Taxes, Taxes, And More Taxes

School Board Members Vote For Equalization Of Taxes

"Taxes" was the main topic of discussion between school board members at a regular meeting which was held in the board room of the Olton high school Monday night.

Elmer Moore, tax assessor, collector, was present to explain the need for equalization of taxes.

Moore gave examples of properties in the school district, which had been assessed as many as 12 years ago where the value of the said property had either decreased or increased.

He said that in the event that legislature passes the new tax bill that will be introduced along with other recommendations by the Governor's Committee on Public Education the need for equalization will be much greater.

The board, after a lengthy discussion, voted to appoint a committee to work as an advisory group to the board of equalization. The committee, which will be named at a special meeting at a later date, would work in groups to survey the countryside as well as city property to determine the classification of the property only.

They would not assess the property, rather classify the worth of it by putting it in class 1, 2, 3, etc.

Supt. Schultz told the board that this method would be the fairest way of determining the value of property, since it would be classified by people who really know the value of land in this area.

In other action, the board

adopted a new policy considering free lunches, accepted the resignation of Bob Allford, renewed Moore's contract, heard reports on attendance, lunch room and the TASA meeting at Austin, which Supt. Schultz attended.

They also discussed playground equipment, academic awards, buses, lights, fencing between vocational agriculture building and the gymnasium and a new program for migrant workers' children in language arts.

The new policy for the free lunch program, which the board adopted, requires those who wish to participate in the free lunch program to fill out a form stating the names of the parents, the type work the father does, the reason for requesting free lunches, etc.

This form will be taken by the principal and superintendent and following investigation, they will determine if the child or children are eligible to receive free lunches. The school board will be the final authority.

The board determined that a senior student who had a grade average of 90 or above would be eligible to receive his choice of a sweater, jacket or blanket as an academic award at mid-term of the senior year.

The awards would be the same quality awards as the ones now given for high ranking athletes.

Supt. Schultz asked the board to give the Ag. Dept. permission to erect a fence between the Ag. building and gym in order to have a place to park trailers

and equipment in a safe place where the younger children would not be tempted to climb around on and possibly injure themselves. The board okayed the request.

Discussing playground equipment, members of the board said they felt a need for such equipment, and instructed Supt. Schultz to look into the cost of the equipment.

The board okayed the purchase of two 48-passenger Chevrolet buses, in keeping with a policy which the school adopted earlier so that the school would be replacing two old buses each year.

Schultz also asked the board if they would be willing for more lights to be installed on the school grounds, particularly on the west side of the dressing rooms, behind the cafeteria between elementary building and by the bus barns. They instructed him to investigate further.

The new program for migrant workers' children for grades one through five would benefit 50 children, who would benefit from having special classes, mostly in language arts.

The state furnishes aid on such program at the rate of \$100 per student. The board made a motion to make application to participate in such a program for the Olton elementary school.

Moore's contract was renewed for two years at the present rate of pay.

Attendance was down from Dec. 9 total of 1127 to Jan. 13 total of 1080, with the greatest drop in junior high -- from 314 to 294. Grade school dropped from 539 to 522 while high school dropped from 274 to 263.

The lunchroom showed a deficit of \$719 for the month of December and a loss of \$1800 for the year. Schultz again cautioned the board that this could vary a great deal depending on the present inventory.

In final action, the purchase of three ceiling gas heaters was okayed by the board for three rooms at H. P. Webb elementary. The rooms which are unable to be heated on cold windy days will receive heaters as soon as possible.

JOHNNY CLARK

Johnny Clark To Speak To PTA

Former school superintendent Johnny Clark Jr. will be the speaker Thursday, Jan. 23 at 7:30 p. m. at a meeting of Parent-Teachers Association in the school cafeteria.

Gordon Thomas Suffers Injuries

Gordon Thomas is in serious condition in Methodist Hospital as a result of injuries received in a fall Sunday afternoon.

The 69-year old rancher suffered a splintered hip bone when he fell from a haystack inside a barn at his ranch 17 miles southeast of Olton.

He was rushed by ambulance to a Littlefield hospital but was sent on to the Lubbock hospital because of the seriousness of his injuries.

City Councilmen Unanimously Approve Call For City Sales Tax Election Here

City Councilmen voted unanimously to call an election for city sales tax, after reviewing the 1968 audit and budget, in a meeting at the city hall Tuesday night.

A comparably light schedule greeted city councilmen as they met to discuss the problems of the city in a regular scheduled meeting.

Melvin Rape, Southwestern Public Service manager, appeared before the council with the results of a survey he had conducted at the request of Mayor Parley Myers on lighting of Highway 70 from the east city limits to the west city limits.

He told the group that a total of 34 lights would be needed for proper lighting. The now-existing 10 lights could be used in the lighting project, provided some of them could be moved. He said the lights now all existed on the south side of the highway and in order to space them correctly, some of these would have to be moved.

The cost to the city would be \$84 per month with no installation charges. The lights would be mercury vapor lights

and be installed on wooden poles.

The council delayed action on the project until a further survey of the entire city could be made and presented at a future meeting, along with costs and approximate locations of needed street lights over the city.

