Architect's Drawing of Proposed Civic Center

# Election Saturday To Decide Whether Or Not Ozona Will Have Civic Center

Voters will decide Saturday of this week at the polls whether or not Ozona will have a civic center for use as a meeting place for organized groups, for conventions and public gatherings of all kinds.

A generous public spirited citizen, Dick Henderson, whose ranch adjoins the town of Ozona on the North, has offered to donate a very valuable piece of land to the county upon which to erect the proposed civic center.

A citizens committee, after study of similar centers in other cities and conferring with an architect on plans and cost estimates, has proposed a building to contain some 10,000 square feet of floor space, embracing an auditorium with stage facilities, three smaller meeting rooms where clubs and smaller groups could meet, simultaneously if necessary, and a well equipped kitchen, storage and rest room facilities.

To finance construction of the proposed center, a countywide election has been called for next Saturday, April 18, to decide whether or not county bonds in the amount of $125,000 are to be issued. The bonds are to mature in not more than ten year and bear interest at "not more than 4½ percent" according to the election order. Crockett county's strong financial condition has made it possible in the past to sell county and school bonds for a much smaller interest figure.

Crockett county's one outstanding bonded indebtedness, the hospital bonds, will be paid off next year, as well the time warrants issued for the memorial park, and, although no positive statement can be made, officials see no reason to anticipate any immediate tax increase to take care of the proposed bond issue. Rates now in effect should be sufficient to create a sinking fund to retire the bonds without need for increased valuations or raise in rates in the foreseeable future.

Construction of the civic center would make available to citizens of Ozona a place to hold public gatherings, now available only at the courthouse, in school buildings or at churches, It would be available for use of the teenagers, for parties, dances, or play sessions. The committee's plan for operation of the building, under county supervision, called for a board of managers to set up and enforce rules for use of the building. Such details will be worked out later by the Commissioners Court if the bonds are approved and the building constructed.

## NEEDS CIVIC CENTER FOR THE BONDS

ty taxpaying citizens of county who are otherwise alified voters will have rtunity next Saturday of a much needed facility a — a coliseum, a civic meeting place, an audia club house, a party room ever you might wish to

will have the obligation ing whether or not $125,- unty bonds shall be issued ich to erect a building in ll of these activities might ce — a building in which ps or individuals, who can meet certain rules to be n for the operation of the may have free use, ex- a nominal maintenance may be levied as a means ing the property in good n and repair.

irst paragraph of this edi- called the proposed civic building a 'much needed '' In the early days of O- history, when its popula- mbered a few hundred, the use or the "school house" dequate for public meet- hurches were for religious gs for the most part, with occasional Christmas par- uch, and then largely for th.

for at least 25 years Ozona eded a civic center — a where conventions, musical matic entertainments, club gs, parties, dances, family s, educational or religious gs could be held. And for han 25 years Crockett coun- been financially able to af- ch a facility without strain- credit or its taxpayers. It ded today more than ever The schools and the chur- re carrying the burden of ing meeting space for groups is no longer just that they led upon to continue such service. After all, schools built for the express pur- of educating children and es for worship. In a commu- hat can well afford to pay n way, it seems absurb that hools and churches should be the extra expense of provid- cilities for functions not in realm of purpose. Further- such facilities are no longer ate, however fine they have

movement for a civic center one man's idea in Ozona. It onceived at a representative ng in which the need was ghly discussed and agreed The best minds were con- as to the size and design, he many uses to which such lity could be put were tho- ly examined. The minimum et the need was agreed and ful estimate of cost was se- It was first thought the ng might be located in the park but legal restrictions revent it. A generous citizen, Henderson, has offered to a site for the building and stimates did not have to be to provide for land pur-

proposed building will pro- a large auditorium with a a room in which conventions meetings, entertainments, s, etc. might be held. There be three smaller rooms in parties, club meetings, com-

# LIONS PULL UPSET TO COP DISTRICT 8-A TRACK TITLE

By Ernie Boyd

Coaches Chick Womack and Sonny Cleere put together a fine coaching job and a spirited, hard working group of boys last Saturday to spring a major upset and capture the district 8-A track title.

The Lions were able to muster but one first place, Scott Mahon's first in the pole vault, but they battled all afternoon for places in every event and wound up with a 123 to 113 edge over the defending champion, Eldorado Eagles.

In spite of the big effort by the Lions, the meet was in the balance until the final event where the Lions had to place at least fourth in order to maintain their lead. With Joel Huff still ailing from last week's bout with nerves or the heat, and David Childress out with a leg injury, the Lions had to depend on two freshman quarter milers. But as it turned out there was no reason to worry as both Darrel Maney and Beto Ramos ran fine quarters to pace the Lions to a solid second place finish in the mile relay and the district title.

The Lions got off to a good start in the field events as they rolled up over 40 points and took a lead they never relinquished during the day's action.

The meet, which was run off under clear skies, with little wind and before a big crowd, was once again run to perfection as events came off like clockwork thanks to the splendid planning of Womack and Cleere and the equally good execution of starter Fred Stallions and the work of Ozona school personnel, visiting coaches and some excellent volunteer help from Ozona men.

In the field the Lions got a first from Scott Mahon and a second from Billy Carson in the pole vault with the winning jump 11 feet and 6 inches.

In the discus, Rodney Stewart got a fourth and winner Jerry McDonald of Rankin set a new record of 152 feet and 10 inches to better Tommy Franklin of Big Lake 1962 mark.

In the shot, Ozona's Bob Amthor took second place as McDonald set his second mark of the day with a toss of 51 feet 2 inches to better the mark of 49 feet set by George Johnson of Sonora in 1957.

