Ralph Yarborough Speaker For Democratic Dinner

Fisher County Democrats were informed early last week that Ralph Yarborough would be the speaker for the 1976 Fisher County Democratic Fund Raising Dinner. The Austin headquarters for Carter-Mondale arranged to send Yarborough for the Saturday dinner, according to Mrs. Marjorie Mitchell, chairman of the Woman's Committee for Fisher County.

The dinner will begin at 7:00 p.m. Saturday, October 23, at the Pink Building in Roby. It will be catered by Mrs. Allen's Food Service of Sweetwater.

Max Carriker is heading the Carter Presidential effort in Fisher County and will have a part in the Saturday program.

Tickets for the dinner are

\$10.00 for adults and \$5.00 for children under voting age. The funds raised after expenses for the dinner will be used to further the Carter-Mondale movement in Fisher County.

Those interested in attending the dinner meeting can secure tickets from the following individuals: Rudy Martinez, J.A. McClain, Faye Dozier, C.D. Herron, Foy Mitchell, A.J. Ford, E.J. Kiker, Guy Kemp, Jeronimo Gaona, Dave Williams, Francis Kemp, Parker Wetsel, Keifer Cauble, Dorothy Carriker, or Marjorie Mitchell.

For the convenience of the public tickets have been given to all gins in Fisher County, The First National Bank in Rotan and the Newspaper office.

Rotan Homecoming Underway Friday

The members of the graduating class of 1966 will be honored this weekend during the annual homecoming activities at Rotan High School.

Mrs. Nelson Smith and Mrs. Juston Morrow, two members of the nominating committee, selected three queen candidates and three escorts from the class of 1966.

The three queen candidates are Barbara Hendon Tankersley to be escorted by Rodney Tankersley, Sandy Herron Pullig to be escorted by Larry Landes, and Rebecca Crawford Thornton to be escorted by Mike Thornton.

The homecoming queen will be crowned at the halftime ceremony of the Friday night game between Rotan and Knox City.

Immediately following the game, ex-students visiting for homecoming can register for weekend activities at the school cafeteria. There will also be coffee and donuts served at the cafeteria.

On Saturday, ex-students will gather for lunch at the Rotan Community Center that will consist of sandwiches and pie.

The school cafeteria will be the setting for the annual homecoming banquet which is set to begin at 6:30 and last until 8:30. There will be

a dance at the Community Center for all ex-students beginning at 9:00 p.m. Saturday.

Roby Chemical Incident

STATE AG OFFICIAL UNDER INVESTIGATION

A high-ranking monitoring official in the office of John White, Texas Agriculture Commissioner, is under

investigation by Texas law enforcement officials for allegedly transporting and selling stolen state materials

to a Fisher County resident. Bob Terry, owner of Roby Aero Spraying, purchased 4 barrels of Cynthion insecti-

cide for \$1,269.00 from a top Agriculture Department monitoring official on Wednesday, September 29, 1976. He made the purchase with full knowledge of law enforcement officials.

According to Terry, the state official contacted him and offered to sell him four barrels of boll weevil control insecticide that was left over from a previous job. The official asked Terry how much he would offer and then accepted Terry's offer of \$6.00 per gallon. The normal retail price per gallon of the chemical is approximately \$16.00 with the average wholesale running around \$12.50 to \$14.00 per gallon. Terry purchased some of the Cynthion insecticide in August for \$14.63 from Tri State Chemical Company.

"This gives light to how ridiculous my offer of \$6.00 was", said Terry.

The state official agreed to sell the chemical and Terry immediately contacted Rudy Hamric, Fisher County Attorney, for help in making the purchase with the strong suspicion that the official was going to sell him chemicals owned by the State of Texas.

Fisher County Deputy Sheriff, Mickey Counts, a Texas Ranger from Snyder, and two Texas detectives from Lubbock took part in observing the transaction between Terry and the official.

The individual requested Terry to pay for the purchase in cash. He complied by using cash which had the serial numbers recorded.

Hospital Faces Money Pinch In Future

Hospital And Doctors Air Misunderstanding

The members of the Fisher County Hospital Board met for four and one half hours Monday night in one of their most controversial meetings since their organization.

The first item was a meeting with the architect and general contractor where by the contractor asked for a reduction in the retainer fee currently being held by the Fisher County Hospital. The 10 percent retainer fee being held amounts to \$164,000.00. The contractor and architect felt the figure was higher than what was needed to cover the dozen or so items that had not been completed by the contractor. After a long discussion the board agreed to pay the contractor \$143,207.94.

The discussion concerning the Fisher County Hospital Board authorizing Attorney Norman Arnett to negotiate the transfer of the old Fisher

County Hospital to the Community Action Council of Nolan County was next to be aired. Dr. C.U. Callan was plain spoken as he registered his objection to the board turning over the old hospital to this Community Action Council. Dr. C.U. Callan said that the old hospital was given to the members of the Fisher County Hospital Board in good faith and that he felt he was furnishing the rope to cut his own throat. The Community Action Council, according to Dr. C.U. Callan, would give free shots to patients through their well baby program and immunization program that would ordinarily be patients at the Callan Clinic. Dr. Callan was under the impression that the program was supposed to be for welfare patients but cited instances where people other than welfare patients were being assisted.

After little discussion the board unanimously voted to give the old hospital building to Dr. C.U. Callan. The board's feelings seemed summed up in the statement made by Kirmet Terry. "I thought we were doing something to help the