Clara Ashley and Frances Brown requested that their cafes be allowed to remain open all night long Saturday nights instead of being required to close at midnight.

Mrs. Ashley stated that Saturday night was the only night that the Negroes came into town and that the biggest percentage of them were brought into town by their bosses and were left until Sunday night. She told the councilmen that

if they were forced to close their cafes that the Negroes would quit coming to Olton Saturday evenings to do their shopping.

Instead they would go to the neighboring cities, do their shopping then go to some place for recreation that would remain open all night.

Councilmen agreed that they should be allowed to remain open as long as they like, providing there were no complaints of disturbances.

The 1968 audit and budget was approved by the council, which brought up the need for additional revenue.

The council noted that the budget for the next year outweighed the income for the same year and that some means of

additional revenue was inevitable.

Councilman Bobby Daugherty made a motion to call an election for city sales tax to be held March 1. Motion was seconded by Percy Parsons and the council voted unanimously to approve such election.

Members of the council said they felt a raise in property taxes would be unjust, while city sales tax would more evenly distribute the burden of raising the needed revenue.

In other action, the council renewed J.W. Goodman's junk dealer's license, discussed sewer improvements and went

on record as being against the 2600 "magic number" for consolidation of Texas public schools.

Last Rites Conducted Tuesday For Early Day Olton Resident

Services were held Tuesday afternoon in the First Baptist Church for George Elmer Brown, 74. Officiating were Rev. John E. Lewis, pastor, and Rev. R. H. Campbell, retired Methodist minister.

Funeral Service Conducted For Former Olton Resident

Funeral services were held Friday in Houston for Charlie Bodkin, 65, former resident of Olton. He died Jan. 8 in a Houston hospital.

Bodkin had been ill with the flu prior to suffering two heart attacks Wednesday.

Moving from Olton approximately 11 years ago, Bodkin had been an employee of Consumers' Butane for several years.

He is survived by his wife, Clara; five daughters, Mrs. Don

Huguley and Mrs. Eugene Ball, both of Olton, Mrs. Cooper (DeLores) Rutherford of Amarillo, Mrs. Bill Walker of Joshua and Mrs. Helen Mattox of Houston; one son, Bruce Bodkin of Farmington, two step-sons, Don and Kenneth Boeham of Houston; two sisters, Mrs. Faye Brown of Stockton, Calif. and Mrs. Ora Teaffin of Maud, Okla.; one brother, Earl Bodkin of Maud, Okla.; 13 grandchildren and one great-grandchild. He was a nephew of G. A. Bodkin of Olton.

3 Olton Men To Receive 25 Year Service Awards

Three men will be presented 25-year service awards Thursday night at the regularly scheduled meeting of the Olton Masonic Lodge.

Jimmy Winder, District Deputy Grand Master, of Littlefield, will make the presentation to Cass Kirkpatrick, Jim Hyatt and C. A. Jolly of El Paso.

The late George Brown was to have received his 50 year service award the same night and the presentation will be made to a member of his family.

B. C. Cooner will be honored also, as he received his 50-year service award the latter part of 1968.

Olton Lions Club Slate Production Of 'Rainmaker'

The Olton Lions Club has announced plans for the next community talent play. "The Rainmaker," which will be presented Feb. 8 in the high school auditorium.

The play is set in a drought-beset region of the Great Plains, some thirty to forty years ago. What happened to verdure and vegetation, to cattle and livestock, during the Dust Bowl days can be read in the bulletins issued by the Department of Agriculture at that time. What happened to the people who lived through those days of desperation and drought is the theme of "The Rainmaker."

The title role, that of Bill Starbuck, the rain-promising confidence man, is played by Raymond Driskill as he comes to the Curry home, he meets

