Texas Oil Allowable Is Increased

By ERNEST STROMBERGER AUSTIN (AP)—The Railroad Commission ordered today Texas oil production increased slightly to 28 per cent of potential during December.

The order, adopted at the monthly statewide prorating hearing, sets December allowable production at 2,856,214 barrels daily.

The order also allows oilmen to complete 1963 with a total production for the year of slightly over 900 million barrels, the largest 12-month production since 1959. That year production totaled 944.4 million barrels.

Commission officials give much of the credit for the higher production to success of the percentage factor, which replaced the shut-down method in January.

Three of 13 major oil purchasers asked at the hearing for the 28 per cent order. One nominated on the basis of a 29 per cent formula, one on the basis of a 28.5 per cent formula, five on the basis of a 27 per cent formula, two on 26 per cent formula and one on the basis of a 25 per cent formula.

Oil purchasers nominated to purchase 2,514,202 barrels daily next month, a drop of 4,162 from November.

The Bureau of Mines forecast of December demand for Texas crude was 2,630,000 barrels daily, an increase of 100,000 from November.

John Shaw, vice president of the Texas Land Owners and Independent Oil and Gas Producers Association asked for a 29 per cent order "to show our neighboring states that Texas intends to get its fair share of domestic production."

Purchaser nominations in barrels daily by percentage with the total change in the statewide allowable for each are: 29 per cent (86,119 barrels daily increase) — Sun Oil Co., 104,282 barrels; 28.5 per cent (57,414 daily increase) — Texaco, 140,000; 28 per cent (28,707 daily increase) — Mobil, 237,800; Gulf, 202,900 and Humble, 399,410; 28 per cent (28,707 daily decrease) — Indiana Oil Co., 248,000; Shell, 163,400; Cities Service, 81,900; Standard of Texas, 34,500; 26 per cent (86,120 daily decrease) — Atlantic Refining, 75,096, and Continental, 26,500; 25 per cent (143,333 daily decrease) — Phillips, 119,181.

The commission heard testimony on its proposed recomputation of its rules. The revised rules were drafted by an industry study committee after a year of work.

Tax Cut Would Create Jobs, Claims Kennedy

By NEIL GILBRIDE Associated Press Staff Writer NEW YORK (AP) — President Kennedy told the AFL-CIO convention today his proposed \$11-billion tax cut would put wind back in the sails of the nation's economy and create millions of jobs.

Kennedy said some four million persons are out of work and that those who talk about federal deficits "should look at that figure."

Kennedy criticized, without naming them, policies of Republicans including Gov. Nelson A. Rockefeller of New York and Sen. Barry Goldwater of Arizona.

"They do not have a single constructive job-creating program of their own to offer," he said.

Kennedy said the nation must have its strongest economic improvement in history because "we must move so fast just to stand still."

"If we can obtain the prompt passage of the pending \$11-billion tax reduction bill we will be sailing by next April on the winds of the longest and strongest peacetime expansion in our nation's economic history," Kennedy said in a prepared speech.

But he avoided the question of reducing the work week, the top priority item of business laid before the convention by AFL-CIO President George Meany.

Myth Is Untrue; Paris Isn't Free

By STANLEY MEISLER
Associated Press Staff Writer
WASHINGTON (AP) — There is a persistent myth in Capitol Hill that a congressman can spend U.S.-owned francs galore in Paris and not cost the American taxpayer a cent. The facts dispute this. But the myth goes on.

When criticism started around Rep. Wayne Hays, D-Ohio, for taking House restaurant waiter Ernest Petinaud along on a trip to Paris last week, the congressman replied: "Ernest cost the taxpayers \$88 in counterpart funds, which can't be used otherwise, so it actually cost nothing."

When Rep. Adam Clayton Powell, D-N.Y., was criticized roundly for taking two young staff ladies along on a trip to

Says Pierson Suffered Delusions

AUSTIN (AP) — A psychiatrist said today that Howard Pierson suffered delusions in his high school days.

Dr. David Wade of Austin said he first examined Pierson at the Austin State Hospital in 1940. Pierson is on trial on a 1932 indictment charging him with killing his mother. Another indictment charges him with shooting his father, Texas Supreme Court Justice William Pierson.

Wade said he could not agree with an opinion given earlier by another psychiatrist, who said Pierson knew right from wrong when he shot his parents to death.

