Number 18.

Mike Garcia Dies As Result Shooting Sunday Morning

Mike Garcia, a Mexican who has been operating a cafe for the past two years in a rock building in South Tahoka, was shot and mortally wounded at about 2 o'clock Sunday morning in a cafe operated by Jack Corley diagonally across the street intersection northeast of the Keltner Hotel.

The wounded man was taken to a hospital in Lubbock for treatment, where he died at about 3 o'clock Tuesday morning.

Following the shooting in the cafe Sunday morning, charges were filed against Jack Corley for assault with intent to murder, and after Garcia died, a new complaint charging murder was filed against him. Both complaints were filed in the Justice Court of P. D. Server here. Bond in the murder case was fixed at \$5,000, and Corley made the bond during the day Tuesday.

The homicide is said to have been perpetrated with a .45 calibre automatic pistol.

The News is not informed as to when the grand jury will be convened to investigate this and other cases.

Corley is well known here, having been in business in Tahoka about 20 years.

Benoy Gattis Tells Of War In Europe

"Keep that blood plasma coming; it is the greatest thing we have," Pfc. Benoy Gattis, son of Mr. and Mrs. I. I. Gattis of Tahoka, writes from the front lines in France. And Benoy should know, for he wears the Purple Heart for wounds received in the invasion of the Normandy beaches on June 12, and because he is a "combat medic" working up at the front.

Pfc. Gattis landed in France with the Fourth Infantry Division on D-Day H-plus-5, which means he was on shore June 6 five hours after the invasion started, and his unit was given official credit for being the first to land in France on D-Day. Also, it was the first to enter Paris and the first to enter Germany.

Pfc. Gattis works from the front lines back to the collecting company.

He is a graduate of Tahoka High School, and attended Texas Tech before entering the Army nearly two years ago. He was stationed in England before going to France, and has been in the European Theatre of operations 11 months.

He writes his parents: "Save me a spot on the bread line—I'm coming home—but not today!"

Tinsley Sells Cafe, Leaving Tahoka

Mr. and Mrs. J. O. Tinsley on Monday of this week sold the Tinsley Cafe to Morrell "Coots" Jones, the latter taking charge the same day.

Mr. and Mrs. Tinsley have bought a nice home in Lubbock and will move into it within the next few days.

The Tinsleys have been residents of Tahoka for many years and their many friends regret their removal.

Jim Weatherford Is Able To Be Out Again

Jim Weatherford, secretary of the Tahoka school board and pioneer citizen of Lynn county, who has been confined to his room almost continuously since late in October, was able to come to town for a short time Tuesday and had made two or three similar visits recently but has not yet felt able to climb the steps to his office in the court house.

His daughter, Mrs. Webb Williams of Sierra Blanca, has been here about four weeks taking care of him and will remain until he sufficiently recovers to be left alone or until he is able to return to Sierra Blanca with her.

Bragg And Stone Enjoying Chicago

Cards received here by friends from County Agent Robt. Stone and 4-H Club member Buddy Gene Bragg indicate that they are having a great time in Chicago, where they are attending the National 4-H Congress.

Buddy Gene is guest of the Santa Fe railroad on the trip as a reward for winning one of the 19 awards in Texas for outstanding 4-H club work, and Stone writes that the Santa Fe is "shooting the works."

Stone was sent to the meeting by Tahoka citizens as a reward for his fine work as county agent in training 4-H club boys.

Cotton Ginnings Pass 60,000 Bales

Cold and rainy weather have held cotton harvesting to a minimum for the past two weeks. Clearing weather Wednesday however gave promise of better progress.

Statistics gathered by The News Thursday noon indicated that approximately 13,876 bales had been ginned in Tahoka. A little more than 60,000 bales doubtless have been ginned in the county.

It is believed that Lynn county now stands second in the entire state, with Lubbock county leading by a few thousand bales.

For the first time in many weeks, cars are now available for the shipment of grain. Santa Fe station agent Tom Gill reports, about 40 cars now standing on the tracks to be loaded. A total of 400 cars of this year's grain have gone out of Tahoka to date.

Nichols, Jackson Rotary Speakers

With Wynne Collier in charge of the program, Rotarians heard two speakers Thursday on the general subject of Community Service.

Rev. H. A. Nichols spoke on the Church's contribution to the community and Leo Jackson presented the contribution made by the schools. Both of the addresses were well worth while, and some of the facts presented by each speaker should be made known to our entire community. Especially should Jackson's figures stir every citizen to a deeper interest in public education.

President Fred McGinty announced that the annual Christmas show for the kiddies of the county will be held in one of the picture shows Saturday morning, Dec. 23, at 10 o'clock. The show is free to all children.

Sgt. J. D. Woodward Gets the Air Medal

Sgt. James D. Woodward, stationed somewhere in France at a 9th Air Force Bomber Base, has been awarded the Air Medal and two Oak Leaf clusters, according to word received by his parents, Mr. and Mrs. S. V. Woodward of Tahoka.

Pvt. Grady R. Woodward, brother of Sgt. Woodward, has completed his basic training as a sharpshooter in the Infantry. For the past ten days, he has been home on furlough, after which he will report to Fort Orr, Los Angeles, for further assignment.

Mrs. J. R. Skillen Jr., Albuquerque, N. M., has been visiting in the home of her parents, Mr. and Mrs. S. V. Woodward. Mrs. Skillen came here to see her brother, Pvt. Grady R. Woodward, while he was here on his furlough.

HOME FROM OVERSEAS

Sgt. Charles D. Sparks and wife are here from California visiting their parents, Mr. and Mrs. J. C. Sparks of Three Lakes and Mr. and Mrs. E. D. Crouch. Sgt. Sparks had just come in after 16 months service in the Pacific.

