

The Lockney Beacon

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 52

LOCKNEY, FLOYD COUNTY, TEXAS, THURSDAY, JUNE 25, 1953

NUMBER 11

County Library Will Open Here Thursday, July 2

The Lockney branch of the Floyd County library will open on Thursday afternoon, July 2. The main library at Floydada will open on Wednesday, July 1. This arrangement is made so that the librarian, Mrs. Rosita Hollar, may be at each place for the opening.

Open house will be observed from 4 p. m. to 8 p. m. on opening day at the court house in Floydada, second floor, north.

On July 2nd, open house will be observed at the Lockney branch from 4 p. m. to 9 p. m. o'clock. Mrs. Dee Copeland, Mrs. Ewald Quebe, Mrs. Al Willis, and Mrs. Leo Maude Turner will be in charge.

The Lockney branch will be located in the city offices, one block east of Lockney post office. This is an ideal location and heat, lights, janitor service, etc., will be furnished by the city administration. This attractive white stucco building is surrounded by a well-kept lawn and a number of lovely shade trees. The county is very fortunate to have Mrs. Turner as the Lockney assistant librarian, said Mrs. J. H. Barnard Tuesday.

Mrs. Hollar, Floyd county librarian, spent Saturday in Floydada continuing organization of the new library and giving further instruction to the two Floydada assistants, Miss Nancy Ann Goughly and Miss Myrna Wilson. Nancy Ann will attend Howard Payne next fall and will work in the college library. She was a student assistant at Wayland college this past fall. Myrna will attend college this fall, also.

Mrs. Hollar passed thru Floydada Monday afternoon driving to the American Library Association annual meeting in Los Angeles. She is accompanied by a niece and nephew and by Miss Haupt of Evangeline Parish Library, Louisiana. They will visit interesting historical spots and several parks enroute. Mrs. Hollar will be in Floydada June 30. She has rented the J. T. Kirk home place on South Wall street.

Last week Judge Johnston and the Commissioners Court provided the library with a greatly needed workroom near the library quarters.

The Library Board cordially invite all Floyd county citizens to visit the libraries at both Floydada and Lockney on July 1 and 2. Others who are interested in library work will be welcomed also.

Mrs. Maud Hollins has presented her \$10 Pioneer day prize to the library fund as a donation.

Light refreshments will be served at each place during the open house period.

Borrowers Must Register
To become a library patron, one will register as a borrower. Parents will be asked to sign the (Continued on back page)

Cub Scouts And Dads At Camp

A number of Lockney Cub Scouts and their dads went to Camp Post Saturday and Sunday for the annual Cub-Dad Camp. The local group left here Saturday at noon and returned after noon on Sunday.

On Saturday night each troop presented a stunt around the camp fire. On Sunday morning at 9 the entire group attended Sunday School. They also enjoyed hiking and swimming.

Attending from Lockney were the following: Wayne and Melvin Cooper, Craig and Wilborn Tannahill, Bill Mangold and his Grandfather Powell of Floydada, Don and Fritz Schacht, Dan and Spencer Bayley, James O'Rear, Jerry and Woodson Terrell, Rodney Rigby and Clyde Applewhite, Billy Doc and Wayne McClain, Jimmy and Bill Whitfill, Jerry Mae and Lavon Johnson, Teddy Bob and Glen Cooper, Johnny Harris, Tommy and Ike Johnson, Wesley and R. C. Mitchell, Warren and Chester Mitchell, and Gene Handley as den chief.

Masons To Install Officers Tonight

A public installation of new officers of Lockney Lodge No. 867, A. F. & A. M., will be held at the lodge hall tonight (Thursday) at 8 p. m.

Officers to be installed are K. W. Cook, Worshipful Master; Harmon Handley, senior warden; Jim Bert Bobbitt, junior warden; Ed Carter, secretary; Hugh Counts, treasurer; Hubert Frizzell, tiler; Connie O'Brien, senior deacon; Raymond Rucker, junior deacon; Byron Ford, chaplain; and V. L. Webster, chaplain.

Raymond Spence To Preach Sun.

Rev. Raymond Spence, missionary to Japan for the past 4 1/2 years, will preach at the First Baptist Church here Sunday morning and will show colored slides of the missionary work in Japan Sunday night during the worship service.

Rev. and Mrs. Spence and their two children, Charlotte Ann, age 4, and Marelene, age 2, landed at San Francisco June 18 after a 12 day trip from Japan. They arrived in Amarillo Saturday afternoon and were brought to Lockney Saturday night by Raymond's brother, Jack Spence of Amarillo.

Rev. Spence's talk Sunday morning will deal mostly with mission work in Japan. The couple have been serving for three years at Nagasaki, one of the cities hit by an atom bomb at the close of World War II. The first year and a half they spent in language school at Tokyo.

They sailed June 6 and spent one day in the Hawaiian Islands on their trip home. They came by train from San Francisco to Amarillo. They have a thorough knowledge of one year and will spend most of that time here with his parents, Mr. and Mrs. R. T. Spence. However Rev. Spence already has speaking engagements in a number of places in Texas, Oklahoma and Arizona at schools of missions and churches and will be kept busy.

Mrs. Spence is the former Inez Gilliland, daughter of Sam Gilliland of Hereford, formerly of the South Plains community. She works with the Young Women's Auxiliary and the Women's Missionary Union.

Rev. Spence speaks at mission points out of Nagasaki and preaches once each month at the Baptist Church in Nagasaki. This church has about 100 members and the pastor is a Japanese who is a seminary graduate. This church is 50 years old. Rev. Spence said.

Nagasaki is a city of about 250,000 population and has a strong Catholic and Buddhist population. Some of the people of the city still hold resentment toward Americans for the dropping of the atom bomb but most do not, Rev. Spence said. The people of Japan are sympathetic toward the United Nations and are strongly anti-communist but are not interested in getting in the war themselves. The war has brought some prosperity to Japan not only through spending by soldiers stationed there but some manufacturing plants for munitions have been established in Japan also.

Rev. and Mrs. Spence are in Japan by appointment of the Southern Baptist Foreign Mission Board. He is a graduate of the Southwestern Baptist Theological Seminary at Fort Worth and she attended that institution. Mrs. Spence is also a registered nurse.

There are 100 Baptist missionaries in Japan and 53 Baptist churches along with numbers of mission points. At Fukuoka the Baptists have a seminary with 53 students, a high school and a university.

The Spences both speak Japanese but do not write it. It is necessary to know 20,000 characters to write Japanese exactly but newspapers can be read with a knowledge of 3,000 characters.

Diamonds, sapphires, emeralds, rubies and opals are the five recognized precious stones.

Machen Submits Resignation As Postmaster Here

H. B. Machen, postmaster of the Lockney office for the past five years, has submitted his resignation to the Postmaster General and asked that it become effective August 25. Mr. Machen has bought a farm near Bentonville, Arkansas, and will move his family there as soon as he can make arrangements to do so, he said this week. He hopes to be able to move in July and return here to close out his affairs with the post office in August.

An acting postmaster will be appointed to replace Machen until such time as examinations can be given and the permanent appointment made, according to usual procedure.

Machen became postmaster here on August 25, 1948 succeeding Joe McCollum who passed away that year. He served during World War II in the army and still holds a reserve commission.

Applicants for the position should secure a minimum of three letters of recommendation from local citizens together with a transcript of schooling, etc., and present to Joe Holt, Floyd County Republican chairman who will pass the application on to Harold Poole of Plainview, who is the 19th district Republican chairman.

4 To Attend Nat'l Scout Jamboree

Four from Lockney plan to attend the National Boy Scout Jamboree at Santa Ana, Calif. in mid-July. They are Udell Cunningham, Explorer Scout advisor, Jerry Ford, Nelson Wofford and C. L. Turner.

The local Scouts will board a chartered bus with other members of Troop 34 at Plainview on the morning of July 9th. This troop is made up of Scouters and leaders from this area who plan to attend the jamboree. C. L. Turner has been named senior patrol leader of the troop and Udell Cunningham is one of the assistant Scoutmasters.

Troop 34 will spend the first night at Pueblo, Colo., the second at Price, Utah and the next day drive into Salt Lake City where they will go sight seeing and also spend the third night.

They will visit Yosemite National Park and then go on to Bakersfield, Calif., to spend the night. The next day they will drive into Santa Ana.

Among the outings planned are a swim in the ocean and a day at Catalina Island before the jamboree starts.

Returning home they will stop at Boulder Dam, the Grand Canyon and the Painted Desert. They expect to arrive back home on July 26.

Baptist Youth Rally At Quitaque June 27

A special Youth Rally for the young people of the Baptist Churches in the Floyd County and Panhandle Associations is set for 8 p. m. on Saturday, June 27 at the First Baptist Church in Quitaque with the young people of the Quitaque church acting as hosts.

Program chairman of the Panhandle Association, Miss Jeanine Miller of Memphis, will be mistress of ceremonies for the evening with the young people of her group presenting the theme "Youth—the Hope of the World." Giving the devotional will be 10 young people from various churches in the Panhandle Association.

Music for the program will be brought by the Quitaque youth under the direction of Ted Lanham and Mrs. Alvin Hamm.

