1915 Ozona High Basketball Team Holds Reunion

Team Recognized and Presented Awards 46 Years After Season

Several months ago, when the final announcement was made and the ex-students of Ozona were being notified of the fourth-coming reunion to be held in July, Dr. D. H. Weaver of Houston wrote County Judge Smith, suggesting a reunion of the 1915 Ozona High School basketball team.

The 1915 team had been a unique one in a number of ways, it was Ozona's first basketball team, it was undefeated, and eight members of the team and the Coach were still among the lists of those invited to attend Ozona's fourth homecoming.

Those present at the business session and program for the exes July 13th in the high school auditorium, saw five members of the team presented with gold basketball awards in lieu of awards not presented to the team in 1915.

Present for the giving of the awards were: Wayne West, Welton Bunger, Bascom Cox, Ernest Dunlap, and Hollis Weaver along with Coach Houston Smith who presented the team with the awards.

Missing on the 13th of July, but still around were: Bill Grimmer who resides in Iowa, Lucian Craig who lives in Houston, Warren Friend of Ft. Davis and Rex Bland of Midland.

In the fall of 1914, the High School Principal, Houston Smith, who had recently been in the University of Texas, thought it would be a worthwhile project to have a basketball team in Ozona, and since he had a little training in the game, it was decided that a court would be built and a team organized.

A good part of the fall was spent in building the court which was east of the present Junior High. Dirt was hauled on a barrowed wagon to the site, and leveled with rakes while a local blacksmith was hired to make the hoops The total of cost of the project was about $13.00 but later when the bill was presented to the school board it was not paid since the board felt it was too expensive and Smith wound up paying the bill out of his own small salary.

(Continued on Page 5)

1915 BASKETBALL TEAM is presented awards by Coach Houston S. Smith. Left to right stand Ernest Dunlap, W. H. Bunger, D. H. Weaver, Wayne West, L. B. Cox and Judge Smith. Two other members of the team, Bill Grimmer and Lucian Craig, are missing from the picture.

Community Center Has Active Summer Plan In Progress

The Ozona Community Center is in the midst of a very active summer program with over two hundred and fifty enrolled in organized activities.

Day Camp meets five days each week with a program of games, crafts music and English. A large number of perfect attendances has been reported during these first three weeks.

Scouting has been continued this summer and three Boy Scouts attended the Aquatics Camp at Sol Mayer. They were Oscar DeHoyos, Eddie Vitela and Heraclio Herrera. The Brownies have been working on Folk Games at their weekly meetings.

Some of the girls who have assisted with the younger children at Day Camp took a trip to Laredo Saturday and Sunday where they visited Holding Institute, a school for Spanish-speaking people also sponsored by the Methodist church. A short visit across the border and a stop at the Shahan Ranch Alamo made this a very interested trip.

The following girls enjoyed the trip: Lucia Diaz, Mickey Vargas, Cynthia and Jessie Reina. Mike Lillard of Chattanooga, Tennessee has been an assistant in Day Camp and accompanied the girls with their leaders Miss Wolf and Miss Price on the trip. He is the nephew of Miss Price and has been helping this summer.

Gaines Teague of Slaton, Texas, has been a visitor in the home of Miss Doyle Coates of Ozona this week.

Sonora Stars Top Ozona 7-2 To End Local Season

Ozona Held To Two Hits, Sloppy Defense Aids Both Teams

The end of the season came early for the Ozona all-stars Monday night in Sonora when they dropped a 7 to 2 decision to the Sonora all-stars, in a error filled game.

Lanney Cook, a big strong, left hander kept Ozona hitters at bay, giving up but two hits while his team mates jumped on Ozona pitching for six hits which combined with some real shakey support were turned into seven runs.

One of the Sonora hits was a home run by Mickey Esquivel with one man on, but the blow came after the issue was no longer in doubt.

Randy Upham was the starter and looser for Ozona but pitched better ball than the score would indicate Sonora did not turn in any exceptional defensive game either committing five errors but off set the miscues with some fine plays and tight pitching in the clutch.

The win was a particularly sweet one for the Sonora team since it marked the first time Sonora had ever won a game from Ozona since the two leagues were organized.

The Sonora team will now face the winner of the Big Lake, Rankin, Mitkiff, playoff which was also played Monday night, had Ozona won Monday the game would have been played here since Ozona traveled to Big Lake last year, but since different teams may be involved on both sides this year the playoff site could be in either place.