In the broad jump, David Childress of Ozona was fourth and in the high jump Leroy Cooper was second and Pete Garza was fourth.

Roy Winters of Rankin won both the high jump and the broad jump getting 5 feet 9 inches in the former and 20 feet and 9 inches in the latter.

Rankin also scored heavily in the field but faded in the track events as they finished with 88 points good for third place. Sanderson and Big Lake tied for fourth place with 71 points and Iraan came up last with 26 points.

On the track the Lions sprang something of a surprise in insert-

## 1,500 Vehicles Registered At End Of License Period

### Fees Totalling $44,-821.71 Pocketed By Crockett Co.

A total of 1,500 sets of license plates were issued from the office of Sheriff Billy Mills up to the last day of the registration period April 1, Mrs. Gertrude Perry, office deputy, reported this week.

This number includes 953 passenger cars, 130 commercial trucks, 292 farm trucks, 12 big trucks, 93 small trailers, 20 big trailers.

A total of $44,821.71 in registration fees was collected by the tax office, all of the amount staying in the Crockett county treasury. Counties are allowed to keep the first $50,000 in license fees and all above that they share with the state. Fees are expected to reach the $50,000 mark the last of May, if the usual pattern is followed.

The registration office was swamped the last three or four days of the registration period. Monday before the final day Wednesday was the peak day, with receipts for the day reaching $8,-000 and about $7,000 the next day. next day.

## County Cooperating In Clearing Rifle Range; Club To Be Organized

Formation of a rifle club in Ozona was spurred Monday when the Crockett County Commissioners Court agreed to lay out a rifle range and throw up target dumps in the canyon east of the cemetery.

A meeting of gun enthusiasts will be held next Thursday evening, April 23, in the courthouse at 7 p. m. for the purpose of perfecting the organization, electing officers and directors and launching activities.

A committee composed of Gene Williams, Jim Harvey, Jimmy Barbee, Jackie Womack and Earl Berry appeared before the Commissioners Court to request the use of county machniery in throwing up the target dumps and smoothing the terrain for the rifle and pistol ranges.

## Delta-Pauley To Drill Test On O-B Trap Co. South Trap

Delta and Pauley, Odessa, will drill the No. 1 O. B. T. C., a 1¾-mile south and very slightly west outpost to Canyon production in the Ozona, East multipay oil and gas field of Crockett County, three miles south of Ozona.

Location is 2,244 feet from the north and 1,897 feet from the east lines of 4-MN-GC&SF. Contract depth is 6,500 feet; ground elevation, 2,335 feet.

Shell Oil Co., Midland, will drill the No. 1-51 Henderson, ⅞-mile west-nrothwest and 1⅛ miles west of oil production in the Ozona, Northeast (Canyon sand) field of Crockett County, three miles northwest of Ozona.

Location is 2,980 feet from the south and 910 feet from the east lines of 51-OP-GC&SF. Contract depth is 7,100 feet.

## Volleyball Team Finishes Unbeaten Season For Title

### District Champs Now Prep For Regional Play In Lubbock

By Ernie Boyd

Miss Geneva Knox's Ozona High School girls volleyball team swept through their final two opponents, Big Lake and Iraan, last week to finish their district 8-A schedule unbeaten and retain their district 8-A title.

The Ozona team will now advance to regional play in Lubbock a week from Friday but as yet no information is available on who will be the opposition at that time.

The 1964 Ozona team has proven to be one of the strongest Ozona has had in several years having not only swept through their district, winning their own tournament, but also scoring wins in the big invitational meets in Big Springs and Odessa where they had failed to win before.

One of the big improvements on the 1964 team has been the addition for the first time of at least some limited height. Freida Kay Noelke, Diana Faye Coates and Lucille Childress have given the team good spiking this year and the floor play has been good if somewhat below the level it has reached in one or two years recently.

The volleyball win coupled with Ozona's track victory Saturday gave Ozona a sweep of the team sports this spring with tennis and golf yet to be decided.

## Ozona F F A Team Winner In Judging Contests At S A C

### Plant Ident and Range Judging Team First In Area Contest

Ozona's FFA plant identification and range judging team, composed of Keith Mitchell, Steve Taliaferro, Gary Boyd and Moe Barbee, surged 96 points ahead of the nearest rival to sack up one of its three first places in the FFA and 4-H Club judging contests held at San Angelo College Saturday.

High individual in the contest was Keith Mitchell of Ozona FFA with 539 points. Second was Randall Moore, Taylor Co. 4-H, 507 points; third was Gary Boyd, Ozona FFA, 503 points; and Steve Taliaferro of Ozona FFA was fifth with 481.

Ozona FFA scored a total of 1523 points in the entire contest, which comprised plant identification, classification of range conditions and range judging. Sterling City 4-H was second with 1427 and San Saba FFA was third with 1406 points.

In the various contests, placings of team was as follows:

Plant identification, Ozona FFA, 1st; San Saba FFA, 2nd and Sterling City 4-H, 3rd.

Classification of range conditions: Ozona FFA, Sterling City 4-H and Taylor County 4-H.

Range judging: Sterling City 4-H, Ozona FFA and San Saba FFA

Other Ozona boys in the range contests were Ronnie Mason, David Lewis, Bill Everett and Charlie Farris. Thirteen teams competed in the various contests.

In the wool and mohair judging, a team from Ozona FFA won first in mohair grading and judging but managed only a third place in the overall wool and mohair contest.

