

Tragedy Averted

Tragedy almost struck here Friday when Art Turpin of Farmers Grain was trapped in one of the company's storage tanks on the Kress highway.

Foreman of the east leg, Turpin was trying to get milo to run out of the tank after the bottom auger had stopped working. Using a long rod to prod into the center and break the grain loose, he was sucked beneath grain when the auger started.

Turpin's prodding which

resulted in his arms being akimbo when the grain flow began may have saved his life. Required to always enter the grain bins with a rope, Turpin had laid his down but was able to grab it with his free arms. He attempted to pull himself free but could not because of the intense pressure of the grain.

His plea for help was futile because his fellow worker could not understand English. A trucker who "happened" by and

discovered Turpin's danger, stopped the grain flow and called the main office for help.

Attempts were made to pull Turpin from the grain by a rope tied about his chest also failed because of pressure.

Holes were cut in the side of the tank and grain scooped out low enough to allow him to be pulled from the grain.

Freed after about an hour and a half, Turpin suffered rope bruises and muscle strains from the ordeal.

Jonalyn Jones Promoted FSB Vice President

Jonalyn Jones was named vice president of Farmers State Bank at the regular board of directors meeting Mar. 16. She becomes the first woman to hold the post in Farmers State Bank's history.

Mrs. Jones and her husband, Weldon, are parents of two sons; Kelly, 16 and Scott, 15. They attend First United Methodist Church.

Joining the staff of Farmers State Bank in June, 1968 as bookkeeper, Mrs. Jones was promoted to assistant cashier and secretary to the president and, in 1975, was named assistant vice president.

Mrs. Jones is a member of Xi Mu Iota chapter of Beta Sigma Phi. She enjoys oil painting and a number of her works hang in Farmers State Bank.

"She's our 'Right Arm' and very valuable to us," said bank

president James Werner this week in announcing Mrs. Jones' promotion.

MRS. LONNY RHYNES

Cook Of The Week

Recipes are shared this week by the wife of Hart's resident deputy. Lonny and Paula

Rhynes moved back to Hart in December, having lived here earlier. Lonny served as city

marshal from December 1974 until August 1975.

The Rhyneses are parents of two daughters. Judy Ann, seven is a first grader. Della is two. The family attends First Baptist Church.

Paula loves to paint and has had some lessons. She also enjoys doing ceramic painting although oil painting is her preference. She likes most crafts and finds pleasure in crocheting, knitting and embroidery. She has made a pretty multi-colored afghan from scraps of yarn from other projects.

Green thumbing is another pleasure of Paula's and she has a plant table set up at the southern window of their living room which is laden with plants.

CRANBERRY SALAD

2 pkg raspberry Jello
2 c sugar
1 lb cranberries
grated rind of 2 oranges
3 or 4 apples
3/4 c chopped pecans
3 peeled oranges

Dissolve Jello in 2 cup hot water. Add sugar while hot. Grate orange rind into Jello then peel and grind oranges, apples and cranberries in a food chopper then add Jello mixture, then add chopped pecans. If oranges are real juicy use less water in Jello.

CRANBERRY SALAD

Grind 1 quart or one pound cranberries. Add 2 cup sugar and let stand overnight or longer. Then add about 15 marshmallows cup up, 1 pint whipped cream and one cup chopped pecans. A little vanilla may be added if desired. Stir and let set in refrigerator until ready to use. Will keep several days. You may use Dream Whip for whipped cream.

HONEY CUSTARD

3 eggs
1/3 c honey
dash salt
1 t vanilla
2 1/2 c milk
ground cinnamon

1. Preheat oven to 350°. In medium bowl, beat together eggs, honey, salt and vanilla. Heat milk until a tiny rim of bubbles forms around edge of pan.

2. Slowly stir hot milk into egg and honey mixture, beating continually with wire whip as you pour.

3. Pour egg milk mixture into 6 custard cups. Sprinkle with cinnamon. Place cups in baking pan. Pour very hot water into pan 1 inch deep.

4. Bake about 40-45 min. or until a knife inserted halfway between center and edge of custard comes out clean. Removes cups from water. Serve warm or cold. Makes 6 servings.

DINNER GUESTS

Sunday dinner guests of Mr. and Mrs. Wamon Foster, Karen, Jean, Phil and Tim were his parents Mr. and Mrs. E.E. Foster and his sister and brother-in-law Mr. and Mrs. Marion Tucker of Amarillo.

OIL MASTER Sunflowers!

WHY SUNFLOWERS?