Pierce Miller Named to Honor Roll of Business School at University

Austin, Texas — Barbara F. Cothern of Rosenberg and John Paul Johnson of Garland made all "A's" in 18 semester hours of course work during the Spring Semester to rank highest on the University of Texas College of Business Administration honor roll.

Betty L. Askew of Amarillo and Dan Henry Hanke of San Antonio took second honors with "straight A's" in 17 semester hours.

The honor roll of 293 students includes: Eugene P. Miller, son of Mr. and Mrs. Eugene Miller of Ozona.

oOo

The Evart Whites of Ozona are expected back in Ozona this weekend following a two week vacation which carried them into the great mountains of North Carolina and back through a number of historic and senic spots in the South including Natchez Mississippi.

Coatsworths Honored By Methodist Choir At Dinner Sunday

The choir of the First Methodist Church of Ozona honored Lt. and Mrs. Jim Coatsworth of the Ozona Radar Base with a covered dish dinner following worship services Sunday.

Lt. and Mrs. Coatsworth who have been at the base since near its opening several years ago have been active members of the church choir ever since their arrival at the base.

Members of the choir presented the Coatsworths with an electric broiler as a going away gift.

Mr. and Mrs. Coatsworth plan to leave Ozona for Dayton, Ohio, where Mr. Coatsworth will be employed by the Ohio Bell Telephone Company, following his separation from the service.

Pony League Team To Play Sheffield Here Tonight

Scrivner to Start For Ozona Team in First Game This Season

The newly organized Pony League team which consists of ex-Ozona Little Leaguers' play the Sheffield Pony Leaguers here in Ozona, at Powell Park, Thursday, the 27th of July at 8 p. m.

The home town boys are coached by Diz Reeves, College baseballer and Jimmy Barbee, a baseball enthusiast.

The team consists of Len Merritt, Dubby Scrivner, Leroy Cooper, Robert Cox, Dude Melton, Rodney Stewart, Ronnie Houston, David Lewis, Pete Montgomery, Jimmy Moore, Bobby Amthor and Robert Flores. Aaron Shackelford, Milton Colquitt, Rick Hagelstein, and Scott Mahon have made a few practices, but have not made enough to be considered as full-time ball players. Little Leaguers, Doyle Easterwood and Johnny Barbee have aided the workouts of the Pony Leaguers by their hussle and desire to play baseball.

Coach Reeves said, "That the

Boys Ranch to Hold Quarter Horse Show Saturday, July 29

Roy A. Minear, Midland, Texas, President of Boys Ranch of West Texas, has officially announced that on July 29th. Boys Ranch of West Texas will have their first Quarter Horse Show.

For the last eight months the boys, staff, and directors have been in the process of building a first class Rodeo Arena. The arena will offer the boys an opportunity to have their own roping rodeo events as well as making it possible to have other special events such as the Quarter Horse Show.

The first Quarter Horse Show will begin at 9:30 a. m., July 29, at the Boys Ranch which is located 17 miles west of San Angelo on highway 67. Alvie L. Cole, P. O. Box 716, Sterling City, Texas, phone number 28084 will accept entries. He is a member of the Boys Ranch executive committee and well known in the Quarter Horse Association, will serve as show manager.

The show is approved by the American Quarter Horse Association and the Quarter Horse Association of West Texas. Bill Hale, of Odessa, will serve as Judge.

The Chuck Wagon Gang, of Odessa, will serve a barbecue lunch.

The show will include the standard halter classes for Quarter Horses. Junior and senior performance classes will include roping, reining, cutting and barrel racing, plus Western pleasure classes for all ages.

In the realm of youth activities, which provides for showing of unregistered horses by youngsters 18 and under, events include roping, barrel racing and Western pleasure classes. This will be divided into two classes, 15 to 18, and 14 and under.

Greer And Moore Win Third Flight in Big Lake Golf Tourney

Red Greer and Buddy Moore took a five hole playoff to win the third flight in the first Big Lake amateur partnership golf tourney, the only Ozona Golfers to win.

The Ozonans were tied at the end of 27 holes with Blan Denton and C. I. Ashcraft of Big Lake but the Ozona pair emerged the winner after five additional holes.

W. R. Flippen and James McAfee both of Odessa fired subpar golf in winning the tourney. The Odessa pair fired a hot 96 on the twenty-seven holes Sunday to win easily.

A number of Ozona golfers took part in the first tourney of this kind the Big Lake Club had sponsored but only Greer and Moore were able to finish up among the winners.