Sixteen team were competing in the contests and San Saba 4-H was on top with 1472 points. Kerr-

## Ozona Horse Is Top Winner In Sonora Jr. Show

### Diltzie Bland's Tee Cee Pee Sweeps To Show Champion

Tee Cee Pee, a gelding owned by Diltzie Bland of Ozona, walked off with most of the honors Saturday in the Sonora Junior Quarter Horse Show.

The horse scored the maximum 24 points by winning first place in all events entered and became champion in both halter and performance classes.

Becky Bland of Ozona was presented the hard luck award after a stirrup broke during the performance judging and she was thrown from her horse. She was shaken up but not seriously injured.

The hard luck boy was Hugh Coates of Crockett 4-H club who hit a pole.

Hugh Coates won second place in the halter class with his Tortuga in the 3 years and older mares division. Hugh also won second in the Western Pleasure performance class, riding Tortuga. Becky Bland on Smokey won second in this event in the 9-12 age group. John Bland won first in the pole bending for 9-12 year olds and his sister Becky won second. Hugh Coates, riding Bay Migra won first place in the pole bending for 16 year-olds and older. John Bland, riding Chapel, won in the barrel racing event for 9-12 year-olds.

## Two Draw Sentences On Pleas Of Guilty To Charges Of Burglary

Two men who confessed two separate burglaries in Ozona in recent months entered pleas of guilty in district court here this week and received sentences at the hands of Judge Charles Sherrill.

Melvin Leon Moyer, who confessed to burglary of Scrivner's Conoco Station and theft of a number of tires and other merchandise in February, drew a five-year sentence in the state penitentiary upon entering his plea of guilty. Moyer told officers he spent most of the day here, prior to the burglary, looking over prospects. He and two women companions spent the night in their car in a nearby roadside park.

Joe Molino, who pleaded guilty to burglary of the Ranch Feed & Supply Co., drew a two-year adult suspended sentence.

## Conservation Essays By Ozona Writers Win Places In Regional

Jackie Couch won third place and Dude Melton placed fourth in regional competition in the Fort Worth Press annual conservation essay contest, it was announced this week by Troy Williams, one of the supervisors of the Crockett County Soil Conservation district.

Although the Crockett County SCD has placed essays in regional competition before, this is the first time that two essays have been placed among the top 10 rankings.

These two outstanding high school students will be honored guests at the annual Awards banquet to be held in San Saba on May 9th.

## Ranchers Invited To Sheep-Goat Production Demonstration Friday

Sheep and goat producers are inivted to attend a program on sheep and goat production this Friday, which starts at 10 a. m. in the court room of the county courthouse.

The Ozona Wool & Mohair Company and the Crockett County Wool and Mohair Company will be host of a beef barbecue at noon, to be served at the Junior Livestock Show Barn.

The afternoon program will consist of sheep and goat selection, shearing and preparation of wool for market. The sheep selection, shearing and preparation of wool shearing and wool production will be held at the W. E. Friend, Jr. ranch shearing pens, just east of Ozona.

## Dr. Held, H-P Prof And Brother of Ozonan, To Judge Dist. Meet Here

Dr. McDonald W. Held, head of the speech and drama department of Howard Payne College, Brownwood and a brother of John Held, Ozona restaurant man, will be one of the judges of the literary event at the District Meet in progress here today.

Also assisting in the judging of literary events is Dr. Alex Reeve, a native of England, who is a professor of speech at Howard Payne.

Dr. Held was recently listed for the first time in "Who's Who in America',' in the recently issued 33rd edition of this famous roster of America's leading citizens.

## Continental Stakes Wildcat In Crockett; Another Test Has Show

Continental Oil Co. will attempt to open Ellenburger production in the Escondido (Fusselman and lower Pennsylvanian) field of Crockett County with the staking of the No. 3-1 J. M. Shannon, a 9,700-foot wildcat, ½-mile south and very slightly west of the firm's dual discovery, the No. 1-1 Shannon, 14 miles northeast of Iraan.

Location is 1,980 feet from the south and west lines of 1-2-GC&SF.

The No. 1-1 Shannon was drilled "tight", but no tests of the Ellenburger were reported; however, the firm's No. 1-8 Shannon, recent second dual producer one mile north of the new test, flowed and recovered oil on tests of the Ellenburger and flowed gas and distillate on tests of the strawn.

It is also ⅜-mile west of the firm's No. 2-1 Shannon which has been temporarily abandoned at 9,900 feet after testing the Fusselman and lower Pennsylvanian through perforations.

Broseco Corp., Fort Worth, No. 1 J. W. Robbins, in Nancy E. Everett No. 24, Abst. 5478, Crockett County Ellenburger wildcat, 8½ miles southeast of McCamey and four miles northeast of the Tippett multipay field, flowed gas, oil and mud, along with some salt water, on a drillstem test in the Devonian.

On the one-hour and 45-minute test between 6,746-61, rated at 211,000 cubic feet daily; mud in 15 minutes; and oil in 20 minutes, flowing at the hourly estimated rate of 40 barrels of fliud 85 per cent oil and 15 per cent salt water. Reversed out was a full string of fluid, 85 per cent oil and 15 per cent salt water. Recovery below the sub was 180 feet of salt water.

Flowing pressure was 2,016-2,073 pounds; one-hour initial shut-in pressure was 2,995 and one-hour and 45-minute final shut-in pressure, 2,332 pounds.

Drilling continued below 8,167 feet on an 8,500-foot contract.

## 6th Running Of West Texas Q. H. Futurity Set For Sonora Park

Sonora, Texas — The sixth running of the West Texas Quarter Horse Futurity is scheduled for the Sonora Park April 25-26 and May 2-3, 1964. This event is sponsored by the Quarter Horse Assn. of West Texas, Odessa, and is run under the rules and supervision of the American Quarter Horse Association.

