WATER SUPPLY A LITTLE SHORT DURING DROUTH

That water in Eldorado may be a little short until the new pump arrives for city water well no. 2 is indicated, with continuation of the drouth which causes heavy water consumption. Watering of lawns, trees, shrubs and gardens is general this spring, taxing the output of the city's two wells. The new pump, due to arrive in June, will greatly increase the output of well no. 2.

NEW BOOK KEEPER NOW ON THE JOB AT CAMERON OFFICE

J. C. Linsley, a former Cameron employee, has returned to Eldorado as book keeper for the local lumber yard. He left here in 1946 to enter service, receiving his discharge in March, 1948.

Linsley and his wife have rented one of the Jones apartments. Both are members of the Baptist Church.

Mrs. Jim Hoover, who has been book keeper at Cameron's since last year, is now clerk at Bob McWhorter's City Variety Store, succeeding Mrs. W. F. Edmiston, who recently resigned.

Gracie will be played by Margaret Ellen Edmiston, and others in the cast include Marianne Craig, Sam A. Whitten, Jeanne Goss, Ruthy Dee Harris, Lawrence Dannheim, Douglas Baker, Betty Marie Yardley, Billie Jo Jeffrey, John Phillips, Truman Biggs, Jack Sloan, Jean Sayles, Roger Sofge, Betty Lou Crawford and Jimmy Morgan.

Miss Koen will direct the play, and it will be presented May 19.

NEW BUILDING FOR BEARCE

Dick Bearce is putting up a building on his lot adjoining Trigg at the north, for use as an office building for his Magnolia business and as a terminal for freight. He will move soon from the Calcote building which he has been occupying.

MISS LIGHTSEY ATTENDS FUNERAL FOR NIECE

Miss Ina Mae Lightsey was called to Eastland Sunday at the death of her niece, Mrs. Willie Smith, 24, who died suddenly of a heart attack. Funeral services were held at Eastland Monday, and Miss Lightsey returned to Eldorado Monday night.

PARKER HOUSE IMPROVED

Pete Parker is making some changes and improvements in his residence. He is working over the garage for a shop room for his own use, building a second story over the garage for a children's play room, and is glassing in the back porch of the house. He may make other improvements also later.

AT STATE CONVENTION

Miss Mariellen Pepper, home economics teacher in the Eldorado schools, and Bonnie Biggs, delegate from the department, are spending today and tomorrow at the state home economics convention in Galveston.

Pat Humphrey, high school junior, sustained a painful injury around her right eye when she was playing tennis Tuesday afternoon, and accidentally hit herself with her racket. Although her eye is not permanently injured, it has swollen shut and she will have to wear a bandage for several days.

Rev. and Mrs. J. M. Hays and Mr. and Mrs. Roy Davidson visited last week in Pearsall with Mr. and Mrs. Buster Gunn, former residents of this place. They report the Gunns to be doing fine, and state that they enjoyed their visit with them very much.

Mrs. W. H. McClatchey has been moved from a San Angelo hospital to the home of her daughter, Mrs. Frank Newman in San Angelo. Her condition has improved some.

PRE-SCHOOL CHILDREN TO VISIT SCHOOL HERE ON FRIDAY AFTERNOON

Pre-school children, who will enter school in September, and their parents, will be special guests of the school Friday afternoon at 1:00 o'clock, visiting in Miss Thelma Ellington's room.

The afternoon's program will include the discussion with parents of such topics as school readiness, the summer roundup program, and others relating to the child's welfare and progress in school. It is hoped through the visit to better acquaint the children with school routine.

A demonstration of new teaching aids will also be given. Both fathers and mothers are urged to attend the meeting with their children.

EAGLES DEFEAT OZONA 9 TO 4 HERE TUESDAY

(By Glenn Biggs)

After losing their first interscholastic district game to Big Lake a week ago, the Eldorado Eagles came back Tuesday to defeat the Ozona Lions by a score of 9 to 4 in a seven-inning game here. The Eagles gathered in 3 runs in each of the first three innings.

