CLEAN UP WEEK PLANS BEING PERFECTED TODAY

Mayor Divides Town Into Sections and Appoints Committees to Make Inspections

The clean up plans for Floydada in the State Clean Up Week Campaign set to begin next Monday, 14th, by Governor Pat M. Neff, are being perfected this afternoon in a meeting called by Mayor R. E. Fry at the City Office, and the chances for the clean up are expected to take on a big impetus as a result of this conference.

The town has been divided into sections and a committee appointed to make inspections in the southeast, southwest, northwest and northeast portions of the city. These committees who are in conference with Mr. Fry are:

Committee for the southeast quarter: Mrs. G. V. Smith, Mrs. I. C. Sur-giner, F. C. Harmon and E. P. Nelson. Committee for the southwest quarter: Mrs. J. B. Jenkins, Mrs. E. C. Nelson, S. W. Ross, Rev. C. B. Meador. Committee for the northwest quarter: Mrs. E. C. Henry, Mrs. A. P. McKinnon, J. U. Borum, Homer Steen. Committee for the northeast quarter: Mrs. M. F. Huskey, Mrs. F. S. Kinnard, A. C. Goen, Will Gaither.

"I am going to ask these committees to make an early week inspection of every street and alley in their respective divisions," Mr. Fry said yesterday in discussing plans for the clean up campaign. "Their first inspection will be made for the purpose of calling attention to any situations that ought to be remedied and the second inspection we have asked them to make comes the latter part of the week, when they will see if their suggestions have been followed. Every movement must have a leader, and these leaders are named so as to get personal inspection and co-operation from every portion of Floydada. A complete report will be in the hands of the city following their tours, and city officials will be in possession of all facts as regards the unclean spots on the city's map. One thing toward which we desire to draw especial attention is the presence of feed stacks in alleys. Where feed is stacked in alleys it can blow over two or three blocks and offset any efforts people in these blocks make to keep property from appearing ragged.

"The city this week has an increased sanitary force and will more than double the force all of next week beginning Tuesday. We ask citizens to stack cans, and other rubbish which cannot be burned, in the alleys preferably in sacks or boxes. Burn all rubbish that can be burned. All of these things will have to be done if we expect to get a good rating from the State Board of Health, and all of them will have to be done to have the clean, healthy city so much desired by all."

J. H. MCCAULEY OF SLATON, NEW BAPTIST MISSIONARY

At the annual meeting of the Floyd County association last Monday, Rev. J. H. McCauley of Slaton, was elected associational Missionary for the Baptist Church. He begins his work immediately.

NEW TIME EFFECTIVE IN PANHANDLE AT ONCE

The bill of Congressman Jones which passed congress and was signed by the president a few minutes before the adjournment of that body, and which gives the panhandle "Texas" time, is effective at once and railroads operating in this territory are preparing to issue new time tables to meet the changes as soon as possible. The effect of the change will be to run time up an hour in this territory.

The spelling in both divisions will be written this year. Therefore, this contest cannot be open to the general public as heretofore.

It is urgently requested that each teacher report to the directors in charge the number of contestants he or she expects to enter.

In the track and field events each school may enter as many as three contestants in each event but the same individual cannot enter more than three of the races, and not more than five track and field events in all.

SMALL POX EPIDEMIC AT LAKEVIEW PRACTICALLY OVER

An epidemic of small pox in Lakeview community, which broke out some weeks ago is practically at an end. As soon as the malady was discovered the school was closed and other measures taken to prevent further spread.

School work was resumed two weeks ago, and only a few cases are yet under quarantine, according to County Health Officer V. Andrews.

DAY & NIGHT GARAGE CHANGES MANAGEMENT

Saturday Lee Faulkner and Jim Hughes completed a deal whereby the former becomes owner of the Day & Night Garage and obtains a term lease on the building.

Mr. Faulkner is retaining the same workmen, the only change being in the management.

Mr. Hughes has not made public his plans.

DISTRICT INTERSCHOLASTIC MEET DATES APRIL 22-23

The District Interscholastic League meet dates have been set for April 22nd and 23rd, at Lubbock.

Winners of the various events in the county contest here March 18th and 19th will represent Floyd County on that date.

