Bulldogs Play At Post Today

Tahoka Bulldogs play their second 3-AA conference game tonight at 7:30 o'clock with the Antelopes at Post, and as usual the Antelopes expect to turn meat-eaters and chew up the Bulldogs.

Today is Homecoming day for Post and also "Norm Cash Day," and the Antelopes expect to have the largest crowd of ex-students ever back for the event.

Norman Cash, 1951 graduate of Post, has gone on to become a great baseball player with the Detroit Tigers, this year was the American League batting champion and was named to the 1961 major league all-star team.

Like Tahoka, Post has had a rather disastrous season as far as winning goes, but past records mean little when the two teams get together.

Post has won one game, defeating Spur 21 to 15, and has lost six, but these losses have been to top teams of the area. The Antelopes dropped a close one to Ralls 6 to 7, to Colorado City 0 to 57, Ballinger 8 to 42, Floydada 7 to 31, Tulia 6 to 26, and Denver City 0 to 60.

Tahoka has won two, defeating Idalou 14 to 8 and Slaton 16 to 8. The Bulldogs have lost five, to Frenship 0 to 20, Crosbyton 0 to 19, O'Donnell 0 to 6, Ralls 8 to 15, and Petersburg 7 to 13.

Coach J. D. Atwell and his assistant, Jerry Don Brown, think the Tahoka boys are in fair shape with a little taste of victory and expect them to put up a good game. End Billy Clinton, out with a head injury for several weeks, is back in the line-up. Gary Grogan, who received a shoulder injury at Ralls, saw action again Friday. However, Perry Flippin, who also has a shoulder injury, will not be ready to play before next week.

Probable Post starters in the backfield will be: Leslie Acker, 150, senior, quarterback; Harold Mason, 180, senior, fullback; and Halfbacks Ken Rankin, 140, junior, and Tommy Boucher, 160, senior. Playing center is Pat Sullivan, 165, soph.; guards, Bobby Hudman, 135, soph., and Buddy Moreland, 155, junior; tackles, Larry Williams and Dean Johnston, both seniors and both weighing 205; and ends Dwayne Capps, 165, a top pass receiver and a senior, and possibly Billy Shumard, 165, soph.

L. R. Mason, 77, Dies Wednesday

L. R. Mason, 77, a resident for 41 years of Garza county, 10 miles west of Post, well known by many Lynn county people as the father of T. B. Mason of New Lynn, died Wednesday at 6:45 p. m. in Plainview General Hospital.

In ill health since July, Mr. Mason was carried to the Plainview hospital about a month ago, where a daughter, Miss Ruth Mason, works.

Funeral services will be held today, Friday, at 2:00 p. m. in the First Christian Church of Post with the pastor, Rev. Ramsey, officiating, assisted by Rev. Crabtree, retired Methodist minister of Plainview who formerly was Mr. Mason's pastor at Grassland.

Mr. Mason was born on February 17, 1884, in Bosque county. He was married on Nov. 30, 1905, to Miss Eula Thomas in McLennan county. The couple moved to Hardeman county in 1915, and to western Garza in 1920.

Survivors include his wife; six sons, T. B. Mason of New Lynn, Roy of Los Angeles, C. L. of eastern Lynn county, Robert of Lubbock, W. B. of Shallowater, and Harvey of Cincinnati, Ohio; three daughters, Mrs. W. C. Maxcey of Earth, Mrs. A. M. Smith of Post, and Miss Ruth Mason of Plainview; 26 grandchildren, and six great grandchildren.

Mrs. John Chapa Jr. was a patient in the hospital Saturday through Monday when she was suffering from the flu.

75 per cent of all hurricane deaths are drowning.

Dr. Lam Speaks At Homecoming

A crowded day of activities marked Homecoming Day at Tahoka High School last Friday when ex-students heard Dr. Conrad Lam, graduate of the local schools, and famous heart surgeon of Detroit, Mich., speak, attended get-togethers, a banquet and the football game.

Miss Brooksie Reece, daughter of Mr. and Mrs. J. B. Reece and a junior in Tahoka High School, was crowned Homecoming queen in ceremonies preceding the Tahoka-Slaton conference clash. Her identity was kept secret until the glittered football helmet was placed on her head by Halfback Tommy Jones.

Candidates for the honor included Misses Kay Halamicek, senior student and daughter of Mrs. Emma Halamicek; Donna Copelin, senior, daughter of Mr. and Mrs. E. W. Copelin; and Patricia Sikes, sophomore, daughter of Mr. and Mrs. Clint Sikes. They were escorted by Curtis Harvick, Billy Davis, Glenn Hopkins and Fred Hegi.

The girls were driven around the field to a point where the Tahoka High School Band formed a football beneath the numbers 61 formed by the sixth and seventh grade bands.

New Home Plans For Homecoming

New Home homecoming will be held Friday, Oct. 27, according to Darrell Fletcher, president of the New Home Ex-Students Association.

On the program agenda for Friday is a pep rally at 3:00 p. m. in the gymnasium. Pre-registration will begin at 6:30 in the Community Center.

Highlighting the day's activities will be the 7:30 football clash between New Home and Sands. A homecoming queen will be crowned at halftime. A reception and business meeting in the Community Center will follow the game.

Mrs. B. P. Maddox Victim Of Stroke

Mrs. B. P. Maddox, pioneer citizen of Tahoka, is critically ill in a San Antonio hospital following a stroke she suffered several days ago while visiting a sister in that city. However, she is reported to have been some better on Monday of this week, according to information received here by Mrs. C. C. Donaldson.

Mrs. Maddox, whose late husband was an attorney here for many years, moved to Midland, where three of her children live, two or three years ago. She was a visitor here about a month ago.

Laymen's Day At First Methodist

Mr. Wilmer Smith of New Home will be the Laymen's Day speaker at the First Methodist Church Sunday morning at 11 o'clock. The annual observance of Laymen's Day has been planned by Mitchell Williams, Lay Leader of the church. The service will feature an all male choir. Mr. Smith is an outstanding church and civic leader and the public is invited to hear him Sunday morning.

Cotton Harvest Picks Up Speed

Cotton harvest went into high gear last week end, and Thursday morning Tahoka had ginned a total of 7,956 bales, an increase of 3,781 since the same time last week.

O'Donnell reported 5,000 ginned through Tuesday.

Thus, possibly 35,000 to 40,000 bales have been ginned in the county. Since many farmers are converting to machine harvest, gins are expected to be running at capacity for the next few weeks.

CHARTER BUS TO BAYLOR GAME SATURDAY NIGHT

A chartered bus will carry local fans to the Texas Tech-Baylor football game Saturday night, leaving here at 6:00 p. m. All tickets were sold in advance by E. L. Short and Johnny Wells.

The bus was arranged by the Chamber of Commerce.

Jim Tomlinson was a medical patient in Tahoka Hospital Friday through Tuesday.

Miss Nellie Richard is a medical patient in the hospital where she was admitted Tuesday.

Tahoka Moves To District 5-A

Tahoka was officially dropped to Class A from AA by the University Interscholastic League in Austin this week and assigned to District 5-A for the school year 1962-63.

Thus, next school year, Tahoka will be in conference play with O'Donnell, Seagraves, Plains, Sundown, and Wink. Tahoka has been in 3-AA. Wink was moved from 7-A to 5-A, and Frenship moved up from 5-A to 4-AA, now composed of Denver City, Post, Slaton, Spur, and Frenship.

Supt. Otis Spears says the move became mandatory by reason of the fact that Tahoka's high school enrollment dropped to an average of 196 the past two years, the limit for Class AA now being 200.

Tahoka officials met with other 5-A schools Wednesday night in Seagraves to make plans for the adjustment. Tahoka will remain in 3-AA the remainder of this year for basketball and track, but next football year will be in 5-A.

Phone Meeting Here Thursday

General Telephone of the South west officials will meet here next Thursday at 7:30 p. m. with Tahoka City Council and Chamber of Commerce officers to discuss problems relating to telephone service here.

Anyone with problems or suggestions is requested to present them, preferably in writing, to City Secretary J. M. Uzzle or Chamber of Commerce President E. L. Short.

A vice president of General Telephone, a Mrs. Briggs of San Angelo, expects to attend the conference.

