Monday, July 3rd. Trades Day LAMESA TO CELEBRATE JULY 3RD. AND 4TH; THOUSANDS EXPECTED

MERCHANTS OFFER BARGAINS

Monday July 3rd—First MONDAY—is another of Lamesa's big days. Hundreds of people are expected to throng the streets of Lamesa. Each Trades Day the crowds have grown and it is felt that the crowd which will assemble in Lamesa July 3, will be the largest yet.

The merchants of Lamesa are offering the largest group of special prices and bargains that have yet been offered and thus offering the people of Lamesa and trade territory the opportunity of buying seasonable and timely merchandise fresh from market, at startling low prices. Every store will be all ready for the big day folks, don't miss it.

During the last Trades Day people came from all surrounding towns, many from great distances. Old friends met and a great day was had.

In front of the band stand on the court house lawn another one of Lamesa's big shows will take place. The time is 6:00 P. M. When the fire whistle blows everybody will make a run for the show in front of the band stand. All who desire to attend this show may secure tickets from Lamesa merchants. All who have tickets will be admitted to the entertainment which was made possible by the business men of Lamesa.

Much trading and swapping is expected at the trade yards on horses, mules, cows, hogs, plow tools, and in fact anything you have to sell or trade. People DO NOT MISS IT. You may be able to trade or sell the very thing you have tried to get rid of for some time. COME AND BRING IT ALONG.

Many other attractions besides the ones already mentioned will be had at Lamesa on First Monday, July 3. Every body come and take part.

Rain Falls North Of Town Monday Night

Rains falling in the north part of the county Monday evening and night amounted to about one-half inch and greatly benefitted the crops which were up in that section.

The rain fell at Punkin Center, Shacktown and across to the Woody community and back to the O'Donnell section. In the Shacktown community 90 per cent of the land had been planted with the crops up. Many farmers in the Punkin Center section have crops up and several farmers north of Woody have good cotton crops up.

With clouds forming each day now it is hoped that a general rain will soon fall.

Boy Scouts Go To Camp In New Mexico

Boy Scouts of troop 22 left Wednesday with their scout master, Joe Spikes, for Camp We-hi-nah-pay near Weed, New Mexico for a two weeks stay.

Scouts making the trip were Willard McSadden, Richard Crawley, Kenneth King, Jack Keisling, James Rice, Harold Lambeth, Harold Vesey, Thomas and Edgar Crow and Virginia Miller. Mr. and Mrs. Bryan Fulmer took them on their truck.

Line-up For Polo Games, July 3-4

It is understood that Lamesa and Lubbock will play a series of polo games on the 2nd, 3rd and 4th of July at the local polo grounds. Each game starting at 5 o'clock.

Lamesa players will be Gus White, Elmo Smith, Spencer Barron, and Lynn Parkinson, with Eric Barron as substitute.

The Lubbock players will be Captain Ingerton of Amarillo, Robert (Bob) Hester, Lubbock, Captain H. H. Griffith, Lubbock, Fred G. (Doc) Harbough, formerly of Chicago, Gaylard (Hank) Hankins of Lubbock, Volton Spikes, formerly of Los Angeles, Julian Williamson, Lubbock, and the Lubbock players will be assisted by A. C. Woodward of Lamesa.

Mr. and Mrs. Bill Creighton and Jap Baldwin left last Friday for a short stay in Corpus Christi.

Mrs. Murray McWhorter spent a few days this week visiting her parents in Levelland.

State Highway Dept Notified That Right-Of-Way Is Assured

The State Highway Department has been notified this week that the right-of-way for the paving of Highway No. 9 has been assured, and the money for the work has been promised in the very near future.

Running north all the right-of-way has been secured, some of the people voluntarily signing the deeds while others have been condemned by the committee in charge. Running south all but three or four tracts of land have been satisfactorily secured, and these will be signed up in the next few days.