Supt. Charles Castner of the Rusk State Hospital had testified he examined Pierson shortly after the slayings and found that Pierson knew right from wrong and understood the consequences of the crime.

Wade said Dr. Castner had an advantage of examining Pierson shortly after the murders but said he could not agree that Pierson was not suffering from delusions at that time.

Spy Charges Are Denied

NEWARK, N.J. (AP) — An American engineer and a Russian chauffeur pleaded innocent today to charges of conspiring to spy for Russia.

The engineer, John William Butenko, 38, of Orange, and the chauffeur, Igor A. Ivanov, 33, of New York City, were arrested by the FBI Oct. 29 in a breakup of an alleged espionage plot.

After the pleas were entered, Ivanov's attorney asked the court to extend the normal 10-day period during which motions can be filed to 60 days.

Judge Thomas granted a 30-day extension instead for both men and said they could receive additional time at the end of that period.

Asst. U.S. Atty. Sanford Jaffe said that in view of the extension, he did not expect the two to be brought to trial before January.

Body Found In Pit

MISSION, Tex. (AP) — The body of Kenneth Wilkins, 43, who was struck in the face by a shotgun charge, was found near a gravel pit seven miles northwest of here today.

Wilkins had been missing since Tuesday from his home at McAllen. A shotgun lay beneath the body.

3 Mishaps Are Logged

The Snyder police department reported three traffic mishaps Thursday evening and Friday morning.

A mishap at Thirty-seventh Street and Avenue S at 5:15 p.m. involved two 1962 Dodges. One was driven by Susan Boren and the other was driven by Harvey Lee Johnson. The Boren car suffered an estimated \$50 damage, the Johnson car, \$350. There were no injuries.

At 6:20 p.m. at Avenue F and Twenty-sixth Street a 1955 Plymouth driven by Eugene S. Hunter struck a parked 1957 Ford pickup owned by Emory Hall. Damage to each vehicle was estimated at \$100. There were no injuries.

At 3:10 a.m. the Police investigated a mishap at Avenue K and Twenty-fifth Street in which a 1964 Ford driven by Gerald Johnson struck a utility pole. The pole was broken off, and the car suffered heavy damage.

Johnson and a passenger were taken to Cogdell Hospital by Bolger Ambulance Service where they were admitted for treatment. The crash victims were said to be suffering from cuts and lacerations, but not believed to be seriously injured.

Jailed Churchmen On Hunger Strike

By ALLEN PAUL
Associated Press Staff Writer
WILLIAMSTON, N.C. (AP) — Fifteen white clergymen from the North, their leaders carrying wooden crosses, braved an angry white crowd and led an antisegregation march here Thursday. They were jailed and began a hunger strike.

In the first of two demonstrations in this farming town of 1,000, the Northerners and 54 Negroes, including 22 under 16 years of age, were arrested.

Twenty-four Negro teen-agers then marched on the courthouse but they dispersed and there were no arrests.

White spectators, some yelling threats, lined the streets for three blocks near the courthouse for the first march. There was no violence as more than 50 policemen patrolled the area.

The Rev. Harvey Cox, a professor at Andover-Newton Theological Seminary in Massachusetts, and the Rev. David King, minister of a Congregational Christian Church in Amherst, Mass., led the march, carrying four-foot crosses.

The other ministers followed, each walking hand-in-hand with a Negro girl. Negro demonstrators lined up behind them. They were met by Sheriff Raymond Rawls, who ordered the procession to the upstairs courtroom.

The marchers were booked on charges of unlawful assembly, parading without a permit, and of obstructing traffic.

Police said they would also be cited to show cause why they should not be held in contempt of a Superior Court restraining order banning demonstrations in the downtown area.

The New Englanders refused to post bonds of \$500. All refused their evening meal. The Rev. Paul Chapman of Staughton, Mass., said some of the

South Feels Sharp Chill

By The Associated Press
A sharp chill crept deep into the Southland today, squeezing temperatures below the freezing mark as far south as central Florida.

The mercury settled to a record low for the date—23 degrees—at Tallahassee and Cross City, in northern Florida. And it was 35 at Tampa, in the state's central section, also a record low.

Usually mild Miami shivered under record lows for the second day in a row. It was 45 degrees this morning after a 44-degree chilling early Thursday.