Negro Is Killed Near New Home

Sherman Antley, 31 year old colored man, was killed Saturday night between 11:00 and 12:00 p. m. when he attacked another colored man on the Emil Raindl farm between Wayside and New Home.

Manuel Myles, 36, was released from custody Monday morning when it was established that he had acted in self defense, according to County Attorney Harold Green. No charges were filed against him.

According to Myles and witnesses, he and Antley had come here from Houston to work but were strangers until arriving in Lynn county. On Saturday night, Oct. 7, Antley choked Myles for no apparent reason. Then on Friday night, also for no reason, Antley had cut Myles' throat with a knife.

On Saturday night, Oct. 14, wishing to avoid any further trouble Myles had asked another man to get his bedding from the house where the two men involved had slept. After Myles had gone to bed in another house, Antley entered the house demanding money from Myles. Antley then attacked Myles with a frying pan, which was kicked from his hand. Antley pulled a knife but Myles was successful in knocking it to the floor. In a struggle between the two to get the knife, Myles obtained the weapon and stabbed Antley in self-defense.

Antley's body was shipped to Louisiana, where his mother resides.

Two Filed For City Alderman

The names of W. H. (Dub) Kenley and James F. (Sonny) Roberts have been filed for alderman to fill the unexpired term of Winston C. Wharton, who resigned after moving outside the city limits.

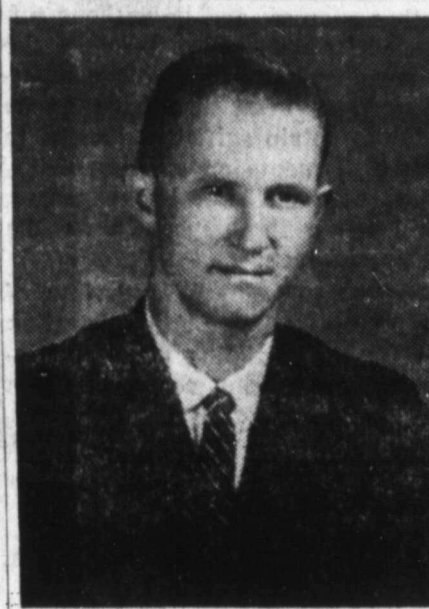

A special election has been called for Nov. 14 to fill the post.

Two other names were filed last week but have since been withdrawn, states J. M. Uzzle, city secretary.

COTTON BURNS IN FIRE AT GRASSLAND WEDNESDAY

A fire which broke out at Producers Gin at Grassland in the early hours of Wednesday damaged or consumed about 28 bales of ginned cotton.

Tahoka Fire Department was called to the fire.

JAMES E. HOLLARS

Hollars Is New Music Director

James E. Hollars began work this week with the First Baptist Church as youth and music director.

Mr. Hollars served as music director for the Woodrow Baptist Church for two years and for the past year has been youth director and director of the youth and intermediate choirs at the Highland Baptist Church in Lubbock. He will serve the church here as director of music and education and youth activities. Plans are being made for organizing a fully graded choir program in the immediate future.

Mr. Hollars, his wife Nettie and two-year-old daughter, Janet, will move to Tahoka as soon as repairs are completed on the home on North Sixth.

The church will give a reception for Mr. and Mrs. Hollars Sunday night in fellowship hall following the church services.

New Home Crown Queen Tuesday

Festivities for the crowning of Miss New Home are in order for the evening of Tuesday, Oct. 23, at 7:30 p. m. in the New Home cafeteria.

Judges will be on hand to award the queen and first and second runners-up.

Admission for the event, which is being sponsored by the parent-teacher organization, will be 50 cents for adults and 25 cents for students.

Exes Of Wilson Meet Saturday

The classes of 1923, 1928 and 1930 are to be honored when Wilson observes its annual homecoming Saturday, Oct. 21. Highlight of the activities will be the football game at 2:00 p. m. between the Wilson Mustangs and the New Home Leopards.

Registration of ex-students, ex-teachers, and all others interested will get underway Saturday at 1:00 p. m. in the high school library. Registration will resume immediately after the game.

A barbecue supper will be served in the school cafeteria from 5:00 until 6:30 p. m. Tickets for the event are \$1.50 per plate. Billy Key, an ex-student of Wilson, will be guest speaker for the program. He is now superintendent of the Sundown schools. A coffee will follow the program in the cafeteria at which time new officers will be elected.

Charles Baker is president of the Wilson Ex-Students Association; Theo Campbell, vice president; Mrs. Victor Steinhauer, secretary-treasurer; and Mrs. Milton Wied, reporter.

Travis Shelton, prominent Lubbock attorney, was down Friday night for the Homecoming dinner.

Wait a bit—don't get hit!

There was a large turn-out for the annual meeting of Lynn County Farm Bureau Monday night in the Lyntegar conference room, at which time resolutions were passed to determine local members' desires in formulating the State and National policies.

A membership drive is in progress to reach the quota of 756 set for the county by October 31. The Bureau is only about 65 short of that goal, Charles Reid reported.

Don Smith, president, called the meeting to order. Robert Warren gave the invocation, Secretary Earl Cummings made the financial report, and Mrs. Mary Nell Ashcraft, office secretary, was recognized.

Two new directors were elected, Howard Moore of Wells and Milton Evans of Petty, succeeding Bertice Askew and Dwight Corbell, respectively.

Holdover directors are: Smith, Cummings, Leland White, Loyd R. McCormick Jr., T. B. Mason, Ward Eakin, A. L. White, Lois Smelser, and Woodrow Brewer.

Thirteen resolutions were passed by the local Farm Bureau, the gist of which follow:

1. A continuation of the State policy on Farm-to-Market roads, that "present funds being used to build and maintain roads not be eliminated or diverted to other purposes;" a part of the Colson-Briscoe monies be used for repairs and maintenance; that more money be used for repairs and maintenance, to be paid to State, County, or department making the repairs.

2. State enforcement of penalty for throwing trash on the highways and post the amount of the penalty on the rights-of-way.

3. Substitution of a one per cent general sales tax for the present program.

4. Opposition to the idea of a (Cont'd. on Back Page)

Fallout Survey Scheduled Here

A survey of possible existing facilities to serve as fallout shelters will be made in the near future in Lynn county by the U. S. Army Engineers, County Judge Walter M. Mathis, county Civil Defense chairman, has been notified by Colonel R. P. West, Corps of Engineers, U. S. Army Engineer District, Fort Worth.

The Lynn county survey will be under direction of Col. John F. Arfman, Albuquerque, N. M., Col. West writes.

He has asked the judge to designate some local person as coordinator for the project, and that cooperation of local citizens be given in making the survey.

The Corps of Engineers, U. S. Army, has been delegated to make the survey in this area as a civil works, rather than as a military engineering operation, in order to increase the survival capability of the people against radio-active fallout by locating and marking available shelter space in existing buildings, tunnels, caves, and other protected areas.

Col. West says the program will be accomplished in three phases.

Phase one will be the location of potential shelter areas by means of existing maps, aerial photographs, locally available building and civil defense data.

Phase two will include detailed surveys of selected potential fallout shelters, preliminary estimates of cost of necessary modifications, and the marking of those determined to provide adequate fallout protection and capacity.

Phase three will cover the re-evaluation of selected potential shelter spaces surveyed under Phase two, and the preparation of schematic studies and more detailed estimates of cost of required modifications.

FHA Announces Expansion Of Rural Housing Loan Program

Families living in small rural communities and in rural areas, even though not engaged in farming may now be eligible for the housing loans made by the Farmers Home Administration, according to Perry Walker, the agency's county supervisor for Lynn county.

The Housing Act of 1961 broadened the eligibility requirements for rural housing loans. As a result owners of non-farm tracts in rural areas and in small rural communities of not more than 2,500, as well as farmers, may be eligible for this type of credit.

"This program is an important new tool in promoting the development of rural areas," Mr. Walker said. "Rural housing loans will not only help families obtain better homes but will put more carpenters, plumbers, and electricians to work, and will increase the sales of lumber yards and building supply firms."

Housing loans are made for the construction, repair, and remodeling of dwellings and essential farm buildings and to provide water for farmstead and household use.

In addition to major construction, funds are available to modernize homes — add bathrooms, central heating, modern kitchens,

and other home improvements, as well as to enlarge and remodel farm service buildings and put in related facilities such as paved feedlots, yard fences, and driveways.