E. C. NELSON NEW PRESIDENT, FIRST NATIONAL BANK

E. C. Nelson was elected president of the First National Bank of Floydada at a meeting of the board of directors on Tuesday night of this week, succeeding F. M. Butler resigned, and Mrs. Jno. N. Farris in the change becomes a vice president of the bank. Truett Butler was added to the official personnel of the bank as a bookkeeper.

Mr. Butler, who resigned after a short period as president, will become vice president of the First National Bank at Plainview on March 15th, and will move to that place with his family at an early date. He will be active in the management of that institution.

Mr. Nelson's election to the presidency of the First National here comes after a period of service with the bank of some ten years, his first position with the bank being as cashier.

WHO MAY VOTE IN SCHOOL BOND ELECTION SATURDAY

According to authorities, legal voters in Saturday's School Bond Election will be those who owned property as of date the first day of January this year and are subject to taxation within the district whether their names appear on the tax list or not. The person must also have residence and poll tax qualifications.

If a person who asks to vote is only a poll tax payer and does not have property subject to taxation in the school district, they will not be entitled to vote, it is stated.

BAKER HAS LOW PER CENTAGE OF UNDERWEIGHT CHILDREN

Miss Katharine Mitchell, Nutrition Worker with the Floyd County Chapter, Red Cross, in the continuation of her work of weighing and measuring school children of Floyd County, has visited Baker, Fairview, Center and Sand Hill schools the past few days.

At Baker Miss Mitchell found the lowest per centage of underweight children of any school yet visited. Figures for that school are: Number of children weighed, 36. Number underweight 18 or 50 per cent; number 1 to 4 per cent underweight 7 or 19 per cent; number 5 to 8 per cent underweight 8 or 22 per cent; number 9 to 10 per cent underweight 3 or 10 per cent.

Fairview: Number of children weighed 50; number underweight 31 or 62 per cent; 1 to 4 per cent underweight 14 or 28 per cent; 5 to 8 per cent underweight 10 or 20 per cent; 9 to 10 per cent underweight 7 or 14 per cent.

Center: Number weighed, 53; number underweight 29 or 54 per cent; number 1 to 4 per cent underweight 13 or 24 per cent; number 5 to 8 per cent underweight 8 or 15 per cent; 9 to 10 per cent underweight 8 or 15 per cent.

Sand Hill has the lowest per centage of children who are underweight, but of those who are underweight a large proportion are seriously underweight. Number of children weighed: 77; number underweight 30 or 39 per cent; number 1 to 4 per cent underweight 12 or 15 per cent; number 5 to 8 per cent underweight 6 or 9 per cent; 9 to 10 per cent or more underweight 12 or 15 per cent.

Following the weighing and measuring of the children a medical examination will be given those who have been found to be seriously underweight in an effort to determine the cause. This will be volunteer work by the physicians of Floydada. Dr. Lon Smith has begun the work by examining the children in Floydada city schools and at Lakeview and Baker. Following the medical examination a report is sent to the parents of guardians by mail.

FOOD SELECTION CLASS TO BE STARTED MONDAY

Miss Katharine Mitchell, Nutrition Worker of the Floyd County Chapter Red Cross, will be at her office in the courthouse every Saturday where parents may visit her for suggestions on proper nourishment of children or for weighing and measuring children.

A dietetics class will be begun in Floydada Monday evening at a meeting at the county court room if sufficient interest is shown, Miss Mitchell said. The first meeting will be for the purpose of determining the best time to hold the classes. The classes will deal principally with foods for the proper nourishment of children.

LUBBOCK HOLD-UP MEN GET LONG SENTENCES

E. C. Connally and Hulitt Connally, and Jess Bond, of Lubbock, were found guilty of the murder of J. Edgar Craft at Lubbock last Sunday morning in one of the quickest trials ever known in this section. Craft was killed on February 25th while on duty as an operator at the Santa Fe station at Lubbock and the two Connally brothers and Bond were arrested the same day and made confessions which they later confirmed at the trial.

The Connally brothers were each given 99 years while Bond was given 50. The jury rendered its verdict to the court behind closed doors. Ed Connally was held as being the master mind in the hold up.

The jury were given the case at 11:30 Saturday night and rendered their verdict Sunday morning at 9 The defendants had been in jail at Amarillo for safe-keeping, feeling having run very high at Lubbock immediately following the killing.

