(Q) What can be done about people who park in the street blocking a parking place and sometimes blocking two? I'm referring to the way some park at Kelley School. Some mothers do try to park in the proper place and when a parking space is blocked it is frustrating. I have been in touch with the police concerning this and it still continues. Who can stop others from blocking parking spaces that are empty?

(A) Picking up and discharging students should be done on the shoulder or on the space provided. They can be ticketed for blocking a traffic lane, said Chief Ed Wheat.

Parking spaces must be marked and signs posted to control parking in these spaces, he said.

Mahons honored at reception

By LUIS RIOS

George Mahon, the veteran and wily workhorse of Congress for 50 years, returned home to Mitchell County where he and his wife Helen were honored with a welcome home reception at the civic center Friday afternoon.

Old friends and well-wishers turned out in full force to greet and honor the Mahons. Colorado City Mayor Elmer Martin, who is a longtime friend of the Mahons, introduced George Mahon as a "great man and a great statesman."

Mayor Martin presented Mr. Mahon with a key to the city and Mrs. Mahon was presented with a bouquet of roses at the reception.

Mr. Mahon, who retired from the U.S. Congress January 1979, said he had been very busy in Washington dealing with different programs and problems, during an

interview at the home of Mrs. Charlie Thompson where the couple are currently staying.

The Mahons said they had no definite plans other than visiting old friends and attending programs.

"We started in Mitchell County in 1926," Mr. Mahon said. "The first elected office I held was the County Attorney seat. I did not serve but for 10 months before Big Spring District Attorney James T. Brooks retired and Dan Moody appointed me to the position October 1927."

His long and not to mention remarkable career as Congressman began in 1934 when he was first elected to represent the district.

Mr. Mahon attended Simmons College, which was later Simmons University and Hardin-Simmons University. He was at Simmons College for three years. He later

attended the University of Texas where he received a Bachelor of Arts degree and his law degree.

Looking back and reflecting on his career and life in Washington, he said he had seen a lot of dramatic changes.

"It's a different world entirely," he said. "It has turned upside down in recent years."

"But we lived in a very exciting time in the history of our country. We are proud of our country and what it has accomplished."

Many of those things that this nation has accomplished were because of that statesman from Mitchell County.

"Politics used to be a man-to-man sort of business," he said. "But there has been a tremendous change in the whole setup in these years."

Both Mr. and Mrs. Mahon said there ap-

peared to be a lack of leadership in Washington.

"Sam Rayburn sort of ruled over the House of

Representatives with an iron hand. It was very effective and very successful. He had all the different factions (of go-

vernment) working together.

"Now we have too many factions. Every-

Candidates face tough races

By LUIS RIOS

Election year '84 is off and running in Mitchell County for 21 announced candidates.

1984 may very well prove to be one of the most interesting election years for some time in Mitchell County.

The unexpected large number of credible and well-qualified candidates filing for the seven open county seats has drawn a tremendous amount of interest. The interest was generated before actual campaigning took hold.

The seven seats drew the attention of 18 candidates. The most heated races, without a doubt will be the county commissioners' seats for Precincts 3 and 1. Nine persons are entered in these two races.

The races for the county commissioner seats will definitely split the votes up in the two different precincts under consideration.

Precinct 1 sees four well-qualified persons vying for the one posi-

tion. Candidates are Truman Bodine, Warren Anderson, Edward B. Roach and Ronnie Feaster. The seat is currently held by Mrs. Louise

Logsdon, who is fulfilling the unexpired term of her late husband.

Precinct 3 will see three candidates go head to head with in-

cumbent Paul Hunter. The candidates are Curtis E. Latimer, Weldon Hardegree and Frank W. Conard.

"1950's Mania" rocks Safeway

The local Safeway store in Colorado City took a step back into time Wednesday as they journeyed into the 1950's era as part of a promotion for the store.

Long skirts, greased back hair, straight-leg blue jeans, 1950's music and a rock and roll atmosphere invaded the store early Wednesday morning.