LL Stars of 1960 Edge 1961 Team 9-8 In Benefit

George Cox and David Lewis Honor; Money for Sonora Trip Raised

The 1960 Little League all-stars scored one run in the final inning Thursday night to edge the 1961 League all-stars 9 to 8.

Lynn Merritt, Joe Garcia, Dubbie Scrivner, and Tony Salyes, a former Abilene Little Leaguer, pitched for the winners who came from behind in the final two farmes to win.

All-Stars coaches on both sides used all of their players but, the 1961 stars were minus Tony Garza one of the leagues leading hitters and pitchers who did not return from vacation with his family until Friday morning.

George Cox lead both teams at bat with a perfect night getting a double, a homer, and a single in three trips to spark the early '61 team lead.

David Lewis also homered for the '60 team, the blow coming in the fifth frame to tie the score.

Left hander, Randy Upham

Ozona To Host Semi-Annual Hill Country Firemen

All Day Meeting To Include Varied Program This Fall

Ozona has been chosen as host for the semi-annual Hill Country Firemans Association convention to be held in the fall it was revealed this week.

The Hill Country firemans association contains the fire departments from Sonora, Junction, Mason, Eden, Brownwood, Winters, Santa Anna, Eldorado, Menard, Coleman, Brady, Ballinger, Bangs, Bronte, Miles and Ozona and the convention is expected to draw from 300 to 350 firemen and their wives for the fall meeting.

Ozona was the site for a successful convention of the firemen in 1956 and the vote to return to Ozona was in the way of endorsing the good job the host fire department did at that time.

The fall convention which is slated to occur Saturday October 14th will be an all day affair beginning at 8:30 a. m. with registration, a business meeting and a program of entertainment which will also feature the days guest speaker.

Following lunch the various fire departments will compete with each other in a number of varied man, team races, having to do with fire fighting skills.

The convention will come to a close Saturday night with a barbecue for the visitors and hosts, and a dance to be held at a site yet to be named.

Ozona Fire Chief James Semmler and President Claude Montya and their staff will be in charge of the arrangements for the convention which is expected to be one of the largest meetings of this type ever held in Ozona.

High School Band To Begin Fall Practice Aug. 14

Bar-B-Q for Members And Parents to be Held on First Day

The Ozona High School band will start practice Monday August 14th with two sessions a day for the first week, band director Allen Morgan announced this week.

Band members and their parents will also have a barbecue following the afternoon practice the first day, sponsored by the band parents.

Following the first week of work the band will take the 21, 22, and 23rd off before beginning practice again.

Director Morgan asked that all band students be at the band hall at 8 a. m. on the 14th with their instruments ready to begin work for the rapidly approaching school year.

The fall school term is slated to get under way in Ozona on Aug. the 28th with High School registration slated for the week prior to that.

Elementary and Junior High students do not register prior to school entry in Ozona.

Director Morgan will be beginning his first full year as band director in Ozona having come to Ozona in the fall of last year following the death of Jim Campbell in a car wreck near Rankin.

Local Minister's Son To Conduct Meeting Here

Jess Hall Jr. to Preach In Church of Christ Meeting Starting Sun.

Jess Hall Jr., who preaches for the Church of Christ in Jefferson City, Missouri will conduct a meeting for the Ozona Church of Christ, beginning Sunday July 30 and continuing through Sunday August 6th.

Jess Hall, Jr., was born August 23, 1936 in Ft. Worth, Texas, and is the son of Mr. and Mrs. Jess Hall, Sr., of Ozona, his father being the minister for the Ozona Church of Christ.

Jess Hall, Jr., began preaching when he was 17 years old in Fort Worth, in 1953. Since that time he has served in the following churches as local minister, Millsboro, Tennessee, 1954-55; Tucker's Cross Roads, Tennessee, 1955-57; Sunny Slope congregation in Paducah, Kentucky 1957-June 1960 when he went to Jefferson City, Missouri.

Jess and his wife are both graduate of David Lipscomb College, Nashville, Tenn. He was graduated "magna cum laude" from David Lipscomb College in 1957, having served as president of his senior class. After graduation with a B. A. degree in speech, he taught speech and English in the Paducah school sytem while preaching for the Sunny Slope congregation in that city.

The Ozona Church of Christ extends a most cordial invitation to each and every one to come and enjoy these services with us.