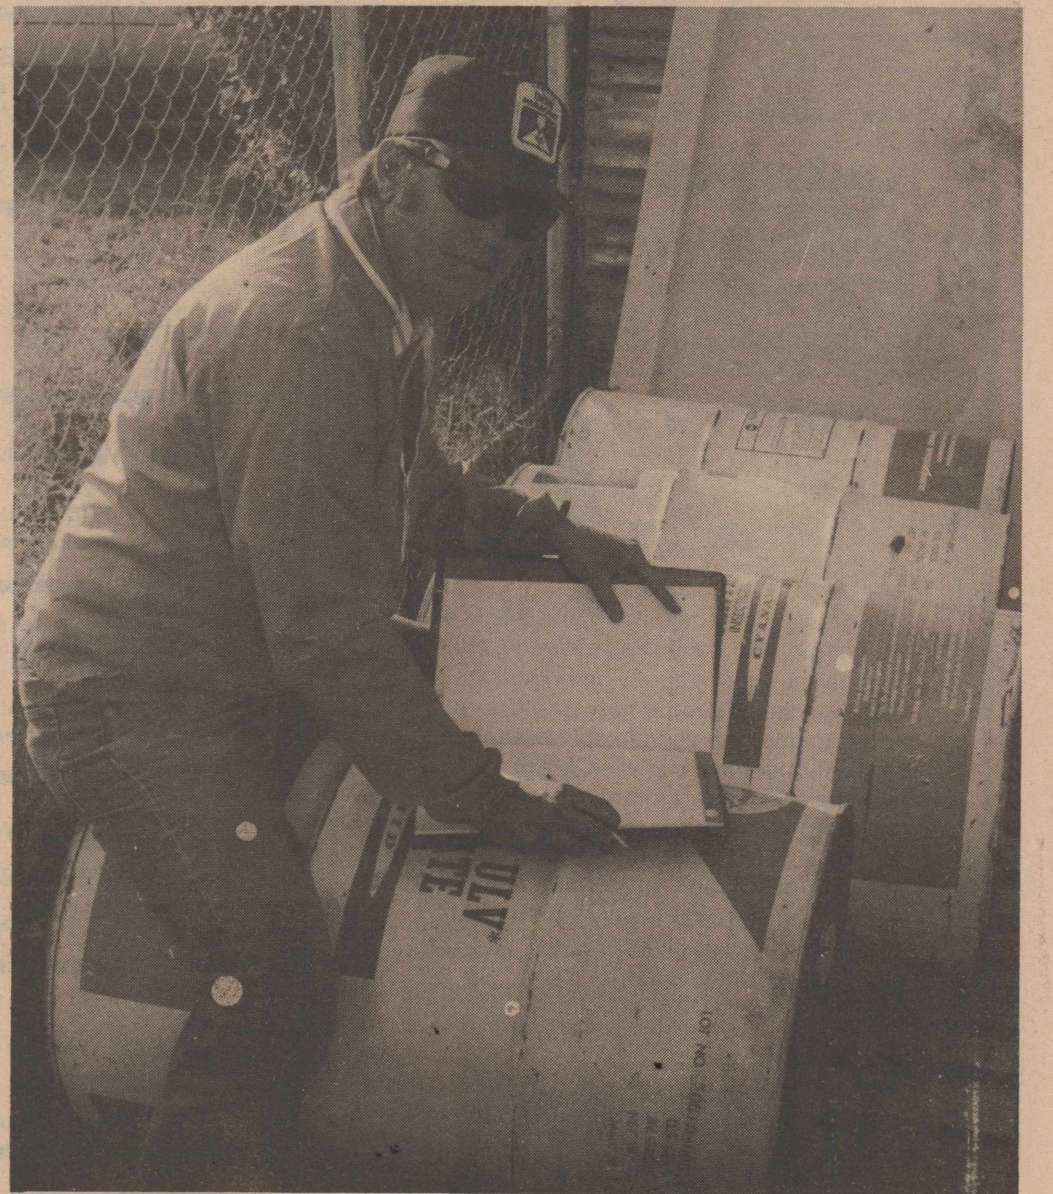

doctors and people of this county", Terry said, in reference to his understanding of transferring the hospital to the Nolan county group.

The board met with Gene Vinyard of Vinyard and Street Financial Consultants in Austin to weigh the possibility of selling an additional \$250,000 in general obligation bonds.

The board is in a financial strain. The percent of occupancy at the new facility has not reached the point of early projections.

After some discussion the board decided it would not attempt to initiate any paperwork for the sale of bonds at this time, but left avenues open for sales in the future.

The board discussed time to be paid employees of the hospital for instances when they are called out at night or on holidays. Some employees wanted a minimum of one hour on the time clock for each time they were called out for emergency situations. The board decided to stay firm on only allowing employees to place time on the time clock that they have actually worked.

RECORDING LOT NUMBERS: Bob Terry, owner of Roby Aero Spraying, records the serial numbers of four barrels of Cynthion after it was purchased from a high ranking agriculture department employee. An investigation is currently underway by Texas Rangers.

Rotan FFA Has Several At Dallas Fair

Several members of the Rotan Future Farmers of America left last Monday for Dallas where they will show animals in the 1976 Texas State Fair.

The boys showing steers at the State Fair include: Mark Nowlin, Randy Sparks, and Allan Houston. John Cox, Jay Greenway and Brian Greenway will be showing barrows. Mark Henderson will show his heifer.

There will be two days of showing the steers and barrows with the heifer show set for Thursday.

Several of the boys' parents accompanied Jackie Miller, Ag teacher, on the Dallas Trip, according to Ronnie Teichelman, Rotan Ag teacher.

"IN GOD WE TRUST"

the Choice

Autumn leaves, after they've fallen . . . ants at a picnic . . . rain when you've wished for sun. Life is full of such tangles.

But it's how you approach them that counts: Upbeat; or downbeat?

You can rake leaves, enjoying the golden quiet of an October afternoon. You can brush aside the ants and enjoy the picnic. You can settle in with a book on a rainy afternoon.

The choice is yours—for the best of things, or for the worst of things. Like going to church . . . it's up to you!

Why not try the upbeat way there, too?

Cut quick and easy with a Weed Eater* Trimmer

Trim grass or weeds quickly and easily without blades. The John Deere Weed Eater* Trimmer cuts with rapidly-spinning nylon line. You can cut under fences, around trees, against walls—in many other places conventional trimmers can't reach. There's less chance of operator injury, too. This time- and work-saving trimmer has a 3/4-hp double-insulated electric motor that is UL and CSA approved. The cutting head holds enough line for a normal season of cutting. The D-handle is adjustable for operator comfort. Stop in soon for a demonstration.

County Farm Bureau Sets Free Dinner

The Fisher County Farm Bureau Convention will begin with a free barbecue dinner for the membership at 7 p.m. Tuesday, October 26, in the Rotan School Cafeteria. According to Horace Carter, president, this will be the first time that a dinner has been served with the Convention. Invitations have been sent to over 400 members and the response to the reply cards has

indicated a good turn out. Mr. Warren Newberry, Executive Director of the Texas Farm Bureau since 1972 will be the guest speaker. Under the leadership of Mr. Newberry the Texas Farm Bureau has grown to be the third largest in the American Farm Bureau Convention. T.F.B. is expecting to be near the 200,000 family member mark by October 31. Other guests that are expected will be the Vice President of T.F.B., Mrs. Bill Reid of Lamesa, and Area Fieldman, Mr. Steve Cochran.

An invitation has been extended to Congressman Omar Bureson but confirmation has not been received at press time. Resolutions will be acted upon at the Convention and forwarded to the State

Convention that meets in Ft. Worth the first week of December. Fisher County is expected to qualify for two members to attend the A.F.B. Convention in Hawaii. These reservations have already been made.

New directors of the county organization will be elected along with the delegates to the State Convention.

Patricia Posey and Kerry Bredemeyer will give reports on the Student Seminar they attended during the summer.

Carter is expecting this to be the largest convention on record for the County Farm Bureau and urges those who have not turned in their dinner reservation cards to call the F.B. office at once so adequate preparation can be prepared.

