Group Discusses Veterans Park Change With County

Deaf Smith County Commissioners talked with a group of 23 persons Monday about the possibility of taking over Veterans Memorial Park.

That discussion highlighted a regular meeting of the Commissioners.

Attending the afternoon meeting were representatives of the Chamber of Commerce beautification committee, the Boy Scouts and the Campfire Girls.

No one was present from the Veterans Park Board.

Mrs. M. C. Adams, acting as spokesman for the group, asked if the County would be willing to take over the Park if it were offered to them by the Veterans Park Board, acting for the American Legion and the Veterans of Foreign Wars.

The Park under discussion is located along Tierra Blanca Creek, immediately south-east of Hereford. It originally belonged to the county and was sold to the veterans' groups to be improved as a park.

A resolution had been drafted for consideration by the County Commission setting out the transfer of the park to county control. County Judge H. C.

Williams explained that the county would accept the park, but without any stipulations or reservations. The procedure necessary would be for a petition to be submitted to the county, asking for creation of a park district. Upon a vote and approval of two-thirds of those voting, the county would be allowed to establish a tax of not more than five cents per \$100 valuation for park operation and maintenance.

One visitor asked if the county would accept the park if it were deeded to them by the

veterans. The Commissioners said if the vote was favorable they would take over operation of the park, deeming it the wishes of the citizens.

Commissioners and the delegates looked at a rough map of the park and its boundaries. Commissioners explained that the group, if still interested, should start a petition calling for an election to create a park district.

In other action, the Court voted to hold its next meeting at 10 a. m. Friday, Dec. 14.

School Approves Furniture Bids

Construction of two major additions is slightly ahead of schedule, school trustees were told Tuesday night. They got a report on the status of additions to Northwest Elementary School and Hereford High School that indicates work is progressing well.

Trustees approved the final bid price on a large amount of school furniture and equipment. American Desk Manufacturing Company of Temple was low bidder. Final cost of \$18,914.95 was approved for payment.

The price includes enough furniture for the classrooms under construction, plus office furniture for Northwest, maps, globe, pencil sharpeners, paper cutters and other miscellaneous items. Discounts offered for cash payment, this month ranged from four per cent on furniture to

15 per cent for classroom equipment and 50 per cent on office furniture. American Desk will warehouse the purchases at no cost for Aug. 1, 1963, delivery.

Bids were opened last week and American Desk was selected as the low bidder. Final approval was withheld until a complete tabulation of needs could be made.

Superintendent Paul Stevens reminded the board of the Mid-Winter Meeting of School Trustees and administrators that will be held in Austin Jan. 9-11.

Trustees discussed a low bid by the Ted Elstrand Company of \$9,779 on science equipment. This bid has been tabled for about a month. Stevens told the board that the equipment would not be an exact match for the present equipment. The board asked that a sample of the present equipment, which is birch, be sent to the company to see how it would match with the lined oak that was bid. Some of the new equipment will be located in present laboratories.

Transfer of a student from Hereford to Vega was approved.

Stevens reported that enrollment Tuesday was 3,011, compared to 3,000 on Monday.

(Continued on page 10)

Around Town

Not long ago we announced that the sub-station post office at Easter community had been closed. Now, we are most happy to say, the post office is in operation again. It is located in Community Grain, hub of the Easter activities. The postal station was due to open Wednesday, complete with boxes, window and all facilities necessary for operation. Bill Waldrep has been kidded about being the Mayor of Easter. Now I guess we'll have to address as "His Honor, Mayor and Postmaster of Easter, Texas."

Ten shopping days remain until Christmas and they promise to be busy ones in Hereford. If it weren't for the two Sundays that also come before Christmas, there just wouldn't be enough time for all the activities that are planned in the community.

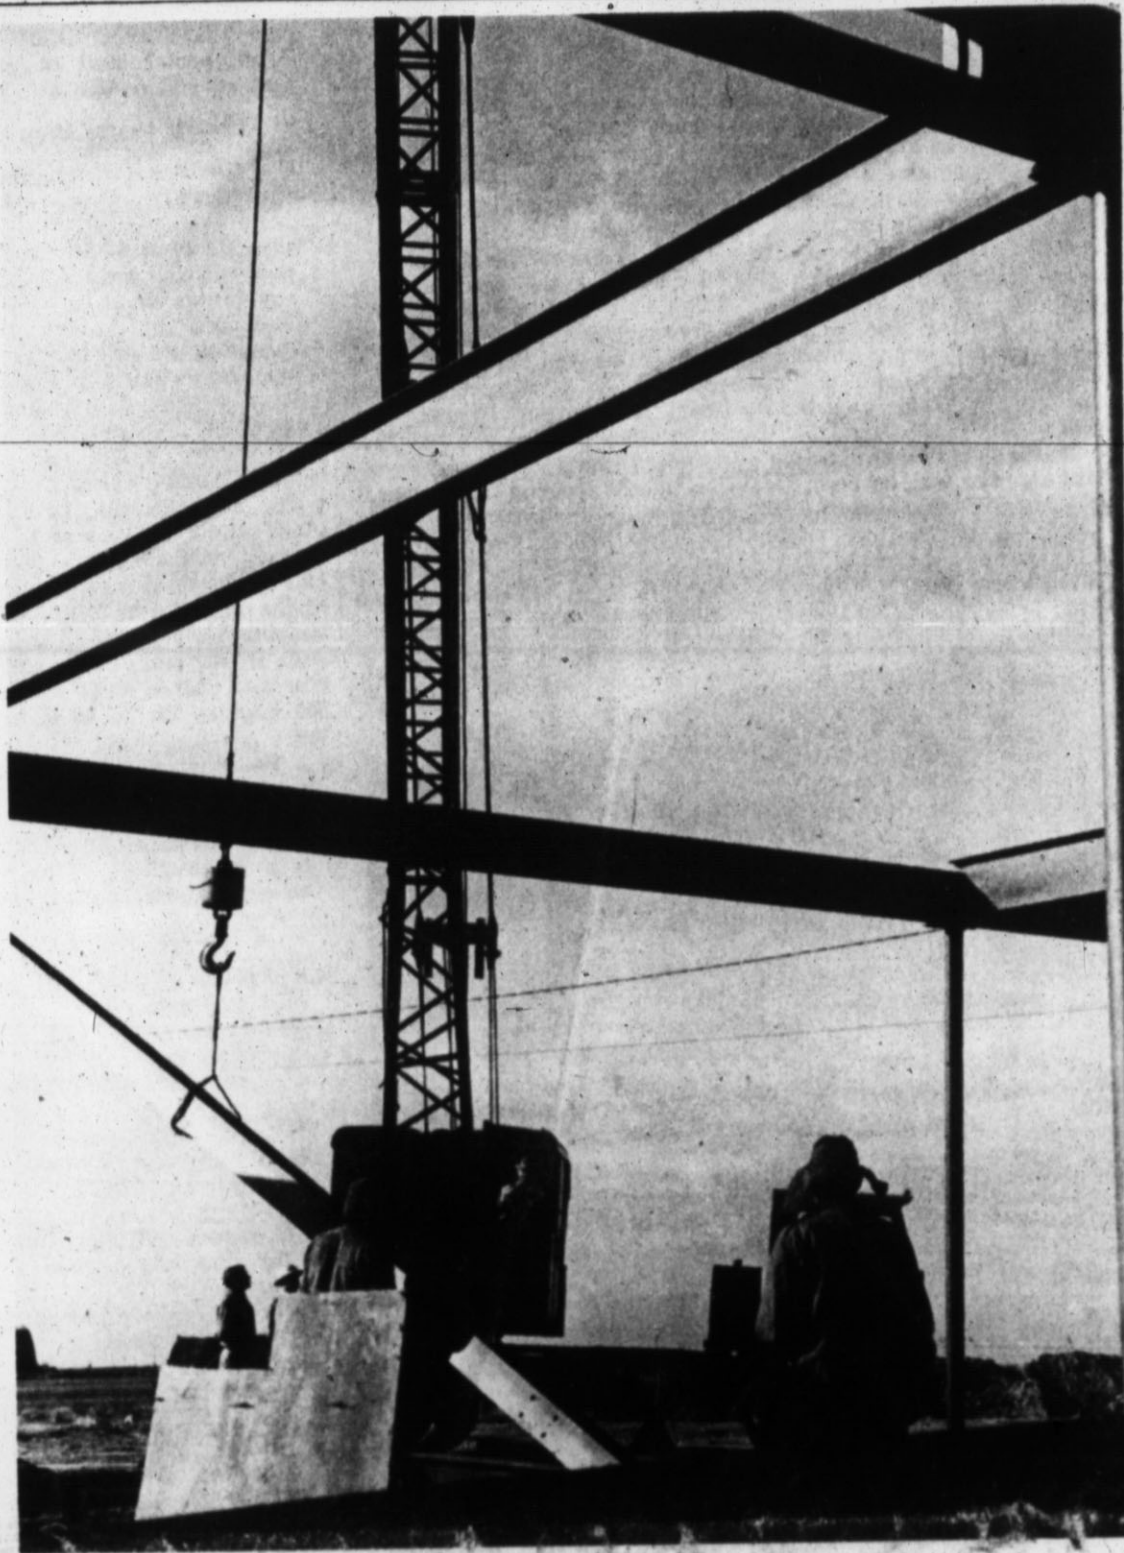

This week should see the end of all harvesting. Almost everyone is finished with cotton and late maize. The gins are stacked full of trailers and are getting further behind. But they should start catching up in the next few days and be wound up by Christmas. Outside of one quick fall snowstorm and some little rains this summer, work has been almost continuous: wheat, vegetables, maize, sugar beets and cotton. Some brave souls have even been plowing the last couple of days in spite of the cold.

Children of the county are reminded that the annual Hereford Firemen's Benefit Show will be held at 10 a. m. Saturday, Dec. 15, at the Star Theatre. Admission price to the cartoons and feature-length movie will be a can of food. This will be used in the firemen's charity work.

This weekend will see the beginning of what we hope will become traditions here. On Saturday, at 1:30 p. m., the high school band and choir and junior high band will present a free Christmas concert in front of the Post Office. Then on Sunday, at 4 p. m., an 80-voice community choir will sing excerpts from the inspiring Christmas oratorio, "The Messiah" by Handel. This performance will be in the Hereford High School auditorium and is free to the public.

The Highway Patrol office here has issued a reminder that all trailers moving on roads, streets or highways after dark must be equipped with lights.

(Continued on page 10)

CONSTRUCTION WORK on the addition to Northwest Elementary School continued at a rapid pace early this week as underground work was nearing completion and workmen started erecting the structural steel. Construction now underway at the school will include a cafeteria-gymnasium combination and classroom facilities, which will more than triple the size of the school. (Staff Photo)

Herd Looks Toward Tascosa After Defeating Dimmitt

Dwight McGee hit almost everything he threw in the air Tuesday night as Hereford rocked Dimmitt 64-45 here. The tall, slender senior dumped in 27 points, including 10 during a fast second period, and was a key factor in the tough Herd defense.

The victory, a combination of good offense and rugged defense, was the fifth for Hereford against one loss. That record will be on the line Friday against the Tascosa Rebels.

The game will be at Tascosa and should be a good indication of relative strength since the Rebels rallied in the fourth quarter to beat Phillips Tuesday night, 54-50. The Rebels have a 3-3 record so far this year.

Probably the most outstanding factor in Tuesday's win was the defense that kept Mike Calvert and James Cowell bottled up for the entire game. Each of the two top

Dimmitt scorers was limited to eight points during the game. Calvert hit just two field goals during the game and failed to score in the fourth period.

Hereford opened fast, whipping downcourt on offense and pressing fullcourt on defense to run up a 14-4 lead with three minutes left in the first period. But the Bobcats rallied for four field goals and a free throw to trail by one at the quarter, 14-13.

With McGee and Jim Haney leading the way, Hereford really blew the game open in the second quarter while limiting Dimmitt to just seven points. The Herd led 31-18 at one point but a field goal for Dimmitt narrowed the margin slightly to 31-20 at the end of the second quarter.

Robert Strange started hitting more in the third quarter, but McGee still was hot as a pistol with eight more points dur-

ing the period. Hereford utilized fast breaks, ball-stealing, defense and outstanding passes to run up a 47-30 lead at the end of the three-quarter mark. Jacky Nichols dumped in five points to Hereford's three at the last period began. But Hereford got seven straight points and moved out front 57-35 with 3:18 left. Then Dimmitt got two free throws and three baskets and pulled up to where it was behind 57-43.

