Farmers To Hold Mass Meeting Here Saturday

Meeting To Start At 3 O'Clock In Dist. Court Room

A mass meeting has been called for Saturday afternoon at 3 p. m., September 19, to be held in the District Court room, Lamesa. Every farmer in Dawson county is urged to be present as well as all cotton pickers or their representatives. Information received from local A. A. A. office stresses the importance of attending this meeting where the price to be paid for cotton picking will be discussed by both the growers and the pickers.

ACA officials report that farmers over the territory have been paying all the way from \$1.25 to \$1.65 per hundred weight for cotton picking. It is hoped that some satisfactory arrangement in regard to the price to be paid over the county, can be arrived at, at the meeting.

All arrangements for the mass meeting have been completed by members of County Committee and farmers are again reminded of the importance of attendance. Farmers are urged to warn cotton pickers and stress the importance of being present to take part in the discussions.

Fair Weather In County Is Aid To Farmers

Fair weather continues to prevail in Dawson County, which will be of untold benefit to growing crops. Farmers have been busy the past few weeks harvesting an unusually large crop of blackeye peas which has resulted in replenishing exhausted bank accounts in many instances. Combines are moving from the pea harvest to the maize fields where the largest yield in the history of the county is expected. Many trench silos will be filled by farmers and stockmen from a bountiful crop of hegar and cane.

Additional cotton pickers are arriving in this section daily and the cotton harvest, aided by plenty of sunshine, is expected to get started in a big way at an early date. Due to heavy dews this time of year, pickers are unable to get in the fields before late in the morning, which results in local gins running into the night. Informed sources predict that gins will be running day and night in the near future.

Estimates on the number of bales of cotton for the county continue to be made and are in varying amounts of from 50,000 to 75,000 bales.

Bill Burkett, pioneer citizen and old-timer, retired farmer and considered by most people to be a reliable source of information, reports that after a careful survey of the county, personally conducted without fear or favor to clique or clan, a yield of 75,000 bales is anticipated. Mr. Burkett who heretofore has been considered by many to be a pessimist, especially on crop estimates, has resigned from the ranks of the calamity howlers, and we believe, could hold his own in any argument with a "died-in-the-wool" town booster or chamber of commerce member.

Harold Simpson, who has spent the past several days here visiting with his parents, Mr. and Mrs. Ross Simpson, left Thursday for Dallas where he will visit for several days with friends. After his visit there he will return to Houston, where he is employed by an oil company.

Campaign To Kill Rats And Mice In Dawson County Soon To Get Underway

One of the more serious public health problems anticipated in Dawson County in the near future is the spread of typhus fever. Word comes of cases of the disease in Howard, Martin, and Midland Counties, and the chances of its spreading into Dawson County and Lamesa are great, reports members of the County Health Unit.

The problem of typhus fever control is considered so important by our federal government that a rat-killing campaign is being conducted through the County Agent's office. John W. White of the Fish and

Dawson County Surgical Dressing Quota Set At 39,000 All Women Asked To Help

Classified Ad Rents House

Barney McKinney, popular owner of Lamesa Appliance Company, discloses phenomenal results obtained from Courier Want Ads. Mr. McKinney had more than fifty applications for a small For Rent Ad placed in the Courier a few weeks ago. This satisfied customer has been a consistent user of Courier Want Ads for several years and reports satisfactory results on all occasions.

If you have something to sell, trade or want to make a purchase, you can find no better medium of reaching the people of this trade territory, than the Want Ad Section of the Courier, and remember the cost is very little.

Albaugh Well To Be Deepened

It was reported in Midland Wednesday that the Ray A. Albaugh-Higginbotham No. 1, Section 5, Block H, ELARR RR Survey, wildcat test on the north edge of Dawson County 8 miles northeast of the Albaugh pool would be deepened. This well which encountered shows of oil in the Permian Lime is now shut down at 5204 feet.

Some of the major companies that supported this well by purchase of acreage have decided that the well was structurally high and that the sections between the anhydrite and the lime had thinned considerably; and that the well should be deepened to test the Clear Fork Series which should be encountered at from 6,000 to 6,250 feet. The Clear Fork Series is now producing in Lubbock, Gaines, Andrews and Yoakum Counties.

The companies previously supporting this well were the Magnolia Petroleum Company, the Tide Water Associated Oil Company, Sun Oil Company, Argo Oil Company, Kewanee Oil Company of Philadelphia, and a number of independent companies and oil men.

Dawson County has been getting considerably attention lately and it is rumored that two more wildcat wells will be drilled in the county immediately. The location of these wells has not been disclosed, but it is probably that at least one well will be drilled in the vicinity of Dawson County's only producing well, the J. J. Handley No. 1, located in Section 36, Block M.

Continental Oil Company - Dan Auld No. 1, Section 91, Block 4-X, D & SE Survey, eastern Terry County, wildcat is reported fishing at 6480 feet.

Lawn Service Here Saturday

Rev. R. B. Walden, Circuit Pastor in the Methodist Church will be in charge of the Court House Lawn Services this coming Saturday, September 19. The services will begin at 4 p. m.

The public has a cordial invitation to attend these services.

—BUY WAR BONDS AND STAMPS—

The quota for the Dawson County Surgical Dressings program has been set at 39,000 dressings to be made in two months. This is a very large program and will take every woman who can possibly help.

Tuesday, September 21, beginning at two-thirty o'clock every one who is interested in doing this kind of work is asked to come to the First Methodist Church and sign up so that work days can be assigned to each when it is the most convenient for them. We will be able to have so many to work at each shift because of the limited space.

If it is impossible for you to come but you want to help with this work please call Mrs. Sam C. Jenkins at 408M or Mrs. N. H. Price at 47 and leave your name and the day you wish to work.

Again we urge every woman in Dawson County to spend at least one afternoon a week doing this vital war work.

Six-Man Football League Organized In County Tues.

School officials from Klondike, Union, Dawson, Sparenberg, and Ackerly met last Tuesday night in Lamesa and organized the six-man football league for their schools. H. S. Carder of Klondike was elected secretary for the group.

Due to the tire situation all football games will be played in Lamesa. Two games to be played each Saturday afternoon, beginning at 2 o'clock at McCollum Field.

The following is the six-man football schedule arranged to date:

Union vs Ackerly, Saturday afternoon, September 19 at 2 o'clock.

Klondike vs Sparenberg, Saturday afternoon, September 19 at 3 o'clock.

Mr. Carder reports that a complete schedule will be ready for publication next week.

Inspection Of School Buses To Be Held Sept. 25

Every school bus in Dawson County will be inspected by the State Highway Patrolmen here on Friday, September 25, beginning at 10 o'clock a. m. The inspection will be held in front of the First Methodist Church.

At the same time the Highway Patrol inspects the buses for safety, the State Health Department will have a unit here to give each bus driver a tuberculosis test.

