Nixon Blocks Railroad Strike

The SDN Column

Interspersed among all of the news about wars, football, the World Series and automobile insurance rates, etc, are many little items that do not necessarily turn up on the front pages, but they are a part of Americana, nevertheless.

For example, there was the report this week that one of the best-known hamlets is up for sale. They are going to auction off Podunk Center, Iowa. Perhaps you did not know that it was a real town, but you surely have heard of Podunk Center. It is that town whose name is used to denote insigmificance among cities, a disparaging comparison often used to belittle other towns.

The story about the impending auction sale did not say so, but if there is such a thing as Siwash U., it must be located in Podunk Center.

Anyway, Podunk Center has a filling station and store, a four-unit motel and at its peak boasted a population of 21.

★ ★ ★

Also, one of the national magazines carried an advertisement recently about an island for sale. Although small compared to full-fledged continents, the description of the island made it sound much larger than Podunk Center.

It was a learned magazine writer also who came up with an explanation of how the name was selected for those little Japanese cars. Toyoto is merely the Oriental pronunciation of "toy auto."

Oct. 2 appears destined to make some sort of mark in the history of the U. S. Supreme Court. Yesterday, close associates reported that Judge Clement F. Haynsworth had requested President Nixon to withdraw his name as nominee for a seat on the highest court in the land, although it was denied by the White House.

Exactly one year earlier, Justice Abe Fortas requested that President Lyndon B. Johnson withdraw his name as nominee for Chief Justice. Fortas, already a member of the Supreme Court, subsequently resigned that post, which is the one President Nixon nominated Judge Haynsworth to fill.

Sanitarium Site Marked For History

An official Texas Historical Marker has been erected for the site of a sanitarium operated here by Dr. Alonzo Orrin Scarborough, pioneer physician, Hugh Boren Jr., chairman of the Scurry County Historical Survey Committee, has announced.

The marker is at the corner of Twenty-sixth Street and Avenue R, which is Snyder's most historic corner. That is where Pete Snyder's store was located and where the MacKenzie Trail crossed the square and where Snyder's first sanitarium was built.

The cast aluminum marker, with Swedish steel effect, measures 18 to 28 inches.

The inscription on the marker reads as follows:

"Site of Sanitarium of Alonzo Orrin Scarborough (1860-1952) Pioneer Doctor. Born in DeWitt County, moved to Snyder in 1881 and worked on ranch as a horse trainer, soon began "reading" medicine and started practice here in 1886.

"Received M.D. Degree from Kentucky School of Medicine in 1889. During his life-long career in Snyder, he made many calls on horseback often traveling miles alone at night.

"Was chief railroad surgeon, 1909, and first county public health officer. Ran Scarborough Sanitarium, — first in county— 1910-1912. Practiced until age 90.

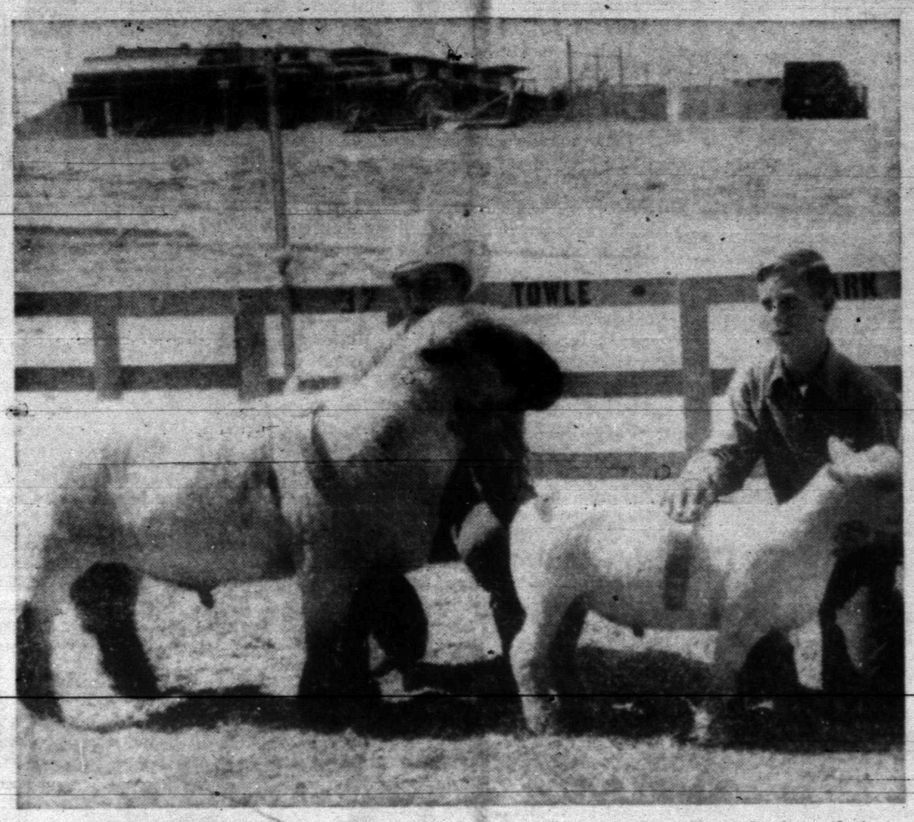

"Married Nancy Goodwin in 1886. Had three children: Ione, Hugh, Enid."