Capt. J. E. Brown, wife and baby are here visiting his mother, Mrs. Pearl Brown, and other relatives. Capt. Brown is stationed at Camp Butner, N. C.

WAR BONDS in Action

Out of a transport, into the early grey dawn and down behind the enemy lines in France goes this paratrooper. An American boy, willing to give his all that freedom may remain ours. Support him and his buddies by doing all you can at home—by buying War Bonds regularly.

O'Donnell Car Is Found In Lubbock

A 1941 model Ford car belonging to John Earles of O'Donnell was stolen from his premises some time between 4 o'clock and daylight Monday morning and was located in Lubbock during the day Monday. It had been parked and abandoned at the curb in front of a barber shop in that city, the barber reporting that it was parked there when he came down to open up Monday morning.

Sheriff Sam Floyd had been trying to locate the car and he was notified late in that day that it had been found. He and Deputy Sheriff Cleve Bairrington went to Lubbock Monday night and brought the car back, and Mr. Earles came up Tuesday morning and took it home.

No trace as to the identity of the thief has been given.

Mrs. Mattie Bradley's Sister Dies Suddenly

A message came to the Bradley and Allphin families here Monday morning that Mrs. Bradley's sister, Mrs. Calhoun, had died Sunday night in Kaufman and that the body would be brought out to Big Spring for burial Tuesday beside the grave of her husband, who died years ago.

Mrs. Bradley had just gone away on a visit, however, and could not attend the funeral services. She and her daughter, Mrs. N. W. Allphin, had visited Mrs. Calhoun recently in Kaufman.

Lt. L. R. Hulsey of the Victoria Army Air Field visited his mother, Mrs. R. L. Craig of the Garnolia community, from Thursday until Saturday of last week.

J. N. LeMond, 84, County Pioneer, Died Wednesday

Funeral services were conducted at 3:00 o'clock Thursday afternoon in the Methodist Church at Draw for John Neeley LeMond, pioneer citizen of Lynn county and of that community, who died at about 3:30 o'clock Wednesday afternoon in a Lubbock Hospital. Services were conducted by Dr. C. A. Bickley, pastor of Asbury Methodist Church in Lubbock, assisted by Rev. J. N. Hester of Brownfield, a former pastor at Draw, and by Rev. Cleo Norcross, the recently appointed pastor. Burial was in the Draw cemetery under the direction of Harris Funeral Home.

Mr. LeMond, 84, had been taken to the hospital suffering from heart trouble and other ailments about two weeks preceding his death and he was known to be in serious condition but death was not immediately expected and came when only one member of the family (Cont'd. on last page)

Jim Thomas Case Moved To Lamesa

Either District Attorney Rollin McCord or the in-coming District Attorney Coloway Huffaker will have a whack at the Jim Thomas case, involving the murder of Dr. and Mrs. Roy Hunt in Littlefield on October 26, 1943, which was recently transferred to Lamesa for trial. The chances are that Huffaker will get the case, as it does not seem likely that it can be tried before January 1, when he takes office.

The case was first transferred from Lamb to Hale county, where it was tried and the defendant was convicted, but the court granted a new trial on account of errors made by the jury in discussing improper matters while considering their verdict. Recently Judge Russell, the trial judge at Plainview, transferred the case to Lamesa.

It is understood that George Dupree of Lubbock will be one of the special prosecutors at the Lamesa trial.

INFANT IS BURIED

Pvt. Jim Bob Curry returned several days ago to his camp at Little Rock, Ark., having been called here for the funeral Sunday, Nov. 26, of a still-born child born to him and Mrs. Curry the preceding night. His wife was the former Miss Jo Barham. Services were conducted at the funeral home by Rev. Levi W. Price.

TINSLEY HAS INFECTION

J. O. Tinsley became suddenly ill Tuesday night while at work at one of the best oil wells being drilled in the county from an infection of his foot and has been quite sick since. It is hoped that the infection will soon be eradicated.

O'Donnell Wins Basketball Games

O'Donnell's basketball team got a small measure of revenge for the football defeat Tuesday night by defeating Tahoka Bulldogs in the local gym 41 to 31 in a hard-fought thriller. Brownlow of O'Donnell was high man, scoring 24 points. Tahoka's high man, Nolan Jones, tallied 13 points.

However, Tahoka girls, playing their first game of the season, swamped the O'Donnell girls by a score of 30 to 10.

In a third contest, O'Donnell's B squad boys won over Tahoka's B squad 31 to 17.

CAA Recommends Tahoka Airport

Tahoka has been included in the nation-wide postwar airport development plans recommended by the Civil Aeronautics Administration at the request of Congress, according to a letter from congressman George Mahon to The News. However, the CAA recommendation does not—in any way mean that Tahoka will have an airport or any government aid in its construction, since Congress has yet to consider the plans.

CAA has recommended a Class I airport, adapted to private flying, to cost an estimated sum of \$236,540.00, not including purchase of land, which must be furnished by the City and County. Of the amount CAA recommends \$66,728.00 for the preparation of the land, \$158,592.00 for paving, and \$11,220.00 miscellaneous expenses.

Both the federal government and the localities will share in the costs, more than likely, if the legislation and appropriation passes Congress.

CAA has already recommended a site at Tahoka, and has recommended that steps be taken to acquire this or another site, with its approval, in the near future.

No definite steps have been taken here, however, to acquire such a site, so far as The News knows.

P. K. Fleming Buys Goodnough Shop

P. K. Fleming, who has resided in the Garnolia community for many years, has purchased the W. E. Suddarth home in Tahoka and plans to move into it about the first of January.

He has also purchased the Goodnough shoe shop and took charge of the business early this week. Mr. Goodnough will assist the new owner for two or three months but is not ready to announce his plans for the future. He was in business here for a number of years, then moved to Snyder, and last year came back to Tahoka.