- **RESEARCH**—Dahlgren and Company of Crookston, Minn., have been conducting extensive research on hybrid sunflowers since 1962 and have maintained nurseries in Florida for 13 years. Who does more?
- **DISEASE RESISTANCE**—The new, oil-type hybrid sunflower seeds now being offered have total resistance to all known strains of rust—tolerance to verticillium wilt—resistance to downy mildew.
- **ADAPTABILITY**—Can take 11 months of frost and still produce a crop. Has excellent seedling vigor and superb standability and drought resistance. Sunflowers can and should be your best crop on good ground and certainly have the ability to produce a profitable crop where most people wouldn't expect one.
- **QUALITY**—Sunflowers produce a new quality of edible oil with substantially higher polyunsaturates along with a higher smoke point which is quite superior to soybean oil, corn oil, cottonseed oil and peanut oil . . . and vastly superior to palm oil, coconut oil, olive oil and lard.
- **MATURITY on "Oil Masters"**—This season through Dahlgren's extensive research program the "Oil Master" sunflowers were 7-8 days earlier maturing than any other hybrid sunflower on the market. The new "Oil Master" also has a higher yield potential than all competitive sunflowers sold today.

\$1,000 FACTORY REBATE.

(through participating dealers)

Order a Zimmatic® quarter-section center pivot after February 15, take delivery by April 1 — and Lindsay will give you a \$1,000 factory rebate. The offer is good only through participating Lindsay dealers and the number of Zimmatics that can be shipped by April 1 will be limited, so order now.

If your land is rough and rolling, order a Zimmatic 410, the hillclimber. The less expensive Zimmatic 307 will meet your needs if your land is level . . . it was the first successful long-span center pivot.

Whichever Zimmatic you choose, remember that the only thing being cut is your cost. You still get all of Zimmatic's idea-leading features. Like the Uni-Knuckle® and flex feature to ease stress on the line. Patented heavy-duty gearboxes, electric control panel with pivot and tower read-out meters and an external collector ring for dependable operation. Hot-dip galvanizing that adds years to the life of the system.

Under this program you can order a Zimmatic already adapted for the new Zimmatic Corner Pivot™ . . . to be installed now or ordered and installed at a later date. The Zimmatic Corner Pivot allows you to irrigate 150 acres on a quarter-section and is available for immediate shipment in limited quantities.

This is a limited offer so act now and have a Zimmatic for this year. Save \$1,000 . . . and maybe your crop. Come in and see us for further details on Lindsay's factory rebate program.

Five Minutes With The Bible

By Randy Louvier

MORE REASONS FOR BELIEVING THE BIBLE TO BE TRUE

The Bible is true because of the fulfillment of its prophecies. Many prophecies relative to many subjects could be used as an example, but we shall consider some concerning the Christ. It was predicted that Christ would be born of a virgin (Isa. 7:13-14). This was fulfilled in Lk. 1:26-35.

It was prophesied that a forerunner would prepare the way for the Lord (Isa. 40:3; Mal. 3:1,2).

It was foretold that Christ would be born in Bethlehem (Mic. 5:2). It came to pass as seen in Matt. 2:1-11. Zechariah also predicted that Jesus would ride into Jerusalem "upon an ass, and upon a colt the foal of an ass" (Zech. 9:9,10). This was fulfilled in Matt. 21:1-9.

It was prophesied that our Savior would be betrayed by a familiar friend (Psalm 41:9). This came to pass as found in Mk. 14:43-49. It was foretold that the price of betrayal would be thirty pieces of silver and that the betrayer would return the sum (Zech. 11:12, 13). A record of its fulfillment is given in Matt. 27:3-10.

It was predicted that Jesus would be scourged and mocked (Isa. 50:6). Again, the prophecy stands fulfilled according to John 19:1, Mk. 14:65, and Matt. 27:27-31). Isaiah also foretold that Jesus would suffer in silence as a lamb (Isa. 53:4-7). Again, it came to pass as seen in Mk. 15:2-5. Finally, in Psalm 22:18, it is prophesied, "They part my garments among them, and upon my vesture do they cast lots." This also came to pass according to John 19:23, 24.

Many other prophecies concerning the Christ could be

such, God said thru Job, "He stretcheth out the north over empty space, and hangeth the earth on nothing." No scientist ever gave a better description of the earth than this. Isaiah also said, "It is he that sitteth upon the circle of the earth" (Isa. 40:22). No human being at this time would have spoken of the earth in this manner for man thought that the earth was flat. Thus, the truth of the roundness of the earth was put in the Bible hundreds of years before man ever dreamed of such. How are we going to account for it? There is only one answer: The writer was guided by the hand of God.

Answers to last week's Bible questions:

1. Lot's wife (Gen. 19).
2. Amos (Amos 8).
3. Uzziah (II Chron. 26) (Gen. 19).

This week's Bible questions:

1. Name the persons who blamed his sin on "the woman whom thou gavest to be with me."
2. Name the person who performed the miracle of staying the sun and moon.
3. Name the person who sacrificed his only daughter unto the Lord in fulfillment of a vow.