Rev. Jesse Leonard of the First Baptist Church of Leslie will bring the evangelistic message. A fellowship hour will be held on the church lawn following the services. Churches invited to attend include Lockney, Aiken, South Plains, Cedar Hill, Lone Star, Sand Hill, in this immediate area.

Mr. and Mrs. Frank Guidry and Martha Margaret moved this week to Lubbock to make their home.

Thousands of Acres Cotton Ruined by Blowing Sand

Water Wells Are Being Lowered

Both city water wells are being lowered and new pumps installed in order to forestall any possible water shortage here, Mayor J. E. Cox said Wednesday. The wells were being worked on Wednesday and it was necessary for the city to broadcast a request for all lawn and garden irrigation to stop for the day. This was done with the Southwestern Public Service Co.'s public address truck.

However late Wednesday Mr. Cox said that the big well was back in operation and irrigation could be resumed by local residents.

New pumps and bows are being put in the local wells and they are being set on 180 feet. The work is expected to be completed by this week end. When this is done the city will have an abundance of water, the mayor said.

There has been no shortage here as yet but city officials have been worried lest one of the wells fail and cause a shortage. Hence the repair work has been done before it became absolutely necessary in order to avoid any emergency.

It was necessary to turn the water off for a short while just after noon Wednesday because of trouble with a big motor on one of the wells but this was believed to be just minor trouble.

Lone Star Wins To Lead League

The Lone Star softball team won a game from South Plains Tuesday evening of this week to take full charge of the top position in the standings of the Lockney Softball League. The score was 18 to 15.

In a second game Tuesday evening the Fire Department won a well played game from Aiken 5 to 1. Aiken appears to be the hard-luck team of the league. They always play a good game but their opponent plays one just a little better.

Games last Thursday and Friday nights were postponed due to the weather.

The first round of the league play was due to be completed Thursday night of this week when The Willis Gulf Service team plays the Legion. However due to the postponed games, a second game will be played Thursday night with Providence and the Fire Department crossing bats. Also a double header will be played Friday night and another Monday night, all make-up games, if the teams can make arrangements, league officials said Wednesday.

Present league standings are:

Team	W	L	Pct.
Lone Star	5	0	1.000
South Plains	3	1	.750
Providence	3	1	.750
Fire Dept.	3	2	.600
Gulf Service	1	3	.250
Legion	0	3	.000
Aiken	0	5	.000

Rotary Officers To Be Installed

New officers of the Lockney Rotary Club will be installed at the noon luncheon Friday of this week at the Hotel Coffee Shop. G. M. (Bud) Brunner, past president of the club, will be the installing officer.

Officers to be installed are Joe Parrish, president; Al Willis, vice-president; Arthur Barker Jr., secretary-treasurer; Bud Brunner, Claude Brown, Hershel Svepston and Edgar Hays, directors.

Mr. and Mrs. Frank Guidry and Martha Margaret moved this week to Lubbock to make their home.

Searing clouds of sand driven by a strong southwest wind and probably aided by static electricity in the air ruined thousands of acres of cotton in Northwestern Floyd county last Friday afternoon. The wind followed on the heels of a hard-packing rain on Thursday night, causing the sand to blow in spite of efforts to stop it.

The sand and wind seemed to cook the cotton on the stalk, leaving just the black stem standing in some places. Where plants weren't completely destroyed the leaves were burned and curled and some of them gone.

Most of the damage to cotton was in Precinct 2 as far as Floyd County is concerned. County Agent Bill Rogers said that most of the damage began a mile or two north of Sand Hill and went north and east. He estimated that 12,000 to 14,000 acres of cotton was damaged and probably half that amount was destroyed.

Other estimates as to the amount of damage vary considerably. Some say that one-half of the cotton in the area was damaged while others say that not more than 10 percent of it suffered any great amount of damage.

East and west rows were hurt more than north and south rows in most cases. The wind coming out of the southwest quickly dried out the top crust of the ground and started whipping up the loose sand from the crust. The blow started about noon and farmers started immediately to fighting the blowing sand but were handicapped by wet fields. Many tractors stuck in the fields, slowing the work and preventing them from stirring the ground. Then the quickness of the damage also was a handicap. Some farmers said that the damage came within an hour after the wind came up. The wind continued all afternoon.

Damage was very spotted with sand blowing on one spot in a section and not blowing in another. Many times the middle of the field was blown out with the cotton still remaining green and virtually undamaged on the row ends. In very few places did an entire field blow out although in some places there was so small an area left that the farmer replanted the entire field to grain sorghum.

Although The Beacon was unable to secure the names of all the farmers who suffered loss, those who apparently suffered the most damage included Lloyd Readhimer, Lowell Jarrett, Garland and Gerald Sams, Paul Kropp, T. J. Honea, Horton Howell, R. I. Thomas, Harold Griffith, Raymond Rucker, Tom Moore, J. H. Widener, M. A. Martin.

The area around Aiken suffered very little damage since they had only a half inch rain on Thursday night. The eastern Providence community had some damage and probably the worst damage of the area was done around Lone Star, especially north and east of that community.

There was considerable damage also around Sterley and in the Pleasant Valley community south of Lockney. Raymond Rucker planted probably 400 acres to feed in that area. The Mitchell farms lost some 200 acres out of around 800 in cotton in the blow and Clark Harris lost a considerable amount of cotton in the storm.

Horton Howell at Sterley has replanted his entire crop to feed, reports here say and T. J. Honea, north of Lockney, lost his entire crop. Many farmers lost half of their standing cotton while others lost very little or none.

The feeling that the blow may have been a "blessing in disguise" was expressed by some. With a severe drought covering the state feed is very apt to rise while the price of cotton prob-

ably can go no way but down. Due to low costs of raising feed, the farmer may come out with more money in the end, they say. However, the local businessman looks at it a little different because he makes his money from laborers brought here to work and harvest the crops and cotton is the crop that brings in the laborers.

Farmers have hauled grain out of local elevators at a fast rate for the past several days. Probably around 1000 bags of 100 pounds each have been sold here and at a rate of 10 pounds per acre this amount would plant 10,000 acres of feed. Some believe this to be too high a figure for the amount of feed that will be planted but others think it about right.

Some farmers were waiting to see what the burned cotton would do before deciding whether to replant or not. Already small shoots or leaves were appearing on some of it and it is believed that this cotton will go ahead and make although it will be late.

Rains Here 1.25

The rain that fell here on Thursday preceding the blowing sand measured 1.15 inches according to Joe Holt, local weather observer. More rain late Thursday night and on Sunday added 11 to the total to bring the moisture to 1.26 here.

At Cedar Hill the moisture measured one-half to three-quarter inch, at Lone Star it was up to an inch and a half and at Aiken it measured about a half inch. In the Pleasant Valley community the rain was 1 inch and at Muncy up to an inch and a half was reported.

Hail Damage

Hail fell in a couple of spots in this part of the county damaging crops of W. E. Terrell, Rev. Harris, W. N. Scott and Barney Manning just south and east of town and crops on the Wiley, Cannon, Walker Eros, Norman Smith, J. W. Mathis and Ted Boedeker farms in the Providence community.

There was some wind damage also with the rain. What was believed to be a small twister struck the Lloyd Readhimer farm north of Lone Star destroying two 70-foot sheds and scattering the lumber over a half section. A small granary in which some colored hands were staying was twisted off the foundation and moved several feet but none of the negroes were injured. Damage was also done by the wind on the Reed Lawson place in the same community.

In the Providence community the wind also turned over trailers, chicken houses and other small out buildings. Mrs. Ted Boedeker said Wednesday. There was considerable damage on the Walter Boedeker and Arnold Dietrich farms north of Providence where brooder houses were destroyed and also on the Marvin Scheele farm.

On the "Whitey" Baccus farm southwest of Lockney two sheds were destroyed by the winds.

ENTERS HOSPITAL

Mrs. C. F. Reeves entered the Abel Clinic in Lubbock Monday. She was accompanied to Lubbock by her husband and daughter, Mrs. S. R. Jones.

GO TO CHURCH SUNDAY.

Highlights Of Senior Trip

By Frances Dee Copeland
Continued from last week
We had our picture made in front of the Capitol and then had a very good dinner in Mr. Mahon's office. Mr. and Mrs. Mahon and his office girls served us hot dogs, potato chips, iced tea, and cookies. They also gave us passes to the Senate and

House and eversharp pencils with U. S. House of Representatives printed on them.

After dinner we went to the Library of Congress which contains ten million books as well as a Gutenberg Bible, a section of the first Atlantic cable, one of Edison's early film sequences, the first printings of several songs. The Library of Congress is open 7 days a week but you must be at least 16 years old to use it.

After visiting the Library some went to Ford's Theatre, where Abraham Lincoln was shot by John Wilkes Booth, and to William Peterson's home, where he died.

Tuesday morning an exhausted group started on the long journey home. Tuesday night we stayed in Charlotte, North Carolina, where four of our girls, Dorothy Marr, June Ware, Audrene Rhine, and Mavis Tate, were picked up by the police who showed them the town in fine style.