Hereford got three more points, Dimmitt hit two free shots and Hereford dumped in two quick baskets before the game ended.

McGee was the only White-faced in double figures as sophomore Robert Strange got nine points and Haney hit for eight. Jacky Nichols paced Dimmitt with 19, while Calvert and Cowell had 15 and 14 points, respectively.

(Continued on page 10)

Local Resident's Condition Good After Accident

Joe Severance, 54-year-old Deaf Smith County resident, was reported in good condition Wednesday at Deaf Smith County Hospital after his small, foreign-made compact car collided with another vehicle.

The accident occurred here Monday about 6:30 p. m. at the intersection of U. S. Highway 60 and 385. Driver of the 1962 model sedan, the other automobile involved, was Mrs. Mamie Hunt Ward of Denver City.

According to Hereford Police Department the two vehicles collided in the intersection. The Ward vehicle had pulled out of a service station driveway and was headed west on Highway 60. Severance was headed south on U. S. 385 at the time of the collision.

Damage to the Ward sedan was estimated at \$75 while damage to Severance's small 1958 model compact was placed at \$500.

Farm income in Deaf Smith County received almost a half million dollar boost Monday as Secretary of Agriculture Orville Freeman announced a nine cent per hundred pounds hike in support prices for the 1963 grain sorghum crop.

The USDA statement raised price support for the feed grain crop from \$1.91 to \$2 per hundred pounds. Loan rate on the grain sorghum crop was increased from \$1.62 to \$1.71 and will be coupled with the 29 cents per hundredweight price support payment paid directly to producers.

Bands And Choir Give Christmas Concert Dec. 15

A joint effort on the part of the Deaf Smith County Chamber of Commerce and the Hereford schools music department will result in a Christmas Concert on Saturday, Dec. 15.

The concert will be held at 1:30 p. m. in the vicinity of the Post Office. In the event of cold weather, the location will be moved to the south side of the First National Bank building.

Featured in the program of seasonal and Christmas music will be the High School Band, the High School Mixed Choir and the Stanton Junior High School Band.

The program will last from 45 minutes to one hour, climaxed by band accompaniment of the choir as it sings Christmas carols. The public is invited to attend.

Deadline Dec. 19 For Christmas Lighting Contest

Prizes totalling more than \$150 are being offered in the Hereford Christmas Lighting Contest. Entry deadline is 5 p. m. Wednesday, Dec. 19.

Prizes of \$25 will be offered first place winners in each of four categories, with a grand prize of \$50 for the most beautifully decorated home in Hereford.

Following divisions will be judged on Dec. 20 by a group from another town: view through a picture window; decorated entranceway or garage door; outdoor religious theme and outdoor holiday theme. Only those who submit official entry blanks will be considered in the judging.

The contest is being sponsored by the Chamber of Commerce, with prizes being sponsored by Southwestern Public Service Company, Lankford's Flower Shop and Brady Photo Studio. Entry blanks may be obtained from any of the sponsors, the Chamber of Commerce office or the Hereford Brand for Sunday, Dec. 9. Entry blanks also were distributed through the schools in Hereford.

Heading the special lighting contest committee is Mrs. W. J. Messick.

STILL \$3,000 SHORT

UF Mans Booths In A Final Appeal

In a final effort to meet the goal for 1963 operations, United Fund booths have been set up in the lobbies of the Hereford State Bank and First National Bank.

Directors of the Deaf Smith County United Fund met Monday in what had been hoped as a last, and successful, report session. But the Fund still is about \$3,000 short of its \$25,000 goal.

"We don't feel that we can stop short of the goal and curtail the needed activities of the eight local agencies that depend upon this united appeal," UF president Wayne Thomas said Monday. "Therefore, we are setting up United Fund booths in the banks to make a final appeal. These booths are being manned by volunteer workers from the various agencies that look to the United Fund for their financial support."

Campaign director Russell Carver pointed out that every cent collected in the United Fund drive is used by local agencies and that donors are guaranteed their money will be used properly, since the organization does not hire a professional, outside firm to direct the campaign.

"These are your agencies," Thomas emphasized, "and they deserve your support. Their activities cover the entire county and last throughout the year. If the community fails its obligations through the United Fund, the only alternative will be for each of the agencies to hold its own fund drive in the future."

Agencies included in the Deaf Smith County United Fund appeal are Boy Scouts, Campfire Girls, Red Cross, Salvation Army, Little League, Pony League, Hereford Council on Alcoholism and Hereford Athletic Club.

FIGHTING WHITEFACE AWARD was presented to Jimmy Kassahn by the Hereford High School cheerleaders during the annual Football Banquet held Saturday night. Kassahn, a senior guard, was selected for the honor on the basis of his determination during the past football season. Making the presentation were, from the left: Ronda Neff, Jenny Holt, Connie Kent, Judy Kriegshauser, Suzanne Higgins, and Kay Seamonds. (Staff Photo)

LET'S COOK SOMETHING!

Yeast Breads And Pastries Are Christmas Favorites

By Romona Noel
 Brand Society Editor
 Before entering the kitchen of the Jordes home, sweet aromas drift forth in a form of welcome. Mrs. Bud (Carmen) Jorde keeps her kitchen as busy as a little factory during the holiday season making the favorites of her family and friends.

Carmen is an enthusiastic housewife with her share of abilities in pursuing her baking. During the Christmas holidays, she will be preparing for the many activities that are coming up and a trip home to Cando, N.D., if the weather permits.

Living in Hereford for almost a year now, Carmen is very pleased with what she has found. "I haven't made very many friends yet, but the ones that I have made and the people I have met are just wonderful," she commented.

Although Carmen says she enjoys being just a "homebody", nothing pleases her more than to get on the golf link for a round of golf. With a bit of the adventuresome blood surging forth, Carmen and her two

boys, Jeffrey, 11, and Randy, nine, drove to North Dakota last summer and spent a month visiting.

A very welcome visitor in the home of the Jordes right now is the senior Mrs. Jorde from Norwalk, Calif. Being on the active and lively side of life, she has just returned from a six month tour of Norway and Denmark.

Even though she is on the go a lot, Mrs. Jorde is always busy knitting. Right now she is making Carmen an afghan and wants to have it completed before she returns home after Christmas. Elvina Jorde is so proud of the large family that she has raised, which consists of five sons and one daughter.

When making the wonderful yeast breads and pastries that Carmen is so adept, she uses this basic Sweet Dough Recipe.

Basic Sweet Dough Recipe
 Mix together and let cool:
 1 1/2 cups lukewarm milk
 1/2 cup sugar
 2 teaspoons salt
 1/2 cup shortening
 Add:

2 packages of yeast (dissolved in 1/2 cup warm water)
 2 eggs
 7 cups flour

Let the dough rise twice. Carmen made a suggestion that might be worth using. After the dough has risen once, knead it down and put in a bowl with a damp rag over the top and keep in the refrigerator over night. By the next morning it will have risen again and after being kneaded down will be ready for use.

From the basic recipe she can make two of these Norwegian Tea Rings.

Norwegian Tea Ring
 Use 1/2 the recipe of the sweet dough after the second rising. Roll in oblong shape (9"x18"). Spread with 2 tablespoons of soft butter and sprinkle with 1/2 cup sugar, 2 teaspoons cinnamon and 1/2 cup raisins. Roll up as for cinnamon rolls. Then place sealed, edge down in ring on lightly greased baking sheet. Join ends of ring and seal.

With scissors, make cuts 2/3 of the way through the ring at 1" intervals. Turn each section on its side. Let rise and

bake at 350 degrees for 25 to 30 minutes.
 Slowly drizzle this sugar icing over the tea ring while still warm:

Sugar Icing
 1 cup confectionary sugar
 1 to 2 tablespoons milk, heated
 1/2 teaspoon almond flavoring

With the basic dough recipe this French Coffee Ring is a special kind of pastry that all will enjoy.

French Coffee Ring

Use the basic dough after it has risen twice. Prepare fruit filling:

2 cups finely chopped apples
 1 cup raisins, ground
 1 cup brown sugar
 1/2 teaspoon salt
 1/2 teaspoon cinnamon

Roll out dough into rectangle 14" x 8". Place on greased heavy baking sheet. Spread fruit filling down center of dough covering space about 3" wide. At each side of filling, make cuts 2" apart and 2" long into dough. Take a strip on each side and cross them at center of the filling. Pull strips down, keeping ends inside. Tuck last ends underneath. Cover and let rise until double. Bake and frost. 350 degrees for 30 to 45 minutes.

The Senior Mrs. Jorde has a tasty Norwegian recipe that she would like to share with all at Christmas time. This is a Norwegian Christmas Bread meaning "glad ale!"

Julé Kage

Mix together:
 1 cup lukewarm milk
 1/2 cup sugar
 1/2 teaspoon salt
 1/2 teaspoon powdered cardamon spice

Crumble into mixture one cake of compressed yeast. Stir until dissolved. Add:
 1 small egg
 2 tablespoons soft shortening

Mix in first with spoon then with hand —
 3 1/4 to 3 1/2 cups sifted flour
 1/4 cup chopped citron
 1/4 cup raisins

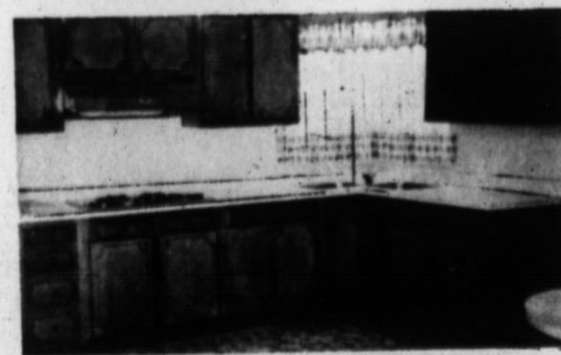

Nothing could be more appealing than a steaming cup of coffee with the delicious Norwegian Tea Ring that Carmen Jorde is so adept at preparing. Carmen, left, and her mother-in-law, Mrs. Elvina Jorde from California enjoy their coffee breaks during her visit here with the family. (Staff Photo)

WHAT ELSE WAS LEFT?

The Hereford Brand, Hereford, Texas, Thurs., Dec. 13, 1962

Knead and let rise twice.
 Shape into one round loaf and place in a greased 9" round pan. Cover and let rise until double. Bake at 375 degrees for 45 to 60 minutes.

Also something that is very tasty are these Butter-horns that can be made from the same basic dough recipe.

Butter horns
 Roll dough scarcely 1/4" thick into a 12 inch circle. Spread with

soft butter. Cut into 16 pie shaped pieces. Beginning at rounded edge, roll up. Place on pan, point underneath.

Bake in a moderately hot oven for about 15 to 20 minutes or until done.

Frost with orange glaze.

Orange Glaze
 1 1/2 cups powdered sugar
 2 tablespoons butter
 1 - 2 teaspoons grated orange rind

2 - 3 tablespoons cream
 Combine sugar, butter and orange rind. Blend in cream until of spreading consistency.

GARCIA NEWS

Residents Prepare Holiday Activities

By Mrs. S. N. Thweatt
Mr. and Mrs. Wynne Bass and family are new residents of the community. They live on the Joe Reinauer ranch. Wynne and Harold Bass are brothers.

Mrs. Ernest Brown and Mrs. Floyd Brown attended the funeral of Mrs. Marie Campbell Guber at Clovis, N. M., Tuesday, Dec. 3. The Brown ladies and Mrs. Guber were schoolmates at Rosedale, N. M.

N. A. Brown received word Tuesday of the death of his brother, Ott Brown of Harold, Tex. Cause of death was said to be a heart ailment. Mrs. N. A. Brown and two sons, Floyd and Ernest Brown, and Mrs. Floyd Brown attended the funeral on Friday.

Mr. and Mrs. James Ray Coleman and three sons, Teddy Ray, Rex, and Joe were Sunday guests of Mrs. Ruth Cole-

man and Mrs. Pinkerton.

Later the Coleman family visited the S. N. Thweatts. The Colemans will leave Dec. 21 for a trip which will take them to Amarillo, where they will visit with Mrs. Ruth Coleman, to Carlsbad, N. M., for a tour of the caverns, and then on to Old Mexico for a tour during the Christmas holidays.

Mrs. J. T. Guinn visited the S. N. Thweatts on her way home from church services Sunday.