PANHANDLE STEERS TOP KANSAS CITY MARKET

L. H. Lewis and son of Floydada, Floyd County, Texas, set a new high mark today when the Lee Live Stock Commission Co. sold 96 head of short fed steers averaging 746 pounds at \$9.00 per hundred for them. This was not only the top, but the highest price paid for any kind of cattle of this light weight from anywhere at any time since last November. This is Mr. Lewis' first shipment to the Kansas City market and he was very enthusiastic over the way his cattle were sold, and rushed into the Lee offices, to wire the good news to his friends at home at the First State Bank. Mr. Lewis spent a week with relatives in Missouri before returning home.

C. OF C. GIVES FIGURES ON SCHOOL BOND COSTS

An appeal to the voters of Floydada Independent School District to support the bond issue in the election called for Saturday of this week, is contained in a letter sent out by a committee from the Floydada Chamber of Commerce Monday. In this letter figures are given as to the taxation costs of the proposed bonds.

"The election is called for \$90,000 worth of 40 year bonds bearing 5 per cent interest," the statement says. "This bond issue will require \$6,750 to take care of the interest and sinking fund the first year. To take care of this interest and sinking fund together with maintenance of the school will take 66 7-8c \$100 valuation on the present valuation of your property as assessed by the Independent School District."

"Many people are under the impression that the bonds will increase taxes tremendously," the committee says in their letter and presents the following figures as a correct comparative statement of taxation last year and this if the bonds are voted:

We pay now per \$100 valuation.... 50c
We will pay if the bonds are voted.....66 7-8c

Increase in taxes per \$100.....16 7-8c

N. W. McCleskey, L. C. McDonald and Homer Steen composed the committee from the C. of C., which sent out the letter. McCleskey and McDonald are heavy taxpayers in the district.

MRS. C. P. HUCKABAY BURIED HERE WED. AFTERNOON

Mrs. C. P. Huckabay, for a number of years a resident of Floydada and Floyd County, but for the past 18 months a resident of Albuquerque, N. Mexico, died at that place last Sunday morning after an illness of some two years from tuberculosis.

The remains were shipped back to Floydada for burial, reaching here Tuesday afternoon accompanied by Mr. Huckabay, and the funeral services held yesterday afternoon at three o'clock at the First Baptist Church. Rev. G. I. Britain and Rev. G. W. Tubbs conducted the funeral. The burial followed immediately in Floydada Cemetery.

Mrs. Huckabay is survived by her husband, C. P. Huckabay, and by her parents, who reside in New Mexico. She was a daughter-in-law of Mr. and Mrs. J. A. Huckabay, for many years residents of this city.

N. S. HARTIN'S MOTHER DEAD

N. S. Hartin left Tuesday afternoon for Fort Chadbourne, Texas, upon receipt of the news that his mother had died at that place.

FLOYDADA SCHOOLS MAKING PREPARATIONS FOR FAIR

Preparatory for the Interscholastic League Meet and Floyd County School Fair to be held in Floydada on March 18th and 19th, Floydada High School and the North Side School will have their elimination contests tomorrow evening in the declamation divisions. At this contest entries will be determined for junior and senior boys and junior and senior girls from both schools.

The contest will be held at the High School Auditorium and will be open to the public.

Chauncey Garrison and Roy Lee Haynes have been chosen as debating representatives for F. H. S. in the debating division for High School. Elmer Burns and Fay Guthrie will represent Lockney in the county contest at the School Fair. The Lockney boys chose the affirmative of the question, "Resolved, that the movement for an Open Shop in Texas subverses the best interests of the state and should be supported by Public opinion," and the F. H. S. team will defend the negative.

Myrtle Muncy and Ona Bagwell will represent the school in the girls' debating contests.

ABERNATHY MILL GETTING LONG DISTANCE TRADE

The mill of the Floydada Mill & Elevator is doing a big business now, according to J. A. Abernathy, owner and manager.

A large mill-door business is being handled, and flour is being sold at retail for distances of 25 and 30 miles. Carload orders are also being booked with the result that Floydada-made flour is being used over an increasingly large territory.

DISTRICT COURT CRIMINAL DOCKET SET FOR MONDAY

The criminal docket in district court is set to be heard beginning Monday of next week, and besides the regular jury a special venire of 60 men has been summoned to be here for jury service on that day.

In the case of the Lockney State Bank vs J. L. Scott, heard Monday, judgment was given for the plaintiff.

