Hawks have incentive to win Friday night

When Iowa Park takes the field tomorrow night against Springtown's Porcupines, the Hawks will have about every incentive in the book to want to win.

It's homecoming, and there'll be a huge crowd in the home stands.

The Porkys are no longer a member of Dist. 6-AAA, but last week they beat one of the teams expected to be a conference title contender.

But, possibly the greatest incentive the Hawks will have is the fact they've never beaten Springtown.

When the ball is kicked off at 8 p.m., there are several Mean Green players who remember those come-from-behind wins by the Porkys that blemished their district record.

The 13-19 loss in 1984 cost the Hawks a state playoff spot, after having lost earlier to Decatur.

And though the Hawks lost 13-16 to Springtown last year, which threw the championship into a three-way tie, it was Iowa Park's luck with the coin toss that advanced the school into the playoffs.

The Porkys will enter Hawk Stadium with a perfect record Friday night. They've rolled up 102 points and allowed only 31 against a pair of Class AAA teams and a AA club.

They defeated Aledo 20-7 in the season opener, demolished Ranger the following week, 54-7, and last week came from behind to thump Decatur, 28-17.

Decatur aided in its loss by losing the ball six times on fumbles, but held a 10-point lead going into the final quarter.

Springtown left the conference this year after successfully appealing to the University Interscholastic League on the basis of wanting to play in a district with schools closer than Iowa Park and Breckenridge.

Texas Football magazine picked the Porkys as the pre-season favorite to win its new conference, 9-AAA.

While POJO lost most of its offensive unit to spring graduation, it returns most of its defensive platoon, including 220-pound linebacker Lynn

Homecoming

Homecoming, an event Iowa Park High School students and former students look forward to all year and talk about the next year, gets underway this evening and continues through Saturday night.

Kicking off the weekend will be a bonfire in the block between Third and Fourth streets, north of Ken's Pizza. Ignition is slated at 8 p.m.

The traditional homecoming parade is to form at 4 p.m. Friday at the junior high and get underway at 4:30, weaving its way through the downtown area and disbanding at Park West Shopping Center.

Theme of this year's parade is "Hawks - A Texas Tradition," and the state championship football team of 1969 will be a feature entry.

Coronation of homecoming queen is to be at 7:30 p.m., before the kickoff of the football game be-

HOMEcoming QUEEN CANDIDATES will be on hand for the 7:30 p.m. crowning ceremony Friday, prior to the Iowa Park-Springtown football game. They are, from left, Tina Escue, Kerri Richardson, Wendy Trantham and Lana Swan.

Whoop-T-Do

Whoop-T-Do 1986 will take on an old-time appearance as Iowa Park joins the rest of the state in observing the Sesquicentennial.

Besides all the regular booths operated by non-profit local organizations, there'll be an old fashioned costume contest, baking and canning goods judging and games that were favorites in earlier years.

And to top it all off, Iowa Park will host the first World's Fried Okra Cookoff.

Special Sesquicentennial medallions have been minted for awards to various winners.

The best-dressed man, woman, girl and boy will receive one of the medallions. Entrants must register at the Chamber booth by 10 a.m., in order to be judged.

The canned and baked goods event promises to be a big hit for area homemakers. Entry deadlines are 9:30 a.m. for canned goods and 10 for baked goods.