Members of the right-of-way committee stated this week that the land owners had certainly been courteous to the committee and had cooperated in every way, even though some of their farms had been cut through the center. All this is certainly appreciated by the committee and it is hoped that all farms touched by the highway will be satisfactorily secured with no ill feelings.

Contracts for the paving of this road will be let after the notice is published for fifteen days. The contract will carry provisions that Dawson county citizens will be hired for the labor, and also the schedule of the wages will be written, which will be a fair wage for the working man.

Shook Tire Company To Have Summer Tire Sale

G. V. Fulton, manager of Shook Tire Store here is beginning Friday of this week a seven-day summer tire sale of all Seiberling tires in the local store. This is the first exclusive tire sale ever to be staged in Lamesa, where every size and grade of tires will be placed on sale.

Last week this store received a car load of Seiberling tires direct from the factory at Akron, Ohio, this being the second car load ever to be shipped to Lamesa by one concern.

Look for the Shook Tire Company ad on another page of this issue.

Monthly Banquet Of Game Protective Association Held

The Monthly Banquet of the Dawson County Game Protective Association was held Tuesday night at the home of J. E. Barron, president of the association with an attendance of thirty two members and their wives which included three members of the Gaines County Association and their wives, Mr. and Mrs. Arthur Clayton of Borden County and the Game Warden and his wife from Garza County.

Squirrel, fish, muligan, pie and iced tea were served. A talk on Cooperation in Game Conservation was made, contests and games were also enjoyed by all.

J. D. Wilson won first prize in the contest and was awarded a day and nights fishing and boating on Two Draw Lake at Post, Texas.

Mr. and Mrs. J. R. Williams extended the Association an invitation to hold their next banquet on their lawn at the Williams hotel, which will be on the fourth Tuesday night in July.

Will Rogers' Steed Is A Hobby Horse

Will Rogers is convinced he earns his money in motion pictures.

And when the father of three grown children is required to ride a merry-go-round horse and grab at the brass rings like any ten year-old he at least has a talking point.

Will does just that in Fox Film's all-star production, "State Fair," while burning up the midway with Louise Dresser.

"Just wait" he mourned, "until some of my old cowhand friends see that ride. I'll get more kidding than a lame duck Congressman talking about the forgotten man."

"State Fair" comes to the Palace Theatre on Sunday, Monday and Tuesday.

Miss Audrey Faye Bailey is visiting friends this week in Midland.

Meet In Interest of Paving Highway 83

Representatives from Dawson, Borden, and Gaines counties were in a meeting here Tuesday afternoon in the interest of paving Highway No. 83. The delegations consisted of delegates from the county courts of these counties, who voted to tender the State Highway Department of Texas Right-of-ways through their counties for the paving of this route.

It was pointed out at this meeting that now only four counties remain on this—of Texas' straightest and most direct routes—that are unpaved. These counties are Scurry, Borden, Dawson, and Gaines. Hard surfaced connection is assured in New Mexico where No. 83 leaves Texas. On account of the need for this paved route and the unemployed situation particularly in these counties at this time, cooperation of the State Highway department is being asked.

Delegates present proposed to call another meeting soon at Snyder of all towns along the Dal-Paso Highway routing to further make plans to fill in the unpaved gaps of this important highway artery.

Those attending the local meeting were Lee Eubanks, Stanton; L. E. White, Lubbock; J. S. Lamar, Stanton; J. J. Kendrick, Seminole; J. E. Stanley, Seminole; W. A. Bedell, Gail; D. Dorward, Gail; C. E. Rollins, Seminole; W. B. Reynolds, Seminole; Emmett Foster, Seminole; A. C. Giddings, Seminole; T. A. Hollar, Gail; E. F. Wilson, Gail; W. F. Bertram, Ackerly; J. E. Barron, M. C. Lindsey, A. B. Heffernan, J. R. Farley, D. S. Blundell, J. W. McCauley, W. W. Strawn, W. W. Pettaway, W. R. Kelly, C. Baldwin, C. E. Martin, M. C. Shelton, W. J. Miller, Olon Earnest, Roy Wilson, C. D. Applegate, H. W. O'Neil, N. E. Watson, H. H. Corbett, Jim Thomas, A. H. Furfur, W. D. Arnett, Roy Wilson, J. C. Porter, E. A. Reid and Carl Rountree all of Lamesa.

