Vacation Abroad

MISS CUNNINGHAM WRITES OF
HER RECENT TRIP TO EUROPE

By CATHERINE CUNNINGHAM

I shall endeavor to give some of the highlights of my trip to Europe as well as the schedule of the various places visited by our party. I did not join the group with whom I traveled until I arrived in New York on May 8 and met the members of our tour, most of whom were from Dallas making a Holy Year pilgrimage.

We left New York on May 9 on the S. S. Queen Mary. This is an experience in itself as it is next in size to the largest ship afloat, the Queen Elizabeth, on which we returned to the States. The Queen Mary has over 22 miles of deck space with all types of amusements, three large theaters, swimming pool and game rooms of various kinds. We had 3000 passengers with a crew of 1300 going over and practically the same number returning.

We arrived on May 14 at Cherbourg, France. The docks at this port were so badly damaged in the war that it is impossible for the large boats to land and we were taken ashore in small boats. We then left Cherbourg on the famous Paris Express and arrived the following morning. We traveled across the entire eastern part of France into Switzerland and stayed at Lucerne, making trips through the French, Swiss and Italian Alps. The entire country is such a fairland of natural beauty. We left Switzerland and arrived at Milan, for our first stop in Italy. We attended the famous opera of Milan and saw Da Vinci's "Last Supper" in the Cathedral of Santa Maria. We then left for Venice on the Adriatic Sea and had a most interesting stay in this City of Canals. We did most of our traveling in gondolas visiting the famous St. Mark's Cathedral and Square, the Campanile, Palace of the Doges, Bridge of Sighs and one of the largest glass works for which Venice is famous.

We made a stop at Bologna on our way to Florence. Florence is well named the "City of the Renaissance," as no one place in Europe can be seen better examples of the architecture of the Renaissance than in Florence. We visited the Pitti Palace, Cathedral, the well known Uffizi Gallery and the Church of Santa Croce.

Italy is predominantly agricultural. The chief food products are wheat, olives, barley, corn, and grapes. The northern part being devoted to silk culture. We made stops at Sienna and Perugia before going to Assisi and visiting the country made famous by St. Francis. We also spent one day at Cascia before going to Rome, where we stayed for one week.

Rome, "the Eternal City," to me personally is the most absorbingly interesting city in Europe. We visited the Vatican on May 23 for a public audience. We were able to secure seats in one of the many boxes reserved for ambassadors and saw pilgrims from all parts of the world. We saw this very colorful as well as impressive ceremony and the Pope spoke in five different languages. It is impossible to describe the vastness of St. Peter's; however, one can imagine the size as on the following Sunday I attended a canonization mass and 100,000 were inside with an estimated crowd of 400,000 outside in the Square. The surfaces of the interior are covered with mosaics of beautiful marble, and all statues of the founders of different religious orders average 15 feet; however, they are mounted against pillars more than 100 feet in circumference and the total effect is perfect proportion. The perfect designing was the work of Raphael and Michelangelo.

I also visited the 27 chapels being part of the Vatican. I was given a rare privilege to view the archeological work now going on two stories below the floor of the basilica. There dozens of pagan and Christian tombs have been found dating back to the first and second centuries. We visited the Museum of Sculpture, the Vatican Art Galleries and the Sistine Chapel. We then attempted to see the high points of the city going first to the Roman Forum, Roman Baths, the Arch of Constantine, Coliseum, the Pantheon and the Old Appian Way. We also visited St. Sebastian, the largest of the Catacombs.

We visited St. Mary Maggiore Church, founded in A. D. 352, St. John Lateran built in A. D. 319, the first one built above ground, as before the Christians had used the Catacombs as churches; and St. Paul's Outside the Walls, erected in 388. There are over 400 churches within the city without counting private chapels.

We left Rome on the famous Rome Express and arrived the next morning at Genoa. The City of Christopher Columbus was interesting, although more than 40% was destroyed in the War. We then visited Turin before leaving for Lyons, France. We toured Avignon before going to Lourdes. Here we visited the basilica and Grotto made famous in the "Song of Bernadette." During our stay at Lourdes I made a trip in company of three other members of our party through the Pyrenees Mountains into Spain.

We returned to Paris on June 4 for a stay of five days. While there we made trips to Lisieux, one full day at Malmaison and Versailles, visiting the Palaces and Gardens. We visited the Louvre Museum, Notre Dame Cathedral, Tomb of Napoleon, Eiffel Tower, Latin Quarter, and several government buildings.

We visited the Louvre Museum, Notre Dame Cathedral, Tomb of Napoleon, Eiffel Tower, Latin Quarter, and several government buildings.

UP EARLY THIS morning and went to the gymnasium for breakfast. And it was an enthusiastic meeting of citizens who are determined to see that a new gym is built and paid for.

In these days and times, a gym is important. Such a building provides facilities with which to help young people build strong bodies. And the future of us all is wrapped up in the young people.