The 1964 Futurity will feature two additional races under the sponsorship of the Association, the Consolation for the second ten fastest colts in the Futurity nominees. Each will have nice Derby, eligible for the 1963 Futurity nominees. Each will have nice purses, created by the nomination system. This year more than 130 registered Quarter Horse two year olds are in nomination for the Futurity, coming from several states.

Thoroughbred horsemen are represented in the Sonora racing card in addition to the many Quarter Horse events. The April 25th racing program is restricted to Futurity trials and the racing card for the 26th is headlined with the Derby, for an estimated purse of $2,000.00. Other races for various distances are also scheduled. The May 2nd program features the West Texas Quarter Horse Futurity final for a purse $20,000.00 estimated. On May 3rd the Consolation will be run, in addition to the Thoroughbred Futurity, one half mile and seventy yards, for registered two-year-olds and the Sutton County Derby, running one mile and seventy yards.

Work is going on at the Sonora Park in making the track and facilities ready for the big event. The stall committee is seeking outside stalls for visiting horses. 163 stalls at the Park are out. Park President, W. E. lace, is working daily committees in an attempt grade the facilities.

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

1926—Defeated for Sheriff of Foard County by L. D. Campbell.
1930—Defeated for District Attorney by John Mayers.
1932—Defeated for District Attorney by Ed Gossett.
1940—Defeated for District Attorney by T. Gene Rogers.
1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
1958—Defeated for District Judge by Tom Davis.
1960—Defeated for Court of Civil Appeals by James Deaton.
1962—Defeated for Texas Supreme Court by Meade F. Griffin.

A Winner All the Way—
Jim C. Langdon
for Railroad Commissioner

(Pol. Adv.—Paid for by Jim Langdon Campaign Committee, Charles C. Langdon, Chairman)

Now you can get an 18-foot, two-ton Chrysler for less money than one of those jazzed-up compacts with a big car name on it.

Let's face it. You can't make a big automobile out of a compact (even when it has a big car name on it) no matter how many extra-cost options you add.

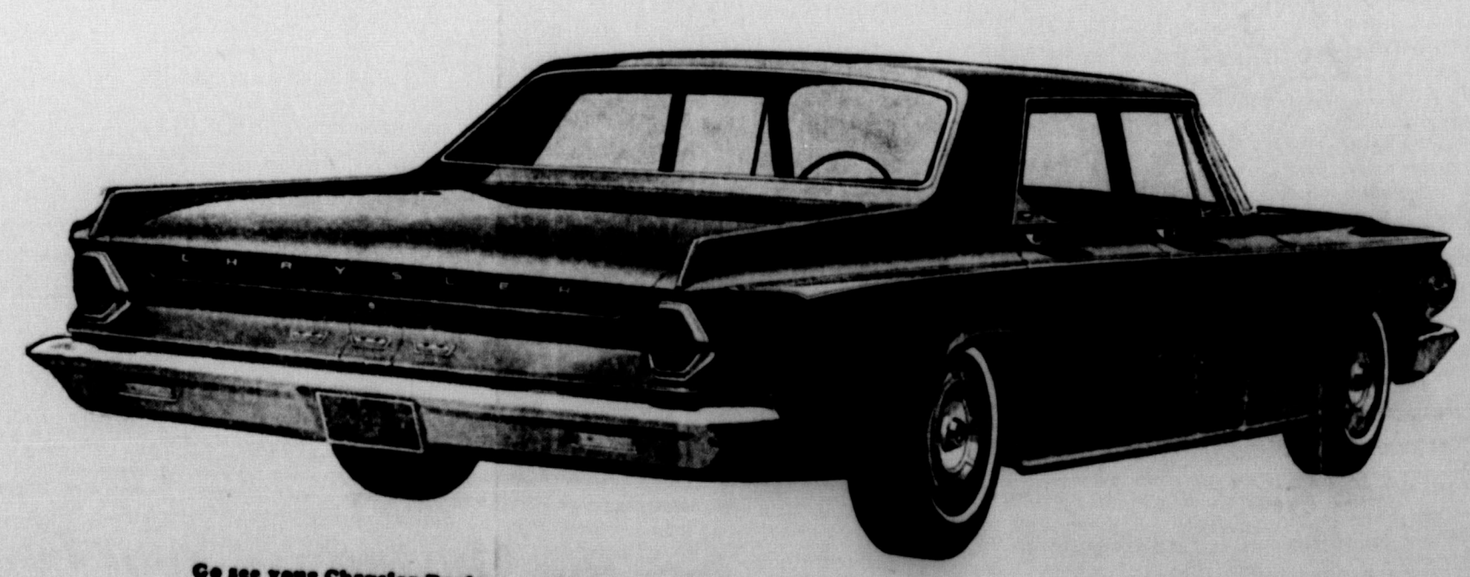

Right now, today, you can drive an 18-foot, two-ton Chrysler Newport sedan for less money and a lot less trouble.

You'll get the room you want. Weight to handle the road. Power for the tight spots. And the luxury you get only in a big car.

You'll get more value, too—things that cost you extra on a smaller car. Like a 361-cubic-inch V-8 that runs on regular gas. Foam-cushioned front seats. Padded dash. Sill-to-sill carpets.

So why settle for less than a Chrysler—now that price is no longer a factor?

## Annual Flower Show Set Next Thursday At Methodist Church Hall

Some rather belated warm weather greeted Crockett County citizens last week and despite the lack of rain in the last few weeks, outlook for the Ozona Garden Club's seventh annual Standard Flower show to be staged in the Methodist Church fellowship hall next Thursday, are good.

