Chinese Fight Delaying Action To Slow UN Units

Bloc Tries To Head Off U. S. Action In UN

By MAX HARRELSON
(Associated Press Staff)

LAKE SUCCESS, Jan. 29. — The Asian-Arab bloc today modified its Korean peace formula once more in an effort to head off United Nations approval of American demands for an indictment of Communist China as an aggressor.

The revised plan was submitted shortly after the General Assembly's 60-nation political committee met this morning. It calls for an immediate seven-power conference on the China-Korea problem, but adds this important provision:

The representatives will, "at their first meeting, agree upon an appropriate cease-fire arrangement in Korea and after it has been put into effect they will proceed with their further deliberations."

8his provision was inserted after numerous delegates objected strongly to any Far Eastern discussions while fighting was in progress in Korea. The United States has been particularly emphatic on this point.

The new trimming to the old proposal was the addition of a clause, at Canada's suggestion, to make a Korean cease-fire the first order of business at the proposed conference.

Gas Truck Blast

Nobody was hurt, but windows were shattered 200 yards away when a truck load of acetylene and oxygen exploded at Austin, Tex. Driver James Garcia said a rear flat tire ignited and set fire to the tanks of gas on the truck bed. The explosion photo was taken by B. R. Criswell, an employe of the University of Texas Defense Research Laboratory. He happened by and stayed close enough to get the photo.

Ellenburger Wildcat Set In South Borden

Fourteen miles south of Gail and in Southwest Borden County Gulf Oil Corp. is to drill a 10,000 - foot Ellenburger wildcat.

Location is 660 feet from the west and north lines of the northeast quarter of section 13, block 32, T-3-N, T&P survey.

That puts it two and one-half miles northeast of the Vealmoor field. Operations are to start immediately.

DAWSON WELL

James H. Snowden No. 1-32 Dean wildcat in Northeast Central Dawson County, which was to take a drillstem test from 8,392-8,590 in the Pennsylvanian, was deepened to the present total depth of 8,700 without taking the test.

Operator will drillstem test the full section from 8,392, which was called as the Pennsylvania top to the present total depth of 8,700 feet.

No shows were reported in drilling samples to the 8,700-foot depth.

If no petroleum is developed in the expected pay, the No. 1-32 Dean will be plugged back to the Spraberry where some shows were found on two drillstem tests.

Casing will be run and the Spraberry tested in an attempt to develop commercial production.

Location is 660 feet from the south and east lines of section 32 block 1, J. Poitevant survey.

BORDEN FAILURE

Geier-Jackson Inc. No. 1-AA Morgan Coates Central - South Borden County wildcat, one and one-half miles northwest of the East Vealmoor field, is bottomed at 8 185 feet in barren Strawn lime and shale and is preparing to plug and abandon.

The exploration has not reported having logged any shows of petroleum. Location is 427 feet from the south and 617 from the east lines of section 12, block 27 H&TC.

SCHLEICHER TEST

Hiawatha Oil Co. No. J. Forrest Runge, Northern Schleicher County wildcat, last night logged full recovery of a 19-foot core taken from 5,624 to 5,643 feet and was coring ahead this morning.

The core taken was tight, shaly lime throughout. No tops were given.

No. 1 Runge is in the center of the southwest quarter of the southeast quarter of section 56, block M, GH&SA survey and two and three-quarter miles northeast of the Hulldale field.

CONCHO COUNTY

The CB Drilling Co. No. 1 Walter Pfluger and others, Pennsylvanian sand strike, shut-in since Saturday, was scheduled to begin potential tests this morning.

The No. 1 Pfluger is 467 feet out of the southeast corner of section 2,088, A Slator Survey.

MARTIN WILDCAT

Drilling is to be started at once on a wildcat in Southeast Martin County which may go to 12,000 feet to explore the Ellenburger.

The prospector will be the Stanolind Oil & Gas Co. No. 1 Mudkey. Location is at the center of the southwest quarter of the southeast quarter of section 20, block 35 T-1-S, T&P survey.

That makes it about three miles southeast of Stanton. Lee Drilling Co. has the rotary contract.

While this venture is projected into the Ellenburger, there is a possibility that it could develop production in the Spraberry about 7,500 feet. It may stop and complete in that zone.

Two Attempts To Derail Trains Made Here Over The Week End

The alertness of enginemen on the main line of the Santa Fe railroad over the week end prevented two derailments and possible disaster, according to Lloyd Merritt, sheriff.

About 4:30 o'clock Saturday afternoon, the sheriff's office received a call from the Santa Fe depot that an attempt had been made to wreck a through freight entering the city from Sweetwater over the main line.

Homer Whisnand and Charles Youngblood, deputy sheriffs, were assigned to investigate, and they reported that an alert engineman whose name was not disclosed saw two railroad cross ties and a pile of large rocks on the tracks and had made an emergency stop in time to prevent a derailment.

The deputies learned later that two youths, one about 14 and the other 15, were seen in the vicinity, but had disappeared when the freight train halted. They were observing the train to see what would happen, the officers believed.

After the ties and rocks had been removed, the freight proceeded into the city, and as it neared the depot, the engineer saw some large railroad spikes stuck between the joints of the rails, and again stopped the train in time, the officers said.

The sheriff's office got in touch with E. A. Nelson, of Slayton, special agent of the Panhandle and Santa Fe Railroad, who is here making a thorough investigation of the two incidents.

More than a dozen attempts have been made to wreck Santa Fe trains in recent months, Nelson said.

"It does not look like the work of professional saboteurs, who would operate more systematically," Nelson stated.

"Apparently it is the work of youngsters, looking for a thrill," he added.

Nelson pointed out that when an engineer pulls the emergency brake on a train there is always some damage, either to freight cargo, persons or to the train equipment, by the sudden halt.

"In other words, it costs to make any emergency stop," he said.

Several weeks ago, an attempt was made to wreck a troop train in the Santa Fe yards here.

"We have been lucky to date but one never can tell when a train disaster will result from one of these incidents," said Nelson.

The sheriff's office is co-operating with Nelson in the investigation, Merritt said.

Huks Kill Two Yank Soldiers

MANILA, Jan. 29. (AP) — Philippines authorities reported three American servicemen in a jeep were ambushed today in East Central Luzon.

Maj. Jose Escalona of the Philippine 8th Battalion Combat Team said the bodies of two of the men were recovered at Macalelon in Quezon Province.

Earlier, Gov. Gregorio Santayana of the province reported one man was wounded seriously and two were missing. Neither his report nor the later one by Escalona identified the three.

An American officer from Clark Field, north of Manila, was en route to the ambush scene. Mac-Alelon was described as Communist Hubalahap guerrilla country, about 50 miles south of Lucena, Quezon provincial capitol.

Santayana said the ambushed jeep was flying the American flag. He added that 30 Philippine army men were searching for the missing men.

United States Give Hungarian Officials Dose Of Own Medicine

WASHINGTON, Jan. 29. (AP)—The United States today forbade diplomatic representatives of Communist Hungary to travel beyond an 18-mile zone around the White House except by special permission.

The order is the second of that sort issued recently against a Soviet bloc state. It is in retaliation for similar restrictions imposed Jan. 2 on movements of American representatives in Hungary.

