Double Lakes Potash Deposits Are Sold

Tahoka's Football Season Is Success

LOCKNEY GOES DOWN 36 TO 7

Thanksgiving Day Game Won Handily; Tahoka Won 7 Out Of 10 Games

Outweighed at least ten pounds to the man and doped to lose, Tahoka took the strong Lockney Longhorns to a 36 to 7 cleaning on the local football field Thanksgiving day. Lockney was unofficial champion of the northern section of District Two, and had lost but one game this season, an non-conference go, but was ruled ineligible.

Tahoka played an outstanding game, and presented an exhibition of almost perfect football—teamwork, headwork, good interference, low-running, accurate passing—which would have carried her to the district championship if the team could have hit this stride early in the season.

Billy Lester with his long runs, one 85 yards, was the star of the day carrying the ball a total of 209 yards. Jack Minor also ripped off frequent long gains, a total of 184 yards, 99 of which was from Steven's passes. Both these men sidestepped and out-ran everybody on the field. Stevens, though his "educated toe" failed to function on place kicks, made many short gains at the line and stood out as a real passer by tossing nine complete ones. Edwards at end was excellent at nabbing passes anl tackling. Walker got one pass, and made several good tackles. Ketner called a good game. In the line, Benson, Dean, Tankersley, Short, and Eastridge smeared many plays. Jolley and Fenton, going in as substitutes, played well, and Willingham, Jackson, Tredway, Redwine, Curry and Janak did their share during the latter part of the last half.

For Lockney, Spence was half the story. Spence, quarterback, weighing slightly less than 200, hit the line for many gains and did all the punting. He threw eight passes, but all were incomplete. Shelton, who

RESULTS OF TAHOKA'S 1930 FOOTBALL SEASON

Tahoka won 7 games, tied 1 and lost 3.
Tahoka 0, Wilson 0.
Tahoka 22, O'Donnell 0.
Tahoka 6, Brownfield 7.
Tahoka 13, Floydada 0.
Tahoka 6, Lamesa 19.
Tahoka 1, Idalou 0 (forfeited)
Tahoka 7, Crosbyton 0.
Tahoka 0, Slaton 34.
Tahoka 32, Littlefield 14.
Tahoka 7, Levelland 0.
Tahoka 36, Lockney 7.
Total points: Tahoka 130, Opponents 81. Five teams could not score against Tahoka, but only two kept Tahoka from scoring.

Colored Baptists Hold Session Here

The Fifth District Board of the West Texas Baptist Association, (colored) met at Tahoka from Friday until Sunday, inclusive.

Services were conducted by Reverends Carter, Hicks, and Jackson, (colored) and Reverends J. W. Shepherd, pastor of the Methodist church and O. J. Hull, pastor of the Baptist Church (white).

The Board takes this means of thanking our colored friends of the Ebenezer Baptist Church and colored friends that assisted us.

Our total collections were $59.69.

Signed: Rev. P. C. Carter, pastor; Geo. Bivens, deacon; Rev. W. M. Hicks, chairman; Sister D. Deo, secretary.

Allow Funds For County's Highway

The State Highway Department announced Tuesday that $2,100 would be allowed for the building of a new dump on Highway No. 9 in Lynn county from the end of the proposed paving at the Lubbock county line to the present highway at the old W. D. Nevels place fifteen miles north of Tahoka. The new dump to connect with the paving will be 1.6 miles in length.

It is understood that the new grade in Lubbock county will be opened for travel in a few weeks, however concrete on the highway will not be poured until next spring. The road will make a saving in distance to Lubbock of a little over a mile.

MORE PRAISE GIVEN SCHOOL

Inspector's Report Shows Tahoka High School In Almost Perfect Condition

That Tahoka High School almost perfectly meets the standards set by the State Department of Education is seen in the official report of H. O. Smith, state school supervisor, who visited the local institution two weeks ago.

In copies of the report sent R. C. Wood, president of the board, and J. B. Pace, superintendent, his commendation of the school is high, and his recommendations of only a minor nature.

He recommends "that material submitted for credit receive careful consideration, that standard typewriting tables be added as soon as feasible, that at least five new typewriters be added next year.

"Commendation is expressed for the following evidences of material progress: a. $400 spent for classic literature and fiction; b. $100 for additional science equipment.

"The physical training and health education program merits commendation.

"The excellent organization, good discipline and general morale of the school deserves much praise. The teachers are well qualified, the students courteous and responsive. Some very good teaching was observed. The care of the high school building merits praise.

"Courses preparing the student for college entrance, for commercial work, or for vocational training, are being planned. It is felt that a definite objective will be most practical and of material benefit to the pupil.

"Courtesies expended by Supt. Pace, Prin. Weaver, and Mr. White and other teachers are sincerely appreciated. It is a real pleasure to visit in such a well-ordered and progressive school system."

SON OF MRS. FLORENCE WOODS MARRIED THURSDAY

Dr. Bert E. Woods of Beaumont, son of Mrs. Florence Woods, and brother of C. N. Woods and Mrs. Alex Taylor, was married to Miss Osta Lawrence at her home in Silverton last Thursday at noon.

The bride's father, Rev. W. M. Lawrence, pastor of the Baptist Church read the ceremony, and her brother, Ben Lawrence, gave the bride in marriage. Following the wedding, the couple came to Tahoka for a short visit with the groom's relatives, and then went to Beaumont Saturday to make their home. Dr. Woods is an optometrist in the employ of Dr. R. F. Pray of that city. He is a former student of Texas Tech, and a graduate of a Kansas City optical college, and she of Wayland College.

The Lynn County News can still be had for $1.50 per year—52 issues.

REQUEST FOR CLOTHING

The people of Tahoka and this territory who have good second hand clothing which they have discarded or can spare are asked to contribute this to the needy of our section who are not able to purchase the necessary clothing for the winter. The Red Cross and the Chamber of Commerce are requesting that this clothing be gotten out and if found serviceable to bring them to the Chamber of Commerce office where they will be distributed by a Red Cross committee of which Mrs. W. D. Nevels has been named chairman.

Many people will find upon investigation that they have in their possession good clothing, which the children have outgrown, or which has been discarded for new, that still have a great deal of service and warmth in them. This clothing can be used to a good advantage this winter if you will bring them to the Chamber of Commerce office or call 278 and they will be called for.

You are earnestly requested not to overlook this very small, but important errand.

Much Lynn County Land Is Terraced

The terracing schools which are being held over the county are proving very successful, according to County Agent R. E. Shaver. Approximately 5,000 acres have been contoured at the three demonstrations already held.

A demonstration is being given today on the Thomas Brothers farm near Grassland, and another has been scheduled for Monday, Dec. 15 on the A. N. Chase farm at Gordon.

Demonstrations already held have been at the L. Perdue place, six miles east of Wilson, the Paul McDonald place at Midway, and the Pruitt farm at Morgan.

A total of 16,000 acres were terraced or contoured under the direction of the county agent last year.

A Wilbarger high school student is pioneering in a new industry in Texas—making furniture out of mesquite wood which is one of the toughest varieties known.

Kiwanians Hear Vocational Boys

The purposes and work of the Federal Farm Board were presented to the Kiwanis Club Wednesday at noon by Taylor White and seven of his vocational agriculture students from the high school. Presentation of facts was made in the form of a class room recitation, Mr. White in the capacity of teacher conducting the class work. The program proved very interesting and informative to the Kiwanians.

Rev. Owen J. Hull in a burlesque address presented President Truett Smith with a present in appreciation for the alleged kindnesses the latter had been showing the preacher at Club meetings.

TWO COUPLES ARE ISSUED LICENSES TO MARRY

Two couples residing in Lynn county were issued licenses to marry last week.

Vernon King and Miss Edna Rogers of near O'Donnell were married Nov. 26th by Elder P. J. Ausmus in Lubbock.

J. D. Buchanan and Miss Joy Belle Onstott of near Slaton were married in Slaton Nov. 28 by Rev. James Rayburn.

More Subscribers Pay Up To Date

Renewals have been coming in more rapidly the past week, for which we thank those who have answered our pleas. Quite a few are still due however, and we would like for you to pay up if you possibly can. What is $1.50 compared with the news you will get during the next twelve months?

These readers go on our honor roll for this week: R. L. Craig, B. A. Myers, A. L. Standefer, M. L. Handley, J. E. Brooks, Mrs. A. B. Seroyer, Mrs. J. B. Walker, J. K. Applewhite, W. M. Harris, Pledger Coleman, H. M. Larkin, O. J. Jackson, John Thomas, R. P Weathers, V. E. Cook, A. J. Moore, D. H. Goodnough, Jack Corley, G. H. Nelson, J. J. Massengale, L. F. Frazier.

Mrs. R. E. Henderson, Eastand; J. B. Miles, O'Donnell.

Texas highway system includes 18,322.53 miles exclusive of the mileage within cities and incorporated towns.

Graham Chapel Man Tells Facts Of Early Day Life On South Plains

J. F. Maxey and L. P. Redditt are two prominent citizens of the Graham Chapel community just east of Grassland over in Garza county.