The large dome of clear, cold weather extended across most of the nation east of the Mississippi Valley. Early morning lows over the Plains were 10 to

DEAR ABBY: Am I being childish? I am very much in love with a woman who was married before and has two small children. Her husband died suddenly at an early age with a heart attack. I love this woman but I cannot see my way clear to marry her because I can't put out of my mind the fact that she was wind up in a mental institution. This woman had never been married I would get down on my hands and knees and beg her to be my wife. She claims she loves me very much and I believe her. What can I do?

CAN'T FORGET
DEAR ABBY: Don't take up any more of her time. You are in a fit of generosity, decide to ask her anyway, and the poor woman has had enough bad luck for one lifetime.

DEAR ABBY: Where can I get a good night's sleep—I have a husband who snores so loud he jars the whole house. We have a spare room, and if I slip out and go into it to get one hour's sleep before it's time for him to get up, and he happens to wake up and finds out I'm not sleeping with him, he raises the roof. Listen, Abby, I am 63 and so is he so there is no sense in this, and you can believe me. Thank you.

GOING NUTS
DEAR ABBY: What good is a roof on your house, if you wind up in a mental institution? Kiss him goodnight and then go into the spare room and get some sleep.

DEAR ABBY: A lifelong friend of mine became engaged and said she was going to invite me to her wedding. I was so sure she would that I sent her an expensive wedding gift, not to mention the outfit I had made especially for the occasion. I was heartbroken when the wedding day arrived and I had not been invited. When she returned from her honeymoon, she telephoned me and asked why I didn't attend. I told her I never got an invitation. She said, "Oh, you silly little fool, I am sure I sent you one, but we are such close friends, even if you didn't get it you should have come anyway." Tell me, Abby, can friends be so close that they attend affairs like this without a formal invitation?

CUT TO THE QUICK
DEAR ABBY: Yes, but had you really felt "close" to her, you'd have called a few days before the wedding and asked what happened to your invitation.

Mrs. Adams Speaks To Cosmorama

Cosmorama Study Club met Wednesday, November 12, 1963, at Martha Ann Womens Club. There were 26 members and guests present with Naomi Harlan and Mary Ellen Headstream as hostesses.

The program was presented by a guest speaker, Eloise Adams. Mrs. Adams discussed art as found in sculpture works. "To be enjoyed we must remember that art is not a recreation of nature, but that art, just as music, must be a part of a whole. Art must have shape, color and texture. One purpose of theme should be kept in mind when viewing art or listening to music. People, like art must be whole and unified as one conception for a well rounded life.

Sculpture uses three dimension forms and never tries to copy nature, but to be a new object. We live in a lifetime of new ideas and new products and should accept the new forms of art as we do all other new things. But we tend to enjoy the old pieces better than the new more radical forms of sculpture. Through the years we have discarded all the bad art and all that is left is the quality art either in pictures or sculptures. We are at a loss to discriminate modern art pieces."

Mrs. Adams showed slides of various types and forms of sculpture, both old and new.

The program was followed by a brief business meeting.

Add a teaspoon of grated orange rind to a package of vanilla pudding at the same time you add the milk and cook as usual. Chill and serve with curls of semi-sweet chocolate as a garnish. The orange and chocolate flavors are extremely compatible.

Tigers Seek Clincher For Spot In Playoffs

The Snyder Tigers will be taking on one of their oldest rivals tonight as they play host to the Colorado City Wolves. The game is of the utmost importance to Snyder, as the Tigers can clinch a tie for the district championship and a spot in the playoffs with a win. Kickoff time is set for 7:30.

In facing the Wolves, Snyder will be up against a team that glories in knocking off the Tigers. Many Colorado City fans feel that the season is a success if they beat Snyder, regardless how the rest of the games come out.

There is much evidence to indicate this. Down through the years the two teams have met on the gridiron 30 times with Colorado City winning 16 and Snyder taking only 11. There have been three ties.

At one point in the series the Wolves won eight games from the Tigers. Snyder has never been able to win more than two in succession from C-City.

One does not have to look deep in the record book to find evidence of upsets by Colorado City over Snyder. As recently as year before last the Tigers were heavily favored over the Wolves, only to go down in defeat 23-14.

Then again in 1958 Snyder had one of its better teams. Before meeting the Wolves, the Tigers had beaten Borger, Andrews, Big Spring and Midland, while C-City had not done well at all. Yet the Wolves rose up and tied the Tigers 12-12. It was as good as a win for the C-Citians.

