They may be caused by an inborn weakness of these veins and they are aggravated by straining at stool and by pregnancy. In milder cases, astringent sup-

## THE GLOBAL VIEW

## Viet Peace Road Runs Thru Peking

By LEON DENNEN

## Foreign News Analyst

NEW YORK (NEA) — Since the defeat of the Nazis in 1945, peace and war have been the result as much of accident as of deliberate acts of policy.

But improvisation in foreign affairs is a growing danger at a time when the real enemy is chaos. The world faces a situation in which mankind's ability to destroy itself is so potent that a conscious effort must be made to avoid war and keep the peace.

Yet there is much wishful thinking and even unreality in the escalating American debate on Vietnam. President Johnson has made it repeatedly clear that there can be no "military solution" to the problems of Southeast Asia. But he believes that only military power could make possible a "political solution" in Vietnam.

The President's critics seem convinced that if the United States would stop bombing North Vietnam and de-escalate the war, Hanoi's Communist leaders might agree to peace talks.

The credentials of Johnson's vocal and articulate opponents are certainly impressive. They include Republican politicians who smell victory in the 1968 elections, unhappy Democratic senators, "friendly" diplomats and assorted professors, journalists and clergymen.

For one reason or another, they all seek a way out of the terrible Vietnamese dilemma. But in their effort to end the tragic conflict they find themselves in the unhappy position of the matchmaker who tried to arrange a wedding without a bridegroom. In this case the bridegroom is, of course, Red China.

World stability rested in the past on the balance of nuclear terror of the United States and Russia. Today, whether we like it or not, China has emerged as a third superpower which holds the key to war or peace in Southeast Asia.

In the U. S. State Department's view, the Chinese are bad Communists and the Russians are good Communists. But in international affairs it is perilous to ignore hard facts. The hard fact is that without China's consent North Vietnam will not dare to engage in peace negotiations with the United States. The road to peace in Vietnam lies through Peking.

This, among others, is the conclusion of a panel of clear-thinking American businessmen and scholars, also former government officials headed by Frederick S. Beebe, chairman of the Washington Post Co.

In the panel's view, China's test explosion of a hydrogen bomb makes it more urgent than ever for the United States to support Peking's membership in the United Nations.

The confusion and change currently under way in China, the panel said, "create an impelling need for the world outside to make clear to any emergent Chinese leadership that it can, if it chooses, make a new start

every morning, drank three large cups of the oriental beverage. . . . We understand there is a new punctuation symbol in the English language called the "interrobang," the first such addition since quotation marks were added in the 17th century. We haven't the faintest notion how or when it should be used in punctuation. Its originators were not very original in designing this new device for it looks like an exclamation point superimposed on a question mark. You can bet it will take some time for it to attain general usage. . . . The Baltimore (Md.) SUN headlined a story: "Witches' Parley Bewitched By Which Witch Is Which." That's what comes from drinking witch hazel.

Country Editor speaking: "We wonder if the wealth man sometimes makes his reductions on the basis of rheumatic pains or corns that hurt."

Q—What is the difference between internal and external hemorrhoids?

A—Internal hemorrhoids involve the veins of the rectum well above the outlet and external hemorrhoids involve those close to the outlet. In general, the external type are painful. Piles in either location may rupture and bleed.

Q—What is polycythemia? What causes it and what can be done for it? What effect does it have on life expectancy?

A—In this disease, the opposite of anemia, there is an excess of red blood cells. The cause in most cases is unknown. In some, however, it is caused by emphysema, silicosis and other diseases. The standard treatment for many years has been to remove a pint of blood two or three times a week until the cell count returns to normal.

More recently, several drugs have been used in carefully controlled dosage to destroy the red cells. These include radioactive phosphorus, Natulan, and pipobroman (veracety). No drug should be given until an effort has been made to discover and remove the cause. There is no cure but when treatment is skillfully controlled by a doctor, the victim can expect a nearly normal life span.

toward orderly participation in the United Nations and world affairs."

This means a "two-China" policy since the United States can not turn its back on Chiang Kai-shek's nationalist government in Taiwan.

But will Peking agree to such a solution? Does Mao Tse-tung really want to join the United Nations? There is no way of knowing for sure. But to stop the killing in Vietnam the admission of Red China into the U. N. is a risk well worth taking. It is a diplomatic avenue that should be explored.

If there is to be peace, the United States and the international community must have the will to prevent a great nation like China from becoming a nuclear outlaw. No illusion must blur the hard truth: Without the consent and active participation of Red China there can be no permanent political solution in Southeast Asia.

## HOW TO ADDRESS OUR LAWMAKERS

You may wish to write your senators and representatives in Washington, and Austin. Here are their addresses:

(FEDERAL)

Rep. Bob Price, 1238 Longworth Bldg., Washington 25, D. C.

Sen. Ralph Yarborough, Senate Bldg., Washington 25, D. C.

Sen. John Tower, Senate Office Bldg., Washington 25, D. C.

(STATE)

Rep. Malcom Abraham, Canadian, Texas

Sen. Randy Haislett, Canyon Hwy., Amarillo, Texas

## Backstairs Whitehouse

By MERRIMAN SMITH  
UPI White House Reporter  
WASHINGTON (UPI)—Backstairs at the White House: There is an aspect of the so-called "credibility gap" that has some of the leading government officials puzzled and deeply concerned.