By 8:15 Wednesday morning we were in South Carolina and by 10:45 in Georgia. We ate dinner in Atlanta, Georgia, and came into Alabama in the afternoon. Wednesday night was spent in Birmingham, Alabama.

Thursday we went through Mississippi and saw the Capitol in Jackson. We spent Thursday night in Monroe, Louisiana.

Friday at 9:25 a. m. found us in Texas — what a wonderful sight. We came into Dallas early in the afternoon; some went to the Ice Show and some to the Midway out at the Cotton Bowl.

Saturday and the home stretch — and none too soon for most of us. Mr. Leggett was very cooperative, landing us safe and sound in Lockney about 2:30 Saturday afternoon. The bus was unloaded for the last time, thus concluding the most wonderful senior trip ever taken, according to the seniors of '53.

Those Who Took The Trip

Gene Applewhite, Norton Baker, Mary Jo Bonner, Buddy Brown, Dolores Brown, James Carthel, Teddy Carthel, Billy Chandler, Ann Cooper, Frances Copeland, Victor Day, John Dorman, Ray Ford, Elmo Fortenberry, Lewis Foster, Orland Gilbert, John B. Griffin, Liz Handley, Nancy Holland, Patsy Holland, Jerry Irons, David Jameson, Nita Kellison, Dorothy Marr,

Rayford Martin, Warren Mathis, Bobby McCormick, Audrene Rhine, Mary Richards, Beth Rigby, Rochelle Rigdon, Bill Sherman, C. B. Smart, Alfred Smith, Mavis Tate, Joe Taylor, June Ware, Nell Wells, Donald Wiggington, Betty Williams, Kenneth Williams, Ruby Wilson, Hazel Wilson, Pat Pylant, Mr. and Mrs. Elvin Lyon, Mr. and Mrs. MacLee Brewer, Susie Farrish and June Wiley.

Mrs. Hollums Died Sunday, Funeral Held Tuesday

Funeral rites for Mrs. A. L. Hollums were held Tuesday afternoon of last week at 2 o'clock from the First Methodist Church in Floydada with the pastor, Reverend Tilden B. Armstrong officiating, assisted by Reverend L. N. Lipscomb of Lubbock, a retired minister and former pastor of the deceased.

Mrs. Hollums had been a member of the Methodist Church since an early age.

Mrs. Hollums passed away Sunday afternoon in a Wichita Falls hospital after a long illness. Her husband, the late A. L. Hollums preceded her in death by one year and 14 days.

She was born Amanda Ellen Ashmore in Jackson, Ohio, on September 8, 1887, and was married to A. L. Hollums in Alabama on December 22, 1893. They came to Texas in 1894 settling in Collin county then moved to Floyd county in 1919, where they made their home.

They were the parents of 12 children, nine of whom survive, who are as follows: five sons, W. B. Hollums, T. C. Hollums and John M. Hollums, all of Floydada; Roy E. Hollums and Walter D. Hollums of Lockney, four daughters, Mrs. Faye Reynolds of Amarillo, Mrs. Eva French of El Paso, Mrs. Beth Newton of Plainview and Mrs. Sue Ilsey of Fort Worth.

Also surviving are 23 grandchildren and 17 great grandchildren, one sister and two brothers.

Pallbearers were Fred Jackson, J. T. Huckabay, E. M. Rutherford, Milton Weems, J. M. Williams and Jimmy Willson, Jr.

Peninsula literally means "almost an island."

Hard wood makes better coals for a campfire than soft wood.

INDIAN-INSPIRED

Vivacious Alice Carr, 1953 Maid of Cotton, shows one of the exotic cotton play ensembles from her famous all-cotton wardrobe. This sports costume, inspired by the rich colors of Indian madras, is designed by Korday in plain and multi-color striped denim by Cone. The ensemble consists of halter and pants, plus a cotton-fringed stole.

Prince Albert introduced the Christmas tree into England.

Kerr And Middleton Low Bidders For Floyd Co. Roads

Kerr & Middleton were low bidders Tuesday for the construction of the Rushing Chapel road to U. S. Highway 70, and for the Lakeview to Crosby county line job.

The Rushing Chapel job is listed at 5.3 miles, the Lakeview job at 3.3 miles.

Bid of Kerr & Middleton, who are expected to be awarded the contract, was \$74,693, the district engineer's office reported yesterday.

HOME HINTS

Summer is the time for broiler meals, too. They are easy to prepare and serve, and no mess to clean up. The broiler of your range is easily cleaned with hot sudsy water. Under the direct heat of the gas flame, a meal of lamb chops flavored with lemon juice, with bananas cut in strips, dipped in evaporated milk and sprinkled with chopped pecans, makes a wonderful combination. Serve hot with potato chips.

There are approximately 456,000 words in the English language.

A furlong is one-eighth of a mile.

Lockney Students On Tech Honor Roll

The spring honor roll at Texas Technological College carried the names of two Lockney students. They are Joyce R. Carthel, daughter of Mr. and Mrs. John T. Carthel, with a grade point average of 2.65 and Beth K. McNicol, daughter of Mr. and Mrs. R. R. Kellison, also with a grade point average of 2.65. R. Duane Lemons of Floydada is also named on the honor roll with a grade point average of 2.65.

Mr. and Mrs. Cecil Waggoner of Claude, Texas, spent the week end here visiting her parents, Mr. and Mrs. Claude Wofford. Mr. Waggoner is editor of The Claude News.

Camels humps are composed of fat — the backbone is straight.

NORMANS HERE

Mrs. Joe Norman, Randy, age 3, and Loretta of Galveston, Texas, spent two weeks visiting parents, Mr. and Mrs. Clifford and other relatives and friends here. Joe is a medical school student.

HOME HINTS

If you are planning to range and refrigerate, mind that these water-tight should (1) be durable, at least eight feet of material like clay intended for food serving and cleaning.

The port side of a left side, as one stern to bow.

MYSTERY FARM NO. 6 is the home of Mr. and Mrs. R. I. Thomas, located four miles north and six east of Lockney. A number of people correctly identified the place with Bud Casey being the first and winning the two tickets to the Plains Theatre or the Seale Drive-In.
 Mr. Thomas has farmed this place for 45 years, breaking it out in 1908. It was formerly part of the old F ranch, which was owned by the Goodnight interests. Mr. Thomas has 280 acres in his home place, all

dry land. He has a quarter section of irrigated land and another quarter section of dry land four miles west of his home place and a quarter section of dry land in the Ramsey community. He raises wheat and grain sorghum on the irrigated land.
 He also raises some livestock but is out of that business just now due to the drought.

Mr. and Mrs. Thomas built their modern brick-veneer home in 1942. It has six rooms and bath and all utilities and

conveniences including a television set.

The couple have two daughters, Mrs. W. H. Harrison or Joyce, who now lives at Lubbock and Mrs. D. M. Wells or Reva, who with her husband is attending school at Columbia, Mo.

The Thomases attend the Methodist Church and he is a member of the Farm Bureau.

Watch for another mystery farm picture in Handley Shop & Pump Company's advertisement next week.

... and I quote:

VISIT HERE
 Mrs. Ed Reeves and daughter, Mable of Abilene visited Mrs. Lee Seaman, Mrs. Alice Baker and other friends here one day last week. Mrs. Reeves has many friends in Lockney, having been a clerk at Baker Dry Goods a number of years ago. Mr. Reeves was killed here in an accident when he was run over by a car some years ago.
 Mr. and Mrs. Edgar Hays and family spent Saturday and Sunday visiting relatives in Bowie and Montague, Texas.

TO RUIDOSO
 Mr. and Mrs. Lowell Jarrett and Larry, Mr. and Mrs. Lloyd Readhimer and Jo spent last week end in Ruidoso, New Mexico.

Mr. and Mrs. LeRoy Mosley and children, Dian and Mike, of Houston spent this week visiting in the home of their cousins, Mr. and Mrs. R. C. Mitchell and other relatives here.

This advertisement is the third in a special series which began over a year ago, and which is designed to give you, as a prospective buyer, detailed and helpful information. We'd be happy to have your comments about this type of advertising.

This is the 1953 Chevrolet Bel Air 4-Door Sedan. It's one of 16 Chevrolet models in 3 series, which add up to the widest choice in the low-price field.

Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully before you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1953 Chevrolet stands in those respects.

Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we can tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more.

And you might consider this: Chevrolet styling is the *newest* in its field. It's the kind of styling that *stays* new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile

body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrift-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes sub-

stantial savings on over-all upkeep, as well as on gasoline.

New Getaway in the New Powerglide*

The new Powerglide *automatically* drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can seaway in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

A Smoother and a Safer Ride

Chevrolet is the *heaviest* low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and still cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds more cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities for research, for engineering and production. So, isn't it reasonable that these greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people *liked* Chevrolet better. Unless Chevrolet offered more things people want—more value.

So, when you're ready to choose your new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit at any time, so that you can look the car over yourself and try it out on the road.

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Ten" and Bel Air models at extra cost.

