IN CONVENTION RESOLUTIONS

Legion Protests GI Home Loan Discount, Backs Vet Land Plan

Legionnaires here Sunday protested cash discount requirements for veterans in GI housing loans and endorsed proposed state constitutional Amendment No. 5 providing bond financing for Veterans Land program.

The protest and endorsement were among resolutions adopted during the business session of the Legion's 19th District fall convention.

Delegates from over the district called for revamping of GI home law regulation to all the Veterans Administration to make direct loans to veterans when lending agencies ask for discounts on GI home loans.

Approval of the direct loan resolution came after Ernest Davis, American Legion service officer in Lubbock, reported that many veterans have been required to pay four to seven per cent discount "bonuses" to secure GI home loans.

The bonuses are what private lending agencies describe as percentage discounts that must be absorbed by the borrower on the current loan market.

Some areas, including Colorado City, have been designated for direct VA loans where private lending agencies are reluctant to make loans for GI housing And the Legion resolution would provide the direct VA loan route for all areas of the nation when "bonuses" or discounts are required by private lending sources.

Proposed state constitutional Amendment No. 5 supported by the Legion convention will, if approved by Texas voters Nov. 6, provide a $100,000,000 bond financing program and change membership of the Veterans Land Board.

The Legionnaires also approved resolutions requesting an investigation for reason why Civil Service pay scales at Big Spring's Webb Air Force Base are different from similar scales at Veterans Administration Hospital in Big Spring; and asking for Legion posts outside of the 19th District to not solicit funds within the 19th District without approval of the post where the solicitation is being conducted.

Colorado City's Legion Post and Auxiliary was host to the district convention that opened here Saturday afternoon with a veterans affairs forum, added entertainment with a dance Saturday night, then continued Sunday with memorial services and business sessions for both the Legion and Auxiliary.

Rattler Bites Rancher Twice on Right Hand

Les Terry, prominent Colorado City rancher, was recovering Thursday from rattlesnake bites.

He entered Root Memorial Hospital Tuesday after being bit by a snake at his Hyman ranch.

Terry was struck twice on the right hand at about 1 p. m. Tuesday as he reached for a bolt under a barn. And his hand was grazed by the snake's fangs as he pulled away.

The rancher was alone when the accident happened.

He applied his mouth to the wounds and sucked in an effort to draw the venom from his hand.

An attempt to cut the wounds with a knife, to allow freer bleeding, was unsuccessful because he was unable to open his knife with only his left hand.

A few minutes after the accident, however, Terry was aided by two Latin-Americans working at the ranch. They returned to the barn area from the pasture and applied a tourniquet above the bites to prevent spread of the venom.

After application of the tourniquet Terry drove his pickup to the ranch of W. E. Stockton, who then drove the snake victim to Colorado City for medical attention.

Terry drove with one hand to the Stockton ranch because his right hand became useless almost soon after the fangs pierced his flesh.

The injured rancher remained in Root Memorial Hospital Thursday, but Mrs. Terry reported that his condition was fine and that his recovery was rapid.

Couple Visit Daughter

Mr, and Mrs. Plez Beaty of Loraine visited Sunday in Midland with their son-in-law and daughter, Mr. and Mrs. Jackie Walker, and children, Mike and Gregg.

OLDEST CITIZEN

Birthday No. 99 For Mrs. Finley

Mrs. W. H. Finley counted her 99th birthday Wednesday at Loraine.

And she was as happy about it as any youngster with a birthday party.

"Grandmother" Finley, as she is affectionately termed by her friends, is believed to be Mitchell County's oldest citizen.

She observed her 99th birthday quietly at the home of a daughter, Mrs. Lily Bennett, with whom she resides.

Many friends stopped by the residence for a personal greeting. There were gifts and birthday cards, too, and best wishes by long distance telephone.

Among the phone greetings were those from Rev. and Mrs. C. E. Jamison of Odessa, formerly of Loraine's First Methodist Church.

Mrs. Finley was born Oct. 24, 1857, in Searcy, Ark., and moved to Mitchell County and Loraine in 1907 with her husband. Mr. Finley died in 1930.

She and her late husband were married in 1874. They had lived in Hico before settling in West Texas.

In all her 99 years Mrs. Finley has been blessed with splendid health. Infact, she was never a hospital patient until last year—when, at the age of 98, she was injured in a fall.

"Then I was stoved up for a few weeks," she explains.

Mrs. Finley reared eight children, Three—Mrs. Bennett of Loraine, Mrs. Ira Crownover of Odessa and Mrs. L. D. Sowell of Carlton—are living.

However, her family now includes grandchildren, great grandchildren and two great, great grandchildren.

Joining Mrs. Finley and Mrs. Bennett Wednesday for the birthday were Mr. and Mrs. Crownover from Odessa.

Rodman Tells Employes Cosden To Keep Col-Tex In High Octane Race

LOCAL OPERATORS ARE ACTIVE

Four Locations, Two Producers Added in Iatan, Sharon Fields

Sites for four more oil tests were staked this week in two Mitchell County fields.

Three of the locations are in Sharon Ridge-1700 Field, where two new producers were completed this week.

The fourth drilling site is in Iatan-East Howard Field.

C. L. Echols of Colorado City spotted two of the Sharon Ridge projects, his No. 3-A Caroline Crawford and No. 3-B A. C. Mills. His No. 3-A Crawford is 17 miles northwest of Colorado City at a site 330 feet from north and west lines of south half, Reiger Survey 13. His No. 3-B Mills is seven miles southwest of Dunn at a site 330 feet from south and west lines, Section 196, Block 3, H&GN Survey.

Both tests are scheduled for 1,800 feet.

In the same field R. B. Stallworth of Abilene staked his No. 4 W. W. Watson, a 1,750-foot test 10 miles northwest of Colorado City and 330 feet from north and west lines, 13-13, O'Keefe Subdivision, Reiger Survey 1 & 2.

Spotted 10 miles southwest of Westbrook in Iatan-East Howard Field is Robinson Drilling Company of Colorado City No. 4 Watson.

It is a rotary project for 3,300 feet at a site 2,310 feet from south and 1,650 feet from east lines, Section 20, Block 29, T-1-S, T&P Survey.

Adding to production the Sharon Ridge-1800 Field are Stallworth No. 5 Strain and Melton-Krug No. 2-B C. C. Mills.

The No. 5 Strain has daily pumping potential of 65 barrels of 28 gravity oil with production from perforations between 1,682 and 1,692 feet over total depth of 1,735 feet. Site is 1,103 feet from north lines, 9-1&2, Reiger Survey.

Daily pumping potential for No. 2-B Mills is 68.96 barrels of oil, plus 10 per cent water. Production is from perforations between 1,540 and 1,560 feet over total depth of 1,625 feet. Location is 330 feet from west and 990 feet from north lines, Section 196, Block 3, H&GN Survey.

New project scheduled in Jameson West (Strawn) Field in northeast Sterling County near Mitchell County line is John J. Eisner of Abilene No. 2 H. M. Knight.

The No. 2 Knight, 12 miles northeast of Sterling City, will drill to 7,300 feet at a site 660 feet from south and east lines of Section 117, Block 2, H&TC Survey.

Gridders Hear Baugh Stress Players Effort

Sam Baugh, head coach at Hardin-Simmons University in Abilene and former professional football great, spoke to Colorado City football teams Tuesday night.

Baugh addressed the Wolves and the three junior high teams at regular Quarterback Club meeting in Junior High Auditorium.

"I judge a player and a team by the amount of effort they put out", Baugh said.

"Winning is not so important, it's how much effort you put into it," he said," and if a boy comes off the field after he has given everything he's got—yet lost the game—he has nothing to be ashamed of".