Committee Endorses ROTC

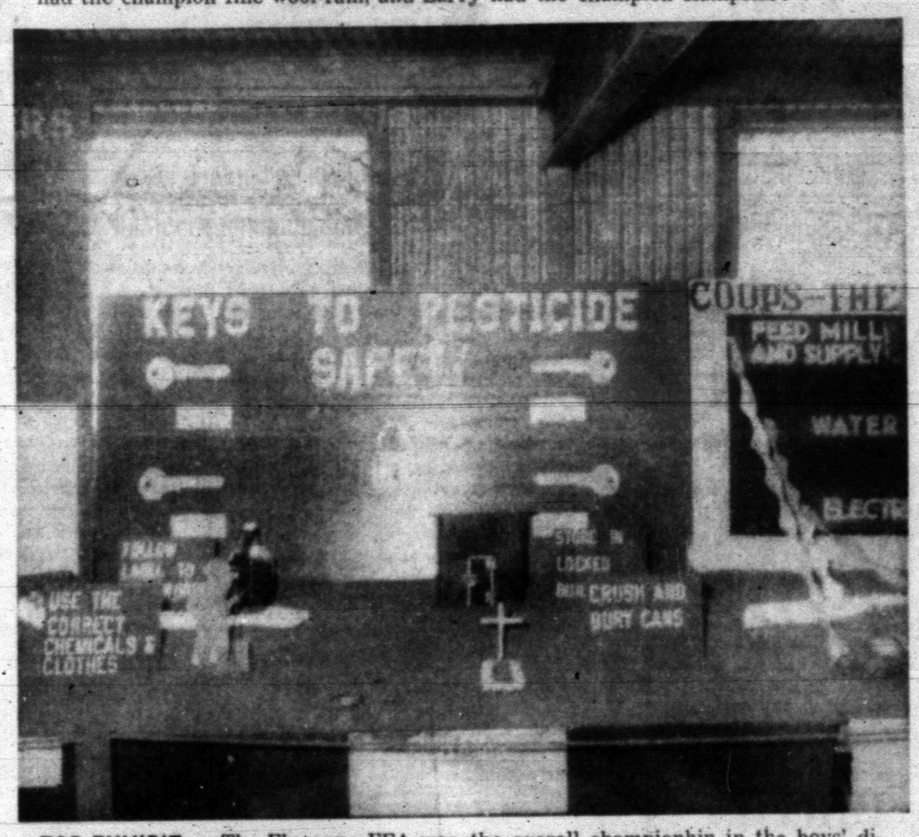

WASHINGTON (AP) — A special Pentagon committee today endorsed ROTC as a "highly desirable method" of supplying military officers and recommended a greater university role in overseeing a strengthened program.

Six college educators and three senior military officers issued the 61-page report which urged a more active role for college faculty and administrators in picking instructors and shaping curriculum.

The committee challenged foes of ROTC by recommending appropriate academic credit for the courses, faculty status for the officer-instructors and continued wearing of uniforms and military drill on campus.

BLUE RIBBON WINNERS — Weldon Beck, 15, and his brother, Joe, 13, show their prize sheep that won them blue ribbons at the Fifth Annual Scurry County Fair. Weldon (left) displays his grand champion Hampshire ram while Joe shows his Southdown wether. Not pictured are Larry Nachlinger and James Beaver. James had the champion fine wool ram, and Larry had the champion Hampshire ewe.

TOP EXHIBIT — The Fluvanna FFA won the overall championhip in the boys' division of educational exhibits with this theme on "Keys to Pesticide Safety." Blue ribbon winners in the other classes (not pictured) included the Fluvanna Young Farmers and the Inadale 4-H Club. All exhibits can be seen at the Scurry County Fair through Saturday night.

Plans Board Appointment

WASHINGTON (AP) — The Labor Department announced that President Nixon will intervene to block a strike against six major railroads tonight.

A department spokesman said the President has decided to appoint an emergency board, whose members will be announced later, to take up the year-long wage dispute.

Appointment of the board automatically will postpone strike action for 60 days.

President Nixon is at Key Biscayne, Fla., for the weekend and there was no immediate confirmation from the White House staff there that action was contemplated.

Even before the Labor Department announcement came, however, reports had circulated in railroad circles that the President would act.

Secretary of Labor George Shultz, in whose hands the matter now rests, accused both sides Thursday of not attempting to reach agreement through good faith bargaining.

His remarks seemed to imply some hesitation on the part of the administration to invoke the emergency section of the National Railway Act which could forestall a strike for 60 days while an emergency panel attempts to arbitrate the dispute.

Hoping to avoid government intervention, the four shopcraft unions which called the strike last week selected only six of the nation's 76 major railroads for work stoppages.

The National Railway Labor Conference, representing management, retaliated by promising to shut down all roads if the seven are struck, contending the unions are attempting to "whipsaw" the railroad industry into too-high wage settlements.

County Fair Draws Crowds

The tempo of the fifth annual Scurry County Fair increased considerably Thursday afternoon and night with judging in the sheep divisions, the art show, flower show and educational exhibits.

Hundreds of Snyder and Scurry County residents thronged the fair grounds in Towle Park last night to view the exhibits, visit the carnival and see the art show. Judging was to be completed this morning in the hog division.

There were several outstanding educational exhibits at the fair this year, and the Fluvanna FFA won the overall championship in the boy's division with an exhibit entitled "Keys to Pesticide Safety." The Fluvanna Young Farmers also took a blue ribbon with "Parallel Terracing," while the Inadale 4-H Club took first in its class with its "More Beef Per Acre" exhibit.

The Knapp Home Demonstration Club won the blue ribbon in Ladies Educational exhibits. The theme of its exhibit was "Hobbies Are Important." Fluvanna FHA won first in the girls 4-H and FHA division with an exhibit entitled "Join The Roundup For Safety."

The Grand championship in the Junior Spring Calf division went to George Parkinson for his black angus heifer.

Weldon Beck, 15-year-old FFA student, took top honors in the Hampshire Division of the sheep show with his champion ram. His brother, Joe, 13, showed the champion Southdown wether.

Other blue ribbons in the sheep division went to James Beaver for his ram lamb and his aged ram in the fine wool division; to Larry Nachlinger for his aged Hampshire ewe and for his yearling Hampshire ewe; and, to Weldon Beck for his Hampshire ewe lamb.

Judging of sheep was done by Joe Wise, assistant agent at Dawson County. He praised the quality of the animals.

Barbra Tate won the sweepstakes award in Junior canned food for her peaches, and Mrs. Frank Nachlinger took the sweepstakes award in the senior canned food division for her sweet pickles. Grand champion of all products was Keith Clements, who exhibited some attractive watermelons. A superior award in arts and crafts went to Mrs. C. E. Daniel for her candle stand, and Bubba Boyd received a superior rating in junior division crafts.

The adult sweepstakes in the art show went to Ted L. Bigham for a watercolor landscape. He won several other ribbons in the art show.

The student sweepstakes award went to Tomibeth Hunt for her oil still life. There were many other outstanding paintings on exhibit, including a large number of entries in the younger divisions.