CAN YOU TRUST JIMMY CARTER TO DO WHAT'S BEST FOR THE AMERICAN FARMER?

Jimmy Carter is an engineer, a scientist, a former governor. He is also a farmer. His children will be the sixth generation on the same land. He understands what it means to roll up his sleeves to do an honest day's work for an honest day's pay. He also understands the abuses you have suffered during a Republican Administration which has taken excellent care of the grain speculators, the

FARM EXPORTS.

"We can't tolerate an agricultural policy which encourages foreign sales and then cuts them off for political convenience. We can only develop overseas markets for our goods, if our buyers can depend on us and the quality and quantity of our products. Our farmers are dependable. It's our government that's not."

DOMESTIC AGRICULTURAL POLICY.

"The Republican big-business approach to agriculture is driving the family farmer out of business. We need to end the threat of embargoes, to create small but adequate reserves, to establish realistic fall back prices. We need to develop an abundant production policy coupled with a vigorous expansion of our export markets."

RURAL AND SMALL TOWN DEVELOPMENT.

"Farmers are entitled to exactly the same standard of living that most urban dwellers take for granted—adequate water and sewer systems, affordable electric and telephone service and a realistic wage for a good day's labor."

ESTATE TAXES.

"The present estate tax threatens the very existence of the family farmer. It should be and will be eliminated with progressive tax credits or by a substantial increase in estate tax exemptions. Permanent farm land must be and will be valued at its production value. Not at its value to land speculators."

Russians, the food processors and the powerful. At your expense. The Republican big-business approach to farming is a disgrace and a failure. American farmers are going broke trying to produce food American consumers cannot afford to buy. As a farmer Jimmy Carter is committed to changing that. As President, Jimmy Carter will change that.

TOGETHER, JIMMY CARTER AND WALTER MONDALE WILL GIVE THE AMERICAN FARMERS A VOICE IN THE WAY YOUR GOVERNMENT IS RUN.

One of the reasons Jimmy Carter chose Walter Mondale to be his running mate was because they both share the same concern for the American farmer. Born and raised in rural Minnesota, Mondale has relentlessly and consistently fought for the rights of the family farmer. And as a U.S. Senator, his record stands as one of the most impressive in Congress.

CAN YOU TRUST A REPUBLICAN ADMINISTRATION WHICH STANDS ON A RECORD LIKE THIS?

As a Congressman, Gerald Ford led the fight for cutbacks and impoundments of rural funds. He voted for every termination and elimination of rural programs family farmers so desperately need. As President, Gerald Ford and a Butz Department of Agriculture have consistently vetoed, embargoed, reduced and curtailed a long list of programs designed to guarantee the family farmer a decent standard of living. It's a record of disregard and insensitivity to the problems facing the farmers and consumers of this nation.

If you agree that drastic reforms must be made in the way this country is run, in the way our farm program is administered, you have only one choice on November 2nd. And that's for change.

ON NOVEMBER 2ND,

VOTE FOR JIMMY CARTER. A LEADER, FOR A CHANGE.

Hold Dual Meeting**

The Independent Cattlemen's Association, an organization of over 100,000 members held a Board of Councilors' meeting October 8th and a County Chairmen's meeting October 9 at the Stephen F. Austin Hotel in Austin.

President T.A. Cunningham, of Goliad, discussed with the 20 member Board of Councilors the many accomplishments of the ICA during the past 2 years since it was first organized. "No bill has been passed by the Texas Legislature since the ICA has been in existence that has been detrimental to agriculture. In fact, over 60 bill have been killed that would have proved harmful to our industry," Cunningham concluded.

Councilor Chairman Bill Savage of Beaumont stated that the Independent Cattlemen's Association has been instrumental in passing effective and much needed legislation to protect both the cattlemen and the consumer in such areas as imported meats, land-use, revision of the estate tax, etc. Chairman Savage, elected for another term, concluded that "the ICA is tired of being tolerant and that we must continue to get things done."

**Inside The
Lion's Den**

By Paul Mitchell

Last Friday was very sad for many of us. We played miserably and it is very disappointing to see your players and team go under the way we did. Jayton simply played better

football and we played our worst game of the year. We let down on defense when Jayton scored their second touchdown and it ruined us.

We lost quarterback Ricky King in the first half of the Jayton game as he bruised his left arm. He may be back for Sterling City. Brad Boyd will probably start at quarterback if Ricky is not ready. Brad is our third qb to see action as Brad Stuart and King both have injuries. Jay Hilliard missed to the Jayton game due to stomach problems but should be back for Friday's game. Our depth is getting very thin because of injuries and sickness affecting the team. Rod Whitfill has cracked ribs and we have Ricky Morton, Steve Evers, Danny Terry and Jessie Castor played with pulled muscles. Brad Boyd has played seven games with a fractured bone in his hand.

Sterling City is 5-2 on the year and have a pretty fair ball club. They are undefeated in district play and want revenge for the defeat we gave them last year. We must rebound and

show our character this Friday. We will regroup this week and find out who really wants to play ball. Our record fell to 5 wins against 2 losses and left us in second place in district with a 1 and 1 record. Thanks for all the backing you give our ball club.

Almost nine of 10 veterans completing college-level training under the GI Bill have made substantial use of the training, the Veterans Administration reported.

Grandparents' Corner

Jennie Burnes, age 3-months, is the daughter of Mr. and Mrs. Bill Burnes of Midland. Grandparents are Mr. and Mrs. Bill Day of Rotan and Mrs. Al D. Sumerlin of Singapore.

We invite grandparents to turn in pictures of their grandchildren for this weekly feature.

TAKES TOUR: Members of the afternoon Kindergarten class of Miss Jones took a tour of the Rotan Fire Department last week. Jerry Dycus attempts persuade Shanna Bennett to aim the hose at the cameraman.

Keifer Cauble Heads Carter Ag Effort Here

The state Texans in Agriculture for Carter Committee has announced that Keifer Cauble of Roby will head a special Fisher County organization to demonstrate strong agricultural and agribusiness support for Jimmy Carter's Presidential campaign.

Walter Richter of Austin, co-chairman of the Carter agricultural group, said "We are pleased to have Keifer Cauble to join our Governor and other top state officials who have come out strongly for the Carter ticket which offers real hope for a change for our farmers and rural Texans."

Declaring that Carter is the first genuine farmer to run for President since Thomas Jefferson, Richter said, "Jimmy Carter knows what it's like to make a living in the country. He will do what is right to keep our agriculture and our rural communities strong."

He said Governor Dolph Briscoe, Lt. Governor Bill Hobby, House Speaker Bill Clayton, Agriculture Commissioner John White, Land Commissioner Bob Armstrong and Attorney General John Hill are all rural land owners who recognize the knowledge and new leadership Jimmy Carter will offer to agriculture and the farmers and ranchers of the state and nation.