H. C. Curry, the father; Noah, the older son; Lizzie, the daughter; and Jimmie, the younger son.

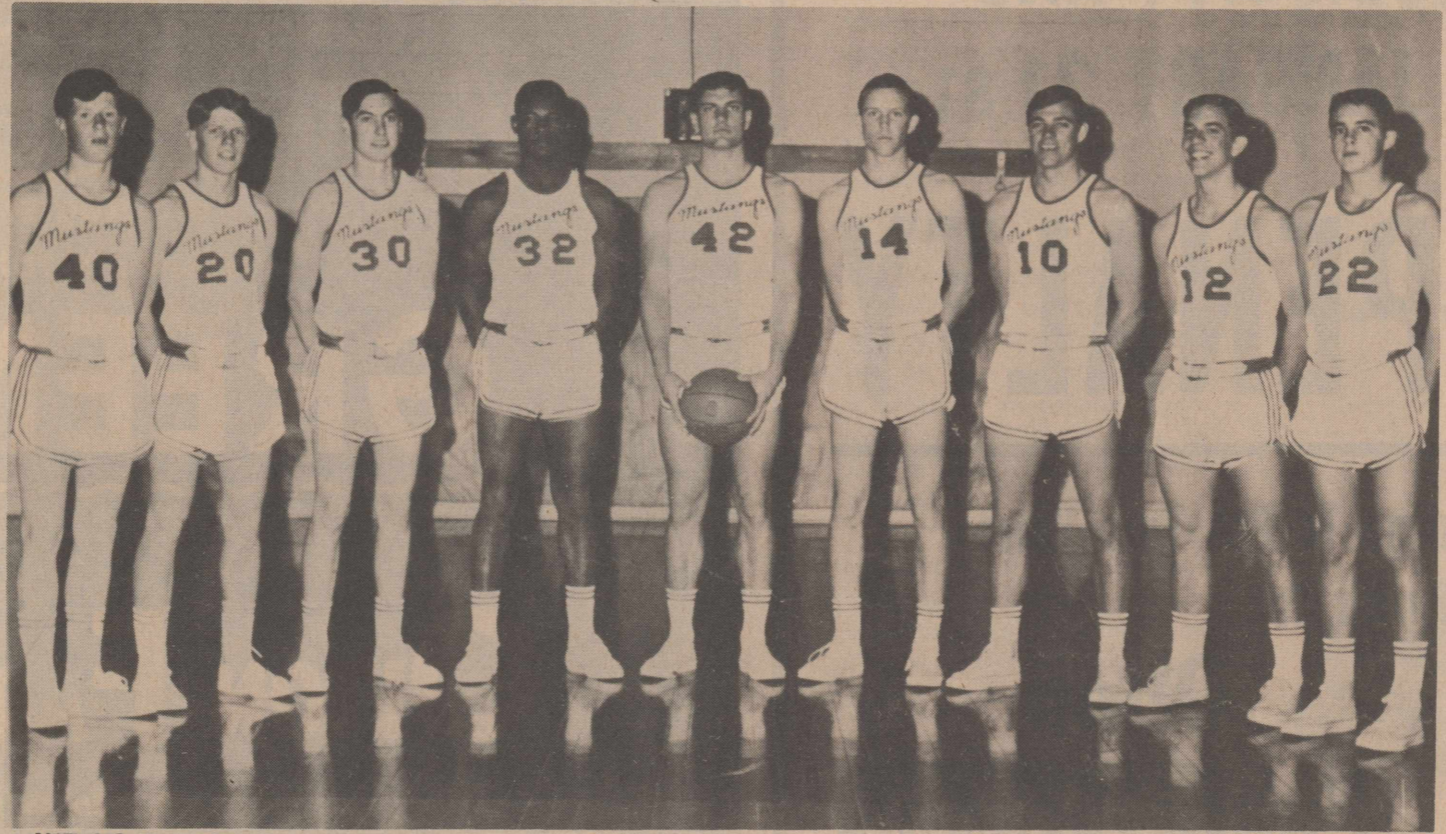

Members of the Curry family are played by Dubb Hall, Robert Meinecke, Mrs. Owen Norfleet, and Earl Spruiell. W. C. Gunter portrays Sheriff Thomas, and Ray Murphy as File, the deputy completes the roster of major cast members. In addition to these, other adults and high school students will be seen in the overture and between-acts entertainment. The play is being directed by Ruth Holladay assisted by Mrs. W. C. Gunter.

A. D. Adams, Lions Club president, has appointed various members of the Lions Club who will serve as chairmen in charge of arrangements for the production.

Where Was The Fire ?

Volunteer Firemen answered a call Saturday to extinguish a grass fire at the Main Street Church of Christ parsonage.

A similar call Sunday was made to the air strip south of town.

Not Immune

BY SUE CANNON

We at the Enterprise have just created another "National Something Week."

You know, like "National Be Kind To Animals" Week, "National Baseball" Week, (my news editor will love me for that) and all that kind of jazz.

We decided it was National "Sick Enterprise Employees" Week. Only guess we'd have to stretch it into a month really.

First pop out of the box after Christmas holidays our type-setter, Juanita, was out a couple of days with the flu. She said she just thought she'd had the flu before!

Then we all work out fine for a week. Then bang!

The ole flu bug gets our compositor, (ad builder in plain language). Margaret has been off two days this week fighting the flu.

Well, the boss lady isn't immune either, but the flu bug wasn't after me, at least I don't think so. I was so sick I was green almost all day Wednesday. My aches tummy however and I finally outdid it before the paper was put to bed Wednesday night.

However, our society editor, Lily May, is expecting a phone call any day now that she has become grandmother again and is needed at her daughter's home for a few days.

So we will be calling on our old standby Maenette, our girl Wednesday, instead of our girl Friday.

Now, if the bug gets to her... We've had it!

Course it helps if you have a big family like mine to help out when your sick.

When the kids hit the door Wednesday afternoon after school, each one of the older ones got a job.

Wasn't long until we had things pretty well under control and I believe we actually got the paper out with less trouble even if I was "green to the gills" and Margaret was home sick.

The only one that hasn't been sick and is going strong and is expected to keep healthy is Mozelle and she has been all over the town and countryside taking

pictures this week.

She had the pleasure of shooting basketball action shots earlier this week for use in the paper later and she must have had a ball!

Then Coach Saul came in and looked at the negatives and told her she had some real good shots and is she ever happy!

She is the type person that has herself convinced that she can do absolutely nothing, when in reality she can do almost ANYTHING!