MYF ELECTS OFFICERS

The MYF of the Methodist Church elected officers Sunday for the coming year. Elected were Harleen Workman, president; Joann Harris, vice-president; Clydelle Hill, secretary; Jimmy Myers, treasurer. The group meets each Sunday night.

Mrs. Mace McPherson and children of Hobbs, N. M., left Wednesday after spending this week here with her mother, Mrs. Luther Wofford and with Mr. McPherson's mother, Mrs. C. P. McPherson.

GO TO CHURCH SUNDAY.

We have a Good Selection of Electric Motors and Electrical Supplies

We'll trade with you. Come in and see.

T. E. L. Class Meets In J. D. Wood Home

The T. E. L. Sunday School class of the First Baptist Church met for a regular business and social meeting in the home of Mrs. Derrell Wood Tuesday afternoon.

Following a prayer led by the president, Mrs. T. B. Mitchell, Mrs. E. J. Rogers gave the devotional. Mrs. Clayton Weathers was elected as assistant teacher.

Mrs. Henry J. Moore, social chairman, led a quiz game. Homemade ice cream and wafers were served to Mmes. F. S. Visage, Ed Whitfill, H. J. Moore, T. B. Mitchell, Joe Reeves, E. J. Rogers, W. J. Casey and R. E. Rogers, guest.

The July social will be held in the evening and the husbands will be guests.

Craft Meeting Held By H. D. Club

Lockney Home Demonstration Club met June 11 in the home of Mrs. Thomas Marr for an all day craft demonstration. Copper plaques were made during the morning. Mrs. Vernon Gross of the Pleasant Valley club assisted the local club demonstrators.

Mrs. Ross Cooper and Mrs. Garland Sams. Making plaques were Mmes. W. F. Anderson, F. L. Brown, L. M. Honea, Thomas Marr, Calvin Tomme, Raymond Watson, Thurman Davis, Garland Sams, Ross Cooper and Nancy Bollman. A covered dish luncheon was enjoyed at noon.

Reed trays were made during the afternoon. Mrs. Weldon Smith and Mrs. L. K. Sherman of Pleasant Valley club were guest demonstrators assisting Mmes. Gross, Cooper and Sams. Joining the group for this demonstration were Mmes. Shirley Race, T. A. Kelley, H. J. Moore, J. H. Cooper, W. E. Marr and J. E. Tierce. A number of young ladies made copper plaques also.

The club will meet Thursday, June 25 at 3 p. m. in the home of Mrs. Carl Ferguson for a very educational program entitled "Is It Legal?" Appearing on the program will be Mmes. Frank Messimer, J. H. Cooper, Carl Ferguson and Henry Bollman.

HOME HINTS

Why not save time to enjoy lovely summer days by making a double recipe of fluffy tapioca pudding, following directions on the package? Chill in the refrigerator. Then you can serve it with fresh strawberries on one day, and another day with fresh stewed rhubarb.

Try dressing up that old standby — scrambled eggs. Add cooked, shell-shaped macaroni, and top it off with grated Parmesan cheese. Of course, use butter for the right flavor.

Here's a delicious dessert, easy and quick to make. Take squares of bread and fry in butter directly over the burner of your gas range. Place in a hot dish and pour pureed prunes over bread squares. Make a sauce mixture of the prune syrup, a little sugar, juice of a lemon, pour over the puree and serve hot with whipped cream.

The continued hot, dry weather is developing a situation which can cause trouble for owners of pasture and woodlands. Vegetation is drying rapidly and fires are becoming a hazard. The Texas Farm and Ranch Safety Committee urges every citizen to be doubly careful with fire.

Columbia University was first known as Kings College.

W. L. McMinn Family Has Reunion Sun.

The family of Mr. and Mrs. W. L. McMinn of Silverton, former Lockney residents, held a reunion at the new park in Plainview Sunday, June 21. The group included 44 members of the family and four visitors.

Attending were Mr. and Mrs. W. L. McMinn, Mr. and Mrs. Bud McMinn, all of Silverton; Mr. and Mrs. Henry McMinn and Martha Ann of Levelland; Mr. and Mrs. Travis McMinn and daughter of Hale Center; Mr. and Mrs. Melvin Watkins of Amarillo; Mr. and Mrs. Frank Messimer, Clarence and Charlene, Mr. and Mrs. Paul Mangum, Rocky and Ruth, all of Lockney; Mr. and Mrs. Elmer Roberts and family of Hereford; Mr. and Mrs. Pies Visage, Mr. and Mrs. Edwin Visage and daughter of Lubbock; Mr. and Mrs. Odie Dorman and Everett of Dumas; Mr. and Mrs. Hershel Horston and daughter of Plainview; Mr. and Mrs. Joe Ed Howard and sons of Seal Beach, California; Mrs. Luther Watkins, Plainview; Ethel Marshall and Mr. and Mrs. Bill Hill, Lockney.

A picnic dinner was spread at noon and the afternoon was spent in visiting and taking pictures.

HOME FROM FISHING

Carl McAdams, Jim Harper, A. P. Barker Sr., from Lockney and Omer Milner from near Kress returned Monday, June 22 after spending six days on a fishing trip. The group enjoyed the cool mountain air on the Soward Ranch, 13 miles from Creed, Colorado, 9000 feet elevation. It frosted every night and a fire was kept in the fireplace.

The fishermen report that they caught plenty of fish and brought some home. Mr. McAdams admitted that A. P. Barker proved to be the best angler since he caught the biggest fish. It was a cut-throat trout.

Mr. and Mrs. Ted Crager and son, Bruce of Lubbock, were here Monday night and Tuesday visiting his parents, Mr. and Mrs. Arch Crager.

PROVIDENCE NEWS

By Mrs. Wilfred Stoerner

You can give without loving, but you can not love without giving.

Many farmers suffered great loss of cotton crops in this area following a rain storm on Thursday night and severe dirt storm Friday afternoon. Within an hours time farmers who had good cotton had only the bare ground left.

Many of the members of Trinity Lutheran Church attended funeral services Wednesday afternoon at St. Martins Lutheran Church, Littlefield, for the funeral of Mr. Homer Garmes. To all the families we extend our heartfelt sympathy.

The following motored to Brownfield Wednesday visiting Mr. and Mrs. A. D. Wenzel, Mr. and Mrs. Leo Wenzel, Mr. and Mrs. Wilburn Wenzel, Mr. and Mrs. Wilfred Stoerner, Mrs. R. G. Stoerner and Mr. Bill Steinke.

Rev. H. L. Anderson assisted in funeral services for Mr. Homer Garmes Wednesday afternoon at Littlefield.

Mr. and Mrs. Robert Barse of Fort Worth visited Mr. and Mrs. E. M. Quebe, Mr. and Mrs. B. H. Quebe and Mrs. Ben Quebe last week.

Rev. and Mrs. Lee Roy Brandes and children, Marla Joy and Mark were week end guests at the home of Rev. Brandes' parents, Mr. and Mrs. Ben Brandes. Rev. Brandes held services in Shepard King Lutheran Church Sunday morning, Sunday evening and Monday evening. This being a part of an evangelistic program being carried out by Rev. Brandes and Rev. Slaughter.

Sunday dinner guests at the home of Mr. and Mrs. Albert Kelm were Mr. and Mrs. Melvin Kelm and son, Mr. and Mrs. Skay Foster and son, Mr. and Mrs. Walter Boedeker.

Mr. and Mrs. Arnold Brasher visited her mother, Mrs. Jerry Barlow of Sanitorium, Texas. She has recently undergone serious surgery. I am sure she would like to receive a card and handkerchief shower. Address Mrs. Jerry Barlow, Dormitory 15, Sanitorium, Texas.

Mr. and Mrs. Wilfred Stoerner appeared as witnesses before the immigration officer at Lubbock Friday with Mrs. Calvin Palmer who is completing arrangements for her citizenship of the United States. She originally was a citizen of Great Britain.

Mr. and Mrs. Virgil Brasher were dinner guests in the home of Mr. and Mrs. Alvin Dietrich Sunday.

Miss Laverne and Lou Ann Word visited Mrs. Virgil Brasher Monday.

Mr. and Mrs. Marvin Scheele, Miss Marie Scheele, Mr. and Mrs. Jack Favor and daughter spent last week end at Pampa where they visited Mr. and Mrs. Vernon Collins.

Supper guests Monday evening in the home of Mr. and Mrs. Albert Scheele were Dr. and Mrs. Foster of Hale Center.

To Wrap Gifts For Orphans The Beginners Class of Mrs. Wilfred Stoerner has collected over a period of 3 months \$5.00 in their fund for the orphans. Next Sunday each pupil is asked to bring their scotch tape, rib-

bons and wrapping paper to wrap their gifts for the orphans at Round Rock Trinity Lutheran Orphan. An assortment of strings, shoe polish, hair oil and hair oil has been prepared by their teacher with the Pupils in this class. Boedeker, David Anderson, David Scheele, Larry Frazier, Sue Quebe, Delta Anderson. Mr. and Mrs. Robert Brasher spent the week end at Pampa where they visited Mr. and Mrs. Joe Payne, brother of Dr.

Trinity Lutheran Church H. L. Anderson, June 24th, Choir rehearsal 8:30 p. m.