Mrs. J. K. Applewhite Falls, Breaks Arm

On last Saturday morning, when Mrs. J. K. Applewhite stepped out of the door onto the steps at the home of her daughter, Mrs. Prentice Walker, her foot slipped and she fell and broke one of the right forearm bones. O physician dressed it and found it necessary to place it in a plaster cast. Apparently the injury is healing satisfactorily.

Mrs. E. I. Hill, who fell and broke her left wrist more than a month ago, is still unable to use the left hand, but the injury is slowly healing.

Horace "Boss" West, gunner's mate third class, who has seen a lot of action in the Pacific against the Japs, was here Thursday visiting friends. He is a graduate of Tahoka High School, and was a star athlete while here. His father now lives at Tokio, over west of Brownfield.

Ous Bairrington, Mrs. Nell Clemens, and Mrs. Curtis Stevens were in Ontario, Calif., last week to visit their brother, MM 2/c. Chester Bairrington, who had just returned from 16 months service in the Aleutian Islands.

AAA Election Is Called To Name 30 Committeemen

Friday, Dec. 15, is election day in Lynn county for AAA community committeemen. Thirty committeemen are to be elected, three from each of the ten communities, according to B. J. Emanuel, Sr., county chairman.

Delegates from these community meetings will later name three county committeemen and alternates. Conservation practices for 1945, production goals, and general agricultural outlook will be among the subjects discussed at these meetings.

Committeemen represent both their neighbor farmers and the executive branch of the Federal government in the work and responsibilities of the Agricultural Adjustment Agency. Their recommendations, based on personal knowledge and experience, help shape agricultural programs to fit the needs of their own localities and to meet the problems of farmers and consumers throughout the nation, Mr. Emanuel said.

"The election meetings will give local farmers a chance to consider the problems and the demands of the coming year," Mr. Emanuel says. A program is being arranged for a full discussion of what's ahead. Every farmer should attend the meeting in his community to take part in that discussion and to vote in this election."

Mrs. Maxie Wagner Dies Unexpectedly

Mrs. Maxie Wagner, 74, was found dead in bed in her apartment at about 2 o'clock Wednesday morning when two young women occupying an apartment in the same house near the Tahoka Clinic came in to occupy their bed room. It was believed that Mrs. Wagner had been dead about an hour. Relatives attributed her death to an attack of heart trouble.

Mrs. Wagner had been visiting with her daughter, Mrs. L. L. McKenzie, who resides 15 miles west of O'Donnell in the Welch community, and Mrs. McKenzie had brought her mother home Tuesday afternoon, leaving here between 8 and 9 o'clock, and she reports that her mother seemed perfectly well at that time.

The body was prepared for burial by the Harris Funeral Home and funeral services were conducted by Rev. H. A. Nichols in the Methodist Church here at 3:00 o'clock Thursday afternoon, after which the body was taken to O'Donnell for burial beside the grave of her late husband, Jeff Wagner, who died in 1939.

Mrs. Wagner formerly resided in the Weis community and had many friends there, some of whom attended the funeral services here, together with others from O'Donnell, Lubbock, Tahoka, and other places.

Survivors include two daughters and a son, T. M. Lyons of Lubbock, an employee of Levine's store there, Miss Retta Fay Lyons of Austin, and Mrs. Eloise McKenzie of Welch. She also leaves six grand-children, Olan, Bill, Marvin, and Lillie Jean. (Cont'd on last page)

Sgt. Otis Bosworth Writes From India

On Wednesday morning The News received the following V-mail communication from Sgt. Otis Bosworth, who is with our Armed Forces somewhere in India, dated November 22, in which he pleads that we all keep morally and spiritually fit. The letter follows:

I am always glad to get The Lynn County News for it keeps me posted on all the affairs at home—nearly. The weather is nice and pleasant here now. We are having as good a time as could be under the circumstances, only we need more things to build us up spiritually, morally, and anything to make a real man out of us. Keep the churches spiritual so we will not be disappointed when we get back home. Let's not give away what we are fighting for—Otis.

AMERICAN HEROES BY LEFF

Pfc. William C. Kelly, of Silver Spring, Maryland, was on observation post duty for his front line regiment in Italy. He spotted German mortar and machine gun emplacements, reporting to artillery observer to direct fire. Hastily he advised the CP with compass directions in place of artillery technical data. A third round hit squarely on the enemy. We must buy War Bonds and hold 'em with the same constant eye on the enemy.

(By Mrs. Marvin Truelock)

The first basketball games of the season were played last Friday night at Wilson. Our senior boys won 26 to 11; our senior girls 21 to 17. Our junior boys were defeated 10 to 12.

Mr. and Mrs. S. H. Smith and children of McFarland, Calif., came Thursday night to visit until Monday of this week with their parents, Mr. and Mrs. W. M. Weaver.

Saturday morning Mrs. Smith visited another former local resident, Mrs. Cody Corbell, who was burned last Sunday when the lid of her pressure cooker blew off. The burns were very painful but it is not thought that any serious permanent injury will result. Mrs. Corbell's husband ran the filling station on the west side of the highway here several years ago. Her parents, Mr. and Mrs. R. O. Reed, live at Gordon.

Charles Howell came Friday and spent the week end with E. P. Wick. These former residents and the rest of the family plan to move to Phoenix this week.

Mrs. Odell Donohoo of Lubbock is visiting her parents-in-law, the J. W. Donohoes, and the Lewis Donohoes. Mrs. M. Donohoo is also visiting here.

About twenty-five children attended the wieners roast last Wednesday afternoon given by Glynda and Calvin Grantham. Both before and after the roast, the guests engaged in various games and sports.

Mrs. H. B. Blockwelder and Mrs. Marvin Truelock were chaperons.

Robert Sartain still has to have his arm dressed by the doctor every other day.