Other blue ribbon winners in the adult division included Martha Floyd (oil landscape), Rosalie McGlaun (oil portrait and modern), Emma Huffman (oil still life and modern watercolor), Liz Bell (oil animal), Paula Gilbert watercolor still life), Ella Boothe Taylor (landscape drawing), Roland Bell (sculpture), Emmitt Hall (portrait) and John Roberson (still life). Bigham also took blue ribbons with a pastel portrait and a mixed media landscape.

The Fair was to remain open until 10 p.m. today and be open from 9 a.m. until 10 p.m. Saturday

Deputies Endorse New Government

By GEORGE THOMSON
Associated Press Writer

BONN, Germany AP) — The parliamentary deputies of Foreign Minister Willy Brandt's Social Democratic party unanimously endorsed today their leaders' decision to form a government with the Free Democratic party.

The deputes of the Free Democratic party were meeting to make their formal decision, even as the Christian Democrats made a last-ditch effort to prevent the new coalition.

Chancellor Kurt Georg Kiesinger sent a letter to Free Democratic chief Walter Scheel reiterating his Christian Democrats' proposal for a coalition without the Socialists.

A coalition between the Free Democratic Party (FDP) and the Social Democratic Party (SPD) would break the 20-year dominance of Kiesinger's party, the nation's largest, in West German politics. It would also make SPD Foreign Minister Willy Brandt the new chancellor.

Early today Brandt and Scheel announced agreement on "the basic lines of a joint government policy." Final approval rests with the deputies of the two parties in the Bundestag.

If they give the green light, Brandt would ask the Bundestag to elect him chancellor Oct. 20 or 21. He was reported ready to appoint Scheel foreign minister.

An SPD-FDP coalition would command only a 12-seat majority in the 496-seat parliament. Thus Brandt would depend heavily on the backing of the 30 Free Democratic deputies.

The 224 Social Democratic deputies were believed solidly in favor of the leftist-liberal alliance, as their present marriage with Chancelor Kurt Georg Kiesinger's Christian Democrats has not been a happy one. It ends Oct. 19.

However, the FDP conservative wing is known to want union with the Christian Democrats, who pledged today they will do everything possible to prevent a link-up between the two other parties.

Kiesinger's party offered the Free Democrats a partnership extending beyond the next four-year legislative term.

German Mark's Value Increased

FRANKFORT, Germany (AP) — The West German mark rose to new highs in relation to the U.S. dollar here today, and a newspaper quoted the president of the Central Bank as saying he considered a 6.5 per cent revaluation of the mark would be reasonable.

An open market price of 3.7650 marks to the dollar was quoted. It was the fourth successive day that the mark's value has increased after a government decision to let the price float as a way to stop speculation.

Bundesbank President Karl Blessing was interviewed by the Munich newspaper Sueddeutsche Zeitung in Washington, where he is attending the International Monetary Fund meeting. Asked if he would favor an 8 per cent mark revaluation, Blessing was quoted as replying:

"Eight per cent appears to me to be the extreme maximum. At that we'd enter a risky zone. More reasonable appears to me a revaluation rate of 6.5 per cent."

Apollo To Create Seismic Shock

CAPE KENNEDY, Fla. (AP) — After they explore the moon next month, the Apollo 12 astronauts plan to send their unmanned landing craft crashing to the surface from a height of 65 miles to create a giant seismic shock.

The impact, measured by a seismometer, could reveal much about the internal structure of the lunar mass.

Assigned to the mission, scheduled for launching Nov. 14, is an all-Navy crew of Cmdrs. Charles Conrad and Richard F. Gordon Jr. and Lt. Cmdr. Alan L. Bean. Conrad and Bean are to land in the Ocean of Storms while Gordon orbits overhead.

Bean, the only rookie on the team, described the project's planned experiments at a news conference Thursday night.

He said the deliberate crashing of the lunar module, or LM, is to occur after the two explorers launch themselves off the moon and rejoin Gordon in the command ship, 65 miles above the surface.

"Gordon will maneuver the LM to the proper attitude for the burn," Bean explained. "Then we'll move away and fire up the jets to start the LM out of orbit. We hope to track it all the way down.

"We'd like to crash it about one kilometer from the seismometer. The impact outght to really excite it and we can infer a lot about the internal structure of the moon."

A record of the resulting shock wave, for example, could tell whether the moon is layered, like the earth, or more solid.

The seismometer, intended mainly to record moonquakes and meteoroid hits, is one of five scientific experiments Conrad and Bean are to deploy during seven hours walking around on the lunar surface.

Breakfast Session Scheduled By AFS

Trio Nabbed By Police

LA JUNTA, Colo. (AP) — La Junta Ford police officers and Otero County Undersheriff Ray DeWeese Thursday arrested two Illinois men and a California woman sought in connection with the slaying of a Marble Falls, Tex., rancher.

DeWeese identified the trio as Marvin J. Kline, 26, Monee, Ill., John Robert Thurman, 22, Peoria, Ill., and Barbara Ann Long, 26, Riverside, Calif.

He said the three were apprehended driving a car bearing an Otero County license plate. DeWeese said they were held on a federal murder warrant issued in Texas.

Federal authorities said the three were sought in connection with the death of Wesley Joe Baugh, 36, Marble Falls.

Baugh's body was found Sept. 18 by his wife on the ranch. He had reportedly been seen alive Sept. 15. Baugh's stepson told authorities Baugh had picked up two hitchhikers two months earlier, and let them live in an old ranch house. The stepson said he knew them only as 'John" and "Marvin."

Baugh's pickup truck was found in a nearby town the day his body was discovered, and several days later his car was found in Missouri.

The arrest was made Thursday after the three drove a station wagon bearing Otero County license plates into a service station operated by an auxiliary policeman, Garry More.

He said he became suspicious when the two men tried to sell him a gun.

Four Guilty Pleas Heard

Four guilty pleas were heard in district court here yesterday.

Johnny Martin Anderson and John Earl Brock both pleaded guilty to charges of driving while intoxicated, second offense. Anderson received a 1-year probated prison term. Brock was handed a 1½-year probated term.

Tommy Leo Smith received a $150 fine after he pleaded guilty to giving a false alarm. Robert Mack Gore drew a $10 fine for injuring a telephone transmission line.