June 27th, Junior Band at 9 a. m.

June 28th, Sunday School, a. m. Divine Worship, Luther League at 8 p. m. Matthews, Maebeth, hosts.

Special Notice June 29 through July 1, Cation Bible School, ending Monday through Friday 9 a. m. to 11 a. m. All children in the area are especially invited.

Little Miss Linda Paducah visited her parents, Mr. and Mrs. Brasher last week.

HOME HINTS
 Color can influence the home-maker's emotions and work habits. Psychologists say don't select colors for the kitchen just because they are fashionable. When planning or remodeling your all-gas kitchen, pick the walls which are in shades to bring cheer and a feeling of relaxation.

Texas poultrymen producing eggs in areas where price differences are being paid for quality eggs will no doubt profit from making pullet replacements in order to maintain a uniform production of eggs throughout the year. These replacements are a necessity if Texas producers are to stabilize the state's egg industry.

The sixth summer field course in range management gets underway on June 29 at Tarleton State College. The class of 25 county agents and vocational agriculture teachers will travel some 1,500 miles during the three weeks session.

SOUTH PLAINS NEWS

by Mrs. Murray Julian

Our community received about half an inch or more in the rain shower of Thursday afternoon. There was no hail reported around South Plains, and farmers were happy until Friday when one of the worst sand storms of the year blew in. A great deal of damage was done to young cotton in some sections of the county, especially in the Lone Star community.

Those who attended the Floyd Baptist Associational Worker's Conference in Ralls at the Baptist Church on Tuesday, June 16 from South Plains were Rev. and Mrs. W. S. Spearman, Rev. Chas. Joiner and Terry Julian. The theme for the meeting was Advance in Stewardship.

J. L. King is now staying with his daughter, Mr. and Mrs. H. L. Marble and family. We are glad to see he is doing fine again, and able to go to church. Mr. King arrived here Saturday, June 13, after visiting with another daughter in Bowie, Texas for the past few weeks.

The first meeting of the newly organized Brotherhood of the First Baptist Church was held at the Church Monday, June 15 and a business meeting was conducted. Twelve members were present.

Mrs. Jerry Pearsey, baby Teresa, and Gail Brown left last Wednesday for Calif. where they will visit the coming two weeks with Jerry's parents, Mr. and Mrs. Harvey Pearsey and Rex in Norwalk, Calif. Mrs. Pearsey reports that Jerry will have finished his army period the first of July and he will be coming home during July.

Mike and Walt Wood have been having a bout with the mumps the past two weeks, and their father, L. T. Wood has now contracted them. We hope they are all well soon for in the extremely hot weather which we have been having it is doubly hard to have to be in bed.

The ice cream social which was sponsored by the BTU of the South Plains church was well attended Friday evening, June 19, in spite of the disagreeable sand storm which brought such distress to many parts of the county. The evening was cool with a 59 degree temperature and the ice cream and cake was enjoyed inside the church instead of the grounds, as was planned. Everyone came to BTU meeting on Sunday evening, Junior Calahan is director and you will enjoy the activities as well as church services following.

Mr. and Mrs. Robert Reeves have been staying at the home of his parents, Mr. and Mrs. Sim Reeves the past few days and they were visiting at church on Sunday. Their small son, Kerry, born June 6, is doing much better now, and is home with them. Bob has a ten day furlough added to his time home, so he will be here over two weeks with his family.

Rev. and Mrs. W. S. Spearman, Billy and Charlotte, leave Monday for Farmersville, Texas, where they will be with his parents, Mr. and Mrs. W. S. Spearman for some time. The father is quite ill at this time. They will then go to east Texas to the Piney Wood section, where they will visit Mr. and Mrs. H. A. Fennel of Gilmer, and other friends, and attend to some business matters in that part of the country. They will come via Dallas, where on July 1 Rev. Spearman will undergo treatment at the hospital.

Saturday afternoon Mr. and Mrs. George Weast were hosts at a delightful lawn party. Guests at the party were their children, Mr. and Mrs. E. T. Evans and children from Amarillo, Mr. and Mrs. Robert Lee Smith and children from Sterley, and his parents, Mr. and Mrs. R. W. Smith, also of Sterley. Mr. and Mrs. Ed Thomas and Mr. and Mrs. Howard Stubblefield and two sons from Silverton.

Mr. and Mrs. Paul Snodgrass spent two days last week in Telephone, Texas, near Bonham, visiting her father, T. J. Welch, who lives with a son and daughter there. Mrs. Snodgrass had planned to stay a few weeks with her father, but she will go back again, while her brother and wife go on a vacation. They report it cooler in Bonham than here.

Mrs. Milton and Linnie from Amarillo visited Tuesday with Mr. and Mrs. George Weast.

The Assembly of God Vacation Bible School at Cedar Hill is in progress now, and several children from our community are attending. The commencement exercises will be on Friday night. Mrs. Leighton Teeple has been teaching there the past two weeks. Sue and Diane Edmonds and her two children, Dwight and Sherlene Teeple attend.

Callers at the home of Mr. and Mrs. G. F. Weast Monday were Bob Jarrett and granddaughter, and Mrs. Fannie Montague, all from Floydada. That afternoon Mr. and Mrs. Weast went to visit Mr. and Mrs. Truman Bradshaw and that night they went to Silverton where they visited Mr. and Mrs. Marvin Montague.

Mr. and Mrs. Brian Karr were hosts to many of her family Sunday afternoon. Guests at dinner were her parents, Mr. and Mrs. H. S. Calahan Sr., from Lockney and Mrs. Karr's sister, Mr. and Mrs. Arthur Brown and Karen, also from Lockney. The children all called to wish their father a happy Fathers Day.

The Womens Missionary Union of the South Plains Baptist Church met on Wednesday, June 7, 3:30 at the church for a program entitled "Values in Christian Education." The study led by Mrs. Shelby Calahan was a timely one, in view of the fact that several of our young people are planning on college careers for the coming year. Mrs. Spearman opened the meeting with prayer, and song service was held. Mrs. Karr read a letter from the displaced persons family in Germany who has just received the food package, and the sender told how grateful they were, and how needy other families were. The WMS is now preparing a box to send the orphans home and it is hoped all the church ladies or others who have clothing to send, will either bring it to the church or the store for packing, which will take place at the next meeting on July 1. The meeting closed with a prayer by Mrs. Junior Calahan. Present were Meses. Grigsby Milton, Murray Julian, H. S. Calahan, Jr., Bryan Karr, W. S. Spearman, Kendall Cummings, Zach Cummings, Shelby Calahan and Dock Jones.

Mr. and Mrs. Bill Harper write from McAllen that it has been a very hot summer there, with a serious water shortage. Pvt. and Mrs. Kenneth Harper and baby, Lana have been visiting in the Harper home, and he thinks he is permanently stationed at Fort Bliss, which is near El Paso.

John Smitherman has been on the sick list the past week, and we send wishes for an early recovery.

The 4-H Club of South Plains

met with Mrs. Grigsby Milton on Friday afternoon at 2:30, June 19. Miss Petty demonstrated salad cookery. Pea salad was made and served with wafers, cookies and drinks. June Marble and Donita Milton reported on the 4-H camp which they had attended in Lubbock and Mrs. Milton reported on her trip to College Station as leader of the 4-H Club. Those present were Miss Petty, Eulalia Sanders, Sue Wilson, Juanel Brown, June Marble, Juanita McLendon, Barbara Sue and Donita Milton, Mrs. John Wilson and Mrs. Andrew Sanders.

The South Plains baseball game with the FFA team was called off on Thursday night on account of the rain. Tuesday night, June 23, the team will meet Lone Star for a good game on the Lockney Field.

Mr. and Mrs. Grigsby Milton and girls visited in the home of Mr. and Mrs. Sim Reeves on Sunday afternoon where they got to see little Kerry, and Bob and Janelle Reeves. Afterwards they called at the R. E. Young home where they visited with them and their guests, Mrs. McKee and children from Chattanooga, Tennessee, and Mr. and Mrs. Ted Pitts from Lubbock, and other members of the family.

Wednesday afternoon of last week Mr. and Mrs. George Weast had several callers. Carol Reeves from Ft. Worth and Mrs. Cole Boswell of Turkey, and Mr. and Mrs. Bill Garrett from Floydada all called during the afternoon. Others visitors were Emmet Brookshire and Mrs. D. N. McGavoc of Silverton and Mr. Bert Douglas of Lubbock.

Monday evening several men from the South Plains Baptist Church went to the Baptist encampment in Blanco Canyon to clean up around their cabin, in preparation for the young peoples assembly which begins this week.

June Marble celebrated her 12th birthday Saturday, June 20, with a swimming party at the Floydada pool, and the guests went home with her for a slumber party. Those enjoying the party were Donita Milton, Juanel Brown and June's cousin, Leora King from Floydada.

On Sunday Mr. and Mrs. G. F. Weast went to Plainview where they enjoyed a visit in the home of Mr. and Mrs. A. L. Vinson.

Mrs. E. C. King and Mrs. Russell King and Leora, from Floydada were dinner guests at the home of Mrs. H. L. Marble on Fathers Day. Glenn Wood was a dinner guest of Fred Marble also. June Marble accompanied Leora home Sunday and visited in the King home until Tuesday.