W. W. Gilliland had a spell Saturday which the doctor pronounced as nervous indigestion but showed improvement by Sunday. His older daughter, Mrs. Homer Whiteside and her daughter of South San Antonio are still here, but her sister Mrs. Joe Childress and husband returned to Laredo Wednesday.

TOM MOTT WINS HIGH HONOR

San Diego, Calif.—Thomas Jefferson Mott, 30, of Tahoka was honor man of the recently graduated Cooks and Bakers School class, U.S. Naval Training Center, San Diego. Topping the efforts of 73 shipmates with his average of 98 percent, he also was advanced in rating to Seaman First Class.

Prior to joining the Navy last May 26 in Lubbock, Bluejacket Mott was employed for two years as a salesman for a biscuit company in Denver, Colo. At Bridgeport High school where he graduated in 1934, he was a member of the track team.

His wife, Mrs. Polly Mott, temporarily is residing with her parents, Mr. and Mrs. R. B. McCord, in Tahoka. With her are their three children, Robert, Michael and Kay.

MAKES HONOR ROLL

Abilene, Texas, Dec. 7—Miss Beth Shepherd, a junior student, is listed on the McMurry College honor roll is the announcement made by the registrar's office. She has an honor count of sixty-five points.

Miss Shepard is president of the junior class, was listed in Who's Who in American Colleges and Universities, and is active in the W.A.A. and the Gamma Sigma social club.

A story that hasn't been told

AN AMERICAN WAR PRODUCTION RECORD
THAT DESERVES TELLING . . .

On December 14, at 3:00 o'clock in the afternoon, the men and women of Humble Oil & Refining Company will pause in their work to commemorate, in appropriate ceremony, a feat unparalleled in the petroleum industry: The production of ONE BILLION GALLONS of finished 100-octane aviation gasoline at the Baytown refinery.

This accomplishment merits special commendation, because it climaxes 25 years of development, planning, and teamwork of a great organization. The cooperative effort of Humble employees has brought about a uniform progress in all phases of the Company's operations which has enabled them to establish remarkable records in finding, producing, transporting and refining petroleum during a critical period in the history of our nation.

Humble research and development, in progress for many years before Pearl Harbor, made possible these accomplishments and contributed greatly to the total production of toluene, and the tremendous quantities of finished 100-octane aviation gasoline required by our Armed Forces.

Baytown Ordnance Works, first synthetic toluene plant in the world, has supplied toluene for at least one out of every two bombs used by the United Nations since Pearl Harbor. For this production feat, Baytown Ordnance Works has five times been awarded the Army-Navy "E".

Baytown Refinery has made one billion gallons of finished 100-octane aviation gasoline—more than has been produced by any other plant in the world. The world's first commercial alkylation plant was built at Baytown in 1928. The alkylation process is the very backbone of 100-octane aviation gasoline production by the entire petroleum industry.

Humble Oil & Refining Company is the nation's largest producer of crude oil, and is currently supplying about one-fourth of the increased production required for war, as measured by the gain since 1941.

Through the facilities of Humble Pipe Line Company, there is being transported more oil than is being carried by any other system in the country. Nearly 700,000 barrels move daily through Humble pipe lines—one-seventh of all the oil production in the United States.

United in a great singleness of purpose, 14,000 Humble men and women are devoting themselves to the task of providing vital petroleum products for war, looking to the day when their 3,000 fellow employees and all their comrades in arms will return.

OPEN HOUSE AT BAYTOWN REFINERY—DECEMBER 14-17

So that one of America's great war plants may be seen in action, Baytown Refinery is holding open house from Thursday, December 14, through Sunday, December 17. The story of the refinery at war will be told by dramatic

exhibits of petroleum war products and a great Army and Navy show of war machines and materials. Specially conducted tours will take Humble's friends and neighbors into the heart of the refinery itself.

Mrs. Odell Blasingame left last week for California to visit her husband, who is stationed at a Navy base there.

James Farr is also in the Navy, stationed in California.

Dick King got the Army and is stationed at amp Wolters, Mineral Wells.

Pvt. Doyle Jones left Sunday for a port of embarkation on the west coast after spending a 10-day en route furlough here and at Post with his wife and small son. He was honored with a farewell dinner last Thursday in the home of his parents, Mr. and Mrs. C. C. Jones. Miss Juanita Mitchell visited relatives in Lubbock last week.

Mr. and Mrs. V. V. Laws and family are happy to have Mrs. Hubert Lewis of Wichita Falls visiting them for a few weeks. Mrs. Lewis being a sister of Mr. Laws. She has been visiting other relatives in New Mexico prior to coming here. She is the former Miss Mae Laws, as several of the Grassland folks will remember as my teacher.

Sgt. Kelly Laws has recently been promoted from private first class to sergeant and has been transferred from New Guinea to Leyte Island in the Philippines.

Mrs. Viola Greer recently underwent a tonsillectomy in a Lubbock hospital.

Mr. J. C. Walker is on the sick list this week.

Dixie First to Reach Quota in Bond Drive

While the News has been given no figures as to the amount of war bonds sold to date in Lynn county during the present drive, it is said that the campaign is progressing satisfactorily.

Dixie was the first community to report that it had gone over the top. With a quota of \$11,187, it had purchased bonds in the sum of \$12,750 by Saturday night, December second.

Mrs. J. P. Unfred reported that Petty had bought \$7,125 of bonds up to Wednesday of this week, but that was not its full quota.

We have had no definite reports from other communities.

Poultry Worms

Warm weather and moist places encourage the hatching of round worms. Intestinal worms of any kind sap the strength of hens and lower egg production. Worms can be determined by watching the manure.

The most common are (1) large round worms the size of a knitting needle and 1 to 3 inches long, (2) caecum worms about as large as a pin and 1/2 to 1 inch long, (3), tape worms, flat tape-like worms in segments. Tape worms may be many inches long, but each segment is really an individual, for it will reproduce.