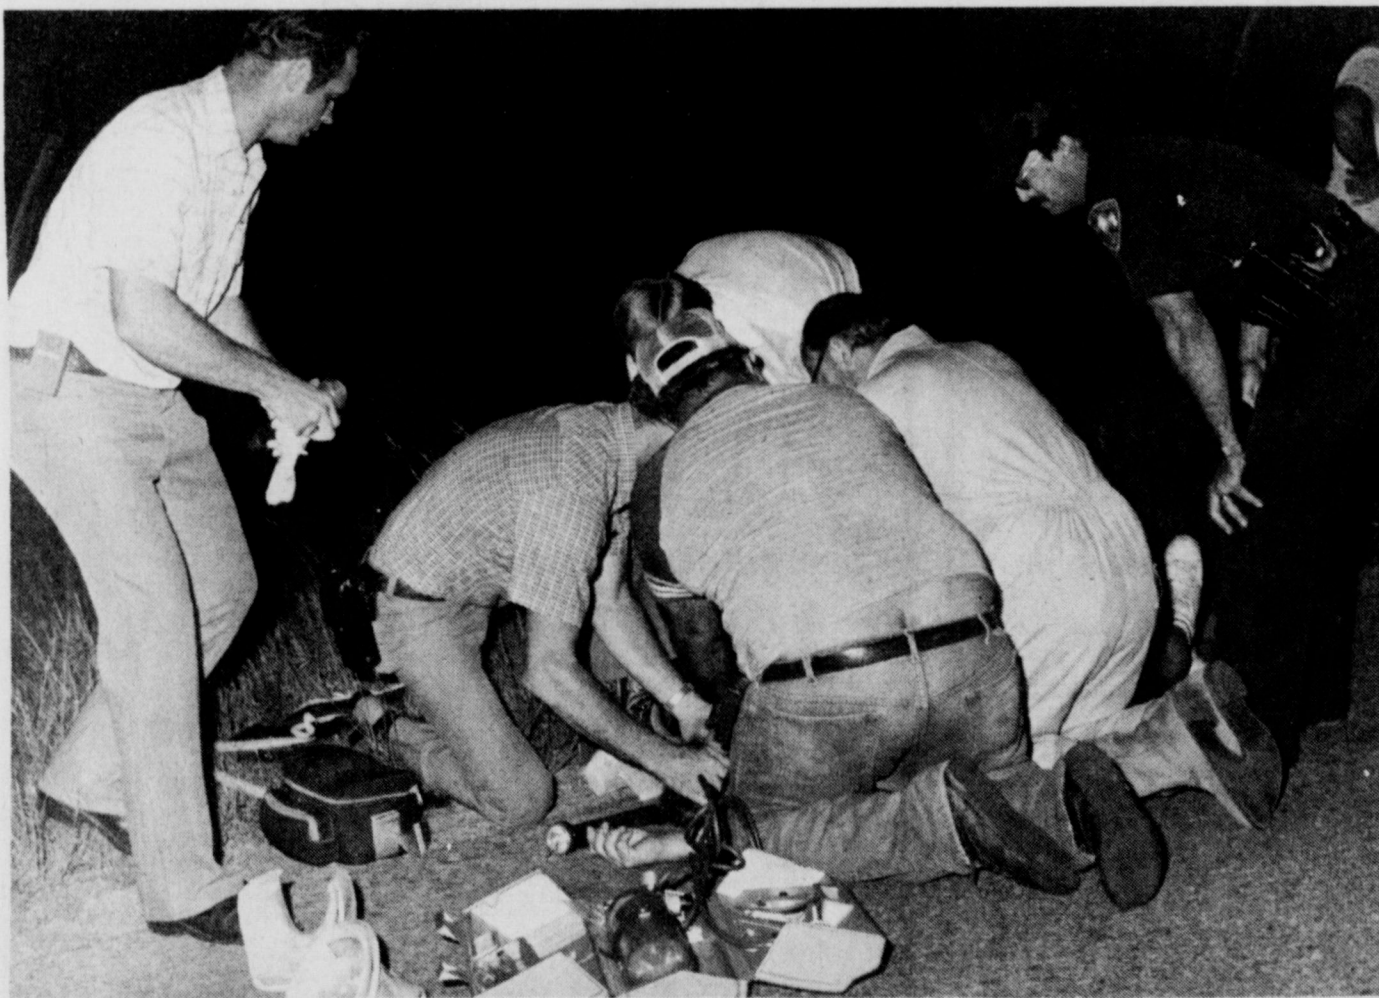

Special judges have been recruited for the Sesquicentennial events. They include Cindy Bradford, KFDX-TV and Bill Sparks, KLUR, for the okra cookoff; Mike Campbell, KGTM and Cindy Bradford, for the costume contest; Skip McBride, KFDX-TV, DeeDecker, Nanette Kendall and Jerry Miller for the food fair, and Iowa Park High cheerleaders for the beard contest.

As has been the prize in the past

for the Turtle Trot, Tanner-Aulds Funeral Home will award a \$25 cash prize to the owner of the winning entry.