Rural housing loans may also be used for the construction of fall-out and storm shelters.

The interest rate is 4 per cent per year on the unpaid balance of the loan. Loans may be scheduled for repayment over periods up to 33 years.

The proposed housing must be adequate to meet the family's needs yet modest in size and design.

To be eligible an applicant must own a farm or a housing site in a rural area; be without decent, safe and sanitary housing; be unable to obtain the needed credit from other sources; and be without sufficient resources to provide the necessary housing on his own account. He must also have or be able to obtain sufficient income to meet payments on existing debts, take care of his other expenses, and make the payments on the proposed loan.

The local county supervisor of the Farmers Home Administration will review building plans and inspect the housing construction as

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The loss of the U. S. gold reserve has taken an increased stride as foreign nations present dollars for exchange in gold. Unless the Congress takes strong action on restoring American protective tariffs, there is every indication this trend will continue.

Half measures will not work. Early this fall there went into effect the reduction from \$500 to \$100 the amount of goods American tourists

abroad can C. W. Harder bring home duty free. While this was a step in the right direction, it also places further focus on the need for an upward revision of the tariff rates as long as European skilled labor is paid on wage scales running from 50 cents an hour on downward.

Actually, the bulk of American tourists, on limited budgets, have never bought too heavily abroad. The damage has been done by the minority of affluent means who have bought heavily in Europe.

It is doubtful this affluent minority will be impeded. After all the whole of Europe is dedicated to getting the American dollar and even Diner's Club, American Express and Carte Blanche credit cards are accepted freely for goods.

In addition, foreign governments give tourists special concessions in purchasing that their own citizens cannot get.

In many countries, the citizens of those nations must pay a stiff purchase tax on things they buy.

© National Federation of Independent Business

But even with these taxes included in the price, the price of small manufactured items, apparel, and other items using mostly raw materials produced in that country, and in which a lot of labor is involved, is 50 per cent or less than that of American goods.

But even despite this disparity, foreign governments make it even more attractive to the American with a great deal of money to spend. In France if payment is made in American currency, or American travelers checks, there is a minimum further discount of 20 per cent, and on certain items as much as 60 per cent. This discount is not given if paid in French currency.

In Britain these discounts are given provided the buyer agrees to take delivery of the goods at the airport or port of embarkation, or has them mailed to his home address.

Thus, thanks to the starry-eyed "do gooders" at home who have sabotaged U. S. protective tariff laws, wealthy tourists abroad can bring home any quantity of goods, pay the prevailing low duties, and still deprive American business and labor of a substantial amount of business to say nothing of further depleting U. S. gold reserves, because as already stated, these discounts only apply when dollars are used for their purchase.

And Europeans cannot afford to buy U. S. goods, because not only do they reflect higher U. S. labor costs, but they also have lacked on foreign import duties, plus the purchase taxes.

It would seem there is a great deal of confusion as to who is kidding whom.

Pink Blankets Being Given On Appliance Sales

Southwestern Public Service Company announces that a pink electric blanket will be given free of charge to each of their customers that buy an electric clothes dryer or an electric water heater during October and November from a Reddy Kilowatt Electric Appliance Dealer.

The Universal blanket is double-bed size, is machine washable, guaranteed for two full years, and features the night light control.

After purchase of either the electric clothes dryer or electric water heater, the blanket will be delivered to the customer's home by a Home Service Advisor from the Southwestern Public Service Company. The homemaker will receive full instructions on the use of the blanket, as well as a home call on her new dryer or water heater. In fact, the Home Service Advisor will be happy to answer any questions the homemaker has regarding any of her electric appliances. The customer will receive two pink electric blankets with the purchase of both the electric clothes dryer and the electric water heater.

Mrs. Vivian Liner, Public Service Home Service Advisor, says, "This is a wonderful opportunity for the homemakers here in Tahoka to enjoy the convenience and work-saving advantages of an electric clothes dryer and your pink electric blanket will let you sleep in absolute comfort during the cold winter months ahead."

Harold Roberts, Public Service Manager says, "We would like to extend a special invitation to all our customers to visit their Reddy Kilowatt Dealer during October and November and see the newest electric clothes dryers and water heaters and take advantage of the free pink blanket offer."

FINNEY CLOSED SATURDAY

C. Edmund Finney, Photographer, will be closed all day Saturday the owner announced this week. He will be open for business again on Monday.

Finney will go to Tucson, Ariz. over the week end to meet his mother, Mrs. Johanna Fudge, and bring her to Tahoka.

Registration Ends In "Punt, Pass, Kick" Contest

More than 150,000 grade school boys throughout the United States have registered for the "Punt, Pass and Kick" program being conducted during the current football season under the joint sponsorship of the Ford Division of Ford Motor Company, its dealers and the National Football League.

Registrations close Oct. 14 at the 5,200 participating Ford dealerships across the country, with most local contests scheduled to end Oct. 16.

The program's objective is to create interest in sports and physical fitness among American youngsters by giving them a chance to test their skill in punting, passing and place-kicking a football in competition with other youths of their age.

The boys, aged six to 10, will be competing for prizes that will include, for the national winner in each age bracket, a trip with their dads to the National Football League's championship game late in December and a visit to the White House.

The five first-prize winners of local contests in each age group in the 14 National Football League team areas will qualify for regional contests to be held at half-time of NFL games Nov. 12 in Washington, New York, Pittsburgh, Minnesota, St. Louis and Los Angeles; Nov. 19 in Baltimore, Cleveland, Dallas, San Francisco and Green Bay; Nov. 23 in Detroit, and Nov. 26 in Chicago and Philadelphia.

All-Sew Club Disbands, Donates Funds To Charity

The All-Sew Club, an organization that has functioned here for over 30 years, has disbanded.

The group donated its balance in the treasury, a total of \$8.16, to the needy school children, according to Mrs. Lillian McCord, school nurse, and was presented to her by Mrs. H. B. Howell, secretary of the organization.

Many ladies of Tahoka have belonged to the sewing club that has been a point of interest for them during the approximately 32 years that it was organized.

"House Warming" For Mrs. Musick

Mrs. Harlee Musick was honored by friends with a surprise "house warming" Friday night in her new three-bedroom home at South Seventh and Petty streets.

The party was arranged by Mrs. Bonnie Davis, Mrs. R. C. Coppedge, and Mrs. James Zedlitz. Mrs. W. E. Shawn furnished punch, and many friends called and brought love gifts for the proud new home owner.

V.F.W. Auxiliary In Meeting Monday

Tahoka VFW Auxiliary No. 3905 had one of the most colorful and informative meetings Monday at 7:30 p. m. in the City-Legion Bldg. with Mrs. Rafe Richardson, president in the chair.

Twenty-two officers were seated on the floor with the flags and ladies with the poppy corsages.

Business was carried on in realistic order and initiation of new members, Mrs. Bertha Edwards and Mrs. Cora Carlisle was held. Lubbock VFW Auxiliary was guest officers of Tahoka.

The floor work was beautiful and well done. The hall was decorated in assorted flowers placed in large containers at the officers stations. Mrs. Gattis, Sr. Vice, Ruth Milam, Jr. Vice of Lubbock, Nannie Young, chaplain of Lubbock, and Dial-Pres. Margie Wharton gave charges to new members.

After speeches of Past District President Nannie Young and District President Margie Wharton, the meeting closed with the retiring of the flags and colors. A salad supper with cake and coffee were served the following: Yvonia Williams, Nannie Young, Inez Daniel, Iva Mae Diamond, Ruth Milam, Janie Nichols, Mable Johnston, Sarah Diadie, Florene Leafland, Myrl Hood, Aline Myers and Katie Comar, all of Lubbock, and Margie Wharton and husband of Seagraves, and the members of Tahoka.

A very enjoyable social hour closed the meeting.

Roy Gene Sherrod Weds Miss Garrett

Miss Neva Sue Garrett and Roy Gene Sherrod were united in marriage Saturday at the Overton Methodist Church in Lubbock when Rev. Albert F. Lindley read the double ring candlelight ceremony.

The bride is the daughter of Mr. and Mrs. O. J. Garrett of route 2, Lubbock. Mr. and Mrs. Beecher F. Sherrod of Tahoka are parents of the bridegroom.

Larry Courtney, organist, played traditional nuptial music as the bride was given in marriage by her father.

