

Old English Tea Given On Thursday Afternoon

Mrs. J. F. McDonald And Daughter Are Hostesses At Event To Honor Guests

Mrs. J. F. McDonald and her daughter, Bernice, were hostesses at an old English tea Thursday afternoon from 4 to 6 o'clock in their home, College Avenue and 23rd street, honoring their house guests, Miss Ruby Pugh, of Houston, and Mrs. Julius Hessler McDonald, of Nevada.

Miss Pugh and Miss McDonald were roommates when they attended C. I. A. at Denton. Mrs. McDonald is a sister-in-law of Miss McDonald.

Music enjoyed. Radio music was enjoyed throughout the afternoon. The hostesses were assisted in entertaining by Mesdames R. E. Williams, C. M. Ballenger, M. C. Kinser, and Misses Ruby Atwood and Blanche Bran.

Refreshments were served from a prettily appointed table covered with a homemade linen lace scarf. The centerpiece was a large star made of holly and mistletoe. Tall red tapers burned brightly at each corner of the star, placed in holders of oak. A candle in a similar holder centered the star also while a basket bouquet of poinsettias was placed on the buffet. Christmas wreaths gave added color to the room.

At Tea Table. Mrs. W. L. Stangel and Mrs. H. O. Love poured tea during the earlier part of the afternoon and Mrs. Duke Butler and Mrs. M. L. Peters were at the table later. They were assisted in serving by Misses Leslie Belle Clemente, Lorraine Casel, Dorothy Duncan and Virginia Murray.

The old English motif was emphasized in the refreshment course which consisted of molded gelatin, fruit salad, wassail, a beverage formerly much used in England at Christmas, Boston brown bread with maple cream, tea, rolled sandwiches, nut bread, salted pecans, almond cups, candies and cakes.

Mrs. McDonald and Miss Pugh will visit in the McDonald home for the remainder of the week.

COTTON CO-OPS

(Continued From Page One)

Incorporation had been settled so such a point that no apparent reason remained for delay or failure of the board and the sub-committee on charter and by-laws to agree on a final draft and submit it to the national organization committee at Memphis, Tennessee.

Emphasis was placed on the fact that the corporation must conform to the individual laws of the cotton states that cooperatives in each of them be permitted to buy stock in the national organization after it is incorporated under the laws of one state in the group. Actual incorporation will not occur until and if the organization committee of the national corporation accepts the work of the Washington conference, Williams said. At the same time the committee will name the corporation, select a headquarters city and employ a manager.

Unlike the American Cotton Growers Exchange, now the producer's strongest agency, the new organization of which the exchange

Christmas Tree Is Held For Children

Three hundred children attended a Christmas tree given Tuesday evening at 7 o'clock for the Sunday school now being conducted for Sanders school pupils.

A beautifully decorated tree was furnished by the First Presbyterian church, and gifts were provided by the same church, the Kiwanis club, George Dupree and a number of other individuals. W. T. Milam, dressed as Santa Claus, distributed the gifts.

Local selections were given by Mrs. H. E. Blocker and Mrs. I. P. Holland, accompanied by Mrs. Gettys Tucker at the piano, and Sibley Clay, accompanied by her sister, Frances Clay, also gave a vocal solo.

Those in charge of arrangements were J. T. Trigg, George Eaton, Mesdames A. T. Biggers, Tom Foster and W. T. Milam and Miss Nina Trigg.

Tudro Bettes And Miss Dowdle Wed

A simple home ceremony was used when Tudro Bettes and Miss Jo Dowdle were married last Tuesday evening at the home of the groom's parents, Mr. and Mrs. A. L. Bettes, 1945 Avenue N., with the Rev. H. L. Munger of the Methodist church performing the ceremony.

Mexico, at a total cost of \$14,800,000. It is hoped that construction will begin early in the New Year. President Story said. The expenditures for 1930 on this work will be about \$5,000,000, leaving \$9,800,000 to be expended in 1931 and 1932. The termini and mileage of these proposed lines are: Las Animas, Colorado, to Amarillo, Texas, 220 miles; Felt, Oklahoma, to Colmar, New Mexico, 110 miles; Spearman, Texas, to Dumas, Texas, 80 miles; Total, 380 miles.

The new lines, under construction three in number, are in Texas, and involve an outlay of \$6,625,000, of which \$3,600,000 already has been expended; and \$3,025,000 will be expended in 1930. The termini and mileage of these lines are: Palsano to Presidio 73 miles; San Angelo to Sonora, 64 miles; Lane City to Thompson's, 18 miles; Total 155.

The Palsano-Presidio line is an extension of the Orient, to the Rio Grande.

If the Interstate Commerce Commission grants authority for the new lines contemplated, the Santa Fe will have under construction in 1930 a total of \$33 million, the greatest new mileage any railroad has undertaken in many years.

Man Sentenced For Branding His Wife

SAN LEANDRO, Calif., Dec. 27 (AP)—Sentenced on a charge of having branded his wife on the chin and chest with an electric iron, John Silva, 26, today faced a ninety-day term in jail.

Silva was arrested when screams from the Silva home on Christmas day brought neighbors, who in turn called the police. Mrs. Silva said her husband had been drinking.

In court yesterday Silva denied his wife's accusations and said he was "only playing." He insisted the iron slipped in his hand, scaring Mrs. Silva. She was severely burned.

Tuscola, Texas, Man Suffered From Stomach Trouble And Indigestion But Relieved Since Taking Orgatone

"If I could speak with everybody personally who has stomach trouble and indigestion I would tell them to take Orgatone. For I have tried it myself and have never seen anything like it," was the statement made by Dock Dickson of Tuscola, Texas. Mr. Dickson is a well known shoe cobbler in Tuscola.

"I've suffered for over two years from stomach trouble and indigestion and just kept getting worse in spite of all I could do. My appetite left me and everything I would eat would sour on my stomach and I would get sick after every meal and gas would form and I would be miserable for hours. It seemed as though my whole system was out of order. I was so upset all the time. My head ached a good deal of the time and I felt tired and worn out and no account. I simply got to where I was afraid for I got weaker every day."

"I read so much about Orgatone I decided to try it and I am only on my second bottle and feel 50 per cent better. It has relieved me of all my stomach trouble and indigestion and I can eat anything I want now. I am not tired and nervous any more and I seem to have more energy and am stronger in every way. Orgatone was just the medicine I needed and it is helping me more every day. I have tried all kinds of medicine and treatments and Orgatone has given me more relief and helped me more than all the rest put together and I am glad to recommend it."

Genuine Orgatone may be obtained in Lubbock at Bowen's Drug Store.

NEGRO SOUGHT FOR SLAYINGS

OFFICERS BAFLED AT CRIME IN KNOXVILLE; SEEKING SERVANT

(By Associated Press.)
 KNOXVILLE, Tenn., Dec. 27.—Authorities today endeavored to locate a negro servant, but they were uncertain as to the motive for the crime and the identity of the slayer of Dr. Barclay J. Jones, elderly physician, his wife, 32, and her nephew, George Lane, Jr., 13.

The negro, Jim Harris, 21, was absent from the Jones house Wednesday when a brother of Mrs. Jones arrived with Christmas gifts and found the bodies. The doctor had been struck down with an axe in the garage the night before and his wife and the boy beaten to death with lumps of coal apparently in the basement.

Robbery Advanced
 Upon hearing that the pockets of Dr. Jones and the body had been rifled, a corner jury advanced robbery as a motive, but this view was not shared by Sheriff W. C. Anderson, who said jewels in Mrs. Jones' purse had not been disturbed.

The sheriff said the servant slept in the basement where the bodies of the woman and the boy were discovered, and the theory that the slaying were the outgrowth of an attack upon Mrs. Jones was discussed. A chair was broken, and there were other evidences of disorder in Mrs. Jones' bedroom. Her body was found clad in an undergarment.

Mrs. Jones was a bride of a few months.

FARMER CHARGED IN YOUTH'S DEATH

OKMULGEE, Okla., Dec. 27. (AP)—A murder charge was filed here today against J. C. Simpson of Turkey Pen Hollow, near Henryetta, who Christmas Day shot and killed 14-year-old Charles H. Williamson, Henryetta school boy.

Richard Williamson, University of Oklahoma student, hunting with his younger brother at the time of the shooting, said three shots were fired at them. The first two kicked up dust, he said, but the third struck Charles in the right side, proving fatal within a few minutes.

Simpson asserted the boys were in his peanut patch and he fired to scare them. He declared that as he fired the third shot he stumbled and fell, disturbing his aim and causing the bullet to strike the boy instead of the ground near him.