If you have no children, you still are obligated to help. Because the future of your community still is in the hands of the young people.

On a per capita basis, every Cisco citizen should pay the sum of \$2.50 into the fund. But there will be some who won't be able to pay anything, so many of us will have to do better than that. Let's all do our part and build a bigger and better gym -- and pay for it.

WE'RE GLAD TO report that Miss Dorothy Lee Davis, daughter of the Roy Davises, who is a victim of polio, is resting comfortably in a Fort Worth hospital. Her aunt, a San Angelo nurse, has flown to Fort Worth to care for Dorothy. And her Dad and Mother were there today. Early diagnosis and prompt treatment apparently will save her from permanent disability, were glad to report.

MORE VACATIONERS are home. Mr. and Mrs. Charles Spears and sons got back Sunday from Colorado. Mrs. Alex Spear was with them. And they report a grand time. And the Willard Whites are back from their annual trip. They toured the west, going as far as Wyoming.

Mr. and Mrs. James Duff and children are home from Yellowstone National Park. They enjoyed the wonderful scenery. And met up with a dozen or so real bears, which the children enjoyed seeing. They went out by way of Albuquerque and came home from a northern direction. Mr. Duff, manager of Lone Star Gas, says he needed his gas heater several nights.

MR. BILL DILL is now officially a golf professional. He's working at the Cisco Country Club this week learning what he can from Mr. Ervin Prange before taking over officially on August 1.

Bill gave his first lesson as a pro at 5:30 p. m. Monday. And his first pupils were Zan Burroughs and us. Several fellows were watching and remarked that Bill didn't have very good material with which to work. Another man told him that if he could teach Zan and us how to play, he could teach anybody.

Anyhow, Bill appears to be a good teacher. He's enthusiastic about his job. Bill wants to succeed and all Cisco wants him to.

YOUR HOME PAPER

CISCO, TEXAS, TUESDAY, JULY 25, 1950

TRADE AT HOME

If you spend a dollar at home you have some hope of getting it back; if you don't, you just spend a dollar.

NUMBER 175

Cisco Youths Attending Guard Camp

Pictured are a group of Cisco youths who are members of the National Guard unit now on active duty for two weeks at Fort Hood, Texas. The group is shown listening to a newscast. They're interested in the news these days, for there is talk that they might be ordered to active duty for the Korean war. They're due home next weekend—unless that call comes through.

Run-Offs Certain
County Judge And
Commission Race

Run-offs were certain in two offices of the commissioners' court of Eastland County following the first primaries held Saturday, according to unofficial figures released by Oscar Lyerla, county Democratic chairman, Tuesday. The returns were from 26 precincts, all complete.

Present County Judge P. L. Crossley was forced into a run-off with John Hart after forging ahead of Clabe Eldridge on late returns. Hart led the ticket with 3,262 votes. Crossley trailed with 2,048. A run-off developed in the Precinct 1 commissioner's race between Henry Davenport and T. E. Castleberry. Castleberry was leading 1,237 to 940 for Davenport. E. H. Mills trailed with 493.

A. M. Thurman won in Precinct 2 by defeating Harry Crow 658 to 451 while Henry Carter won in Precinct 3 by defeating Jim Watkins 441 to 136.

In Precinct 4 Arch Birt won by some 40 votes over J. E. McCann.

"ROCKET AHEAD" with Oldsmobile. Eastland Osborne Motor Company.

Thursday To Be
Dollar Day

Thursday will be Dollar Day in Cisco, and many bargains will be on the counters of your favorite stores. See Wednesday's paper for some of these Dollar Day Specials.

The Dollar Day event is sponsored by Cisco merchants on the fourth Thursday of each month. The second Thursday is a general "Bargains for the Bargain Hunters" Day.

Yes, Birt led in the West Cisco and Seranton boxes; McCannies led in the East Cisco box and Dothan.

W. E. Brown was unopposed in his race for the office of Justice of the Peace as was Hershel Glen Wooten who was seeking the constable's office.

Fred Grist was elected chairman of the West Cisco Precinct and Billy Huestis was elected chairman of the East Cisco Precinct.

Mrs. C. C. Greenhaw was accompanied on a trip to Mineral Wells Sunday by her mother, Mrs. J. W. Plummer of Moran.

Baptist Report
Revival Results

The recent revival meeting at the East Cisco Baptist Church resulted in over 20 definite public decisions, according to Pastor Paul Stephens.

In the series of services ending Friday night there had been 12 additions to the church, four coming by profession of faith and baptism. There were three more additions to the church in the services Sunday.

According to Claud McBeth, building fund treasurer, contributions to the building fund of the church during the revival meeting totaled \$345.75.

The pastor expressed appreciation for the many visitors who attended the revival services.

Baptismal services will be conducted next Sunday night with a message by the pastor on the biblical mode and meaning of baptism.