For the same reason, travel in this country by diplomats of Communist Romania has been restricted for the last eight months. They were directed last May to remain within 35 miles of the District of Columbia except for trips for which specific permission was obtained.

Translations Differ, But All Agree Chinese Is Out Of Place

NEW ORLEANS, La. Jan. 29. (AP) —Who put the Chinese gobbledygook on the income tax withholding slips?

That question poses a problem at the moment for Vice President Harry P. Brown of Moore Business Forms, Inc., of Niagara Falls, N. Y., printers of the W-2 forms.

Reports have come from New York Little Rock, Ark., Buffalo, N. Y., and Rockford, Ill., to add to those here of taxpayers receiving income slips containing Chinese characters.

ALL CONFUSION

All is confusion because Brown says his plant has no Chinese type or Chinese printers.

One of the forms, received by a New York radio actor who prefers to remain anonymous and which he had translated, read in part "Arise to exterminate the aggressor. This should be proclaimed through the press — through the Kuomintang."

Brown, not satisfied with that interpretation, said he thought it more like a beginning printer doing exercises. And he had some support from the former Chinese consul here, Gung Hsing-wang, who said it appeared to be an old Chineses word puzzle.

ANOTHER IDEA

And, said Gung, if it isn't that, someone doesn't know Chinese for the ones he translated read. "Chinese people objective same posses business fulfilled."

A slip from a California company and another from a Texas firm were received by two Little Rock residents. Charles D. Huie, a Chinese grocer, interpreted one to read: "Chinese people impatient ought to together." Dr. S. C. Yu got a different version, "Chinese people must some he."

Brown said his company intends to consult Chinese language experts so that "this whole fantastic mess can be cleaned up."

Johnson Asks U. S. Version Of Foreign Legion

WASHINGTON, Jan. 29. (AP) —Enlistment of 1 million western Europeans in the United States Army was proposed today by Sen. Edwin C. Johnson (D-Colo).

"This foreign legion should remove all military demands for drafting our 18 year old boys," Johnson told a reporter. "It also would solve some of our domestic manpower shortages and international difficulties."

Johnson said he would "go before the armed services committee at the first chance to outline my proposal." Before unification of the armed services, he once headed the old Senate Military Affairs Committee.

Meanwhile, the controversial administration request to draft 18-year-olds and extend present required service from 21 to 27 months occupied two key congressional committees.

The House Armed Services Committee called on Asst. Sec. of Defense Anna Rosenberg and top Pentagon officers for more explanation of the proposed Universal Military Service and Training bill (UMST)

Wednesday Is Tax Deadline

With only two full days remaining in which poll taxes may be paid, the number of receipts issued here stood at 2,716 at noon today, and 366 persons had obtained exemption certificates.

The total of 3,082 is still nearly a thousand less than the total of last year, when 3,915 tax receipts and 70 exemption certificates were issued. And last year's figure was considered low compared with the number of legal residents of voting ages.

HOWARD COUNTY

Contrary to some current opinion that Scurry County's figure is fairly good "considering this is an off-election year," this county is doing just slightly better than half as well as Howard County.

The number of qualified voters having paid poll taxes and obtained exemption certificates in Howard County to date amounts to about one out of every four persons living there, including children. In Scurry County, about one out of every seven residents have secured voting privileges.

In Howard County, with a population of approximately 27,000, the number of receipts issued is 5,197, and 1,056 exemptions have been certified. Scurry County has a population of about 23,000.

ELECTIONS DUE

While there are no national or state elections scheduled during the year, several important local issues will be held. There will be elections this spring on three members for the city council. An important road bond issue will be voted in the county Feb. 10.

Petitions by the thousands are reported to be circulating in Dallas asking the legislature to call a state-wide prohibition vote.

Fifteen Die In State

(By The Associated Press)

Traffic held a narrow edge on other forms of violence as Texas counted a week-end death toll of at least fifteen.

Stabilizers To Unfreeze Some Prices, Wages

WASHINGTON, Jan. 29. (AP) — Price and Wage stabilization officials set to work today on the delicate and tedious job of releasing some of the pressures behind the dam they built last Friday to hold back living costs.

Their task is to remove as quickly as possible the acknowledged inequities which resulted when the government on Friday night froze most prices at peak levels between Dec. 19 and Jan. 25, and all wages as of Jan. 25.

The Wage Stabilization Board prepared a statement expected to announce that large groups of employes are exempt from the wage freeze. These would include 4 million federal, state and municipal workers and also employes of very small firms—all exempt from stabilization during World War II.

LOTS EXEMPT

There are whole industries exempted from price controls under the defense production act, too. These include newspaper and publishing fields, radio, television and similar communications, utilities, carriers and movie theatre admissions. Whether wages in those industries will be controlled is up to the lawyers, already holding their heads.

Besides the statement on exemptions, the wage board headed by Cyrus S. Ching is driving to come out with a formula—probably on Tuesday or Wednesday—for granting blanket approval to increases along the pattern developed last year. In major industries this generally was for a 10 per cent wage hike—sometimes with pensions and similar benefits.

DI SALLE WORK

Price Administrator Michael V. DiSalle also was pushing his program along. He conferred yesterday with representatives of the Commodity exchanges, some of which closed down Saturday to await some clarification of their situation under the price freeze. The seller was limited to the highest price he achieved during the base period Dec. 19-Jan. 25.

DiSalle's aides said he hopes to come out with a clarifying statement on that today.

Housing Expediter Tighe E. Woods also stepped into the picture, calling for "very tough" rent controls to match the price-wage freeze. He said rents are going up rapidly and he is powerless under the present law to halt them.

And organized labor, whose members on the wage board refused to sign a wage freeze order, chafed at the controls.

Britain Set To Call Reserves

LONDON, Jan. 29. (AP) — Prime Minister Attlee announced today Britain will call up 235,000 Army reserves for 15 days of training this summer.

At the same time the royal air force will recall 10,000 officers and men from its own reserve.

Attlee gave this information at the start of a statement to the house of commons outlining Britain's plans for rearmament against Red aggression.

Attlee said the total strength of this nation's armed forces will be 800,000 men by April 1. This compares with 682,000 in April 1950.

The army reserves to be called up this summer will be mainly Class "Z" men — that is, draftees who served between the start of World War II and Jan. 1, 1949.

Attlee said the expanded defense program will cost 4,700,000,000 pounds or $13,160,000,000 over the next three years. This compares with a government estimate last September of 3,600,000,000 pounds or $10,080,000,000 for the same period.

Man Found Killed In Big Spring Identified

BIG SPRING, Jan. 29. (AP)—A Pennsylvania man whose body was found in a gravel pit west of here Saturday evidently was killed elsewhere and then tossed into the pit, Sheriff Jake Bruton said today.

The sheriff said the man was identified as Harry Newton Richards, 23, of Altoona, Pa. He said identification was on the basis of fingerprints taken in El Paso, where Richards was released by police a few days ago.

Truman, Pleven To Begin Talks In Washington This Afternoon

WASHINGTON, Jan. 29. (AP) — French Premier Rene Pleven arrived today for cold war strategy talks and President Truman told him he hopes to prove the United States is the "real friend" of France.

The President greeted the visiting French leader at Union Station, a few hours before they were to begin conferences on world problems.