OFFICIALS OF TEXAS METHODISM TO LAY PLANS FOR QUADRENNIAL SESSION

(By Associated Press.)
 DALLAS, Dec. 27.—Clerical and lay officials and committeemen who will set up the agenda for the quadrennial general conference of the Methodist Episcopal Church, South, to be held next May in Dallas, are meeting in a series of conferences here Friday to Monday.

Their work is preliminary to the meeting January 28 of the committee of 300 in charge of the arrangements.

Dallas in May will care for 10,000 or more delegates and visitors who will be here for at least a part of the week's session.

Program to be Charted.
 Informally the program will be charted Friday evening by church dignitaries who will be dinner guests of Dr. O. T. Cooper, Presiding Elder of the Dallas district. The group will include Bishop Sam R. Hay of Houston, Bishop H. A. Boaz, who is a holiday guest here; Dr. C. C. Selman, President of Southern Methodist University; W. C. Everett, Chairman of the General Conference entertainment committee. Sixteen Texas delegates to the General Conference, of whom eight are laymen, will meet Monday afternoon. They will be assigned to committees to set up the general session business.

Levelland Man Is Being Buried Today
 Funeral services for J. T. Dugan, 75, of Levelland, who died yesterday morning in a local sanitarium, are being held this afternoon at the Church of Christ in Levelland, Richardson in charge of arrangements.

Survivors are the widow and a nephew, G. W. Dugan, of Artesia, New Mexico.

KIWANIS CLUB HOLDS DINNER

INSTALLATION OF NEW OFFICERS HELD LAST NIGHT IN HOTEL

Achievements of the year 1929 were reviewed and a program for the new year outlined when approximately 150 Kiwanians, their wives and guests attended a banquet last night at the Hotel Lubbock, where new officers of the Kiwanis club were installed.

Thirty-four additional members have been added to the club and three new clubs, Big Spring, Sudan and Childress, have been organized through efforts of the Lubbock club, Dean A. H. Leidigh, retiring president, pointed out.

WILD FLOWERS CAN BE USED FOR HOMES

HOUSTON, Dec. 27. (AP)—There are wild flowering shrubs and plants in South Texas that may be used for landscape purposes, according to Frank P. Wittman, horticultural agent for the Missouri Pacific Railway.

Even the homely mesquite, by proper pruning and handling, can be made an attractive ornamental tree, he says.

Wild Tamarack and Alhol when properly trimmed and shaped make pretty hedges and windbreaks, but the Senia offers greater possibilities. It is an evergreen which, if well watered, blooms all through the year. The blooms are small and purplish, and, according to Mr. Wittman, just the right size and shade and few enough in number to add beauty to the plant where used as a hedge.

QUESTION IS ALL SETTLED

RUBIO SAYS RELIGION NO PROBLEM IN HIS NATION NOW

(By Associated Press.)
 WASHINGTON, Dec. 27.—When Pascual Ortiz Rubio takes office next spring as President of Mexico, he will do so under the assumption that the religious question in that country is permanently settled.

He told newspapermen, at a press conference in the Mexican embassy last night, of that belief and said any further modification of the religious laws would have to be initiated by the Roman Catholic church itself. Changes, he added, must come through the routine legislative channels of congress.

Replied in Spanish although he speaks English and showed he understood the majority of questions asked, he replied in Spanish through Carlos Barraza, secretary to Ambassador Telles.

He said he believed the Mexican land appropriation problem already had been settled and that indemnifications for such land, taken by the

government, already had been paid by government bonds.

The Mexican government, he said, was fulfilling its agreement with the New York bankers in refunding its bonds. He refused to enter into suggestions that his visit had any relation to the financial question.

"All my plans here are of an official nature," said the president-elect. "The relations between Mexico and the United States are so cordial that we will only speak of cordiality."

His plans after Sunday, when he will leave the capital, are indefinite, but he intends at present to visit

GOOD WILL USED CARS

Telephone men in the Southwest this year installed 468,000 new instruments... more telephones than in all of Sweden! They removed 403,000 telephones. The end of the year, therefore, finds a gain of 65,000 instruments over last year, with over 1,553,000 telephones in use in the territory. The more telephones there are, the more people you can reach from your telephone, and the more valuable your telephone service becomes.

"Will Thursday afternoon be satisfactory?" Thus, during 1929, have salesmen in many telephone business offices questioned persons having telephones installed. If the time they suggest is agreeable, an installer calls. If not, a time mutually convenient is set. Formerly it took seven days to put in a business telephone, ten days a residence telephone. Under the new plan the subscriber gets his telephone at a time agreed upon before he leaves the counter.

More than 37,000 dial telephones were installed in Southwestern territory in the first six months of this year alone. In St. Louis, Kansas City and Little Rock, "manual" telephone offices were "cut over" to dial operation. Total dial telephones now in use in the Southwest are nearly 489,000.

These are telephone buildings erected in the Southwest in 1929. There are 26 of them, ranging from the 28-story Kansas City administration building to small central offices. Thousands of workers, millions of dollars in machinery, are housed in them. In addition to new buildings, paint brush and lawn mower have done widespread duty maintaining and improving buildings already in use.

Here is the girl who says, "Number, please?" when you place a telephone call. But her reply, after you have given the number, no longer is confined to the rigid phrase, "Thank you." This year her vocabulary has been broadened to include answers in keeping with the various types of requests she receives. She can say "all right, sir," "Yes, ma'am," can use any of several other suitable replies.

A lost call is a call that is not put through on the first attempt. Causes of lost calls: Sometimes an operator makes a mistake. Sometimes the person called does not answer his telephone quickly enough. Sometimes the person who called does not wait long enough for an answer. By careful efforts to save lost calls, operators this year salvaged 40 million of them.

This young lady is "Long Distance". During the past 12 months she has handled, in towns throughout the Southwest, an average of 155,000 calls daily. It has taken her just a fraction less than 3 minutes, on the average, to complete each call. Her technique has improved considerably since 1921. Then it took 9 minutes on the average to put a long distance call through.

Here is a telephone subscriber opening his bill. His bill this year is neater, more accurate, more detailed than ever before. Instead of being written by hand, it is typed upon the form. Special machines enable the girls who do the work to handle thousands of bills quickly, easily, efficiently.

Only the high spots of 1929 have been given here. They are typical, however, of the efforts being made to fulfill the Bell System policy voiced by President Walter S. Gifford of the A. T. & T. Co.: "... a telephone service for the nation more and more free from imperfections, errors or delays and always at a cost as low as is consistent with financial safety."

GRIFFITH AND RISKO FIGHT TONIGHT FOR RIGHT TO MEET GOB

SHIRES IS READY TO FIGHT "ANY MAN IN THE WORLD"

(By The Associated Press) BUFFALO, N. Y., Dec. 27.—C. Arthur Shires, Chicago White Sox first baseman, is ready to fight "any man in the world." He issued his challenge last night after knocking out Big Bill Bailey, of pugilistic renown, in one minute and 22 seconds.

At the opening Gong Shires dashed to the center of the ring, both hands covering his face in that funny little way of his.

Bill Draws Blood

Big Bill swung a terrific right which caught Shires in the mouth and drew blood. Both men exchanged punches, and as Big Bill backed away, Shires' powerful right caught him on the point of the jaw. As his adversary staggered, Shires followed up with another right to the jaw, and Big Bill struck the canvas and lay there immobile during the count.

After he had been declared winner, the Chicago man made a speech from the ring in which he expressed gratification for his Buffalo welcome and offered to "fight any man in the world."

McCarthy Is Present

Joe McCarthy, manager of the Cubs, was among those at the ringside.

"What's the idea, old champion?" he asked. "The last time I saw you and Hack Wilson you had your arms around each other. Now why all the enmity?"

"Well, you know," replied Shires. "Fifteen grand is big money to be collected for a few remarks."

WITH ALLAN CARNEY
JOURNAL SPORTS EDITOR

Just a few more days and the Christmas holidays for the athletes of Tech and Lubbock High will be history. The Matador and Westerners capers have been given a full week's rest and next Monday will resume training for the basketball season just around the corner. For the college athletes especially the holiday season was a necessity, since the majority of the squad members claim other cities as their homes and made of their Yuletide vacation a home-coming affair.

The Matador quiet is facing a practice game with the Littlefield city team within the next week and on Jan. 1 will go to Plainview to meet Frank Kimbrough's Wayland Jackrabbits. Then on the following Tuesday the Rabbits come here for a tussle with the Crimson goal shooters.

From all indications Texas Tech will wake on New Year's morning to find itself all wrapped up in a sparkling new athletic conference and the proverbial New Year's resolutions will be in order. Next Tuesday at Sweetwater, officials from five West Texas institutions will meet to discuss the formation of the proposed "Staked Plains Conference." Considerable opposition has been generated since the venture was first made known. But W. L. Stangel, chairman of the Tech athletic council, who is to preside over the meeting at Sweetwater, avers that a conference will be formed if only two schools are signed for membership.