The show, which will be open from 4 p. m. to 6 p. m. April 23, is open to the public and will be judged on rules common to standard flower shows as adopted by the Ozona Garden Club.

This years' snow, which is entitled "Around the World In Flower Arrangement" is headed by Mrs. Glenn Sutton, who is general chairman of the show. Fourteen committees are working on the various phases of the show.

The annual snow was scheduled for last April but unseasonably cold weather killed off most Ozonan's flowers and caused cancellation of the show.

Mrs. Max Schneemann is president of the Ozona Garden Club this year. She declared that early indications are that a good selection of exhibits will be on hand for the show, making a colorful as well as informative show for those who attend.

Mrs. J. A. Sparks has been taken to the Northwood Nursing Home at 2705 East Avenue in Austin. She will be glad to hear from Ozona friends.

## Coronation Of 1964 Miss Mohair Slated In Brownwood April 24-25

Activities in conjunction with the 26th annual coronation of 'Miss Mohair' are to be held in Brownwood on April 24 and 25. The coronation will be held on the evening of the 25th at 8:00 p. m. in the Brownwood Coliseum.

Sponsors of the colorful event are the Texas Angora Goat Raisers Association, and the Brownwood Chamber of Commerce. Mrs. Seale T. Cutbirth of Brownwood is general chairman. Mrs. James Baggett of Ozona is coordinator for coronation activities.

Crowning of Miss Mohair of 1964 will set the stage for a series of tours and personal appearances designed to promote the mohair industry.

Finalists in the Miss Mohair event this year are; Miss Janet Ward junior student at Texas University daughter of Mr. and Mrs. Bill D. Ward, Del Rio; Miss Becky Crouch, Texas University sophomore and daughter of Mr. and Mrs. John Crouch, Fredericksburg, and Miss Donna Fife, freshman at Abilene Christian College and daughter of Mr. and Mrs. Aubrey E. Fife, Junction.

Appearing in the coronation pageant, in addition to the three finalists, will be the reigning Miss Mohair of 1963, Miss Sandra Deitz senior at Texas University, and daughter of Mr. and Mrs. Edgar H. Dietz of Fredericksburg.

Some 19 duchesses, representing various organizations in the Southwest, will also appear during the pageant.

Miss Robin Jones, daughter of Mr. and Mrs. Dempster Jones, will represent Ozona as Duchess. She will be sponsored by the Ozona Lions Club.

Wardrobe for the new Miss Mohair is designed by Charles Dickey of Dallas. Dickey is also in charge of arrangements for the appearances of Miss Mohair, who will be accompanied on her tours by Mrs. V. Z. Cornelius, president of the Auxiliary of the Texas Angora Goat Raisers Assn., of Goldwaite.

The coronation pageant is open to the public for an admission charge of $1.50 per person. The admission ticket is also good for the coronation ball which is to be held in the Brownwood Coliseum following the coronation.

Featured on the coronation program will be the appearance of the Brownwood High School A Capella Choir.

Unexpected styling. Mustang has a European look—yet it's built in Detroit.

Unexpected low price. A price that includes front bucket seats, wall-to-wall carpeting, rich all-vinyl upholstery, and much more.

Unexpected versatility. Mustang makes a great family car for four . . . roomy 8½-cu. ft. trunk . . . twice-a-year (or 6000-mile) service schedule. Mustang makes an ideal personal luxury car. Padded instrument panel, front arm rests, courtesy lights, other luxury touches are standard. And Mustang's look has won the Tiffany Award for Excellence in American Design. Mustang makes a sporty rally car, too. You get a peppy 170-cu. in. engine (or optional V-8) . . . floor-mounted stick shift . . . sports steering wheel and wheel covers.

Unexpected range of options. Choose from air conditioning, vinyl-covered roof, combination tachometer and clock with sweep second hand, many others. Let us show you how easy (and inexpensive) it is to tailor a Mustang to your needs.

**$2368*** F.O.B. Detroit Mfrs. suggested price.

*Manufacturer's suggested retail price. Destination charges and state and local taxes, and fees, if any, not included. Options such as whitewall tires are extra cost. See your Ford Dealer for his selling price.

## EDITORIAL

**By Joel Huff**

Enthusiastic supporters of the Ozona track team witnessed a very enjoyable track meet last Saturday, when the Lions upset the highly touted Eldorado Eagles to claim the district 8-A track championship, here in Ozona. Although rated as underdogs, the Lions, confident in themselves and receiving the support of fellow students and townspeople, verified the old adage that a fight is never over until the last bell has been rung.

This lesson applies not only to track meets, but to school work and later life as well. With less than six weeks left in this semester, it might be wise for us to take this lesson to heart and to use it to stave off the discouragement we often face at this time of year Frequently, we are tempted to give up in the face of the last minute rush of the school year. We feel that a few more weeks of concentrated study just isn't worth the effort. However, these last few weeks often determine whether or not a student will fail or succeed for the semester.

oOo

## SENIORS EXPRESS THANKS

The Band Class had their annual barbecue last Saturday which, along with the track meet, was a success. The Senior Class and their sponsors wish to thank everyone who helped in the preparation of the barbecue and especially those people who helped in serving. This was the last fund raising activity that the seniors will sponsor.

## QUESTION OF THE WEEK

**By Janis Walker**

How does spring fever affect you?

Mike W — It makes me sleepy and hungry.

Moe B — Makes me sleepy during Plane Geometry and English.

Bryan — Makes me wish I were 65 and drawing social security on the river.

George K — No effect at all.

David Childress — Makes me want to go fishing — for women!