Following is a schedule of the time and the subjects for this special series of meetings:

July 30, Sunday, 10:50 a. m. — Christ, the Gift of God's Love; Sunday, 7:00 p. m. — Standing on The Promises; July 31, Monday 7:30 p. m. — Can We See The Bible Alike?; Aug. 1, Tuesday, 7:30 p. m. — The Ethiopian Church; Aug. 2, Wednesday 7:30 p. m. — Your Hands Are Full of Blood; Aug. 3, Thursday 7:30 p. m. — Pulling Them Out Of The Fire; Aug. 4, Friday 7:30 p. m. — The Law; Aug. 5, Saturday 7:30 p. m.— The Prayer on The Cross; Aug. 6, Sunday 10:50 a. m. — How Shall We Escape?; Sunday 7:00 p. m. — God's Plan of Life.

Foy Hall of Fort Worth, Texas will direct the song services for the meeting.

———oOo———

WHO IS THE "WHIPPING HORSE"?

President Mohammed Ayub Kahn of Pakistan, the man for whom Mount Vernon was reactivated and official Washington thrown into a tizzy by the most Arabian Nightish state dinner in memory, made his pitch next day to a joint session of Congress. More accurately, it was his pitch and President Kennedy's in behalf of foreign aid.

And there are solons on Capitol Hill — in both the House and Senate — who reported it as the strongest support the President's multi-billion dollar proposal with its five-year back-door borrowing authorization has yet had.

President Ayub declared that US aid was a life-and-death matter to his country and to all newly-independent countries. Unless Pakistan was able to take care of its people, he said, it would become another Kremlin satellite within 15 to 20 years.

"It was a speech of great courage and great logic", declared the usually taciturn Speaker Sam Rayburn, while more bubbly members thought the visitor had done a great selling job. Chairman J. W. Fulbright of the Senate Foreign Relations Committee expressed a more cautious opinion. "I suppose it will have some effect," he said, "but he represents only one of 60 or so countries involved."

In his address, President Ayub referred to foreign aid as "a real whipping horse" and advised that "you'd better not get tired of it."

But Congressmen are beginning to learn that large numbers of their constituents are getting tired of it, and consider that, after about $84 billion worth of it, they are the "whipping horses". Post experience causes them to doubt that even this staggering largesse has purchased an appreciable devotion to Western ideals and viewpoints — which are frequently quite incomprehensible to the beneficiaries — to say nothing of loyalty or affection. And President Kennedy's new gimmick of borrowing from the Treasury back door and free from Congressional snooping, has been cooly received by disenchanted taxpayers.

And another aspect of foreign aid that the gentlemen of Congress might consider was brought up by President Ayub in his subsequent address to the National Press Club. Ardent as he is for aid to Pakistan, he views with alarm the consequences of such aid to India, which, he indicated, might employ it against his country.

Nevertheless, the Ayub speech was undoubtedly a shot in the arm to proponents of foreign aid and impressive to the waverers and the opposition, too. Furthermore, President Kennedy followed up the Ayub assist the very same day with a command White House meeting of members of the House Foreign Affairs Committee to push, it was reported, for his requested long term (up to 50 years), direct-from-the-treasury borrowing authority. And more such meetings are in prospect.

Thus the battle lines are tightening it is predicted that the foreign aid authorization bill will be passed. But there can be no White House victory until the appropriation bill is passed. Letters, wires and phone calls can still cut the handouts drastically — and defeat the iniquitous Treasury borrowing feature.

WISH I'D SAID THAT

"A communist is a fellow who borrows your pot to cook your goose in." — Fred W .Brown, Bergen (Edgewater, N. J.) Citizen.

"We're strongly opposed to socialized medicine, except that we believe the government should supply aspirin free to taxpayers." — E. M. Remsburg, Vista (Calif.) Press.

"A dime is a dollar from which the taxes have been removed."— John L. Teets, Nicholas (Richwood, W. Va.) Republican.

"The two words, Federal Aid, have become misleading by-words of the American vocabulary and thought, and as silent and effective Pied Pipers, have led us down a one-way street of false philosophy. Let's abolish, bury and forever abandon the term Federal Aid!"— W. M. Mims, Easley (S. C.) Progress.

"A modern college athlete is one whose father continually writes to him for money." — Walter P. Eichinger, East Grand Forks, (Min.) Record.

"If American prestige was on the skids during the Eisenhower administration, as President Kennedy insisted before the election, it certainly has not taken an upturn under the new adminisrtation." — Bill Palmroth, Sweet Home (Ark.) New Era.

"There's this to be said about money. The color never clashes with any outfit you're wearing'.' — E. M. Remburg, Vista (Calif.) Press.