"You must form good playing habits to play well—if a boy's sloppy in practice, he's the same way in a game.

"You've got to make a lot of mistakes and improve each day to be a fine football player—and don't judge a player by his size or speed, but how hard he tries."

Although his team has won only one game this year, Baugh said he was very proud of his boys because they have given everything they had on the field—and when that's not enough to win, a coach shouldn't feel bad.

Baugh, a former Sweetwater High grid star, was All-American at Texas Christian University and played 16 years professional ball with the Washington Redskins, setting all-time records as a passer.

Baugh's visit here was arranged by Sam L. (Buzz) Majors Jr., Quarterback Club vice-president.

WOMEN'S LEADER

Funeral Conducted For Mrs. Whipkey

Final tribute was paid here Tuesday to Mrs. Nancy (Nannie) Smith Whipkey, whose community service is etched permanently in 50 years of Mitchell County progress.

Mrs. Whipkey, 78, widow of the co-founder of Colorado City Record, died Sunday at 6:25 p. m. in her home, 604 East Fifth St.

Funeral service was conducted in First Baptist Church for the woman who had a leading role in organizing the Parent-Teacher Association, Mitchell County Federated Clubs and the Home Demonstration agent service here.

Rev. Jack Selcraig, First Baptist pastor, officiated in final rites. Burial was in the Colorado City Cemetery under the direction of Kiker and Son Funeral Home.

Pallbearers were Willis Jones, Ed Majors, Jake Merritt, G. D. Foster, J. L. Pidgeon, A. L. Maddin and Oren Trulock.

Mrs. Whipkey was born May 26, 1869, in Sullivan County, Ind.,

United Fund Campaign Nears $25,454 Goal

Mitchell County United Fund's 1957 finance campaign Thursday climbed to 89.96 per cent of its goal.

And Dr. W. S. (Bill) Rhode, county drive chairman, called on volunteer solicitors and contributors to join together in a final over-the-top effort.

Contributions and pledges Thursday noon totaled $22,898.51 for the fund that will channel finances to eight service organizations during the 12 months of 1957.

That's less than $3,000 from the goal that was set to meet minimum needs for the 1957 United Fund financing.

One division already was over-the-top in its campaign solicitations and Rhode urged workers in other groups to complete their assignments and turn in their collections Friday at United Fund headquarters.

Friday's report meeting will be a 10 a. m. coffee and doughnut session at the downtown United Fund office, 200 block of Walnut.

First division to meet its assignment was the special gifts division chairmaned by Charles Root. Its quota is $3,818 and Thursday its collections were at $3,824.50.

Nearby and almost at the pinnacle was the advance gifts division with $12,000 collected on a $13,236 quota. Collections by the advance gifts workers, chairmaned by G. D. Foster, already has the highest amount for its division in history of the Mitchell County United Fund.

Other divisions were: employes, $3,583.51 on $6,364 quota; general, $1,387.50 on $2,036 quota; County East, $1,234.25 collected on $1,550 quota; County West, $678.75 collected on $1,800 quota.

Alert Planned By Observers At Westbrook

First practice alert for Westbrook's unit of the Ground Observer Corps is scheduled for November.

The unit at Westbrook has been organized as part of the volunteer air warning system in Mitchell County and as part of a system being organized in this area of West Texas.

Chief observer for the Westbrook unit is Mrs. Jesse Cuthbertson of Westbrook Telephone Company. At a recent meeting of the unit Mrs. A. E. Lowry was elected assistant chief observer.

Other volunteer observers in the unit are Dicky Lowry Jesse Cuthbertson, J. W. Plummer, N. W. Bacon, W. E. Rucker, L. E. Gressett, S. A. Walker, W. A. Bell and Mrs. W. E. Rucker.

Mrs. Cuthbertson said the initial practice alert is scheduled for the latter part of November. She will be notified later as to exact date.

Assisting with the organization of the Westbrook unit has been Tech Sgt. M. M. Curtice, specialist for the observer corps who has been headquartered in Big Spring while organizing this West Texas area, last in the state to be set up with active ground observer system.

Opportunity, Strength For Both Plants

Roland V. Rodman told veteran Col-Tex Refinery employes here Wednesday night that sale of Col-Tex to Cosden will bring greater strength and opportunity for both Col-Tex and Cosden plants.

The Anderson-Prichard Oil Corporation president declared also that the sale of the Colorado City refinery to Cosden keeps Col-Tex in the "high octane race."

Rodman, who as Anderson-Prichard president also serves as head of Col-Tex Refining Company until the sale is completed, spoke at the annual Col-Tex dinner at Colorado Country Club honoring 20, 25 and 30 year employes.

• • •

He introduced to the veteran Col-Tex employes R. L. Tollett, Cosden president, who attended the dinner with four other Cosden officials from Big Spring.

The Cosden president backed up Rodman's statement and added:

"We have here (Col-Tex) something we want—something to consolidate — something for the future."

Tollett, who explained steps in the stock exchange deal through which Cosden is buying Col-Tex, said stock registration papers are to be filed Friday. Registration of stock will follow after at least 20 days from the filing.

And the Cosden president expressed hope the sale, started with signing of contracts Sept. 17, will go through without a "hitch."

He explained that technicalities can delay plan, then added, "but we will make a deal."

• • •

Rodman, the Anderson-Prichard president, told his Col-Tex employes that the sale to Cosden was planned to continue Col-Tex operation and safeguard it against shutdown similar to plants owned by other companies in Sweetwater and other cities.

"To the west (Cosden) we had one of the most progressive refineries," Rodman continued, "and had men of foresight, men of contact.

"We knew that in their plant (Cosden) they produced more octane in their plant than is customary for the service of their customers.

"And our plant produced gasoline.

"And with the two," Rodman continued, "we had a combination of men and plants—and we would be assured for time into memorium we would be able to keep pace with the great octane race."

The Anderson-Prichard official said the sale of Col-Tex to Cosden will be an opportunity for

WITH DISTRICT GAME

Homecoming, Chili Supper Set Friday

It will be homecoming here Friday for Colorado High exes with Colorado-Lamesa District 3-AAA football game as climaxing feature.

Also on the calendar will be a pre-game chili supper sponsored by Beta Sigma Phi sorority for benefit of West Texas Rehabilitation Center in Abilene.

Homecoming activities will get under way here Friday at 2:30 p. m. with a pep rally in Junior High auditorium.

The benefit chili supper — for the entire public—is scheduled from 5:30 p. m. until 7:30 p. m. in Primary School cafeteria.

Kickoff time for the Colorado-Lamesa game is 7:30 p. m.

Homecoming pep rally is being switched to Junior High auditorium because of the remodeling project under way at Colorado High auditorium, according to Francis Winn, ex-student president.

Registration of exes will be from 3 to 4 p. m. Friday with exes invited to tour the remodeled high school building.

Reunions for classes ending with one and six (1921, 1926, 1931, 1936, etc.) will be scheduled from 4 to 5 p. m.

Annual business meeting of the ex-students will be at 5 p. m. at Junior High auditorium. The meeting will include election of new officers.

Beta Sigma Phi is hosting the benefit chili supper, from 5:30 to 7:30 p. m., as a part of homecoming and to raise funds for its year's project—West Texas Rehabilitation Center.

Tickets for the supper are being sold by sorority members and will be on sale at City National Bank Friday.

The West Texas Rehabilitation Center in Abilene is for handicapped and crippled children, according to Mrs. Hazel Burdine, president of the sorority.

Half-time ceremonies Friday night at the Colorado Lamesa game will feature coronation of 1956 homecoming queen.

