College Bulldogs Open Season With Sayre JC Here Saturday Night, 8:00

The Clarendon Junior College Bulldogs will blast the lid off their 1962-63 basketball season here Saturday night against the Sayre, Oklahoma, Junior College team. Game time is slated for eight o'clock.

The Bulldogs, under Coach Don Dorman, have been working hard for the past several weeks in preparation for their season's opener. The Bulldogs will lack experience as most of their squad is composed of freshman boys. Only four lettermen return from last year's team which had probably the worst season in CJC's history as they won only four games compared with 22 defeats. Returning from last year's squad are Max Courtney from Wellington, Alvin Scott from Quanah, Joe Lennon from Dodson and Bill Bentley from Samnorwood. None of these boys were regular performers last year, although Courtney and Scott were first line reserves. Neither Bentley nor Lennon saw much service last year.

Coach Dorman indicated that his starting line-up would probably be composed of the four sophomores and freshman Jimmy Boyd from Vernon. Other boys who will see a lot of action, all freshmen, are; James Starkey, Quitaque; James Allen, Clarendon; Randall Murry, Samnorwood; Sammy Johnston and Dullis Monk, Quitaque; Hubert Bronniman, Adrian, and Garland Lancaster, Mobeetie. LaRoy Garratt, the giant 6-4, 240 pounder from Channing, will probably not be in uniform due to an injured leg. Also, Noel King, a promising 6-3 workhorse from Quanah, will not play until the question of his eligibility is cleared through the National Junior College Athletic Associatios.

Gilkey Selected As Jaycee Of The Month

The executive board of the Clarendon Jaycees has selected for the Jaycee of the Month, Dr. Richard Gilkey, for his outstanding job on the Polio Immunization Project. Rip, as he is known by most, was chairman of this project and the Jaycees were successful in immunizing 2,400 residents of this county which is a much greater percentage than any other county in the area as far as we know.

This is the second time Rip has made Jaycee of the Month in this Jaycee year. He is very devoted to community growth and development and has been serving as chairman of our community betterment projects this year.

Postal Department Designates Size Of Envelopes For Mailing

Postal patrons are being reminded again of the new postal regulations regarding the size of envelopes or cards which can be mailed after the first of the year so no one will be caught with undersize and unusable mailing material.

Any envelope or card smaller than 3 x 4½ inches will not be handled in the mails after January 1st.

MARTIN BAPTIST CHURCH SCHEDULES SPECIAL SERVICES FOR WEEK END

The Martin Baptist young people would like to invite everyone out Saturday evening at 7:00 p.m. A group of young men and women will be present from Wayland Baptist College. These young men and women will sing, preach, and give their personal testimonies. A fellowship will be held afterwards. Brother Waymond Culp, pastor of Martin Baptist Church, would like to see a large group of young people attend.

The young people coming from Wayland will have charge of both services on Sunday. These young people are volunteers for mission service. They represent the Volunteer Mission Band of Wayland Baptist College. —Rep.

LIONS CANDY SALE IS SUCCESSFUL PROJECT

Beef Cattle Ass'n. 4th Annual Bull Sale Features 76 Top Bulls

The 1962 catalog for the Rolling Plains Registered Beef Cattle Association's fourth annual bull sale has gone to press and Flip Breedlove, County Agent and secretary of the association, says it will be ready for distribution around the 24th of November. The sale will be held in Clarendon at the fair grounds on the 6th of December starting at 12:30 noon. There will be 52 Hereford bulls, 13 Galloway bulls and 11 Angus bulls. This makes a total of 76 bulls in the sale. Walter Britten of College Station, Texas, will sell the bulls.

All bulls will be in the sale barn by noon on the 5th of December and will be classified for sale order at two in the afternoon. The new sales arena is well heated and will be comfortable for all buyers regardless of the weather.

The association is featuring good beef producing bulls and good herd bull prospects. W. H. Cooke, III, president of the association says that the bulls this year will give rancher a good selection for their beef cattle improvement program.

The association will have a 30 minute TV program over Cotton John's program on Channel 4 the 1st of December at 3:30 p.m. advertising the bull sale. Consignors will be on the program to tell the television audience about the kind of bulls they can expect at the coming sale on the 6th of December.

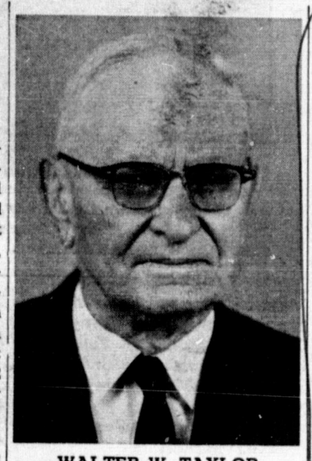

Anyone wishing reservations ahead of the coming sale can contact Breedlove and he will make reservations for you. Remember the sale date and be here on time as it will start promptly at 12:30 noon. This promises to be one of our best sales and is our fourth annual sale and some of the top breeders in the nation are consigning bulls to the sale.

SOPHOMORE CLASS BAKE SALE SATURDAY

City Issues Notice To Water Users

Residents of the East Side of Clarendon are scheduled to be without water Friday afternoon, November 16, in order that a fire hydrant at Carhart and Montgomery streets may be repaired.

The cut-off, which will only effect the east portion of Clarendon, will be made at 1:30 p.m. and it is planned to have the water back on within two hours or less if there are no unforeseen difficulties.

Mark the above time on your calendar or note pad and draw up whatever amount of water you expect to need during this time and no one will be inconvenienced.

Union Thanksgiving Service Nov. 22nd

The Annual Union Thanksgiving Service, sponsored by the Ministerial Alliance, will be held this year at 8:30 a.m. Thursday, Nov. 22nd, at the First Baptist Church.

