Bike Winner

First place winner in the Cyclethon sponsored by the Heart Association recently was James Myers, 9 years old and a fourth grader at Hutchinson elementary. James won the 10-speed bike being offered as first prize for the person raising the most money for the association. He is pictured above as he claimed the prize from donor Zeno Smith, owner of Ben Franklin Store here. Mrs. Fern Brown, president of the local Heart Association unit, said that the ride raised \$1,275 for the drive this year, earning another Heart and Torch Award for exceeding last year's fund drive. A special prize went to Paul Hunter, Precinct Three commissioner and owner of Better Cleaners for generating interest in the bike ride and raising the most money in the adult division. Hunter was awarded a five-quart electric ice cream freezer for his efforts on behalf of the fund drive, Mrs. Brown said.

Four Teachers Resign

Four Colorado City school teachers have submitted their resignations to Superintendent Lloyd McKee, subject to action by the school board during their next regular meeting.

The four are: Mrs. Mary Lou Griffin, girls physical education teacher at Colorado Junior High; John Paul Matthews, science teacher at junior high the past semester, filling in for Mrs. Christine Moseley who resigned at mid-term; Mrs. Patsy Edens, homebound teacher in the Plan A program at Kelley Elementary and Rhonda Gillum, high school math teacher.

Mrs. Griffin stated her reason for tendering her resignation as moving to Snyder to teach in the school system there. McKee noted that her husband works in Snyder, saying "we hate to lose a loyal and valuable teacher but we understand it will be more convenient for Mrs. Griffin to work in Snyder with her husband."

Matthew's intentions are to continue his education in San Angelo, he stated in his letter of resignation and McKee said the school administration appreciated his filling in for the past semester.

Mrs. Edens will be moving to

Stanton with her husband, the Rev. Davis Edens, pastor of First United Methodist Church in Colorado City for the past three years. Edens will pastor the Methodist church in Stanton.

Mrs. Gillum, who taught math at CHS the past year, will go to work for a Certified Public Accountant in Colorado City.

McKee also said that the school system will be losing a loyal friend and faithful worker with the resignation and retirement of Mrs. Luke (Lucy) Thomas. Mrs. Thomas has worked for the public school system as Hutchinson's secretary for the past 19½ years, McKee said. Her husband recently retired, selling his part of Thomas Brothers Texaco service station to his brother Glenn.

Lost Shetland

A small brown Shetland pony with white mane and tail has been found in the city, reported to the police department at 10:46 p.m. Monday by Bob Ratliff of 920 Oak Street.

Anyone interested in identifying the pony may come to the police station. It is tied behind the station and being cared for by policemen.

Doctors To Get Help

Dr.'s Assistant Program OK'ed At Hospital

The Hospital is to receive a new doctor June 1 and its first Physician's Assistant (PA) in August.

The Hospital Board approved Dr. Thomas Aguillon's application to become a practicing General Physician and Surgeon here in Colorado City.

The monthly meeting also saw the approval of the hospital's first PA. The new place is to be filled by John McElligott. McElligott is presently working as Assistant Director of the PA program at Texas University in the Dallas Medical Center.

McElligott was born in Big

Spring in 1945 and has been reared in the West Texas area. He attended High School in Midland where he won All State Swimming honors in 1963. He has served in the U.S. Marine Corps as a Medical Corpsman in Vietnam in '67 and '68.

The new PA has attended five universities and one college. He received his bachelor of Health Science from Duke University in 1974. He also attended Old

Dominion University in Virginia; Odessa College in Odessa; Baylor University in Waco and North Texas State in Denton.

His Medical experience includes being a hospital Corpsman, duty in Vietnam, Supervisor of Plastic Surgery at Duke, and time at Duke's School of Medicine. His last year there he was the Student President of the American Academy of Physician's Assistants.

McElligott is married to Charlotte R. McElligott. She is presently working on her Nursing Degree and will complete in '77. They have one son, Jay Patrick.

McElligott and his wife were at the Board meeting Tuesday

night where he explained the PA program to the members.

Though the program is new to Mitchell County it has been in operation since the early '60s. It originated along the Eastern Coast where it's in use with great success.

The program trains people to be responsible for the medical tasks of a standardized nature by requiring considerable experience or specialized training which would otherwise be performed by a doctor, but does not constitute the practice of medicine.