Parents of Daughter

Lt. and Mrs. C. A. Wilkins of Selma, Ala., Friday became parents of a daughter, Cecelia Lue, who weighed seven pounds and 15 ounces.

Mrs. Oren Trulock of 104 West 10th Street, paternal grandmother, left this week for a visit with the family in Selma.

Come on over for a Halloween time!

Never before in history has anything built by man traveled so far in so short a time

—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run . . . Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah . . . it was the longest left turn in history.

A car, like a man, is known by its *deeds*, not *words*.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before – in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world . . . a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of *speed*—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as *no* other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are *worth* more when you *buy* . . . and when you *sell!*

Your Ford Dealer will gladly place at your disposal the *new kind* of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

ON BIBLE DAY

Rev. Ellzey Speaks To 1921 Study Club

Rev. Jack Ellzey was guest speaker Friday afternoon for the 1921 Study Club in the home of Mrs. W. C. Hooks.

In keeping with the program topic, "Bible Day", Rev. Ellzey traced the history of the Bible from its beginning to the present day.

Rev. Ellzey, assisted by Mrs. Ellzey, illustrated the Bible's history through colored projection slides.

The Ellzeys were introduced by Mrs. J. T. Pritchett, program leader. She displayed many Bibles, telling the history of several.

One of the most interesting, Mrs. Pritchett said, was a Bible, belonging to the late Mrs. Addie Hargrove, which had fallen into the Red River as the family traveled from Missouri to Texas.

Another outstanding Bible shown by Mrs. Pritchett was written in braille.

Roll call for the regular meeting was answered by each member naming a woman in the Bible.

Those attending the meeting in addition to Rev. and Mrs. Ellzey were Mrs. Pete Ainsworth, Mrs. J. S. Craddock Sr., Mrs. M. J. Dawson, Mrs. U. G. Hardison, Mrs. A. O. Hickman.

Mrs. Ed S. Jones, Mrs. Lee Lavendera, Mrs. P. K. Mackey.

Also, Mary Ann Montgomery, Joanne Moore, Joan Moore, Sharon Nuckolls, Karen Nuckolls, Mary Nell Oliver, Maxine Robers, Sally Wistrand, and Brownie leaders — Mrs. Stanley Merket, Mrs. James R. Moore, Mrs. O. L. Montgomery and Mrs. Bob Brannon.

BY MRS. DAVIS

Vincent Peale's Advise for Contentment Related to Club

Norman Vincent Peale's advise on how to find contentment was related to members of the Self Culture Club Friday afternoon by Mrs. D. H. Davis in the home of Mrs. Earl Brown.

Apparently the trouble with a number of people is they fly apart, the group heard.

"They do not have the sense of inter-control," Mrs. Davis continued.

"It is not so much the immortality in the government," she said, "but it is what goes on among the people themselves."

It used to be said that American people were honest. Now they say that the employes in a concern steal more from the American businesses than organized gangs, the speaker explained.

"Whereever there is a wide sense of guilt," Mrs. Davis said, "there is a rising tide of discontentment.

"Therefore I say that the simply secret of finding contentment is to cleanse yourself of any shred of a sense of guilt, whether it be individual or social," she concluded.

Mrs. C. P. Gary presented the history and a review of the diamond jubilee anniversary of the First Baptist Church.

Mrs. Roy Davis Coles presented a review of the 75th anniversary of the First Presbyterian Church celebrated this year also.

Deadline Near For Entrants In Contest

November 10 is the deadline for Mitchell County students to enter the Voice of Democracy contest sponsored by the local Junior Chamber of Commerce.

Students in the 10th, 11th and 12th grades of Colorado City, Loraine and Westbrook schools are eligible to enter with $25 gift certificate and plague as first prize.

Voice of Democracy is a broadcast script writing and voicing competition which gives high school students an opportunity to think, write and speak of democratic principles that made America great.

Entries will be judged on content, delivery and originality of five-minute scripts on the subject.

Miss Gladys Miller, speach and English teacher at Colorado High School, is directing the contest in cooperation with the Jaycees. R. H. (Bob) Ratliff Jr., and Francis Winn are co-chairmen of the Jaycee Americanism committee sponsoring the contest.

Ratliff said Thursday that more students are needed in the contest. Local winner goes to regional and from there can advance as far as the national contest with an all-expense paid trip to Washington, D. C. and $500 college scholarship.

Druggist, Housewife Win Drawing Prizes

Henry Bilberry, local drug store owner, was the first place winner in open house drawing at Jay Adams Chevrolet this week.

Bilberry's name was drawn for choice of a man's suit or sports ensemble.

Mrs. J. W. Igo, 724 E. 16th, won the second prize, a ladies suit.

Wallace Westervelt, 1220 Elm, won third prize, an ensemble for either a boy or girl.

A record number of persons registered for the drawing as they viewed the new 1957 Chevrolet cars and trucks, Adams said.

Congressmen cannot be arrested for traffic violation.

both Colorado City and Big Spring, for the employes of both firms and for those persons who buy products from each plant.

"So rather than see you go down the drain like the Sinclair plant at Fort Worth," Rodman said, "by merger of the Col-Tex operation with Cosden we brought greater strength and opportunity to both plants.

"And we assured both cities of continuous employes at both plants and assured a continued source of supply for both plants.

"It is with regret that we (Anderson-Prichard) move out," Rodman added, "but it is with assurance that your future is more secure than with operation of both plants (Col-Tex and Cosden) separately.

Tollett, who previously told the Record of Cosden plans to ship high octane components to Col-Tex plant for manufacture of premium gasoline, repeated that Cosden may "suppliment" the Col-Tex plant's operation.

He stated again, too, that Col-Tex will be operated as a separate firm with Tollett as president, no change in personnel.

"This is not such a sad occasion," Tollett told the Col-Tex employes," and I don't think you will be disappointed in us.

Tollett said there may be "some change in operations" at Col-Tex after Cosden acquires the Colorado City properties.

"But I'm not sure yet," he said. "Here (at Colorado City) we have something we want," Tollett continued, "something to consolidate something for the future.

"And I hope that years from now we can look back on this and see that this is the kind of a deal we should have made."

REV. MAPLE AVERY, . . .in evangelistic series.

Avery, Gruber Open Revival Here Monday

Two evangelists familiar to local church congregations will open a week's revival Monday at First Baptist Church.

Rev. Maple Avery, pastor of East Fourth Street Baptist Church in Big Spring, will preach in three services daily (except Saturday morning) Monday through Sunday, Nov. 4.

Directing the singing and playing the violin will be Rev. Carlos Gruber, evangelistic musician.

Both Avery, who formerly was pastor of Plainview Baptist Church, and Gruber have been here previous revival services.

Scheduled at First Baptist in conjunction with the revival will be a series of men's fellowship breakfasts. Various men's groups of the church will sponsor and serve the 7 a. m. meals daily, Monday through Friday.

Hosts for the opening breakfast Monday morning will be the church deacons. Remainder of the breakfast hosts will be: Tuesday, TV-FM Class taught by Weldon Moore; Wednesday, Amigos Class, taught by Perry Barber; Thursday, Goforth Class and Fishermen's Class, taught by Dr. H. Jene Steakley and Olson Sweat; Friday, Agoga Class taught by Rollin K. Snethen.

In addition to the breakfast fellowship, services will be daily at 10 a. m. (except Saturday) and 7:30 p. m. (including Saturday).

MAKE DEBUT INTO DISTRICT 3-AAA

Wolves Host Lamesa Friday In Homecoming Grid Game

Colorado High Wolves football team makes its debut into district 3-AAA Friday night, 7:30 p.m. before a homecoming crowd as they host the Lamesa Golden Tornadoes.