Mrs. Thomas DeShazo was hostess for a home demonstration party at the Walcott School Wednesday afternoon.

Mr. and Mrs. S. N. Thweatt visited Phillip Miller Sunday afternoon.

Mrs. Miller was a patient in the Deaf Smith County Hospital, but was slated to return home

on Monday.

Mrs. Harold Bass and her mother were in Oklahoma one day last week on business.

Mr. and Mrs. Luther White of Hereford spent Sunday visiting in the home of Mr. and Mrs. Bill White of Boot Leg.

Eldred Brown and son Tommy went to Ardmore, Okla., on Dec. 3, where they received their new car.

Mrs. Elton Sorrells' mother, Mrs. Fisher of Amarillo, was a guest in the home of Mrs. Sorrells last week.

Mrs. H. D. Buse visited Mrs. Ruth Coleman Monday afternoon. The Buses are planning on having their two daughters and families home with them for the Christmas holidays.

Walcott School Christmas program and community Christmas tree will be Dec. 21. The pro-

gram will be presented by school students, and there will be treats for all from Santa.

Mr. and Mrs. Thomas L. Collins spent Thanksgiving in Perryton visiting with his parents.

Mrs. Joe Merrell and Mrs. Eldred Brown were hostesses to a party in the home of Mrs. Brown recently. Those attending were mesdames Charlie Burk, Jack Weaver, John Hill, Cliff Johnson, Bill White, S. N. Thweatt, Harold Bass, Wynne Bass, Ernest Brown, N. A. Brown, Jim Monroe, C. W. King, Clyde Shadix of Rosedale, N. M., J. V. Perrin, and Norman Minks.

H. D. CHATTER

State Convention Report Featured

By Argen Draper
A new Messenger just came and it is bigger and better than ever. This issue had a report of the State Convention which was held at Dallas. Seven of our club members along with Buck Parsons attended the meeting.

The Rev. Hubert Foust, who is pastor of the First Baptist Church in Graham, was one of the speakers. A quote from his talk "a hobby is something you go nuts about to keep from going crazy."

There seems to be a great deal of interest in the eye bank which is sponsored by the Lions Club. The cards for donors are available here at the office. I see on the card where a person makes his wishes known to donate his eyes to the High Plains Eye Bank Inc., and that the card be filed with the will.

The will often isn't opened until days after the funeral. My suggestion would be to place the card with the last letter of instructions, which contains the persons desires for funeral arrangements. Also, tell several members of the family and several friends then the donation can be made at the proper time.

It seems that the Christmas ideas are more fabulous than ever. Here are some miscellaneous ideas.

To Fire-Proof Fabrics:
7 oz. powdered borax
3 oz. powdered boric acid
2 qts. hot water

Mix and stir until solution is clear. Dip fabric in while dry. Allow fabric to dry before pressing. Fabrics must be dipped after each washing.

To Mothers of Small Fry

Post Office Puts Mail Early Drive Into High Gear

Postmaster Nolan Grady put his "Mail Early for Christmas" Campaign into high gear Monday.

The postmaster said, "We're ready for an all time record Christmas mail. Every facility of the Post Office is being expanded to render maximum service. An extra truck has been added, and special mailing schedules will be set up to insure prompt handling of the tremendous flood of both incoming and outgoing mail."

"However," Grady continued, "the vast volume of Christmas mail is only a part of our problem. When names and addresses are carelessly written and packages are poorly wrapped or have insufficient postage on them, such oversights result in delays and disappointments, most of which can be avoided if everyone will follow these simple requirements."

Be sure your Christmas card and gift mailing lists are up-to-date.

Use the new four cent Christmas stamps on your greeting cards.

George Mathews Funeral Services Held Tuesday

Funeral services for George Mathews, 37, 326 Ave. I, were held here Tuesday in Rose Chapel of Gilliland Funeral Home with the Rev. V. W. Marcontell, pastor Assembly of God Church, officiating.

Mathews died Sunday in Deaf Smith County Hospital after a short illness. He had been a resident of the county since November, 1958.

He was born May, 2, 1925 in Seymour and had married the former Christine Hunter on Dec. 22, 1947 in Paducah. Mathews and his family moved here from Amarillo. He was a member of Temple Baptist Church.

Survivors included his wife, Christine; a son, Billy Joe; two daughters Nancy Lee and Nita Kay; his mother, Mrs. T. G. Mathews of Rising Star; a brother, Henry, and three sisters, Mrs. Veda May Flipping of Corpus Christi, Mrs. Ina Belle Villarreal of Wichita Falls, and Mrs. Mary Phillips of Muleshoe.

Burial followed the services in West Park Cemetery under the direction of Gilliland Funeral Home.

To solve wrapping of Christmas presents by the youngsters, have several sizes and colors of paper bags. Encourage the children to decorate the bags to suit themselves. They can tie the bags with ribbon or tape them. All the children need is a little encouragement from mother.

SNOWBALL MOBILE
For coffee table or special arrangement, fill a fish bowl or other similar bowl 2/3 full of water. Add moth balls to the bowl, (5 balls for each cup of water). Place bowl in sink or large container and add 1/3 cup of white vinegar and one teaspoon of baking soda for each cup of water. When fuzzing stops, the "snowballs" will come to the top, sink and bob.

If action slows, add 1/2 teaspoon of soda for each cup of water. For variety, add color to the water, or place china figurines in the bottom of the bowl. Modeling clay will hold objects in place.

REP. ROGERS WRITES

Expense Account Rules Condemned

TO THE PEOPLE OF THE 18TH DISTRICT:

The subject of expense accounts has been in the news in recent weeks due to a proposed ruling of the Internal Revenue Service. The ruling was intended to close some suspected loopholes in the manner of reporting deductions for business expenses under income tax law.

It generated deserved condemnation by a cross section of the business community, as well as others. Certainly we would all agree that everyone should be covered by the same rules and regulations, with regard to payment of taxes. We would further agree that if persons were caught cheating, they should be required to respond in appropriate damages and penalties.

However, Government employees sometimes become so dedicated and enthused with relation to their duties that they overlook some of the basic issues involved. Too many times greater attention is paid to streamlining the methods of forcing compliance with Government rules and regulations than proper appreciation of the rights of the taxpayer.

It is very well for Government employees to be efficient. Such efficiency should be rewarded in Government employment the same as in private employment.

However, all Government employees should be constantly reminded of the fact that the business people and the individual taxpayers who are subjects of these rules and regulations are the same people who are paying the Government employees' salaries.

It must be remembered that

Pack your Christmas gifts securely in sturdy containers. Use complete addresses including street number, rural route or post office box number. Be sure street names are complete with avenue, parkway, road or drive. Avoid abbreviation of street and state names. Use zone numbers.

And most important of all mail your cards and gifts within the next few days.

these people cannot spend all of their time keeping records and filling out forms for the Government if they are going to be able to produce the wealth from which the taxes are to be paid.

It would seem to me that if more effort were devoted to methods of decreasing the book work and other burdens on the business community and the individual taxpayers, and less effort toward trying to make the taxpayer do all of the accounting for the Government, the better interests of this country would be served.

WALTER ROGERS
MEMBER OF CONGRESS
18TH DISTRICT OF TEXAS

W. T. Thompson Named To C-C Executive Board

W. T. Thompson, manager of the Deaf Smith County Chamber of Commerce, has been appointed to the Inquiry Procedure Committee of the American Chamber of Commerce Executives, it was announced today by Albert C. Boyd of Lansing, Mich., president of the national association.