Mr. Maxey is a well-known pioneer of the Plains, coming to this section twenty-seven years ago. He is also one of the Plains original cotton growers. He says that the first cotton he raised was in 1903, and he hauled it all the way to Snyder, fifty miles away, in a wagon to get it ginned. However, he raised only one bale. The next year, he went to raising cotton on a bigger scale and hauled two bales of cotton to Snyder for ginning. After the gin was built at Tahoka, he began hauling to this place, increasing his acreage each year. He says that hauling cotton so far in those days was not so bad, though, as they had to go to town occasionally to get supplies, anyway.

Mr. Maxey has been prominent in Garza county affairs many years. He came there when Garza was attached to Borden county for judical purposes, and was deputy sheriff of Garza when the county was organized. He carried the ballot boxes to the four voting precincts for the first election, and was himself a candidate in the first county election, being defeated 32 to 31 for tax assessor. He was there when C. W. Post, the big capitalist and cereal manufacturer, came down and bought up the many, many sections of fine Plains land, and built the city of Post and the cotton mills. He says that the first cotton Post had planted was from seed secured by Charlie Everett, present county treasurer, at Gail for the price of 13c per bushel.

Adding to Mr. Maxey's remarks, Mr. Redditt says that though Mr. Maxey has served several terms as Justice of the Peace of Graham Chapel, he has never had a case. He thinks Graham Chapel is one of the most law abiding communities anywhere. No man living in the community has ever been indicted by the grand jury, or convicted of a misdemeanor, or arrested, while in the community. However, a few have gone away and gotten into trouble. He was formerly principal of the Graham Chapel school. The building was never locked, and none of its furnishings or contents were bothered for seven years.

Graham Chapel was one of the first communities in Texas to have a community canning club. The women of that section have a canning room at the school building equipped with canners, sealers, tables and everything that is needed. It is open at all times and to everybody in the community and they go there to can beef, chicken, pork, fruits and vegetables.

Prospects Brighter For Development

Slaton, Dalhart Play For Title

Slaton, District Two football champion of this year, will meet Dalhart, District One champion, in Lubbock Saturday afternoon at 3 o'clock on Tech field to determine the bi-district Class B championship.

A letter from the Lubbock chamber of commerce urges that people from all the South Plains lend their support of the team from this section by their presence at the game.

1931 LICENSE PLATES HERE

New car license plates and license receipts for 1931 have been received by S. W. Sanford, sheriff and tax collector, and may now be had by those desiring them.

LYNN COUNTY CROP FOURTH

Lubbock, Dawson, Lamb Counties Lead Lynn In Plains Cotton Production This Year

Lubbock county is leading the South Plains in cotton production this year, Dawson is second, Lamb a close third and Lynn fourth, according to the Government ginning report of November 14, which was released 21.

Williamson and Ellis, usually leading cotton producing counties, have dropped far behind Nueces, which has jumped to the front with 148,107 bales.

A total of 3,524,538 bales had been ginned in Texas up until Nov. 14, against 3,308,136 in 1929 at the same time.

Production of South Plains counties when the report was made and the corresponding report of last year follows:

	1930	1929
Lubbock	25,556	31,720
Dawson	23,798	21,387
Lamb	23,166	27,378
Lynn	21,546	18,748
Hockley	19,894	17,655
Terry	16,142	14,364
Hale	10,403	9,482
Crosby	5,361	16,097
Garza	4,380	3,739
Floyd	4,248	9,711
Bailey	2,816	3,877
Gaines	2,287	2,856

The state's largest producers are:

	1930	1929
Nueces	148,107	123,071
Williamson	91,240	73,675
Wharton	69,997	12,921
Ellis	67,396	90,098
McLennan	67,298	83,734
Karnes	66,289	24,537
Navarro	64,413	81,958
Collin	64,819	67,067
Falls	62,947	55,090

While many counties show an increase this year, others have been hard hit by the drouth. Crosby usually producing from 45,000 to 70,000 bales, has suffered two years, and has had only 5,361 ginned this year. Other West Texas counties suffering most from the drough, besides Crosby and Floyd are:

	1930	1929
Hall	15,760	32,347
Coleman	9,980	25,310
Hardeman	8,515	19,535
Childress	6,668	17,442
Cottle	4,720	16,027
Motley	3,889	10,090
Foard	3,253	9,037

Some of these counties also raised smaller crops last year than they usually do.

Contract for the Pecan Bayou dam north of Brownwood has been let for $590,000, to be paid for out of a $2,500,000 bond issue to provide for the city and for irrigation of several thousands acres of land nearby. The lake will impound 120,000 acre-feet of water and will be one of the five largest in the state.

SAN ANTONIAN PROMOTES DEAL

If Developed, Large Plant Would Be Located At Tahoka For Purification

Double Lakes, seven miles northwest of Tahoka on the T-Bar ranch, have been bought by San Antonio parties, who expect to promote the development of potash and other mineral deposits which will call for a large manufacturing plant in Tahoka. The definite announcement is made by Uel Stephens, San Antonio Civil Engineer, who closed the deal with Cass O. Edwards and son, Crawford Edwards, owners of the ranch, for a sum said to be around $60,000. The two lakes cover over 1,000 acres.

"We have now signed a contract," Stevens writes, "with the two Messrs. Edwards which will permit us to immediately proceed with our original plans for future development of the potash deposits in the neighborhood of your fine city. We feel that the deposit is there and also that the time is right to carry out in a large way the production of not only potash but several other minerals found in association therewith."

Development of the deposits would call for the erection of a plant here that would cost between $500,000 and $1,000,000, according to size, and would employ from 75 to 125 men, it is estimated.

Little is known here as to whom Stevens represents in the deal, but it is known that he and a Mr. Handshy have been looking over many West Texas potash deposits for several months finally reaching the decision to take an option on the land embodying the Double Lakes. The deal between Stevens, or the men he represents, and the Edwards had been pending for several weeks. The lakes are said to contain the richest accessible potash deposits in America. Potash in almost pure form was found at Odessa several years ago but is too deep in the ground to be mined profitably, it is said. There are also deposits in Tahoka Lake, a lake southwest of O'Donnell, and in other lakes over West Texas. The potash in Double Lake is in several stratas, ranging from four to eighteen feet in depth.

According to a report on a survey of all these lakes made in 1920 by C. C. Meigs, H. P. Bassett, and G. B. Slaughter and a crew of men of the University of Texas, Double Lakes contain the richest and most inexhaustible supply, and can be mined very profitably, outranking any other potash deposits in the entire United States. They were assisted in their tests by C. A. Maxwell, superintendent of the Western Potash Company of Antioch, Nebraska. Recommendation was made by them at

(Continued on last page)

'31 Football Team Loses Eleven Men

Eleven members of this year's Tahoka Bulldogs will be lost by graduation before another football season. They are: Jack Minor, captain, Coughran Ketner, Harlan Dean, Dee Eastridge, Vance Tredway, Amel Willingham, Billie Lester, Clifton Janak, Boswell Edwards, Robert Benson, and Norville Redwine.

However, there will be at least ten good football men from this year's team around which another good team can be built next year. The 1930 squad members who will be eligible next year are: Dayton Short, Clyde Tankersley, Woodrow Walker, Toy Ketner, Pete Curry, Frank Fenton, Vernon Jolley, "Stonewall" Jackson, Curtis Stevens, and Jack Stevens.

Activities Of The Wilson Community

Vocational Agriculture

Since the second six weeks examinations are over the vocational agriculture classes will be working on their records for their last year's projects. The year ends on the 19th of December and all records must be complete by that time. Quite a number of the boys have expressed themselves as being losers in their project work. This was caused by the weather man, and we all know that the scientific applications will not work if the weather man is against us. Let us look forward to the new year and its possibilities, maybe we can make up for lost time and labor.

Young People's Class Entertained

Miss Thomas' Young People's Class of the Methodist Sunday School was delightfully entertained in the home of Mr. and Mrs. W. C. Huffaker on Friday evening, November 28th. The time was enjoyably spent in contest and games directed by Miss Eva Faye Huffaker. Delicious Thanksgiving refreshments were served to thirty nine guests. Twelve o'clock came all too soon. East left hoping that the class might get to enjoy just such another party as this in the near future.

Wilson Faculty Entertained

Superintendent and Mrs. A. L. Faubion entertained the teachers of Wilson School and other guests with a progressive 42 party at their home Thursday evening, November 27. The home was attractively decorated with flowers, leaves and pumpkins, befitting the holiday season. Tally cards also carried out the Thanksgiving motif.

The game of 42 was enjoyed for several hours, then a dainty plate, also cleverly suggestive of the season consisting of salad cake, cocoa, and mints was served to the following guests: Mmes. Robert Forrester, Brady Nix, W. M. Kopecky, W. L. Forrester, Mesdames Evelyn Thomas, Curtis Cook, Bertha McAlister, Lela Day, Sallie Beth Wright, Mavive Carney, Eva Faye Huffaker; Messrs. Brady Nix, Billie and Johnnie Key, Rev. C. N. Roth, Robert Forrester and Howard Cook.

Program

The following is a copy of the program put on at the school house last Saturday evening, Nov. 22, by the different grades and enjoyed by a splendid audience.