To treat for worms clean out the house and yard thoroughly. Remove caked runs and put in clean sand. Arrange drinking fountains so water does not collect on the ground. Individual capsules obtainable at drug stores or poultry supply houses are the best for treatment.

Dishwashing Tips

Cut down on time consumed in dishwashing by keeping a small pail or other container filled with cool sudsy water standing on the drainboard or work table. As mixing spoons, egg beaters, knives, and other utensils are soiled, drop them in the container to soak. There will be no need for hard rubbing and scouring later when they are washed with the rest of the dishes. This plan also saves soap which is made of ingredients which are important to war munitions, and which itself has many important war uses.

Many people throughout our county have been in the habit of decrying foreign missionary work by the churches, regarding it as a waste of money. But if a hundredth of the money which we have been compelled to spend in fighting Japan the past three years had been spent during the past half century for missionary work in that country, there doubtless would have been no attack on Pearl Harbor and no war with this country. If Hitler, Himmler, Goebbels, Goering, and others of their ilk had been Christians instead of scoffers at Christianity, there certainly would have been no second World War. In fact, if Christians had used their time, their talents, and their means through the past half century to combat the rising tide of materialism and atheism in Germany, and such men as Ludendorff and Hin-

denburg and other war lords had become followers of the Prince of Peace instead of the god of Greed and Aggression, there would have been no first World War. This is just a secular newspaper, but we are convinced that from a mere economic standpoint Christianity pays bigger dividends than all the business and commercial institutions in the world.

China's unpreparedness and lack of unity is one of the most tragic things connected with this war. A nation of nearly four hundred million people, yet she seems unable to act and move as a single nation and is therefore virtually helpless against the onslaughts of the well-organized Japs. China has a great future if she comes out of this war alive and takes advantage of the opportunities that should then be offered her.

What a crime against the children of the world this war of Hitler and Hirohito has been! The sum total of the suffering it has brought to the little tots and the babies could not be fully computed by a million men in a million years. And their willing and active co-conspirators and puppets are just as guilty as they. What earthly court could mete out to them even the semblance of justice.

The major task of the post-war period will be the task of feeding the hungry and clothing the naked and giving the children a chance.

CHARLES OLIVER VISITS HERE AFTER LONG CRUISE

Charles Oliver, who is a seaman on a merchant vessel in the service of the U. S. Navy, is here on a 30-day leave visiting his parents, Mr. and Mrs. C. T. Oliver.

Leaving out from a port on the west coast, Charles just recently returned from a trip that took him entirely around the world. Rounding the southern coast of Australia and Tasmania, his ship proceeded to India, visiting different ports in that country. Then it came across the Indian Ocean into the Red Sea and through the Suez Canal into the Mediterranean, emerging from that great and historic body of water through the Straits of Gibraltar in to the Atlantic Ocean, thence across that pond to New York City.

INFORMATION ON INCOME TAX RETURNS FOR EMPLOYERS AND ALSO WAGE EARNERS

The revised rates for withholding income tax from wages, provided by the Individual Income Tax Act of 1944, apply to all wages paid by an employer to his employees on and after Jan. 1, 1945, regardless of when the wages were earned. W. A. Thomas, Collector of Internal Revenue for the Second District of Texas, explains.

Under the new law, for example, any wages earned in December, but not paid to the employee until Jan. 1 or after, are subject to the new withholding rates.

On the average, about the same amount of tax will be withheld under the new rates as was withheld under the old rates. However, since the rates were revised to adjust each employee's withholding more closely to his annual income tax, in individual cases the withholding may be either more or less than before.

Thomas further explained that the Withholding Receipt, Form W-2 (Rev.) for 1944 to be given by employers to all employees by Jan. 31, 1945, must show all wages actually paid during 1944, together with the amount of income tax withheld during the calendar year.

If any wages earned in December are not paid to the employees until Jan. 1 or later, such wages must not be included on the 1944 Withholding Receipt. Inasmuch as practically all wage earners who may use these Receipts as their 1944 returns file returns on the basis of income received during the year, inclusion in the Receipt of any wages not actually paid in 1944 would result in incorrect returns.

Lt. J. W. Hickerson Given Air Medal

An Eighth Air Force Liberator Station, England—2nd Lt. J. W. Hickerson, husband of Mrs. Laura E. Hickerson of Tahoka, Texas, a pilot of a B-24 Liberator, has been awarded the Air Medal. The presentation was made by his group commander, Col. Troy W. Crawford of El Paso.

The citation read: "For meritorious achievement in accomplishing with distinction aerial operational missions over enemy occupied Continental Europe. The courage, coolness, and skill displayed by him in the face of determined opposition materially aided in the successful completion of these missions. His actions reflect great credit upon himself and the Armed Forces of the United States."

Lt. Hickerson has participated in bombing missions over Hamburg, Minden, the Metz area, and other war production centers of Germany. He received his wings at Freeman Field, Indiana.

Lt. Hickerson entered the service Sept. 8, 1942, and at the time was employed by the Brown & Root Construction Co., Houston.

His squadron, one in the 446th Bombardment Group, has been cited by the Second Bombardment Division commanded by Major Gen. William E. Kepner for completing 62 consecutive combat missions without the loss of aircraft or crew over enemy territory.

This Eighth Air Force Liberator group, upon completion of its 100th mission was given recognition for outstanding performance of duty in combat. Dropping tons of bombs on targets in Germany and occupied countries, this unit contributed immeasurably to the aerial war against

the enemy. Beating down all opposition as they fought their way to targets vital to the enemy's war effort, this group was able to make these many dangerous missions with a minimum of loss. This impressive record was only made possible by a high degree of teamwork between all elements of the squadron and group, both ground and air.