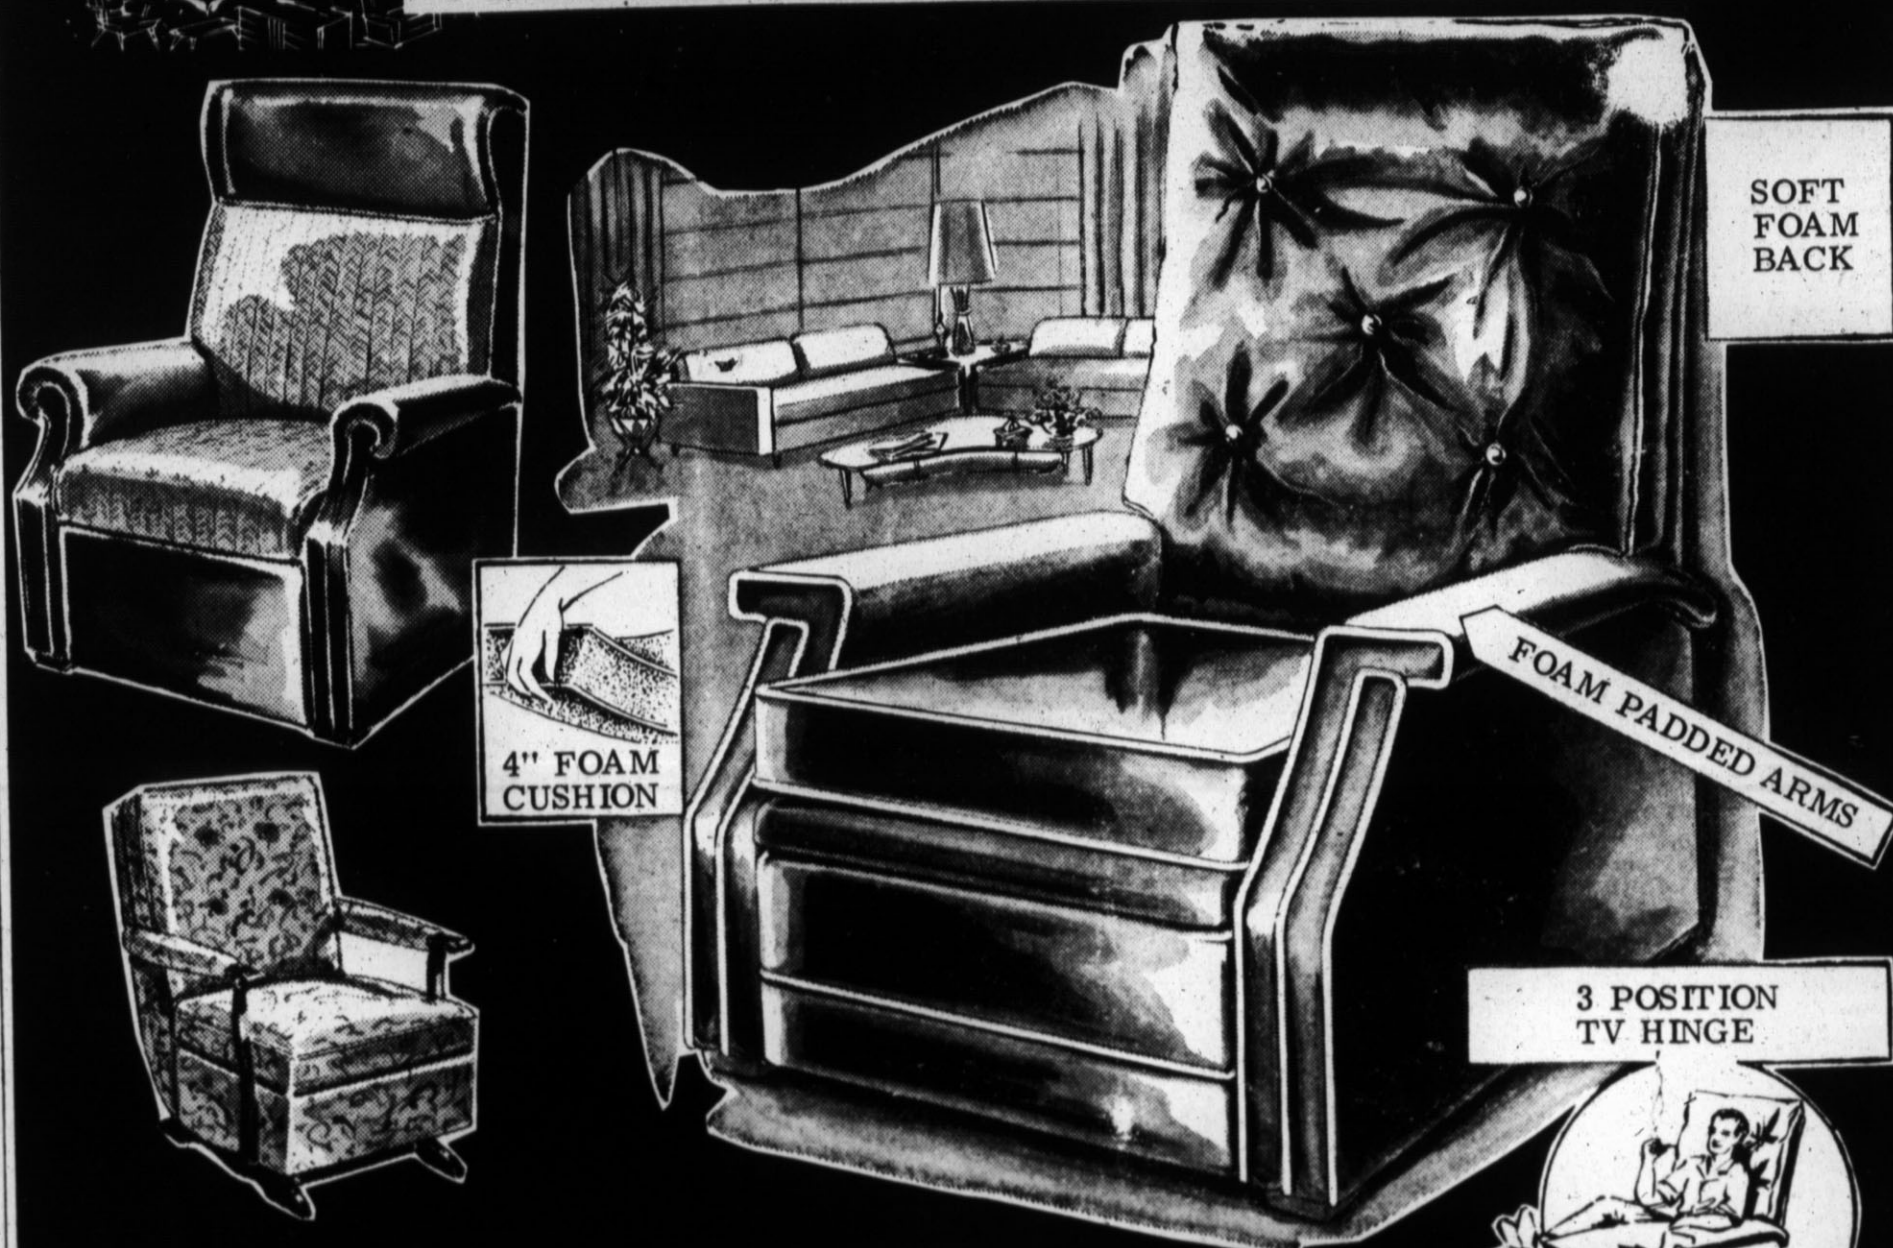

"He has distinguished himself in the field of chamber administration, and we are pleased to call upon his knowledge and experience in furthering the work of our organization," commented Boyd.

It is the purpose of this committee to bring about a wider usage of, and adherence to, the ACCE (American Chamber of Commerce Executives) Inquiry Policy, he continued. It also develops programs to assist in answering all types of inquiries.

AUSTIN HIGHLIGHTS

Legislators Favor Return Of 'Old' Primary System

By Vern Sanford
After a four-year test, Texas' May-June primary election set-up may be on its way out.

A cursory check of legislators at a recent gathering here found strong support, particularly among the big-city members who had Republican opponents, for a return to the August-September primary system.

Growth of the Republican party in Texas means that Democrats now face hard campaigns, in many districts, in the fall months, in addition to the strenuous spring campaigns. Many legislators are talking seriously about moving the primaries to August and September. This, so voters won't have to be whipped up to voting moods twice in a year.

There is some strong resistance to returning to the old way, however.

Sen. Abraham Kazen Jr. of Laredo, a member of the special election law revision committee, said a change like this would require a complicated revision of the code that would be almost impossible to accomplish during a regular session.

Kazen represents an area in South Texas where thousands of migrant farm workers, who leave home for the summer and fall, have had their first chance to vote in the primaries under the May-June system.

Some legislators would block a change because so many school teachers are at home to vote in May, but are in colleges or on trips in the summer. The late Rep. Marshall O. Bell of San Antonio, who pushed for the change to spring primaries, once said that August run-offs worked a real hardship on candidates like himself, since many of their best financial backers were out of state during the summer.

POLL TAX CONTROVERSY
The Texas Election Study Committee heard many divergent opinions on the requirements for a voter registration law during its public hearings in the senate chamber.

Main point of discussion was whether or not a literacy test should be required if the poll tax system is abolished.

League of Women Voters, represented by Mrs. Maurice H. Brown of Waco, did not approve of a literacy test. Mrs. Brown said her group recommended a uniform registration plan for all voters, and offered the committee a draft of a bill which calls for permanent registration.

Several witnesses, including Isaac Satterfield of Marshall, a member of the State Democratic Executive Committee, advocated a literacy test.

Senator Kazen spoke out against it. He said since no literacy test now is required, he saw no reason why it should be necessary. "The only reason for a literacy test is to keep someone from voting," Kazen retorted.

Roy R. Evans, secretary-treasurer of the state AFL-CIO,

said his organization opposed any discrimination against a person's national origin, financial status or educational background. The AFL-CIO also advocated a permanent registration plan, under which a voter would have to re-register only if he failed to vote in a two-year period.

PARK OFFER WITHDRAWN
Just four months after the State Parks Board jubilantly announced that Mr. and Mrs. C. A. Wheatly of San Antonio had given the state a 4,788-acre ranch in Blanco County, the Wheatlys withdrew their offer.

Reason, according to Mrs. Wheatly, was that the couple has learned that existing state parks need at least \$5,000,000 to serve the public, and "we have no assurance that our ranch could be properly developed."

The Wheatlys made the gift offer in July with the stipulation that the Parks Board obtain a legislative appropriation of \$250,000 to improve and develop the ranch which runs along the Pedernales River. Board planned to ask for \$600,000.

Mrs. Wheatly said their offer will not be wasted if the publicity surrounding the episode makes the public aware of the inadequacy of the state parks system.

Meanwhile, puzzled board officials were hoping to persuade the Wheatlys to change their minds before the deed to the ranch is returned.

WATER AID CHEAPER
Cities and water districts will be able to borrow from the State Water Development Board at a slightly lower interest rate as the result of the sale of \$15,000,000 more in bonds.

First Boston Corporation, Bank of America and Mellon National Bank and Trust were low bidders with an effective net interest rate of 3.1325 per cent.

This will lower the Board's present lending rate .04 per cent to a rate of 3.132 per cent. The lower rate will apply to loans made after mid-January.

LIVESTOCK EQUAL PEOPLE
Texas has as many head of livestock as it does people.

According to an estimate by the Texas Animal Health Commission the livestock population is 10,000,000.

State Health Department estimated that the people population reached 10,000,000 last summer.

An audit of the State Board of Veterinary Medical Examiners showed that there's more than one veterinarian for every 10,000 head of livestock. During the 1962 fiscal year, 1,184 vets renewed their licenses, 78 took exams to become veterinarians, and seven took out reciprocal licenses.

There are 8,700 medical doctors licensed to practice in the state, or one doctor for every 1,150 persons.

ENROLLMENT DOWN
The much-publicized firing of Dr. Rupert Koeninger from Sam Houston State College's sociology department may not be the reason, but enrollment by annual leaps of 500 in 1959, 1960 and 1961, increased only 215 this fall.

Increase rate for Sam Houston State was about four per cent. Average increase for all state colleges was nine per cent.

CRIME CLIMB SLIGHT
Major crime in Texas was way below the five per cent nationwide increase for the first nine months of 1962, according to an FBI report. A survey of crime in 12 representative cit-

ies showed an increase of only 0.29 per cent over the same period last year.

Report is a tabulation of murders, non-negligent homicides, forcible rapes, robberies, aggravated assaults, burglaries, larceny over \$50 and auto thefts.

Total major crimes in 12 Texas cities amounted to 49,747 offenses for the first nine months of 1962, compared to 59,599 for the same period in 1961.

Amarillo, Austin, Beaumont, Corpus Christi, Dallas, El Paso, Fort Worth, Houston, Lubbock, San Antonio, Waco and Wichita Falls are the cities referred to.

The FBI warned merchants to be alerted to the shoplifting trend as the Christmas shopping season progresses. They also cautioned shoppers against leaving packages unattended in unlocked cars or in plain view in locked cars.

TAX PROPOSALS
The Texas Commission on State and Local Tax Policy recommended that the state abandon the ad valorem tax as a source of revenue in 1968.

The state property tax, which once was a primary source of income, now comprises only four per cent of the state's total tax take.

Commission stated that under the current system of assessment, the tax is "so patently inequitable that there can be no retaining it as a part of the state's revenue system without substantial change."

LVN PROGRAM
The Board of Vocational Nurse Examiners brought the total of vocational nurse training programs in the state to 114 when it accredited Deaf Smith County Hospital School of Vocational Nursing at Hereford and Groom Memorial Hospital School at Groom.

Licensing of 781 new vocational nurses as a result of October examinations brought the total number of licenses to 26,507 for women who have qualified since the Vocational Nurse Law went into effect on Sept. 7, 1951.

TRANSITION GOVERNOR
A suite of rooms in Austin's Driskill Hotel has become the seat of "transition government" for Governor-elect John Connally.

He works four days a week in a suite which, appropriately, is titled the Caucus Room.

In this office, just six blocks from the Governor's office which he will take over on Jan. 15, is a staff of fifteen persons.

Connally's administrative assistant, Bill Fowler, says their present task is to send out 18,000 thank-you letters, study applications and recommendations for the 278 appointments the new governor will make to state boards and commissions in 1963.

In what amounts to a cram course in state operation, Connally is conferring with officials of state agencies and members of the legislature.

Most of the mail flowing toward his desk already is addressed to "Governor" Connally.

INSTITUTION COSTS UP
Monthly operating cost of Travis State School has increased from \$76.57 per student in 1960 to \$86.46 in 1962.

State Auditor C. H. Cavness says this reflects a general rise in operating costs of state eleemosynary institutions.

CHRISTMAS AND TRAGEDY
Christmas is the happiest time of the year for most of us, according to the Texas Safety Association.

However, it always is marked by tragedies that can be prevented. (Continued on page 12)

Three Teams Enter Area I FFA Contests

Three teams from the Hereford Chapter of the Future Farmers of America went to Plainview Sat., Dec. 1, to represent Amarillo District in Area I Contest.

The three teams were: Senior Farm Skills, which consisted of Davis Sorrells, Scott Ramsey, and Paul Drager, which took fifth place honors; Junior Farm Skills, composed of Dan McWhorter, Dwane Diller, and Jesse Janek, placing second; and Farm Radio, consisting of Glen Fuller, J. Carter, and Ronnie Duncan, placing fourth.

The first place teams were Friona Senior and Junior Farm Skills, Senior Chapter Conducting from Canyon, Junior Chapter Conducting from Springlake, Farm Radio from Hart, and FFA Quiz from Tulsa. These represent Area I in State Contest in Huntsville next week.

Hoof Prints

By David Stevens
Whiteface Sports Editor

The Whitefaces started off the second week of the cage season with a roar by whipping Canyon for their fourth straight win but the high flying Herd was shot down by the Clovis Wildcats last Friday night.

BEAT TASCOSA
The Whitefaces beat Canyon for the third time this season by the score of 51-46. It was a loosely played ballgame with plenty of fouls and other miscues. Dwight McGee was high point man with 20 points. This was the third time Hereford has beaten the Eagles and it was the last time the Herd will play Canyon this season.

BEAT TASCOSA
The Whitefaces played Clovis in the second game of the week. Playing in Clovis against a Wildcat team picked to win the state championship in class AA, the Whitefaces just did not seem to have it as they were beaten 59-45. In New Mexico class AA is comparable to class AAAA of Texas. The Herd opened the game with a rash of fouls which gave them a handicap they could not overcome. Jim Haney had four fouls before the half. The Wildcats built up a 17 point margin in the first half to take a 38-21 halftime lead. The Whitefaces came fighting back but they could not score enough points to beat a team like Clovis. Earl Jackson was high scorer with 12 points.

BEAT TASCOSA
In B-team action last week Hereford also lost one and won one. In the first game of the week the Herd beat Canyon 51-35. Ronnie Welty was the top scorer with 23 points.

BEAT TASCOSA
The B-team went after Clovis trying for their third straight win but the Bobcats dashed their hopes against the walls of the beautiful and spacious Wildcat gym. The Bobcats held as much as a 20 point lead in the third quarter but then the Whitefaces started putting the heat on. They pulled to within six points to make the final score 63-57. The 57 points was the finest offensive effort of the season by the B-teams but the defense seemed to weaken. Both teams used a man-to-man full court press throughout the game. Neither team had much success at anytime. Ronnie Welty was high point man with 12 points.

