Worth

People in colder climates have to fight slick roads, piled up snow, and bitter temperatures.

Around in this neck of the woods (or fields) we deal with mud.

After the hard freeze that softened the ground, and inches and inches of rain, our mudtime is about as deep, muddy and disgusting as it ever gets.

People get all dressed up, only to be confronted by a sea of slime covering a parking lot. If they make it to their function or destination without muddy shoes, pants legs or hose, it's a major triumph.

Kids have cabin fever, because its to wet for them to run outside and work off all that energy.

Mom, of course, has cabin fever ten times worse because of trying to put up with the little monsters!

The mud comes in a variety of colors...a palette of brownish-black, blackish-brown, sandy tan, reddish-sand, and all shades in between.

It roosts under fenders and bumpers, turning loose on garage floors with a "plop" of distinction.

It tracks in on boots, shoes and tennis shoes.

Mud has something of its own sentence, too. No matter how hard one wipes at the door mat, a chunk of goopy, clinging mud will manage to hide. Then, in the middle of the lightest colored carpet in the house, it turns loose to make a footprint and half a dozen big stains across aforementioned carpet!

Car washes are a waste of money...a vehicle newly washed is indistinguishable from one not washed for a month after two or three blocks.

Those with livestock to feed hang mud-stiffened coveralls on hooks, park boots swollen to double normal size at backdoors and pray that smaller stock won't end up bogged down in mud that reaches their bellies.

Oh, yes, folks with snow and ice think it's easy around here.

They think that mud is no big deal.

That, my friends, is only because they haven't ever had to live with it day by day, week by week, month by month.

And, on that cheerful note-go watch a weather report!

Looks as if our earthy soup is with us for quite a while!

Rivercrest FFA Students Learn Lifetime Skills

Across the nation, throughout the state, and at Rivercrest FFA, National FFA Week has been in effect this week.

Rivercrest FFA chapter has 84 members, with 90 involved in agriculture.

Over the past few years, there have been some major changes in the FFA program, nationwide and locally.

In the past, students took Ag 1, 2, 3 or 4. During those semesters, a general course was studied, including plants, cattle, shop and related studies.

Now, the courses offered are much more specialized. There will be about 25 different courses available, although Rivercrest will not offer all 25.

Specialty courses in plants, cattle, mechanics, etc. will be taught each semester, with students directing all their attention to that subject during that time.

The new curriculum will be effective this coming year.

FFA has changed, as has the curriculum. Where once one only thought of as livestock projects, it now teaches everything from high-tech work through bookkeeping skills!

Obviously, the basic knowledge of electricity, carpentry and painting, are skills that will be useful to girls or boys for the rest of their lives. Even apartment dwellers have a need to occasionally hang pictures, repaint or make minor repairs without having to call in an expensive repairman.

Record books required on all projects teach bookkeeping skills and home English skills.

The physical work done is matched by the mental work required in the classroom, especially with the new curriculum.

Speech is developed through public speaking, as is self-confidence.

Management is learned through the self-governing aspect of FFA,

and so is cooperation.

Chemistry becomes a practical skill when students learn about testing soil, milk or figuring how much paint, fertilizer or wood is needed for a project.

Business skills are the same in any world, whether agriculturally oriented or computer oriented.

Rivercrest meat training lab has long been their pride and joy, and leaves students with a knowledge of meat processing that can be turned into a lifetime job or simply teach a future homemaker how to buy the best type of meat.

FFA sparks interest and support not only in the school system, but throughout the community. FFA members are frequently some of the finest young people in the community.

So this week, during FFA Week, the Rivercrest Chapter and all chapters deserve a big "Well Done".

Accident Injures Bogata Man

Allan Avery of Bogata received serious injuries from an accident which occurred Tuesday, February 14.

According to witnesses, Mr. Avery was locking the gate at Bogata Building and Farm Supply, when the pickup truck which he had left running,

jumped gear and began to roll. In an attempt to get inside and gain control of the truck, Mr. Avery was knocked down and the tires ran over his legs. He was taken by ambulance to McCuiston Medical Center in Paris and admitted to ICU.