Pleven came here reportedly seeking assurances from the President that the United States will retaliate immediately with the atomic bomb in the event Russian armies invade France.

HIGH OFFICIALDOM

Mr. Truman, Secretary of State Acheson, Defense Secretary Marshall and most of the cabinet were on hand to meet Pleven on the dark, rainy morning.

The 49-year-old French leader shook hands warmly with the President and said:

"I am looking forward to the conversations with you which begin today. I shall always remember what the United States did for France during the last war.

"I also remember that during the last two centuries our countries have always been friends, and, I am sure, always will be."

WARM WORDS

Mr. Truman replied:

"I am pleased to welcome you. I hope you will have a pleasant and profitable visit. We are all friends of France here in the United States. We hope to impress upon you during your stay we are the real friends of France."

Mr. Truman and Pleven met on a roped-off side street, surrounded by police and secret service men about a half hour after Pleven's train pulled in from New York.

Mr. Truman arranged to entertain Pleven at lunch at the Blair House and to start their formal talks at the White House later in the afternoon.

At Acheson's suggestion, Mr Truman called several officials to a noon meeting at the White House to prepare for the discussions with Pleven. These included Acheson David K. E. Bruce, ambassador to France, and Donald R. Heath American minister to Indo-China.

Three Probes On At Lackland

SAN ANTONIO, Jan. 29. (AP)—Assistant Sec. of the air Force Eugene Zuckert today started one of three investigations into living conditions at Lackland Air Force Base.

He arrived late last night at the giant reception center for future airmen.

Air Force investigators from nearby Kelly Field already are checking and the Senate preparedness subcommittee has sent an unidentified investigator to the field.

TRIO OF PROBES

The three probes were ordered after the Senate Armed Services Committee received reports that some recruits had died of pneumonia and that recruits weren't housed or uniformed properly.

Maj. Gen. Charles W. Lawrence, Lackland commander, said there were no unhealthful conditions. He said only two men have died at the field in the past 28 months, neither from pneumonia.

"No one is seriously ill at the base, nor has there been in the past month," Lawrence said.

SWAMPED

Until recently, Lackland was the only designated reception center for the Air Force. During the month of January it was swamped with new recruits, housing 70,000 at one time.

Speculation On Weapon Being Tested in West

LAS VEGAS, Nev., Jan. 29. (AP) — The 10th and 11th atomic blasts in history have jarred the roulette wheels on gambling casino tables, wide-open Las Vegas braced itself today for further nuclear fission.

The detonation unleashed a wave of speculation as to the possible new atomic weapons scientists may be testing.

SEE FLASH

Hundreds of rudely-awakened witnesses saw a tremendous white flash in the sky, followed closely by a dimmer orange one. The Civil Aeronautics Administration had ordered all planes out of the air for seven hours in the Southwest Nevada area. One citizen said, "it looked like noon even though it was predawn."

All the AEC would say immediately was that this was atomic explosion No. 11, and that a survey by its technicians indicated no radio-activity within a 150-mile radius of blast No. 10 on Saturday.

OTHERS

The other nine nuclear blasts listed by the AEC:

1. The Alamagordo, N. M., explosion on July 16, 1945.
2. Hiroshima, Aug. 6, 1945.
3. Nagasaki, Aug. 9, 1945.
4 and 5. Bikini Lagoon in the spring and summer of 1946.
6, 7 and 8. Eniwetok, announced May 17, 1948.
9. Somewhere in Russia. Announced by President Truman Sept 22, 1949.

An AEC spokesman said that the experimenters are "all quite happy" with results of their tests. He denied that the H-(Hydrogen) Bomb was being tried out, but that still left other possibilities for speculation.

On Jan. 23, Sen. McMahon (D-Conn.) chairman of the Senate-House Atomic Committee, said progress is being made in developing a variety of atomic weapons. It was disclosed last year that the U. S. has baby atomic bombs small enough to be carried by jet fighter-bombers, and that the Army has developed atomic warheads for guided missiles and atomic shells which could be fired by artillery.

Texas Writer In Korea

Sporting a brand new "crew haircut", Associated Press Correspondent Bill Barnard (left) interviews GI's at an advanced command post in the Wonju area of Korea. Left to right are Barnard; Master Sgt. Crawford Coyner, Parkland, Wash.; Cpl. Valentine Schmidt, Long Island, N. Y.; and Pfc. John Holder, Bixby, Okla. Before his Korean assignment, Barnard was Associated Press State Editor for Texas in the Dallas Bureau.

Estimate That One Company On Each Hill

Entire Enemy Force is Reported To Be Near Where Fighting Is Now

TOKYO, Jan. 29. (AP)—Chinese Communists died fighting in their mountain foxholes today. They resisted to the bitter end a weary but seemingly relentless allied advance to within 10 miles of Seoul in western Korea.

Associated Press Correspondent Jim Becker reported 130 Reds were killed on one hill alone. Only eight were captured.

Air strikes and artillery raked enemy positions, but UN infantrymen finally had to scramble up the frozen hillsides and blast out the Reds with grenades and rifle fire.

The U. S. Eighth Army reported advances up to three miles along the 40-mile western front.

DUMP NAPALM

In the area north of Suwon, 38 P-51 fighter-bombers dumped 8,000 gallons of fiery napalm (jellied gasoline) in the heaviest Mustang mass attack of the war. Red troops were killed and 240 buildings destroyed or damaged.

About four hours before describing the bitter hillsides battle, Becker filed a dispatch reporting an allied advance of one mile, to a point eight miles north of Suwon.

Becker said intelligence officers estimated that the entire 50th Chinese Communist Army and three North Korean divisions now were near the combat area holding strong positions. At full strength these forces would total about 60,000 men, but losses are believed to have cut them considerably.

DELAYING ACTION

"This a delaying action with about one Chinese company to every hill." one American regimental commander said of the foxhole fight.

The Chinese were supported by artillery. Ground troops called for an air strike to silence the enemy guns.

AP Correspondent Stan Swinton said UN forces by dusk Monday had gained one and a half miles and won high ground overlooking the Kumjang River Valley. They drove Red defenders from another hill above Wonchon, a road center.

MANY NATIONS

These forces, U. S. and Puerto Rican infantrymen, were supported by tanks. British, Turkish, Greek and South Koreans were in the push elsewhere on the front.

The allies' five-day advance had been slowed earlier by Red counterattacks in battalion strength at several places, and by enemy ambushes on the central front.

Collection of Waste Oils Begins Today

The spraying of oil on Snyder's dusty streets was starting today W. J. Ramsey, city superintendent, said.

The tank truck had started making the rounds of Snyder service stations to pick up their waste oils and greases. No stations had called in early today, but Ramsey said that if there were any with their waste storage now full to call the water department for immediate gathering by the city.

If no calls for immediate service are made to the water department the truck will start making a complete canvass of the service stations.

Temperature To Year's Lowest Reading, 7

The week-end norther brought Snyder temperature to a low of seven degrees above zero last night, which was still the thermometer reading at 7:30 o'clock this morning, according to Mrs. D. P. Strayhorn, official weather observer.

The maximum reading for the 24-hour period ending at 7:30 this morning was 33 degrees.