Overwhelming Defeats
The Wolves have administered some overwhelming defeats to the Tigers down through the years. C-City won 42-0 in 1945, 40-3 in 1940, 30-0 in 1947, and 45-13 in 1950. Altogether Snyder has been shut out by the Wolves eight times.

The Wolves have an added incentive for wanting to beat Snyder this year. Next year Colorado City will drop back to 2A classification, and will drop from the Snyder schedule. The Wolves would consider the exit from the Tiger schedule a grand one if they could "blow out" on a winning note.

A Snyder victory tonight would assure the Tigers of a spot in the bi-district playoff, since they would have defeated the only teams that could tie their district win-loss record. Snyder will still have to face Lake View, but the Chiefs are already out of the district race with two losses and a tie.

A Tiger defeat tonight would make the district race wide open, with most of the other teams having a shot at least for a share of the title.

This year's variety of Wolves has been able to arise to the occasion a couple of times, although their overall record is two wins, five losses and one tie. The team managed to tie Monahan, one of the top teams in District 2-AAA, by the time of 27-0.

C-City also got ready for Anson, one of the better teams of 2A classification, and won the game 2-0 in a defensive battle.

Hampered By Injuries
The Wolves have been hampered a great deal this year by injuries. About 15 members of the team have been sidelined from time to time with a variety of ailments and injuries.

The Tigers should be able to win tonight's contest if they play the brand of ball they usually do. The spirited play of the Snyder team has taken them to a 6-2 record for the year and three straight in district competition.

Twin brothers will serve as game captains for Snyder. Seniors Billy and Jackie Stewart, who play end and guard will lead the Tigers in the contest.

Travis 9th, Lamar 8th In Victories Thursday Night

Travis and Lamar shared victories last night in their annual football finale.

Lamar opened the action with a hard-fought 6-0 victory in the 8th grade game, and Travis roared back to take a 36-12 decision in the 9th grade encounter.

In 9th grade action, the Lamar defense contained Travis Quarterback David Cadena most of the evening, but it proved costly. A veritable whirlwind named Mario Tovares showed the Texans his heels, and he had plenty of help from such operatives as Lonnie Gilstrap and Juan Hernandez.

But it was Tovares who kept the pressure on time after time. For the evening he had 22 points on three touchdowns and a pair of double extra points.

Lamar 9th took the opening kickoff and ground out 66 yards for a touchdown. Rob Golden, who sparkled on offense for the Texans, carried it over from 11 yards out.

Travis recovered a fumble on its own 45 yard line and immediately staged another

going over from a yard out and then adding the two extra points to give the Blue Devils an 8-6 lead at the end of the first quarter.

In the second period Cadena hit Bobby Clardy with a 21-yard pass that carried to the Lamar 29, and on the next play, Gilstrap rumbled into the end zone. The try for points failed, but Travis led, 14-6.

The Blue Devils hiked their advantage to 20-6 when Tovares streaked 38 yards to the Lamar 10. A moment later Cadena surged into the end zone from the 4.

Hernandez took the kickoff opening the third period and galloped 60 yards before he was hauled in on the Lamar 22.

The Blue Devils carried on in quickly, with Tovares going the last five yards. Cadena added the two extra points.

Lamar then staged a 60-yard drive for its second touchdown. It was Golden again who got the six-pointer, this time from 11 yards out.

Travis recovered a fumble on its own 45 yard line and immediately staged another

touchdown drive, with Tovares going over from the 7. Tovares also got the extra points.

Lamar then recovered a fumble on its own 43. Z. B. Binehart broke for a 30-yard run to the Travis 27, but the Texans bogged down and Travis took over on downs at its own 17.

Tovares and Cadena learned for a spectacular play which carried to the Lamar 29, but there was no more scoring. Tovares broke off left tackle and when challenged in the secondary latered to Cadena for a 46-yard gainer.

The 8th grade game was sacked up by the Lamar Texans on the opening minutes of play, but there were plenty of exciting plays.

When Travis 8th was unable to move after receiving the opening kickoff, Don Malone crashed through to block the fourth down punt and claim the ball on the Travis 15 yard line.

Mickey Almond swept right end to the one yard line. The Texans lost two and then were penalized five, but moved back to the one from where Pat Vanderpool plowed into the end zone. The extra point try was no good.

The Texans threatened again in the second period when Jerry Harwick dashed 50 yards to the Travis 27, but a moment later the Blue Devils retrieved a Lamar fumble.