BEAT TASCOSA
Hereford faced the Dimmitt Bobcats Tuesday. They played on the home court for the second time this year after four games on the road.

BEAT TASCOSA
Tomorrow night the Whitefaces face a real test when they play Tascosa in Amarillo. This is the first of three straight games in which the Herd will play Amarillo Teams before the Christmas holidays.

BEAT TASCOSA
The Football Banquet was held last Saturday night at the Community Center. Entertainment was provided by the Highlanders and the Booster Club. Jimmy Kassahn received the "Fighting Whiteface" Award.

group of boys who have exemplified good citizenship as have the officers and members of the Key Club," states Mr. Robert Thompson, faculty sponsor of the Key Club at H. H. S.

Key Club is sponsored by the Kiwanis Club, Thompson pointed out. It is not, however, a junior Kiwanis club. Kiwanis has no supervision over the boys, but acts as a parent club to the organization.

Main purpose of the Club is to serve the school and others. It helps to build the character of its members because it has such high ideals.

Membership in the Club is open to all high school boys. The boys, however, must have a clear record. They must be approved by the administration. When the boys graduate from high school they are no longer a part of the Key Club. A college organization, the Circle K, is similar to the Key Club in that it is a club of service. Whether the boys belong to the Circle K or to the Key Club, it is understood that they are under no obligation to join the Kiwanis Club.

The HHS chapter of the (Continued on page 9)

Christmas Opera Narrative Told

G. Shirmer, publishers of "Amahl And The Night Visitors," gives this short synopsis of the opera, which will be presented at HHS on Friday, Dec. 21.

One December night almost 2,000 years ago, a little crippled shepherd boy named Amahl sat outside of the poor cottage where he lived with his widowed mother playing a plaintive tune on his shepherd's pipe.

His mother tries to make him come inside; but he pays no attention to her. Finally, she flies into a rage and threatens to whip him unless he comes in at once. He tells her about a wonderful star that he has seen moving across the sky "like a chariot of fire".

Distraught by the poverty a-

bout her, she accuses him of lying and bursts into tears at the bleak future that seems to await her and her son. Amahl tries to comfort her with a fanciful tale of how rich they will become as beggars until even she has to smile at his whimsicality.

In the middle of the night, three richly-clothed, mysterious oriental kings and a page stop at the cottage seeking shelter for the night. Amahl goes to the door but is unable to convince his mother that this is not another one of his "tall stories". Finally, she goes to the door herself and is amazed to see the three kings and the (Continued on page 9)

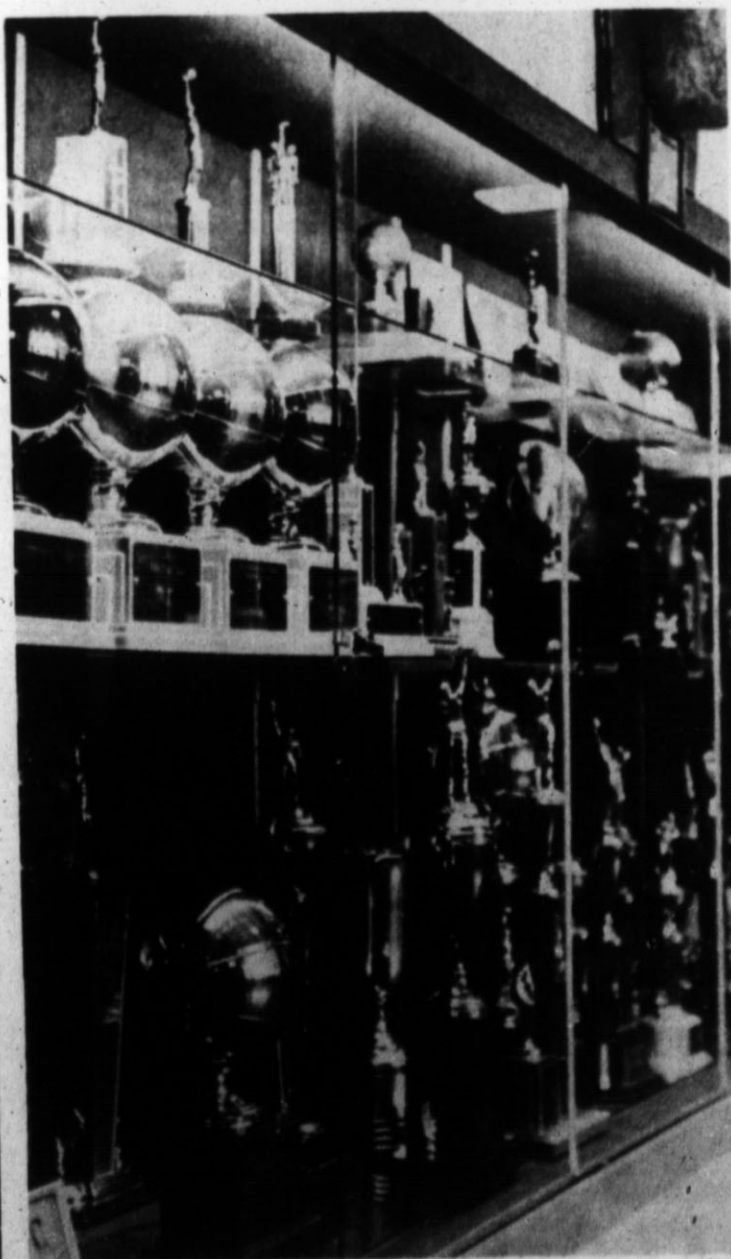

NHS Members Discuss Trip To Texas Tech

National Honor Society members are planning a trip to Texas Technological College on Fri., Dec. 14. This trip will give the members an opportunity to look over the campus and become familiar with the University.

During the regular meeting on Thursday, Dec. 6, the members discussed plans for decorating a portion of the second floor and the center stairs for Christmas. Other clubs and organizations will be decorating other parts of the school.

Mrs. Jane Westberry, sponsor, stated that if the students at HHS requested a tutoring service by the members of the National Honor Society, they would start a program of this type. Members were asked to inquire among the students.

At the close of the meeting, members were given their pins.

TROPHIES OF ALL sizes, shapes, and descriptions represent honors won by various groups and organizations during the past years for Hereford High School. More than 140 trophies, plaques, and pennants are displayed in the central hall trophy case, a portion of which is pictured above.

ALL-REGIONAL BAND members from the Hereford High School Band were named during the regional band tryouts held Thursday-Saturday of last week. Selected as members of the Regional XI Class AAA High School Band were, from the left: Patricia Maxwell, Kay Nell Reeves, Kathy Knox, Louise Axe, David Marcontell, John Pesina, Merle Carmichael, and Dick Plank. Miss Knox was also named an alternate to the All-State Band and a member of the area band. (Brand Staff Photo)

Trophy Case Shows Past Efforts

By Donita Allred
Whiteface Reporter

Have you stopped lately to look at the trophy case? If not, take a look the next time you are on the first floor near the north end of the hall, under the huge Hereford Whiteface bull head.

The case has three recan-

gular, glass sections in which there are 142 trophies, cups, pennants, plaques, ribbons, and one statue of "Alfred E. Neuman," presented to the school by Peter Lantz, HHS exchange student from Sweden in 1961-62.

The awards, which date back to 1920, came from participation in agriculture, literary, musical, athletic and club events. Some of the outstanding ones are: a first place plaque for the 1952 number sense contest; runner-up region 1-AA trophy in football 1953; plaque for first place in historical contest; first place Boys Declaration contest 1962, won by Jimmy Reinauer '62 graduate;

District Champions basketball trophies 1942, '53, '54, '58, and '59; District Co-Champions basketball trophy 1960; first place basketball trophy for Here-

ford Tournament, tenth grade, 1962; trophy for first place in Happy Basketball Tournament 1953 and Dimmitt Tournament 1937, girls basketball trophy Dimmitt Tournament 1936; Regional Basketball Champions 1 - AAA trophy 1958 and '59, Co - Champions 1 - AAA basketball 1962; picture of State basketball finalists 1959; Baseball District Champions trophy 1960; football District Co-Champions trophies 1946 and '50; football District Champions trophies 1940, '41, and '42; trophy for District 1 - Class B football Champions 1935; 42 first division trophies for marching, sight reading, and concert contests in band and choir; four first place trophies for one act plays and other literary events.

HHS's mascot head which adorns the trophy case was named (Continued on page 9)

AN EDITORIAL

Criticism Can Work For Or Against You

"I don't care what he says!" This is probably among the first things which flashes into one's mind as he is criticized. Yet, the faults of one lies within himself and not within the other person.

Criticism is defined as, "a critical observation, judgement review or to find fault with". This eight letter word, even though it is average, by length, may help to mold one's life.

Many things in life are easily given and taken but criticism is among the hardest for some to accept.

Criticism is most commonly broken down into two parts, destructive and constructive criticism. Each holds a significant place in character building. It is our job to respect these two component parts and give each consideration.

Constructive criticism is probably first encountered as a child, but is brought to full view as the boy or girl progresses in school. Here, through training and correction programs, a student's character is molded. The purpose of this form of criticism is, as its name implies, to strengthen the individual through a sincere and helpful view of a situation. It is our job as individuals to realize that when one can still accept constructive criticism he is still growing.

At first thought, you may say there is no place for destructive criticism in any form. Yet, how else can we show the harmful side of a subject without some form of destructive criticism?

You may now say, "How do I let the other person know if I am criticizing him in a destructive or constructive manner?" This is done solely through the tone of voice used.

"Town Without A Toothache" was invaded Thursday, December 6, about 3:30 p.m. by 700 to 800 music students from all over Region XI. The bands and their directors arrived for the Sixth Annual All-Region Band Convention and Concert.

Proceedings began Thursday at 4:30 with tryouts to determine the best players of the various bands in their respective classes. Competition was judged by various band directors from the area.

After tryouts were finished, names of those chosen for the All-Region Band were posted on the bulletin board. Members of the Hereford High School Band who found their names on the list were David Marcontell, fifth chair baritone; Dick Plank, sixth chair bass; Tyler Thompson, first chair drum; Pat Maxwell, fifth chair french horn; Kay Nell Reeves, third chair bass clarinet; Louise Axe, second chair alto saxophone; Merle Carmichael, second chair oboe; John Pesina, tenth chair clarinet; and Kathy Knox, second chair flute.

Others from Hereford who tried out were Judy Crume, Donita Allred, Kenneth Eastman, Patty Roach, Carolyn Boynton, Charlotte Williams, Nancy Boyer, Babs Gholston, Doris Parsons, Joyce Linderer, Jerry Ross, Jim Grubbs, Jerry McCathern, Lonnie Coker, James Combs, Victor Garza, Steve,

Thornton, Ricky Roberts, James Frost, Chuck Schneider, Mike Watts, and Vicky Gordon.

From the three 100-piece bands, only ten musicians were chosen for the All-State Band which will meet in Houston later in the year. Those from Hereford qualifying for All-State tryouts are earning either first or second chair in the regional band and were Tyler Thompson, Merle Carmichael, Louise Axe (Continued on page 9)

WTSC Choir Gives Concert For Assembly

By Nanetta Clearman
Whiteface Reporter

Under the direction of Dr. Houston Bright, the West Texas State Choir presented a selection of choral numbers in assembly Monday, Dec. 3.

Their opening number was "Deo Gracias", which means "Thanks be to God". The next selection from the Liturgical Music was "O Quam Gloriosum".

Dr. Houston Bright has written and arranged various numbers which the concert chorale sings. Two numbers were presented at the assembly. The first was "Psalm 133", and second was "Sailors' Alleluia". Dr. Bright was commissioned to write this song for the Navy Bluejacket Choir stationed in the Great Lakes. He also wrote a song entitled "August Noon" which was dedicated to Linda Adams and Elva Silburs.