The meeting was held in the county court room with Carl Rountree, local attorney, presiding.

Prohibition Mass Meeting To Be Held At Sparenberg

There will be a mass meeting of the friends of Prohibition at the First Baptist church at Sparenberg, Wednesday evening July 5th at 8:30 P. M. Two out of the community speakers will be present to deliver the addresses. Everybody is invited to attend.

PREDICTS SHORT TURKEY CROP FOR STATE THIS YEAR

Lubbock.—Texas as a whole, will have a short turkey crop this year although more breeding stock was held over than usual, E. M. Holmgren, extension poultry specialist at Texas A. & M. said when here recently.

Texas furnishes over 4,000,000 turkeys each year for the big markets, Holmgren said. "We are the leading state, and furnish 26 per cent of the turkeys used in the nation. He said he believed the next ten years would see a great increase in raising turkey eggs, especially in the northwest.

IMPORTANT NOTICE TO PRESUMPTIVES

The special Presidential Boards which will be appointed to review the folders of World War Veterans whose disabilities have been connected with the service by presumption, will very probably be required to base their decisions and findings upon the evidence as shown in the veteran's folders.

It is, therefore, of the greatest importance to these veterans that they immediately obtain any lay or medical evidence available which would indicate that their disabilities resulted from the military or naval service, especially in those cases which were presumptively connected on first showing of disability more than two years after discharge.

You will note that this is contrary to the advice given out by Veterans Administration Officials to the effect that no action was necessary on the part of claimants with presump-

To Send Delegates To Washington

Delegations from ten lower South Plains counties were in session in Lamesa Tuesday in the interest of the cotton farmer of this section to get adjustment of cotton acreage reduction contract to permit farmers to sign contracts in districts where no cotton had been planted on account of delayed seasons, and where it is not too late to plant and produce good yields.

A committee of three, consisting of C. T. Watson, Big Spring, A. B. Davis, Lubbock, and Arthur P. Duggan of Littlefield, were chosen by the delegation to go to Washington and contact Secretary Wallace and Cobb of the Department of Agriculture to get adjustment of the cotton contract. The meeting voted to request the West Texas Chamber of Commerce to send a representative with this committee. It was pointed out at this meeting that data could be furnished from both experiment stations of this section and affidavits from cotton farmers showing that good yields of cotton had been produced in these counties planting as late as July 15th, and that if seasons came before this date, every available acre in the area would be planted to cotton. The committee is to appeal to the Department of Agriculture to permit farmers here to cooperate in the government's plan to reduce acreage. Counties represented in the meeting were: Midland, Lamb, Dawson, Howard, Hookley, Gaines, Martin, Lubbock, Terry, Lynn and Ector. It was pointed out that these counties normally produce about 500,000 bales of cotton.

Entertainment and luncheon were furnished by the Lamesa Chamber of Commerce. The meeting was held at noon at the Williams Hotel with Carl Rountree presiding. Those present were: A. B. Davis, Lubbock, Arthur P. Duggan, Littlefield; B. Reagan, C. T. Watson, Walter Robinson, all of Big Spring; Emmett Foster, W. B. Reynolds, A. C. Gidding, Dewey Davis, A. L. Duff, Sr. and A. L. Duff Jr., J. B. Thompson, all of Seminole; Happy Smith and Joe C. Williams, Tahoka; Paul T. Vickers, John S. Andrews, J. C. Miles, R. M. Barron, all of Midland; M. F. King, A. W. Keisling, J. S. Lamar, Lee Eubanks, R. W. Hamilton, all of Stanton; P. J. Mims of Midland; Jay Barrett and J. E. Shelton, Brownfield; W. B. Beakley and C. M. Elder, Levelland; Taylor White, Odessa; and R. E. Echols, Johnny Robinson, J. E. Barron, Carl Rountree, Cecil Speck, C. A. Baldwin, W. B. Collins, E. R. Yates, W. D. Arnett, T. D. Randle, Louis B. Reed, Owen C. Taylor, J. D. Burleson, S. L. Forrest, Sam E. Smith, C. M. Burton, S. A. Bebnam, Lamesa.