Song—Second Grade Boys.

Play—"A Thanksgiving Party"—Fourth grade pupils.

Dialogue — "Harry's Pockets" — Fifth grade pupils.

Song—Fifth grade pupils.

Dialogue — "Betsy's Burglar" — Fifth Grade Pupils.

Play—"African Pigmies — Sixth and Seventh grade pupils.

Tow Act Play—"Goldlock Adventures"—First, Second and Third Grades.

Church Activities

Sixteen of Wilson B. Y. P. U. members motored down to O'Donnell Nov. 23rd, to attend the B. Y. P. U. Associational Zone meeting. The B. S. U. Council of Simmons University rendered a wonderful program at this meeting which was very greatly enjoyed by all, the Wilson delegation won the attendance banner they having the largest attendance of any B. Y. P. U. in the association at the zone meeting.

There will be a training school conducted at the Baptist church beginning Dec. 8th and continuing through Dec. 12th. This is in connection with the Sunday School work and every one is invited to attend.

We sent a Thanksgiving offering to Buckner Orphans Home last week, this offering included cookies and chickens. There were 57 hens and about 60 pounds of cookies in the shipment, there was also a collection taken to pay the freight on the shipment.

New Methodist Pastor On the Job

The new Methodist pastor, Rev. Thurston, filled the pulpit Sunday morning and evening, Nov. 23, bringing two soul inspiring messages. The church was filled to capacity at both services. The Baptist people expressed their welcome to the new religious leader of the community by dismissing their regular evening service to attend. The Mehtodist people feel very fortunate in having Rev. Thurston for their pastor and are looking forward to a year of growth in the Lords work.

Mrs. Thurston will join her husband in their new field of work after a visit to her parents.

Twenty-seven Epworth Leaguers went to Grassland to the League Union meeting the same afternoon. They brought back the League banner for the fourth time.

Basket Ball

Wilson has broken into the win column in basket ball. They defeated Wolfforth Saturday night, Nov. 22, the score being 22 to 17 in Wilson's favor. The boys all showed better basketball than they did a week ago at Meadow. The greatest improvement was made by the new men. The passing was better than the team work. All the boys got a chance to show what they could do under fire. Leroy Crews was high point man and Stiles came up second. Perhaps this week end more of the boys will be eligible and more of the old time form be shown.

Baptist Church Receives Nice Gift

Santa Claus gave Wilson an early visit this year. On last Saturday a representative of the West Texas Gas Company delivered to the Baptist Church a fine large gas stove large enough to heat the entire auditorium as a gift to the church. This gift is very greatly appreciated one coming at a time when it was needed so badly and when it seemed impossible to raise funds to buy with. We are for the West Texas Gas Company.

Wilson School Trustees Given A Treat

Monday night, December 1st, the second-year class of the Home Economics Department of Wilson High School entertained the trustees and the superintendent, Mr. Faubion, with a dinner.

The Thanksgiving theme was carried out throughout the menu, and table decorations.

The table decorations were a miniature log cabin made from sticks of cake surrounded by a rail fence made of stick candy. Two small celluloid dolls were dressed as pilgrims. Turkeys cut from magazines were seen in the yard and snow made of pop corn covered the yard and house top.

Three courses were served. The first course was a fruit cocktail, topped with a cherry, and served in halves of oranges. The second and main course was roasted turkey, orange dressing, giblet gravy, string beans, mashed potatoes, spiced prunes, hot biscuits and coffee. The third course was ginger bread upside down cake, served with whipped cream.

The trustees and the superintendent enjoyed the dinner. One of the trustees even requested the girls and their teacher, Miss Wright, to write their own recommendation, saying that he would sign it. So after all the old saying "the way to a man's heart is through his stomach" still holds true.

Locals

Miss O'Bera Forrester spent last week end with friends in Ralls.

Mrs. H. B. Crosby returned home Sunday from a six weeks stay in a sanitarium at Mineral Wells where she had gone in interest of her health which was seemingly greatly improved.

Mrs. T. D. Maren of Brownwood spent several days of last week with her sister, Miss Mertice Graves who is Expression Teacher in our school.

Mr. and Mrs. A. L. Faubion visited Mrs. Faubion's brothers, the Greers at Grassland Sunday.

Mrs. Clyde Shaw visited in Levelland last week end.

R. C. and Mrs. Forrester and daughter, O'Bera enjoyed a fine Thanksgiving dinner in the home of Mrs. Forrester's sister, Mrs. Homer Scott of Lubbock.

The representatives of the Wilson Baptist church to the State Sunday School Convention at Temple returned Sunday and all reported a wonderful time and a wonderful meeting, one of the greaest of its kind ever held in Texas. Besides many other good things brought back by the representatives was the greatest news of all and that was that our girls won in the Junior Memory contest. The representatives were John Heck, Mr. and Mrs. W. H. May, Miss Cara May and Mr. Yates Key, Misses Majorie Key and Elizabeth Tadlock.

Mrs. J. A. Swinson and daughter, Winnie of Brownwood visited Miss Mertice Graves last week end.

Mrs. J. H. Barham, and son, Carol, and daughter, Ruby, of Stephensville spent several days of last week in the home of Mr. and Mrs. Brady Nix. Mrs. Barham is Mrs. Nix's mother.

J. J. Alderson and J. S. Womack were business visitors in the Brownfield territory Monday. They were looking for feed.

J. R. Houston, Frank Schneider, W. H. May and Pat Swan were business visitors in Tahoka Monday.

The congregation of the Methodist church went in a body for a visit to the Baptist Church at the evening service ast Sunday.

Mrs. P. E. Bird of Brownwood, her son, Marvin and wife of Arizona, and daughter, Fannie of O'Donnell were Wilson visitors last week end. The Bird family were residents of Wilson for several years.

Miss Ruby Lee Waller, former teacher in the Wilson school but now public school music teacher in the Slaton schools spent the week end with friends in Wilson. She and Miss Sallie Beth Wright, Home Ec Teacher of Wilson school were guests in the Forrester home Saturday night.

Robert Post barely escaped a very serious injury Saturday before last when he got his hand caught between a feeder pulley and a belt at the Farmers gin. Two fingers and a thumb were badly cut but no bones broken.

Mrs. C. C. McCormick is home after several weeks stay in a Lubbock Sanitarium. She is reported as getting along fine.

Mrs. W. A. Brashear who was a resident of Wilson for several years but now resides at Levelland, was operated on the first of last week following an illnes of a serious nature that had been giving her trouble for several months. She is reported as getting along fine.

Mrs. Johnnie Sterit, local manager of the Wilson Telephone system left a week ago Thursday for points in Missouri where she is visiting relatives she will also visit in New York City and other points east. She will likely be gone two weeks. Mrs. J. D. Cook is looking after the switch board in her absence.

W. D. Green and family left for Shriner after an extended business and pleasure visit in this part of the state.

Bill Kinnard and family who had been residents of Wilson for a number of years but who moved to Fort Worth during the summer returned to us last week end with the determination of making their home here. Bill says he thought this was the hardest hit place on earth till he tried elsewhere but after trying other places decided that Wilson was the best place to be found.

Konjola Amazes Houston Man

"Konjola Is The Greatest Medicine I Ever Used" Says Houston Man, Aged 80

MR. H. R. BARTLETT

"I was in failing health for five years," said Mr. H. R. Bartlett, 4312 San Jacinto street, Houston. "I felt tired and worn out all the time. I suffered with rheumatism in my hands and fingers. The joints were stiff and sore, and, at my age, I thought there was no medicine to help me for I had tried many.

"Konjola gave me a welcome surprise. I should have taken it much sooner. My strength has returned and I feel much better in every way. Rheumatism in my hands and the stiffness in my fingers had passed. Konjola is the greatest medicine I ever used and I am glad to recommend it to everyone."

Even though Konjola has won many remarkable victories over ailments of the aged, it can just as readily be given to infants for it is free from alcohol or harmful drugs.

Konjola is sold in Tahoka at Tahoka Drug Store and by all the best druggists in all towns throughout this entire section.

ENGINEER GAVE UP

Says He Could Not Stand Indigestion Any Longer.—Relieved By Black-Draught.

Pulaski, Va.—How a railroad engineer was relieved of indigestion was described by Mr. C. K. Nelson, a Fourth Street resident of this city. Mr. Nelson said:

"I was suffering from stomach trouble in 1917, and had been suffering for some time. I had a tightness in my chest, a shortness of breath. There seemed to be a heavy weight in the pit of my stomach, and quite a bit of nausea, yet I couldn't vomit. I tried different remedies, yet suffered on just the same. When in West Virginia, on a work train, I was in such a condition that I just gave up and came home. I couldn't stand to work, in my condition.

"Some one told me about Black-Draught. I started taking it in small doses after meals. It helped me, and I went back to work.

"One morning while on my engine I felt like I would smother. I stopped in a little town, bought a package of Black-Draught, took a dose and later in the day took another dose. It relieved me and I have not had a bad spell like that in more than two and a half years."