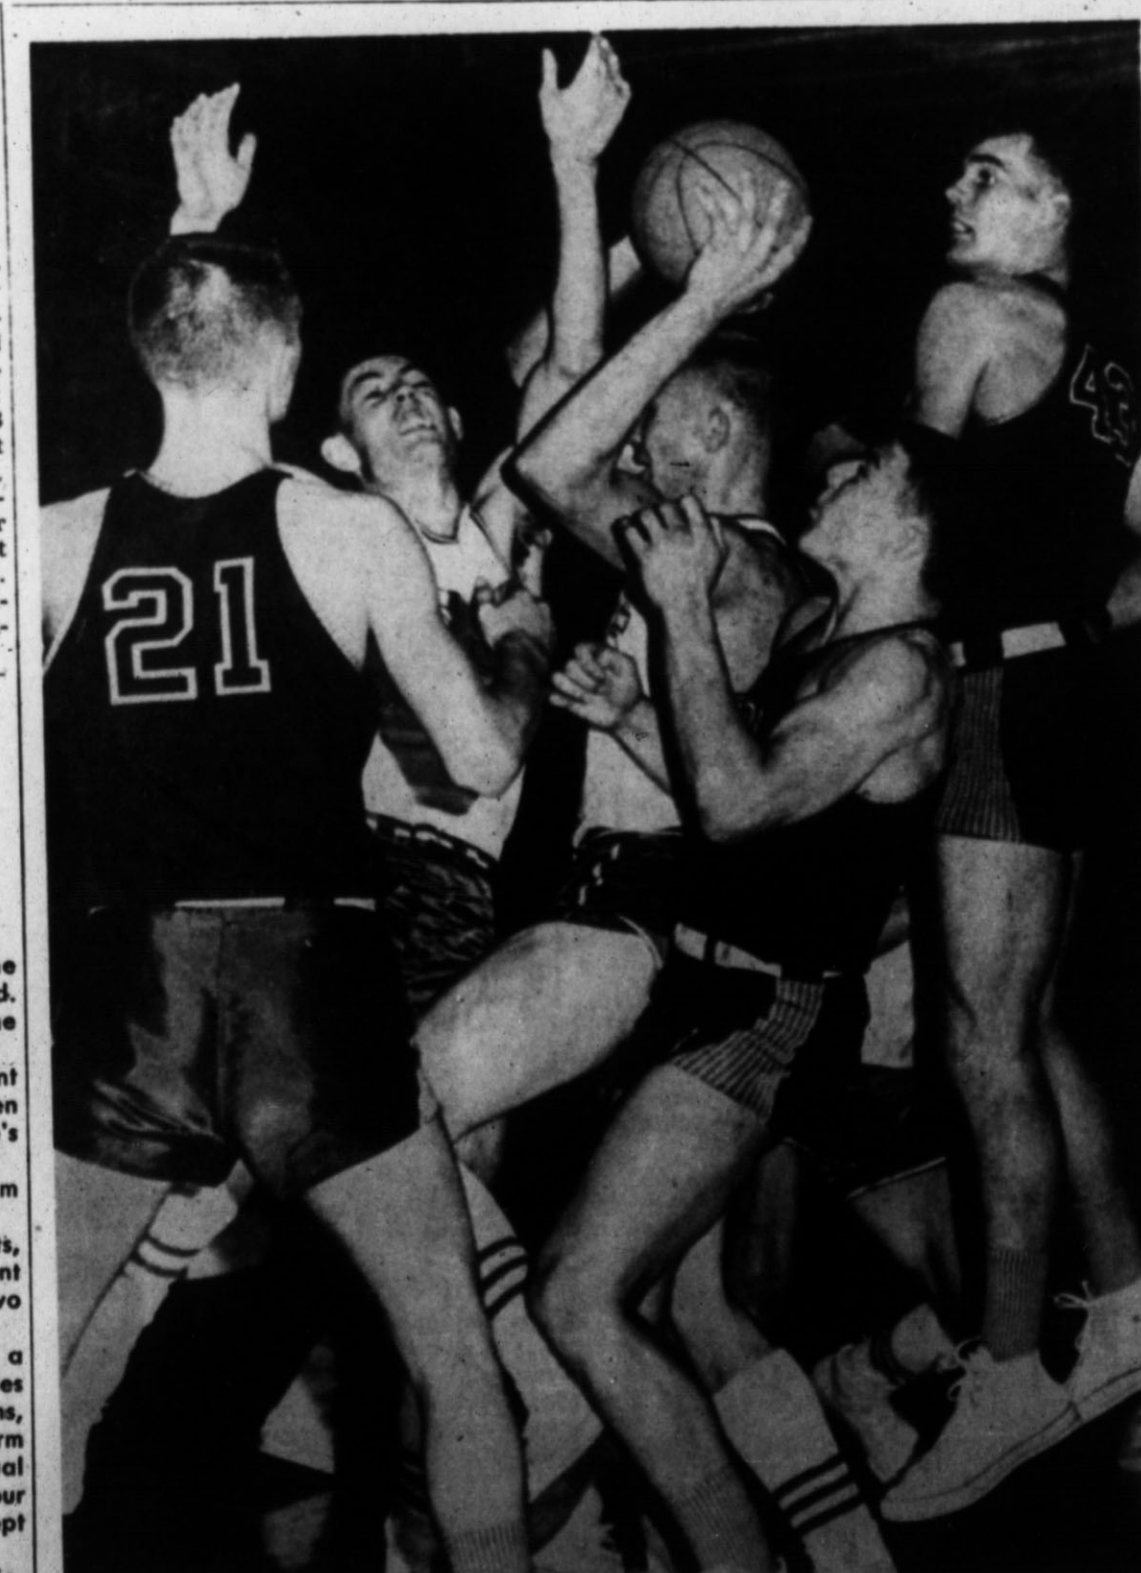

An Austrian folk number called "The Orchestra Song" was done by the various sections of the choir singing at different times doing the different parts of an orchestra.

The group in accordance with the coming of the Christmas season sang "The Babe So Sweet" and "Fum, Fum, Fum". The student director, Joe Godfrey, directed the choir in "Silent Night, Holy Night".

A boys quartet, made up of Joe Godfrey, Ronnie Thornberry, Danny Parker, and Larry Kingsley, sang a selection of songs consisting of "Lida Rose", "Coney Island Baby", and "Georgia on My Mind".

There were five ex-HHS students with the West Texas State Choir. They were Bob Miller, Glenn Reeves, Ken Betzen, David Dziuk and Gary Werthenberger.

The male voices of the choir closed the program with the song, "West Texas State College."

THINGS WERE ROUGH under the basket according to the looks on the faces of these basketball players during action at Clovis Friday night. Hereford Whitefaces pictured are Bill Hill (21), Mike Ferguson, and Jim

Haney (43). Clovis Wildcats are John Cook and Jim Shaw. After accumulating wins, the Whitefaces were finally toppled by Clovis 59-45.

and Kathy Knox.
Kathy Knox received the right to compete in area tryouts, and if she is selected there she will go to All-State Band.

A concert featuring the Class A - B, AA-AAA, and AAAA All-Regional Bands was held Saturday in the Hereford High School auditorium.

Guest conductors for the bands were James Mathews of the University of Houston, AA-AAA band; Charles Emmons of the University of Missouri, AA-AAA band; and Dean Killian, band director of the Texas Tech band, A - B band.

Musical numbers played by the Class A - B band were "Orange Bowl" by Fillmore, "An American Scene" by Grundenman, "Overture for Winds" by Carter, and "Beguine Festival" by Osser.

Class AA - AAA band played "Black Horse Troop" and "Trauersinfonie" by Sousa, "Relax" by Yoder, and "Second Military Suite in F" by Holst. "Polaris" and Finale to the Shostakovich Fifth" by Kenny, "Basatelles for Band" by Persichetti, and "Selections from West Side Story" by Bernstein were played by the Class AAAA band.

Housing and other arrangements were made by the Deaf Smith County Chamber of Commerce.

Musicians were from Perryton, Stinnett, Dumas, White Deer, Spearman, Phillips, Frona, Dalhart, Shamrock, Amarillo, Borger, Pampa, Canyon, Tulsa, Hereford, Memphis, McLean, and several other towns from this area.

The fastest living thing in the world is the duck hawk which flies approximately 170 miles per hour.

wonderful gifts they bear. The kings explain that these are the gifts for the "child" and that the star will guide them to him.

Meanwhile, Amahl has summoned the other shepherds who, bearing baskets of food, come to welcome the kings. They also admire the rich gifts the kings carry.

After the shepherds have gone, all in the house go to sleep except the mother. She decides to keep Amahl from starving; but she is caught by the page. Melchior explains what kind of a child they are seeking and offers to give her the gold she has taken. She refuses but wishes she could send a gift of her own to "such a child".

Amahl in a burst of complete unselfishness offers to give his crutch to the child; and to the incredulous joy of all he is miraculously cured of his lameness.

As the opera closes, Amahl's pipe is heard in the distance as he sturdily follows the three kings on the way to the child-bearing his crutch on his back.

(Continued from page 8)
Key Club is one of the newest activities of the school. Although it was started just two years ago, it has grown to be one of the largest and most popular of the school clubs.

New members of the Club are informally initiated as a group. Officers of the Key Club this year are president, Dick Combs; vice-president, David Block; secretary, Ronnie Grey; and treasurer, Charles Kelly.

Meetings of the Key Club are held during activity period the second and fourth Tuesday of each month. A member of the Kiwanis Club usually attends these meetings. The programs consist of speakers and entertainment.

The Hereford Community Center is the setting for dinner meetings of the Club. These informal meetings are held the first and third Monday of the month. Originally the Club ate at public dining places, but decided that they liked the relaxed atmosphere of a private meal better. At the dinners the food and service are provided by the boys. The sophomores bring the meat; the juniors, vegetables; the seniors, salads; and the officers, dessert. Serving as hosts and cleaning up afterward, are privileges bestowed upon the sophomores.

Key Club is a part of a national organization. The H H S Club belongs to the Texas-Oklahoma District. The official publication of this district is Tex-O-Key, a magazine devoted to the ideals and activities of Key Club. The Texas-Oklahoma District sponsors a train each year for representatives of individual clubs within the district to attend the International Key Club Convention.

The chief money-making project of the Key Club is the concession stand at the home basketball games. The Club hopes to make enough money to take all the members who wish to go to the Texas-Oklahoma District Convention. The convention will be held during April in San Antonio.

The Club is one of service, not only to the school, but also to the community. Some of their many worthwhile projects include the United Fund, Sabin Oral Sunday, Christmas decorating contests, ushering at football games, keeping the school parking lot painted, painting the football stadium, and directing traffic.

The Key Club is the type of organization that challenges the members, and particularly the officers, to set an example for the rest of the student body.

A little Alpine plant called the soldanella is the only known plant that can grow under ice.

THE STATE OF TEXAS
COUNTY OF DEAF SMITH
TO ALL PERSONS OWNING
PROPERTY IN THE TOWNSITE OF DAWN, TEXAS, AND ALL PERSONS OWNING ANY PROPERTY ABUTTING WEST THIRD STREET BETWEEN BLOCKS 28 AND 29 OF THE TOWNSITE OF DAWN, TEXAS, AND ALL ADJACENT OWNERS TO THE TOWNSITE OF DAWN, TEXAS - GREETING:

Notice is hereby given that H. R. Neal, Mrs. Ellen E. Neal, a widow, Mrs. Evelyn Smith and husband, Clyde W. Smith, Mrs. N'Anna Neal, a widow, Independent Executrix of the Estate of Leslie Neal, deceased, Mrs. Lavinnie Ricketts and husband, J. C. Ricketts, and Troy Moore, did on the 12 day of Nov., 1962, file with the Commissioners Court of Deaf Smith County, Texas, a Petition for authority and an order of said court to close that portion of West Third Street lying between Blocks 28 and 29 of the Townsite of Dawn, Texas, and to abandon the same to the Petitioners.

The Petitioner, Troy Moore, alleges that he is the owner of that portion of Lots 5, 6, 7 and 8 in Block 29, which has not been heretofore conveyed to the State of Texas for highway purposes; and that the remaining Petitioners are the owners of all of said Block 28; and the Petitioners further allege that said street has never been opened, used or traveled by the public and no utility lines of any kind have been installed thereon, and that the closing of said street will not interfere with the rights of way of any adjoining owners; whereas the Commissioners Court has ordered a hearing to be held at the Court, Deaf Smith County, Texas, on the 24 day of Dec., 1962, commencing at 10:00 a. m., at which time all persons owning property in the Townsite of Dawn, Texas, or any adjacent owners thereto may appear and contest said Petition, if they so desire.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF OFFICE this 15 day of Nov., 1962.