Richter said, "Keifer Cauble is a proud addition to our

Texans in Agriculture organization. With leaders like Keifer Cauble we will have a strong margin of victory in our rural areas. That means we will carry Texas for Jimmy Carter."

Roby Garden Club Meeting

Members of the Roby Garden Club met Thursday, Oct. 14, at 9:30 a.m. at the home of Mrs. Edd Carter. Co-hostess was Mrs. L.L. Stuart.

On arriving guests and members were served coffee and cake from an appointed table that held an attractive arrangement of flowers.

Mrs. Edd Carter, president, presided over the meeting. The treasurer's report was given by Mrs. Jess Goforth.

The meeting was turned over to Jane Carter and Martha Weatherby of Odessa who gave a very interesting program on Macrame.

Members present were Mmes. Harry Hood, William Hughey, Coy Carriker, Thurman Terry, Jess Goforth, Max Carriker, Forrest Tefteller, W.W. Morton, Tom Parker and the hostesses Mmes. Carter and Stuart.

Guests were Jane Carter and Martha Weatherby of Odessa.

We would like to welcome two new residents, Mr. Warner McNaron and Mrs. Gaines Smith were admitted the 14th. Glad to have them with us.

Everyone enjoyed two groups of GAs this week. Hope they come back often.

We have had a lot of out of town company this week, some of whom were Mrs. Smith's children. Mrs. Betty Alice Tankersley of Blackwell, Mrs. Nelda Cox of Midland and Wayne Smith of Houston; Miss Luna Kolb of Sweetwater visited Miss Emily Garrett; Dennis and Ruthie Moize of Lubbock brought Maudie Moize home from a visit in Lubbock. Also visiting Maudie last week was Mary Vaughn of Ralls. Mrs. Tracy King of Roby came by to see Warner McNaron. Mrs. Roger Eaton and her daughter and grandchildren visited Mrs. Affie Dalton.

We always enjoy any groups that come to entertain us or just visit us. So everyone come to see us. See you next week.

Card of Thanks

This is our way of saying thank you again for your kindness shown to us in the loss of our loved one.

Hobbs Panthers Whip McCaulley 40 To 20

The Hobbs Panthers hosted the McCaulley Eagles at Hobbs last Friday night at 7:30. The Panthers stomped the Eagles 40-20.

First period action did not result in either team scoring until penalties and luck combined for a Hobbs score. Mike Martin and Mark Anderle together moved the ball from their own 39 yard line to the goal line. Mike Martin makes the scoring run from the 6 yd. line. The extra point attempt is successful with 1:03 left in the quarter. The quarter ends with the Panthers leading the Eagles 8-0.

In the second period the Panthers were hot, they came back early with another score by Mike Martin. The Panthers fought down to the one foot line. Mike Martin was not able to score on the next play but was able to put the ball's nose against the goal line. Martin was able to block the extra point kick. The Panthers are well ahead 14-0.

Two plays after the kick-off Wayne Jones picks up an Eagle fumble on the 19 yard line. Mark Anderle turns it into a score on the first play. The extra point attempt is again broken. The score is now 22-0.

The Eagles bounced back and punched their way to the 40 yard line where James Kemp took the ball and dodged past the defense to score. Their extra point missed to make the score 22-6.

Several minutes later Eagle Earl Williams intercepted a pass and ran it back to the 10 yard line. Eagle James Jeffrey dropped a pass to James Kemp for another score. Their extra point failed again. Then score was then 22-12.

Mike Martin had a touchdown called back because of a personal foul. Don Denman made a controversial touchdown on the last play of the game. Jim Ratliff threw a pass into the end zone, it seemed to bounce from an Eagle defender's hands and Don Denman caught it for a touchdown. The referees disagreed on the ruling. Some said the Eagle player had caught the ball and threw the ball away whereupon Denman caught it. The others said it bounced from his hands. They solved it by nullifying the play and sending everyone off the field for half-time.

The third quarter showed a slow down on the part of both teams. The only score of this period came when Frank Miranda ran back a punt to the 20 yard line. Jim Ratliff then connected with Willis Ogden for a touchdown. The extra point attempt flopped which made the score 28-12.

The fourth period almost turned out the same as the

third quarter. It changed when Mark Anderle zipped across the goal line from 30 yards out. The Panther extra point failed. the Eagles trailed 34-12.

The Panthers began another drive when Frank Miranda intercepted the ball and ran to the 30 yard line. Raymond Soto took over the ball then and punched the ball to the 25 yard line. Jim Ratliff found Don Denman who ran in for the score. The PAT failed making the score 40-12.

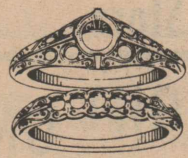

The Eagles were not quite dead as they showed when James Jeffery catches a long bomb and went over for a score. The extra point was good. The clock ran out with the score Panthers 40, the Eagles 20.

Health Tips

Texas Medical Association
1801 North Lamar Austin Texas 78701

This season is prime time for increased rabies reports. Animal populations have some degree of rabies problem all year but increased movement brings them more in contact with people, the Texas Medical Association (TMA) says. Many animals increase their movements in late spring and this time of year.

Almost any mammal can carry rabies. Some of the recorded problems for 1976 include dog, cat, squirrel, bat, horse and cattle cases. Skunks account for many rabies cases.

Texas Dept. of Health Resources (TDHR) statistics show rabies was confirmed in about 330 animals last year. There have been no human deaths from naturally occurring rabies since 1962. This fact is due partially to prompt, extensive treatment people usually get. More than 600 people got anti-rabies treatment last year because they came in contact with a suspected or confirmed rabid animal.

Rabies symptoms vary widely but almost all animals exhibit odd behavior of some type. Dogs can have "furious rabies" which makes the animal nervous and vicious; then paralyzes and kills it. Or it can have "dumb rabies" which has paralysis, first seen by a dropped lower jaw, as the main symptom. Any wild animal that has no fear of man or otherwise acts oddly should be treated with caution.

In man early symptoms include depression, restlessness, fever and general discomfort. Severe symptoms include uncontrollable excitement, excessive drooling, extreme throat pain, and paralysis, TMA says. Rabies symptoms show up in man anywhere from 10 days to 50 days, TMA states. A person catches rabies when an infected animal's saliva touches an open wound or mucous membranes like those inside the nose. To be safe, any animal that bites a human should be confined and observed for 10 days for rabies symptoms. If rabies is suspected or if the animal cannot be found, treatment should begin immediately. A doctor often will give a shot or anti-rabies serum for

several days. While this is unpleasant, it is the only preventive treatment for the disease which usually results in death. The best method to prevent the spread of rabies is to vaccinate all dogs and cats, the main animals that give rabies to man. If a wild animal population has a rabies outbreak, sometimes the Environmental Protection Agency will issue a permit to kill the animals with restricted poisoned bait. Often the approval process takes a long time and the outbreak is over before anyone gets approval, a TDHR official said. One reason for this is that an outbreak in a small area will kill many of a particular animal species and limit the outbreak that way.