Travis made a strong bid in the third period, driving to the Lamar 9 yard line, but the Texans eventually took over on downs on the 10.

However, the strongest Travis threat came in the fourth period when Ken Pollard returned a punt from his own 40 to the Lamar 25. The Texans stalled the drive by recovering a fumble on their own one yard line, and then drove out past mid-field as the game ended.

Baylor Cubs Nip Rice Owlets, 14-10

WACO (AP)—Terry Southall's 74-yard scoring pass proved the difference as Baylor freshmen beat the Rice from 14-10 Thursday night.

Baylor got a touchdown in the first period on Richard DeFee's six-yard run. Richard Parker kicked a 22-yard field goal for Rice in the third period. Then Paul Bection's mighty pass to Rice scored in the fourth period on a 69-yard drive with Holy Cross and North Carolina in the touchdown.

Ira Girls Win Pair

IRA—Girls basketball teams of Ira High school won two games from Roby last night, with the Ira A team taking a 57-46 decision and Ira B winning 34-20.

Jan Bishop had 19 points to lead Ira A team's scoring. Pat-Jay Jones had 18, Carolyn Clark 12 and Wanda Payne 8.

For Roby A, Sharon Kiker had 21, Jo Ann Gaton, 19, and Margie Green 6.

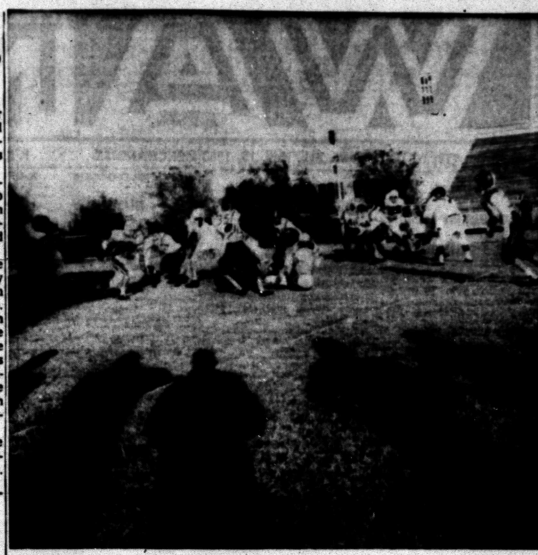

Renoka Hooker had 15 points for Ira B, while Muffet Kimbrell had 11 and Jackie Bishop 8.

For Roby B, Mildred Parker had 12, Donna Lankford 4, Donna Goforth 2 and Sharon Mitchell 2.

Tech Frosh Down North Texas Team

LUBBOCK (AP)—Corky Borland passed for 313 yards and teammate H. A. Waigt ran a kickoff back 94 yards to a touchdown but North Texas State's freshmen still lost to the Texas Tech freshmen.

Tech won 56-28 because the little Red Raiders did even more. Guy Griffiths of Dallas led the way with a 99-yard kickoff return and a 47-yard pass to Joe Hurley.

SHADOWS AND SCORE LENGTHEN—Snyder B team's score lengthened with the shadows in Tiger Stadium Thursday afternoon. By this time, the shadows from the bench had stretched well onto the field and the Snyder team was on its way to a 33-6 victory over Colorado City B. The victory gave Snyder B a 7-3 record for the season.

Snyder B Wins No. 7

Snyder's B team footballers romped to a 33-6 decision over Colorado City's B team to close out a highly successful season in wind-swept Tiger Stadium yesterday afternoon.

Sparkling runs by Jackie Rice, plus some fancy pitching by J. N. Wall propelled the Snyder team to a relatively easy victory.

It was Rice who lighted up the scoreboard first with a 43-yard journey into the end zone. The big play came shortly after Colorado City had set the locals back to their own 20 at half-time.

Snyder took the kickoff opening the third period and drove the Colorado City defense back and drove 51 yards for its only touchdown, with a 20-yard pass from Snyder to Houston kicked the point to tie the score at 12-12, and then Thursday night.

Rice put the Snyder B Team forward in the end zone for the touchdown. Sarter kicked the extra point to wind up the scoring.

Rodney Gray intercepted a Colorado City pass on the C-City 45 and ran it all the way to the 4 yard line, but a clipping penalty moved the ball back to the 30. A little later, Wall went to the 7 on a 20-yard dash, and then after Snyder's first two yards, Rice went in for the score from 9 yards out. Jim Sarter kicked the extra point and Snyder led, 19-6 at half-time.