Sale At Auctin Barn Monday

Twenty head of good fresh Jersey milk cows will be sold at auction Monday, September 21, at 1 p. m. at the Dawson County Auction Barn in Lamesa. Whit M. Barrow owner, reports that the cows are the heavy body types and are four gallon producers or better, bought from farms in Johnson and surrounding counties.

Col. Kenneth Bozeman, well known auctioneer will conduct the sale, assisted by E. E. Barron, clerk.

Assembly Of God Church To Start Revival Meeting

REV. J. C. MCCLUSKY

The public is cordially invited to attend a revival meeting which will begin at the Assembly of God Church, Monday night, September 21.

Rev. J. C. McClusky of Oklahoma City, will be the evangelist. Rev. McClusky is a very able speaker. Be sure and come to this meeting. If you can't, you can pray. — W. M. Bozeman, pastor.

School Children To Help Stage Scrap Drive

The Lamesa Schools have been notified by a message from State Superintendent L. A. Woods to superintendent V. Z. Rogers that Texas school children will take part in the nation-wide scrap drive, beginning on October 3 and continuing to October 17. This nation-wide drive to collect needed scrap on the part of the children in the public schools of the nation is headed up by U. S. Commissioner of Education J. W. Studebaker. The state superintendents of the respective states head up their units.

The details of the campaign have not yet been received but local school officials have been promised the organization instructions prior to September 26.

Commissioner Studebaker expects thirty million school children to be enrolled in this patriotic movement.

Aide In Maceo Case

Miss Edith A. Glenn, the only woman ever to hold the post of Assistant United States Attorney in the criminal division of the southern district of New York is shown in her office at the federal building. She has been assigned assistant prosecutor in the case of Sam Maceo, Galveston, Texas, night club proprietor, who is scheduled to go to trial Sept. 16 on a charge of conspiracy. He was indicted with 87 others on charges of running a \$10,000,000 narcotic conspiracy.

TO THE PEOPLE OF LAMESA

An article that may be pleasing to some and a stab for others.

It has been brought to our attention that vandalism is being practiced on Catholic Church property in Lamesa, resulting in the destruction of church building and religious equipment. These facts have been substantiated by students of the Catholic faith, temporarily located here, and who according to their own statement would appreciate very much the opportunity of worshipping in their own way.

It is our belief that the citizens and law enforcement officials of Lamesa should manifest just as much interest in the protection of this property as they would in their own homes or churches. It is hoped that in the future this shameful condition will no longer be allowed to exist.

The United States government makes no attempt to dictate the type of religious worship that members of the armed forces shall engage in, as a matter of fact, freedom of worship is one

of the cardinal principles laid down in the constitution.

In our world of turmoil, when we as soldiers give up good jobs, nice homes, all our friends and relatives to fight for you people, it seems that we ought to be accorded the privilege of worshipping as we please.

To who or whom the key fits the lock, let's say it is very, very, bad, when we are fighting, giving up our lives for freedom, freedom of worship, freedom of speech, freedom of press, etc., and that we are not allowed to worship as we please.

We presume that all people are friendly, but when aviation students (Cadets) who in a few months will be facing the enemy, that he, and he above all, ought to have freedom of religious preference.

We of the Glider School have students of all denominations and it is hoped by this article to allow freedom of worship for all denominations.

James E. Garrison, 1st Lieut., A. C. Commandant of Students

Tornadoes To Meet Snyder Tigers Here Friday Night

Athletic relations between Snyder High School and Lamesa High School are to be resumed on Friday night when the Snyder High Tigers meet the Lamesa Golden Tornadoes.

The conditions of the roads between the two county seats have been such that football games between the two were abandoned a few years ago but with the completion of State Highway 15 the two schools are playing again.

The Tigers are regarded, and have been over a long period of time as one of the strongest high school football units in their conference. The Tigers had a team of young members last year practically all of whom are in school again to give that organization a team of veterans.

An interesting game may always be expected when the Golden Tornadoes and Tigers meet. The game will be played on McCollum Field, beginning at 8:30 p. m.

This particular game has been designated by Coach Cloyd and the Golden Tornado squad members as "ram member parents' night." Special invitations have been extended to the parents of each squad member to be present as guests of the organization and they are to be seated in a special section in the grandstand.

The membership on the squad still remains more than thirty and they are working with Mr. Cloyd two and two and one-half hours daily and sometimes as much as three hours to be ready for conference play.

—BUY WAR BONDS AND STAMPS—

Officer Personnel Changed At Glider Training School

First Lieutenant Walter S. Powers former Commander of this training station, has been transferred to Vinita, Oklahoma, to assume command of a Glider Training School being built there. Lieutenant James V. Mesita has assumed command here succeeding Lieutenant Powers.

Captain Walter S. Harris is being transferred to the Adjutant General School, Fort Leavenworth, Kansas.

The above officers will be missed at Lamesa High School, and they have the best wishes of the local Air Force for success at their new assignment.

Forty Students Receiving Pre-Flight Training

More than forty pupils of the Lamesa High School are enrolled in the two groups studying pre-flight aeronautics. The senior group is instructed by J. H. Bardwell, and are studying the subject two periods each day, because they have only one year to complete their studies in this field.

The juniors, under the instruction of Lee Alexander, are reciting one period daily. This subject carries a regular school credit.

J. J. Taylor, 82 Pioneer Resident Passes Away Wed.

J. J. Taylor, aged 82, and a pioneer citizen of Dawson County passed away at his home on Wednesday, September 16. Funeral services were held on Thursday afternoon at 3:30 p. m. at the Higginbotham Chapel with Rev. David Murray officiating, assisted by Rev. E. F. Cole. Burial was made in the Lamesa Cemetery.

Mr. Taylor was born on December 3, 1859 in Kentucky. He moved to Dawson County about 1915. He was a member of the B. M. A. Baptist Church having joined 60 years ago.

Survivors are his wife, Mrs. Bittie Taylor and the following children, Charles, San Angelo; J. J. Jr., Laredo; W. S., Tahoka; Mrs. M. Shaw Ablene; Bland, Walter, Robert, Mrs. Lola Butler, Mrs. Byron Southard, Mrs. Maggie, Ircton all of Lamesa. One brother, C. C. Taylor, Rockdale, one step-son, T. G. Waldrip, Texarkana. Twenty-four grand children and five great grand children.

Funeralbearers were Walter Barfoot, Chas. Boldin, Al Richardson, W. D. Arnett, F. M. McClendon, J. Lee Kelley, Joe Hancock, and Bill Orson.

Mrs. Bonnie Bertham Smith has accepted a position with Hurt's in the Ready-to-Wear department. She invites her many friends to visit with her.

Draft Board Reclassifies One-Hundred Thirty-Nine Men Monday And Wednesday

Legion To Sponsor Border Land Show Here Sept. 21-26

Playing under the auspices of the Allen-Houston Post No. 330 of the American Legion, the Border Land Shows will be in Lamesa all next week, beginning Monday night, September 21 and running through Saturday night, Sept. 26, and every one is invited to attend and participate in the fun and entertainment provided there for every member of the family.