Once you convince her that she has to go and at least try, you can always bet that she is going to come up with a good job.

I read a piece in the paper the other day about women not liking to work for women bosses and told the girls that they should read it.

According to this article, women bosses are no good to work for, they don't have the understanding of the men bosses, they are too critical and too bossy and too everything to hear these women tell it.

I just hope that my girls here at the office appreciate what a nice, calm, even disposition I have even when I'm yelling, "Let's get this thing put together. We'll never make the mail!"

Rites Conducted For Mrs. Tollett

Funeral services were held Saturday afternoon in the Avenue Baptist Church in Hereford for Mrs. Anna Laura Tollett, 77, step-mother of Thurston Tollett.

Rev. Ron Harpster, pastor, officiated. Burial was in West Park Cemetery directed by Gililand Funeral Home.

Mrs. Tollett was born in Alvord and moved to Hereford in 1947 from Clarendon. She was married to J. E. Tollett in 1958 in Portales, N. M.

She is survived by her husband; a son; two daughters; three step-daughters; a step-son; five grandchildren; one great-grandchild; 15 step-grandchildren; 21 step-great-grandchildren and one step-great-great-grandchild.

What price Electricity... and progress? When you stop and think about it, it's a real bargain!

A MESSAGE FROM ROY TOLK, PRESIDENT SOUTHWESTERN PUBLIC SERVICE COMPANY

I'm sure the figures on the right will surprise you as much as they did me. Being in the electric industry, I knew that the manufacturers, as well as the people in our Company were doing a magnificent job in holding down costs in spite of the run-away inflation we've all been experiencing... but no one had previously published the appliance cost comparisons.

In our own Company, by careful handling and attention to costs, coupled with advances in technology and prudent investment in plant and equipment, we have not only stayed ahead of your electricity needs but have been able to reduce the average cost per kilowatt hour of the electricity used in your home.

In 1948 the average cost of your electricity was 3.89 CENTS per kilowatt hour and today it has dropped to 2.74 CENTS, a reduction of 29.56 PERCENT. Certainly most of us have larger bills today because we use electricity for so many labor saving chores as well as comforts and

conveniences. But, without the dedicated efforts of our employees in holding our costs down, your dollar cost would be way, way up. In fact, the current CONSUMER PRICE INDEX, the measure of how much we all spend as a group on the things we buy, indicated that we're paying 1/2 again as much for most things today as we were paying in 1948. Yet, the average kilowatt hour cost of electricity that you buy from us for your family's use is down 29.56%.

This coming year to keep you fully supplied with electric power and to keep electric service as efficient and economical as possible, we shall invest nearly 16 million dollars in required new equipment.

You may rest assured that your electric service will continue to be modern, dependable and brought to you at the lowest possible price. Reddy Kilowatt, and his fellow workers will see to it.

Despite inflation, the electric industry has kept costs low...

How about these price differences over the past 20 years?

■ A DISPOSER

was \$119.50 in '48, now it's \$78.50 and there have been over 100 external and internal improvements made.

■ A DISHWASHER

costing \$339.95 in '48 is \$299.95 now and it offers more cycles, better styling, more setting space.

■ AN AIR CONDITIONER

at \$425 in '48 averages \$175 today and it looks better, works better, and is cheaper to operate.

■ ELECTRIC DRYERS

at \$299 in '48 now range from \$249 to \$299 with electronic dampness controls, many cycles, end-of-cycle signals, permanent press controls — and some models for as little as \$100.

■ A REFRIGERATOR-FREEZER

in '48 at a cost of \$31 per cubic foot is now \$22 per cubic foot and you get no-frost, thinwall insulation, ice-makers, decorator fronts and colors.

■ AN ELECTRIC RANGE

which was \$343 in '48 is \$350 today. And that's with all the modern sophisticated controls and self-cleaning thrown in for good measure.

MRS. DANNY BYERS

Oltonite's Granddaughter Is Fraternity Sweetheart

Mrs. Danny Byers, the former Cynthia Busby, granddaughter of Mrs. J. C. Hood, has been named Rose of Delta Sig by the Delta Sigma Pi fraternity at the University of Texas.

The Texas University sophomore was chosen sweetheart of the fraternity at their annual Rose Formal Dec. 14. She will be the fraternity hostess at all rush and social functions, including the College of Business Administration Week to be held in the spring.

A 1967 graduate of Springlake High School, Mrs. Byers will also represent the chapter in competition for International Rose of Delta Sig. Winner of the International title will be revealed at the Grand Chapter Congress in August.

Rose candidates were nominated by members of the fraternity in a regular meeting. After interviewing the candidates at a later meeting, members chose their Rose by secret ballot.

The Beta Kappa Chapter of Delta Sigma Pi, a professional business fraternity, was installed on the University of Texas campus in the 1930's. The Beta Kappa Chapter was named outstanding organization in the College of Business Administration at the University last year.

Mrs. Byers is the daughter of Mr. and Mrs. J. E. Busby. Mrs. J. E. Busby of Springlake is her paternal grandmother.