A PA will see a Doctor's less serious cases and be able to spend more time with them. His manner is that of the more familiar television doctor who is

able to spend at the minimum of 30 minutes with each patient. The PA can also prescribe medicine, diagnose a case and assist in surgery. He maintains the medical history of patients and keeps the medical records up to date.

The doctors are responsible for the PAs work and in the 10 years that it has been in use there have been no malpractice suits against any doctor who uses PAs.

The new PA here will be working out of the Hospital so he can be of service to all the doctors in the county. With this program the hospital will be able to improve the quality of medical care and reduce the cost of medical care.

Farmer's Market Meeting Tonight

An organizational meeting to plan for beginning a Farmer's Market in Colorado City has been set for 7:30 tonight in the Charles C. Thompson Room in City National Bank's new annex.

Planned as a Mitchell County Bicentennial Project, Horizons committee members George Womack and Carolyn Smith are heading the effort to organize a farmer's produce market for the city and county on a permanent basis.

Persons encouraged to attend the meeting, according to Mrs. Smith, include backyard gardeners, clubs or individuals making home canned goods, crafts articles or any item of a unique nature.

"It is the intention of the committee to provide the marketplace, rent spaces to farmers, groups, clubs, etc., with all proceeds from the rent going toward advertising market items available," Mrs. Smith explained.

"We do not want to make money from the project, but rather to provide a place where gardeners and craftsmen will be able to offer their items to the public," she added.

An estimated 12 to 15 steady producers will be necessary to insure success of the project, she emphasized, and urged all interested parties to attend the meeting.

"We need, ideally, three or four growers, for a single item being offered, for instance, cantaloupes, cucumbers, blackeyed peas, etc.," she said.

The committee is ready to draw up rules and regulations for the market and needs ideas from interested persons for setting up the general guidelines.

False Fire

Alarm Made

Two false fire alarms were made in the city over the weekend and the police department reminds pranksters that it is unlawful to turn in a false alarm.

A call came to the dispatcher at 6:34 p.m. Monday that a house was on fire at 1155 College.

Another false alarm was made at 8:29 a.m. Tuesday, reporting that the First State Bank in Lorraine was on fire.

Stockholders Receive Checks

Producers Co-op Gin Association held their annual stockholders meeting last Thursday evening in the Medallion Room of Lone Wolf Electric.

Forty-seven members attended, receiving their dividend checks for the past season.

A special plaque of appreciation was presented by the association to the Agricultural Stabilization and Conservation Service, accepted by ASCS committeemen Tommy Fuller and Warren Anderson. The plaque read: "In appreciation for the help and cooperation this year and in year's past" and was presented to the entire staff of the ASCS office, Don Stewart, executive director; clerk Margaret Brame, Amarie Hall and Joan McCollum and field inspector Delmar McDaniel.

Directors C.N. Stubblefield and Tommy Fuller were re-elected to the board and officers will be elected when the board next meets.

Cornerstone Leveling

Participants in Saturday's cornerstone leveling ceremony at Colorado City's new high school are pictured above, from left, Howard W. Hardcastle, Worshipful Master of Mitchell Lodge; M. Odie Wise, Junior Warden, Mitchell Lodge; John Morgan Jr., Past Master, Mitchell Lodge; L.B. Elliott, Past Master, Mitchell Lodge; Joe E. Boyd, Past Master, Mitchell Lodge; Dale Tanner of Floydada, member of Public Schools Week committee of the Grand Lodge of Texas; R. Furman Vinson of Flomont, Grand Junior Warden of the Grand Lodge of Texas and Jimmy Wilson, of Floydada, chairman of the Public Schools Week committee of the Grand Lodge of Texas.

Large Crowd Attends CHS Commencement

Lloyd McKee, superintendent of Colorado City schools, spoke briefly to the Class of 1975 prior

to their graduation in Wolf Stadium Tuesday evening, urging them to be loyal to their school, their employer and their country.

Saying "It's up to you," McKee drew applause from the capacity crowd in the stadium when he said we live in the greatest nation in the world.

He also gave special recognition to the CHS Wolf Band, directed by Kent Holder, and asked the graduating senior members of the band to stand.