Manager Tommy Sikes said the 50's theme adopted by the store employees will be from February 29 through March 7. An old 1950's police car will be parked in front of the store, also

he added. "We were given a choice of having a 50's model store or a western theme," Sikes said. "The employees voted to have the 1950's theme. The 50's won by a two-thirds to one-third vote."

Sikes said there would be signs in the store to let the customers know of the 1950's theme.

"I think the customers will enjoy as much as we will," he said. "Some people will remember this store from the 50's. It will be like stepping back for many of them."

Kansas couple nabbed for fraud

A Kansas couple, who passed counterfeit money in Colorado City sometime in February at the local Safeway store, were arrested in Alamogordo, New Mexico February 14 on fraud charges.

The couple was Charles Frederick Ruane, 31, who had no address and Cindy Anne Adkins, 19, of Kansas. The couple was arraigned before Magistrate Court in Alamogordo and bond was set at \$2,500 with a waiver on the 10 percent bail for each. The two were arraigned on 13 counts of fraud from incidences ranging through Texas, Arizona

and New Mexico.

Adkins and Ruane admitted to having passed forged instruments and fraud in the three states, said a spokesperson from the Alamogordo Public Safety Agency.

The incident in Colorado City was reported February 21. However, the money could have and in all probability was passed earlier in February.

The CCPD began investigation into the incident after receiving a call from the local Safeway store. Local merchants were asked to keep a close eye on all \$10 bills.

U.S. bond sales down in county

Sales of U.S. Savings Bonds in Texas during 1983 were \$263,956,322, an increase of 22.7 percent over the same period a year ago, T. J. Morrow, District Direc-

tor for the U.S. Savings Bonds Division in Dallas, Texas announced. These sales represent 117.5 percent of the st-

ate's 1983 assigned dollar goal of \$244,700,000.

In Mitchell County, sales of Series EE bonds amounted to \$55,894 during 1983, Wayne Shawn, Volunteer County Chairman, said. Total year's sales of \$55,894 represent 80 percent of the County's 1983 assigned dollar goal.

body wants to do his own thing. And it is hard to get cohesion and cooperation among the various groups.

"We used to have a tyrannical sort of leadership, but it worked."

Mr. Mahon was named chairman of the Appropriations Committee in 1964. The committee is considered the largest and one of the most important in Congress. He served in that capacity until his retirement 15 years later.

Mr. Mahon is currently serving on two committees for the Smithsonian Institution. He is on the Audit and Review Committee and Committee of Personnel. Mr. Mahon, who served on the Appropriations Committee since 1939, said he advocated the

"pay as you go policy." However, with the government deficit skyrocketing, Mr. Mahon

said the country could very well expect fiscal disaster.

"Congress has appropriated money, money, money with hope of seeing enough revenues to pay for it," he said. "And it has been a real problem. We are going to find ourselves in fiscal disaster if we don't get our fiscal affairs in shape."

Mr. Mahon again pointed out that the lack of leadership was causing problems.

"When I first arrived, Congress was in the hands of a few people. But this has changed dramatically. Congressmen were to be seen and not heard and there is still some virtue in that."

"Helen and I are very grateful for the support and confidence of the people throughout the years. It is great to have had a part in the government of this country."

Obituary

Thurston

Mr. and Mrs. Moody Richardson received the word this week of the sudden death of Arthur Thurston, 75, of Dallas, a former Loraine resident.

He with his family lived in Loraine several years ago. He was a mechanic.

He is survived by his wife, Ruth, a daughter Elaine and a son, Brian.

Let's talk.

Information about your changing telephone service from Jim West, Manager-Community Relations

"What's good about Southwestern Bell?"

While not addressed quite so bluntly, that was the main question we tried to answer in recent group sessions with our customers. These "focus group" meetings were held to give us a better idea of what people perceive to be strengths of our company.

We also asked for, and received, commentary on our weaknesses as seen by these customers.