Mrs. Thompson Speaks To Club

Mrs. Fred Thompson was program leader Wednesday afternoon for a meeting of New Century Study Club. Her topic was "Today - You and Mental Health."

"Psychiatry no longer recognizes any clear cut line between normal and abnormal," Mrs. Thompson stated.

She also pointed out that all adults, and many children, encounter stresses. "It's a rare adult who does not use what psychiatrists call neurotic defenses to cope with them."

Members attending were Mmes. Wilton Bodkin; M. C. Church, Owen Jones, Forrest Latimer, W. H. Leathers, Gilbert Roberson, J. L. Snider, Don Spain, Ed Thompson, Fred Thompson, Dwayne Wilks, Haun Kite and O. H. Jones.

The club will meet again Jan. 22 in Women's Clubhouse for a program concerning traffic laws.

Mrs. Elkins Leads Study

The W.M.S. of the First Baptist Church met Monday afternoon at 2 p. m.

The Calendar of Prayer was given by Mrs. Rufus DeBerry. Mrs. Larry Witten presided over the business meeting.

Mrs. L. G. Elkins, Director Group Leader taught the Bible study, "Freedom That Makes All Men Free". Scriptures were taken from the book of Galatians. Mrs. Jack Estes gave the dismissal prayer.

The next special Bible study of the group will be Feb. 10 with the lesson being taken from Ephesians.

MRS. RAYMOND COOPER

Daugherty-Phillips Vows Exchanged In Olton Church

Sandra Jean Phillips and Billy Frank Daugherty were united in marriage Saturday afternoon, Jan. 11 at 3:30 in the Olton Reorganized Church of Jesus Christ of Latter Day Saints.

The bride is the daughter of Mr. and Mrs. G. N. Phillips of Clovis, N. M. The groom's parents are Mr. and Mrs. J. H. Daugherty of Spur. Evangelist Raymon Carson officiated at the double ring ceremony which was performed under an archway of greenery entwined with blue carnations and flanked with baskets of carnations of the same color.

Pamela Inge, cousin of the bride, of Portales, N. M., registered the guests. Bobby Phillips, brother of the bride served as usher.

Presented in marriage by her father the bride wore a street length dress of white brocade with A-line skirt, bell sleeves and standup collar. She wore her mother's fingertip veil of silk illusion which hung from a tiara adorned with seed pearls. She wore the traditional blue garter. The bride's bouquet was feathered white carnations accented with seed pearls and white satin streamers.

Miss Sharon Welch of Dimmitt served her cousin as maid of honor. She wore a blue daron semi-fitted street length dress with long puffed sleeves. Her bouquet was of white feathered carnations.

Gordon Cravey of Spur was best man. He is uncle of the groom.

Mrs. Clayton R. Graef of Dimmitt presided at the organ with the wedding marches and other selections.

For her daughter's wedding, Mrs. Phillips wore a pink knit dress with grey accessories. The mother of the groom wore

a pale turquoise two-piece suit with black accessories.

Immediately following the ceremony a reception was held in the home of Bro. and Mrs. Raymon Carson.

The table was laid with a silver lame' cloth. The bride's bouquet formed the centerpiece. White satin streamers were lettered with the names "Sandy and Billy" in blue and silver.

Misses Sharon Welch and Pamela Inge served the wedding cake and white punch from crystal and silver appointments.

For traveling the bride wore a bright pink two-piece suit with white accessories. Her corsage was lifted from the bridal bouquet.

Mrs. Daugherty attended Clovis High School. Daugherty is a Spur High School 1969 senior. They have established residence in Spur.

Club Discusses Low Cal Tips

Farmer's Crops of TQPS met Tuesday morning in the Women's Clubhouse. Mrs. Joe Chester, leader, presided.

Members and one visitor, Mrs. Olivia Saldivar, weighed in and recited the club pledge. Two members recorded a weight gain and were required to say the "piggy ritual".

Mrs. Earl Douglas was winner of the week and received the grab bag gift.

Low calorie tips were exchanged and members participated in exercises.

Anyone wishing to attend Area Recognition Day in Springlake Saturday is asked to meet at the home of Mrs. Tom Smith by 9 a. m. Saturday.

Mr. And Mrs. Garland Rose Return From Mexico Tour

Mr. and Mrs. Garland Rose flew by jet last week from Amarillo to Puerto Valarta, Mexico with 51 other couples. The tour was sponsored by the Shur-gro liquid feed company.

The trip was made in about three hours and covered a distance of 1800 or 1900 miles. The climate was warm and the scenery beautiful with palm and cocconut trees growing abundantly.

Mr. and Mrs. Rose and another couple went with the mate and the skipper of a boat out into the Pacific Ocean a distance of 21 miles for deep sea fishing. Rose caught a sail fish, and a dolphin.

Mr. and Mrs. Rose also went into the jungle with a group. There they saw the type of lizard known as the iguana which is often six feet long and weighs about 30 pounds. Its meat is served as part of the diet of natives and is said to be served occasionally to tourists. The iguana was reclining on the limb of a tree. The guide said he had shown that locality to a group each of fifteen days and the iguana had been on the same limb each day except one when the noise of a group larger than usual frightened the lizard to flee. It was said that parrots were usually seen in the jungle but Mr. and Mrs. Rose and their group saw none.