Thedford's Black-Draught contains no chemicals. Composed of pure botanical roots and herbs, acts

Thedford's BLACK-DRAUGHT for Constipation Indigestion Biliousness

DR. MILES'

Anti-Pain Pills

When you are suffering

HEADACHE and NEURALGIA

Use Dr. Miles' Anti-Pain Pills for prompt relief.

Muscular Pains and Functional Pains

—even those so severe that they are mistaken for Rheumatism, Sciatica, Lumbago—are relieved quickly by Dr. Miles' Anti-Pain Pills.

25 for 25 cents

You want prompt relief.

Dr. Miles' Anti-Pain Pills relieve the pains for which we recommend them. They do not upset the stomach, cause constipation, or leave unpleasant after effects.

A package in your medicine cabinet, pocket, or handbag, means fewer aches and pains, greater enjoyment, more efficient work, less loss of time.

Dr. Miles' Anti-Pain Pills have been used with success for thirty years.

B. A. Myers, principal of the Grassland school, came around Tuesday to get The News sent to his address. He says they are having an excellent school session at Grassland this year.

"Moco" Wakefield, who has been working with "Toby" Durnall, showman, in Oklahoma for the past several weeks, has been visiting with home folks since Thanksgiving.

Mr. and Mrs. T. W. Wetsel and son of Clay county were here Thanksgiving visiting Mr. Wetsel's brother, Jim Wetsel, and family.

Jim Wetsel took a truck load of Jersey cows to Lovington, New Mexico, Tuesday, where he expects to sell them.

Mr. and Mrs. Alvin Hicks of Midland were here Thanksgiving day visiting with relatives and friends.

H. P. Caveness and C. C. Williams visited the schools at Pride and Newmoore Wednesday morning.

Miss Hazel Hays of Dallas was here Saturday visiting Mr. and Mrs. Carl D. Griffing.

Mr. and Mrs. Joe Hodges announce the arrival of a girl, born Wednesday morning.

Mr. and Mrs. Ernest Wright of Tulia were in Tahoka on business Wednesday.

Misses Marie Brown and Ruth Shaffer visited friends in O'Donnell Sunday.

Miss Ethel Campbell of Lubbock is visiting friends here this week.

Chas. F. Shook of Waco is here this week on business.

J. B. Miles of O'Donnell was in Tahoka Friday.

H. H. DENTON DIED AT REDWINE LAST NIGHT

Just as The News goes to press, we are informed that H. H. Denton of the Redwine community died last night at 11 o'clock. Funeral services were scheduled to be held at Redwine this afternoon at 2:30 o'clock, and interment will follow in the Tahoka cemetery.

Mr. Denton had been sick about a month and his death came as an indirect result of ptomaine poisoning.

Mrs. E. I. Hill, who has been sick so long, was brought home from the hospital Monday. Her condition is such that little hope is entertained for her recovery.

Waxahachie cotton mills, heretofore manufacturing only ducking will increase its payroll and its outlet by changing over to the making of colored fabrics, including denims, cotton checks and cottonades. Much of Texas' supply of these materials have been imported from mills in the East, costing in freight from 2 to 2½ cents a pound, while from Waxahachie they can be delivered over most of the Southwestern territory for from a half-cent to one cent a pound.

First contracts for a 1,000-mile 24-inch gas pipe line have been let, starting from Moore County, Texas, and ending in Chicago. It will transport Texas, Oklahoma and Kansas natural gas to Chicago and other cities along its route. Of the $100,000,000 estimated cost a large part will go for labor with local workers being employed whereever possible. The line will be buried deep enough not to interfere with the cutivation of the fields it crosses.

Pecan crop of Texas for 1930 is estimated at 9,500,000 pounds as compared with 17,496,000 pounds last year. The 1930 figures represents more than one-fourth of the total U. S. crop, while last year's was almost one-half the total.

San Benito has plans for a $250,000 high school.

SLAT'S DIARY

Friday— I herd ma tell pa tonite she was all most mad enuff to not speak to him no more and after she told him why he begins making all kinds of faces at her and grinning and I honestly beleave he was a trying to make her madder at him.

Saterday—Ant Emmy got a letter from her cuzzen and she sed her uncle Link has got a fatal disease and if he ever gets well it will be quite a miricle. All of which I don't know what means.

Sunday—They was a funeral out in the country today in honor of a woman witch was a distance cuzzen of Jakes ma but she sed she gess she woodent go to it on account every body wood be a crying and it makes her azma wirst when they are so much dampness around.

Munday—Well I got a 100 in language today, all most, the teecher ast 1 kwestion witch was. What is a sinnanim. I supposed she was tawking about a kind of bakry biskit but Blisters says she was eluding to a word.

Tuesday—A ole friend of ma's rote to her and she sed she wood be very happy onley her husband was a Sonnambelist. And Ant Emmy sed she wassent surprised to hear that becuz she can remember that he was trying to learn to play one of those there things when he was a little boy.

Wensday—Well I got a good chanct to get even with Pug Stevens for a lotta things he done to me in the past. In futball practice he fell down and I slips up and gives him a good kick. But now I beleive in the old saying Never kick a man when he is down. A speshully unless you think you can mebby keep him down.

Thirsday—Well I met a dandy girl at Mildreds party tonite. She tawked about whut a wonderful ft. ball player I was and she sed she herd I was a mighty smart boy in class. She was very a greeable to every thing I sed, and I treated her to ice cream down to the drug store 3 times. And I think she is a very bright girl too. It is a pitty there arnt more like her.

LYNN CO. H. D. COUNCIL ADOPTS NEW RESOLUTION

The idea of this movement is to get more cotton used in more ways. The jute and hemp that is used for bags, comes from foreign countries and is used in competition with our cotton. For most all purposes the cotton we grow can be used.

Resolution

Whereas: Hemp and jute are imported products used in competition with the crop we raise ourselves and

Whereas: Cotton sacking is extensively used by the rural home makers for domestic purposes, such as for clothing, pillow slips, towels, luncheon sets, quilt linings, etc.

Be It Resolved: That the Lynn County Home Demonstration council urgently recommend the use of cotton, where possible for all supplies put on the market in cotton bags. The council urgently asks the cooperation of all club workers when marketing to demand that the article they are purchasing be placed in cotton bags.

SCORES OF ENTRIES RECEIVED SLATON FOR POULTRY SHOW

SLATON, Texas, Dec. 3.—"It's going to be one of the greatest exhibitions of poultry ever seen in the Southwest," said Taylor White, of Tahoka, president of the Texas Panhandle-Plains Poultry association, in speaking of the first annual Poultry Show which the association will hold in Slaton next Wednesday, Thursday and Friday, Dec. 10, 11 and 12.

Scores of entries are already being received from over the 54 counties of the show's territory, according to L. A. Wilson, secretary, at Slaton. He said exhibitors are urged to mail their entries early, at least so they will reach Slaton by Tuesday, Dec. 9. All birds must be in the showroom by 11 a. m., Dec. 10, it was announced.

Excellent accomodations for the show have been provided. A brick building 50 to 150 feet will serve as the showroom and regardless of weather conditions the fowls will be perfectly protected. Officers of the show have assured exhibitors that the utmost precautions will be taken to insure that sanitary conditions will be strictly maintained throughout the three days.

The annual banquet of the association, to which all exhibitors are invited, will be held on Wednesday night, Dec. 10, at Slaton Clubhouse. A one-day poultry short course will be held on Thursday the 11th. Vocational agriculture teachers will meet at luncheon at noon, Dec. 12. Hatcherymen will hold a meeting on the opening day at 3 p. m.

Four hundred men are at work on a gas pipe line from the Refugio fields to Houston for United Gas.

Sherman will vote on a $90,000 bond issue for a new ward school.

NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

The gibes of Governor Moody and Mayor Tate of Dallas directed at Chicago authorities for not cleaning up that city of its racketeering gangs a few days ago seem to have aroused the ire of Chicago, particularly some of its newspapers. They retort that the Texas governor and Dallas mayor might do a good day's work by cleaning up their own back yard, and then turn loose a string of billingsgate at Texas which is wholly unjustified. It is no doubt true that if Chicago really wished to clean up it could do so in short order. The idea that it is helpless in the clutches of Al Capone and other gangsters is pure unalloyed bosh. The reason Chicago doesn't clean up is because too many people who wield power and authority and influence are sharing in the profits of the racketeers and the gangsters We believe that the Texas Ranger force, if given a free hand and the support of the courts, could clean up Chicago in a few weeks. But there is probably some justice and truth in the retort which Chicago makes to Texas. Our back yards are not as clean as they might be. They are not as clean as they would be if sheriffs, city police and other peace officers everywhere would make an honest effort to enforce the laws. Many of them do but many of them do not. A lot of cess pools in Texas need cleaning up, and, the only reason they are not cleaned up is because local peace officers and sometimes court officials do not wish them cleaned up. And, in many instances, the people themselves do not want them cleaned up. Chicago is due a lot of censure but some is also coming our way.