The Border Land Shows come highly recommended to the local post by other Legion posts and Chambers of Commerce over the state for furnishing only good, clean types of amusement, under reputable management, and the Legionnaires feel they are fortunate in booking them to play in Lamesa at this time.

Location for the shows is directly in front of the Texas State Highway Warehouse and East of Highway No. 9. Admittance to the grounds is free.

Warning To New Residents

People moving to Lamesa, Dawson County, Texas, owning and/or operating an automobile, with the intention or apparent attention of making their residence here, are required to own and have attached to their automobile Texas License Plates.

Anyone found violating this law will be prosecuted. Beginning September 22, 1942, this law will be strictly enforced.

Members of the Armed Forces of U. S. of America are exempt from this law as are "temporary" construction crews, for the present time.

If you are in doubt about your status, please investigate prior to September 22, 1942.

KARL CAYTON, County Attorney.

School Library To Start Rounds Monday, Sept. 21

The Dawson County Circulating School Library truck will start the rounds of the county schools on Monday, September 21, according to an announcement made this week.

Miss Melba Dean Scott will be in charge of the library and will make regular rounds of all the schools twice each month for the rest of this school year.

The library now has 2500 volumes of state approved reading books and now have money to purchase new volumes, reports Henry Norris, county superintendent.

LEAVES FOR NAVY

Jim Kirksey, son of Mr. and Mrs. I. R. Kirksey of this city, volunteered for service in a Naval Construction unit and left Lamesa Sunday for Dallas, where he will be inducted.

Twenty-six Faculty Changes In Lamesa Schools This Year

School Students Buy War Stamps

Lamesa High School pupils under the leadership of Owen Taylor, Helen Barron and Betty Renner started their sale of War Bonds and Stamps at the high school building Tuesday, September 15.

The total sales were announced by Mr. McCollum in assembly as reaching a total of \$99.80. The senior class led in Tuesdays sales and get to keep the flag for a week.

The day designated for the sale of these Government Securities is Tuesday of each week in the high school. Friday will be the day the elementary school pupils will purchase stamps.

Nearly a 100 million dozen eggs are produced a year in New York state.

The Local Selective Service Board re-classified one hundred and thirty-nine men at their meetings on Monday and Wednesday nights.

Gresham.

The Lamesa Public School enrollment is continuing ahead of the corresponding record of last year for new records in the local schools. The high school enrollment has caught up with last year and the elementary school and Negro school enrollment continues to show gain though slight. The number of pupils accounted for on Tuesday was 1529 against a corresponding total of last year of 1503.

The Lamesa Public Schools, like many other school systems had an unusually high percentage of faculty turnover from last year.

There were thirteen teacher changes in the elementary school faculty of twenty-seven members, twelve changes in a faculty of twenty in high school, and one change among two faculty members in the Negro School for a total of twenty-six faculty changes in a total faculty of fifty members.

All faculty places are filled at this time. Mrs. Clay Howell is teaching.

NEWS RELEASES FROM OFFICE OF WAR INFORMATION

TRUCK TO CARRY CERTIFICATE OF NECESSITY AFTER NOV. 15

Under the ODT orders to control use of trucks, beginning November 15 every vehicle affected will have to carry a certificate of necessity which will govern the maximum mileage that may be operated or the minimum loads that may be carried, or both. The certificate will be a requisite to obtain gasoline, tires, or parts.

The order applies to all types of trucks and other rubber-tired vehicles propelled by or drawn by mechanical power and built or rebuilt primarily for the transportation of property, except motorcycles, and all motor vehicles used in the transportation of passengers or which are available for public rental, including ambulances and hearses, but not including private passenger cars.

COMMITTEE RECOMMENDS NATION WIDE GASOLINE RATIONING

For operators of private passenger cars, there will be other methods to enforce rubber conservation, including controls over gasoline marketing.

Citing the fact that it is a choice between "discomfort and defeat," the Baruch committee's recommendations to the President included a nation wide speed limit of 35 miles per hour, reduction of essential driving to an average of 5,000 miles per car a year, allocation of rubber and recaps to maintain essential civilian driving, compulsory tire inspection, and an intensive volunteer conservation program pending establishment of controls.

WORKERS FROZEN TO JOBS ON LUMBER, MINING INDUSTRIES

A definite step in the nation's conservation of manpower was taken when the War Manpower Commission issued orders to freeze workers on their jobs in Southwestern lumbering and non-ferrous mining and smelting industries.

The first of the moves that are expected to maintain essential production will be effective especially in the mining and smelting area around El Paso, the smelting area near Amarillo, and the lumbering region of which Lufkin is a center. Under the plan, it will be necessary for a man in one of the industries to have a certificate from the U. S. Employment Service before he can accept other employment.

With this policy set by the WMC, labor becomes a tangible resource that will be allocated with raw materials and commodities to one job ahead of that of winning the war.

TWO-TONE SHOES OUT

Without placing any limit on the

production of permitted styles of civilian shoes, WPB has banned manufacture of two-color shoes and reduced the variety of styles and colors for footwear to be made for 1943 spring and summer wearing. The supply of shoe leather has become the limiting factor in shoe production, and reduction of shoe styles and colors will prevent sole leather from being tied up in little-used footwear. No limitations are applied to shoes made with soles other than leather or composition.

REFRIGERATORS "DEFROSTED"

WPB has released approximately 50,000 domestic mechanical refrigerators frozen in the hands of dealers and distributors since February 14, for purchase by consumers who certify that they have no other refrigeration equipment at their disposal. The released units are chiefly of the deluxe type, which have been found unsuitable for military use. Production of domestic mechanical refrigerators ended for the duration on April 30 of this year.

MEN'S STYLES TO BE TIGHTENED

An amendment now in preparation by WPB would apply many of the simplification provisions now effective on manufacture of men's wool clothing to all men's clothing, regardless of the material used. The amendment is expected to bring to and production of "zoot suits" now being made of rayon and cotton, and end the waste of fabrics in such garments.

BICYCLE DEALERS WARNED

OPA has warned dealers selling used bicycles that their sales are regulated by the General Maximum Price Regulation and their ceiling prices must therefore be the highest prices charged in March this year. As there were no restrictions on the sale of new bicycles in March, prices for second-hand machines were considerably lower at that time than the prices for new bicycles.

GINNERS MUST FILE PRICES

The 6700 cotton ginners in OPA's six-state Southwestern region have been put on notice by Region Administrator Max L. McCullough that they must file a statement on their prices with the region OPA office in Dallas on or before September 19 or cease operating on that date. Maximum prices for ginning services are regulated in MPR 211. Any reduction in quality of service from the quality rendered last year, and any reduction in the percentage of seed returned are the same as price increases and are violations of the Price Control Act.

Chuck Jacobs left this week for Austin where he will enter the University of Texas for the Fall semester. He is the son of Mr. and Mrs. A. E. Jacobs.