Rev. Baldwin Stribling will bring the message and Rev. Paul Hancock will be in charge of the singing. All who sing are invited to come and join others in the choir for this service. Other Ministers will be particpiating in various ways throughout the service.

Everyone is invited to attend and give thanks unto God for the many blessings that have been ours this year.

ATTEND SON'S WEDDING

Mr. and Mrs. W. E. Clifford, accompanied by Mrs. Jack Clifford and son, John, attended the wedding of their son, Fred Clifford, and Miss Connie Ruth Thurk at Woodsbury, Texas, last Saturday night. Prior to the wedding date, they visited Mrs. E. W. Means at Rockport, Texas.

Services Held Tues. For Pioneer Banker

Funeral services were held Tuesday afternoon at the First Methodist Church for Walter W. Taylor, pioneer Clarendon Banker with Rev. J. V. Patterson, patsor officiating, assisted by Rev. W. R. Lawrence, pastor of the First Baptist Church.

Mr. Taylor, 80, died in Adair Hospital here Sunday afternoon as a result of a heart attack November 2. He was born Sept. 8, 1882, in Palo Pinto County and moved to Clarendon when he was six months old. He married Miss Minnie Ray Beverly here on June 14, 1905.

Mr. Taylor was associated with his father, the late H. W. Taylor, in the Hardware business here several years prior to joining the staff of the First National Bank. In 1956 he became a vice president of the Farmers State Bank and retired from that association in October 1961.

He was a member of the Clarendon school board for 20 years; former member of the original Adair Hospital board; secretary-treasurer of the Citizens Cemetery board; secretary-treasurer of the Adair Hospital Memorial Fund. He also served on the Board of Stewards of the Methodist Church and was secretary of the Men's Sunday School Class.

Mr. Taylor enjoyed a wide acquaintance of friends over this entire area and was known for his friendliness and personal interest in those whom he came in contact.

Survivors include his wife; four daughters, Mrs. R. E. Blackwell of McLean, Mrs. Stephen Matthews of Austin, Mrs. Tom Murphy of Amarillo, Mrs. Bert Boomer of Hereford; two sisters, Mrs. William Patman and Mrs. Phillips Engel, both of Clarendon; eight grandchildren and three great-grandchildren.

Pallbearers were Stephen Matthews, R. E. Blackwell, Tom Murphy, Bert Boomer, Lynn T. Boomer and Tommy T. Murphy.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Local Merchants To Observe Thanksgiving

Local merchants will observe Thanksgiving next Thursday as one of the regular closing dates of the year. The fourth Thursday observance ties in with the days which will be observed by the local schools.

Everyone should keep this closing date in mind and purchase your needs prior to Thursday and no one will be inconvenienced.

COMBAT TESTING—Elements of the U. S. 5th Infantry Division (Mechanized) on the move during "Exercise We Will" at Fort Carson, Colo., and surrounding area. The two-week maneuver, held in October, tested the ROAD concept of greater mobility and firepower as well as climaxed seven months of intensive training toward combat-readiness. The 5th, activated Feb. 19, 1962, was the first infantry division organized under the ROAD concept. This new organization provides a mobile base to which various combined arms forces can be assigned in line with tactical and geographical needs. The division may be tailored to suit the combat need of the moment.

Bronchos End Football Season At Memphis Friday Night

The 1962 football season, so far as the Clarendon Bronchos and the Memphis Cyclones are concerned, will end at Memphis Friday night when the two teams clash head-on in one of the oldest rivalries in the Panhandle.

The two teams will be fighting for second place in the District 2-A standings. Clarendon has a 3-1 record in the district race and the Clyclones are even at 2-2. A tie would give the Bronchos undisputed second place and a win for Memphis would deadlock the two teams for second place. All this, of course, provided Lefors goes according to the chart and defeats McLean. In the event McLean should defeat Lefors, the Bronchos could tie for top spot in the district by beating Memphis. Lefors, however, is a prohibitive favorite to whip the weak Tigers of McLean.

The Bronchos have been the surprise team of the district so far. In the beginning of the season, they were picked to finish last, and after the first few games, it seemed that they were going to make experts out of the forecasters. But they caught fire in their first conference game with McLean and have defeated McLean, Canadian and Wellington while losing only to the district powerhouse, Lefors.

The game between Clarendon and Memphis is annually rated as a toss-up. It is one of those games in which it seems to make little difference what the teams have done during the season. When they meet each other, all past records are thrown out the window and they play the game on the field, not on paper.

According to the season's record, the teams seem pretty evenly matched. The Bronchos have a season's record of four wins and five defeats while the Cyclones have three wins against six defeats. The Bronchos have defeated Claude, McLean, Canadian and Wellington while losing to Gruver, Panhandle, Shamrock, Groom and Lefors. The Cyclones have defeated Estelline, McLean and Canadian while losing to Tulia, Crowell, Springlake, Shamrock, Wellington and Lefors.

Coach James, who was well pleased with the effort of the boys last Friday night, will probably go along with his same starters which includes Danny Ray or Lester Welch and Dee Hudgins at ends; Larry Gray or Ronnie McAnear and David McBrayer at tackles; Billy Hearn and Charlie Slavin at guards; Steve Richerson at center; Dwight McAnear at quarterback; Teddy Graham at fullback; Robin Green at wingback and Johnny Grady at tailback. Jerry Elmore, the regular tailback, is still favoring his injured knee and will probably see no action on offense, however he played some on defense last week and will be used some as defensive linebacker this week.

Jaycees S-O-S This Sunday – Sabin Type II

The Sabin Oral Polio Vaccine, Type II, will be given at the Donley County Courthouse this Sunday, November 18th, between the hours of two and five in the afternoon. Registration will not be necessary for those persons who previously registered for Type I.

Again the Jaycees will have courtesy cars available by calling the sheriff's office, phone 2233. All persons are urged to participate in this program, even if they have missed Type I.