Wall then limbered up his passing arm. He hit Mike Carter for a 35-yard gainer which carried to the 12, and then Thursday night.

Snyder B came into possession again late in the game when Freddy Johnston, intercepted a pass on the C-City 39, but the game ended soon thereafter.

Snyder B thus wound up its season with a record of 7 victories and three defeats. The victories came 7 in a row after the team lost its first three encounters.

Historical Basis For Fear

By BOB GREEN
Associated Press Sports Writer

So let's say you're the coach of the nation's top-ranked college football team. The remaining unbeaten, untied squad around. And you're going to play a team that has won only one of its last five.

So what's your reaction? "Frankly," says Texas Longhorn Coach Darrell Royal, "I'm scared."

There's a sound, solid, historical basis for Royal's fears. His No. 1 unbeaten, untied Longhorns play host to old speller Texas Christian in Austin, Tex., Saturday.

Three times in the modern era the Longhorns have gone into the game with the top rating and the solid favorites role. Each time they were upset.

The Longhorns have an 80 record, but they've had to work hard in the last four. The total margin of victory in those 20 points, gained primarily on a stout defense, a grinding running game and a ball-control offense.

The only other stumbling block on their path to the national championship and the host role in the Cotton Bowl is traditional foe Texas A&M, which has won only once.

Texas Christian is 3-3-1, including losses to Arkansas and Baylor, teams beaten by Texas. Navy, ranked second on a 7-1 record and being eyed as a Cotton Bowl visitor, has its work cut out at tough Duke, 5-2-1. The Middies, led this season by Roger Staubach, haven't been able to beat the Blue Devils in nine years.

No. 3 Mississippi, 6-0-1, is first in line for the host spot in the Sugar Bowl and defends that position against traditional foe Tennessee 3-4, at Memphis.

Michigan State, ranked fourth on a 5-1 record and current Big Ten leader, is one of three teams from that league with a shot at the Rose Bowl. The Spartans are host to Notre Dame.

Illinois, No. 8, and Ohio State also still are in the running. Illinois visits tough Wisconsin and Northwestern tests Ohio State. Washington, well in front for the host spot in the Rose Bowl, goes against oft-beaten UCLA.

Oklahoma, No. 5 at 6-1, and Nebraska, No. 10 at 7-1, are locked in a two-team struggle for the Big Eight title and the accompanying Orange Bowl spot. Oklahoma visits tough Missouri, 6-2, while Nebraska is at Oklahoma State, which has won only one.

Other games involving teams in the Top Ten have No. 6 Pitt, 6-1, at home against tough Army, 7-1; No. 7 Alabama, 6-1, vs. arch-rival Georgia Tech, 6-2, at Birmingham, and No. 9 Auburn, 6-1, is at Georgia, 4-3-1.

Pitt, Alabama, Georgia Tech, Auburn, Baylor, Memphis State, Penn State and North Carolina State all remain in the bowl picture. Baylor plays Kentucky. Memphis State meets Chattanooga. Penn State goes against Holy Cross and North Carolina State faces Florida State.

Germany's School Children Separated By Religions

By JOHN WEYLAND
BONN, Germany (AP) — Half of West Germany's children are separated in grade schools by religion, although parochial schools like those in the United States hardly exist.

There are publicly supported grade schools for Catholic children and publicly supported grade schools for Protestant children. Catholic classes are taught by Catholic teachers, and Protestant classes by Protestant teachers.

Different textbooks are used to reflect the different beliefs. The other half of the nation's more than five million children attend grade schools together, without regard to their religion. Each of the 10 states determines its own type of school system. Some provide only separate schools, some only mixed schools, and some a combination of the two systems.

Private grade schools are allowed under special circumstances and are very rare. The situation is different with high schools. Of these 12 percent are private and mostly denominational, but 70 to 80 percent of their expenses are met by the state. The rest state and completely secular, as are all universities.

Grade schools divided by religion date to the Kaisers. Adolf Hitler ended them, but they were reintroduced after World War II by the Christian Democratic party under Chancellor Konrad Adenauer. This party receives heavy support from West Germany's Catholics. The Catholic Church favors the separate schools.

One-third of the expenses of all grade schools are paid by local communities, which own the buildings. The other two-thirds of the money comes from the states, which appoint the principals and teachers and supervise administration.