This was the coldest weather of the winter. One earlier cold snap plunged the mercury to eight degrees, Mrs. Strayhorn said.

Weather

WEST TEXAS: Occasional freezing rain or snow from the Pecos Valley eastward this afternoon, spreading over remainder of area tonight or Tuesday. Continued cold. Lowest temperatures 9-10 in Panhandle and South Plains, and 10-28 elsewhere tonight.

EAST TEXAS: Occasional freezing rain in the interior and rain along the coast, continued cold this afternoon, tonight and Tuesday. Lowest temperatures 9-15 in northwest, 10-20 in northeast and west central, 20-26 in interior of southeast and extreme south and 28-34 along the coast tonight. Fresh northerly winds along the coast.

Snyder Truck Firm Moves To New Building

An impressive new building was unveiled last week on the East Highway which is to consolidate and house three businesses.

Now being moved to the new location are Wes-Tex Appliance Co. and its butane service, and the Snyder Truck & Tractor Co. All have been incorporated under the name of Snyder Truck & Tractor Co., Paul Keaton, owner, has announced.

DIMENSIONS

The new building, located just east of the Phillips, 66 Super Station, is on a lot 308 by 198 feet. The building itself is 120 by 198 feet.

This imposing structure is built of concrete, tile block and brick front, with impressive plate glass display windows.

The mechanical shop in the rear is 120 by 64 feet. As soon as the moving is completed in about three weeks, Keaton says there will be four mechanics on hand to service any make of truck or tractor. Keaton has the International dealership for trucks and tractors.

This shop is to be fitted with all new equipment, and its very size should be an indication that there will be no limit on the type of work the shop will handle. Keaton explained that there is potential work to keep 10 mechanics busy in the shop.

To the west of the building there are 110 feet and to the east there are 90 feet that will be used as display area for the trucks and tractors.

The big display room inside the building will be used by the appliance department. This department handles such famous brands as Roper, Maytag, Enterprise, and International Harvester. Many of these are butane appliances.

The butane service department now has five trucks servicing more than 1,000 customers in the county.

PARTS DEPARTMENT

Keaton said that when his parts department is completed it will be one of the most complete in West Texas.

"For once," he said, "space will not be a problem in this department, and we will be able to carry a really complete stock of parts."

The appliance department has already been moved and is doing business in the location. Wes-Tex Appliance Co. was formerly on the Southeast corner of the square.

Man Is Discouraged

GENEVA, N. Y., Jan. 29. (AP) — Charles Standish closed his feed store after three employes were drafted and the manager was classified 1-A.

Standish said: "I haven't the heart to start all over again with inexperienced help."

To Go Easy On Farm Freezes

By MARVIN L. ARROWSMITH
(Associated Press Staff)

WASHINGTON, Jan. 29.—Some Congress members today advocated a go-slow policy toward any legislation which would apply the price freeze to farm products generally and the food items now exempt.

One suggestion, voiced by Sen. O'Mahoney (D-Wyo), was that the current freeze of most other prices "very likely" will have the effect of holding down and perhaps even lowering the cost of things which escaped Friday's price control order.

CAN WAIT

"I think we can wait a bit and see what happens," said O'Mahoney, who is chairman of the Senate-House Economic Committee.

Under the present law, farm product prices cannot be established below parity — a formula level designed to give the farmer a fair return in proportion to the cost of things he buys. In effect, that provision of the laws, also excludes from price control some of the food items sold in grocery stores.

The price freeze order covers no farm prices, even though some agricultural commodities are selling above parity. It does apply to meat at the wholesale and retail levels, and to a few other foods at the same levels.

SOME RAISES

On some foods, such as bread, butter and eggs, retail prices may be raised to reflect any increases at the farm. There is no price control at all on such things as fresh fruits and vegetables and fresh fish.

Secretary of Agriculture Brannan said yesterday the fact that below parity farm prices were not included in the freeze "won't materially affect the consumer."

"If every item which is now below 100 per cent of parity were moved to 100 per cent of parity tomorrow, there would be an increase in the total cost of living budget of about two per cent," Brannan said.

Old Texas Family Member Succumbs

TAYLOR, Jan. 29. (AP)—Last rites will be held here today for Mrs. Roberta Brackenridge Peeler, 85, mother of George D. Peeler, publisher of the Taylor Daily Press.

Mrs. Peeler died yesterday in San Antonio after an illness of several weeks.

She was a niece of the late Col George W. Brackenridge of San Antonio and was a member of one of Texas' oldest families.

Andy Phillip of the Philadelphia Warriors in the National Basketball Association is married to Dorothy De Wolf of Sonja Henie's Ice Show.

Installing Light Fixture

Shown here is C. W. Howell of Howell Electric, 1507 Twenty-fifth Street, as he installs a new light fixture on one of his jobs. Howell specializes in all types wiring, industrial and domestic, and is on hand day and night for trouble calls. (Staff photograph.

Scholars Approve The Actions Of Acheson

NEW YORK, Jan. 29. (AP) — Secretary of State Dean Acheson today had the "firm support" of 875 American social scientists in his fight against Republican opponents.

The scholars, from 77 colleges and institutions in 30 states, in a statement released yesterday described Republican efforts to oust Acheson as a "disturbing danger."

They said his policies reflected "imagination, world understanding and hard-headed practicality" and deserved support" in spite of the position recently taken by the Republican majority in Congress.

Thieves Test Then Rob

WEST LOS ANGELES, Jan. 29. (AP) — The telephone rang Thursday night at the home of Mr. and Mrs. Edward Cass. When Mrs. Cass answered, whoever was calling hung up.

The same thing happened Friday night.

Saturday night the Casses were not home to hear the phone ring. When they returned late, they told police yesterday, they discovered that a $4,500 mink coat and an 86-piece silverware set had been stolen.

Services For Sinclair Lewis

SAUK CENTRE, Minn., Jan 29. (AP) — The ashes of Novelist Sinclair Lewis rested in snow covered Greenwood Cemetery here today beside the graves of his mother and father.

Funeral rites for the famed author who spent his boyhood in this "Main Street" city in South Central Minnesota were held yesterday in 22 below zero weather.

After a brief service in the Sauk Centre High School Auditorium, the ashes were carried to the cemetery where the author's brother emptied them into a grave into which had been placed a shelf full of books written by Lewis.

After conducting the committal rights, Dr. S. Claude Lewis of St. Cloud, Minn., a brother, turned to the group around the grave and said:

"We'll say the Lord's Prayer, — quickly."

The ashes of Lewis were flown to Sauk Centre from Rome, Italy, where Lewis died Jan. 10 of pneumonia.

Gurd Jim Donarski of the University of Arizona football team was the only soph named on either the 1950 All-Border Conference first or second teams.

Co-Op Meeting Opens

CLEVELAND, Jan. 29. (AP)—Delegates representing 2,800,000 U. S. farm families met today for the opening of the National Rural Electric Co-operative Assn.'s annual convention.

About 5,000 men and women from 45 states and three territories were expected to attend the four-day meeting to discuss problems and listen to speeches.