She is the widow of the late Dr. J. O. Davis who practiced in Moran for many years. She had lived in Ardmore for some 15 years.

Funeral services will be held in the First Baptist Church in Moran at 2 p. m. Wednesday. Burial will be in the Moran Cemetery.

Mrs. Davis was the aunt of Mrs. J. D. Lauderdale of Cisco.

Drive Begins To Raise Funds
To Help Rebuild GymnasiumDelegates Named
At Democratic
Precinct Meeting

Delegates for the county convention were elected and a resolution endorsing the state and national administrations was adopted at the Democratic Precinct Convention at 2 p. m. Saturday at the city hall auditorium.

Precinct Chairman Fred Grist opened the meeting with a prayer by Mrs. J. V. Heyser, Sr., after which J. M. Flournoy was named presiding chairman and Mrs. H. N. Lyle was elected recording secretary.

A committee composed of Tom Stark, Mrs. Celia McCrea and Mrs. Gorum Pollard was named to select convention delegates and alternates.

The meeting elected the following:

Mrs. Celia McCrea, Mrs. Gorum Pollard, Tom Stark, M. and Mrs. J. M. Flournoy, Mr. and Mrs. R. A. Bearman, Mr. and Mrs. J. V. Heyser, Sr., Mr. and Mrs. Truly Carter, Mr. and Mrs. M. F. Underwood, Mr. and Mrs. J. V. Heyser, Jr., Mr. and Mrs. A. D. Anderson, Mr. and Mrs. O. O. Odum, Mr. and Mrs. H. S. Drumwright, Mr. and Mrs. G. M. Beene, Mr. and Mrs. A. R. Day, Mr. and Mrs. G. B. Langston, Mr. and Mrs. W. H. La Roque, Mr. and Mrs. J. W. Sitton, Mr. and Mrs. Hest McCannies, Mr. and Mrs. Ed Huestis, Mr. and Mrs. M. E. Fry, Mr. and Mrs. Bob Mancill, Dr. W. P. Lee and Mrs. J. R. Burnett.

A committee composed of Mrs. J. V. Heyser, Sr., Mrs. Truly Carter, R. E. Bearman and O. O. Odum was named to draw up and present resolutions to the county convention.

The precinct convention adopted a resolution going on record as supporters of the Truman administration and supporting and endorsing the present state administration.

Moran Rites Set
For Mrs. Davis

Word was received in Cisco on Tuesday of the death of Mrs. J. O. Davis of Ardmore, Okla. Mrs. Davis died at her home there Monday night.

She is the widow of the late Dr. J. O. Davis who practiced in Moran for many years. She had lived in Ardmore for some 15 years.

Funeral services will be held in the First Baptist Church in Moran at 2 p. m. Wednesday. Burial will be in the Moran Cemetery.

Workers Donate
\$1,800 At Meet

More than \$1,800 was pledged by the workers themselves today to begin a drive to raise \$10,000 to complete the financing of a new gymnasium building for the Cisco Independent School District.

Twenty-six civic workers met at breakfast at 7 a. m. at the Victor Hotel to inaugurate the campaign. Co-Chairmen George Boyd and Bob Elliott were in charge of the organization of the workers into teams for the drive.

E. L. Jackson, district manager for the West Texas Utilities Co., here, urged the workers to complete their task as speedily as possible in a talk at the meeting.

"There is no logic in being afraid of the future," Mr. Jackson said. "It is all before us—wrapped up in our boys and girls. And we must provide them with adequate facilities with which to obtain a proper education."

"In helping replace our community gymnasium, we are building for the future—molding our citizens of tomorrow."

The need for the gym was reiterated in talks by Mr. Boyd and W. P. Guinn, president of the Chamber of Commerce.

The workers hoped to complete much of their task today. They left the meeting to begin a canvass, hopeful that the entire amount would be turned in during the day.

Letters signed by the co-chairmen went out over the weekend to scores of residents of the community. The project was discussed thoroughly in the letters pointing out that the schools have a firm bid of some \$55,000 for the erection of a new gym and a "kitty" of \$40,000 to start with as the result of insurance on the fire loss.

"Let's put the job over," they wrote. "Let's finish the task. In a little while someone will call on you with an opportunity to contribute. Won't you have a part in this program?"

The J. C. Penney Company store here closed at 3 p. m. today in tribute to Earl Sams, past president of the board of the company, who died Monday night at his home in New Rochelle, New York.

Mr. Sams was the first man employed by J. C. Penney, founder of the company. Austin Flint, local manager, said the Cisco store would be open for business as usual Wednesday.

Per week (by carrier) 15c

FARM SAFETY WEEK

National Farm Safety Week is being observed throughout rural America July 23-29. Therefore we feel that now is the time to salute another nation-wide safety activity in progress 365 days a year.