Mrs. Carson Leads Garden Club Program

Mrs. Raymon Carson, president of the club, presented color slides and comments on landscaped gardens in Alabama, Texas, Louisiana, Pennsylvania and other states at a meeting of Olton Garden Club Thursday afternoon.

A meditation, "Friends", was presented by Mrs. Jack Estes. She used excerpts from the book "Flowers That Never Fade".

Mrs. Stella Cowart explained that the sign of the cactus is warmth as she told members of the legend of the cactus.

Members discussed a project of planting roses at the cemetery. Plans were also made to sponsor the Golden Age group later this month.

Members voted in one new member, Mrs. Ray Montgomery.

Mrs. Jack Allcorn and Mrs. Preston Sampler served fruit cake topped with whipped cream, spiced tea and coffee to Mmes. George Bohner, Raymon Carson, H. B. Carson, Cowart, George Brown, R. G. DeBerry, A. D. Melton, Estes, B. C. Cooper, R. H. Campbell, D. W. Pinson, Walter Schreiber, H. G. Walker and a visitor, Jo Tisa Holladay.

Next meeting will be Feb. 13 in the clubhouse. The program will be "Six Steps to a Green Thumb".

Intermediate GA's Study Missionaries To Burma

Intermediate Girls' Auxiliary of The First Baptist Church met Sunday afternoon at 4:30.

Kim Barnett led the opening hymn, "Dare To Be Brave, Dare To Be True", and read scriptures from Hebrews 1:1-14. The Calendar of Prayer was conducted by Relda Strain.

Jennie Lynn Gunter gave a special prayer and an introduction to the program, "From Haystack to Golden Share".

She explained that the scene of the program was a Baptist Conference held in 1813. Two Missionaries Adoniran Judson and Luther Rice, had made the voyage to Burma to represent a certain church as missionaries. After studying their Bibles on the long trip they had become Baptists, and wished that denomination to

send them funds to finance their missionary efforts.

Donna Hodges read a letter from Mrs. Judson and Melanie Cowart read a letter from Mrs. Judson's sister, Miss Mary Hasseltine. Relda Strain read a letter from Miss Rebecca Eaton, friend of Luther Rice.

Miss Mabel Parker, one of the adult leaders of the Intermediate GA's, asked questions concerning the afternoon's study.

Officers for this organization during this quarter are Kim Barnett, Study Leader; Relda Strain, Leader of T-E-L-L Study; Melanie Cowart, Leader of Book Study; Donna Hodges, Activity Leader; Debbie Vaughn, Prayer Leader; Virginia Daugherty, Leader of Stewardship; Jennie Lynn Gunter, Leader of Mission Action.

Recipe Of The Week

Mrs. Raymond Cooper, a resident of Olton since 1943, shares favorite recipes with us this week.

Polly and Raymond Cooper have four children, Mrs. Michael (Alicia) Stockard of Canyon, and Robert, Gary and Leona, all of the home. They are also the proud grandparents of a four-month-old granddaughter, Jennifer.

With two sons active in Boy Scouts, she is Auxiliary Mother for the troop. She also is an enthusiastic roofer for their athletic endeavors which, at present time, means freshmen basketball.

Polly claims to have no hobbies but admits she likes to sew "sometimes."

Favorite pastimes? "Keeping Jennifer - when her parents will let me" then she adds, "And I love to go."

Farmers at heart and by occupation, the Cooper family moved from their farm home

west of town into Olton eight years ago. Polly's quick to remark that, though "town farming" is more convenient with school children, she'd still prefer to be living in the country.

Polly and her family are active members of Main Street Church of Christ.

Terri Miller Is Member Of Travel Study Group

Miss Terri Miller, a Senior English Major at Wayland, is one of a study travel group which is presently on a tour of Greece which will last for a period of three weeks.

Greece is the cradle of Western Civilization medicine, art, philosophy, theatre, public address, literature, mathematics and democracy all developed in Athens in the fifth century before the birth of Christ.

The first week of the tour made by students from Wayland College will be spent in Athens, where they will visit the Acropolis which was the seat of the ancient government. Among the ruins there is the Parthenon near which the Apostle Paul gave his Mars Hill sermon. The Theatre of Dionysus will also be visited. Here dramas were produced which were considered as of much importance as the physical contests held in the Olympics. The museums in Athens with their many ancient possessions will also be visited.

The second week of the trip the party will tour the Peloponnese including Corinth where Paul wrote a letter to the church, Sparta, Mycenae Olympia and Delphi where the greatest of the oracles was located.

During the third week the students will visit the islands of Evvia and Thermopolae as well as Maratho which were

Everything But The Kitchen Sink

BY MOZELLE TROTTER

I've reached the conclusion that I must be the most accident-prone housewife in Texas. Either that or I should have taken up plumbing instead of newspapering!

It has taken me a week to get over my latest bout with the plumbing at the Trotter house. Last Wednesday certainly didn't start off as "my day."