Howard Payne college at Brownwood and Simmons of Abilene are the schools who have raised objections to the proposed organization. The Howard Payne authorities have pointed out that church schools should not be expected to compete with state institutions, but past records of the five schools mentioned for membership indicate these two schools would be two of the strongest on the list. Fats Grant of the newly-appointed general manager of the Simmons forces, believes there's a fly in the ointment—this fly is intimated is the School of Mines at El Paso. The record of the Miners last season doesn't look like Max Saxon's club would prove a user mail for any conference. Only one game was lost through the season and that to the University of Arizona.

Word comes from Granger that "Mule" Fikes, former Texas Tech tackle, will have another tip-toeing Lion eleven next season. Assuming the position of line coach at the Class B school after the season started, Fikes won for himself in the short span of one football season an enviable reputation as a builder of forward walls. Mule is a Granger product, having played four years on the Lion eleven before coming to Tech when the school opened here in 1925. He learned the inside of line play under E. Y. Freedland, who is recognized as one of the southwest's outstanding.

Granger fans attribute much of the success of the Lions during the past season to the formidable line developed by Fikes. The Lions went through the season undefeated, winning nine games and tying two. J. E. Prince, of Athens, is the Granger backfield mentor. The letter is a former Texas Longhorn.

And so the graduates of the Matador coaching school continue to shine. Volney Hill and Vaughn Corley also joined the ranks of the successful coaches during the past season—Hill at Chillicothe and Corley at Las Cruces. N. M. Both plotted their clubs through the first season of their careers with unusual success. Corley's team lost but one

STANFORD-ARMY ELEVENS CLASH SATURDAY

FEATURE BOUT WILL BE HELD IN NEW YORK

GRIFFITH HAS MANY SCORES TO SETTLE IN RING CLASH

BY EDWARD J. NEIL
Associated Press Sports Writer
NEW YORK, Dec. 27.—A young fellow to whom fighting has been instinctive since his parents named him Gerald Ambrose Griffith goes to the post in Madison Square Garden tonight grim and eager for an evening of waterfront fatigues.

He has many scores to settle. The first and foremost with rubbery Johnny Risko, party of the second part in tonight's ten round heavy-weight embroglio. Backgrounds of the remaining issues stretch all the way from New York to Miami, Fla.

Griffith Is Favorite
Gerald Ambrose, who fought for and won the honorable title of "Tuffy" at an early age, still seeks satisfaction from Risko for a passage at arms won in Detroit last June when the bouncing Bohemian from Cleveland sank a couple of mittens into foul orifices of Gerald's anatomy. Risko is more than ever eager to give him satisfaction, but Griffith is a 7 to 5 favorite.

Tuffy better be warning that night one of his earlier engagements with the bouncing Bohemian from Cleveland sank a couple of mittens into foul orifices of Gerald's anatomy. Risko is more than ever eager to give him satisfaction, but Griffith is a 7 to 5 favorite.

But aside from the feuding between the two, Tuffy has two other important points to prove. He is anxious to show he can fight as well as the faithful believed he could before Jimmy Braddock saddened Griffith's debut in the garden last year.

Tuffy amazed the wise gentry with his gymnastic ability, became a prohibitive favorite and was promptly dunned out by Braddock in two rounds.

Now Griffith is eager to wipe out that stain and prove his third point—that he is the only logical contender to oppose Jack Sharkey in the second gathering of the fight clubs Feb. 27 at the garden's heavy-weight fiesta in Miami, Fla. If Tuffy disposes of Risko in workmanlike fashion the garden has assured him it will look no farther for the Boston Gob's southern playmate.

Taylor and Mastro Clash in Chicago
CHICAGO, Dec. 27.—Bud Taylor, former Terror from Terre Haute, Ind., and Earl Mastro, Chicago contender for the world feather-weight champions' title, tonight will meet in the feature piece of the Chicago Stadium's final boxing show of the season.

Taylor, long ranked among leaders in the division, and Mastro, whose rise has taken place during the past year, will go 10 rounds or less, to settle some unfinished business. They recently fought 10 rounds to a draw.

Severe Cold Does Damage In Florida
JACKSONVILLE, Fla., Dec. 27.—Severe frost and cold wind caused damage today in some trucking sections of the state, reports to the state marketing board showed.

The bureau's report from Plant City said that 15 per cent of the strawberry crop had been covered against the cold, but that of the rest, 50 to 75 per cent of the fruit and bloom were lost.

The bureau said it was impossible at this time to make any estimates of the general damage and several days would be required for accumulation of the necessary reports.

Rose Bowl Tilt Has Championship Bearing; Name Worthy This Year

PICKING WINNER MERE GUESS; PLENTY OF PLAY LOOMING

PASADENA, Calif., Dec. 27.—They call it the annual grid classic, and this year at least, it will be worthy of the name.

The two teams that meet Jan. 1 have been ranked among the first four in the country. Notre Dame was usually topped the list, then Pittsburgh, Southern California and Purdue. If Pittsburgh wins by a good margin, they will have equal claim with the Fighting Irish to the mythical national crown.

Money Behind Trojans
Picking the winner can hardly be more than a guess. There is plenty of money to back the Trojans. And many fans believe that Pitt will win. The betting is even.

In selecting the probable winner, there are a few questions that stand out in the mind of the public.

1.—Can Pittsburgh's defense of passes break up the Trojan aerial attack? The same attack that ran wild and rolled up 45 points against Carnegie Tech.

2.—Can the All-American Donchess and his running mate snare the powerful off-lacks' threats with three-man line? Hence. The same power plays that have gained five to fifty yards per shot against the best of opposition this season.

3.—Will the elusive Saunders run ragged against the Panthers as he did against Carnegie Tech and Stanford? The same Saunders that wiggled out 95 yards and a touchdown against the powerful Rockne team.

4.—Will the Panther passes spread over the Trojans and allow Parkinson and Uansa to plunge through center for long gains. Or will the dependable Barrager and Dye hold them in check as they did Smaling and Rostert of Stanford, two of the greatest plungers in the west.

5.—Is the reserve strength of Pittsburgh equal to that of Southern California? Or will those ten or twelve Trojan backs go into the game fresh and tear the Panthers to pieces?

Passes and Power
Pitt's defense of forward passes is heralded as one of the best in the country. It's a cinch that Troy will not run wild against Pitt as they did against Carnegie. But if it is quite likely that the outcome of the game will depend on this more than any other point.

And the Trojan power plays, Jock Sutherland is said to have one of the best pair of ends in the country, they did against Carnegie. But if it is quite likely that the outcome of the game will depend on this more than any other point.

Sutherland is said to have one of the best reserves in the country. He'll need them. Troy has a powerful lot of substitute backs that are nearly equal in ability. Saunders, Duffell, Hill, Moses, Mustick, Edelson, Pinckert, Shaver, Apsit and Wilcox would all be stars on a team of lesser consequence than Southern California.

Pittsburgh has been practicing in cold weather. If Jan. 1 turns out to be a hot day, the caterers will be at a distinct disadvantage. Carnegie Tech ran into a warm day and wilted.