Mr. and Mrs. Don McClure spent Friday night and part of Saturday visiting with her parents, Mr. and Mrs. Frank McClure. They moved over the week end to Seagraves, from Crosbyton, where they were located.

Mrs. Raymond Reeves Honored At Shower
 Mrs. Raymond Reeves was honored at a bridal shower Tuesday afternoon, June 16 at four o'clock, in the home of Mrs. John Smitherman. The hostess received the guests at the door and Mrs. George Weast presided at the bride's book. The colors, yellow and green were carried out at the refreshment table where Mrs. Gilbert Bean poured punch, and Mrs. J. K. West served angel food squares decorated in green and yellow. The table was laid with a green linen cloth and festooned with verbenas, while the crystal punch bowl was embanked with verbenas.

The honoree was presented a lovely corsage of white lilies and gladioli and Mrs. Freeland Bingham and Mrs. Sim Reeves, the mothers, were presented like corsages in white and bronze. Co-hostess were Meses. R. G. Dunlap, Raymond Upton, George Beedy, R. E. Young, Gilbert Bean, Dock Jones, Paul Snodgrass, Zach Cummings, J. K. West, Bryan Karr, Arby Mulder, Albert Stewart, J. P. Taylor, Grigsby Milton, Jr., H. L. Marble, George Weast, L. T. Wood, Walter Wood and Ernest Smitherman. The gift for the bride was a set of Revere ware. Present at the shower besides the hostesses were Meses. Freeland Bingham, Sim Reeves, Cole Boswell, from Turkey, Andrew Sanders, Bill Beedy, L. N. Johnson, Joe Wilson, Billy Brown, H. S. Calahan, Sr., Arthur Brown, Fanny Montague, Grigsby Milton, Sr., Bryant Higginbotham, J. T. Myrick, Hansel Sanders, H. S. Calahan Jr., Rex Smitherman, Bob Garrett, Douglas Beedy, Murray J. Har, Kenneth Bean and Meses Carol Reeves and Linnie Milton. Sending gifts were Meses. Frank Brown, Harry Hartman, Walton Wilson, E. C. Austin, Jim Hays, Garnet Reeves, Hollis Bond, Frank McClure, W. B. Wilson, I. H. Parks, Robert Reeves, J. R. Wiley, Raymond Teeple, Kendall Cummings and Sterling Cummings. Jack Reeves sent silver plate for the bride.

When no dew follows a hot day, rain may be expected.

Despite the fact that some people in Texas are not sold on Governor Allan Shivers a current issue of the Saturday Evening Post explores the probability of his winning the Democratic nomination for the Presidency at some later date. The article entitled "He's Got Texas in the Palm of His Hand," goes into the matter thoroughly and comes up with the idea that Shivers is a pretty good politician. Of course, his chief opposition are those who want to go along with the Democratic party nationally whether it is right or wrong. They want to make it appear that Mr. Shivers is half Republican and has betrayed the Democratic party. To our own way of thinking he just happened to be on the side that most people in the state wanted to support.
—oOo—

Now the so-called Loyal Democrats are starting another organization "to return the leadership of the Democratic Party to the Democrats." Why not return the Democratic party to the people. That would be a much more effective way to get the job done we think.
—oOo—

The West Texas Chamber of Commerce has joined with other forces, including our representatives in Congress, in the fight to set acreage allotments on a three-year basis instead of five. Such a move would be highly beneficial to farmers of West Texas in the matter of cotton acreage. According to WTCC figures it would give West Texas nearly twice as much cotton acreage as the five-year basis — about 145,000 acres in Floyd county compared to 85,000 under the five-year plan. Wheat acreage allotments will also be enlarged if the West Texas congressmen have their way.
—oOo—

The five basic precepts upon which the Eisenhower administration stands in regard to world peace are very simple and yet very clear. Perhaps peace now is ever won by slogans and written precepts but surely the principles brought forth in these precepts will, in the end, win out. They are:

"First. No people on earth can be held—as a people—to be an enemy, for all humanity shares the common hunger for peace and fellowship and justice."

"Second. No nation's security and well-being can be lucringly achieved in isolation, but only in effective cooperation with fellow-nations."

"Third. Any nation's right to a form of government and an economic system of its own choosing is inalienable."

"Fourth. Any nation's attempt to dictate to other nations their form of government is indefensible."

"Fifth. A nation's hope of lasting peace cannot be firmly based upon any race in armaments, but rather upon just relations and honest understanding with all other nations."

New York and Pennsylvania have a greater number of Representatives in the House of Representatives than any other states.

LYNDON B. JOHNSON
People "in the know" have for some months been predicting great things for Lyndon B. Johnson, Texas Senator and Democratic leader in the United States Senate.

These predictions recently took shape in a Time Magazine release dated Wednesday in which Johnson is cited as the big hope of a badly bruised and bleeding Democratic Party. Johnson is extolled in the article as the balance of power and the guiding light of the Party in 1953. He is even mentioned as a possible candidate for President in 1954, a situation the magazine brands as problematical, then continues by quoting Johnson as saying that he would rather remain in the Senate.

We had for some time figured Lyndon Johnson as a probable candidate for Vice-President and we still believe that it is more logical for the dapper, energetic Texas Senator in 1954 than for the office of President.

Regardless of predictions, however, one thing appears for sure: Lyndon B. Johnson is doing a man-size job in Washington for the people of Texas. The Brand rather leaned toward Coke Stevenson in the big senatorial race several years back. Time has proved that we were wrong. Stevenson's age, his affiliations and his energy were all against his doing the type of job which Lyndon Johnson has accomplished. Like thousands of other Texans, we realize this mistake and are willing to admit our error.

For Athletes Foot

Use T-4-L for 3 to 5 days. It actually peels off the outer skin, exposes buried fungi and KILLS ON CONTACT. If not pleased with instant-drying T-4-L, your 4th back at any drug store. Today at
LOCKNEY DRUG CO.

meeting, and said that his stores spent most of their advertising dollar for newspaper space.
"We spend the bulk of our advertising dollars in newspapers," Mr. Penny said. "It seems perfectly natural to us that retailers can no more live without newspapers than newspapers can live without retail advertising."
Mr. Penny deplored dishonesty in advertising, and called for the newsmen to correct such situation. "I deplore the generally accepted kind of advertising that tries to make people believe no product is worthy but the product being advertised," he said.
—Paducah Post.

ICE BOX CLOTHES

Perhaps I do not possess the ability to time my insight with the racing motor of current trends. I have the sensation that I am caught on a high center. I have just become aware of a new custom which makes it convenient for housewives to place dampened clothes in the refrigerator until they wish to iron. I have no quarrel with the girls but this is the season of the year when a man is apt to need a little refrigerator space for his own purposes. Looking into an ice box full of wet-down garments fails to arouse my real impulses. —Trail Dust in Matador Tribune.

COMPETITION?

Many think because we have the only newspaper and the only printing shop in town, that we do not have competition. They don't know how mistaken they are — and they haven't been told that the postoffice department is our most unfair competitor. To quote from another newsmen, who is voicing our same complaint, and says:

"The Post Office, despite all opposition, continues to print names and addresses on stamped envelopes for forty-four cents per thousand. A Congressman doesn't have to be a printer to realize no one could set type, get a press ready, and run 1,000 envelopes through it for that price.—Quitaque Post.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

June 25, 1915
A telegram stating that the car load of Chandler cars that had been ordered by W. D. Long, T. A. Neaves and Mack Robinson would arrive Saturday.

Miss Minnie Ragle is visiting relatives in Lubbock this week.

N. E. Waller and family, Miss Emma Waller and Master Robert Ayres visited J. B. Bryant and family of Briscoe county last Sunday.

Misses Opal and Irene Thomas of Plainview visited several days this week with Miss Edna Griffith.

The son of J. R. Jones, who lives at Sand Hill had the misfortune of getting his big toe caught in a motorcycle and torn off. He was brought here Sunday and Dr. Fennington dressed the foot.

June 28, 1923

About ten cars of Lockney people spent Saturday night on Blanco Canyon near Crosbyton. Those making up the party were Messrs. and Mmes. A. R. Meriwether, Jno. C. Broyles, T. B. Allen, A. P. Barker, Alex Norris, T. L. Griffith, G. S. Morris, Mrs. Daff Griffith, Mrs. Dave Ewing, and daughter, Marie, Lucy McGehee, R. M. Broyles and Frank Griffith.

Last Saturday while attempting to crank a car Jason Miller of Aiken received very painful injuries about the face when the crank slipped and struck him in the face. Mr. Miller was treated in Lockney for wounds, one cut requiring several stitches to close.

The first new wheat to be sold in Lockney this season was brought in Monday from the field belonging to A. B. Brown

and Cleve McGehee, northeast of town. Lockney Grain Co. bought the wheat which is of the Kan Red variety. Records from the place where Floyd Huff is shown shows a surplus of a ton than \$15,000.