Rick Hag. — Makes me Hot!

Bob Amthor — The same effect it has on any normal red-blooded American Boy — Yuc! Yuc!

Cary P — Makes me wish school was over.

Joel H — It makes me think of my one true love — me!

Brenda B — Loving and lazy living.

Cathy M — Makes we think of the river!

Gary Boyd — Girls.

Carmen — Makes me plenty sleepy.

Lucille — Makes me fel good all over.

Linda L — Makes me sleepy, and I don't want to study.

Donna — Boys!

Hugh — It's weird!

Jill G — It makes me think of warm summer nights and ice cold cokes!

Lynn It's fun in the sun time again!

Janet — Partyitus.

Cynthia A — It's almost summer.

## CLINIC PREPARES BAND FOR CONTEST

Ozona's annual Band Clinic held last Monday was directed by Mr. J. L. Bellamah of Texas A&M College in Kingsville. The band worked from 7:30 a. m. until 3:30 p. m. During this time much progress was made in preparing the band for contest on Saturday. The band would like to thank Mr. Sikes, Mr. Pelto, and all the others who helped make this day possible.

## LIONS COP DISTRICT CHAMPIONSHIP

**By Mike Walters**

Last Saturday, the Ozona Lions defeated the Eldorado Eagles for the District 8-A track championship. Perhaps many of the townspeople were surprised, but the boys on the team appeared confident in the knowledge that they were going to win, and they did.

The District meet closes the regular track season, but the boys who won either first or second place in the district meet will go to the regional track meet in Lubbock on April 24 and 25.

Ozona had eleven boys qualifying for the regional meet. These are: Pole Vault, Scott Mahon and Bill Carson. Mile Relay team, Joel Huff, Rodney Stewart, Derold Maney, David Childress and Beto Ramos as alternate, the sprint relay team composed of Joel Huff, Geo. Cox, Rodney Stewart and Mike Walters, high jump, Leroy Cooper and the shot put, Bob Amthor.

oOo

## FFA TEAM TRAVELS TO LUBBOCK

The Ozona FFA will attend the Area Contest in Lubbock Saturday. The teams will be competing against Area I and Area II teams to qualify for the state contests. The Ozona Chapter will be taking teams in Wool, Livestock, and plant judging. The teams have been doing well in the contests that they have been attending the past few weeks. The coach will be M. A. Barber.

oOo

## BAND ENTERS ABILENE CONTEST

**By Lucille Childress**

The Ozona High School band will leave Saturday morning April 18th, to attend the annual band contest in Abilene. The contest will be held at the Madison Junior High School. At 5:00 Saturday afternoon, the Ozona band will play in concert immediately followed by the sight-reading contest. "Imperial March," "Irsih Tunes from County Derry" and "Themes from Pictures at an Exhibition" are the three pieces selected by the band to play in concert. Pieces in sight-reading are played acording to the size of the band. Sight-reading is graded on technical accuracy and interpretation.

The judges will be Mr. Jim Williams of Lamesa, Mr. Gene Smith of Denver City; and Mr. Everett Maxwell of Abernathy.

## GOSSIP!

**By Alice McKee and Shirley Wagner**

Looks like one Freshman girl decided to change the fad to red hair! How about this Lou Anna?

Is it true that the Seniors are going to meet Mr. Green's 'heart-throb' on their Senior trip??

Did the wedding bells ring for two of our Senior girls Tuesday night? Congratulations girls!!

Are research papers really making Janie's hair gray or is it just the one-act play?

Congratulations, Ruthella, on doing such a fine job at the tennis meet in Rankin.

Wonder why all band students had sore lips after band Monday? Was it the annual band clinic???

Why was Alice all smiles this week-end? Could it be that she had a visitor from Quemado???

Do we really have a "Beatle" in school or is it Randy Upham's new "wavey" hair style?

We would all like to congratulate Lana Kay on being chosen by the Ozona Lions Club as their entrant in the District 2-AI Queen contest!!!

Futurama

Depressing sight, isn't it? And what is it we say when something old, familiar, once-cherished, once-useful has succumbed to the ravages of time? *It served its purpose!*

Could all the churches in our town someday look like this?

They could!

*Maybe they will...*

*if they have served their purpose . . .*

*if we don't need them anymore!*

Even if you haven't been getting to church of late, I think you'll protest that we DO need our churches. We need the truth they teach — the faith they instill — the hope they inspire — the God-given strength with which they undergird our life.

This is the very point: We ALL need our churches.

And to bring ALL of us to realize and fulfill our need . . .

That *is their* purpose!

**THE CHURCH FOR ALL**
**ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**More About Poverty and Politics**

We've heard so much about poverty in this country recently from the politicians who would propose to solve all our problems with new welfare doles, that I think a dangerous disservice is being done to our people, here and abroad. It is wrong to picture this country as a land of hunger and privation. To do so damages us throughout the world. There are some who are in need, of course, but the problems affecting them can be solved without besmirching the true picture which prevails in our land. Exaggerated statements about poverty —in election year conservations— only help to prove the lies that Russia and her satellites have been trying to spread about our great free country for the past 30 years.

In the United States, the per capita disposable personal income, after taxes, was $2,125 in 1963. It averages out that for every man, woman, and child in the nation— $2,125. There are countries in the Middle East where the per capita income is $30 a year. In China, it is $63. In India, it is $60. The United States produces 33 percent of the goods of the world, with only about 6 percent of its total population. Our highways are congested with automobiles. Luxury is the rule. Signs of prosperity dominate the scene.