She chose a fitted suit of light blue wool with white gloves and a white hat and wore a corsage of white roses.

Mrs. Don Witt, matron of honor, wore a dress of red taffeta under black lace with white gloves and black accessories. Her corsage was white carnations.

Wayne Sherrod served his brother as best man.

A reception followed the wedding ceremony in Fellowship Hall of the church when the house party was composed of Mrs. Wayne Sherrod of Plainview and Misses Peggy and Faydel McAnear.

The couple will be at home at 2108 8th Street in Lubbock following a wedding trip to Austin and San Antonio.

The bride is a graduate of Tom S. Lubbock High School and is employed by Southwestern Bell Telephone Company. Sherrod is a graduate of Tahoka High School and is employed by the Texas Department of Public Safety.

Girl Scout News

Girl Scout Troop 404 will make a field trip to Lubbock this Saturday to tour the West Texas Museum and visit the planetarium, where a special showing will be made for the girls.

About 22 girls and mothers are expected to leave here from the Scout Hut at 9:00 a. m. Following the tour, the group will have a picnic lunch at Mackenzie Park and will return home at 2:30 p. m. Last Friday the troop continued work on its puppet theatre project. Linda Spears served refreshments. Today the troop will meet at its regular time when Arlene Stephens will serve as hostess.

Brownie Troop 399 held investiture ceremonies the last two Wednesday afternoons, bringing a total of nine new members into the group.

Invested Wednesday of last week were seven girls, Sandy Wood, Sheri Pierce, Zackie Oliver, Suzanne Warren, Becky Jacobs, Starla Huffaker and Brenda Leach. This week Debbie and Vicki Renfro became members.

Mrs. Natt Park is leader of the troop and Mrs. Skiles Thomas is the assistant.

Brownie Troop 401 began their meeting with prayer by each member.

A short business meeting was held presided by Debbie Bartley, chairman. The girls discussed ways in which they could help in the Hurricane Carla disaster and voted to send \$9.00 from the troop treasury. Also names were drawn for officers for the next six weeks, namely: chairman, Jay Huey; secretary, Dean Verner; treasurer, Joan Connolly; and reporter, Ja Jean Jaquess.

The troop is learning to build camp fires and last week gathered wood. This week the troop has been divided into four groups, each group with an adult leader. Mrs. Gibson instructed the girls on fire building. After the troop made fires, enjoyable refreshments of roasted marshmallows and cokes were served by Dean Verner and Julie Robinson.

The meeting was closed by making the magic tunnel.—Troop 401 reporter, Ja Jean Jaquess.

Junior Teams Defeat Post

The seventh and eighth grade teams won two games from Post here Tuesday night and will return games to the Antelopes next Tuesday night.

The undefeated seventh graders won 28-20 and looked good part of the time. Post led at half time 14-12. Scoring for Tahoka were Milton Miller on a pass play; Raymond Chapa, who also ran for two extra points; Tommy Kidwell and Mitchell Williams. Charles Dotson made two extra points. Defensive standouts were L. D. Mayo, Bill Wright, Raymond Chapa and Wendell Medlin.

The eighth grade team took a 6-0 victory, but the local lads were not playing up to their usual par. The scoring play was made when Dickie Davis passed to Frankie Stanks, who crossed the goal line just as the first half ended. Outstanding on defense were Larry Jolly and Harlan Curry.

Mrs. Hamilton Speaks To NHS

Mrs. Johnnie Hamilton, a teacher in Tahoka High School, spoke Tuesday night to the local National Honor Society when the organization held a regular monthly meeting at the home-ec cottage.

Having as her theme, "World Problems of Today", Mrs. Hamilton told of the situations in the United States, China, Russia, Cuba, Peru, Venezuela, Jamaica, Britain, East Berlin, East Germany, the Congo, Formosa and Tibet.

She stated that the U. S. is the strongest supporter of Nationalist China and a strong opposer of Red China. Mrs. Hamilton told of the fallout from Russian aerial atomic tests and Cuba, the potential trouble area.

In closing her speech of the many world problems she said that capitalism is superior to communism and that communism conditions are growing worse instead of better. Mrs. Hamilton pointed out that our nation should re-evaluate our foreign policies, give more help (consideration) to our friends and less to our enemies.

David Saliz, 7, was dismissed from Tahoka Hospital this week where he was taken last Wednesday by Dr. Noble Rumbos of O'Donnell. David suffered from internal hemorrhages from a ruptured spleen. Early Day House Moved By Chancy

The old W. K. Ray home, one of the few remaining old original Tahoka home places, located at the south edge of town, has been bought by Bill Chancy and moved several hundred yards west of its long-time site to a block of land Chancy has bought from H. B. Howell.

He is remodeling the house and expects to make this his home.

The Ray home place was probably built in about 1907. W. K. Ray was a pioneer settler and prominent citizen, and was president of the first bank organized in Tahoka.

Mr. Ray passed away in 1909 and Mrs. Ray in 1940.

While preparing to move the house, Chancy found and caught three monkey-faced owls in the attic, which he has in a pen at his service station. Some people have told Bill they never before saw a monkey-faced owl on the plains.

QUESTIONS, PLEASE

QUESTION: WHO ARE GOD'S ELECT?

ANSWER: God's elect are his obedient children. The word elect means chosen. His people are chosen through the gospel when they obey the gospel. Peter, in the first chapter of his first letter, calls his brethren "elect according to the foreknowledge of God," and in the latter part of the same chapter he tells how they were chosen, or elected, of God:

"Seeing ye have purified your souls in obeying the truth . . . being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth forever." These people became the elect, or chosen, of God by obeying the truth, which is the word of God, by which they are born again. When born again, they are Christians—God's elect; and if you desire to know what

word they obeyed in purifying their souls, in being born again, turn and read Acts 2, for Peter was writing to those who obeyed the gospel at Jerusalem and were afterwards scattered abroad. Any man or woman may be one of God's elect by obeying the gospel, which is God's power for salvation; but no man can be one of God's elect who will not obey him, for the disobedient will all be lost.

Thus in Titus 1:1, 2 when it says "Paul, a servant of God, and an apostle of Jesus Christ, according to the faith of God's elect, and the acknowledging of the truth which is after godliness: in hope of eternal life, which God, that cannot lie, promised before the world began" it has reference only to the individual that is God's elect because of his faith in God and obedience to his word.

You are invited to send your questions to: Don Browning Box 812, Tahoka, Texas. You are also invited to attend the services of the Church of Christ.

Don Browning may be heard Sunday mornings at 11:00 and evenings at 7:00 on your radio dial.

Senator Preston Smith Tells of Texas Tax Problems In Talk At Rotary

State governmental and tax problems were discussed by State Senator Preston Smith of Lubbock in a talk before the Rotary Club last Thursday noon.

He said people frequently ask legislators, "Why not just spend what money you have and go home?" But, duties of the legislature are not quite that simple, he declared. As long as the people vote more programs on themselves, and demand more services from the State. Just so long must the Legislature try to find funds to support these programs and services. Every time you vote a new constitutional amendment, you give us a mandate to carry it out with new laws and appropriations.

The last regular session of the Legislature lasted 120 days, and the legislation affects every single citizen in the state. There were 1703 bills introduced and 513 passed.

Redistricting Unfair

He said the representative redistricting bill was fairly good and West Texas gained several representatives, but he thought the senate redistricting alignment was a farce. For example this district has 79,000 eligible voters and was left as it was before, while some East Texas senatorial districts have only about 35,000 eligible voters.

Discussing the major problems of the state, he said a lot of people do not understand our school program. Under the Gilmer-Alken law, which is based largely on enrollment, the local district pays 20 percent and the state 80 percent. In the last few years, school enrollment has rocketed at the rate of 100,000 new students a year, thus adding to the costs of education. Texas ranks low in education, and people everywhere seem dissatisfied with the instruction.

Better Salaries For Teachers

"I didn't vote for the teacher pay raise bill just to help the teachers," he said, "but to help the children." He pointed out that now teachers are getting better salaries, more capable personnel can be attracted to the profession and better morale among teachers should lead to better instruction.