Good service — particularly its dependability and reliability — was by far the main strength cited in these sessions.

Here are some of the comments made by our customers: "We couldn't survive without the phone service. I have to have my telephone for communications. If you have an emergency or a fire, you need it. I could live without the service, but I wouldn't want to. It is a big part of everybody's life."

It's dependable

"I would stress the dependability. I would point out to consumers being able to rely on your telephone for just about anything: your business, your home life, your social life."

"I'd say they have good service. Their phones work, and you can depend on the calls. If you have any repair work, it gets done."

"I've called to ask questions about rates and bills, and the people I've spoken to have been very polite and willing to answer all my questions."

"The phone company is every day coming up with more efficient ways of doing things, or better ways."

"I think the strength of the telephone company is that they have been more economical as compared to other items in your household budget. They have not gone up proportionately as much. That has been a tremendous asset for the lower income people."

Rate increases in line

"In relationship to every other company's rate increases, they're in line. The regulated companies have more trouble than the unregulated companies because they have to go beg almost to get a nickel and unregulated companies don't."

"Compared to what other

things cost today, I would say telephone service is a good value. It saves me money because I do a lot of comparison shopping through the phone book. I make the telephone work for me."

"You pay for contact with most of the world. You can use the phone to talk to anybody about anything, check on relatives, children, and you don't have to worry about it. It always works. What value would you put on that? A call to poison control when your child just drank a glass of bleach. What do you do? What's the value of that?"

"I like the bills because they come with a return envelope. It's one less address you have to write out and one less envelope you have to work up."

"I think the size of the company and the fact that it has been such a good company for people to work for has been a real asset here."

Divestiture confusion

Some customers did tell us they were still confused and uncertain about our separation from AT&T. Here are some of the comments about life after divestiture:

"I feel uneasy about it. I don't really understand what is actually happening and how it is going to affect me. I really can't say anything about it because I really don't know."

"We will be able to tell shortly how well Southwestern Bell Telephone will do on its own — whether in the coming years it is going to fall on its face or lay an egg. Or spread its wings and fly."

Well, the breakup has come and gone and I can assure you Southwestern Bell Telephone isn't laying any eggs. Our service in Texas has never been better. And we're going to work hard to keep it the best there is.

How about you? What do you think is good about Southwestern Bell Telephone? What faults do you find with us? I'd like to hear from you either way — just drop me a line at the address below.

'Miracles of science' discussed by club

The Self Culture Club met on February 17th in the home of Fannie Beeman with Lil Brown as co-hostess.

Eddie Barclay presided over a short business session. She also was principal speaker, "Miracles in Science and Technology." Many of

these extraordinary feats might appear to be wishful thinking. Experts are too conservative in predicting future developments in science and technology.

In the next half-century there will be floating cities that can hold

30,000 inhabitants, merging medicine with physics, inventors will create aural sensors that permit the deaf to hear, brain operation which will spur development of artificial body chemicals to produce desirable mental moods, control weight, improve memory and extrasensory perception.

There will be new development in megaprojects-bridges over the Strait of Gibraltar and the English Channel, floating cities in the oceans, icebergs towed to dry climates for fresh water, coast to coast underground bullet train that will travel hundreds of miles an hour. Cure for colds, arthritis, herpes and other major diseases, vaccine for tooth decay, ways to slow aging process, possible regeneration of nerve pathways, including restoration of paralyzed limbs. Solar power will be gathered in orbiting collectors, these plants will produce vast amounts of electricity. Supercomputers will do more than 100 trillion calculations a second; compared with about 100 million per second for today's fastest computers, she concluded.

The Federation Report was given by Pearl Watson, members were urged to contact their Congressmen for an amendment on spoken prayers in schools, balance budget and against raise of taxes. Rostenkowski expects Congress to increase taxes.

Those attending were Eddie Barclay, Elizabeth Elliott, Jewell Tiller, Pearl Watson and the hostesses, Fannie Beeman and Lil Brown.