Be still

"Wherefore laying aside all malice." I Peter 2:1.

A habit of thought that's often blind
Is a prejudice that seeks to confuse the mind.
It's the foundling of ignorance laid on our stair
And will move in and take over if we stay unaware.
But it's never too late to turn about
And drive foolish prejudice wholly out!

By ABIGAIL VAN BUREN

DEAR ABBY: For the first eight years of our marriage Hank worked from 8 a.m. to 4 p.m. — a civilized shift. I always got up first and prepared a good hot breakfast for him.

Suddenly, two years ago Hank decided that he HATED to get up in the morning, so he got on the 4 p.m. to midnight shift. This gets him home about one o'clock in the morning! Abby, he insists that I be up waiting for him so we can have coffee together while he "unwinds." This takes at least an hour. I still have to get up early with the children, and I just can't get along on four or five hours sleep.

I have never been able to "nap" in the afternoon. I've tried, but it just doesn't work for me.

I think Hank is being very selfish and inconsiderate, so what is your advice to me?

HANK'S WIFE

DEAR WIFE: Hank's reason for working the 4 p.m. to midnight shift strikes me as being somewhat childish. Tell him if he wants you to "unwind" with him after work, he'll have to get back on the "civilized" shift, otherwise he'll have to unwind by himself.

• • •

DEAR ABBY: Is it true that if a person buys a ring which has a birthstone in it, and it is not that person's birthstone, it will put a curse on him?

PAULA

DEAR PAULA: Only if that person can't meet the payments.

DEAR ABBY: Why would a respectable 30-year-old man with a wife who adores him, and two lovely children, keep obscene pictures of himself and a former conquest lying around in plain view in his workshop? Aren't decent men usually ashamed of such pictures?

Does he want to humiliate me? Or does he want our children, or anyone else who happens to come in, to see them?

We are both college graduates and from good families. I am not looking for trouble, Abby, but I don't know how much longer I can let this go without mentioning it. Please, please help me.

TORTURED WIFE

DEAR WIFE: It's difficult to believe that a "decent" man would deliberately leave such pictures lying around in plain view, so I would have to assume that his "carelessness" is an unconscious cry for help. He wants to be "caught" and punished. Discuss it with him without delay. He may need professional help.

• • •

DEAR ABBY: Some smart-mouthed teen-age girl wrote in saying she thought it was a "sin" for her mother to be having a baby at age 45. Well, I don't think it is a "sin" exactly, but I would like to say that I doubt if any woman in her right mind would have a baby on purpose at age 45.

I am 44 and I have a new grandchild who is 8 weeks old. My daughter and her husband went on a vacation and left the baby with me and I don't mind telling you I must have been crazy to take this child for two weeks. I haven't had a night's sleep in six days, and I am so tired all day I can't see straight — but the baby is going strong.

Women past 40 should leave well enough alone and let the younger ones increase the population. I have no sympathy for a woman who asks for motherhood in her forties. And they won't get any sympathy from their husbands either. They sleep thru it all.

Nixon Returns To Key Biscayne Home

KEY BISCAYNE, Fla. (AP) — President Nixon returned to his Key Biscayne home Thursday night for what aides described as a long weekend rest mixed with staff conferences.

He was accompanied by Mrs. Nixon and a party of White House staff aides including his special adviser for national security affairs, Dr. Henry Kissinger.

Also with him were two presidential speechwriters, Patrick Buchanan and Ray Price.

Benjamin Franklin once said that swimming is a "normalier and reducer of fatty tissues."

Court Rules On Vagrancy Laws

SAN ANTONIO (AP) — A three-judge federal court in San Antonio ruled Thursday that all but five paragraphs of Texas' vagrancy law is unconstitutional either wholly or in part.

The judgment is a result of a class action filed by American Civil Liberties Union lawyer Dan Struae, who told the court last June that he would gather together in a class action the cases of "whores, pimps, dope addicts, hippes, etc."

Struae claimed under present law that undesireable elements of society are habitually arrested under a blanket charge of vagrancy in Texas.

Struae included in his case a test of vagrancy laws originally filed in U.S. District Court in Amarillo. The case was heard Aug. 18, 1969.

Conclusion of the case found the same sections of the law to be unconstitutional and therefore unenforceable.

Thursday's conclusion said plaintiffs are entitled to injunctive relief as asked, and the injunction was granted.

Judges Jack Roberts, Homer Thornberry and Adrian A. Spears ordered an injunction issued against parts of the law judged unconstitutional.

The vote was two to one, with Judge Spears dissenting.

FHA Club To Hold Hobo Day

The Future Homemakers Club are planning a big time this year, starting it all off with a Hobo Day Saturday morning at the armory at 9 o'clock. Orange juice and doughnuts will be served for breakfast.

The girls are to dress as hobo's and work Saturday to earn money for the Spanish Fiesta which will be held this month.

The FHA Club has increased this year, and the officers of the club have made new and more interesting plans. They were entertained Thursday in their regular meeting by Mr. Ronald Stokes, who told how he made photography a career for himself. The girls also have several girls who are working on degrees this year.

Officers of the club are: Lou Alice Mathis, president; Rita Riley, vice president; Dale Vaughn, secretary; Becky Austin, treasurer; Joan Braziel, reporter; Susan Brown, historian; Christine Campbell, parliamentarian; Linda Miller, song leader; Darlene Tate, recreation chairman, Betty Force, co-chairman; and Janet Russel, degree chairman.

It takes about 5 cups of whole potato chips t. make 1¼ cups potato chip crumbs, or 2'4 cups coarsely crushed chips. Crushed potato chips make a dandy substitute for almost any Au Gratin dish.

Retired Couple Readjusts

THESE RICH YEARS. By Jean and Robert Hersey.

A personal account of the first three years of their retirement, the Herseys' book is tuned primarily to the psychological and emotional adjustments that have to be made when the husband and wife no longer are separated five days a week by the husband's departure for work.

Retirement is a subject amply covered these days in newspapers, magazines and books, with much of the material concrete and specific, offering typical budgets, for example, or answering queries. The Herseys have taken a different tack.