It is the 4-H Farm and Home Safety program carried on by nearly half a million 4-H Club members between the ages of 10 and 21. We are told that these youth — who

conduct safety surveys of their home farms and neighboring farmsteads — have the best organized safety program in the rural field. They not only ferret out hazards, but follow through and correct thousands of unsafe conditions relating to farm machinery, livestock, homemaking, recreation, motoring and scores of other matters.

Since the project was launched on a national scale years ago, enrollment has increased five times. This would indicate that our farm boys and girls have steadily become more safety minded. It also means that in addition to the 4-Hers themselves, safety education has reached parents, residents of the local community, club leaders and extension personnel.

So it seems a foregone conclusion that many times the half million young folks taking part in the 4-H safety program are influenced and benefitted. Perhaps the widespread flux of safety knowledge will prove to be a direct route to decreasing 17,500 fatal accidents to farm people each year or save some of the 35,000 farm buildings destroyed by fire; or put to constructive use the \$1,000,000-000 in losses annually represented by these disasters.

For furthering 4-H farm safety education, we take off our hats to General Motors for its interest

in rural youth and its public spirited action in providing \$10,000 in awards annually; to the National Committee on Boys and Girls Club Work for arranging the program; and to the Cooperative Extension Service for directing the activity.

TRUCK & TRACTOR OWNERS

We now have a complete line of truck and tractor fan belts — we feature the famous Heavy Duty Dayton Cog Belts for those really tough drives.

Complete stock of carburetors and carburetor parts — Delco-Remy and Autolite Ignition parts.

Authorized dealer for American Bosch, Wico and Fairbanks-Morse Magnetos—Speedometer Service—Automotive Tune-up.

To My Many Friends in Eastland and Callahan Counties

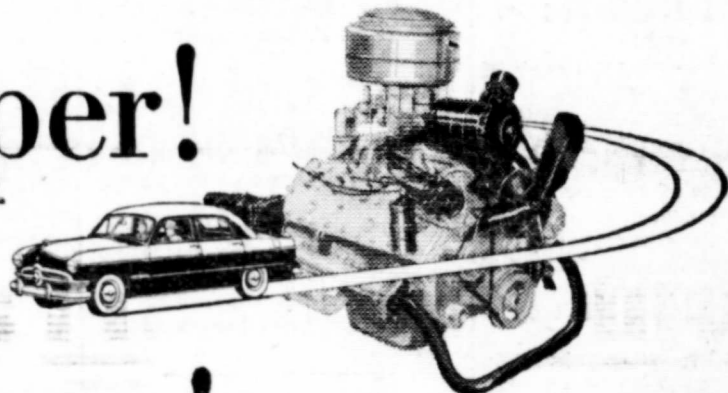

Thanks for your support and encouragement in my campaign to represent you in the State Legislature. After a short rest I shall announce my plans for the run-off.

Thanks Again.

O. O. ODOM

What a stepper!

Just hint to the gas pedal and she steps out like no other low-priced car. And that's true whether you're driving a Ford V-8 or "Six". But this high-stepper is a low spender when it comes to costs. You can own a V-8, for example, for hundreds less than most "Sixes"—and a Ford V-8 for even less.

What a stopper!

This '50 Ford actually helps you apply the brakes. They're 35% easier-acting King-Size Brakes that use car momentum to help you stop. Like Ford's extra-rugged "Lifeguard" Body, they give you the kind of protection you'd expect only of costliest cars. And for added safety and comfort, you ride low and level in the "Mid Ship" section of the car, between the wheels—not over them. You're cradled in comfort on "Hydra-Coil" front springs and "Para-Flex" rear springs that give a road-hugging smoothness truly amazing.

What a looker!