Lamesa—winner of two games in six outings this season—will be favored over the Wolves, losers of six straight tilts this year.

Lamesa lost the season opener to Midland, 14-7, then beat Austin High of El Paso, then lost games to Kermit, Brownfield and Big Spring before getting back into the win column last week against Monahans.

In comparative scores, Brownfield beat Lamesa 20-14 while Brownfield beat the Wolves 27-0 last week.

Ten lettermen from last season are back this year from the 1955 Lamesa team that won three and lost seven.

Among those 10 are three starters from last year. They are right tackle Joe Hamilton, 198, who has already won two letters with the Tornadoes, right halfback John Middleton and fullback Charles Hackett, both who have won two letters each.

Hackett, a 165-pounder, lettered at a guard position last season but was switched to the backfield to plug up the loss of Carl Phelan, who graduated. Hackett has been injured the past several games but is expected to ready for the Wolves Friday night.

Middleton, the 154-pound right half, is the boy the Wolves must stop. He's speedy, shifty and has gone all the way many times this season.

Roger Shipp, 157-pound left half, is the fastest boy on the Lamesa squad but is not as dangerous as Middleton.

Quarterback is Frankie McKinney, 154, who has had nominal success this year at the manunder post. He is a returning letterman, as are all the starters on the Lamesa lineup.

Filling out the rest of the Lamesa line are Bobby Clemments, 157, and Doyle Goolsby, 158, at ends; tackle Jerry Beck, 190 opposite Hamilton; guards Jerry McKinney, 178, and Melvin Lobstein, 159; center Larry Anthony, 198.

Coach O. W. Follis' line will be outweighed by the Wolves. Lamesa's line averages 177 pounds while the Wolves forward wall averages 180 pounds.

Big boys of the Wolf line are Jim Windham, right tackle, 205; Joe Maddox, right guard, who's listed on the program at 190 but actually weighs 205; Dru Vowell, 175 left tackle, and Marion Flippin, 180, left end.

Jimmy Richardson, one of the leading pass receivers, is at right end while Kenny Simmons, 165-pound sophomore, handles left guard and Bobby Carpenter, 166-pound senior, takes over at center.

Wolves' were in good shape this week for the Lamesa game except for Bobby Caffey's injured thumb and Lucky Merket's hurt arm.

Caffey's quarterback position will be filled by junior Richard Compton who gave yeoman services last week at Brownfield. Don Black, the nimble-footed 136-pound junior who was switched from end, will probably start at left half.

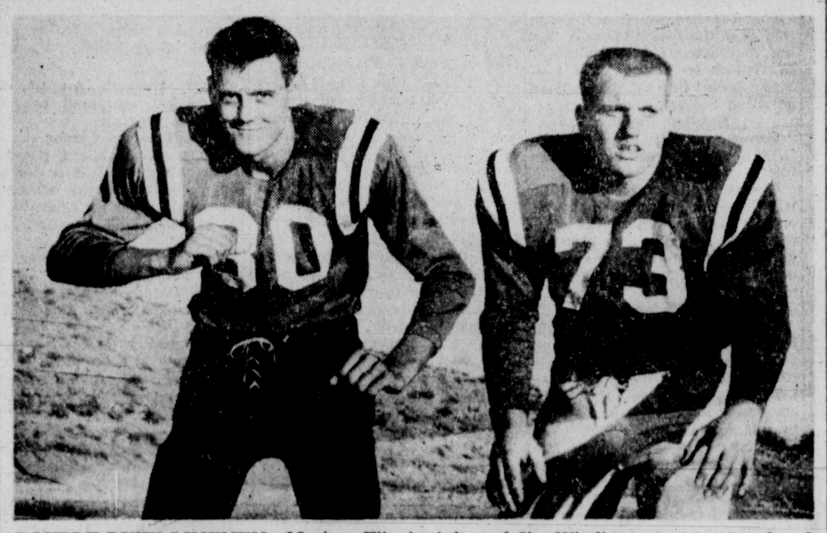

James Shoemaker, Wolves' leading ground gainer, will run from the fullback post. Ready to spell these runners are Roy and Troy Maples, Bancker Cade and Ray Womack.

Lamesa's offense may be compared to Monahans multiple offense. They run from the straight-T, winged-T, spread and variations of the spread.

Their speedy backs make them a threat at all times, and as they know, Wolves' weakness this season has been allowing the shifty runners to go for long distances.

As part of the homecoming tradition at the game, a parent or relative of the football players will be seated on a float near the field with the players' numbers on back of each chair.

Quarterback Club members have been urged by President Joe Salter to line-up outside the field house to cheer the boys onto the field.

DOUBLE-DUTY LINEMEN—Marion Flippin, left, and Jim Windham operate at end and tackle, respectively, on both offense and defense for the Colorado High football team. Flippin is a 180-pound junior while Windham is a 205-pound senior, the only player on the team seeking a third letter with the Wolves. (Record Staff Photo)

Hunters Return

Returning last week from a hunting trip in Colorado were Jack Walker, B. W. Dorn and Howard Rogers of Colorado City; John Stewart of Silver, R. B. Cope and John Jones of Loraine, and Earl Harris of Sweetwater.

MRS. LELEK KEEPS WINNING WAYS, TOO

Winn Wins Weekly Grid Guess With Only One Game Missed

Francis Winn, a consistently high finisher in the Record's football guessing contest all season, finally hit the top spot last week.

Winn, who lives on Route 2, missed only one game and the key score only three points. He picked the Wolves to lose 30-0 with the actual score 27-0.

He wins two tickets to the Hardin-Simmons vs. West Texas State game in Abilene, Nov. 10.

An ex-Aggie, Winn was one of the few persons to pick Texas A&M to beat TCU.

Second place winner is Philip Berman, owner of Pick & Pay Grocery. He was the only other person to miss one game, that being the A&M upset of TCU. His key score guess was 33-7.

Two persons tied for third and fourth place, thus each wins two movie passes to the local theaters.

They were Mrs. E. J. Lelek, who won first place last week, and Melvin Biggers, former basketball star at D. W. Wallace School.

Each missed two games and picked the key score Brownfield 27, Colorado City 6.

Mrs. Lelek missed the Texarkana win over Odessa and the Arkansas win over Texas while Biggers missed the Texarkana game plus the A&M win over TCU.

Other contestants missing only two games, but further off on the key score were:

Charles Munselle, Mrs. T. V. Tipton, Mrs. Billye Talley, John M. Russell, Earl D. Taylor, Joe Merritt, James McMullen, Floyd R. Higgins, Drew Ballard, Mrs. W. L. Ashmore, Elinor Harvey.

On the list that missed three games were Mrs. Wallace Westervelt, Mrs. Glenn Thomas, Geneva Taplin, Mrs. Herman Parsons, Mrs. E. L. Clifton, Bill Quimby, Mrs. E. F. Rothwell, Ed Rothwell, Kay Swann, Joan Swann, B. J. Taplin, Luke Thomas, Gene Garner, Tim Beal, Maberry Willbanks, Mrs. A. M. Holman, Mrs. Floyd R. Higgins, Willis Taylor, JJess Bolin, Willis A. Jones, Annelle Holman, Alfred Byrd, Jesse V. Bolin, Jr., Howard Cain, Henry Hoyle, Clyde Wayne Feaster, D. M. Costlow and Don Benson.

Top prize this week is two reserve seat tickets to the Texas Tech vs. Texas Christian University game, Nov. 10, in Lubbock.

There are probably more closely-contested games this week than in any prior contest this year.

The Andrews-Kermit game tops the high school list for close ones. Brownfield at Pecos and Lakeview at Sweetwater will be other tough ones to pick.