June 27, 1941
Combining wheat on the way on several farms but was halted when it fell over most of the day and again Tuesday. Hugh Carroll's wheat on his farm at Muncy is estimated to be eight to ten bushels per acre.

Billy Wesley, Jr., son of Mr. and Mrs. Billy Wesley is being treated at the clinic for severe foot. The Wesleys live on the Meriwether place a mile of Aiken. Last Friday Billy was riding on a weed out of the place, caught in the tractor wheel it was some time before father and two other men remove the wheel and the foot.

New officers for the north part of the are president, Jim Ben vice-president, Herbert eyeer; sec-treas, Glenn reporter, Billy Allen.

Cedar Hill News

Frances Lemons

Phone 224W1, Floydada

Jerry Workman, Jay and Jerry Kemp of Lockney visited with Marvin Wells Sunday afternoon. Mr. and Mrs. Olan Keeter spent the week end with their parents. Mr. and Mrs. M. H. Taylor of Cedar Hill and Mr. and Mrs. C. S. Keeter of Lockney.

Mr. and Mrs. Clifford Gullight of California are visiting with

her parents, Mr. and Mrs. W. E. Lackey. Phil, Carla and Frances Lemons spent Wednesday and Thursday nights with Rev. and Mrs. G. C. Applewhite of Lone Star. Joe Melvin Lyles has been ill and suffering with a swollen knee. He is improving now.

Hurt In Truck Accident
Carl F. (Snooks) Lemons suffered four broken ribs and other chest injuries in an accident that occurred on the Ben Dillard place east of Cedar Hill at eleven o'clock Wednesday morning of last week. Mr. John Shanks who is drilling an irrigation well had been helping Mr. Lemons do some welding under the water truck and while checking the trouble he forgot Mr. Lemons was under the truck and drove over his body. He is much better in the Lockney General Hospital.

Floyd Starkey accompanied his brother, Charlie Starkey of Flomot to Abilene to bring his daughter home from school and while they were there they went fishing near Abilene and brought many of the fish home when they returned Sunday. A good irrigation well was developed last week on the E. E. Wells place.

Vacation Bible School
Forty-two pupils have been enrolled in the Vacation Bible School at the Assembly of God Church during the past two weeks. Friday will be the closing day and the commencement Friday evening. Everyone is invited to see what the children have learned during the school.

Mr. and Mrs. Jack Yeary and daughters, Jacqueline and Jennifer went to Amarillo Saturday to visit relatives there. Mrs. R. C. Anderson of Amarillo who is a sister-in-law of Mrs. C. F. Lemons spent Friday and Saturday with the Lemons and took Carla and Phil to Amarillo to stay with their grandparents, Rev. and Mrs. J. E. Anderson a while.

Carol Brown of Plainview spent from Tuesday to Saturday visiting with Marvin Wells. Carlos' father came for him in the family plane early Saturday morning.

"You've got to keep both feet on the ground, sure enough. But that doesn't mean you shouldn't use 'em to get some place in the world!"

Baptist Services

The G. A.'s and R. A.'s met again Wednesday and had a very good prayer meeting Wednesday night. Everyone enjoyed the Vacation Bible school at Lockney and received much benefit from it.

Mrs. J. E. Anderson accompanied Mr. and Mrs. S. A. Decker to Lockney to visit with the Carl F. Lemons family. Mrs. Decker remained here for a few days to stay with the Lemons children.

Mahon Asks Local Groups To Report On Drouth

Congressman George Mahon advises from Washington that Secretary of Agriculture Ezra Taft Benson is most anxious to get a firsthand report on the Texas drought situation when he visits Lubbock on June 27 to speak to the American Cotton Congress. Mahon has been working with the Secretary on plans for the Lubbock meeting.

In summarizing the situation, Mahon said: "The Secretary, through various agencies of the Department which he heads, has been keeping in close touch with the situation. He has discussed the drought problems with the President and members of the Cabinet. He has called upon me and others to suggest ideas as to how to meet the problem, and he wants to get the considered judgment of the people in the drought areas as to what they think the Government can best do to aid farmers and ranchmen in the drought-stricken country."

"I have suggested to the Secretary that a program of more ample credit to the farmers on a long-term basis is essential. This could be done through the Farmers Home Administration which is already in operation in all farm areas. I have joined with other congressmen in asking Secretary Benson to try to work out a system of making available to farmers and ranchmen on some practical basis some of the government-held stocks of grain and cottonseed meal. This would have to be done in a manner that would avoid further depressing the price of farm crops."

"The Secretary plans to be in Lubbock throughout the day on June 27, and he assures me that he will be available to receive reports and recommendations from representative farm and ranch groups at some time during the day. A suggestion was sent early this week that farm and ranch groups select a small

join with others in conferring with Secretary Benson as to the facts of the situation and as to what should be done to meet the problem. It is most important that full information as to conditions be submitted to the Secretary."

Mahon and other members of Congress have been holding a series of meetings in Washington with key government officials in an effort to devise methods for Government assistance to the people in the drought areas.

DINNER GUESTS

Dinner guests in the home of Mr. and Mrs. Sterling Cummings Wednesday of last week were Mr. and Mrs. James Preston and girls of Littlefield, Mr. and Mrs. Joe Norman and boys of Galveston, Mrs. Tuff Hall of Adrian.

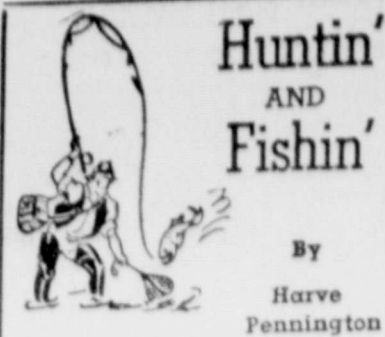

FOURTH SUNDAY SINGING

The regular Fourth Sunday Singing will be held at the City Auditorium in Lockney next Sunday, June 28 starting at 2 p. m. Everyone is invited to attend.

Mrs. Lee Seaman, in company with the J. A. Shelton family of San Diego, California, and Mrs. Tim Phelan of Louisville, Kentucky, will leave Thursday morning for a week end visit with friends and relatives in Wichita Falls, Texas, Cache and Altus, Oklahoma.

FATHER'S DAY GUESTS

Visitors in the T. T. Threet home here on Sunday, Father's Day, were their children, Mr. and Mrs. Roy Threet and son, Mr. and Mrs. Jack Walker and children, Carol Threet, all of Amarillo, Mr. and Mrs. Scott McGehee of Clovis, N. M.

Huntin' AND Fishin'

By Harve Pennington

From 9 a. m. to 3 p. m. during the summer, bass often go into deep water where they spend the greater part of the day. If springs bubbling up on the bottom are found in a lake, they are almost certain to have bass around them. By lowering a fisherman's thermometer to the bottom an accurate recording of the temperature, deep down, can be ascertained. A cup like part of the thermometer traps some water around the bulb and remains in the cup till the thermometer is brought to the surface. If the water is around 45 F., or lower, one is reasonably sure the water is derived from springs. Such places are ideal for still fishing for bass. If the bottom is rocky there is an added attraction.

The best method of minnow fishing in these bottom operations is to place a 2 or 3 ounce dipsey (pear-shaped) sinker on the line, about 2 feet up from the lure. The minnow can either be hooked through the lips or under the skin back of the dorsal fin. Lower the lure so that the sinker rests on the bottom. This will permit the minnow to swim freely about and its actions will be more natural than by the method of keeping it suspended in the water. With the fish lying practically on the bottom or very close to the bottom, unless you

can fish right down where they are, you will miss them. An unusual killer for this deep fishing is the small bullhead with its spines clipped out.

If you should locate a good deep water place in a lake you can mark the same with a simple buoy. Take a thoroughly dry, very light cedar pole, 4 inches in diameter, and about 4 or 5 feet long. About a foot length of the top can be painted white so that it can be detected under water without undue search. Attach a heavy stone to a wire and lower it to the bottom after attaching the wire to a ring turned into the lower end of the buoy. This should pull the pole down so that the painted end just shows under the water surface. To the top end of the buoy turn in a screw eye. To this you can tie your boat when fishing. It is always best to keep the pole

under the water else you will take over.

Mrs. F. S. Byars of Lockney spent last week end visiting her sister, Mrs. Whorton.

ANSWERS YOUR QUESTIONS

Q. My chickens need worming. What do you suggest?

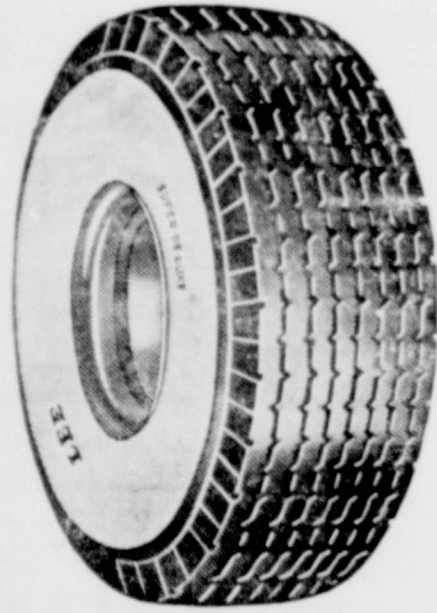

A. I recommend Dr. Salsbury's Wormal because it gets all three of the commonest worms -- large roundworms, cecal worms, and tapeworms. * Wormal in powder form is an easy flock treatment. Birds eat it readily and it's safe. Follow a regular Wormal program for more poultry profits. Remember -- Wormal gets all three!