Children in all the states start the school day with a prayer, hymn, or Bible reading. All grade schools offer two to four hours a week of religious instruction, either Protestant or Catholic or both. Attendance is voluntary, and about 60 percent of the children stay away.

Although West Germany is divided about equally between Catholics and Protestants, Catholic grade schools far outnumber the Protestant grade schools. There are 1,925,145 Catholic children in such schools and 820,074 Protestant children.

Strongest opposition to the Catholic and Protestant schools comes from the Free Demo-

cratic party, which is against any mixture of church and state. This party is too small to have much effect.

West Berlin Mayor Willy Brandt's Social Democrats were once outspoken opponents. But they softened their line when they turned into a middle-of-the-road party seeking support from all segments of the population.

One Boy Killed As Cars Hit Gas Meter

ENNIS (AP) — One boy was killed and two others were injured Thursday night when their car went off a farm road southeast of Ennis, uprooted a gas meter and snapped a natural gas line a foot underground.

Gas gaped from the broken line for a time and the highway patrol diverted traffic around the scene, about one mile from the community of Telico. Lone Star Gas Co. workmen were summoned to make repairs.

Freddie Wilson of Roser, in Kaufman County, was killed. Tommy Wilson, also of Roser, was slightly injured.

An unidentified youth was taken to the Ennis hospital in critical condition.

New Class Draws Strange Attendees

SEATTLE (AP) — A hypnopnea, two lovely lepidoptera and a louse are attending a new class at Pinehurst Elementary School.

The class is an after-school science course for youngsters fascinated by bugs and insects that creep, crawl or fly. It is the first such class in Seattle schools and is taught by parents.

A lepidoptera is a butterfly. "Heavens," said Cheryl Gates, 10, "everybody knows it's a hornet."

Red Ambush Said Isolated Incident

By K. C. HWANG
Associated Press Staff Writer
SEOUL, Korea (AP) — The U.N. Command said today it believes a Communist ambush that killed a South Korean army captain and wounded an American soldier in the demilitarized zone was an isolated incident.

The command said on the eve of a meeting with Communist North Korean military officials to protest the shooting that the rest of the 151-mile front between North and South Korea was quiet.

The North Koreans agreed to meet Saturday with U.N. Command officials in the Panmunjom truce village to discuss a U.N. protest of the attack.

The Korean captain, Hong Chung-wi, 33, and the American, Spec. 5 Harold Aldrich, 28, of Montrose, Colo., were part of an unarmed patrol of two Americans and six South Koreans sent out Wednesday to inspect north markers about 60 miles northeast of Seoul on the north bank of the Pukhan River.

The U.N. Command notified the Communists of the patrol's mission. All eight men wore yellow arm bands identifying them as unarmed men on official business.

South Korean troops recovered Hong's body today. The other members of the patrol fled back to the river to take cover and escaped when darkness fell.

Robert Barnes, 16, was dead on arrival at a hospital. David Warneke, also 16, died shortly after reaching the same hospital.

Mexicans To Receive Increase In Wages

MEXICO CITY (AP) — New pay rates for Mexican workers will be set Dec. 15 by the National Minimum Wage Commission. Increases are certain.

Wages will vary by zone. In Mexico City, workers asked 36 pesos daily (\$2.88) but the figure set by regional commissions was 21.50 (\$1.72). Workers grudgingly accepted this amount.

Regional commissions in the Western states of Colima and Michoacan are recommending 20 pesos daily, depending on the type of work.

Corn Price Goes Up

MEXICO CITY (AP) — Mexico boosted its government guaranteed price of corn to 940 pesos (\$75.20) a ton today. This is an increase of 140 pesos (\$11.20).

General manager Robert Amos of the National Company of Popular Subsistence said the raise will benefit the nation's campesinos.

At the same time it was announced that the government will buy 1,650,000 tons of current crop corn. The cost will be around 500 million pesos (\$40 million).

The 1963 crop is estimated at three million tons.

transforming POWER

How important is this transformer to the electrician! It contains an induction coil for raising or lowering electric pressure. It does not generate power but is master over the current that passes through it. God is that way too. He is master over all. He holds the key to the door and directs the cloud that brings the rain. His love is revealed in the beauty of the rose and his concern for us shown in saving us from the storm. He is Lord, and God, and Master of all. He has the power to control our lives... our wealth... our health. As the transformer is necessary to the distribution of electricity so is His church necessary to the transforming of lives in the community... in the world.