Loraine Personals

Mrs. Gertrude Simms had her three daughters with her during the weekend. They were Mrs. Laverne Sawyer

from Abilene, Mrs. Delma Robison of Bowie and Charlene and Rodney Walker of Loraine.

Mrs. Ida Mae Beights and her son, the Rev. Cletus Beights and wife from Dallas were down for a visit on Friday.

Johnson presents program to Loraine B&PW

Loraine Business and Professional Women met Monday evening at the Lions building. Margaret Brame, president, presided.

Billie Ruth Tarrt introduced Dorothy Johnson who reviewed the book "All You Need to Know About Banking," by John Cook, a vice president of the Bank of

New York. It is a discussion of big city banks, their inner workings, and the people who patronize them.

The book opens with a discussion of banking principles, regulations and laws. Five Paradoxes concerning banks

are mentioned. 1. "Banks need you, but it may kill them to admit

it." 2. Banks want retail volume—each customer is a person, not a number. 3. A banker's image makes you trust him with your life savings. 4. The conservative banker, who is good at numbers, but poor in dealing with people. 5. Make loans, many of them—but only good ones.

Mr. Cook told of his rise in banking from a messenger boy at 22 up through president of the Trust Department and Commercial banking. He recites, in a very humorous manner, his dealings with bank customers who came to him for special services. How he made friends with most, but enemies of others; how he used his super-salesmanship and social graces to win clients, especially the

rich ones. All through the book he reminds the reader that "Banks are just as afraid of you as you are of them, and they need you as much as you need them."

A business meeting followed the reviews. Plans were made to finish the painting project in the City Park and to attend the State B&PW meeting in El Paso June 15-17.

The club voted a special Nursing Home project to remember certain patients there on birthdays and holidays. Present were Billie Ruth Tarrt, Elba Mae Evans, Bertha Faye Snyder, Sally Compton, Marsha Rickard, Ann Hallmark, Margaret Brame and one guest, Vida Mae McDaniel.

Culwell installs officers at Senior Citizens Club

In the regular February social and business meeting of the Loraine Senior Citizens Club, Joy Culwell of Colorado City installed officers

for the new year. Herbert Mearse, president, presided and welcomed guests and members before the pot luck meal was served.

Joy Culwell of Colorado City installed new officers using the "Key" theme in her installation service. In presenting the gold key to the presi-

dent, Herbert Mearse, she spoke appropriate words to challenge him as he accepts the office to lead the club in the new year. Vice President, Rita Richards received the Silver Key. Other keys, bronze, etc., were given as Glen Coon, secretary, Sue Lankford, treasurer, Price Hall and Rita Richards board members received their keys. They were told their duties in their respective offices and challenged to do their best in the office they had been chosen for, and had accepted.

As always Joy in her inimitable manner mixes some humor in her talk as well as assuming the job as a God given privilege.

After the installation service, the Club's Kitchen band, directed by Estha Coffee, played several numbers. They were received with great enthusiasm by the other members and guests.

At the close of the evening, Joy and the band were given a loud applause for making the evening such an enjoyable one and all welcomed Joy to come back as a speaker or as a visitor.

sister to the late Claude Hooks of Colorado City.

Survivors include one son, Roy S. Nunnally of Austin, a brother, J. K. Hooks of Richardson, one granddaughter, Roxanne and one grandson, Rex S. Nunnally of Austin.

Loraine Baptist Women meet at Butler home

Loraine Baptist Women met at the home of Mrs. Clara Butler on 9:30 a.m. Wednesday for their monthly mission program and Bible study.

Mrs. T. L. Holman presided and led the opening prayer and Mrs. Frances Porter gave the introduction to the program entitled "Bold New Work—Reaching People."

In discussing this subject, Mrs. Porter with others taking part said that Bold New Work projects introduce ways that help every church to be bold in effort to

reach people. They must be bold to start new units within the church and new works beyond the church. The Home Mission Board leads with information, personnel and financial support. A record of 1,180 new churches started were reported in 1982.