Following opening remarks by Mark Kimmel, presenting the Salutatory address, and Cindy Holder, delivering the Valedictory address, the honor graduates were presented: Elaine Ruffin, Cheryl Sayer, Patricia Chinn, Sally Smith, Tony Sorenson, Patty Goodlett, Sheila Hardee and Danny Edwards. They earned an average of 90 or above for their four years in high school.

CHS principal Bill Everett presented college scholarships to the following: Patty Goodlett, Lani Muinch, Randy Chambers, Mark Kimmel and Cindy Holder.

Special medals of award went to the following recipients, chosen by the high school faculty:

—Most Athletic, Gene Banks and Sharon Prince.

—Leadership, Mark Reynolds and Cheryl Sayer.

—Character, Roger Roenfeldt and Patty Goodlett.

—Service, Randel Calaway and Sharon Matthews.

—Literary, Mark Kimmel and Cindy Holder.

Trophies were also presented to Kimmel and Miss Holder and the Principal's Trophy went to Mary Amadeo.

Everett announced that a volleyball scholarship to Hardin Simmons University in Abilene had been offered Connie Sparr and Cheryl Sayer was the recipient of a choir scholarship for her outstanding work in the choir.

Local clubs and civic organizations presented scholarships as follows:

—First United Methodist Church, presented by W.E. Welter to Susan Luera.

—Noon Lions, presented by Judge Bill Carter to Kelly Moore.

—Kiwanis Club's Frank H. Kelley Award, presented by Dennis Waidling to Randel Calaway.

—Evening Lions, presented by Glenn Dunn to Patty Goodlett.

—VFW and VFW auxiliary, presented by Don Delaney on behalf of Wilson Wyatt Post 9178 to Mary Amadeo.

—B&PW, presented by Mrs. Seton Pickens to Cheryl Sayer.

—Linn Lee Thompson scholarship, presented by Sam Thompson to Penny Cooley.

—Colorado Classroom Teachers, presented by Kay Kelley to Sharon Matthews.

—EHE Study Club, presented by Mrs. H.H. Lee to Nolan Russell.

—O.H. Ruffin Memorial, presented by Bob Grayson to Elaine Ruffin.

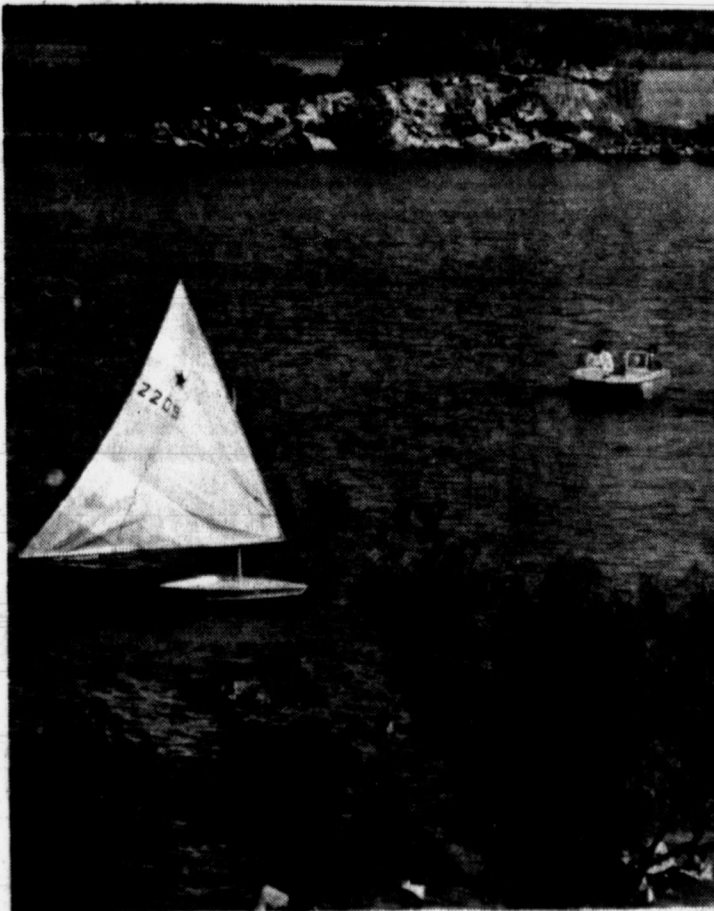

The graduates were then heard a special challenge by outgoing Student Council president Mark Reynolds and rebuttal by incoming president of the Student Council, Ginger Noel.