Mansfield Wins World Title In Calf-Roping

MIDLAND, Sept. 14. Toots Mansfield, Bandera calf-roper extraordinary, won a \$2,000 purse and the world championship in a calf-roping contest here Sunday afternoon with Clyde Burk of Comanche, Okla. Mansfield caught and tied his 12 calves in 277.1 seconds, while it took Burk 311 seconds. This made an average of 23.09 second for Mansfield and an average of 25.91 for Burk. The fastest time of the contest was made by Mansfield, who tied his first calf in 15 seconds. It took Mansfield 33.2 seconds on his last calf. He had to use two loops on this calf and two loops on his fourth calf.

Burk's fastest time for the afternoon was 18.2 on his tenth calf. He made a time of 18.3 seconds on his first calf, and his slowest time was his seventh calf when it took 32.1 seconds.

Troy Fort of Lovington, N. M., beat James Kinney of Comstock in a six-calf matched-roping event when he tied his six calves in 152.6 seconds. It took Kinney 210.2 seconds to tie his six calves.

Sonny Edwards of Big Spring was the winner in the six-calf roping event with Jim Espy of Fort Davis. Edwards' time was 177.4 seconds and Espy's time was 269 seconds.

Limey Thomas was first in the bull riding event and J. B. Hunter was second.

In the exhibition bulldogging event, Homer Pettigrew of New Mexico downed his steer in 23.9 seconds and Rusty McGinty of Plains downed his steer in 28.3 seconds.

More than 30 calf ropers were entered in the jack pot calf roping event that was not finished until late.

The crowd that witnessed the roping events was one of the largest in Midland rodeo history. All grandstand and bleacher seats were filled and many stood and sat in cars around the arena.

Roy Parks Jr. and Clarence Scharbauer Jr., both of Midland, were color bearers at the opening of the afternoon performance.

In a brief preview of the activities of the Midland Fair Association, which decided to call off the rodeo this year because of war conditions, then later decided to hold the roping event for the benefit of soldiers stationed in this section. Announcer Jack Nixon expressed the appreciation of Midland people to Clarence Scharbauer Sr. for his untiring efforts to promote the welfare of Midland and the fair association. Scharbauer returned from Fort Worth a few days ago where he was in a hospital, but was able to attend the roping events Sunday afternoon.

While tying his last calf, Troy Fort was injured when the calf kicked him on the chin. An examination at a hospital later revealed that his jaw bone had been fractured.

The big crowd that witnessed the

Examinations For Hospital Positions Open

In view of the scarcity of qualified persons to fill certain positions

in Government hospitals, the Civil Service Commission has issued, in revised form, three of its continuously open examinations.

The new examination announcement for Physiotherapy Aide (\$1,800) and Jr. Physiotherapy Aide (\$1,600) includes the following modified requirements: No written test; no maximum age limit; no limitation on height and weight.

The new examination announcement for Student Physiotherapy Aide (\$420) and Apprentice Physio-

therapy (\$1,440) has been modified in the following respects: Women only are eligible; no maximum age limit; modified physical requirements.

The new examination announcement for Jr. Graduate Nurse (\$1,620) has been modified in the following respects: Date of graduation from a school of nursing has been set back; relaxation in physical requirements; no maximum age limit.

All applications must be sent to the Washington office of the Civil

Service Commission. Applications will be accepted until the needs of the service have been met.

Full information as to requirements, and application forms, may be obtained from Secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners at first and second-class post offices.

- Beige color
- An excellent windbreaker

Stays fresh and crisp through countless dry cleanings or launderings—because the fabric is Zelan-treated. It resists wind, rain and non-oily staining liquids. Elastic side bands.

That Extra Something!

... You can spot it every time

IT TAKES special skill to make a thing good. It takes skill to make Coca-Cola—the skill that comes from a lifetime of practice. There's a finished art that goes into its making.

In Coca-Cola there's a special blend of wholesome flavor-essences which merges all the ingredients of Coca-Cola into the taste that makes Coca-Cola so uniquely refreshing. No one can duplicate it.

Ice-cold Coca-Cola is more than just thirst-quenching—it is refreshing. The drink that goes into refreshing energy. The drink whose quality sets it apart in delicious goodness.

War-time limits the supply of Coca-Cola. Those times when you cannot get it, remember: Coke, being first choice, sells out first. Ask for it each time. No matter how short the supply, the quality of Coca-Cola carries on.

New Officers Of Womens Study Club Hostesses At Meeting Tuesday Evening

The Women's Study Club of Lamesa met Tuesday evening at the home of Mrs. Matt McCall's, for the first regular meeting of the year. The new officers were hostesses for the meeting.

As members and guests arrived they were greeted by Mrs. T. A. Kellan, president and Mrs. Matt McCall. Bouquets of asters and marigolds decorated the entertaining rooms. The serving table was laid with a white linen cloth from which sandwiches, cake and punch was served by Mrs. Z. T. Davis to the following: Mesdames Ira Ashley, W. G. Barrett, Mildred Barron, S. W. Beason, A. G. Bearden, M. O. Grant, A. Hull, T. A. Kellan, M. C. Lindsey, Matt McCall, Jack McLaughlin, Hardy Morgan, Dan Ogletree, Guy Orr, Harry T. Pace, L. M. Pratt, T. F. Vaughn, C. W. Schaefer.

Carl Rountree, Ray Williams, W. A. Stephens, D. W. Massengale and Misses Connie Zell Barnes and Erma Spraws.

During the tea hour Mrs. Carl Rountree played musical selections. The subject for this year's study is "Education For Democracy Victory." The topic for discussion Tuesday evening was "Return to Religion," with Mrs. Hardy Morgan as leader, who gave the opening address. "Religion—the Intergrating Force in Democracy" was given by Mrs. Dan Ogletree and Mrs. Z. T. Davis gave a discussion on "The Soldiers and His Religion."

The meeting was closed with Mrs. Matt McCall softly playing a musical selection and a prayer being offered by members of the club. The next meeting will be held October 6.

New officers for this year are: Mrs. T. A. Kellan, president; first vice president, Mrs. Hardy Morgan; second vice president, Mrs. Dan Ogletree; secretary, Mrs. Guy Orr; treasurer, Miss Erma Spraws; Reporter, Mrs. Leslie Pratt; Parliamentarian, Mrs. L. M. Pratt; Critic, Mrs. Matt McCall; Time Keeper, Mrs. A. Hull and Federation Conular, Mrs. Dan Ogletree.

Mr. and Mrs. M. E. Smart and Mr. and Mrs. Le Roy Serface spent the week end in Fort Worth visiting with relatives and friends.

MRS. T. F. VAUGHN HOSTESS TO BRIDGE CLUB TUESDAY

Mrs. T. F. Vaughn entertained Tuesday afternoon at her home for members and guests of the Tuesday Bridge Club.

Games of bridge were enjoyed during the afternoon with Mrs. Loo Randal winning high score prize and Mrs. Carl Cox and Mrs. W. D. Massengale winning Slam prizes. Guests attending were Mesdames, Carl Cox, Jimmie Cotten, Bernie Holt, Loo Randal, Wright Boyd, D. W. Massengale, Cecil Bryant, and C. A. Hollingsworth.