Bill Lewis Humphrey pitched all seven innings for the Eagles and held the visitors down to 4 runs. Cooke and Harrison did the pitching for Ozona. Highlights of the game were a home run by Sonny Stanford which brought in two runs, and a 2-bagger by Marion Wade which brought in 2 runs.

The next game will be with Sonora at Sonora, Thursday (today) at 3:00 p. m.

Tuesday's line-up was as follows: James Alexander: catcher; Bill Humphrey: pitcher; Marion Wade: first base; Charles Mund: second base; Sonny Stanford: short stop; Gerald Hicks: third base; Donald West: right field; Jo Chan Whitten: center field; Gerald Harris: left field; Floyce Turner was substitute center and 8 or 10 others suited out.

HOUSE OF DAVID BASEBALL TEAM TO PLAY SONORA

The Israelite House of David baseball team, said to be the world's greatest traveling baseball attraction, has been booked to play a picked Sonora team at Allison Field, Sonora, at 6:00 p. m., Friday, April 30th.

Sonora is assembling a team of picked players to give the bearded boys from Michigan a run for their money. Included in the Sonora line-up will be Jack Griffin and Jack Halbert of Eldorado, as well as one or two players from Ozona.

The Davids have been touring the country since 1919. They have always maintained a strong team and give the fans a fast and spectacular brand of ball.

HE WHO CROWS LAST---

Lum Davis has enough safety and first aid certificates to paper a wall of his house—but unfortunately he has never studied anything in the book about how to handle a rooster!

It seems the family rooster took a sudden dislike to his benefactor, and buried his beak in Lum's ankle. As a result, the victim limped over to his service station Monday on crutches after a hectic night of treatment which included several hours of soaking in hot water, a midnight trip out of town to a doctor, and payment of a \$5 medical fee.

He not only doesn't like his pet rooster any more, but he goes so far as to say that the fowl will end up in a pot of stew and dumplings. Lum expects to sharpen up his uppers before he tackles a thigh—he knows how tough that bird is!

Mr. and Mrs. Jack Wilson of Dallas visited over the week end with the C. N. Shaws and the Dee Loves.

Summer Recreation Program Is Planned

With about 100 percent of the student body favoring another recreational program this summer, plans for financing the project and for supervising the activities are going forward this week.

The various civic clubs of the city and the PTA will probably assume responsibility for raising funds to take care of the salaries of two directors who will be on the job this summer.

Last year the drive for a summer youth project was launched too late for a comprehensive program to be carried out—though for a first year's try the project was considered most successful. As was anticipated last summer, the movement to take care of Schleicher County's youth during the vacation has gained momentum and a bigger program for the 1948 vacation period is indicated.

Seasonal Decrease In Bank Deposits

Reflecting that time of the year when farmers and ranchers have heavy expenses and very little income, the quarterly statement of the First National Bank of Eldorado shows a reduction in deposits of about three-quarters of a million dollars over their report of three months ago. Deposits this April stood at \$1,994,702.65 as compared with \$2,731,292.31 on the 31st of December.

The decline is accounted for in the payment of income and other taxes and the heavy expense of winter feed bills.

Outstanding loans in the same period have increased about \$120,000.

Movement Launched To Buy Truck Scales

A movement is under way to form a company to finance purchase and installation of truck scales for use of farmers and ranchers in this locality. Bill McWhorter is offering his services to receive pledges from all who are interested.

The scales would be used to weigh truck loads of produce or stock. It is pointed out that lack of truck scales here has cost local men a large amount of money, and that incoming or outgoing trucks could and should be weighed in Eldorado for protection of both buyer and seller.

Some pledges have already been made by prospective stockholders, in amounts ranging from \$25 up. It is proposed for stockholders to pay a smaller fee for use of the scales, and to charge a larger fee to the general public.