Editor John L. McCarty of the Dalhart Texan will hold his second annual "Cuss-The-Editor" week December 7 to 13, during which time all his readers are invited to write what they think about the editor and his paper. Our experience has been that every week of the fifty-two the editor gets cussed; no matter what stand he takes on any question, there is always someone to oppose and to cuss him for his stand. McCarty may be able to crowd all the cussing into one week, though, and not have to be bothered the other fifty-one. Anyway, the scheme enables him to find out more nearly what the people really want in their paper, and that's what the week is for.

THANKING THE JURY

In a recent big murder trial in Washington the accused man upon being pronounced "not guilty" by the jury went and shook hands with each juror and expressed his thanks for their verdict. That appears to be a regular procedure in our courts in any big case, whether of murder or something less serious.

If a jury is to be thanked for bringing in a verdict of "not guilty" it naturally follows that it is to be condemned or critizied for bringing in a verdict of "guilty."

It is all wrong. The jury does not serve the accused. It serves the state. Its business is to find out the truth, without consideration of personalities before or after the verdict. Presumably if a man is found "not guilty" he owes that to the fact that he did not commit the crime with which he was charged—not to the 12 men who are paid by the state to sift the evidence. It would be just as logical to thank the Weather Bureau for rain, or a clear day, or to thank the judges of a horse race for the winner. Thanking implies favors, obligations, gratitude and it is highly improper for a liberated man to owe any of these to a jury. —The Pathfinder.

11c COTTON AND 40c MEAT

(By Mrs. S. C. Ford, Frisco, Texas)

Eleven-cent cotton and forty-cent meat,
How in the world can a poor man eat?
Flour up high—cotton down low—
How in the world can we raise the dough?
Our clothes worn out—shoes run down—
Old slouch hat with a hole in the crown—
Back nearly broken—fingers all sore
Cotton going down to rise no more.

Eleven-cent cotton and ten-dollar pants—
Who in the world has got a chance?
We can't buy clothes—we can't buy meat,
Got too much cotton and nothing to eat.
We've got no homes—got no wealth,
Losin' our credit—ruinin' our health.
Can't help each other. What shall we do?
I can't solve the problem—so it's up to you.

Eleven-cent cotton a carload of tax—
The load's too heavy for our poor backs—
We're a good set of farmers—we all know well.
We all worked hard—we groaned and sweat—
Now we are ruined—we are a blowed-up set.
With eleven-cent cotton and forty-cent meat.
No use talking—any man's beat.

THE PROBLEM SOLVED

(By W. E. Lewis, Celeste, Texas)

When cotton's low and eats are high
It appears to me to diversify
Would be a sane and easy way
To bring about a better day.
With butter at fifty cents a pound
And cream at forty the whole year round,
With turkeys high, and going higher
Is enough to kindle a great desire
To raise more birds and a little less hell
In a land were opportunities dwell.

If we'd give more time to the dairy cow—
And a better feed to the old brood sow—
We'd not worry about the price of meat—
For we'd have plenty ourselves to eat.
With fifty-cent eggs and a six-bit hen,
Why, of why, will the children of men
Ruin their fingers and break their back
Picking eleven-cent cotton and dragging a sack?

With corn in the crib and chickens in the yard—
With meat in the smokehouse and tubs-full of lard,
With cream in the pitcher and honey in the mug,
With butter on the table and lasses in the jug—
Things to you won't seem so high—
For you'll be selling—won't have to buy.

Now stop that grumbling, for the fault's your own.
You expect to reap where you haven't sown.
If you stay at home and help your mate—
Others—then you won't berate.
And you'll live in Paradise.
This to you is my advice.

Play-By-Play Account of Football Game Between Tahoka and Lockney

First Quarter

Lockney kicked off, Ketner received on 25 yard line and returned to the 30. Three plays carried the ball 10 yards for a first down. Minor carried the ball around right end for 11 yards. Lester failed to gain. Pass Stevens to Edwards good for 14 yards, and another Stevens to Edwards incomplete, and Lester outran the entire field around left end for 35 yards and a touchdown. Stevens' place kick failed.

Tahoka kicked off to 35 yard line, Cox took the ball and returned 10 yards. Shelton went through right tackle for 5 yards, Spence over center for five, Shelton picked up 2, Cook 11, and Shelton 7, all around right end. Spence made 2 and then 1 yard at center and 4 at left end. Cook 2 at the line and Spence thru the line for 15 yards. Spence pushed over 1 yard for a touchdown, and then bucked the line for extra point.

Short, Tahoka received kick-off on 31 yard line. Ketner hit the line for 10 yards, Stevens pass to Minor was good for 38 yards, a second was incomplete, and a third by the same pair netted 11 yards. Stevens carried the ball 1 yard out of bounds, Minor made 1 yard at the line, and Lester ran around right end 8 yards for a touchdown. Place kick failed.

Spence, Lockney received kickoff on 20 yard ine and returned 22 yards. Shelton made 13 at right end, was injured and Smith went in. Cook lost a yard, Cook fumbled for no gain and Spence punted 10 yards. Tahoka took the ball, and Lester made 4 yards through right tackle, Ketner made 5 through center, as the quarter ended. Score: Tahoka 12, Lockney 7.

Second Quarter

Pass Stevens to Minor, 18 yards. Lester made 1 yard, and Stevens' pass intercepted by Spence, Lockney. Cook made 6 yards through the line, and then 4 yards. Spence lost 1 yd., his pass was incomplete, both teams were off-side and Spence punted 35 yards to Lester who took the ball on Tahoka's 15 yard line, dropped behind interference for a moment, and then swerved to the right side-line, warded off three or four tacklers, and ran 85 yards for a touchdown. Stevens place kick failed.

Jolley went in for Lester. Tahoka kicked-off to Lockney 20 yard line, and Smith returned 6 yards. Cook made 4 at the line, Spence 4 and 1, and punted 35 yards to Minor, who returned 15 yards. Stevens' pass to Edwards complete for 14 yards, Ketner made a yard at the line, Jolley 3 yards at the same place, and Stevens twirled a long 25 yard pass to Minor who ran 7 yds. for a touchdown. Stevens' place kick failed.

Tahoka kicked off to Lockney's 11 yard line and Spence returned 9 yds. Cook hit right tackle for 4 yards, Spence's pass was incompete, Smith made a yard at left end and Spence punted 37 yards to Minor. Ketner made 5 yards in three line plays and Stevens punted 35 yards to Cook, who returned 9 yards, and Spence made 1 yard as the half ended. Score Tahoka 24, Lockney 7.

Second Half

Tahoka received kick-off, Ketner taking the ball on Tahoka's 20 and returning 3 yards. Minor made no gain off tackle and Lester went thru the line for 30 yards, Stevens made a yard, lost three yards on a fumble, and passed 11 yards to Walker. Stevens made 1 yard for the down, Ketner 3, Minor 14 through left tackle. Ketner made no gain, and Minor again clipped off 5 yards, taking the ball to the Lockney 13 yard line. Stevens failed to gain and Minor took the ball around left end for a touchdown. Place kick failed.

Wofford, Lockney received the kick-off on their 34 yard line, Spence hit the line for 7 yards, again for 2 then lost a yard, and punted 32 yards out of bounds on Tahoka's 25 yard line. Ketner picked up 3 yards, Minor 16 through the line, Lester 9, Ketner 2, and a long pass Stevens to Minor was incomplete. Stevens made 14 yards through the line, Ketner 1 yards, Stevens 6 yards, and a pass Stevens to Edwards was good for 22 yards, putting the ball on the 2 yard line, but Tahoka was penalized 15 yards for holding, as the quarter ended. Score: Tahoka 30, Lockney 7.

Fourth Quarter

Lester made four yards around left end, and 10 yards again, Stevens 1 yard and the ball went over on Lockney's 2 foot line. Tahoka offside and drew 5 yard penalty. Spence went through the line for 11 yards, Cook made 15 yards around right end, Spence went through the line for 11 yards, Cook made 15 yards around right end, Spence 3 yards at the line, Spence's pass was incomplete twice and Lockney drew a 5 yard penalty. Spence punted 20 yards to Ketner. Lester made 27 yards, Stevens 4, Lester 5, Minor 5, and on a fake Jolley ran 8 yards to the 2 yard line. Stevens fumbled, but on the next play went over for a touchdown, but again faied to kick goal.

Spence received the kickoff on the 20 yard line and returned 20 yards. Spence's pass was incomplete, but he made 11 yards through the line. Another pass was incomplete. Fenton went in for Stevens, Willingham for Walker, Tredway for Tankersley. Cook made no gain, Spence, 2 yards and Spence punted 40 yards to Tahoka's 12 yard line. Jackson went in for Eastridge. Lester made no gain, Minor 5 yards, Lester 1 yard and Fenton punted 40 yards. Redwine went in for Benson and Janak for Lester. Spence made no gain, two of his passes were icomplete, calling for a 5 yard penalty, and he punted 10 yards. Tahoka took the ball on their 56 yard line, Jolley made 1 yard, Jolley's pass was incomplete, and a second Jolley to Willingham was complete for 20 yards as the game ended.

Score: Tahoka 36, Lockney 7.