"Rember this: The government or anyone else, cannot give anything to anybody without taking it from someone. For every giveaway, there must a takeaway — no matter how it's disguised or to what extent the giveaway is played up and the takeaway is played down." — George C. Keyes, Oklahoma County (Jones, Okla.) News.

Cold Front Sets Off County Wide Rains Saturday

Lightest Fall North; Sheffield Gets Five Inches Sat. Morning

A persistent cold front pushed through southwest Texas last Saturday bringing general rains to the Edwards Plateau region and just about blanketing Crockett County with measurements that ranged from three quarters of an inch in a few places, to near five inches near Sheffield.

A steady rain with no wind and not much electrical activity dropped one and three tenths of an inch of moisture in Ozona to bring the weeks total in Ozona to slightly over three inches.

The southearn and eastern parts of the county received the heaviest rainfall with measurements of from two to three inches.

Cloudy weather continued all of the first part of this week over much of the county and showers have fallen in many places this week but no widespread rain has fallen since Saturday night in the county.

Some rain measurements picked up by the Stockman during the week were as follows: R. A. Harrel 2 inch, Joe Bean, 1½ inch, Bill Ciegg, 2 inch, Max Schneemann, Jr., 7 inches, P. C. Perner, from ¾ to 2 inches west to east.

Even though the rain carried all the way to Fort Stockton at least, many ranches south and west of Crockett county did not get in on the rainfall. Jerry Hayes and Tom Powers reported no rain as did a number of other ranchers in the area but all were outside of the county.

Some of the ranches reporting lighter fall in the northwest part of the county received the rain last Sunday while others in the southeast part of the county shared in about a half an inch of rain that had not been previously reported in the paper.

The five inch rainfall in and around Sheffield was not widely spreaded. B. B. Ingham, Jr., reported only an inch but stated that the rain got much heavier just beyond their south and west fences.

The threat of more rain this week seemed very promising as warm damp air from the Gulf kept moisture readings in the area at a very high 40 to 60 percent and a new northerner pushed south.

The July rains following the heavy general rains in June have turned summer pastures in Crockett County the greenest since before the drouth and some ranchers believe since 1941.

———oOo———

Notes From The County Agent's Office

By Pete W. Jacoby

Farmers are reminded by C. H. Bates, extension farm management specialist, of their eligibility for a refund of the 4-cent per gallon Federal gasoline tax on that used for farming purposes. The claim should include all eligible gasoline gallonage purchased between July 1, 1960 and June 30, 1961.

The claim for refund should be filed on Form 2240 and not later than September 30, Bates said.

The gasoline on which a refund may be claimed covers that used for farming purposes and includes most normal production operations. Three exceptions, however, are noted by the specialist. They are gasoline used on the highway, even though for transporting farm products; that used for processing, packaging freezing or canning operations and that used for non-farming or personal purposes.

Records of fuel purchases should be kept to verify the refnud request and care should be exercised to avoid inaccurate or excessive claims, Bates said. He noted that Form 2240 does not apply to diesel and special motor fuel. Farmers who have questions regarding taxes on these fuels are advised to contact an Internal Revenue Service director. The county agent has on hand the forms for requesting the refund. They are available for the asking.

Texas farmers and ranchmen continue to show a real interest in the Great Plains Conservation Program, according Assistant State Conservationist Homer A. Taff of the Soil Conservation Service. Under Taff's leadership, Texans have assumed a leading role in rombatting erosion hazards in the nation's "breadbasket". The program now operates in 86 West Texas counties compared to 271 counties in the 9 other Great Plains states.

In the fiscal year ending Jone 30, Texas Farmers and ranchmen developed 821 contracts providing for complete soil and water conservation treatment on more than 1,600,000 acres. Since the program began operations in 1957, 2,732 contracts covering 5,438,368 acres have been completed in the state.

Details of the Great Plains Conservation Program vary with local problems and needs, Taff pointed out. In each county ,the program is developed and directed by a County Program Committee composed of state and federal agencies interested in agriculture. Complete information for your county can be obtained by contacting the local work unit of the Soil Conservation Service or your county agent.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman July 28, 1932

A modern electric milking machine was being installed at the Mike Couch dairy Wednesday, the new equipment to be put in operation for the first time Wednesday afternoon. The new milker is almost human in its perfermance and its manufacterers claim is several times as efficient as the human milker. Ozona people are invited to call at the dairy barn, watch the milker in operation and inspect the entire plant.