McWhorter is anxious to give everyone a chance to get in on the ground floor and urges all who are interested to see him at once.

Interest Is Growing At Presbyterian Revival This Week

The talented King family will close a most successful revival Sunday night after a series of services which began last Sunday.

Participating in the services are Rev. and Mrs. F. E. King and their sons, Rev. John and Rev. Will King and their wives, Mrs. James Page as pianist, and various other members of the church.

Crowds have been attending all services and interest has been excellent.

The general public is invited to attend any or all of the services, which are at 10 a. m. and 7:45 p. m.

J. M. CHRISTIAN AND FAMILY BACK ON JOB AT WOOLEN MILLS AFTER BIG TRIP THRU OLD SOUTH TO ATLANTA

Mr. and Mrs. Joe Muller Christian and son are back in Eldorado after a vacation trip through the Old South to Atlanta, Georgia.

They made the trip through Menard, Waco, Jackson, Miss., and Montgomery, Alabama. They visited included the homes of Mrs. Christian's relatives—her parents, Mr. and Mrs. C. E. Estes at La Grange; and her brothers and their wives, Mr. and Mrs. E. D. Estes and Mr. and Mrs. B. L. Estes, at Atlanta.

The entire trip required five long days of traveling, as it covered nearly 1100 miles each way. They report perfect traveling conditions, with no car trouble, through country which was a mass of greenery and flowers. They especially no-

ticed the dogwood in full bloom, the azaleas, wild honeysuckle and other wild flowers, growing everywhere in profusion.

A highlight of the trip was attendance at the famous tulip show in Atlanta, the outcome of years of successful work on the part of Atlanta garden clubs and civic leaders to make the city a garden spot of the nation.

"They seem to have gotten along fine here without us—and the old job and home all look fine to us," says Joe Muller this week, as he tackled the stack of blanket orders of which there never seems to be an end at his West Texas Woolen Mills.

CHILD'S SECOND INJURY REQUIRES OPERATION TO SAVE HER EYESIGHT

Norene Swain, daughter of the J. B. Swains, who underwent an eye operation recently in a San Angelo hospital following an injury received when she punctured the eyeball with a pair of scissors, underwent a second operation last Friday morning as a result of a fall from a hospital bed, causing further injury to the eye. The child is doing fine, and doctors are still hopeful that her sight will not be impaired.

She will probably remain in San Angelo for several days longer before returning home. Norene is a granddaughter of Mr. and Mrs. Chester Winans.

NEGRO CONGREGATION TO INSTALL PASTOR; BIG CROWD IS EXPECTED

St. Luke's Baptist Church will provide a meeting place on April 25 for a large number of Negroes, on the occasion of the installation of Pastor H. O. Payne. The theme of the all-day services will be "Greatness Merited by Service." The Rev. J. H. Ford of San Angelo, the Rev. C. H. Warren, the Rev. W. D. Davis and H. O. Payne will deliver the sermons during the various sessions.

Two choirs, the Little Zion choir of Brownwood and the Mt. Zion choir of San Angelo will render several selections.

The program committee consists of Pinky Easley, Dorothy Hastings, Ella Johnson, Trudie Johnson and Henry McNeal.

The local congregation of Negro Baptists are making elaborate plans to take care of a large number of visitors.

Dates Set For Baptist Revival

The Fundamental Baptist church announces that they have set the dates of May 23 to June 4 for a revival to be conducted by Rev. A. T. Susky of Merkel. Rev. Susky is Jewish and is a nationally known Baptist pastor and evangelist. He was here last fall for a fellowship meeting.

Everyone is cordially invited to attend the services.

Memorial Building Material Arriving

"It's started in a big way," said County Judge C. L. Meador Wednesday, when questioned about the Schleicher County Memorial building now under construction. He listed the crew's various activities this week: building of forms for the cement foundation, and unloading of concrete tile blocks for the interior of the walls and of the Austin stone for the exterior finish.

The concrete blocks are being trucked in from San Angelo, and the Austin stone from a quarry 25 miles from Austin.