Whoop-T-Do booths sponsors and their activities this year include: First United Pentecostal Church, peanut brittle and hand-made items; TOPS, rummage sale; Eastern Star, homemade ice cream, cupcakes, coffee; Kidwell P-TA 1, live gold fish pond; IPHS Alumni Association, mini-donuts, T-shirts, personalized sun visors; Faith Baptist Church Youth, saw-horse pillow fight; Teens for Christ, rope ladder climb; Dynamites Dance Team, mini-pizzas, punch, tote bags, flippy flyers; Highland Cemetery Association, calenders; Christ the King Ladies Auxillary, cookbooks; Rotary Club, William Tell arrow shoot; Cornerstone Church, lemon wedges-peppermint; Football Boosters, basketball throw, Hawk items; Camp Fire, cakewalk; Lakeview Church Junior Choir, photo booth; Lioness Club, cakes and pies; Amity Study Club, pencil pull, face painting; Kidwell P-TA 2, wheel of fortune;

EMERGENCY MEDICAL TECHNICIANS APPLY CPR ... on accident victim Sunday.

First traffic fatality in two years recorded

Iowa Park's first traffic fatality in almost two years occurred Sunday evening when a man walking was struck and killed by a pickup on the westbound access road west of Pacific Avenue.

Killed was 57-year-old Bobby T. McBride, who lived at Woodbrier Apartments but worked in Electra.

He was walking with three men acquaintances, Donald Watford, H.W. Gordy and Herman Smith, when he was fatally injured by a pickup driven by Connie Lamee Hudson, 21, of 713 S. Wall.

The accident was reported to

Iowa Park police at 8:24 p.m., according to police records.

The four men had reportedly walked east on the opposite side of US 287, and were returning to their apartments when the accident took place.

Riding with Mrs. Hudson was Tammy Yarbrough, according to the accident report.

McBride, who was walking on the north side of the pavement, was struck from the rear by the front headlight. His body was thrown into the right side of the windshield and

then to the pavement.

Emergency personnel from the Iowa Park Volunteer Fire Department performed CPR on the victim until Dr. Earl Watson arrived and pronounced him dead.

McBride is the first traffic fatality in the city since Jackie Denton, teacher/coach in Iowa Park schools, died as a result of injuries sustained Oct. 11, 1984. He also was walking when struck by a vehicle.

Chief Bob Dean said Wednesday his department continues its investigation and no charges have as yet been filed.

City meeting set Monday

The city council is expected to award a contract for smoke testing of the sewer lines during Monday's 7 p.m. meeting in council chambers.

Bids were sought to have the sewer lines smoke tested to detect places in the line where rain water enters the line and eventually overloads the sewer treatment plant.

James Barrington, city administrator, said only one bid was received, but it was less than anticipated.

Barrington said he will ask authorization to advertise for grass grazing leases at both Iowa Park and Buffalo lakes.

A discussion will be held concerning a reciprocal agreement with Wichita Falls and Burkburnett which would recognize each city's licensing of electricians.

Also to be discussed are the city's logo (emblem) project, and the possibility of purchasing a covered wagon to be displayed in city hall park.

The city several months ago asked proposals for an emblem which could be used on letterheads and on signs and Barrington said one will be considered Monday.

The site where the covered wagon might be situated would be where the old military vehicle was displayed several years. The concrete base, next to the post office drive-through would be used.

A late addition to the agenda is a discussion on traffic in the areas of the two elementary schools.

Cook of the Week

The recipes that Nancy (Mrs. Ray) Willingham shares with Leader readers this week reflect her Italian heritage and her fondness for the foods of Italy and Old Mexico. She gives a Guacamole recipe that she thinks would go well with her Taquitos which calls for two avocados.

The alternative term for avocado is "alligator pear" and some say that it is because it is grown in Florida in alligator country. However, it was being called by that name before it ever reached Florida by English-speaking Jamaica.

We are told that the avocado is a native of Peru, but most authorities agree that it is a native of Mexico and adjoining territory. The Spaniards first found it in Peru in 1527, which probably caused the error, but it had already been described in 1519 by one who had discovered it in Columbia.

A horticulturist named Henry Perrine has been credited with the first to plant avocados in Florida in 1833. But avocado culture did not get underway in the United States until 1900, when Florida fruit growers became interested in its possibilities.

The West Indian type of avocado is the most determinedly tropical and it is the one chiefly planted in Florida, the only place in the United States where it can be grown. The Mexican avocados are the specialty of California, and the Guatemalan avocado can be grown in either state.