Girl Scout Cookies To Be Delivered In Bogata

Girl Scout cookies will be arriving this week and delivered by area Girl Scouts through March 7. If you ordered cookies earlier, payment of \$2.25 per box will be collected upon delivery.

In this area, 2,208 boxes of Girl

Scout cookies have already been sold. For those who are not able to reserve their boxes of cookies during order taking or would like additional boxes, contact the neighborhood cookie sale chairman, Mitzi Lowry at 632-5541, from 9-4 on weekdays only.

Lions Club And Peoples National Bank To Present First Ranch Rodeo

The Bogata Lions Club met in regular session Thursday, February 16 at the Community Center with 23 members and two guests present.

President David Rozell called the meeting to order. Worth Hood gave the opening prayer and Buford Hervey led the Pledge to the Flag.

Russell Woodall read the minutes of the last meeting. The meal was prepared and served by Jack Crane. David Rozell introduced special guest, Ronnie Abbott, Chairman of

the Board of Peoples National Bank of Bogata and director, Darrell Coats. Both men expressed their thanks for the invitation to be there and their desires to be a part and serve the community. They stated that the bank would like to help sponsor and finance the Ranch Rodeo.

John Ragsdill gave a report on the progress of the Ranch Rodeo. Ten sponsors have been established for the ten teams that will compete. There will be a wagon train and parade through Bogata earlier Saturday afternoon. Concession stands will be open early for the events. There will be two drill teams perform and several specialty events. A live band will perform during the performances. More details are forthcoming.

The next regular meeting will be Thursday, February 23 at which time pens and packages will be presented to several new members. Jerrell Vickers will be in charge of the meal.

MRS. DIANNE ORRILL was surprised with a red T-shirt hand painted by her first grade class. They love to play flash cards and with the help of John Lilly,

the class painted "Are we going to play flash cards?" and each child's name on it for Valentines Day. (Staff Photo by Nancy Brown)

Management Controls Cow Profit

Cow herds in East Texas range from excellent management to practically no management, says a livestock specialist with the Texas Agricultural Extension Service.
"These systems worked pretty well until the hard freeze the first of February," said Dr. Randall Grooms, Extension livestock specialist at Texas A&M University Agricultural Research and Extension Center at Overton. "Cattlemen with excellent management programs have a good chance of making a profit. However, it has long been established that you can't starve a profit out of a cow."
Producers kept their cows in good condition 't have an big worry during extremely cold weather. They know that takes more energy during these times and they keep their cows full of hay.

Grooms says that properly managed cow herds also have free choice high phosphorus minerals available along with trace mineralized salt.
This is on contrast to lesser managed herds that have cows in poorer condition with hay being below the minimum seven percent protein required for maintenance. Generally, these poorer managed cow herds are wormy and are not receiving supplemental protein or energy, phosphorus or magnesium in mineral, and usually no salt is available.
"The only cattlemen who have a potential for profit are those who have control of their total program," Grooms said. "These producers control their breeding and calving seasons, health programs, nutrition programs and the genetic design of their future calf crop."

Roundball Roundup

By Gary House

The Rivercrest Rebels won two games last week, as they fought to keep their play-off hopes alive. That goal, however, eluded them, despite their holding up their portion of the play-off prospectus; all dreams of post season play evaporated when Cooper upset league champion Honey Grove to claim the runner-up spot in District 17AA and advance with the Warriors to bi-district play.

Nonetheless, the Rebels played at peak performance. Against Como-Pickton, the Rebels built a comfortable lead as senior Jackie Whitney, starting his final game at home with a trio of classmates, hit nine first quarter points, all of them from long distance, to set the early pace. Senior Jimmy Lewis added eight more to Whitney's long range specialty, giving them a 21-12 first quarter lead. The Rebels were sailing smoothly along until the fourth period, when the Eagles outside shooting got hot, enabling them to cut the margin to a scant five points with three minutes to play. But the Rebels settled in to a 71-61 victory. Three other Rebels scored in double figures: Jason Pogue, 11; Jeremy Abshier, 13; Scooter Brown, 13 in addition to Lewis' 15 total markers.