BIGGER AND BETTER

THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart —a masterpiece of Fisher styling

In the entire field of modern coachcraft no symbol has come to mean more to the buyer of a motor car than *Body by Fisher*. And never has Fisher's superiority been more strikingly exemplified than in the beautiful new bodies of the Bigger and Better Chevrolet Six!

Front view of the new Chevrolet Sport Coupe

Working with the added advantage of a lengthened wheelbase, Fisher designers have been able to achieve in the new Chevrolet a degree of smartness, comfort and impressiveness hitherto considered exclusive to cars far higher in price.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar are artistically grouped to create an unusually attractive ensemble. Mouldings sweep back in a graceful, unbroken line to blend with the smart new body contours. And new colors lend a new individuality. Interiors, too, are exceptional in every way. The new mohair and broadcloth upholstery is tailored with exceptional smartness. Seats are wider and deeper and more luxuriously cushioned. A deeper windshield and wider windows give better vision for both driver and passengers. And beautiful new hardware, of modern design, lends a final note of charm.

Many mechanical improvements have also been provided in the chassis of this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a smoother transmission; and engine refinements which make the new Chevrolet a car you will be happy to drive—as well as proud to own.

The Bigger and Better Chevrolet Six is now on display in our showrooms. See it. Drive it! Learn for yourself that it is *the Great American Value!*

M. S. HARVEST PROGRAM TO BE HELD AT TAHOKA

The Missionary Societies of Zone 6 of the Lubbock district will hold a Harvest Day Program at the First Methodist Church at Tahoka on Wednesday, December 10th.

The program will begin at 10:30 and lunch will be served at the church. An unusually interesting program has been arranged, and each church in the zone is urged to send a number of delegates. The program will be as follows:

Song: To be selected.

Devotional: Mrs. B. M. Haymes, O'Donnell.

Welcome: Mrs. W. B. Slaton, Tahoka.

Christian Social Relations: Mrs. R. W. Fenton, Tahoka.

Reading: Mrs. Phillip Yonge, Lamesa.

Noon Intermission

Song: To be selected.

Devotional: Mrs. D. G. Cook, Draw

Special Music: Mrs. W. E. Sudarth, Tahoka.

Standard of Excellent: Mrs. W. K. Crawley, Lamesa.

Saxaphone Solo: M. D. Shepherd, Tahoka.

Reports from Auxiliary Presidents.

Business session.

Consecration service: Mrs. Lizzie Adair, Tahoka.

District Superintendent H. C. Cagle will preach at the Nazarene Church Thursday evening at 7 o'clock. Every body invited.

SERVICES AT THE BAPTIST CHURCH NEXT SUNDAY

All the services were well attended at the First Baptist Church last Lord's Day. The Teaching Service of the church is coming to challenge the entire membership, with many attending who are not members of the church. The classes for men and women are being attended by large numbers with all the other departments encouraging. Faithful and efficient teachers are in every department.

The pastor was greatly encouraged with the audience both morning and evening. An unusually large crowd came at the evening hour.

We are expecting this coming Sunday to be even better than last Sunday. The Business Men's Bible Class of the Sunday School which meets in the Lavelta Theatre building, is working for a larger attendance than it has had for several Sundays. This class is composed of earnest men doing organized class work. If you are a man and believe in Sunday School and want your influence to be for good, come next Sunday morning.

Sunday School meets at 9:45 a. m. Preaching hours, 11:00 and 7:15 p. m. B. Y. P. U.'s meet at 6:15 p. m. This is the training service of the church and there is a union for every age. One hundred and fifty-six attended the B. Y. P. U.s last Sunday evening.

Good singing features at all the above services. The public has a cordial invitation to worship with this church.

Texas stands fourth among the states in total export tonnage. Houston ranks seventh among American ports in foreign tonnage.

ANNOUNCEMENT

Assembly of God Church at Draw. Bible Study Thursday, 7:30 p. m. Sunday School Sunday at 10 a. m. Preaching at 11 a. m. and 7:30 p. m.

On Saturday and Sunday, Dec. 6 and 7, I will lecture on "The Signs of the Times." Services at 7:30 p. m. You should be with us for these messages.

E. R. WINTER, Pastor.

OWENS GIRLS OF EDITH WIN AT STATE FAIR

Christine and Marie Owens of Edith Girls Clubs are the proud possessors of two blue ribbons and a real nice money prize, from the State Fair at Dallas.

Both girls won first places on dresser scarfs made in third and fourth year club work.

H. D. COUNCIL TO MEET AND ELECT NEW OFFICERS

The Lynn County Home Demonstration Council met in a regular meeting Saturday afternoon and elected these officers for next year:

Mrs. J. T. Owens, Chairman
Mrs. C. E. Short, vice-Chairman
Mrs. J. K. Nowlin, Secretary
Mrs. J. O. Thrailkill, Treas.
Mrs. J. A. Jaynes, Better Homes Chairman.

South Ward

There was a large number at church Sunday also for B. Y. P. U. Sunday night. We had four new members to join B. Y. P. U. Sunday night.

Mr. and Mrs. O. W. Langelotz of Lubbock, Mr. and Mrs. Jim Hott of Lubbock and Mr. David Moore were dinner guests of Mr. and Mrs. Warren Hardt Sunday.

Miss Lois Disheroon was dinner guest of Miss Edna Mpore Sunday.

Mr. and Mrs. H. Disheroon and children visited in Mr. and Mrs. J. W. Moore's home Sunday.

The following were dinner guests of Mrs. Inman Sunday: Mr. and Mrs. T. Cowan and children, Miss Irene Redding and Stella Moore, Mr. and Mrs. J. G. Wall and family.

Mr. and Mrs. J. W. Moore and Edna, Grady, E. A., Annie Ruth, Milton and Octavie Moore spent Thanksgiving with friends and relatives of Snyder.

Mr. and Mrs. D. D. Ware spent Monday night with his mother, Mrs. W. A. Oliver of Snyder.

Mr. and Mrs. Gordon have moved in our community, also Mrs. Gordon's sister, Miss Julep Swanner.

Miss Annie Ruth Moore was dinner guest of Miss Annie Love Redding Sunday.

Mrs. T. Cowan spent last Monday and Tuesday with her grandmother of Tahoka.—Reporter.

TOWN SITE LAYED OUT IN NORTH DAWSON COUNTY

The new town to be located on the proposed T. P. & N. railroad will bear the name of Doak, honoring one of O'Donnell's outstanding citzens, who has helped promote the new town, and who has had much experience in promoting town sites in West Texas.

The new townsite property has been purchased and plotted and occupies one of the prettiest spots in northern centra l Dawson county. The town is located on section 29, and is laid out on the side of a slope affording natural drainage to the town.

Water in this locality is plentiful and can be obtained at a very shallow depth, and with other natural conditions the spot chosen for the town is ideal.

At this early date three merchants have made applications for grocery businesses in the new town, two oil stations, cafe, a lumber yard, drug store, and several other businesses are seeking locations according to Mr. Browning, head of the developmen. A gin, feed, grain seed store and grist mill also have made applications for location.

The agricultural district that will be opened and developed by this new town is the best in the lower south plains of West Texas. The soil is a sandy loam and will produce well nearly any crop that is planted.

Oil development has started in the territory of the city to be Doak. A well is being spudded in on Fish ranch, just four miles south of the new townsite.—O'Donnell Index.

Texas 1930 crop values are estimated by the Federal government at $460 millions ,exclusive of livestock, wool, dairy products, poultry, pecans, eggs and some minor crops. Unofficial estimates, including those ommissions, put the grand total at $710 millions.

Graham is to have a new post office.

Morgan

We had a real good attendance at Sunday School Sunday.

Our school has a pretty good enrollment now.

Mrs. Wade Holland had the misfortune to get his car burned last week.

Miss Hull spent the week end with home folks at Tahoka.

Miss Killian visited Mrs. Fred Davidson Friday night.

The friends of Mr. and Mrs. A. M. Cade and family honored them last Wednesday night with a farewell social. Hot chocolate and cake were served to a large crowd. We regret very much to lose these good people but our loss is Tahoka's gain.

Miss Kelly of Slaton visited Jessie Jernigan last week.

Mrs. Greer Whitaker of San Angelo visited home folks last week end.

Thad Harris of Lubbock visited his parents Saturday night.

Mr. W. F. Lancaster visited his brother at Stephenville Saturday and Sunday.

Aaron Perry of Throckmorton visited Mr. and Mrs. B. Collin last week.

Our school dismissed Thursday evening for Thanksgiving.—Reporter.

New Home

A 4-H Club was organized here Monday, December 1st, under the direction of Miss Thelma Greenwade the county home demonstration agent. The following officers were elected: Madge Adams, president; Phoebe Thomas, vice-president; Azalea Bryant, secretary; Irene Smith, reporter; Pauline Shadden, recreational leader and Miss Isabel Adams, sponsor. Active club work will not begin until after the Christmas holidays.

Miss Audrey Campbell, the primary teacher, entertained her pupils with a party in her room last Wednesday afternoon. Several visitors were present and refreshments were served.

Misses Murrell and Coleman spent the Thanksgiving holidays with their parents.