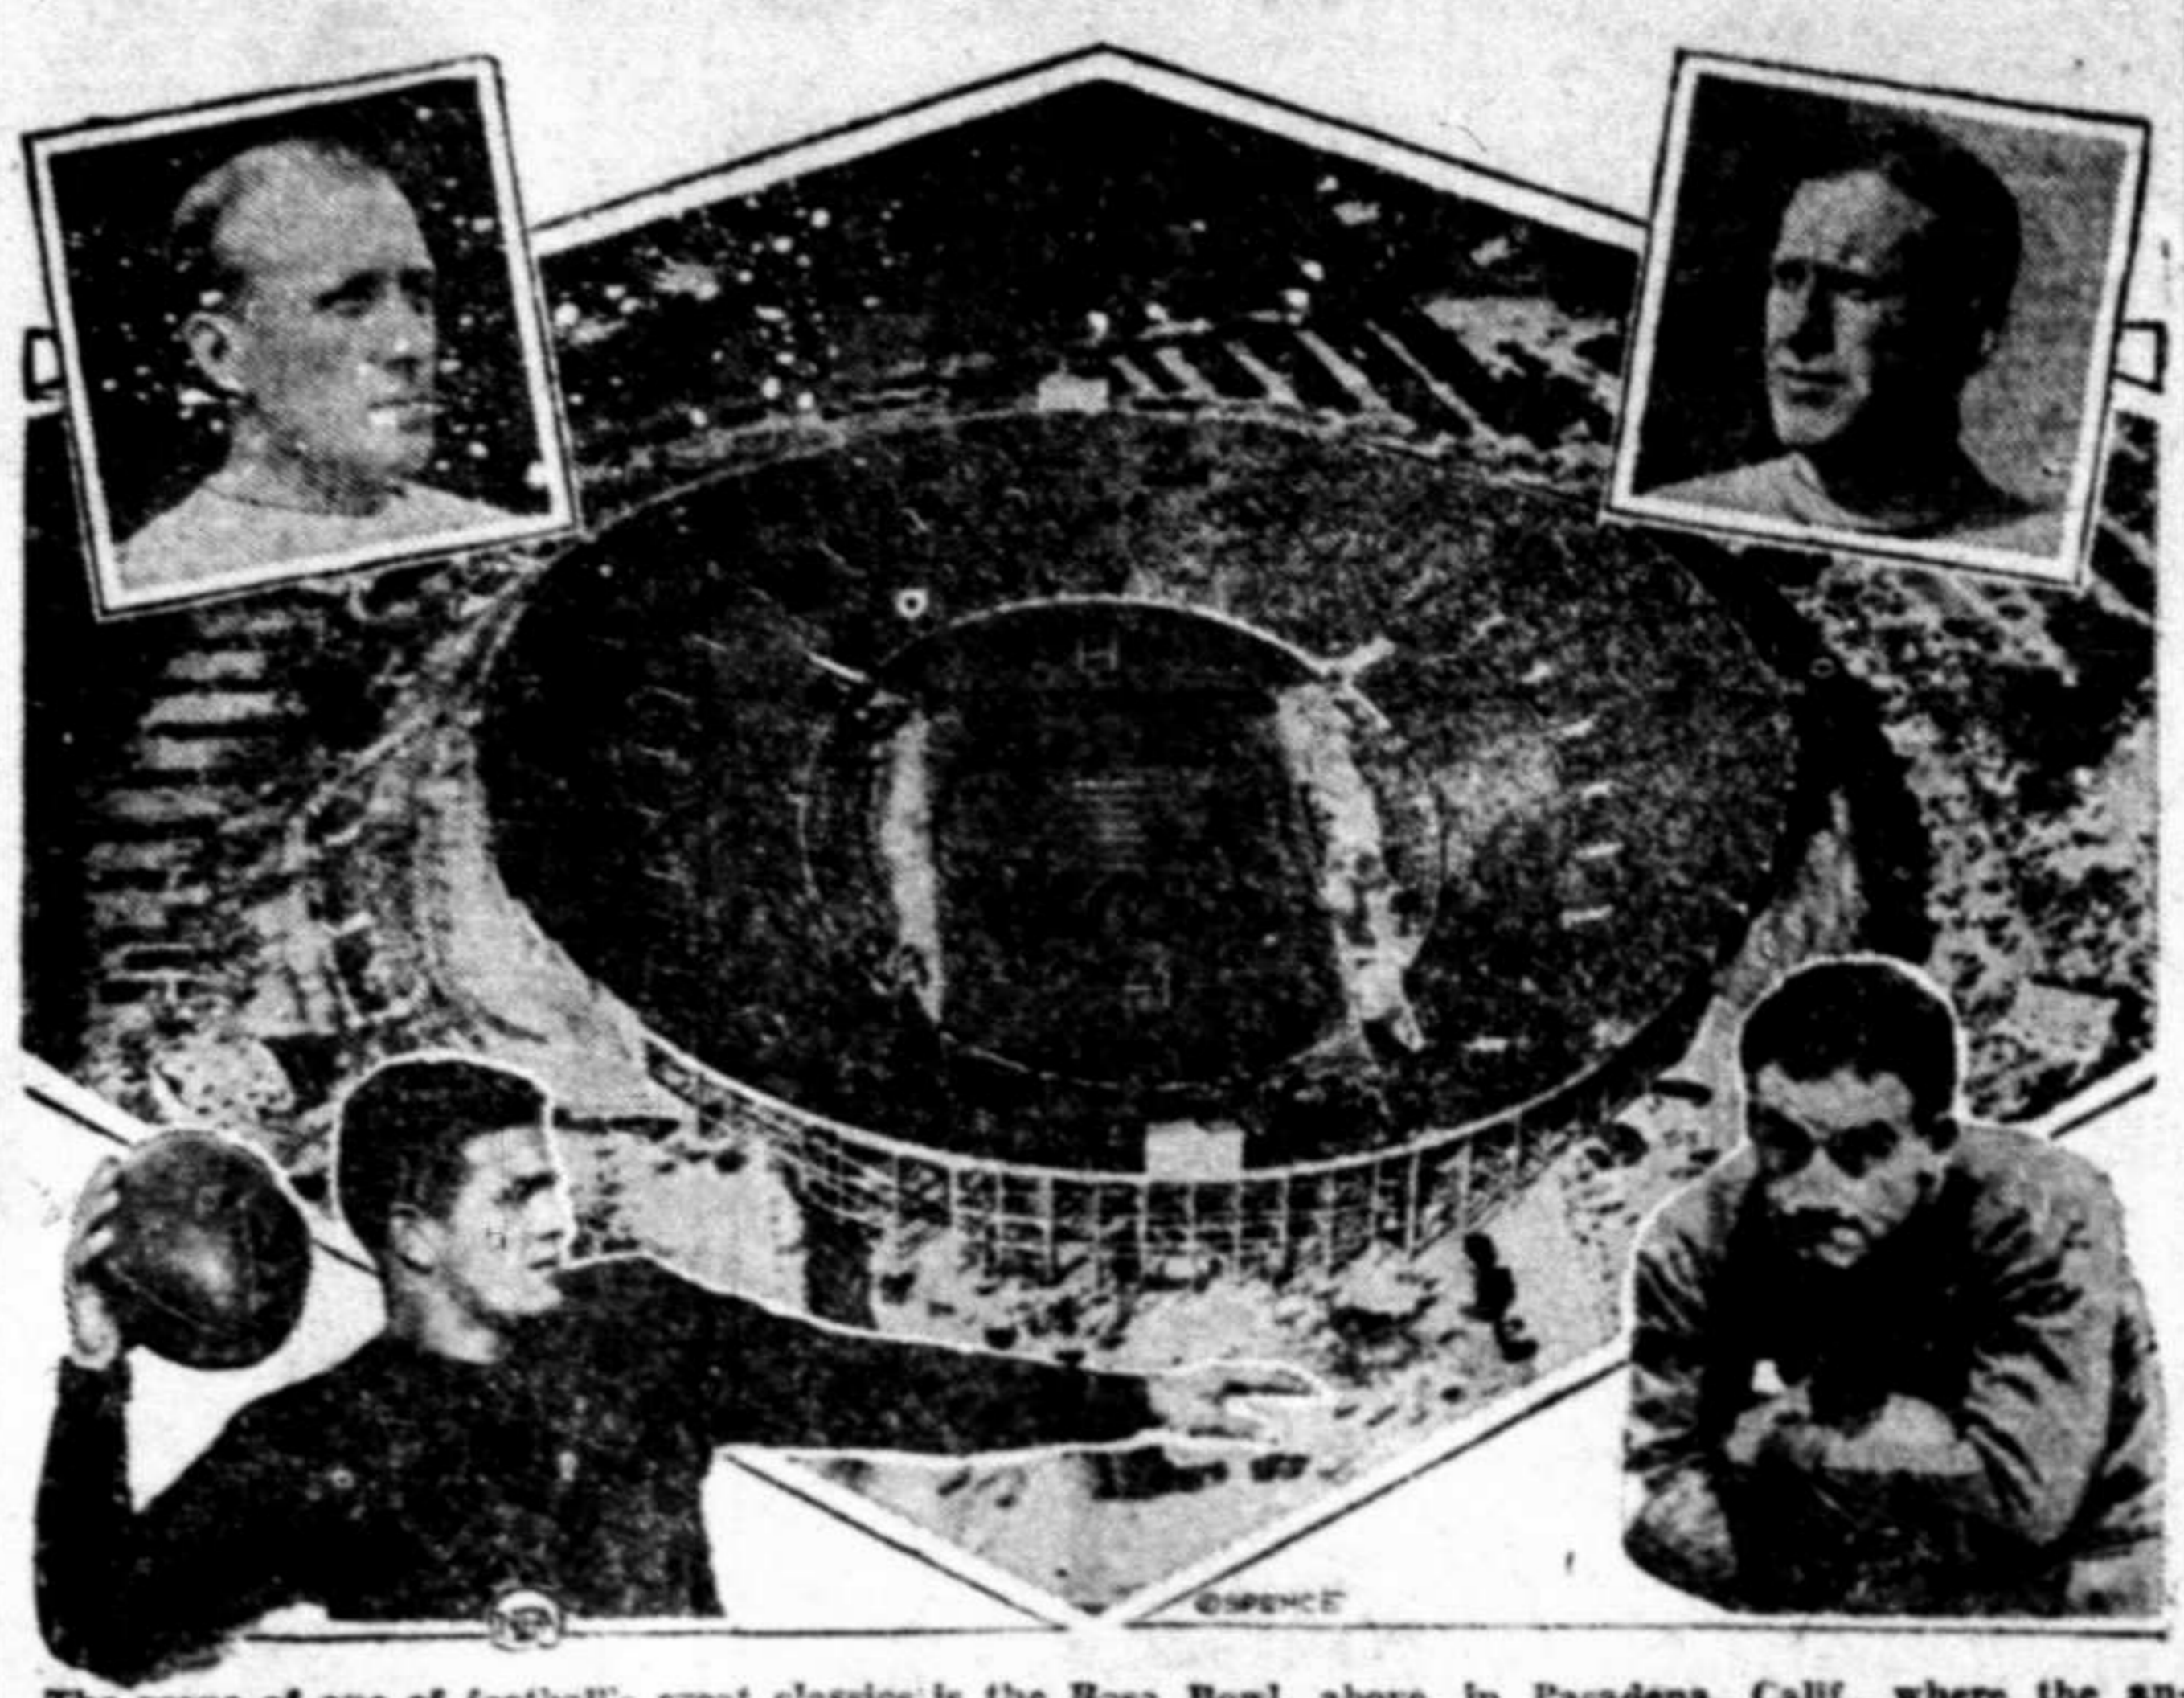

Coast Guard Boat Seizes Rum Cargo
BOSTON, Dec. 27.—A coast guard patrol boat seized the 110 feet auxiliary Nova Scotia schooner Irene C. three miles east of Boston lightsport before dawn today and brought her into port loaded with about 1,000 cases of assorted liquors, mostly high grade champagne. The value of the cargo was placed roughly at \$100,000 by the appraiser's office.

Her captain, Norman Conrad, and mate, Reenie Cook, both of Riverport, N. S., and her crew of seven were arraigned in U. S. District court charged with conspiracy to smuggle liquor into the United States and held in bail totaling \$17,000.

College Grapplers Meeting in Chicago
CHICAGO, Dec. 27.—Fifty college wrestlers, including a national collegiate champion and a pair of runnersup for collegiate titles, today faced preliminary matches in the University of Chicago's first invitational meet.

The University of Oklahoma will be represented by a big squad headed by Mansueti, holder of the National collegiate championship in the 125-pound division. Two runnersup for collegiate honors, Miller, lightweight, and Lesh, 115-pounder, also will represent the Sooners. Northwestern, Chicago, Illinois and Morton junior college have entered teams in the tournament.

Salvador has considerable unemployment and wages of coffee plantation workers have been reduced.