The Wolf Band played during the processional and recessional.

Burglary Solved

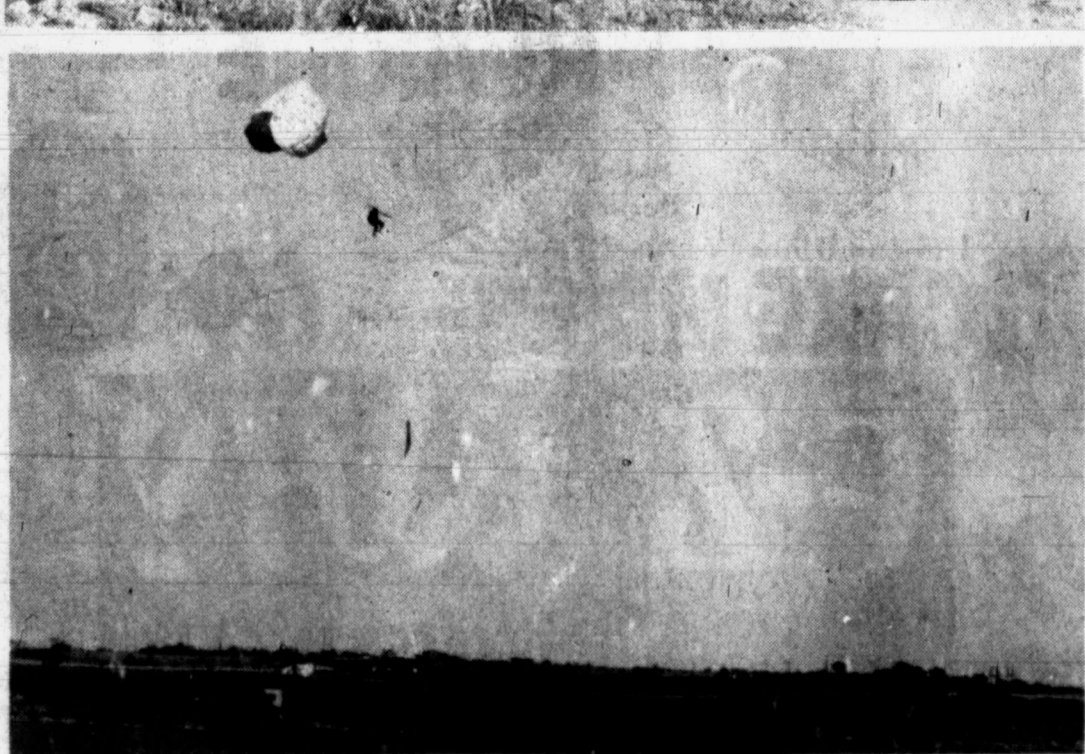

Sixteen cans of Treflan, valued at \$2,000, taken from Buford Co-op early Tuesday morning, May 20, were recovered Wednesday afternoon, May 21 in Lubbock through cooperation of the Department of Public Safety intelligent agents in Lubbock and Mitchell County Sheriff's Department.

Three men are being held in custody in Lubbock, thought to be part of a large, well-organized theft ring operating in the Lubbock area and concentrating on stealing farm equipment, tractors, trailers and chemicals.

Busy Weekend

Almost 10,000 people visited Lake Colorado City State Park during the four-day Memorial Day holiday weekend, according to Park Superintendent Joe Robinette. Robinette said it would sure be a help if visitors would keep their campsites clean, helping park personnel with the trash problem. More than 3,000 of the visitors camped in the park during the weekend, engaging in activities pictured here. The parachute is engaging in a variation of water kiting as he is using a parachute instead of a kite, being pulled by a boat.

Reeves Nominated For Who's Who

James Ray Reeves, son of Mr. and Mrs. Tom Reeves of Colorado City, was selected to be included in the 1976-77 edition of the "Who's Who In The West" which is to be published this summer.

"The Who's Who In The West," published for more than twenty-five years, is an invaluable resource for those seeking biographic information. Each volume provides data on reference-worthy individuals of a particular area; the complete set provides fact-gatherers with a single source for needed information about people in the arts, science, government, law, business and all other professions.

The publication, which will include his biography, will also include personal data and will give reference to his research, projects, publications and scholastic achievements. The compilers or editors selected his name from nominations made by people within his profession.