Tuesday the court appointed Lee Montague, E. C. Nelson and J. B. Jenkins appraisement commissioners to appraise the property belonging to the estate of M. F. Merrell, deceased, approximately \$150,000 in value. This commission is to make their report to the court at an early date. They will work with county surveyor G. A. Linder in an effort to determine how, if by any means, a partition of the estate can be equitably made between the parties to the suit of Mrs. Pearl Martin and others vs Mrs. M. F. Merrell and others.

No bills of indictment had been returned by the grand jury to Wednesday afternoon.

Petit jurymen for the week beginning Monday, March 21st, are: J. C. Bolding, Harry Christian, C. B. Sims, T. J. Campbell, S. H. Rogers, Ed Kelley, H. M. McDonald, L. B. Fawver, C. C. Krause, J. R. Terry, Ira Broyles, W. M. Collins, E. C. Cox, D. F. Payne, A. T. Swepston, I. S. Webb, A. C. Hanna, T. B. Price, R. F. Hall, W. L. Jackson, W. O. Shurbet, G. R. May, L. A. Cooper, J. B. Houston, J. M. Wright, W. T. Stiles, C. E. Neil, D. W. Bybee, R. C. Smith, N. E. Baker, J. H. Newberry, S. H. Horn, H. D. Bloodworth, Virgil Teaver, Jerome Watson.

LOCAL PRESBYTERIANS AT-TEND PRESBYTERY AT RALLS

Judge and Mrs. F. P. Henry, Messrs. and Mesdames J. L. and E. C. King and Miss Julia Adams were among those of the Cumberland Presbyterian church who attended the annual meeting of the Presbytery of the Amarillo Conference at Ralls last Friday and Saturday.

FARM BANKS MAY LOAN MONEY AGAIN IN 30 DAYS

Federal Farm Loan Banks, which for more than a year have been holding up all applications for loans pending a decision of the Supreme Court as to the constitutionality of the act of Congress which created them, may be loaning money again within the next thirty days, according to reports which are getting publicity in the dailies.

The Land Bank at Houston, which handles loans in Texas has several thousand dollars in applications from the Floydada Farm Loan Association.

6 PER CENT DEDUCTION FOR GOOD FIRE RECORD

Change in Key Rate Charge Gives Floydada Better Fire Rate Than In 1920

Floydada had some fairly heavy losses from fire during the year of 1920 and accordingly the deduction allowable on the total premium on fire insurance policies has been reduced by State Fire Insurance Commission from 15 per cent allowed last year to 6 per cent which will be allowed this year. This reduction on account of good fire record has nothing to do with the key rate of the town, but is given on the total premium.

This increase in the fire rate this year on account of higher losses sustained last year, is offset however, by a change in the key rate charge which will make insurance in Floydada cost less money than last year. By a ruling of the Fire Insurance Commission the key rate charge all over the state has been reduced by 15 per cent. This applies to farm risks as well as to town property. This reduction more than offsets the first increase here.

Credit for the good fire record is gotten through local insurance agents, whose records are taken as a basis from which to figure. Mayor R. E. Fry was notified of the change from 15 per cent total premium credit to 6 per cent on Monday night.

The change was effective as of date March 1st, and will be good until March 1st of next year, when a new rating will be given the town based on this year's fire record.

LIGHTS AND STAGE CURTAIN FOR PETERSBURG SCHOOL

John Allen, Sr., of Petersburg, was here Saturday soliciting advertising for a new stage curtain to be installed in the Petersburg School auditorium.

Proceeds from the sale of the advertising will be used to pay for the new curtain and for the installation of an up-to-date lighting system for the school.

STATE AID RECEIVED BY FLOYD COUNTY DISTRICTS

17 common school districts and Lockney Independent School District received aid last week from the State Four Million Dollar Appropriation, as awarded by the inspector some weeks ago.

The total received by the common school districts was \$8,922.50, Lockney Independent School District getting \$800.

PLAY, "BOX OF MONKEYS" PRESENTED BY W. B. JUNIORS

Members of the Junior class at Wayland Baptist College of Plainview presented a school talent play at the high school auditorium here last Friday evening. The play was a comedy, "A Box of Monkeys" and was well presented.

The play was also taken to Matador on Saturday night.

FEED AND BARN DESTROYED BY FIRE FRIDAY AFTERNOON

Lee Stovall's barn in the southeast part of Floydada was completely destroyed by fire Friday afternoon together with its contents, consisting of several hundred bushels of oats, barley and milo.