Santa Claus Letters

Dear Santa Claus:

Are you still making toys? I hope you are and do you know what I want for Christmas? I want a set of jeeps and a set like them and some big airplanes and some small airplanes and a rifle and a gun and a holster and a pistol with it and a good rope and a helmet with a red tie. I am a little boy nine years old. I am in the fourth grade. I got a report card day before yesterday and I made a good grade. Your friend, Brownie Williams.

Dear Santa Claus:

How are you? I want you to bring me a big doll and some other things. I want a car, and a truck and wagon. You know last year you brought me a dresser and I want you to bring me a bed and a big doll. I am six years old and in the first grade. Your friend, Wanda Jean Williams.

Dear Santa Claus:

I am two years old and will be three in February. I wish to have for Christmas an airplane, a toy machine gun, a rocking horse, and a cowboy suit. I want also nuts, candy and fruit. Your friend, John A. Montgomery.

Dear Santa:

I am a little boy five years old. I am writing you to ask you to bring me a toy machine gun, a cowboy suit, a rocking horse, and plenty of fruits and nuts. Don't forget my little brother and sister. My little sister wants a little doll. She is one year old. My little brother is 2½. He is writing you too. So good-bye, Sweet Santa. Have a merry Christmas. Your friend, James Reagan Montgomery.

Dear Santa:

I want a bride doll and a groom doll and some doll clothes and a little trunk. Nancy wants a baby doll and clothes, also a little trunk. Love—Sarah Beth Nelms and Nancy Lee Nelms.

Dear Santa Claus:

I am a little boy two years old. I would like some tinker toys and a little tractor. I have been good most of the time. Don't forget my mother daddy, uncles, aunts and cousins and all of our boys fighting in the war.

Micky Wayne Owens

CARD OF THANKS

We wish to express our thanks for the many acts of kindness and words of sympathy from friends and acquaintances because of the loss of our baby and grandchild. We appreciate such friends more than we can tell you. May God bless you all.—Mr. and Mrs. Jim Bob Curry. Mr. and Mrs. Newt Barham and family. Mr. and Mrs. Wiley Curry and family.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

ELDER DRENNON'S NOTES

We have had two unusual things to happen the last two weeks.

Week before last I was called to Port Sumner, New Mexico, to hold the funeral of an old friend and brother in Christ, Francis Marion Turpin, who was 99 years, 10 months, and 10 days old at the time of his death. He had 7 sons and 3 daughters, 57 grandchildren, 64 great-grandchildren, and six great-great-grandchildren. He was the last of a family of 13 and was a great old man and faithful Christian.

The other unusual thing was the greatest shock of our lives. As we were sitting down to dinner last Thursday the dishes on our table began to rattle and the house rocked. We looked west of Melrose and saw a great cloud of black smoke. We got in the car and drove out to Tolar, a little village 18 miles west of Melrose, and an awful sight greeted our eyes. Eight houses—all in the village—were wrecked and 37 railroad cars were either wrecked or burning. Fortunately only one person was killed.

The scene reminded us of the reports and pictures of bombed cities in other countries. There were 165 500-pound bombs in the car that blew up. It rocked the earth for as far as 50 miles. We now know what an earthquake is like.

Yours for more people more interested in boys than in booze.—R. P. Drennon.

RECEIVES PURPLE HEART

Mrs. J. B. Jones received two V-Mail letters from her husband recently. In the first one he stated that he had been slightly wounded in the right hip, and had received the Purple Heart, but was still on duty and at the time the letter was written, was sitting in a native hut in Leyte with Japs all around and Jap planes overhead. In the second one, written two days later, he said he had received a wound in his left leg and was in the hospital.

S/Sgt. Jones is with the 7th Infantry Division and has been in two major campaigns besides the one in the Philippines. He has been in service three years on Dec. 9 and has been overseas 19 months.

Congratulations to Mr. and Mrs. Melton Bruster of near Wilson whose 7 lb. 4 oz. daughter was born Saturday night in West Texas hospital. The mother is the former Viola Bruedigam, a Southland graduate.

Mr. and Mrs. Melton Hancock's son Kyle was recently slightly wounded.

Sunday the J. D. Hords of Lubbock visited the Whites.

A week ago Saturday Roy Stolle and Edmund Wilke joined the Merchant Marine and will leave Dec. 19.

GRASSLAND 4-H CLUB

The Grassland 4-H Club met Thursday of last week, with Miss Carolyn Dixon present.

The meeting was called to order by our president, Juanita Mitchell. Those attending were: Bobbie Kenley, Juanita Mitchell, Verna Lee Parrish, Odeta Greer, Winona Warwick, Joann Thomas, Betty Huddleston, Dorothy Thrutt, Wanda Norman, La Dale Owens, Margie Owens, Louella Parrish, Minnie Lou Stanley.

We drew names for Christmas. Miss Dixon demonstrated how to make a little bed out of a cigar box. We also carried a motion that we have a Christmas tree and party at Joann Thomas' house.—Reporter.

R. L. Harris of Corsicana is here visiting his mother, Mrs. S. J. Harris in the C. A. Thomas home.

How women and girls may get wanted relief from functional periodic pain

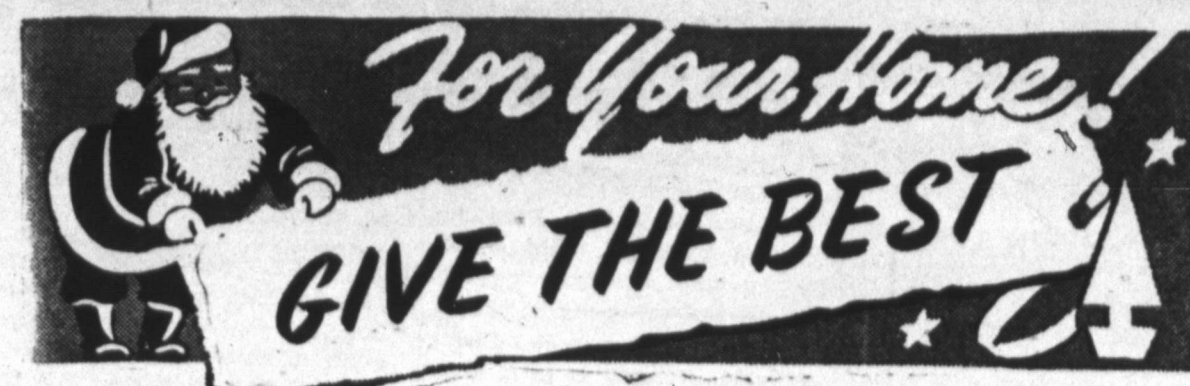

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1—Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2—Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