Under the sponsorship of the Clarendon Jaycees, Donley County had the most effective vaccination with Sabin Type I of any area of the Texas Panhandle. Over 90% of the Citizens of Clarendon and more than 95% of the school children were vaccinated with Type I.

Be sure to take Type II this Sunday. There will be no waiting in line if you registered for Type I. Type II is safe for all ages above three months. A donation of twenty-five cents is requested to cover the cost of the drug, however, no one will be refused, because of inability to pay.

The Clarendon Jaycees will offer the Sabin Type III January 6th, to those up to eighteen years of age, and to any adult who desires it.

Annual Turkey Shoot At Country Club Sun.

It has been announced that the annual Country Club Turkey Shoot will be held Sunday afternoon, November 18, at the Club trap range. Prizes will include turkeys, hams, bacon, etc. The public is invited.

Shells will be available at the club for those who want them.

TURKEYS TO BE GIVEN AWAY AT GAME SATURDAY

The "Dogetts" will give away three turkeys at the ball game Saturday night between Clarendon College and Sayre, Oklahoma, Junior College. Anyone may purchase a chance at one of these turkeys for 25c either from any member of the "Dogett" organization or at the game Saturday night. They will be given away at the half.

Also, the "Dogetts" will present their cheer leaders at the pep rally in the College Auditorium on Friday morning at nine o'clock. The cheer leaders this year are Nona Ruth Beck and Kay Green of McLean; Jo Dishman of Lelia Lake and Barbara Denley of Wellington.

The "Dogetts" will sponsor a Thanksgiving dance in the college gymnasium following the game Saturday night. The dance band, "Fayros" from Silverton will play.

BAND PARENTS TO MEET TUESDAY EVENING

The Band Parents organization will meet Tuesday evening at 7:30 in the Homemaking Department of Clarendon High School for a covered dish supper. Mrs. Dick Vallance, president, urges all parents of high school band students to attend and bring a covered dish.

There will be no December meeting.

YOUTH RALLY AT BRICE SATURDAY, NOV. 17

There will be a Youth Rally at the Brice Baptist Church Saturday, November 17, at 7 p.m.

All teenagers as well as adults are cordially invited to attend.

College Music Club Sponsors Talent Show

The Clarendon Junior College Music Club is sponsoring a talent show at the College Auditorium on Thursday, November 15, at 7:30 p.m.

Talent acts from surrounding towns have been invited to participate along with a number of acts from Clarendon.

The purpose of the show is to raise funds to purchase choir robes for the college choir.

Tickets may be purchased from members of the choir or at the door Thursday night (Tonight).

Admission prices are 35c for students under 12 years of age; 50c for students 12 years of age or older, and $1.00 for adults.

AUSTIN, Texas — A statewide drive is underway to raise $950,000 for a "Cerama Star" shrine at Washington-on-the-Brazos, where the Republic of Texas was born.

Campaign was announced by Gov. Price Daniel after meeting with Mrs. Mary Moody Northen of Galveston, Robert L. Thornton of Dallas and Gus S. Wortham of Houston, who co-chairman the project.

"Cerama Star," as visualized by designer Clyde E. Gray of Woodville, will be a star-shaped concrete building covering five acres of ground at the historical site near Brenham.

It will contain more than 6,000 square feet of ceramics, tracing Texas history.

Shrine is to perpetuate the memory of the 59 courageous early Texans who met at Old Washington on March 2, 1836 and declared their independence from a tyrannical Mexican government. They set in motion a course of events which saw, within 50 days, the fall of the Alamo, the massacre at Goliad, and the decisive victory at San Jacinto which secured the freedom of Texas.

Back in 1956 the Texas Press Association joined with the Texas Independence Day Organization to encourage construction of such a memorial.

Building is to be shaped like the Lone Star, with a tower rising from the center, topped by a powerful searchlight known as the "Light of Texas Freedom."

An elevator will take passengers to the top.

TOURS FOR THE TAKING --Scouts for the Texas Highway Department's Travel Division always on the look-out for interesting things for tourists to see, have uncovered 324 tours that Texas industries offer in 70 cities.

Information came from queries as to what plants would spread the welcome mat for visitors.

Replies were compiled into an easy-to-read booklet entitled, "Visitor Tours of Texas Industry."

Copies can be obtained through the Travel Division's Austin office, or at any of the eight State Tourist Bureaus.

SUBTERRANEAN CENTER -- Texas Department of Public Safety plans to go underground to handle disaster relief operations.

Col. Homer Garrison Jr. reports that ground has been broken for a $630,000 underground state emergency operating center.

Garrison said the present disaster communications center, located in the basement of the department's headquarters, lacked facilities to handle major disasters such as Hurricane Carla -- at peak efficiency. The new 12,000-foot center will facilitate uninterrupted operation for 30 days.

Designed to withstand the effects of air blast, thermal radiation, risidual radiation (including fallout) and chemical and biological agents of warfare, the safety center will be manned around the clock from the time it's completed. It will accomodate about 120 persons, and be equipped with an independent water supply, fuel supply and auxiliary utility power .

PARK PLANS FALL THROUGH — Those water-color illustrations of a $1,500,000 lodge on Lake Texoma in Eisenhower State Park are more of a dream than a reality.

Plans for the project fell through when John Prather of Dallas, a member of the Eisenhower Development Corporation, financing the lodge, told State Parks Board executive director Bill Collins that the finance company, holding a $350,000 note against the marina, had filed for repossession.

Lamplighters Inns, Inc., of St. Louis, Mo., which had agreed to operate the lodge, withdrew when it became apparent that the proposed $500,000 marina won't be completed in time for the tourist season.

Prather said his group still is interested if it can find a backer, but the Parks Board figures it is under obligation to no one at this point.