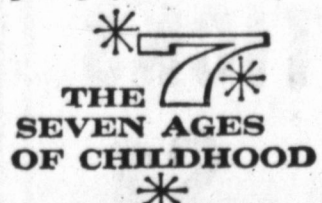

Our Welfare program was voted by the people, and it is up to the legislature to provide the funds to carry it out. Out of each \$1.00, Texas spends 31 cents on its welfare program. Texas ranks 42nd in welfare in the nation. The average monthly payment is \$52.00.

Family Doctors Meet In Houston

Houston, Oct. 18 — More than 700 Texas family doctors are expected to gather in Houston this week at the annual convention of the Texas Academy of General Practice, state association of family physicians. The Academy opened its meeting and postgraduate training program here Monday at the Rice Hotel.

The two and one-half day lecture series brings speakers of national reputation to present topics ranging from cancer of the lung to medical hypnosis.

The 13 medical experts presenting lectures include Dr. Alton Oschner, Professor of Surgery at Tulane University, New Orleans; Dr. L. Maxwell Lockie, Professor and Head of the Department of Therapeutics, University of Buffalo School of Medicine; and Dr. Milton Erickson, Editor of the American Journal of Clinical Hypnosis, Phoenix, Arizona.

Academy of General Practice members participating in the lecture program will receive 12 hours of credit toward continuing membership.

The Academy is the only medical organization which requires continuing medical education of its members; they must complete and document 150 hours each three years or be dropped from membership.

Among the physicians registered is Dr. Emil Prohl of Tahoka.

Richard Havens, editor of the *Abernathy Review*, and family were here last Friday for the Tahoka homecoming.

the speaker introduced by Clint Walker.

Wynne Collier gave the charge to two new members, Harold Roberts, new local manager of Southwestern Public Service Co., and Phil Pearce, band director.

The name of Glen Seals of General Telephone Co. was presented as a new member. Urban Brown, a former member, was introduced, having come back into the club.

Student guests Buddy Ford and Glen Hopkins were introduced by Pete Hegi and Mitchell Williams, respectively.

President Skiles Thomas announced the 25th anniversary program of the club will be held on November 30.

Everyday Religion

By J. B. Thompson

Interruptions can be very annoying, and sometimes quite expensive. There is a famous interruption in literary history about which literary critics are still speculating. There is the beginning of a poem by Coleridge which he titled "Kubla Khan." It was a very beautiful, hauntingly beautiful bit of verse but he never finished the poem. Nobody, including the poet, knows to this day what he meant to say in this "Kubla Khan" poem. And the reason he never finished it was that he was interrupted—someone knocked on his door when the thought was taking shape, and the whole idea was knocked completely out of his mind. Coleridge himself tells about it.

The whole pattern of the poem was clear to him, and, seizing his pen, he eagerly wrote down the first few lines of it. At that moment, unfortunately, he was called out by a man from Porlock, on some business, and detained

for an hour. On his return to his desk, he found, to his dismay, that, with the exception of a few scattered thoughts and images, all the rest had left him. So, literary lovers have wondered through the years what the poet might have said had he not been interrupted. We wonder, not so much about the poet or the poem, but about that man from Porlock. Who was he? What did he want? Was he a bill collector? Was he selling magazines to pay his way through college? Was he selling tickets to a charity bazaar? We wonder if he ever knew what he interrupted that day.

Life is full of interruptions. No one is wholly free from them. You go along smoothly for a while, making and carrying out plans and then a spell of sickness interrupts. You get things neatly arranged and all seems well—when wham!—something happens that upsets everything. One of life's greatest problems is learning how to handle costly interruptions—the door that unexpectedly slams shut in your face—the noble plan that got so rudely sidetracked—that call to military service—whatever it was, the man from Porlock can upset us along the way.

Unless we can learn that interruptions are a natural part of the scenery of life, and that life can

Boyce Evans Goes To Abernathy

Rev. Boyce Evans, reared at Tahoka, is the new pastor of the First Baptist Church of Abernathy. He assumed his new duties Sunday.

He is the son of Mrs. C. B. Evans of Levelland and her late husband, and his wife is the daughter of Mr. and Mrs. H. O. Hargett. Both were born and reared here and are graduates of Tahoka High School.

Rev. Evans is a graduate of Hardin-Simmons University and of Southwestern Baptist Seminary. While a student at the Seminary, he was pastor of churches at Mansfield and Colleyville. Since, he has served as pastor to Seagraves and at Bellview Church in Midland. Since April, 1960, he has lived in Lubbock while doing evangelistic work. While at Midland, he conducted a very popular television program.

The Evans have three children, Evan, 13; Suzanne, 12; and David, 8.

Sam Edwards New T-Bar Head

H. W. (Sam) Edwards is the new president of T-Bar Country Club, succeeding Meldon Leslie, head of the organization the past year.

At the annual membership meeting held Monday night at the club house, Johnny Wells and Charles (Buddy) Bragg were elected the two new directors succeeding Leslie and Bill Griffin, whose terms expired.

The president was elected by the board following the meeting. Holdover members of the board Mrs. Lucille Smith, Eldon Carroll, Clint Walker, Otis Spears, and Edwards.

In lieu of raising dues, the board is asking all members who can to contribute \$10.00 to a fund to pay off the debt of a little over \$1,000 on the air conditioner and heating system installed in the new club house. Those present turned in contributions totaling \$140.00 and others said they would send in their checks.

Almost always since the club was started, the organization has been on a cash basis, but got behind when some of the pledges on the new club house failed to come in.

Some other out of town ex-students were present who failed to register.

Homecoming ...

(Continued from Page 1) in the afternoon program. A large number also attended the get-together both preceding the banquet and following the football game.

The afternoon program, sponsored and presented by the Student Council, saw one of its largest turnouts, Perry Flippin, president, acted as master of ceremonies and other officers of the organization participated in various portions of the program.

Receiving free tickets to the football game were W. E. (Happy) Smith, who graduated from the class of 1914, and John Slover of the class of 1915. Mrs. Jim Martin, the former Miss Arlene Meadows, of Washington, D. C., received a ticket for travelling the greatest distance to attend.

Mrs. Montie McGinty, a Draper girl, of the Abilene Christian College faculty, in introducing the speaker outlined some of his difficulties as a youth in getting an education, declaring that he was a remarkable character who went on to success in spite of these difficulties. As a youth, he planned to be a doctor, a goal he never relinquished, and later in life gained world-wide acclaim in the field of heart surgery and head of this department in Henry Ford Hospital at Detroit.

Dr. Lam Reminisces
Dr. Lam, in his talk, reminisced about his youth in Tahoka, where he lived "some of the most unforgettable characters I ever met," and without saying so in words pointed out that there are opportunities all around if one just works for them.

He recalled Jack Reeves, later of the Texas Highway Patrol, who opened a little hamburger stand where Rutherford's now stands and made enough money in one fall to buy a quarter section of land. He said "if a man builds a better mousetrap, the world will beat a path to his door," but Jack Reeves built a better hamburger.

Another great man was Brother Dunn, the Methodist minister, who, in addition to his influence as a preacher, ran the bagger at a threshing machine in the old Knight & Brashear wagon yard and "added dignity to honest work with his hands."

High on his list was the late H. P. Caviness, school superintendent, who wielded great influence on the community, who was a dedicated teacher and received deep and sincere enjoyment out of imparting learning in his classes.

Tells Pioneering Spirit
Graphically he illustrated the pioneering spirit of Lynn county people when he told of a little girl, Johnnie Edwards, who, when lost in the T-Bar community, resulted in scores of people joining the hunt for her. This was in 1918, the year of the drouth. Rabbits died on the prairies of starvation. Coyotes, desperate for food, were raiding chicken roosts. The week before, The Lynn County News had carried a story about coyotes eating the body of a prematurely born baby.

At the time, Conrad was working on the near-by Jess Nels farm at T-Bar. Prayer meetings were being held at T-Bar school to pray for rain. At dark, Mr. Edwards went to the lot to milk the cows, telling little Johnnie to bring him the buckets. When she failed to show up at the lot, the family discovered she was lost somewhere in the dark—and coyotes were howling all around.

Calling town on the antiquated telephone, soon the word was spread and a great posse arrived to hunt the lost child. Finally, she was found, her face and body bleeding from having fallen in the dark in her frantic ramblings—but she still had a milk bucket in each hand still intent on delivering them to her dad.

Develops Heart Surgery
Switching to Detroit, Dr. Lam told of some of the unforgettable characters he had met there, including the remarkable Henry Ford and Chas. F. Kettering of General Motors, men with a will to reach the top.