LIFE'S Little TROUBLES

-CAN'T SLEEP-

No need to lie in bed—tossing and turning—first because CONSTIPATION or GAS PRESSURE won't let you sleep. Be sensible—get up—take a dash of ADLER-I-KA

to relieve the pressure of large intestines on nerves and organs of the digestive tract. Adlerika assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Caution, use only as directed. Get Adlerika from your druggist today.

Green Peppers Tasty

As Main Course Fare

While we think of green peppers primarily as seasoners, they can play several interesting roles as main course fare. Remove the stems and seeds and stuff them with a meat or fish croquette mixture or a combination of cooked vegetables, as corn and green beans or peas, carrots and celery. Top them with buttered crumbs and bake in a moderate oven (350 degrees Fahrenheit) until the filling is thoroughly heated and the peppers tender. If you wish to shorten the baking time, steam the peppers for a few minutes before you stuff them.

Corn and green pepper scallop is another favorite combination. Mix two parts of whole kernel corn with one part of minced green peppers. Add enough thin cream sauce to moisten, season to taste with salt, pepper and a dash of nutmeg, and turn into a greased baking dish. Top with crumbs and a tablespoon or two of minced raw bacon and bake in a moderate oven (350 degrees Fahrenheit) until golden brown and thoroughly heated.

Vary the scallop occasionally by using a portion of lima beans along with the corn. Baked or boiled ham, cooked chicken or veal may be combined with the vegetables for a substantial main course dish. Instead of the minced bacon topping use strips or slices and run the casserole under low broiler heat to crisp the bacon just before you send the dish to the table.

Potatoes Packed With

Lye During Processing

White potatoes are "lye peeled" after being stored in a well-ventilated room at 70 degrees Fahrenheit for at least one week. They are first washed in hot water to remove surface dirt, and are conveyed through about a 20 per cent caustic soda solution at a temperature just below boiling for nearly three minutes to loosen the skins, eyes and surface blemishes.

The potatoes are then mechanically conveyed through a rotating cold-water washer where they are freed of skins, loose eyes, and all caustic soda by means of high pressure water sprays. The potatoes then pass over an inspection belt where they are inspected for any remaining defects and, when necessary, deeply embedded eyes and stem ends are trimmed by hand.

In the largest potato processing plant in the world, located in Caldwell, Idaho, 450,000 pounds of raw potatoes are peeled every 24 hours.

Saves Ducks

Countless thousands of wild ducks and geese can be saved by timely use of botulinus antitoxin, according to Dr. E. R. Quortrup of the Wildlife Disease research station, Brigham, Utah. Antitoxin treatment is combined with good management practices, including shifting affected birds to fresh water ponds and shade.

The administration of antitoxin to 327 ducks taken at random, without regard to degree of sickness, gave an 87 per cent recovery, while only 64 per cent recovered from 207 birds which received no treatment. The difference between 87 per cent and 64 per cent is 23 per cent, this being the percentage of birds actually saved by antitoxin.

Of severely affected birds, 82.09 per cent recovered when antitoxin was given; only 18 per cent recovered spontaneously without antitoxin. The curative dose of botulinus antitoxin for ducks is 2 cc., for wild geese 5 to 10 cc. Thus, the cost of saving a sick duck is only about five cents.

Gold Alloys

Alloying of gold with other metals modifies the characteristic bright yellow of gold itself and results in varying shades that have added to the decorative appeal of the precious metal. Usually the color of alloys is a modification of the colors of the constituent metals, but sometimes the scientist is surprised by getting an alloy entirely different from what would be expected from the colors of the metals used.

Thus, when 22 parts of aluminum are added to 78 parts of gold, an intensely purple, or ruby-colored, alloy results. Unfortunately this truly beautiful alloy is very brittle, and cannot be produced in sheet or wire form. Whether it will be possible to take advantage of its extremely beautiful color for decorative pieces of jewelry, etc., by attaching small pieces of the alloy to a gold background, remains to be seen.

HOME FROM OVERSEAS

Ted White, 31, seaman first class, left Amarillo by airplane last week for San Francisco, after a 15-day leave spent with his parents, Mr. and Mrs. D. G. White of Route 4, Tahoka.

White is in the Armed Guard of the Navy and has had 12 months

overseas duty of the 17 months he has been in the Navy. On his first trip out, his ship went around the world, and since then he has called at ports in New Guinea, Guam, the Marshalls, and many other islands of the Pacific.

On To TOKYO . . .

Let's all get behind the greatest march in history—the march to Tokyo—and victory!

On countless invasion fronts, thousands of your fighting men are taking up the battle cry: "On to Tokyo!" We've got to back them up with what it takes for complete victory. Remember, the supply lines in the Pacific are long and your fighting men will need more materiel than was required for the entire European invasion to crush the Jap foe.

Our boys won't quit until they've reached their goal. Let's not stop buying Bonds until we've reached ours! In this 6th War Loan Drive, the Nation's goal is \$14 billions . . . our individual job is to buy at least an extra \$100 Bond . . . another and then another . . . let's keep on going . . . let's keep on buying . . . let's keep on saying it with Bonds . . . LeMond Dies . . .