A giant sigh of relief was expressed when board members were assured the state was not financially involved in the building plan.

Several attempts to finance a lodge on the Texas side of the 20-year-old lake have failed. Oklahoma's Lake Texoma Lodge across the lake was built about 1953.

IN THE BLACK -- Land Commissioner Jerry Sadler reports that his department is in such good financial condition that it won't need to ask the Legislature for an appropriation for the Veterans' Land Proogram, out of General Revenue, for the next two bienniums.

While $15,847,000 is due to be paid out during the next two years, for bonded indebtedness, the program has more than $17,000,000 set aside to meet the obligations.

Sadler said that $16,500,000 in installment payments from veteran purchasers, and $3,000,000 in interest from federal securities, will be collected in the coming biennium.

AUTO TAX BACKED -- Assessing automobiles for city and school taxes, without assessing "all other personal property on an equal and uniform basis," has been upheld by the Austin Court of Civil Appeals.

Court reversed a judgment of the Hays County District Court which had denied the City of San Marcos and San Marcos Independent School District judgment against F. W. Zimmerman for delinquent taxes on three motor vehicles.

Suit was for back taxes for 1956 through 1959.

SECURITY BIDS -- State Securities Commissioner William M. King reports five applications for permits to sell $4,562,890 in securities in Texas.

Applicants include four Texas companies: FNIC Investors, Inc., Houston, $618,840; Medallion Stores, Inc., Dallas, $814,050; Texstar Securities, Inc., San Antonio, $30,000; and Texas Fund, Inc., Houston, $3,000,000.

SYSTEM CHALLENGED--The "place" system of electing two Texas' larger counties has been challenged in Austin's 53rd District Court.

Houston attorney Robert W. Hainsworth seeks a declaratory judgment that the present method of apportionment of representatives in the larger counties is unconstitutional.

His petition attacks the 1961 reapportionment act of the 57th Legislature.

Act assigns representatives by the place system to 17 counties now allocated more than one representative: Jefferson, Galveston, Harris, Nueces, Hidalgo, Cameron, McLennan, Bell, Dallas Travis, Tarrant, Bexar, El Paso, Wichita, Taylor, Lubbock and Potter.

DRAFT STATUS — In times of crisis, men worry about their draft status.

President Kennedy's arms quarantine on Cuba has brought a flood of calls to State Selective Service headquarters, in Austin, from men concerned about their "obligation."

If you were born before August 30, 1922, you don't have any, says SSS headquarters.

If you were born after August 30, 1922, you legally are required to be registered, unless you are not yet 18 years old.

Any man past 35 is no longer liable for military service. But he still is obligated to inform his local draft board of any change of address.

BASKETBALL PROBE CONTINUES — House Speaker James Turman and members of the House general investigating committee have been issued subpoenas to appear in Austin before the Travis County grand jury.

Their appearance is desired in connection with a hearing on Contempt - of - the - Legislature charges.

Three witnesses balked at answering the committee's questions during the probe of possible fixing in Southwest Conference basketball games.

Citations charging Milton (Duck) Mallard of Bryan, Enoch (Sig) Dickson of Dallas and M. C. (Sonny) Pearson of Austin were received from Turman by District Attorney Tom Blackwell of Austin.

SUCCEEDS FATHER — Doyle Taylor of Tuscola has been appointed by Governor Daniel to membership on the State Finance Commission. He will fill the unexpired term of his father, the late Walter Taylor of Coleman.

Term expires in February of 1965.

WORLD'S FAIR COMMITTEE — Governor Daniel has picked a 25 member advisory committee to consider a Texas exhibit for the 1964 World's Fair in New York City. He has asked the committee to prepare a recommendation by January, for Legislative approval.

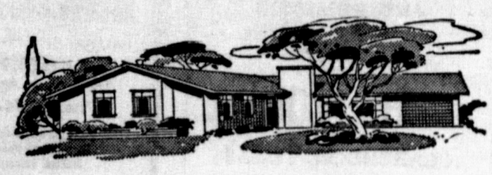

MORE POLIO — Harris and Hidalgo counties each have reported a new case of paralytic polio. This brings the 1962 total to 234 cases. Of these, 178 are paralytic, 56 non-paralytic.

At this time last year the total was 70 cases.

'63 Chevrolet Trucks
THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja Run will work for you long, faithfully and at traditionally low Chevrolet cost.*

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

ALDERSON CHEVROLET
CLARENDON, TEXAS

Recently we read a letter from one of our boys who is stationed in the Orient. After the strangeness and glamour of the country had worn away and he began to add up the waste and hopelessness of the situation it was a bit discouraging to say the least.

It seemed that 90% of the people lived in filth and poverty beyond almost any help. The millions of our dollars that were being poured into this small area in order to rebuild and help them from turning to our enemies seemed to be going into the coffers of the other 10%. This small minority appeared to be floundering in wealth accumulated at the expense of the masses for hundreds of years. They were not helping relieve the local situation but were even soaking up additional benefits from our millions.

When our boys see the poverty, suffering and disease on the one hand going unhelped, and the presidential palaces and the like being rebuilt it becomes a bit hard to understand. When those in authority do not have the willingness to help their country but turn to the U. S. for friend buying aid it is confusing to say the least. Time after time we hear of the ruling classes blocking any help from going to those who might need it, even in the case of our sending food to the hungry. . .

For these boys in service to see the poverty on the one hand and the extravagance of the 10% as they grow richer on the money we send over there, it is easy to see that they would become disgusted with the hopelessness of the situation. They see the local soldier carrying up to date guns of American make and sent to them with our aid. At the same time our boys are carrying out-dated ones.

It just doesn't add up to an understandable puzzle . . . .

We shouldn't be surprised if our young folks become discouraged and confused as they view the world situation. To we that can remember when the individuals credit was measured in hundreds instead of thousands, and when our country owed millions rather than billions, the situation is still confusing.