The spacious new gym of Chisum High School was the scene for the season finale. It was a game which the Rebels had to win to force a post season tournament for runner-up in the district. The Rebels played their finest overall team game of the year on both ends of the court. They deserved the 71-59 win they earned;

but, it was an uncelebrated victory, as their efforts went for naught in face of the Cooper upset win. The Rebels fell behind early, 19-10 at one point, before Jason Pogue completed a three-point play to cut the margin to a single point, 21-20, three minutes into the second period. The second half was all Rebels, especially the trio of senior starters climaxing their schoolboy careers: Bradley Woods, Jimmy Lewis and Scooter Brown. Sparked by Woods' consecutive three point efforts, which fueled his game-leading 23 points, the Rebels advanced to a 47-40 lead five minutes into the half. Brown and two of his four steals in that span, and finished with 15 points. Despite having the flu most of the week, Lewis hit for nine points. Junior Jeremy Abshier and Pogue proved they will be team leaders as seniors, as they hit for 15 and 8 points respectively.

The game was marked by excellent Rebel defense, especially by Pogue, who blocked three shots and captured nine of the Rebels' 23 boards. With a 14 point cushion, the Rebels coasted to win with a stall game.

"Our seniors wanted this game, and took charge," commented coach Wake Wood. "Their defensive play set the pace, and with each made shot, their confidence was boosted."

The Rebels finish the year at 15-15 and 7-5 in district play. For the third straight season, they miss the play-offs by a single game, losing out one way or another in the finale.

Some of the highlights of the Rebel season included the defensive play of

Scooter Brown, with his 84 steals of the year, Brown moved into fourth place in the Rebel all-time statistical record in this category, with a total of 170.

Offensively, Bradley Wood moved into fifth place in scoring, ahead of David Rozell, with 1071 career points. Also, Woods hit 46 three point shots this season to lead in that new category. Wood hit 30% from long range.

Team stats, furnished by the Rebel athletic department include: team steals, 9.2 per game; offensive rebounds, 14.0 per game; defensive rebounds, 17.8; team free throw percentage, 58%; team field goal percentage, 36% (705 of 1963 attempts); three point percentage, 27% (109 of 403); points scored, 1831, averaging 61 points per game.

Two Rebels finished with a scoring average above 10 points. Woods averaged 17.3 per game and Lewis 13.3. Jason Pogue accounted for 49 blocked shots on the year. Woods finished his play with a total of 513 rebounds to rank 13th on the all time rebounds list.

As a person anote, I have enjoyed covering the Rebel and Rebelettes in both football and basketball this year. I appreciate the kind remarks toward my column. Please understand it is impossible to cover every detail, to mention every player in every game. But the fact is every student athlete contributed to the success of the programs. They each deserve recognition. And one closing thought; The Rebel fans are great.

School Counts

The second School Attendance Counting Period provided by the State of Texas is upcoming, and it is critical that all students attend school every day.

The Texas Legislature enacted a law in 1984 basing the Average Daily Attendance on the best of four of eight weeks of student attendance. There were four weeks of counting in October, 1988 and now the spring counting is here.

The spring attendance accounting period starts February 20 and will continue through March 24.

During this time, spring break will be March 13-17. Since the spring break splits the counting period, parents are asked to try to schedule trips so your child will not miss a day of school.

As a result of the cooperative efforts, Talco-Bogata students are learning and achieving at a high plateau. Creative teaching is the norm in the Talco-Bogata schools and it is unique in that it attracts quality applicants for teachers.

From a financial standpoint, approximately \$3,432 per child will be spent during this school year. The State of Texas assists the district by allotting \$1,742 per child. This does not mean the school enrollment can be multiplied by that amount to arrive at allotted funding. It means the \$1,742 per child is paid according to the Average Daily Attendance. This means each day a child is absent during the counting period, the Talco-Bogata I.S.D. will lose \$87.10. If attendance is low, this cost will ultimately be reflected back to the taxpayer or less school programs.