* Genus Raillietina BE ON THE ALERT!

County Library—

(Continued from page 1)

ards of their children under 14 years of age, library officials pointed out. Registration is necessary (1) because the library is responsible for county property, (2) the county library will have your correct address and telephone number when the books you have been waiting for comes in, (3) the library will be able to serve newcomers and persons living in the county briefly.

Through registration the library staff will have an accurate count of the number of borrowers and will know how long the borrower has used the library and how many new borrowers have been added in any given period. Also the librarian will know what communities of the county are being served and which ones the library needs to reach by personal visits and talks at community gatherings.

Library officials say that it is the purpose of the county library to serve every patron with material for professional interests, recreational reading, travel guides and stories, history in whatever form the borrower wishes to read it, biography in his field of interest and numerous other approaches to the world of books.

Mrs. J. D. Copeland reports this week that Lockney business firms had been very generous with contributions toward the library fund. The three lumber yards here have donated lumber for the book shelves and they are being built in the city hall now. Money contributions by local firms totals \$400 now, Mrs. Copeland said, and in addition there will be some contributions from the residential area. About 30 ladies are scheduled to solicit funds in their own immediate neighborhood for the library making their reports by July 1.

A window at the Lady Fair Shop is being arranged to advertise the library and display some of the books.

A list of business and professional people who have contributed to the library fund was announced by Mrs. Copeland as follows:

Albert Willis Self Service, Sibrey Motor Co., Hammond & Company, U & I Laundry, Ad-

ams Grocery, Lockney Dry Goods, Frank Perkins Agency, Rhodes Grocery & Market, Brown's Cleaners & Clothiers, Lockney Implement Co., Baker Hardware, Lena Fae Store, Dykes Electric, Lockney Beacon, Darnell Grocery, V. L. Webster Station, Knox Grocery, Parker Furniture, Byrd Pharmacy, Lockney Drug Company, "Whitey" Baccus Motor Co., Lockney Variety, Lockney Real Estate, Lady Fair Shop, Lockney Auto Co., Plains Florist, Carter Funeral Home, Patterson Grain Co., Adams Texaco Station, National Alfalfa Dehydrating & Milling Co., Consumers Fuel Association, First National Bank, J. C. Jones Company, Pinner Insurance Agency, Baker Mercantile Co., Stapp Brothers Body Shop, Modern Radio & TV Service, Baxter & Smith Grain Co., J. C. Kemp, Personality Beauty Shop, White Auto Store, Faggard Dry Goods, Master Cleaners, Lockney Frozen Foods, K. W. Cook, Jeweler, Carter & Dye Blacksmith, Scott Barber Shop, Oliver Jewelry, Epperson Barber Shop, W. L. Street Creamery, Capitol Photo, Western Radiator Shop, Bill's Cafe, Carothers Magnolia Station.

A few business men were still to be contacted, it was said.

HUBERT MAY HURT

Hubert May, formerly an electrician of Lockney, underwent surgery in the Plainview Hospital last week for injuries received in an auto collision on June 5 near Chickasha, Okla. May received numerous broken bones including his left arm and wrist, his right thigh crushed, and the leg broken from hip to foot. He also has a neck injury and a brain concussion. He is the son of Mr. and Mrs. Alton May of Floydada.

WITH THE ILL

Mrs. Cleatis Jeffcoat is in a very serious condition at her home here. Mrs. Jeffcoat has been ill for several months and she is now in an oxygen tent.

Mrs. R. H. Ford remains in a critical condition at the Lockney Hospital. She has also been ill several months.

Mrs. B. A. Thomas has been ill here at her home for several weeks and her condition is unchanged.

HOT DAYS are swimming days for many Lockney youngsters and some older people as well. Here is a scene from the Lockney swimming pool

looking west toward the deep end. The pool is open each afternoon, each Monday, Wednesday and Friday morning and on Tuesday, Thursday and

Saturday evenings. The pool has been doing a booming business since its opening on Saturday, May 30.

Mr. and Mrs. L. Zepeda are the parents of a son born 6-24-53. He has been named Ruel.

GO TO CHURCH SUNDAY.

GI Bill Benefits Are Fading Fast

The GI Bill for World War II veterans will be nine years old Monday, June 22, 1953. One of its benefits is still in full force, another is approaching the end, and a third has long since faded into history.

The Act, signed into law during the height of the war on June 22, 1944, in addition to other provisions furnished three major readjustment aids to veterans in their efforts to get back into the swing of civilian living.

One was a program of guaranteed loans for homes, farms and businesses; another, education and training at Government expense, and the third, readjustment allowances for periods of unemployment.

The GI loan program still is in effect, and has four more years to run. It comes to an end for nearly all World War II veterans on July 25, 1957.

So far, the Veterans Administration said, some 3,300,000 veterans have obtained GI loans for homes, with VA guaranteeing or insuring half the amount.

Ninety percent of the loans have gone to veterans who wanted to buy or build homes. The remainder have been for farms and businesses.

Veterans have turned out to be excellent loan risks, VA said. More than 500,000 loans already have been paid in full. And only eight-tenths of one percent of all loans were defaulted to the extent that VA has had to make good the guaranteed portions to the lender.

The GI Bill education and training program reached its cut-off point for most World War II veterans on July 25, 1951. For the most part, the only World War II veterans now in training are those who started before the cut-off date and who have remained in training since, except for interruptions beyond their control.

During the nine years of the program, a total of 7,800,000 ex-servicemen and women — more than half of all who served in World War II — have taken some form of training under the GI Bill. All together, they spent a total of 140,000,000 months in the classroom, at the training bench and on the farm, or an average of about 18 months of training per veteran.

Types of training ranged from

339,000 veterans who were enabled to finish grade school and high school to 2,200,000 who attended college; from 1,400,000 who trained on-the-job to nearly 700,000 who trained on-the-farm; from 361,000 who went to business school to 2,250,000 who took up trades in vocational schools. And an additional 750,000 trained in correspondence schools.

The end of the World War II GI training program comes for nearly all veterans on July 25, 1956.

The third major GI Bill benefit — readjustment allowances for unemployment and self-employment — passed out of the picture for all but a handful of veterans in July, 1949.

Under the program, about 9,000,000 veterans drew readjustment allowances that totaled \$3.2 billion for unemployment and \$600,000,000 for self-employment.

Although most veterans were eligible for one full year of the allowances, only one in ten exhausted his rights to the benefit. The average veteran, VA found, went to work after being on the rolls for only a month and a half.

Mr. and Mrs. Ben McGhee and Hope returned home Monday after spending the past ten days visiting their daughter, Mrs. Bill Wesley and family at Peyton, Colorado. They were accompanied home by their daughter and young son, Phillip.

FOR SALE — GROCERIES, Cigarettes, Tobacco, drugs, chopping hoes, gloves. Try our serve-yourself beverage dispenser, we have most all flavors, also sold in carton or case. Lockney Trading Post, Open 5 a. m., close 10 p. m. 11-1c.

HOME FROM HOSPITAL

Mrs. Johnny Moody, who underwent an operation at the Lubbock Memorial Hospital two weeks ago, returned to her home here Saturday and is doing fine. She is employed as bookkeeper and clerk at Southwestern Public Service here.

AT GALVESTON

Miss Gail Kellison, daughter of Mr. and Mrs. V. H. Kellison and Miss Eddie Lynn Hammond, daughter of Mr. and Mrs. Edwin Hammond, are among the twenty-five Rainbow Girls from Lockney and Floydada who are attending the State Convention at Galveston this week. The group left Sunday night on a chartered bus and will return home Thursday night at midnight. They will enjoy a party on Galveston beach before returning home.

Visitors in the home of Mr. and Mrs. W. C. Irons and Jerry this week are Janice and Jeanette Compton, nieces, and Harvey Compton, nephew of the Irons. The visitors are from Dalhart, Texas.

There is still time to plant summer tomatoes — those with heat resistance — in the home garden. Generally, the Texas tomato crop has been short because of weather.

RETURNS TO DUTY

Staff Sergeant Wilbur left Saturday for Camp Maryland, where he is for duty with the weather unit. Wilbur is stationed in Alaska for two years.

Mr. and Mrs. R. E. girls of Van Nuys, Cal here for a two weeks his parents, Mr. and Marr and other relatives. Other visitors are Mr. and Mrs. Gavi children from Dallas and Mrs. Lynn McGe

Mr. and Mrs. Claude have as guests Mr. C. Hay, Dallas, par Hammond; Miss Letta Dallas, Mrs. Hammo brothers, Leo and Ham Albuquerque, New Hammon's twin sister Holt and family from

Pvt. Freddie Joe Hood, Texas spent last here visiting his wife mer Nova Jean Cox of her parents, Mr. Johns Cox. He also parents, Mr. and Mrs. in Plainview.