Take for instance the last few months in Cuba. Let us begin after our mistake in backing Castro for power and look in as the Communists saw it ready for the taking. Mr. Khrushchev knew about our Monroe Doctrine, but no doubt cared less.

TO THE PEOPLE OF THE 18th DISTRICT

By Congressman Walter Rogers

WATER RIGHTS II

The conflicts between Federal and State sovereignty over water rights in the Western States have in recent years grown more frequent and more serious. A few weeks ago I commenced a discussion in the newsletter of the nature and background of these troubles. This week I would like to mention briefly some of the legislative and judicial actions which have led up to and created the problems.

In the 19th century several Federal statutes in connection with the disposition of portions of public lands made it appear that the United States had permanently transferred control over water rights to the States. Particularly, the Congress provided in the Act of July 26, 1866 for upholding existing water rights and that all patents to the public lands were to be subject to vested water rights; also, the Desert Land Act of 1877 provided that water rights were to depend on prior application and that surplus waters of the public lands were to be free for appropriation and use by the public, subject to existing rights. Additionally, in legislation admitting certain States to the Union, Congress accepted the State constitutions, which included provisions recognizing and confirming existing water rights — declaring State ownership or control of waters arising or flowing within the States concerned. The Federal Reclamation Act includes express provisions implying a recognition of State sovereignty over the use of water for irrigation in the Western States.

Again, in the Federal Power Act of 1920, Congress stated that the Act was not to be construed as affecting or intending to affect or in any way interfere with the laws of the respective States relating to the contril, appropriation, use, or distribution of water used in irrigation or for municipal or other uses. Thus the use of water in the West developed and there seemed to be a good basis for believing that water rights acquired under State laws were secure.

However, none of the legislative acts just mentioned in any way changed Federal responsibilities in the field of commerce, and made no reference to their effect on Federal responsibilities in the fields of national defense, general welfare, or on the treaty-making clauses of the Constitution. In fact, Congress has on several occasions reaffirmed by statute the Federal sovereignty with respect to navigation.

Cases such as U. S. v. Rio Grande Dam and Irrigation Co. in 1890 and Winters v. U. S. in 1908 made it clear that the sovereignty of the United States over waters needed under the commerce and treaty - making clauses had not been broadly reliquished by any statutory enactments. In 1940 the New River case broadened the definition of navigable waters in the Federal Power Act by stating that the tributaries of navigable streams also come under the Commerce power. The congressional declaration of policy on flood control further expanded Federal activity in the field of water resources.

The potential conflicts having become apparent, Congress declared in the 1944 Flood Control Act its policy to recognize the interests and rights of the States in determining the development of the watersheds within their borders and provided that the use of works authorized for navigation shall be only such use as does not conflict with any beneficial consumptive use of water in the Western States. These provisions have been reiterated since, but the constitution issue has not been finally settled in connection with these projects because it is a fact that one Congress cannot bind future Congresses; thus, the waiver of navigation rights could be repealed at some future date.

Two other decisions have increased concern among western water users. First Iowa Electric Cooperative v. Federal Power Commission made it clear that State laws governing the use or control of water of navigable streams were not applicable when they trespassed in a field also covered by Federal law. The Pelton case in 1955 affirmed the supremacy of Federal jurisdiction over unappropriated, nonnavigable waters arising from or flowing over reserved lands. Soon, pleadings in various pending suits in the West asserted paramount rights to water under the so-called "reservation doctrine" and led many westerners to fear that the U. S. proposed to take away, without compensation, existing water rights acquired under State law. Questions remain as to which water rights have been acquired under State law in such manner th there is no future question as the existence of a valid prope ty right.

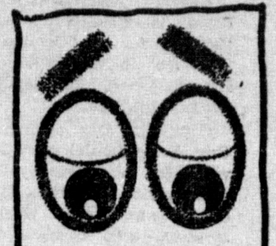

Even before the Pelton ca attempts were made to have th through enactment of legislatio assuring the supremacy of Stat water laws. As Chairman of th Subcommittee on Irrigation an Reclamation, I was very closel involved in hearings on the sev eral proposals advanced as solu tions to the problem. In the fu ture newsletter, I will report on these in more detail.

F.H.A. GIRL OF THE WEEK

Melissa Ann Patterson has been named girl of the week in the FHA organization of Clarendon High School. She is the daughter of Rev. J. V. Patterson and Mrs. Patterson.

Melissa Ann is a Junior carrying seven subjects. She is secretary of the band, a member of the National Honor Society, the annual staff, "B" basketball team, as well as first vice-president of the Future Homemakers of America. Her first responsibility was to work with a committee to plan 18 programs for the Chapter yearbook. Her committee also designed a new cover for the yearbook, cut their stencils and completed the yearbooks in time for distribution at the Monday night meeting. This responsibility involves working with different personalities, meeting deadlines, and planning interesting programs. We feel this experience will be most useful to her in any organization.

DELTA KAPPA GAMMA WORKSHOP HELD IN WELLINGTON

Gamma Kappa Chapter of Delta Kappa Gamma met at 10 a.m. Saturday, November 10, in the Community Building, Wellington, Texas, for a committee workshop and luncheon.

Reports were heard from all committees. The committee on Research was headed by Hazel Brandon of Clarendon. Included in her report was a recommendation that outstanding research done by Delta Kappa Gamma members and others of the profession be made available to chapter members for study.

Miss Inez Blankenship, program chairman, introduced the "Know Your Delta Kappa Gamma Personalities" program. Each international officer had written a personal letter to the chapter and had sent a photograph. Among those presenting the letters were Velma Weaver and Edgar Mae Mongole. Mrs. Velma Weaver led in singing Delta Kappa Gamma songs.