Golden Haven Home News

We all enjoyed the Fisher County Singing Group who were here Tuesday, Oct. 19, at 7 p.m.

The WMU of the First Baptist Church in Roby will come on Tuesday, Oct. 26, to hold our monthly birthday party.

The Roby Church of Christ came last Sunday to hold services. This Sunday, the Sylvester Baptist Church will hold services at 3 p.m.

Happy birthday to Pete McClure Oct. 12 and to Clara Neves on Oct. 15.

Our out of town visitors this week are Buddy Bryant from Amarillo visited his wife Gladys; Octaveneous Harrell went out Thursday to Rotan with her sister Mrs. W.P. Curry; Mrs. Pearl Henry went with her son Horace from Ranger to Waco for her checkup. While there she visited Mrs. H.C. Wells her sister who brought her back home. Visiting Maebell Ogden were her niece Pam Ogden from Lubbock, Mr. and Mrs. Willie Ogden and Mary Posey from Rotan. Mabelle's sister Mrs. John Leach took her to her home in Rotan Sunday. Letha Meek's daughter Judy Justice from Sweetwater visited her Sunday.

This week's feature patient is Mrs. Elba Bates. Mrs. Bates was born Nov. 17, 1886 at Nashville, Tenn. She was admitted July 17, 1969. She is a member to the Baptist Church and enjoys listening to the radio.

Well, that's all the news for this week, come see us.

Public Notice

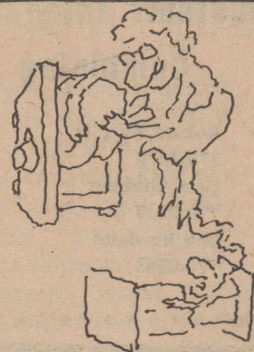

Mr. Kenneth Vann
Manager, City of Rotan
Rotan, Texas 79546

Dear Mr. Vann:

Recently the mosquitoes were so bad in McCaulley you could not bear to stand outside just after sundown for there were so many of them they would just swarm around you. One afternoon our town was sprayed or dusted, whichever it was, thoroughly and we understand that Rotan was responsible for this generous act. Almost instantly we were rid of the hazard of so many pests here.

Therefore, we in McCaulley and our Commissioner, Earl Kiker, would like to let you know how much we appreciate your help. It was truly an act of a good neighbor.

Sincerely,
The McCaulley
Citizens

You say you dreamed your trusted bookkeeper helped herself to the safe, set fire to the records and ran off with the watchman — leaving you fleeced?

And you don't have the right business insurance? Is that what's troubling you?

Well stand up and take a walk in the sun — straight to your independent insurance agent.

Independent of any one company, we work to find the best policies for you and work to get fast, fair settlement of your claims.

Hustlin' Round Hobbs

By Mrs Jimmy Walker
Hobbs, Texas 735-2840

Well it rained again, and some folks report having over 3 inches, but here we didn't get too much, just about half an inch.

Mrs. George Gantt (Dena Etheredge) and baby from Austin visited with Mr. and Mrs. J.D. Kincaid last Monday. Sunday Bro. Dutch Parks, Norma Lou and the family all ate dinner with the Kincaids. Mr. and Mrs. D.H. Hornsberger from Sweetwater spent all day Monday with the Kincaids.

Mr. and Mrs. Rudolph Martinez went to Snyder on Sunday and visited with Mr. and Mrs. Steve Warren and family.

Our sincere sympathy goes out to Mike Soto and his family on the death of his wife, Maria Soto. The Sotos live at Camp Springs and all of their children went to school at Hobbs. Mrs. Soto is to be buried at Abilene on Tuesday.

Mr. and Mrs. Andrew Williams went to Post Friday night to watch the football game between Friendship and Post. They visited with Mr. and Mrs. Ricky Williams at the game, and then returned to Lubbock with Rick and Peggy and spent the night. They went on to Dalhart on Saturday to visit with Mrs. Williams' brother, Hap Wood, who has been transferred to the hospital in his home town of Dalhart. He is still not doing at all well, and is very sick. They spent the weekend at Dalhart returning home late Sunday. Ed Neves of Rotan visited with the Andrew Williamses and ate supper with them on Thursday.

Mrs. Jerry Stepenson and girls from Abilene spent Friday night and Saturday with the Dale Caves. Mrs. Dale Cave gave a bridal shower Saturday afternoon for Mrs. Terry Porter, nee Cindy Clawson, and a host of friends and relatives attended. We really had a good time visiting.

Not too much news this week, but the telephones are out in some areas, so have missed some of you this week. Will check with you again next week. See you next Thursday after the freeze that is supposed to be on its way.

Salvation

Army Drive Continues

The Salvation Army, an international charitable and evangelistic Christian organization, was founded in England in 1865 by William Booth and organized along quasi-military lines.

The Rotan chapter of the Salvation Army is in the midst of their 1976 fund raising drive at the present time. Those not contacted and desiring to contribute to the organization are asked to contact Mamie Lois Johnson, treasurer, at 903 East Johnston, Rotan.

Almost nine of 10 veterans completing college-level training under the BI Bill have made substantial use of the training, the Veterans Administration reported.

Western Texas To Host Basketball Clinic

Western Texas College will host the second annual Women's Basketball Clinic on Nov. 20. Dr. Sid Simpson, WTC Athletic Director and women's coach, has announced.

Featured speakers will include Gay Benson of Slaton, Doug Chaveaux of Tulia, Stan Pulliam of Sands (Ackerly) High School, and John Short of Snyder. Ms.

Benson will be speaking on ball advancement and center line strategy, and Pulliam will discuss double post offense. Short, a member of the Snyder chapter of the Southwest Basketball Officials Association, will discuss 1977 rules changes. The off-season program will be

Chaveaux's topic.

A free throw contest is planned following lunch, with each school allowed two

shooters, Simpson said. A trophy will be presented the winner. Players and coaches are invited to swim in the WTC indoor pool until time for the exhibition game between Eola and Sands high schools in the WTC gym at 4 p.m.

Coaches planning to attend the clinic are asked to pre-register, Simpson said. Fees for coaches will be \$10 per person, with student fees \$1.50 each. Persons wishing further information may contact Simpson's office at WTC by mail or by telephone at 573-8511, extension 284.

Kevin Arrington With NTU Band

Kevin L. Arrington is among the 189 students performing with the North Texas State University Marching Band this fall.