Joe Howell Merrick, six months old son of Mr. and Mrs. Robert Merrick of Lingo, N. M., passed away at a Lubbock sanitarium on last Wednesday evening, June 21. The baby had been ill practically all of its life growing worse a week before its death.

Little Joe H. Merrick Buried Last Thursday

Funeral services were held at the First Methodist church here Thursday afternoon at 4:30 with Rev. E. F. Cole and Rev. J. B. Baker officiating.

Survivors are the baby's parents, two sisters and one brother.

Two Baseball Games To Be Played Sunday

There will be two baseball games at the ball park Sunday. The first game will be between Punkin Center and Lamesa at 2:30 and the second between Shacktown and Klondyke. Admission will be ten cents to everybody.

RODEO AND HORSE RACES PLANNED

A big time and lots of fun is being planned here July 3rd and 4th, according to officials of the Lamesa Polo Club, who are sponsoring the big entertainment. Thousands of people are expected to come here both days to witness the thrill and most exciting program these boys have arranged.

The old time Fourth of July picnic idea is being carried out, with lots of "red soda pop", lemonade, and two days chocked full of horse racing, wild bronc busting, and thrilling and exciting polo games.

Following is a program of the two days:

Monday, July 3rd, parade at 10 A. M.; horse racing beginning at 2 P. M. at race track south of ball park. First race, 1/4 mile 2 year-old (entrance fee \$3, minimum 5 to enter and 3 to start) 2 prizes. Second 1/4 mile shetland pony (free entrance to all boys) \$1 first prize, 50 cents second, and 25 cents, third. Third race, 1/4 mile open (minimum 5 to enter, 3 to start; entrance fee \$3, and 2 prizes. 4th race, 200 yard pony race (horses to be in pony class in opinion of judges) \$1 entrance fee, 3 prizes. Fifth race, 1/2 mile open (minimum 5 to enter, 3 to start) \$3 entrance fee. Sixth race, final and open, 1/4 race if more than one heat in that race.

Tuesday, July 4th, 1:30 P. M. Rodeo Races, first 1/4 mile open, rules same as above and for Monday, July 3rd. Second, 200 yard saddle horse race (\$1 entrance fee, 5 to enter and 3 to start) 3 prizes. Third, 1/2 mile open (rules same as Monday, July 3rd). Fourth, 200 yard pony race (rule same as July 3rd).

Fifth, 1 mile open (\$5 entrance fee, 5 to enter, and 3 to start) 2 prizes. As many heats in all races, both days, will be had as in the opinion of the judges are necessary. Polo game, Lubbock versus Lamesa.

R. D. Kirk will have charge of all horse races. Rules governing horse races can be had by getting in touch with Kirk.

W. Guy Weekes will have charge of all rodeo events. Entrants, prizes and rule information will be had by applying to Weekes.

Everybody will be coming to Lamesa, July 4th. Horse Races, Polo, Rodeo and Trades Day events July 3.

National Cotton Act Brings Relief To Southern Farmers

Cash relief this summer at the rate of \$6 or more per acre for land retired from cotton production and possible additional payments later on options on Government cotton are in store for Texas cotton farmers if the campaign for voluntary acreage reduction underway in every county in the South this week shows Southern farmers ready to plow up as much as 10,000,000 acres. O. B. Martin, director of the Extension Service of Texas A. & M. College of Texas, has been advised by the U. S. Secretary of Agriculture. The goal set for Texas is 4,493,000 acres.