Nancy was graduated from high school in Covina, Calif. She met Ray when he was in the Marine Corps stationed in that state. They have lived in Iowa Park three years. She works at Wal-Mart Pharmacy and he works at Cryovac. They have two children, Angel seven years old, and Cassey two years old.

Her hobbies include gardening, cooking and bike riding.

As I See It....

By BOB HAMILTON

I seldom comment on the editorials of the Wichita Falls newspaper, because they usually lack substance and deal with national issues.

But the tripe under the editorial heading which appeared in Tuesday's issue so angered me, I can't let it go without response.

Some liberal took issue with the peace officers for having chased a vehicle Friday night, allowing such "was not justified."

The author's point was that the officers already knew the license number of the vehicle when they attempted to stop it, and "the defendant could be apprehended later."

This would be fine, if one could

presume there was no drugs being transported, no kidnapping victim in the vehicle, the driver was not involved in a robbery earlier, etc.

But when a peace officer signals for a driver to stop, and the driver speeds away, can the officer presume there's nothing wrong? I think not.

The driver had been drinking, it turns out. During the pursuit, he rammed his vehicle into four vehicles, one driven by a Department of Public Safety trooper and three by deputies of Wichita County Sheriff.

The chase lasted almost an hour. Should such a driver be allowed to continue on his merry way, and peace officers find him through his license plate identification at a later time to

talk to him?

The editorial writer apparently knows little about law, and is more concerned about getting his licks in on people who don't have the same opportunity to tell their side of the story.

I appreciate the efforts of those officers. I was listening to their conversations on my scanner radio and am well aware of all instructions to be cautious so others would not be endangered.

I'm also aware that two of those officers, Deputy Sgt. Claude Morrow and Trooper Ronnie Miller, had their vehicles rammed and both were slightly injured by a driver who had no business being on the road.

Nice going, guys. You did the job the public wants, and your efforts should be appreciated. And praised.

Those two officers, by the way, are long-time residents of Iowa Park.

Now, on a happier note, let me welcome all our former students back home for Homecoming '86.

We hope you have the time to drive around town and see all the improvements. We're very proud of them and we want to share our pride with you.

We hope you have a good time, that the weather holds fair, and you mark your calendar to come back again next year.

Again, Welcome Home!

Man arrested here on burglary charge

An Iowa Park man was arrested on a burglary charge Tuesday, but not in relation to any of five theft cases reported during the past week.

Det. Tommy Adams arrested Bennett M. Brookshire, 22, on a charge of felony burglary of a habitation and turned him over to Wichita County Jail.

Brookshire was charged with the Sept. 2 theft at 300 E. Magnolia.

Another person was arrested Tuesday evening and charged with theft of a set of maroon satin waterbed sheets from Wal-Mart.

Police were notified by telephone and the woman and three companions were stopped in the 400 block of West Highway a minute later, according to the police blotter.

Arrested was Gail Renee Murphy, 18. She was released to a county deputy to be taken to jail.

A.J. Doblar, 408 W. Washington, reported the theft of a home-made goose-neck trailer, license tag number 64866M.

Two residents of building 400 of Woodbriar Apartments told police Thursday morning gasoline was taken from their automobiles overnight. Filing the reports were Susan Medina and Michelle Wells.

Sheila Staggs, 1119 W. Louisa, reported Saturday that someone had stolen the rear view mirror from her car.

Bradley Loucks said \$195 worth of miscellaneous tools was taken from 205 W. Lafayette.

Three men were arrested during the week on outstanding warrants from other departments.

Gary Dennis Brown, 21, was arrested at 2:23 a.m. Saturday in the 300 block of W. Diamond on warrants issued by Wichita County Sheriff's Office.

The warrant was for "burglary of a building with intent to commit theft." He was released to a deputy at 7:51 a.m., according to the blotter.

Victor Allen Richards, 22, was

Water restriction eased, despite no announcement

The outside water use restriction has been lifted, though the City of Iowa Park has never been formally notified.

Arrested at 1:48 a.m. Monday was Jeffery Lee Godwin, 23, in the 500 block of S. Wall. An outstanding warrant for no proof of liability insurance had been issued by the Wichita County Sheriff's office.

Hawks

Villari and defensive end Daren King, 210.

Two Hawk starters were still questions Tuesday, as to whether they would be able to play tomorrow, because of injuries sustained in the Seymour game.