Members of the band perform at football games, enter competition and make guest appearances in and out-of-state each year.

The Marching Band, directed by Dr. Robert Wins-

low of the NTSU music faculty trades its marching shoes for music stands at the end of the football season and is transformed into the NTSU Concert Band.

Kevin is the grandson of Mr. and Mrs. Horace Arrington of Rotan and Mr. and Mrs. Forrest Tettler of Roby.

helpful tips
for your

Home Laundry

☆ Avoid wasting hot water while laundering. Use the cold and warm water settings as much as possible to cut down on the energy needed to heat water.

☆ Use the water level control on your washer. You should use less hot water for small loads.

☆ Follow detergent instructions carefully. Over-sudsing makes your washing machine motor work harder than it needs to.

☆ Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.

Orange Streaks

BY DON MULLINS

We lost another game by one man show, the first one to Roscoe and this past week to Munday. Like the Abilene paper said "The Yellowhammers stopped Robert Spells on 23 plays but let him get away on runs of 92, 77, 44 and 27 yards for 4 touch downs." Other than these 4 long runs, the Yellowhammers played an excellent game, especially on defense. We are still getting beat on long plays, especially on 3rd and long situations.

We have improved and our attitude toward getting better is still there. We should see what type of team we have this week against Knox City.

Defensively, John Cox, Ray Weathersbee, Paul Hinson, Donny Mullins and Jerry Carr had scores of 53, 49, 46, 40 and 35 respectively to head up the defense. Some of our regulars are getting well, and should be back in the lineup this week.

Offensively, we have improved but can't seem to take advantage of any type of opportunity to score. Our grades were much higher with several getting over the 67 mark. John Cox 80 and Donny Mullins 75, Jacinto Reyes 73, Robert Posey 69 and Ray Weathersbee 68. Munday had a good defense, probably one of the best we have faced this year.

We are in preparation for the homecoming game against Knox City. They are by far the weakest team we've played thus far. Not that they are weak, but they should be more on our level as far as the same material, size, speed, etc. They have won 3 games and lost 3 (lost to Crowell 28-25, Hamlin 35-0, beat Aspermont 14-9).

I think our competition thus far as been stronger than Knox City has faced and it should be a good game. I think the breaks of the game will determine the winner Friday night. I think our team wants it more than Knox City wants it and they will be working harder this week to do so.

Our Jr. High and JV play at Hamlin Thursday, 5 p.m. **JV--Coach Posey**

Rotan JV met defeat for the first time this year to Spur by the score of 28-12. We were over confident and not ready to play due to our earlier victory. Spur had two long drives on us the first half, using up most of the time. Our offense could not get a drive going, usually 3 downs and punt. At halftime Spur led 21-0. Tow of Spur's TDs came on long passes.

During the third quarter our offense began to move the ball but we could not connect on our passes. Spur scored during the 3rd period making it 28-6. During the 4th quarter we began to move the ball well on option plays with Freddie Acorn scoring from 20 yds. out. PAT is incomplete pass. Onside kick is recovered and Rotan scores again as Joe Medrano, Acorn and Posey gain yardage. Acorn scores again on option play. PAT pass is incomplete. Another onside kick is tried but we can't quite recover it. We held their offense most all the fourth quarter. Acorn gained 85 yds, rushing. Medrano 36. Posey 28 yds rushing completed 1 of 12 passes for 24 yards. Mario Lopez caught 1 pass for 24 yards.

Junior JV players are Mario Lopez, Brian Goodwin, Roger Upshaw, Sohomores are Acorn, Medrano, Posey, Willie Ramirez and Lawrence Weatherman. Freshmen are Mark Nowlin, Eli Sepeda, Randy Sparks, Bob McArthur, Mark Cade, Julio Carrillo, Billy Daniels, Terry Bredemeyer, Allen Houston, Jay Greenway, Neal Flores, Gary Don Harkey, Johnny Turner, Jessie Martinez, Ray Sharpsteen, Anthony Yanez and Manuel Gaona.

8th Grade-Coach Lankford

The 8th grade got back on the winning track Thursday night as they defeated Spur by a score of 42-0. We got 4 TDs on the ground and 2 through the air as we rolled up 190 yards total offense along with 2 long punt returns. Byron Weathersbee had 2 TDs, David Thornton had 2 TDs, Keith Mullins had 1 TD and caught a pass for a 2 point conversion, Mike Morrow had 1 TD and Greg Hayes kicked 4 of 5 extra points.

Defensively the 8th graders had another good night holding Spur to about 60 yards total offense. Most of that yardage came in the second half as we completely shut the Bulldogs down in the first half. Sam Helms, Willie Hayes, Juan Trejo, and David Thornton played well defensively.

This Thursday we journey to Hamlin to play the Pied Pipers. These young men need your support since Hamlin will probably be the second best team we have played this year. The 7th grade game starts at 5 p.m. The 8th grade at 6 p.m. and the JV game at 7:30.

7th Grade

The 7th grade came away with a narrow victory over Spur by virtue of a 90 yard opening kick off return by Kip Pease. The score was 6-0. A short time later a long run by Mark Harris was called back because of a penalty. Mistakes continued to hurt the young Hammers throughout the game, but they held on to win by a score of 6-0. They are still undefeated with a record of 5-0.

Enrollment Figure For WTC Released

Fifty-eight Texas counties are represented in the fall enrollment at Western Texas College, Dr. Duane Hood, Dean of Student Services and Registrar, said.

There are also 18 students from states outside Texas and four students from Iran.

Freshmen outnumber sophomores by 797 to 266, and a large number of students (417) are attending college for the first time. Male students outnumber female students by eight. Only one time in its six-year history has WTC had more female than male students. That was in 1975 when female students outnumbered male students by 37.

There are 160 veterans attending WTC this fall, a decline of 15 from the previous fall when veteran enrollment reached its highest level.

Public Notice

Notice Affording Opportunity For Public Hearing

The State Department of Highways and Public Transportation is planning the construction of F.M. Highway 3339 in Fisher County from State Highway 92, 2.1 miles west of F.M. 540, southeast 5.1 miles to F.M. 2142, following existing county roads except at two curves.

The proposed highway will be a two lane road with an asphalt paved surface 20 feet wide withing right of way 100 feet wide. No homes or businesses will be displaced because of this project.

Maps and other drawings showing the proposed location and design, environmental studies, and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at 249 N. Central, Hamlin, Texas. Also, the maps and drawings showing the proposed location and design have been placed on file with the Fisher County Judge at the Fisher County Courthouse, Roby, Texas.