The loss will run around a thousand dollars.

STANLEY-DICKEY

J. E. Dickey and Miss Winnie May Stanley were married last Sunday morning at the home of Mr. and Mrs. Wister Ross, Rev. C. B. Meador officiating.

They left immediately for Amarillo where they will visit for a short time.

The bride is a daughter of Mr. and Mrs. N. B. Stanley and for the past eighteen months, saleslady at the Martin Dry Goods Co.

Mr. Dickey has resided in Floydada for the past two years. He is a son of Mr. and Mrs. J. C. Dickey.

They will make their home temporarily in Floydada.

RAT KILLING CAMPAIGN STARTED AT LOCKNEY

A rat killing campaign, with prizes offered for the largest number of rat tails turned in to a committee at a designated date, has been inaugurated at Lockney.

Prizes will be given at regular dates and at the close of a six-month campaign a grand prize of \$50 will be given.

DISTRICT BASKETBALL CHAMPIONSHIPS DETERMINED

State Championship Game Will Be Played for First Time in Interscholastic League

Austin, Texas, March 5.—Nine of the sixteen teams which will compete for state high-school championship in basket ball in the tournament to be held in Austin March 11 and 12, under the direction of the University of Texas Interscholastic League, have been determined. They are: Eagle Pass, Celina, Stonewall (Mt. Pleasant), Shiner, Carbon, Houston (Central High), Gatesville, El Paso, and Ozona. These schools were winners in their several districts, and then victorious in the bi-district games matched for the purpose of elimination to sixteen teams.

Other bi-district games to be played before the beginning of the tournament are: Seymour vs. Archer City; Higgins vs. Lubbock; Beaumont vs. Kirbyville; Kingsville vs. Edinburg; San Antonio (Brackenridge High) vs. Hutto; and Nacogdoches vs. Groveton. The winners of these seven games will be eligible to enter the tournament in Austin, completing the total of sixteen teams to enter.

The Interscholastic League is undertaking to rebate fifty per cent of the railroad fare of the teams, and to lodge the teams free while in Austin. Each team is allowed eight men, including the coach, so that 128 individuals will be brought to Austin for the tournament.

This represents the first attempt to determine high-school championship in basket ball, and great interest has been aroused over the state.

The great distances in Texas have rendered such a tournament impracticable until the scheme of district contests and bi-district elimination was evolved. However, it is hoped that the tournament may now be held annually.

TWO TAKE EXAMINATION FOR TEACHERS' CERTIFICATES

YOU certainly want to save money, and you would like to have better bakings. Then use Calumet. It's the biggest thing you can do to improve the quality of your bakings—and lower baking costs.

Calumet is made in the largest, most sanitary Baking Powder Factories in the World. No Baking Powder is made under better conditions—none can be better in quality.

It contains only such ingredients as have been officially endorsed by the U. S. Pure Food Authorities. An absolute guarantee that it is pure.

RAISES THE QUALITY—LOWERS THE COST
OF ALL BAKINGS

It received highest Awards, World's Pure Food Exposition, Chicago—Paris Exposition, Paris, France—positive proof of its superior merit.

It is used by more housewives, domestic scientists and chefs than any other brand. That would not be the case, if it were possible to secure a higher quality leavener. It is sold at a moderate price. All you have to do is to compare costs to determine how much you can save by buying Calumet.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Cream
Cake
Recipe
—3 cups pastry
flour, 3 level tea-
spoons Calumet
Baking Powder, 1/2
cup butter, 1/2 cup
granulated sugar,
Yolks of 3 eggs, 1
cup cold water,
Whites of 3 eggs, 1
teaspoon orange
extract. Then mix
in the regular way.

HOME INDUSTRY

The World Admits that the Farmer is Not

Getting Enough for His Wheat Now.

There is very little expense between this low-priced wheat and you when you buy Flavo Flour,—No freight or unnecessary middleman's profits—just a low price for good milling.

About January 1, 1921, I made two grand improvements in my mill and we have three grades of Flavo, ONE AT \$4.00 PER 100 LBS., to compete with the cheap flour shipped in; ONE AT \$5.00 PER 100 LBS., to compete with the High Patent Flour Shipped in, and ONE AT \$5.50 PER 100 LBS., that we guarantee to take the premium over any flour shipped to our market.