The trouble all began at the kitchen sink. Well, it really began with unwashed supper dishes. But, in my own defense, I must tell you, the reason those dishes were left "as is" was a church group meeting.

Really, it was! At any rate, there's nothing that will make you vow never to leave unscrubbed, unwashed supper dishes any quicker than cold, greasy gravy! Ugh! Imagine starting the day with a painful of that staring at you.

I grabbed the stuff, scooped it into the disposal - the most marvelous gadget in my kitchen - turned on the cold water, flipped the switch and smugly heard it whirl away. About the time I decided to switch it off, my half-awake gaze fell on the contents of the other half of my double sink.

What I saw rising in that sink is enough to make anyone swear off roast and gravy! Did you ever see last night's disposed leftover gravy oozing up in a sink?

You know how you have to clean it up? With a spoon, no less! I finally got it scooped up and carried out and thought I'd just run a little more cold water while the disposal was running so I could "clear the

James Gallagher Is Presented 20-Year Award

James E. Gallagher was honored Thursday night at Pioneer Natural Gas Company's annual service award dinner at the Lubbock Country Club. More than 100 employees and their wives attended the dinner which was one in a series of three such affairs being held by the company in different cities in its service area. This year 154 employees, representing 2,080 years of service, are being honored.

Gallagher was presented with a pin commemorating 20 years of service to Pioneer. The dinner was presided over by C. L. (Stoney) Wall, president and chairman of the board.

Bantam And Jr. Bowling Leagues To Be Organized

Boys and girls who will be six on or before Aug. 1, 1969 through 15 years are invited to attend an organizational meeting Saturday afternoon at 4 p. m. at Olton Bowling Center. A Bantam League for boys and girls 6 through 12 and a Junior League for ages 13 through 15 will be formed. All interested boys and girls are urged to attend.

SUNDAY GUESTS

Mr. and Mrs. W. S. Algiers and Shirley of Umberger spent Sunday afternoon with Mr. and Mrs. Alva Kersh.

drain." Gullible me, I really thought it would work with "just water". Well, let me tell you, when I flipped that switch, Wyoming's Old Faithful didn't have anything on my kitchen sink!

There is something uglier than cold leftover gravy in a pan. That's gravedrain water showering down on you and everything else in its range! I muttered, I mumbled, I stomped my foot. And I cried! You're right, none of those things impressed that silly sink! Well, thanks to the good advice of a friendly plumber and a "plumber's friend" - not to mention the labors of the head of the house - we finally triumphed.

That's also a sure-fire incentive in "doing up" your kitchen curtains. They're all clean and fresh - at least till the next time the disposal or the blender gets on a rampage!

And so, if this ever happens to me again, the Trotter house may be one with "everything but the kitchen sink."

LUCI GUNTER

HELEN SMITH

Well, gang, if you thought we had a lousy column last week wait until you read this week's lousier column. But, never fear, we have a good excuse this time -- we're stupid and lazy. (pretty good, wasn't it?)

This glorious funfilled week started off with Monday which really blew that awfully fast. The juniors measured for senior rings that day which is okay with us 'cause that means graduation is almost here!!! And speaking of "Utopia", we (meaning those great '69'ers) measured for caps and gowns last week. Some of us thought that was just all right.

Monday night the F.H.A. held a meeting in the cafeteria to discuss plans for their annual banquet. The date is to be Feb. 28 and the theme this year is "Holland" which sounds good anyway. Sunee Seahow, our short and sweet Foreign exchange student, gave a talk to the group on Thailand and the meeting was over.

Also Monday night the Freshman boys and girls, and the "E" teams were battling with Floydada. They tried any way ---

A bake sale is being sponsored by the F.T.A. in order to raise money to sponsor their state convention trip to Austin Feb. 20-21. Pies are selling for \$1.50 each and the cakes are \$.00 all baked by members of the chapter (for those lucky mothers) and your support would be greatly appreciated.

The N.H.S. is still sponsoring a poster contest so come one, all you groovy poster artists and see how far out you can make your spirited works of art.

The Varsity boys and girls met Freshman in two exciting and victorious games Tuesday night. Don't ask US the scores (cause we forgot) but we won, we do know that. Hey, those games were here even so if you didn't make it this time you'll have to wait until Friday night and then travel to Friona to watch these two great teams play again. Let's go Fillies and Mustangs - "do your thing" against Friona and keep those victories and high scores coming in!!!

Now that you all know the school condition up until press time, we begin our usual nonsense and folly which we take absolutely no blame for on the grounds of extreme insanity.

Due to lack of interest, tomorrow will be canceled . . .

Mondays are bad because... no one except Polly Purebread's dog gets letters on Mondays... 7:00 a. m. comes three hours and 12 minutes too early ... the 8:25 bell is turned up to the Blow Your Mind mark and rings 3 minutes and 23 seconds longer than usual... the periods Mondays are one hour and 37 minutes longer than usual and the period of time between clas-

REMAINS ON CRUTCHES

Howard Livesay reported to a Plainview doctor Monday for a checkup following knee surgery. He is progressing satisfactorily but must use his crutches two more weeks at least.