MRS. R. E. SIMPSON HOSTESS TO BRIDGE AFTERNOON

Complimenting her mother, Mrs. R. E. Simpson, Mrs. Henry Stafford entertained with two tables of bridge at her home Wednesday afternoon. Games of bridge were enjoyed during the evening after which Mrs. Simpson was presented with many lovely gifts.

Guests attending were Mesdames, E. R. Tinsley, T. F. Vaughn, George Norman, A. E. Jacobs, M. Q. Martin, Dixie Kilgore, Chas. Procter, Matt McCall and R. E. Simpson.

MRS. JOHN AGEE HOSTESS TO 42 CLUB WEDNESDAY

Mrs. John Agee was hostess to members and guests of the Wednesday 42 Club Wednesday afternoon at the home of Mrs. Fred Reeces.

The entertaining rooms were attractively decorated with bouquets of dahlias. Games of 42 were enjoyed during the afternoon, after which a delicious salad course was served.

Those attending were Mesdames, Jap Baldwin, Blaine Wiggins, Joe English, Durwin Echols, Elmer Cope, Nelson Williams, Ebbie Lee, Olen York, Carl Peterson, Joe Whitlow and the hostess, Mrs. Agee.

MISS MOZELLE RHEA HONORED ON 12TH BIRTHDAY

Honoring Miss Mozelle Rhea on her 12th birthday, Mesdames George Rhea and Harry, entertained with a party at the home of Mrs. Rhea Saturday evening.

Various games were enjoyed during the evening after which cookies, fruit punch and mints were served.

Guests attending were, A. D. and Juanita Reed, Bobbie Joe Monroe, Jeannine Stafford, Joyce Springfield, Margie Baker, Nell Ward, Gene McKee, Troy J. and Billie and Davie Joe Brown, Dewane Williams, J. C. Ingram, Berta Faye Henson, Forrest Criswell, Alta Taylor, Barbara Griffin, Roselee Pavaador, Geraldine and Weda Merel Nicholes, Gary Dale and Marcia B. Rhea and the honoree, Mozelle Rhea.

VERNON ADCOCK NAMED HONOREE AT PARTY WEDNESDAY

Complimenting Vernon Adcock, ex-County Judge, who for the past several months has been stationed at Camp Roberts, California, the County Officials entertained with a buffet supper Wednesday evening at the Municipal Building.

After the supper the following program was given with Howard Humphrey as master of ceremonies. The entire group sang, "God Bless America," which was followed by the invocation given by Allen Salsar. Short talks were given during the evening by Judge J. E. Garland and Karl Cayton who presented the honoree with a watch.

Various games were enjoyed during the evening by about twenty-five guests.

IN MEMORY
 God has called a Rosebud for the Beautiful Mansion unseen. So he saw it fit to call little Ronald Dean.
 Our home is sad and lonely. Our hearts are breaking still. But God has a place for little Ronald Dean to fill.
 —By Mother.

A PROCLAMATION

To speed preparations for launching an all-out offensive against the Axis, the Army Air Forces urgently need men with the ability to service airplanes, trucks and guns to "Keep 'em Flying," rolling and firing.

Six types of specialists are needed at once: Aircraft mechanics, armorers, radio mechanics, radio operators and mechanics, metalworkers and welders.

No previous experience in these lines is required. Given men with mechanical aptitude, the Army Air Forces can train them quickly and efficiently in a new trade.

To get as many men as possible into training as quickly as possible, the Army Air Forces are now enlisting men directly, with the understanding that, wherever possible, these men will be stationed at fields near their homes.

In view of the urgency of the need, I do hereby proclaim the week of September 14-19 as **AAF TECHNICIAN PROCUREMENT WEEK.**

Beginning at 3:00 p. m., September 19th, Army Air Force representatives from Midland Army Flying School will be stationed at the Courthouse for the purpose of explaining the requirements and enlisting volunteers for training.

The opportunities for advancement of men enlisting in this category are wide. While they are learning a new vocation, they will be extended all the benefits and protections offered by the United States Army.

Men of Lamesa are urged to give most serious consideration to this appeal.

CHARNELL JOBE, Mayor of Lamesa, Texas.

MISS ROYNEEL KAYAL HONORED ON 13TH BIRTHDAY MONDAY

Honoring Miss Royneel Kayal on her thirteenth birthday, Mrs. Robert Young of Los Angeles, California, entertained Monday evening at the home of Mrs. Kayal's.

During the evening the guests were entertained by games, and music was furnished by Mrs. A. G. Darnard.

Sandwiches, olives, potato chips, pickles, cake, punch and ice cream were served to the following guests, Ann Johnson, Ann McGuire, Jimmy Lee Cotten, Christine Heath, Virginia Luker, Mary Whitler, Peggy Bradford, Wilma Bradford, Avalon Barkhurst, Nancy Hollingsworth, Jimmy Lou Sumpter, Oneta Esmond, Vernon Holt, George B. Hart, John Leuenberger, David Middleton, Jimmy Earl Aldridge and Royneel Kayal.

MISS FRANCES DAY TAKES VOWS WITH MORGAN WRISTEN

The marriage of Miss Frances Day, daughter of Mr. and Mrs. Roy Day of Big Spring and Mr. Morgan Wristen, son of Mr. and Mrs. Bert Wristen of the Liberty community was solemnized Saturday evening at the Church of Christ.

O. H. Tabor, minister of the Church of Christ performed the impressive ring ceremony in the presence of relatives and intimate friends.

The bride was lovely in a navy and white ensemble with navy accessories.

Mr. and Mrs. Wristen will make their home at Grand Falls, Texas, where Mr. Wristen is in the ranching business.

HOMEMAKERS SUNDAY SCHOOL CLASS HOLDS BUSINESS MEETING

Mrs. Shelby Dalmont and Mrs. Connally Baldwin were joint hostesses to members of the Homemakers Sunday School Class of the First Baptist Church Tuesday evening at the church.

A business meeting was held with Mrs. Eugene Barrett, president of the class in charge.

A salad plate was served to Mesdames, Nelson Williams, Eugene Barrett, O. H. Best, Pauline Jameson, Ince Neal, Bob Phillips, Joe Whitlow, Mrs. R. F. Nix, the teacher and the hostesses.

KLONDIKE BAPTIST CHURCH

Last Sunday was another banner day for the Klondike Church. There were 120 in Sunday School, with every teacher in their place, and one conversion and addition by baptism in the preaching service, also one rededication.

This good church is making a steady progress Sunday by Sunday winning the lost through out the year; what a joy to a pastor's heart to work with a good church like this one; one mind, one heart, one purpose and that to magnify the Savior as a remedy for sin. Christian people need to pull together in these trying days. Does the world see a beautiful spirit of fellowship in the church or a spirit of strife and backbiting? We are thankful that this good church is giving to the world

Dawson County Teachers Hold First Meeting

The school teachers of Dawson County held their first meeting of the new school year on Tuesday night, September 15 in the District Court Room. All schools of the county were represented with the exception of Grandview. Two teachers were absent from Woody.