'STAR' PATTERN

as worn by JANE WYATT in 'THE MAN WHO CHEATED HIMSELF'

No. 9

Intrigue at the hipline is the interest behind this soft box-pleated dress worn by Jane Wyatt in "The Man Who Cheated Himself," a Jack M. Warner production released by Twentieth Century-Fox. The secret? Outstanding pockets that circle the hips in a back dipping line! Big news, too, is a two-color STAR LABEL transfer included in this pattern. It's proof positive that you are wearing an original Hollywood design!

No. 10 is cut in sizes 10, 12, 14, 16, 18 and 20. Size 16 dress requires 4 1/8 yards 39-inch or 3 1/8 yards 54-inch.

Send 50 cents for "STAR" PATTERN with Name, Address, Style number and Size desired to Pattern Department, Snyder Daily News, Box 350, Madison Square Station, New York 10, N. Y.

TALK OF THE TOWN

By FRANCES BIOW

Plunging into the work of the new year are the new directors of the Country Club. Three of the year's more important committees have just been named, a director heading each committee. Golf committee R. J. RANDALS, chairman, with Earl Fish and Donald Ray Scott, members; entertainment committee: N. R. CLEMENTS, chairman, MRS. R. C. Miller, Jr., and Mrs. Ophelia Blackard, members; house and grounds committee: WELDON JOHNSON, chairman, Mrs. Garrett Harrell and Mrs. Worth Sayner, members.

* * *

With the price on a can of coffee and a pound of bacon skyrocketing, you should get out your recipe files with glad hearts and enter the recipe contest we're sponsoring this week. Just describe any recipe you like prepared from citrus fruit, which is plentiful and cheap enough now. D&R Food Store is giving a $15 grocery order for first prize; Furr's Super Market, a $10 order; Beadel's Rainbow Market, a $5 order, and Scott's Cash Grocery, D&H Super Market, and Cash Food Market are each giving one sack of citrus fruit to a runner-up. Get your entries in to the paper office by Friday, if mailed, postmarked not later than Thursday Feb. 1.

* * *

Dallas hotels were in a turmoil last week; it was fashion time in "Little New York", the mecca of western fashion. Some 5,000 dealers from 17 states and two foreign countries packed every hostel to capacity for advance market showings. Among those signing registers from Snyder were Mrs. HERBERT FEATHER of Dunlap's, MRS. MILDRED BODENHOFF of Mildred's, and E. E. BAYOUTH of Frank's. To our knowledge, Mr. and Mrs. R. E. Gray, Gray's Style Shop, attended, possibly others.

* * *

Our visiting merchants say they got up at 7:30 a.m. for the main show, which followed a "Hollywood" breakfast. Models paraded the latest fashions across specially built 200-foot runways. Results of local buyer's visit will appear in show windows here very soon.

* * *

If your sink has a general yellowish cast and has lost that sparkle so pleasant in kitchen accessories, you can restore the gleam. Soak paper towels in a bottle of laundry bleach and press them flat against the sink. Old hands suggest leaving them overnight to insure getting that very-white look back again. Pure bleach being over-powerful, be sure to handle it carefully and not splash any on your clothes.

Committees Named At Tri-Community Club

New committees were named at last week's meeting of the Tri-Community Home Demonstration Club, entertained by Mrs. John R. Covey, Jr.

Mrs. Guy Stoker, president, presided at a business session which elected the following women: Mrs. Mel Andress and Mrs. Guy Glenn, programs; Mrs. W. M. Dabbs, recreation; Mrs. F. H. Patterson and Mrs. R. C. Lunsford, hospitality; Mrs. J. M. Boothe and Mrs. W. M. Dabbs, food leaders.

Mrs. George Webb, council delegate, announced that Miss Bonnie Cox of the extension service would be at the courthouse Feb. 3 for interviews.

Mrs. J. W. Coffee, T.H.D.A. chairman, requested all clubwomen planning to attend the district training meeting at Ballinger to meet at the courthouse at 7 in the morning on Feb. 12.

Also attending were Mrs. C. E. Conner, Mrs. M. T. Popejoy, Mrs. Hubert Robinson, Mrs. Clay Sullivan, and Mrs. Jimmie Clayton.

Canasta Group Of Newcomers Meets

The Newcomers' Canasta Club met Thursday afternoon in the home of Mrs. I. S. Dolen, Lubbock highway, Mrs. R. J. Chadwell co-hostess.

Mrs. F. A. Fisher won high score prize, Mrs. Bruce Denny winning low.

Refreshments were served to Mrs. R. E. Wilkinson, Mrs. Pete Mainous, Mrs. A. P. Hegenheiser, Mrs. Jack Morgan, Mrs. J. L. Bell, Mrs. C. M. McAfee, Mrs. C. M. Atkerson, Mrs. Joe Love, and Mrs. Warren Richardson.

Farewell Party Given For L. L. McGuires

A dinner-dance at the McCullough Tool Co., Lubbock highway, honored Mr. and Mrs. L. L. McGuire last week. Mr. McGuire, a sales representative of the firm, was transferred from this office to Odessa, and he and his family left Snyder Friday.

After dining, the group presented the McGuires with an electric toaster before dancing.

Bob L. Martin, manager of the firm, and Mrs. Martin were hosts, with Mr. and Mrs. Ross Smith and Mr. and Mrs. J. D. Faulkner assisting.

Other members of McCullough personnel and friends of the going-away couple who were present were: Mr. and Mrs. John Garrison, Mr. and Mrs. F. I. Pack, Mr. and Mrs. Delma Miller, Mr. and Mrs. Sam Jones, Frank Henkel, Bob Bosworth, Harley Blackwell, Mr. and Mrs. Roscoe Robinson, and Mr. and Mrs. Heavy Saunders.

25 Years Ago

(Taken from the files of THE SCURRY COUNTY TIMES. for Jan. 28, 1926.)

The oil business has begun to take on considerable life in the Ira field, due in a great measure to leasing and drilling operations.

W. H. Baker leased 40 acres to Judge James Brooks of Big Spring for $10 per acre. W. M. Scott leased 5,000 acres to the Magnolia Petroleum Co. for $25,000. This lease includes a part of the Cauble ranch.

The Northwest Wellborn No. 1 is on the pump. Northwest will drill two more deep tests, beginning at once. The Carey-Newman No. 1 is drilling at 800 feet.

* * *

Government figures up to and including Jan. 15 give the number of bales ginned in Scurry County as 24,826.

* * *

L. A. Hawkins, who conducted the Farmers' Short Course here on Jan. 25 and 26, informed the Times-Signal representative that the attendance of near 8,000 people was indeed a record attendance.

* * *

Mrs. W. E. Smith was hostess to the Altrurian Club members at her home Jan. 22. Sixteen members and substitutes were present. Mrs. J. T. Whitmore led the lesson on "Group of Southern Writers" and a study of the two poets, Edgar Allen Poe and Sydney Lanier.

Mrs. T. L. Winston gave a splendid paper on "Southern Women Writers." A very interesting number on program was a debate on "Is the South as Fertile a Field for Literature as the West?" Affirmative, Mrs. W. W. Hamilton; negative, Mrs. E. J. Anderson. Mrs. Cullin C. Higgins conducted a parliamentary drill.

The hostess served luncheon to the members and Mesdames Ernest Taylor, J. J. Taylor, Otto Williamson, T. L. Lollar, Hugh Boren and Pearl Shannon of Colorado City.