**Foreign Aid Fails Again**

After almost 700 million dollars of U. S. foreign aid, President Sukarno of Indonesia told the United States on March 25, to "go to hell with your aid." Speaking at the laying of a cornerstone for a new building in Jakarta, Sukarno pointed out American Ambassador, Howard P. Jones, and said: "There is one country threatening to stop its foreign aid to Indonesia. That country thinks it can scare Indonesia. I say go to hell with your aid."

Certainly no American assistance program has produced less return per dollar than funds spent in Indonesia. Our willingness to accept the role of doormat for Sukarno has been duly noted in an area of the world where face is important. It can be safely said that our relationship with Sukarno has not enhanced our prestige elsewhere in Asia, and it has compromised our relations with The Netherlands while making other Western European nations suspect our competence.

President Sukarno's public castigation of the U. S. Ambassador in his "go to hell' spectacle — which would have called up U. S. gunboats in a pre-aid era — presents another problem brought about by our generous free-for-all foreign aid program. This kind of generosity hasn't worked with Sukarno. And, furthermore, it never will work, there or anywhere else.

**Visiting The Folks in West Texas**

As you know, during the Easter recess, I returned to West Texas for a tour of the 16th District and personal visits with my many good friends. I visited 16 counties, made 64 scheduled stops, drove over 900 miles and personally visited with some 3000 folks. I was pleased and encouraged, indeed, to see the concern and interest expressed in affairs directly affecting our area. West Texans not only on domestic but also, their outspoken concern over the deplorable state of our foreign affairs, the continuing Castro - Communism menace, Viet Nam, our unexplainable sale of wheat to the Communists and other matters. This concern was expressed by Democrats and Republicans alike. In fact, I think most us us West Texans are more inclined to be Independent Conservative citizens, rather than partisans.

## Screwworm Outbreaks Threaten Southwest; Close Watch Urged

Mission — The screwworm fly has begun its annual march northward and with conditions favorable for its development and migration existing throughout most of the state, farmers and ranchers need to again become "screwworm conscious."

Mild temperatures ,moisture and an abundance of animal wounds prevalent over much of Texas could bring about widespread infestation, screwworm eradication program officials state. They are particularly concerned about those areas where sheep and goat shearing, calving, farrowing and spring animal husbandry activities are in ful lswing. Failure of livestockmen to treat shear cuts, scratches and surgical wounds could result in a sharp upswing in screwworm cases.

Only seven screwworm cases had been reported during the first three months of 1964 — all of them in Texas during March — but that total has already been doubled during the first week in April and more cases are being reported every day. Indications are the screwworm fly is following the same pattern of migration as last year, whe na significant increase in cases was experienced in April and May.

Although most of the cases have been reported in South Texas, one was detected as far north as McCulloch County, while the area west of San Antonio has experienced several cases.

County agricultural agents are encouraging livestock producers to keep a close watch over their animals so that wounds and infestations can be promptly treated. Sample larvae should be collected fro minfested wounds and turned in to the county agent's office or sent directly to Box 969, Mission, Texas, for identification.

Additional sterile screwworm flies, reared and sexually sterilized at the Mission plant, are released near the scene of all infestations as soon as possible after a case has been reported to eradication headquarters.

## Ozona CC Represented At Odessa Convention

Governor John Connally was the final luncheon speaker of the 46th annual convention of the West Texas Chamber of Commerce, in Odessa Saturday. Governor Connally challenged members of the West Texas Chamber of Commerce "to do what must be done to assure Texas a place of continued leadership in our Nation's race into space." "Today" he said, "we must make a choice. We must decide to accept the challenge of our potential — or we must risk the loss of the good times we have known."

During the morning session, reports and resolutions were heard. A breakfast was held in the Cave room of the Lincoln Hotel ata 7:30 Attending from Ozona was President Troy Williams and Manager Luther Walker.

—oOo—

**SCREWWORM APPROPRIATION ASKED —**

Gov. Connally has requested a $5,500,000 congressional appropriation for continued protection against the screwworm menace.

A two-year program has eradicated the screwworm from Texas, Connally told congresional leaders and feasibility of a barrier along the Mexican border to prevent reinfestition is proved.

While southwestern states, livestock producers and sportsmen have financed over half the $12,000,000 program to date, Connally said, it now is an intentional matter and shoeld be financed by the U. S. without local matching requirements.

The state ,producers and sportsmen would continue to provide inspection, survey and other services in the U. S.

—oOo—

**EXACTLY!**

An American newsman was having a discussion with a Russian counterpart.

"As I understand it," the American said, "the basic idea of communism is to divide everything you have with your neighbor."

"Not quite," corrected the Red reporter. "The basic idea of communism is to make your neighbor divide everything with you."

—oOo—

**Fund Dwindling** — Screwworm eradication funds will be spent by July 1, reports the Southwest Animal Health Research Foundation. Maintenance of the barrier zone of sterile screwworm flies between Mexico and the U. S. will depend on congressional appropriation.

Two new screwworm cases have been confirmed — one in Medino County, another in McCullough County near Brady.

### BAPTIST WMU MEETS

The First Baptist Church WMU met Wednesday morning to begin the study of Spiritual Life Development by Mildred McMurray, president of the National WMS. Mrs. Pleas Childress was program leader and pointed out many different ways that we are able to grow spiritually if we will apply ourselves. Mrs. Max Brown led Scripture reading part in which the entire group participated. The program was dismissed with prayer.

Coffee and cookies were served to seventeen present.

## OZONA NEEDS CIVIC CENTER — VOTE FOR THE BONDS

(Continued from Page One)

mittee meetings, etc. could be held simultaneously, or which could be used for smaller meetings with an attendant saving in heating or cooling costs. It would have a complete kitchen for use in preparing banquets or refrshments. It would be an attractive building, a useful and usable building, suitable for gatherings of youths or adults.