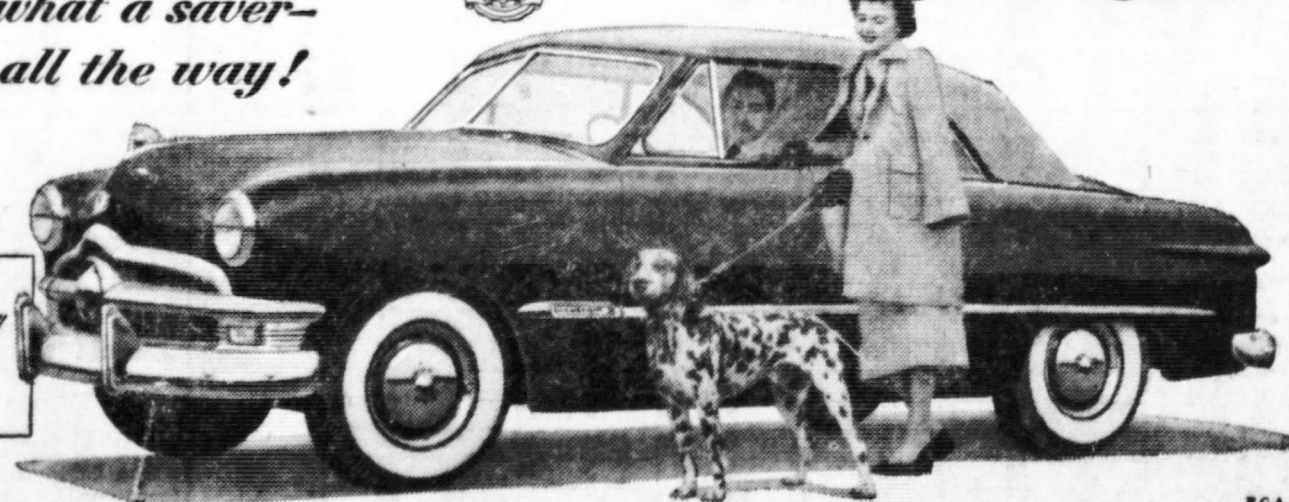

Yes, again in '50, Ford received the Fashion Academy Gold Medal as "Fashion Car of the Year." And Ford's stay good looking because their haked-on finish is "made to live outdoors." That means high resale value which, together with Ford's low running costs, puts Ford further out front as America's savgiest car.

'50 FORD

And what a saver—
all the way!

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

Presbyterian Circle Church Tuesday

Circles of the Presbyterian Church met Tuesday afternoon for a continuation of the study of the Book of Hebrews. Circle Three was presided by the chairman, Mrs. C. R. and a short business session was held.

Minutes of the last meeting were read and approved and other routine matters were looked after. S. E. Hittson brought an interesting study of two chapters of the Book of Hebrews, following which the meeting was adjourned.

Members present were: Mrs. C. Hittson, Mrs. F. J. Borman, Mrs. Hittson, Mrs. J. G. Rupe, Mrs. E. Coleman and Mrs. Geo.

Don McEachern Hostess to Business Women's Circle Tuesday

Don McEachern was hostess

ess recently when the Business Women's Circle of the First Baptist WMU met in her home with Mrs. H. N. Lyle presiding. A short business session was held and a pantry for the church kitchen was discussed as a worthy WMU project.

Minutes of the last meeting and membership roll were read and reports were heard. Mrs. Shobal Houston was in charge of the program from the Royal Service Magazine which was next presented. The devotion was given by Mrs. Houston and Mrs. R. R. Jones, a guest, brought the program, discussing the topic, "Baptist Missions in Africa, During the Past 100 Years."

A social hour was held and lovely refreshment plates with fruit punch were served the following: Mrs. Jones, the visitor; Miss Doris Jo Pyle, and Mmes. Myrtle Anderson, Truly H. Carter, Berta Carmichael, Shobal Houston, H. N. Lyle, Barton Philpott, Gorum Pollard, Mack Stephens, and the hostess, Mrs. McEachern.

Mrs. Ione Surles Is Club Hostess In Home Thursday

The Double Octet Birthday Club met with Mrs. C. S. Surles last Thursday evening, July 20, for a buffet dinner and meeting following. The sumptuous meal was first enjoyed, served from the table buffet style, with members seated at quartet tables while eating. Invocation was offered by Mrs. Myrtle Anderson.

In the absence of the president, Mrs. Harry Schaefer called the group to order and presided over the short business session; after which the club presented the hostess with a birthday gift and sang the "Happy Birthday" song to her.

Mrs. Anderson then directed several clever games and the remainder of the evening was spent in pleasant conversation.

Those present were two visitors, Mrs. Fisher and Miss Jeannette Rathmel, and the following members: Mmes. Anderson, Eva Laws, Mayme Walker, Julia Hazel, Thelma Schaefer, Alma Philpott, Helen Russell, Grace Cheves, Bernice Carter, Miss Willie Frank Walker and the hostess, Mrs. Ione Surles.

Parents Announce Daughter's Engagement

The engagement and approaching marriage of Miss Prudie Hardeman, daughter of Mr. and Mrs. H. H. Hardeman of Eastland, and Mr. Bill Eddleman, son of Mr. and Mrs. W. W. Eddleman of Arlington, has been announced by the bride-elect's parents.

Wedding vows will be exchanged by the young couple August 4 at 8 p. m. in the First Methodist Church of Eastland.

Mrs. N. D. Swope of Killeen, sister of the bride, will be matron of honor. Robert Eddleman of Arlington, brother of the groom, will be best man.

Miss Hardeman graduated from Eastland High School, as did Mr. Eddleman. She later attended Ranger Junior College; he studied at Temple Junior College and at North Texas State College, Denton. He is engaged in the jewelry business in Eastland, where the young couple will live.

The groom-to-be is a grandson of Mrs. J. D. Eddleman of Cisco.