The scene of one of football's great classics is the Rose Bowl, above, in Pasadena, Calif., where the annual Tournament of Roses game is played each New Year's Day. The four men will figure prominently in the day's action. Upper left is Dr. J. E. "Jock" Sutherland, coach of Pittsburgh's undefeated eleven and the East's ranking team. Upper right is Howard Jones, mentor of the Southern California Trojans, representing the West. In the lower is Russ Saunders, one of the toughest of the Trojan warriors. Big Tom Parkinson, Pitt fullback, lower right, will run the acid test to Southern California's front line defense.

PITT PANTHERS CONFIDENT OF VICTORY OVER TROJANS OF SOUTHERN CALIFORNIA; STAGE WORKOUT IN DALLAS TODAY

(By The Associated Press) ST. LOUIS, Mo., Dec. 25.—If confidence means anything, the Golden Panthers of the University of Pittsburgh will win over the Trojans of Southern California in their Tournament of Roses football battle at Pasadena, New Year's day. In the opinion of Coach Jock Sutherland, Sutherland expressed himself as highly pleased with the team's prospects as the untamed Panthers sped toward Dallas, Texas, today on the second leg of their westward flight. The boys planned a workout this afternoon in Dallas.

Every man on the squad was in good condition, and the reserves showed well in yesterday's drill here. Dr. Sutherland said, he held the warm weather in California held no terrors for his eleven.