In drafting the Extension Service to administer the Farm Act, Secretary Wallace named Mr. Martin state cotton administrator and directed county agents to take charge of the reduction campaigns in the counties. In furtherance of these orders county agents this week are bringing details of the Government offer to farmers in practically every cotton growing community in Texas. They are being helped in this by vocational agriculture teachers, farm and civic leaders, and home demonstration agents, Mr. Martin says. He points out that Secretary Wallace has stated that a decision on whether the provisions of the act will become operative as to cotton this year will be made within a week or ten days after the reduction campaign ends this week.

The cotton acreage retirement plan offers the farmer two choices of benefits in return for reducing his acreage at least 25 per cent, and not more than 40 per cent. By the first plan he would receive in cash this summer from \$6 per acre to \$12 per acre for every acre retired, the exact amount depending on the yield per acre. In addition he would be given an option at 6 cents per pound on as many bales of Government cotton as the acreage would yield at its ordinary rate. This cotton the Government may sell at sometime during the year and pay the farmer the difference between selling price and the option price.

By the second plan open to the farmer he would be paid a straight cash rental ranging from \$7 per acre to \$20 per acre for every acre retired, exact amount depending on what the land ordinarily yields.

The schedule of payments on the first plan is based on what the land follows: from 100 to 124 pounds of retired would ordinarily produce, as lint per acre, \$6 cash payment per acre; from 125 to 149 pounds, \$7 per acre; from 150 to 174 pounds, \$8 per acre; from 175 to 224 pounds \$10 per acre; from 225 to 274 pounds, \$11 per acre; and land yielding more than 275 pounds lint per acre, \$12 per acre cash payment.

Farmers wanting all cash payment and not desiring to take an option on Government cotton are offered a higher scale of cash rental payments than offered under the first plan. These are based on what the land retired would ordinarily produce, as follows: from 100 to 124 pounds of lint per acre, \$7 in cash per acre; 125 to 149 pounds, \$9 per acre; 150 to 174 pounds, \$11 per acre; 175 to 224 pounds, \$14 per acre; 225 to 275 pounds, \$17 per acre; and yields more than 275 pounds lint per acre the cash payment would be \$20 per acre.

RETIRED LAND USES

Asked what farmers are expected to do with cotton land plowed up and retired from production, H. H. Williamson, vice-director of the Extension Service of Texas A. and M. College, states that this land may be used for any pasture or cover crop to produce feed for livestock or to enrich the soil. "If and when the Farm Act as applied to cotton becomes operative," says Mr. Williamson, "Texas farmers will probably find that late sudan grass crops or cowpeas may be sown to advantage for late summer, grazing or for turning under. Probably many farmers will decide to let the land lie fallow until early fall and then sow such small grains as oats, rye, barley or wheat for fall and winter grazing."

TO SECURE CONTRACTS

Farmers who fail to attend community meetings held this week under county agent auspices for the signing of contracts pledging the retirement of 25 to 40 per cent of the cotton crop from production may secure contracts for signing from the county agents, vocational agriculture teacher, county or community cotton adjustment committee, or from the bank. This statement was made by O. B. Martin, Texas cotton administrator, who expressed belief that enough contracts will be supplied by the United States Department of Agriculture to make them available to all farmers who desire to cooperate with the Government in the movement to reduce acreage. Signed contracts should be turned over to the county agent or local cotton adjustment committee before the week of June 26 ends in order that the reduction figures may be wired to Washington promptly, Mr. Martin advises.

Minimum Salary For Teachers Set

A statement released Sunday by the senate committee on classified and accredited schools rules that all high school teachers in other than classified state aid schools shall be paid a salary of not less than \$90 monthly or \$810 a year. Salaries of elementary grade teachers in such schools were fixed at not less than \$75 monthly, or \$675 annually.