CUNNINGHAM

(From Page 1)

ernment buildings, as well as many of the important historical places in French history in and around Paris. We left the beautiful metropolis of Paris and traveled to Calais and then on to Dunkerque where we took a steamer for Dover, England. We remained in London for only one day as on our return we spent four days there and crossed England into Wales traveling across the country to Fishguard, where we embarked by boat to Cork, Ireland. We saw (Emerald Isle at the most beautiful time of year, the countryside being in full bloom with rhododendrons, mountain laurels, and lilies. We visited Blarney Castle and many other castles in the vicinity before going to Killarney and seeing the Lakes of Killarney, Parknasilla on the Atlantic, Muckross Abbey and Kenmare Bay.

We spent three days in Dublin visiting Trinity College and the Book of Kells and also the Dublin Museum, one of the most interesting of our entire trip. We then crossed the Irish Sea to Liverpool and then on to Manchester, returning to Leamington Spa. We made several trips from there, visiting Stratford-on-Avon, Ann Hathaway Cottage, Warwick Cas-

tle, Blenheim Castle, home of the Duke of Marlborough, and Woodstock. We returned to London and on our way spent one day at Oxford seeing many of the schools and universities connected with Oxford.

We did not realize the extent of war damage until we saw London as in traveling over the city, even after five years we saw the results of 90 days and nights of bombing. The vicinity of the docks and homes, as London had over 300,000 homes destroyed.

We visited Westminster Abbey, the National Gallery, St. Paul's Cathedral, Buckingham Palace, saw

the changing of the Guards, and also the changing of the Guards on horseback, Tower of London, House of Lords and House of Commons and visited many of the historical places around the London Wall.

Our visit in London having come

Popular Fighter Proves Hadacol Great 'Builder-Upper' For Athletes

who also get tired, run-down because of deficiencies of Vitamins B₁, B₂, Iron and Niacin in Their Systems.

Orris Lee Story is a very popular figure in Wichita fight circles. His gameness and hard punching ability have won him the acclaim of sport writers and fight fans throughout Kansas. And it's most interesting indeed to hear this young boxer's comments about the great HADACOL everyone is talking about.

Here is Orris Lee Story's witnessed statement:

"Last year I was just another run-of-the-mill flyweight fighter. My coach couldn't put his finger on just what my trouble was. My best punch was a hard right cross, but try as I would it was falling inches short of my opponent.

"Also the last rounds of a fight usually found me completely washed out, my arms feeling like lead. Then last October I had a talk with an Arkansas fighter to whom I had dropped a decision. I told him I couldn't tag him with my right because of a painful stiffness across my shoulders that caused me to pull up short of my full reach. He said it was probably an aching due to neuritis and he recommended HADACOL. I tried it with a lot of doubt in my mind. But there is no doubt today. Today I hold a state boxing title. I exchanged that neuritis pain and 'all-gone' feeling for pep, stamina and a whole of a swat—thanks to HADACOL!"

Take HADACOL Everywhere

Orris Story continues, "If I leave town even for 24 hours to take part in a tournament, I pack my bottle of HADACOL along with my trunks, shoes, hand wraps and mouthpiece. I can't recommend HADACOL too strongly to athletes—or anyone else suffering from neuritis pains or that listless, tired feeling that prevents a person from

punching until the final bell."

Be Fair To Yourself

What HADACOL did and is doing for this great young boxer—it should do for you if you are weak, nervous, run-down—have neuritis pains or stomach disturbances due to lack of Vitamins B₁, B₂, Iron and Niacin. HADACOL not only supplies your deficient system with extra quantities of these vital elements but also beneficial amounts of precious Calcium, Phosphorus and Manganese—so important to maintain good health. And HADACOL's wonderful Vitamins and Minerals come in special pleasant liquid form so that they're more quickly absorbed and assimilated in the blood—ready to go to work at once.

Start today. Get that wonderful HADACOL feeling everyone is talking about. Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50.

COUNTY JUDGE

Back in the Early Days —

this county was surveyed in most part by the railroads into uniform and regular blocks and tracts. Tracts not so surveyed are usually irregular in size and description and are more difficult to abstract and more expensive. But whether your property be a ranch spreading across the hills or a cottage by the side of the road, we find it by a system of abstracting unexcelled in this area. And by getting the best you also have the cheapest.

EARL BENDER & COMPANY
Eastland, (Abstracting Since 1923) Texas.