JUNIOR NET PLAY IN THIRD ROUND

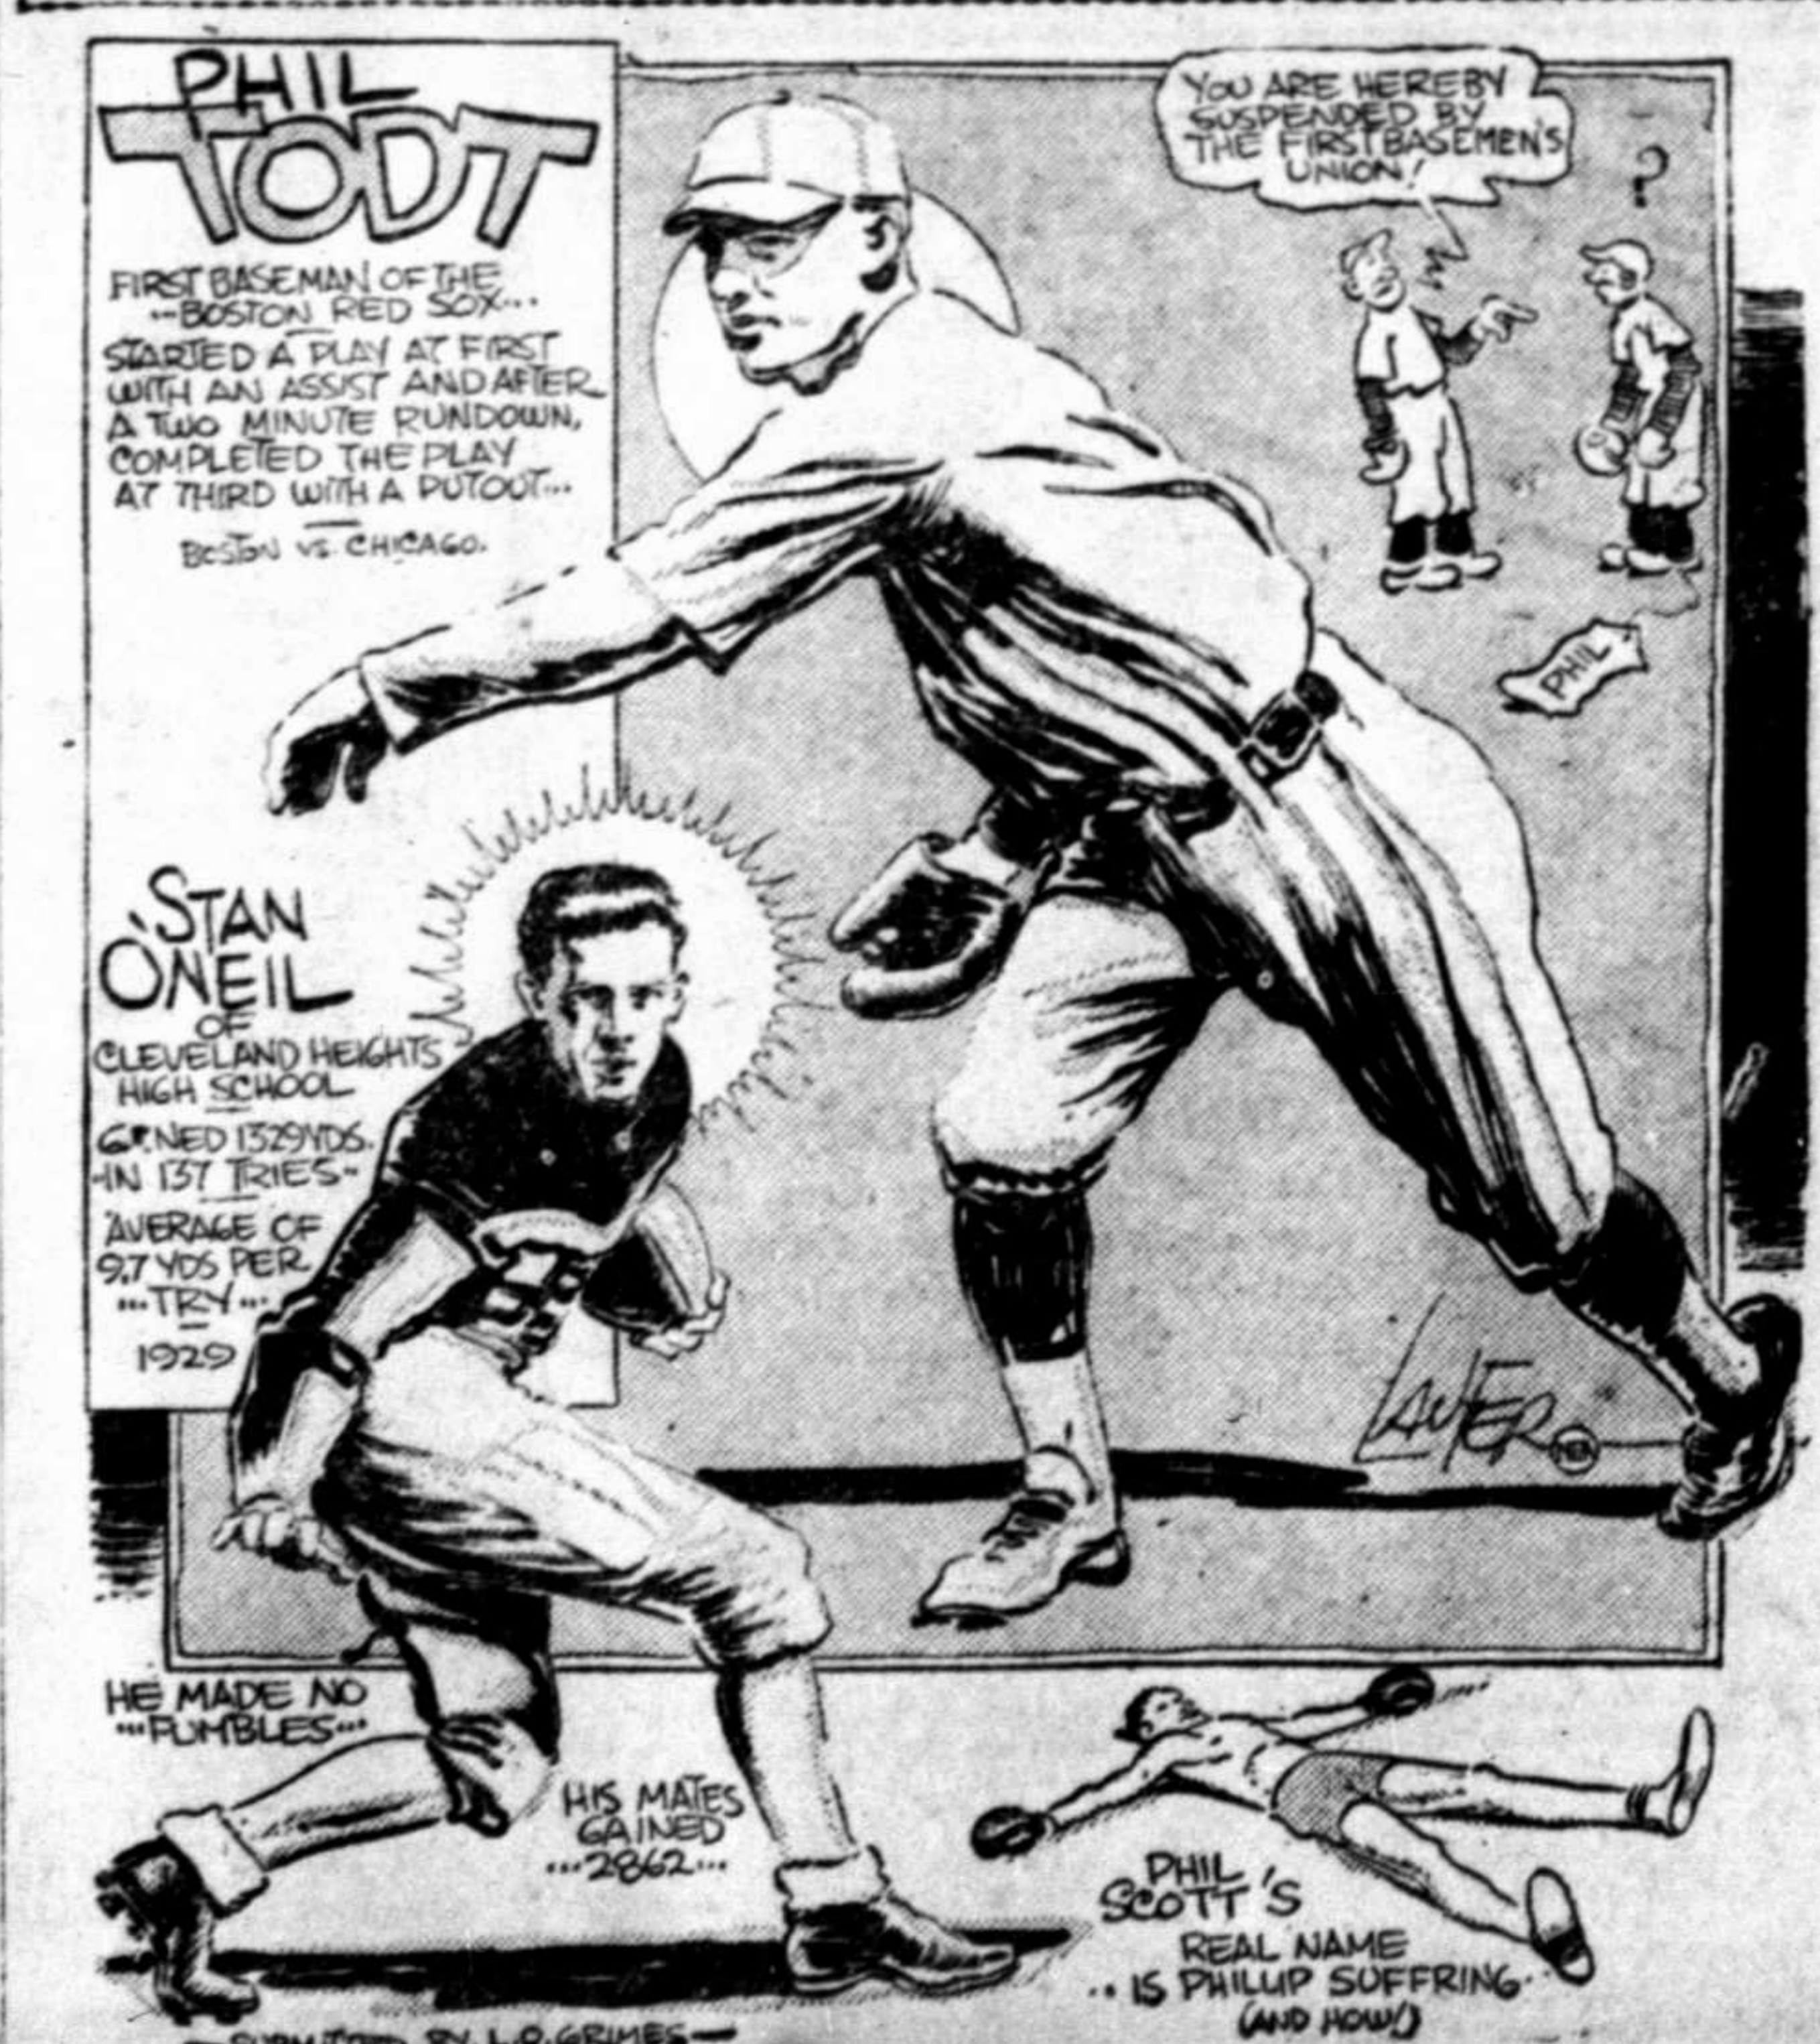

NEW YORK, Dec. 27.—(AP)—Narrowed to 32 survivors, the national junior indoor tennis championship tournament, in which a record field of 111 began play yesterday, entered the third round today.

Sharing interest with the junior play was the national boys indoor tennis event getting under way today.

One of the youngest players ever entered is among the 65 contestants for the boys crown. He is Robert A. Low, 9, whose "big brother," Stuart M. Low, 11, also has designs on the singles championship. Both are pupils of the Collegiate school, New York.

In the older division, William Jacobs of Baltimore City college and Sidney Seigson of New York university advanced impressively to the third round yesterday as four others of the seeded sixteen fell in the opening round and a fifth defaulted. These two are joint favorites for the title.

CLIMATIC GAME TO BE FULL OF THRILLS FOR FANS

(By Associated Press) STANFORD UNIVERSITY, Calif., Dec. 27.—The veil of secrecy that has shrouded army's football workouts all week was lifted today as the Military Academy officials threw open the gates of the Stanford stadium to newspapermen.

Army took a light workout in its final session, while Coach Pop Warner ordered the Stanford practice to be secret. Seen for the first time in practice by local writers, the cadets flashed through their signal drill, passed, punted, and place kicked, generally limbering up for the climatic game tomorrow.

All of the men in both camps were reported to be in condition for the fray, with the exception of Walter Heinicke, star Stanford center, who was in the hospital with bronchitis and will be obliged to see the game from the bench.

NEW YORK, Dec. 27.—(AP)—Football fans will have their last chance to tune in this year on a major game when Army tackles Stanford at Palo Alto, Calif., Saturday.