For although they comment on such topics as housing, reduction of expenses, part-time jobs, hobbies, travel and other recreation, community and church work and similar matters, their main concern is the art of smoothing out the habits and attitudes of many years to fit a new mode of living.

One example is the matter of time. It seems that when schedules no longer are important, it takes a little while to adjust to a flexible pattern. For another, there are new approaches to the problem of dividing up the daily and weekly chores. As problems change, methods and goals change.

In one respect, the Herseys experience does not parallel that of some retired people. Instead of seeking a remote, low-cost place to live in, they remained in a high-tax, high-cost area within commuting distance of New York, and have made a couple of leisurly tours of the byways of Europe; evidently their resources are not meager.

The book is enlivened by some bright and appreciative passages on nature, gardening, cooking and just plain loafing.

HORNS OF A DILEMMA !

Part-Time Jobs Benefit Workers And Industries

By JOHN CUNNIFF
AP Business Analyst

NEW YORK (AP) — Did you ever figure out how your neighbor can afford to have a bigger car than yours and own a place at the shore or in the mountains while you manage only to rent a place for a week or two each year?

Assuming he's earning these luxuries legitimately, the answer might be revealed by keeping track of the hours your neighbor and his wife keep. Working hours, that is.

According to the Labor Department, about 3.6 million wage and salary workers hold two or more jobs, the second one usually being a part-time occupation averaging about 13 hours a week.

And this figure doesn't count the moonlighting families—where mother goes to work when father comes home.

Just as significant perhaps is the discovery, disclosed in the Department of Commerce "Survey of Current Business," that some retail trade and service industries are adjusting their work weeks to the habits of part timers.

"In retail trade," the report states, "the employment of part-time workers appears to be a deliberate policy of department stores" to adjust to shoppers' habits.

With the development of suburban shopping centers, for example, traffic has become especially heavy during after-dinner hours. Rather than employ full-time help throughout the day, many stores hire mothers for a few hours during the evening while the kids stay home and wash the dishes.

There are other probable reasons as well, such as the notion that two part-timers being more effective—and perhaps less expensive—than one full-timer.

"Government regulations concerning overtime premiums may ... have encouraged the replacement of the long-week workers by two short-week workers," the Commerce Department report states, continuing:

"Another stimulus ... is the saving in the cost of fringe benefits, such as sick leave, vacation and holiday pay, which are generally not paid to part-time personnel ..."

Whatever the reasons, official statistics show that more than 37 per cent of employes working in department stores in 1966 were on part-time schedules, compared with only 26 per cent 10 years earlier. And presumably the trend continues.

In food stores about 41 per cent of employes worked less than 35 hours in 1966 compared with 33 per cent a decade earlier. In 1963 less than 20 per cent of laundry laundry workers were part-timers; in 1968 the percentage was 30.

Increasingly, retail stores and service industries have turned to women in their quest for help. In 1964, the study shows, women accounted for 47 per cent of all retail trade help. Now the percentage is 60.

Junior Editors Quiz on APOSTLES

QUESTION: *What were the original occupations of the apostles?*

* * *

ANSWER: Look in the Bible, Matthew 10, verses 1-4, and you will find the names of the apostles and their family relationships. That great Christian and missionary, St. Paul, is often spoken of as the Apostle to the Gentiles, even if he was not one of the original group. An educated man with wealthy parents, Paul's trade was that of a tentmaker. Except for Matthew, who was a collector of taxes, the original 12 were simple men of the working class. Four were fishermen: Andrew, Peter, James the Elder and John. Some authorities believe James the Younger to have been a carpenter. Our picture shows Jesus calling the brothers Simon Peter and John as they cast nets from their boat (Matthew 4, verse 18). According to Roman Catholics, Jesus selected Peter as the special head of his church (Matthew 16, verse 18). Even today, the popes of the Roman Catholic church wear the famous fisherman's ring to recall the occupation of St. Peter. We know little about the original occupations of the 12 except for those we have mentioned.

Legal Delays Keep Irene Smith Jailed

LAREDO (AP)—Legal delays Thursday kept Mrs. Irene Williams Smith in jail in Laredo, following her conviction for attemptin to smuggle $7 million worth of cocaine into the United States from Mexico.

A pre-sentence investigation was ordered in the case, delaying both a sentencing trial and a hearing for a new bond setting.

Mrs. Smith and U. S. Atty. Malcolm Dimmitt conferred privately late Thursday, but there was no immediately report on their meeting.

Mrs. Smith was being held in lieu of $50,000 bail.

Boyle Gets Unasked Promotion

By HAL BOYLE

NEW YORK (AP) — Well, it finally happened. Somebody called me an old-timer.

I was walking down the office hall, mulling over what advice to give President Nixon next, when a young fellow employe approached.

"Hi there, old-timer," he said giving a half-salute.

I looked behind me to see whom he had spoken to. There was no one there. By the time I realized the young fellow had been speaking to me, he had passed me and turned a corner.

His salutation rang in my ears: "Hi there, old-timer. ... Hi there, old-timer. ... Hi there, old-timer."

At first I thought of running after the whippersnapper and giving him a karate chop behind his right ear. But I didn't—for several reasons. First, I don't like to run; second, my karate chop hasn't been too successful since 1945; third, I realized the whippersnapper thought he was giving me a compliment by calling me an old-timer.

But his three-word remark had changed my world forever. There are several landmark days in a man's life, such as the day he first puts on long trousers, the day he gets his first paycheck, and the day he marries.

So is the day he is first called an old-timer.

Now I have always had a great respect for old-timers. But you can respect a sword swallower, a lion tamer, or even a female impersonator without wishing to be one yourself.

That's the way I've always felt about old-timers.

The trouble with becoming an old-timer is that you have no power of selection in the matter yourself. You become an old-timer when other people decide you are one.

Unaccustmed as I am yet to this unasked promotion, I can see that certain prerequisites accrue to the state of old-timerhood.

For example:

The younger employes no longer try to pre-empt your favorite coat hanger, knowing that trifling upsets such as this can ruin your whole day.

If there's a long line at the morning office coffee cart, you can ease your way in at the head of it without starting a major war.

You can brag as much as you wish about your grandchildren, as everyone charitably realizes you don't have much else to boast about.

The boss doesn't bother to call you on the carpet over every small error you make. He recognizes that an old dog can't go through all his old tricks perfectly, let alone learn new ones.