WAR OR NO WAR

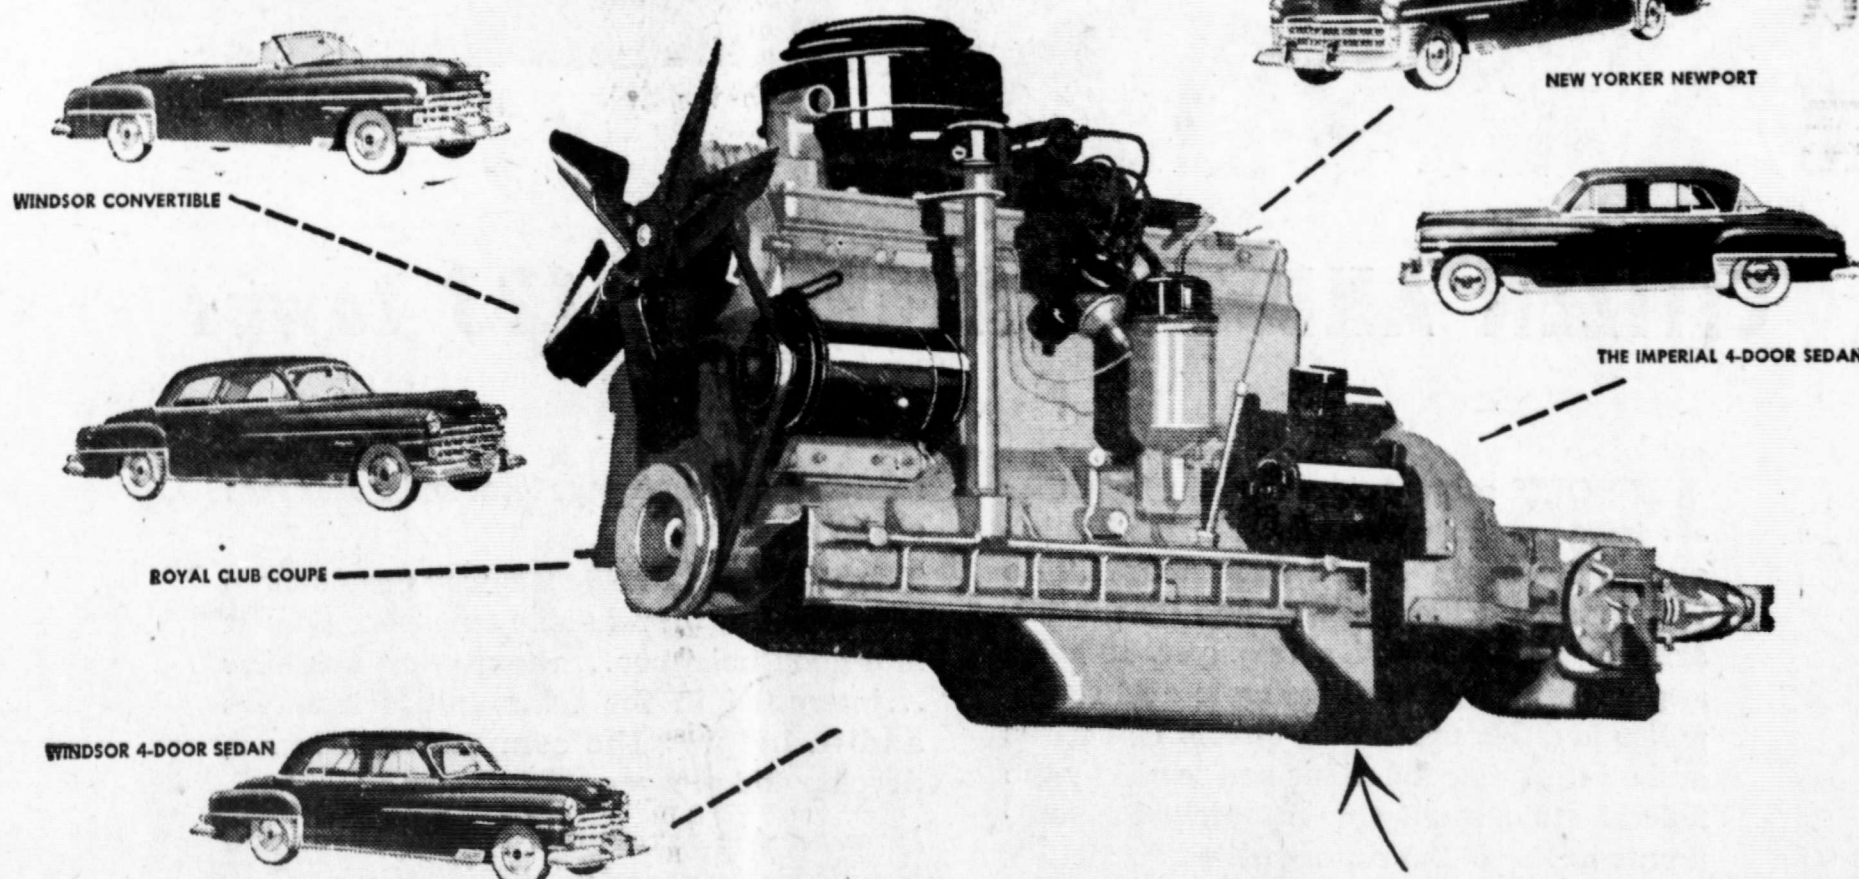

You should have one of our Frozen Food Lockers. We have moved our Lockers into a much better vault. But we do not have as much room so we had to eliminate 240 Lockers; therefore, we sincerely advise that you rent one of the few remaining Lockers at once and be prepared if rationing does come.