Mr. and Mrs. R. I. London of Loving, New Mexico, spent the Thanksgiving holidays with Mrs. London's parents, Mr. and Mrs. J. H. Smith.—Reporter.

T-Bar

There was 71 in attendance at Sunday School Sunday.

We are all glad to have Rev. Duncan back with us for another year. He will preach every second and fourth Sunday afternoon at 3:00.

The First Sunday Singing Convention will meet here Sunday afternoon. Everyone is cordially invited to be present.

The Home Demonstration Club met at the home of Mrs. C. C. Whipp on Nov. 28.

New officers were elected as follows: President Mrs. C. C. Whipp; Vice President Mrs. R. E. Townzen; Secretary Mrs. Ruth Crews; Better Homes Chairman Mrs. Jack Alexander.

After the meeting had adjourned refreshments consisting of hot coffee and delicious cake were served to N. W. Crews, R. E. Townzen, L. C. Whipp, Ingle, J. B. Moore, C. C. Whipp.

RAINFALL TOTALS 1.07 INCHES

A slow rain fell during Wednesday night and Thursday morning totaling 1.07 inches at twelve o'clock, with a possibility that the wet weather is not over.

The rain delayed the harvesting of many farmer's crops, but will be a benefit to wheat and help put a season in the ground for next year.

WORK WANTED—Any kind considered. Call Raymond Griffin, Phone 271.

Texas produced 1,275,000 boxes of grapefruit in 1929 as against 772,000 in the year before, and of oranges 128,000 boxes as against 68,000 in 1928.

FAREWELL GIVEN GRIDIRON MEMBERS WEDNESDAY

On Wednesday afternoon, Nov. 26th, a program was conducted in the Public Speaking Class by Merle Link with regard to Thanksgiving and the final football game. By a special request the majority of the team was present in addition to the regular members of the class.

Snookie Maddox gave an interesting story of the history of Thanksgiving and Glenda Milliken related "The Fumble", a football love story which proved very interesting. Captain Jack Minor then gave a talk on "Football and What It Means to Me." In this speech he expressed his regret at having to play his last game and gave promise for a final victory. Each of the other team members present gave a short talk on the same subject. They all promised a final victory and were rewarded the following day by a score of 36 to 7 against Lockney. The members present were: Minor, Lester, Dean, Edwards, Ketner, Redwine, Walker, Fenton, Benson, Willingham, Janak, Tankersley, Curry, Tredway and Stevens.

There are eleven members of the team graduating this year. This game that was played Thursday was the last game they will play for Tahoka High School. It was made a victory that will not be forgotten by any of the participants. Those who played their last game are: Minor, Ketner, Edwards, Lester, Dean, Eastridge, Wilingham, Benson, Janak, Redwine and Tredway.

Although the team ran up the scores, the excellent coaching that they received this season was the cause. Coaches Washam and Dean put forth every effort to make this season a success and they have been fully rewarded.

This game alone would have made a successful season, however, the Bulldogs have other final results to add. They tied one game, lost three and won seven. It is a wish of the members who are graduating that next year will be more successful than even the season of 1930 and that the colors blue and white will be raised to the zenith of victory.

Rev. R. C. Holder of Sparenburg, the new pastor of the Nazarene Church, will preach here every second and fourth Sunday. Come and hear he and his good wife sing. We have Sunday School every Sunday.

Mr. and Mrs. S. F. Bates former pastor of the Nazarene Church have recently moved to Santa Cruz, Calif., where Mrs. Bates will be pastor of the church at that place.

PHEBE K. WARNER CLUB ENTERTAINED NOV. 25TH

The American Legion Hall was the scene of a real old-fashioned dinner on the evening of November 25, when Mesdames W. D. Nevels and W. O. Henderson were hostesses to the Phebe K. Warner Club and the husbands of the members.

As each guest arrived, head bands of gay ribbons and feathers were presented. Some were named Red Wing, Corn Tassel, Fern Leaf, Pocahontas, Minnehahah, Big Sheep-in-the-Face and other apporpriate names.

After the repast the following program was given preceded by witty introductory remarks by Mrs. G. M. Stewart, the toastmistress.

Camp Fire Meditations—Mrs. W. B. Slaton.

"Heap Much Pep"—Mrs. M. J. Weaver.

"The War Cry"—Mrs. W. D. Nevels.

"No Talk 'Em, Do 'Em"—Mrs. L. E. Weathers.

Old and Modern Version of John Allen's Proposal to Priscilla—Dottie Turrentine and Alixe Weathers.

Reading —"Husbands"— Martha Helen Powell.

Songs—"Pale Moon", "Indian Love Call"—Miss Lucille Slaton.

Violin Solos—"By the Waters of Minnetokta", "Indian Love Call", "Last Rose of Summer"—Miss Elizabeth Smith.

INFORMATION ABOUT FIRES GIVEN SCHOOL CHILDREN

On Monday morning, December 1st, the pupils of Mrs. W. O. Henderson gave the following program in chapel:

Songs by Grade.
(a). Fire Drill
(b). Matches.
Reading—Jared Powell.
Reading—Norma Gene Weathers.
Violin Solo—Jo-Jo Lehman.
Reading—Wilma Dyke.
Reading—Billie Standefer.
Reading—H. A. Maasen.
Bible Verses by Mildred Cooper, Ruth Brasfield, C. W. Conway, and Jack Alexander.
Prayer.

At the conclusion of the program, a fire drill was given, after which the children had the privilege of seeing the fire truck which had been taken to the school grounds by Messrs. Finch, and Coleman, who gave interesting information about the fire department, how to turn in the fire alarm, the weight of the truck, and other facts.

MIDWAY H. D. CLUB MET LAST FRIDAY AFTERNOON

The Midway Home Demonstration Cub met with Mrs. J. R. Strain Friday afternoon, Nov. 28. The program was carried out as directed in the year book. New officers were elected for the coming year.

Mrs. R. L. Littlepage, President; Mrs. Roy Appling, Vice-President; Mrs. L. M. Draper, Secretary; Mrs. Florence Cowan, reporter; Mrs. John Slover, Better Homes chairman. Miss Greenwade gave a Demonstration on tamala pie.—Reporter.

SUNRISE PRAYER SERVICE

Thursday morning at seven o'clock the Tahoka Hi-League held a sunrise prayer service at the Methodist Church.

The program consisted of a very inspirational talk by Rev. J. W. Shepherd, a duet by M. D. Shepherd and Kenneth Reed, and a talk by the President, J. D. Donaldson.

The meeting was adjourned with prayer.

METHODIST CHURCH

Blessed is the man whose watch keeps Church time as well as business time.

Blessed is the man who can endure an hour and a quarter in a place of Worship as well as two hours and a half in a place of amusement.

Secret prayer is the secret of power.

The Christians should read books that call for the exercise of the mind.

He should be concerned with the work God is doing through his Church and should be interested in all its activities.

We need big men among the laymen was well as among the clergy and it is book thoughts—big thoughts—and the exercise of the reason, as well as faith that make big men.

Sunday School, 9:45. Let every member of the Church who possibly can and all the friends be there on time.

Preaching, 11 o'clock. Subject: "Learn to be Religious."

Leagues will meet at 6:15. Let every leaguer be present.

Preaching, 7:15. Let's get the habit of attending church twice on Sunday.

You will miss a blessing every time you miss a church service. Do you need the Blessing? Well, come.

J. W. SHEPHERD, Pastor

LIVE WIRE UNION OF THE EPWORTH LEAGUE MEETS

Members of the Tahoka Hi-League attended the November meeting of the Live Wire Union at Grassland Sunday, Nov. 23rd.

New members were welcomed into the union and also four new pastors were welcomed. Rev. J. W. Shepherd from Tahoka accompanied the Leaguers.

Wilson again took home the banner, but each league determines to try, try again.

A short program was furnished by Mrs. Rubie D. Suddarth and by the District Secretary, Mrs. Little of Post.

Following a short recreational period, the meeting was adjourned with the League Benediction.

HI-LEAGUE BUSINESS MEETING

The Tahoka Hi-League held its monthly business meeting Dec. 1st. After business and the reports from the various officers, the meeting was turned into a recreational period in which light refreshments were served.

The recently organized orchestra had their weekly practice. The Tahoka Hi-League is a very live-wire organization and is growing rapidly, having gained 6 new members the past month.

PRESBYTERIAN SERVICES FIRST SUNDAY ALWAYS

The weeks and months toward Christmas are moving around fast. Another Sunday here puts us in the Christmas month. Rev. W. K. Johnston, D. D., minister, preaches in Tahoka every first Sunday at the Presbyterian Church. A warm and comfortable church, a delightful fellowship, an interesting Sunday School hour, and a reinforcing Bible message awaits you every time. Preaching service both morning and night. Sunday School at 10 A. M. Morning theme: "The Challange of the Unemployed." Subject at night: "Greatest message in fewest words." Then our Christmas greetings and goodby until after Christmas. You are invited to all of our services next Sunday.—Correspondant.

HI-LEAGUE COUNCIL MEETING

The November Council meeting of the Tahoka Hi-League was held Monday the 24th. All officers were present except one.

Reports were heard and plans were made for the organization of an orchestra.