—news reel—

Fifty barrels of government wheat, milled into flour and distributed through the American Red Cross will be shipped to the Crockett County Chapter of the Red Cross early in September for distribution here among the poor, during the coming winter, it was announced by Rev. M. M. Fulmer, chairman of the local chapter.

— news reel —

A number of contractors have been in Ozona the past few days making an inpsection of the Ozona-Barnhart road preparatory to placing bids with the state highway department for surfacing the road with a caliche base course and double bituminous surface treatment.

—news reel—

Ozona's prospects for securing natural gas for local consumption before the winter months were brightened considerably this week with the announcement by Hugh Childress, Jr., President of the Lions Club that W. L. Woodward of San Antonio, who has been in communication with the club official for several weeks, would be in Ozona Friday to make a survey with a view of piping in Natural Gas.

— news reel —

Crockett county turned out with almost its entire voting strength to express its choice for the various candidates in Staurday's democratic primary election a total of 660 votes being cast in the four voting places in the county.

—news reel—

Jake Young says there is one thing he can say in favor of his car; it rattles before it strikes.

—news reel—

Rev. J. H. Meredith is confined to his home as a result of a strained knee. He expects to be able to preach Sunday however.

—news reel—

E. R. Kinser, rancher living in precinct 4 was elected County Commissioner from that precinct in he Democratic primary election Saturday. He succeeds Fleet Coates who has served the precinct on the county governing board for several years. Fleet Coates has moved from that precinct and is no longer elgible to hold the office.

news reel —

Mr. and Mrs. Ray Piner are the parents of a boy born Saturday.

—news reel—

Some of the defeated candidates are convinced that Crockett County harbors more liarers than any County in Texas.

—ws reel—

The Ozona Giants took an 8 to 2 drubbling at the hands of the last Texon baseball team on Powell field here Saturday afternoon, for the entertainment of the election day crowds. After the third inning the local fans had little to be happy about as the Giants were unable to make a serious threat after that frame.

—news reel—

Between twelve and fifteen thousand bonus veterans stormed the capitol on the closing day of congress, their last big push which came near getting out of hand was finally controlled by determined actions of police and bonus marchers leaders.

—30—

RODEO QUEEN — Miss Jan Pridemore, 17, daughter of Mr. and Mrs. Ottist Pridemore of Ozona was chosen Rodeo Sweetheart recently at the fourth annual Ozona Lions Club Junior Rodeo. Miss Pridemore will be a senior at Ozona High School this fall and was a contestant in the barrel race. Miss Pridemore represented Ozona at the opening parade of the Sonora Rodeo last week.

"I wonder why our *Electric* service (bill) is higher this month?"

Beg pardon, lady, but aren't you enjoying the big reason why?

OVER there in the window. Isn't that air conditioner new this summer?

Naturally, every time you get some new electric servant you use more electricity. Naturally, your bill will be a little higher. But remember these two facts about the electric service you now enjoy:

First, you do use more electricity for the simple reason that it's about the most efficient and dependable servant you can get! Second, the more electricity you use, the less you pay for it per average kilowatt-hour.

Can you think of a bigger bargain?

West Texas Utilities Company — an investor owned company

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer.

THAT'S WHY THEY TASTE SO GREAT.

Pony League —

(Continued from Page One)

following can be listed as possible starters" for the Thursday night game: Jimmy Moore or Bobby Amthor, catcher; Robert Cox, third bases; Pete Montgomery, center-field; Rodney Stewart, short-stop; Dubby Scrivner, pitcher; Dude Melton, first-base; Ronnie Houston, left-field; and David Lewis or Robert Flores at right-field. Ex-Little Leaguer, Len Merritt, has been reported as progressing nicely in Crockett County Hospital. Len has glandular fever which will keep him out for the remainder of the season. The loss of Merritt would definitely hurt the pitching staff since Merritt was to be a top contender for mound duties.

Jimmy Barbee, assistant coach, stated that the boys are progressing very satisfactorily. However, he said, that the boys were far from being a smooth ball club.

All boys between the ages of 13 thru 15, who are willing to give their all at workouts and games, please contact Diz Reeves or Jimmy Barbee as soon as possible.

Presently, the coaches and the ball players are financing the costs for the operation of the ball team. All donations towards equipment for the Pony League team would be appreciated very much by the coaches and the boys.

Umpires scheduled for Thursday night will be F. M. Cooper, behind-the-plate and Dub Reeves calling the bases. Roy Killingsworth will operate the announcing portion of the ball game. These men have devoted their time, free-of-charge, for the desire in getting a Pony League schedule started for next season. So that, the Little League boys who graduate will be able to further their knowledge in baseball.