Mississippi U., with Paige Cothren and Co., should have a battle royal at Araknsas while undefeated Baylor will be all primed for the upsetting Aggies from College Station.

Texas U. and Rice will be fighting to see who stays out of the cellar while TCU will be trying to regain its lost prestiage when they host Miami.

Texas Tech will be trying to stop Art Luppino and Co. when they go to Arizona U. while the national grid titan Oklahoma should take Notre Dame in stride.

Entries should be left at the Record office by 5 p. m. Friday or mailed by 7:30 p. m., starting time for the Wolves' game against Lamesa.

Daughters' Families Visit Bennett Home

Mr. and Mrs. Ira Williamson and children, Sandra and John, of Colorado City visited Sunday in the home of Mrs. Williamson's parents, Mr. and Mrs. Joe Bennett, at Loraine.

Also visiting in the Bennett home was another daughter and son-in-law, Mr. and Mrs. Olen Griffith, and daughter, Patty, of Snyder.

IN NON-CONFERENCE GAMES

Shoemaker, Black Pace Squad In Running, Catching Football

James Shoemaker and Don Black are the offensive leaders of the Colorado High Wolves at the completion of the non-conference schedule.

Although the Wolves have absorbed six losses in as many games, Shoemaker has averaged 3.8 yards per carry and Black has gained an average of 10.7 yards on each pass he has snagged.

Shoemaker has carried the brunt of the Wolves' running attack, lugging the ball an even 100 times in six games for a total of 387 yards.

The 165-pound sophomore's top running effort was in the Ballinger game when he gained 100 yards rushing on 20 carries. That included a 75-yard touchdown run.

Bancker Cade, the junior halfback, is runner-up in rushing with 170 yards on 47 carries for a 3.5 average. Cade hasn't been used in a running position the last several games but has been seeing action more at a wingback position on offense.

Roy Maples, who made the switchover from quarterback to halfback after the Wolves' first three games, has gained 90 yards on 35 tries with the ball for a 2.6 average.

JAMES SHOEMAKER, leads runners.

Roy's twin brother, Troy, who has carried the ball in only two games this season, has the best average on the team. In 14 varries through the line, he gained 60 yards for a 4.3 average.

Wolves have been badly outgained as a team, marking up 756 yards in six games while the oppisition was gaining 1,750 yards.

C-City's passing attack, with sophomore Bobby Caffey slinging the ball majority of the time, has gained 420 yards in six tilts.

The ball has been tassed 98 times—with Caffey attempting perhaps 85 of these—with a total of 32 completions.

Snagging almost one-half of the completions was Black, the junior wingman. He grabbed 15 for a total of 181 yards, everytime he grabbed it.

End Jimmy Richardson, also a junior, has pulled in seven passes for 123 yards, for an average of 17.5 yards each catch.

Roy Maples has been coming up fast in the pass-catching department, grabbing five for 83 yards and a 14.6 average.

Other pass catchers are Cade, 2 for 22 yards; Shoemaker, 1 for 11 yards; Don Powell, 1 for 9 yards and Marion Flippin, 1 for 7 yards.

Black's offensive talents have been switched from pass-catching to running since the 136-pounder was moved from an end position to halfback last week.

Jim Windham, one of three seniors on the Wolves' starting lineup, has been punting the ball at better than a 30-yard average.

Preparing to enter the District 3-AAA schedule, the Wolves have scored only 32 points to the opposition's 187 this season.

Trip to Oklahoma

Mr. and Mrs. Thomas Bob Long and children, Sherri Kay and Terri Sue, of Colorado City accompanied Mr. Long's mother, Mrs. Troy Jones of Loraine, to Chickasha, Okla., for a visit last week with Mrs. Jones' father, H. T. Hall.

BIBLE COMMENT

Gospels' Restraint Emphasizes Christ

The Synoptic Gospels are the first three, namely, Matthew, Mark and Luke.

They are so called because they give a synopsis of events and incidents in the life of Jesus, as distinguished from the Gospel of John.

This fourth Gospel is not so much a running detailed story of events as an interpretation of the life and teachings.

While Matthew, Mark and Luke have a common framework and are in substantial agreement, each Gospel is of distinctive character, and each fills in some details that the others may lack.

But the real truth, the real beauty and the real glory of all that pertains to Christ and the New Testament have come down to us in a framework of historical obscurity.

It ought to warn us against attaching too much importance to the frame, as many Christians have tended to do, to the loss of inadequate appreciation of the truth, the beauty and the glory that have persisted and that are available for us all.

How little we know concerning the life of Jesus in terms of what might be called "modern biography"!

And yet, how vividly and splendidly the New Testament gives us all that is essential!

Could the picture of Jesus stand out more clearly if, instead of these simple Gospels, we had an enormous biography, such as is written about almost every famous man of today?

Could all that Jesus came to do and to give the world have been made to stand out so boldly and so challengingly if the story of His life had been loaded down with all manner of unimportant details?

The marvelous thing is that these Gospels have been written with such restraint and with such care, where so much could easily have been filled in by the authors to exploit their own literary skill.

LONE STAR FARMER

Farm Problem Is Real Living Issue

By JOHN C. WHITE,
Agriculture Commissioner.

With the 1956 presidential election campaigns currently reaching their peak, the farm issue had graduated to an all-time high in political debate.

The farm problem is a living campaign issue—more than a political football to be booted around and more than an interestin debate to be observed by the voting public. And the point in question is not whether something should be done, but rather exactly what must be done.

No one will fail to recognize that American farmers are living in a state of depression completely out of keeping with the overall picture.

However, few people really understand why the problem is so acute with farmers, and even fewer know how seriously the farm problem could affect other areas of American economy.

Everyday questions of "why can't the farmers take their own chances like I do in my business?" And "what's with this parity stuff?" come from those who have a warped picture of the greedy farmer who wants everything for nothing.

That just isn't so. Necessity of goverment control in agricultural economy can be explained through its unique position as an individual, dependent economic segment.

In nearly all phases of economy there are checks and balances which will keep the costs of labor, living, production, and marketing in near-balance because of their strict inter-dependence.

Unhappily with the farmer, his dependence on other areas of trade is not reciprocal except where his purchasing power is concerned. And this is very important.

But the farmer's supply has grown to a point of almost constantly exceeding consumer demand. Yet, he must market his crop somehow or else be ruined. And when he gets to the market place, the farmer must be able to sell his goods at a rate which will be in line with his buying power.

And that's exactly what parity prices are — dollars-and-cents prices that give to farm commodities the same purchasing power the commodities had in a selected base period when prices received and paid by farmers were considered in good balance.

By this reasoning, the farmer's parity ratio now should range at least up to 100 per cent because everything he buys, plus his taxes and interest rates, are at an all-time high.

But under present "floxible" price supports, parity ratio has plummeted while farm costs have skyrocketed. The parity formula has been completely cockeyed.

In any other business this could never work. Increased costs would be passed on to the next in line and so-on down to the consumer. Why should the farmer have to suffer the brunt of economic shock?

He can not prosper under present controls, nor can he survive without proper controls.

The issue must be resolved. And it will be, one way or another, on election day, Nov. 6.

STILL DELAYING SENATE ELECTION

Shivers, Taunted by 'Political Dead' Tag, Takes Eisenhower Bandwagon Out of State

By VERN SANFORD,
Texas Press Association.

Gov. Allan Shivers again is heading the ranks of Texans for Ike. After killing a 1,000-pound bear in Alaska, the governor came home gunning for Adlai Stevenson.

Shivers is to make three out-of-state speeches for Eisenhower this week. He said he is ready to make more "any time, any place."

