Rebelettes Off To Regional Tourney

By Mary Fortner
The Rivercrest Rebelettes will play West Sabine in Huntsville Friday night at 6:00 p.m. to begin the Regional Playoffs.

Chamber Tickets Available

The Rebelettes stayed on the winning track as they clobbered the Spring Hill Pantherettes 66 to 32 at Wimbors in Bi-District competition. For about the first four minutes of the ball game both teams looked

tough as they were tied 4-all with three minutes and 56 seconds left in the first quarter. Then Rivercrest jumped and before one minute elapsed they held a 12 to four lead. By the end of the first period the Rebelettes had moved ahead 20-6.

REBELETTE starting players come in all sizes. Veronica Howerton is 6'4" and has been a strong spot on the Rebelette team. Scotti Wood at 5'3" is the shortest starter on the team, and is the floor captain for the Rebelettes and a good outside shooter. The girls shared the glory Monday night of their decisive 30 point Bi-District win over Spring Hill. (Staff Photo)

The Pantherettes and Rebelettes both began using a press but Spring Hill found that Rivercrest was too powerful and therefore went to a zone defense in the second quarter.

The Rebelettes continued to use the three quarter zone press and rolled in the needed points. They carried a 38-15 lead into the second half.

After half time Rebelettes went to a 2-3 defense but even out from under the press Spring Hill was no match for Rivercrest as the Rebelettes ended the third quarter 52-26. The Rebelettes were paced by the outside

shooting of Scotti Wood and Sarah Scales while post Robyn Reeder laid them up underneath the goal.

In the last quarter the Rebelettes played in much the same style as in the third quarter until three minutes and 46 seconds remained in the ball game when Coach Stubblefield called time out. Coach Stubblefield then sent the Rebelettes back man to man for the remainder of the ball game. Robyn Reeder turned in 19 points for high scoring honors, followed closely by Sarah Scales with 18 points and Scotti Wood with 12.

Heading up the Rebelette defense was Donna Hines with 11 rebounds and one steal. She was assisted by Robyn Reeder with 10 rebounds and Judy Via and Veronica Howerton grabbing eight missed shots each.

The Pantherettes were led by Terry Hunt with 10 points, Pamela Jackson adding nine and Leslie Dickey hitting for eight points.

Rebels To Meet Ore City

The Rebel defeat of the Maud Cardinals Tuesday night in overtime 59 to 54 was the final game to bring the Rivercrest boys to the last showdown with Ore City Thursday night. The game will be at 7:30 p.m. Thursday, Feb. 21 in Mount Pleasant.

Ore City won the first half of the 29-A District Basketball Competition, and the Tuesday night victory over Maud gave the second half championship to Rivercrest. The Thursday night game will determine which of the champions will represent the district in the Bi-District.

The Friday, Feb. 15 clash between Ore City was all the Rebels hoped it would be, with Rivercrest winning the game 55-49. Ore City lead 4-0 early in the game, but Rebels Charles Savage, Jimmy Via, and Gregg Norman on the inside brought Rivercrest to the forefront 13-12 after the first quarter.

The play was even in the second quarter, with the Rebels still leading at the half 29-28. The Rebels scored 13 points to nine for Ore City in the third quarter to lead 41 to 37 at the end of the third

quarter. Ore City took the lead briefly 47-46 with three minutes left in the game, but the Rebels came back on a shot by Savage to bring the score to 48-47 Rivercrest. A steal and a layup by Scales spread the lead to three points, and it was all Rebels after that.

"We changed our press and really hustled," Coach Wake Wood said of the Ore City game. "Playing with our fans makes a difference, but we just wore Ore City down with our hustle," Wood added.

TRACTOR MECHANICS students at Rivercrest are Leon Cannon, Johnny Birchfield, Neil Mankins, Joe Vickers, and Billy Barganski. These students are in the process of rebuilding a tractor using the various mechanical skills they learn at Rivercrest. (Staff Photo)

MEMBERS OF THE Pre-employment Meat Lab at Rivercrest are Jim Cain, David Birchfield, Donnie Kirkpatrick, and Ronnie Birchfield. (Staff Photo)

Rivercrest Observes FFA Week

All over the nation Future Farmers of America are celebrating their week. The Rivercrest High School FFA is no exception.

FFA, the national organization for students studying vocational agriculture in public high school is an organization which provides some exceptional learning experiences for its members.

This is the 52nd anniversary of FFA, an organization run by student-members with adult guidance.

At Rivercrest L.P. (Pete) Taylor, Craig Ingram and Randy Clarkson are the advisors for the 80 members of the program.

The FFA program provides practical training

beyond the traditional classroom approach. The instruction is made more interesting by actually doing the job at hand, from welding, carpentry, livestock judging, showing, field trips and a vast assortment of programs.