B. F. CAIN
County Clerk, Deaf Smith County, Texas

Letters To Santa

Dear Santa,
I am 3 years old. I have been pretty good. Please bring me a baby, a bottle, and some dishes. Remember all of my friends and my cousins.
Love,
Lynette Andrews

Dear Santa,
I am seven.
I want a two seated bicycle.
love
Jay Alred Noland

Trophy...

(Continued from page 8)
ed Lampighter IV. Owned by G. E. Nance of Canyon, Lampighter was born March 23, 1941, and was registered with the American Hereford Association in Kansas City, Mo. on June 17, 1941, with a tattooed 84 in his left ear.

Even though it has not been put in the case yet, the 1962-63 basketball team won a first place trophy in the West Texas Invitational Tournament, Friday and Saturday, Nov. 30 and Dec. 1 at Canyon. This trophy along with others that will possibly be won this year will be presented to the school during a awards assembly in the spring.

Occasionally HHS students should pause at the trophy case so that they will be reminded of the efforts and abilities represented by these trophies which have in the past and should continue in the future to bring pride and honor to Hereford High School.

COUPON GOOD THIS WEEK ONLY!

By Audri Miller

A happy happy "hello" to you all! You're probably quite involved in preparations for the holidays — just as we are in Hereford High School. The Future Homemakers of America kept their established tradition by decorating the Christmas tree in the High School Cafeteria — very pretty! FFA's are planning the annual FFA-FA Christmas party which is to be held in the cafeteria on Monday night, Dec. 17.

The HHS Student Council is sponsoring a school-wide decoration program wherein they are furnishing a tree and the other high school clubs are decorating the halls, stairs, and display case. Each of the participating organizations was assigned a portion of the school for which to be responsible. The atmosphere should soon be quite seasonal — and very favorable to the propagation of Christmas cheer!

Social highlight of the week was the annual Football Banquet held at the Community Center on Saturday night, Dec. 8. Heartiest congratulations to Jimmy Kassahn who was presented the "Fighting Whiteface" award! This boy's a real hustler, and is certainly deserving

COWAN
JEWELRY

"The voice of him that crieth in the wilderness, 'Prepare ye the way of the Lord.'" Is. 40, 3

Christmas celebrations often become a wilderness of confusion. Time, work, money are at a premium.

Into this wilderness of confusion of our own making comes the voice of God, saying, "Be sure you are spending your time doing the right thing. Prepare ye the way of the Lord."

In your home, be sure the things you do at Christmas time will help you prepare for Jesus, the Lord (not Santa Claus). In your work, carry the spirit of God giving His Son for man's redemption (not a spirit of wandering what the boss will give you for Christmas). In your play or free time, give of yourself to the service of others as the Lord Jesus gave Himself for you (He was rich, yet for our sakes he became poor). In your church, make sure you hear and tell the story of the true Gospel.

And in your heart? Prepare it too, for the coming of the Lord Jesus. How? By repentance and confession and putting away all known sin. By childlike faith and trust in your Savior and Redeemer. If you have already done that, ask for a fresh outpouring of His Spirit of love. The world needs it desperately.

THUS SAITH THE LORD!
Fred Beversdorf, Pastor
Immanuel Lutheran Church

school!

The annual Kooebrae ("yearbook" spelled backwards) Awards Assembly is scheduled for Friday morning, Dec. 14, in Hereford High auditorium—this assembly is eagerly awaited by one and all. Presentations will be made to those selected for the various honor positions—Mr. and Miss Hereford High, class favorites, Personality King and Queen, and candidates for Most Beautiful and Most Handsome. Results of the latter will not be known until yearbooks are distributed next spring.

Remember the Community Choir's performance of "The Messiah" which will be presented in the high school auditorium this Sunday, Dec. 16, at 4 p. m. An untold number of hours of planning and effort on the part of many individuals has gone into this community-wide effort—come hear it, appreciate it, and then voice your appreciation!

And a note about a college student: Mickey Bonesio, who is attending Austin College in Sherman, appeared in the chorus of the music department's presentation of the opera, "Cavallera Rusticana." It was presented last Thursday, Friday, and Saturday. You will remember that Mickey played the role of "Emile de Beque" in Hereford High's production of "South Pacific." Another feather in his cap!

Finally, let us all heed Grace Noll Crowell's advice "... attend to my little errands of love early this year, so that the days before Christmas may be unhindered and clear..." During this advent season, let's pause to think about the real meaning of Christmas.

School ...

(Continued from page 1)

pared with 3,094 last month and 2,837 at the same period in December last year.

Following teachers were named to the Textbook Selection Committee, with Stevens as chairman: Mrs. Evelyn Hacker and Mrs. Carolyn Barrett, elementary music; Mrs. Mildred Ramey, seventh grade history; Don Martin and David Patterson, algebra I and II; Joe Brooks, plane geometry; Virgil Young, physics; Miss Sue Hess and Mrs. Melvin Young, Spanish I and II; Mrs. Margaret Ann Durham, Mrs. Dorothy Prowell and Mrs. Martha Sullivan, homecoming I and II; Alvin Smith and M. E. Miller, shop.

Trustees spent some time discussing the possibility of applying for state-allocated federal funds for science and language instruction improvement. The funds would be \$10,000 to \$14,000, based on 50 per cent of the cost of construction and equipment for science and language programs in the school. The board will investigate the matter further before making a decision.

Milo ...

effect a year ago.

The group had branded the new program as "unfair to the grain sorghum grower" and was trying to get something done about it.

After several days of meetings with Department of Agriculture officials two members of the Panhandle delegation returned home. However, Nelson stayed in Washington and continued to talk with officials. He returned to Amarillo last week-end.

Announcement of the Department's decision to raise price supports on grain sorghum from \$1.91 per hundredweight to \$2 came Monday from the GSPA office after receiving notification from Washington.

Instrumental in getting the support price increase for the nation's grain sorghum producers were R. G. Peeler a member of the Secretary's Feed Grain Advisory Committee; Elbert Harp, Abernathy, GSPA president; and Bill Nelson, GSPA executive director.

The only other group representing grain sorghum producers meeting with USDA officials were from Nebraska Grain Growers Association.

The public is invited to attend the annual Candelighting Service at the First Presbyterian Church at 7:30 p. m. Sunday, Dec. 16. The Rev. Russell Wingert, pastor, will present the Yuletide message and special music will be given by the church choir.

As a service project, all Campfire and Blue Bird Girls are being asked to collect toys and dolls and aid the annual VFW toy drive.

Group ...

(Continued from page 1)

Term for each Commissioner to serve on the Child Welfare Advisory Board was extended from six months to one year. Commissioner Sowell, who is now serving on the board, said that six months was not long enough to become familiar with the board and its problems and recommended the longer term.

Commissioners read a letter from W. S. Grant, district supervisor of the Texas Employment Commission, requesting an extension until July 1, 1963, for the Hereford TEC office to vacate its quarters in the courthouse. The Court earlier had asked that the office be vacated by Jan. 1. The court agreed to an extension until April 1, 1963. Commissioner Massie abstained from the vote.

The Court spent a long period of time talking with Sheriff Lowell Sharp about operation of the law department of three county and about handling of school truants.

At present, the Sheriff's Department is paid \$100 per month to check on truants for the Hereford Rural High School District. This is paid by the school district, with Sheriff Sharp receiving \$50 and deputies Maxwell and Roberson getting \$25 per month each.

Sharp said the deputies did not feel they should have to do extra work for the pay, but admitted that his office handled an average of one call per day on truants. Most work on truants cases must be handled at night, Sharp said. He said that he preferred to handle all the truants himself and asked that the court consider a salary increase for the deputies.

As an alternative, Sharp said he favored dropping the truancy work altogether. At this point, Judge Williams, speaking as county juvenile court officer, respectfully requested that the sheriff continue with the work.

The discussion ended with no final action taken on the matter. Commissioners spent some time in making a final review of anticipated salary adjustments, to become effective Jan. 1, 1963, and authorized publication of a legal notice, giving notice of intent to increase most salaries of county officials and employees.

The exact amount of the salary increases will not be known until final approval is given at the January meeting.

The Court named Charles Frye to serve as a member of the Child Welfare Board. Commissioner Sowell abstained.

Paul Engler, doing business as Hereford Feed Yards, was approved for bond as a Public Weigher in the county.

Girls are asked to bring the toys to the Campfire Hut on Dec. 13 and 14. The Hut will be open from 9 a. m. to 1 p. m. and from 4-5 p. m.

Hereford Garden Club, in a change of time and place, will meet at 3 p. m. Friday, Dec. 14, in the home of Mrs. John Jacobsen Jr. Members are to bring a gift to be sent to Girls Town.

Distributive Education students from Hereford High will honor their employers with an Appreciation Breakfast at 7 a. m. Saturday, Dec. 15, in the Western Wheel Inn. The D. E. Club this year is seeking to become the outstanding club in the state and has at least one project going all the time. This breakfast is one of the major projects of the year.

Hereford Whitefaces will put their 5 - 1 record on the floor of Rebel Gym in Amarillo Tuesday night as they face the first of three successive games with Amarillo schools. The Tascosa Rebels are 3-3 and just barely edged Phillips Friday night. Next week, Hereford will host the Amarillo Sandies on Tuesday and the Palo Duro Dons on Thursday, Friday and Saturday, Dec. 21 and 22, the Whitefaces will be in Ft. Sumner, N. M., for a tournament.

Why is it you see all over town Novel gift ideas the year around? But when you shop at this season They've vanished ... and so's your reason!

Herd ...

(Continued from page 1)

well had eight each.

In contrast to earlier outings, the game was comparatively free of fouls. Dimmitt had 13 and Hereford 12 during the game. Cowell was the only player to foul out as he picked up four in the first half and the last one as the fourth period began.

In the B game, Hereford limited Dimmitt to one field goal in each of the first three periods to win easily, 55 - 31. Ronnie Welty was high for the Herd with 20.

Mr. and Mrs. Ismail Lopez Villafraña are the parents of a girl, Leticia Diaz, born Dec. 8 at 6:43 p. m. She weighed 7 pounds and 13 1/4 ounces.

ATTEND FUNERAL

Mr. and Mrs. Glen Nelson and Mr. and Mrs. Loy White returned from Wichita Falls on Monday where they attended the funeral services for Fred Campbell, brother-in-law of Glen Nelson and Mrs. White.

Golden Circle Fetes Husbands

A covered dish supper honoring members and their husbands featured the December meeting of the Golden Circle Sunday School class of the First Baptist Church, with Mrs. Charles Hood serving as mistress of ceremonies.

The Rev. B. L. Davis, pastor of the church, presented the devotional lesson with emphasis being put on the Christmas of today, he said, "We do not put Christ in Christmas, but Christ is Christmas."

Mr. and Mrs. Duane Barrett sang some special numbers and led the group in singing Christmas songs.

Audrey Thompson, guest, was responsible for the table decorations, in which she used the Christmas theme.

Instead of exchanging gifts the club members donated money to be used for a needy cause.

Those present for the supper were: Messers and Mesdames Hardy Benson, Earl Clark, Charles Hood, B. F. Markham, Art Mamojet, G. P. Owens, C. O. Phillips, Jeff Roberson, Sam Sides, Sanford Smith, Misses Hazel Sparks, Miss Teresa Haile, J. E. Young and Bill Hacker.

Austin...

(Continued from page 7)
vented, TSA warns.

Carelessness around flammable trimmings such as Christmas wrappings and tree decorations will spoil the holiday for some families, says a TSA note of caution. Simple safety precautions can make yours a safe and joyous Christmas, the safety association adds.

NO INAUGURAL TICKETS
A ticket - less inaugural of Governor - elect John B. Connally and Lt. Governor - elect Preston Smith is the order for Jan. 15.

William C. Long, general chairman of the Austin Inaugural Committee, emphasized that all inaugural functions will be open to all Texans without admission tickets.

The formal inauguration will be conducted under direction of the Legislature at noon at the Capitol.

Preceding it will be a dedicatory prayer breakfast at 8 a. m., to which the public also is invited.

Following the inauguration ceremony, there will be an Inaugural Parade on Congress Avenue, featuring military units, high school bands and civic floats.

A massive reception in the Capitol building is scheduled for the same evening. Entertainment will be provided in the Senate and House chambers.

BATTLE SURE
The issue of drawing new boundaries for Texas' legislative and congressional districts appears headed for star billing when the lawmakers convene in January.

In an Associated Press poll of Texas lawmakers, 71 per cent who replied said they thought redistricting would be in the top 10 issues of the session.