If there is no one else to listen to your long-winded reminiscences, you can talk out loud to that best of all audiences—yourself.

Yes, after the first shock of becoming an old-timer passes, you find there are certain rewards. But still, as Gelett Burgess once said about purple cows, "I'd rather see than be one."

Tigers, Wolves Vie Tonight

What could be one of the most exciting football games of the season will get underway at 7:30 p.m. today in Colorado [illegible] with the Wolves of [illegible] Snyder's Tigers.

Coach Truman Nix's Wolves will be seeking their third win in four outings this year while Coach Wayne Tyrone's Tigers will be seeking to improve on a 1-1-1 record. While the contest is a continuation of an old, colorful rivalry it will not count in the zone standings. Both teams are in District 3-AAA, but in different zones.

The Wolves have a potent offense, having scored 100 points. They depend on the aerial wizardry of Steve Vest, a 160-pound junior, for most of their yardage. He has able receivers in Larry Holder, a 164-pound senior split end, and Stanley Bracey, a 145-pound senior wingback who has 9.8 speed. Most of the Wolf running is done by halfback David Garcia, a 170-pound senior.

Snyder also has a capable passer in senior Lee McNair, and the Bengals appear to have better balance than the Wolves. Fullback Eddie McClain hurt state champion Estacado on the inside and halfback Willis Harrison stunned Dunbar on the outside. Snyder also appears to have better depth at the running back positions. Randy Levens, another senior, is capable of going all the way and several other lads have the talent to keep a good defense on its toes.

Defensively, the Bengals limited Estacado to seven points and powerful Dunbar to 10 points. Two magnificent goal line stands against the Panthers are ample proof that the Tigers probably will have the edge in this department.

A seasoned secondary, quick-thinking and hard-hitting linebackers and a relatively young [illegible] improved underclassmen are the main reasons for the Black and Gold success on defense.

Sure, the Wolves will be up for this one. But how high is up? Another good team effort by the Bengals should be sufficient to overcome Colorado City's penchant for playing its best against the Tigers.

Elsewhere in 3-AAA Sweetwater will be at Lamesa, Brownfield at Lakeview, and Littlefield tangles with [illegible] Thursday night and Estacado will entertain Slaton Saturday night.

On the area scene, Benjamin will be at Hobbs, Hermleigh visits Roscoe, Gail journeys to Southland and Ira hosts O'Brien in Friday night affrays.

There are no local games scheduled in Snyder this week.

Texans Rip 'Dogs 22-0

STAMFORD — Lamar 9th grade's Texans extended their unbeaten string to four here Thursday night with a convincing 22-0 decision over a tough Stamford team.

The Texans launched a drive late in the first period that culminated in the second quarter with a touchdown. Don Dyess dived over from the three to cap the march, but the run for bonus points was stopped short. The Texans' offensive line fired out well in this drive, and David Tyrone, Glen Hoyle and Dyess turned in some good running.

Snyder also scored the next time it got the ball on a 55-yard run and pass play, Tim Holder to Jim Waters. Henry Ramos thrust across for two extra points as the visitors built a 14-0 halftime lead. Tyrone turned in a 15-yard gainer in the second drive.

Stamford came out with determination in the second half and racked up three first downs in succession. Then, on a fourth down bid at the Texan 35, the Bulldogs came up short trying to get another first down as the Lamar defense dug in.

Lamar took over, cranked up its offense again, and spanned the 65 yards to pay dirt. Facing third down and long yardage at the Stamford 45, Henry Ramos swept end and went all the way, and Tyrone collected two more points on another sweep to boost the count to 22-0.

In vanquishing Stamford, the Texans outplayed a highly-respected foe. The hosts hit well and went down to defeat stubbornly. Much of the credit for the Lamar success must go to the offensive linemen. Fred Liner, Danny Martin and Robert McCommon did an excellent job of blocking. Defensively, Tommy Johnson and Jackie Hartsfield were outstanding. Jackie intercepted a couple of passes and almost broke loose on both of them.

All of Lamar's subs got in the game and saw considerable action.

Lamar will be at Big Spring next Thursday for a 7 p.m. showdown with the Toros.

Huskies Bite Coyotes

By THE ASSOCIATED PRESS

The ranking powers of Texas schoolboy football could well take a lesson learned by the Wichita Falls Coyotes Thursday night.

The Coyotes, fourth ranked club in Class AAAA, were stunned by unranked Wichita Falls Hirschi of Class AAA 21-20.

Austin Reagan, No. 1 ranked club in the Dallas Morning News poll in Class AAAA, shoots for its 33rd consecutive victory tonight against Austin Travis. Reagan opens district play without its starting quarterback Gregg Verheden, who suffered a knee injury last week against San Antonio Almo Heights. Gary Valde is the No. 2 Reagan quarterback.

Travis Raven, the Reagan coach, has told his club to take the games "one at a time. You know, some of these kids were on the ninth grade team when this streak started."

Other top AAAA battles have No. 2 Abilene Cooper at Odessa Ector and No. 3 Houston Kashmere meeting Houston San Jacinto Saturday night.

Refugio, top-ranked Class AAA tiger, meets Taft tonight while No. 2 ranked Houston Elmore plays Houston Lincoln Saturday night.

Lufkin Dunbar, the No. 1 ranked Class AA club, travels to Madisonville while No. 2 ranked Iowa Park hosts Wellington Friday night.

High scoring White Oak, the kingpin of Class A, hosts scrappy Overton Friday night and No. 2 Poth entertains Falls City.

Alexander Graham Bell never lost his interest in aviation, and he proved to be remarkably prophetic about it. In 1914, for example, the inventor said, "I have no doubt that, in the future, heavier-than-air machines of great size and different construction from anything yet conceived of, will be driven over the earth's surface at enormous velocity, hundreds of miles an hour, by new methods of propulsion."

Boston Patriot quarterbacks this season are Mike Taliaferro of Illinois (ex-New York Jet), Tom Sherman of Penn State and Kim Hammond of Florida State.

Utah State's football team has 27 lettermen, 19 of them seniors.

The United States Ski Association, with headquarters in Denver, says 1968-69 membership has reached 109,000 a record for the organization.