At Rivercrest one of the

more interesting programs available is a meat processing lab. Here students can actually work at processing meat, trimming, packaging and wrapping meat. They do not have a kill floor yet, but can participate in most of the rest of the process.

The FFA provides a unique opportunity for young people to learn and develop their potential to the fullest. In its 52nd year it is still growing, expanding and improving. It really provides a comprehensive, over-all learning experience.

Talco Chapter No. 846, Order of the Eastern Star held their regular stated meeting Tuesday night with 14 officers present. Worthy Matron, Mrs. Florance Richardson and Worthy Patron, James Gieger presided. After reading the minutes of the previous meeting the secretary read from the bulletin, the

requirements for entering the O.E.S. Homes in Arlington. She also read the greetings from the Worthy Grand Matron and Grand Patron, and a letter from the Deputy Grand Matron concerning the O.E.S. School of Instruction to be held in Atlanta on March 8. A petition for the Degrees were voted upon favorable and the

time for the initiation was set for March 6.

Friendship Night will be observed at the next stated meeting when there will be a salad supper.

Three birthdays were observed, Mrs. Bobbie Giddins, Mrs. Ivy Smith and James Gieger.

Suspect Jailed In Mt. Vernon Murder

Richard Thomas Robinson of Rt. 1, Mount Vernon, remains in the Franklin County Jail after being denied bond in connection with the pistol slaying Thursday, Feb. 14 of 68 year old Gay Joyner of the Purley Community in South Franklin County.

Mrs. Joyner's body was found Friday evening near the north end of the dam of Lake Cypress Springs, about two tenths of a mile from her car, which had been abandoned after becoming stuck in the mud. She had been shot several times with a small caliber pistol, possibly a .22 cal. Ruger automatic.

Franklin County officers, assisted by Texas Ranger Lloyd Johnson, Franklin County Lake Patrolmen, Department of Public Safety Troopers and a DPS

helicopter began searching for Mrs. Joyner after she was reported missing by family members shortly after 8 a.m. Friday.

Franklin County Lake Superintendent Randy Linn found Mrs. Joyner's 1972 Ford Galaxie just north of the Cypress Creek Park area, and officers found the body about 5 p.m. on the Cypress Beach Road, between the VFW 3992 Club and Cypress Creek Park.

Mrs. Joyner's body was fully clothed except for her shoes, which were found in the mud some 25 feet away. Her purse, apparently undisturbed, was found by the body.

Robinson's arrest resulted from information given to Sheriff Don Qualls by a witness who reported that he assisted a man in an attempt

to pull the Joyner vehicle from the mud. Robinson was arraigned by Franklin County Justice of the Peace B.E. "Stacker" Cowser, who denied bond to the suspect. Franklin County officers are waiting to question other suspects who may be involved in the shooting incident. At least one arrest was made in Burleson, near Fort Worth, on a Titus County warrant in connection with the murder. However, Titus County District Attorney Charles Mac Cobb said charges against the second man, a Mount Pleasant resident, may be dropped after being reviewed.

Funeral services for Mrs. Joyner were held Sunday, February 17 at 3 p.m. in the Purley Baptist Church with See SUSPECT, Pg. 9

More Than \$36 Million Dollars To Be Refunded

State Comptroller Bob Bullock announced Texas cities will receive more than \$36 million in February in rebates from the optional one-percent city sales tax.

Bullock said the February allocation is about \$11 million more than cities received during the same period last year.

He said more efficient deposit procedure in his agency have resulted in larger rebate checks to cities during the past few months.

Blossom will not receive a rebate check for this period, however, DePort's rebate for this month will be \$520.26 compared to a zero rebate during the same period last year.

Bogata will get a check for \$2,099.80, bringing that city to 11 percent over the same period last year.

Talco will receive a February check for \$1,015.36. Talco did not receive a rebate check for the same period last year.

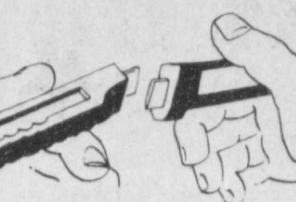

Bullock also said 1979 third quarter gross sales in Texas passed the \$52.5 billion mark.

Bullock said an analysis of gross sales for July, August and September reveals that gross sales climbed nearly \$3 billion more than during the year's second quarter.

The gross sales figures were gathered from 266,746 reporting outlets across the state.