All we ask to convince you is to take one sack on trial. Come to the mill. We will be glad to see you.

PRESBYTERIAN CHURCH

We expect to start a revival at the Cumberland Presbyterian Church March 20, 1921. The pastor will be assisted by Rev. S. A. Berrie of Ralls, Texas. All Christian people are invited to work and pray for this meeting. The unsaved will find a hearty welcome. We expect to have or hold a real old fashioned Cumberland Presbyterian Revival where the Lord is felt in every service. The pastor will be out of town from the 14th to 19th of March assisting Rev. S. A. Barrie in a meeting at Ralls, Texas.

I earnestly call especially all members of my church to prayer.

O. N. BAUCUM, Pastor.

W. A. (ARTHUR) SAVAGE

CANDIDATE FOR MARSHAL

W. A. (Arthur) Savage is a candidate for City Marshal of Floydada and his candidacy will be subject to the city election vote on the 5th of April.

Mr. Savage has been a resident of Floydada the past six years, except for two years spent in the 36th Division of the A. E. F., in training camps and in France, and is well-known to the voters of the city.

Should he be elected he will give the office his best efforts.

LAKEVIEW ITEMS

OF BOND ELECTION

It is hereby given that an election will be held at the court house in the town of Floydada within the Floydada Independent School District, on the 12th day of March, 1921, to determine whether the bonds of said district shall be issued to the amount of \$90,000.00 payable forty years from their date with option of redemption at any time after twenty years and bearing interest at the rate of five per cent per annum, payable annually, for the purpose of constructing and equipping a public free school building of brick and cement material and purchasing a site therefor within said district, and whether there shall be levied annually, assessed and collected on all the taxable property in said district, for the current year and annually thereafter while said bonds or any of them, are outstanding, a tax sufficient to pay the current interest on said bonds and provide a sinking fund sufficient to pay the principal at maturity.

N. W. McCleskey has been appointed manager of said election, which shall be held as nearly as may be possible in conformity with the general election laws of the State.

No person shall vote at said election unless he be a qualified voter under the Constitution and laws of this State, and a tax payer in said

Floydada Independent School District. Those in favor of the issuance of the bonds, and the levying of the tax shall write or print on their ballots "For the bonds and the tax;" and those against the issuance of the bonds and the levying of the tax shall write or print on their ballots "Against the bonds and the tax."

Said election was ordered by the board of trustees of said Floydada Independent School District by order passed on the 10th day of February 1921, and this notice is issued pursuant to said orders.

Dated this 10th day of February, 1921.

E. C. NELSON,
President of Board of Trustees of said District.
(Seal of District)
Attest: L. C. McDONALD,
Secretary of Board of Trustees of said District. 51-3tc.

ELECTION NOTICE

In accordance with the General Laws of the State of Texas, and an order of the City Council of Floydada issued this first day of March, A. D. 1921.

Notice is hereby given that an election will be held at the City Hall in the Town of Floydada, in the County of Floyd and State of Texas on April 5th, A. D. 1921, for the purpose of electing a Mayor, a Tax Collector and Assessor, a Marshall and five Aldermen in and for the Town of Floydada, Texas, to serve for a term of two years or until their successors are duly elected and qualified.

A. C. Goen is hereby appointed to hold said election, and he shall select two judges and two clerks to assist

him in holding said election, and he shall, within five days after said election has been held, make due returns to the City Council of the Town of Floydada as is required by law.

This notice is hereby ordered posted on the front of the Postoffice of the town of Floydada, Texas, and on the front of the city Hall of the Town of Floydada, Texas, and at the Court House of the County of Floyd, State of Texas, and it is ordered printed in the Floyd County Hesperian, a newspaper published weekly in the Town of Floydada, Texas, for the next four issues of said newspaper.

Given under my hand and seal this first day of March, A. D. 1921.
(Seal) R. E. FRY,
Mayor of the Town of Floydada, Tex.
ATTEST: Maury Hopkins,
Secretary of Town of Floydada, Tex. 5274tc.

COMMON AND COUNTY TRUSTEES ELECTIONS COME IN APRIL

On the first Saturday in April all common school districts in the county are to elect one or more trustees, according to the expiration dates for the respective hold-overs from last year.

On the same date Commissioners Precinct No. 1 and No. 2 are each to select a county school trustee, the county-at-large trustee and trustees from Commissioners Precincts 3 and 4 being hold-overs.