All people who would like to enjoy a nice evening of baseball come to Powell Park, Thursday night at 8:00 p. m.

—oOo—

1915 Basketball —

(Continued from Page One)

When the court was finished it was decided that water would help pack down the court but since none was available at that location, the packing was done by simply playing on it until the dirt became fairly level.

Christmas had passed before any games were matched and then another unique feature came about, that of playing double headers, one morning and one afternoon game.

Since travel was difficult at best, it was felt that the making of such a trip was worth more than one game. From 15 to 20 games were played in this manner and strangely enough, even with spotting the other team the home courts, officials, and the trip, the Ozona team was strong enough to win every game even though some of them were rather close, Coach Smith recalled.

Uniforms, uniformity in balls, courts etc., had not been thought of too seriously, but at that time basketball was a rather defense minded game, and such things as accidental contacts were not called fouls (neither was a lot of intentional contact).

Basketball scores quite often resembled baseball scores due in part to the rules, but due mostly to the vigorous efforts of the defense.

Judge Smith recalled that many of his players that year were better than average athletes who could have made any of our basketball teams here in recent years. (It might be added that their defensive abilities would not have been over looked by the present high school Principal either.)

Dist. Governor To Present New Ozona Club with Charter

Ozona & Sonora Clubs Sponsor Program For Southside Club Tonite

The Ozona Lions Club and The West Sonora Lions Club will sponsor a Charter Night Program tonight at the Ozona High School Cafeteria for the Ozona Southside Lions Club.

The new Ozona club with twenty members was organized several months ago but will receive its official charter at tonights meeting.

The charter will be presented to the club by District Governor J. T. Jones, who will be introduced following addresses to be given by Lion D. Schley Riley, Deputy Gov. Cecil Bridges of Stanton.

President of the new Ozona Club is Alfonso Ramirez, Jr., who will accept the charter from Governer Jones.

The new Ozona club is the third new Lions club organized in this district during the past year, the other two having been the West Sonora Club, and the San Angelo Southside Lions Club.

The two Lions Clubs will be entirely separate units with the second club having been organized becaused of the growing community among the Latin-Americans of this city.

Guests and club members of three clubs will be welcomed by the Ozona Club President Woody Mason, who will in turn introduce the speakers for the night.

Following the call to order by Lion Santos Lopez of the Sonora Club, the singing of America, and the pledge to the flag, those present will be served dinner and then have a program of entertainment before the introduction of guests by Lion Charles Ratliff and the Welcome by President Woody Mason.

Mrs. Pearl Perner of El Paso, Texas, has been visiting in the home of Mr. and Mrs. Max Schneemann, Sr., this week.

Can't Stomach Any More

LL —

(Continued from page one)

started for the 1961 all-stars and worked two frames. Upham pitched very well but shakey support some of which he contributed to allowed the 60 team to score five times.

Humberto Ramos came on to pitch the second two frames and shut out the sixty team without a hit or run while his team mates aided by a two run homer by George Cox pushed to a 8 to 5 lead.

Little Catarino Cervantez pitched the fifth frame but was touched for three runs including Lewis' round tripper. George Cox finished on the mound and took the loss as the '60 team picked up one run in the final frame.

Rosie Seahorn and Ted Lewis managed the 1960 team which has grown almost amazingly since August, while Bud Cox had the 1961 team which despite the loss looked very good and gave a good account of itself.

LADIES GOLF AND BRIDGE

The monthly meeting of the Ladies Golf Assn., met last Thursday for golf, lunch, and bridge at the country club. Luncheon hostess was Mrs. John Lee Henderson and bridge hostess Mrs. Hugh Childress Jr.

In golf play in the blind bogey was won by Mrs. Jess Marley. Low net on club trophy went to Mrs. Marley, and the par nine Pierce trophey, was made by Mrs. Marley and Mrs. Demp Jones.

High score in bridge went to Mrs. John Lee Henderson, cut to Mrs. Early Baggett, and after the game each guest was presented with a hand made, hot dish pan holder, with their tally on it.

Those other than the ones named attending the days activities were Mmes. Hillery Phillips, Lindsey Hicks, Gene Williams, Ashby McMullan, W. T. Stokes, Marshall Montgomery, J. S. Pierce, III, Sherman Taylor, Coralie Meinecke, Byron Williams, Arthur Kyle, Sidney Millspaugh Jr., Lloyd Sherrill, Carl North, W. T. Bradbury, Geo. Bunger, Boyd Baker, Frank McMullan, Joe Pierce, Jr., and Guy Tribble of Dallas.