May 22, 1983 was a special day for Southern Baptist Convention. A Convention wide new work commitment day was held. Churches were challenged to commit themselves to start a total of 3,000 new

missions during the 1983-84 convention year.

Mrs. Lynn Compton led in the Bible study taken from Acts. From this scripture, the life of Paul was told. Paul, an educated Jew, was zealous in his efforts to protect Judaism from the teachings of Jesus of Nazareth. He was on his way to Damascus to arrest Jews there who were followers of Jesus, when he was converted. He is second only to Jesus in influence and importance in the spread of the Gospel. In fact his ministry changed human history.

Week of Prayer for Home Missions will be observed March 4-11. The local group will meet at the church at 2:30 p.m. Monday to begin this week's program which is given in the Royal Service Magazine.

Loraine bands place in area competitions

On January 28, several members of the Loraine High School Band and the Junior High band travelled to Abilene to compete in the All District Band try-outs. Making the All District Band of the high school were Abram Garcia on trumpet, Dee Ann Pulcher on tenor saxophone and Tonya Troutt on clarinet. Making the All District Junior High Band was Jolinda Troutt on trumpet, Micki Martinez on oboe and Krista McNary on baritone.

On February 11, these six members, along with Miss Debbie Wiechman, band director, went to Abilene to perform in the annual concert. They did an excellent job in representing Loraine.

On February 25, some of the band members travelled once again to Abilene. The students went to participate in the Solo and Ensemble contest. Loraine high school sophomore, Abram Garcia, received a I rating on his first division solo. He will be going to Austin in June to perform once more. Nancy Esquivel also received a I rating on her solo.

Other members participating and receiving II ratings were Dee Ann Pulcher, Jolinda Troutt, and Cheryl Alvarez on solos. Receiving the same rating on ensembles were Shelly Martin, Tonya Troutt, Micki Martinez, Sandy Morris, Nancy Esquivel, Leticia Garcia, John Paul Pantoja, Tommy Craven, Joe Alvarez and Brandon Hardin. Congratulations to these young musicians.

Bulldogs lose bi-district game

By TONY FRANCO
Cold shooting and a three point second quarter cost the Lorraine Bulldogs a 66-47 bi-district loss to Midland Greenwood last Thursday.

The Bulldogs, runners-up of district 12-A, played the district 11-A champion Rangers at Big Spring's Dorothy Garrett Coliseum located on the campus of Howard County Junior College.

"The second quarter

was terrible," said coach Jack Petty. "They were fouling us every time we shot the ball."

"The referees were letting both teams play and letting a lot of things go, but some really obvious fouls were missed," said Petty.

After one quarter of play, the score stood at 14-14, but one goal and one free throw by James Griffin was all Lorraine could muster in the second period.

Griffin finished the

game as Lorraine's top scorer with 17 points.

At halftime, the Rangers led 33-17, but from there the Bulldogs fell only three points further behind.

"We played with them and could have beat them," said coach Petty.

For Greenwood, Troy

Wallace scored 25 points, including 11 in the deciding second quarter.

"They just worked the

ball inside to him," said Petty.

Scoring totals for Lorraine, which shot 29 percent from the field and 69 percent from the free throw line, were Aundra Rose 11 points, Ruben Garcia eight, Tony Morris six, Ricky Banks and Freddie Benitez two and Landy Smith one.

This story was not included in last Sunday's publication of the RECORD because the results were not available at press time.

CHS track team to kick-off season

By TONY FRANCO
The Colorado High School boys track team, which lost only one regional qualifier to graduation, kicks off its 1984 season this coming Saturday at Junction.

Head track coach Rick Robinson said "The strength of this year's team is the number of returning lettermen and the hard workers in the group."

Twelve tracksters that placed at last year's district meet head a total of 40 track and field athletes that will be on hand this year.