He criticized scheduled appearances in Texas of out-of-state U. S. senators who voted against the tidelands bill.

In reply Sen. Lyndon Johnson said that the Governor was "being discourteous and insulting" to visitors to Texas. "The tidelands issue," he said, "is as dead as Allan Shivers."

Election Dangles

Campaigners for Price Daniel's U. S. Senate seat are in for more tortuous waiting.

Governor Shivers has said he will have no announcement on calling an election until after Nov. 6. A special senate election, he added, "has no place being mixed up with a presidential election."

Cotton Referendum

Texas cotton farmers will vote Dec. 11 on whether to extend federal marketing quotas to the 1957 crop.

Two-thirds approval of farmers voting nationwide is required to put quotas into effect. Continuation of wheat quotas has already been voted.

USDA also announced that each Texas county's 1957 cotton acreage allotment will be within at least one per cent of its 1956 level. This decision apparently was aimed at quelling a prolonged rivalry between East and West Texas counties for increased acreage.

Total Texas cotton acreage for 1957 is to be 7,410,893 acres, slightly higher than 1956.

Election Inalidated

Local option elections held in an area less than a justice precinct are illegal, say the courts.

Texas Supreme Court has upheld a Civil Appeals Court decision to this effect. As a result, a section of Austin considered "dry" since 1935, is now legally "wet."

State Capitol NEWS

Local option elections, said the appellate court, can be held only county-wide, city-wide or in an entire justice precinct.

Growth Foreseen

Texas' need for state office space will be tripled by 1980.

So say planning consultants for the state building program. They estimate that Austin alone will have some 11,500 state employes 24 years hence. Statewide the total is set at 24,000 to 30,000.

Planners say the 200,933 square feet of floor space in the Capitol should be augmented to make a total of 1,720,000 square feet. To accomplish this, four new office buildings would be built. Capitol grounds would be extended north six blocks to 19th St.

"Broad estimate" of the cost: $87,000,000.

Another recommendation in the recently completed Capitol area master plan is to sell or abandon four older state-owned buildings dotted over Austin.

Gas Case Set

Whether the state should refund some $4,000,000 in natural gas taxes will be considered by the Tird Court of Civil Appeals on Feb. 6.

District court ruled for the gas company in the test case. An issue is whether some 30 companies who paid taxes, without protest, can get their money back.

Companies which paid under protest were repaid shortly after the law was declared unconstitutional.

Alcoholics Increase

A sharp rise in alcoholism among Texans during 1956 is indicated.

Twice as many patients have been admitted to alcoholic wards this year as last, reports the State Hospital Board.

Total number of alcoholics in the state is estimated at 155,100. This is almost twice the 1940 estimate of 83,304, represents about 3 per cent of total population.

Farm Income Up

Texas cash farm income for 1956 is running slightly higher than 1955, despite the drought.

But, according to the University of Texas Bureau of Business Research, the figures reflect desperation, not prosperity.

High income, it is explained, comes from sale of production materials, such as breeding stock. Specialists compare it to the situation of a factory which keeps income up by selling its machinery.

Total through August was $927,000,000 compared to $925,000,000 a year ago.

Trustees Confer

Texas school board members talked all around their integration problems, finally settled on a resolution urging each district to approach the question with "dignity."

Only one dissenting vote was heard among the some 200 attending the Texas Association of School Boards convention in Austin.

One speaker declared integration should be handled strictly on a local basis. Another deplored that school boards have been made the "goats" in the controversy.

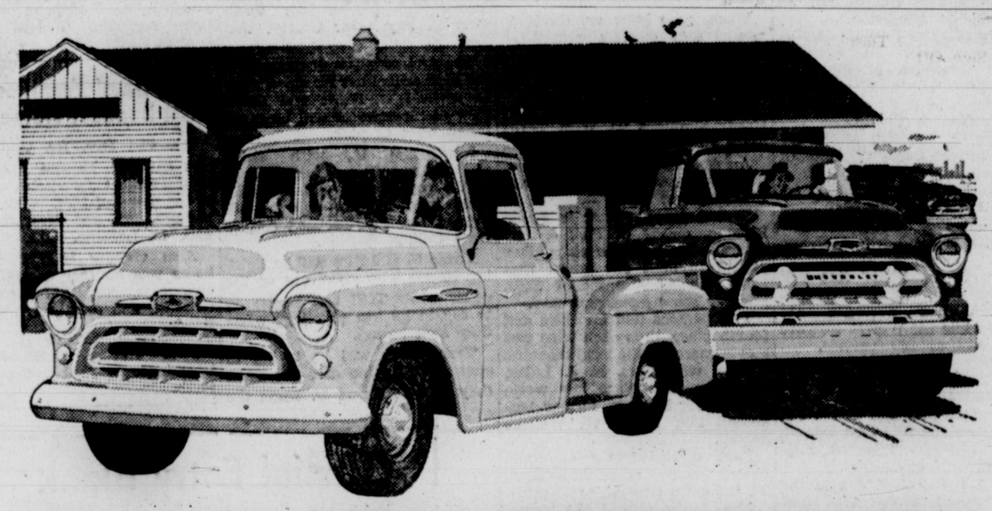

Short Snorts

Number of Texas factories increased 25 per cent from 1947 to 1953, according to the Dept. of Commerce. Value of manufactures rose to $1,780,600,000 or 103 per cent. It put Texas industrial growth well ahead of the nation as a whole—Children in 17 Texas counties will seek funds for Christian Rural Overseas Program instead of candy on Hallowe'en night. Last year the state's youngsters brought in $39,000 from their holiday rounds—Texas schools received nearly $84,000,000 in federal funds last year, according to the U. S. Office of Education. Texas' share was the second largest in the nation—A $5,000,000 pecan harvest this fall is expected to boost the sagging fortunes of Texas farmers and ranchers. This year's crop is estimated at 25,000,000 pounds, 34 per cent less than last year, but still considered a "good harvest"—Texas has had 487 more citizens leaving the armed forces than entering so far in 1956. Entries total 33,014, separations 33,501, says State Selective Service Headquarters. Of those entering, 28,203 enlisted voluntarily, 4,811 were drafted—Payments to Texas farmers under the 1956 soil bank program have hit $7,852,242, says the U. S. Dept. of Agriculture.

THE "ALL-NEW" CHEVROLET
Highway Engineer Buys First '57 Chevrolet from Jay Adams

JAY ADAMS, right, Colorado City's new Chevrolet dealer, hands the keys of a 1957 Chevrolet to BEN WILKINSON, State Highway Dept. resident engineer for Mitchell and Howard Counties. Wilkinson who is also president of the Colorado Country Club, purchased the first '57 Chevrolet Friday at Jay Adams Chevrolet Co. The four-door Bel-Air air-conditioned sedan has a beautiful gold finish with black and silver interior. Wilkerson has used Chevrolets for years in his highway work and is a firm believer in their power and durability.

Here! New Task-Force 57 Chevrolet Trucks!
Performance-proved in a history-making test on the ALCAN Highway to Alaska
The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.
Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!
Come in and see how well these new Alcan champs measure up to your job.
FIRST WITH THE MOST MODERN FEATURES:
New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.
Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.
L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.
Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

Local Student In TSCW Theater Cast

The cast of the freshman theatre production, "I Remember Mama", to be staged Nov. 1 - 3 at Texas State College for Women, includes Sandra Langley, of Westbrook.

Cast and production crews for the freshman theatre presentation were announced by Dr. Josh P. Roach, associate professor of speech. A concert and drama series number at TSCW, the play is being produced and staged by students.

More than 40 freshmen are members of the rehearsal and production class.