(Cont'd from page 1)

ly" was present. Rev. Claude LeMond, a son, pastor of the Methodist Church at Roby.

Mr. LeMond had been a resident of this county and of the Draw community since January, 1907. Until the infirmities of age slowed his pace, he took an active part in civic, educational, religious, and political affairs of the county and state. For a term or two just preceding or during the early 'teens, he served as county commissioner of Lynn county. Wash Hickerson and J. K. Millwee being two of his associates on that body. Much of the time during his residence at Draw he was a member of the school board and also served many years as steward of the Methodist Church. An avid reader, he kept abreast of the times, and his counsel was often sought and his opinions highly respected.

Mr. LeMond was a native Texan, having been born in Gonzales county on March 4, 1860. He was married at Georgetown in March, 1883, to Miss Kittie Meers. As a young man he attended college and for 20 years he engaged in the profession of teaching in the rural schools of that section of the state, chiefly in Llano and neighboring counties, carrying on farming operations also at the same time to supplement the meager salary that teaching commanded.

He removed from that section of the state to Coke county in 1901, from Coke to Scurry early in 1906, and from Scurry to Lynn, where he spent the remainder of his life.

His wife died at Draw in 1933. He is survived by five sons and one daughter, the sons being J. E. LeMond of Snyder, Grady of Draw, Tom of Lubbock, Claude, the minister of Roby, and Roy of Grassland; the daughter, Mrs. A. Z. Sewell of Draw. Thirteen grandchildren and four great-grandchildren also survive.

A man of more than ordinary talents, Mr. LeMond had hosts of friends and admirers here and throughout Lynn county. He was a frequent and always a welcome visitor in the News office, and his visits here will be missed.

O'DONNELL SENIOR 4-H CLUB

The O'Donnell Senior 4-H Club girls met in the auditorium of the high school building on Monday, Nov. 27.

Miss Carolyn Dixon brought a canned fruit cake. She also brought a little doll bed which the girls plan to use for a model to build some by for Christmas gifts. She also showed the Club members how to make footstools.

The girls learned how to seal and steam canned goods to send to our service men overseas.

Members present were: Rose Nell Lane, Reba Bates, Jane Thompson, Betty Lou Long, Sadie Smith, Minnie Ledbetter, Maurice Simpson, Lois Melton, and Shirley Schooler.

Our new members were: Leah Taylor, La Quita Roberson, Wanda Belle Proctor, Dorris Shook, Carrie L. Tidwell, Jean Pierce, Louise Summers, Jean Smith, Gene Franklin, Odette Saleh, Julia Edwards, Mozelle Willson, Oleta Boatright, and Betty Joyce James.—Reporter.

Mrs. Lulu M. Young and little son Elwayne returned Monday night from spending the week-end with relatives at Lamesa.

LESTERS HEAR FROM SONS ON OPPOSITE SIDES WORLD

W. P. Lester of Gordon was a business visitor in the News office Wednesday and in conversation stated that he and Mrs. Lester had recently heard from their son Pvt. Lee Troy Lester, from whom they had not heard in more than two months. He wrote that he had returned from the front, where he had served as machine gunner with the Infantry in General Patton's Third Army and was greatly enjoying a rest.

Their other son, Pvt. Billy Engle Lester, is with the Infantry of the 7th Army in the Pacific and was with General McArthur's forces in the invasion of Leyte.

MISS FENTON HONORED

Miss Peggy Fenton, daughter of Mr. and Mrs. R. W. Fenton Jr., of North Fifth St., has just been elected member of the Hockaday Junior College Honor Society, Tau Gamma Epsilon, according to Miss Frances Boyer, sponsor. Miss Fenton is a member of the Dramatic Club.

Miss Fenton is a graduate of the Tahoka High School.

Mrs. Wagner Dies

(Cont'd from first page)

McKenzie, Welch, and Tommy and Larry Lyons, Lubbock; two brothers, R. B. McMakin of California and J. C. McMakin of Grand Saline, Texas, neither of whom could be here for the funeral services.

Born in Georgia Sept. 9, 1870, Mrs. Wagner's maiden name was Maxie McMakin. She was first married to John R. Lyons at Douglasville in Cass county, Texas, Sept. 28, 1899, and all her children were born of this marriage. Moving back to Georgia, Mr. Lyons died in that state on August 28, 1907. Six years later, Mrs. Lyons was married to William Jeff Wagner at Canton, Texas, Dec. 18, 1913, and he died at his home in the Wells community on May 25, 1939.

Mr. and Mrs. Wagner had lived in Arkansas for some time but removed from that state to Lynn county in 1926 and resided here the remainder of their lives.

Mrs. Wagner had long been a member of the Methodist Church and placed her membership in the Tahoka Church about two years ago. She was highly esteemed and much beloved by her friends, who were greatly shocked and grieved by her sudden and unexpected death.

Mr. and Mrs. F. S. Barton had as visitors over the week end their daughter and family, Mr. and Mrs. Lester Ward and Martha Jane from Shields. Mr. Barton has been seriously ill, but is reported to be some better.

MRS. MATTIE BRADLEY VISITS SON AT CLOVIS

Sgt. V. L. Bradley Jr., whose home is now in Lubbock, came down Sunday morning and was accompanied back to Lubbock by his grandmother, Mrs. Mattie Bradley, and from there they went on to Clovis to visit Mrs. Bradley's son and Sgt. Bradley's father, V. L. Bradley Sr.

Late in the summer, Sgt. Bradley was wounded in action in Italy and was sent back to the States for hospitalization. He has almost completely recovered from his injuries and will return to the service about the 17th of this month. He enlisted from Clovis, and after receiving

his training was sent to North Africa, where he helped to clear out the Germans, and then saw service in Sicily and Italy.

His father is well known here.