Mrs. Chester Norvell and her infant son are now at their home at 906 West 5th Street, where they are both doing nicely.

C. E. Hailey, Truly Carter, and T. J. Russell of Cisco, and Henry Carter of Rising Star left this morning on a fishing trip with Corpus Christi as their destination.

Mr. and Mrs. C. E. Hailey and daughter, Kay, spent Saturday in Dallas where he transacted business, and they visited with their daughter, Miss Margaret Hailey, who is employed there.

Mrs. Ina Pyle Martin returned Saturday from Ranger where she has spent the past month with her sister, Mrs. S. J. Heffner.

Mr. and Mrs. Raymond Reames and daughter have arrived from Seattle for a visit in this vicinity. They are guests of his sister and husband, Mr. and Mrs. Bob Siddall, and family this week. Mr. Reames is an Air Controlman First Class of the U. S. Navy.

Mr. and Mrs. Joe E. Williams and daughter, Miss Winnifred Williams of Asheville, N. C., left today for their home after visiting in Cisco with Mrs. Williams' sister and husband, Mr. and Mrs. F. E. Shockley.

Joe and Edward Duncan are visiting here this week with their grandmother, Mrs. Joe Wilson. The boys are sons of Mr. and Mrs. Everett Duncan of Roscoe.

Mr. and Mrs. Hugh Wagner and son, Dan D'Spain Wagner, of Odessa spent the weekend in Cisco with their parents, Mr. and Mrs. Howard D'Spain.

Mr. and Mrs. Kelly Harwell of Los Angeles visited here with relatives and friends the past week.

Mr. and Mrs. Paul Poe of Den-

ton spent Sunday in Cisco visiting with his sister and husband, Mr. and Mrs. J. E. Spencer, and other relatives and with Mrs. Harry P. Schaefer.

Mr. and Mrs. C. L. Bigby and son, Johnny, of Eastland spent Monday evening here in the home of their mother and sister, Mrs. E. McCracken and Miss Elizabeth McCracken.

Mrs. John Owens and children have returned from Ballinger where they visited last week with her daughter and husband.

Mr. and Mrs. Dick Wheeler and children of San Antonio visited in Cisco over the weekend with her mother, Mrs. A. A. Harwell, and son, Hub Harwell. They were en route to Avon, Ill., where they will spend their vacation with Mr. Wheeler's parents.

Mr. and Mrs. Dal Mellette of Colorado City visited here the past several days with their daughter and husband, Mr. and Mrs. Harry Schaefer and family.

Hub Harwell returned Saturday from Phoenix, Ariz., where he has been visiting his brother, Rex, and family the past month.

Mrs. Van Gardenhire and daughter, Miss Patsy Gardenhire, have returned from a visit with

relatives at Olton, Texas. They were accompanied on the trip by Miss Eula Hildreth.

Mr. and Mrs. E. H. Adams who have been residents of Cisco the past few months moved to Albany today where they have purchased a business.

Misses Letha and Mayme Estes and Mrs. Truly Carter made a business trip Monday to Abilene.

Mr. and Mrs. Tim Carter of Fort Worth were visiting in Cisco over the weekend as guests of his brother and wife, Mr. and Mrs. Truly H. Carter.

Mr. and Mrs. O. R. Turner spent last week in Fort Worth where they visited in the home of her sister and husband.

I and my family wish to express our deep gratitude for the fine manner in which you supported me in my candidacy for the office of County Judge. Your support helped me to lead the ticket over two outstanding men in the County. Your continued support in the Run-off is humbly sought. I will try to see all of you personally during the next 30 days. Thanks, again and again.

JOHN HART

CITIZEN AND TAXPAYER...in 123 towns

IN YOUR community...and in 122 other towns and communities in Texas, Louisiana, New Mexico and Arkansas...The Texas and Pacific Railway and its subsidiaries is a citizen and a taxpayer. It helps support and maintain schools and roads, police and fire protection, streets and parks and all the other functions performed by the federal, state, county and municipal governments in these 123 communities. In 1949 it helped to the extent of paying a tax bill of \$5,892,975.01!

No other form of transportation contributes so much to the cities and towns it serves.

The railroad is the only form of transportation that *pays its own way all the way*—that uses its own money to build and maintain its

roadway, and then pays local and state taxes on its roadway.

The Texas and Pacific Railway means more than efficient, dependable transportation. It is a good neighbor...a taxpaying neighbor...interested in the communities it serves and in helping the communities build, develop and prosper.

Here are the taxes paid by the Texas and Pacific Railway and its subsidiaries in 1949:

Federal	\$4,245,670.67
State	527,312.27
County or Parish	209,766.20
Road (highway)	142,501.09
School	458,393.19
Drainage-Levee, etc.	82,838.10
City	226,493.49
Total	\$5,892,975.01