Information about the State's Relocation Assistance Program, the benefits and services for displacees, and information concerning the relocation assistance office as well as information about the tentative schedules for acquisition of right of way and construction can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held covering the social, economic, and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before November 22, 1976. The address of the Resident Engineer's Office is P.O. Box 507, Hamlin, Texas 79520.

If such a request is received, a public hearing will be scheduled and adequate notice will be published about the date and location of the hearing.

Van Heusen To Go With Cotton In Royal Line

The nation's second largest manufacturer of men's shirts is turning to cotton in royal fashion for its autumn line.

The Van Heusen Shirt Co. is offering for the first time a "Natural Blend" men's woven dress shirt of 60 per cent cotton. The company is calling its shirt the "Cotton Royale".

"Natural Blend" is the trademark of Cotton Incorporated for fabrics of 60 per cent or more cotton with durable press performance. Cotton Incorporated is the fiber company of U.S. cotton producers.

"Van Heusen makes some of the highest quality shirts on the market today. We are particularly proud to have them adopt our 'Natural Blend' concept," says J. Nicholas Hahn, Cotton Incorporated vice president of sales marketing.

The "Cotton Royale" shirt will be available in long sleeve in solids, stripes, and prints in a wide variety of colors, Hahn says.

The company is expected to market about 50,000 dozen shirts this autumn.

Cotton Incorporated will support the shirt with advertising on the "Today Show", which it partially sponsors.

The shirt package will feature prominently the cotton seal. Hahn says the shirts will sell in the \$14 to \$16 range.

Rotan HDC Has October Meet

The Rotan Home Demonstration Club met October 7 with Mrs. Viola Hendon. Mrs. J.O. Hudnall, president, was in charge of the business meeting. Mrs. Elizabeth Bigham, the Council Delegate gave the council report that the Food Fair will be held October 20, at 1:30 p.m. in the Community Center. The Rotan Club will have an exhibit on Diabetes and will display diabetic foods. All members are urged to attend.

Hazel Aldridge gave an interesting and informative program on Physical Fitness. She and the other nine members present did nine different chair exercises. She said, "As people grow older, they tend to become less active. This inactivity causes stiffness, aches, fat accumulation and fatigue. Begin exercising slowly and easily. Do a little at a time (5 minutes) but often (10 times), combine exercise with daily habits. Watch the diet, intake of calories must equal output of energy to stay even. Air and sun are for humans, get out in it." Refreshments were served to those mentioned above and Lois Sparks, Oma Long, Effie Murphree, Bernice Loving and the hostess, Viola Hendon.

day, November 7, according to Charles Lindley, minister. Leading the meeting will be Abe Lincoln, instructor of the Sunset School of Preaching.

Services are to begin at 7:00 on week nights. Sunday services begin at 9:45 with Bible class. Preaching starts at 10:45 a.m., and 6:00 p.m. on Sunday.

Abe Lincoln was raised in Sweetwater, graduated from Abilene Christian University and preached in Midland, Odessa and Fort Worth. He also preached in Port Elizabeth, South Africa.

He has been an instructor at Sunset for the past eleven years and has conducted meetings in 30 states.

Classes Of 1966-67 Set Reunion

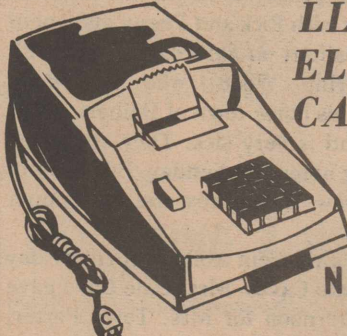

Rotan High School classes of 1966 and 1967 will hold a reunion Friday, October 22, following the Homecoming football game. The reunion will be held at the Community Center in Rotan.

All former classmates of the two classes, families and friends are cordially invited to attend.

The average zinc content of a mixed diet consumed by the American adult is between 10-13 milligrams. Metabolic studies have shown that in healthy adults, intake of 8-10 milligrams is sufficient to achieve zinc equilibrium. Meat, liver, eggs and seafood-particularly oysters-are good sources of available zinc, followed by milk and whole grain products, points out Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

ROTAN 8th GRADE OFFICERS: Class officers of Rotan 8th grade are, left to right, top row, Byron Weathersbee, President; Keith Mullins, Vice President. Front row, Sulema Zuniga, Reporter, Marcy Yanez, Secretary.

Blanket pardon for all draft evaders?

Carter says yes.

Ford says no.

What do you say?

Say it on Nov. 2nd.
Vote for President Ford.

THE PRESIDENT FORD COMMITTEE, JAMES A. BAKER, III, CHAIRMAN, ROYSTON C. HUGHES, TREASURER.

NORTHER HITS JAYTON: Roby majorettes and cheerleaders grabbed the quilts and blankets last Friday night as the wind whistled through Jaybird Stadium and

temperatures dipped into the low 40s. Identified, left to right, Donna Hataway, Rhonda Welch, Cindy King, Kathy Deaton.

The next time you visit your doctor, or a public health clinic, to get a vaccination for yourself or your child, you may be asked to sign an "Informed Consent Card". This procedure is designed to protect you by making sure that you understand what is involved in a vaccination, according to Hal Nelson, legal consultant for the Texas Department of Health Resources.

The procedure itself is not entirely new, but it has been greatly expanded. Nelson explains, "It has always been necessary for some sort of consent for many type of medical treatment or immunization. The consent quite often has been implied, however."

For example, when a person goes to a physician and seeks treatment, the person's consent is implied by the fact that he sought the treatment. However, Nelson says that this line of legal reasoning doesn't necessarily apply in the case of a mass immunization program or a public health clinic, where a physician is not making an independent medical judgment on each individual recipient of the vaccine.

Furthermore, Nelson says, a recent federal court case has spurred renewed concern over the matter of informed consent. The case, "Pryes versus Wyeth Laboratories," developed in Texas and involved vaccination against polio. When a child who had been vaccinated later came down with polio, the parents sued the manufacturer of the vaccine. Although the court agreed that the manufacturer had not been negligent in the sense of producing a harmful vaccine (the child evidently contracted the polio from some other source), nevertheless, the court felt that the parents had not fully understood the inherent risks and limitations of vaccination.

"The key word here is 'informed,'" says Nelson. "The court in the Wyeth case said that not only does a recipient, or his or her parent or guardian, have to consent to receiving the immunization, but they have to know what they're consenting to. They have to be informed as to various aspects of the vaccine itself, the possible side effects, something about the disease, special precautions, and special allergies, if any."

Nelson emphasizes that informed consent is not an entirely new concept. He

points out, "Your physician, our surgeon will not operate unless you give him consent to do so. It's a protection for both parties, actually. It's so that the patient knows fully, and appreciates fully, the treatment he is about to receive, and it's also for the protection of the physician or those persons working in the clinic."