SUPERSTARS - Friday night's basketballers may be getting invitations to appear on Superstars next year after their superb performance for the benefit of a community center. The Jaycees, garbed as girls, won the battle, 20 to 15 over the hillbilly Lions.

Irene's Ideas

By Irene Keating

Spring has arrived and most of us are excited about all the flowers and green grass. There are many shrubs that are beginning to bloom. It is time for us to get our lawn mower ready. Perhaps it needs new blades, etc. Hoes may need to be sharpened. One thing certain - the dandelions know it's spring. They are blooming beautifully on the highways. Also, they're already up in yards.

Many people are planning to take trips over the Easter

holidays. Then it won't be long until the band trip. Luggage is essential item for travelers and makes good gifts. This is a good time to buy luggage before there is a "rush" to buy it.

Consider whether hard-sided or soft-sided luggage meets your needs best. In general, molded luggage is more durable but the soft-sided is lighter and allows room for "just one more item."

Check several luggage brands and styles. Often discount store prices are less than sale prices at luggage shops or department stores.

Check the latches or zippers to be sure they operate easily. Are keys easy to use? Look for straight, even stitching, staples, rivets and bolts that are firmly attached and no sharp edges. The handle should be comfortable and balanced. Check these features on the suitcase you buy - not the floor sample.

Size is determined by the capacity needed and strength of the person who will carry it. It may be better to combine a small suitcase with a garment bag, instead of choosing one large suitcase.

Coming Events

Monday, March 28 - Band Boosters.

Tuesday, March 29 - Presentation of HHS's One Act Play, 10:51 a.m.

Tuesday, March 29 - Junior Class Enchilada Supper, 5:30 to 7:30 p.m.

Thursday, March 31 - UIL One Act Play contest in Vega.

Friday, April 1 - UIL girls tennis team plays in Kress. High school track teams compete at Springlake-Earth with pre-lims at 1 p.m. and finals at night.

MONDAY GUESTS

IN DECATUR

Mrs. E.E. Davis and sisters, Mrs. Robert L. Hawkins and Phillip and Mrs. Guy Gooch of Plainview were in Decatur Thursday until Sunday to visit their mother, Mrs. Roy Moss and their brother and family, Mr. and Mrs. Dick Moss. Also visiting there were other brothers and families, Mr. and Mrs. Jerrel Moss, Donice, Terry and Nanette of Siolam Springs, Ark. and Mr. and Mrs. Roy Olen Moss, Tonya and Shawna of Montgomery and a sister Mrs. Bernard Gamache of Alturas, Calif.

\$1,000 FACTORY REBATE.

(through participating dealers)

Order a Zimmatic® quarter-section center pivot after February 15, take delivery by April 1 — and Lindsay will give you a \$1,000 factory rebate. The offer is good only through participating Lindsay dealers and the number of Zimmatics that can be shipped by April 1 will be limited, so order now.

If your land is rough and rolling, order a Zimmatic 410, the hillclimber. The less expensive Zimmatic 307 will meet your needs if your land is level. It was the first successful long-span center pivot.

Whichever Zimmatic you choose, remember that the only thing being cut is your cost. You still get all of Zimmatic's idea-leading features. Like the Uni-Knuckle™ and flex feature to ease stress on the line. Patented heavy-duty gearboxes, electric control panel with pivot and tower read-out meters and an external collector ring for dependable operation. Hot-dip galvanizing that adds years to the life of the system.

Under this program you can order a Zimmatic already adapted for the new Zimmatic Corner Pivot™ to be installed now or ordered and installed at a later date. The Zimmatic Corner Pivot allows you to irrigate 150 acres on a quarter-section and is available for immediate shipment in limited quantities.

This is a limited offer so act now and have a Zimmatic for this year. Save \$1,000... and maybe your crop. Come in and see us for further details on Lindsay's factory rebate program.

Tracksters Improved With Farwell Performance

HHS tracksters competed Saturday in events in Farwell and came home with a much improved record over their earlier outing.

In girls' competition, Sherry Booe placed first in the mile run. Bobby Washington finished third in the shot put.

Michael Finch captured first place in the 440 yard dash while Kerry George turned in the top pole vault performance. Bobby

Allensworth was fourth in long jump and fifth in high jump.

Rudy Valadez was sixth in the mile run and Glen Black sixth in discus.

Sharla Carson Earns Honors

Sharla Carson has garnered more laurels in basketball with a superb performance Saturday night in the East-West All Star Basketball Game in the Amarillo Civic Center.

Named Most Valuable Guard for her performance, she has also been named to the All State third team.

Donna Hart was chosen second runner-up in the queen contest at the NWIT Tournament.

VISITS AUNT

Mrs. Carl Lacy was in Snyder Saturday and visited her aunt who is ill. Another aunt, Mrs. Frances Goswick, accompanied her to Seymour to visit her grandparents Mr. and Mrs. Troy E. Stone.