Fish, Shoat Frosh Win

BY THE ASSOCIATED PRESS

Texas A&M and Arkansas grabbed freshman football victories Thursday night—but barely.

The Aggie fish stopped a Texas Christian conversion attempt with 1:22 left for a 27-26 victory while heralded Joe Ferguson sparked a second-half Shoat rally to down the Colts 20-13.

The A&M frosh built up a 27-6 halftime lead on touchdown passes of 45 and 25 yards from Lex James to John Swedeen and Glen McNatt, and a two-yard run by fullback Jimmy Aycock and a three-yard plunge by Brad Dusek.

The Wogs, who had a pair of first half 25 yard field goals by John Bishop, scored in the second half on six yard runs by Raymond Rhodes and Mitchell. The speedy Mitchell returned a punt 88 yards for a score to set up the dramatic attempt for victory.

A crowd of 8,143 turned out to see the debute of Ferguson, an All-American at Shreveport Woodlawn. Ferguson fired a 52-yard touchdown pass to tight end Nich Avlos in the final period for the clincher.

Arkansas was behind 13-6 at halftime. Ferguson hit 16 of 32 passes for 240 yards.

The Colts scored on a six-yard pass from Andy Duvall to tight end Kelly Arnold and defensive end Rock Rollins fell on a Shoat fumble in their end zone. Kirby Clements plunged one-yard for the first Shoat touchdown and a two-yard dash by John Richardson added another for the winners.

Three Champions Share Sr. Lead

FORT WORTH, Tex. (AP) — Three former champions were tied for the lead going into today's third round of the U.S. Senior Women's Golf Tournament.

They are Mrs. Marge Mason, Ridgewood, N. J.; defending champion Mrs. Philip J. Cudone of Myrtle Beach, S. C., and two-time winner Miss Maureen Orcutt, Haworth, N.J. All have 157 totals.

Mrs. Mason, the 1967 champ, shot an 82 Thursday. Mrs Cudone fired a four-over-par 77 at Ridglea Country Club and Miss Orcutt had a 79.

Mrs. Lowell D. Brown of Tyler, Tex., is two shots behind the leaders. The final round of the 54-hole tournament is set today.

(Lively) Round At Bridgeport

BRIDGEPORT, Tex. (AP) — It was a Lively act Thursday in the first round of the North Texas PGA.

Lively brothers Billy Joe and John Jr. shot four-under par 66s over the wind-swept 6,230-yard runaway Bay Golf Club. Only one nine was available for play and the golfers toured it twice.

Billy Joe shot 35-31 while John Jr. had nines of 34-32. The Lively boys are from Canton, Tex. Their father, John Sr., had a 76.

Only a shot behind in the 72-hole tournament were Earl Stewart Jr. of Dallas, Bart Haltom of Fort Worth and defending champion Jacky Cupit of Longview.

J. R. Taylor of Fort Worth and Art Hall of Fort Worth carved out 69s while Bob Felty, Dallas, Hal McCommas, Dallas, Gene Mitchell Jr., Lubbock, John Crow, Abilene, Jerry Robinson, Texarkana, and George Clark, Midland fired 70s.

Clock Stops Late Lamar Eighth Drive

COLORADO CITY — Lamar 8th grade dominated the football [illegible] but the Texans just couldn't get across the goal and had to settle for a 0-0 tie.

The younger Lamar lads got inside the Colorado City 10 yard line twice. In fact, they were on the move inside the 10 when they were halted by the clock, signalling the end of the game.

The hosts never penetrated the Snyder 20.

John Boren and Jimmy Price were outstanding on defense for Lamar while Angel Reyes and Jimmy Nail turned in shining performances on defense.

Goliad will host the young Texans in Big Spring next Thursday.

Second baseman Glenn Beckert of the Chicago Cubs hit .294 last season, his highest average in several years of organized baseball.

HIGH HILL — Dallas Cowboys rookie running back Calvin Hill (35) does a bit of high stepping over New Orleans Saints Doug Atkins (81) and Johnny Brewer (82) for a gain in their National Football League game in New Orleans. Hill picked up 138 yards on 23 carries as the Cowboys won, 21-17. (AP Wirephoto)

Pokes, Rams, Browns Are Favored

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP) — Green Bay may run into its first loss Sunday at Minnesota but Los Angeles, Dallas and Cleveland, the other unbeatens in the National Football League, should make it three in a row.

Cincinnati, one of the two perfect record clubs in the American Football League, may find San Diego tougher to handle the second time around. Oakland should roll to a fourth straight at Miami.

Form held up in the NFL last week but upsets ruled the AFL and the old Hand picker had a 9-4 record. Let's try again. All games are Sunday unless otherwise noted.

NFL

Minnesota 20, Green Bay 14—Vikings trial in series, 11-5 but beat Packers twice last year and are coming off 52-14 over Baltimore. The Joe Kapp-Gene Washington combo has been hot and the ground game is due to start producing. Packers show new threats in Dave Hampton and Travis Williams. Game in University of Minnesota Stadium due to baseball conflict.

Dallas 28, Philadelphia 21—Cowboys will find Eagles tougher than last year with Norm Snead on beam and Ben Hawkins driving defenders crazy. Calvin Hill hasn't been stopped yet and Craig Morton's damaged knuckle should be healed Dallas has too much defense.

Los Angeles 24, New Orleans 14—Rams can't afford to take Saints lightly with Bill Kilmer coming off a fine effort and Andy Livingston running like he once did for Bears. Kilmer will get the big rush from that Ram front four and Roman Gabriel should pick Saint secondary apart.

Cleveland 20, Detroit 17—A few misgivings about this pick. The Lions hold 10-2 edge over Browns and should be sky high after 24-0 ramble over Giants. Despite work of Nick Eddy and Mel Farr and Lem Barney's defensive heroics, the Browns' offense should get them home in a tight one. Leroy Kelly may be back.

Baltimore 28, Atlanta 14—If the Colts can't gather up the pieces after the disaster in Minnesota they might as well forget the season. Falcons never have beaten Colts, who dumped them twice last year. Another rough day for Bob Berry, dumped 10 times by Rams last week. Game at Georgia Tech's Grant Field due to baseball conflict.