The Wolves Varsity track team will be made up of mostly seniors, juniors and sophomores, but some freshmen could possibly run with the varsity.

Because of the number of young men out for track this year, CHS will be attending some junior varsity and freshmen track meets.

At the District track meet, to be held April 19 at Coahoma, there will be three divisions-Varsity, Junior Varsity and ninth grade.

"The Varsity division will be very interesting this year," said Coach

Robinson. "Last year we finished third behind Ozona and Sonora, but we lost only one young man to graduation."

"Ozona will still be the team to beat in our district but Crane, Coahoma and Sonora will challenge," said Robinson, adding that Ballinger also has several quality performers.

"As the season progresses, we will know more about how our young men stack up with the rest of the district," said Robinson. "Our goal is to win district and qualify several athletes for the regional meet in Odessa, but we must improve in the shot put and discus."

Returning lettermen

that placed at last year's district meet are as follows: 400 meter relay (2nd place), Larry Hamilton, Kevin Norman, Perry Conner and Joey Ritchey; 1600 me-

ter relay (3rd place), Kevin Norman, Donny Davenport, Perry Conner and Mike Ligon; 100 meter dash (2nd place), Kevin Norman; 300 meter Intermediate Hurdles (4th place), Dennis Rivera; 800 meter hurdles (6th place), Dennis Rivera; 110 meter high hurdles (6th place), Don Randle; 1600 meter run (3rd place), Jay Claxton; 3200 meter run, Jay Claxton (2nd) and Charles Iglehart (3rd); Long Jump, Dennis Rivera (4th) and Larry Hamilton (6th); High Jump, Doug Chitsey (2nd); Armando Rivera (4th) and Dennis Rivera (5th); Pole Vault (3rd) Armando Rivera. First and second place finishers qualified for regional.

Other CHS tracksters include senior Fred Dakan and juniors David Britton, Freddie Pineda, Johnny Rivera, Wylie Stice, Paul Marion and Mike Ledesma.

Sophomores are Junior Coronado, Sammy Martinez, Sam Rivera, Mike Molina, Dale Craighead, Stu Howell, Larry Lane, Bobby Patterson, Albert Rivera and Jimmy Thompson.

The freshmen are Wylie Dakan, Domingo Salazar, Tony Alvarez, Larry Mayes, David Birmingham, Ralph Gonzales, Mike Swann, Terry Jackson, Scott Dennis, Bruce Gonzales, Jerry Salazar, John Garza, Reggie Gardner, Gene Barber, Marty Cleckler, Terry Henderson, Paul

Arellano, Ricky Salazar, Danny Salazar and Robert Garrett.

Scott & Baum named All-District

By TONY FRANCO

The 1983-84 6-AAA All-District basketball team was released last Monday and representing Colorado City are Laura Baum and Linda Scott, with Denise Jackson and Sherry Fite receiving Honorable Mentions.

Baum and Scott, both seniors at Colorado High School, averaged 21.4 and 11.8 points respectively through 10 district games for the Wolves.

District champion Crane paced the selections with three All-District picks, the district's Most Valuable Player and the district's Coach of the Year.

Senior LaWanza Mitchell, a 5'9" senior Golden Crane, was chosen as the MVP. Her coach Vicki Jo Caldwell was named Coach of the Year.

All-District selections

from Crane included Jo Mitchell, Jackie Drones and Terri Grooms.

District 6-3A runner-up Coahoma placed Janina Griffin, Tobie Henry and Melissa Paige on the squad.

Sonora, who lost a second place playoff to Coahoma, placed Lorri French and Lea Whitehead as All-District.

Representing Ballinger were Traci Cole and Juanita Moeller.

Ozona's lone All-District player was Sherri Buckner.

Joining the Wolves' Jackson and Fite on the Honorable Mention list were Sarah Hernandez

from Crane, Leslie Kirkpatrick and Denise Greenfield from Coahoma, Judy Merrell, Debby Bible and Kristi Hill from Sonora, Angie Jones from Ballinger and Ozona's Vanessa Miller.