Judge Meador and the commissioners, who are in over-all charge of the entire project, have been using county equipment and labor on some of the work, to keep down costs.

ARMISTEAD SPEAKS TO LIONS CLUB

E. E. Armistead of San Angelo spoke briefly on cancer, following his introduction by F. A. Watson, Schleicher County chairman of the cancer drive, at the regular meeting of the Lions Club Wednesday. A film on cancer, "The Enemy Within" was also shown to the group.

Guest speakers at the meeting included the Rev. F. E. King and his sons, Rev. Will King and Rev. John King. The two sons addressed the group, using as their theme "Making a Better World". Mrs. John King was also present and entertained with two vocal numbers accompanied by Mrs. James Page.

Supt. C. A. Reynolds spoke on further plans for the summer recreation program.

Sonny Moore, son of Mr. and Mrs. Joe H. Moore of San Antonio, is spending this week with his grandparents, Mr. and Mrs. B. E. Moore. The San Antonio school children have a holiday this week during the fiesta.

4-H Boys At Brady

Several Schleicher County 4-H Club boys, accompanied by Truett Stanford, registered Corriedale breeder, attended a sheep, goat, wool and mohair training school, sponsored by the Extension Service of A&M, at Brady last Saturday.

The school was conducted by W. I. Marshall, extension district agent from San Angelo and W. R. Nesbit, extension animal husbandman from College Station. Approximately 42 4-H boys from nine counties participated in the school and four Brady FFA boys also took part in the judging sessions. Boys were accompanied by county agents and other adults.

The morning session was spent in judging two classes each of Rambouillets, Delaines and Corriedales, and two classes of Angora goats. Truett Stanford was among breeders providing animals for the judging.

Following lunch, the boys spent the afternoon at the Roddie and Co. warehouse, judging wool and mohair fleeces.

New Junior Club Installs Officers At Monday Meeting

Six officers of the Junior Club were installed at a special meeting Monday in the home of Mrs. Jo Ed Hill, with Mrs. Lee Gentry and Dr. Claire Peterson of San Angelo, members of the Texas Federation of Women's Clubs, as installing officers.

The officers include Miss Pauline Jones as president, Mrs. Floyd Spurgers vice president, Mrs. C. F. Jones recording secretary, Miss Danell Baker corresponding secretary, Miss Helen McGill treasurer, and Mrs. W. F. Edmiston parliamentarian.

Two new members, Misses Billie Barbour and Mary Lee Gunstead, were introduced to the group, making the total membership 15 at the present time.

At the regular meeting of the club Thursday night, April 9, Miss Pauline Jones, president, presided over the session which was held in her home.

After arriving in Christoval the group had a swim before lunch. At noon a nice picnic of fried chicken, potato salad, red beans, deviled eggs, and lots of other good food. After a feast like that, one would think they should have rested—but not the freshmen—they danced, skated, and later went in swimming again. After the long swim ice cream and cake were served to the eager group. Around 5:00 the 21 blistered, tired, freshmen boarded the bus for Eldorado, thus having spent a wonderful day!

From where I sit... by Joe Marsh

Homer Does Some "Back-Seat Sewing!"

Homer Bentley's missus was working on her new sewing machine, when Homer comes in, draws up a chair, and starts talking: "Don't you think you're running too fast?" he says. "Slow down! Watch out! Be careful!"

When the missus finally turns with murder in her eyes, Homer says goodnaturedly: "I thought you might like a little help, dear—like you help me drive the car."

The missus can't help but burst out laughing—and they settle what might have been a quarrel over a

friendly glass of beer. The missus agrees to give up back-seat driving and nagging Homer about ashes on the rug. Homer agrees to quit criticizing Sarah's taste for flowery hats and parsley salad.

From where I sit, the key to getting on together is meeting every issue half way—and overlooking any petty differences in tastes—whether these tastes apply to beer or flowery-looking hats!