The informed consent concept, although it is not entirely new, became a major problem for both private physicians and public health authorities when the Supreme Court's decision was made in the Reyes case. Part of the problem was that, for the first time, the manufacturer of the vaccine was held responsible for seeing that the recipient had been properly informed: in the past, this was always considered the sole responsibility of the person or agency administering the vaccine. The vaccine manufacturers, understandably, have now taken the position that they will not release any vaccine until they have been assured that "informed consent" will be achieved. This stance on the part of the manufacturers has resulted in delays in the production and distribution of the new influenza vaccine, for the so-called "swine flue" campaign, and has caused shortages or delays in the delivery of polio vaccines in some parts of the country.

Signing an "Informed Consent Card" does not mean that the person releases the physician or clinic from all liability, Nelson says. He explains, "This does not allow a treating person—a physician or a nurse, for example—to be negligent. A person always is, always has been, and always will be responsible for his or own acts of negligence." Rather, "informed consent" merely means that a person understands that there is always some degree of risk in any medical treatment or vaccination, even if it is properly given, and that the person accepts that risk in order to obtain the benefits of treatment.

Hobbs HDC Has Monthly Meet

The Hobbs Home Demonstration Club met in the home of Mrs. James Nettleton. Mrs. Bill Hardy called the meeting to order and presided in the absence of the president, Mrs. Turner Houghton.

Mrs. James Lay conducted recreation. Mrs. Clarence Anderson called the roll and read the treasurer's report.

Mrs. Dale Cave read the minutes of the last meeting and gave the council report.

The nominating committee named the new officers, they were voted on and accepted, as follows: President, Mrs. Bill Hardy; Vice President, Mrs. Walter Byrd; Secretary-Treasurer, Mrs. James Nettleton; Council Delegate, Mrs. Turner Houghton; Reporter, Mrs. James Lay.

Mrs. Bill Hardy was in charge of the program on exercise. "Your actions tell the story", she stated, "lets work on our inactivity, as people grow older they tend to become less active. This inactivity causes stiffness, aches, fat accumulation and fatigue, a general slowing down. Begin exercising slowly and easily. Do a little at a time, 5 minutes, but often, say, ten times a day.

Combine exercise with daily habits, gradually increase time spent exercising. Watch the diet as intake of calories must equal output of energy to stay even. Air and sun are for humans, go out in it.

Sandwiches, cake and punch were served by the hostess to members, Mmes. James Lay, Dale Cave, Fred Martinez, Bill Hardy, Clarence Anderson, J.P. Phillips, Walter Byrd and hostess, Mrs. Nettleton.

Next meeting will be with Mrs. J.P. Phillips Oct. 28 at 2:30 p.m. the program will be meats for west Texas including wild game. Visitors are welcome.

Business and commerce is the major field of study among college-level students training under the GI Bill, according to the Veterans Administration.

When planning priorities and trying to get the most from time available, remember that for most people, work expands to fit time allowed. If housework is expected to require eight hours every day, it probably will, Mrs. Lillian Chenoweth, family resource management specialist with the Texas Agricultural Extension Service, Texas A&M University System, says.

Hobbs Pigskin Talk

By Bill Hulsey

Hobbs Junior High defeated Highland Jr. High last, Thursday night 48-32. This was the second district win for the Panthers against no defeats. Outstanding performers were Asher Wright, Rudy Garcia and Wade Pierson. Hobbs plays at Ira this week with a 5th and 6th grade game starting at 6:00.

Hobbs High School won its first district game at home Friday night against McCauley, 42-20. This evened the district record to 1-1. The defense did an outstanding job except for two plays when McCauley completed long passes for touchdowns. The most outstanding defensive players were Mark Pierson and Willis Ogden.

On defense, Mark Anderle, Mike Martin and Willis Ogden turned in good performances. Randy Etheredge and Don Denman did a very good job of blocking. Jim Ratliff threw touchdown passes to Willis Ogden and Don Denman. Mike Martin and Mark Anderle scored two TDs each and Mark kicked three out of six extra points.

Hobbs travels to Highland this week for a game at 7:30. This game will put Hobbs out of the district race or in a good position to tie for the championship.

Halloween Carnival In Rotan, Oct. 30

The Yellowhammer Booster Club is sponsoring a Halloween Carnival, Saturday, Oct. 30, from 7 to 10 p.m. The carnival will be held in the old gymnasium on the school grounds.

Everyone is urged to attend and participate in the fun activities.

If anyone has questions or needs information on a booth, call Joyce Harkey, 735-2865.

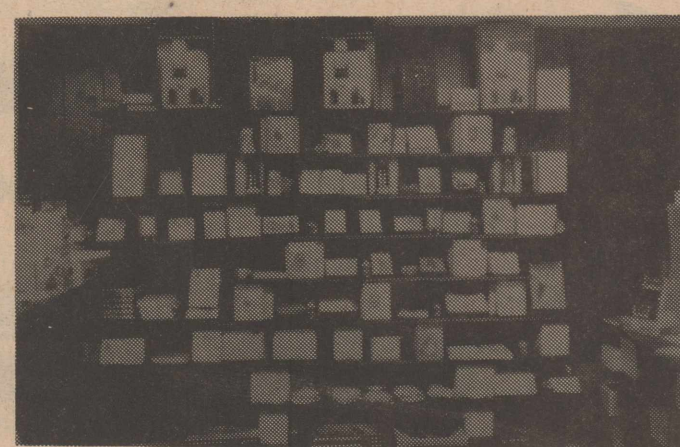

The Booster Club is asking for 25 per cent of the profit from each booth. The Carnival serves the children and the community and also helps raise funds for the Booster Club.

The Booster Club appreciates the support of the merchants and the people. "We realize how much you have contributed and we certainly couldn't maintain our program without you," said spokesman of the Booster Club.

The major projects this year are: conditioning the filed house--\$25.00; filming of the games--approximately \$1,000.00; and purchasing 24 sideline jackets--approximately, \$850.00.

Max Carriker Named Carter Chairman

Jimmy Carter campaign leadership post in Fisher County was announced recently through the Democratic nominee's State headquarters.

Max D. Carriker was named to chair the Carter presidential effort, according to Chuck Parrish, Texas Carter Coordinator.

"These democrats are now linked up to a statewide

effort that will end in a winning landslide vote for Jimmy Carter," Parrish said.

Bob Armstrong, State Land Commissioner and Calvin Guest, Texas Democratic Party Chairman, co-chair the Carter/Mondale campaign at the state level.

Carriker is Fisher County Democratic chairman and resides in Roby.

Parrish added that Carter campaign leadership at county levels through the state has developed into the strongest and largest of any recent presidential campaign.

Fisher County democrats are expected to quickly unite behind the newly-appointed campaign leader in traditional Democratic fashion to produce the votes to elect Jimmy Carter.