W. C. Hanna is the present incumbent of the trustees office in No. 1 and R. E. L. Muncy No. 2.

RODENTS FLEE WHEN SINGED RAT GETS AMONG 'EM

A story is going the rounds of a Vernon miller who belled a rat and turned him loose in his mill, when the rodents fearful of the belled member of the tribe vacated the building on short notice and have not since returned.

A story of similar nature comes from the southwest part of this county. A. V. Harris recently set a steel trap over a hole under a shed against which he had piled his coal. Rats had made a regular burrow of the entire structure. Catching a large rat in the trap he singed the rat's hair and turned him loose back in the den. The rats have since vacated the immediately surrounding premises apparently for good.

The scent of the singed hair is supposed to be the cause in this instance.

DEMAND FOR HEADS EXCEEDS THRESHED MAIZE DEMAND

The down-state demand for feed-stuffs from the plains of Texas is this year making itself felt more in the headed division than in threshed grain local dealers say.

Down state farmers who depend largely on West Texas feed for their work stock during the cultivating season are getting some mighty good feed at a very low figure this year, too. \$12 and \$13 have been top prices even where farmers bought and sold collectively through the instrumentality of county agents.

FEDERAL LAND BANK ACT HELD CONSTITUTIONAL

Washington, Feb. 28.—The Federal farm loan act was held constitutional today by the Supreme Court. This is the act under which land banks were established to extend loans to farmers.

Millions of dollars in loans to farmers have been held up pending a decision of the court in this case, which was brought by Charles W. Smith, a stockholder in the Kansas City Title and Trust Company, who sought an injunction to restrain that institution from investing its funds in bonds issued by the farm loan banks.

The act was attacked on the ground that Congress was without constitutional authority to establish farm loan banks and to exempt their bonds from taxation. Justice Day, who rendered the opinion for the court, said the power of Congress to establish banks had in a broad sense been upheld by the Supreme Court in the days of Chief Justice Marshall.

The court, in sustaining Federal Court decrees dismissing injunction proceedings brought by Mr. Smith also held that Congress had the authority to exempt the bonds of the bank from taxation.

In anticipation of the decision of the court in this case, the House on Saturday postponed until tomorrow a vote on a section of the sundry civil bill authorizing the Treasury to purchase \$200,000,000 worth of farm loan bonds. The Supreme Court's decision will permit the banks to go ahead with the sale of their bonds on the market and some congressional leaders do not regard it as necessary to make the proposed \$200,000,000 appropriation.

On March 1, 1920, the Farm Loan Board reported that \$182,896,000 had been advanced to 75,384 farmers and that applications from 179,734 persons then pending totaled \$471,000,000.

HOCKLEY CITY COUNTY SITE OF HOCKLEY COUNTY

In the recent election for the county site and officers of Hockley County, the cowboys and citizens of the north part of the county won out and the county site will be located in the center of the county and will be known as Hockley City. Ropesville, which also contended for the county capital, lost not only the county site, but all the officers, except the county judge. The citizens of Ropesville were awfully surprised and badly disappointed in their failure to win the election. They will begin the new town at once by erecting a temporary courthouse. Hockley corners with Lynn County on the northwest.—Lynn County News.

TACKY PARTY

The Sunday School Class of Mrs. Jno. W. Smith enjoyed a "tacky" party given at her home five miles south of town, last Friday evening.

The young folks met at the Methodist church, going in large trucks from there to the home of the hostess.

The entertainment for the evening harmonized with the costumes of the guests, various "tacky" games being played, and a sack of stick candy served each guest as refreshments.

Winners of prizes as the tackiest guests present were Miss Daltis Rea and Luther Fry.

Fordson

TRADE MARK

HITHERTO the farmer has woven the power of his own muscles with those of the ox, the mule, and the horse, in the development of agriculture. Practical machinery for farming has come to him slowly. Where the value of machinery in labor saving, in profit-making, in usefulness, in comforts, in luxuries, has in the past been largely confined to the towns and the cities, it is now open to the farmer who is beyond all question the very bone and sinew of civilization. Civilization grows upon the land, therefore the land is Father and Mother and Sustainer to the human race, and those who till the soil, who plow, sow and reap, are surely the essentials in human existence. Therefore Machine Power on the Farm is of the utmost importance and the Fordson Tractor comes to the farmer as the best, we believe, piece of machinery that has yet been devised for his use.