Very modestly, Dr. Lam told of his part in the development of open heart surgery. Surgeons had long dreamed of a device that could take the place of the heart while the heart was being operated upon. A doctor in Chicago, who had not read all the books saying this kind of surgery could not be done, made some important discoveries. It was found that the heart could be stopped from beating for a brief period and then started up again. It was found, also, that a medication could be injected in the blood stream to counteract certain necessary functions. All of these, a doctor (Dr. Lam) found went together to permit opening of the heart to where the heart specialist could see it.

Although, he did not say so, Dr. Lam's first operations made

City Police Have Busy Week End

Saturday night was the busiest in at least a year by the City Police Department, according to Chief Jack Miller.

Five men were thrown in the City "cooler" for drunkenness, all being Mexicans. While incarcerated, Jesse Flores of Tahoka is alleged to have beaten up Melecio Luna of Wilson so badly that Miller had to take the latter to the hospital. Miller found the man unconscious in the jail bleeding from the mouth, nose, and eyes. Flores was fined \$100.00 in city court.

At a Mexican dance hall, Amelio Flores received a stab wound in the stomach when his brother-in-law suddenly ran up to him and stuck a knife in his mid-section. However, the wound was not serious, Miller said.

medical and surgical history, and now heart surgery has become frequent practice.

Mother Is Honored

Corsages were presented Dr. Lam's mother, Mrs. Inez Lam of Denver City, selected by the Texas Federation of Women's Club last year as "mother of the year"; and Dr. Lam's wife, who was reared a small town girl, herself, in North Dakota. Eli Lam, an automobile dealer in Wichita Falls, and several of the Lam girls were also here. The Lam family was entertained at a noon luncheon by Mrs. Welch Flippin.

A special presentation was made to Dr. Lam by Mrs. Rafe Richardson. He received a miniature "Tahoka Bulldog" after his former music teacher told of how Dr. Lam used what he had to become a success. He and his brother, Eli, brought to her one day an old "beat up cornet" that Dr. Lam wished to learn to play. Together they worked with what each had to offer and later Dr. Lam played his way through Simmons (later known as Hardin-Simmons University) and through medical school on the "beat up cornet." She pointed out that it is not what one has that matters, but what one does with what he has that counts. Because of that fact, Dr. Lam is now probably the most famous heart surgeon in the world today.

Dr. Lam introduced his own class of 1922, Mrs. Montie (Draper) McGinty, Mrs. A. R. (Mary Slater) Hill of Hereford, and Mrs. T. E. (Montie Slater) Baldrige of Clovis, N. M.

Student Council In Charge

The Student Council program was arranged by Perry Flippin, president; Larry Price, reporter, gave the invocation; Craig Leslie, vice president, gave special recognition to visitors; and Tony Spruiell, parliamentarian, ended the program by leading "Auld Lang Syne." Special music was by the string trio, "The Impeccables," composed by Danny Uzzle, Carroll Best and Jimmy Gentry. Charles Reid, an ex-student, gave the response to the welcome by Flippin. The program was concluded with a pep rally.

Ex-students elected new officers for their association at the banquet held preceding the game. Wilton Payne is the new president, succeeding Rufus Slover. Vice president is W. W. Gurley; secretary, Mrs. G. W. White; and reporter, Ray Adams. They succeed Robert Warren, Mrs. Rufus Slover and Mrs. Helen Ellis.

Finance Drive For Girl Scouts

A "boost" kick-off campaign for Tahoka Girl Scouts will get underway Saturday, states Mrs. Charles McClellan, neighborhood chairman.

Tahoka's share of the Caprock Council, of which they are a member, is \$800.00 and Mrs. McClellan says that the community is far short of the goal at this time. Yearly budget of the Caprock Council is \$61,111.74 of which \$41,141.74 is to be raised for the 11½ counties council.

Posters and other material will be placed in Tahoka's businesses Saturday in an effort to reach the goal of \$800.00. Should more contributions come in than what the local goal is set for, the remainder of the funds will be used on the Scout Hut.

The 1962 budget is proposed to finance the organization of additional scout troops in the community, to provide training for volunteer leaders, to maintain and provide camping facilities for the Girl Scouts of the community, to provide professional assistance to the volunteers of Tahoka, and the facilities of a Council office.

Donations may be sent to Charles Bragg, who is serving as financial chairman of the Tahoka Girl Scouts.

BROTHERHOOD MEETING

The Brotherhood of the First Baptist Church will have a regular meeting Monday night, Oct. 23, at 7:30 p. m. at the church, announces Walthal Littlepage, president of the men's organization. All men of the church are urged to be present.

Honor Society Sponsoring Talk

Helen Poe, the popular lecturer, author, and world traveler, will speak in Tahoka on Saturday night, October 28, to all high school students of the county and all others who wish to hear her.

She is being brought here by National Honor Society of Tahoka High School, of which Mrs. Madeline Hegi is sponsor, and a special invitation is being sent students of New Home, Wilson, and O'Donnell to hear her. There will be no admission charge, as this is one of the major service projects this year of NHS.

Miss Poe, the daughter of a Presbyterian minister and graduate of SMU, Columbia University, and Juillard School of Music, has traveled in all parts of the world since 1939, when she was in Germany and heard Adolph Hitler in his tirade at Nuremberg and Mussolini in his vocal blast in the square at Rome.

She is said to be such a delightful speaker that she is equally popular before youth groups, men's luncheon clubs, and the more formal lecture platform.

Bulldogs Win First Conference Game At Homecoming Over Slaton 16 to 8

Tahoka Bulldogs Friday night took advantage of Slaton Tigers' miseries for their first 3-AA victory, their second win of the season, by a score of 16 to 8 before a Homecoming crowd.

For once, the Bulldogs had luck at the right time, a circumstance long past due, having lost several games that they could have won with just a little smile from Dame Fortune. However, this was not one of the Bulldogs' better games, as they drew numerous penalties, drifted off into lapses of ineptitude, and were lax at times on pass defense. Tahoka drew 11 penalties, mostly for being offside at critical moments, for a total of 85 yards, and that's a deficit that's hard to overcome.

Fans hope, though, that they gained the needed lift that could carry them to victory against the Post Antelopes tonight in that town's homecoming and Norm Cash Day.

Tahoka Covers Fumble
Tahoka's L. E. Craig Leslie kicked off to Slaton's L. H. Webber Teftiller who brought the ball out to the 26, where he fumbled when tackled and "Moose" Hopkins recovered to give Tahoka an important break.

FB Andy Bray made 1 yard, then 4, a pass QB Fred Hegi to HB Tommy Jones was incomplete, but on fourth down Hegi slipped off left tackles for 5 yards and a first down on the Slaton 16. Hopkins made two yards in two tries, then Hegi went around left end 8 yards to the Slaton 6. With a first-and-goal to go, Hopkins faked to the middle and then slipped down the line to go around left end for the touchdown. Hegi ran the ball around right end for the conversion, and Tahoka had an 8-0 lead with only three minutes gone in the game.

24, and in 11 plays, aided by a 15-yard penalty on Tahoka, moved to the Tahoka 18 before losing the ball on downs.

Tahoka moved up to the 32 for a first, but bogged down and Hopkins punted 43 yards supposedly out of danger. But, FB Kelly Bownds, Teftiller, HB Steve Ball, and QB Bruce Pember all had a hand in moving the ball down field, as the second quarter got underway. Ball got away for 22 yards to the Tahoka 23, and on the next play, a reverse, Teftiller ran around right end 23 yards to score. Ball ran over the conversion to tie it up 8-8.

Hegi almost got away as he brought the kick-off back to the Slaton 40. In five plays Tahoka moved to the Slaton 22, with Hopkins making all but 4 yards of the gains, but a penalty on Tahoka helped stymie the drive which ended up on the 27.

Make Winning Score
Slaton moved out to its 41, but fumbled and Kenneth Scott covered for Tahoka on the 41 for Tahoka's second big break of the game. Bray and Jones drove to the Slaton 26 in three plays, then Tahoka drew another offside penalty, but on the next play Hegi passed to HB Steve Greer and Greer raced all the way to the 7 yard line, 24 yards, before being hauled in. On the next play, Hegi faked to Hopkins and went off right tackle 7 yards for the game-winning score with 1:49 left until halftime. Hopkins then hit right guard for the conversion, and Tahoka was out front to stay 16-8.