The committee further decided that schools that have taught less than 160 days in 1932-33 shall be dropped from the list of classified schools, and those who have taught less than 170 days, but more than 160 be suspended. If they do not increase their term to the required minimum of 170 days in 1933-34, that they be dropped.

Standard four-year high schools were instructed that in filling vacancies beginning with the session of 1934-35, they employ only teachers who have had "a successful classroom experience or professional training and who are graduates of colleges, universities, or state teachers' colleges, with classroom assignments in their respective fields of preparation, and whose principal and superintendent shall hold at least the baccalaureate degree from a reputable standard college or university, and shall have successfully completed at least 18 semester hours in the field of educational administration."

It was noted that "These additional requirements shall, however, not apply to teachers or administrative employees who have served satisfactorily in the system for a period of five or more years."

"NO BLOWOUTS on My 4th of July Trip! I'm Getting New Goodyears NOW!"

YOU don't need to be told that a thin, risky tire can take all the joy out of driving—but perhaps you have never figured that it costs you money to ride on old tires, with prices on the way up—if you pay more for new tires later on.

So buy now—enjoy your big July 4th week-end—and save yourself some money.

And while you're buying—get the SAFETY of blowout protection in every ply—get the SAFETY of grip in the center of the tread. Only Goodyear can give you the double safety of Supertwist Cord in every ply—and every ply from bead to bead—combined with the safety of the world-famous All-Weather Tread.

You can buy Goodyears—the world's first-choice tires—for not a cent more than tires which give far less value and protection.

Prices Have Started UP!

Don't wait to buy your tires!

You can see for yourself these prices are still low. Don't miss them by trying to squeeze a few more miles out of old worn-out rubber.

Cotton Option Contract Terms Are Made Public

Washington, June 25.—The cotton option contract of which specimens from were made public Saturday provides that Secretary Wallace will grant options to growers in part consideration of their agreements to reduce acreage.

These options will be at 6 cents a pound or \$36 a bale, the basic price being for middling 7-8th inch staple cotton as listed by the New York Cotton exchange.

In no event will producers be liable for any financial loss because of the acceptance of this option, the contract says. The grower pays out no cash for them, his gain being his right to exercise his option so as to provide him with any sum above six cents as his profit.

The terms of the option contract cover seven main points, which are:

1. That the option which is non-transferable and expires May 1, 1934 unless exercised before that date.

2. Any exercise of the option must be for the full amount, preventing growers from exercising part of the option at different times.

3. The basis of the cotton covered by the option is a bale of 500 pounds gross weight, middling in grade, 7-8 inch staple.

4. To facilitate the execution of the contract, the producer specifically authorizes Wallace to convert by any means he desires the cotton covered by the option into cotton futures contracts.

5. "On the form printed below or on a form identical therewith the producer shall give notice to the Secretary that he elects to have his option exercised on a designated date, and such notice, subject to regulations of the Secretary and to the terms of this contract, shall be effective as an exercise of this option when received at the place designated for such notice. Upon receipt of this notice the Secretary, in his discretion, may sell for the account of the producer, either:

(a) Cotton held by the Secretary in an amount covered by this option on any recognized spot market at the earliest practical date, having in view the condition of the spot markets, at any time after the date indicated by the notice.

(b) Future contracts held by the Secretary covering an amount of cotton specified in this option. If futures contracts are sold, the price shall be fixed as of the close of the

New York Cotton Exchange for the nearest generally quoted cover month on the date specified in the notice, unless the notice is received after 4:30 p. m., Eastern Standard Time, on the date specified, or unless such exchange is closed on the date specified, in either of which events the price shall be fixed as of the first opening of the exchange thereafter."

6. If the date designated in the notice is prior to Dec. 1, Wallace may postpone compliance with the notice "until such time as in his judgment a price of not less than 9 1/2 cents per pound can be obtained for cotton covered by all options, the owners of which have given notices to have their options exercised on such date; but in no event shall such compliance be postponed beyond March 1, 1934. Such postponed compliance shall be deemed an exercise of the option.