Reeves has completed work requirements for a PhD in Geological Engineering. He has been promoted from exploration geologist to assistant-to-the-Regional Geologist of Placer Amex Mining Company.

He and his family were recently transferred to Spokane, Wash., from Salt Lake City, Utah. At the time of their move, Mrs. Reeves was in the midst of a PhD in Early Childhood Education.

Fly-In To Be Held Here Soon

There will be a Fly-in on the Finley Ranch ten miles southeast of Loraine Saturday morning beginning at 8 a.m. Breakfast will be served. The morning fly-in will continue through 12 noon.

This will be the second annual fly-in and will be sponsored by Landus Finley.

Participants are expected from Abilene, Sweetwater, Snyder and Colorado City.

Everyone is invited to attend the fly-in.

Dr. John H. Chinn Completes Education Requirements

Dr. John Harrison Chinn of Colorado City has completed continuing education requirements to retain active membership in the American Academy of Family Physicians, the national association of family doctors. The academy formerly was called the American Academy of General Practice.

The requirements call for members to complete a minimum of 150 hours of accredited continuing medical study every three years. Members become eligible for re-election at the end of the third year following their election to membership.

The Academy, the country's second largest national medical association, is the only nation-

nal medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., was instrumental in the establishment of a new primary specialty in family practice in 1969. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future. The Academy's continuing education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

Bruces Celebrate 50th Anniversary Sunday

Mr. and Mrs. Malcolm Bruce were honored on their 50th wedding anniversary with a family celebration Sunday.

They were married May 23, 1925 in the home of her parents, Mr. and Mrs. W. M. Richards, pioneer residents of the Loraine Community.

The family attended services at the First United Methodist Church in Loraine. At noon, a dinner was served at the home of their daughter, Mr. and Mrs. W. B. Crockett Jr. of Colorado City.

A reception was held in the afternoon hosted by their daughters in the Crockett home. Golden punch and a tiered anniversary cake were served from a lace covered table decorated with an arrangement of golden color flowers.

Serving at the reception were the couple's granddaughters, Mrs. Ralph Aman, Caryl Hallman and Kathy Crockett.

Those attending were their daughters and husbands, Mr. and Mrs. W. B. Crockett Jr.,

Mr. and Mrs. Norris Taylor of Odessa and Mr. and Mrs. Gerald Hallman of Midland.

Other family members attending were Mr. and Mrs. Bill Crockett and Kathy of Colorado City, Bruce Crockett and Bridget Acuff of San Angelo, Mr. and Mrs. Ralph Aman and Larry Hallman of Midland, Caryl Hallman and Jan McKinney of Lubbock.

Others attending were Mrs. Era Mubroy of Colorado City, Robert Bruce, Mrs. Pearl Bruce and Ralston, Mr. and Mrs. Ronald Bruce, Gregg and Leslie all of Loraine, Mrs. Swann Cramer of Colorado City and Rev. and Mrs. Wilton Lynn, the honorees' pastor.

Billions Spent By Tourists In Texas

Tourists, both out-of-state and Texans travelling Texas, spent a total of \$4,812,860,000 in the state in 1974.

Figures were compiled by the Texas Highway Department in a report published recently, the annual Visitor Industry Report. Out-of-State visitors spent \$2,641,937,000, contributing \$235,132,000 directly to the state through taxes.

Texans travelling Texas, an estimated 241,439,000 person-trips, spent \$2,170,923,000, \$193,212,000 in state taxes.

Auto travelers accounted for 81 per cent of Texas' total visitor flow from out of state during 1974.

The 15,845,000 auto visitors during 1974 compares to 15,975,000 in 1973, but auto visitor parties rose two per cent to a total of 5,967,000.

Also, on an average day, there were more auto visitors in Texas- 299,500 in 1974 compared to 249,600 the previous year. The greater numbers on any given day derive from an increased length of average stay- more than a full day longer in 1974.

Money spent by auto visitors has been broken down into the following amounts:

--Spending per person per day, \$20.
--Spending per party per day, \$53.19.

--Spending per party per average stay, \$368.09.

California, with ten per cent, and Oklahoma at nine per cent, made up the largest proportion of out-of-state auto visitors, but all states were evident.

Most frequently visited areas were: Dallas, 9%; Houston, 7%; El Paso, 5% and San Antonio, 5%.