It was announced that Gamma Kappa Chapter will award a fifty dollar grant-in-aid again this year to a senior girl who is planning a teaching career. The student will be selected by members of the chapter. It was also noted that associate membership is open in all counties.

Attending from Donley County were Mesdames Hazel Brandon, Marguerite Goodner, Lucile Naylor, Velma Weaver, and Misses Inez Blankenship, Edgar Mae Mongole, and Ruth Richerson.

MARY MARTHA CLASS MEETS IN RAMPY HOME

The Mary Martha Class of the First Baptist Church met Tuesday in the home of Mrs. M. C. Rampy.

The meeting was opened with prayer by Mrs. J. D. Wood. Mrs. James B. Smith, president, had charge of a short business session at which time the secretary, Mrs. A. H. Moore, gave reports of the previous month. The benevolence chairman, Mrs. Carl Naylor, gave her report. Also, the group leaders, Mrs. D. M. Cook, Mrs. W. C. Ragan and Mrs. G. E. Benson read their report. Each report was good for October. The afternoon's devotional was brought by Mrs. W. C. Ragan by reading several verses of scripture on "Love" from Psalms. Mrs. Cook read 116 Psalms, David's thinking and thanking the Lord. Mrs. Van Knox led in special prayer. The group sang "In Loving Kindness Jesus Came," and the class song, "Wherever He Leads I'll Go." Mrs. Leathers dismissed in prayer.

A lovely refreshment plate was served to the following members and guests: Mmes. J. D. Wood, Doss Palmer, D. E. Leathers, Carl Naylor, D. M. Cook, W. C. Ragan, J. B. Smith, G. E. Benson, A. H. Moore, Pat Myers, Van Knox and the hostess, Mrs. M. C. Rampy.

The next meeting is planned for Dec. 11th with an exchange of Christmas gifts in the home of Mrs. D. E. Leathers. —Rep.

C.H.S. BAND NEWS

In honor of Veterans' Day, Nov. 11, the Clarendon High School Band combined with the Junior High Band to do honor to the millions of lives that were sacrificed for our freedom.

Friday night at our last home game of the season the two bands formed a series of dates: 1776 — the 13 Colonies declared their independence. 1865 — the end of the Civil War, 1898 — Spanish American War, 1918 — World War I, 1945 — World War II, 1953 — Korean War, 196? — Who Knows, a cross, then then U.S.

Last Frdiay night was very successful. —Rep.

COLTS HONORED AT BANQUET THURS. NIGHT

The Junior High Colts were honored at a football banquet at 7:30 Thursday evening, November 8, in the school cafeteria. The tables were decorated most attractively with autumn leaves, large cardboard footballs, balloons, and helmets holding seasonal flowers. Favors and place cards were small helmets and footballs. Centering the head table was an arrangemtnt depicting a football field.

The invocation was given by Rev. Billy Hill. The meal, consisting of fried chicken, potatoes, peas, and salad, followed by strawberry shortcake, was served by Colt Mothers and was enjoyed by the boys, their dads, school officials, coaches, and invited guests.

Tim Caldwell, master of ceremonies, introduced Barry Tyler and his father, Dub Tyler, who gave, respectively, the Welcome and Response. Three boys on the high school football team, Steve Shelton, Dwight McAnear, and Teddy Graham, accompanied by Mary Louise Caldwell, presented two humorous skits which were enjoyed very much by everyone.

Closing remarks were made by Principals Cain and Ledger and Coaches Hall and James. Gifts were then presented by Pete Campbell on behalf of the Colt team to Coaches Hall and Carter in appreciation of their work.

ATTEND ORGANIST GUILD MEETING IN AMARILLO

Mrs. Bill Williams and Miss Connie Williams, members of the Choirmasters and Organists Guild, and Marie Blackburn attended a meeting of the Guild

The meeting was held in the sanctuary of the First Presbyterian Church. The church has just completed an enlargement program and the group considered it a priviledge to hear the organ. The organ has been placed in the rear balcony as has the choir and this trend marks an innovation in our area.

Mrs. M. C. Goodner of Amarillo was a week end guest in the home of Misses Edgar Mae and Mable Mongole.

DISTRICT 4-H CLUB BANQUET AT AMARILLO

The District 4-H Club Banquet will be held in Amarillo on the 17th of November at the YWCA for gold star members from each Panhandle county. Each county is allowed one girl and boy for 4-H Club members. This is an annual affair and any boy or girl who has previously won the award is not eligible the second time.

The boy and girl for Donley County is Susan McAnear of Clarendon, daughter of Mr. and Mrs. T. W. McAnear, and Richard Thornberry, Clarendon, son of Mr. and Mrs. Bill G. Thornberry. Both gold star 4-H winners from Donley County are 4-H Club calf feeders and have made good records with their projects. The parents of the 4-H Gold Star winners and Mr. and Mrs. Flip Breedlove will attend the banquet at 6:00 p.m. in Amarillo.

KIL KARE KNEEDLE KLUB ENTERTAINED IN BASS HOME

The Kil Kare Klub met in the home of Mrs. John Bass Thursday afternoon, November 8, at 3 p.m. Artistically arranged potted plants were special decoration.

Mrs. Bass presented a program of charming piano selections. Mrs. A. H. Moore, president, presided over the business meeting. Visiting and knitting completed the entertainment.

The hostess, Mrs. Bass, served delicious refreshments of ice cream with strawberries, angel food cake, cocoanut candy, and chocolate mints to members Mesdames Homer Mulkey, Harry Brumley, A. H. Moore, M. C. Rampy, Nolie Simmons, Will Kennedy, R. O. Thomas, J. R. Bartlett, Buel Sanford, and Miss Etta Harned. —Rep.