Purpose of the Tuesdays night's meeting was to organize for the coming year, and to have a general discussion of the school problems.

Announcement was made during the meeting that E. H. Boulter, Deputy State Superintendent would be in Lamesa on Thursday, September 17, arriving at 9 o'clock. He will spend the entire day here and will give tentative approvals for State Aid applications.

Teachers were also told of the school bus inspection to be held on September 25, and that the Dawson County Circulating Library truck will start its rounds Monday, Miss Melba Dean Scott will be in charge.

Plans were discussed for a Scrap Drive to be staged in Dawson County through the school children, this will start on October 5. Full details of the drive will be given at a later date.

MARRIAGE LICENSES

Those securing marriage licenses this week were, Robert Lee Wicker and Ruth Laverne Wicker, September 7; Jess M. Wristen and Frances Day, Sept. 12; James O. Bradley and Mrs. Doll Irene Chapman, Sept. 12; E. V. Dunn Jr., and Miss Bobbie Reynolds, Sept. 12.

SANDRA PRATT HONORED ON BIRTHDAY

Mrs. Leslie Pratt honored her daughter, Sandra, on her 3rd birthday with a party Tuesday afternoon at their home.

Those attending were Pamela Price, Sue Lott, Bill Don Creighton, Frank and Jerry Jones, Cezanne and Linda Shelton, Charles and Judy Allen, Clark Loveless, Yvonne Pratt and Sandra Pratt.

Miss Frances Lindsey, daughter of Mr. and Mrs. M. C. Lindsey left Friday for Waco, where she will attend Baylor University this fall.

PERSONALS

Various games were enjoyed during the afternoon after which ice cream and cake were served to the guests.

Lack Cowden left Thursday for Wichita Falls after visiting here this week with his wife.

Mrs. W. B. Collins is visiting relatives and friends in McCloud, Oklahoma, this week.

Mr. and Mrs. Gene Green and baby of Carlsbad, New Mexico, spent several days here this week visiting with her parents, Mr. and Mrs. W. L. Marr.

Miss Mary Horten left Tuesday for Lubbock, where she will attend Tech this fall.

Mr. and Mrs. A. H. Merrick spent the week end in Midland visiting with relatives and friends.

Mr. and Mrs. H. J. Land of Los Angeles, California, are visiting in Lamesa this week.

Perry Land, who has been employed in the Calship Yard of Los Angeles, is visiting in Lamesa.

Aubrey and Deward Davis of Los Angeles, California, are visiting in Lamesa this week.

Elmer T. Ireton left the first of the week for Lubbock where he will attend Tech this fall. He is the son of Mrs. Elmer Ireton and will be classified as a senior. For the past two months he has been employed by the Stanolind Oil and Gas Co., at Monahan, Texas.

RATS CARRY TYPHUS FEVER
 There are a number of cases of this fever in our adjoining county (Martin) now.
WHY TAKE CHANCES ? ? ?
RAT NIP kills all the rats. Read what the Manufacturer of **RAT NIP** says:
 "RAT-NIP is infallible. Not a single rat can resist it. It absolutely never fails. It gets them all every time. Not one can escape. If **RAT-NIP** were applied all over the country at one time the entire rat population would be exterminated in a single night."
 "The trouble with all other exterminators is that rats detect the poisons and will avoid them. Only the unsophisticated or very hungry rats will occasionally eat them, whereas **RAT-NIP** draws even the wildest old fellows from their lairs and gets them all. They will leave meat, fish, cheese, grain and the choicest foods to get at a piece of **RAT-NIP** bait. Nothing like it has ever been known."
 We sell **RAT-NIP** under a money back guarantee. If not satisfied with results.
 only **35c.**

Key PTA Members Have Canned Over 1100 Cans

Members of the Key Parent Teacher Association held their first meeting on September 10 and decided to sponsor the Hot Lunch Program again this year. Mrs. Bankhead, PTA president, had charge of the meeting. Thirty-five parents and a number of children were in attendance.

The ladies of the Key community have canned 1100 cans of fruits and vegetables to be used in the school lunch room, in supplementing the commodities. The foodstuff canned consist of peas, beans, plums, corn and peaches.

On Wednesday, September 16, the parents of school children met and canned okra, and butter beans for the lunch program. They also dressed fryers which will be placed in the frozen locker for use this fall and winter. The parents are donating these chickens. In connection with the lunch program, milk will be provided each day by the Agricultural-Marketing Association.

Legion Auxiliary To Hear District President Monday

The American Legion Auxiliary will have their regular meeting on Monday night, September 21, at the Municipal Building at the City Park.

Senior Class Elects Officers

The 1942 Senior Class of the Lamesa High School has perfected their organization by the election of Weldon Bratcher, as president; Fred Reese, vice-president; and Lotta Bess Baldwin, secretary and treasurer. The sponsors for the class for this school term are D. W. Ogletree and Miss Gwendolyn Gordon.

Sgt. Mutt Maxwell of Fort Bliss, El Paso, is visiting here with his wife this week.

Bob Crawley Injured While Playing Football

ANNAPOLIS, Md. Sept. 8 - Week end scrimmages with Georgetown's Hoyas cost Navy football squad one of its most promising half-backs, Cmdr. John E. Wheelchel, head Middle coach, reported today.

Whichel said Bob Crawley, Lamesa, Texas, sophomore, had been injured and would be lost to the squad indefinitely. Crawley, slim, 168-pounder, was considered one of the best prospects seeking to usurp Capt. Al Cameron of the left half back post.

The injury, which Wheelchel did not describe, was Crawley's second mishap of the year. Last spring he suffered a broken arm.

Levelland Church To Be Dedicated Sunday, Sept. 20

Rev. Theo. F. Sager, pastor of the local Lutheran Church and members of his congregation will go to Levelland Sunday, September 20, to attend the dedication services of a new church at that place, of which Rev. Sager is also pastor. The services will begin in front of the church at 10:30 a. m.

The new Lutheran Church at Levelland is a real step forward for this congregation. When services were begun there in the fall of 1939, they were held in the farm home of one of the members. In January 1940 the place of worship moved to Levelland and there held in the Presbyterian Church for a time. Then facilities and room of the new American Legion were secured on June 1, 1940. Here the group met until the new church was completed.

Following Services Discontinued By Western Union Telegraph Co.

1. Christmas, New Year's Thanksgiving, Easter, St. Valentine's Day, Fathers Day, Mother's Day and Jewish New Year greetings sent as special-rate messages. 2. Social telegrams at special rates, for birthdays and other anniversaries, births, weddings, commencements and similar occasions; Kiddiegrams to children, Bon Voyage messages, Pep Telegrams to school teams, and fixed-text messages from resorts and national parks. Also Sing-O-Grams and Tourate and Reservation telegrams for travelers.

WARTIME economy demands that we make the best use of what we have. GOOD LIGHT, so essential to good work, can be BETTER light, just by keeping light bulbs and glass diffusing bowls clean.