Linebacker/guard Dennis Phillips and wide receiver/cornerback David Miessner are both nursing badly-sprained ankles and had not worked out early this week.

Defense has been the backbone of the Hawks thus far this season, allowing an average of only 116 yards rushing and 56 passing while earning a 2-1 record.

Offensively, the Hawks are averaging 168 yards rushing and 27 passing, despite no completions of two attempts last week.

Danny Forman has shouldered most of the rushing responsibilities this year, while last year's leader, Scott Weaver, is still recovering from an injury he suffered during the summer.

Forman, who gained 116 yards last week against a tough Seymour defense, is averaging 5.2 yards on his 52 carries thus far.

Of the 29 pass attempts by the three Hawk opponents thus far, only nine have been completed, and seven have been intercepted.

Administrator James Barrington confirmed Wednesday he has never been contacted by anyone from Wichita Falls, which initiated the restriction.

Barrington said his only knowledge of the ending of the restriction was through Wichita Falls media.

"I thought it funny that they (city officials) got in touch with us real quick when they announced the restriction, but never contacted us when they stopped it," he said.

Wichita Falls imposed the outside watering restriction program during the latter part of the summer when demand was greater than its capacity to produce treated water.

The restriction was imposed on all communities which purchase water from Wichita Falls, Iowa Park being among them.

FOUR WAYS TO TAKE ADVANTAGE OF YOUR ELECTRIC COMPANY.

Smart people know how to take the hassle out of paying electric bills. They know about Texas Electric's programs and services that make things a lot easier.

Look over these options; one may be right for you. Then call Texas Electric and get started as early as next month.

EVEN OUT YOUR BILLS WITH AVERAGE BILLING.

Our Average Billing Plan doesn't give you any surprises. It lets you pay about the same year 'round, based on a 12-month aver-

age. Which means you can plan around your budget.

PAY STRAIGHT FROM YOUR BANK WITH AUTOMATIC DRAFT.

With Automatic Draft, your bank, savings and loan, or credit union can pay each electric bill by a simple draft. You can be sure your bill is paid, and save time as well. What's more, you receive a copy of every bill for your records.

THE SENIOR CITIZENS' PAYMENT OPTION.

If you're a senior citizen, you can arrange to pay your electric bill after you receive your retirement

or pension check. It really comes in handy if you're living on a budget or fixed income.

HELP FOR SOMEONE WHO NEEDS IT.

If you're ill or disabled, our Special Friend Program will notify a neighbor, friend or relative of your choice, should a bill become past due. You're still responsible for paying the bill, but your friend will help ease your situation, and your peace of mind.

Take advantage of your electric company. We're here to give you the breaks you deserve.

UMW meets

Mrs. China B. Smith concluded the study of "Daniel - a Tract for Troubled Times" Tuesday morning for the United Methodist Women.

To begin the study, she read the prayer of Azariah, then reviewed on tape chapters 9-12 which showed that history is not to be determined by man because its end lies in the hand of God.

Mrs. Smith stated that Daniel is recognized as one of the greatest prophets in history and that the study of his book has been of the historical, literary and theological content. She said that he speaks to us today through his visions, wisdom and belief in God, and observed that his vision of the last days present the dominant role of the angels in the development of history.

Quoting the author of the book, Mrs. Smith said that it is not a blueprint of what is happening now in the world, what is going to happen, or when the end of the world is going to be.

To conclude, she gave the opinion of the author concerning the end of time, stating that it was the business of the church today to recognize that it was in God's hands, and to be busy in his ministry serving in the community and to the ends of the earth.

ROBERT ADAMS CROSSES GOAL LINE FOR ONLY TOUCHDOWN

DANNY FORMAN GAINED 116 YARDS

Hawks edge state-ranked Panthers in 7-0 thriller

Seymour's Panthers proved to be every bit as tough as their sixth-place ranking among Texas Class AA schools, but were unable to cope with the Hawks' fourth-period rally.

And Iowa Park extended its season record to 2-1 by defeating the hosts, 7-0, Friday night.

Coach David Baugh borrowed a play out of the Chicago Bear's book and had the ball handed off to guard-turned-back Robert Adams for the only touchdown of the game, early in the fourth quarter.

The scoring drive was a spectacular display of power, covering 66 yards in 12 plays.