With Slaton trying desperately to score before the half, a little extra-curricular activities developed after a Tahoka boy had laid a hard tackle on a Slaton runner, and Hopkins of Tahoka and RT Tommy Simmons of Slaton left the game for good.

Second Half Scoreless
Opening the second half, Macky Joe McWhirter took the kick-off for Tahoka on the locals' 27. Bray made 15 and Jones 11 yards the longest runs and a sensational pass to Jitterbug Steve Greer for 9 yards in Tahoka's drive to the Slaton 29, but four penalties on Tahoka stopped the drive. Slaton got possession, but on their second play, Bray intercepted a Tiger pass.

From there on, neither team made a first down until the fourth quarter. Ball caught a pass good for 39 yards, and looked like he was long-gone, but he was nailed from (Cont'd. on Back Page, Sec. II)

O'Donnell Loses At Homecoming

Sundown outscored O'Donnell Friday night 12-0 to unseat the Eagles from second place position in District 5-A.

Until game time, Sundown was in fourth place in the district. Fullback Don Leonard opened the scoring in the first quarter by going seven yards to pay dirt. Unable to score again, the half time score was 6-0.

The Eagles from O'Donnell played a commendable game, however, holding the Roughnecks scoreless in the second and third quarters. However, in the last quarter, Leonard again scored, this time from the three yard line. Both extra point attempts failed. Tonight the Eagles travel to Plains for a conference battle beginning at 7:30 p. m.

New Home Loses Conference Game

New Home Panthers bowed to Cooper Friday night 35-6 at Woodrow to keep the winners in first place in District 4-B.

The Pirates made five touchdowns, kicked once for an extra point, and ran two conversions across. The Panthers scored in the last quarter when Quarterback Marlon Rudd went over from the one yard line for a touchdown. The extra point attempt failed.

Joe Ray Felty, tailback for the winners, made the first and final touchdowns and ran for two points. He went five yards for the first and 22 yards for the last. Dewey Mann kicked the extra point after the first tally. Buzzy White threw 17 yards of Tommy Hlavaty in the first quarter for the second paying play and Johnny Kuback ran for extra points. White passed to Mann in the second quarter for a touchdown and Felty ran the conversion. The fourth TD came when White again passed to Mann for a 35 yard play touchdown. Conversion attempt failed.

Halftime score was 29-0. New Home goes to Wilson this Saturday for the Homecoming game there.

TOM OWENS NOT GOING TO SERVICE AFTER ALL

Tom Owens, who received his notice last week to report for duty as a member of the 190th Signal Battalion, on contacting the headquarters at Lubbock last week and Austin headquarters, found that he is not being called up for duty, after all.

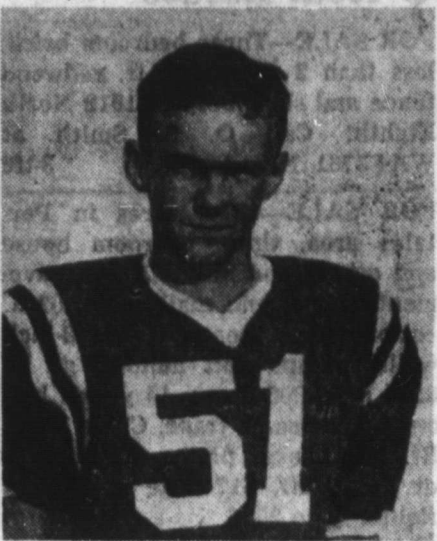

Mr. Owens, who came here last June from Seabrook, near Houston, is a member of the Reserves. Naturally, he was very pleased and returned Monday to continue his work at the Lynn County Soil Conservation District office.

Wilson Winner In Sands Game

The Wilson Mustangs clobbered Sands at Ackerly Friday night 20-0 in District 4-B football play in their conference opener.

Before a homecoming crowd Surpy Benavidez opened Wilson's scoring attack in the second quarter on a one-yard sneak. Conversion attempt failed. Halftime score was 6-0.

In the third period, Leroy Schneider went five yards over guard for six points, and the conversion failed again.

Sam Crowson made the final scoring play from the two yard line over guard in the fourth quarter. Dan Webb received a pass and went over for two extra points.

Sands penetrated deep into Wilson territory twice, once inside the two-yard line and one inside the five-yard line, but the Mustangs defense held. Each of the

teams were not able to penetrate again.

Wilson has a good chance to take the District 4-B title this year. The Mustangs play New Home this Saturday for a homecoming game and then will meet New Deal, Lorenzo and Cooper in that order.

B. F. Forsythe of Beaumont and E. H. Forsythe of Houston have been here the past few days visiting their mother, Mrs. G. W. Forsythe; brother, L. A. Forsythe; and sister, Mrs. J. B. Oliver.

Printer's Ink-lings . . .

By F. P. H.

What will money buy?—a bed but not a good night's sleep. . . It will buy books, but not brains. . . It will buy food, but not an appetite. . . It will buy finery, but not beauty. . . It will build a house, but it cannot buy a home. . . It will buy medicine, but not health. . . It will buy amusement, but not happiness. . . Money will buy preaching, but not the truth. It will buy a church building, but not salvation. (Anon.)

There's one nice thing about being bald or having a flat-top when company comes; all you have to do is straighten your tie.

Nikita Khrushchev said: "We cannot expect the Americans to jump from capitalism to Communism, but we can assist their elected

leaders in giving Americans small doses of socialism, until they suddenly awake to find they have communism."

Where there is so awfully, awfully much smoke, there is bound to be a little fire! Not only the ultra-conservatives, but the moderates and some of the liberals, and fellows like J. Edgar Hoover of the FBI are worried about the infiltration of Communists into our government. The latest of questionable acts of our bungling Federal government is the sale of planes to Communist Yugo-Slavia, and the training of pilots for the Communists right here in Texas. Why are we still aiding Communist-held countries? Why are we still helping, indirectly, Castro's Cuba? Why are we sending \$40 million through UN to Cuba and still giving financial aid to the Communists in Africa, to say nothing of Poland, Egypt, India? These acts of our government are as un-American as the sell-out to the Communists at Teheran, Yalta and Potsdam. Why does our government keep on, and on, and on falling for things that help an enemy that has sworn to destroy us one way or another? There's bound to be some sinister influence in Washington so deeply infiltrated in so many departments that we are working against ourselves.

If we can send \$2 billion American aid to Communist Yugo-Slavia, why is it such a crime to spend a like amount on our farm programs that the city fellows raise so much Cain about?

Mrs. Anna Eiford, wife of the First Baptist pastor, says that with five already in the family they had quite a time agreeing on a name

THE AMERICAN WAY

He's Right, Of Course

for their baby girl before selecting Teri Lynn. Then, they happened to think some people may think she is named for Terry and Lynn counties. But, Terry Noble and Lynn West declare she is their namesake.

Believe it or not, a University of Texas graduate has joined the Aggie cheering section. As one and all should know, James F. (Sonny) Roberts is a dyed-in-the-wool, all-the-way Texas Aggie. His wife, Dot, attended Texas U. and formerly was a good old Longhorn. Along came four sons to the couple. As the sons began to grow, following in the footsteps of Dad, they accumulated contempt for the rival Longhorns and even got a little ashamed of the fact that their mother is from Texas. So, Dot decided to join the throng. "Yea, Aggies!"

The four clean-cut young men running the program at school Friday afternoon at the Homecoming event gave us a little extra pride in our young people. These four young men were Perry Flippin, Craig Leslie, Larry Price, and Tony Spruiell! But, there are a lot more fine young people, boys and girls, in our schools. Tahoka has right to be proud of the quality of young citizens it is turning out.

We forgot to mention the fact a while back, but A. W. Snider of Newmoore declares he has seen a rattlesnake swallow its young. Cleve Littlepage recently raised the question when he and a Mexican employee cut open a rattlesnake and found therein several little snakes with tough hide that indicated they had lived in the outside world.

Several local ex-students of West Texas State College, Canyon were thrilled Saturday night at homecoming when they saw the Pampa Harvester band perform at half-time activities at the Buffalo-Arizona Sundevil game. Bill Tregoe is director of the now famous band. He began his directing career in Tahoka after graduating from West Texas State in 1949, and always had an excellent band here.