7. Wallace is to pay the producer "as soon as practicable after the exercise of this option, the difference between six cents per pound and the price as fixed in Paragraph 5 (b) or if the option is exercised pursuant to paragraph 5 (a) then the difference between six cents per pound and the price at which the sale is made.

In making such settlement no deduction shall be made for carrying charges, brokerage fees, or other costs or expense."

This plan is being enthusiastically received by cotton growers of this territory. Every community was represented at a monster mass meeting held at the court house at Tahoka Monday morning, and a number of business men from O'Donnell were also present. Immediately after the meeting, at which it was emphasized that the farmers are to go into this of their own free will and accord, an opportunity was given to sign pledges. It was estimated that approximately three thousand acres were pledged then, and others have signed up during the time since then.

Another meeting was held here on Monday afternoon when still others became interested in the move and community meetings were held in the entire territory Tuesday evening. Incomplete reports received early Wednesday morning just as we go to press are that 13,667 acres were pledged.

Mesdames Will Lamb and W. W. Connell, who will both leave in a few days to make their homes in other towns were honored with an all day picnic and dinner by a group of friends at the home of Mr. and Mrs. Guy Simpson at the Wright ranch on last Friday.

Three cars of their Lamesa friends motored to the ranch early in the morning carrying a delicious dinner consisting of fried chicken, french fried potatoes, deviled eggs, stuffed tomatoes, devils food cake, ice cream and iced tea, which were highly enjoyed at the noon hour.

Gift were presented to the honorees, Mrs. Lamb receiving handkerchiefs and Mrs. Connell lingerie.

MIDLAND GIVEN A SPECIAL DAY AT CHICAGO'S FAIR

Midland, June 24.—July 6 will be "Midland Day" at the Chicago World's Fair! Midland will be the smallest city in the world to be accorded the honor of having a special day designated, according to Roy A. O'Neal of the events division of the fair.

The Century of Progress official wrote the Midland chamber of commerce that ordinarily only cities of 250,000 people or more were honored with special days. Midland has fewer than 5,000 people and the honor was given Midland on request of

the Midland chamber of commerce as a publicity feature.

John Marr Presents Play At Annual Methodist Tea

Members of the Missionary Society of the First Methodist church held their annual tea for the ladies of the church on Monday afternoon of this week in the basement of the church. The affair was under the leadership of Mesdames Arthur Hull and Sam Smith.

Decorations of the patriotic colors were used in all appointments climaxing on the refreshment table.

In the receiving line officers of the society greeted the guests as they entered, from where they were ushered into the entertainment rooms where musical numbers were heard.

Misses Margaret Flaniken and Laura Kirk gave violin solos accompanied at the piano by Mrs. J. R. Flaniken; Mrs. Carl Rountree sang two solos accompanied by Mrs. W. L. Marr at the piano. The main feature of the program was a play "Unchanged Within" written by John Marr, when a student at Texas Tech, the play portraying the life of an Indian boy who had been educated in American Colleges. The actors were John and Loyd Marr, Laurel Mitchell and Miss Elizabeth Arnett.

Miss Ethlyn Marr rendered piano solos during the serving of punch and angel food cake to about 80 guests.

Ralph Stuart made a business trip to Lobbeck Sunday.

Mr. and Mrs. Bass Honored With Picnic

Honoring Mr. and Mrs. Frank Bass who will soon leave for South Texas, a group of their friends were hosts to a picnic on last Wednesday night at the bridge on the Gail highway.

A delicious picnic lunch was served to Messrs and Mesdames Bass, Jesse Carroll, Jimmy Cotton, C. A. Hollingsworth, Bill Tatum, Wright Boyd W. J. Beckham, Harold Shelton of Wichita Falls, and Misses Mary Boyd of Hamlin, Thelma Riddle and Jewel Towns.