It began at the Hawk 34 yard line with 2:41 remaining in the third period.

With Scott Davis in as quarterback, Danny Forman ran three yards, David gained four more, and then Scott Weaver picked up a first down on an eight-yarder. Weaver picked up four more and Forman got another first on an eight-yard gain.

When the team switched ends of the field for the final quarter of play, Baugh sent in his reserve fullback, Jim Cummings, and the big junior ran off six consecutive plays to the Panther one-yard line.

The defense apparently was watching Brad Huff, the starting quarterback and a good passer, return to the field and didn't see Adams line up in the backfield.

Seymour, apparently defending against a pass on the fourth-down play, was caught off guard as Adams took the handoff and headed toward right end.

He was unchallenged until he reached the goal line, but the smaller secondary player was no match

for the 200-pound Adams, who scored his first varsity career touchdown.

Then, with 8:30 remaining in the game, Adams calmly booted the ball through the uprights for the point after.

Seymour had completely dominated the first quarter of the game, gaining 50 yards and six first downs while holding the Hawks to only 10 yards on the only three plays they ran from scrimmage.

The domination continued through the second period, with the hosts gaining 39 more yards rushing and completing two passes for an additional 58 yards.

The Panthers almost lit up their scoreboard in the final moment of the half on a 28-yard field goal attempt. But the ball narrowly missed the left upright.

It was pretty much all Iowa Park the second half, as the Mean Green defense allowed the Panthers only 50 yards rushing and eight passing, and a scant two first downs.

A big part of that defensive play led to turnovers by the Panthers, four.

Three of the turnovers were credited to Jeff Huff, who had two interceptions and a fumble (and also a wipeout of a newspaper photographer). His fumble recovery was in the third quarter and both interceptions were in the final frame.

Eric Whitman covered the other fumble, also in the fourth quarter.

Davis appeared to have an interception in the first quarter, but pass interference was ruled and the

Panthers retained possession.

Seymour put itself in the hole on the possession before Iowa Park's scoring drive, by way of three consecutive major penalties.

Taking a Hawk punt on their own 26, the Panthers found themselves on their own eight yard line when they were first called for clipping, and then two holding flags were thrown. They punted from their own 22 to end that possession.

Iowa Park's only turnover was in the second period, when Weaver mishandled a handoff from Huff, and the Panthers captured the ball on their own 19.

Forman became Iowa Park's first 100-yard gainer of the season. He amassed 116 net yards on 21 carries.

Weaver carried nine times for 44 yards. Cummings picked up 36 yards on his eight consecutive totes.

Brad Huff attempted two passes during the game, and both fell incomplete.

Insomnia Aid

For people who have difficulty getting a full night's sleep, researcher Peter Hauri recommends one or more of the following procedures:

- * Get up at the same time every morning (even if you don't sleep through the night) in order to set your internal awake/sleep clock.

- * Go to bed at night when you are tired.

- * If you awake during the night, relax in bed for a while. If this doesn't work, get up and do some quiet activity until you are sleepy again. Then go back to bed. Repeat as often as needed.

- * Avoid drinking stimulating drinks in the afternoon and evening. If necessary, eliminate them entirely.

- * Avoid eating heavy meals late at night, and during the night (as a snack). A midnight snack of hot milk and crackers helps some people to sleep.

- * Learn to use relaxation techniques and practice them before bedtime.

- * Try each of these techniques for at least one week before discarding it.

- * If none of these work, consult your doctor or contact a sleep disorder clinic.

SWBT supports program that addresses school dropout problem

Texas' most precious resource is not oil or gas, but rather the young men and women of the state. Unfortunately, a large proportion of these youths will never reach their fullest potential because of their decision to drop out of school. They end up cheating themselves, and society, out of the contributions that only they and their unique talents can make.

Recently published statistics reinforce the severity of this problem: The dropout rate in Texas hovers around 30 percent. Last spring alone, one out of every three potential high school seniors in the state — about 80,000 — failed to graduate.

This problem affects all of us, since young people with little education often turn to crime when they are unable to find a job. In 1985, more than 100,000 people under the age of 17 were arrested in Texas. And, this is not a new phenomenon — 85 percent of the 30,000 inmates in Texas prisons are high school dropouts.