Total common-carrier visitors to Texas from out of state were 3,082,000 persons, breaking down into the following:

--Airline, 3,082,000.
--Bus, 66,000.
--Train, 72,000.

Airline visitors averaged 2.3 days in length of stay while bus and train visitors averaged 6.9 days.

When Texans take their vacations, 46 per cent go only out of state; 31 per cent go sometimes in, sometimes out; 18 per cent go only in Texas and almost 4 per cent aren't sure where they go.

Texans' top choices for vacation destinations are, in order of preference:

--California.
--Colorado.
--New Mexico.
--Arkansas.
--Louisiana and Oklahoma, tie.
--Mexico.
--Florida.
--Arizona.
--Tennessee.

Newman Directs Last Sixth Grade Band

Bob Newman directed Wallace's Sixth Grade Band in their last concert of the season Tuesday afternoon, also to be the last time there will be a separate sixth grade band and the last time for a concert at Wallace by students of the school.

When school was out yesterday afternoon, Wallace Elementary School ended its existence. The school building will be used hereafter as an Adult Center for Senior Citizens and for adult education classes, including extension courses from Western Texas College in Snyder.

Range Field Day Set June 3

A Range Management Field Day, sponsored by the West Texas Association of Soil and Water Conservation Districts, Runnels SWCD and the Texas Section of American Society of Range Management will be held on the Wyle Estate Ranch near Bronte.

The tour will display integrated and diversified ranching operations and is set for 9:30 a.m. June 3 on the ranch located about six miles south of Bronte or 45 miles south of Roscoe. Van Milis, local range conservationist with the Soil Conservation Service, said that a dutch-treat barbecue lunch is planned and a fairly accurate estimate of those planning to attend is being sought by tour planners. He can be contacted at the local SCS office, phone 728-2541.

Various forms of brush management and several short duration-high intensity type grazing systems will be inspected during the tour.

Mills said that there are more than seven million acres of planned grazing systems in Texas. Short duration systems are the most popular, he said, and have given the fastest range improvement.

"Stocking rates have been increased by at least 25 per cent with the short duration-high intensity system where it has been tested," Mills said.

Next school term, sixth, seventh and eighth graders will be attending the Middle School, located on the campus of the present high school.

All the Middle School students will be combined into one band under Newman's direction when school starts again in the fall.

The Sixth Grade Band played an ambitious list of music Tuesday, including the following selections:

--"The Star Spangled Banner."

--"Palomar Overture," traditional symphony.

--"Evening In Paris," medley of European tunes.

--"Stormy," modern jazz.

--"CJH Fight Song," spirit march.

--"Lost City," modern symphony.

--"Riff Raff," updated rock.

There were more than 40 students in the band this year.

Last Time

The Sixth Grade Band presented their last concert of the year Tuesday afternoon for the enjoyment of fellow classmates at Wallace Elementary School and some parents who attended. The picture above was taken from behind the band and shows director Bob Newman at work.

Mrs. Neely Returns From Washington

Mrs. Mattie Neely returned home Friday night after a two week trip and visit in Washington, D.C. and other places in the eastern states.

She made the trip with her son and wife, Mr. and Mrs. Robert E. Neely of Houston. Also with the group was Mrs. Neely's mother, Mrs. L. M. Mossey of Austin.

In Washington, they visited Mark Neely, son of Mr. and Mrs. Robert Neely.

Mark has been in D.C. taking courses in the Foreign Service Institute since receiving his law degree from Texas University in January and has worked as a Foreign Service Officer in the Department of State since then. He will be leaving in July for a two year assignment with the American Embassy in Kingston, Jamaica.

Mary Alvarez Visits At Home

Mary Ann Alvarez, daughter of Mr. and Mrs. Anastacio Alvarez who live north of Loraine, is visiting at home with her parents and family for a two-week vacation before returning to Angelo State University for the summer semester.

Miss Alvarez earned a 3.3 grade point average during the Spring semester, gaining mention on the Dean's List.

Announcing

Mr. and Mrs. Wendell Banks announce the birth of a baby daughter, Veronica Ann, weighing 7 lbs. on May 25 in Root Memorial Hospital.

The Monticello choo-choo. A little train that's helping fight the rising cost of electricity.

You're looking at what may be the shortest railroad in Texas.