TO SPEND THE WINTER IN CALIFORNIA

TSEA GROUP ATTENDS MEETING AT LUBBOCK

Thursday, November 8, delegates from the Texas Student Education Association of Clarendon Junior College attended a convention in the student union building on the Texas Tech Campus at Lubbock.

The purpose of the meeting was to prepare for the State TSEA convention at Austin in March. C.J.C. was represented in all meetings concerning membership drives, changing of the constitution, programs, TSEA and FTA relations and a luncheon.

Clarendon College was second highest in attendance. Those attending were: Sponsor, Gladys Seago, Keith Barbee, LeRoy Garrett, Judy Castner, Alvin Scott, Kay Green, Eddie Hunt, Jo Dishman, Pauline Green and Susie Romo.

PRESBYTERIAN WOMEN MEET AT CHURCH

Presbyterian Women met Wednesday afternoon, November 7, at the church with Mrs. J. G. Stewart, president, presiding. Mrs. Stewart opened the meeting with a Thanksgiving devotional. Mrs. Millard Word led the program on Thanksgiving and a special offering was taken.

Attending were Mable Mongole and Mesdames J. Gordon Stewart, Edna Smith, Karl Adams, W. S. Montgomery, Homer Taylor, and George Green. —Rep.

VISITS BOYS RANCH

Rev. Billy G. Hill, pastor of Calvary Baptist Church, was a visitor at Cal Farley's Boys Ranch last Saturday where he visited with the boys and Rev. Wayne Rohrs, chaplain of Boys Ranch. Hill said he was quite impressed with the chapel program offered the boys and the work being done with the boys as a whole at the ranch.

Mr. and Mrs. Don Bagwell of Claude announce the arrival of a daughter November 10. The young lady weighed 9 lbs., 4¼ oz., and is the granddaughter of Mr. and Mrs. L. N. Cox of Clarendon and Mrs. R. L. Bagwell of Claude.

Ruby Hutton of this city, Mrs. Bob McCoy and Mrs. Lucille Walls of Borger and Mrs. Leroy McCoy of Memphis attended funeral services for a relative, R. E. Marr, at Lockney Tuesday of last week.

Mr. and Mrs. Guy Tatum of Denver, Colo., announce the arrival of a son October 27. The young man weighed 3 lbs., 4 oz., and has been named Michael Guy. He is the grandson of Mr. and Mrs. Henry Tatum of Clarendon.

Mrs. Edna Smith and Miss Mable Mongole attended funeral services for Mrs. W. W. Stribling at Carney, Okla., Sunday. Mrs. Stribling was the mother of Rev. Baldwin Stribling, pastor of First Presbyterian Church here.

CARDS OF THANKS

I would like to take this means of expressing my thanks and appreciation for the beautiful flowers and gifts, the wonderful cards and visits during my stay in the hospital. Thanks to the wonderful doctors and nurses. Thanks again for your many kindnesses.

Mrs. R. O. Mabery

It is difficult for us to express our deep appreciation for all the thoughtful expressions of sympathy manifested by friends during these recent days.

We do most heartily thank one and all for the many courtesies and kindnesses shown. They are beyond price and cannot be forgotten.

Cotton Quality Improves, Market Activity Increases

Quality of cotton improved and market activity increased slightly this past week, says K. E. Voelkel of the USDA's Cotton Classing Office in Memphis, Texas.

White grades increased with 21 per cent compared with 14 per cent the previous week. About 67 per cent classed Light Spotted, and 12 per cent fell in the Spotted and other grades category. The predominating grade continues to be Middling Light Spotted with 26 per cent.

A slight increase was noted in the average staple length. A smaller percentage stapled 29/32 inch and shorter, and, an increase was shown in the staple length 31/32 inch and longer. Cotton stapling 15/16 inch constituted 70 per cent, which was the same the week before.

A little more than 2 per cent of the cotton clased during the week was reduced because of rough preparation. This can be attributed chiefly to the harvesting of green, immature bolls. Some ginners reported difficulty in ginning this cotton.

Percentage - wise micronaire readings were about the same as last week, with 92 per cent reading 3.5 and higher. During the past three weeks micronaire readings have shown sharp improvement.

The Memphis Office classed 10,867 samples during the week with six classers. Through Friday, this office had classed a season total of 43,388 compared with 97,186 samples as of the same date in 1961. This constitutes roughly 20 per cent of the season's estimated production in the 12 counties comprising this territory.

The market was actvie this past week. The average price for Middling 15/16 was 31 cents a pound. Strict Middling Light Spotted 15/16 averaged 30.80 cents; Middling Light Spotted 15/16, 30.40 cents; and Strict Low Middling Light Spotted 15/16 brought 29.00 cents per pound.

Cub Scout News

All boys having an award due them at the monthly pack meeting, which will be held on Tuesday, Nov. 27, at the First Christian Church, must turn them in to their Den Mother by Wednesday, Nov. 21, so they may be ordered.

All boys who participated in the Scout exposition held here in Clarendon will receive 5 points for that and all boys who marched in the Cotton Festival parade at Hedley will receive 5 points for that making 10 points or a silver arrow under the rank they have reached.

You boys begin now inviting your parents and guests to our pack meeting on Tuesday night, Nov. 27, so the Den with the most present will receive the Honor Den pennant. A number of Dens are working on skits and Cotton John's newest film "Follow the Bamboo" will be shown.

Mr. and Mrs. Bob Clifford of Amarillo are the proud parents of a baby girl born November 5th. She weighed 6½ pounds and was named Kathryn Jean. Her grandparents here are Mr. and Mrs. W. E. Clifford.

Mr. and Mrs. Sid Pointer of Lelia Lake attended the District Annual meeting and appreciation dinner for Boy Scouts at Wellington Monday night. Mr. Pointer was installed as a District Committeeman.

Mr. and Mrs. David Lane of Canyon announce the arrival of a son November 4. The young man has been named David Martin and is the grandson of Mr. and Mrs. J. B. Lane and Mr. and Mrs. Clyde Martin.