ALL-STAR COACHES BEAR DOWN TODAY

DALLAS, Dec. 27.—(AP)—Southwest and Mid-West football stars faced stiff workouts today in preparation for their benefit game New Year's Day.

The players were assigned positions yesterday by Coach Ray Morrison of Southern Methodist, and Jimmy Phelan, former Purdue mentor, and then underwent a mild drill in the initial training session.

Beginning today, twice-a-day workouts will continue until the game, except on Sunday. Most of the players are in fine form.

OFFICIALS TO BE SUMMONED

WURZBACH CALLS FOR TWO OFFICIALS OF BEXAR COUNTY
(By Associated Press) WASHINGTON, Dec. 27.—The house elections committee has been requested by former Representative Wurzbach to summon County Clerk Jackie Burke and District Attorney Lamar Seigson of Bexar county, Texas, to testify before the committee in his fight against seating Representative McCloskey.

The contest was referred to the elections committee by Speaker Lengworth last week. Chairman Sears is expected to set the date for the hearing early in January.

Wurzbach said he believed the testimony of Seigson and Burke would show that he was entitled to the seat.

McCloskey is now in Texas. His office did not know whether he plans to request witnesses. Wurzbach has declined to relinquish his house office room.

PROHIBITION GOING ROUNDS IN CAPITAL

DISCUSSION RESULTS FROM STATEMENTS ON ENFORCEMENT

WASHINGTON, Dec. 27.—The current dispute on prohibition enforcement seems to be going the rounds of official Washington. It has reached into the White House, called forth statements from two government departments and a stable contingent of "dry" Senators have spoken their minds, expressing divergent views on the effectiveness of the present enforcement machinery.

Borah Takes Question. Senator Borah of Idaho took the question to the executive mansion yesterday and discussed it over the luncheon table with President Hoover. What was said was not revealed, but today Borah was as firmly entrenched as ever in his stand that the ill of enforcement lie in the personnel to which it is entrusted.

Under-Secretary Mills of the treasury has passed back to congress the responsibility for improving enforcement conditions along the border. His department is ready, he said, to submit plans for a unified border patrol and a limited number of Canadian ports of entry as soon as congress approves. President Hoover's recommendation for a joint committee to study enforcement questions.

Adopts Resolution. The Senate adopted a resolution to establish such a committee just before recessing for the holidays and a similar house measure is awaiting action by the rules committee.

Senator Shepard, Democrat, Texas, co-author of the Eighteenth Amendment, entered the lists with an assertion that enforcement is a success as measured by the standard of a majority of people obeying the law and a majority of cases against offenders resulting in convictions. He said he believed President Hoover is doing everything within his power to improve enforcement, that he is in intimate touch with the men directly responsible and that these agencies are entitled to public confidence and support.

Explains Plans. Mills explained that the border plans of the treasury include unification of enforcement activities under the coast guard and the designation of a more restricted number of ports of entry. Under his scheme, no one would be permitted to enter the country except at these ports of entry, and the border between these would be rigidly patrolled. The Canadian government must acquiesce, he said, before the plan can become effective.

This scheme will be submitted to the joint committee, when the House

MYSTERY OF DEATHS AND HOLDUP EXPLAINED ALL BECAUSE A DETECTIVE LOST HIS PISTOL; DEATH NOTE TAKEN

NEW YORK, Dec. 27. (AP)—A year ago July 1 Frankie was killed. Last June 24 Frank Marlow was taken for a ride from which he didn't come back. December 7 a dinner party being given for Magistrate Albert Vitale was held up. Today the two unsolved gangster murders and the holdup of the dinner for the city magistrate linked together, all because a detective lost his pistol.

The holdup was "faked," Police Inspector Joseph J. Donovan testified today at the departmental trial of Detective Arthur Johnson, who is under charges of conduct unbecoming an officer and consorting with criminals, growing out of the publicity given the loss of his pistol. What the holdup men wanted, Donovan said, was a contract for the killing of Yale and Marlow, which was signed by a Bronx racketeer and on which \$15,000 still was due.

Walks Into Trap. The contract, Donovan said, was in the pocket of a "man from Chicago" who, lured into a sense of false security, walked into the trap the New York slickers had set for him. When seven robbers held up the Vitale dinner they took Johnson's pistol, several hundred dollars in cash and jewelry (that made it look like a good robbery) and the contract. All but the contract was returned within a few hours to the "victims," most of whom Donovan said, knew about the holdup two hours before it was staged.

Was Dinner Guest. The contract, the Inspector explained, was signed by Ciro Terranova, who was a guest at the dinner and who is most familiarly known as "the Arlettoke King" and who has been many times arrested but never convicted. As Inspector Donovan told it, Yale and Marlow, who had many rackets, had been posing on preserves Terranova claimed as his own. Terranova didn't like it. He was in

of the victim, but he told Chief of Detectives W. C. Woolverton, that he read accounts of the shooting in newspapers the next day. "I did all the shooting when the man refused to stop his car," he said, "and I know it was one of my bullets that hit him."

The prisoner said the shooting occurred September 16, but officers were checking hospitals to determine whether he was in a hospital there on that date, as it was believed the man, said to have been treated in that city for burns re-

ceived when his home burned and his wife and baby killed, may have his dates confused.

Watchmaker Is Killed. JOPLIN, Mo., Dec. 27 (AP)—Police here were informed today that John Boone, 29, had surrendered at El Paso, Texas, saying he had shot and killed R. T. Thompson, a watchmaker, while Thompson was driving on his way near Joplin the night of October 29.

Boone was said to have told officers he surrendered because his conscience hurt him.

Thompson was shot when he refused to stop his car at the order of holdup men. After her escort was wounded, Miss Mary Quinn, a nurse, who was motoring with the victim, drove the automobile to a hospital although she never had driven a car before.

MAN CLAIMS TO BE SLAYER

KANSAN GIVES UP TO OFFICERS IN EL PASO FOR DEATH

EL PASO, Dec. 27.—A man giving his name as John E. Boone, of Salina, Kan., has surrendered to police here with the statement he was wanted for the murder of a man in Joplin, Mo., whom I shot in an attempted hold up last September.

The man did not know the name

of the victim, but he told Chief of Detectives W. C. Woolverton, that he read accounts of the shooting in newspapers the next day. "I did all the shooting when the man refused to stop his car," he said, "and I know it was one of my bullets that hit him."

STOCK RALLY IS CONTINUED

NUMBER OF SHARES GO UP ON OPENING OF MARKET TODAY

NEW YORK, Dec. 27 (AP)—The post-Christmas rally was pressed further at the opening of the stock market today. General Electric moved forward 2 1/2 points, A. M. Byers, 1 1/2, Westinghouse Electric, Safeway, Shares and Radio, about 1 point each. U. S. Steel, American Smelting, Bethlehem Steel, North American and Studebaker climbed 1/2 to 3/4. International Nickel sagged 1/4. Pullman 3/4, and Mack Truck 1/2.

Further decrease of \$55,000,000 in Federal Reserve brokers' loans bringing the total to the lowest level since September, 1927, had a bullish effect on speculative sentiment.

U. S. Steel, common, Republic Steel, Columbian Carbon, Johns-Manville, American & Foreign Power, American Water Works and International Telephone extending their initial gains to 3 points or more, before the end of the first half hour. Gains of 1 to 2 points were distributed over a broad list. Foreign exchanges opened strongly with sterling unchanged at \$4.04 1/4. The early advance was checked by realizing, but the market held firm with near month's firm on covering. At midday March was selling around 15 1/2, or within 3 points of the bid, with the market 2 points over to 3 points under yesterday's close. July after selling up from 17.80 reacted to 17.92.

NEW YORK OPEN
NEW YORK, Dec. 27 (AP)—Cotton opened steady, Jan. 17 1/2; March 17 1/4; May 17 1/2; July 17 1/4; Oct. 17 1/2.

ADVANCES ON COTTON MADE

RISES OF 5 TO 11 ARE MADE IN NEW YORK; SOUTH IS LOWER

NEW YORK, Dec. 27 (AP)—Cotton opened steady at a decline of 4 points to an advance of 3 points. Near months were lower under some further January liquidation probably influenced by circulation of a few additional notices. Otherwise, offerings were light while January contracts were soon absorbed, and the market held very steady at the end of the first half hour with active months showing net advances of 5 to 11 points.

COTTON SHOWS LOSSES IN NEW ORLEANS MART
NEW ORLEANS, Dec. 27 (AP)—First trades on the cotton market showed losses of 3 to 4 points as Liverpool came in lower than due. New York cotton opened firm and continued to advance causing an early rally here. January advanced to 17.20; March 17.47 and May 17.72, or 11 to 14 points above opening figures. The market was steady at the end of the first hour and 2 to 5 points under the high.