St. Louis 24, Pittsburgh 16—Cards sure to note the way Eagles picked on Steelers' secondary last week. Despite sluggish offense, Cards should muddle home with a win as they did in 27-13 exhibition game at Norfolk, Aug. 16. Loss of Jerry Stovall hurts Cards.

Washington 21, San Francisco 17—Out on the limb with this one for another upset try. Vince Lombardi's crew almost beat Cleveland and 49ers haven't won yet in regular season or exhibition. Look for 49ers to run on Redskins but Sonny Jurgensen could pull it out for Redskins.

Chicago 17, New York 14—Both teams struggling on offense but Gale Sayers is about due to break out with a long kick runback. He always responds to a New York audience. Giants' defense doing fine but Fran Tarkenton hasn't been able to get attack perking except for late splurge against Vikings. Giants haven't eaten Bears since 1962.

AFL

Oakland 24, Miami 17 (Saturday night)—A rematch of Sept. 20 game at Oakland, won by Raiders 20-17 on George Blanda's 47-yard field goal with 11 seconds to play. Home opener makes Dolphins tougher, Charley Smith's running, Daryle Lamonica's passing and that tough Raider defense should decide it.

San Diego 28, Cincinnati 21 (Saturday night) — Unbeaten Bengals dreaming of a miracle after knocking off Chiefs. Cincinnati took first game from Chargers, 34-20 at Cincinnati, Sept. 21. Greg Cook due back after suffering arm injury. John Hadl seems to have shaken off early troubles.

New York 31, Boston 14—Joe Namath may have second thoughts about retiring next year after he gets a look at Pats. Broadway Joe overdue and Jets must right themselves or forget dreams of another Super Bowl. Game was originally scheduled for New York but was moved due to Mets' baseball playoff.

Houston 20, Buffalo 14—A big game in the AFL East after Bills' explosion against Denver last week. O.J. Simpson coming on strong but that Oiler defense is tough to crack. Houston won first game, 17-3, at Buffalo Sept. 21, and also 24-7 in August exhibition.

Kansas City 21, Denver 17—Injuries to Len Dawson and Jacky Lee have dropped Chiefs down to Mike Livingston. The Chiefs have too much top flight personnel for Broncos although both Steve Tensi and Floyd Little probably will be able to play.

Center fielder Tommy Agee of the New York Mets received a reported $60,000 bonus from the Cleveland Indians in 1961. In three subsequent years he got in only 31 games with the Indians and was traded to the Chicago White Sox.

TAIWAN TWOSOME IN SINGAPORE SPOTLIGHT

SINGAPORE (AP) — Asian golfers were expected to make a potent bid today to solidify their leading positions as the 17th World Cup Tournament moves into its second round.

The Far East challenge was led by the Taiwan twosome of Hsieh Yung Yo and Hsu Chi San, who entered the quarter-final tied for the team lead at 138 with Orville Moody and Lee Trevino of the United States.

They were followed in quick succession by Thailand's Sukree Onsham and Suchin Suwanapongse, who tallied a combined 139 in Thursday's opening round, and Ben Arda and Eleuterio Nival of the Philippines with 140.

Tied with the Philippines was the Mexican team of Ramon Cruz and Juan Neri.

Japan's Takaaki Kono and Haruo Yasuda entered the second day's competition with 142, trailing just behind are the Argentine duo of Roberto de Vicenzo and Leopoldo Ruiz with 141.

As Kono and Yasuda, paired with Moody and Trevino teed off one hour after the 8:30 a.m. starting time, a heavy cloud cover moved in over the course and it began to rain.

The Asian bid for supremacy in the 45 team, 90-man tournament over the rugged par-71 Bukit course at the Singapore Island Country Club was even more evident in the individual chase for the international trophy.

Hsieh led the individual competition with a sparkling five-under-par 66. He was pressed by Sukree with a 67 and Moody with an identical card.

The veteran De Vicenzo, a member of the two-man Argentine team which captured the first World Cup competition in Montreal in 1953, was next in line with a 69. He was matched by Mexico's Cruz.

Moody and Trevino both have experience under Asian conditions. Moody spent 11 of his 15 years in the U.S. Army in the Far East and was a three times winner of the Korean Open. Trevino spent three years with the Army in Asia.

MEMBER, THE ORDER OF THE GOLDEN RULE

Who is this lady?

A. Little Orphan Annie.
B. The Jolly Green Giantess.
C. The Statue of Liberty.
D. Mae West.

If you picked anything other than C, well, you're in a whole lot of trouble.

Sure, you probably picked the Statue of Liberty. Everybody knows who she is and what she stands for.

Or do they?

It's amazing how many of us take this proud lady of the New York Harbor for granted.

We should know that her proper name is "Liberty Enlightening the World." That she symbolizes the triumph of freedom over tyranny. That she is a declaration of our independence.

Of course, we need more than statues to remind us of our freedom. We need action, by each and every one of us.

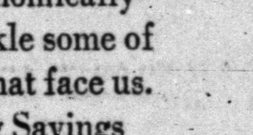

And that's where U. S. Savings Bonds come in. They help preserve that thing called freedom.

They help make this country of ours economically stronger to tackle some of the problems that face us.

And, buying Savings Bonds can be easy and automatic. All you have to do is join the Payroll Savings Plan where you work, or the Bond-a-Month Plan where you bank. And then you can sit back and forget 'em while the money piles up.

So think about the freedoms we enjoy. And think about U. S. Savings Bonds as a way to keep us free.

As for Miss Liberty, well, when you're in New York go up and see her sometime.

If they're lost, stolen, or destroyed, we replace 'em.

Time To MOVE UP

It's Promotion Time...Sunday School Commencement time. Every youngster longs for this time of year. They have done well and must be promoted. They are moving ahead, making progress in the teachings of God. In that there is delight.

Perhaps Promotion time should be just as important to adults as to the young. Maybe we should check our progress in Christian living. If we had to earn our yearly promotion where would we be? Are we going to church more? Have we increased our giving? Do we help more in various church programs? Do our lives reflect deeper religious beliefs? Would my pastor O.K. my promotion? Would my family give me a card? How about my relatives, friends and business associates? It is Promotion time and can we meet the challenge? Can we truly say it is Time for us To Move Up.