Miss Langley is the daughter of Mr. and Mrs. Floyd Alford Langley, of Route 1, Westbrook. She is a graduate of Westbrook High School, where she was active in FHA, sports, annual staff work, and class activities.

Local Quartet Enters Navy

Four Mitchell County youths have enlisted in the U. S. Navy.

All four are graduates of Westbrook High and are now receiving recruit training at the U. S. Naval Training Center in San Diego, Cal.

They are Charles Arthur Ritchey, son of Mr. and Mrs. Floyd Ritchey of Star Rt.; Henry Russell Bird Jr., son of Mr. and Mrs. H. R. Bird of Route 2; Robert Michael McKinney, son of Mrs. Josephine Carter of Colorado City, and Emmett K. Matlock, son of Mr. and Mrs. D. L. Matlock of Westbrook.

After completion of recruit training the quartet will receive 14 days leave before assignment to a naval trade school.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off.

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude.

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators.

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right.

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill.

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,
Jex

PAIR OF BIRDIES—Nate Feeman, golf pro at the Nevele Country Club in Nevele Fall, N. Y., demonstrates his sure-feather "birdie" technique for novice golfers. Nate has trained a pair of parakeets to sit on the rims of his pupil's glasses. If the novice keeps his eye on the ball while he swings, his head will not tilt, and the birds will remain in place. If he moves his head, however, the feathered pair will take to the air.

Supper Fetes YWA At Loraine Church

By MRS. C. C. HAMILTON
Record Correspondent.

LORAINE—A supper and program entertained the Young Women's Auxiliary of Loraine First Baptist Church and their guests Wednesday night, Oct. 17.

Scene for the supper was the church Educational Building.

The dining room was decorated in Japanese theme. Tables were marked with Japanese figurines and place cards were miniature Japanese girls with parosals.

Invocation was by Rev. Bobby Rine, church pastor. A feature of the program was a film on Japan, "Yet Shall They Live."

YWA members attending were Peggy Williams, Wanda Wells, Linda Margaret Horton, Linda Cary, Sue Narrell, Bessie Miles, Kennie Sue Butler, Lavonne Claxton, Annette Lee. Guests were Rev. and Mrs. Rine and Mrs. Lester Webb.

T.E.L. Sunday School Class of Loraine Batpist Chiurch met last Thursday in the home of Mrs. Hal Bennett for its monthly Bible study and business meeting.

Co-host with Mrs. Bennett for the meeting was Mrs. L. E. Crutcher.

Singing, directed by Mrs. W. C. Rogers, opened the meeting. Prayer was by Mrs. W. H. Long.

Devotional study was conducted by Mrs. R. K. Thornhill, who discussed the influence of Eunice and Lois over Timothy. Basis of her devotion was Timothy, 1-5.

Directing the business session was Mrs. J. W. King, class president. New yearbrook was approved by the class. Benediction was by Mrs. Thornhill.

Coffee and Pumpkin pie topped with whipped cream was by the hostesses served to Mrs. A. G. Furlow Sr., Mrs Dottie Marshall, Mrs. Henry Howell, Mrs. Ed Shultz, Mrs. Thornhill, Mrs. Long, Mrs. King, Mrs. Rogers.

AT WESTBROOK SCHOOL GYM

PTA Sponsors TV Ramblers in Stage Event Halloween Night

By MRS. ALTIS CLEMMER, Record Correspondent.

WESTBROOK — Ben Hall and the Circle Four Ramblers of Big Spring KBST-TV will be presented on the stage here Wednesday night, Oct. 31.

The Halloween entertainment will be sponsored by Westbrook Parent-Teacher Association, according to Mrs. Ralph Dye.

Proceeds from admission tickets will go into the PTA treasury for school projects.

Operating concession stand at the western musical will be Westbrook High's senior class.

The Ramblers will begin their Wednesday night program at 8:15 o'clock on the stage of the Westbrook High gymnasium.

* * *

Visiting Wednesday in Abilene was Miss Ruby Hines.

* * *

Recent house guests of Mr. and Mrs. Ralph Dye and children were Mr. Dye's parents, Mr. and Mrs. O. R. Dye of San Angelo.

* * *

Mrs. Margaret Powell returned home Monday after medical treatment in Colorado City's Root Memorial Hospital.

Visiting here with her for a few days this week is Mrs. Millie Van Horn of Odessa, sister of Mrs. Powell.

* * *

Members of Westbrook Future Farmers of America chapter sponsored an ice cream supper and play night Friday at Westbrook School cafeteria.

Approximately 50 persons attended the event.

* * *

Attending the Permian Basin Oil Show Sunday in Odessa were Mr. and Mrs. Bill Stanfield and Frances Culwell.

* * *

Also attending the Oil Show in Odessa Saturday were W. A. (Smutt) Swafford, Raymond Lee, Troy Lankford and A. E. Lowry.

Special Yule Leaves For Navy Recruits

Applicants enlisting in the Navy on or before Nov. 15 will be eligible for 14 days of Christmas leave.

That was the announcement here Tuesday by Chief M. A. Neal, Navy recruiter.

Neal, who is at the Courthouse here every Tuesday morning to interview prospective Navy recruits, said the special leave will be so youths entering the Navy this fall can be at home with their families during Yule holidays.

Mrs. Tony Snyder left Monday for Shreveport, La., to assist her son-in-law and daughter, Mr. and Mrs. Paul Brown, in their move to Corpus Christi.

Tech Players Injured For Arizona Tilt

Texas Tech may be missing its biggest scoring punch at a time it needs it most—against the offense-minded University of Arizona Wildcats at Tucson Saturday night.

About the only bright spots in the Red Raiders' winless season so far have been the passing of quarterback Buddy Hill of Lubbock and the line smashing of substitute fullback Charlie Dixon of McCamey.

But Hill re-hurt his knee, which was operated on last spring, in a scrimmage last week, and Dixon suffered a slight shoulder separation. They may be available for some action.

Out in Arizona there's optimism, because tailback Art Luppino, slowed in earlier games by injury, has shown his old-time speed and deception in recent ames. Luppino led the nation in rushin the past two years.

Besides Luppino, Coach Warren Woodson can call on the even speedier freshman tailback, Sal Gonzales, and a fast fullback, Don Beasley, back from service, to supplement the passing of quarterback Ralph Hunsaker. Hunsaker leads the Border Conference in total offense.

Tech's next home games are with Oklahoma A&M, a Homecoming contest, Nov. 3, and with Texas Christian University, Nov. 10.

Reserved seats are still available to both engagements, daylight affairs, although only 1,000 remain for TCU.

LORAINE BAPTIST CHURCH

Junior Department Graduates, Parents Honored at Banquet

By MRS. C. C. HAMILTON,
Record Correspondent.

LORAINE—A banquet Monday night at Loraine First Baptist Church honored graduating members of the church school's junior department and their parents.

Toastmaster was Lynn Hamilton, teacher for the junior boys class.

Invocation was by David Little. Bill Bowles and Floyd Stone directed singing of two hymns with Mrs. A. R. Miles as accompanist.

Scripture from Isaiah was quoted by Beth Sheppard and Annette Browning told the church covenant.

Speakers were Mrs. Roy Little, who discussed "Building a Ladder;" Rev. Bobby Rine, church pastor, who spoke on "Climbing the Ladder," and Mrs. J. C. Hall Jr., whose topic was "There's Always Room at Top of the Christian Ladder."

Annette Browning, daughter of Mr. and Mrs. Earl Browning, was honored as the graduating junior who has "accomplished the most in a short period of time." She was presented a Bible dictionary.