According to Blue Cross, "Voluntary health protection, from a modest start only a generation ago, has grown into a highly complex structure covering almost three-quarters of the U.S. population."

Electricity lets you underline a full row of words just by holding down the key, rat-tat-a-tat, just like that. The same is true for dashes, spaces, dots and the letter "X" for crossing out.

Electricity lets you type as fast as you want even if you're a speed champ. And there's no jumbled letters, no jumpy lines, no uneven spacing.

Electricity does the work for you. There's no pounding the keys. And you can adjust the touch from featherlight to the same as a manual's.

Electricity gives you an expert's even touch on the keys. All letters are typed with the same even blackness . . . your typing looks perfect.

You adjust a dial and can make up to ten carbon copies. More important, the tenth is just about as clear and readable as the first.

FARM NEWS

from County ASCS Committee

Cotton Referendum — December 11th

Farmers who were engaged in the production of upland cotton in 1962 will be eligible to vote in the referendum. At least two-thirds of those voting must approve quotas if they are to continue in effect.

If marketing quotas are approved, marketing penalties will apply to any "excess" cotton producers who do not comply with their acreage allotments, and price support to those who do comply will be available at a level within the range of 65 to 90 percent of parity. If quotas are not approved, the allotment program will remain in effect and price support at 50 percent of parity will be available to growers who comply with their allotments.

Notices of farm acreage allotments will be mailed to operators of cotton farms prior to the December 11 referendum.

UCDA officals have said that it is not anticipated that this will be the final acreage authorized for the 1963 upland cotton crop because of new legislation to be recommended to the Congress early next year. Establishing the national allotment at the statutory minimum for the time being will give the Congress the maximum flexibility in determining the acreage provisions to be included in the new legislation.

1963 Feed Grain Program Outlined

Feed grain producers in Donley County will be notified this fall about general provisions of the 1963 feed grain program.

Unlike the 1962 program, only one signup will be held for the 1963 feed grain program, and that will be early next year. Additional information, including the base acreages, yields, and farms, will be mailed to growers prior to the sign-up period. Farmers who have already planted their 1963 barley will be able to participate in the program provided they reduce their 1963 feed grain acreage by at least the minimum.

The 1963 program will be a voluntary program, under which farmers may divert an acreage of barley, corn or grain sorghums to a conservation use and receive a diversion payment and a price support payment; he will also qualify for a price support loan on his crop. Base acreages for each of the three grains will be combined into a total feed grain base for the farm, and the farmer may divert from one or more of the feed grains represented in his total base. The minimum diversion will be 20 percent of the farm's total feed grain base, and the maximum will be 50 percent or up to a total of 25 acres, whichever is higher, but not in excess of the total base for the farm.

As under the 1963 wheat stabil. program, a farmer will have to comply with the intentions shown on his agreement; if he does not comply fully with provisions of the program, he will not be eligible for any payments or price support on any of the three feed grains. Also to be eligible for a diversion payment and price support on one farm,, a grower taking part in the 1963 feed grain program must not exceed the total feed grain base acreage on any other farm in which he has an interest.

1963 Wheat Program Offers Insurance Features

The diversion and price-support payments available to farmers who take part in the 1963 wheat stabilization program will offer income protection no matter what natural disaster might affect their crop output.

The extra price-support to wheat growers who participate in the wheat-diversion program and who are also in compliance with their wheat acreage allotment will be made at the rate of 18 cents per bushel on the normal yield of the farm's 1963 wheat acreage.

These payments supplement the regular price support loans and purchase agreements which will be available to farmers complying with their farm acreage allotment for the 1963 wheat crop.

We want to remind farmers that the signup in the 1963 wheat stabilization program is now under way for wheat growers; it will continue through December 14.

Bronchos Beat Wellington, 13-0

The Clarendon High School Bronchos played perhaps their best game of the season here last Friday night in dealing the potent Wellington Skyrockets a 13 to 0 defeat. The Skyrockets could never get going against the tough Broncho defense.

The Bronchos scored in the first and third quarters. They took the opening kickoff and could get only to their own three yard line, but from there they ran 23 plays, made eight first downs, and took all but 20 seconds of the first quarter to grind out the 97 yards for their touchdown. Quarterback Dwight McAnear plunged over for the final one yard for the score. McAnear's kick made it 7-0 as the first quarter neared an end and the Skyrockets had not run a single play.

After a see-saw second period, the Bronchos came back and made their second touchdown midway through the third quarter. The Bronchos recovered a Wellington fumble on the 50 yard line. They made a first down to the Skyrocket 40, and from there Fullback Teddy Graham took a pitch-out from McAnear and swept around right end and raced 40 yards for the score. That was all the points the vicious Broncho defense needed to preserve the win.

The closest the Skyrockets could get to the Broncho goal line was the 9 yard line. They gained a first down on Clarendon's 18 and on the next play, the Bronchos were penalized half the distance to the goal line which put the ball on their own nine. However, the Skyrockets could get no closer as the Broncho defense rose to the occasion.

McAnear and Graham were the offensive leaders for the Bronchos and they were all tough on defense. McAnear, Graham, Robin Green, Gary Campbell, Johnny Grady, David McBrayer. Billy Hearn, Charlie Slavin, Larry Gray, Dee Hudgins, Danny Ray and Lester Welch all played well on defense.

The win clinched a tie for second place in the district standings for the Bronchos. They still could tie Lefors for the championship should the Bronchos beat Memphis this week and the Pirates lose to McLean. However, in that event, Lefors would still represent the district in the state play-offs since they defeated the Bronchos. Lefors can win the district undisputed by beating McLean this week. The Bronchos would be in second place if they beat Memphis, while if Memphis wins the two teams will be tied for second place.