White-Cox Vows Exchanged

Julie Ann White and Robert M. Cox were married in a double-ring formal ceremony at 7 p.m., Saturday, February 11 at Calvary Baptist Church in Talco. Brother Brett Castle officiated.

Pre-nuptial music was provided by Mrs. Barbara Russell, organist of the church.

A heart-shaped candelabra which was flanked by matching fifteen branch candelabras, and the unity candle were all decorated with English ivy, boxwood greenery and red satin bows, provided candlelight for the couple's exchange of vows. Two

tapiary trees accented with red bows completed the altar scene.

As candles were lit by Rickie Cox and Ronnie Cox of Palm Harbor, Florida, both brothers of the bridegroom, the song "Evergreen" was sung by Cindy Harper of Woodson, TX, cousin of the bride.

Mr. Karen Chapman, cousin of the bride, sang "Close To You" as the mothers lit the family candles and were seated. Both ladies sang "God, A Woman and A Man" during the lighting of the unity candle after the couple exchanged vows.

Escorted to the altar on the arm of her step-father, Jerry Brown, the bride was wearing a white satin gown with French chantilly lace, high illusion neckline over English net V-ed yolk. The ruffled outline of yolk was edged with fur on front and back yokes. Leg of mutton sleeves came to a point at the wrist. The skirt fell full from the fitted waistline with fur-edged scallops pulled up with satin bows. Underneath scallops were two rows of chantilly lace that fell into a chapel length train. Her headpiece was a Juliet cap with fur covering the top of the head. Puff net cascaded into a two-tier finger tip veil.

The bride carried an arm bouquet of long stemmed red silk roses, tied with white tulle and complimented with white lace.

Attending the bride as matron of honor was Lana Walsh of San Antonio, Felina Stringfellow of Bogata was bridesmaid with Bre'Ann Stroud, niece of the bride from Talco, as flower girl.

The attendants wore red velvet, Victorian style, long-sleeved dresses. The tea-length dresses were bustled in back. They carried white fur muffs and white fur circlets adorned with crystals and pearls were worn in their hair.

The flower girl carried a white lace basket with red petals.

The bridegroom and his attendants all wore black Pierre Cardin tuxedos. Tails, black tie and cummerbund with red boutonniere was featured in the groom's attire with red cummerbund and tie for best man, Bobby Felker of Kingwood, Chad White of Talco, brother of the bride, and ringbearer Coleman Brown, Talco, nephew of the bride.

Ushers wore red and black paisley cummerbunds and ties, they were Mike Blainey of Nacogdoches, Shayne Roberts and Shannon Roberts of Talco, cousins of the bride.

Mrs. Donna Renfro registered the guests in the church foyer at a table holding a red plume pen, bride's book and a bouquet of red and white roses, accented with white doves.

The parents of the bride hosted a reception in the fellowship hall of the church. Greeting the guests were the

new Mr. and Mrs. Rob Cox and their parents, Mr. and Mrs. Jerry Brown and Mr. and Mrs. Bob Cox.

The hall was festive with the bride's chosen theme of hearts and Teddy Bears and decorated in her colors of red, white and metallic gold. Heart-shaped red and white balloons and "just married" balloons were placed in various locations throughout the room.

The bride's table was laid in red taffeta with a large ruffled flounce highlighted with metallic gold sparkles and a white lace overlay. Formal wedding attired teddy bears

were used as a centerpiece. They were dressed by Mrs. Carol Jean Leake of Talco, a friend of the bride. Another family friend, Mrs. Judy Easley of Talco made the bridal cake decorated with white ruffles and borders with small red satin ribbon around each layer accented with red satin bows. A porcelain bride and groom bear topped the confection. Fruit punch was served from a large hand-cut crystal bowl on brass base. White mints centered with red sugared hearts were sent as a gift from the bridegroom's aunt, Judy Gardner in Ohio. Red napkins embossed in gold bore bridal bears, the couple's name and wedding date.