Books were presented to teachers and officers for their accomplishments during the last year. The department leaders are Mrs. Hall, superintendent; Mrs. Rex McDaniel, assistant superintendent and pianist; Mrs. Lynn Hamilton, secretary; Lynn Hamilton, Bill Bowles, Mrs. Loyd Wiggins, Mrs. Miles and Mrs. Little.

Thirty-one juniors received awards and recognition for attendance and memory work during the last year. Honored for 100 per cent attendance were Janie Lee, Peggy hillips, Mrs. Miles and Mrs. Hall.

The banquet program was in the church Educational Building.

Banquet table was laid with white and centered with miniature boy and girl climbing styrafoam ladders. Miniature hats and diplomas tied with black ribbon were place cards and programs.

Attending were Mrs. J. T. Vest and son, Thomas; Mr. and Mrs. Bud Sheppard and daughter, Beth; Mr. and Mrs. Earl Browning and daughter Annette; Mrs. Elwood Graham and daughter, Loyce; Mr. and Mrs. Wilson Kidd and daughter, Barbara; Mr. and Mrs. Bill Bowles, Rev. and Mrs. Bobby Rine, Mr. and Mrs. Lynn Hamilton and sons, Keith and Tim; Mrs. A. R. Miles, rs. J. C. Hall Jr., Mrs. Roy Little and son, David; and Folyd Stone.

Mr. and Mrs. J. W. King visited last week-end in Fort Worth with their son and daughter-in-law, Mr. and Mrs. Melvin King, and children.

Mr. and Mrs. Wayland Bennett and daughter, Marilyn, and Merlin Bennett, all of Lubbock, were week end guests in the home of their parents, Mr. and Mrs. James Bennett.

Miss Fannie Stevens of Cisco is visiting at Loraine with her sister, Mrs. W. C. Hock.

CRAZY GOLF—IT'S COOL, MAN—A white putting green calls for an orange golf ball. At an Arctic ice pack north of Point Barrow, Alaska, the "ball" is a real orange. Chief Warrant Officer William C. Crews, USN, from Birmingham, Ala., lines up an iron shot, right, as caddy John W. Ledger, SN, USN, of Millville, N. J., looks away. The sailors are with the Navy icebreaker USS Atka, participating in the Navy resupply of the Distant Early Warning radar network, which stretches across the top of North America.

NEXT?—A symphony of clicking scissors and whirring clippers fills the air in a huge hall in Tokyo, Japan, as 400 barbers, including 40 women, compete in the national trim-and shave contest. Winners are selected on the basis of speed and technique.

SATURDAY IN SWEETWATER

Loraine High FHA To District Meet

LORAINE—Loraine High's Future Homemakers of America will participate in an FHA district meeting Saturday in Sweetwater.

Heading the group will be Maxie Sheppard, Loraine FHA chapter president; Carolyn Baumann, Loraine High junior, and Fran Griffin, senior homemaking student.

Miss Sheppard will register guests at the district meeting, Miss Baumann will be Loraine's official delegate and Miss Griffin has been selected by the Loraine chapter to run for a district office.

Also in the group of students participating in the district meeting from Loraine will be Wanda Moore, Margie Moore, Patsy Hudgins, Marger Thompson, Kenny Sue Butler, Melba Thompson, Virginia Cain, Charla Padgett, Linda Cary, Mary Ann Wright, Joyce Graham, Jean Kidd, Treva Hay, Victoria Chorez, Pauline Cornutt, Peggy Belvin, Sandra Padgett, Sherry Bynum, Sheron Redwine, Kaynell Lankford, Frances Jackson and Sue Narrell.

Mrs. Dan Morgan, Loraine High home economics teacher, will accompany the group.

Chapter mothers are Mrs. Ralph Lankford, Mrs. D. E. Jackson, Mrs. Heston Redwine, Mrs. Floyd Griffin and Mrs. Woodrow Pratt.

Loraine High's girls basketball team opened the season Monday night.

The Loraine A-team defeated the Divide A team, 55-48.

But Divide's B-team girls beat Loraine B, 32 to 30.

Both contests were played in Loraine High gym.

Vance Dickenson, Loraine High principal and assistant coach, said the next girls games will be played Nov. 6 in Divide.

Loraine boys and girls teams have entered three future cage tournaments, Dickenson announced.

Inspection for Gas Heating Units Urged

Importance of pre-winter inspection for gas home-heating equipment was emphasized here Thursday.

Representatives of Lone Star Gas Company in Colorado City said the gas units should be inspected and adjusted immediately for winter use.

"All too often," the company revealed, "persons wait until the first cold day of fall to have heating equipment conditioned for winter use.

"Heating service companies and Lone Star receive hundreds of calls for service within a period of only a few short hours, with the result that many individual service orders cannot be filled without considerable delay.

"We urge that users of gas floor furnaces, wall heaters, unit heaters, central heating plants and other equipment arrange for service now by calling their heating service company or Lone Star.

TRUCK STYLE—Chevrolet Cameo Carrier half-ton pickup is a leader in the 1957 line of Chevrolet trucks. Design highspot of the Cameo is a two-tone panel on plastic rear fenders.

JAY ADAMS DISPLAY

New Engines for Chevrolet Trucks

Boasting three husky new V8 engines coupled with advances in safety, are durability and performance, Chevrolet's 1957 trucks are displayed at Jay Adams Chevrolet, rank as the most powerful and versatile the company has ever built.

The truck line ranges from pickups and sedan deliveries to giant tandems capable of performing on or off the highway, and has been expanded to an all-time high of 88 models on 22 different wheelbases.

Two new forward control models—offering greater hauling capacity for bottled beverages, dairy products and a variety of other delivery operations—have broadened the fleet to meet 95 per cent of all trucking requirements.

Meetle of the new vehicles was demonstrated last summer in a secret pre-announcement test up the punishing 1,523-mile Alcan Highway. Certified by officials of the American Automobile Association (AAA), six trucks representing a cross-section of the fleet negotiated the tortuous mountain route into the heart of Alaska in less than 45 hours, lopping off more than a day from the time required by vehicles that normally ply North America's fabled "last frontier."

Teamed with Chevrolet's impressive lineup of truck engines are eight truck transmissions, including an automatic drive for virtually every model. Optional on bigger trucks and school buses is Chevrolet's revolutionary six-speed Powermatic transmission with a built-in retarding device that gives down-hill speed control without use of brakes.

A second automatic transmission—HyrdaMatic—is offered in two sets of gear ratios for light-duty and smaller medium-duty models. A range of six durable manual transmissions makes up the other choices, one featuring Overdrive as an option on half-ton models.

New safety features applied throughout the line include interlocking crashtested latches on all side doors and steering wheels with hubs recessed three inches below the rim.

To achieve greater braking force, full air brakes are offered on many models. The air brakes are an option in conjunction with new extra-sturdy cast-spoke truck wheels.

For easier access to low-cab-forward models, the bottom step has been lowered four inches and an assist handle behind the door installed as standard equipment.

Most striking styling change appears in the bolder, more integrated grille that has replaced last year's latticework pattern on the 24 light-duty models. A dominant central element, sweeping almost the entire width of the grille, is "suspended" in a clean-cut design by truncated vertical members.

The showpiece of the light-weights, the half-ton Cameo Carrier pickup, appears more rakish than ever with an eye-catching streak painted in a second color between the bright metal moldings extending the length of its plastic rear panels. Color choices on this model have been upped to nine exterior two-ton combinations and four color-keyed interiors.

Return to California

Mrs. Robert Montgomery and children, Gloria Lynn, Melissa and Randy, left Tuesday for their home in San Diego, Cal., after visiting two weeks at Loraine with Mrs. Montgomery's parents, Mr. and Mrs. Raymond Wheeler.