Texas Electric Service Company C. E. CAMERON, Manager

HANCOCK Jack Meares, Jr.

Sunday School was well attended Sunday morning. Every one came back Sunday and bring some one with you.

Jack and Lloyd Meares visited friends and relatives in Jackboro, Texas, over the week end. Mrs. Julia Chapman and son, Glynn, Mrs. Jack Fisher and family visited relatives in Big Spring Sunday.

Bro. Bill Robinson of Levelland, Texas, visited Jack Meares Jr. last Tuesday. Several from here attended the Association meeting in Lamesa Tuesday and Wednesday.

Mrs. Nell Davis entertained Friday night with a Sunday School social. There were 23 guests present. They all reported a very nice time. Sandwiches and cookies were served.

Buster Davis has been continuing feed lately. Mr. Paul Edgmon of Los Angeles, California, is visiting relatives here this week.

New church constitutes an expenditure of an estimated \$1500.00. It was built for \$800. Members of the congregation contributed approximately 150 days of labor. The new building is 22 by 36 has chancel and auditorium. It was designed and planned by the building committee.

The beautiful altar and pulpit were designed and built by one of the church members. The membership of the church is 35 communicants and has a Sunday School of 60.

No services will be held at the Lamesa Lutheran Church Sunday. But services will be held at the usual time on the fourth Sunday, according to Rev. Sager.

1 Good Used Electric Washer with good Wringer 14.50 1 Used 6 volt Wing-charger 10.00 1 New Food Tarpuulins at Old Prices. 1 Nice Gas 3-Burner Stove (used) 19.50 1 New Ice Cream Freezers left. Only a few Galvanized Tubs. RAT-NIP 35c Everything for the Cotton Picker. DYER HARDWARE & AUTO SUPPLY

Juana Jean Cox left Thursday for Austin, where she will attend the University of Texas this semester. Gus White, Jr., left Wednesday for College Station, where he will enroll in A. and M. College.

Gene Earnest left this week for Abilene, where she will attend Hardin-Simmons University.

Mr. and Mrs. Millard Blair have moved back in our community and we are happy to have them.

Mrs. C. D. Applegate made a business trip to Lubbock Friday.

Change In Tax Savings Notes Announced

Secretary Morgenthau today announced changes in the terms of the Treasury Tax Savings Notes, which have been on sale since August 1, 1941, for the convenience of taxpayers and which are receivable at par and accrued interest in payment of Federal income, estate, and gift taxes.

The changes are effective in new Treasury Notes for Tax Series A-1945 and Tax Series C-1945, which will be offered for sale beginning September 14, although the new notes will not be ready for delivery before the latter part of the month. The notes of Tax Series A-1945 and Tax Series B-1944, which have been available since January 1, 1942, were withdrawn from sale at the close of business September 12, 1942.

The new notes of Tax Series C are adaptable for dual purposes: (1) for the accumulation of tax reserves and (2) for the temporary or short-term investment of cash balances which are at present idle. This new series of Treasury Notes, the Secretary said, will furnish a security well adapted to corporations and other investors for the mobilization of their idle funds for the War program. The new terms provide greater flexibility, and, through provisions for cash redemption with interest, permit holders of Tax Series C notes to realize on the notes without loss of interest.

Members of the Victory Fund Committees in the twelve Federal Districts, with a trained securities sales personnel, will participate actively in the sale of the new Tax Savings Notes. Each Federal Reserve District Committee is headed by the President of the Federal Reserve Bank of the District. Members of Victory Fund Committee, as well as bankers and securities salesmen generally, will have complete information and application forms and will assist taxpayers and other investors desiring to purchase these notes.

The notes of Tax Series A-1945, like those of prior Series A notes, are intended primarily for the smaller taxpayer. The new notes will be dated September 1, 1942, and will mature September 1, 1945, thus providing a maturity of three rather than two years from issue date. The limitation on the principal amount that may be presented on account of any one taxpayer's liability for each class of taxes (income, estate or gift) for each taxable period has

Homer Simpson left Thursday for

and accrued interest, either at maturity or, on 30 days' advance notice, during and after the sixth calendar month after the month of issue. If inscribed in the name of a bank that accepts demand deposits, the notes will be accepted at par and accrued interest in payment of taxes, but redeemed for cash at or before maturity only at the purchase price, or par. The notes of this series may be pledged with banking institutions as collateral for loans but no other hypothecation will be recognized by the Treasury Department.

The new Treasury Tax Savings Notes, like those of prior series, will be issued only by the Federal Reserve Banks and Branches, and the Treasury Department, Washington.

Half-year periods Interest Principal after month each month end of issue per \$1,000 period

First 1-2 year	0.50	1,003.00
1-2 to 1 year	0.80	1,007.80
1 to 1-1-2 years	0.90	1,013.20
1-2 to 2 years	1.00	1,019.20
2 to 2-2 years	1.10	1,025.80
2-2 to 3 years	1.10	1,032.40

If not presented in payment of taxes, and except for those in the names of banks that accept demand deposits, the notes of Tax Series C will be redeemable at par

Our school is progressing nicely, but we are still one teacher short. Rev. C. T. Jackson, pastor of the Methodist Church here is teaching until we can get another one.

MCCARTY Jo'ene McCasland

School started Monday, September 7th, with an attendance of forty-three.

Mr. and Mrs. Jesse McCasland and Mrs. F. L. McCasland spent Sunday with J. P. McCasland of Woody.

M. C. Kidd was operated on Thursday in a local hospital. We wish him speedy recovery.

Mr. and Mrs. B. R. McCasland spent Sunday with Mr. and Mrs. Bill Towns.

Clyde Everheart and Raymond Peterson spent Sunday in the Woody community.

Bobbie Hardesty spent the day with Jeannine Middleton Sunday.

Mr. and Mrs. H. E. Green of Shumake and Mrs. W. O. Reeves and son

Pilots Chosen To Fit Planes

The old saw which predicates that "hats were made to fit heads and not heads to fit hats" does not hold good in the Army Air Forces, according to a War Department statement released today.

It refers specifically to fighter aircraft and points out that the airplanes were built for a purpose and to carefully drawn plans. Therefore it is necessary to find pilots to fit the plane rather than vice versa.

The fighter plane, meaning the "P" group which includes the Airacobra, Kittyhawk, Mustang, Thunderbolt, etc., calls for pilots who may not exceed 5 feet 9 inches in height and 170 pounds in weight. Rather, it is preferred that they be shorter and lighter than the maximum.

Specifications for these speedy, death-dealing ships call for a cockpit to accommodate a pilot who is no taller or heavier than indicated. The cockpit, which is just large enough for a man of these proportions to turn about in, utilizes every bit of available space. It contains the necessary flight instruments, controls, both for the armament and flight; has armored walls and its protected back set is so designed that it will hold the pilot, equipped with his chute, comfortably, if a bit snugly. The pilot must be able to move about to perform his various duties, which explains the strict adherence to size and weight.