Serving from this table were Melissa Caraway of Omaha and Karin Frank of Nacogdoches, former college roommates of the bride.

White lace over red satin covered the groom's table from which was served chocolate double-heart cake adorned with chocolate roses, gold wedding rings and doves. Coffee was served from a brass server in gold china cups. Serving was Cheri Cox of Nacogdoches, sister of the groom.

Gifts were displayed on a table laid in white linen with lace overlay on which was displayed a bridal portrait, green plant and teddy bear. Natasha Goolsbee and Kristin Kuhl, young friends of the bride, passed out rice bags and remembrance ribbons to the guests.

As the couple left the church, they

Mrs. Rob Cox

released a large cluster of helium balloons with remembrance ribbons attached that floated into the night.

The new Mr. and Mrs. Rob Cox after honeymooning at Disneyworld will make their home in Clearwater, Florida.

Mr. and Mrs. Bob Cox honored their son and bride-to-be with a dinner at Western Sizzlin Steakhouse following rehearsal on Friday, February 10. It was at this time the couple presented their attendants with thank you gifts.

Talco Junior High, Bogata Boys Play Ball

The Talco Junior High boys traveled to Sulphur Bluff Thursday to begin play in their end-of-year tournament. The boys met Bogata Junior High 5 p.m., winning 47-29. Miqueal Jackson led the young Rebels with high score, followed by Colby Goolsbee and Tony Sanders. Eddie Williams helped out with two three-

pointers while Elliott Pogue also added a three-pointer. All the Talco team got playing time in the run-away game. The boys returned to play Avery Friday and surprised everyone with a win over a top team. During Saturday's play, the boys lost to Harts Bluff but own over Chapel Hill to take third place.

TALCO AND BOGATA boys met in basketball action at the Sulphur Bluff end-of-year tournament last Thursday. The Talco boys won the fray, 47-29,

and returned to play Avery on Friday, winning over the top team. (Staff Photo by Nancy Brown)

Martha Laird Chapter Meets

The Martha Laird Chapter of the Daughters of the American Revolution met at the Northeast Texas Community College February 11. Americanism is the DAR theme for February and Mrs. Mary Verne Starns introduced the winners of the DAR Good Citizen Awards from the area. Winners of the pins and certificates of honor were Donna Roth of Mt. Pleasant High School, daughter of Mr. and Mrs. Dana C. Havron, Sheila Stanley of Mt. Vernon High

School, daughter of Mr. and Mrs. Gerald Stanley and Shelaphon Simmons of Rivercrest High School, daughter of Mr. and Mrs. Tommie Simmons of Bogata. Winners of the American History Essay Contest were Emily Simpson, and Jackie Deanna Kaullen. Area wide winner was Stacy Hagan of Paul Pewitt High School. The next meeting will be with Miss Vergie Beth Hughes of Mt. Vernon on March 11.

**FFA Leads
The Way**

Through practical training, FFA prepares students for career opportunities in our community. On our farms and in our family-owned businesses, FFA members will be playing key roles in the future. We urge you to support this fine organization.

FOOT CARE by

Dr. Max Weinberg

FIX THE FOOT, NOT THE SHOE
A bunion creates an unsightly problem for the unadorned foot. It can be seen in the altered shape of a shoe as well. In fact, many people spend time and money on specialized shoe trees that are meant to change the shape of the shoes to conform to the protrusion in the foot. It certainly makes more sense to correct the foot to as near normal as possible. A bunion results from a big toe which turns in toward the other toes. This movement causes the toe joint to protrude out from the side of the foot. Friction between this protruding area and the shoe produces pain in an unsightly irregularity. In a great many cases, the problem can be alleviated with surgery.

This has been presented as a public service to promote a better awareness of the benefits of podiatry by the office of MAX R. WEINBERG, D.P.M., PC.