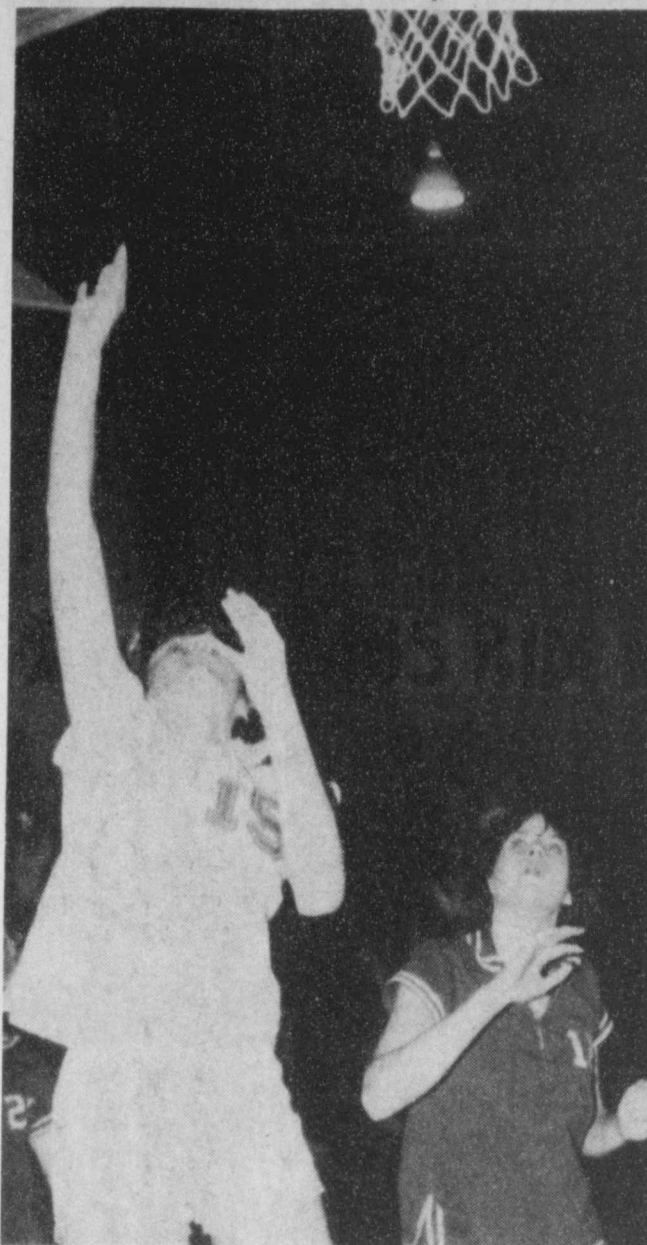

Out-of-state gross sales received from 4,896 reporting outlets for the third quarter show sales of \$4.8 billion.

Book Lovers Hold Valentine Party

The Talco Book Lovers Club enjoyed a Valentine party at their regular stated meeting Friday in the home of Mrs. Ivy Smith.

The refreshment table was covered with a red and white Valentine cloth and was centered with an arrangement of assorted fruit on a milk glass stand and flanked by red candles in

silver holders. Hearts and flowers were placed at vantage points throughout the entertaining rooms.

Mrs. Smith brought the program on the Equal Rights Amendment. The pros and cons of the subject were discussed, resulting in the belief of both good and bad things on either side. A short business session was conducted by the president, Mrs. J.H. Weatherall and roll call was answered by relating an unforgettable childhood experience.

Mrs. Ollie Jones was voted the Valentine Sweetheart by secret ballot following an arical read by Mrs. Smith entitled, "The Art of Being Yourself" which seemed to fit Mrs. Jones. The guests stood and applauded as Mrs.

Smith presented Mrs. Jones with a Valentine corsage of red heart and flowers, tied with white ribbons.

Six games of Bingo were played with prizes going to Mrs. Fannie Gieger and Miss Alice Ruth Tidwell.

Assisted by Mrs. Gieger, Mrs. Smith served a refreshment plate, also carrying out the holiday motif with hot spiced tea to Mrs. J.L. Cato, Mrs. A.E. Foster, Mrs. Cleone Sullivan, Mrs. Ruby Cogburn, Mrs. Weatherall, Mrs. Jones, Mrs. Gieger, Miss Tidwell and the hostess. Two members, Mrs. Hiawatha Rodgers and Mrs. T.L. Barton, were absent.

The next meeting will be March 7 in the home of Mrs. Sullivan when Mrs. Cato will present the program.

Valentine Party Held At Haven

A large crowd of residents gathered in the chapel of Red River Haven on February 13 for the annual Valentine's party. Mrs. Carol Jordon, accompanied on the piano by Mrs. Joyce Smith, sang two songs that pertained to love in honor of the day. She then led the congregation in singing the chorus to "Let Me Call You Sweetheart."

The highlight of the party came as the King and Queen of Hearts were announced. Residents had been polled on an individual basis, and Mrs.

Edith Godfrey, formerly of Hagansport, and Barney Davis were the honored ones. Both were presented a box of Valentine's candy and a corsage and a boutonniere respectively.

The group then gathered in the dining room to enjoy the punch and cupcakes decorated with hearts.

A special thanks goes to the Bogata Elementary art classes for the homemade valentines and valentine posters sent to Red River Haven residents.