We want you to read the book "The Fordson at Work." It is free for the asking. Call in and get one. Drop us a card and we will mail you one without charge. This booklet is along the line of the usual Ford way of giving the testimony of the users, those who have tried out and who know the real value of the Fordson Tractor. This book shows the Fordson at work in some ninety different lines of activity and to the farmer it presents the most valuable evidence of an all-around serviceable, economical, labor-saving, and money-saving machine that has ever been placed upon the market. We can only get so many each month, so leave your order now.

TEN HEALTH COMMANDMENTS

Dr. Manton M. Carrick, State Health Officer, has devised a modern "Ten Commandments" for Health Week. They are as follows:

1. Remember the garbage can to keep it covered; every day shalt thou fill it and then shall the scavenger empty it, lest thy garbage become a stench in the nostrils of thy neighbor.
2. Thou shalt cut the weeds on thy vacant lot lest it become a hiding place for old tin cans, papers and divers sorts of trash.
3. Thou shalt plant many trees, for the sun will smite thee if thou sittest not in the shade; thou shalt also plant flowers and shrubs that thy habitation may be lovely in the eyes of men.
4. Thou shalt clean out the habitation of thy horse and thy cow frequently, lest the stable fly flourish and spread infantile paralysis and other death dealing diseases.
5. Thou shalt starve the fly in the spring, that thy children unto the third and fourth generation shall not smite him later.
6. Thou shalt build a sidewalk upon the ground before thy house that thy man servant, the stranger and the book agent bog not in the mud thereof.
7. Thou shalt not harm thy neighbor's garden, thou, nor thy dog, nor thy cat, nor thy hen that is without thy gate.
8. Look thou not upon the milk when it cometh from an unclean dairy, for the doctor will not hold thee guiltless if thy infant sicketh therefrom.
9. Verily, verily, thou shalt clean thy house thoroughly, wisely and often that germ-breeding dust shall not accumulate to afflict thee and thy husband and thy child and the stranger that liveth in the next block.
10. Verily thou shalt vote for men who have the health of thy city at heart and who will pass laws amply providing for thy city's sanitation, to ensure thy health and thy children's health and the health of the stranger thou knowest not; for verily if the stranger within thy city's boundaries is afflicted with grievous disease because of thy carelessness, the flies and other vermin will visit thee and his affliction shall become thy children's and thine own. But if thou wilt do thy duty and clean thy premises and compel thy neighbor to clean his premises, then shalt thou live long and happily in thy city and thy children with thee.

Tobe Picklesimer and family had as guests last Friday and Saturday, his sister, Mrs. Nora Osborn, of La Grange, Ill., his nephew, Hubert Osborn and family of Breckenridge, and Mrs. Mollie Gamble, of Port Arthur, Texas, a friend of the family for many years. The visitors also spent sometime at Abernathy visiting relatives while in this section.

ELECTRICITY FOR THE FARMER

What is a farmer's time worth? What is he worth an hour? Does he charge his business—the business of farming—with the value of the time he gives to it? And does he know how much time he is giving to execute work and productive labor and how much to non-productive labor? The farmer who is not giving these things a little thought is not in the front rank of those who are making of farming what it really should be,—a business on a business basis.

The average gross income from a farm of one hundred and fifty acres will be something over \$3,000, and to produce that income between 7,000 and 8,000 hours of productive labor are required. This makes the average productive labor hour worth about 40 cents.

To make every one of these 40 cents hours productive of its share of profit, it is necessary to reduce non-productive labor to the minimum, and in farming as in manufacturing it has been found that the best way to do this is to use labor-saving machinery. The small electric light and power plants now in use on so many farms accomplish a lot of this labor saving. Instead of spending hours pumping and carrying water for stock and for all household purposes the modern farm-family has an electric pumping system installed, which keeps water at a pressure of fifty pounds wherever it is needed in the house or barns. Grindstones, fanning mills and many other light power appliances in the barn which used to require the time of two men are now turned by electricity. In the house the pumping, churning, separating, sweeping, washing and ironing are all done by electricity, relieving the farmer's wife of a great part of the burdens which have made her life a hard one. And of course electric light itself makes the farm home a bright and cheerful place to live.

Where electricity serves the farm family we find the best of living conditions, and we find too that every member of that family makes each hour of labor pay a profit.