Last year the Pampa band was invited to the Chicago band clinic, a distinct honor in itself. But what was really the greatest honor a director and band can receive was bestowed on the unit. It was named the "Outstanding High School

JACK STRICKLIN WRITES ABOUT THE OLD TIMES
Jack Stricklin of Brownfield writes:

It was quite a challenge for anyone to move out here in the early days where there was no doctor nearer than Lubbock, Big Spring, Colorado City or Abilene, and the nearest hospital in Fort Worth. Several we knew died before reaching hospital and some just didn't get there in time for skilled surgeons to save them, just too late.

Of course people coming to this new country as well as other new locations, always had on hand turpentine, quinine calomel, Fletcher's castoria, Carter's little liver pills, wine of cardui, lightening oil, castor oil peruna, Watkins liniment and a medicine called mother's friend but for the life of me I can not remember what it was for, also arnica salve. All the above was supposed to be good for everything from old sores to unhappy marriages and the men, if they so desired could drink the wine of cardui and peruna and forget about an unhappy marriage.

Lest we forget there was always rattlesnake bite medicine, which was really used for snake bites and when a baby or grown person for that matter had the colic, a little was good for the stomach sake.

The above medicines with exception of whiskey, could be bought in any first class grocery store, you had to order Hill and Hill, Old Crow and Old Glory from Kansas City or a few of the more thirsty and harder cowboys could go to Gail for their favorite snake remedy.

Band in the Nation.

Ex-Students who saw the large organization perform Saturday say it is deserving of the recognition in every respect. In fact there is only one world for it—TERRIFIC.

Mrs. George Spears of Grassland brought The Printer a sample pomegranate, the "fruit of Persia," which she raised at her home. She has two bushes of the fruit, and we didn't know they would grow here.

Joe Harrison of the Texas Spur says his wife had been reading Bible stories at bedtime to their two boys. When she had finished reading the story of Adam and Eve in the Garden of Eden, Mrs. Harrison asked, "Chuck, what was the man's name in the story?" Chuck gave the right answer, and then she asked, "David, what was the lady's name?" David wrinkled up his brow, thought a minute, then replied happily, "Mrs. Adam!"

The independent young working woman boarded a crowded bus. Three times a gentleman attempted to rise from his seat, but each time the lady pushed him back. "None of this outmoded false gallantry," she chided, "I can stand just as well as the next one." On his fourth attempt to arise, the gentleman thrust out his jaw and said firmly, "This time you must let me get out, madam, I'm seven blocks past my stop now."

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

I am a farmer in Deaf Smith County of Texas and have 960 acres. The Kennedy farm program will pay on this farm next year: \$10,000 for not growing 200 acres of milo, \$5,000 for not growing 90 acres of wheat, and \$3,000 for conservation practices—a total of \$18,000, and the Soil Bank Program of the past administration has not been mentioned.

I still have 700 acres of land to irrigate and fertilize. The Government will guarantee money on my wheat and milo.

How can I lose? How stupid can the taxpayers get?
(Signed) Muri McCasland.
P.S.—I have refused the money!

Tahoka Wins . . .

(Continued from Page 1, Sec. 2)
behind by Hegi on the Tahoka 35. Tefertiller then made five yards, but fumbled and Scott covered for Tahoka.

Hegi hit Greer again with a pass, nullified by a 15-yard penalty on Tahoka. Soon, Slaton was back in business and moved to the Tahoka 34 before bogging down. Pushed back to Tahoka's 26 by two penalties despite gaining 13 yards on two runs, the Bulldogs' Bray punted to the Slaton 27.

Slaton Stopped On Two

Slaton got its big chance, which came near to success. Tefertiller passed to RE Gregg Nowlin for 13 yards, Ball went around left end for 13. Tefertiller then ran for 13 and then passed to QB Pember for 32 yards on the Tahoka 2-yard line.

The Tigers seemed almost certain to score, but the Bulldogs rose up in their finest goal-line defensive effort of the year. Ball made no gain in two plunges into the line, and then Pember was thrown for a 7 yard loss. On fourth down, Tefertiller made only one yard. Tahoka took over with 12 seconds remaining on the clock. Hegi received the snap from center and fell on the ball to run the time out.

It was a fine victory for Tahoka on Homecoming. The Bulldogs had come through at critical moments. After Hopkins went out, Bray did some fine punting, an average of 36 yards on four kicks, to help keep the ball away from the goal line.

Hegi and Bray were fine on defense, as were others, including Ken Scott, Mike Taylor, Curtis Harvick, Jack Wood, Billy Miller, Craig Leslie, Billy Davis, Jerry Forsythe, Tommy Jones, Larry Price, Tony Spruiell, Johnny Rogers, Macky Joe McWhirter, Steve Greer, and Glen Hopkins.

Outstanding on defense for Slaton were RE Gregg Nowlin, RT Tommy Simmons, LG Leslie Brown, and RG John George.

JERRY REESE

New Executive Of Scout District

Cliff Cummings, President of the South Plains Council, announces the addition of Jerry Reese to the professional Scout Staff of the South Plains Council.

Mr. Cummings says "We are very proud to have Jerry, and his wife Sherry, and their young son as members of the Scouting family in the South Plains area."

Jerry will serve the Quanah Parker District, which includes the following counties: Yoakum, Terry, Lynn, Gaines and Dawson. He will live in Brownfield.

Reese just recently completed the National Training School for Professional Scouters at Schiff Scout Reservation, located at Mendham, New Jersey. There were some sixty men from all over the United States in the school, and Reese finished among the ten students.

He graduated from Abilene Christian College in 1958. For the past several years he and his family have lived in Amarillo. While in Amarillo he was an active adult Scouter. Reese was in the Army during the Korean conflict.

With the addition of Reese, this makes a complete professional Scout Staff of nine men, to serve Scouting throughout the 20 counties that make up the South Plains Council. The Quanah Parker District has made great progress during the past several years, and with the dedicated leadership of the volunteers of this District, plus the efforts and guidance of Jerry Reese, the Quanah Parker District should continue to have some of the best Scouting in all of the South Plains Council.

Mrs. Vernon Jolly of Phillips, the former Lillie Dell Slover, was here Friday for the Tahoka High homecoming, and visited her brothers, John and Rufus Slover. She graduated at Tahoka in 1921.

Joe Shepperd, Mrs. Pearl Lewis, Homer Vaughn, Charlie Lester Vaughn, Willis Vaughn, Mrs. Faye Parker, and Francis M. Vaughn are also defendants.

A brief statement of the nature of this suit is as follows, to-wit:

A trespass to try title suit in which plaintiffs, for cause of action would respectfully show that on or about the first day of August, 1961 they were lawfully seized and possessed of the following described lands and premises situated in Lynn County, Texas, holding and claiming the same in fee simple, to-wit:

The plaintiffs Arslie Saleh, individually and as Community Administrator of the Estate of N. Saleh, Deceased, John Saleh, a single man, Odette Saleh, a female sole, John Saleh and Odette Saleh as Trustees, Lessees, and J. D. Hunter, Lessee.

Oil, Gas and Mineral Lease dated August 7, 1958, recorded in Volume 138, Page 632, between John Saleh, a single man, Odette Saleh, a female sole, John Saleh and Odette Saleh as Trustees, Lessees, and J. D. Hunter, Lessee.

Oil, Gas and Mineral Lease dated October 28, 1960, recorded in Volume 151, Page 31, between Ollie K. Carson and husband, F. T. Carson, Lessors, and C. S. Hunter, Lessee.

That thereafter defendants unlawfully entered upon said premises and ejected plaintiffs therefrom, and unlawfully withheld from them the possession thereof to their damage. Plaintiffs by way of

special pleas are alleging title by virtue of the three-year Statute of Limitation, the five-year Statute of Limitation, the ten-year Statute of Limitation and the twenty-five-year Statute of Limitation. Plaintiffs pray for judgment for title and possession of said land, and other and further relief to which they are entitled as is more fully shown by plaintiffs' petition on file in this suit.

If this citation is not served with in ninety (90) days from the date of its issuance, it shall be returned unserved.

The officer executing his return shall promptly serve the same according to the requirements of law and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and seal of said court in Tahoka, Texas, this 28th day of September, 1961.