* * *

Fluvanna students who made 90 or above in their school work and 95 or over in department and are not absent or tardy over once are put on the school honor roll. The roll for last week was as follows:

Third grade — Juanita Landrum, Annie McDonald.

Fourth Grade —Bernice McDonald, J. W. Haynes, Cora Gleghorn.

Fifth Grade — Bud Boren, Lorena Coleman, Inez Beaver, Erline Morris.

Sixth Grade — Paul Moore, Rosa Marie Clawson, J. T. Beaver, Roxie Lee Holdridge.

Seventh Grade — Pauline Haynes, Bro. Moore.

Eighth Grade — Lane Roddy, Burline Boynton, Lloyd Ainsworth.

Ninth Grade — Anna Lee Cowan, Mollie Flournoy, Emma Leta Landrum.

Tenth Grade — Jeta Landrum.

Charters Granted For McCormick Cafe And Super Station Here

Two Snyder firms have been given domestic corporation charters by John Ben Sheppard, Texas secretary of state.

They are the McCormick Cafe, Inc., and the McCormick Super Station, Inc., both located on the east highway at the edge of the city limits.

Both were granted 50-year charters and capital stock in both firms is listed as $5,000. The incorporators in the two corporations are C. E. McCormick, Beecher McCormick, and Bobby Gene McCormick.

Shepperd also announced the amendment of the existing charter of the Snyder Truck & Tractor Co., increasing its capital stock to $100,000. The firm is in the process of moving into a new building on the east highway.

Young Women's Council Organized at Church

The organization of a Young Matrons Council Jan. 18 by women of the First Christian Church was announced yesterday.

The group was organized at the home of Mrs. Fred Bullard, where the following officers were elected: Mrs. M. K. Stevenson, Jr., president; Mrs. Curtis Necessary, vice-president; Mrs. Emory Smith, secretary - treasurer; Mrs. Vada Mougin, assistant secretary-treasurer; Mrs. Addie McKay, service chairman; Mrs. K. A. Barrier, reporter; and Miss Zaida Brown, advisor.

The council set the regular meeting date as the third Monday in each month with the exception of February when the church visitation week will begin on that date. Instead, the next meeting will be held Feb. 26 in the home of Mrs. Stevenson, 900 Twenty - seventh Street.

Grandstaff In Stubborn Mood

FORT WAYNE, Ind., Jan. 29. (AP) — Composer Frank Grandstaff needs only to report to Indiana parole officials to square himself with Michigan authorities, but he is holding out.

Michigan has a warrant out for the former convict - musician, charging parole violation. Earnest Brooks, director of the Michigan Department of Corrections, said the state will not ask for Grandstaff's return if he compiles with parole conditions.

The principal condition laid down by Brooks is that Grandstaff report to Indiana parole officers. Grandstaff's reaction to the condition was "I have committed no crime in Indiana."

Grandstaff gained prominence by writing his cantata, "Big Spring," while serving a life sentence as an habitual criminal in the Tennessee State Prison. He was released temporarily more than a year ago to attend the premier performance at the centennial celebration at Big Spring, Tex.

He was pardoned last December and came to Fort Wayne to marry his childhood sweetheart, Mrs. Mildred McConkey.

His Michigan parole dates back 20 years to a conviction on a charge of receiving stolen property. Grandstaff told Brooks in a telephone call that Michigan has held him in a "a state of peonage" ever since.

Chamber Members Are Urged to Reply To Inquiry on Projects

Approximately 20 cards giving views on what the Chamber of Commerce should include in its program this year have been returned by members of the chamber, Harold Bennett, manager, said today.

The cards were recently mailed out by new president, James Rosser, asking that members make suggestions or criticisms or list any projects that they desired to see carried out in Snyder.

"We desire a full expression of the membership as to their desires, and request that those who have not mailed in their cards, do so as soon as possible," Rosser said.

Through this method Rosser hopes that the chamber will be better enabled to plan a program for the coming year, and sponsor projects that will be beneficial to Snyder and Scurry County, Bennett said.

Rehearsal Tonight For Methodist Men's Play

A rehearsal for "Womanless Wedding," a comedy play, will be held in the fellowship hall at the First Methodist Church at 8 o'clock tonight.

This is the only rehearsal which will be held by the all-men cast of the play, the first public entertainment to be presented in the new educational building of the church. The curtain goes up on the production at 8 o'clock Wednesday night.

Producing and directing the play are the Womens Society for Christian Service and the Wesleyan Guild of the church with the following committee members in charge: Mrs. J. B. Melton, Mrs. Bob White, Mrs. J. W. Burleson, Mrs. W. W. Park, Mrs. H. P. Brown, Jr., Mrs. Lyman Yoder, and the Rev. and Mrs. W. W. Adcock.

Following rehearsal tonight refreshments will be served at a social hour.

Two Charged in Theft From Permian Mud Service Bunkhouse

Felony charges of theft over $50 were filed today against two men taken into custody by city police Sunday. They are charged with taking clothing and personal belongings of four men from the bunkhouse of Permian Mud Service, 1807 Fourteenth Street, on the night of Jan. 20.

Police yesterday arrested James T. Smedley, 21 years old, who lives in the 2800 block of Twenty-eighth Street, and Ernest Wayne Flippen, 20 years old, who lives in Hobbs, N.M. Smedley was arrested in Snyder, and Flippen was arrested in Hobbs by Police Chief Chester Bairrington and patrolman John Harrell.

The theft victims said they saw two suspects in the vicinity of the bunkhouse about 11:30 the night of the theft, but did not report it until it was discovered early the next morning.

Smedley was brought in for investigation and was arrested at the police station. Flippen was arrested about 11:30 last night in Hobbs. A quantity of the stolen property was recovered with his arrest, Bairrington said.

W. C. Davidson, justice of the peace, said the pair would probably be arraigned and their bonds set sometime today.

The four victims of the theft were Bob Adams, Bill Huddleston Jimmie Smoot, and C. S. Youngblood. All live in the bunkhouse.

Man Is Returned To New Mexico Authorities

James Curtis Welch, 40, apprehended here on a felony warrant, was returned to Roosevelt County New Mexico, yesterday.

According to Lloyd Merritt, sheriff, Welch was wanted on two charges of swindling in New Mexico. He waived extradition for his removal to that state.

FARMS & RANCHES M5

FOR SALE

One of the best and most modern stock farms in Nolan County. Has beautiful $20,000.00 Brick and Austin Stone home, seven room and two tile baths, double garage with storage or work shop. Good set of tenant quarters, 2 wells with pressure pumps. 380 acres of cultivated land, more that can be if desired. Balance of 1,510 acres in pasture land with plenty of grass and water and sheep proof fences. This place is just off the pavement on an all weather road and school bus route, has butane and REA and is in a prosperous farming community with good roads, good school and shopping center and good churches. A real buy if you are looking for one.

We also have several smaller farms and a small ranch, two good business propositions, both small and worth the money, and some good rental units.

BUSINESS OPPORTUNITY C

For Sale: Help your self laundry, 50x150' lot, 112' building. Living quarters. All modern, 18 Maytags. Grossing $1400.00 per month. Can finance part of it. This laundry is priced to sell. See owner J. W. Branscum, 902 30th Street Snyder, Texas.