The Commissioners Court order calling the election for next Saturday specified among uses for the building the "annual exhibits of horticultural and agricultural products, and/or livesock and mineral products of the county, and for a coliseum and auditorium." This language of the law caused some eyebrow raising, but we hasten to assure that exhibiting livestock in the auditorium is not contemplated by the planners. There might be flower shows, 4-H Club or FFA banquets and meetings, but there is already a Junior Livestock barn for livestock exhibits.

There is need for the civic center! We hope you can support the bond issue next Saturday.

## Track Team —

(Continued from Page One)

ing Mike Walters, who became eligible on Thursday, in the 100-yard dash the 220 and on a leg of the 440 relay. Though injured, Waltens responded with a fourth in the 100, a third in the 220 and the 440 team finished second. The points totaled a few more than the difference between the first and second place teams in the meet.

In other running events, the Lions got a fourth in the 880 run from Raymond Sanchez, a sixth from Pablo Diaz in the mile, David Childress got a third and Leroy Cooper a fourth in the low hurdles. Joel Huff got a fourth in the 440 run and Rodney Stewart got third and Mike Walters fourth in the 100.

David Childress hit a hurdle while in the lead, injured his hip and lost a photo finish at the string in the 120 high hurdles in the closest the Lions came to a second first. Childress qualified for regional and got 8 points for second place.

In other action during the day in the freshman division Ozona finished second with 34 points behind Rankin which won with 43 points. The Lion first year trackmen, however, had three of their number running with the varsity but made a strong showing. They are coached by Fred Hickman.

In the Jr. High Division, Coached by Bill Lewis, the Ozona team finished second behind Eldorado, which scored an unexpected sweep in the discus to take the lead and win 38 to 32 over second place Ozona.

## FFA Teams Win --

(Continued from Page One)

ville FFA was second with 1414 and Ozona FFA had 1409 points for third place.

Ozona's team won the mohair contest with a score of 508. San Saba had 500 for second place and Kerrville was third with 461. Although the Ozona wool judging team placed high in the wool judging, they emerged in third place in the overall standing in wool and mohair grading and judging.

Composing the Ozona team was Moe Barbee, third high individual in both contests; Ronnie Mason, third in mohair; Steve Taliaferro and Keith Mitchell. A second team from Ozona FFA placed seventh in the overall contest and was made up of Gary Boyd, David Lewis, David Cooke and Bill Everett.

Office Supplies at the Stockman

## Principals Attend Ft. Worth Conference

Elementary Principals Frank Janes and Ernest M. Boyd were in Ft. Worth late last week attending the annual spring conference of Elementary Principals and Supervisors.

The meeting, which was held at the Texas Hotel in Ft. Worth, was one of the largest ever held by the association with almost 2000 members present.

The Ozona principals heard various problems in elementary education discussed by outstanding leaders in the field of education as well as hearing addresses by Texas Attorney General Waggoner Carr, Mrs. Jeanette Rockefeller and Bennett Cerf, well known publisher, author, humorist and television panelist.

Principals in attendance had the opportunity to visit Ft. Worth Elementary schools and visit over 100 booths showing the latest in school supplies and instructional materials.

## Good-Lovell Vows Enchanged Tues. Night

Married Tuesday night of this week in the pastor's study at the First Baptist Church in Ozona were Vicki Wayne Good and Leonard Doyle Lovell. The ceremony was read by the Rev. Max Brown, pastor.

Attending the couple were Miss Jeannene Hester and Dubbie Scrivner.

The bride is the daughter of Mr. and Mrs. Homer Good of Ozona. She is a senior in Ozona High School. The bridegroom is the son of Mr. and Mrs. Weldon (Stut) Lovell, also of Ozona. He is employed at the Southwest 66 Truck Stop.

The couple will make their home in Ozona.

Ta... of Dallas, Mrs. Ernest M. ... of Ozona and Mrs. Hugh M... don of Sulphur Springs; Five ... Neal of Houston, David of S... kana, Eugene of Dallas, Pe... Yantis, and Charles of S... Springs and one brother, Au... Donald,of Sulphur Springs.

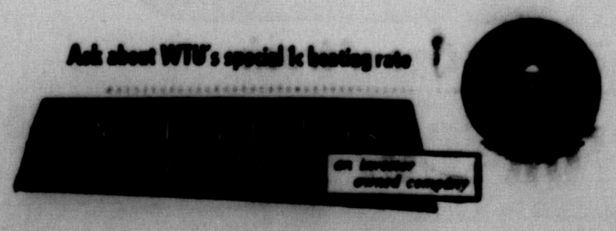

Funeral services were held ... Sulphur Springs and burial ... Reily Springs.

The housewife of the *Young Married Set* is involved with so many activities, she needs all the time she can lay her hands on. A Gold Medallion Home is the answer! It provides so many time-saving conveniences, it's just like adding more days to the ordinary 7-day week. For instance, the electric clothes dryer alone saves 3 hours weekly and even the electric dishwasher saves 7 hours a week...why, that's 10 hours already! Not to mention that the electric range is so automatic, it's like having a hired cook to do all the watching. And the electric water heater provides hot water instantly upon demand. Heating and cooling systems are automatic too... the thermostat is set at the start of the season and forgotten until the season changes.

This is just a smattering of the many ways the total electric Gold Medallion Home saves time for the *Young Married Set*. Oh yes, with a *flameless* total electric Gold Medallion Home, there's one less bill to pay each month.

Ask about WTU's special 1c heating rate !