Woman's League To Sponsor August Story Book Hour

A story book hour to be held on Friday during the month of August is to be sponsored by the Ozona Woman's League it was announced this week.

The first story book hour is to be held on the 5th of August at 9:30 a. m. at the North Elementary school, for children from the ages of 4 through 7 years. Parents were urged not to bring children outside of these ages to the session.

Story book hours for children of various age groups have been tried in other towns and communities for the past several years and in most cases have been highly successful.

Cherrie Coates was a visitor in the home of Mr. and Mrs. Charlie Coates of Ozona last week.

Mr. and Mrs. O. D. Paulk and two daughters, Jan and Debby were here several days last week visiting friends. The Paulks who now live in Hobbs, New Mexico, visited in the home of Mr. and Mrs. Charles Annette while Jan was the guest of Linda Miller. Linda recently returned from Hobbs where she had been visiting the Paulks.

SPEED READING AND COMPREHENSION THROUGH VISUAL TRAINING

For PROFESSIONS – BUSINESS – STUDENTS

WHAT IT IS

- An intensive training program tailor-made to your specific needs for improving Reading Speed and Visual Efficiency.
- Utilizing latest scientific instruments, equipment, and techniques for improving reading speed and visual efficiency.
- A scientific program designed to improve:
  - Over-all speed of reading —
  - Understanding of reading matter —
  - Productive efficiency of "desk" and executive personnel who must read.
  - Visual efficiency —
  - Visual comfort —
- Makes reading more pleasant—
- Screen visual problems —
- Increase efficiency of office and plant —
- Increase production —
- Cuts of operation —

PURPOSE

The Speed Reading and Visual Training classes have been established to serve students, business, and professional personnel by increasing their reading speed, comprehension, and visual efficiency.

A lecture and demonstration of the techniques involved in teaching of this course . . . There will be no charge for this familarization meeting . . . Businessmen, Professional Men and Students of the High School and College levels are invited to attend.

High School Library Room

OZONA HIGH SCHOOL

Fri., July 28, 1961

8:00 p. m.

HOW IT'S DONE

1. By conducting a preliminary survey and study of the various types of reading material you must read and "digest".
2. By conducting preliminary visual screening test for each individual. Visual screening tests are given; eye movements are photographed; reading characteristic are studied.
3. By scientific techniques of destroying old reading habits and visual patterns and developing new efficient techniques for rapid reading and comprehension.
4. By lengthening the visual span and shortening the time of perception through Tachistiscopic training.
5. By use of movies scientifically developed to enhance rapid reading.
6. By use of various visual training instruments and techniques designed to increase visual comfort, speed time of recognition and eliminate regressions and re-reading.
7. By directed reading assignments and applying scientific techniques of rapid reading to "on-the-job-material."
8. By use of various instruments such as: The Reading Accelerator, Tachistoscope, Metronoscope, Harvard Reading Films, and diagnostic and testing instruments.
9. By individual conference periods.
10. By frequent tests to show overall development of fixed reading skills.

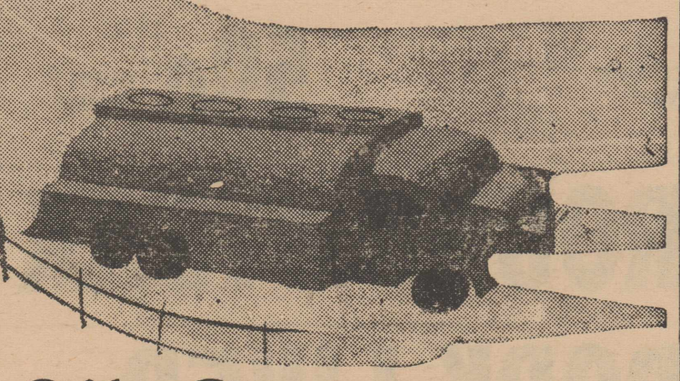

On the job for you!

Long after you and your family have gone to sleep, our drivers are still on the road—heading your way with gasoline to power your car, oil for heating your home and hundreds of other oil products that make for better living.

In America's progressive and competitive oil industry, every oilman has a special job. As your local oil jobber and distributor, our job is to see that this community gets ample supplies of oil products where and when they are needed.

This is our pledge that we'll never let you down—never stop trying to bring you even better service in the future.