Although these numbers paint a grim picture, a group of concerned citizens have approached this age-old problem with a new and promising solution — it's called Communities in Schools (CIS). We, at Southwestern Bell Telephone, feel that CIS will pay future dividends to the people of Texas because it addresses the individual needs of our state's troubled youths.

A highly focused program, CIS coordinates efforts of many social service organizations into a centralized, efficient, yet humanized, unit. It works closely with public education personnel to encourage students — who run a risk of dropping out — to complete their education.

CIS treats students as individuals

CIS counselors work one-on-one with these students to solve problems that often cause them to drop out. It takes a "whole child" approach, recognizing that many factors — including family, financial and psychological concerns — affect a youngster's decision to leave school.

Southwestern Bell Telephone has been an enthusiastic supporter of CIS since it began as a pilot program in 1979. Through the past seven years, we have provided direction, money, equipment and manpower to give floundering students in Texas another chance at a good education.

SWBT believes in the program because it works: Since its inception, CIS has helped more than 5,000 students. Even more impressive, over the last two years, 87 percent of the youngsters in the CIS summer program are still in public school, or have gone on to college, additional training or unsubsidized jobs.

We are happy to report that under the leadership of SWBT's Texas Division President Jim Adams, the program is spreading into additional school districts across the state.

Although CIS is not available in all Texas communities, SWBT is committed to building a better state, through its participation in organizations like CIS. We feel it's our obligation — and privilege — to enhance the quality of life for all Texans, through state-of-the-art telephone service, as well as worthwhile community programs.

Be sure to check your local television schedule for the airing of "Hispanic Dropouts: America's Time Bomb," a documentary that explores why so many Hispanics are leaving school and what can be done to prevent it. Written and produced by Southwestern Bell Telephone, it features Miami Vice's Edward James Olmos.

Big Red defense shuts out 'Rabbits'

HOLLIDAY - The Holliday Eagles shut out the Bowie Jackrabbits 28-7 in front of a homecoming crowd Friday night to give the Big Red a perfect record of 3-0 for the season.

The first half was slow for the Eagles, ending with a score of 7-7.

After Bowie scored early in the second quarter bringing the score to 0-7, Eagle tailback Tim O'Brien fumbled the ball on a return, giving it back to the Jackrabbits.

But, six plays later, a pass interception and 38-yard return by Eagle quarterback Pat Maxwell put the Eagles back in the picture running the ball to the Bowie 36. Three plays later, O'Brien scored the Eagles first touchdown for the night as well as kicked the extra point.

The second half proved to be the difference for the Eagles.

During the third period, David Hoepfner was twice responsible for getting the ball across the goal line

with one good extra point kick by O'Brien to bring the score to 20-7.

To finish up the game and the Jackrabbits, a fourth quarter touchdown by O'Brien and a dazzling two-point conversion brought the final score to 28-7.

Holliday is scheduled to face Childress on the road tomorrow at 8 p.m.

Prior to the game, Staci Moore, escorted by Tim O'Brien, was crowned football queen. Other nominees include Lana Parish, Lynn Lee Smith, and Libby Thomas.

Stephanie Fleming was named Band Sweetheart during half-time festivities. She was escorted by Mike Martin. Also nominated were Jamie Murphy, Kristan Phillips and Pam Long.

Miss Fleming was also crowned Round-up Queen, with David Parkey as her escort. Her court consists of Deanna Segler, Kerri Hux and Libby Thomas.

Oct. 4 Playday at Bowie to benefit Rehab Center

"A big day and a family fun day in Bowie" is the way that chairmen describe the upcoming Oct. 4 Playday to be held by the American Association of Sheriff's Poses and Riding Clubs.

The Playday is a benefit for North Texas Easter Seal Rehab Center in Wichita Falls. Events will begin at 10:30 a.m.

Proceeds from this first annual event for the Center will treat disabled children and adults. The Center serves a 15-county area surrounding Wichita Falls.

Playday events will be held at the Bowie arena, located about two miles out of Bowie off U.S. 287. Exit off the highway on FM 174 at the Fina station, Lynn Gray, Bowie chairman, said.

Entry categories are: 0-6, Super Peewee; 7-10, Peewee; 11-14, Junior; 15-20, Intermediate; 21-44, Senior; 45 and over, Super Senior. Entry ages from Junior through

Super Senior will be divided into male and female categories.