SATURDAY GUESTS

Mr. and Mrs. J. H. Daugherty of Spur were overnight guests Saturday of Bro. and Mrs. Raymon Carson.

FROM TULIA

Mr. and Mrs. Doyle Hooten of Tulia visited recently with Hooten's sister and her husband, Mr. and Mrs. N. W. Livesay.

ses is reduced to 46 seconds... no assemblies are permitted on Mondays as it might brighten someone's day nor are any teachers allowed to be absent on Mondays... and no one... positively no one... gets dates on Monday nights (or any other night for that matter) especially when the Monday night movie is that smash hit "The Bobsey Twins in Cuba" or "Frankenstein's Mother Meets Dracula's Sister's Cousin's Brother's Wife at Haight-Asbury." But, all in all, what would be do without Mondays? SLEEP!!!

Yes, Kate, we certainly do "know what you mean."

That was a good game Tuesday night, Gale, all 54 seconds of it.

Who's got a Yankee Dime??

This is more fun!!! or was that "Dear Departed"???

Marsha, Gail and Janie's megaphone have something going. (?)

Oh, come now, Dusty, was that a nice thing to do to your brother's ball???

And now, our definition of love.

What is love? Love to a can of body paint is Rachael Welch.

4-H'ers Study Showmanship

"Showmanship" was the theme of the program Thursday evening at the regular meeting of the Olton 4-H Club. President Kerry Wheeler, presided.

Inspiration was given by Kenneth Farr.

Tips on swine showmanship were given by Russell Tanner. Kerry Wheeler spoke on lamb showmanship and Gale Long, assisted by his "calf" Paul Smyth, presented pointers in steer showmanship.

Mrs. Lady Clare Phillips, County Home Demonstration agent, spoke to members and stressed that the club must participate in a four point program in order to earn a purple ribbon.

The meeting was closed with Sharon Quigley leading the 4-H prayer.

Next meeting of the club will be Feb. 13. Safe Water Supply will be the program.

Applications Being Taken

Applications for a summer vacation full of fun for handicapped children in the Olton area are now being accepted by members of the Olton Lions Club.

This unique Texas Lions Camp for Crippled children at Kerrville will open its first two-weeks session Sunday, June 1, 1969. Five sessions will be held this summer for youngsters from seven through sixteen years of age.

The camp is free to eligible blind, deaf, mute or crippled children. Transportation to and from the camp is supplied by the local Lions. All requests for summer camp are handled locally by Lions.

For more detailed information about the Camp, you are urged to contact A. D. Adams, of the Olton Lions Club, business phone 285-2828, residence phone 285-2588. In the past years, Lions have sent over 10,000 youngsters to camp.

RETURNS HOME

Mrs. A. C. McKinzie returned recently from Corpus Christi where she stayed three weeks with her daughter and family, Mrs. W. J. Kosarek and children.

Basketball Results

Olton's Seventh grade girls traveled to Lockney last weekend and won first place in the Lockney tournament.

They defeated Crosbyton in the first game 20 to 5. Next to fall was Floydada, 33 to 21. Saturday in the finals the Fillies defeated Lockney 28 to 2 for the championship trophy.

Lockney was the victim here last Friday night as the Varsity Fillies downed the visitors 43 to 27. Kathline Carson was high point girl for Olton with 28 points. Diana Malone played an outstanding defensive game for Olton.

Olton's Jr. Varsity girls won third place in the Spring-lake tournament this past weekend.

Their first game was a squeaker all of the way as they downed Kress 27 to 26. Olton dropped the second game to Hale Center by the score of 40 to 24.

Third place belonged to the Fillies after they defeated the Springlake girls 38 to 18 in the final game.

Monday night the Jr. Varsity girls fell victim to the Floydada girls as they were defeated by the visitors 38 to 25.

Olton's Mustangs kept to their winning ways Tuesday night as they defeated the Frenship Tigers by the score of 60 to 46.

Charles McClain was high point for Olton with 26 points. Kenneth Johnson ruled the backboards for the Mustangs.

Olton's Fillies defeated the Frenship girls 69 to 51. Kathline Carson scored 29 points for the Fillies, while Pam Foster played an outstanding defensive game.

Tax Man Sam Sez

Farmers have until Jan. 31 to file reports on the Social Security taxes withheld from their employee wages, Ellis Campbell, Jr., District Director of Internal Revenue for Northern Texas, said today.

The reports should be filed on Form 943, Employer's Annual Tax Return for Agricultural Employees.

Campbell said that any farmer who pays an employee cash wages of \$150 or more a year must withhold Social Security taxes. Taxes must also be withheld on wages under \$150 for any person hired 20 days or more a year.

For tax purposes, a farm employer includes anyone who furnishes and pays workers to perform agricultural labor on his behalf or for someone else. Campbell said a "crew leader" is an employer under this definition.

The 1968 tax rate is 8.8 percent of the first \$7,800 of taxable wages paid a farm employee. Half the tax is paid by the farmer and the other half by the employee.

Farmers should remember to give a W-2 wage and tax statement to every worker they pay \$600 or more a year. Employees paid less than \$600 should receive a statement covering their Social Security taxes Campbell said.