There was very little trading during the morning, and the market ruled very quiet, keeping within the earlier range. At noon prices were four to six points under the high of early morning, with long intervals between trade.

PANTAGES IS NEAR DEATH, DOCTORS TESTIFY IN PLEA FOR HIS RELEASE

(By Associated Press)

LOS ANGELES, Dec. 26.—Two physicians, appearing today at the hearing before Superior Judge Charles Fricke of Alexander Pantages' plea for temporary release from jail on bond, testified the multi-millionaire vaudeville magnate, convicted of assaulting a young dancer, had suffered "three dangerous heart attacks" and was "genuinely sick."

Pantages, awaiting decision on his appeal from a one to fifty year sentence, was removed to the jail hospital following an attack yesterday.

Dr. Charles Decker, one of five physicians appointed by District Attorney Byron Pitts and Judge Fricke, said the theater man "needs rest and better diet than he can get in jail." Dr. Benjamin Blank, another physician, described the three attacks Pantages has suffered.

to early downturns today in wheat values here. Opening 1 1/2 to 2 1/4 off, Chicago wheat later showed some power to rally. Corn, oats and provisions were easy, with corn starting 1/4 to 1/2 lower, and subsequently holding near to the initial range.

SIX CALLED IN PROBE

GRAND UNCLE IS KILLED BY POISONING, SO WOMAN SAYS

(By Associated Press)
LOS ANGELES, Dec. 27.—Six persons were summoned Thursday to appear for questioning by Deputy District Attorney Daniel Beecher in his investigation of charges made by Mrs. Gladys McAfee that her grand uncle, George LaLayette Finn, former Iowa state senator, may have been poisoned and a will disposing of his \$1,000,000 estate forged.

Finn died last February, leaving three wills, the first made in 1923, the second in 1926 and the third on January 17, 1929. Revocations of the 1923 and the 1926 wills were left. The cause of Finn's death was given as cancer, and his body was cremated.

Reviews Case
Beecher conferred with Mrs. McAfee at length Thursday and announced last night he had reviewed a large portion of transcript of the civil litigation in which relatives are contending for Finn's estate.

Mrs. McAfee alleged that Finn had offered a nurse \$100,000 "to put him to sleep forever" in order that he might escape further pain. Civil litigation involving the wills, the third of which was found in the possession of Dr. Murphy seven weeks after Finn's death, brought charges that the physician was keeping it secret to use as "a club to force payment of \$100,000 due to a nurse" on a note signed by Finn.

The elf brought out a great big box. "Old Santa's clever as a fox," said he. "You'll find he's packed this gift so it cannot be seen. I guess he knows that we tots peek. You know it isn't fair to sneak a look at big surprises. That is always rather mean."

"So your main present's out of sight, but I can bring it forth all right. You Tinymites can help me get the boards off of this thing. When all the paper's ripped off too a big surprise will come to you. Just wait a moment. Tinymites. A hammer I will bring."

The elf then scampered off out of sight. Said happy Copy Tinymites, "I wish I knew what we're to get. It's hard for me to wait. Perhaps it is a blackboard. Gee! I know that that would tickle me. One second look, though. I am sure the box is much too great."

The elf returned and cried, "Come now, we'll open up this box somehow. I'll pull the little nails out and you Tinymites grab the boards. When one side's off we'll take the gift and from the crate give it a lift. You kids will shortly know what wondrous pleasure it affords."

Rip! Rip! The nails came sailing out. The Tinymites ran 'round about, all very much excited. You would be excited, too! "Don't be impatient," said the elf. "Although I feel that way myself. Of course I know what's coming, but I'm curious, like you."

At last, with all hands put to use the last big board came rattling loose. "Oh, it's a bike," cried Clowzy. "This is best of all our treats!" And, as they took it from the crate they all pronounced it simply great. It was a real long bicycle and had four dandy seats.

The Tinymites try out their bicycle in the next story.)

LEAGUE WILL RULE PARLEY

FRANCE SAYS POLICY
WILL BE BASED ON
COVENANT

PARIS, Dec. 27.—A foreign office memorandum published today sets forth the French position relative to the forthcoming London naval conference.

Certain tenets which have characterized the American attitude toward the conference are discarded by the Quai D'Orsay, which advances certain other propositions as the basis for proceeding toward the projected five power agreement.

Principal among the points advanced are:

- 1.—That the work of the London conference is to be within and subservient to that of the League of Nations.
- 2.—That France regards the Kellogg Pact as insufficient guarantee of national security to form a basis for a disarmament agreement. Such an agreement, however, could be based on the covenant of the League of Nations.
- 3.—That the principle of designation of naval strength by means of mathematical ratios such as were evolved at the Washington Naval Conference is unsatisfactory. Instead national needs must dictate naval strengths; the memorandum mentions considerable needs of the French "empire."
- 4.—Unavoidable co-relation of land and sea strength, and the necessity of considering the former in any projected reduction of the latter.
- 5.—Desirability of a Mediterranean pact of non-aggression participated in by nations not invited to the London conference, such as Spain.

Text Translated.

French official quarters attached considerable importance to the memorandum. The text was issued in both French and exact English translation.

Points considered here to be in opposition to the American and possibly the Anglo-American position as to the forthcoming conference are the ones specifying that any agreement is merely preliminary to a League of Nations agreement, that the Kellogg Pact is insufficient national guarantee as a basis for an agreement and that the principles of naval ratios cannot govern.

The memorandum says the Kellogg-Briand anti-war pact relies on the force of public opinion, and this is not sufficient guarantee of national security.

In the Chamber of Deputies Aristide Briand and Premier Tardieu were voted confidence yesterday on their "peace" policies by a poll of 393 to 266.

BILLS AIM TO AID FARMERS

TWO MEASURES ASKING FOR HUGE SUMS ARE TO BE PRESENTED

(By Associated Press)

WASHINGTON, Dec. 27.—A, appropriations totaling almost \$200,000,000 for federal aid to farmers on wet lands in drainage districts, and for establishment of organized rural communities in ten southern states for demonstration purposes, would be authorized under two bills which will come before the house reclamation committee for consideration soon after congress reconvenes January 6.

Chairman Smith of the committee introduced a measure under which a fund of \$100,000,000 would be set up for loans to drainage or levee districts, counties, boards of supervisors or other legal organizations.

To Organize Communities.

The other bill, sponsored by Representative Whittington, Democrat, Mississippi, would authorize a fund of \$10,000,000 to be used for creation of an organized rural community in Texas, Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North and South Carolina and Tennessee.

The communities would be intended to demonstrate the benefits of planned settlement and supervised rural development. Each project would be large enough for 200 farms

PORTLAND POLICE BAFFLED BY LOSS OF EXPENSIVE STILL; PROBE MADE

(By Associated Press)

PORTLAND, Ore., Dec. 27.—Police today were working on one of the most baffling mysteries ever to confront them.

It seems that about \$1,900 worth of first class, electrically-operated still has disappeared from the heavily-guarded basement of police headquarters. Experts previously had valued the contraption confiscated recently, at \$2,000. Today the same experts placed its value at \$70. The difference is caused by disappearance of coils, an electric motor, several giant pressure tanks and various other paraphernalia.

As the basement has only two exits—one through the headquarters lobby and the other through the police garage—mode of removal has stumped the department's best sleuths. A dozen or so patrolmen are on duty in both places at all hours.

The investigation will continue.

LOCAL TEACHER IS BURIED TODAY

Funeral services were held this morning at 10 o'clock at the First Presbyterian church for Miss Nanette Rush Cooper, 28, former teacher in the Lubbock public schools, who died Christmas morning, following an illness of 8 days.

Rev. Jack M. Lewis, pastor of the church, officiated. Burial was in Lubbock cemetery, Rix-Saners in charge of arrangements.

Pall bearers were: Active, Walter S. Foose, L. O. Ellis, Robert Hester, N. L. Peters, J. J. Clements, T. A. Rhodes. Honorary: M. H. Duncan, Bob Crump, George Dupree, W. E. Lyle, Smylie Wilson, Carroll Thompson, R. D. Moxley, H. D. Woods, F. R. Friend, B. T. Cummings, J. M. Gordon, G. W. McCleary, J. E. Murfee and N. H. Payne.

Miss Cooper was a daughter of Mr. and Mrs. George C. Cooper, who reside three miles northwest of Lubbock, and survivors other than they are Mrs. E. P. McPhail, Amarillo; G. M. Cooper and Mrs. F. M. O'born, Perryton; Mrs. W. E. Griffith, Hereford; Mrs. Newt Redman, Tulsa; Mrs. Josephine Ballenger, Misses Ruth and Margaret Cooper and John D. Cooper, of Lubbock.