A sunrise prayer service was planned for Thanksgiving. After further business the meeting was adjourned with sentence prayers.

EASTERN STAR

The local chapter of the Eastern Star will meet Friday night. All members urged to be present.

MRS. DONNA STOKES, W. M.

Morgan

We had a very good crowd at church and Sunday School Sunday.

Bro. Rayborne of Slaton did the preaching.

Mrs. Cranfil is on the sick list.

Most everyone is bringing their stock home from pastures but they are in a very poor condition.

Visitors in the home of Ed Milliken Saturday night and Sunday were Mr. and Mrs. D. H. Hatchett and Don Jr., of Idalou, Hershell Collings, and Mr. and Mrs. Clyde Shaw and Jyles of Wilson.

Mr. and Mrs. Ward and family visited Mr. and Mrs. A. M. Cade Wednesday.

Messrs. Cade, Thompson, and Ward and Oudia and Teak Thompson motored to Seagraves Sunday on business.

Mrs. Raymond Hardin and Little Anna Louis visited Mrs. Vernon Crews Sunday and Sunday night.

Earl Lancaster visited his father and mother north of Slaton Monday.

Byron Milliken has been sick but is better.

School started Nov. 17th, with eight pupils enrolled, but several have enrolled later. We are sorry that all the children can't start now. There is still a little cotton and feed to gather and their parents need them to help gather it.

Mrs. Earl Lancaster visited Mrs. Ed Milliken Monday afternoon.

Miss Killian visited her brother and wife at Slaton Saturday.—Reporter.

TAHOKA'S 1930 FOOTBALL SEASON IS BIG SUCCESS

(Continued from first page)

went out with injuries early in the game made several nice gains as did Cook. Although the Lockney line, as well as the backfield, out-weighed Tahoka's by far, it was never able to more than hold its own against the Bulldogs.

A clear insight as to who had charge of the battlefield may be seen in the fact that Tahoka made 17 first downs to Lockney's 9 and carried the ball a grand total of 572 yards to Lockney's 220. Of this amount, Tahoka gained 286 yards on 49 running plays to Lockney's 144 on 30 plays; 180 yards on 9 completed passes out of 14, four of which were incomplete and one intercepted, to Lockney's 8 incomplete passes; 100 yards on punt returns to Lockney's 9; and 80 yards on kickoff returns to Lockneys 67. In addition, Tahoka was forced to punt only twice for an average of 37½ yds., while Lockney punted 8 times for an average of 27½. Lockney made only 3 first downs in the last half to Tahoka's 9.

PROSPECTS BRIGHTER FOR POTASH DEVELOPMENT

(Continued from first page)

the time for the erection of a potash plant at Tahoka of from 500 o 1,000 ton daily capacity.

In a 60-page bulletin issued by the University of Texas in 1922 on the Lynn county and other potash deposits, it was stated that the local finds offered more advantages for profitable mining than any because of its accessibility, large supply, and proximity to transportation; of the location being favorable to solar evaporation; of the fact that valuable by-products can be obtained along with the potash, favorable living conditions for empoyees, and the easiness by which other salts may be extracted from the potash bearing brine.

The other products that could be profitable taken from the lakes with the potash are magnesia and salt.

The only other potash plants of any size are at Searles Lake, California, and in Nebraska. Practically all of the potash used in the United States comes from Stassfurt, Germany, and Alsace, France, imports from foreign countries amounting to approximately fifteen million dollars worth annually.

Potash is used principally in the Southern and Atlantic seaboard states and in some of the northern and middle-western states as a farm fertilizer. It is also used in making glass and as a base for soaps. Magnesia is used principally in the manufacture of automobile tires. It is said a market could possible be found right here in West Texas for the salt, as it could be sold to cattlemen as stock salt.

It is not definitely known that the deposits will be developed, but prospects are better than ever before.

COMMUNITY CHEST WEEKS

These are Community Chest weeks in Texas.

All over the state, Texas men and women are apportioning a share of their plenty to those who are less fortunate than themselves. Dallas is raising a fund of $583,000; Houston $514,000. Other towns and cities, more or less, pretty much in proportion.

Half a million dollars is a lot of money, but—when you stop to think of it—there are men in both of these big Texas cities who could give the whole amount and scarcely miss it.

It appears that the total of Texas' Thanksgiving contribution to the cause of organized charity will exceed four millions of dollars. That is about 66 cents for each man, woman and child in the state. Not too much, certainly.

Every cent of that four millions will be needed. Pellagra has already spread over the state—and pellagra is a poverty disease, resulting from undernourishment. Salvation Army posts are reporting an unprecedented demand for beds and meals.

It is true that much of the demand for charity comes from drifters—people engaged in the endless, fruitless search for the job that will pay a living. They aren't Texans, but they are human beings; and charity must be blind to everything except the need of humankind.

Conditions this year challenge the humanity of man. Babies can die while we quibble, and dispair will attend procrastination.

There is only one time to give.

Texas natural gas pipe line projects out of the Panhandle field alone represent an ultimate cost of $213,000,000 and within a year Texas gas will be serving distant cities and communities in the West, Middle West and Central West.

Republican Ranks Not Thinned Much

The following is a letter addressed to Jack Alley, Republican county chairman, from the Republican National Committee, which he asks that The News publish:

Washington, D. C.
November 29, 1930.

Dear Mr. Alley:

While the Republican Party in the recent election lost a number of congressional districts, I can not concede anything more than the usual off-year losses, accentuated to some extent by the business depression and unemployment. In 1922 we lost seventy-five congressional seats. This year we lost only fifty-one. The next Congress will have only seven less Republican congressmen than were in the Sixty-Eighth Congress.

There has been some talk of a Democratic victory in the recent election. The result of the election gives the Republican Party a majority in both Houses of Congress. If that is a Democratic victory, let them celebrate. It is the best chance they will have for a celebration in a good many years to come.

The fact of the matter is, to be able to elect a Republican majority to Congress in the face of adverse conditions which confronted us in the recent campaign is, in reality a great victory for the Republican Party. It is an evidence of the strength of the Republican Administration with the people and above all, a demonstration of the courage and loyalty of the Republican organization.

The past year has disclosed a well laid plan by the Democrats to embarrass the Republican Administration and to discredit the President of the United States. And there has been no let-up in Raskob's "Smear Hoover" campaign. To win in 1932 the Democrats must destroy the Republican leader. By subtle innuendo and insidious propaganda, which is being carried on in every community, large and small, in the Uunited States, they hope to break down the people's confidence in Herbert Hoover and thereby elect a Democratic President in 1932.

Yours very sincerely,
ROBT. H. LUCAS,
Executive Director

Showing the depth of the interest in Texas in soil conservation, 868,000 acres of land in the state have been terraced or contoured in the the year ending June 1 last. In 1916 only 50,000 acres of Texas lands had been terraced. The total now is well past 4 million acres.

COMING TO
Lubbock
Dr. Mellenthin
SPECIALIST
In Internal Medicine for the past eighteen years

DOES NOT OPERATE

Will be at
HILTON HOTEL
Tuesday, December 16th
Office Hours: 10 a. m. to 4 p. m.

ONE DAY ONLY

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Texas.

He does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

Below are the names of a few of his many satisfied patients in Texas who have been treated for one of the above named causes:

Mrs. Hattie McNabb, Mathis.
E. S. Dowell, Corsicana.
W. J. McAnnally, Plains.
Robert Ramsey, Texarkana, Ark.
Miss Dainey Shaw, Grapeland.
Frieda Seewald, San Antonio.
Lola Thornton, Belton.
B. Van Houten, Dayton.
J. W. Thornton, Texarkana.
Mrs. Frank Thate, Cross Plains.
Charley Witt, McGregor.
B. A. Young, Abilene.

Remember above date, that consultation will be free on this trip and that his treatment is different.

Married women must be accompanied by their husbands.

Address: 4221 West Third Street, Los Angeles, California.

ODD-BITS

One Texas editor wants to know why Texas railroads must build and maintain their own road-beds, paying taxes upon them, and yet be required to contribute more than any other single industry to the building of highways which the motor-trucks use for competitive purposes. It is a long sentence but deserves an answer.

Texas cotton growers have been put on notice that unless they improve the grade of their cotton it will not meet requirements for tire construction. Tire companies use thousands of bales of cotton annually. Texas planters cannot afford to lose their share of so large a market. It is another problem for the grower.

In addition to other arduous duties, the next Texas legislature will have the job of redistricting the state to provide for the election of three new congressmen. Also they are confronted with the task of equalizing special tax levies. It appears they'll earn the advance in pay which they may or may not get in 1931.

Governor Moody's suggestion that highways be built without the use of machinery probably won't be put into effect. Neverthless, his suggestion harks back to one of the fundamental causes for unemployment. This machine age is consistently relegating human labor to the scrap-heap. Apparently we've got to choose: either fewer machines or fewer human beings. The world is getting too small for so many of both.—Editorials of the Month.

Texas counties, districts and municipalities voted and issued $88,299,002 in various kinds of improvement bonds in the fiscal year ended Aug. 31, 1930, nearly $20,000,000 more than in the preceding year.