Holding down the size of the cockpit make for streamlining which, in turn, makes for greater speed and maneuverability. A six-footer would be quite cramped if crowded into the control compartment of one of these ships.

Concentration of facilities is of greatest importance. Just as the concentrated food tablets of our task forces contain all the vitamins necessary for sustaining energy, even though presented in tiny capsule or tablet form, so must the fighting plane use every available bit of space.

of California visited Mr. and Mrs. B. E. Green Sunday.

Katherine Ann Ethridge spent the night with Linda Lee McCasland Friday night.

Government Now Wants Purchasing Officers

Purchasing Officers are being sought by the United States Civil Service Commission for many administrative posts throughout the United States and abroad. Salaries range from \$2,000 to \$4,600 a year. Purchasing Officers will prepare specifications for the purchase of government supplies, and invitations to bid, and must keep abreast of current information with respect to market trends, fluctuations, and sources of supply as well as laws and regulations pertaining to Federal procurement.

Qualifications required of applicants are: From 2 to 6 years of progressively responsible experience as purchasing or procurement officer in large organizations handling extensive lots of wholesale materials of considerable variety.

No written tests are being given for the positions of Purchasing Officer. Applicants will be rated until further notice on the extent and quality of their experience. There are no age restrictions.

The Civil Service Commission announces also, examinations for Refugee Managers and Refuge Aids, appointments to be made to the Bureau of Fish and Wildlife, Department of the Interior. Manager positions will pay from \$2,000 to \$2,600 a year; aids will receive from \$1,200 to \$1,440 a year. All openings are in national wildlife refuges scattered throughout the United States. Closing date to file for these positions is October 19, 1942.

Assistant Refuge Managers must be college graduates who have had 2 years of managerial experience in Federal or State wildlife refuges, or in State conservation programs, or 1 year of such experience supplemented by 1 year of post-graduate study in wildlife management. Junior Refuge Managers must be college graduates with a major in Biology and 12 semester hours of study in wildlife conservation. Refuge Aids must either have completed 3 years of college study with 6 semester hours in game and wildlife management, or else have had 3 years experience as forest or park ranger or as patrolman laborer in Federal or State wildlife areas.

Applicants for the manager positions will be rated solely on their training and experience. Refuge Aids must, however, pass a general examination. All applicants for appointment as Refuge Managers or Refuge Aids must be in excellent physical health.

All applications must be sent to the Washington office of the Civil Service Commission. Full information as to the requirements for these examinations, and application forms, may be obtained from Wright Boyd, Secretary of the Board of U. S. Civil Service Examiners, at the post office or custumhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners, at any first or second-class post office.

Men Join Forces For Best Chance Of Promotion

Lt. Col. Marvin B. Durette, District Recruiting and Induction Officer at Lubbock, Texas, stated today that in view of the possibility that all young men may soon be in uniform, it is the belief that the earlier a man gets into the Service, the better his chances for promotion. That explains why 18 and 19 year old men are enlisting now. They know if they get in now, they can be eligible to apply for Officer's Candidate School at the end of three months, and they may be commissioned long before they reach the advanced age of 21.

This paper does not believe a boy should quit high school for any purpose. But if he is 18 or 19, and has graduated, or has quit for some other reason, then it seems to us that he is a man in a man's world—and one that recognizes that a man of 18 is better able to fight in this war than an old timer. That's why the Army is offering him these opportunities and why he should take advantage of the opportunities open to him to rise as high and as fast as his own ability and hard work will take him.

You can enlist at once and pick out any one of the eight combat branches in which you wish to serve. After you pass 20, you will no longer have such a choice.

The Army offers you the privilege and honor of serving your county now when you are needed. More than that, it provides you with an opportunity to learn and develop. The statement that "the U. S. Army builds men" is no idle slogan. It's a solid fact. The Army is in reality one of the world's greatest industrial colleges. And many thousands of young men will come out of this war with training which will be valuable to them all their lives.

You'll find the Army ready to help you learn; for the greater skill you have, the better soldier you will be. Men 18 and 19 can now win commissions in the Army, and if you show that you have intelligence and qualities of leadership, you will have your chance to attend an Officer Candidate School. By doing good work there you may be commissioned a second lieutenant and find yourself in command of some of the men of your age who now decide to wait until they are called for Service.

Army Recruiting Stations are located at Amarillo, Plainview, Pampa, Big Spring, El Paso, Fort Bliss, Lubbock, Odessa and Sweetwater.

THEATRE PROGRAM...

PALACE

ADMISSION 11c and 30c

Friday

James R. Payne Joins Air Corp

James R. Payne, who has been manager of the Farm Security Administration in Lamesa for two and one-half years, volunteered into the Army Air Corp this week. Mr. Payne expects to be inducted within thirty days. Mrs. Payne will probably make her home in Lubbock.

Campaign—

(Continued from Front Page)
milk. It is generally agreed that the typhus fever found in this area is spread by the rat flea. Fleas leaving rats and getting on human beings can easily spread the disease. Other means of transmission of typhus fever are by the rat louse and the body louse. Infected ticks are also thought to be a factor in its spread. Typhus fever is caused by a germ known as an rickettsial organism, which is too small to be seen with the aid of a microscope. By controlling rats and mice we control typhus fever; for if we have no rats and mice to harbor the fleas and lice that carry the typhus germs, we have eliminated the main source of the spread of the disease. Typhus fever is a very serious disease with symptoms similar to typhoid fever. If you get sick, do not delay, but call your family physician at once. The death rate from typhus fever in this county is thought to be about one death in thirty cases, but in epidemic louse-borne typhus, the death rate is sometimes as high as one death in five cases. By killing rats and mice now, we will be able to stop the spread of typhus fever here.

Aside from the possible danger of an outbreak of typhus fever in Dawson County, the yearly economic loss due to rats is enormous. According to very conservative estimates there are at least 9,000,000 rats in Texas. Each of these rats consumes nearly \$2.00 worth of food annually. Rats are estimated to destroy, ruin, and defile enough food, merchandise, supplies, furniture, etc., each year to amount to nearly ten times that amount. The total cost of one rat per year then is approximately \$20.00, and the cost in Texas per year reaches the astounding figure of \$120,000,000. This would mean a total of about \$300,000 per year that it costs the people of Dawson County to keep their rats.

The destructiveness of the rat is almost unlimited. It destroys cultivated grain as seeds, sprouts, or after ripening. It eats corn both during growth and in the crib. A single rat can eat from 40 to 50 pounds of corn a year. It destroys merchandise, both stored and in transit, books, leather, cloth, vegetables. The rat is the greatest enemy of domestic poultry, and eating quantities of eggs. It causes enormous damage to buildings by gnawing wood, pipes, walls, and foundations.

Rats have nibbled at the ears, noses, and hands of infants in their cribs, and starting rats once devoured a man who entered an abandoned coal mine.

Probably no other animal in the world lives with less justification. The rat breeds, lives, and feeds its family always at the expense of man and other animals.

Twenty-Six—