Thirty - seven per cent said it would be one of the top five controversies.

NEW BUILDING DEDICATED
State officials have dedicated another state office building representing the sixth mammoth edifice in the fast - expanding Capitol complex.

Gov. Price Daniel told a gathering of state officials and contractors who worked on the building that the building is dedicated to "continued integrity in good government in our state."

The \$3,400,000, five-story John H. Reagan State Office Building will be occupied next spring.

It will house the Game and Fish Commission, Department of Agriculture, Department of Public Welfare, Finance Commission, Building Commission, Board of Pardons, Board of

Plumbing Examiners and Board of Registration for Professional Engineers.

Reagan was a Texas judge, congressman, U. S. senator, first chairman of the Texas Railroad Commission, and postmaster general and secretary of the treasury of the Confederacy.

TEXAS 41st IN WELFARE
Texas ranks 41st in the nation in point of per capita expenditures for public welfare.

Department of Public Welfare says the state's per capita expenditure of state and local funds is \$5.15. National average is \$10.56.

In total spending for public assistance, Texas' average of \$17.35 ranked the state 37th in the nation. National average is \$22.53.

Total expenditure for Texas last year was \$171,559,000. This included \$49,498,000 state funds and \$122,071,000 federal.

JANUARY DRAFT QUOTA
Texas draft boards have a quota of 163 men for January. Col. Morris S. Schwartz, State Selective Service director, said the call represents a decrease from the 235 quota for December.

In November, 153 were called.

TAX TAKE FALLS

State Treasurer Jesse James reports a decrease of \$69,798 in November from the sale of stamps on cigarettes, liquor and wine, "compared to the same month in 1961."

Revenue from the same sources dropped \$913,904 from October to November of this year, James said.

WETS WIN
Wets have come out on top in local option elections this year, according to the Texas Liquor Control Board.

Eleven elections were held to legalize the sale of liquor. Four met with voter approval.

Two elections were held to prohibit the sale of liquor. Both were unsuccessful.

SHORT SNORTS

Col. Maybin Wilson, department engineer for the State Adjutant General's Department for 10 years, has retired after some 40 years' public service.

Alice E. Miller ended 43 years of service to the state when she retired as chief of the purchasing division in the State Board of Control.

A CONTRACT

A contract is a promise... a compact... an agreement between two or more persons. It simply binds the contracting parties to abide by the conditions set forth therein. It could be a marriage contract, or a business contract. *It may be a contract with your church and your God.* A contract is a serious piece of business. Do you fulfill the terms of the contracts you make? You promised to be true to your life partner until death. You signed to discharge your financial obligations on a certain date. You contracted to be a faithful member of your church... to attend regularly and support its work. Are you doing that? Do you honor your contract... your word? *The integrity of your own soul determines the value of all the contracts you make.* They are as good as you or as bad as you. Church attendance will help you prove yourself worthy of the confidence of both man and God. Attend every worship service.

TELEPHONE TALK

by Gene Adkisson, Manager

THE FIRST CHRISTMAS TREE LIGHTS

Know who made the first Christmas tree lights?

Well, considering the name of this column, the answer shouldn't be too much of a surprise — a telephone man. Here's how it happened:

Back in the early 1900's, Ralph E. Morris' little boy crawled under the Christmas tree, upset one of the wax candles and singed his hair. Morris promptly announced there would never be another flame near a Christmas tree in his house. Then, he got to thinking and remembered the switchboard down at the telephone office and how, at certain times of the day, it often reminded him of a Christmas tree.

So what did he do but buy several dozen switchboard lamps which he then soldered to wires to make a string of lights. He used colored paper to cover the lamps, and so it was — the first electric lights on a Christmas tree!

TOO BAD YOU CAN'T FIND IT THERE

I read the other day about an unusual message that resulted when a storm tore away part of a Christmas billboard greeting. Underneath the greeting, part of a Yellow Pages billboard was revealed. The combined message of the two boards was "Peace on earth — find it fast in the Yellow Pages."

Well, you can find a lot of things in the Yellow Pages and save yourself a lot of time and walking. It's just too bad the Yellow Pages can't lead us to that most wonderful commodity . . . peace.

SAFETY FIRST

Sons to be traveling so Christmas may be spent with loved ones. I want to suggest that all persons exercise caution and keep the safety of all in mind.

Being safety conscious during your holiday activities may mean the difference between a joyous and pleasant time and you or your loved ones being a statistic in the accident reports for the 1962 Christmas Holidays.

I want to wish each and everyone a VERY MERRY CHRISTMAS and a HAPPY and PROSPEROUS NEW YEAR.

ONE LAST THOUGHT

The surest way to have happiness and peace of mind is to give them to someone else.

Happy holidays from all of us at the Telephone Office.

Call by number. It's twice as fast.

CHEVROLET...on the road every day!

ITS RELIABILITY COMES FROM ITS QUALITY

A nutshell description of Chevrolet trucks could be "Trucks That Work". It's not exactly earthshaking but it says a mouthful. It's what Chevrolet trucks are best known for—their reliability. Ready to work, day after day, whenever you are.

You can't build trucks that perform like this if you don't put quality into engine, chassis and

body. Chevrolet does: double-wall construction, insulated cab, select-wood body-floor, chain-supported tailgate, ladder-type frame, the careful attention to upholstery and finish. It's this kind of quality that makes any Chevrolet truck—from pickup to heavyweight tandem—worth more on the average at trade-in!

2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is more powerful than its predecessor. Standard in Series C10 through C50.

New High Torque 292-cu.-in. Six—most powerful truck 6 Chevrolet has ever built! Standard in Series C60.

A BUSY WEEK

Dogies Gun Down Tulia, Littlefield, And Canyon

In a busy week the Stanton ninth graders claimed three wins to place their season mark at three and one. A freshman B - team also racked up a win last week.

After opening the season with a one - point loss to Dimmitt in overtime, the Dogies trounced Littlefield by 53 - 29, edged Tulia 33 - 32, and won over Canyon by 50 - 33.

B - teamers downed the Tulia freshmen bees by 36 - 27.

Dogies were slated to host Marshall Junior High of Clovis here Saturday.

Next action for Stanton Junior High teams will come Thursday, Dec. 13, as the Dogies host Littlefield in Stanton Gym. All three local teams will play, with the seventh beginning at 5 p.m. Eighth and ninth grade games will follow.

At Littlefield last week, the Dogie freshmen had little trouble in outdoing the young Wildcats by 53 - 29. Steve Hodges sparked the Dogies with 18 points. Two other Stanton gunners tallied double figures, with Mike Moore and Roger Owen each hitting for ten.

Robbie Lemons netted six points, while Jack Ferguson and Gregg Richards each accounted for four. Oscar Holmes added a free throw to close the Dogie scoring columns.

Dogie coach Jim Balch was probably a little bit more concerned during the fourth quarter at Tulia, as the young

Hornets threatened Stanton.

The Hereford team took command of an early lead, but Tulia rallied in the final period allowing the Dogies only a single point margin, 33 - 32.

Leading the Dogies were Steve Hodges with ten and Roger Owens with eight. Mike Moore scored five, and Robbie Lemons and Gary Payne each added four. Jack Ferguson tallied with a two - pointer.

During the B - team tilt at Tulia, the locals claimed a 36 - 27 victory. Sparked by Randy Tooley's 12 points, the Dogies had the advantage throughout the game.

Jimmie Young scored ten to boost the lead, while Brant Knox hit for five. Gene Drummond hit two field goals and Ed Mims added a final two - pointer.

At Canyon Thursday night Stanton went on another winning rampage to gun down the Eagles by 50 - 33. Hodges and Moore both brought double figures, while scoring was well - distributed within the ranks.

Moore led with 12 and Hodges had 11. Tooley ripped in eight points. Hitting for six each were Lemons and Owen. Richards added a field goal to three for charity for a total of five, and Knox came through with a two - pointer.

With four of twelve games under their belts, the Stanton Freshmen can boast a 3 - 1 record thus far, while the Bees have won their only outing.

Bay View Club To Send Gifts

At the regular meeting of the Bay View Study Club Dec. 6 in the home of Mrs. Jimmie Gilentine, the club voted to send gifts to the State Hospital at Wichita Falls.

Mrs. Ronald Babione, a special guest, gave the Christmas Story in poetry and scripture with a background of Christmas recordings.

Those present for the meeting were: Mesdames D. H. Alexander, Phillip Barkley, Richard Barnard, J. W. Gilliland, A. M. Jones, W. S. Kerr, J. W. Kirby, Ansel McDowell, Carl Perrin, J. P. Slaton, J. W. Spradley and Ronald Babione.

DIRECTING REGIONAL Band during a concert held Saturday night in the Hereford High School Auditorium is Dean Killion, Texas Technological College Band Director, who led the Class A, B, and junior high Region XI Band. Members of the band were selected during try-outs and rehearsals held here last week. Other bands appearing in Saturday's concert were the AA-AAA Regional Band, and the AAAA Band. (Staff Photo)

Christmas Dinner In Flame Room

A Christmas dinner for the members and their husbands of the Hereford Study Club was held on Thursday, Dec. 6, in the Flame Room of the Pioneer Natural Gas Company.

Turkey and ham with all the trimmings was served from a table decorated with the holiday decor. Gifts were exchanged and dummy bridge was played after the dinner.

Hostesses for the dinner were: Mesdames Richard Winget, Dick Gholson, Walter Hodges Jr. and George Springer.

Those attending the party

YEARBOOK STAFF MEMBER

Van Smith, son of Mr. and Mrs. Joe H. Smith, 216 Ave. B, has been named as a member of the editorial staff of the yearbook for Shattuck School, Faribault, Minn. Announcement of the appointment was made by faculty advisor Frank H. Below Jr.

were: Messers and Mesdames T. E. Braddy, S. L. Garrison, Walter Hodges Jr., Merlin Kall, Marvin Knox, Garland Solomon, George Springer, Art Stoy, Maurice Tannahill, L. E. Taylor, Ed Wilson Jr., J. W. Witherspoon, Richard Winget, Dick Gholson, R. P. Conaway, Baxter London and Miss Gladys Setliff.

Club Initiates Barbara Pulliam As New Member

Barbara Ann Pulliam, daughter of Mr. and Mrs. Denzil Pulliam, was recently initiated into LOA, a women's social club at Lubbock Christian College.

Organized in 1959, when the junior college was in its third year of operation, the club participates in inter - campus sports events, competes for the highest cumulative grade average of the 11 social clubs at LCC, and holds special events such as banquets and picnics.

Miss Pulliam, a May graduate of Hereford High School, is a freshman business major at LCC.

Couple Attends Anniversary Tea

Mr. and Mrs. W. O. Timms of Hereford attended the seventieth wedding anniversary celebration of Timms' father and mother, Mr. and Mrs. G. W. Timms of Winters, Tex.

More than 80 relatives and close friends attended the afternoon tea for the couple, which

CARD OF THANKS

Our heartfelt thanks go out to the staff of Deaf Smith County Hospital, Dr. Hicks and Dr. Wills for their untiring efforts

was held in the Winters City Hall on Nov. 11.

Mr. and Mrs. Timms are the parents of nine children, including Mr. and Mrs. Timms of Hereford. Children of the couple were hosts for the reception.

during the illness and death of our husband and father. We also wish to express our appreciation to all those who brought food, sent flowers and offered their sympathy in our time of sorrow.

Mrs. C. D. Caison Sr. Claude and Annie Caison Lorena and Don Manzer Leona and Bill Stensel G. D. and Jean Caison Jr. Helen and Wayland Smith

Bright note.. Plastic coat

NEW FROM Cloverlake DAIRY

THE shape's the same, the product, too. But Cloverlake Dairy Foods has Something brand new! Yes, now Cloverlake has the plastic-coated Pure-Pak cartons — your assurance you're getting the best milk container on the market today. Look for the gleaming appearance of this new carton that doubly protects the dairy farm fresh flavor of Cloverlake Dairy Foods.

It Pours Like a Pitcher!

1. It pours like a pitcher . . . ends messy spills, time - consuming mop - ups. So safe, you can drink right from the handy spout.

2. The gable top sheds impurities just like a gabled roof sheds rain . . . completely conceals a tamper-proof pouring spout.

3. It can't break or shatter . . . extra safe for your children's sake. And, you use it once and toss it away.

LET YOUR GROCER BE YOUR MILKMAN FOR CLOVERLAKE DAIRY FOODS