Entry fees are \$1 per event and registration may be made the day of the activities. Public admission is \$1. Ribbons will be awarded in the junior and below age categories.

Events include the barrel, flag and baseball races, quarter horse poles and pylons, as well as some "fun" events.

Jim Duncan, promotions director for the association, said, "We would like to have as many people as possible come out and ride or sponsor an event. This is a family activity and a family organization."

Also assisting with the Bowie Playday are Kemp Denson of Bowie and other Bowie citizens. Gene Worthington of Jacksboro is region president.

game, it was the defense that was called on to stop the hard-running backs of the visitors.

With the Hawks leading 20-0, Henrietta scored two touchdowns on three plays before the defense shut them down.

Defensive leaders were Scott McNeely, Jason Miller, Patric Kennedy and Chris Cavinder.

Leading offensively was Miller, who scored twice rushing and completed two of three passes, one an extra point conversion to Kingcade.

Kennedy scored the other TD, on a four-yard dive.

Dillard carried 11 times for 78 yards; Miller five for 15; Kennedy, six for 21; Thompson nine for 44, and Kingcade four for 40.

The Midget Hawks host Quanah next.

Midget Eagles 26 Burkburnett 6

Holliday's Midget Eagles used the broken field running of tailback Rob McIlhenny to outscore the Burkburnett Bulldogs, 26-6, Saturday night.

McIlhenny scored on his first three carries of the game, on runs of 36, 57 and 25 yards, respectively.

Blake Belcher added a two-point conversion and a 15-yard touchdown run late in the game.

The only Bulldog score came early in the third quarter, on their first pass completion of eight attempts, covering 80 yards.

Burk gained nine yards on 37

carries, and the TD pass was the only completion of nine attempts in the entire game.

The Eagles completed five of 15 passes for 72 yards, and compiled 143 yards rushing on 20 plays. But the Eagles lost three of nine fumbles.

Jason Menasco caught two passes for 30 yards and Bubba Turner caught one for 40 yards.

Offensive line coach praised Shane Cusick, W.E. Parish and Johnny Stewart.

Holliday, 2-0 so far this season, hosts Seymour this week. The Bulldogs play their first home game against the undefeated Electra Tigers.

Peewee Hawks 12 Henrietta Cubs 6

The Peewee Hawks moved their record to 2-0 in a tough defensive struggle against Henrietta.

The Hawks came from behind to score as the fourth quarter ended, and won the game 12-6 in a tiebreaker.

Iowa Park couldn't get untracked in the first half and Bryant's 62-yard quarterback sneak gave Henrietta a 6-0 halftime lead.

Jason Young and Chad Simpson led the Hawk defense in the first half as Henrietta made only eight yards besides the TD run.

The Hawks took the second half kickoff and drove 35 yards to the Cub 10, where Henrietta held on fourth down.

Henrietta drove to midfield in nine plays, where the Hawks held and took over with three minutes left in the game.

Behind Clint Witherspoon's sweeps and Cory Thompson up the middle, the Hawks moved to the 13-yard line.

With only 15 seconds remaining, Witherspoon took Robert Klinkerman's pitchout and went around right end for the tying TD.

The extra point try failed.

In the tiebreaker, Henrietta started at the Hawk 20 yard line and had

four plays to make either a first down or a score.

The entire Hawk defense arose to the occasion, and with keyplays by Rusty Downs and Casey Moser, the Cubs lost 19 yards in their four plays.

The Hawks then started from the Henrietta 20. Witherspoon and Thompson runs gave the Hawks a first down at the seven.

Then, behind good blocking on the left side, Witherspoon swept the end for the winning touchdown.

Midget Hawks 22 Burkburnett 6

The Iowa Park Midgets got the season started off on a winning note, with a 22-6 victory over Burkburnett.

JV, Frosh play today

The Hawk Junior Varsity will put its 2-1 season record on the line at 7:30 this evening when it travels to Wichita Falls to play Hirschi.

The JV had to earn a come-from-behind victory here last Thursday against Vernon to improve its season record.

Down 14-0 going into the final quarter, Iowa Park scored three touchdowns, a two-point conversion and kicked an extra point for the win.

The Freshman team, now 1-2, will host Holliday at 5:30 p.m. today in Hawk Stadium (unless the field is wet; the junior high field is the option location).

The Frosh lost a squeaker last week to Vernon, 12-20.