CHS track team to kick-off season

By TONY FRANCO
The Colorado High School boys track team, which lost only one regional qualifier to graduation, kicks off its 1984 season this coming Saturday at Junction.

Head track coach Rick Robinson said "The strength of this year's team is the number of returning lettermen and the hard workers in the group."

Twelve tracksters that placed at last year's district meet head a total of 49 track and field athletes that will be on hand this year.

The Wolves Varsity track team will be made up of mostly seniors, juniors and sophomores, but some freshmen could possibly run with the varsity.

Because of the number of young men out for track this year, CHS will be attending some junior varsity and freshmen track meets.

At the District track meet, to be held April 19 at Coahoma, there will be three divisions—Varsity, Junior Varsity and ninth grade.

"The Varsity division will be very interesting this year," said Coach

LINDA SCOTT AND LAURA BAUM, top row left to right, represent the Colorado City Wolves on the 1983-84 All-District basketball team. Denise Jackson and Sherry Fite, bottom row-left to right, received Honorable Mention recognition.

Bulldogs lose bi-district game

By TONY FRANCO
Cold shooting and a three point second quarter cost the Lorraine Bulldogs a 66-47 bi-district loss to Midland Greenwood last Thursday.

The Bulldogs, runners-up of district 12-A, played the district 11-A champion Rangers at Big Spring's Dorothy Garrett Coliseum located on the campus of Howard County Junior College.

"The second quarter

was terrible," said coach Jack Petty. "They were fouling us every time we shot the ball."

"The referees were letting both teams play and letting a lot of things go, but some really obvious fouls were missed," said Petty.

After one quarter of play, the score stood at 14-14, but one goal and one free throw by James Griffin was all Lorraine could muster in the second period.

Griffin finished the

game as Lorraine's top scorer with 17 points.

At halftime, the Rangers led 33-17, but from there the Bulldogs fell only three points further behind.

"We played with them and could have beat them," said coach Petty.

For Greenwood, Troy

Wallace scored 25 points, including 11 in the deciding second quarter.

"They just worked the

ball inside to him," said Petty.

Scoring totals for Lorraine, which shot 29 percent from the field and 69 percent from the free throw line, were Aundra Rose 11 points, Ruben Garcia eight, Tony Morris six, Ricky Banks and Freddie Benitez two and Landy Smith one.

This story was not included in last Sunday's publication of the RECORD because the results were not available at press time.

Scott & Baum named All-District

By TONY FRANCO
The 1983-84 6-AAA All-District basketball team was released last Monday and representing Colorado City are Laura Baum and Linda Scott, with Denise Jackson and Sherry Fite receiving Honorable Mentions.

Baum and Scott, both seniors at Colorado High School, averaged 21.4 and 11.8 points respectively through 10 district games for the Wolves.

District champion Crane paced the selections with three All-District picks, the district's Most Valuable Player and the district's Coach of the Year.

Senior LaWanza Mitchell, a 5'9" senior Golden Crane, was chosen as the MVP. Her coach Vicki Jo Caldwell was named Coach of the Year.

All-District selections

from Crane included Jo Mitchell, Jackie Drones and Terri Grooms.

District 6-3A runner-up Coahoma placed Jana Griffin, Tobie Henry and Melissa Paige on the squad.

Sonora, who lost a second place playoff to Coahoma, placed Lorri French and Lea Whitehead as All-District.

Representing Ballinger were Traci Cole and Juanita Moeller.

Ozona's lone All-District player was Sherri Buckner.

Joining the Wolves' Jackson and Fite on the Honorable Mention list were Sarah Hernandez

from Crane, Leslie Kirkpatrick and Denise Greenfield from Coahoma, Judy Merrell, Debby Bible and Kristi Hill from Sonora, Angie Jones from Ballinger and Ozona's Vanessa Miller.