CLASSIFIED DISPLAY

REAL OPPORTUNITY

I have the only neon sign business in Snyder with more business than can be handled alone. Will sell half interest to someone interested in getting ahead. Partner can handle books and money and relieve me to sell and get work done. Small investment to right party with plenty of equipment and stock to back it up. If not interested as partner, would consider selling business outright and working for same on percentage. Have 3 employees and excellent location. All the references you want on work and reliability. Books open for inspection.

Must make deal immediately or turn down some large jobs that I can't handle alone.

See or Call Bert

Another Golfer Must Take The Hogan Route To A Comeback

By WHITNEY MARTIN
(By The Associated Press)

NEW YORK, Jan. 29. — Quite unobtrusively another top-line pro golfer is making the valiant fight back to health and, he fervently hopes, a resumption of his career.

Skip Alexander never achieved the fame of Ben Hogan, so his near-tragic accident didn't rate the headlines that greeted little Ben's misfortune. But there is a marked similarity about their case histories.

Hogan, on top of the golf world, was near death after an automobile-bus crash, and at best they said he never would play golf again. He fooled everyone, and by sheer grit came back to play the game with his old skill.

Alexander, a comparative youngster among the pros at 32, was steadily improving. The years ahead had a golden hue and he was good enough to be a threat in any tournament he entered, and to win a place on the Ryder Cup Team.

BROKEN ANKLE

Then fate slugged him with brass knuckles. One moment he was a sound, healthy, if naturally badly scared, young man. The next he was staggering through a wall of flame on a broken ankle, his hands and face seared, his trousers burned away and his legs a raw mass of maimed flesh.

At that moment his golf future, even his life, seemed to be behind him. A man just doesn't come back from such terrible injuries in a game that demands exquisite timing and touch.

It happened last September when he was flying from the west to Evansville, Ind., with an Air Force pilot in a twin-engine plane. As the pilot switched gas tanks just before landing the selector switch broke, and they were 6,000 feet aloft with two dead engines.

They couldn't make the Evansville Airport. The plane crashed in a railway yard. The pilot and co-pilot died in the flaming wreckage as Skip miraculously stumbled from the pyre, living.

CRIPPLED HANDS

There followed months in a hospital, and now he's still practically a commuter to the Duke University Hospital as he undergoes a series of operations which it is hoped will restore his maimed hands and limbs to full use.

He is undergoing plastic surgery and skin grafts, and until recently was forced to use crutches to get about. Now he gets around without them, but his seared hands still are crippled. The palms are healed, ut scar tissue on the back of his hands restricts finger movement and he still can't grip a golf club.

He's undergone surgery about eight times, and hopes three or four more operations will restore the use of his hands.

Like Hogan, he is determined to play golf again, is this tall, handsome and bespectacled former Duke student, and if he makes the grade his comeback will be no less spectacular than that of Hogan.

He had a banner year in 1949, winning about $18,000 in prize money. Last year, before his accident, he had won $14,500, with five tournaments to go.

Crucial Week In Cage Play

(By The Associated Press)

This week will tell if Jack Gray's Texas Longhorns are just lucky—as he claims — or if they're really the class of Southwest Conference basketball.

The Longhorns, boasting the only undefeated record in conference play, tackle powerful Texas A&M Wednesday at College Station, then play host to the equally rough Texas Christian Hornel Frogs Saturday at Austin.

By winning their first four games —three by a total of six points — the Longhorns claim they surprised even themselves. They did the Filberts who figured them for a final spot in the standings only a cut above the cellar.

Texas Christian, tied with A&M for second place, turned up for tomorrow's tilt with Baylor last week by polishing off Lackland Air Force Base, 54-44 and Howard Payne, 79-44.

In the only other game, Baylor dropped a decision to Oklahoma City University, 52-48.

In other games this week, Arkansas plays Tulane at Little Rock Thursday and Rice meets Sam Houston State the same night at Houston.

Southern Methodist University entertains Tulsa Saturday at Dallas.

Ace Hurler From Dallas To Join Longhorn Team

DALLAS, Jan. 29. (AP) — Melvin Work, Woodrow Wilson High School's ace pitcher who has been sought by major league clubs, has decided to enter the University of Texas on a baseball scholarship.

Work graduated from Woodrow Wilson last week. He pitched one no-hitter, a one-hitter and a two-hitter last season and averaged eight strike-outs per game. Last summer he pitched for a Dallas amateur team and won two games in the National World Series at Battle Creek, Mich.

Cleveland, the Boston Braves, St. Louis Cardinals and New York Giats had sought him.

Polly Riley Is Nosed Out In Miami Tourney

By BEN FUNK
(Associated Press Staff)

MIAMI, Fla., Jan. 29. — Claire Doran, a tall, well-poised Cleveland school teacher who entered the Helen Lee Doherty Amateur Golf Tournament "hoping to qualify," owned the championship trophy today after a tense 3 and 2 victory over Polly Riley.

Her defeat of the veteran Fort Worth defending champion in the 36-hole finals gave Doran the biggest championship she had captured in ten years of tournament play.

The Cleveland girl was anything but a sensation in the qualifying round as she took 83, seven over par, to tie for 22nd place. In the first round of match play, she barely got past Miami's Evelyn Odom, 1-up.

She looked better in the second round as she shipped Ann Sparrow of Tampa, Fla., 5 and 4, and she was terrific in the third with a 2 and 1 conquest over Marjorie Lindsay of Decatur, Ill., the tournament medalist.

Doran downed Betsy Rawls of Austin, 3 and 1, to move into the finals.

Mexican Girls Play In Dallas

DALLAS, Jan. 29. (AP) — The top-ranking Mexican women's basketball team — Tintoreria Coahuila—won't be able to make it to Dallas in time for a game tonight with the Dallas Hornets. They'll be here tomorrow night however.

Martin Weber, manager of the Hornets, was informed yesterday that the team was being held up at Laredo becuase they had gone off and left their passports at home. It took time to send back for them.

The team will come to Dallas by bus from Laredo.

Tintoreria Coahuila and the Hornets will play here Tuesday and Wednesday night. Weber says they would like to have more games in Texas and he will arrange them for any interested team.

Defee Coaches Amarillo High

AMARILLO, Jan. 29. (AP) — Bill Defee, Texas' "Junior College Coach of the Year in 1949," has been named head football coach at Amarillo high School.

School Superintendent Charles M. Rogers yesterday announced Defee had signed a three-year contract. He succeeds Howard (Bull) Lynch, coach of the Golden Sandstorm for 14 years.

Defee will receive $6,500 for the first year of his contract, $6,750 the second, and $7,000 the third.

Defee formerly coached at Carlisle High School and has been head coach at Panola County Junior College the last two years. He played football for East Texas State.

Lynch coached Amarillo to one state championship. His team went to the finals of the Class AA race in 1948.

One Conference Game Slated In Gulf Coast League This Week

(By The Associated Press)

Midwestern meets Trinity this week in the major game of the Gulf Coast Conference basketball race.

Midwestern, in a tie with North Texas State for the lead, can eliminate Trinity for title consideration but victory by Trinity would leave North Texas the undisputed leader.

The two teams get together at San Antonio Friday.