The Monticello choo-choo runs only 12 miles from start to finish, but it's doing a big job hauling lignite coal to Texas Electric's Monticello power plant near Mount Pleasant.

The diesel-electric locomotive pulls seven to 15 cars. And each car is loaded with 100 tons of lignite per trip.

After unloading at the plant, the train is "backed" the 12 miles to the mining area. This saves the expense of a turn-around facility. On the trip back the engineer drives the train using controls in a special caboose.

Monticello is our second lignite-fired generating plant. We're building these plants because new supplies of natural gas and oil — the primary fuels we use to generate electricity —

are harder to get and more costly.

Lignite plants cost much more to build, which means electricity is going to have to cost you more. But the increase won't be as much, because lignite is available and more economical than new supplies of natural gas and oil.

At Texas Electric we're continuing the orderly development of our power system so that you'll continue having the electricity you need.

Over 20% of your electricity this year will be produced using lignite coal.

And the Monticello choo-choo is a mighty fine line that's helping do the job.

Deadline June 1 For Fish Signup

Landowners with fishless
farm ponds have until June 1 to
make application to the Texas
Parks and Wildlife Department
for catfish and sunfish.

Application forms are available
from local game wardens and
at most department offices.
Acknowledgment of applications
is made by mail and landowners
will be notified 10 days to two
weeks before delivery of fish is
made, usually between Aug. 15
and Nov. 1.

Those who have approved applications
will be advised of the time
and place to pick up their fish
and the amount of pond water
to bring with them.

Ted Lowman, P&W hatchery
coordinator, said that in order
for owners to receive fish their
ponds must never have been
stocked with the requested species,
the ponds must have dried and
refilled or they must have had
all fish chemically removed
since the last request.

Culbertson To Science Symposium

Terry Lee Culbertson of Route
3 Colorado City, a student at
Colorado High School, has been
selected to attend the 15th
Texas Nuclear Science Symposium
for High Schools at the University
of Texas at Austin June 4-7.

Bill N. Simmons, science teacher
at the high school, will accompany
him to the symposium.

Texas Electric Service Co., a
member of the Texas Atomic
Energy Research Foundation which
is joining with the university in
putting on the symposium, will
sponsor them.

Some 500 outstanding science
students and their teachers from
throughout the state are selected
by their schools to attend the
four-day meeting. Scientists and
engineers for industry and education
will discuss nuclear physics, nuclear
engineering and related topics.

"Attending this symposium
should be a most interesting
and educational experience and
a chance to learn more about
the latest achievements in nuclear
science for these participants,"
B.B. Hardee, local manager of
TESCO, said. "We are pleased to
provide them with the opportunity."

Flagpole Donated

Veterans of Foreign Wars, Wilson Wyatt Post 9178, donated a
flagpole to Colorado City's new Civic Center and it was installed
with the aid of a Texas Electric crew during the past week, in time
to raise the Bicentennial flag with the American flag Friday afternoon
during the Bicentennial ceremony at the Civic Center.

Aston Gives Safety Tips

Now that hot days have warmed
up the water temperatures in
Lake Colorado City and Lake
Champion, Game Warden Ronnie
Aston reminds boaters, fishermen,
swimmers and skiers to observe
water safety rules.

Aston has a few booklets entitled
"A Digest of the Texas Water
Safety Act" and can be reached at
his new telephone number: 728-5430.

"Generally, being as cautious
or even more so, in the water
than while driving an automobile,
is a good rule to follow,"
Aston said.

A good practice while driving
a boat is to stay on the right,
he said, and look behind and to
both sides before turning to either
right or left.

"Skiers should watch other
boats and if in the water waiting
to be picked up, hold up a ski
so they can be seen plainly by
both the pick-up boat and other
boaters," he cautioned.

Aston said that most accidents
in the water are caused by carelessness
and going too fast in a boat.

"A person can be charged
with DWI while driving a boat
just as any other vehicle," Aston
warned, "and the fine is the same
as for land offenses of this nature."

Aston also cautioned against
littering anywhere, but especially
on lake properties and pointed out
that the 20-mile per hour speed
limit within Lake Colorado City
State Park will be enforced.

Indians, Giants Tied For Lead

The Giants and Indians remain tied for the lead in Little League as the Giants defeated the Rangers Tuesday and the Indians won over the Astros.