Farewell Party Friday Evening

On last Friday evening a group of friends and relatives gave a farewell party at the home of Mr. and Mrs. H. K. Kendall, for Mr. and Mrs. Harry Chenier and family of Fort Beard, New Mexico, and Jack Por-

tenberry of Dora, New Mexico. Barbecued kid, baked guinea, pickles, iced tea, coffee and cake were served to 47 guests. After the dinner games and music were enjoyed.

Bride-Elect Honored With Shower

Miss Arlene Conklin, bride-elect of Manuél Medley of Santa Rosa, New Mexico was honored with a lingerie shower on Monday evening, with Misses Edith and Faye Dean as hostesses at their home.

The honoree received many beautiful gifts. Guests present were Misses Winnie Ruth Tipton, Lucille Howell, Lorraine McCormick, Cleo McMahan, Geneva Bowen, Ina Hooton, Mmes. Curtis Hodge, Leon Roberts, and J. B. Tarlton, Jr. These sending presents were Misses Madge Westmoreland, Thelma Riddle, Jesse Battie Minnie Goss, Myrtle Small, Mrs. J. B. Tarlton, Sr., and Mrs. McMullin.

Mrs. Will Lamb Honored With Party

Complimenting her mother, Mrs. Will Lamb, who has this week moved to Wharton to make her home, Mrs. Gilbert Watson entertained with three tables of bridge on last Wednesday afternoon, at her home. Mrs. Frank Rose won high score in the bridge games receiving a gift. Gifts were also presented Mrs. Lamb and Mrs. John Stout of McKinney.

Mrs. Bass Honored With Handkerchief Shower Tuesday

Mrs. Dyrel Kirk and Mrs. Jesse Carroll were joint hostesses to members of the Tuesday Contract Bridge Club on Tuesday afternoon at the Kirk home, at which time a handkerchief shower was given Mrs. Frank Bass, who is leaving this week for South Texas.

Bridge games were first enjoyed with Mrs. Wright Boyd winning high score prize of a pair of hose. Mrs. Bass was presented with many beautiful handkerchiefs from the club members.

A salad course was served to Mesdames Boyd, Bob Bird, Cecil Bryant, Jimmy Cotten, J. D. Burleson, L. B. Rice, Bill Tatum, Jim Little, T. C. Horne, Bass and Miss Mary Boyd of Hamlin.

Miss Nelva Powers has returned from a visit with her sister in Hobbs New Mexico.

"As You Like It Club" Meets

Mrs. W. P. Averiett was hostess to the "As You Like It Club" Wednesday afternoon June 21. The spacious living room was beautifully decorated in bowls of nasturtiums, the coloring of which blended well with the coloring in the draperies. The color scheme was carried out in the score cards also.

Mrs. McCauley very ably gave a book review on "The Pageant" by Lancaster which was greatly enjoyed.

Three tables of forty-two were played until five-thirty. Flowers were used as score markers, those having the most flowers won high. No other prizes were given. Everybody had a lovely bouquet to take home. The color scheme was again seen in the serving. Yellow luncheon sets were used and orange colored punch was served with angel food cake. Flowers were used as plate favors.

At the business session, Mrs. C. E. Cameron, Mrs. V. Z. Rogers and Mrs. Sam Smith were elected to membership. The club voted to meet every two weeks. Mrs. Stephens will give the book review at the next meeting which will be with Mrs. A. B. Hefner on Wednesday afternoon, June 28, at 3 o'clock.

Stanley Wilkes Entertains With Dance

On last Tuesday evening Stanley Wilkes entertained a few of his friends with an informal dance at the home of Mr. and Mrs. Fayne Wilkes. The guest list included Misses Jim Ellen Wells, Roberta Lee Hanson, Jack Hart, Vanabel Clark, Edith Mae Collins and Messrs. R. E. Echols, George Gable, Ollie Bruton Jr., Dick Collins and Red Gresham.