Otherwise, the schedule is made up of nonconference games with Midwestern playing Brooke Medical Center at San Antonio Thursday night and University of Houston at Houston Saturday night. Trinity plays Texas Wesleyan at San Antonio Saturday night.

Last week Midwestern won one and lost one. The Indians beat Daniel Baker 67-39 and fell before Southwestern, Okla., State 48-47. Trinity lost to Southwest Texas State 62-47. No conference games were played.

Takes Head Coach Job

DALLAS, Jan. 29. (AP) — Lyndon Davis has resigned as assistant football coach at Highland park High School and signed a three-year contract as athletic director and head coach of Sulphur Springs High School. Davis was a football player at Southern Methodist.

Wildcats Aim For 4th Title

(By The Associated Press)

Abilene Chritian College's Wildcats this week have a chance to jump in front in their quest for a fourth straight Texas Conference basketball championship.

The second place Wildcats take on McMurry tomorrow night and then Friday meet pace-setting Howard Payne, which last week opened its conference schedule with a 58-54 victory over McMurry.

In other conference games, Austin College plays host to Texas A&I Friday and Saturday at Sherman.

Non-conference games match Austin and Perrin Field at Sherman tonight; Howard Payne and East Texas State tomorrow night at Brownwood, and Southwestern vs. St. Edward's of Austin Friday at Georgetown.

Last week Howard Payne dropped two non-conference decisions—to Stephen F. Austin, 77-60, and Texas Christian 79-44 — and McMurry won one, over Daniel Baker, 69-57.

Dick Richey of McMurry pulled within ten points of individual scoring leader Harlan Huibregste of Texas A&I, who has 252 points.

Bill Wallis of Howard Payne has scored 225 points and Bob Henderson of Howard Payne 200.

Other top scorers are Carl Jowell, McMurry, 190; Oscar Dorsey, Abilene Christian, 167, and Bill Johnson, Abilene Christian, 139.

Air Force To Recall World's Fastest Human First Of Next Month

NORWICH, N. Y., Jan. 29. (AP) — The man once described by the Air Force as the "world's fastest human" will be back in uniform Feb. 1.

Lt. Robert M. Knapp has been ordered to report to Stout Field, Ind.

During World War II, Knapp was flying in Europe when his plane went into a dive from a 28,000-foot altitude.

The controls froze and the Air Force said Knapp plunged at more than 840 miles an hour — "so fast that the paint peeled off his plane." He regained control at 5,000 feet and landed safely.

Phoenix Open To Worsham

PHOENIX, Ariz., Jan. 29 (AP)—Lew Worsham and his reclaimed fame brought a refreshing note to the tournament golf scene today.

The 33-year-old professional from Oakmont, Pa., who won the U. S Open crown in 1947 and very little since, captured the $10,000 Phoenix Open yesterday and led the links gypsies on to the next event on the tournament trail— the $10,000 Tucson Open starting Thursday.

Worsham finished the 72-hole stretch with a wobbly 70 and a total score of 272, 12-strokes under par 71.

It was good enough to beat out veteran Lawson Little, who finished with a 68 for 273, and other dangerous rivals, Chick Harbert and Jim Ferrier, who tied at 274.

Jimmy Clark, a promising young pro from Laguna Beach, Calif., shot a 68 for 275, one stroke ahead of Dutch Harrison and two ahead of Lloyd Mangrum and Johnny Bulla.

Of the other name pros, Cary Middlecoff finished at 278, Ed Furgol with 279, Defending Phoenix Champion Jimmy Demaret at 281, Johnny Palmer and former National Amateur Champion Skee Riegel at 282.

And watching the final round from the gallery was the pre-tournament favorite, Ben Hogan, who led the field with a 65 in the first round and then surrendered to a flu bug and had to withdraw.

Lone Star League In Full Schedule Play

(By The Associated Press)

Two conference games this week should furnish the chief challenger for Stephen F. Austin in the fight for the Lone Star Conference basketball championship.

Austin, the unbeaten leader with a 2-0 record, has no championship warfare but Sam Houston State Southwest Texas State and East Texas State, all in a virtual tie for second, have conference games, the first two meeting each other tomorrow night at San Marcos.

East Texas clashes with winless Sul Ross at Alpine Thursday night. Sam Houston, Southwest Texas and East Texas each has lost one game.

No conference games were played last week but Austin licked Howard Payne, of Southwest Texas beat Trinity of the Gulf Coast Conference 62-47. Sam Houston, however, lost to independent Lamar Tech 59-57.

China, France, Britain, the U.S. and Russia hold veto power in the U.N.

Texas History Written in Brands

By JOHN M. HENDRIX

Of all the Texas ranches and ranges grazed and financed by Eastern and foriegn captial in the early '80s, only one has remained intact and increased its holdings. That is the Matador, a Scotch owned ranch formed in 1883 with headquarters at Matador, founded by H. H. Campbell, in 1879, in Motley County, and sold in 1882 to a Scotch Company. The Matador Land and Cattle Co., Limited, of Denver, with general offices in Denver, Colorado. It is this Scotch-owned Matador ranch, taken over by an organization of astute Scotchmen from an organization of far less astute Texans in the days when foreign capital was flowing into the ranch countries of America in untold millions, that has been successful.

Its ranges lie in Motly and adjoining counties with another ranch almost as large near Channing in West Texas. The Channing ranch is a steer ranch to care for young cattle coming off the Motley County ranch and lies in the breaks and rough country of the Canadian River.

The total holdings of the Matador is reputed to be in excess of one-half million acres of land. It is under the management of John McKenzie of Denver, Colorado, son of Murdo McKenzie, who operated and managed the ranches for some 60-years of his life. The last of the original Scotch stockholders are all dead, but it has continued to be one of the nation's leading ranches under the management of John McKenzie.

It is said to be a model of Scotch thriftiness embodying a great many true and tried Scotch customs. In recent years they have added the raising of Palomino horses to the ranch. In this they have met with the same success in national livestock shows that the Matadors have enjoyed over a long period of years.

Arizona Plays Long Island U

By MURRAY SINCLAIR
(Associated Press Staff)

Arizona has a wonderful chance to raise the prestige of the Border Conference tonight when it takes on mighty Long Island University in Tucson.

Coaches maintain that the Border Conference play is far higher than is generally recognized. Arizona, the regular title winner since 1946, helped prove that point earlier in the season by edging CCNY. Now it has another chance to focus national attention on this little-known conference in the Southwest.

Arizona has beaten some strong teams in running its winning streak on its home floor to 72 games. But never has the string been in such danger of snapping as tonight.

Arizona has a comfortable game and a half lead over New Mexico University in league standings. It faces one of its sternest home tests Friday when West Texas State will try to avenge a recent defeat by Arizona in Canyon.

West Texas is faced with a busy week. It plays Hardin-Simmons in Canyon tonight, Arizona in Tucson on Friday and Arizona State College at Tempe Saturday. One other conference game sends Texas Tech against Hardin-Simmons in Abilene.

In the only league game played last week Arizona State College at Flagstaff scored a surprise win over Tempe.

75 Pounds of Dimer

PUEBLO, Colo. (AP)—When the Frank Javornick family bought a new automobile, more than 75 pounds of dimes helped pay for it. Members of the family saved the dimes—10,590 of them —more than a year, keeping them in glass jars.