Monday night, the Tigers won over the Pirates and the Dodgers won over the Yankees. In Junior Teenage League action, the White Sox remain undefeated as they won over the Braves Monday 9-5 and the Colts won over the Lions 20-2.

In Farm League Action Saturday, the Mets won over the Cubs, the Colts defeated the Lions and the Steers defeated the Blue Sox.

Tonight (Thursday) in the Jr. Teenage League, the Braves face the White Sox at 6:30 followed by the Lions vs. Colts.

Tonight in Little League, the Tigers play the Yankees at 6 with the game between the Dodgers and Pirates at 8 p.m.

Friday night, the Astros play the Giants at 6 followed by a contest between the Rangers and Indians at 8 p.m.

Saturday in the Farm League, the Blue Sox play the Colts at 4 p.m.; Steers vs. Cubs at 6 p.m. and Lions vs. Mets. at 8 p.m.

WTC Survey Continues

A survey being conducted by Western Texas College in Snyder for possible course preference for fall extension classes being offered here is continuing.

Survey forms are available at the Superintendent's office, 12th and Chestnut Streets or at the Colorado City Record office.

Classes will be taught Monday through Thursday, 6:30 to 9:30 each evening, and for the first time, at the Wallace Adult Center. Extension classes in the past have been taught at Colorado High School.

Academic and vocational-technical courses will be included, plus the addition from time to time of various non-credit short courses.

There is space on the survey form to list other areas of interest and for some high school seniors, subject to approval by the high school principal, an early admissions program for college classes will be available.

Alfalfa Directory Available

A new directory lists those persons who produce nearly all alfalfa hay, about 65,000 tons annually, in the Texas Rolling Plains area.

Persons needing such information may get the directory free of charge by contacting Mitchell County extension agent Bob Benson, office in the courthouse annex.

The directory contains names, addresses and telephone numbers of 163 producers in these counties: Baylor, Childress, Clay, Cottle, Dickens, Fisher, Foard, Hall, Hardeman, Haskell, Jones, Mitchell, Motley, Nolan, Scurry, Wichita and Wilbarger.

Bender Out On Bond

Charges have been filed by the city police department in district court against a man involved in a shooting and car smashing incident in the city last week.

Charges of criminal attempt to murder were filed against James Howard Bender, 39, of 744 Cypress Street in Colorado City.

According to investigating officers, Bender allegedly fired shots on Donald Lee Emerson as Emerson was in his pickup. Emerson, in turn, allegedly ran over Bender, putting him in the hospital for four days with broken ribs, abrasions, etc.

Bender is currently out of jail on \$5,000 bond, set by Precinct one Justice of the Peace Henry Doss.

JOY BUS

Northside Busses Busy On Sundays And Wednesdays

The Northside Church of Christ is busing children three times a week to church. The director, Eddie Swinney, is quite excited about the 'Joy Bus' program. He estimates that the two red and white busses carry 150 children each Sunday. At the moment he is planning for a third bus to help ease the load of the two drivers, Bill Andrews and Wayne Nowell. The busses have been in operation since April 15 and the children seem to enjoy them. Soon there will be mascots, Donald Duck, Mickey Mouse and Snoopy for each bus. Swinney also hopes to start a bus for the Senior Citizens of the community. Aboard the busses are both adult supervisors; Berta Hardegree, Dena Hardegree, Becky Hardegree, Weldon Hardegree, Sid Hardegree, Linda Perkins, Tommy Lindsey, Linda Lindsey, Nancy Baumann, Etta Jones, Patty Goodlett, Charlotte Goodlett, Virgie Goodlett, Janis Choate, Mike Choate, Lorraine Ellis, Buck Ellis, J. C. Britton and Curtis Britton; and teenage helpers; Renee Jones, Don Jones, Andy Swinney, Andrea Swinney, Terri Norwell, Timmie Norwell, Lynn Britton, Tony Clifton, Kim Hardegree, Bodie Lindsey, Stony Lindsey, Danny Andrews and Robby Andrews.

The Bus Captains are Johnny Baumann and Surry Gillum who see that the children get on the bus, and lead them in songs and stories till they get to church. The Bus Secretaries are Rhonda Gillum and Ora Andrews who check the addresses of the children and see that the right child goes to the right house.

The schedule of the Busses is 9-10 a.m. and 5-6 p.m. on Sunday and 6 p.m. on Wednesdays.