This has to do with an amazing and seemingly increasing number of Americans, to say nothing of untold thousands of persons in friendly countries overseas, who have become so receptive to Communist propaganda concerning Vietnam.

Government professionals, career men who have no stake in domestic politics or the fortunes of President Johnson are appalled by the number of fellow Americans who if given the choice, believe atrocity stories from Hanoi or Peking over diametrically opposite versions of Washington, be it from the White House, the Pentagon or the state department.

Americans Believe Photos  
Photographs of burned children and bedraggled Vietnam women with obviously hungry or undernourished babies in their arms from Communist bloc sources are regarded by many Americans as generally representative of vicious American war effort in Southeast Asia.

Quite naturally the same Communist bloc sources do not service photographs or articles dealing with cases in which the regular North Vietnamese army or members of the Viet Cong have pillaged villages in the south, beheaded village elders or chased family groups into the jungle.

Washington officials do not like to talk about it in public, but they are alarmed that a great many Americans are under the impression that the more brutal aspects of the war

in Vietnam are the work of American troops.

A week seldom passes without demonstrators carrying signs in front of the White House reflecting an undiluted propaganda line from Hanoi and Peking.

Random Sample

One has only to travel away from Washington and talk with people at random to discover that a large number of Americans are more receptive to war accounts from Hanoi than they are to presentations by various departments in Washington. And such beliefs are held not only by the more demonstrative members of the far-left, but by an increasingly large number of Americans who heretofore have accepted the Vietnamese war largely on face value.

While some Washington officials are deeply concerned about the effectiveness of Communist propaganda, they still are searching for an answer; searching for a solution which would not be shut down in its inception by domestic political opponents.

One possible attempt to remedy the situation might lie in a national campaign of patriotism to counter some of the current, spreading protest movements. But here again the government is up against a difficult problem — how to promote patriotism (and thus support the effort in Vietnam) without being accused of trying to snuff out dissent.

This at least, is an approach being discussed on some official levels.

## Agronomy Symposium Slated For Thursday At West Texas State

CANYON — Latest information on fertilizer use and management will be presented at the Southern Great Plains Agronomy Symposium to be at West Texas State University on October 26. The symposium is sponsored by the Texas Plant Food Educational Society.

Featured at the all-day session will be discussions on the characteristics, handling and application of ammonia; nitrogen transformations in the soil; fertilization of wheat, grain sorghums, cotton, sugar beets and vegetables; and interrelationships of fertilizer use with production practices.

Registration for the symposium will begin at 8 a.m. Advance registration at \$5 each may be sent to the Agriculture Department, West Texas State University in Canyon. Registration at the door will be \$6. This fee will include the noon luncheon.

## Theme For Sunday Set At Pentecostal Holiness Church

"The Effects of Pentecost" will be the theme for study in Sunday Schools of the Pentecostal Holiness denomination this Sunday. Taken from the second chapter of the book of Acts, this lesson will emphasize the tremendous changes in the followers of Christ after they were baptized with the Holy Spirit on the day of Pentecost.

This lesson is part of the October attendance building campaign which has for its theme this year, "Pentecost — Power to Build the Church." During the month a study is being made of the work of the Holy Spirit as set forth in the book of Acts.

In keeping with the denomination-wide program, efforts are being made to increase enrollment and average attendance by ten percent during October. The First Pentecostal Holiness Church at 1700 Alcock in Pampa is participating in this effort locally, according to Rev. Albert Maggard, minister of the church.

## WILL APPEAL RULING

DALLAS (UPI)—A group of California charities and religious institutions said today they would appeal a judge's ruling that millionaire A. Otis Birch knew what he was doing when he left his \$200 million estate to his second wife.

Probate Judge F. W. Bartlett ruled Thursday that Birch, who was 96 when he died in Dallas last March 1958, was fully capable of making up his own mind.

The religious groups had maintained Birch had the mind of a child.

## Judy Lynn Left at Post By Husband—But All Ends Well

Judy Lynn, the singing star of night deejay in Des Moines, Iowa, was left at the post by her husband last night, but all ends well.

Having tried everything else, even the highway patrol, Judy decided to call the deejay, who put her on the air. Needless to say, Kelly, who was listening, received the shock of his life when he heard Judy's voice appealing to him over the radio: "Please come back and get me, John, you left me at your last stop!"

It took several hours of waiting for Judy and about 170 extra miles of driving for Kelly, but all ended well.

## MAN'S BODY FOUND

LUBBOCK (UPI)—A Mexican-American man about 40 years old was shot and killed in Lubbock Thursday night.

The victim was tentatively identified only as "Juan."

Police arrested a 44-year-old man at his home about a block away shortly after the shooting.

**DOUG BOYD**  
Owner

A black and white portrait of a man with a mustache, wearing a cowboy hat and a light-colored shirt. He is looking directly at the camera. The background is a textured, slightly mottled grey.

**"AD" VANCE**  
Manager

A black and white portrait of Ad Vance, a man with dark hair, smiling. He is wearing a light-colored shirt and a dark jacket. The photo is set against a dark background and is framed by a white border.
